THE

HISTORY AND SURVEY

OF

LONDON

FROM ITS

TO

The Right Honourable

SLINGSBY BETHELL, Eſq;

LORD-MAYOR,

The Right Worſhipful the

Court of ALDERMEN and SHERIFFS,

And the Worſhipful the

Court of COMMON-COUNCIL,

OF THE

CITY of *LONDON*.

My LORD and GENTLEMEN,

THE Proprietors of this voluminous and uſeful Work, undertaken with a pure Intention to preſerve thoſe Monuments of Antiquity, which convey a juſt Idea of the Wiſdom, good Government, Loyalty, Religion, Induſtry, Hoſpitality and Charity of your Predeceſſors in the Magiſtracy of this City, and to perpetuate down to the lateſt Poſterity the preſent flouriſhing and proſperous State of this Metropolis, to which it is arrived by your Zeal for the Public Good, ſteady Attachment to the true Intereſt of your Fellow-Citizens, and unwearied Application in the Support of Trade, National Credit, and Works of Charity; are by Duty and Gratitude, as well as Affection, induced to make this public Acknowledgment of the many Obligations they owe for your kind Aſſiſtance, which has enabled them to finiſh ſo extenſive and chargeable a Plan, and to ſeek for your Patronage and future Recommendation.

It would be a Volume of itſelf to attempt a circumſtantial Deſcription of the Records, Rights, Liberties, Cuſtoms and Uſages, or of the ancient and modern State of *London*: Yet it is proper to obſerve,

obſerve, that there is no Act of Parliament, no Charter, nor Municipal Claim granted and enjoyed by the Citizens, but may be found in this Hiſtory; nor any Monument of public Utility, that is not deſcribed in this Survey.

A Work thus calculated for the Honour of the City, and for the Information of the Citizens in their Duty, Rights and Privileges, illuminated with Plans and Views of all its public Edifices, &c. will eſtabliſh a real Idea of the Wiſdom of its Magiſtrates, the Magnificence of its Buildings, its Superiority to all other Cities both in Riches, Trade, Number of Inhabitants, Plenty, and Salubrity of its Situation, as well as of its Influence in the Preſervation of National Liberty: And therefore, in the Name and in Behalf of the Proprietors, I preſent this HISTORY and SURVEY of *LONDON* for your Patronage, and with the greateſt Reſpect beg Leave to ſubſcribe myſelf,

RIGHT HONOURABLE,

RIGHT WORSHIPFUL,

And WORSHIPFUL,

Your moſt devoted,

Obedient Servant,

The EDITOR.

THE CONTENTS

Of Vol. II.

BOOK II.

Containing the Political History *of* London, *&c. and a new and accurate* Survey *of the ſeveral Wards,* Liberties, Precincts, *&c. within the City and Liberties thereof.*

Chap. I. *The Situation, Extent, Number of Houſes, and Diviſion into eight general Parts.* P. 713

CHAP. VI. *An Account of the ſeveral Hoſpitals and Alms-houſes within the Cities and Suburbs of* London. p. 1288

CHAP. VII. *Of the Manner of Living, and modern Diverſions uſed by the Citizens.* p. 1326

BOOK VII.

Containing the Hiſtory, Antiquities and Government of Weſtminſter, *both Eccleſiaſtical and Civil, with a Deſcription of the ſeveral Pariſhes, and other Things remarkable within the City and Liberty thereof.*

CHAP. I. *An Account of the Foundation of the Abbey of* Weſtminſter, *with the Conſtruction of the preſent Church.* p. 1327

CHAP. II. *An Account of the Suppreſſion of the Abbey, the converting the ſame into a Biſhoprick, and then into a Collegiate Church.* p. 1329

CHAP. III. *The moſt remarkable Monumental Inſcriptions in the Collegiate Church of St.* Peter. p. 1330

CHAP. IV. *An Account of the ſeveral Pariſhes within the City and Liberty of* Weſtminſter. p. 1334

BOOK VIII.

Containing an Account of the Ancient and Preſent State of the ſeveral Pariſhes and Liberties in the County of Middleſex *within the Bill of Mortality, with an ample Deſcription of the Remarkables now therein.* p. 1350

BOOK IX.

Containing the Ancient and Preſent State of the Borough of Southwark, *&c. with an ample Deſcription of the ſeveral Pariſhes, and Remakables at preſent, alphabetically digeſted.*

APPENDIX.

An Abſtract of the Acts of Parliament for Building a new Bridge at Black-friars *and for Repairing* London-Bridge.

THE

HISTORY

OF

LONDON

FROM ITS

Foundation to the Preſent Time.

BOOK II.

Containing the POLITICAL HISTORY *of* London, *&c. and a new and accurate* SURVEY *of the ſeveral* Wards, Liberties, Precincts, *&c. within the City and Liberties thereof.*

CHAP. I.

The Situation, Extent, Number of Houſes, and Diviſion into eight general Parts.

THE Reader in the firſt Volume of this Work is preſented with the Annals of this antient, rich and powerful City: In which he may find a complete Collection of all its Charters and Privileges, granted, from Time to Time, by the Kings and Parliaments of this Nation, and of all the material publick Tranſactions relating to and performed by the Citizens, from the Foundation of the City to the preſent Time. I ſhall now proceed to the deſcriptive Part of this great Work; and, in the Plan or Survey of this Metropolis, lay before you the advantageous Situation thereof for Health, Commerce, *&c.* its Extent, Populouſneſs, Diviſion, Antiquities and preſent State.

Its Situation is pleaſant, profitable and healthful.

London, the moſt populous and opulent City and Emporium upon Earth, the Metropolis of *Great-Britain*, and the Chamber of its Monarch, is delightfully ſituate upon a gentle and beautiful Eminence, on the Northern Bank of the noble and incomparable River *Thames*; in the Latitude of fifty-one Degrees and thirty-two Minutes, and Longitude of eighteen Degrees and

thirty-ſix Minutes; at a Place where that River in the Vale is caſt into a Creſcen or Half-Moon; ſo that each Part may enjoy the Benefit thereof, and yet not be far diſtant from each other: About ſixty Miles diſtant from the Sea, and therefore not in Danger of being ſurprized by the Fleets of foreign Enemies; nor is it annoyed by the moiſt Vapours of the Sea; yet it is near enough to have Ships of the greateſt Burthen brought into its very Boſom, by the Help of the Tide, every twelve Hours. On the *North* Side it is very much ſheltered from the cold Winds by *Hampſtead*, *Highgate*, and the riſing Grounds of *Iſlington*; but lies open to the more kindly *Weſt*.

See p. 109. It was formerly thought to contribute much to the Preſervation of the healthy and good Air of the City, that nothing was burnt in it but Wood and Charcoal, even in Trades that uſed great Quantities of Firing: For this End alſo, *See p.* 130. Proviſion was formerly made againſt Stinks and annoying Smells, ariſing from killing Beaſts in the City; which was once thought to have occaſioned a grievous Plague there, in the Reign of *Edward* III, who, to prevent the like Infection, ſent his Command, about the Year 1361, to the Mayor and Sheriffs, to ſuffer no Butcher to kill his Cattle nearer the City than *Stratford*, or *Knightsbridge*. This is not obſerved now; nor indeed ſeems it neceſſary ſince the new Building of *London*; for the Streets, Lanes, *&c.* being wider, the Air is not ſo much pent up, nor conſequently ſo liable to Infection, as before; beſides, the Markets are now removed out of the Streets, made commodious, and have proper Methods taken to keep them clean: And being built on a Gravel and Loamy Soil, it not only contributes much to the Health of the Citizens, but likewiſe to the Strength of their Houſes, by ſupporting the moſt ponderous Superſtructures.

The pleaſant, profitable, and healthful *Situation* of this City, in reſpect of the River, the riſing Ground and, the Soil, (all ſo advantageous) is finely deſcribed by one of our Poets; where his Muſe is brought in thus ſpeaking upon the Sight of *London*:

Drayton's *Polyalbion*.

At thy great Builder's Wit,
  Who is, but wonder may?
Nay, of his Wiſdom thus
  Enſuing Times ſhall ſay;
O more than mortal Man,
  That did this Town begin,
Whoſe Knowledge found the Place
  So fit to ſet it in,
What God, or Heavenly Power,
  Was harbour'd in thy Breaſt? *&c.*
Built on a riſing Bank,
  Within a Vale to ſtand;
And, for thy healthful Soil,
  Choſe Gravel mixt with Sand;
And where fair *Thames* his Courſe
  Into a Creſcent caſts,
(That forced by his Tides,
  As ſtill by her he haſtes,
He might his ſurging Waves
  Into her Boſom ſend)
Becauſe too far in Length
  His Town ſhould not extend:
And to the *North* and *South*,
  Upon an equal Reach,
Two Hills their even Banks
  Do ſomewhat ſeem to ſtretch,
The two extremer Winds
  From hurting it to let;
And only level lies,
  Upon the Riſe and Set.
Of all this goodly Iſle,
  Where breathes moſt chearful Air,
And every Way thereto
  The Ways moſt ſmooth and fair;
As in the fitteſt Place,
  By Man that could be thought,
To which by Land or Sea
  Proviſion might be brought:
And ſuch a Road for Ships
  Scarce all the World commands,
As is the goodly *Thames*,
  Near where *Brute*'s City ſtands.

And yet this was written at a Time when the Buildings were compoſed of a Congeſtion of miſhapen and extravagant wooden Houſes, of Streets narrow and incommodious in the very Center and buſieſt Places of Intercourſe, and when its bad and uneven Pavement made it dangerous to walk, and the Spouts and Gutters over Head made it impaſſable in a rainy Day. What would the Poet have added to the Encomium, or how would he have been able to find Words ſufficient to ſing the Praiſe of *London*, had he lived in theſe Days of its Exaltation, and continual Improvement, both as to Beauty and Extent, as well as to Trade and Navigation?

However, it muſt not be concealed what a certain Author of good Repute writes: "I will "infer, that if this goodly City juſtly chal- "lenges what is her Due, and merits all that "can be ſaid to reinforce her Praiſes, and give "her *Title*; ſhe is to be relieved from that "which renders her leſs healthy, really offends "her, and which darkens and eclipſes all her "other Attributes. And what is all this, but "that helliſh and diſmal Cloud of SEA-COALE? "which is not onely perpetually imminent over "her Head; for as the Poet,

Sir John Evelyn's *Fumifugium*.

"*Conditur in tenebris altum caligine Cœlum*;

"but ſo univerſally mixed with the otherwiſe "wholſome and excellent *Aer*, that her *Inhabi- "tants* breathe nothing but an impure and "thick Miſt, accompanied with a fuliginous "and filthy Vapour, which renders them ob- "noxious to a thouſand Inconveniences, cor- "rupting the *Lungs*, and diſordering the entire "Habits of their Bodies; ſo that *Catarrhs*, "*Phthiſicks*, *Coughs* and *Conſumptions* rage more "in this one City, than in the whole Earth "beſides.

"I ſhall not here much deſcant upon the Na- "ture of *Smoaks*, and other Exhalations from "Things burnt, which have obtain'd their "ſeverall *Epithets* according to the Quality of "the Matter conſumed, becauſe they are gene- "rally accounted noxious and unwholſome; and "I would not have it thought, that I do here "*Fumos vendere*, as the Word is, or blot Paper "with inſignificant Remarks: It was yet

"haply

" haply no inept Derivation of that *Critick*, who " tookour *Engliſh*, or rather *Saxon*, Appellative " from the *Greek* Word σμύχω *corrumpo* and *exuro*, " as moſt agreeable to its deſtructive Effects, " eſpecially of what we do here ſo much declaim " againſt; ſince it is certain, that of all the com- " mon and familiar Materials which emit it, the " immoderate Uſe of, and Indulgence to *Sea-* " *coale* alone in the City of *London*, expoſes it to " one of the fowleſt Inconveniencies and Re- " proches, that can poſſibly befall ſo noble, and, " otherwiſe, incomparable City: And that not " from the *culinary* Fires, which for being weak, " and leſſe often fed below, is with ſuch Eaſe " diſpell'd and ſcatterr'd above, as it is hardly " at all diſcernible; but from ſome few par- " ticular Tunnells and Iſſues, belonging only " to *Brewers*, *Diers*, *Lime-burners*, *Salt* and " *Sope-boylers*, and ſome other private Trades; " *one* of whoſe *Spiracles* alone does manifeſtly " infect the *Aer* more than all the Chimnies of " *London* put together beſides. And that this is " not the leaſt *Hyperbolie*, let the beſt Judges de- " cide it, which I take to be our Senſes. Whilſt " theſe are belching it forth their ſooty Jaws, the " City of *London* reſembles the Face rather of " *Mount Ætna*, the Court of *Vulcan*, *Stromboli*, " or the Suburbs of *Hell*, than an Aſſembly of " rational Creatures, and the Imperial Seat of " our incomparable *Monarch*. For when in all " other Places the *Aer* is moſt ſerene and pure, it " is here eclipſed with ſuch a Cloud of Sul- " phure, as the Sun itſelf, which gives Day to " all the World beſides, is hardly able to pene- " trate and impart it here; and the weary " *Traveller*, at many Miles Diſtance, ſooner " ſmells, than ſees the City, to which he re- " pairs. This is that pernicious Smoake which " ſullyes all her Glory, ſuperinducing a ſooty " Cruſt or Furr upon all that it lights, ſpoyl- " ing the Moveables, tarniſhing the Plate, Gild- " ings and Furniture, and corroding the very " Iron Bars and hardeſt Stones with thoſe " piercing and acrimonious Spirits which accom- " pany its Sulphure; and executing more in one " Year, than, expoſed to the pure *Aer* of the " Country, it could effect in ſome hundreds:

Unwholeſomeneſs of Smoak *from* Brewers, Dyers, *&c.* *Chimnies.*

——— *piceaque gravatum*
Fœdat nube diem.

" It is this horrid Smoake which obſcures " our Churches, and makes our Palaces look " old, which fouls our Clothes, and corrupts " the Waters; ſo as the very Rain, and refreſh- " ing Dews which fall in the ſeveral Seaſons, " precipitate this impure Vapour, which, with " its black and tenacious Quality, ſpots and " contaminates whatſoever is expos'd to it:

——— *Calidoque involvitur undique fumo.*

" It is this which ſcatters and ſtrews about " thoſe black and ſmutty *Atomes* upon all Things " where it comes, inſinuating itſelf into our " very ſecret *Cabinets*, and moſt precious *Repo-* " *ſitories*: Finally, it is this which diffuſes and " ſpreads a Yellowneſſe upon our choyceſt " Pictures and Hangings: Which does this " Miſchief at home; is *avernus* to *Fowls*, and " kills our *Bees* and *Flowers* abroad, ſuffering " nothing in our Gardens to bud, diſplay them- " ſelves, or ripen; ſo as our *Anemonies*, and " many other choyceſt Flowers, will by no In- " duſtry be made to blow in *London*, or the " Precincts of it, unleſſe they be raiſed on " a *Hot-bed*, and govern'd with extraordinary " Artifice to accelerate their Springing; im- " parting a bitter and ungrateful Taſte to thoſe " few wretched *Fruits*, which, never arriving to " their deſired Maturity, ſeem, like the *Ap-* " *ples* of *Sodome*, to fall even to Duſt, when " they are but touched. Not therefore to be " forgotten is that, which was by many ob- " ſerv'd, that in the Year when *New caſtle* was " beſieg'd and blocked up in our late Wars, ſo " as, through the great Dearth and Scarcity " of Coales, thoſe fumous Works many of " them were either left off, or ſpent but few " Coales in Compariſon to what they now uſe; " divers Gardens and Orchards, planted even in " the very Heart of *London*, (as in particular " my Lord Marqueſſe of *Hertford's* in the *Strand*, " my Lord *Bridgewater's*, and ſome others about " *Barbican*) were obſerved to bear ſuch plentiful " and infinite Quantities of Fruits, as they ne- " ver produced the like either before or ſince, " to their great Aſtoniſhment: But it was by " the Owners rightly imputed to the Penury of " Coales, and the little Smoake which they " took Notice to infeſt them that Year: For " there is a Virtue in the *Aer* to penetrate, " alter, nouriſh, yea, and to multiply Plants " and Fruits, without which no Vegetable could " poſſibly thrive: But as the *Poet*,

Aret ager: vitio moriens ſitit aëris herba:

" So it was not ill ſaid by *Paracelſus*, That of " all Things *Aer* only could be truly affirm'd " to have *Life*, ſeeing to all Things it gave " Life: Argument ſufficient to demonſtrate, " how prejudicial it is to the Bodies of Men; " for that can never be *Aer* fit for them to " breathe in, where nor *Fruits*, nor *Flowers* do " ripen, or come to a ſeaſonable Perfection.

" *Newcaſtle-Cole*, as an expert *Phyſician* affirms " cauſeth *Conſumptions*, *Phthiſicks*, and the Indiſ- " poſition of the *Lungs*, not only by the ſuffo- " cating Aboundance of *Smoake*, but alſo by its " *Virulency*: For all *ſubterrany* Fuell hath a kind " of *virulent* or *arſenical* Vapour riſing from it; " which, as it ſpeedily deſtroys thoſe who dig " it in the *Mines*, ſo does it by little and little " thoſe who uſe it *here* above them: Therefore " thoſe Diſeaſes (ſaith this Doctor) moſt afflict " about *London*, where the very *Iron* is ſooner " conſum'd by the Smoake thereof, than where " this Fire is not uſed. Boetius a Boot. *The Perniciouſneſs of* Newcaſtle *Coal.*

" This *Coale*, ſays Sir *Kenelme Digby*, flies " abroad, fowling the Clothes that are expos'd " a-drying upon the Hedges; and in the Spring- " time beſoots all the Leaves, ſo as there is " nothing free from its univerſal Contamina- " tion; and it is for this, that the *Bleachers* about " *Harlem* prohibit by an expreſs Law (as I am " told) the Uſe of theſe *Coales*, for ſome Miles " about Town; and how curious the Diers and " Weavers of *Dammaſk* and other precious " Silks are at *Florence* of the leaſt Ingreſſe of " any ſmoaky Vapour, whilſt their Looms are at " work,

" work, I ſhall ſhew upon ſome other Occaſion.
" But in the mean Time, being thus incorporated
" with the very *Aer*, which miniſters to the
" neceſſary Reſpiration of our Lungs, the *Inha-*
" *bitants* of *London*, and ſuch as frequent it, find
" it in all their *Expectorations*; the Spittle, and
" other Excrements which proceed from them,
" being for the moſt Part of a blackiſh and fu-
" liginous Colour: Beſides, this acrimonious Soot
" produces another ſad Effect, by rendring the
" People obnoxious to Inflammations, and
" comes (in Time) to exulcerate the *Lungs*;
" which is a Miſchief ſo incurable, that it carries
" away Multitudes by languiſhing and deep
" *Conſumptions*, as the *Bills of Mortality* do
" weekly inform us: And theſe are thoſe
" *Endemii Morbi*, vernaculous and proper to
" *London*. So corroſive is this *Smoake* about the
" City, that, if one would hang up *Gammons* of
" *Bacon*, *Beefe*, or other Fleſh, to fume, and pre-
" pare it in the Chimnies, as the good *Houſe-Wifes*
" do in the Country, where they make uſe of
" ſweeter Fuell, it will ſo *mummifie*, dry up,
" waſte and burn it, that it ſuddenly crumbles
" away, conſumes, and comes to nothing.

" The Conſequences then of all this is, that
" (as was ſaid) almoſt one Half of them who
" periſh in *London*, dye of *phthiſical* and *pulmo-*
" *nic* Diſtempers; that the *Inhabitants* are never
" free from *Coughs* and importunate *Rheumatiſms*,
" ſpitting of *impoſtumated* and corrupt Matter:
" For Remedy whereof, there is none ſo infalli-
" ble, as that, in Time, the Patient change his
" *Aer*, and remove into the *Country:* Such as
" repair to *Paris* (where it is excellent) and other
" like Places, perfectly recovering of their Health;
" which is a Demonſtration ſufficient to confirm
" what we have aſſerted, concerning the Pernici-
" ouſneſſe of that about this City, produc'd
" only from this exitial and intolerable Accident.

How to be remedied.

" The *Remedy* which I would propoſe, requires
" only the Removal of ſuch *Trades* as are manifeſt
" *Nuiſances* to the City, which I would have
" placed at farther Diſtances; eſpecially, ſuch
" as in their Works and Fournaces uſe great
" Quantities of *Sea-coale*, the ſole and only Cauſe
" of thoſe prodigious Clouds of *Smoake*, which
" ſo univerſally and ſo fatally infeſt the *Aer*,
" and would in no City of *Europe* be permit-
" ted, where Men had either reſpect to Health
" or Ornament. Such we named to be *Brewers*,
" *Diers*, *Sope* and *Salt-boilers*, *Lime-burners*, and
" thelike: Theſe I affirm, together with ſome few
" others of the ſame *Claſſe*, removed at compe-
" tent Diſtance, would produce ſo conſiderable
" (though but partial) a Cure, as Men would
" even be found to breath a new Life as it were,
" as well as *London* appear a new City, delivered
" from that which alone renders it one of the
" moſt pernicious and inſupportable Abodes in
" the World, as ſubjecting her Inhabitants to ſo
" infamous an *Aer*, otherwiſe ſweet and very
" healthful: For (as we ſaid) the *culinary*
" Fires (and which *Charking* would greatly re-
" form) contribute little or nothing, in Com-
" pariſon to theſe foul-mouth'd Iſſues, and
" Curles of *Smoake*, which (as the Poet has it)
" do *Cælum ſubtexere fumo*, and draw a ſable Cur-
" tain over Heaven. Let any Man obſerve it
" upon a *Sunday*, or ſuch Time as theſe Spira-
" cles ceaſe, that the Fires are generally extin-
" guiſhed, and he ſhall ſenſibly conclude, by
" the Clearneſſe of the Skie, and univerſal Sere-
" nity of the *Aer* about it, that all the Chimnies
" in *London* do not darken and poyſon it ſo
" much, as *one* or two of thoſe Tunnels of
" *Smoake*; and that becauſe the moſt imper-
" ceptible Tranſpirations, which *they* ſend forth,
" are ventilated, and diſperſed with the leaſt
" Breath which is ſtirring: Whereas the *Columns*
" Clouds of *Smoake*, which are belched forth
" from the ſooty Throates of thoſe Works, are
" ſo thick, and plentiful, that ruſhing out with
" great Impetuoſity, they are capable even
" to reſiſt the fierceſt Winds, and, being ex-
" tremely ſurcharg'd with a fuliginous Body,
" fall down upon the City, before they can be
" diſſipated, as the more thin and weak is; ſo as
" two or three of theſe *fumid Vortices* are able
" to whirle it about the whole City, rendring
" it in a few Moments like the Picture of
" *Troy* ſacked by the *Greeks*, or the Approaches
" of *Mount Hecla*.

" I propoſe therefore, that by an *Act* of this
" preſent *Parliament* this infernal *Nuiſance* be
" reformed; enjoyning, that all thoſe *Works* be
" removed five or ſix Miles diſtant from *London*
" below the River of *Thames*; I ſay, five or ſix
" Miles, or at the leaſt ſo far as to ſtand behind
" that *Promontory* jutting out, and ſecuring *Green-*
" *wich* from the peſtilent *Aer* of *Plumſtead*
" Marſhes: Becauſe, being placed at any leſſer
" Interval beneath the *City*, it would not only
" prodigiouſly infect that his *Majeſty's* Royal
" Seat, and (as *Barclay* calls it) *pervetuſta Regum*
" *Britannicorum Domus*; but during our nine
" Months *Eteſians* (for ſo we may juſtly name
" our tedious Weſtern Winds) utterly darken
" and confound one of the moſt princely and
" magnificent Proſpects that the World has to
" ſhew: Whereas, being ſeated behind that
" Mountain, and which ſeems to have been
" thus induſtriouſly elevated, no Winds,
" or other Accident whatever, can force it
" through that ſolid Obſtacle: And I am per-
" ſwaded, that the Heat of theſe Works, mixing
" with the too cold and uliginous Vapours
" which perpetually aſcend from theſe fenny
" Grounds, might be a Means of rendring that
" *Aer* far more healthy then now it is; becauſe
" it ſeems to ſtand in need of ſome powerful
" Drier; but which *London*, by reaſon of its ex-
" cellent Scituation, does not at all require."

This was written and preſented by the Author to his Majeſty in 1661, the Year after his Reſtoration; and if his Plan for Rebuilding the City after the Fire had been executed, Sir *John* had provided an effectual Means to relieve the Citizens from the Nuiſance complained of, as may be ſeen on Page 449. But the Legiſlature not entering into the Merits of this Complaint, at the Rebuilding of the City, the *Brewers*, *&c.* not only have encreaſed the Quantity and Number of their Fires; but the Author of *Scelera Aquarum*, a noted Phyſician in 1701, informs us of another Evil brought by them upon this Metropolis from the contrary Elements.

" It

" It is moſt certain, That *London* is ſituated " on a wicked Bottom of Earth, called Blue " Clay: This Bottom, in many contiguous tho' " ſeperated Beds, extends itſelf round the " Metropolis, and Lines of Communication, " ſome Miles in Circumference, and reacheth " likewiſe downwards to an enormous Depth " towards the Center. For the Boarings that " have been frequently made by the Brewer in " queſt of the impregnated Water, [called " Spring-Liquor] have been moſtly attempted " to thirty and forty Fathom Depth without " Succeſs.

" The Interſtices betwixt the *clayey Strata* " generally conſiſt of Gravel and Sand, and ſome- " whiles give leave to the Surface and Center " Springs to meet one the other in their Circula- " tion through the Bowels of the Earth.

" As all Sorts of Clay are found, by the Ex- " perience and Obſervations of Country-Farmers " and Brewers, to abound with a Juice or " Salt of an eſurine acid Nature and Quality, " which vitiates all the Fruits of the Earth, ex- " cept it be firſt ſweetened and ſheathed by " Chalk, both crude, and calcined into Lime; " ſo this blue Kind of Glebe, being more " ſcelerous and corroſive than all the other, " maleficates equally Air and Water, and ren- " ders all the ſtagnate Waters of the Neighbour- " hood eſurine to a very high Degree.

" And here it is, that the Bounty of Nature " hath made itſelf remarkable to the Eye, in " burying this Bottom of Clay near twenty " Feet in Depth under Ground, and beſides " covering it over and over with repeated " Strata of different kinds of Moulds, towards " the gravelly Surface of the Earth, leſt the " Atmoſphere ſhould be invaded, and the " ambient Air we aſpire ſhould be thereby " exaſperated, and rendered catarrhous, through " the corroſive Effluvia ſent up from below. " So that 'till about one hundred and fifty Years " ago, that an endleſs Number of Perforations " began to be made by the common Brewer " into the ſubterranean World, the City " enjoyed its native State of Health, and was " entirely free from Coughs, and Catarrhs, Pe- " riodical Fevers, vulgarly called *Agues*, and, in " a Word, from all the ſymptomatical Branches " of the *Scorbute* hitherto enumerated.

" And here it may be obſerved by the bye, " that the acrid Effluvia ſent up from the " clayey Bottom, by reaſon of their volatile " Nature, do little Harm in the Summer Sea- " ſon. But during the Rigor of Winter, whilſt " they are weighed down and reverberated " back towards the Baſis of the Atmoſphere by " the Fogs and Froſts, then I may ſay it is, and " not till then, that they begin to bite even Per- " ſons adult, but more eſpecially the unſeaſoned " Bodies of Children and Foreigners.

" In ſhort, the *Scelus Aquæ & Loci*, here inſiſted " on, ſlept for a long Succeſſion of Ages, out " of Harms Way, in the Bowels of the ſubterra- " nean World. And beſides the corroſive Wa- " ters were not employed either in Bread, or " potable Liquors, extracted forth of Malt: " And as I may add, they were only made " uſe of for clearing of the Sight, and for eat- " ing away the Kells and Cataracts off of dim " Eyes.

" But about the Acceſſion of Queen *Elizabeth* " to the Crown, (as I am well informed) Clay- " Waters began to grow into Credit with ſuch as " brewed and baked for Sale, as a moſt powerful " Menſtruum for extracting the Tincture out " of Malt: And at that Period of Time it " was, that the Waters of DATC were carted " from *Hogſdon* to the ſeveral Brew-Houſes in " the Metropolis, at eight hundred Pounds *per* " *Annum* Expence. And at the ſame Time a " World of Wells were made, and Pumps " erected in every Corner of City and Suburbs.

" In a Word, the *Scelus Aquæ & Loci* now " ſpoken of, that is to ſay, the acrid Nature " and eſurine Quality of the ſtagnate Waters " in and about this City is ſufficiently evinced " *a poſteriori* from the ill-natured Effects thereof " in all domeſtick Uſes: *Firſt*, In ditching " and chapping of the Hands and Face; *2dly*, " From coagulating of *Alcalous Fluids*, both " Soap and Barm; *3dly*, From hardening of " Peas, and reddening of Bacon, and all Fleſh- " Meats, if boiled therein; which the Lord " *Bacon* enumerates amongſt ill Signs and Dia- " gnoſticks of Infalubrity; *4thly*, From the kill- " ing of Flowers, and deſtroying all manner " of Garden-Stuff, unleſs the acid Salt be firſt " evaporated by open Airings and Inſolation " on the Surface of the Earth, as was practiſed " by the Antients, and is likewiſe put in practice " by Gardeners to this Day.

" I had almoſt forgot to add here, that the " prodigious Bottom of Clay now ſpoken of " extends itſelf from the *Metropolis*, all along " the Banks of the River *Thames*, into the " Marſhes and Flats of *Eſſex*, which vitiates " both Air and Water in the Hundreds to a " very high Degree; whereby the Foundation " hath been laid of ſuch chronical Fevers and " ſcorbutick Agues, as inceſſantly reign in the " Diſtricts of *Dench* and *Rocheſort*. In a Word, " the *Thames* is alſo vitiated by Dyers, *&c.* So " that no Water is fit for Bread, ſave the *New* " *River*."

Other Advantages.

London is not more happily ſituate in reſpect to Health and Commerce, than it is for many other great Advantages; a few of which I ſhall juſt mention.

For Building.

For the Convenience of Building, we have Plenty of divers Sorts of Materials at hand, having ſeen in ſeveral Parts of the Suburbs (where new Buildings were lately erected) Clay dug up, made into Bricks, and built into Houſes, upon the Spot from whence they were taken: With which Matter the neighbouring Fields not only plentifully abound, but likewiſe with Abundance of choice Gravel, which not only ſerves to make our beautiful Terras-Walks in Gardens, but alſo to repair the Highways; which is of infinite Advantage to the Commerce of this vaſt City. Beſides, in the Neighbourhood there's great Plenty of Chalk, which abundantly ſupplies *London* and the vicinal Parts with Mortar, Whiting, and rich Manure; but Wood and Stones being ſcarce, thoſe Defects are amply ſupplied by Water-Carriage. *Fire.* And for Firing, it probably ſurpaſſes all other great Cities upon Earth for Plenty; for a private

private Family can, for about the Charge of ſeven Pounds, ſupply itſelf with Fuel ſufficient to keep two good Fires in Winter, and that of the Kitchen in Summer, notwithſtanding the great Duty upon Pit-Coals: Whereas the Inhabitants of moſt other great Cities abroad cannot keep ſuch Fires for quadruple the Sum; wherefore many of their Poor in a rigorous Seaſon periſh for Want of

Water. that great Neceſſary of Life. And as for Water, the ſecondary Cauſe of all Things, 'tis allowed by the beſt Judges, that it far exceeds all other Cities; for ſo it abounds with that precious Element, that there's ſcarce a Houſe, which has it not brought into it by leaden Pipes.

Other great Advantages, accruing to the Citi-

Mineral Waters. zens in Point of Situation, are the Plenty and Variety of Mineral Waters, wherewith the Neighbourhood of the City abounds; the great Store

Fiſh. of Fiſh continually produced by the genial River

Garden-Stuff. *Thames*; the prodigious Quantity of Garden-ſtuff, furniſhed by the adjacent Gardens; and vaſt Loads of Graſs, wherewith the neighbouring Fields are burdened: For this great City is incircled with an infinite Number of fine Kitchen-Gardens, delightful Plains, and beautiful Elevations, covered with a perpetual Verdure, which form an agreeable Variety of pleaſant and beauteous Objects, inriched with an incredible Number of great and ſtately Villages, adorned with the magnificent Country-Houſes of the Citizens; ſeveral of which Villages ſeparately taken (to my own Knowledge) excel the Capital Cities of three or four ſovereign Princes abroad put together, both in Number of Houſes and Inhabitants: Two of which (excluſive of many others from three to near ſix hundred Houſes) I ſhall only mention, *viz. Deptford* and *Greenwich*; the former containing eighteen hundred and twenty Houſes, and the latter thirteen hundred and forty-one: All Things conſidered, it may juſtly be ſaid, that this Spot ſeems, as if pointed out by the All-wiſe Author of Nature, as a Scite worthy of ſo great and incomparable a

See p. 17. City, and its antient Name of *Auguſta*; and to take it in its preſent Extent, this antient City has ingulphed one City, one Borough, and forty-three Villages, *viz.* the City of *Weſtminſter*, the Borough of *Southwark*, and the Villages of *Mora*, *Finſbury*, *Wenlaxbarn*, *Clerkenwell*, *Iſlington*, *Hoxton*, *Shoreditch*, *Nortonfalgate*, the *Spital*, *Whitechapel*, *Mile-End New-Town*, *Mile-End Old-Town*,

Preſent Extent of Buildings. *Stepney*, *Poplar*, *Limehouſe*, *Ratcliff*, *Shadwell*, *Wapping*, *Stepney*, *Eaſt Smithfield*, the *Hermitage*, St. *Catharine's*, the *Minories*, St. *Clements-Danes*, the *Strand*, *Charing-croſs*, St. *James's*, *Knights-Bridge*, *Soho*, St. *Giles's in the Fields*, *Bloomſbury*, *Portpool*, *Saffron-Hill*, *Holborn*, *Vaux-Hall*, *Lambeth*, *Lambeth-Marſh*, *Kennington*, *Newington-Buts*, *Bermondſey*, the *Grange*, *Horſleydown* and *Rotherhithe*.

An actual Survey of its Length in 1732. On the twenty-ſecond of *May*, *Anno* 1732, I meaſured the Length and Breadth of this City and Suburbs in three different Parts by a Perambulator; when I found its Length from the upper End of *Knights-Bridge* in the Weſt, to *Robin-Hood-Lane*, at the lower End of *Poplar*, in the Eaſt, to be ſeven Miles, four Furlongs, and thirty-two Poles, or ſeven Miles and a Half and one hundred and ſeventy-ſix Yards; *viz.* from the Weſt End of *Knights-Bridge* to *Clarges-Street* in *Hyde-Park* Road, one Mile; to three Doors Weſt of *James-Street*, *Long-Acre*, one Mile; to the North Eaſt Corner at *Holborn-Bridge*, one Mile; to two Doors Weſt of *Leadenhall-Gate* in *Leadenhall-Street*, one Mile; to a Stile in *Stepney* Fields, South of *White-Chapel* Mount, one Mile; to the *Blue Anchor*, Eaſt of *Stepney* Church, one Mile; to two Doors Eaſt of the *Horſe* at *Poplar*, one Mile; and thence to the End of *Robin-Hood-Lane*, four Furlongs and thirty-two Poles.

And from thence coaſting as near the River *Thames* as I could Weſtward, the City and Suburbs meaſured from *Robin-Hood-Lane* to *Peterborough-Houſe*, at the South End of *Mill-Bank-Row*, above the Horſe-Ferry at *Weſtminſter*, ſix Miles, ſeven Furlongs, and twenty-four Poles, or ſix Miles and three Quarters, and three hundred and fifty-two Yards; *viz.* from *Robin-Hood-Lane*, to two Doors Eaſt of *Lime-Houſe* Corner, one Mile; to *Griffin-Street* in *Lower Shadwell*, one Mile; to two Doors Eaſt of the *Hermitage-Bridge*, one Mile; to three Doors Eaſt of St. *Laurence Pultney-Lane*, in *Canon-Street*, one Mile; to *Ram-Ally*, oppoſite *Fetter-Lane* in in *Fleet-Street*, one Mile; to three Doors North of the Admiralty-Office at *Whitehall*, one Mile; and from thence to *Peterborough-Houſe* aforeſaid, ſeven Furlongs and twenty-four Poles.

In Breadth. And in Breadth, from the upper End of *Camberwell* Road in *Newington-Buts*, to the North End of *Jeffrey's* Alms-houſes in *Kingſland* Road, three Miles and thirty-one Poles, or three Miles and one hundred and ſeventy Yards and a Half; *viz.* from the upper End of the ſaid *Camberwell* Road, to four Doors South of the *White-Hart* Inn in the Borough of *Southwark*, one Mile; to two Doors South of *Devonſhire-Street*, without *Biſhopſgate*, one Mile; to No 5. in *Harwarr's* Alms-Houſes in *Kingſland* Road, one Mile; and from thence to the North End of the ſaid *Jeffrey's* Alms-Houſes, thirty-one Poles.

In meaſuring the Lengths and Breadths of the City and Suburbs, I took ſpecial Care to have the Wheel carried in divers Places, where I could not paſs ſtraight along, to prevent any Addition from being made either to the Length or Breadth thereof, by Northing or Southing, Eaſting or Weſting.

The Number of Houſes in this great Metropolis has been as wildly and falſely repreſented, as perhaps that of any other City whatſoever: A few Inſtances of which I ſhall, for the Information of the Reader, inſert in this Place.

Wild Repreſentations of the Number of Houſes. Sir *William Petty*, by a Certificate ſaid to be received from the Hearth-Office, about the Year 1685, makes the Number of Houſes then within the Bill of Mortality to amount to 105,315. And the Author of *The New View of* London, publiſhed *Anno* 1708, computes them at 106,888. Both *Preſent States of* Great-Britain have, for many Years, reckoned them at 120,000. But the Author of that called *Chamberlain*'s, outſtripping all the reſt, has inconſiderately run them up to 150,000. And by a Book lately publiſhed, which from its Title of *New Remarks, or a Survey of the Cities of* London *and* Weſtminſter, *by the Company of Pariſh-Clerks*,

Clerks, the Publick might reaſonably have expected an accurate Account thereof; but, inſtead of that, it contains the Reverſe; for in ſome Pariſhes about double the Number of Houſes is reckoned, and in others not a third of what they contain; and in divers none are accounted for. However, a late Plagiary and pretended Surveyor of *London* has glutted himſelf therewith, to the no ſmall Impoſition on his Reader.

But what is ſtill more ſurprizing, is, that the Account of the Number of Houſes taken by the Beadles of the ſeveral Wards of this City in the Year 1725, preparatory to a Petition to be preſented to Parliament for regulating the Elections of the City Magiſtrates, Members of Parliament, *&c.* is not a little defective in ſeveral of the great Wards: I ſhall only inſtance that of *Biſhopſgate without*, which wants two hundred and ſeventy Houſes of its genuine Number, which I diſcovered upon comparing that Account with the Pariſh-Books of St. *Botolph Biſhopſgate*, which contains all Parts of the Ward without.

In Conſideration of the Premiſes, I ſhall, for the Information of the Reader, preſent him with a double Account of the Number of Houſes within the Bill of Mortality. The firſt of which, amounting to eighty-five thouſand eight hundred and five, is the Number total of the ſeveral Accounts of Houſes mentioned in the reſpective Pariſhes, *&c.* in this Book, which I carefully took myſelf from the Books of all the ſaid Pariſhes, Precincts and Liberties within the City of *London* and Bill of Mortality, except the Pariſhes of St. *Bride*, and St. *George*, *Ratcliff-highway*, which I received from the Veſtry-Clerks of thoſe Pariſhes.

And in the laſt Account, which is an actual Survey, made in the Years 1725 and 1726, are not only contained the Names and Numbers of all the Streets, Squares, Lanes, *&c.* that were in this City and Suburbs at that Time; but the Names of thoſe ſince erected are added; to which is ſubjoined the Number of Houſes therein contained; whereby the Survey is brought down to the firſt of *February*, *Anno* 1737. By which the Cities of *London* and *Weſtminſter*, Borough of *Southwark*, and Parts contiguous, are divided into eight diſtinct Parts.

Diviſion of the Bill of Mortality into eight Parts.

Firſt. The Firſt Diviſion contains all the Streets, Squares, Lanes, *&c.* within the Wall of the City, including the *Tower* and Bridge of *London*; wherein are contained the following Numbers of Houſes, Brewhouſes, Inns, Taverns, Coffee-houſes, Bakers, Butchers, Cheeſemongers, Fiſhmongers, Poulterers, Alehouſes, Herbſtalls and Brandyſhops.

Houſes.	Brew.	Inns.	Taver.	Coffee.	Bakers.	Butch.	Cheeſe.	Fiſhm.	Poult.	Ale.	Herb.	Brand.
11795	10	49	121	124	122	324	84	54	67	669	136	307

Second. The Second Diviſion conſiſts of all the Streets, Squares, *&c.* in the City of *Weſtminſter*, South of *Whitehall* and St. *James*'s *Park*; wherein are contained the following Numbers of Houſes, Brewhouſes, *&c.*

Houſes.	Brewh.	Inns.	Taver.	Coffee.	Bakers.	Butch.	Cheeſe.	Fiſhm.	Poult.	Ale.	Herbſt.	Brand.
3282	13	5	13	19	44	54	23	2	7	247	56	259

Third. The Third Diviſion is compoſed of all the Streets, *&c.* on the North of *Weſtminſter* and River of *Thames*, and Weſt of *Strand-Lane*, *Drury-Lane*, *Bow-Street*, *Peter-Street*, *Queen-Street* and *Montague-Houſe*; which contains the following Number of Houſes, Brewhouſes, *&c.*

Houſes.	Brewh.	Inns.	Taver.	Coffee.	Bakers.	Butch.	Cheeſe.	Fiſhm.	Poult.	Ale.	Herbſt.	Brand.
14934	24	38	93	122	185	291	72	27	57	1057	268	861

Fourth. The Fourth Diviſion contains all the Streets, *&c.* on the Eaſt Sides of the above-mentioned *Strand-Lane*, *Drury-Lane*, &c. to *Fleet-Ditch*, and the Brook running from *Black-Mary's Hole*, on the Eaſt and North-eaſt, and the Fields and River *Thames* on the North and South, in which are contained the following Numbers of Houſes, *&c.*

Houſes.	Brew.	Inns.	Taver.	Coffee.	Bakers.	Butch.	Cheeſe.	Fiſhm.	Poult.	Ale.	Herbſt.	Brand.
10353	23	24	86	132	142	244	52	32	37	668	162	742

Fifth. The Fifth Diviſion includes all the Streets, *&c.* on the Eaſt Side of *Fleet-Ditch* and Brook aforeſaid, and all the Parts without the City Wall to *Moorgate*, and the Street and Road leading thence to the Fields; wherein are contained the following Numbers of Houſes, *&c.*

Houſes.	Brewh.	Inns.	Taver.	Coffee.	Bakers.	Butch.	Cheeſe.	Fiſhm.	Poult.	Ale.	Herbſt.	Brand.
11517	41	43	32	55	115	141	46	25	8	718	154	1007

Sixth. The Sixth Diviſion is compoſed of all the Streets, *&c.* without the City Wall, on the Eaſt of the ſaid Street and Road at *Moorgate*, to *Whitechapel* and *Bow-Road* on the South; in which are contained the following Numbers of Houſes, *&c.*

Houſes.	Brewh.	Inns.	Taver.	Coffee.	Bakers.	Butch.	Cheeſe.	Fiſhm.	Poult.	Ale.	Herbſt.	Brand.
13189	24	18	24	33	131	125	25	11	14	738	156	1581

Seventh. The Seventh Diviſion conſiſts of all the Streets, *&c.* without the City Wall, between *Whitechapel* and *Bow-Road* aforeſaid on the North, and the River *Thames* on the South; which contains the following Numbers of Houſes, *&c.*

Houſes.	Brewh.	Inns.	Taver.	Coffee.	Bakers.	Butch.	Cheeſe.	Fiſhm.	Poult.	Ale.	Herbſt.	Brand.
14874	22	6	43	22	136	205	35	3	15	946	123	1797

Eighth. The Eighth Diviſion contains all the Streets, *&c.* in *Southwark*, and all other Parts on that Side the River *Thames* within the Bill of Mortality; in which are contained the following Numbers of Houſes, *&c.*

Houſes.	Brewh.	Inns.	Taver.	Coffee.	Bakers.	Butch.	Cheeſe.	Fiſhm.	Poult.	Ale.	Herbſt.	Brand.
15845	14	24	35	24	197	131	47	5	12	932	129	2105

The

The above-mentioned Survey contains not only an Account of all the Streets, Squares, Lanes, *&c.* within the Bill of Mortality, but likewiſe the Number of Houſes, Brewhouſes, Inns, Taverns, *&c.* in each of the ſaid Streets, *&c.* reſpectively: But, conſidering that the inſerting them particularly would greatly ſwell the preſent Work, I ſhall, for the Eaſe of the Reader, (notwithſtanding the incredible Pains I was at for above the Space of eleven Months in takeing the ſaid Accounts) content myſelf with inſerting only the Names of the ſaid Streets, Squares, Lanes, *&c.*

But, before I proceed, I think 'twill be neceſſary to acquaint the Reader, that the great Difference in the Names and Numbers of the Streets, Squares, Lanes, *&c.* in the following Account, from thoſe publiſhed by others, is owing to the obſolete Names in theirs, and the Want of Pains in taking the ſame; whereas my Account contains the ſeveral Appellations they went by (in 1732) when I made the Survey; and the Increaſe of Number is the Effect of an unwearied Application when I took the ſame. And it is obſervable, that the Names of many of the inferior Places, *viz.* Alleys, Rents, Yards, *&c.* are in a continual Fluctuation; for many of them change their Names as often as they do their Owners, or the Signs that hang in the Streets before them; and ſometimes by the Death or Removal of the principal Inhabitants, who have, and ſtill do give Denomination to many ſuch Places of ſmall Note, during their Reſidence therein; inſomuch that, if an annual Account of the Names of ſuch Places were to be taken, there would appear a great Alteration in ſo ſhort a Time, eſpecially if we conſider that many of the ſaid ſmall Places go by divers Names at the ſame Time.

CHAP. II.

An Account of all the Alleys, Banks, Bridges, Buildings, Buries, Cloſes, Corners, Courts, Ditches, Docks, Entries, Gardens, Greens, Grounds, Mewſes, Paſſages, Rents, Roads, Rows, Squares, Streets, Yards, &c. *within the City of* London, *and Suburbs thereof, alphabetically digeſted.*

N. B. *As I have divided the City and Suburbs into the Eight Diviſions above-mentioned, I have added their proper Numbers to the ſeveral Alleys,* &c. *to ſhew the Parts of the Town wherein they lie.*

The Sum Total of all the Streets, Squares, Lanes, &c. above ſpecified; together with the Numbers Total of all the Brew-houſes, Inns, Taverns, Coffee-houſes, Bakers, Butchers, Cheeſemongers, Fiſhmongers, Poulterers, Alehouſes, Herbſtalls and Brandyſhops therein contained.

Sum Total of Houſes.

Streets,&c.	Houſes.	Brewh.	Inns.	Tav.	Coffee.	Bakers.	Butch.	Cheeſe.	Fiſhm.	Poul.	Aleh.	Herbſt.	Bran.
5099	95968	171	207	447	551	1072	1515	411	159	247	5975	1214	865[illegible]

The Number of Houſes within the City of *London* and Bill of Mortality appearing in this Account to be Ninety-five thouſand Nine hundred and Sixty-eight, I am fully perſuaded, that after the ſtricteſt Inquiry, they will not be found to amount to more, notwithſtanding the numerous conjectural Accounts to the contrary.

Wine-Office Acc.

Beſides the Free Vintners of this City, which are included in the above-mentioned Number of Taverns, there were in the Year 1728 Eleven hundred and Forty-eight other Houſes within the Bill of Mortality that ſold Wine by Retail, as appear'd by the Account of Wine Licences then extant, which I receiv'd, by Order of the Honourable Board of Commiſſioners of the Wine Licences, from their Secretary Mr. *Nicol*.

After ſo poſitive a Declaration as the above-mention'd, of my having taken the Number of Houſes in each Pariſh, Precinct and Liberty (excluſive of Two) from their reſpective Books, the Reader may juſtly be ſurpriz'd, by my Survey, to find, that they are increas'd to a much greater Number than the ſaid Books contain; 'twill therefore be neceſſary to acquaint him, that many Landlords of ſmall Places, paying all Taxes for the ſame, they are in the Publick Books only reckon'd as ſo many ſingle Houſes, though each of them contains divers.

And that the Ninety-five thouſand Nine hundred and Sixty-eight Houſes aforeſaid is the full Number within the Bill of Mortality, I think is in a great meaſure corroborated by the Reports of the Beadles of the Number of Houſes taken by them in the ſeveral Wards of this City in the Year 1725, when they amounted to Nineteen thouſand One hundred and Forty-eight: But that Account not being ſo carefully taken as it ought, the Numbers defective in ſeveral of the great Wards amount to Four hundred and One Houſes. And as the Liberties of the Tower of *London*, *St. James's Duke's Place*, *St. Anne's Blackfriers*, *St. Bartholomew's the Great*, *St. Bartholomew's the Leſs*, *St. Martin's le Grand*, *Whitefriers* and *Bridewell Precinct* have no Suffrage in the City Elections, (*Blackfriers* being ſince taken into the Freedom) they are precluded the Beadles Liſts, but as they are all within the City and Liberty thereof, they muſt not be excluded this Account; therefore their ſeveral Numbers of Houſes making Sixteen hundred and Ninety-ſix, and that of the defective Number of Four hundred and One in the Wards aforeſaid, being added to the Beadles Account, the Number Total of all the Houſes within the City and Liberty of *London* will then appear to be Twenty-one thouſand Two hundred and Forty-five; (that which has increas'd the Number of Houſes within the City and Liberty of *London* in the Sum Total of the Pariſhes to Twenty-four thouſand Two hundred and Sixty, is owing to my having added *Eaſt-Smithfield* Liberty, *St. Catherine's*, &c. as having formerly belong'd to the Ward of *Portſoken*) which, by the Bill of Mortality, appears to be much above a Fifth Part of the City and Suburbs: This of itſelf is ſufficient to demonſtrate, that the Number of Houſes within the Bill of Mortality cannot be greater than as above ſpecified.

Beadles Report.

Having diſcover'd the Number of Houſes in this great City and Suburbs; I ſhall now attempt, not only to ſhew their conſtructive Value, but likewiſe the annual Amount of their Rents.

Their annual Rents.

The Number of Houſes within the Bill of Mortality, at preſent inſur'd in the Hand in Hand Fire Office, amounting to 42676, the ſame are inſured at 9,231,400 *l.* and the Number within the ſaid Diſtrict, in the *Weſtminſter* Fire Office, being 7852, they are inſur'd at 2,059,121 *l.* which makes the Number of Houſes 50528, and the Sum inſur'd thereon 11,290,521 *l.* I endeavour'd to obtain Accounts from the other Fire Offices, but not ſucceeding, I ſhall, by the Help of the above, attempt to ſhew the conſtructive Value of all the Houſes within the Bill of Mortality.

Rec. Hand Office.

Rec. Weſt. Office.

But firſt, 'twill be neceſſary to acquaint the Reader, that the ſeveral Fire Offices, to prevent their being impos'd upon, inſure (at moſt) only Three Fourths of the Value of each Houſe; which Fourth Part uninſur'd being added to the aforeſaid Sum, 'twill increaſe the ſame to 15,054,028 *l.* which is the conſtructive Value of all the ſaid Houſes. But as the Number Total of all the Houſes within the Bill of Mortality amount to Ninety-five thouſand Nine hundred and Sixty-eight; the Value of the ſaid Houſes, according to the aforeſaid Method of Calculation, muſt amount to the Sum of Twenty-eight millions, Five hundred and Ninety-two thouſand, Four hundred and Sixty-three Pounds, Sixteen Shillings and Ten Pence Half-penny.

And, in order to come at the Amount of the Rents of the ſaid Houſes, I ſhall compare a certain Number thereof in the chief Parts of the City, where the Rents are higheſt, with a like Number in the meaneſt Parts of the Suburbs, where the Rents are loweſt; which is in the Liberty of *Eaſt Smithfield*, in the Pariſh of St. *Botolph Aldgate*. But that Liberty containing Fourteen hundred and Thirty Houſes, I ſhall only inſert ſuch a Part thereof, as ſhall anſwer to the Number of Houſes in the ſubjoin'd Wards: Which I ſhall deduct after this Manner:

The Number of Houſes in *Eaſt Smithfield* Liberty, as already hinted, being 1430, and the Rents thereof 6337 *l.* 7*s.* 10 *d. per Ann.* which, at a Medium, is Four Pounds Eight Shillings and Seven-pence Half-penny each; therefore the Rents of 1155 of the ſaid Houſes muſt amount to 5118 *l.* 1*s.* 10½ *d.* by the Year; which being added

added to the Sum Total of the Rents of the ſaid Wards, and the Aggregate thereof divided, it will appear, that the Rent of each Houſe within the Bill of Mortality, upon a Medium, amounts to 26*l.* 2*s.* 11*d. per Annum.*

	Houſes.	Rents. *l.*	*s.*	*d.*
Cheap Ward — — —	362	17286	0	00
Cornhill Ward — —	247	13912	0	00
Langbourn Ward — —	546	24081	0	00
Part of *Eaſt Smithfield Liberty* — — —	1155	5118	1	10½
Sum Total — — —	2310	60397	1	10½
Rent of each Houſe, at a Medium, *per Annum*		26	2	11

As by this Table it appears, that the Rents of the Houſes within this City and Suburbs, at a Medium, amount to the yearly Rent of 26*l.* 2*s.* 11*d.* each; therefore, as the Number of Houſes within the Bill of Mortality is Ninety-five thouſand Nine hundred and Sixty-eight, the Rents of the Whole muſt be Two millions, Five hundred and Nine thouſand, One hundred and Sixty Pounds Three Shillings and Seven Pence *per Annum.* But as the Rents have of late fallen in ſeveral Parts of the ſaid Wards, I ſhall fix the Medium of the annual Rents of Houſes in this City and Suburbs at Twenty Pounds each; whereby the Sum Total will appear to be One million Nine hundred and Nineteen thouſand Three hundred and Eighty Pounds *per Annum*; which, I am of Opinion, is the loweſt they can juſtly be put at.

In 1739.

CHAP. III.

Divers Accounts of the Bills of Mortality, ſhewing the great Increaſe of the City, with the Number of its Inhabitants.

AS I flatter myſelf, that I have, in the preceding Chapter, diſcover'd the Number of Houſes in this great City and Suburbs, to the Satisfaction of the Reader; I ſhall now, by a Method entirely new, endeavour to find out the Number of their Inhabitants; both of which hitherto have been as wildly and falſely repreſented, as perhaps thoſe of any other City whatſoever, and that by Men who ought to have known better.

Fitzſteph. Deſcript. nobil. Civit. Lond.

The Firſt Mention I find of the Number of the Inhabitants of this Metropolis, is, by *William Fitz-Stephens*, a romantick Monk, who acquaints us, That the City of *London*, at a great Muſter, in the Reign of King *Stephen*, ſent into the Field, of her own Citizens, Sixty thouſand Foot and Twenty thouſand Horſe. According to this Account, there muſt then have been in this City about treble the Number of Perſons there were in it in the Year 1631, (as I ſhall hereafter make appear); whereas it may be juſtly queſtion'd, whether the Number of Men, Women and Children in *London*, at that time, amounted to Fifty thouſand.

Howell's Londinop.

A modern Author of the ſame Stamp, with equal Veracity, acquaints us, That in the Year 1636, (miſtaken for 1631) King *Charles* the Firſt commanded the Lord-Mayor to return to him the Number of Papiſts (likewiſe a Miſtake, as I ſhall preſently evince) and Strangers, then in the City and Liberty of *London:* Whereupon the Lord-Mayor took the Opportunity of numbering the People; at which Time he found the Inhabitants within the Juriſdiction, or Bars of the City, to amount to above Seven hundred thouſand Souls: To which having added thoſe in the Out-parts, according to his own ridiculous Imagination, he reckons the Whole at Fifteen hundred thouſand Souls! which is about quadruple the Number calculated by an ingenious and judicious Author, in the ſame Year 1653.

Graunt's Nat. and Polit. Obſervat.

How to find the Number of Inhabitants.

The Method I have choſen to make uſe of, in giving an Account of the preſent Number of the Inhabitants of this vaſt City, is, by the Bills of Mortality, and the Number of Inhabitants taken in the Year 1631; and by placing the former in vicenary Accounts, with their Totals and proper Mediums, intend to ſhew the gradual Increaſe of the City, ſince the Beginning of the Seventeenth Century; but more eſpecially, from the Year 1636, when the laſt of the Out-Pariſhes in the Counties of *Middleſex* and *Surrey* were taken into the ſaid Bills.

But as neither the Pariſh Clerks Account, or that publiſhed by Mr. *Graunt*, take any notice of the Firſt Bill of Mortality publiſh'd in this City, for the Year 1562, nor of thoſe for the Years 1593, and 1603, I ſhall ſupply thoſe Defects from the great and valuable Library of Sir *Hans Sloane*, Baronet.

Ex Bibl. Sir Hans Sloane.

In the Year 1562, a grievous Peſtilence raged in this City; therefore, in order to know the Increaſe and Decreaſe of the ſame, 'twas judg'd neceſſary to take an Account of the Number of Burials; which being the Firſt of the Kind that ever was taken in *London*, it commenc'd on the firſt of *January*, *Anno* 1562, and ended the laſt of *December* 1563; whereby it appears that the Number Total buried within the City and Suburbs in that Year, amounted to 23,630, whereof of the Plague 20,136.

Ibid.

By the Bill of Mortality, beginning the 21ſt of *December*, *Anno* 1592, and ending the 22d of *December* 1593, there died 25,886, whereof of the Plague 15,003.

Ibid.

And by the Bill of Mortality, which commenc'd the 17th of *December*, *Anno* 1602, and ended *December* 1603, there died 42,042, whereof of the Plague 36,269.

Before I proceed, I ſhall, by way of Introduction, inſert a ſhort Extract from the Regiſter belonging to the Company of Pariſh Clerks, which gives an Account of the Riſe, Growth and Progreſs of the Bill of Mortality, ſhewing its ſeveral Gradations before it attain'd to its preſent State.

Par. Clerk. Regiſt.

The Riſe and Progreſs of the Bills of Mortality.

" The Weekly Bills of Mortality took their
" Original and Commencement the one and twen-
" tieth Day of *December*, *Anno* 1592, being a Year
" in Part of which was a very great Peſtilence,
" which continued until the Eighteenth Day of
" *December* 1595; in which Year the Plague cea-
" ſing,

" ſing, they were diſcontinued, and laid aſide as " uſeleſs, until the One and Twentieth of *De-* " *cember*, *Anno* 1603; and although a particular " or weekly Accompt was then taken, yet the " ſame was not made publick, but a general or " whole Year's Accompt thereof given as follow- " eth.

" A brief Report of all the Chriſtenings and " Burials within the City of *London* and Liberties " thereof, for one whole Year paſt, that is to ſay, " from *Thurſday* at Noon the One and Twentieth " of *December* 1592, unto the Twentieth Day of " *December*, *Anno* 1593, have been buried in all, " Seventeen thouſand Eight hundred and Forty- " four, whereof have died of the Plague Ten " thouſand Six hundred and Sixty-two. Chri- " ſten'd this Year, Four thouſand and Twenty- " one. Pariſhes clear of the Plague, None.

" In the Year 1594, the particular or weekly " Accompt of Chriſtenings and Burials was firſt " made publick, as alſo the general or yearly " Accompt until the aforeſaid Year 1595, in " which they were diſcontinu'd as aforeſaid; but " here note, that the Bill of Mortality, now in its " Infancy, conſiſted but of One hundred and " Nine Pariſhes, which Pariſhes were then only " alphabetically ſet down, without making any " Diſtinction of any of the Out-Pariſhes from " thoſe within the Walls; whereas it now com- " prehends One hundred and Thirty-two Pa- " riſhes, and diſtinguiſhes them by the Four Di- " viſions of the Ninety-ſeven, Sixteen, Fourteen " and Five Pariſhes, as by the preſent Bills may " appear.

" The Pariſhes that were then exempted were " theſe, *viz.* in the Ninety-ſeven Pariſhes, wanted " *St. James's Duke's Place*; in the Sixteen Pariſhes, " wanted *St. Bartholomew the Great*, *Bridewell* " *Precinct*, and *Trinity in the Minories*; which " Four (I conceive) being all Precincts, came " not into the Bill. The now Fourteen and Five " were then wholly exempt.

" Now to let you know by what Degrees the " Bills came to what they now are, note, that in " the Year 1604 were added to the Hundred and " Nine Pariſhes theſe under-named; to the Thir- " teen, the Three ſaid to be wanting, making up " their Number Sixteen, and theſe Eight, name- " ly, *St. Clement's Danes*, *St. Giles's in the Fields*, " *St. James's Clerkenwell*, *St. Katharine Tower*, *St.* " *Leonard Shoreditch*, *St. Mary Whitechapel*, *St.* " *Mary Magdalen Bermondſey*, and *St. Martin's in* " *the Fields*.

" In the Year 1606 was added to theſe Eight " the Pariſh of St. *Mary Savoy*; and in the Year " 1647 to them was likewiſe added St. *Paul's* " *Covent Garden*, making up the Number of the " Ten Out-Pariſhes.

" The Bills having now gained Reputation, " the Company obtain'd a Decree or Act, under " the Seal of the High Commiſſion Court or Star " Chamber, for the keeping a Printing Preſs in " their Hall, for printing the Weekly and Gene- " ral Bills within the City of *London* and Liberties " thereof, and the Nine Out-Pariſhes, bearing " Date *Anno* 1625.

" On the Eighteenth Day of *July* following, a " Printing Preſs was ſet up, and an Order then " made, that the Two Maſters and Upper War- " den ſhould each of them have the keeping of a " Key to the Preſs-Room Door, and that from " thenceforth the weekly Reports of Chriſtenings " within the Limits aforeſaid ſhould be printed " with the Number of Burials againſt every Pa- " riſh, which till that Time was not done.

" In the Year 1626, the Pariſh or Precinct of " St. *James's Duke's Place* was added to the Nine- " ty-ſix, now Ninety-ſeven, Pariſhes within the " Walls; all which Pariſhes, ever ſince their ſe- " veral Additions, and the other ever ſince the " Year of our Lord 1604, brought to the Com- " pany of Pariſh Clerks, not only an Accompt of " all the Chriſtenings and Burials, but alſo an " Accompt of all the Diſeaſes and Caſualties, al- " though no ſuch Accompt was publiſh'd to the " World till the Year of our Lord 1629; in " which Year two Sorts of Bills were printed, one " Sort with the Diſeaſes and Caſualties on the " Backſide, and the other without. In which " Year alſo was added the City of *Weſtminſter*, " which brought in only the Number of the " Chriſtenings, Burials and Plague, without ta- " king notice of, or ſpecifying, any of the Diſ- " eaſes or Caſualties.

" And in the Year 1636, the Pariſhes of *Hack-* " *ney*, *Iſlington*, *Lambeth*, *Newington*, *Rotherhithe* " and *Stepney* were added, which likewiſe brought " in the Reports of the Chriſtenings, Burials and " Plague in Manner and Form as the City of " *Weſtminſter* before is ſaid to do, ſo that now the " Bill conſiſted (by the aforeſaid ſeveral Additi- " ons) of One hundred and Thirty Pariſhes.

" In the Year 1660, the Bills were new mo- " delled, and an Accompt of the ſeveral Diſeaſes " and Caſualties in the whole Hundred and Thir- " ty Pariſhes was brought in, and the then " Twelve Pariſhes lying in *Middleſex* and *Surrey* " were made a Diviſion in the aforeſaid Bill by " themſelves, and the Five Pariſhes within the " City and Liberty of *Weſtminſter* were made a " Diviſion by themſelves, whereas before they " were intermix'd with each other.

" In the Year 1670, the Pariſh of St. *Paul's* " *Shadwell* (heretofore Part of the Pariſh of *Step-* " *ney*, and a Chapel of Eaſe to the ſame) as alſo " in the Year 1671, the Pariſh of *Chriſt-Church* " in *Surrey*, heretofore Part of the Pariſh of St. " *Saviour's Southwark*, (both of which were made " Parochial by Act of Parliament) were added to " the Twelve Out-Pariſhes in *Middleſex* and *Sur-* " *rey*, which makes up the Number of the Pa- " riſhes One hundred and Thirty-two, as in the " preſent Bills of the Year 1681."

On the Fourteenth of *July*, *Anno* 1685, the Pariſh of St. *James's Weſtminſter* was taken into the Bill, as was alſo that of St. *Anne's Weſtminſter* on the Sixth of *April* 1686, and likewiſe that of St. *John* at *Wapping* on the Seventeenth of *April* 1694. Bill Mort.

On the Twenty-eighth of *June* 1726, St. *Mary le Strand* was brought into the Bill of Mortality, as was alſo that of St. *George Hanover Square* on the ſeventh of *October* 1729, and likewiſe that of St. *Peter ad Vincula* in the Tower of *London* on the ſixteenth of *December* following, together with the Pariſhes of *Chriſt-Church Spitalfields*, St. *George* Ibid.

Ratcliff-Highway, and St. *George the Martyr* in *Queen's Square:* But a Conteſt ariſing between the Inhabitants of the *Tower Liberty without* and thoſe *within* the *Tower*; whether the Church of St. *Peter ad Vincula* was Parochial or not, the Merits thereof were try'd in the Court of *King's-Bench* at *Weſtminſter* in the Year 1730, when it was determin'd in the Negative, which occaſion'd its being left out of the Bill of Mortality ſoon after.

Bill Mort. On the twenty-ſecond of *September*, *Anno* 1730, the Pariſh of St. *Anne's Limehouſe* was added to the aforeſaid Bill, as on the thirteenth of *April* and third of *Auguſt* in the Year 1731 were thoſe of St. *George Bloomſbury* and St. *John the Evangeliſt* at *Weſtminſter*, as were likewiſe the Pariſhes of St. *John* in *Southwark* and St. *Luke* in *Old-ſtreet* on the twenty-firſt of *Auguſt* and twenty-ſeventh of *November* 1733, and of St. *Matthew*, *Bethnal-Green*, in 1744; which makes the preſent Number of Pariſhes in the Bill of Mortality amount to one hundred and forty-ſix.

The above-mention'd Regiſter belonging to the Company of Pariſh Clerks, commencing only in the Year 1664, the firſt Part thereof being loſt, the Company are of Opinion, that the ſame was lent to Mr. *Graunt*, to enable him to write his *Natural and Political Obſervations*, but by ſome Accident never return'd. Beſides, by the unpardonable Omiſſions of the Company's Clerk, there's a Chaſm in the third Volume of their Regiſter, from the ſecond of *November*, *Anno* 1698, to the ſixteenth of *December* 1701; both of which Defects I ſupply'd from the ſaid *Graunt*'s *Natural and Political Obſervations*, and the Bills of Mortality in the Library of the above-nam'd Sir *Hans Sloane*, as I likewiſe did from the ſaid Bills ſupply the defective Accounts of Chriſtenings in the Years 1664 and 1665.

In this Place 'twill be neceſſary to acquaint the Reader, that the two weekly Bills of Mortality above-mention'd did not long ſubſiſt; for that which contained the Diſeaſes and Caſualties being laid down about the Year 1660, both Accounts were printed in one Bill. However, the ſaid Bills in Writings and Diſcourſe are ſtill made to ſubſiſt, by ignorantly reckoning the yearly Bill for one, whereas 'tis only a Recapitulation of the weekly. This Miſtake may in ſome meaſure be owing to the ſeveral Acts of Parliament relating to the City and Suburbs, wherein the Plural is erroneouſly uſed inſtead of the Singular, *viz.* Bills, in place of Bill of Mortality.

The following Accounts of the Numbers total of the Chriſtenings and Burials, as ſpecified in all the Bills of Mortality hitherto publiſhed (excluſive of thoſe above-mention'd) I have digeſted into Vicenary Accounts, with their Totals and proper Mediums: The Reader, by comparing the laſt of which, will at once perceive (allowing for the Plague) the gradual Increaſe of the Number of Inhabitants within the Bill of Mortality during the Time therein contained.

And for the Reader's greater Eaſe, 'twill be neceſſary to acquaint him, That the firſt Column of the three firſt Vicenary Accounts contains the Years; the ſecond, third and fourth, the Numbers of Burials in the Ninety-ſeven Pariſhes within the Wall of the City, the Sixteen in the Liberty without, and thoſe of the Out-Pariſhes in *Middleſex* and *Surrey*; the fifth and ſixth, the Numbers of Perſons that died of common Diſtempers, and the Plague; and the ſeventh and eighth, the Numbers total of the Chriſtenings and Burials within the then Bills of Mortality in each of the ſaid Years.

And the fourth, fifth and ſixth Vicenary Accounts contain the Years, together with the Accounts of Chriſtenings and Burials in each of the ſaid Years, as ſpecified in the preſent Bill of Mortality; but no Perſon in this City having died of the Plague ſince the Year 1679, I have in the fourth, fifth and ſixth Vicenary Accounts, left out the Column of common Diſtempers; but that of the Plague in the fifth and ſixth not being conveniently to be done, the ſame is continu'd with Cyphers.

Before I proceed, I think it will not be amiss in this Place to take notice of an Opinion lately ſtarted, That the Inhabitants of this City and Suburbs are greatly decreaſed ſince the Execution of the fatal *South-Sea Scheme* in the Year 1720.

To rectify this Miſtake, I ſhall ſubjoin the Numbers total of all the Chriſtenings and Burials contain'd in the Bills of Mortality for the Term of ſeventeen Years immediately preceding that unhappy Period, as I ſhall likewiſe thoſe for the ſame Term of Years ſince that Time.

The firſt ſeventeen Years Account, from the Year 1703, *to that of* 1721, *both excluſive.*

	Chriſt.	Buried.
Numbers Total — —	208602	393034
Mediums — — —	16506	23119

The laſt ſeventeen Years Account, from the Year 1720, *to that of* 1738, *both excluſive.*

Numbers Total — —	302868	457779
Mediums — — —	17815	26928

The Reader, by comparing the Mediums of the laſt Account with thoſe of the firſt, will perceive that the Chriſtenings ſince the Year 1720 are increas'd 1309, and the Burials 3809; which ſhews, inſtead of a Decreaſe, that the Number of the Inhabitants of this City and Suburbs are greatly increaſed in that ſhort Space of Time.

The Bill of Mortality of the City of *London* is certainly one of the moſt defective of its Kind, none being mention'd therein but ſuch as are buried in Parochial Cemeteries, Precincts and Liberties; by which means many Burial Grounds belonging to the Church of *England* (ſuch as St. *Paul*'s *Cathedral*, *Weſtminſter Abbey*, the *Temple Church*, St. *Peter*'s *ad Vincula*, the *Rolls* and *Lincoln*'s-*Inn Chapels*, the *Charter-Houſe*, and divers others belonging to Hoſpitals) are not only precluded the ſame, but likewiſe thoſe belonging to Diſſenters of all Denominations, together with all thoſe that are buried from within the Bill of Mortality in the ſeveral circumjacent Pariſhes; whereby the Number of Perſons that die within this City and Suburbs is greatly diminiſhed, to the no ſmall leſſening the Grandeur of *London* in the Eyes of the World, in reſpect to the Number of its Inhabitants!

Conſidering the Premiſes, and for the better enabling me to calculate the Number of the Inhabitants of this City, I found myſelf indiſpenſably obliged to have recourſe to the ſeveral Regiſters belonging to the under-mention'd Burial Grounds, where in all Places (tho' in many with great Difficulty) I ſucceeded, by getting an Account of the Number of Perſons buried in each thereof, from all Parts within the Bill of Mortality in the Year 1729, except the Preſbyterians great Burial Ground in *Bunhill-Fields*, where the Leſſee, out of a ſelfiſh View, would not diſcover the vaſt Number buried there in the ſaid Year, other than that I might ſafely inſert one for every Day of the Year. This obſtinate Refuſal put me upon inquiring

inquiring of *John Smith*, the Grave-digger, who aſſur'd me, that though he kept no Regiſter, yet in the Courſe of his long Service he had made ſuch Obſervations, that he was ſure they buried annually between ſeven and eight hundred; but leſt I ſhould exceed the Number, I have choſen only to inſert five hundred for the aforeſaid Year; which, according to the Opinions of divers of the moſt eminent Undertakers I apply'd to, is much too few.

A Collection of the Numbers of Perſons buried in and from the City and Suburbs of London *in the Year* 1729, *not taken notice of in the Bill of Mortality.*

Burials not mentioned in the Bill of Mortality.

In *Aſk*'s Hoſpital Chapel, from the Reverend Mr. *Bedford*, Regiſter-Keeper, — 4
In the Baptiſts Burial Ground in *Mill-Yard*, *Goodman's-Fields*, from *Thomas Harper*, Regiſter-Keeper, — — — 28
In the Baptiſts Burial Ground in *Sheer's-alley*, *White-ſtreet*, *Southwark*, from the Reverend Mr. *Harrington*, Regiſter-Keeper, — 21
In the Baptiſts Burial Ground in *Collier*'s *Rents*, *White-ſtreet*, from *John Crouch*, Regiſter-Keeper, — — — 22
In the Baptiſts Burial Ground in *Glaſshouſe-Yard*, *Pickax-ſtreet*, from Mrs. *White*, Regiſter-Keeper, — — 25
In the Baptiſts Burial Ground in *Bandylegwalk*, *Southwark*, from *John Mortimer*, Regiſter-Keeper, — — 51
In the Baptiſts Burial Ground in *Broad-ſtreet*, *Wapping*, from *Nathan Holmes*, Ground-Keeper, — — 16

In the Quakers Burial Ground of *Ratcliff* Diviſion, from ditto, — — 32
In the Quakers Burial Ground of *Southwark* Diviſion, from ditto, — — 67
In the Quakers Burial Ground of *Weſtminſter* Diviſion, from ditto, — — 18
In the *Rolls* Chapel in *Chancery-Lane*, — 2
In *Row*'s Burial Ground in *Moorfields*, regiſter'd and unregiſter'd, from *Benjamin Clitherow*, Ground-Keeper, — — 270
In St. *Mary le Bon*, from *John Weſt*, Pariſh Clerk, — — — 297
In St. *Mary Stratford*, *Bow*, from the Reverend Dr. *Warren*, Regiſter-Keeper, — 4
In St. *Pancras*, from the Reverend Mr. *Smith*, Regiſter-Keeper, — — 121
In St. *Paul*'s Cathedral, none buried in three Years, on account of the exorbitant Duties; for thoſe Parts of the Church-yard where People are buried, belong to the Pariſhes of St. *Gregory* and St. *Faith*, — 00
In St. *Peter ad Vincula*, — — 14
In *Stoke-Newington*, from *John London*, Eſq; Church-warden, — — 28
In the *Swediſh* Chapel, *Trinity-Lane*, from the Reverend Dr. *Gerdes*, Regiſter-Keeper, 4
In the *Temple* Church, from *John Booth*, Chapel Clerk and Regiſter-Keeper, — 16
In *Tindale*'s Burial Ground, *Bunhill-fields*, 500

In *Tottenham*, from the Reverend Mr. *Huſbands*, Regiſter-Keeper, —	9
In *Walthamſtow*, from the Reverend Dr. *Chizzel*, Regiſter-Keeper, — —	13
In *Wandſworth*, from the Reverend Mr. *Cawley*, Regiſter-Keeper, — —	12
In *Weſt-Ham*, from *Thomas Blunt*, Pariſh Clerk and Regiſter-Keeper, — —	12
In *Weſtminſter-Abbey* and Cloiſter, from *Thomas Grant*, — — —	19
In St. *Thomas*'s Hoſpital, *Back-Ground*, from Mr. *Gale*, the Steward, —	12
Number Total —	3038

Notwithſtanding this great Number of Burials not taken notice of in the Bill of Mortality, I am perſuaded there die annually a conſiderable Number more, which I think is not to be queſtion'd, conſidering the great Number of above twenty-one thouſand Sailors which belong to this City; for whom (tho' generally one half of them are abroad) I have only reckon'd thoſe that died out of the ſmall Number of Seamen employ'd in foreign Parts by the *Eaſt-India* Company as aforeſaid; and beſides thoſe interr'd in the Cemeteries above-mentioned, I have for divers Years obſerved, that the Number of Perſons carried from *London* to be inhum'd in other Parts of the Country, is greater than that of thoſe brought from all other Places in the Kingdom to be buried in this City and Suburbs.

Rec. Guild. *Privy Council's Queries to the Lord-Mayor.*

Ruſh Col. vol. 2. p. 1.

The Government, from divers Cauſes, being apprehenſive of an approaching Dearth, the Privy Council, on the 30th of *June*, *Anno* 1631, wrote to Sir *Robert Ducy*, Lord-Mayor of this City, and requir'd an Anſwer to the following Queries:

"1. What Number of Mouths are eſteemed to "be in the City of *London* and the Liberty?

"2. What Proportion of Corn will ſuffice to "feed that Number by the Month?

"3. What Places are provided to conſerve "that Corn?

"4. When the City intends to make their Proviſion?

"5. What Courſe the City takes to have the "Proviſion well conſerved againſt the Time of "Scarcity?

"6. What Stock of Money they provide for "that Purpoſe; and who ſhall be the Providers?"

People in each Ward numbered.

In Obedience to this Order, the Lord-Mayor, by virtue of his Precepts, obtained Certificates of the Number of People in each Ward; and, on the 6th of *December* following, returned for Anſwer, That, upon a ſtrict Inquiry, it did appear, that the Number of Men, Women, and Children, within the City and Liberties of *London*, amounted to one hundred and thirty thouſand two hundred and eighty, as appears by the Copy of his Anſwer in the Archives at *Guildhall*.

But this general Account, differing from that particular one publiſhed by Mr. *Graunt*, (which I ſuppoſe he had from the original Certificates in *Guildhall*, now loſt) the Difference of twelve more therein contained, I take to be owing to a Miſtake in adding up the ſeveral Numbers; for which Reaſon I ſhall keep to *Graunt*'s Account, as more accurately expreſſing the Number of People in each Ward.

An Account of the Numbers of Men, Women and Children, returned by Certificates from the ſeveral Wards, &c. of London, *to the Lord-Mayor, in the Year* 1631.

Obſervations thereon.

By the preſent Method of Calculation, I am obliged to caſtrate the Wards of *Farringdon without*, *Cripplegate without*, *Bridge without*, *Portſoken*, the Pariſhes of St. *Bartholomew the Great and Leſs*, and the Ward of *Alderſgate* both *within* and *without*; becauſe no ſeparate Return was made for the laſt, whereby to diſtinguiſh the Number of the Inhabitants in the inner, from the outer Part of the Ward; for this, like all the other Out-Wards, except that of *Biſhopſgate*, has a foreign Liberty annexed to it; by which, and the Loſs of the Pariſh Regiſter of St. *Botolph*, *Alderſgate*, of that Time, I am rendered unable to diſtinguiſh between the Number of Perſons interred from the City-part of the Pariſh, (which compoſes the Out-part of the Ward) from that of the *Glaſs-houſe* Liberty in the County of *Middleſex*, where the Inhabitants were not numbered.

This Difficulty I ſhall attempt to remove, by endeavouring to diſcover the Number of Inhabitants which were then in the Ward within, and to ſeparate the ſame from the reſt of the Inhabitants of the ninety-ſeven Pariſhes: For the accompliſhing of which, I ſhall attempt to find out the Number of Houſes then within the City Wall, and alſo that of the Houſes in the Ward of *Alderſgate within*.

The Number of Houſes within the City Wall, before the late dreadful Conflagration *Anno* 1666, has by ſome been computed at fifteen thouſand, and by others at more, or leſs; but as thoſe Computations are merely conjectural, I am of Opini-

on

on, that they were not then more numerous than they are at preſent; for though the Scites of many Houſes were forced to make way for enlarging the Streets after the ſaid deſtructive Fire, yet not only divers new Streets have been ſince erected, *viz*, *King-ſtreet*, *Queen-ſtreet*, *Prince's-ſtreet*, and *Cullum-ſtreet*; but likewiſe many Courts, Alleys, Yards, *&c.* upon Places entirely void before that fatal Period; which makes me conclude, that the Houſes in the City at preſent, conſiſting of about twelve thouſand, is a Number anſwerable to that which was in it before the late diſmal Cataſtrophe.

By admitting this Number, it will, by the Bill of Mortality of the Year 1631, appear, that there died, in the ſaid twelve thouſand Houſes, two thouſand four hundred and fifty-nine Perſons of common Diſtempers; and of the Plague, ninety-ſeven; out of which I compute, that three would have died of common Diſtempers, which being added to the above Number, the Sum Total of Perſons that died, and would have died (had there been no Peſtilence at that Time) of common Diſtempers in the twelve thouſand Houſes within the City Wall in the ſaid Year, will appear to be two thouſand four hundred and ſixty-two.

But as, by my aforeſaid additional Account of Burials *Anno* 1729, there appears to have died within the City and Suburbs of *London* three thouſand and thirty-eight Perſons not taken notice of in the Pariſh Clerks Account, a Number proportionable, not inſerted in the Bill of Mortality, muſt have died in that Diſtrict in the Year 1631.

This Defect I ſhall ſupply after the ſame Manner I have done that of the ſaid Year 1729. But, as in the Year 1631 there were no Burial Grounds within this City or Suburbs belonging to Diſſenters, I ſhall only reckon a Number proportionable to that which died in the ſaid Diſtrict *Anno* 1729, and were buried in the ſeveral Extraparochial Church Cemeteries and circumjacent Pariſh Burial Places, not mentioned in the Bill of Mortality.

By an Abſtract from the above-ſpecified additional Account of Burials *Anno* 1729, it appears that there died in this City and Suburbs in the ſaid Year one thouſand ſeven hundred and eighteen Perſons, that were buried in the aforeſaid Extraparochial Church Cemeteries and circumjacent Pariſh Burial Places, not taken notice of in the Bill of Mortality.

And as by the ſaid Bill of Mortality there appears to have been buried in the ninety-ſeven Pariſhes within the City Wall in the Year 1631, two thouſand four hundred and ſixty-two Perſons; ſo the Number that died in the ſame Diſtrict in the ſaid Year, (and was buried in the Cemeteries and Places aforeſaid, without being taken notice of in the Bill of Mortality) according to the Proportion of the additional Number *Anno* 1729, muſt be one hundred and forty-two; which being added to the above Sum, the Number of Perſons that died in the twelve thouſand Houſes within the City Wall in the ſaid Year, 1631, will appear to be two thouſand ſix hundred and four; therefore a proportionable Number of fifty-three muſt have died in two hundred and forty-eight, which I ſuppoſe to have been the Number of Houſes then in the Ward of *Alderſgate within*, as there are therein at preſent.

The ſaid Number of fifty-three being deducted from the above-mentioned Sum Total of Perſons that died in the ninety-ſeven Pariſhes within the City Wall in the Year 1631, the remaining Number will be two thouſand five hundred and fifty-one, which is the ſtated Number of Perſons that died in all the other Wards within the City Wall; whereby the Ward of *Alderſgate within*, and its Inhabitants, are wholly excluded from having any Share in the following Calculation.

Having paved the Way for diſcovering the Number of the Inhabitants of this great City, I ſhall ſubjoin an Account of the caſtrated Wards, with the reſpective Numbers of Inhabitants they contained in the Year 1631, as already ſpecified. But no Diſtinction being made in the Return between the *Inner* and *Outer* Parts of *Biſhopſgate* Ward, I was obliged to include the whole; and by the Loſs of the firſt Part of the Pariſh Clerks Regiſter, and *Graunt*'s not diſtinguiſhing between the Pariſh of St. *Botolph* and the other Pariſhes of the ſaid Ward, I was at a loſs how to come at the Number of Perſons buried therein, till I had recourſe to the Pariſh Regiſter, from which I took the Number of Perſons interred there in the ſeveral Years of the firſt here under-ſpecified Novenary Account, as will quickly appear; and as the Pariſh of St. *Botolph* conſiſts only of the Out-part of *Biſhopſgate* Ward, it anſwers my preſent Purpoſe in all Reſpects, as if the Parts had not been confounded.

An Account of the caſtrated Wards.

Number Total	73126

And for a greater Certainty in calculating the preſent Number of the Inhabitants of this great City, I ſhall form two Novenary Accounts of Burials; the firſt whereof (to prevent an Advantage by an Increaſe of the Number of Citizens, by inſerting the eight Years immediately following that of 1631) ſhall be compoſed of the Year 1631, (wherein the Number of the Inhabitants of the City

ty was taken as aforeſaid) the four Years immediately preceding the ſame, and the four ſubſequent thereto.

This Account will conſiſt of five Columns, the firſt whereof will contain the Years which form the Novenary; the ſecond, the Numbers of Perſons that were buried in the caſtrated Wards; the third, thoſe that were buried in the Pariſh of St. *Botolph Biſhopſgate*; the fourth, the additional Numbers of Perſons that were buried in the Extraparochial Cemeteries and neighbouring Pariſhes, not taken notice of in the Bill of Mortality; and the fifth, the Numbers Total, with their proper Medium.

The ſecond Novenary Account will likewiſe be compoſed of five Columns; the firſt whereof will compriſe the Years of the Novenary; the ſecond, the Numbers of Perſons buried according to the Bill of Mortality; the third, the Numbers of Perſons buried in the Pariſh of St. *George Hanover-Square*, not inſerted in the ſaid Bill of Mortality; the fourth, the additional Numbers of Perſons that died in the City and Suburbs, not taken notice of in the Pariſh Clerks Account; and the fifth, the Numbers Total, with their proper Medium.

Before I proceed, it will be neceſſary to premiſe a few Things for the better underſtanding the following Novenary Accounts.

As by an Abſtract from my additional Account of Burials in the Year 1729, there appears to have died in the City and Suburbs of *London* one thouſand ſeven hundred and eighteen Perſons, not taken notice of in the Bill of Mortality, a Number proportionable muſt have died in the above-named Wards and Pariſh in each Year of the firſt Novenary Account. Therefore, as it appears in the ſaid Novenary Account, that in the Year 1631 there were buried in the ſaid Wards and Pariſh (excluſive of the caſtrated Plague Number abovementioned) two thouſand ſix hundred and eighty-one Perſons, according to the Bill of Mortality and the Pariſh Regiſter of St. *Botolph Biſhopſgate*; the additional Number of Burials, not taken notice of in the ſaid Bill of Mortality, muſt have amounted to one hundred and fifty-four; according to which, an additional Number in proportion muſt have died in each of the other Years of the ſaid Novenary Account, as will preſently appear.

In the Pariſh of St. *George Hanover-Square*, a much greater Number of Perſons is buried, than inſerted in the Bill of Mortality, for which the Pariſh Clerk can beſt aſſign a Reaſon; and conſidering that the Number concealed immediately belongs to, and ought to be inſerted in the ſaid Bill of Mortality, I ſhall therefore redreſs this unjuſtifiable Practice from the Pariſh Regiſter for the Time of the ſecond Novenary Account: But as the Number in the Bill of Mortality ſaid to be buried in this Pariſh *Anno* 1730, exceeds that of the Pariſh Regiſter by eighteen, I ſhall ſubtract the Surplus of this Year from 548, the concealed Number of the preceeding, and, by dividing the remaining Part, ſhall give to each of the ſaid Years 265 of the ſame.

As in the above-ſpecified additional Account of Burials in the Year 1729, there appears to have died in this City and Suburbs three thouſand and thirty-eight Perſons, more than taken notice of in the Bill of Mortality; an additional Number in proportion to it muſt have died in each of the other Years of the ſecond Novenary Account, as will preſently appear.

The Firſt Novenary Account.

Years.	Buried in the Caſt. Wards.	Buried in St. Botolph's.	Buried addi. Numbers.	Numbers Total.

Deduct for *Alderſgate Ward within* —				53
Remains — — —				26784
Medium — — —				2976

During the Time of this Novenary Account, four hundred and fifty-one Perſons died of the Plague in the Wards and Pariſh therein mention'd, three and a half of whom (as already obſerved) I compute would have died of common Diſtempers out of each hundred; which amounting to ſixteen, I have included the ſame in the general Total aforeſaid; from which having deducted fifty-three for the Excluſion of the Ward of *Alderſgate within*, 'tis thereby reduced to 26784; the Medium of which being 2976, is the Number of Perſons that died out of the 73126 Inhabitants of the twenty-two Wards above ſpecified.

The Second Novenary Account.

Years.	Buried accor. Bill Mortal.	Buried inSt. GeorgeHan.	Buried addi. Numbers.	Numbers Total.
1729	29722	265	3038	33025
1730	26761	265	2735	29761
1731	25262	172	2582	28016
1732	23358	202	2387	25947
1733	29233	265	2988	32486
1734	26062	150	2663	28875
1735	23538	232	2405	26175
1736	27581	260	2819	30660
1737	27823	271	2843	30937
General Total — —				265882
Medium — — —				29542

As it appears that the Number of two thouſand nine hundred and ſeventy-ſix Perſons, the Medium of the firſt Novenary Account, died out of ſeventy-three thouſand one hundred and twenty-ſix, the Inhabitants of the aforeſaid twenty-two Wards; ſo the Number of twenty-nine thouſand five hundred and forty-two, the Medium of the ſecond Novenary Account, muſt have died out of ſeven hundred and twenty-five thouſand nine hundred and three, which is the preſent Number of the Inhabitants of the great and opulent City of *London*.

This Number of the Inhabitants of the City and Suburbs of *London* almoſt agrees with that of the Pariſh of St. *Giles's in the Fields*, taken in the Year 1711, by Order of the Commiſſioners for building fifty new Churches within the Bill of Mortality; by which Account it appears, that the ſaid Pariſh contained two thouſand nine hundred and ninety-nine Houſes, which were in-

habited by twenty thouſand nine hundred and ninety-three Perſons, which is juſt ſeven to each Houſe. But as there are other Pariſhes in the Suburbs of *London*, where the like Number of Houſes contain more People than the above, I think it will not be controverted, that the ſeven hundred and twenty-five thouſand nine hundred and three Perſons aforeſaid, calculated to be the preſent Number of the Inhabitants of this City and Suburbs, is as near as can be reckoned, without numbering the People.

Having the Bills of Mortality now before me, I think it will not be amiſs (though foreign to the Work in hand) to undeceive the Publick in three Particulars.

1. Much the greateſt Part of Mankind are of Opinion, that there are two Females to one Male of the human Species; but that this is a palpable Error, is manifeſt from the Accounts of Chriſtenings and Burials ſpecified in the Bills of Mortality, from the Year 1657, to that of 1738: During which Time of eighty Years, there appears to have been chriſtened ſix hundred and nineteen thouſand one hundred and eighty-ſeven Males; and five hundred eighty-five thouſand three hundred and thirty-four Females; and buried nine hundred ninety-four thouſand ſix hundred and fifty-ſix Males; and Females, nine hundred ſixty-five thouſand two hundred and ninety-eight; which in the Chriſtenings amount to thirty-three thouſand eight hundred and fifty-three more Males than Females, which is Five and a Half *per Cent.* in favour of the former; and in the Burials, twenty-nine thouſand three hundred and fifty-eight, which is likewiſe Three *per Cent.* in favour of the Males. This is a double Demonſtration, that there are conſiderably more Males than Females.

Proportion of Males and Females.

This Majority in Favour of the Males is by our Naturaliſts ſaid to be deſigned by Nature for the Support of that Part of the human Species, which is more liable to be deſtroyed by War than the other. But as War is only caſual, and not perpetual, I am of Opinion, that this ſupernumerary Supply is deſigned by Nature as a conſtant Remedy againſt inceſſant Contingencies, which the Males are more obnoxious to, both by Land and Water, than the Females; therefore a continual ſupernumerary Supply is very neceſſary.

2. It is likewiſe generally believed, that not one Perſon in a thouſand lives to the Age of ſeventy or eighty.

That this is an idle Notion, I ſhall demonſtrate from the Bills of Mortality, by an Account of the Numbers of Perſons of all Ages that died within the Diſtrict of the ſaid Bill, as ſpecified in the following Decenary Account, together with their Numbers Totals and proper Mediums, with the Number that died out of each Hundred of the Ages therein mentioned.

A Decenary Account of all the Perſons that were buried in the City and Suburbs of London, *according to the Bill of Mortality, with the ſeveral Ages they died at.*

Ages. Years.	Buried 1728.	Buried 1729.	Buried 1730.	Buried 1731.	Buried 1732.	Buried 1733.	Buried 1734.	Buried 1735.	Buried 1736.	Buried 1737.	Numb. Total.	Medium.	Died in a Hund.		Died in a Thouſand.

A Hund. and upwards	5	7	9	5	12	12	4	12	4	5	63	$7\frac{1}{2}$	0	0	2	8

The Reader may, in this Decenary Account, obſerve, that the long prevailing Notion abovementioned is entirely deſtroyed by a Demonſtration, that about Four in the Hundred live till between ſeventy and eighty Years of Age, above Two in the Hundred till between eighty and ninety, and near One in Two hundred to upwards of ninety.

3. It is alſo the common Opinion, that the Diſſenters of all Denominations, together with the *French Calviniſts*, *Lutherans*, *Greeks*, *Papiſts*, *Jews*, &c. in this City and Suburbs, are equal in Number to the Members of the eſtabliſhed Church: That this is a very great Error, I ſhall preſently make appear.

By the Medium of the ſecond Novenary Account above-ſpecified, there appears to have been buried within the City and Suburbs of *London*, and the Pariſhes circumjacent, twenty-nine thouſand five hundred and forty-two Perſons; of which, in the Year 1729, according to my additional Account of Burials, only one thouſand two hundred and thirty were interred in the ſeveral Cemeteries belonging to the Diſſenters and Foreigners; but as great Numbers of the ſaid People are buried in Parochial Burial Grounds, I ſhall endeavour to come as near the Number of the ſame as I can, by the following Method of Calculation.

As the Meeting-houſes of the ſeveral Denominations within the City and Suburbs of *London*, both *Britiſh* and Foreign, amount to one hundred and forty-ſix, I ſhall put them all upon the Foot of thoſe of the Quakers, (of whoſe Funerals we have a very exact and faithful Account) which being twelve in Number, there died out of the People belonging to the ſame, in the Year 1729, as already mentioned, two hundred and forty-ſix Perſons, which is juſt twenty and a Half out of each Congregation; which being multiplied by one hundred and forty-ſix (the Number of Meeting-houſes and foreign Chapels within the Bill of Mortality) the Sum Total will be two thouſand nine hundred and twenty.

Quak. Gen. Regiſt.

But leſt it ſhould be objected, that ſix of the Quakers Places of Worſhip are but Half-Meetings, by their being uſed only once on a *Sunday*; I ſhall therefore reduce the Number of their Congregations to Nine, which I imagine will thereby be rendered more numerous than the other Meetings at a Medium. This Opinion will be much corroborated, if we conſider the many ſmall Congregations belonging to other Diſſenters, and to divers foreign Churches.

By this Conceſſion, the Number of Perſons that will then be ſaid to die out of each of the ſaid 146 Congregations will be twenty-ſeven, which in the whole will amount to three thouſand nine hundred and forty-two. This Number being far ſhort of 14771, the Moiety of 29542, the Medium of the Burials of this City and Suburbs during the Time of the ſecond Novenary Account above ſpecified, it does thereby appear, that the Diſſenters, *&c.* above-mentioned, inſtead of being equal in Number to the Members of the Eſtabliſhed Church, are only as One to Seven and a Half of the ſame.

CHAP. IV.

Certain Parallels between London *and divers other great Cities, both antient and modern.*

AS I have in the preceding Account endeavoured to diſcover the Numbers of the Houſes and Inhabitants of this great City, I ſhall now attempt to draw divers Parallels between it and ſome of the moſt celebrated Cities, both antient and modern; and in regard to Antiquity, ſhall begin with the moſt antient.

A Parallel between London *and* Nineveh. Diod. Sic. Hiſt. Lib.

Nineveh, the celebrated Capital of the *Aſſyrian* Empire, was founded by *Ninus*, and incloſed with a mighty Wall, of four hundred and eighty Furlongs, or ſixty *Engliſh* Miles, in Circumference, of the Height of one hundred Feet, and of ſuch a prodigious Thickneſs, that three Chariots could commodiouſly drive a-breaſt on the Top thereof: And as an Embelliſhment to this magnificent Structure, it was adorned with fifteen hundred Towers, of the Altitude of two hundred Feet each; but the ſame being built in the Form of a Parallelogram, it did not incloſe ſo great a Quantity of Ground as the Wall of the City of *Babylon*, tho' of the ſame Extent.

That this City was built with hollow Squares, like that of *Babylon*, is manifeſt, by *Nebuchadnezzar*'s having taken his Plan therefrom for the rebuilding of that City: But a greater Inſtance thereof, is, the long and vigorous Defence it made againſt *Arbaces*, the *Mede*, who beſieged it cloſely for the Space of two Years; and, without a conſtant Supply of Corn and other Neceſſaries growing therein, it could not poſſibly have held out ſo long, conſidering the vaſt Number of its Inhabitants, which from Scripture appear to have been very great; for, according to the Prophet *Jonah*, it contained more than one hundred and twenty thouſand Perſons that could not diſtinguiſh between their Right and Left Hands, that is, were incapable of providing for themſelves.

Ibid.

Jonah. c. iv. ver. 11.

This vaſt indefinite Number of helpleſs Infants I ſhall compute at one hundred and thirty thouſand; and, according to the modern Method of Calculation, ſhall reckon the ſame to have been three Tenths of the Inhabitants of that great City; whereby the Number of its Citizens will appear to have amounted to four hundred and three thouſand; which is 32 2903 leſs than that of *London*.

A Parallel between London *and* Babylon.

Babylon, the renowned Metropolis of the *Chaldean* Monarchy, was founded by *Semiramis*; or, according to ſome, by *Belus*, the Father of *Ninus*, and Father-in-Law to *Semiramis*. Be that as it will, it was greatly inlarged by *Nebuchadnezzar*, who, converting the ſame into a ſquare Form, incloſed it with a ſtupendous Wall, each Side of which being one hundred and twenty Furlongs in Length, made the whole Incloſure ſixty *Engliſh* Miles in Circumference. This wonderful Wall, which was three hundred and fifty Feet in Height, and eighty-ſeven in Thickneſs, was adorned with two hundred and fifty ſtately Towers; and in each Side thereof were twenty-five Brazen Gates, equidiſtant; from which, in right Lines, ran ſo many Streets, traverſing each other, to their adverſe Gates; ſo that the whole Number of Streets were juſt fifty, of the Breadth of one hundred and fifty Feet each, which formed ſix hundred and ſeventy-ſix Squares; and within the Wall on each Side, at the Diſtance of two hundred Feet, were the exterior Rows of Houſes, fronting the Wall on all Sides; thoſe Spaces, each of two hundred Feet wide, together with the Breadth of the Streets, occupied eight thouſand ſeven hundred Feet; whereby is ſhewn, that the Space left for each Square was a Quadrate of two thouſand eight hundred and eighty-ſix Feet on all Sides; the Houſes whereof fronted the Streets, and the internal Spaces, or Squares, were employed in Agriculture, the Produce of which was a conſtant Supply to the Citizens, and of great Service to them during a Siege, eſpecially that by *Cyrus*, wherein they ſo long and gallantly withſtood the numerous and deſperate Attacks of that potent Prince.

Diod. Sic. Hiſt. Lib.

Quint. Curt. in vit. Alex.

Herod. Hiſt. lib. 1.

The Houſes, which bounded thoſe ſpacious Squares, were not, according to the *European* Manner, contiguous; but ſtood at a conſiderable Diſtance, tho' not, as by ſome imagined, for preventing the Danger of Fire, but for a free Circulation of Air in that hot Climate: And conſidering the ſtupendous and ſurprizing Publick Structures in and about this City, ſuch as its prodigious Wall; the wonderful Temple of *Belus*, the vaſt Tower of which, according to *Bochartus*, was that erected at the Confuſion of Languages, as mentioned in Scripture; the old and new Palaces; and the amazing hanging Gardens; which together took up the Space of fifteen of the aforeſaid Squares: From the Grandeur and Magnificence of theſe ſtupendous Works (which is none of my Buſineſs to deſcribe), we may reaſonably conclude, that the private Buildings were anſwerable to the Publick. Therefore I am of Opinion, that the Citizens Houſes may juſtly be ſuppoſed, at a Medium, to have been fifty Feet in Front, and the Spaces intermediate of the ſame Dimenſions.

Quint. Curt. in vit. Alex.

Phaleg. p. 1. lib. 2. c. 9.

But

But leſt I ſhould exceed in Number, I ſhall only reckon them at half the Extent, and the interjacent Spaces at the ſame Proportion; according to which, the four Fronts of each Square muſt have contained two hundred and thirty-two Houſes; which being multiplied by 676, the Number of the ſaid Squares, the Total will appear to be 156832, provided all the ſaid Squares had been built; but that they were not, is manifeſt, by a celebrated Author, who tells us, that upon *Alexander* the Great's Arrival at *Babylon*, there were only eighty Furlongs of the City built (the other Part, being imployed in Agriculture, was plowed and ſown); this I ſhall in the moſt favourable Senſe take to be meant Furlongs ſquare; and the ſame being multiplied by 80, it will appear there were only ſix thouſand four hundred ſquare Furlongs built upon; whereas the City conſiſted of fourteen thouſand four hundred; and the former being only two and a Quarter of the latter, ſhews, that the Number of Houſes thereon erected, only amounted to ſixty-nine thouſand ſeven hundred and three, each of which I ſhall reckon to have contained ſeven Perſons, (which is about the ſame Number reckoned to thoſe of *London*, tho' a maritime City) which in the whole will amount to four hundred and eighty-ſeven thouſand nine hundred and twenty-one; which is two hundred and thirty-ſeven thouſand nine hundred and eighty-two leſs than the City of *London* at preſent does contain: Whereby is ſhewn, that *Nineveh* and *Babylon*, the greateſt and moſt celebrated Cities of Antiquity, and the Capitals of two of the moſt renowned Empires, only contained one hundred ſixty-five thouſand and eighteen Inhabitants more than the the City of *London* alone.

A Parallel between London *and* Jeruſalem.

The next City I ſhall inquire into, in reſpect to its Magnitude and Number of Inhabitants, is *Jeruſalem*, once the Capital and Royal Seat of the Kings of *Judea*, whoſe King *Jehoſaphat* is ſaid to have kept one million one hundred and ſixty thouſand mighty Men of Valour, who always attended upon him in *Jeruſalem*, beſides his other Forces, which garriſoned all the other Fortreſſes of the Kingdom!

2 Chron. c. xvii. ver. 14, 15, 16, 17, 18.

That this is a Miſtake occaſioned by ſome illiterate Tranſcriber, I think, will not be denied by any who has the leaſt Regard for the Honour of the Sacred Scriptures, for the following Reaſons:

I. When *David*, King of *Iſrael*, numbered the People about a Century before, all the Men of the twelve Tribes, that were capable of bearing Arms, were found to amount to no more than one Million three hundred thouſand, which is only one hundred and forty thouſand more, than thoſe ſaid to be in *Jeruſalem*, the Capital City of one of the Tribes only, *about an Age after*.

2 Sam. c. xxiv. v. 9.

II. By the beſt Accounts we have of the Number of the *Roman* Forces in the Reign of *Auguſtus*, they conſiſted of twenty-three Legions, compoſed of one hundred ſixty-ſeven thouſand five hundred Men; but this Number, including the Auxiliaries, was afterwards increaſed to five hundred and eleven thouſand two hundred and thirty-two. And the greateſt Number that appears ever to have been muſtered by the mighty *Romans*, only amounted to ſeven hundred thouſand Foot, and ſeventy thouſand Horſe. Whereas, if *Jehoſaphat*'s Troops in the Country be added to thoſe in the City, I think I may venture to call them about double the Number of thoſe kept by the Maſters of the World, at the Height of their Empire; to whoſe Dominions, the ſmall Kingdom of *Judea* was but as a Hand's Breadth. And even when the *Romans* were in Poſſeſſion of the ſame, they kept not above five hundred and eleven thouſand two hundred and thirty-two, as above-mentioned.

Xiphil. Abridg. Dion. Caſſ. Dempſt. de Antiq. Rom.

Polyb. Gen. Hiſt.

III. Perhaps it may be alledged, that the aforeſaid prodigious Number of Troops conſiſted of all the defenſible Males in *Jeruſalem*: If this ſhould be granted, it would be equally amazing; for, by adding a juſt Proportion of old Men, Women and Children thereto, it would amount to more Millions than Half the People of *England*: Whereas, according to the Deſcription of the Kingdom of *Judea*, by *Hecateus*, who made ſome curious Obſervations thereon, it was to *England*, only as one to eleven. And conſidering the mountainous Nature of that Country, it cannot reaſonably be ſuppoſed to have contained one Fifth of the People that *England* does.

Joſeph. contr. Apion.

Joſephus, ſpeaking of the Siege of *Jeruſalem* by *Titus* the Son of *Veſpaſian*, tells us, that the Number of People ſhut up therein by the *Romans*, amounted to two Millions five hundred and fifty-ſix thouſand! If this Account ſhould be admitted, it muſt then be acknowledged, that this prodigious Multitude not only conſiſted of all the Inhabitants of *Jeruſalem*, but likewiſe of the collective Body of the *Jewiſh* Nation, aſſembled from all Parts of the Kingdom of *Judea* and the neighbouring Nations, who, according to their Law, were met at this time to celebrate the anniverſary Feaſt of the Paſſover.

Joſeph. de Bel. Jud.

That this Relation can be true, I think, is impoſſible; for without mentioning the Impoſſibility of laying in a Stock of Proviſions ſufficient to ſupport ſuch an immenſe Multitude during a Siege, they could not poſſibly be lodged in ſo ſmall a City, where the Houſes, according to the Oriental Manner of Conſtruction, were generally but one Story high: Therefore my Author, before the Publication of ſo monſtrous an Account, ought firſt to have conſidered, that *Jeruſalem*, according to Menſuration, as related by himſelf, was, in *Engliſh* Meaſure, only four Miles and two hundred and twenty Yards in Circumference; and that the ſame was not only ſurrounded with a treble Wall, but it likewiſe contained the Mounts *Moriah* and *Sion*; on the former was ſituate the Temple, and on the latter the Palace of *David*, which, together with divers craggy Rocks and vaſt Declivities, occupied a conſiderable Part of the incloſed Ground. And had the City been a Flat of a Mile ſquare, (which it was far ſhort of) it would only have afforded about a ſquare Yard of Ground for each Perſon of the immenſe Number aforeſaid to have ſtood upon. This of itſelf is not only ſufficient to ſhew the Abſurdity and Falſity of *Joſephus*'s Account, but likewiſe to confirm that of *Hecateus*, wherein is ſhewn, that the Number of the Inhabitants of *Jeruſalem* only amounted to one hundred and fifty thouſand; a very great Number for a Place, which by its Situation was rendered

Ibid.

dered deſtitute both of Manufactures and Commerce; for the Citizens chiefly depending upon the Altar, ſupported themſelves by entertaining thoſe that came to ſacrifice!

By what has been ſaid of the City of *Jeruſalem*, it does appear, that the Number of its Inhabitants only amounted to about one Fifth of thoſe of the City of *London*.

A Parallel between London *and* Antient Rome.

Rome, once the Miſtreſs of the Univerſe, was a very large and ſtately City, but in reſpect to its Magnitude, at the Height of its Empire, divers Authors have been egregiouſly miſled, by a palpable Miſtake committed by *Vopiſcus*, who aſſerts, that the Wall, wherewith the Emperor *Aurelian* incompaſſed *Rome*, was fifty Miles in Circumference. But that the preſent Wall is the utmoſt Boundary the City of *Rome* ever had, I imagine, will appear by its being built before the Reign of *Aurelian*; for that Prince only made an Addition thereto, by incloſing the *Campus Martius*, and *Tranſtiberine* Region or Ward: This Extenſion of the Wall was by virtue of a Law, whereby every Emperor that inlarged the Bounds of the Empire, was impowered to inlarge thoſe of the City, by extending its Wall, as was formerly done by *Auguſtus*, *Nero*, and *Trajan*. And as the City and Empire of *Rome* were at their utmoſt Extent in the Reign of *Aurelian*; I therefore conclude, that if there had been any other Suburb contiguous to the Wall, the ſaid Emperor would, in all Probability, have incloſed the ſame, as well as the above-mentioned, after whoſe Reign, both City and Empire gradually decreaſed.

Vopiſc. in vit. Aurel.

Donat. Rom. vet. ac rec.

In the Reign of *Honorius*, about an hundred and fifty Years after the Demiſe of *Aurelian*, *Alarïch* the *Goth*, by a treble Siege and Reduction of *Rome*, having greatly indamaged the Walls of the City, they were ſoon after repaired by *Honorius*, as appears by ſeveral Inſcriptions and other Monuments; which manifeſtly ſhew the preſent Wall to be the ſame that ſtood in the Time of *Aurelian*, which is confirmed by moſt of our Hiſtorians and Antiquaries; and yet this antient Wall, with all its Meanders, is not thirteen Miles in Circumference; and, excluding the Sinuoſities of the ſame, the City is not above ten Miles in Circuit. Beſides, if the antient Wall of *Rome* had been fifty Miles in Extent, it muſt have extended itſelf many Miles beyond the preſent, in which Space it muſt have incloſed a great Number of Publick Edifices: But that ever the Veſtigia of any ſuch Structures were there diſcovered, is more than I can learn. Whereas, within the preſent Wall, the Sites of the *Fora Civilia* and *Fora Venalia*, *&c.* are well known, and the Remains of many of the moſt celebrated and magnificent Edifices ſtill appear.

Ibid. Nardin. Antiq. Rom.

Many Methods are uſed to make the antient City of *Rome* appear to have been of a vaſt Magnitude, but none I imagine ſo ridiculous as that of *Heliogabalus*; who commanded all the Cobwebs within the City to be gathered together, which being weighed, amounted to ten thouſand Pounds in Weight: If this ſhould be admitted to anſwer the End it was brought for, it would be no difficult Matter to prove, that antient *Rome* was above fifty Times bigger than *London*; for 'tis much to be queſtioned, whether, after the ſtricteſt Search, two hundred Weight of Cobwebs could be found in this vaſt City. But this, inſtead of ſerving what it was brought for, tends only to ſhew the Poverty and Naſtineſs of the *Romans*; which is confirmed by *Plautus*, who tells us, that the antient *Romans* were for many Ages ſo poor, that they lived upon Pap.

Lipſii Rom. illuſtr.

Plaut. in Moſt. Act. 3. Scen. 2.

Two Authors have racked their Brains for the Inlargement of Old *Rome*, but to very little Purpoſe: The former ſays, 'Tis plain that the City of *Rome* was double, one part walled, and the other not, and being full of Houſes, it incircled the former on all Sides, making the Circumference of the whole forty-two Miles; and that afterwards the Emperor *Aurelian* ſo extended the Wall, that the City was near fifty Miles in Compaſs; to which many of our Authors have implicitly aſſented, without giving themſelves the Trouble of inquiring into the Truth of this Aſſertion. However, my Author further adds, that hitherto we have ſeen a double *Rome*; but it ſeems there was a Third without Incloſure, compoſed of divers Towns, joined by the intermediate Houſes. Here he ſeems to have ſtrained his Author's Meaning, whom I take to ſignify, that *Rome*, like *London*, was ſurrounded by a Number of Villages, with ſtraggling Houſes leading thither, and not an additional Suburb, where the Buildings were contiguous. Be that as it will, according to his Method of Computation, the City of *Rome* muſt have been, at leaſt, one hundred Miles in Compaſs; yet without any other Foundation, than the Fertility of his own Invention; for the Author on whom he depends acquaints us, that in the Reign of *Veſpaſian* the Number of Streets in the City of *Rome* only amounted to two hundred and ſixty-five, which are, by *Publius Victor*, increaſed to four hundred and twenty-four; a Number very improper to compoſe a City of one hundred Miles in Circumference! whereas there's above twelve times the Number in *London*, tho' not a twentieth Part ſo big as the fictitious Magnitude of antient *Rome*.

Plin. Nat. Hiſt. lib. 3. cap. 5.

Ibid. Pub. Vict. de Region. Rom.

And the latter, with the moſt amazing Aſſurance, tells us, that including the Suburbs of antient *Rome*, it was eighteen times bigger than the Cities of *London* and *Paris* put together; and if he ſhould add the *Tractus Tiberinus*, it would then be above twenty times the Dimenſions of both. But this Author having juſt before unluckily acquainted us, that the *Tranſtiberine* Part of *Rome* was only three Miles in Circumference, which he having unhappily forgot, has occaſioned his makeing a new and abſurd Declaration, that the ſaid ſmall Tract of two Miles in Length, including the Sinuoſities of the Wall, otherwiſe, were longeſt, not a Mile and a Half, and about a Mile in Depth, but being of a triangular Form, does not contain a Quantity of Ground anſwerable to its Length and Depth: This is the Spot of Ground by our judicious Author ſaid to be above twice as big as the Cities of *London* and *Paris*.

Voſſ. vari. Obſervat.

A little further his Head ſeems to be quite turned, by aſſerting, that modern *Rome* does not contain the two hundredth Part of the antient, notwithſtanding his having admitted, that excluding the Windings of the Wall, the preſent City of *Rome* is but ten Miles in Circuit. Therefore, con-

Ibid.

conſidering the many Inconſiſtencies and Abſurdities of thoſe Authors, I am of Opinion, that, inſtead of a further Anſwer, 'twill be ſufficient to remind them, that *Tuſculum*, *Tully*'s Country Seat, *&c.* were at the ſame Diſtance from antient *Rome*, as they are from the modern.

As Authors diſagree in reſpect to the Dimenſions of antient *Rome*, ſo do they likewiſe in regard to the Number of its Streets and Houſes, tho' not ſo widely. By *Pliny* they are reckoned at two hundred and ſixty-five; by ſome at two hundred and ninety-four; and by *Publius Victor*, already named, at four hundred and twenty-four; and the Number of Houſes at forty-one, forty, and forty-ſix thouſand, and the higheſt at forty-ſeven thouſand eight hundred and ſeventy-ſeven; which conſiſted of forty-five thouſand nine hundred and forty-ſix* *Inſulæ*, or ſmall Houſes, and nineteen hundred and thirty-one *Domus's*, or Palaces, (a very great Number, conſidering the numerous Edifices, magnificent publick Sructures, and void Spaces between the ſeveral Houſes of the City) which we are told rather reſembled ſmall Towns than Palaces, each of which having contained a Theatre, Portico's, Seats of Juſtice, Temples, Wells and Bathing-Places. But that of *Nero* excelling all the reſt in Magnitude, its ſtately Galleries, of three Rows of Pillars each, were a Mile in Length; it contained divers Fields of Arable Land, Meadows and Vineyards, Woods ſtocked with a Variety of tame and wild Beaſts, and a great Lake, reſembling a Sea, incircled with Houſes, repreſenting a City.

Pub. Vict. de Region. Rom.

Lipſii Rom. illuſtr.

Sueton. in Vit. Nero.

Beſides theſe Palaces, there were in *Rome* a great Number of ſumptuous publick Structures, *viz.* Temples for the Celebration of Religious Worſhip, Theatres, and Amphitheatres, for Stage-plays; Circo's, for the Solemnization of divers Sorts of Games; *Naumachiæ*, for the Repreſentation of naval Engagements; *Odeums*, for the Rehearſal of muſical Entertainments; *Stadia*, for the running of Men and Horſes; *Xyſti*, for Wreſtlers to exerciſe in; and *Curiæ*, both Religious and Civil, the former for regulating the Rites belonging to Divine Worſhip in, and the latter for publick Conventions, *viz. Senacula*, where the Senate aſſembled, to give Audience to Ambaſſadors; *Baſilicæ*, for Courts of Judicature, *&c.* The *Fora* were of two Sorts, *Civilia* and *Venalia*; the firſt for Courts of Juſtice, and the laſt for Publick Markets; together with a great Number of Portico's, Triumphal Arches, Coloſſus's, Columns, Obeliſks, Pyramids, Trophies, Bagnio's, Aqueducts, *Cloaçæ*, Publick Gardens, Ways, Walks, Camps and Fields.

Onuph. Panvin. Topogr. Rom.

Conſidering the great Variety of theſe Publick Edifices, and that there were a Multiplicity of each, I am of Opinion, they muſt have occupied above two Thirds of the Area of the City.

As Authors have widely differed, in reſpect to the Dimenſions and Number of Streets in antient *Rome*, ſo have they no leſs (eſpecially our own) fallen into a groſs Miſtake, in regard to the Number of its Inhabitants, by not making a proper Diſtinction between the thirty-one Ruſtick Tribes, that inhabited the circumjacent Countries, and the four Urbanick Tribes that dwelt in the City; which being confounded, are all generally taken for Inhabitants of the City, which has occaſioned infinite Blunders among Hiſtorians in that reſpect; all having been unjuſtly reckoned for Inhabitants of the City, that were muſtered at the *Luſtra*, or general Reviews; which, at firſt, were all the defenſible Men of the thirty-five Tribes, that conſtituted the *Roman* State, who, as they enlarged their Dominions, admitted whole Cities, States and Nations into the Freedom of their City, whereby they were intitled to the Appellation of *Romans* (tho' at the Diſtance of many hundreds of Miles); by which moſt Authors have been led into an Opinion, that when ſo many Millions were muſtered at a *Luſtrum*, they were all Inhabitants of the City of *Rome*; which is acknowledged by one of the greateſt Magnifiers of that City; who ſays, that the *Luſtra* only ſhewed the Grandeur of the Empire, and not of the City: And ſoon after adds, That it is evident, that no Mention is made by any Hiſtorian of the Number of Inhabitants in the City of *Rome*, ſince the Account thereof taken by *Julius Cæſar*, wherein they appear to have been only one hundred and fifty thouſand, to which they were reduced by the Civil War; whereas before they amounted to three hundred and twenty thouſand. However, a modern Author will not allow, that *Rome* at any Time ever had above three hundred thouſand Inhabitants: Tho' one of our own Writers, upon the Authority of *Cheveraux*, has allowed it a Million, without conſidering any thing relating to that City, other than its imaginary Dimenſions. And if we can depend upon what is aſſerted by ſome Authors, that the City of *Athens* was as big as that of *Rome*, and *Alexandria* bigger; then we may juſtly conclude, that *Rome*, in its utmoſt Extent, did not contain near the Number of People that *London* does; which I ſhall endeavour preſently to evince.

Voſſii var. Obſervat.

Plutarch. in Vit. Jul. Cæſ.

Soulign. Compar. Lond. & Rom.

Pett. Polit. Arith.

Diod. Sic. Hiſt. Lib.

The City of *Rome*, at its utmoſt Extent, according to the largeſt Account, contained only forty-ſeven thouſand eight hundred and ſeventy-ſeven Houſes; among which were nineteen hundred and thirty-one *Domus's*, or Palaces; and *Inſulæ*, or ſmall Houſes, forty-five thouſand nine hundred and thirty-one; to the firſt of which I ſhall allow one hundred Perſons each, which I imagine to be a Number ſufficient, notwithſtanding the wild and ridiculous Account publiſhed by a certain Author, of the vaſt Number of Domeſticks belonging to ſome of the *Roman* Nobility; which is abſurd to imagine, ſeeing the antient *Romans* were more parſimonious than the modern *Europeans*; however, 'tis rare to find a Perſon of Quality among us, tho' poſſeſſed of an Eſtate of thirty thouſand Pounds *per Annum*, that keeps above fifty Domeſticks; this Number of one hundred Perſons to each of the aforeſaid Palaces, makes the Number Total amount to one hundred and ninety-three thouſand one hundred. And the laſt being only one Room high, it cannot be ſuppoſed they contained many Inhabitants: However, as a Favour, I ſhall allow eight Perſons to each Houſe, which is more than thoſe of *London* contain, tho' above thrice their Altitude; the Sum Total of which making three hundred ſixty-ſeven thouſand four hundred and forty-eight, the ſame being added to that of the Palaces, 'twill, by this Method of Calculation, appear,

Lipſii Rom. illuſtr.

Franc. Bocch. Trat. di Pot. Rom.

pear, that the Inhabitants of antient *Rome* only amounted to five hundred and ſixty thouſand five hundred and forty-eight; which is one hundred ſixty-five thouſand three hundred and fifty-five leſs than the Inhabitants of *London* amount to.

But that the antient City of *Rome* could not have ſo many Inhabitants as I have granted it, I imagine, is demonſtrable from its having only had nine or ten Markets; the principal of which were, the *Boarium*, or Beef Market; the *Suarium*, for Pork; the *Piſtorium*, for Bread; the *Piſcarium*, for Fiſh; the *Olitorium*, for Herbs; and the *Cupedinarium*, for Delicacies; and three hundred and twenty-nine Ovens; than which, I am of Opinion, nothing can more effectually demonſtrate the ſmall Number of the Inhabitants of that celebrated Capital, or more potently corroborate the Opinion of a learned and ingenious Foreigner, that *Rome* never had at any Time three hundred thouſand Citizens, that inhabited the ſame.

Onuph. Panvin. Reip. Rom.

Soulign. Compa. Lond. & Rom.

By what has been ſaid, it may be obſerved, that as the City of *London* contains above treble the Number both of Markets and Ovens that antient *Rome* did; ſo may it reaſonably be ſuppoſed to have contained a proportionable Number of People. Beſides, from the unhappy Situation of *Rome*, upon ſo pitiful a River, it cannot be ſuppoſed to have had any conſiderable Commerce to invite Strangers to ſettle therein; which, of all Things, contributes the moſt towards enriching a City with Inhabitants; as in a particular manner is manifeſt in the City of *London*, which, for ought yet appears, never had its Equal for Opulency, and Number of Inhabitants, tho' not the Metropolis of an overgrown Monarchy. Whereas the antient *Romans* had little elſe to invite Strangers to their Capital, than the Grandeur of their Court, pompous Shews, and other publick Diverſions; who, after having ſatiated themſelves therewith, returned to their reſpective Countries.

A Parallel between London *and* Alexandria.

Diod. Sic. Hiſt. Lib.

Alexandria in *Egypt*, founded by *Alexander the Great*, was a very large and populous City, which, according to a celebrated Author, contained above three hundred thouſand Freemen, beſides Slaves; whereby he was induced to call it the moſt populous of all Cities: And if we allow the Slaves to have been equal in Number to the Free, (which cannot reaſonably be ſuppoſed) it will neverthelefs appear, that the City of *London* contains one hundred and twenty-five thouſand nine hundred and three Inhabitants more than that of *Alexandria*.

A Parallel between London *and* Moſcow.

Le Brun's Travels. Olear. Ac. Moſcow.

Moſcow, the Metropolis of the *Ruſſian* Empire, by the beſt Accounts, is ten *Engliſh* Miles in Circumference, and in its greateſt Proſperity contained about forty thouſand Houſes; three thouſand whereof being of Stone, the reſt were deſpicable wooden Hovels, of one, or at moſt two Stories high. But this City being deprived of the Nobility and Perſons of Diſtinction, by the Court's Removal to St. *Petersburg*, and of its Buildings by frequent Fires, it is very much reduced, inſomuchthat its Houſes at preſent (1738) are ſaid not to amount to thirty-five thouſand.

And as *Moſcow* is a Place of little Trade, and few or no Manufactures, its mean Cottages can-

not be ſuppoſed to be high rented, therefore not crowded with Lodgers; and almoſt every Family having its own Houſe, it can't be very populous; however, as a Favour, I ſhall allow ſeven Perſons to each Houſe; (which is about the ſame Number contained in thoſe of *London*) whereby the Inhabitants of that City will amount to two hundred and forty-five thouſand, which, I think, is a Number too great for a Place in its mean Condition.

A Parallel between London *and* Conſtantinople.

Grel. Voyage Conſtant. Ball. Antiquit. Conſtantinop.

Notwithſtanding the numerous Accounts publiſhed of *Conſtantinople*, the capital City of the *Turkiſh* Empire, we are ſtill in the dark in reſpect to the Number of its Houſes and Inhabitants. However, by the beſt Accounts, we are told, that it is about twelve Miles in Circumference, and four Miles and a Half in Length, one Half whereof being about the Breadth of a Mile, and the other about a Mile and a Half. But this Space, far from being filled with Streets and Houſes, the vaſt Seraglio, or Imperial Palace, with its ſpacious Gardens, occupy a Spot of four Miles in Circumference of the ſame; which, together with the great and numerous Palaces of the Nobility, their extenſive Gardens, and many void Places throughout the whole, are thought to take up one Half of the City.

And conſidering the mean wooden Buildings of the Citizens (beſides their numerous Gardens) of one, or at moſt two Stories high, they muſt require Sites double in Dimenſions to thoſe of *London*, for Conveniencies to tranſact their Affairs in. Therefore I am of Opinion, that the Number of Houſes in this City do not exceed that of *Moſcow*: But leſt it ſhould, I ſhall not only allow it to contain ſixty thouſand, (which is twenty-five thouſand more) but likewiſe ſeven Perſons to each Houſe, which is about the Number contained in thoſe of *London*. By which it will appear, that the Inhabitants of the City of *Conſtantinople* amount to four hundred and twenty thouſand, which is about ſeventeen thouſand five hundred ſhort of the Inhabitants of the City of *Paris*, (notwithſtanding my having allowed it above double the Number of Houſes); which corroborates the Sentiments of *French* Travellers, that *Conſtantinople* is not ſo populous as *Paris*. However, by this Account, and that of *Moſcow*, 'tis manifeſt, that the City of *London* contains ſixty thouſand nine hundred and three Inhabitants more than thoſe two Cities put together.

A Parallel between London *and* Cairo.

Blunt's Voyage to the Levant.

The City commonly called *Grand Cairo*, the Capital of the Kingdom of *Egypt*, has been more wildly and falſly repreſented in reſpect to its Dimenſions, and Number of Inhabitants, than any other City that I can learn; eſpecially in a very abſurd Account thereof ſaid to be written by Sir *Henry Blunt*, than which a viler Piece of Impoſture never appeared; for the wicked Author has not only extended the Dimenſions of this City to quadruple its Bounds, but likewiſe the Number of its Streets (beſides Lanes, *&c.*) to twenty-four thouſand, which I am of Opinion is more than ever were in twenty of the greateſt Cities that ever flouriſhed. And the Number of Moſques or Temples therein, ſaid by him to amount to thirty-five thouſand, is probably not far ſhort of the

the Number of its Houſes. This monſtrous Relation has given Occaſion to many thouſands to talk of *Cairo* in a very romantick Manner.

Sandys's Travels. By as good an Account as perhaps is extant of *Cairo*, it is ſaid to be about eleven Miles in Circumference; but the Houſes, Gardens and Orchards therein being of a great Extent, and the City, ſince it was brought under the *Turkiſh* Yoke by *Selymus*, in the Year 1517, deprived of its Court and Commerce, it cannot reaſonably be ſuppoſed to excel *Conſtantinople*, the capital City of the *Turkiſh* Empire, either in Number of Houſes or Inhabitants, conſidering the vaſt Advantages it has over *Cairo* in all reſpects. I am therefore of Opinion, that its Inhabitants cannot amount to three hundred thouſand, and that the fabulous Accounts publiſhed thereof are chiefly the Effects of Indolence in Travellers that have been there. Therefore, without doing the leaſt Injuſtice to *Cairo*, I think, I may venture to reckon the Number of the Inhabitants of the City of *London* double to that of it.

A Parallel between London *and* Pekin. *Pekin*, the capital City of the Empire of *China*, is fifty-two *Chineſe* Lys (which make about fifteen *Engliſh* Miles and a Half) in Circumference, as meaſured by Command of the Emperor in the Year 1690. The accompliſhing of this Menſuration has juſtly expoſed the Ignorance of the Popiſh Miſſionaries, who for many Years impoſed upon the *Europeans* their abſurd and ridiculous Notions of this City's being fifty or ſixty Miles in Circuit; and at the ſame Time with the greateſt Aſſurance told us, that it contained many Millions of People.

Duhald. Deſcript. China. Le Comt. Mem. Chin.

Ibid. A certain Author is at a loſs how to account for the great Number of Inhabitants of this City, other than by the great Crowds of People and numerous Carriages wherewith the Streets are continually peſtered, than which nothing can be more deceitful; which he ſoon became ſenſible of, by telling us, that it is the Cuſtom of *China* for moſt Sorts of Artificers to work in their Cuſtomers Houſes; therefore many Trades, ſuch as Taylors, Weavers, Shoemakers, and even Smiths, carry their Anvils, and other neceſſary Implements, along with them, and inceſſantly cry their ſeveral Trades about the Streets from Morning till Night.

Ibid. And there being no navigable River in the Neighbourhood of *Pekin*, Proviſions and Merchandizes of all Sorts are daily carried thither from all Parts, by vaſt Numbers of Land Carriages, ſuch as Waggons, Carts, Camels, and other Beaſts of Burden; which, together with the great Number of Perſons of Diſtinction, who never go abroad but on Horſeback or in Chairs, and the Mandarins, or Nobility, attended by their numerous Domeſticks, form a kind of Proceſſion in the Streets; and the Princes of the Blood never go out without being attended by a Troop of Horſe. Theſe Things duly conſidered, it will not ſeem ſtrange, that the Streets of *Pekin* are more crowded than thoſe of the *European* Cities; nor, by ſuch deceitful Appearances, that moſt People are led into a Belief, that the Inhabitants of great and populous Cities amount to many times the Number they really are; and even Perſons of Learning and Diſtinction frequently talk of as many Millions being in a great City, as there are hundreds of thouſands within the ſame.

This is the Caſe of the City under Conſideration, the Number of the Inhabitants of which has been as groſly exaggerated as that of antient *Rome*, which is chiefly owing to its large Dimenſions, and the Crowds of People above-mentioned.

Ibid. And tho' my Author ſuppoſes the City of *Paris* to be quadrangular, he nevertheleſs allows that of *Pekin* to be four times its Dimenſions; and tho' he admits that the Number of Lodging-Rooms in *Paris* exceed that of *Pekin*, he is yet of Opinion that *Pekin* contains two Millions of Inhabitants, and *Paris* but one. But, inſtead of *Pekin*'s having any ſuch Number, I ſhall endeavour to ſhew, that it does not contain ſo many Inhabitants as the City of *London*.

Ibid. The City of *Pekin*, before the *Tartar* Conqueſt, was an exact Square; but the Conquerors, poſſeſſing themſelves thereof, expelled the *Chineſe* Inhabitants, who, contiguous to the Wall without, erected for themſelves a new City, which, with the old, making an irregular Figure, (tho' neareſt that of a Parallelogram) renders the true Dimenſions thereof difficult to be known: This in ſome meaſure obſtructing my Deſign, I ſhall endeavour to remove the ſame, by reſtoring the City (to its no ſmall Advantage in Dimenſions) to its antient quadrangular State; whereby each Side of the united City will appear to be three *Engliſh* Miles three Quarters and two hundred and ſixty-four Yards in Length; and the whole Incloſure, as above-mentioned, fifteen Miles and about a Half, or fifteen Miles one thouſand and fifty-ſix Yards.

Having fixed the exterior Bounds of *Pekin*, I ſhall now take notice of ſome of its interior Parts, in order to diſcover the Number of its Houſes and Inhabitants.

Duhald. Deſcrip. China Le Comt. Mem. Chin. The Imperial Palace, with its vaſt Courts and ſpacious Gardens, is near four *Engliſh* Miles in Circumference; the great Magazines of Rice occupy a very large Space; the numerous Courts of Houſes wherein Candidates for the Degrees of a Doctor are examined, the great Squares within the City Gates, that are capacious enough to have five hundred Men drawn up in Order of Battle in each of them, and the large and numerous void Spaces in the *Tartar City*, are thought to occupy a Third of the Area of the City. And if to theſe we add the vaſt Space taken up by the great and numerous Palaces of the Mandarins, and their extenſive Gardens, they will be found to take up above one Third of the City of *Pekin*.

And without mentioning the vaſt Space taken up by the Streets of *Pekin*, of one hundred and twenty Feet broad, or the great Inlargement of the City by my reducing it from the Form of a Parallelogram to that of a Square, I ſhall only take notice, that as the Houſes of *Pekin* are but one Room, or one Story high, (nor dares the greateſt Nobleman of the Empire erect one higher) the Inhabitants thereof muſt require as much Room to tranſact their Affairs in as thoſe of *London*; and as ſuch Conveniences cannot be had in Height, they muſt in Extent; therefore, as the Houſes of *Pekin* are only one Story, and thoſe of *London*, at a Medium, above three, the former muſt occupy above treble the Space taken up by the latter;

latter; which ſhews, that the whole Area of the City of *Pekin* is required to contain a Number of Houſes equal to that of *London*.

But, as it has been ſaid, that the third Part of *Pekin* is taken up by the Imperial Palaces, *&c.* above-mentioned, it cannot contain ſo many Houſes by one Third as *London*; therefore, as the Houſes of this City and Suburbs amount to ninety-five thouſand nine hundred and ſixty-nine, thoſe of *Pekin* muſt only amount to ſixty-three thouſand nine hundred and ſeventy-eight. But as the Imperial Palace is ſaid to contain a Number of Houſes (for the Reſidence of the Emperor's Domeſticks and Artificers) reſembling a little Town, I ſhall allow the ſame to amount to five thouſand, which, inſtead of a little, would make a large Town; I ſhall alſo allow the Candidates Houſes for the Degree of a Doctor to have amounted to the like Number of five thouſand; which being added to thoſe of the Citizens, the Number Total of Houſes in the City of *Pekin* will appear to be ſeventy-three thouſand nine hundred and ſeventy-eight; to each of which I ſhall allow ſeven Perſons (which is about the Number contained in thoſe of *London*); by which it will appear, that the Inhabitants of *Pekin* amount to five hundred and ſeventeen thouſand eight hundred and forty-ſix; which being eighty thouſand three hundred and ſixty-eight more than thoſe of the City of *Paris*, the Opinion of the *French* Travellers is thereby confirmed, that it contains more People than the Metropolis of *France*; and whereby is likewiſe ſhewn, that the Inhabitants of the City of *London* amount to two hundred and eight thouſand and fifty-ſeven more than thoſe of the City of *Pekin*.

By what has been ſaid, I think it will, to every impartial Reader, appear, that the City of *Pekin* cannot have near the Number of Houſes or Inhabitants that the City of *London* has, more eſpecially if we conſider, that *Pekin* is not near treble the Dimenſions of *London*.

A Parallel between London *and* Paris.

As it has been long diſputed, whether the City of *London*, or that of *Paris*, be the bigger, or more populous; I have, to put an End to that Controverſy, obtained the Bills of Mortality of the latter, for divers Years. But, before I enter upon the Parallel, I ſhall premiſe a few things concerning that City.

Divers Authors, that have written of *Paris*, have been ſo wildly profuſe of their extravagant Encomiums on that City, that they have bedawbed it with the moſt undeſerved Epithets, *viz.* The Epitome of the World, the Queen of Cities, *&c.* which has made them ſo far forget themſelves, as to ſtick at nothing for the Support of thoſe vain and airy Imaginations; and one of whom, (not to be out-done by his Brethren) when telling us, that the City of *Paris* conſiſts of twenty-eight thouſand Houſes, which contain eight hundred thouſand Inhabitants, he immediately adds, That there are kept in that City about one hundred thouſand Horſes, and twenty thouſand Coaches: Whereas it would be no difficult Matter to make it appear, that there are not fifteen thouſand Horſes, or two thouſand Perſons that keep Coaches in *Paris*.

Trait. de Police.

Brice Deſcrip. Paris.

Another Author, who in the Year 1725 wrote a Compariſon between the Cities of *Paris* and *London*, acquaints us, that upon his comparing the Plans of the ſaid Cities, he found the former to be one twentieth Part bigger than the latter. Yet, notwithſtanding the great Defects in the Plan of *London*, that Aſſertion has been refuted by the ingenious Mr. *Daval*. Therefore I ſhall only obſerve, that that Part of *Paris*, on the Weſt Side the River *Seine*, is by the vaſt Expanſion of the *Cours*, or Rampart, made to anſwer in Dimenſions to that on the Eaſt Side of the ſaid River; whereas there is incloſed within the ſaid Rampart, from the River below the City to the Royal Obſervatory, and thence to the *Cantiers de Bois*, by the River above the City, a great Number of ſpacious Fields, with the large Gardens of *Luxemburg*, together with all thoſe of the numerous Convents on that Side; which being excluded that Part properly called the City, there will be but little left on that Side to go under that Denomination, in reſpect to the caſtrated Parts.

De Leſl. Compa. Paris & Lond.

Philoſoph. Tranſact. No. 402.

Plan of Paris.

By the Plan of *Paris*, publiſhed in the Year 1717, it appears, that from the Extremity of the *Fauxbourg* St. *Honore*, to that of St. *Antoine*, that City, with its Suburbs, is two thouſand five hundred and twenty-five Toiſes in Length; eight hundred twenty-nine and a Half whereof making an *Engliſh* Mile, 'tis thereby manifeſt, that the utmoſt Extent of the City of *Paris* is only three *Engliſh* Miles, ſeventy-ſeven Yards, three Inches and a Quarter: Whereas the City of *London*, with its Suburbs, where ſhorteſt, is ſix Miles, three Quarters, two hundred and ninety-one Yards; which is three Quarters of a Mile, one hundred and thirty-five Yards, thirty-one Inches and a Half, more than double the Length of *Paris*. And *London*, were broadeſt, is three Miles, one hundred and ſeventy Yards and a Half; which is ninety-two Yards and thirty-four Inches broader than *Paris* is in Length.

Ibid.

And excluding all Fields, Gardens, Publick Walks, and other void Places in both Cities, I am perſuaded it will then appear, that the Streets and Houſes of *London* ſtand upon double the Quantity of Ground than thoſe of *Paris*. Nor can it well be otherwiſe, conſidering the vaſt Majority of Inhabitants in favour of *London*, and the Houſes of which being much lower, are not crowded like Hoſpitals, as thoſe of *Paris* are; therefore they require a much greater Extent, eſpecially conſidering, that their Number is about three and a half to one, according to *Brice*'s Account of *Paris*.

Brice Deſcript. Par.

Some Authors have objected, that the Bounds of *London* are extended far beyond what they ought to be, and wherein are included divers Villages at a conſiderable Diſtance, with no other View, as they imagine, than the aggrandizing of the City; wherefore I think myſelf obliged to acquaint all thoſe that are of that Opinion, that *Hackney* is the only Pariſh that ought not to be added, as lying at too great a Diſtance: But the other Places objected againſt, *viz.* *Stepney*, *Lambeth*, *Newington* and *Rotherhith*, being all contiguous, they as juſtly belong to the Bill of Mortality, as any Pariſh in the Centre of the City. Therefore I think it will not be amiſs to remind thoſe

Azout. Lett. to Sir W. Petty.

thoſe Objectors, that the *Pariſians* are equally culpable, by inſerting in their Bill of Mortality the *Hotel des Invalids*, tho' at a conſiderable Diſtance from the City, and that too a national Hoſpital; therefore the Infirm therein, on a double Account, cannot be deemed Inhabitants of *Paris*. And as, at a Medium of ſeven Years, there die annually in that Hoſpital three hundred and forty-three Perſons; and in the Pariſh of *Hackney* only two hundred and twenty-one; I am of Opinion, there will be no Room for a Complaint on that Subject from that Quarter for the future.

And the more effectually to demonſtrate the great Diſparity between the Number of the Inhabitants of the City of *London*, and that of *Paris*, I ſhall ſubjoin a Novenary Account of the Bill of Mortality of the latter, which will contain an exact Account of all the Perſons that were baptized and died in that City, during the ſeveral Years of the ſaid Novenary Account; to which, for the Information of the Reader, I have added the Numbers of Marriages and Foundlings in each of the ſaid Years. And as the Bill of Mortality of the City of *Paris* is intirely perfect, there's no Room for the leaſt Alteration, as there was in that of *London*.

A Novenary Account of the Paris *Bill of Mortality, from the Year* 1727, *to that of* 1737.

Eſtat de Bapt. de Marri. & de Mort. de Paris.

Years.	Baptiz'd.	Married.	Died.	Foundl.
1728	18189	4198	16887	2166
1729	18163	4231	19852	2336
1730	18966	4403	17452	2401
1731	18877	4169	20832	2539
1732	18605	3983	17532	2474
1733	17825	4132	17466	2414
1734	19835	4133	15122	2654
1735	18862	3876	16196	2577
1736	18877	3990	18900	2681
Totals.	168199	37015	160239	22242
Mediums.	18688	4112	17804	2471

The Number Total of all the Perſons that died in this Novenary Account, amounting to one hundred and ſixty thouſand two hundred and thirty-nine; the Medium whereof being ſeventeen thouſand eight hundred and four; therefore, as two thouſand nine hundred and ſeventy-ſix (the Medium of the firſt Novenary Account of *London* above-mentioned) died out of ſeventy-three thouſand one hundred and twenty-ſix, the Number of the Inhabitants of the twenty-two Wards above-ſpecified; ſo the Number that ſeventeen thouſand eight hundred and four (the Medium of the *Paris* Novenary Account) died out of, muſt be four hundred and thirty-ſeven thouſand four hundred and ſeventy-eight, which is the preſent Number of the Inhabitants of the City of *Paris*; which is only ſeventy-four thouſand five hundred and twenty-ſeven thouſand five hundred and twenty-ſeven, more than the Half of thoſe of *London*, which is not very far ſhort of two to one in favour of the latter.

As by this Parallel is demonſtrated the vaſt Superiority of the City of *London* to that of *Paris*, in reſpect to its Dimenſions and Number of Inhabitants; ſo might it likewiſe be ſhewn, that the former much more excels the latter in point of Commerce, Opulency and Manufactures. Wherefore the Authors who have been ſo laviſh of their undeſerved Encomiums on the City of *Paris*, would do well, not only to retract what they have ſaid of her at the Expence of the Truth; but likewiſe, that all Gentlemen of the *French* Nation, that ſhall hereafter happen to write of *London*, would be pleaſed to do her Juſtice, by giving her the Pre-eminence to their Capital, in reſpect to the above Particulars.

A Parallel between London *and* Amſterdam.

Amſterdam being the next moſt conſiderable and opulent City in *Europe*, I ſhall in this Place bring it in Compariſon with the City of *London*, by inſerting a Novenary Account thereof, wherein is contained the Number of Perſons that died during the Time of the ſaid Account, which is compoſed of the ſame Years as the Accounts, of *London* and *Paris*.

A Novenary Account of the Amſterdam *Bill of Mortality, from the Year* 1727, *to* 1737.

Gen. Regiſt. Mort. Amſterd.

Years.	1728	1729	1730	1731	1732	1733	1734	1735	1736	Total.	Med
Died	11164	9618	8912	8383	7332	10691	7764	6533	9206	79603	8844

By the Number Total of this Novenary Account there appears to have died in the City of *Amſterdam*, during the Time thereof, ſeventy-nine thouſand ſix hundred and three; the Medium whereof being eight thouſand eight hundred and forty-four; therefore, as two thouſand nine hundred and ſeventy-ſix (the Medium of the firſt Novenary Account of *London* above-ſpecified) died out of ſeventy-three thouſand one hundred and twenty-ſix, the Number of Inhabitants of the twenty-two Wards above-mentioned; ſo the Number that eight thouſand eight hundred and forty-four (the Medium of the *Amſterdam* Novenary Account) died out of, muſt be two hundred and ſeventeen thouſand three hundred and thirteen, which is the preſent Number of the Inhabitants of the City of *Amſterdam*.

A Parallel between London *and* Modern Rome.

The next City I ſhall take into Conſideration, is Modern *Rome*, of the Inhabitants whereof Pope *Clement* the eleventh cauſed an exact Account to be taken, in the Year 1714, when M. *Carracioli* (who was imployed to take the ſame) in the Month of *July* returned the Number thereof, which amounted to one hundred and forty-three thouſand. But *Carracioli* not having diſtinguiſhed between the Inhabitants and Strangers, the Account is much exaggerated; for at that Time the City was greatly crowded with noble Travellers, ſtrolling Mendicants, Pilgrims and other Religious of both Sexes, which were ſuppoſed to amount to above twenty thouſand; I ſhall therefore (tho' *Rome* be upon the Decreaſe) reckon the preſent Number of the Inhabitants of that City, to amount to one hundred and twenty-five thouſand, as mentioned by a learned and ingenious Gentleman, in his Letter from *Rome*, *Anno* 1683, and who being ingaged in a Diſpute with Sir *William Petty*, concerning the Populouſneſs of that and other Cities, I think it is not to be doubted, that on ſuch an Occaſion he would give the full Number of its Inhabitants.

Brice. Deſcript. Paris.

Azout. Lett to Sir W. Petty.

By what has been ſaid concerning the Cities of *Paris*, *Amſterdam* and *Rome*, it does appear, that all the three only contain fifty-three thouſand eight hundred and eighty-eight Inhabitants more than the City of *London* alone.

Having compared the City of *London* with ſome of the greateſt Cities both antient and modern, I ſhall now proceed to draw a Parallel between it and divers of the principal Cities of *Europe*; the Chief of which ſeems to be that of *Naples*: But as our Travellers and Deſcribers thereof have left us in the dark, in reſpect to the Number of its Houſes and Inhabitants, I have no other Way to account for the ſame, than by common Fame; by which we are told, it contains about two hundred and fifty thouſand Inhabitants; but as this Number ſeems too great for a Place deſtitute of Commerce, Manufactures, and other Requiſites neceſſary to inrich a City with Inhabitants, I am of Opinion, that it cannot contain near that Number; eſpecially when I conſider, that the great Emporium of *Amſterdam* has not ſo great a Number by many thouſands. However, I ſhall venture to reckon them at two hundred thouſand, tho' I think it a greater Number than it contains.

Naples.

Milan-

Act. Breſlaw.

By the Emperor's Command, the Number of the Inhabitants of the City of *Milan* was taken in the Year 1726; at which Time it appeared, that the Number of both Sexes in that City, above ſeven Years of Age, amounted to one hundred and three thouſand; but as the Number of Children under that Age is not mentioned, I ſhall reckon the ſame at forty-ſeven thouſand; by which the Number of the Inhabitants of that City will amount to one hundred and fifty thouſand.

Madrid and Liſbon.

And as for the Cities of *Madrid* and *Liſbon*, I can no other Way account for them, than by the Authority of a curious and ingenious Gentleman, that reſided in theſe Cities a conſiderable Number of Years, and who, from the beſt of Informations and Obſervations, aſſured me, that the former contains about eighty thouſand, and the latter about one hundred and ſixty thouſand.

Venice.

Act. Breſl.

By the Bill of Mortality of the City *Venice*, there appears to have died in that City, in the two following Years, *viz.* in 1724, four thouſand five hundred and ninety; and in 1725, four thouſand eight hundred and ſixteen; the Medium whereof being four thouſand ſeven hundred and three, according to the Calculation of the Inhabitants of the City of *London*, it muſt have died out of one hundred and fifteen thouſand five hundred and ſixty-one, the then Number of Inhabitants of the City of *Venice*.

By what has been ſaid concerning the Cities of *Naples*, *Milan*, *Madrid*, *Liſbon* and *Venice*, the City of *London* contains twenty thouſand three hundred and forty-two Inhabitants more than the ſaid five Cities put together.

Having obtained Accounts of the Burials of divers other great Cities of *Europe*, for a Diverſity of Years; I ſhall draw a Parallel between them and the City of *London*; to which I ſhall add ſome Accounts of other Cities, where no Bills of Mortality are publiſhed.

The City of Hamburg *in* Germany.

Before the late dreadful Peſtilence in the Year 1714, there annually died in the City of *Hamburg* about three thouſand Perſons; ſince which Time the Magiſtrates, out of a political View, have prohibited the Publication of all Accounts concerning the Number of Perſons that die in that City, in order to prevent the neighbouring Princes from ſhutting it up, upon a conſiderable Increaſe of their Burials, as formerly has frequently happened, under pretence of the Plague's raging therein.

Divers Accounts of Mortality of this City I ſaw before the late deſtructive Plague, the Medium of four whereof did not amount to three thouſand *per Annum*; however, the ſame being fixed at this Number, it will, by the aforeſaid Method of Calculation, appear to have died out of ſeventy-three thouſand three hundred and fifteen, the then Number of Inhabitants of the City of *Hamburg*.

Stockholm, *the Capital of* Sweden.

There being no Bill of Mortality publiſhed in the City of *Stockholm*, by the beſt Account I have been able to come at, there die annually in that Capital about fifteen hundred Perſons; which, according to the above Method of Calculation, muſt have died out of thirty-ſix thouſand

ſand eight hundred and fifty-ſeven, the preſent Number of the Inhabitants of this Capital.

By the ſeveral Accounts above-ſpecified it does appear, that the Cities of *Vienna*, *Madrid*; *Liſbon*, *Stockholm*, *Copenhagen*, *Berlin*, *Venice* and *Hamburgh* only contain two thouſand one hundred and eighty-ſeven Inhabitants more than the City of *London* alone.

To what has been ſaid concerning the aforeſaid Cities, I ſhall only add another Parallel between the City of *London* and the large Territories of the King of *Pruſſia*, by whoſe ſpecial Command there has been annually taken for many Years paſt an exact Account of all the Perſons that were born, married and died in all the ſeveral Provinces of his Dominions, and preſented yearly to that curious Prince; of which I ſhall inſert a Septenary Account, wherein will appear the reſpective yearly Numbers during that Time.

Pruſſian *Dominions.*

A Septenary Account of the Births, Marriages and Deaths in all the Pruſſian *Dominions.*

Act. Breſl.

Totals —	573542	145088	425748
Mediums	81934	20726	60821

The Medium of Deaths in this Septenary Account being ſixty thouſand eight hundred and twenty-one, it muſt, according to the above Method of Calculation, have died out of one million four hundred and ninety-four thouſand four hundred and eighty-eight, which was the Number Total of all the King of *Pruſſia*'s Subjects at that Time; therefore, as the Inhabitants of the City of *London* are ſeven hundred and twenty-five thouſand nine hundred and three, they are only twenty-one thouſand three hundred and forty-one leſs in Number than one Half of the Inhabitants of all the *Pruſſian* Dominions.

CHAP. V.

An Account of divers Sorts of Proviſions wherewith the City is ſupplied.

HAVING, in the preceding Chapter, endeavoured to diſcover the Number of the Inhabitants of this great and opulent City, I ſhall now attempt to ſhew the ſeveral Species and Quantities of the principal Sorts of Proviſions wherewith the numerous Inhabitants are ſupplied in an amazing Plenty and Cheapneſs: And as Water is the firſt and chief thereof, I ſhall begin with it.

An Account of Water-works.

The City of *London* being at firſt erected on the Northern Bank of the River *Thames*, 'tis not to be doubted but her Founders and their Succeſſors did for ſome time entirely ſupply themſelves with its wholeſome Water; but the City extending itſelf towards the North and Weſt, the neighbouring Parts were ſupplied by the Waters of *Sherbourn*, *Walbrook* and the *Fleet*: But theſe Waters not being fit for all Uſes, Wells were dug, and Buckets employ'd, to ſupply the ſeveral Neighbourhoods with Spring Water. But all proving inſufficient to furniſh the Quantity required, the Citizens were in a neceſſitous Condition till the Year 1236, when the Mayor and Commonalty of *London*, by a Grant from *Gilbert de Sandford*, cauſed Water to be brought from the Village of *Tyburn* in Leaden Pipes to *London*, at a vaſt Expence; and, as the City increaſed, Water was brought hither from divers other Parts, *viz. Red-Lion Fields* near *Holbourn*, *Iſlington*, *Canonbury*, *Highbury*, *Hackney*, *Hoxton*, &c.

See p. 83.

Rym. Fœd. Con. Lit.

But the City continuing greatly to increaſe, all were not ſufficient to ſupply the Occaſions of the Citizens: The Conſideration whereof induced *Peter Maurice* (an ingenious *German*) in the Year 1582, to erect a Machine in the River *Thames*, whereby he raiſed a great Quantity of Water, which, by the Force of his Engine, he conveyed into all Parts of the City, to the great Convenience of the Citizens. But the City continuing to increaſe, this, with the former Supplies, were found inſufficient to anſwer the Demands of the Publick; wherefore *Hugh Middleton* (afterwards Sir *Hugh*) undertook to bring Water from *Ware* in *Hertfordſhire* to *London*; by a Canal upwards of thirty-eight Miles in Length, to the South End of *Iſlington*; where it is ingulph'd by fifty-eight large wooden Pipes of a ſeven Inch Bore each; every one of which conveys more Water to the City than all the Conduits ever could; which great Work is more particularly deſcribed in the firſt Book.

Stow. Sur. Lond.

See p. 267, *and* p. 51.

See p. 295.

Beſides the above-mentioned Water-works, there are brought to the City and Suburbs of *London* from other Parts the following Quantities of Water; *viz.* from *London-Bridge*, eight Main Pipes of a ſeven Inch Bore; from *Hampſtead* and *Highgate*, two Mains of ſeven Inches; from St. *Mary le Bone*, one Main of ſeven Inches; from *Hide-Park*, three Mains of ſix Inches; from *Chelſea*, five Mains, *viz.* one of ſix, three of ſeven, and one of eight Inches; from *Mercer*'s Works in St. *Martin*'s and *Hartſhorn Lanes*, three Mains of ſix and ſeven Inches; from *York-Buildings*, two Mains of ſeven Inches; from *Shadwell*, two Mains of ſix and ſeven Inches; from *Rotherhithe*, two Mains of ſix Inches; from the *Bank-end*, one Main of ſeven Inches; and from St. *Saviour*'s, one Main of ſeven Inches; together eighty-eight; which, like the Veins and Arteries in the Body natural, are branched out into a vaſt Number of ſmaller Pipes, which convey the Water through all Parts of the City and Suburbs; into the Houſes of which it is carried by ſmall leaden Pipes, to the very great Convenience of the Citizens, who (I think is not to be doubted) are better ſupplied with this precious Element than the Inhabitants of any other City.

An Account of Meal.

Having not the leaſt Proſpect of obtaining an exact Account of the Quantity of Meal, or Wheat Flour, conſumed in this City, I conſulted divers of

of the moſt eminent Bakers thereon; who being divided in Opinion, ſome declared, that, by the beſt Obſervations they had made upon the Conſumption of Bread for many Years paſt, they had Reaſon to conclude, that their Cuſtomers, at a Medium, uſed twelve Ounces of Bread daily each, which they ſaid was not only in a great Meaſure owing to the unwearied Labours of the Tea Table, but likewiſe to Children, who eat more than Adults; and alſo to labouring Men, who eat treble the Quantity of others. But others having alledged, that the Conſumption of Bread was much decreaſed by the great Uſe of Spirits, they, after ſome Deliberation, unanimouſly agreed, that, including Puddings, Pies, and other Paſtry Ware, the Quantity of Flour conſumed in this City and Suburbs would daily amount to ten Ounces *per* Head. According to this Computation, the Meal annually conſumed within the Bill of Mortality does amount to three hundred and ſixty-nine thouſand ſix hundred and thirty-five Quarters, two Buſhels, two Pecks, one Pound, and fourteen Ounces.

Rec. Chamb. Office.

Of Beaſts and Sheep.

For obtaining an Account of the Number of Cattle conſumed in this great City, upon applying to the Chamberlain's Office in *Guildhall*, I received the Accounts in the following Tables, which contain the Numbers of Beaſts, Sheep and Lambs, that were ſold in *Smithfield-Market* in the Year 1725, being an exact Copy of the Accounts of *Thomas Waters*, Clerk of the Market, as returned weekly by him to the ſaid Office, with a Specification of the Days of the Week and Month whereon ſuch Markets were held; together with the Numbers of Beaſts and Sheep brought to each of the ſaid Markets, with the ſeveral Numbers ſold, toll'd, and returned unſold. The free Part whereof, which is ſo very conſiderable, is owing to certain antient Privileges belonging to a Number of Towns, Diſtricts and Manors, whereby they are exempt from all Tolls and Duties in *Smithfield-Market:* A few whereof I ſhall inſert for the Information of the Reader, *viz.* All the Lands belonging to the Biſhop of *London* and the Dean and Chapter of St. *Paul*'s; the Towns of *Buſhey*, *Ardenham*, *Hendon* and *Finchley* in the County of *Middleſex*; *Eaſt-Haddon*, *Dadford*, *Claycotes*, *Crowton*, and the Manor of *Lenham-leſter* in *Northamptonſhire*; *Cliffton*, *Bucks*, *Spalding* and *Newark* in *Lincolnſhire*; *Stableford*, *Lowton*, *Rumford*, *Haverin-bower*, *Horn-Church* and *Eaſtbury* in *Eſſex*; *Badbury* in *Wilts*; *Potten* in *Bedfordſhire*; *Minſterworth* in *Glouceſterſhire*; *Coventry* and *Leiſter* in *Warwickſhire*; *South-Mimes*, &c.

The Clerk of the Market's Account for the Year 1725.

Being informed, that a vaſt Number of Cattle were killed in *London*, that never were at *Smithfield* Market, I judged it neceſſary to inform myſelf concerning the ſame after the beſt Manner I could; to which end I applied to *Joſeph Collier*, a Saleſman, *William Collier*, a wholeſale Beef-Butcher, and *Ingles Preſcot*, a wholeſale Mutton-Butcher, all of *Whitechapel*, (and the moſt eminent of their ſeveral Profeſſions) who, from their own great Dealings, (the laſt of which, at a Medium, kills upwards of twelve thouſand Sheep yearly) and general Knowledge of Buſineſs, after conſulting their Books, unanimouſly aſſured me, that by the great Numbers of Beaſts and Sheep bought by themſelves and other wholeſale *London* Butchers, in the neighbouring Markets of *Ingerſtone*, *Witham*, *Tunbridge*, *Weſterham*, *Sevenoakes*, *Tower-Maldon*, *Southall*, *Hounſlow*, *Layton-Buzzard*, *St. Ives*, *Finchley*, and *Thame*; and at Fairs, in the Counties of *Northampton*, *Cambridge* and *Norfolk*; together with the numerous Herds bought on the Roads of Graſiers; and the great Number of Carcaſſes of Sheep, brought to Town by Country Butchers; all of which, they are of Opinion, amount to above a Third more than thoſe ſold in *Smithfield*, *Mile-end* and *Knights-bridge* Markets: However, I ſhall only inſert a Third thereof, which being added to the Clerk of the Market's Account, it will appear, that the Number Total of Beaſts killed in the City of *London* and Suburbs, in the ſaid Year, did amount to ninety-eight thouſand two hundred and forty-four; and the Sheep and Lambs killed in, and brought to the City in Carcaſſes, to ſeven hundred and eleven thouſand one hundred and twenty-three. And if the large Dimenſions of theſe Beaſts and Sheep were examined into, their Carcaſſes would be found to weigh above a Third more than thoſe of the ſame Species in moſt other Countries.

Of Calves.

The Number of Calves ſold in *Smithfield* Market is ſo very inconſiderable, as not to deſerve mentioning; for moſt of the Calves that are killed in the City and Suburbs are bought in the Country: But much the greater Part being killed without the Bill of Mortality, and ſold in the Markets of *London*, I applied to Mr. *White*, the chief Saleſman in that Way, for an Account thereof; who, from his Books, not only generouſly gave me an Account of ten thouſand nine hundred and fifty-two, ſold by himſelf in *Newgate* Market in the Year 1731, but likewiſe told me, that was about a Fifth of thoſe annually ſold in the ſaid Market; which amounting to fifty-four thouſand ſeven hundred and ſixty, he

was of Opinion they were not far ſhort of thoſe ſold in *Leadenhall* Market; for which Reaſon I ſhall venture to reckon them at ſixty thouſand *per Annum*. And as he thinks there are not many ſold, in a wholeſale Way, in all the other Markets within this City and Suburbs, I ſhall only reckon them at twenty thouſand; and all thoſe killed within the Diſtrict of the Bill of Mortality, at ſixty thouſand; by which the Number of Calves, conſumed in the City and Suburbs of *London*, will amount to about one hundred and ninety-four thouſand ſeven hundred and ſixty.

Of Hogs. The Number of Hogs ſold in *Smithfield* Market, being not much more conſiderable than that of the Calves, occaſioned my applying to two of the moſt eminent Saleſmen in that Way; whoſe Dealings being ſo amazingly great, I could not have given the leaſt Credit thereto, had I not had the Accounts thereof from their reſpective Books. I ſhall here ſubjoin the monthly Accounts of Sales, as tranſacted by thoſe two exceeding great Dealers in the Year 1731.

An Account of Hogs ſold by Joſeph Odell, *An.* 1731.

Months	Hogs	Months	Hogs
Januar.	7381	July	481
Febr.	4118	Auguſt	4545
March	8389	Sept.	6671
April	4267	Octob.	6641

Number Total — 59982			

An Account of Hogs *ſold by* James Roberts, *An.* 1731.

Months	Hogs	Months	Hogs
January	6517	July	569
Febr.	4234	Auguſt	3992
March	7175	Sept.	5675
April	3011	Octob.	4562
May	3291	Nov.	6778
June	423	Decem.	5223
Number Total — 51450			

Mr. *Odell* not only generouſly granted me an Account of his own Sales, but likewiſe, to the beſt of his Knowledge, the ſeveral Numbers of Hogs ſold in the ſame Year by petty Saleſmen, *viz.* By Mr. *Crooks*, about 6500; by Mr. *Thompſon*, about 6500; by *John Odell*, about 2500; and by all other Saleſmen and Jobbers in that Way, about 20000; and about 40000, for the vaſt Quantities of Bacon, brought from all Parts of the Kingdom to the City. By which the Number Total of Swine, annually conſumed within the Bill of Mortality, amounts to one hundred and eighty-ſix thouſand nine hundred and thirty-two.

Of Pigs. And to come at the Number of Sucking Pigs conſumed in this great City, I applied to the principal Dealers in each of the Markets where they are ſold; when *William Heming*, by his own Dealings, and the beſt Information he could obtain of others, acquainted me, that the Number of Pigs ſold in *Leadenhall* Market in the Year 1732 amounted to about 16000: Sold in the ſame Year in *Newgate* Market about 11500, from *Philip Bliſs*: In *Honey-Lane* Market about 2000, from *Richard Jeyes*: In the *Borough* Market about 500, from *John Smith*: In *Clare* Market about 8500, from *James Marlow*: And in St. *James*'s Market about 8000, from *William Coomes*. Beſides, there are a ſmall Number ſold in the leſſer Markets, which, together with thoſe ſold at Inns, and ſent as Preſents to Friends, I ſhall, according to the Opinion of the aforeſaid Dealers, reckon at 5000 *per Annum*; which makes the Number of Sucking Pigs annually conſumed in this City amount to fifty-two thouſand.

Of Fiſh. By the Toll-Books of *Billingſgate* Market it does appear, that in the Year 1729 there arrived there nine hundred and ninety-one Oyſter Boats; fifty whereof, as meaſured by the City Meters, contained five thouſand nine hundred and ſeventy-ſix Buſhels; therefore the whole muſt have contained one hundred and fifteen thouſand five hundred and thirty-ſix Buſhels. Toll Book Billingſ. *Oyſters.*

And in the ſame Year, from the twenty-ſixth of *May* (the Beginning of the Mackarel Seaſon) to the ſixth of *July*, the End thereof, there arrived at *Billingſgate* five hundred and eighty-nine Boats, which, at a Medium, carry about two Laſts and a Half each, each Laſt containing ten thouſand; it thereby appears, that the Number of Mackarel brought to this City in that Seaſon amounted to fourteen Millions ſeven hundred and forty thouſand. Ibid. *Mackarel.*

And in the ſame Year there arrived at the ſaid Market thirteen hundred and ninety-eight ſmall Boats, with Cod, Haddocks, Whitings, and other Sea Fiſh; beſides the great Quantity of River Fiſh ſold by the Fiſhermen above the Bridge, and the vaſt Quantities of Sea and River Fiſh brought from many Parts of the Kingdom, without mentioning the great Quantity of Salt Fiſh imported from all Parts. Ibid. *Cods, Haddocks,* &c.

The Accounts I received from the Cuſtom-houſe of the ſeveral Quantities of Butter and Cheeſe imported to this City being very defective, occaſioned my applying to *John Newman*, Receiver of all the Freights for the ſeveral Maſters of Ships concerned in that Trade; from whom I received the following Accounts, *viz.* Butter imported from *York*, *Hull*, *Scarborough* and *Stockton*, from the 25th of *March*, *Anno* 1729, to the 25th of *March*, *Anno* 1730, one hundred and fourteen thouſand nine hundred and thirty-ſeven Firkins; from *Newcaſtle upon Tine*, fifteen thouſand ſeven hundred and five Firkins; and from the County of *Suffolk*, fifty-ſix thouſand ſeven hundred and three Firkins. Receiver's Account. *Of Butter.*

And in order to obtain an Account of the Quantity of *Cambridge* Butter brought to this City by Land Carriage, I applied to Mr. *Abraham Daking*, (who undoubtedly is the greateſt Dealer in Butter and Cheeſe in this Kingdom, and probably in the Univerſe; for by his Books it appears, that he ſold in the Year 1733 forty thouſand five hundred and ſixty-ſix Firkins of Butter, and near the ſame Value in Cheeſe) who generouſly wrote to the ſeveral Perſons in the Country that forward the ſame to *London*, who, in Anſwer to his Requeſt, ſent up their ſeveral Accounts for the Year 1732; whereby it appears, that from *Chriſtmas* 1731, to *Chriſtmas* 1732, they ſent to *London* ſeventy-four thouſand nine hundred and eighteen Firkins: And, according to Mr. *Daking*'s Opinion, the Butter brought to this City by Land Carriage from all other Parts of the Kingdom muſt amount to, at leaſt, thirty thouſand Firkins; which makes the whole amount to two hundred and ninety-two thouſand two hundred and ſixty-three Firkins; which being reduced to Pounds, the ſame will appear to be ſixteen millions three hundred and ſixty-ſix thouſand ſeven hundred and twenty-eight Pounds.

Receiver's Account. *Of Cheese.*

By Mr. *Newman* the Receiver's Account of Freight, the Quantity of *Cheshire* Cheese imported to this City, from the 25th of *March* 1729, to the 25th of *March* 1730, amounts to five thousand seven hundred and sixty-six Tons: Thin Cheese from *Hull* and *Gainsborough*, fourteen hundred and seven Tons; from *Suffolk*, nine hundred and eighty-five Tons; and from *Newbury*, *Abington*, &c. by Barge, two thousand three hundred and seventy-five Tons; together, ten thousand five hundred and thirty-three Tons, or twenty-one millions and sixty-six thousand Pounds.

Of Fowls.

To pretend to give an Account of the infinite Number of Fowls consumed in this City, would be the Height of Presumption; it shall therefore suffice to acquaint the Reader, that although there were sold in *Leadenhall*, the great Fowl Market, on the two Days preceeding that of *Michaelmas* in the Year 1734, upwards of thirty-four thousand Geese; yet that vast Number was not sufficient to supply the Demands of the People.

Clerk Mark. Account.

Of Milk.

By the great Use of Coffee, Tea and Chocolate, the Consumption of Milk is greatly decreased in this City and Suburbs, insomuch that there's not near Half the Number of Cows kept in the Neighbourhood of *London* as formerly: I shall therefore only reckon a Gallon *per* Week to each House, which being ninety-five thousand nine hundred and sixty-nine in Number, the Quantity of Milk annually used therein will amount to four millions nine hundred and ninety thousand three hundred and eighty-eight Gallons.

Of Gardens.

As the prodigious Quantity of Garden-stuff, wherewith this vast City and Suburbs is supplied, cannot be come at; it shall suffice to acquaint the Reader, that by an Estimate made of the Gardens (some Years ago) which produce the same, they were found to contain upwards of twenty-seven thousand Acres; which, by this Time, is probably increased to thirty thousand, and upwards; especially if we take into the Computation the Number of Acres cropt with Beans, Peas, Collards, *French* Beans and Savoys by the Farmers.

Excise Provis. Book. *Beer, Ale and Small Beer.*

In the Year 1691, there were brewed by the common Brewers in the City and Suburbs of *London*, one million two hundred and twenty-two thousand seven hundred and sixty-four Barrels of Strong Beer and Ale, and eight hundred and sixty-five thousand eight hundred and thirty-one Barrels of Small Beer. But in the said Year the Duty upon Beer and Ale being doubled, it set a Number of private Brewers to Work, which so greatly affected the common Brewery, that in the Year 1695 the annual Quantity of Strong Beer and Ale was reduced to nine hundred and nine thousand two hundred and ninety-nine Barrels, and the Small Beer to eight hundred and thirteen thousand eight hundred and twenty-four Barrels. Act Parl. 2 W. & M. Excise Provis. Book.

And altho' the Number of Inhabitants within the Bill of Mortality since that Time is increased near one Fourth, yet the Quantity of Strong Beer and Ale brewed within this City and Suburbs in the Year 1724, was only increased to one million one hundred and seventy-two thousand four hundred and ninety-four Barrels, while the Small Beer was decreased to seven hundred and ninety-eight thousand four hundred and ninety-five Barrels; whereas, according to the antient State of the *London* Brewery, and the great Increase of the Inhabitants of this City, the Strong Beer and Ale brewed within the Bill of Mortality at present, by publick and private Brewers, ought to amount to one million five hundred and twenty-eight thousand four hundred and sixty-eight Barrels, and the Small Beer to one million seventy-four thousand two hundred and eighty-eight Barrels. But by the great Consumption of Brandy, and other pernicious Spirits, the *London* Brewery decreases daily; wherefore such a Quantity of Beer and Ale as aforesaid is not to be expected, notwithstanding the vast Consumption of Country Beer and Ale in the City from many Parts of the Kingdom.

Custom-House Ent. Book. *Of Wine.*

In the Year 1728 there were imported into the Port of *London*, from divers Countries, the following Quantities of Wine; *viz.* From *Portugal*, eighteen thousand two hundred and eight Tons; from *Spain*, ten thousand two hundred and fifty-five; from *France*, eleven hundred and five; from *Germany* and *Holland*, four hundred and seventy-six: Together, thirty thousand and forty-four Tons.

Of Spirits.

Though Spirits cannot justly be deemed necessary Provisions, yet since they are become as it were Food and Raiment for the Profligate, I shall insert an Account of the several Quantities and Species thereof, that were imported to *London* in the Year 1733, together with those of the several Sorts that were distilled in this City and Suburbs in the Year 1727.

An Account of Spirits Foreign and Domestick.

Cust. Ent. Book. Excise Provis. Book.

Years	Arrack, Gallons.	Brandy, Gallons.	Citron Water, Gallons.	Cordial Water, Gallons.	Gene. Gall.	Hungary Water. Gallons.	Rackee, Gallons.	Rum, Gallons.	Visney, Gallons.	Usquebaugh, Gallons.	Malt Spirits. 1727.	Cyder Spirits. 1727.	Melasses Spirits. 172 .	Number Total of Gallons.
1733	56823	1315352	328¼	316 1/4	379¼	316⅛	103½	327703	12	154 1/1	8601293	12527	890319	1120562

This prodigious Quantity of destructive Spirits demonstrates the excessive, scandalous and wicked Practice of Dram and Punch drinking, which is generally the Bane of all those that follow the same. However, these bewitching Liquors have so far got the Ascendant over their Votaries, that they strenuously plead in their Behalf, (to indulge themselves, and allure others to the like Practice) by urging, that many Men, who have been hard Drinkers for the Space of thirty or forty Years, enjoy a good State of Health, and are as vigorous at the Age of sixty or seventy Years, as those that have lived temperate.

That this is a very deceitful Plea, is manifest; for, instead of living in that Practice for so long a Term of Years, most are cut off in the Bloom of

of Youth; therefore, to prevent People from being miſled by ſuch falſe and monſtrous Allegations, 'twill be neceſſary to acquaint them, that all ſuch who have lived in that debauched Way for many Years, are indebted to a vigorous Conſtitution, which, inſtead of bringing them to the Ages of ſixty or ſeventy Years, oppreſſed with painful and loathſome Diſeaſes, would probably, with good Management, have brought them in Health to the Age of a hundred and upwards.

Of Coals. By the following Septenary Account it will appear, that from *Chriſtmas* to *Chriſtmas* of the ſaid Years, there were imported into the Port of *London* the ſeveral Quantities of Coals therein mentioned:

A Septenary Account.

Cuſtom-Houſe Ent. Book.

Years	1726	1727	1728	1729	1730	1731	1732	Total	Medium
Chald.	479336	417974	536019	497167	460615	478411	453503	3323025	474717

Exciſ. Proviſ. Book. *Of Candles.* The Quantity of Candles made within the City and Suburbs of *London* in the Year 1727 amounted to eleven millions ſix hundred and forty-four thouſand eight hundred and ſixty-three Pounds. Beſides which, great Quantities of Candles are imported and brought to *London* from many Parts of the Kingdom.

Remarks. Moſt of the above-mentioned Proviſions being of our own Product, the Citizens are therewith ſupplied in the greateſt Plenty, and at ſuch reaſonable Rates, that it is much to be queſtioned, whether any other great City abounds with ſuch an Affluence and Cheapneſs of all the Neceſſaries of Life (except Wine) as this does; but eſpecially in Fewel, whereby the meaner Sort, to their great Comfort, are enabled to keep good Fires in Winter, whilſt others of the ſame Condition, in the great Cities of neighbouring Kingdoms, are forced to ſubmit to a rigorous Seaſon, at the Expence of many of their Lives.

Upon the whole, 'tis hard to know which is the moſt to be admired at, the prodigious Number of the Inhabitants of this great City, or the vaſt Plenty and Cheapneſs of Proviſions wherewith they are ſupplied.

On what has been ſaid concerning the Proviſions wherewith this great City is ſupplied, I ſhall make an Obſervation or two for the Uſe of thoſe who are chiefly intereſted therein.

Some Years ago I was of Opinion, that the exceſſive drinking of Tea would inhance the Price of Meat; for many Gentlemen and Farmers, who uſed to feed Beaſts for the *London* Market, have converted their Meadows into Paſture Grounds for feeding Cows, to make Butter for the Uſe of the Tea-Table, *&c.* But the exceſſive drinking of ſpirituous Liquors has ſo enervated the Stomachs of the Populace, as to render them incapable of performing the Offices of Digeſtion; whereby the Appetite is ſo much depraved, that its Inclination to Food is much leſſened, and the Conſumption of Proviſions greatly diminiſhed; which has occaſioned Victuals, inſtead of riſing, to fall in Price very conſiderably, (in the Year 1737) to the no ſmall Loſs of the Landed Intereſt.

But the moſt ſurprizing of all is, that the Nobility and Gentry in this City ſeem to have conſpir'd the Deſtruction of the Landed Intereſt by the Ruin of their own Eſtates, in keeping their Servants (who are many thouſands in Number) at Board-wages, by which they ſeemingly ſave Money for the preſent; but their Domeſticks, inſtead of a plentiful Table, as formerly, are reduced to take up with what they can get; and having fallen into drinking ſpirituous Liquors, require but little Food.

This, tho' hitherto but little regarded, greatly contributes to the Reduction of the Conſumption and Price of Victuals; and if Care be not taken to redreſs theſe growing Evils, the Eſtates of this Kingdom will ſoon be reduced, both in their Rents and Value, to the great Loſs of the Proprietors.

From theſe Calculations, which have rather increaſed than fallen in the laſt fifteen Years ſince the Publication of the firſt Edition of this Work, we may juſtly collect the extraordinary Populouſneſs of this great Metropolis, and that it far excels any other capital City in the known World, either antient or modern, in its Number of Houſes and Inhabitants. In which Account it was neceſſary to write of the collective Buildings and Inhabitants of thoſe Places ingulphed by this Capital. But in the following Chapter I ſhall confine my *Survey* to that Part only, contained within the City Walls and its Liberties, and which, at preſent, is divided into twenty-ſix Wards.

CHAP. VI.

Of ALDERSGATE WARD. *The Antiquity of* Wards. *The Bounds of* Alderſgate *Ward within and without. Number of Pariſhes, and Pariſh Churches. The antient and modern State of this Ward. Halls and other publick Buildings. The State of the* Lying-in Hoſpital for married Women. *The Liberty of St.* Martin le Grand. *Its Privileges, and ſome Obſervations thereon.*

THO' I cannot aſcertain the Time when this City was at firſt divided into Wards; yet I am of Opinion, that the firſt Diviſion thereof was not on the Account of Government; but, rather, that *London*, like the other Cities and Towns of the Kingdom, was antiently held of the *Saxon* Kings and Nobility in Demeſne, and whoſe ſeveral Properties therein, being ſo many Sokes or Liberties, were under the immediate Dominion of their reſpective Lords, who were the Governors or Wardens thereof; whence, I imagine, aroſe the *Saxon* Appellation, *Ward*, which ſignifies a Quarter or Diſtrict: This Opinion is not only corroborated by the Wards of *Baynard*'s *Caſtle*, *Farringdon*, *Coleman-Street*, and *Baſingball* or *Baſſiſhaw*'s, ſtill retaining the Names of their antient Proprietors, but

ALDERSGATE WARD
with its DIVISIONS into Precincts and Parishes. And the Liberty of St. Martins le Grand, according to a NEW SURVEY.

B. Cole sculp.

This Plan is most humbly inscribed to WILLIAM BENN Esqr. Alderman of Aldersgate Ward in 1754.

Mad Hiſt. Exch. but alſo by the other Wards of the City being alienable; which, upon Alienation, the Purchaſer or Purchaſers became the Proprietor or Proprietors thereof, with the additional Epithets of Alderman or Aldermen.

See p. 105. What the Number of Wards in this City at firſt was, does not appear upon Record; however, by the firſt Account we have thereof in the Year 1284, they appear to have been twenty-four; and in the Year 1393, the great Ward *See p.* 181. of *Faringdon* being very much increaſed both in Number of Houſes and Inhabitants, it was by Parliament divided into the inward and outward Wards, whereby the Number was increaſed to Roy.Char. Lond. twenty-five; and in the Year 1550, the Citizens having purchaſed of King *Edward* the ſixth the *See p.* 242. Borough of *Southwark*, with divers Privileges thereunto belonging, they erected the ſame into a twenty-ſixth Ward; but it ſeems, the Power granted them by Charter not proving ſufficient to ſupport their Title thereunto, by excluding the Juſtices of Peace for the County of *Surrey* from interfering in the Government thereof, it is therefore only a nominal Ward: However, it ſerves to dignify the Senior Alderman, called *The Father of the City*, who generally by his great Age is rendered unable to undergo the Fatigue of Buſineſs; therefore, as there is nothing to be done, 'tis a Poſt fit for one worn out with Age. However, I ſhall inſert it among the Names of the reſt, which at preſent are *Alderſgate*, *Aldgate*, *Baſſiſhaw*, *Billingſgate*, *Biſhopſgate*, *Bread-Street*, *Bridge-ward-within*, *Bridge-ward-without*, *Broad-Street*, *Candlewick*, *Caſtle-Baynard*, *Cheap*, *Cordwainer*, *Coleman-Street*, *Cornhill*, *Cripplegate*, *Dowgate*, *Faringdon-within*, *Faringdon-without*, *Langbourne*, *Lime-Street*, *Queenhithe*, *Portſoken*, *Tower-Street*, *Wallbrook*, and *Vintry*; tho' originally they were known by other Names; as before in Book I. Ch. xii.

Theſe Wards containing the whole City and Liberty of *London*, I ſhall begin with *Alderſgate* Ward, and proceed alphabetically; deſcribing the Bounds, Contents, and the ſeveral Antiquities and Curioſities contained in each of them.

ALDERSGATE WARD.

With a PLAN *neatly engraved from a* NEW *Survey.*

Alderſgate *Ward.* *Alderſgate* Ward takes its Name from that North Gate of the City, and conſiſts of divers *Its Bounds.* Streets and Lanes, lying as well within the Gate and Wall, as without. And firſt, to ſpeak of that Part within the Gate. The Eaſt Part thereof joins unto the Weſt Part of *Cripplegate* Ward, in *Engain-Lane*, or *Maiden-Lane*. It begins on the North Side of that Lane, at *Staining-Lane* End, and runs up that Lane from Haberdaſhers Hall, to where St. *Mary Staining* Church ſtood; and by thence Eaſt, winding almoſt to *Wood-Street*, and Weſt through *Oat-Lane*, and then by the South Side of *Bacon-Houſe* to *Noble-Street*, and back again by *Lillypot-Lane*, (which is alſo of that Ward) to *Maiden-Lane*; ſo on that North Side, Weſt to where St. *John Zachary*'s Church ſtood, and to *Foſter-Lane*.

Now on the South Side of *Engain-Lane*, or *Maiden-Lane*, is the Weſt Side of *Gutter-Lane*, to *Carey-Lane*; and *Carey-Lane* it-ſelf (which is of this Ward) and back again into *Engain-Lane*, by the North Side of Goldſmiths Hall, to *Foſter-lane*; and this is the Eaſt Wing of this Ward. Then is *Foſter-lane*, almoſt wholly in this Ward, and begins in the South toward *Cheapſide*, on the Eaſt, by the North Side of St. *Foſter's* Church, and runs down North-Weſt by the Weſt End of *Maiden-lane*, by *Lillypot-lane* and *Oat-lane*, to *Noble-ſtreet*; and through that by *Shelly-Houſe*, (of old Time ſo called, as belonging to the *Shellies*. For Sir *Thomas Shelly*, Knt. was Owner thereof in the 1ſt of *Henry* IV. It was afterwards called *Bacon-Houſe*, becauſe the ſame was new built by Sir *Nicholas Bacon*, Lord Keeper of the Great Seal under Queen *Elizabeth.*) Then down on that Side to where St. *Olave*'s Church ſtood in *Silver-ſtreet*, at the North-Weſt End of *Noble-ſtreet*.

In *Foſter-lane*, this Ward begins on the Weſt Side thereof, over-againſt the South-Weſt Corner of St. *Foſter's* Church, and runs down by where St. *Leonard's* Church ſtood, by *Pope-lane* End, and by St. *Anne's-lane* End; which Lane is alſo of this Ward. Here you enter the main Street called St. *Martin's*, which includes St. *Martin* on the Eaſt Side thereof, and ſo down on both Sides to *Alderſgate*; and theſe are the Bounds of this Ward within the Wall and Gate. See the Deſcription of this Gate on p. 25.

Without the Gate. From the Gate it runs North to the Church, and then Weſt up *Little Britain*, and ſo takes in Part of *Town-Ditch* and three Houſes in *Crown-Court* in *Long-Walk*; and thence it goes North, and takes in a Corner of the New Hoſpital, lately built, where formerly ſtood *Peterborough-Houſe*, and ſo comes to the Gate at *Bartholomew-Cloſe* in *Little-Britain* on the Weſt, and thence to *Great Montague-Court*, which is of this Ward, and both Sides of *Little-Britain*, and ſo it runs up the Weſt Side of *Alderſgate-ſtreet*, taking in Part of *Long-lane* on both Sides of the Way, to *Carthuſian-ſtreet*, taking the South Side thereof, it ends including the firſt Great Houſe in *Charterhouſe-ſquare* to the Left. And this is the Weſtern Bounds. The Eaſtern begins one Houſe beyond the *White Horſe-Yard* in *Fan's-Alley*, and runs down *Pickax-ſtreet* on the Eaſt to *Barbican*, Part of which is in this Ward, and ſo down *Alderſgate-ſtreet* to *Jewin-ſtreet*, Part of which is in this Ward; and from thence to the Gate. And theſe are the Bounds of *Alderſgate* Ward without.

In deſcribing of this Ward, I ſhall take in the Liberty of St. *Martins-le-Grand* at the South End.

In the Freedom of the City of *London* is *Foſter-lane*, a Place well-inhabited, chiefly by Silverſmiths. The South End next unto *Cheapſide*, that is, two Houſes Northwards from St. *Vedaſt*, or *Foſter* Church, is in the Ward of *Faringdon* within; and all the reſt of the Weſt Side is in the Liberty of St. *Martin's-le-Grand*, as far as *Bell-court*: So that only Part of the Eaſt Side is in this Ward. In this Lane are theſe Places: *Adams-court*, but ſmall, ſeated over-againſt the Church. *Prieſt's-court*, or *Alley*, long and ordinary, with a Paſſage into *Gutter-lane*, through the *Half-moon* Tavern. *Roſe and Crown-court*, good, with a Free-ſtone Pavement. *Dark Entry*, very ordinary, gives a Paſſage into St. *Mar-*

St. *Martin's-le-Grand*. On the North Side of this Entry, was ſeated the Pariſh Church of St. *Leonard Foſter-lane*; which being conſumed in the Fire of *London*, is not rebuilt, but the Pariſh united to *Chriſt-church*; and the Place where it ſtood is incloſed within a Wall, and ſerveth as a Burial-Place for the Inhabitants of the Pariſh.

Carey-lane falls into *Gutter-lane*, a Place of ſome Trade for Silverſmiths. *Bell-court*, a large open Place, with good Houſes, well inhabited, hath a Paſſage with a Free-ſtone Pavement into St. *Martin's-le-Grand*. *Three-Crown-court*, both ſmall and ordinary, near *Bell-court*. Goldſmiths Hall, ſeated at the Corner of this Lane, turning into *Maiden-lane*, the back Part being in *Gutter-lane*; a handſome new Brick Building, with an open ſquare Court within. Over-againſt this Hall is a large Houſe, now made Uſe of for refining of Silver.

Maiden-lane, formerly *Engain-lane*, a handſome well built and inhabited Street; the Eaſt End falleth into *Wood-ſtreet*, but hath no more in this Ward than to *Staining-lane*. At the North-Weſt Corner, over-againſt Goldſmiths Hall, ſtood the Pariſh Church of St. *John Zachary*, which ſince the dreadful Fire is not rebuilt; but the Pariſh united unto St. *Anne's Alderſgate*; and the Ground on which it ſtood, incloſed within a Wall, ſerving as a Burial-Place for the Pariſh.

Near this Church-yard, is a ſpacious Houſe, with a large Court-yard, handſomely paved with Free-ſtone, formerly belonging to Sir *Thomas Bludworth*, Knt. Lord-Mayor, 1666, and ſince to *Richard Levet*, Eſq; Son of Sir *Richard Levet*, Knt. Lord-Mayor in the Year 1700; in which Houſe he kept his Mayoralty. But at preſent it is rebuilt and converted into an Office for the *Union Inſurance* againſt Loſſes by Fire. On the ſame Side, but beyond *Staining-lane*, is ſeated Haberdaſhers Hall, a large Building, which is in Part of this Lane, but in *Cripplegate* Ward.

Staining-lane, the Eaſt Side, which joineth unto Haberdaſhers Hall, is in *Cripplegate* Ward. At the upper End of the Lane was the Church of St. *Mary Staining*, which Church is not rebuilt ſince the Fire of *London*; but the Pariſh united unto St. *Michael Wood-ſtreet*, and the Ground incloſed within a Wall, for the Burial of the Dead for the Pariſh.

Gutter-lane hath the Weſt Side, from the Corner of *Maiden-lane* unto *Carey-lane*, in this Ward, and the Eaſt in *Cripplegate* Ward.

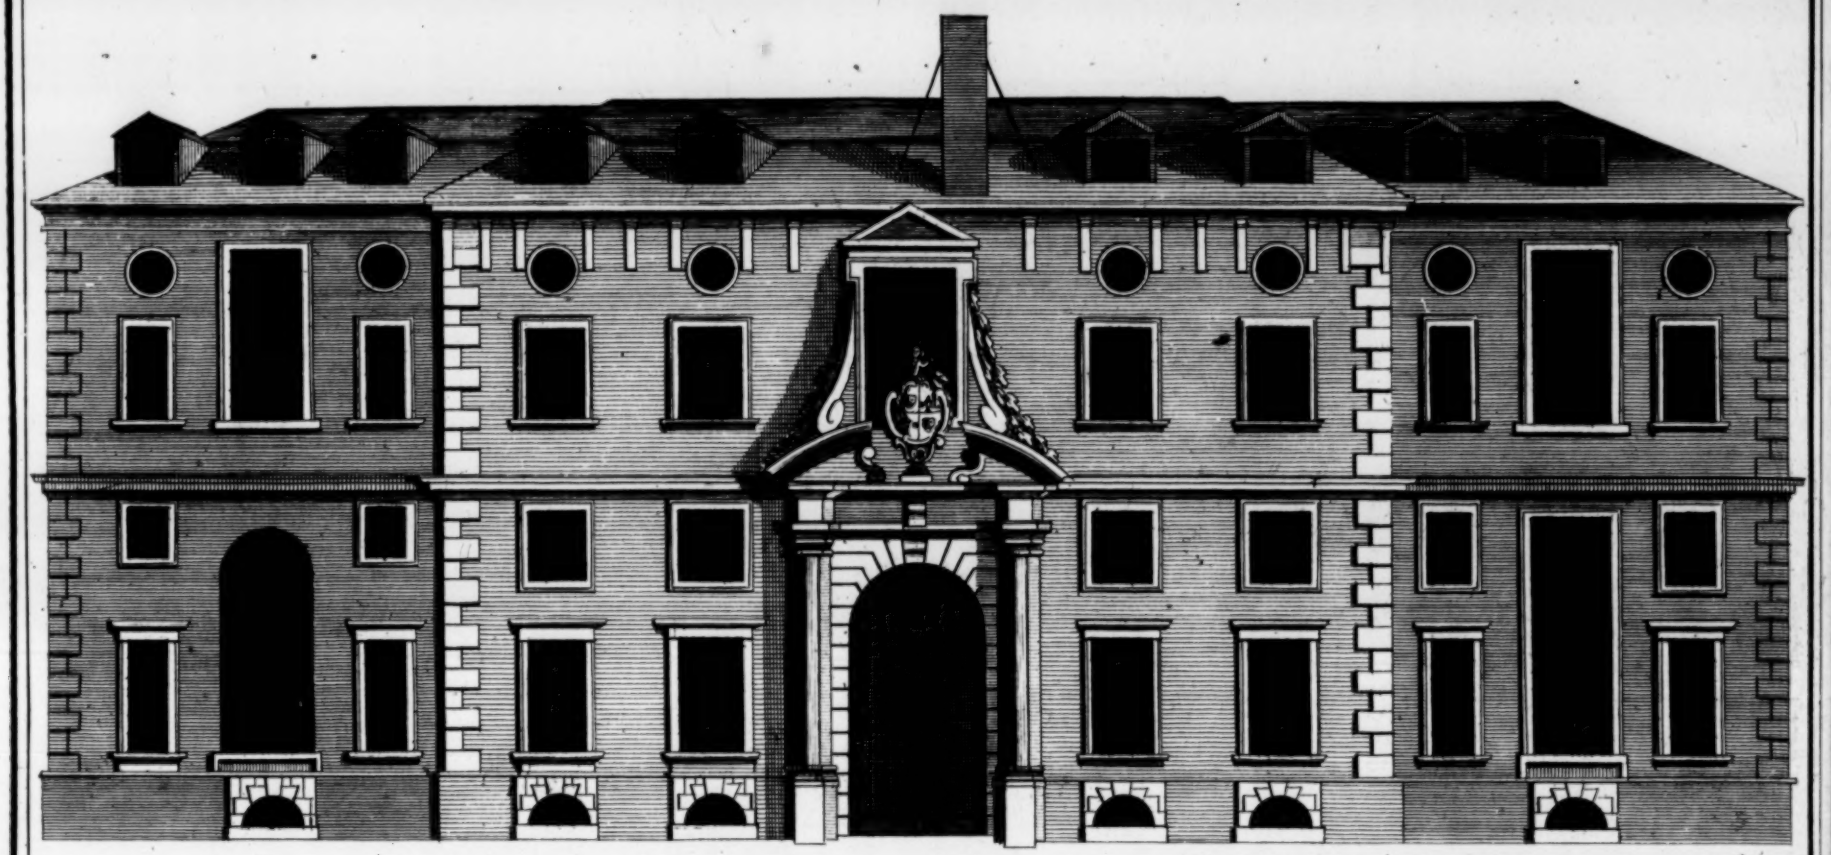
Noble-ſtreet, long, and indifferently well inhabited; the End next to *Foſter-lane* being eſteemed the beſt. In this Street are theſe Places of Note; *Lillypot-lane*, but ordinary; falls into *Staining-lane*, as doth *Oat-lane* alſo, but ſmall. Betwixt theſe two Lanes is *White-horſe-court*, open, but ordinary. *Dolphin-court*, ſmall, ſeated oppoſite to *Oat-lane*. A little more Northwards, is Coachmakers-Hall, a handſome Building. *Fitche's-court*, a broad Place, with a Free-ſtone Pavement, and good Houſes. At the Upper End is an old Timber Houſe, where formerly *Titchborn*, ſome Time Alderman and Lord-Mayor, dwelt. This Houſe ſtrangely eſcaped burning in the dreadful Fire of *London*, when all the Houſes round it were quite conſumed. *Hide's-court*, but ſmall.

Coachmakers Hall.

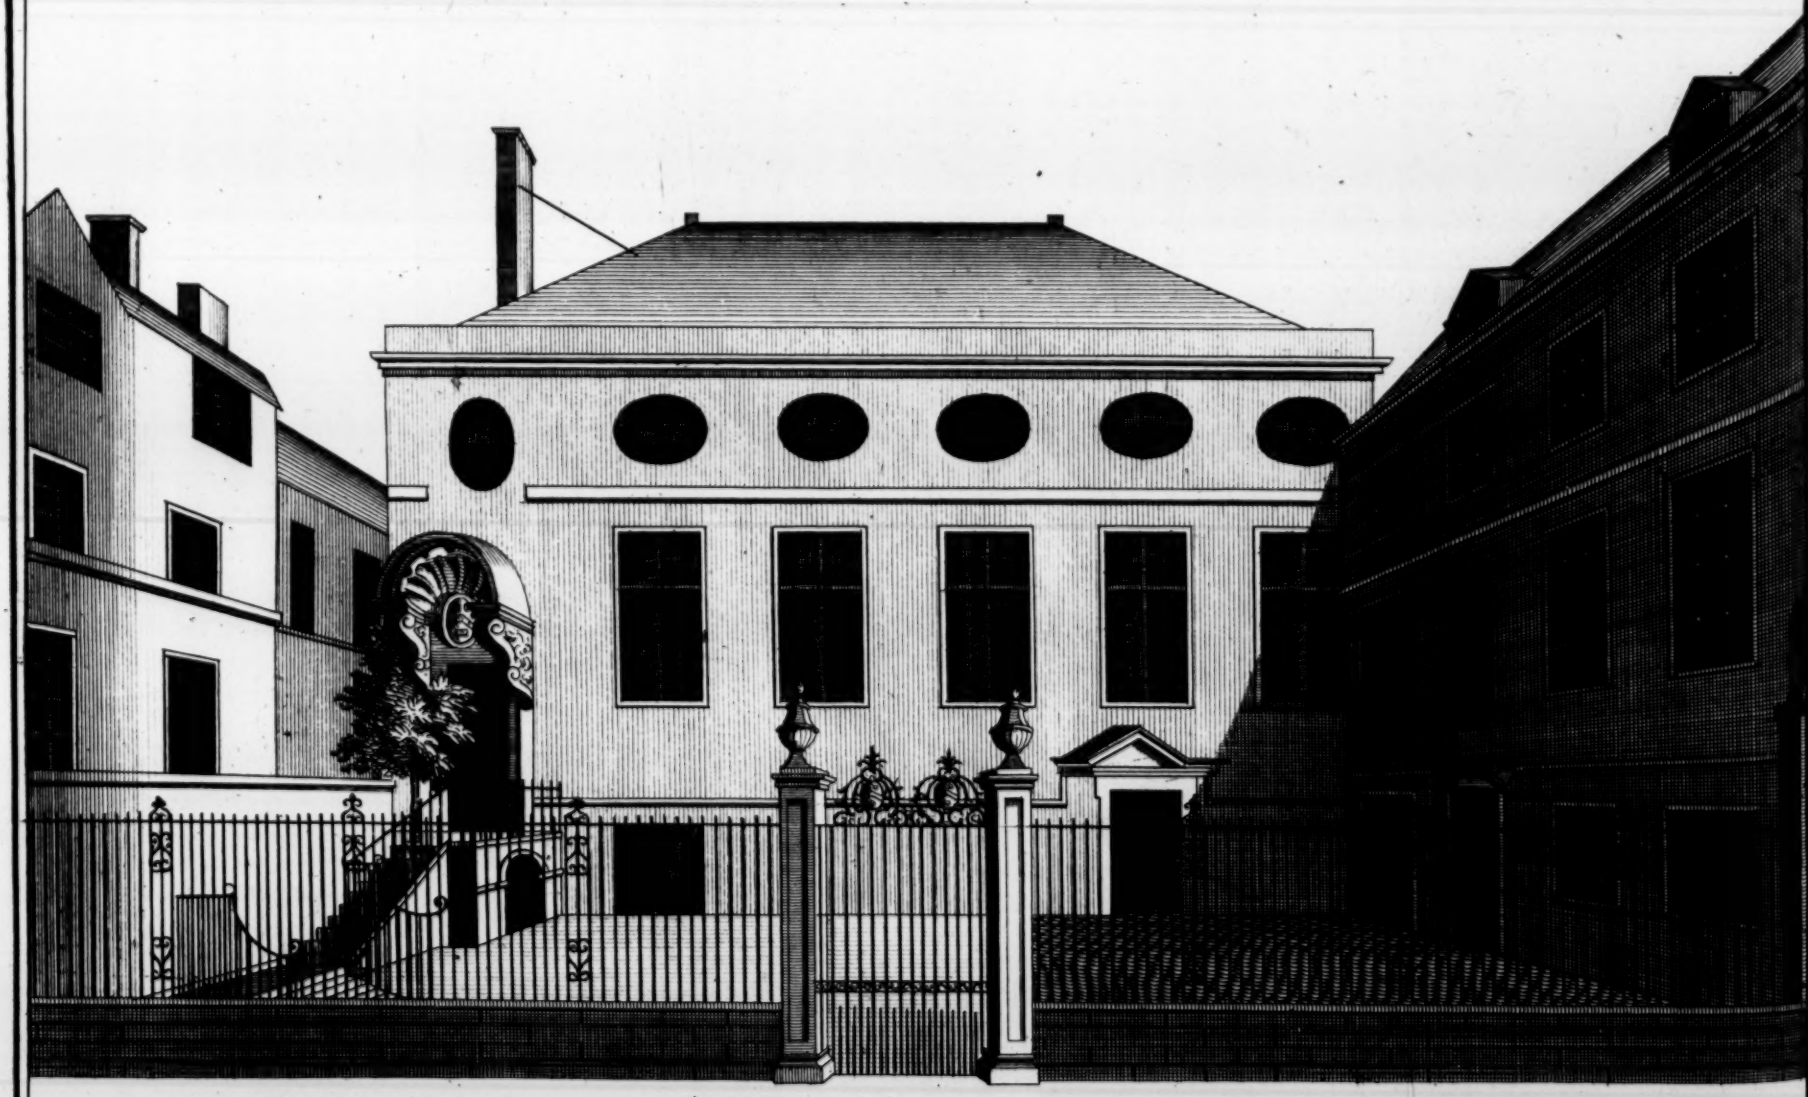
St. *Olave's Silver-ſtreet* Church was ſeated on the North-Weſt Corner of this Street; not rebuilt ſince its Burning in the great Fire of *London*; and the Pariſh is united to St. *Alban's Wood-ſtreet*.

St. *Anne's-lane*, a Place of ſome Trade, lieth betwixt *Foſter-lane*, and St. *Martin's-le-Grand*, near *Alderſgate*. About the Middle of this Lane on the North Side, is St. *Anne's-alley*, having a Free-ſtone Pavement, which leadeth to St. *Anne's* Church, and from thence into *Noble-ſtreet*, ſevering the Church from the Church-yard. Since the Fire of *London*, in which it was conſumed, it is rebuilt very handſome and neat, the Front facing Southward, all of rubbed Brick: To which is united the Pariſh of St. *John Zachary*, as before-mentioned.

Alderſgate-ſtreet, very ſpacious and long, and although the Buildings are old, and not uniform, yet many of them are very good, and well inhabited. This Street runs Northward unto the End of *Barbican* on the Eaſt Side, and *Long-lane* on the Weſt, where *Goſwel-ſtreet* begins. In this Street are a great many Alleys and Courts; and for the deſcribing them, we ſhall begin at *Alderſgate*. *Falcon* and *Caſtle-Inn*, very large, and of a conſiderable Reſort. In the Yard are ſeveral good Houſes for private Families: And out of this Yard, is a Paſſage into *Jewin-ſtreet*, and another into *Noble-ſtreet*. *Harrow-court*, ſmall and indifferent. Cooks Hall, ſeated over-againſt *Little-Britain*. *Greyhound-court*, mean and ordinary. *Cock-and-bottle-court*, poor and ordinary. *Ball-alley*, long, narrow, and ordinary. *Golden-lion-court*, well built, and inhabited on the North Side, the Eaſt Side being open and airy, with Gardens. *Deputies-court*, or *Roſe-and-rainbow-court*, ordinary; but there have been, within a few Years, ſeveral new Buildings at the farther End of it. *Nettleton-court*, large, but ordinary Buildings. *Maidenhead-court*, large, but indifferently built, with a Paſſage into *Crowders-well-alley*; from whence one may go into *Jewin-ſtreet*, in *Cripplegate* Ward. *George-Inn*, formerly the *White-hart-Inn*, very large, and convenient for the Reception of Coaches, Waggons, and Travellers. *Trinity-court*, open, but indifferently built. *Weſtmoreland-alley*, or the *Paved-alley*, as paved with Free-ſtone; the Paſſage leads through *Weſtmoreland-court* into *Bartholomew-cloſe*. *Angel-alley*, large, and ſomewhat narrow towards the Upper End; where it has a Paſſage into *Horn-alley*, an open Place, very long, with low Buildings. About the Middle it has a Paſſage into *Cockpit-yard*, well built, which gives Entrance into *Jewin-ſtreet*; and that falls into *Redcroſs-ſtreet*, near St. *Giles's Cripplegate* Church; and this is a Street well built and inhabited: But of this Street there is no more in this Ward than *Cockpit-yard*, the reſt and greateſt Part being in *Cripplegate* Ward. *Cradle-court*, a handſome open Place, well built, with a Free-ſtone Pavement. *Black-horſe-alley*, but ſmall and ordinary. *Black-horſe-court*, alſo ſmall. *Half-moon-court*, a little open, but mean. *Half-moon-alley*, but narrow, has a Paſſage through the *Half-moon* Tavern into St. *Bartholomew's-cloſe*. *Tongue's-court*, ſmall, with old Buildings. *Lauderdale-houſe*, a large old Building, with a Free-ſtone Court before it. *Hare-court*, open for Carts;



Goldsmiths Hall, in Foster Lane.



Stationers Hall, near Paternoster Row.

B. Cole sc

Carts; at the Upper End it falls into *Paul's-alley*, and ſo into *Redcroſs-ſtreet*. *Bell-Inn*, of good Reſort for Waggons with Meal, *&c.*

Goſwel-ſtreet begins at *Barbican*, where *Alderſgate-ſtreet* ends, and runs up to the *Bars*, in this Ward, and much farther Northward beyond *Old-ſtreet*. This Street is broad, but meanly built and inhabited, eſpecially beyond the *Bars*. In this Street, within the *Bars*, are theſe Courts and Places of Note: *Cock Inn* has a good Trade, and is reſorted unto by Waggons that bring Meal, and other Goods. *Devonſhire-court* contains two Courts, one within another, and both but ſmall and ordinary. *Red-lion Inn*, of good Trade, and has a large Yard for Coach-Houſes and Stabling. Through this Yard is a Paſſage into *Charter-houſe-yard*, and another into *Long-lane*. *Beggars-lane*, an open Paſſage into *Charter-houſe-yard*, and ſo to *Smithfield-bars*, and St. *John's-ſtreet*, a great Thoroughfare. *Three-Cups Inn*. *White-horſe-yard*, a large open Place for Stabling and Coach-Houſes, and has in it ſome Dwelling-Houſes. *Vine-yard*, large, but of ſmall Account, having old Houſes, and ſome Parts not built. *Fans-alley*, juſt without the *Bars*, as to the Entrance, it is broad enough for Carts, and but indifferently built and inhabited, the South Side being in this Ward, and the other in the Liberty of St. *Giles*'s *Cripplegate*. This Alley has a Paſſage into *Bridgewater-ſtreet*.

Barbican, a good large Street, comes out of the Upper End of *Alderſgate-ſtreet*, and runs up to *Redcroſs-ſtreet*; formerly a Place of good Trade for Saleſmen and Brokers for Apparel, both old and new. The Part of this Street within the Ward is but little, *viz.* from the Corner next to *Alderſgate-ſtreet*, to *White-lion-court* on the North Side; which is but mean, and *Fox-and-crown-court* on the South Side, which is alſo but ordinary.

Long-lane, ſo called for its Length, coming out of *Alderſgate-ſtreet* againſt *Barbican*, and falls into *Weſt-ſmithfield*. A Place alſo of antient Note for the Sale of Apparel, Linen, and Upholſterers Goods, both Second-hand and New, but chiefly for Old; but this Trade has left the Place for many Years: And the Houſes at the Eaſt End are greatly decayed. This Lane has but little in this Ward, eſpecially the South Side; and the North Side takes in the *Red-lion Inn* already ſpoken of.

Little-Britain comes out of *Alderſgate-ſtreet*, by St. *Botolph's Alderſgate* Church, and runs up to the Pump, and is very ruinous; there it opens into a broad Street, and turning Northward, runs up to *Duck-lane*, having another turning Paſſage to St. *Bartholomew's Hoſpital*. This Part of the Street is well built, and tho' much inhabited formerly by Bookſellers, from the Pump to *Duck-lane*, who dealt chiefly in old Books, it is now much deſerted, and has little Trade.

The Pariſh Church of St. *Botolph*'s *Alderſgate*, ſeated at the End of this Street, next to *Alderſgate-ſtreet*, now repairing, was an old Building, and eſcaped the Fire of *London*, 1666.

In this Street of *Little-Britain* are theſe Courts and Places of Note. *George-yard*, ordinary. *Croſs-keys-court*, a Place with good Buildings, and Gardens behind ſome of them. *Redcroſs-alley*, a ſmall and ordinary Place. *Carpenters-yard*, an open Place, which has a Paſſage into *Townditch*, being an open Place belonging to *Chriſt's Hoſpital*, which has good Houſes on the Side fronting the *Hoſpital*. *Pelican-court*, a large Place, with good Houſes, well inhabited. At the Upper End it divides itſelf into two Courts, and both bear the ſame Name. On the Weſt Side it has a Paſſage into *Fryers-rents*, which is but ſmall and ordinary. *Fryers-rents* has a narrow Paſſage into a ſmall and ordinary Court. *Axe-yard*, or Court, long and narrow, with good Houſes at the Upper End. *Great Montague-court*, a good handſome Place, with a Free-ſtone Pavement, well built and inhabited. *Little Montague-court*, but narrow, with a Free-ſtone Pavement.

There are to watch at *Alderſgate*, and other Stands in this Ward, every Night, one Conſtable, the Beadle, and 44 Watchmen. And in the Liberty of St. *Martins-le-Grand*, which is in this Ward, 12. In all 56.

The Jurymen, which are returned by the Wardmote Inqueſt, are to ſerve in the ſeveral Courts in the *Guildhall* in the Month of *Auguſt*.

This Ward hath an Alderman and two Deputies, one within the Gate, and one without, eight Common-Councilmen, eight Conſtables, nine Scavengers, nineteen Wardmote Inqueſt-Men, and a Beadle.

It is taxed to the Fifteenth in *London*, 7 *l.* and in the *Exchequer*, 6 *l.* 19 *s.*

The Alderman of this Ward (in 1755) is *William Benn*, Eſq; who has paſſed the high Station of Lord-Mayor of this City: The Common Council are, *John Underwood*, Deputy, *Samuel Read*, *Joſeph Roſe*, *Samuel Bates*, *Samuel Ballard*, Deputy, *Robert Henſhaw*, *Richard Reiley*, and *William Tyler*.

Remarkable Things.

The moſt remarkable Things in this Ward.

Five Pariſhes.

Firſt, the CHURCHES, which before the Fire in 1666 were five; dedicated, 1. to St. *John Zachary*, ſituate at the Corner of *Maiden-lane* in *Foſter-lane*; 2. St. *Mary Staining*, at the North End of *Staining-lane*; 3. St. *Olave Silver-ſtreet*, at the North-Eaſt Corner of *Noble-ſtreet*; 4. St. *Anne Alderſgate*, in St. *Anne's-lane*; and 5. St. *Botolph*, at the South-Eaſt Corner of *Little-Britain*, in *Alderſgate-ſtreet*; which five, at preſent, are reduced to two Churches only, *viz.* St. *Botolph's* and St. *Anne's*; of which hereafter in the Eccleſiaſtical State of this City.

Secondly, The HALLS; as,

Goldſmiths-hall.

(1.) *Goldſmiths-hall*, which is ſituate at the North-Eaſt Angle of *Foſter-lane*. It was originally built by Sir *Drew Barentin*, about the Year 1407; and, ſince the Fire in 1666, is made a ſtately Structure of Brick and Stone, conſiſting of ſeveral handſome Apartments, and a ſpacious Hall, well finiſhed, with Wainſcot, *&c.*

Cooks-hall.

(2.) *Cooks-hall*, ſituate on the Eaſt Side of *Alderſgate-ſtreet*, facing *Little-Britain*, an ancient Building, that eſcaped the Fire of *London*.

Coachmakers-hall.

(3.) *Coachmakers*, formerly *Scriveners-hall*, in *Noble-ſtreet*.

Thirdly,

Thirdly, Other *publick Buildings*; as,

Haberdaſhers *Alms-houſes.*

(1.) Ten Alms-houſes, ſituate on the Eaſt Side of *Staining-lane* near *Haberdaſhers-Hall*, for ten poor People of that Company; founded by one *Thomas Huntlow*, Haberdaſher, in 1539, and endowed with 8 *d.* a Week, to be paid weekly on every *Friday*; which was augmented by Mr. *Thomas Barns* with 10 *l. per Annum* more for ever.

London-Houſe.

(2.) *London-Houſe* on the Weſt Side of *Alderſgate-ſtreet*. It was antiently called *Dorcheſter-Houſe*, and then *Peter*'s or *Petre*'s *Houſe*, having been poſſeſſed by the Marquis of *Dorcheſter*, and afterwards by that antient and noble Family of the Lord *Petre*. After the Reſtoration, it was purchaſed for the Reſidence of the Biſhop of *London*, and ſo called *London-Houſe*. It is a very large, commodious and handſome Brick Building, with a neat Chapel annexed; but has been long deſerted by the Prelates of this See: It is let out into divers Tenements and Warehouſes.

Lying-in Hoſpital, or Shaftſbury-Houſe.

(3.) *Thanet* or *Shaftſbury-Houſe*, on the Eaſt Side of *Alderſgate-ſtreet*, and ſomewhat nearer the Gate than the laſt mentioned, was originally built by the noble Family of the Earls of *Thanet*. It is now converted into an Hoſpital for Lying-in Married Women.

This was a moſt delightful fine Edifice, and was formerly the Reſidence of the Earls of *Shaftſbury*. An Edifice, ſays a judicious Author, that deſerves a much better Situation, and greater Care to preſerve it from the Injuries of Time: But the Politeneſs of the Town is ſo far removed from hence, that it is hardly poſſible this Fabric ſhould be admired as it ought, or be kept in ſuitable Repair. Already (this Author wrote in 1736) it has been converted into a *Tavern*, and made to ſerve other *mechanic* Uſes; inſomuch that the judicious Spectator at once wonders how it came to be erected there, and laments its preſent Decay. At preſent this Palace is converted into an *Hoſpital for Lying-in Women*, a Uſe of publick Benefit, of which the Reader may depend on the following Account, publiſhed by Order of the Preſident and Governors in the Year 1754.

London Lying-in Hoſpital *founded.*

The City of *London Lying-in Hoſpital for Married Women*, at *Shaftsbury-Houſe* in *Alderſgate-ſtreet*, was inſtituted *March* 30, 1750.

Reaſons for its Inſtitution.

The good Effects of the many noble Inſtitutions for training up Orphans, and other indigent Children, in the Knowledge and Practice of their Duty to God, and their Country; for relieving the induſtrious Poor, under the accidental Calamities of Sickneſs, Lameneſs, or Lunacy; and for reſtraining, and, if poſſible, reclaiming the Diſſolute and Debauched; together with the truly Chriſtian Spirit of Benevolence, which at this Time ſo generally prevails amongſt us, to the great Honour of this Age and Nation; were Inducements to ſeveral worthy Aldermen and Citizens of *London*, to eſtabliſh a proper Proviſion for the Wives of poor Tradeſmen or others labouring under the Terrors, Pains and Hazards of Childbirth, as the only Kind of Charity that appeared wanting in this populous and opulent City.

It cannot but greatly move our Compaſſion as Men, and deſerve our Attention as Members of the Community, to reflect how many unhappy Women, together with their tender Infants, have, for Want of the timely Aſſiſtance of a Man-midwife, in difficult and uncommon Caſes, and even after a ſafe Delivery, for Want of proper Diet, Medicines and Attendance, either periſhed, or been deprived of the Uſe of their Limbs, or otherwiſe impaired in their Conſtitutions, ſo as to become uſeleſs to their Families and burthenſome to the Publick; and how many of them are daily obliged to apply for Relief to other Hoſpitals for a Variety of Maladies ariſing from the Want of due Care and Aſſiſtance, in that perilous Time of their Lying-in, is but too well known! And therefore it is hoped, that an Inſtitution of this Nature, calculated to ſupport and provide for Married Women of good Character, in the laſt Stage of their Pregnancy, Time of Labour, and Month of Lying-in, with all ſuitable Helps and Neceſſaries, proper Diet, Advice and Medicines, will be thought a moſt neceſſary Charity, and accordingly meet with ſuitable Encouragement from every humane Perſon, eſpecially from the Ladies, who cannot but feel, and it is hoped will gladly contribute to relieve, ſuch imminent Diſtreſſes ſo peculiar to their own Sex.

Conditions.

I. Such Perſons as ſubſcribe twenty Guineas are Governors for Life, and may recommend one pregnant Woman to be upon the Books at a time.

II. Thoſe who ſubſcribe five Guineas, or three Guineas *per Annum*, are Governors ſo long as they continue their Subſcriptions, and have the Privilege to recommend, as in the firſt Article.

III. All leſſer Benefactions are thankfully received.

IV. Annual Governors may make up their Subſcriptions twenty Guineas, within one Year from their laſt Payment, and thereupon become Governors for Life.

V. All Noblemen and Ladies are at Liberty, at all Elections of Officers, to vote by Proxy ſignified in writing.

N. B. That the Publick may be ſatisfied the Women are well and properly taken Care of, Ladies, though not Subſcribers, may viſit the Wards of the Hoſpital at any time; and the giving themſelves that Trouble will be eſteemed a Favour by the Governors.

Rules of the Hoſpital.

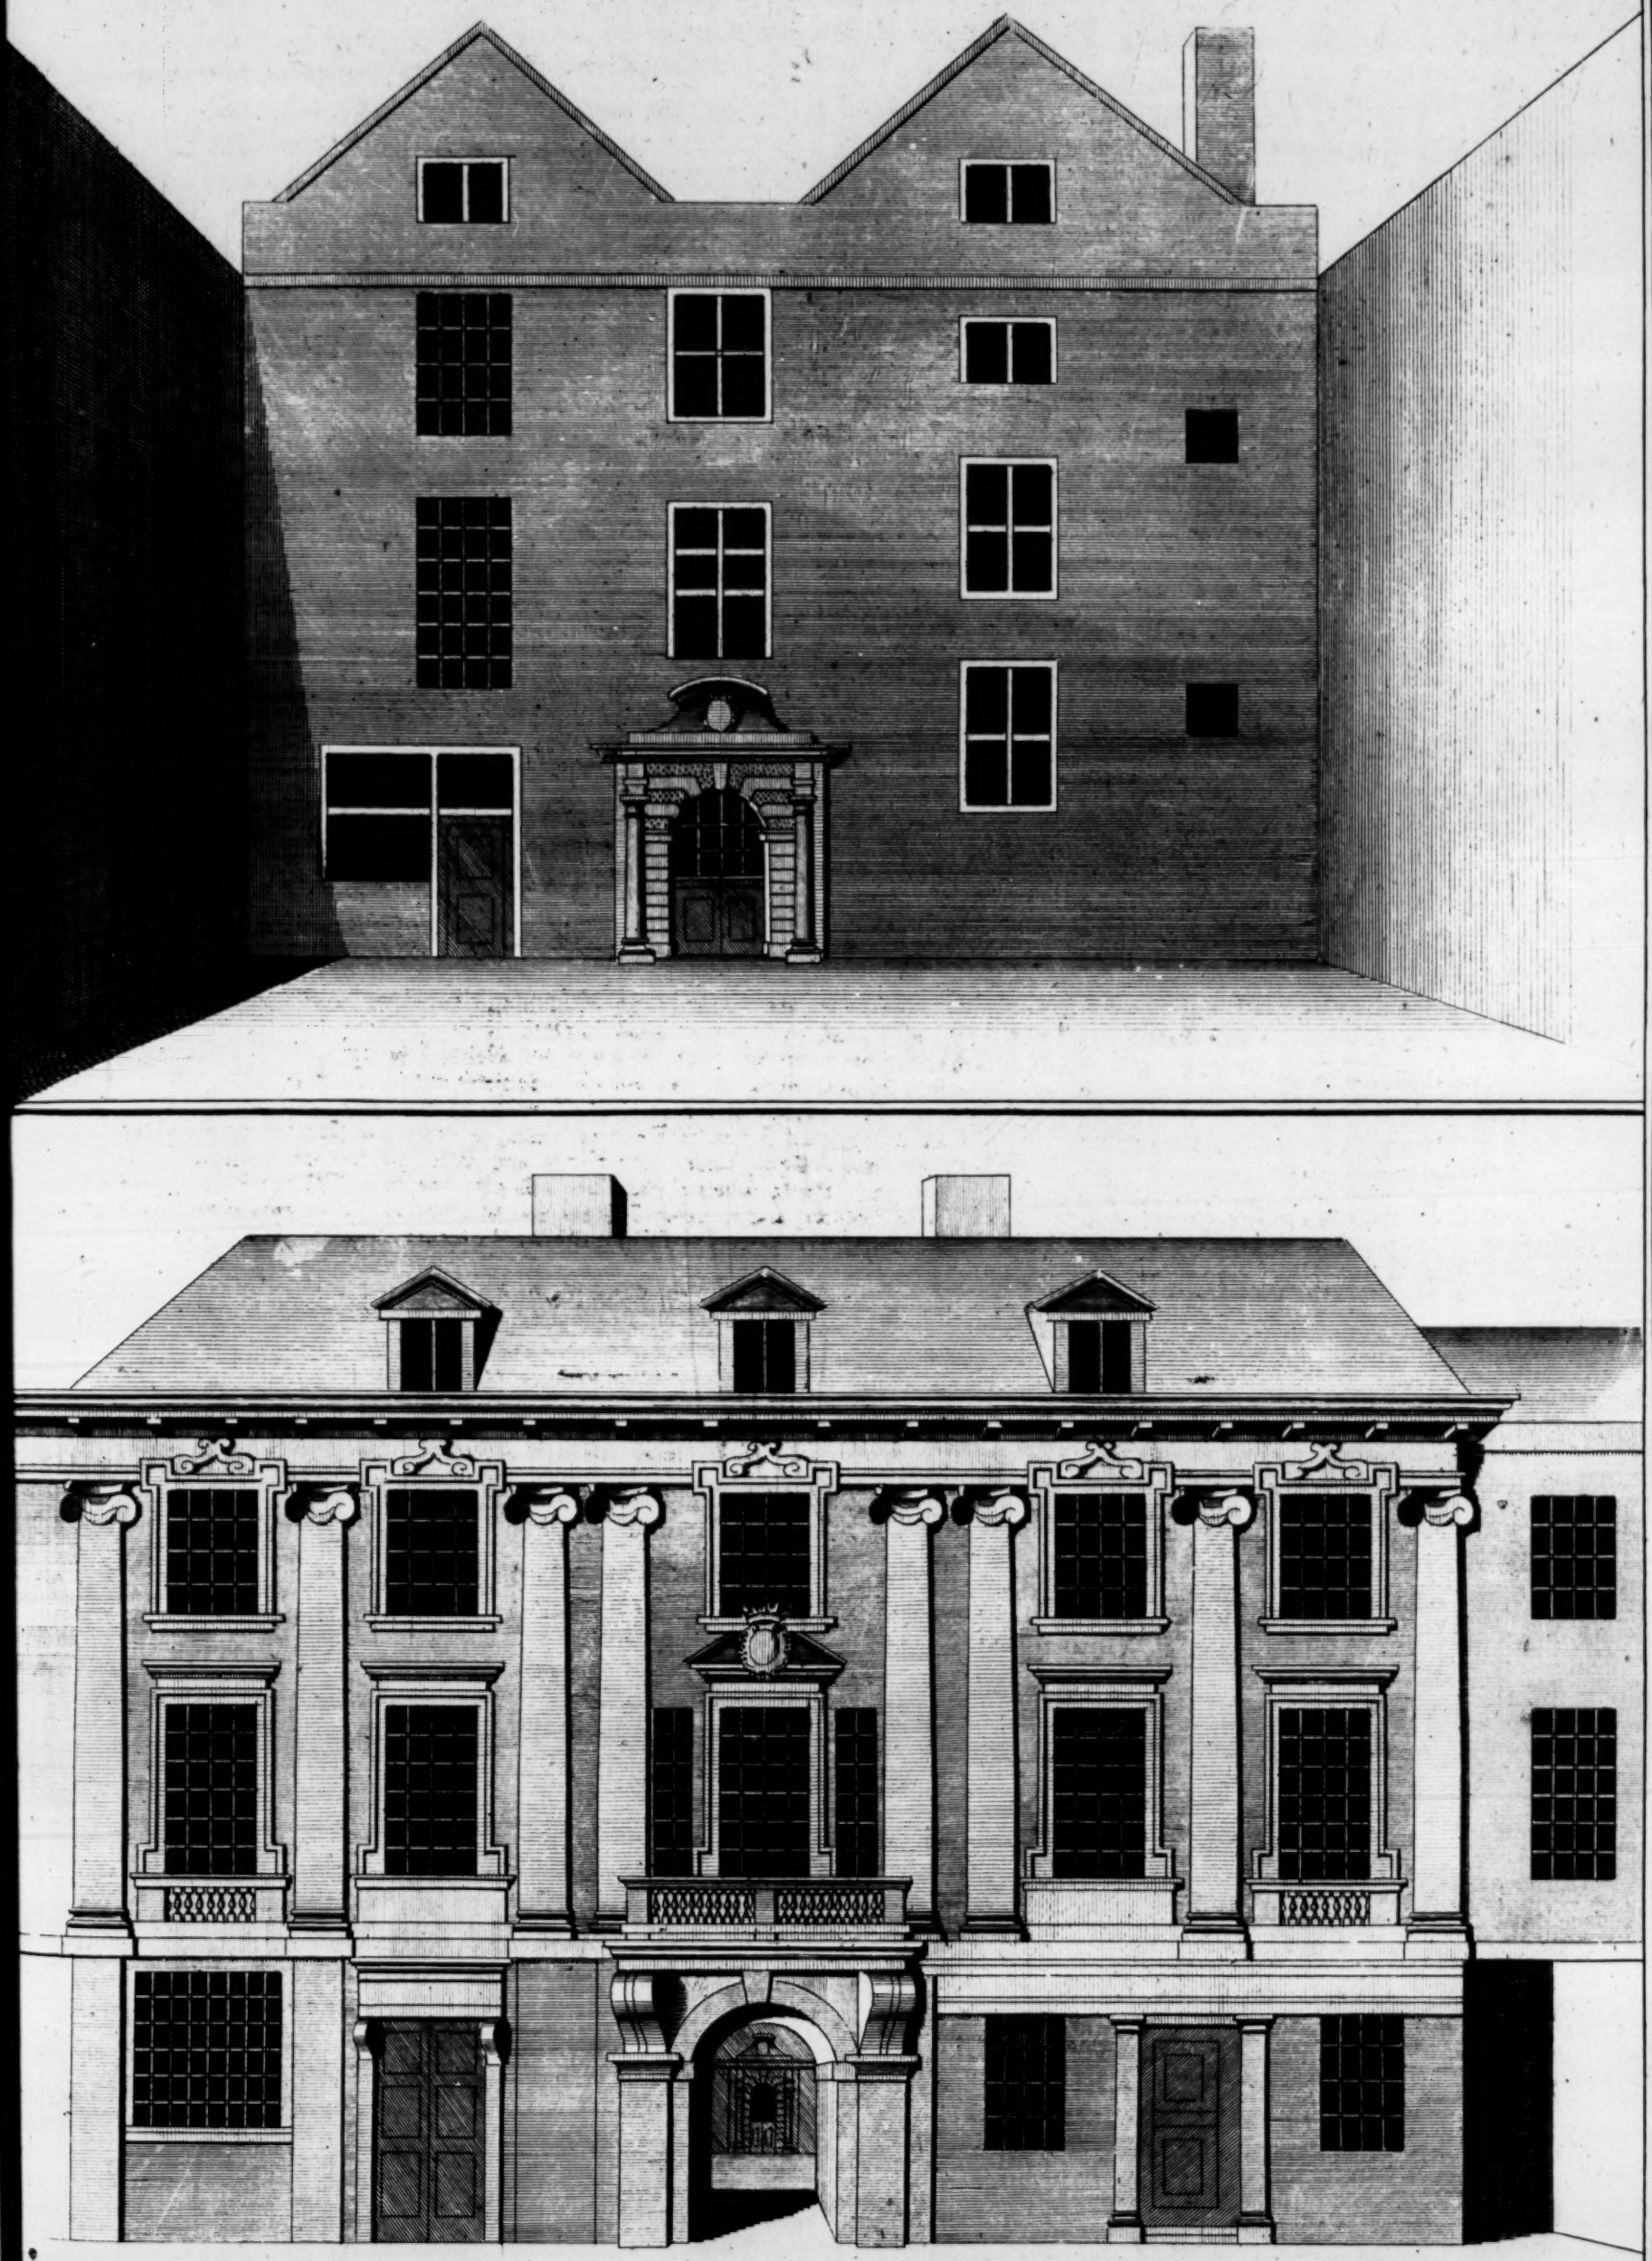
General Court.

A General Court of the Governors is held four Times a Year, to receive the Report of the Quarterly Committees, elect a new Committee, and tranſact ſuch other Buſineſs as may then be laid before them.

Houſe Committee.

A Houſe Committee is appointed at every General Quarterly Court, conſiſting of thirteen Governors, three of whom are a *Quorum*. This Committee meets every *Tueſday* Morning, at eleven of the Clock in the Foredoon, at the ſaid Hoſpital, to receive and diſcharge Women, inſpect the Diet and Proviſions, order any Furniture and Conveniencies that may from Time to Time be wanted, and to examine into and regulate the Conduct of all the Servants and Patients of the Houſe. Theſe Committees are to make their Reports to the General Quarterly Courts.

A Ma-



B. Cole sculp.

The City of London
LYING-IN HOSPITAL
For MARRIED WOMEN
At SHAFTSBURY HOUSE *in*
Aldersgate Street
Instituted MARCH 30. 1750.

Slingsby Bethell, Esq.r
ALDERMAN,
and One of the Representatives
of this CITY *in Parliament*
PRESIDENT.

Mr. Deputy James Hodges.
Mr. Deputy George Nelson.
Mr. Deputy Rich.d Molineux.
Mr. Deputy Nathanael Nash.
} Vice Presidents.

Isaac Henckell *Esq.r* Treasurer.

Servants. A Matron, who is a ſkilful Midwife, conſtantly reſides in the Hoſpital, and acts as ſuch in all natural and eaſy Labours.

A ſufficient Number of Nurſes and Servants to take Care of the Lying-in Women, and do the common Buſineſs of the Houſe.

Alſo a Beadle, who conſtantly reſides at the Hoſpital, to be ready to go on all Meſſages, on ſudden Emergencies, and ſummon the Governors, *&c.*

Note, The Servants of the Houſe are forbid to take any Fee or Reward from the Lying-in Women, on any Pretence whatſoever, on Pain of being diſcharged.

Qualifications for Admiſſion. Married Women, admitted into this Hoſpital, muſt previouſly produce a Certificate of their Marriage from a lawful Miniſter; or, in caſe they cannot, then an Affidavit of their being married, and the Time when, and Place where, and alſo of the Settlement of their Huſbands, and by what Means ſuch Settlement was obtained. And no Woman is to be taken into the Houſe, who hath any contagious Diſtemper.

Such as are inclined to become Benefactors by their laſt Will, have the following Form of a Legacy recommended to them:

Form of a Legacy. Item, *I give and bequeath unto* A. B. *and* C. D. *the Sum of upon Truſt, and to the Intent that they, or one of them, do pay the ſame to the Treaſurer (for the Time being) of a Society, who now call themſelves*, The Governors of the City of *London* Lying-in Hoſpital for Married Women; *which ſaid Sum I deſire may be applied towards carrying on the charitable Deſign of the ſaid Society.*

N. B. Giving Land, or Money, or Stocks, with Directions to be laid out in Land, will be void by the Mortmain Act.

The Government of this Hoſpital is managed by a Preſident, four Vice-Preſidents and a Treaſurer, choſen annually from among the Governors; and ſelect Committees, as before. The following are the Preſidents, Vice-Preſidents, Phyſicians, *&c.* at this Time:

Slingſby Bethell, Eſq; Alderman, and one of the Repreſentatives of this City in Parliament, Preſident. Mr. Deputy *James Hodges*, Mr. Deputy *George Nelſon*, Mr. Deputy *Richard Molineux*, Mr. Deputy *Nathanael Naſh*, Vice-Preſidents. *Iſaac Henckell*, Eſq; Treaſurer. Dr. *Benjamin Marten*, (*Theobald's-Row*) Phyſician in Ordinary. Dr. *Samuel Wathen*, (*Pater-noſter-Row*) Man-midwife in Ordinary. Mr. *Richard Ball*, (*Prince's-Street*) Surgeon in Ordinary. The above Gentlemen of the Faculty attend daily at the Hoſpital. Dr. *Moſes Griffith*, (*Mincing-Lane*) Phyſician and Man-midwife Extraordinary. Mr. *Henry Grundy*, (*Wood-Street*) Surgeon Extraordinary. Mr *William Ball*, (*Lothbury*) Apothecary, ſupplies the Patients with ſuch Medicines as are found neceſſary in their reſpective Caſes.

And that the Lying-in Women may not want neceſſary Comfort under their Affliction, the Reverend Mr. *Spark Canham*, A. M. has undertaken the kind and charitable Office of attending this Hoſpital as Chaplain, baptizes the Children born there, and reads Prayers publickly three Times a Week.

Note, The Patients are attended by the above Gentlemen without Fee or Reward.

Lauderdale-Houſe. (4.) On the ſame Side, more Northward, was another Nobleman's Seat, the Duke of *Lauderdale*'s, ſituate between *Cherry-tree-Court* and *Hare-Court*; likewiſe deſerted by the Succeſſors of that moſt noble Family, and at preſent occupied by an eminent Diſtiller.

Weſtmoreland-Houſe. (5.) Again, on the Weſt Side of this Street, and to the South of *London* Houſe, was a fine Manſion belonging to the Earls of *Weſtmoreland*; whoſe Remains pronounce it to have been a beautiful and capacious Building; and are now let out into divers Tenements, and for mechanic Uſes.

Duke of Bretagne's *Palace.* (6.) In the Street called *Little Britain*, antiently called *Britain-Street*, was once the City Manſion of the Duke of *Bretagne*, near to the Church of St. *Botolph*; but for ſeveral Ages entirely erazed, and the Site alienated to private Property, whoſe Buildings are now alſo become ruinous.

Peterborough-Houſe. (7.) *Peterborough* Houſe, a Palace belonging to the Earls of that Title, graced the South-Eaſt Corner of the ſame Street, on the Spot where the South Part of St. *Bartholomew*'s Hoſpital now ſtands. And,

Mountague-Houſe. (8.) Almoſt the whole Eaſt Side of *Little Britain*, from the Gate that leads into *Bartholomew-Cloſe* to *Little Mountague-Court* incluſive, was adorned with a ſuperb Palace, the antient Reſidence of the Lord *Mountague*.

Northumberland-Houſe. (9.) Near the Weſt End of *Alderſgate*, in *Bull-and-Mouth-Street*, was ſituate a City Manſion-Houſe of the Earls of *Northumberland*.

Trinity-Hoſpital. (10.) Near the North-Eaſt Corner of *Little Britain*, in *Alderſgate-Street*, as noted in the Plan, ſtood an Hoſpital, Hall or Priory belonging to the Abby of *Cluny* in *France*; which, among other alien Foundations, being ſuppreſſed by King *Henry* V. his Majeſty granted its Revenues to the Pariſhioners of St. *Botolph*, on Condition that they ſhould found in their Church a *Fraternity* or Altar dedicated to the *Holy Trinity*. The Site of this antient religious Houſe remains ſtill, by the Name of *Trinity-Hall*, and ſeveral Tenements in *Trinity-Lane*, in the Poſſeſſion of the Pariſh; and Part of the Building is exiſting: A lower Part is let out for a Coffee-houſe, but the upper Room retains ſomewhat the Appearance of its original Uſe, ſerving for a Place of Worſhip to a Congregation of *Non-jurors*. Here alſo the Pariſhioners

meet in Veſtry on particular Occaſions. The other Parcels thereof are occupied by different Tenants. And for ſeven Inqueſt-Men without the Gate ſitting every Year in *Trinity-Hall* upon the Wardmote Inqueſt, the Pariſh receives ſeven Shillings yearly.

Shelly-Houſe.

(11.) Beſides theſe were ſeveral more ſtately Edifices; as *Shelly-Houſe*, built by Sir *Thomas Shelly* in the 1 *Henry* IV. and afterwards rebuilt by Sir *Nicholas Bacon*, Lord-Keeper under Queen *Elizabeth*; and that ſpacious Houſe of Sir *Richard Kennet*, between the Church-yard of St. *John Zachary* and *Staining-lane*, in *Maiden-lane*, where now is built, and finiſhed this preſent Year, (1754) the *Union Fire-Office of Aſſurance of Goods*, removed from *Gutter-lane*.

Union Fire-Office.

This Office was erected in the Year 1714 by a conſiderable Number of Perſons, who mutually agreeing to inſure one another's Goods and Merchandize from Loſs by Fire by an amicable Contribution, entered into a Deed of Settlement for that Purpoſe, which being ſigned by every Perſon deſirous of becoming a Member, he is thereby admitted into the joint Contributionſhip, and becomes an equal Sharer in Profit and Loſs, in proportion to his, her, or their reſpective Inſurances; which Deed of Settlement was executed on the 16th of *February*, *Anno* 1714, and inrolled in Chancery on the 3d of *July*, *Anno* 1715.

This Office, denominated *The Union Society for inſuring of Goods and Merchandize from Loſs by Fire*, was erected upon the ſame Foot, in all reſpects, as that of the *Hand in Hand Fire-Office*, other than this, that inſtead of Houſes, they only inſure Goods and Merchandize at the Rates in the following Table:

A Table of the Premiums and Depoſits payable for Inſurances for the Term of ſeven Years.

Sums inſured.	Com. Inſurances on Brick Houſes.		Com. Inſurances on Timb. Houſes.		Hazardous Inſurances on Brick Houſes.		Hazardous Inſurances onT. Houſes.		Double hazard. Inſurances on Brick Houſes.		Double hazard. Inſurances on Timb. Houſes.	
	Shill. per Cent.	Shill. Depoſ.	Shill. per Cent.	Shill Depoſ.	Shill. per Cent.	Shill. Depoſ.	Shill. per Cent.	Shill. Depoſ.	Shill. per Cent.	Shill. Depoſ.	Shill. per Cent.	Shill. Depoſ.
From 100*l.* to 1000*l.*	at 2	10	at 3	15	at 4	20	at 6	30	at 6	30	at 9	45
From 1000 to 2000*l.*	at 4	10	at 6	15	at 8	20	at 12	30	at 12	30	at 18	45
From 2000 to 3000*l.*	at 6	10	at 9	15	at 12	20	at 18	30	at 18	30	at 27	45

The Affairs of this Community are managed by twenty-four Directors, who generouſly ſerve *gratis*; which, together with their frugal and diſintereſted Management, conſiderable Fund, and a Call of ten Shillings *per Cent.* (which is the moſt that each Contributor is obliged to pay, in caſe ſo great a Loſs ſhould happen as to require the ſame, which hitherto has not happened, and probably never will) on any extraordinary Event, a better Security cannot well be deviſed. And as this Office, as already hinted, is calculated for the general Good of the Society, the Members have the Advantage of examining the Deed of Settlement, and all Orders and Proceedings, as well of the general Courts, as that of the Directors.

To this Office belong twenty-four Porters (who give ſufficient Security for their Fidelity) for carrying off the Goods of the Inſured in caſe of Fire, who, beſides their Cloaths and Badges, and Protection from a Preſs, are handſomely paid for their Labour.

King Edward II's *Houſe.* Rec. Tur.

(12.) According to an antient Record in the *Tower*, I find a certain Tenement in the Pariſh of St. *Mary Staining-lane* pertaining to King *Edward* II. bounded on the South by the Land of *Robert Burideine*, and a Lane which leads from the ſaid Church unto the King's Street of *Wood-ſtreet*; which Houſe the King granted firſt to *C. de Burgalia*, and again to *Rafe Baſſet de Draiton*, *A. D.* 1320, *Reg.* 14.

St. Martin le Grand.

After this pompous Survey of the antient Buildings in this Pariſh compared to its preſent Condition, which has Reaſon to bemoan the Loſs of its noble Inhabitants, and the Deſtruction of their Palaces; I ſhall proceed with a Survey of the Liberty of St. *Martin le Grand*.

St. *Martin*'s *le Grand* contains but one principal Street, called St. *Martin*'s *le Grand*; which cometh out of *Blowbladder-ſtreet*, by the Weſt End of *Cheapſide*, and runneth North to *Alderſgate*. But this Liberty runneth but to *Bell-court*, near unto St. *Anne's-lane*, on the Eaſt Side. For from *Bell-court* unto *Alderſgate*, is in *Alderſgate* Ward, and out of this Liberty. This Street is a Place of conſiderable Trade, is a great Thoroughfare, and its Houſes well built.

In this Liberty are theſe Courts and Places of Note; *Round-court*, large, with a handſome Free-ſtone Pavement, the Part towards St. *Martin*'s being a handſome ſquare Court. It has a Paſſage into *Blowbladder-ſtreet*, which was formerly inhabited by Milliners, and ſuch as ſell Copper Lace, called St. *Martin*'s Lace, for which it was of Note. Out of this Court is an Alley, which leads into *New-rents*, which alſo comes into St. *Martin*'s-*ſtreet*; and at the Upper End are two Paſſages into *Foſter-lane*, one of which goes into a Place called the *Dark-entry*, by St. *Leonard Foſter-lane* Church-Yard. *Mould-makers-rents*, an indifferent open Place; out of which are ſeveral Paſſages, as into *New-rents*, *Dean*'s-*court*, and *George-ſtreet*. *New-rents*, a handſome Street, which comes out of St. *Martin*'s-*ſtreet*; and at the Upper End was the *Swan* Tavern. *Great Dean*'s-*court*, an open Place, indifferently well built and inhabited; has a Paſſage into *Mouldmakers-rents*, or *Row*, and another into *George-ſtreet*. In this Court is another ſmall one, called *Little Dean*'s-*court*, which is but ordinary. *George-ſtreet*, of which there are two; the one leading into *Foſter-lane*, and the other into *Round-court*. St. *John*'s-*alley*, ordinary. *Cock-alley* has a narrow Entrance, which leads into an open Place, with a Free-ſtone Pavement, indifferent. *Chriſtopher*'s-*alley* has a Free-ſtone Pavement, good; which at the Upper End, has a Door into the *Bagnio*. *Four-dove-court*, an open Place, with a Free-ſtone Pave-

Pavement. *King*'s-*head-court*, a handſome Place, well built and inhabited, with a Free-ſtone Pavement. *Angel-alley*, good; the Upper End falls into *Butcherhall-lane*. Of this Street, that Part within this Liberty goes no farther than *King*'s-*head-court*; the reſt of this Street is in the Ward of *Faringdon* within.

Bull-and-mouth-ſtreet goes out of St. *Martin*'s-*le Grand*, and runs up to *Butcherhall-lane*; but it has no more in this Ward than a little Weſtward of the *Bull-and-mouth Inn*, which is large, and well built, and of good Reſort by thoſe that bring Bone-Lace, where the Shop-keepers and others come to buy it. The *Fountain* Tavern, commonly called the *Mourning Buſh*, which has a Back-Door into St. *Anne*'s-*lane*, is ſeated near unto *Alderſgate*. And in this Part of St. *Martin*'s, was a noted Meeting-Houſe of the Quakers, called the *Bull-and-mouth*, where they met long before the Fire, till the building Leaſe expired a few Years ago; but at preſent it is occupied by a Methodiſt Preacher.

This Liberty was an Eccleſiaſtical Foundation: It takes its Name originally from a Collegiate Church founded by *Ingalricus* and his Brother *Edward*, *A. D.* 1056, for a Dean and ſecular Canons or Prieſts, and dedicated to St. *Martin*, with the Addition of *Le Grand*, from the great or extraordinary Privileges of Sanctuary, *&c.* granted by divers Monarchs thereto; of which there has been Mention made in the firſt Book of this Hiſtory, p. 191, 226, 227; and to which we add,

The Charter granted by William the Conqueror, *concerning the antient Privileges of St.* Martins-le-Grand.

" ſuam, quicquid capiat in futurum."

By the ſaid Ligier Book *it likewiſe appeareth, that the ſaid Deanery of St.* Martins *had alſo Privilege of Sanctuary, in the time of the ſaid* King Henry IV. *There be divers Preſentations alſo, and Probates of Wills; from Page* 81, *to the End of the ſaid Ligier Book.* See Fol. 78, and 79.

For the Expoſition of the Words of Privilege, occurring in the Charters aforeſaid, I have added theſe following Obſervations:

" *Sok* *, eſt Secta de hominibus in curia
" veſtra (Sancti *Martini*) ſecundum conſuetudi-
" nem regni.

" *Sak*, eſt placitum et *Emenda* de tranſgreſſioni-
" bus hominum in curia veſtra. *Sok*, idem per
" quele acheſon: et *Sak* dicitur pur forfet.

" *Tol*, eſt quod vos et homines veſtri de toto
" homagio veſtro ſitis quieti, in omnibus merca-
" tis, de toto *tolneto*, de rebus emptis et venditis.

" *Tem*, eſt quod habeatis totam generationem
" villanorum veſtrorum, cum eorum ſectis et
" catallis, ubicunque in Anglia fuerint inventi.
" Excepto, quod ſi aliquis nativus, quietus per
" unum annum et unum diem, in aliqua villa
" privilegiata manſerit; ita quod in eorum com-
" munitatem et guildam, tanquam unus eorum
" receptus fuerit; eo ipſo à villenagio liberatus
" eſt.

" *Infangtheof*, eſt quod latrones capti in *Domi-*
" *nico* vel feodo veſtro, et de ſuo latrocinio con-
" victi, in curia veſtra judicentur.

" *Hangewyte*, eſt quietus de latrone ſuſpenſo
" ſine judicio, vel extra cuſtodiam veſtram
" evaſo.

" *Utfangtheof*, eſt quod latrones de terra veſtra,
" vel de feodo veſtro, extra terram veſtram vel
" feodum veſtrum capti cum latrocinio; ad cu-
" riam veſtram revertantur, et ibi judicentur.

* *This Expoſition in* Latin *ſeems to be antient, and drawn up by ſome learned Lawyer in thoſe times, by the Deſire, and for the Uſe of the College of St.* Martin's.

" *Hamſoken*,

" *Hamſoken*, eſt quietum eſſe de amerciamento " pro magiſtro hoſpitiorum, violenter et ſine li- " centia, et contra pacem: et quod teneatis pla- " cita de hujuſmodi tranſgreſſionibus, factis in " curia veſtra, et in terra veſtra.

" *Grithbrech*, eſt pax Domini Regis fracta.

" *Blodwite*, eſt quietum eſſe de amerciamento " pro *Medlets:* et quod teneatis placita in curia " veſtra: et quod habeatis amerciamenta inde " provenientia.

" *Fliſtwite*, eſt quietum eſſe de contentione et " conviciis: et quod habeatis inde placitum in " curia veſtra: et quod habeatis inde amercia- " menta.

" *Fledwite*, eſt quietum eſſe de amerciamento, " cum quis utlegatus fugitivus venerit ad pacem " domini Regis, ſponte vel licenciatus.

" *Flemenefith*, quod habeatis catalla ſive amer- " ciamenta hominis veſtri fugitivi.

" *Letherwyte*, eſt quod capiatis emendationem " ab ipſo qui corrupit nativam veſtram, ſine li- " centia veſtra.

" *Childwite*, eſt quod capiatis gerſumam de na- " tiva veſtra corrupta et pregnata ſine licentia " veſtra.

" *Forſtat*, eſt quietum eſſe de amerciamento de " cataſlis arreſtatis infra terram veſtram: et " habeatis amerciamenta inde provenientia.

" *Scot*, eſt eſſe quietum de quadam conſuetu- " dine; ſicut de tallagio facto ad opus Vicecomi- " tis vel Ballivorum ejus.

" *Geld*, eſt quietum eſſe de conſuetudinibus ſer- " vilibus, quæ quondam dari conſueverunt, et " adhuc dantur. Sicut *Hornegeld*, et ab aliis ſimi- " libus.

" *Hidage*, eſt quietum eſſe ſi Dominus Rex tal- " liaverit totam terram per *Hidam*.

" *Caruage*, ſi Dominus Rex talliaverit terram " per *Carucas*.

" *Danegeld*, eſt quietum eſſe de quadam con- " ſuetudine, ſive ſolutione; quam quidem *Dani* " levaverunt primum in Anglia.

" *Hornegeld*, eſt quietum eſſe per totam terram " de quadam conſuetudine exactam per talliam: " ſicut de quacunque beſtia cornuta.

" *Leſtage*, eſt quietum eſſe de quadam conſue- " tudine exactam in nundinis et mercatis, pro " rebus cariandis, ut homo vult.

" *Stallage*, eſt quietum eſſe de quadam conſue- " tudine exactam pro placeis captis vel aſſignatis " in nundinis vel mercatis.

* *Scawing.* " * *Chewyng*, eſt quietum eſſe de attachiamento " in aliqua curia, et coram quibuſcunque, de " querelis oſtenſis, et non advocat.

" *Miſkennyng*, eſt quietum eſſe de amerciamen- " to pro querela, coram quibuſcunque, in tran- " ſumptione prolata.

" *Burgbruch*, eſt quietum eſſe de tranſgreſſione " facta in Civitate vel Burgo, contra pacem.

" *Wardwyte*, eſt quietum eſſe de denario dando " pro *Ward* facienda.

" *Hundred*, eſt quietum eſſe de denario, vel " conſuetudine facienda Præpoſito et *Hundredæ*.

" *Bordhalepeny*, eſt quietum eſſe de quadam " conſuetudine exactionis, pro tabula levata.

" *Brigbote*, eſt quietum eſſe de auxilio dando " ad reficiendos pontes.

" *Burgbote*, eſt quietum eſſe de auxilio dando " ad reficiendum burgum, caſtrum, civitatem " vel muros proſtratos.

" *Haverpeny*, eſt quietum eſſe de denariis dan- " dis *Averagio* Domini Regis; cum ſimilibus."

Since which Time, to wit, in the Year 1457, the 36th of the ſaid *Henry* VI. an Ordinance was made by the King and his Council, concerning the Sanctuary Men in St. *Martin's-le-Grand*; whereof the Articles are ſet down in the Book of *K.* within the Chamber of the *Guildhall*, in the Leaf 299, and is in the *Engliſh* then uſed, as it ſtands in the Record:

Henricus *Dei Gratia, Rex Angliæ & Franciæ, Dominus Hyberniæ: Omnibus ad quos præſentes Literæ perveniunt, Salutem. Inſpeximus Tenorem quendam Ordinationis, Conceſſionis, & ſtabilimenti certorum Articulorum infra Sanctua Liberæ Capellæ noſtræ, St. Martini, infra Civitatem noſtram* London, *obſervandum & cuſtodiendum, coram nobis, & concilio noſtro, 5 Die Februarii ultimo præterito, apud Weſtmon. in Camera Stellata, ordinatorum & ſtabilitorum, nobis in Cancellar. noſtram de mandato noſtro miſſum factum, in hæc Verba.*

Ordinance concerning its Sanctuary. Lib X. fol. 299. apud *Guildhall.*

" The fifth of *Feverer*, the Yeere of the " Reigne of our Soveraigne Lord King *Henry* " VI. thirty-fifth: At *Weſtminſter*, in the Sterre- " Chamber, our ſaid Soveraigne Lord, calling to " high Remembrance the good and bleſſed Entent " that his full noble Progenitors have at all Times " had, to the Honour, Worſhip, Conſervation and " Wele of the Free Chapel of St. *Martin*'s within " the City of *London*; of the which the King " our Soveraign Lord is Founder and Patron: " Deſiring to do all that may ſerve to the Eaſe " and reſtful Roule of the ſame; and Conſerva- " tion of the Sanctuary, Immunity, Privileges " and Liberties, as appertain to the ſaid Chapel " and Place; willing, that hereafter none occa- " ſion be yeven to the Breach or hurting them: " Remembring alſo the great Complaints, " Grudging, and Diſpleaſure, that his Subjects " have taken, and eſpecially the Citizens and " Commonalty of the ſaid City of *London*, of " the demeaning of the miſruled Perſons coming " and abiding in the ſaid Place, under Umbre " and Colour of the Sanctuary there; the which " have, at divers Times, iſſued out of the Sanc- " tuary and committed many Ryots, Robberies, " Manſlaughters, and other Miſchiefes; were " through the ſaid Sanctuary hath been greatly " diſlaundered, and (over that) great Inconveni- " ence like to enſue.

" After great Deliberation and Communica- " tion had, as well with Doctors of Divinity, as " of Law, Civil and Canonicall; called alſo " thereto the Judges of this our Land, and their " Advices had in that Behalfe; other Men alſo " of great Wiſedome and Experience, for the " Weale and Conſervation of the ſaid Sanctuary, " and to eſchew the ſaid Miſgovernance and Miſ- " chief, called alſo before our ſaid Soveraigne " Lord and his Councell, the Maior and the " Aldermen of the ſaid City, and Maſter *Richard* " *Cawdre*, Dean of the ſaid Place of St. *Martin*'s: " Our Soveraigne Lord (by the Advice of his " Councell aboveſaid) ordained, granted, and " eſtabliſhed

" eſtabliſhed certain Articles under-written, to " bee kept and obſerved within the ſaid Sanc- " tuary, from this Time forth, without any In- " terruption of them. Willing and ordaining, " that the ſaid Deane, that now is, promit by his " Oath the Obſervance of the ſame, for the Time " that hee ſhall bee Deane there. And that " every Deane after him, in his Admiſſion to the " ſaid Deanary, be ſworne to keepe the ſaid " Articles in ſemblable wiſe, and make them " to bee kept within the ſaid Sanctuary: The " which Articles beene ſuch as follow:

" 1. *Firſt*, That every Perſon *Fugitive* come- " ing unto the ſaid Sanctuary for Tuition, and " challenge to enjoy the Immunities and Privi- " leges thereof; at his Entrie, as ſoone as hee " commodiouſly and reaſonably may, ſhall now " preſent himſelfe unto the ſaid Deane, his " Commiſſarie, or Depute in that Behalfe; and " before him declare the Cauſe of the Feare " moving him to come to the ſaid Sanctuarie; " be it for Treaſon, Felony ſurmiſed upon him, " or for other Cauſes. And that the ſaid De- " claration and Cauſe bee regiſtered in the " common Regiſter, ordained therefore in the " ſaid Sanctuary, and the Name of the ſaid " Fugitive.

" 2. *Item*, That hee, at his firſt Entree, pre- " ſent and deliver unto the ſaid Deane, Commiſ- " ſarie, or Depute, all Manner of Weapon and " Armour that hee bringeth with him, as well " invaſive as defenſive; and that he be not ſuf- " fered to weare or uſe any ſuch Weapon or Ar- " mour, or it to have in his keeping within the " Sanctuary in any wiſe, except a reaſonable " Knife, to kerve withall his Meate, and that the " ſaid Knife be pointleſſe.

" 3. *Item*, That every erraunt and open Theefe, " Robber, Murderer, and Felon, notoriouſly " noiſed by the common Fame of the People; " or if the ſaid Deane, Commiſſary, or Depute, " be credibly informed, or due Proofe be yoven " or made, that he is ſuch one, repairing to the " ſaid Sanctuary, to the Intent that he ſhall not " (under Colour of the ſaid Sanctuary) intend to " doe further Miſchiefe; find ſufficient Seurte to " bee made unto the King, as well by his own " Obligation, as by the Obligation of other, " of his good Bearing for the Time of his Abode " within the ſaid Sanctuary, and for a Quarter of " a Yeere after his departing out of the ſame: " And that hee bee kept in Ward into the Time " he have found and made the ſaid Seurte. And " if it ſo be, that it be complained or ſhewed " unto the King's Highneſſe, that the ſaid Seurte " bee not ſufficient; that then, at the Command- " ment of the ſaid Councell, (if it bee thought " neceſſary) the ſaid Deane, Commiſſary, or " Depute, ſhall take other and better Securte, " or elſe commit them to Ward unto the Time " better Securte bee found. Foreſeene alway, " that if the ſaid Fugitive will depart out of the " ſaid Sanctuary, that hee may ſo do when " hee will.

" 4. *Item*, That all the Out-Gates, as well " Poſternes, Doores, as all other Iſſues outward, " whatſoever they be, of the ſaid Sanctuary, bee " ſurely cloſed and ſhut nightly at Nine of the " Clocke; and ſo remaine ſhut from the ſame " Houre unto Sixe of the Clocke in the Morning, " from the Feaſt of *Alballows* unto the Feaſt of " *Candlemaſſe*; and the Remanent of the Yeere, " nightly, from the ſaid Houre of Nine unto " Foure of the Clocke in the Morning, or unto " the Time the firſt Maſſe beginneth within the " ſaid Place: And that all thoſe that been fled " to the ſaid Sanctuary for Treaſon or Felony, " be within the Cloſure on Night's Time.

" 5. *Item*, If any ſuch Theefe, Murderer, or " Felon, reſort to the ſaid Sanctuary for Tuition " of the ſame, with any manner Robbery, or " ſtollen Goods, if the Party robbed make freſh " Sute therefore, and prove, by open Evidence, " that the ſame Felon hath brought into the ſaid " Sanctuary the ſaid Goods ſo ſtolen thence, the " ſaid Deane, Commiſſary, or Depute, ſhall put " in true Devoir, withouten any Diſſimulation, " Fraud, or Malengyne, to make full Reſtitu- " tion unto the Party ſo grieved of the ſaid ſtolen " Goods, if they can bee had. And ſemblably, " if any Fugitive come to the ſaid Sanctuary " with other Mens Goods, Merchandize, or " Things, intending there to live with the ſame, " and the Owner of the ſaid Goods, Merchandize, " or Things, make Proofe that they be his, and " verifie that they be brought into the ſaid Sanctu- " ary, the ſaid Deane, Commiſſarie, or Depute, " ſhall put him in full Devoire, to make Reſtitu- " tion to the Party ſo proving that the ſame " Goods, Merchandizes, or Things were his. " And no Fugitive, nor none dwelling within " the ſaid Sanctuary, ſhall receive, conceale, nor " buy any ſuch Goods; but that they bee brought " to the ſaid Deane, Commiſſary, or Depute, to " the Intent that the Owners may have the ſooner " Knowledge of them. And if the ſaid Goods ſo " ſtolen and brought to the ſaid Sanctuary be " concealed from the ſaid Deane, Commiſſary, " or Depute, and bought by any dwelling in " the ſaid Sanctuary, that then the Buyer (abide- " ing there) make Reſtitution or Satisfaction to " the Party grieved, proving the ſaid Goods ſo " ſtolen to bee his, and ſo ſold in the ſame " Sanctuary.

" 6. *Item*, If any Perſon, having Tuition of the " ſaid Sanctuary, from thence iſſue out by Day " or by Night, and commit or do any Robbery, " Murder, Treaſon, or Felony, or Battery ſo " done (withouten forth) commit the ſame Miſ- " doer to Ward, there to remaine as long as he " will abide in the Sanctuary. And if ſo bee hee " will depart from thence, he ſhall depart at an " Hour to be aſſigned unto him by Day, betwixt " Sunne and Sunne.

" 7. *Item*, That ſubtle Pickers of Locks, " Counterfeitours of Keys, Contrivers of Seals, " Forgers of falſe Evidences, Workers of coun- " terfeit Chaines, Beades, Brouches, Ouches, " Rings, Cups, Spoons ſilvered, and Plates " of Copper gilt, uttered for Gold, unto the " common Hurt of the People, be not ſuf- " fered in the ſaid Sanctuary. And if any, " being within the ſaid Sanctuary, be holden " ſuſpect of the Things aboveſaid, let him " be committed to Ward till he find ſuf- " ficient Surety, as in the third Article above- " ſaid.

" 8. *Item*,

" 8. *Item*, That common Putuers, Strum-
" pets, and Bawdes, be not ſuſpected in the
" Sanctuary: And if they claime the Tuition
" of the ſaid Sanctuary, that they be ſet in
" open Ward on Day-Times, till Shame
" cauſe them to depart, or to amend their vi-
" cious living.

" 9. *Item*, That deceitfull Games, as Playes
" at Hazzard, the Dice, the Guek, the Kay-
" elles, the Cloyſh, and other ſuch unleefull
" and reproveable Games, bee not uſed, ſup-
" ported, nor cheriſhed within the ſaid Sanctu-
" ary.

" 10. *Item*, That all Artificers dwelling within
" the ſaid Sanctuary (as well Barbours as other)
" keepe holy the *Sundayes*, and other great Feſti-
" val Dayes, without Breach, or exerciſing of
" their Craft, in ſuch wiſe as done the Inhabi-
" tants of the ſaid City of *London*. And if they
" doe the contrary, to bee committed to Ward
" till they finde ſufficient Surety, as in the third
" Article aboveſaid, to uſe their Crafts in Manner
" and Forme as doe the Inhabitants of the ſaid
" City, and according to the Ordinances of the
" ſame City.

11. *Item*, That every Perſon comming to the
" ſaid Sanctuary for Immunity and Tuition of the
" ſame, that hee, at his Admiſſion to the ſaid
" Sanctuary, be ſworne on a Booke to obey,
" keepe, and obſerve the Articles aboveſaid,
" and every each of them, with their Pains
" and Rules appertaining to the ſame. And
" the King, by the Advice aboveſaid, would,
" granted, and ordained, that this Act be
" exemplified under his Great Seale, and be
" enrolled in his Chancellary; to the Intent,
" that the Ordinance aboveſaid remaine of Re-
" cord, and that his Subjects may have Know-
" ledge thereof.

" Nos autem tenore præcedentium ad requiſi-
" tionem dilecti & fidelis noſtri, Galfridi Boleyne,
" Majoris Civitatis noſtræ *London*. & Alderman-
" norum ejuſdem Civitatis, duximus exempli-
" ficandum per præſentes: In cujus rei teſtimo-
" nium has Literas noſtras fieri fecimus Patentes,
" Teſte Meipſo apud Weſtmon. 24 die Novem-
" bris, Anno Regni noſtri 36."

Examinatur per Johannem Fanckes, & Thomam Ive. } *Clericos.*

From theſe Regulations and Articles aforementioned, this St. *Martin*'s appears to have been a Sanctuary for great Diſorders, and a Shelter for the looſeſt Sort of People, Rogues and Ruffians, Thieves, Felons, and Murderers. From hence uſed to ruſh violent Perſons, Committers of Riots, Robberies, and Manſlaughters: Hither they brought in their Preys and ſtolen Goods, and concealed them here, and ſhared or ſold them to thoſe that dwelt here. Here were alſo harboured Picklocks, Counterfeiters of Keys and Seals, Forgers of falſe Evidences, ſuch as made counterfeit Chains, Beads, Ouches, Plate, Copper gilt for Gold, nay, common Strumpets and Bawds, Gameſters, and Players at Hazard and Dice, and other unlawful Games; and, laſtly, Prophaners of *Sundays*, and other Feſtival Days, exerciſing their Crafts thereon.

And again, to this Licentiouſneſs was this Sanctuary grown in theſe Times, that in *Henry* VII's Reign, one coming hither for Sanctuary, the Sheriffs took him thence by Violence, and brought him away. But obſerve what followed: The Abbot of *Weſtminſter* (to whom this College now belonged) exhibited a Bill to the King againſt theſe Sheriffs, for arreſting and drawing with Force a privileged Perſon out of the Sanctuary of St. *Martin*'s, belonging to the ſaid Abbey. Which Matter was heard in the Court of Star-Chamber before the Lords, and others of the King's Council, and *Hody* and *Newton*, Chief Juſtices: Which Juſtices determined, that by Law the Party ought to enjoy the Privilege of Sanctuary; and the Sheriffs were grievouſly fined by particular Name: Which Sentence the Lord *Dyer* ſaw, as he reported under his own Hand. (And the Lord *Coke* ſaw in MS. not printed) upon a Reference to him and Juſtice *Southcote*, out of the Star-Chamber, *Trin.* 11 *Eliz*, concerning the Sanctuary of *Weſtminſter*, for *Hampton* and *Whiteakers* being in for Debt. But I cannot, in Juſtice to my Subject, and to Mr. *D. Capel*, who has been ſo kind to give his Sentiments thereon, omit his Reaſons, that this Liberty is properly ſubject to the Laws of the City. That Gentleman writes thus:

" I beg Leave to lay before you the Subſtance
" of what I offered in Bar of a Sentence of Tranſ-
" portation paſſed on one *William Hall*, and an-
" other Perſon, in the Mayoralty of Alderman
" *Winterbottom*, who was tried and convicted by
" a *Middleſex* Jury, after a *London* Jury had heard
" the Cauſe, and were ready to give their Ver-
" dict, but were ordered by the then Recorder
" to acquit him, becauſe ſome of the Council at
" the Bar perſuaded him St. *Martin's le Grand*
" was in *Middleſex*. This *Hall* was tried by the
" *Middleſex* Jury, and convicted of a Robbery
" committed in the ſaid Precinct.

Mr. Capel's *Reaſons.*

" The Reaſons offered in Bar of Sentence,
" were, 1. Becauſe the Privileged Places were
" granted to ſerve God in Acts of Devotion,
" and on a religious Account, *only*, and not for
" the following of Trades: And all their Privi-
" leges were taken away at the Reformation by
" Act of Parliament.

" 2. Becauſe ſo long ago as the Reign of
" *Henry* VI. the Common Serjeant of *London*
" offered before the King and Council to forfeit
" his Life, if he could not prove St. *Martin's le*
" *Grand* had no Right to be exempt from the
" City's Juriſdiction; and therefore, if theſe
" Privileges were ſo diſputable in thoſe Times,
" how much more muſt they now be ſince the
" Reformation?

" 3. Becauſe the Sheriffs Officers for *London*
" arreſt for Debt in this Liberty, which, if in
" *Middleſex*, they have no Right to do.

" 4. Becauſe, in all the Grants and Charters
" to this Place, on which they found their pre-
" tended Privileges, they conſtantly declare that
" it is within the City of *London*, therefore cannot
" be ſaid with any Propriety to be in *Middleſex*;
" conſequently no *Middleſex* Jury can have any
" Cognizance of any Cauſe ariſing therein; and
" therefore the Sentence muſt be illegal, the

" Cauſe

" Cauſe not having been tried by a Jury where " the Crime was committed."

Concerning the Patron, Privilege, and exempt Juriſdiction of this Church, we may underſtand by an Inquiſition of the King's Juſtices at the Tower, in the Reign of King *Edward* II. when the Jury made this Preſentment of it: That the Church of *Great St. Martin's*, *London*, was in the Donation of the King; and that *Richard de Elle-feld* then held it, and was Dean there; they knew not by what Warrant; therefore the Sheriff was commanded to cauſe him to appear; who came, and ſaid, That he held the foreſaid Church of St. *Martin's* as a free Chapel of the Lord the King, by the Donation and Conceſſion of him, the preſent King, exempted from all ordinary Juriſdiction, and free, by the Letters of the ſame King; which he produced in theſe Words, *Edvardus Dei Gratia*, &c. and by that Warrant he held that Church.

Before this Church there was a Solar, that is, a large, airy Room, or Chamber, ſomewhat like the Galleries in ſome great Houſes, being Places of Entertainment and Pleaſure. This Solar was towards the Street, and had a Jetty outwards, which was ſo low that it annoyed the People paſſing along. It was preſented at the aforeſaid Inquiſition in theſe Words: " That the Dean " and Canons of St. *Martin's the Great* held a " certain Solar againſt the ſaid Church, contain- " ing in Length twenty-nine Feet, and in Breadth " eleven Feet; *Cujus Gettificium eſt nimis baſſum de* " *tribus pedibus*, *i. e.* Whoſe Jetty was too low " by three Feet." The Sheriff was commanded to ſummon them. Afterwards the Dean and Canons appeared by their Attorney, and yielded to take away what was an Annoyance by the View of the Jury; and therefore it was commanded the Sheriff to throw down whatſoever was an Annoyance; but the Dean was not fined, becauſe it was not his proper Deed.

Antiently, when this College flouriſhed, a *Curfeu* Bell was rung here; as was at *Bow*, St. *Giles's*, *Cripplegate*, and *Barking*. It was a great Bell to be heard at a Diſtance, to give the Citizens Warning of the Time of Night, and to keep within Doors. King *Edward* I. in his Reign, in Orders ſent to the City for keeping the Peace, againſt many Miſchiefs and Murders, Robberies, and beating down of People by certain Hectors, walking armed in the Streets at Nights, commanded, that henceforth none ſhould be ſo hardy to be found wandering in the Streets after *Curfeu* Bell ſounded at St. *Martin's le Grand*.

This College was ſurrendered to King *Edward* VI. the ſecond of his Reign, in the Year of *Chriſt* 1548; and the ſame Year the College Church was pulled down, many Houſes built, highly prized, and lett to Strangers born, and ſuch others as claimed Benefit of the Privileges granted to the Canons, ſerving God Day and Night (for ſo are the Words in the Charter of *William the Conqueror*;) which may hardly be wreſted to Artificers, Buyers, and Sellers, otherwiſe than is mentioned in the 21ſt of St. *Matthew*'s Goſpel.

In the Eaſt Part, where the College Church ſtood, was afterwards a large Tavern built; and down to the Weſt, and ſo throughout the whole Precinct of that College, it was new built upon.

After this Deanery, with the Sanctuary and Privileges, was granted to the Abbey of St. *Peter's* in *Weſtminſter*, *William*, Abbot of the ſaid Monaſtery of St. *Peter* of *Weſtminſter*, aſſerted his Title to the Privilege and Sanctuary of St. *Martin's le Grand* in *London*, with the Precincts, Circuit, and Bounds of the ſame, in this Form:

" Firſt, the ſaid Abbot ſaith, That the free " Chapel of St. *Martin's le Grand* in *London*, " and the Precincts of St. *Martin's* aforeſaid, is " a Place privileged, and was founded and en- " dowed long Time before the Conqueſt, as well " of Poſſeſſions as of Immunities, Franchiſes, " and Liberties; and corroborated and inlarged " by King *William the Conqueror*, like as it ap- " peareth, as well by the Charter of the ſaid King " *William the Conqueror*, as by divers other Char- " ters, Writings, and Records.

" *Item*, The ſaid King *William the Conqueror* " granted by his Charter to the ſame Place of St. " *Martin's* divers Liberties and Franchiſes, by " ſpecial and general Words, as well in the *Latin* " Tongue as *Saxon*; and, over that, granted to " the ſaid Place of St. *Martin's* all other Liberties, " Immunities, and Cuſtoms, which any Church " of this Realm beſt had: Which Grant import- " eth and includeth in itſelf as great Privileges, " Franchiſes, and Immunities, as *Weſtminſter*, *Be-* " *verlay*, or any other Place privileged, hath " within this Realm. And alſo the ſaid Words " in *Saxon* importeth ſuch Sentence; that the " ſaid Place ſhould be franchiſed, privileged, and " have Tuition and Immunities of all thoſe Per- " ſons, which for Treaſon, Felonies, Treſpaſſes, " or any other Cauſe, ſhould flee to the ſame, or " abide therein: Which Franchiſes, Privi- " lege, Tuition, and Immunities, the ſaid " Place hath always peaceably had and enjoyed, " from the ſaid Conqueror's Days unto this pre- " ſent Time.

" *Item*, The ſaid Franchiſes, Immunities, and " Privileges of St. *Martin's* have been corrobo- " rated, confirmed, allowed, and inlarged, by " King *Henry* I. King *Stephen*, *Henry* II. King " *John*, King *Henry* III. King *Edward* II. King " *Edward* III. *Richard* II. *Henry* V. *Henry* VI. " and in all other Kings Times ſince the Con- " queſt; as by divers Charters and Allowances " before Juſtices of Oyer and Determiner, Write- " ings and Records, more plainly at large is " ſhewed, and may appear.

" *Item*, It appeareth by divers Returns made " by the Sheriffs of *London*, as well in the *King's-* " *Bench*, *Common-Pleas*, and all other the King's " Courts, that the ſaid Place of St. *Martin's* is " a Place privileged and Sanctuary; as by the " ſame Returns, remaining of Record, more " plainly appear.

" *Item*, The ſaid Abbot ſaith, That the Pre- " cinct, Circuit, and Bounds of the Privilege " and Sanctuary aforeſaid be and extend as here- " after followeth.

" *Imprimis*, Beginning at a Wall lying directly " againſt a Poſt that ſtandeth in the Middle of " one *Roger Wright's*, a Grocer's Houſe, which " ſtandeth on the Eaſt Side of the South Gate of " St.

" St. *Martin's*; and from the Wall in the ſaid " Grocer's Houſe, with the Half Deal of the " Street, unto the Channel of the ſame Side " that Houſe ſtandeth upon, Sanctuary: And " ſo forth from the Eaſt Weſtward, unto the " Midſt of St. *Martin's Lane*, next to the Cha- " pel of St. *Martin's*, againſt the Tenement of " the *Bull's-Head*, which Tenement lieth at " the South End of the ſaid Lane, on the Weſt " Part.

" *Item*, Half Part of the Street of St. " *Martin's-Lane*, Sanctuary, from the South " unto the North, as far forth as the Houſes " appertaining to the *Bull's-Head* do extend " Northwards.

" *Item*, From the ſaid Place of the *Bull's-Head*, " then the whole Lane of St. *Martin's*, Sanctuary " on both Sides, unto a Poſt or Stoop that ſtand- " eth on the North Side or End of the two Tene- " ments ſtanding by the great Gate next going " into the Dean's Court.

" *Item*, From the ſaid St. *Martin's-Lane*, at the " aforeſaid *Bull's-Head*, turning by a Wall that " divideth the ſaid Tenement of the *Bull's-Head* " and St. *Martin's* Ground; which Wall turneth " and extendeth from the Eaſt Weſtwards, unto a " back Wall that cloſeth in St. *Martin's* Ground " of the Weſt Side; all within the ſaid Wall, " Sanctuary.

" *Item*, Along by the ſame back Wall that " cloſeth in the Weſt Part of St. *Martin's* Ground, " from the South End of the ſaid Wall into the " North, unto a Wall that divideth my Lord " of *Northumberland*'s Ground and St. *Martin*'s " Ground from the South End; all within the " aforeſaid Walls, Sanctuary: And ſo forth, " from the South Side into the North of my " Lord of *Northumberland*'s Ground, Sanctuary. " Along by a back Wall of the *Grey Friars*, " which back Wall cloſeth in my Lord of *Nor-* " *thumberland*'s Ground of the Weſt Part, unto " the North Part of *Angel-Alley*, abutting North- " wards, upon the South Side of *Robert Bowman*'s " Houſe, into the Street-wards. And ſo Sanctu- " ary ſtill, from the ſaid back Wall of *Grey* " *Friars*, along by the *Angel-Alley*, and by the " South Part of the ſaid *Robert Bowman*'s Houſe, " from the Weſt unto the Eaſt, until you come " to a Poſt or Stoop ſtanding on the North " Part of the two Tenements next lying on the " North Side of a great Gate entering into the " Dean's Court.

" *Item*, From the aforeſaid Wall, along from " the North, Southward, unto *Hugh Payne*'s " Dwelling-Houſe; and from thence, by the " North Side of the ſaid *Hugh Payne*'s Garden, " Sanctuary ſtill, from the Weſt unto the Eaſt " Part thereof.

" *Item*, Again from the North Side of the " above-rehearſed *Hugh Payne*'s Garden, South- " ward, unto the Dean's Garden, Sanctuary.

" *Item*, Along by the Wall on the North " Side of the Dean's Garden, from the Weſt " into the Eaſt thereof, Sanctuary.

" *Item*, From the North unto the South of the " aforeſaid Dean's Garden, with St. *Leonard*'s " Church, Sanctuary, as by a Wall it there " ſheweth.

" *Item*, From the Eaſt End of St. *Leonard*'s " Church, Weſtward of the South of St. *Martin*'s, " unto the *Bell-Alley*, Sanctuary; as appeareth " alſo by another Wall there.

" *Item*, From the *Bell-Alley*, Southward, unto " the Wall ſpoken of at the Beginning, which is " within the Grocer's Houſe, againſt the Poſt " that ſtandeth within the Midſt of the ſame " Houſe: And ſo forth directly again unto the " Channel of the high Street, that lieth before " the South Gate of St. *Martin's*; all within the " Bounds rehearſed, Sanctuary.

St. Martin's a privileged Place for Debt, Treaſon, or Felony.

" *Item*, By a Statute made in the — Year of " King *Edward* III. it is affirmed, The ſaid Place " of St. *Martin's* to be a Place franchiſed and pri- " vileged, having Tuition and Immunity, in " Manner and Form as is above rehearſed; and " in ſpecial, and for them that come in thither " for Debt, Treaſon, and Felony. In Proof " whereof, the Judge that ſitteth there for the " King, as in a Place, not of the City, but by " Privilege ſeparate, (the Mayor not called there- " to, as he is to the Deliverance of *Newgate*, and " other ſuch Acts in the City) to have Knowledge " there in a Caſe of Treaſon or Felony, hath " ever, from Time that no Mind is, ſitten in " the Gate of the ſaid Sanctuary; and the Per- " ſon appeached or indicted of Treaſon and " Felony hath been kept by the Officers on " the further Side of the Street afore him; " to the Intent that he come not of the other " Side of the Channel, towards the Sanctuary " there, to claim the Liberty and Franchiſes of " the ſame.

" *Item*, Whereas divers Kings of this Land, " for Cauſes ſuch as moved them, have ſeized " into their Hands the Franchiſes and Liberties " that the City of *London* had, by Reaſon where- " of they were not ſuffered to uſe or enjoy the " ſaid Franchiſes, for as long as it hath liked " unto the ſaid Kings; yet the ſaid Chapel of St. " *Martin's le Grand*, in the ſaid City of *London*, " with the Precinct of the ſame, at the ſaid " Times of ſuch ſeizing of the aforeſaid Fran- " chiſes, was afore and ſince always a Place pri- " vileged, without any Diſturbance, Diminiſhing, " or Taking away by the ſaid Kings, or by their " Miniſters; and peaceably uſed and enjoyed " their Franchiſes, Liberties, and Immunities, " within the Sanctuary and Precinct of St. " *Martin's*, as in a Place exempted and privi- " leged, and no Ways pertaining unto the ſaid " City; no Parcel thereof, though it be within " the ſaid City.

No ways pertaining to the City,

" And moreover, the ſaid Abbot ſaith, That " the ſaid Church or Chapel of St. *Martin's*, " within the ſaid Sanctuary and Precinct of the " ſame, were of late, by the late King of fa- " mous Memory, King *Henry* VII. lawfully an- " nexed and given to the ſaid Monaſtery of St. " *Peter* of *Weſtminſter*; at which Time and " Times, without Mind of Man before that, " the ſaid Chapel and Precinct, Circuit and " Bounds of the ſaid Sanctuary, comprized " within the Limits above rehearſed, were " uſed, allowed, and taken, and yet be, as " Sanctuary."

Given to the Abbey of Weſtminſter *by King* Hen. VII.

Thus far the Abbot of *Weſtminſter*'s Declaration, at which Time (as it appears) there fell out ſo much

much Conteſtation concerning the Precincts of this Sanctuary, that the Matter was fain to be tried by antient ſworn Men depoſed in Court, as Witneſſes. What follows of their Depoſitions came to Hand; the reſt (and the Beginning) were loſt:

Depoſitions concerning St. Martin's.

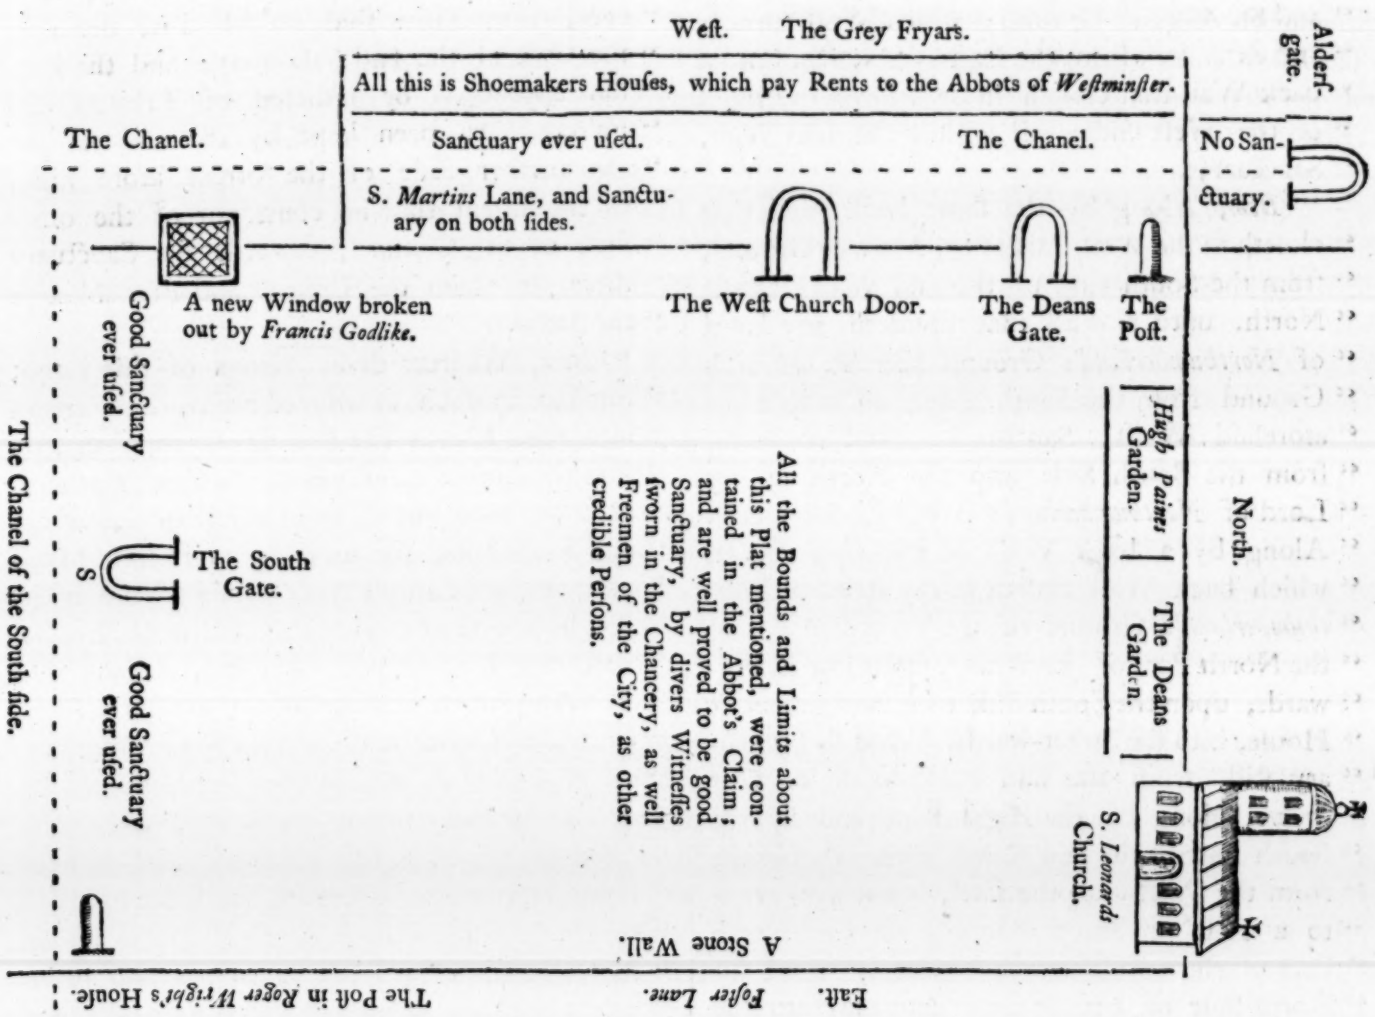
" *Item*, The ſaid *Henry Williamſon* depoſeth " for the claimed Bounds, and alſo for the Pri- " vilege of Sanctuary-Men, in the half Street and " Lane next to St. *Martin's*; and for the ſetting " up of the Gallows on *Evil-May-Day*; and for " the removing thereof, as others therein before " have depoſed.

" *Item*, *Ralph Twyn* depoſeth all wholly the " claimed Bounds to be Sanctuary; and alſo the " ſetting up of the Gallows, and removing of the " ſame; and the Pavement to be done by the " Abbot; and that he knew one *Bland*, privileged " both for Treaſon and Murder, ever uſed to " walk in the Street claimed as Sanctuary, without " any Diſturbance.

" *Item*, *William Bayley* depoſeth all the claimed " Bounds, and alſo the ſitting of the Juſtices in " the South Gate; and that he heard the Juſtices " ſay, that half the Street againſt the ſaid Gate " was Sanctuary; and that there were Perſons " therein arraigned, and others therein depoſed; " and that he knew the ſaid *Bland*, privileged for " Treaſon and Felony, to dwell in *Angel-Alley*; " and that the Abbot ought to make the Pave- " ment, as others have depoſed there.

" *Item*, *John Smith*, Clerk, depoſeth for all the " claimed Bounds; and further ſaith, that he " knew Dr. *Morton*, and alſo the Cardinal *Mor-* " *ton*, to lie there, one in *Roger Wright*'s Houſe, " and the other in *Angel-Alley*, they both being " privileged for Treaſon: And alſo he ſuppoſeth " both *Angel-Alley* and *Bland-Alley* to be holden of " St. *Martin's* by certain Rents, as Parcel of the " Earl of *Northumberland*'s Tenements: And " alſo for the Pavement, as others before have " depoſed."

At this Time there was the following Survey or Plan of the Precinct exhibited into the Court of Chancery, where it appeareth theſe Witneſſes to have depoſed:



There was a memorable Cauſe tried about the Liberties, between this Collegiate Church of St. *Martin's* and the City of *London*, in the twenty-ſeventh of *Henry* VIII. which probably the former Declaration of the Abbot of *Weſtminſter* refers to. The City then, by her Recorder and Council, penned and exhibited theſe enſuing Articles againſt the Sanctuary of St. *Martin's*:

" Articles declaring for the Mayor and Com- " monalty of *London*: That the Incloſure and " Chyrch of Seynt *Martine's le Grande*, the Meſ- " ſuages, Houſes, and Lane of Seint *Martine's* " aforeſayd, be of and in the Liberty and Juriſ- " diction of the ſaid City; and that there be, " nor by any lawful Meane have been, any ſuch " Privileges and Immunity, the which may, or " ought to defend al Manner of enorm Enemies " of God, the Chyrch, the King, and the Realm, " unpuniſhed, as it hath been of long wrongfully " accuſtomed. And eſpecially to diſherit our " moſt dread Sovereign Lord, and his ſaid City " and Chamber of *London*, of ſuch Rights, " Juriſdictions, Liberties, and free Cuſtoms, as " of long Time before the Foundation, and at " the Foundation of the ſaid Chyrch, and ever " after, peaceably and quietly had uſed; and " approved by divers Records, by Authority of " Parliament, Letters Patents, and otherwiſe, as " followeth:

" 1. They ſeyen, that the City of *London* is, " and, ſince the Tyme of Remembrance of Man, " hath been the chief City of this Realm, and " above al other Cities and Towns of the ſame, " as wel in Honours, Liberties, and free Cuſ-

" toms

" toms highly endowed; and the which famous " City, in the Time of Seint *Edward*, King and " Confeſſor, and long Time before, always hath " been of itſelf one hoole County, and one hoole " Juriſdiction and Liberty, by the ſaid Citizens, " and their Predeceſſors, of the King and his " Progenitors holden at Farm.

" And the ſaid Citizens then, and by al the " Time aforeſaid, by Reaſon of their ſeid Juriſ- " diction and Liberties, among others, have had " Liberties and free Cuſtoms, to elect and make " of themſelves, yeerely, certain principal Officers " in the ſaid City, which faithfully ſhudde anſwer " the King's Terme: And immediately under " him, the People of the ſaid City, and others " repairing to the ſame in Peace, Unity, and " Juſtice, ſhudde govern after their old Laws and " Cuſtoms: And alſo, to ſubſtitute under them " other Under-Officers and Miniſters, to help " for the Suſtentation and Execution of the Pre- " miſſes, *&c.*"

And before this, in the Reign of *Henry* VI. was this great Cauſe in Diſpute, between the City and St. *Martin's*, before ſeveral Commiſſioners appointed to hear it. Then the Citizens pleaded, That *William the Conqueror*, before the Foundation of the aforeſaid Church, by Authority of his Parliament, and by two Charters, which the Mayor and Citizens then produced, demiſed to the Citizens of *London* all the ſaid City and Sheriffwick of *London*, with all Appendages, *&c.* And ſo pleading, *inter alia*, concluded thus: " All and ſingular which the ſame Mayor " and Citizens are ready to make good, as " well for the ſaid Lord the King, as for them- " ſelves."

It ſeems that there have been ſome later Differences about a new Door into the Liberties of the Freedom: Whereupon a Court being called, *December* 20, 1625, this Order was given out, to be enquired upon and certified:

" It is ordered by the Court, that the Foreman " of the Inqueſt, with others of the ſame Inqueſt, " ſhall view the South Gate and Entry leading " from *Bladder-Street* into this Liberty; and alſo " a Door made by *Thomas Rodes* in the Eaſt Side " of the ſame Entry; and make their Reports " under their Hands in Writing, on *Monday* next " after *Epiphany*.

" According to the Direction of the Order " aboveſaid, we whoſe Names are underwritten, " being all of the Enqueſt ſworne for this Yeere, " having viewed the Gate and Entry, doe find, " and accordingly certifie, that *Thomas Rodes*, a " Linnen-Draper, dwelling in a Houſe next ad- " joining to the ſaid Entry, on the Eaſt Side " thereof, (in Part of which Houſe *Roger Wright* " did dwell) hath of late, without the Privity or " Knowledge of the Inhabitants of this Liberty, " taken downe, or cauſed to be taken downe and " carried away, a Pair of ſtrong, ſufficient, and " ſerviceable Gates, in the Night Time, which " were, and Time out of Mind have bin, the " common South Gate of this Liberty; and, in- " ſtead thereof, hath ſet up a new Gate of Deale, " opening all one Way, *viz.* towards the Weſt " Side; whereas the former Paire of Gates or " Leaves did fall open, the one towards the Eaſt " Side, and the other towards the Weſt Side of " the ſaid Entry. Alſo the ſaid *Thomas Rodes* " hath broken down the Partition Wall on the " Eaſt Side of the ſaid Entry, againſt which one " Leafe of the ſaid old Gate did fall open, as " aforeſaid, and hath there made a new Doore, " (where never any was before in the Memory of " Man) of almoſt an Ell in Breadth, out of the " Shop into the ſaid Entry or common Paſſage " into this Liberty; whereby a free and open " Paſſage is made out of the City of *London*, the " Shop of the ſaid *Rodes*, into this Liberty; to " the great Prejudice of the Lords of the ſame " Liberty, and to the great Hindrance and Da- " mage of the Tenants and Inhabitants within the " ſame. In Witneſs whereof we have hereunto " ſubſcribed our Names. Dated the ninth of *Jan.* " *Anno Dom.* 1925.

Matthew Jumpar, *Edward Napper*,
Williom Hewes, *Thomas Speare*,
William Hewes, *Henry Knevet*,
Richard Mattock, *William Hunt*,
Anthony Johnſon, *Philip Richard*,
Timothy Smart, *William Purſe*."

The Liberties of this Place, after the Diſſolution of the College, remained and were preſerved very cautiouſly from Time to Time. And to know how the Government, Privileges, and State of it ſtood in the Reign of Queen *Elizabeth*, theſe Matters following may explain in ſome Meaſure:

Becauſe of the Liberty enjoyed by ſuch as lived within theſe Bounds, many Foreigners, *Engliſh* and others, Tradeſmen and Artificers, planted themſelves here. *Anno* 1585, a Survey was taken of all the Strangers, being *French*, *Germans*, *Dutch*, and *Scots*, inhabiting here, and their Occupations. Many of them were Cordwainers, that is, Shoemakers, (which Trade ſtill continues there) Taylors, (hence the Tally-men who ſold Shreds of Cloth, and Button-makers, and Button-mould-makers, that remained there even until the great Fire.) Here inhabited alſo Strangers, Goldſmiths, Purſemakers, Linen-Drapers, ſome Stationers, ſome Merchants, and Silk-Weavers. Here lived alſo two Silk-Twiſters, who Mr. *Strype* ſuppoſes were the firſt Silk-Throwſters in *London*, and to have brought that Trade into *England*; wherefore he ſets down their Names: One was *John James*, born under the Dominion of King *Philip*, and made Denizen the nineteenth of *December*, in the tenth Year of Queen *Elizabeth*; the other was *Anthony Emerick*, born alſo under the Obedience of King *Philip*, and made Denizen the firſt of *January*, *Anno* 17 *Reginæ Elizabethæ*.

There were, upon that Survey aboveſaid, found to be of Houſholders, (Denizens as well as others) their Wives, Children, and Servants, one hundred and ſixty-one in Number; which nevertheleſs was leſs by half than was ſome Years before; for in 1569 their Number was two hundred and ſixty-nine.

There was a Conſtable and a Headborough for this Liberty: But divers Things here wanted providing for; in Reſpect whereof, they that lived out of the Liberty were in better Condition. Sundry of the Inhabitants refuſed to watch and ward,

ward, when upon Occaſion they were required, as good Subjects and honeſt Neighbours, ſo to do; they refuſed to contribute to ſuch Taxes and Payments as were ſet upon them for her Majeſty's Service, with the reſt of their Neighbours; ſeveral viſited with the Sickneſs, would not obey the Orders appointed in that Behalf; that is, they would not keep their Doors and Windows ſhut, nor keep themſelves within their Houſes, but walked forth, and ſtruck out the *Red Croſs* ſet upon their Doors, and threatened to do miſchief to ſuch as ſhould come to ſet any ſuch Croſſes there; and ſome repaired to the Court with their Wares, a Thing dangerous to the Queen and Nobility. There was no Priſon in the ſaid Liberty to commit ſuch as ſhould be troubleſome and offenſive, but the *Gatehouſe* in *Weſtminſter*, which was in another Shire, and out of the Liberty; and ſo they that were thus committed, commonly brought their Actions againſt thoſe that committed them, and put them to great Trouble.

Hence, in the Year 1593, the Officers and Inhabitants petitioned the Lord-Treaſurer to grant them ſuch good Ordinances for the Redreſs of the ſaid Diſorders, and ſufficient Authority for Execution of the ſame, for the good Government of the ſaid Liberty, and Conſervation of the People in Peace, as to his Lordſhip's diſcreet Wiſdom ſhould be thought meet; and that they might have a Priſon and Execution of Juſtice within the Precinct of the Liberty; and that he would ſend his Letters to the Conſtable and Headborough, to find out a convenient Place for ſuch Purpoſe; and to aſſeſs all the Inhabitants of the Liberty to the Charge thereof. The Lord-Treaſurer recommended this Matter to Serjeant *Owen* and Mr. *Lewis*, two Lawyers, who gave their Judgments, That, for all Matters for the Service of the Queen, the Inhabitants were compelled to perform the ſame; but, for other Matters, they muſt make ſome By-Laws and Orders among themſelves, to bind themſelves to Performance. And that ſuch diſorderly Perſons, whoſe Houſes were limited within the College, might be puniſhed by Impriſonment; and, in that contagious Time, very convenient to be executed.

The Inhabitants alſo complained at this Time, that the Mayor's Officers entered into their Liberty at their Pleaſure, and ſearched and viewed all the Wares of the Shoemakers, according to a Statute lately made, not calling the Officer of the Liberty, or making him privy thereto. To this the Judgment of the aforeſaid Lawyers was, That the Searcher might enter into the Liberty, and ſearch alone: But, for that the Benefit of the Forfeitures were given to the Liberty, they thought it convenient that the Lord-Mayor's Officer ſhould be with them: Which they thought might be obtained, if it pleaſed the Treaſurer to write to the Lord-Mayor in that Behalf.

See P. 771. This Place, though in the Heart of the City of *London*, is ſtill in the Liberty of *Weſtminſter*, and is governed, and votes for Parliament-Men accordingly; and Perſons unfree may here follow their Profeſſions and Trades.

Lower down, on the Weſt Side of St. *Martin's-Lane*, in the Pariſh of St. *Anne*, almoſt by *Alderſgate*, was one great Houſe, commonly called *Northumberland-Houſe*; it belonged to *Henry Percy*. King *Henry* IV. in the ſeventh of his Reign, gave this Houſe, with the Tenements thereunto appertaining, to Queen *Jane*, his Wife, and then it was called her Wardrobe.

Antiently the Kings of *England* have ſometimes lodged here. A Writ of King *Edward* I. was dated hence: *Thomas de Clirowe de Blechweth captus & detent. in Priſona North. pro Tranſgr. Forreſt. habet Literas Rogero de Cliford Juſtic. Forreſt. citra Trentam, quod ponatur per Ballium, Dat. apud S.* Martinum Magnum, London, 20 *Die Octobris.*

CHAP. VII.

ALDGATE WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

The Etymology and Bounds of Aldgate *Ward. The antient and preſent State. Priory of the* Holy Trinity. *The* Papey. *The* Portugueze Jews *Synagogue.* Crutched-Friers. *Sir* John Milburn's *Charity. Pariſhes and Churches. Navy-Office, Halls, and other publick Buildings, and antient Monuments. Aldermen and Common Council.*

ALDGATE Ward takes its Name from the Eaſt Gate of the City, called *Aldgate*, or antiently *Ealdgate*. The principal Street of this Ward, called *Aldgate High-ſtreet*, beginneth at *Aldgate*, ſtretcheth Weſt, where was once a handſome Well, but now a Stone Pump, adorned with four Lamps, is placed. From thence, the Way being divided in two, it runneth on the South Side of *Leadenhall-ſtreet* to *Lime-ſtreet* Corner, and half down that Street on the Left Hand.

In the Midway, on that South Side, betwixt *Aldgate* and *Lime-ſtreet*, is *Angel-alley*, a Thoroughfare into *Fenchurch-ſtreet*; and another Alley, once called *Sprinkle-alley*, from an holy Water-pot, which uſed to hang there, but now *Sugar-loaf-alley*.

Near this was a large Houſe, and divers Tenements near adjoining, which ſome Time belonged to a diſſolved Priory, but afterwards given by King *Henry* VIII. to one Mrs. *Cornwallis*, Widow, and her Heirs, in Reward for ſome fine Puddings which ſhe made and preſented to him: Such was the Princely Liberality of thoſe Times. A little farther was the Houſe of Sir *Nicholas Throgmorton*, and of late the *African-Houſe*, now pulled down to enlarge the *Eaſt-India* Warehouſe in *Billiter-lane*.

Then, ſomewhat more Weſt, is *Belzeter's-lane*, ſo called from the firſt Builder and Owner thereof, now corruptly called *Billiter-lane*; a Place conſiſting formerly of poor and ordinary Houſes, where it ſeems needy and beggarly People uſed to inhabit; whence the Proverb, *A Bawdy Beggar of* Billiter-lane; which is ſomewhere uſed by Sir *Thomas More*, in the Book he wrote againſt *Tyndal*.

This Plan *is most humbly inscribed to* ROBERT SCOTT Esq. *Alderman of* ALDGATE WARD.

R. Cole Sculp.

Betwixt this *Belzeter's-lane* and *Lime-ſtreet*, three new Houſes being to be built, in the Year 1590, in a Place where before was a large Garden Plat, incloſed from the Street by a high Brick Wall, upon taking down the ſaid Wall, and digging for Cellarage, another Wall of Stone was found directly under the Brick Wall, with an arched Gate-way of Stone, and Gates of Timber to be cloſed in the Midſt towards the Street; the Timber of the Gates was conſumed, but the Hinges of Iron were then remaining on their Staples on both Sides. Moreover, in that Wall were ſquare Windows, with Bars of Iron on each Side this Gate; the Wall was above two Fathoms deep under Ground, ſuppoſed to be the Remains of thoſe great Fires, mentioned on p. 32. or to be the Ruins of ſome Houſe burnt in the Reign of King *Stephen*, when the Fire began in the Houſe of one *Aelward*, near *London-ſtone*, and conſumed Eaſt to *Aldgate*, See p. 41. Whereby it appeareth, how greatly the Ground of the City hath been raiſed in that Place.

On the North Side, this Ward ſtretcheth to the Weſt Corner of St. *Andrew's* Church, and then turneth towards the North, by St. *Mary-ax-ſtreet*, on the Eaſt Side of St. *Auguſtine*'s Church, which ſtood in the Wall, and by *Bury's* (corruptly now called *Bevis) Marks* again, or about by the Wall thro' *Shoemaker's-row* to *Aldgate*.

The Way towards the South, from the Pump aforeſaid, is called *Fenchurch-ſtreet*, down which *Aldgate* Ward reaches to *Culver* or *Fiſhmongers-alley*, which is on the Weſt Side of *Ironmongers-Hall*.

Again, from *Aldgate*, out of the principal Street, cloſe by the Gate and Wall of the City, runneth *Poor-jury-lane*, South to *Crouched-friers*, thence to *Woodroſe-lane*, and ſo to *Tower-hill*: And out of this Lane, Weſt, is a Street called *Hart-ſtreet*, which in that Ward ſtretcheth to *Sydon*, or *Seething-lane*, by St. *Olave's* Church: One other Lane, more Weſt from *Aldgate*, goeth by *Northumberland-houſe* toward *Croſſed*, or *Crouched-friers*: Then on the ſame Side is the North End of *Mark-lane*, and *Blanch-appleton*, where the Ward endeth.

The antient Bounds of this Ward may be taken from the Extent of the Soke of the Priory of *Chriſt-church*; and what that is, may be known from what is wrote by one of that Convent, and preſerved in an old Book, called *Dunthorne*; where we read, *Sciendum igitur quanta ſit Soka, cujus fines tales ſunt. A Porta de Aldgate*, &c. *i. e.* "We muſt know therefore, how "great the Soke is, which hath ſuch Bounds: "From the Gate of *Aldgate*, as far as the Gate "of the Bailey of the *Tower*, called *Cungate*, and "all *Cheken-lane*, towards *Barking* Church, as "far as the Church-yard, except one Houſe "nearer than the Church-yard; and the Jour-"ney is returned the ſame Way, as far as the "Church of St. *Olave*'s; and then we come "back by the Street which goes by *Coleman-"church*; then it goes forth towards *Fen-"church*, and ſo there on this Side our Houſes is "a Lane, through which we went unto the "Houſe of *Theobald Fitz-Ivo*, Alderman; "which Lane now is ſtopped, becauſe it had "been ſuſpected for Thieves in the Night: "Therefore, becauſe a Way was not open there, "we come back again by a Lane towards the "Church of St. *Michael*, and as far as *Lime-"ſtreet*, to the Houſe of *Richard Cavel*. This "therefore is our Inward Soke, and theſe are "the Bounds of it. This the Queen-Mother "gave to us, with the Gate of *Aldgate*. From "*Lime-ſtreet* we go through the Street by the "Church of St. *Andrew*'s, as far as the Chapel "of St. *Auguſtine upon the Wall*; then as far "as the Gate of the Church-yard. This is the "Circuit of our Inner Soke."

As to the preſent State of the whole Ward, it ſtands thus:

It firſt begins with *Aldgate-ſtreet*, which is broad, but ſhort, and very well inhabited by Tradeſmen, and, by giving Paſſage through the Gate, to and from the adjacent Parts, is a very great Thorough-fare. This Street begins at the Gate, and runs Weſtward to the Pump, where it divides itſelf into two Streets; one falling into *Leadenhall-ſtreet*, and the other into *Fenchurch-ſtreet*. About 100 Feet N. W. of the Gate is the chief, but narrow Entrance into *Duke's-place*, which is large, and for the moſt Part inhabited by *Jews*.

In this Place are ſeveral Courts, ſome of which are very large; as *Broad-court*, where the Church of St. *James Duke's-place* ſtands. Out of this Court, where the Church ſtands, is a Paſſage under an Arch into another large one, called *Duke's-place-court*, or *Broad-place*; at the South Eaſt Corner of which is the *Dutch Jews Synagogue*: And to theſe two Courts there are two Outlets into that Part of *Duke's-place* which fronteth *London-wall*: Along which is a narrow Lane, called commonly *Shoemaker's-row*, which turning South, leads to *Aldgate*, and North-Weſt to *Bevis-marks*, and was formerly full of Shoemakers Shops. Here is a ſmall Place, called *Vine-court*, which is but ordinary. Likewiſe out of *Duke's-place-court* is a Street which leadeth to another, and both formerly called *Duke's-place*, now *King's-ſtreet*. In this Place, in a large upper Room, was the old *Jews Synagogue*. From this Part is *Henage-lane*, which falls into *Bevis-marks*, cloſe by the *Portugueze Jews Synagogue*, and then into *Camomile-ſtreet*, which runs along by the Wall, as far as St. *Mary-axe*: But neither this nor *Bevis-marks* are Places of great Account. On the South Side here is *Plough-yard*, which is pretty large, but chiefly taken up for Stabling and Coach-houſes, but towards the upper End hath one handſome Houſe, with a Garden before it; and near this Yard is *Berry-ſtreet*, which is very handſome and cleanly kept, with good uniform Buildings on both Sides, well inhabited, moſtly by *Jews*, who dwell privately, without Shops: This Street falls into one Part of *Duke's-place*, where to the Eaſt is a Diſſenting Meeting, and to the Weſt a Paſſage into St. *Mary-axe*, called *Greyhound-alley*, which was formerly very ordinary, but now well built, and inhabited by Merchants and other Perſons of Repute.

St. *Mary-axe*, a Street that comes out of *Bevis-marks* by *London-wall*, and runneth up South to *Leadenhall-ſtreet* againſt *Lime-ſtreet*. And this Street, eſpecially the Eaſt Side, (which is only in this Ward) is generally taken up by Merchants,

there being divers large and handſome Buildings ſeated backwards, with good Entrances to them ſhut up by Gates; and many of them have Gardens behind them.

At the North End of St. *Mary-axe* is *Fletcher's-hall*, and at the South Corner the Pariſh-Church of St. *Andrew Underſhaft*.

Leadenhall-ſtreet, a Place of great Trade, well inhabited, and a great Thorough-fare. In this Street are theſe Places; *Pewter-pot-Inn*. *Allen's-court* is the Scite on which formerly ſtood the Seat of Sir *Thomas Allen*. *Axe-alley*, or *Booker's* Gardens, hath ſeveral Turnings, and leads into *Duke's-place*. The *Crown Tavern*, a large and convenient Houſe. The Scite of the *Royal African-houſe*, being the Place for the Management of the Affairs of that Company, before it was diſſolved by Parliament, and ſince purchaſed by the *India* Company for Ware-houſes now building. *Sugar-loaf-court*, a pretty handſome Place, with a Free-ſtone Pavement, well built and inhabited at the End towards *Fenchurch-ſtreet*. *Creed-lane*, at the Weſt Corner of St. *Catherine Cree-church*, which runs North into *Duke's-place*, and chiefly inhabited by *Jews*.

Lime-ſtreet, on the South Side of *Leadenhall-ſtreet*, leads into *Fenchurch-ſtreet*, and is for the generality taken up by Merchants and Perſons of Repute. The Weſt Side of this Street lieth in *Lime-ſtreet* Ward; ſome Part in *Langborn* Ward; there being in this Ward but the Eaſt Side, from *Leadenhall-ſtreet* Corner unto *Cullum-ſtreet*, ſo called from the Builder: And in this Part is *Axe-yard*, which is but indifferent; *Lime-ſtreet-alley*, by ſome called *Billiter-alley*, as leading into *Billiter-ſquare*, and through that Square Eaſt into *Billiter-lane*; betwixt this Alley and *Axe-yard* is a new Court, built out of ſome Houſes pulled down.

Ebenezer Muſſell, Eſq; informs us, that before the Fire of *London*, on the Eaſt Side of *Lime-ſtreet*, there was a large Houſe and Garden, extending further Eaſt, and opening into *Fenchurch-ſtreet*, on whoſe Scite, after the Fire, were built thirty Houſes by Sir *Thomas Cullum*, which deſcended by Sale from Sir *Jaſper Cullum* to the Father of Mr. *Muſſell* aforeſaid, who now enjoys that Eſtate. And that lately, the Cellar of one of the Houſes giving way, there was diſcovered an arched Room, ten Feet ſquare, and eight Feet deep, with ſeveral arched Doors round it, ſtopped up with Earth. This happened on the Scite of the old Manſion-houſe.

Eaſt of *Lime-ſtreet* is *Billiter-lane*, which goes out of *Leadenhall-ſtreet*, and falls into *Fenchurch-ſtreet* againſt the End of *Mark-lane*. The Buildings in *Billiter-lane* are moſtly very old ruinous Timber Houſes, and may ſerve to give us the beſt Idea of the Manner in which this City was generally built before the Fire. But the Inhabitants are chiefly petty Shop-keepers. On the Eaſt Side the *Eaſt-India* Company have built large Warehouſes, and there are ſeveral good modern Buildings. About the middle on the Weſt Side is *Billiter-ſquare*, an handſome, open, and airy Place, graced with good new Brick Buildings, well inhabited; and out of this Square to the South-Weſt, is a handſome Free-ſtone Paſſage, called *Smith's* Rents, which leadeth down *Fiſhmongers-alley* to *Fenchuch-ſtreet*. At the South-Eaſt Corner of *Billiter-lane*, in *Fenchurch-ſtreet*, was a Houſe, or an Eſtate, belonging to Cardinal *Wolſey*, now made two Houſes, almoſt facing *London-ſtreet*.

Mark-lane, or *Mart-lane*, (where once uſed to be kept a publick Mart) entering into which, on the Left Hand, there is a large, open, ſquare Place, with a Paſſage to it for Carts, called *Blanch-apleton-court*: It hath a turning Paſſage on the South Side, by an Alley, which encompaſſeth ſome of the Houſes. In this Pariſh was the Manor of *Blanch-apleton*, now corruptly called *Blind-chapel-court*: It belonged to Sir *Thomas Roos* of *Hame-lake*, Knt. in the ſeventh of *Richard* II. ſtanding at the North-Eaſt Corner of *Mark-lane*. In the third of *Edward* IV. all Baſket-makers, Wire-drawers, and other Foreigners, were permitted to have Shops in the Manor of *Blanch-apleton*, and no where elſe, within the City or Suburbs. More South is *Pick-axe-alley*, very ſmall and ordinary, with a dark Entrance into it. This Lane is very long, falling into *Tower-ſtreet*; but the Part in this Ward is but ſmall, *viz.* the Eaſt Side from the Corner of *Fenchurch-ſtreet*, to *Pick-axe-alley*, the greateſt Part being in *Tower-ſtreet* Ward, with ſome Part in *Langborn* Ward.

Fenchurch-ſtreet is long, reaching from the Pump within *Aldgate* to *Gracechurch-ſtreet*, and, for the generality, well inhabited by Merchants, and eminent Warehouſe-men and Shop-keepers: But of this Street there is in this Ward no more than from *Aldgate-ſtreet* to the Weſt End of *Ironmonger's-hall*, on the North Side; and a little beyond *Mark-lane* to *Aldgate-ſtreet*, on the South Side; the reſt being in *Langborn* Ward. Between *Mark-lane* and St. *Catharine Coleman Church*, is built, with very handſome Houſes in it, *London-ſtreet*; at the Corner of which, in *Fenchurch-ſtreet*, was a few Years ago a large Houſe called the *London-Tavern*. Over againſt St. *Catharine Coleman Church* is a magnificent Houſe, built and inhabited by two *Jews*, Brothers, whoſe Names are *Franco*. More to the Weſt is *Fenchurch* Buildings, a new, large, well built and inhabited Court, with a Paſſage into *Leadenhall-ſtreet*. Adjoining to this Church, Weſtward, is *Magpye-alley*, in which is a *Jews Synagogue*, and by a narrow Paſſage there is a Way into *French-ordinary-court*, and ſo into *Crutched-friers*. A little to the Eaſt of St. *Catherine Coleman's*, is a very extenſive Range of Warehouſes belonging to the *Eaſt-India* Company, which reach quite thro' into *Crutched-friers*, with a Paſſage under for Carriages. *Northumberland-alley*, the Scite on which *Northumberland-houſe* once ſtood, but now converted into other Buildings, is very long, which, with ſeveral turning Paſſages, falls into *Crutched-friers*; and for the generality is but an ordinary Place, as well for Houſes as Inhabitants. This was formerly a noted Place for Gaming and Debaucheries.

Crutched, *Crouched*, or *Croſſed-friers*, begins in the Weſt at *Hart-ſtreet*, and runs Eaſtward, taking in Part of the *Navy-Office*; and then turning Northwards falls into *Aldgate*; but that Part that runs Northward is called *Poor-jury-lane*, which is but ordinary in its Buildings. This *Crutched-friers-*

friers-ſtreet hath ſeveral good Buildings and Places of Name, *viz.* on the North Side, *French-ordinary-court*, already mentioned, being a large open Place, with good Buildings, eſpecially on the Eaſt Side; having Paliſado Pales, with Trees before the Court-Yards of the Houſes, and a Free-ſtone Pavement between the Houſes. Out of this Court is a Paſſage down Steps into *Fenchurch-ſtreet*, thro' *Magpye-alley*.

The *Navy-Office*, on the South Side of the Street, hath ſome Part in this Ward, *viz.* almoſt all the firſt Court, with the Side Buildings, and ſome ſmall Part of the Office itſelf; the other Part, *viz.* the back Part, being in *Tower-ſtreet* Ward.

Bunt's-yard ſeated not far from the *Navy-Office* Eaſtward, a pretty large Place, but only for Stabling. *Allam-yard*, taken up for Warehouſes. *River-ſtreet*, a good large open Place, with Brick Buildings, well inhabited, leads to *Great Tower-hill*. Out of this Street, on the Eaſt Side, is *Colcheſter-ſtreet*; it hath good Brick Buildings, and falls into *Woodroſe-lane*, which begins at *Crutched-friers*, and ſo leads to *Tower-hill*, in which Lane is a Mixture of Brick and Timber Houſes, pretty well built and inhabited. In this Lane is *Chain-alley*, which hath one good Houſe and Garden to it. At the upper End of this Lane, and fronting *Crutched-friers*, are good Brick Buildings, called *Gold-ſquare*, well inhabited. *Gunpowder-alley* hath at the upper End ten Alms-houſes for Men and their Wives, being the Gift of the Lord *Banning*, and now called *Oxford's Alms-Houſes*, the Earl marrying an Heireſs of the *Bannings*; theſe have but ſmall Allowances. *Northumberland-alley* comes out here into *Poor-jury-lane*, where is a large Brew-houſe. *Black-horſe-yard*, for Stabling, with ſome Dwelling-Houſes in it. *Flower-de-lis-court*, but ſmall. *Three-crown-court*, a handſome open Place, with a Free-ſtone Pavement. *Holſey's-rents*, very ſmall and ordinary. *Carpenter's-yard*, a good handſome Court, very well inhabited. *George-alley*, long and narrow, with a Paſſage to *Aldgate*.

This Ward hath an Alderman, his Deputy, ſix Common-Councilmen, (including the Deputy) ſix Conſtables, nine Scavengers, eighteen Wardmote-Men for Inqueſt, and a Beadle. It is taxed to the Fifteen in *London* at five Pounds.

There are to watch at the ſeveral Stands in this Ward, every Night, beſides the Conſtable and Beadle, thirty-four Watchmen, and for the Liberty of *Duke's-place* ten; in all forty-four.

The Jurymen returned by the Wardmote Inqueſt are to ſerve as Jurors in the ſeveral Courts in *Guildhall* in the Month of *January*.

The Alderman of this Ward is *Robert Scott*, Eſq; *Thomas Cockſedge*, Deputy; and the Common-Councilmen are, *Chriſtopher Fullagar*, *John Hall*, *Stracy Till*, *John Platt*, and *William Rogers*.

Thus much for the Bounds. Now for Monuments, or Places moſt antient and notable. Firſt, to begin with the diſſolved Priory of the *Holy Trinity*, called *Chriſt Church*, on the right Hand within *Aldgate*. This Priory was founded by Queen *Matilda*, Daughter to *Malcolm*, King of *Scotland*, Wife to *Henry* I. by the Perſuaſions of Archbiſhop *Anſelm*, and *Richard Beaumeis*, Biſhop of *London*, *A. D.* 1108, in the ſame Place where *Siredus* had begun to erect a Church in Honour of the Holy Croſs and St. *Mary Magdalen*, out of which the Dean and Chapter of *Waltham* were entitled to receive thirty Shillings: But the Queen gave them a Mill in Exchange, and had this Agreement confirmed by King *Henry*, her Huſband; and gave the Church to *Norman*, the firſt Canon Regular in all *England*, for Canons of his own Rule.

The Priory of the Holy Trinity.

Tanner's Notitia, fol. 303.

Her Majeſty alſo endowed the ſame Church, and thoſe that ſerved God therein, with the Port of *Aldgate*, and the Soke thereunto belonging, with all Cuſtoms, and twenty-five Pounds Blanks, as mentioned in the following Deed, Charter, *&c.* as it was taken out of the Regiſter of the ſaid Priory, called there *Prioratus de Cricburth:*

The Deed of Queen Maud.

Confirmed by King Stephen.

King *Stephen* alſo confirmed this Payment of twenty-five Pounds *ad Scalam*, by a Charter, directed to *William*, Biſhop of *Exeter*, the Sheriffs, *&c.*

And when *Henry* II. ſtiled *Fitz-Empreſs*, *Anno* 1180, and the twenty-ſixth of his Reign, made a new Money current, the Sheriff of *Exeter* would not pay the Prior of *Chriſt-Church* at *Michaelmas* the Half-Year's Rent, *viz.* twelve Pounds ſixteen Shillings and three Pence *ſecundum pondus Blanc*, *i. e.* according to the Weight Blank, (this new Money being of leſs Weight than Money was when Queen *Maud* gave the ſaid Gift) the ſaid Prior, whoſe Name was Sir *Stephen*, obtained the full Payment by a Charter from that King: For new Money was twenty Pence *ob.* the Ounce, twenty Shillings and ſix Pence the Pound; ſo that now the Prior's Due was twenty-five Pounds twelve Shillings and ſix Pence, *i. e.* twenty-five Pounds *ad Scalam*, at the Scale, in the following Terms:

" *Henricus* Rex *Angliæ*, & Dux *Normann.* & " *Aquitan.* & Comes *Andagav.* Præpoſitis & Ci- " vib. *Exoniæ* Sal. Præcipio vobis, quod ſine dila- " tione & juſte habere faciatis Canonicis meis " Sancte Trinitatis *London.* Reddit. ſuos de *Exon*, " ſicut unquam melius & plenius habere ſolebant, " tempore Regis *Henrici* Avi mei, & ad terminos " Statutos; & niſi feceritis juſticiam, vel Vic. " meus faciat fieri, ne inde a modo clamorem au- " diam pro penuria Recti. Et de hiis qui Reddit. " ſuos eis detinuerint, juſticiam faciatis. Teſte " M. *Biſet.* Dat. apud. *Wireceſt.*"

And, in conſequence of this Charter, it was recorded in the Rolls of the *Exchequer*, " Quod " Eccleſiam Chriſt. *London.* debet habere prædict. " denarios blanc. & ad Scalam, *i. e.* ad pondus, " qui fuerint meliores in pondere quam illa nova " moneta per 6*s.* 3*d.* pro termino Sancti *Michaelis* " Archang. præd. Et ſic prædict. Prior & " Conventus haberent quolibet anno 12*s.* 6*d.* " de incremento 25*l.* Blanc. prout patet in " Cart."

There was another Charter, whereby this Priory was privileged to incloſe the Way along *London-Wall*, and ſtop the Paſſage, and enlarge their Priory to the very Wall:

" *Henricus* Rex *Angliæ*, &c. *Rich.* Epiſcopo " & *Alberico* de *Vere Vic.* & omnibus Baronibus " & Fidelibus *London.* Salutem. Sciatis me con- " ceſſiſſe *Sanctæ Trinitati* & *Normanno*, Priori, " & Canonicis *Sanctæ Trinitatis London.* ut clau- " dant muro viam quæ erat inter Eccleſiam & " Officinas eorum, & Murum Civitat. & in " pace teneant. & via quæ ſolebat ibi eſſe " ſit a modo, ante Eccleſiam ſuam ex alia " Parte. Et hoc concedo eis pro animab. Patris " mei & Matris & Prædeceſſorum & Succeſſorum " meorum, & pro ſalute mea & ſtatu Regni " mei. Teſt. *Ranulph.* Cancellario meo, & " *Gaufri* de *Guntona* & *Rad. Baſſet* apud *North-* " *amptonam.*"

Norman, *the firſt Prior.*

Norman took on him to be Prior of *Chriſt-Church*, in the Year of Chriſt 1108, in the Pariſhes of St. *Mary Magdalen*, St. *Michael*, St. *Catharine*, and the *Bleſſed Trinity*, which now were made but one Pariſh of the *Holy Trinity*.

The Scite of the Priory.

The Priory was built on a Piece of Ground upwards of three hundred Feet long, in the Pariſh of St. *Catharine*, towards *Aldgate*, near the Parochial Chapel of St. *Michael*, whoſe Remains are ſtill to be ſeen under the Houſe inhabited by Mr. *Gilpin*, an eminent Chemiſt, at the S. E. Corner of *Leadenhall-Street*, and meaſures thirty-ſix Feet from North to South, and ſixteen Feet from Eaſt to Weſt, with a *Gothick* arched Roof, ſupported by two handſome Pillars, and built with ſquare Bricks, Chalk, and Stone, in the Manner of the Ruins of *Rocheſter* Caſtle. *See P.* 777. The Soke and Ward of *Aldgate* was then bounded, as is before ſhewn. This Priory, in Proceſs of Time, became a very large Church, rich in Lands and Ornaments, and ſurpaſſed all the Priories in the City of *London*, or Shire of *Middleſex*; the Prior whereof was an Alderman of *London*, *viz.* of *Portſoken* Ward, as will be ſhewn in the Account of that Ward.

After this great Priory had ſwallowed up thoſe four Pariſhes above-named, and was appointed the Pariſh Church, the Inhabitants of the Pariſh of St. *Catharine*'s prevailed with the Prior to let them build a Chapel in the Church-yard of the Priory, for their more convenient and quiet Reſort to perform their Divine Service in, and to appoint them one of his Canons to ſay Maſs to them, on Condition that they continued to chriſten their Children in the Conventual Church, and to come thither at all ſolemn Times; their Devotions at the Altar of St. *Mary Magdalen*, where they had before reſorted, being greatly diſturbed by the Noiſe of ſeveral celebrating Maſs together: But in Time the Pariſhioners neglecting to come to the Conventual Church, the Prior inſiſted upon their Agreement to reſort to the great Church for the chriſtening of their Children, and upon all the Holidays, eſpecially the greater; as in the Night and Day of our *Lord's Nativity*, *Good Friday*, the Day of the Benediction of the *Eaſter Wax-Candle*, the Morning of *Eaſter-Day*, the Veſpers and Vigils of the Feaſts of the *Holy Trinity*, and the Dedication of the Conventual Church of the *Holy Trinity*; on which Days he would allow no Service to be performed in the parochial Chapel. This occaſioned great Contentions between the Prior, *Robert Exeter*, and the Convent, and the aforeſaid Pariſhioners; which continued to the Time of *William Haradon*, and Lord *Richard Clifford*, Biſhop of *London*; who, in the Year 1414, accommodated their Differences by a Compoſition between them on the following Terms, *viz.* That the ſaid Pariſhioners of St. *Catharine's*, *Chriſt's*, or *Creechurch*, ſhould have a Baptiſmal Font anew ſet up in their Church, or Chapel, for baptizing of Children, and to have other Solemnities to be there performed, (about which ſuch Contentions had before ariſen among them) for all Times hereafter: That they ſhould reſort to the Conventual Church on the Feſtivals and Dedication of the ſaid Conventual Church in the Eve of St. *Bartholomew*, yearly; and there, in Token of their Submiſſion and Acknowledgment, each ſhould, in thoſe Feſtivals, offer their Pence, Halfpence, and Farthings; and that they might, if they pleaſed, keep the Dedication of St. *Catharine* in their own ſaid Chapel or Church; which he, the Biſhop, out of his paternal Affection to-

Contention with the Pariſhioners.

Terms of Accommodation.

wards

wards them, yielded unto. Further, that they might not ring the Bells on *Eaſter-Day*, till the Office was finiſhed at the Conventual Church. That one of the Canons, to be placed or removed at the Pleaſure of the Prior, ſhould ſerve in the ſaid Chapel, as was uſual before this preſent Ordinance, to adminiſter to the ſaid Pariſhioners the Sacraments and Sacramentals, as antiently was done. That the Prior and Convent henceforth be not obliged to find the Ornaments, nor be at other Charges for the Chapel. All which Ordination and Compoſition the Prior and Convent, and the ſaid Pariſhioners, received and promiſed inviolably to obſerve perpetually.

Euſtacius, the eighth Prior, about the Year 1264, becauſe he would not deal with temporal Matters, inſtituted *Theobald Fitz-Juonis*, or *Ivo*, Alderman of *Portſoken* Ward under him; and *William Riſing*, Prior of *Chriſt-Church*, was ſworn Alderman of the ſaid *Portſoken* Ward in the firſt of *Richard* II. Theſe Priors ſat and rode among the Aldermen of *London*, in the ſame Livery, only the Prior's Habit was in Shape of a ſpiritual Perſon, as *Stow* ſaith he himſelf ſaw in his Childhood; at which Time the Prior kept a moſt bountiful Houſe, both for Rich and Poor, as well within the Houſe as at the Gates, to all Comers, according to their Conditions.

Monuments in the Priory Church.

There were Monuments in this Church for the following Perſons:

Sir *Robert Turke*, and Dame *Alice* his Wife. *John Tirell*, Eſq; *Simon Kempe*, Eſq; *James Manthorpe*, Eſq; *John Aſcue*, Eſq; *Thomas Pauſet*, of *Scalſet*, Eſq; *John Kempe*, Gent. *Robert Chirwide*, Eſq; Sir *John Heningham*, and Dame *Iſabel* his Wife.

Dame *Agnes*, Wife to Sir *William Bardolph*, and then to Sir *Thomas Mortimer*. She made her Will 1403, bequeathing her Body to be buried in the Conventual Church of the *Holy Trinity*, *London*.

John Aſhfield, Eſq; Sir *John Dedham*, Knt. Sir *Ambroſe Charcam*. *Joan*, Wife to *Thomas Nucke*, Gent. *John Huſſe*, Eſq; *John Beringham*, Eſq; *Thomas Goodwine*, Eſq; *Ralph Walles*, Eſq;

Dame *Margaret*, Daughter to Sir *Ralph Cheny*, Wife to Sir *John Barkley*, to Sir *Thomas Barnes*, and to Sir *W. Burſire*.

William Rooſe. *Simon Frauncis*. *John Breton*, Eſq; —— *Helling*, Eſq; *John Malwen* and his Wife. *Anthony Wels*, Son to *John Wels*. *Nicholas de Aveſey*, and *Margery* his Wife. *Anthony*, Son to *John Milles*.

Baldwine, Son to King *Stephen*; and *Matilda*, Daughter to King *Stephen*, Wife to the Earl of *Millen*.

Henry Fitz-Alwine, Mayor of *London*, 1213.

Geffrey Mandevile, 1215.

Lady *Margaret le Scroope*, who, 1431, bequeathed her Body to be buried in the Church of St. *Trinity*, of *Chriſt-Church*, *London*. She was Wife of *Roger le Scroope*, Knight, and Daughter of Sir *Robert Tiptoft*.

Theſe, and many more ſepulchral Monuments, were deſtroyed at the Diſſolution of this Priory, which happened in *July*, 1531; for King *Henry* VIII. deſirous to reward Sir *Thomas Audley*, Speaker of the Parliament againſt Cardinal *Woolſey*, ſent for the Prior, and, after commending him for his Hoſpitality, with Promiſes of Preferment, perſuaded him to ſurrender all the Priory, with the Appurtenances, into his Hands, in the twenty-third Year of his Reign. The Canons were ſent to other Houſes of the ſame Order; and the Priory, with the Appurtenances, King *Henry* gave to Sir *Thomas Audley*, newly knighted, and afterwards made Lord Chancellor.

Sir *Thomas Audley* offered the great Church of this Priory, with a Peal of nine well-tuned Bells, (whereof the four largeſt are now at *Stepney* Church, and the other five at St. *Stephen's*, *Coleman-Street*) to the Pariſhioners of St. *Catharine Chriſt* or *Cree-church*, in Exchange for their ſmall Pariſh Church, being willing to have it pulled down, and to have it built there towards the Street; but the Pariſhioners, fearing ſome Afterclaps, refuſed the Offer. He alſo proffered the Church and Steeple of the Priory Church to whomſoever would take it down and carry it from the Ground, but no Man would undertake the Offer; whereupon Sir *Thomas Audley* was obliged to be at more Charges to take it down, than could be made of the Stones, Timber, Lead, Iron, *&c.* for the Workmen, with great Labour, beginning at the Top, looſed Stone from Stone, and threw them down, whereby the moſt Part of them were broken, and few remained whole, and thoſe were ſold very cheap; for all the Buildings, then made about the City, were of Brick and Timber. However, the ſaid *Thomas* Lord *Audley* built a noble Manſion of this Priory, and dwelt in it during his Life, and died there in the Year 1544; whoſe only Daughter being married to *Thomas* Duke of *Norfolk*, this Eſtate deſcended to his Grace, and was then called the *Duke's-Place*.

The Papey.

A little more to the North-Weſt, and near the North End of St. *Mary-at-Axe Street*, ſtood another religious Houſe, called the *Papey*, an Hoſpital belonging to the Brotherhood of St. *Charity* and St. *John the Evangeliſt*, founded *A. D.* 1430, by *William Oliver*, *William Barnabie*, and *John Stafford*, of *London*, Prieſts, for a Maſter, two Wardens, *&c.* Chaplains, Chauntry Prieſts, Conducts, and other Brethren and Siſters, that ſhould be admitted into the Church of St. *Auguſtin Papey* in the Wall. The Brethren of this Houſe becoming lame, or otherwiſe in great Poverty, were here relieved; as to have Chambers, with certain Allowance of Bread, Drink, and Coals, and one old Man and his Wife to ſee them ſerved, and to keep the Houſe clean.

Theſe poor Prieſts of the *Papey* (as alſo the Brotherhood of the threeſcore Prieſts, and the Company of Clerks that were ſkilled in ſinging *Diriges*, and Church Offices) commonly attended at ſolemn Funerals, as may be collected from the Will of Dame *Jane Milbourn*, Widow of Sir *John Milbourn*; who, *Anno* 1543, bequeathed to the Brotherhood of *Papey* to come to her Burial, and to pray for her Soul, ten Shillings; and likewiſe to the Brotherhood of Threeſcore Prieſts in *London*, to come to her Burial, and to pray for her Soul, ten Shillings.

This Brotherhood (amongſt others) was ſuppreſſed in the Reign of *Edward* VI. ſince which Time in this Houſe hath been lodged Mr. *Morris*, of *Eſſex*, Sir *Francis Walſingham*, Principal Secretary of State to Queen *Elizabeth*, Mr. *Barret*, of *Eſſex*, &c.

Next to this was one great Houſe, with handſome Courts and Garden Plats, ſome Time pertaining to the *Baſſets*, ſince that to the Abbots of *Bury* in *Suffolk*, and therefore called *Buries Mark*, corruptly *Bevis Marks*; and, ſince the Diſſolution of the Abbey of *Bury*, to *Thomas Heneage* the Father, and Sir *Thomas Heneage* the Son.

Jews Synagogue.

This Houſe and Ground is now increaſed into many Tenements, and, amongſt the reſt, the *Porgueſe Jews* have built themſelves a large Synagogue here, wainſcotted round. It ſtands Eaſt and Weſt, like one of our Churches. The great Door is on the Weſt; near to which Weſt End is a long Deſk upon an Aſcent, ſomewhat raiſed from the reſt of the Floor, where the Law is read. The Eaſt Wall is in Part railed in, and before the Wall is a Door, which is to open with a Key, where their Law ſeems to be laid up. Aloft on this Wall are the *Ten Commandments*, or ſome Part of them, inſcribed in golden *Hebrew* Letters without Points. There are ſeven great branched Candleſticks of Braſs hanging down from the Top, and many other Places for Candles and Lamps. The Seats are Benches, with Backs to them, that run along from Weſt to Eaſt; and the Galleries above, for the Women to ſit in, have Lattices before them.

The Houſe of the Croſſed *or* Crutched Friars.

At the South-Eaſt Corner of *Hart-Street*, ſome Time ſtood a Houſe of *Crouched* (or *Croſſed*) *Friars*, founded by *Ralph Hoſier* and *William Sabernes*, about the Year 1298. *Stephen*, the tenth Prior of the *Holy Trinity* in *London*, granted three Tenements for thirteen Shillings and eight Pence by the Year, unto the ſaid *Ralph Hoſier* and *William Sabernes*, who afterwards became Friars of St. *Croſſe*. *Adam* was the firſt Prior of that Houſe. Theſe Friars founded their Houſe in the Place of certain Tenements, purchaſed of *Richard Wimbuſh*, the twelfth Prior of the *Holy Trinity*, in the Year 1319, which was confirmed by *Edward* III. the ſeventeenth of his Reign, valued at fifty-two Pounds thirteeen Shillings and four Pence, ſurrendered the twelfth of *November*, 30 *Henry* VIII.

One *Andrew de Bures* gave to this Houſe, 5 *Edward* III. one Meſſuage and twenty-eight Acres of Land, and one Acre of Meadow, in *Aketon*; and one Meſſuage, and ſixty Acres of Land, in *Waldingfield*, in the County of *Suffolk*.

There was a Licence granted, 23 *Edward* III. to the Prior of the *Holy Croſs*, to get Lands in *Oxon*; and likewiſe the Prior obtained a Grant for a Tenement in *Synedene-Lane*, the ſame with that now called *Seething-Lane*.

The very Ruins of this religious Houſe are not now to be ſeen, and nothing of it remains, only it gives Name to the Street, being more commonly called *Crutched-Friars* than *Hart-Street*; but in the Place thereof now ſtands the *Navy-Office*, a noble Structure; and within the Compaſs of it many other fine Buildings.

At a Common-Council, not long before the Beginning of *Henry* VIII's Reign, an Act paſſed for granting unto the Prior and Convent of the *Croſſed Friars*, beſide the Tower of *London*, (to the Intent that they ſhould pray for the good Eſtate of the City) ſome common Ground of the ſaid City, for the Enlargement of their Church, *viz.* in Breadth, from the Eaſt End of their Church, from the main Wall thereof on the North Part, into the high Street there, five Feet of Aſſize; and at the Weſt End of their Church, in Breadth four Feet and a Half, ſtretching in Length from the Eaſt toward the Weſt Part, ſeven Score and eight Feet and an Half.

Afterwards, at a Common Council, holden on *Tueſday*, *September* 25, *Anno* 12 *Henry* VIII. the ſaid Prior and Convent petitioned for Succour towards the Edifying and Maintenance of their new Church; and to take upon them, and the whole City, to be their ſecond Founders. Whereupon it was agreed, that ſeveral Exhortations ſhould be made in Writing to every Fellowſhip or Company in *London*, to ſee what they would do for their Devotions towards the ſame; and ſuch Sums to be certified to the Mayor and Aldermen, to the Intent it may be known to what it will amount.

A Prior of this Houſe, in *Henry* VIII's Time, was not ſo obſervant as he ſhould be of the Rules of his Order; who, on a *Friday*, (a Day of ſomewhat more Mortification and Devotion than others) was found at eleven o'Clock in Bed with a Whore, and taken by *Barthelot* and others, appointed Viſitors by Order of *Cromwell*, the Vicar-General. For the concealing of this Incontinency, the ſurprized Prior diſtributed thirty Pounds preſently among them, and promiſed thirty Pounds more: All which was certified to *Cromwell*, in a Letter wrote by the ſaid *Barthelot*. Theſe ſcandalous Crimes haſtened the Diſſolution of theſe Monaſteries.

Monuments in this Church.

In the Church of this Houſe was buried Mr. *John Tirres*.

Nicholas, the Son of *William Kyriell*, Eſq;

Sir *Thomas de Mollinton*, Baron of *Wemeſe*; who bequeathed by Will, dated 1408, his Body to be buried in the Chapel of St. *Mary*, within the College of the Friars of St. *Crucis*, *London*; and Dame *Elizabeth* his Wife, Daughter of *William Botelar*, Baron of *Wome*, according to her laſt Will, *Anno* 1410.

Robert Mollinton, Eſq; and *Elibabeth* his Wife, Daughter to *Ferreis* of *Ouſley*.

Henry Lovell, Son to *William* Lord *Lovell*.

Dame *Iſabel*, Wife to *William Edwards*, Mayor of *London*, 1471.

William Narborough, and Dame *Elibabeth* his Wife.

William Narborough, and Dame *Beatrix* his Wife.

William Broſked, Eſq;

William Bowes.

Lionel Mollinton, Eſq; Son of *Robert Mollinton*.

Nicholas Conderow, and *Elizabeth* his Wife.

Sir *John Stratford*, Knt.

Sir *Thomas Aſſeldey*, Knt. Clerk of the Crown, Sub-Marſhal of *England*, and Juſtice of the Shire of *Middleſex*.

John

John Reſt, Grocer, Mayor of *London*, 1516.

Sir *John Skevington*, Knt. Merchant-Taylor, Sheriff, 1520.

Sir *Rice Griffith*, beheaded on the *Tower-hill*, 1531.

Sir John Milbourn.

Sir *John Milbourn* was a Benefactor to this Houſe of the *Crutched-friars*. He ſet up his Tomb in their Church in his Life-time, and appointed a ſolemn *Obit* to be kept there, during the Life of himſelf, and his Wife Dame *Johan*; and, after his Deceaſe, to be alſo kept in the ſaid Church by the ſaid Friars, for their Souls. He was buried here, but afterwards removed to St. *Edmund's the King*.

And his thirteen Beadſmen, dwelling in his Alms-Houſe hard by, were to come daily unto this Church, where they ſhould, in ſome convenient Place near unto the ſaid Tomb, abide and continue while the Service of God; or, at the leaſt, until ſuch Time as the whole Maſs, which daily ſhould be begun in the ſaid Church by the Hour of Eight o'Clock in the Morning, or thereabouts, ſhould be ſung or ſaid, for evermore, at the Altar called *Our Lady's Altar*, in the middle Iſle of the ſaid Church, founded by the ſaid Sir *John Milbourn*; to the Intent that the ſaid thirteen poor Beadſmen, afore the Beginning of the ſaid Maſs, one of them ſtanding right over-againſt the other, about, and encompaſſing the ſame Tomb or Burial-Place of Sir *John Milbourn*, ſhall ſeverally, two and two of them together, ſay the Pſalm of *De Profundis*, and a *Pater-noſter*, *Ave*, and *Creed*, with a Collect thereunto belonging; and ſuch of them as could not ſay the Pſalm of *De Profundis*, were to ſay a *Pater-noſter*, *Ave*, and *Creed*: Which Prayers, as the Will directs, they ſhould eſpecially ſay for the good and proſperous Eſtate of the ſaid Sir *John*, and Dame *Johan*, their Children, and Friends now living; and, after their Deceaſe, for the Souls of the ſaid Sir *John*, and Dame *Johan*, and Margaret his firſt Wife, their Fathers and Mothers, Children, and Friends Souls, and all Chriſtian Souls.

Two Dutch *Fraternities.*

Two Fraternities of Dutchmen, *which Nation ſeemed chiefly to inhabit hereabouts, were founded in the Church of theſe Friars; the Foundations and Ordinances whereof follow:*

The Holy Blood of Wilſuak.

"In the Name of God that is Almighti, and "of our Lady Seynt *Mary* his Möder, and for "the bliſſed Blode of hir Sone *Ihu Cryſt*, which is "by all Criſten People wourſhipped *ad Wilſuak* "in *Saxon*, and opynly called *The Holy Blode of* "Wilſuak, and of all the Seynts of Heveyn, the "xiiij Day of *April*, the Yere of our Lord God "M.CCCCC.lix, and the Yere of Kyng *Henry* "the Sixt xxxvij, a *Fraternite* in the ſpecial Ho-"nour of the ſeid Holy Blode of *Wilſuak*, and of "all the Holy Seynts of Heveyn, is ordeyned, "founded, and deviſed in the Chirche of the "*Croſſed Freres* of *London*, for to noriſh, encreaſe, "and engender Love and Peas amonge gode "Criſten People, in the Fourme ſewying, that is "to weten:

"*Firſt*, Hit is ordeyned, That no maner of "Perſon ſhall come in the ſame Fraternite, but "with good Will of all the Brethren, as well of "the moſt as of the leſt, and ſhall pay at his "Entre xx *d.* to the Uſe of the ſame Fraternite; "and he ſhall be of good Conditions and Con-"verſations.

"Alſo if any Brother or Suſter of the ſame "Fraternite have any Action ageyn any Brother "and Suſter of the foreſaid Fraternite, the Pleyn-"tiff ſhall complayne hym to the Maſters of the "ſame Fraternite, beyng for the Time, and they "ſhall make an Ende, Reſte, and Peas, between "them, as good Fay and Conſcience aſken; and "who that will nought ſtonde to the Accorde and "Warde of the ſame Mayſters, ſhall pay a Pound "of Wex, for to be awarded of him by the ſame "Maſtyrs, to the Uſe of the ſame Fraternite. "And who that will nought do ſo, ſhall be put "oute of the ſame Bretherhede, and never have "no manner Good longyng therto.

"Alſo what Maner Brother or Suſter diſk-"laundreth or defameth other of the ſame Bre-"therhede in Wourdis of Malice, or otherwiſe, "in unhoneſt Manner, that hit be proved and "verified on him, with good and trew Men, "withoute Fraude or Maleengyne, ſhall pay ij *l.* "Wex, to be awarded of him to the Uſe of the "ſame Bretherhede, within xv Days ſewying, "without any longer Reſpite; and he that will "not pay ſo, if he be funde gilte in the Maner "aforeſeyd, ſhall be put oute of the Bretherhede "for evermore.

"Alſo, yf any Brother or Suſter of the ſame "Bretherhede deſeſe, greve, or diſklaunder other "on the Day of the Bretherhede, holden of "the ſeid holy Blode of *Wilſuak*, which ſhall "be yerely on *Holyrode-Day*, which is the iijd "Day of *May*, by any grevouſe Words, what "they be founde in Defaute, ſhall make A-"mendes hey and lowe, after the Awarde and "Jugement of the Meſtriſs, beyng that Tyme, "upon the Payne of ij *l.* Wex, or elſe to be pute "oute, as it is aforeſeyd.

"And yf any of the ſame Bretherhede greve, "or deceſſe with grevouſe and evil Words the "Maſtris, when they go about to gadyr Money "and Dewttis, longyng to the Bretherhede, what "may be founde in Default ſhall pay a *l.* Wex "within xv Days ſewyng.

"Alſo by oon Aſſent of all the Brethren of the "ſame Bretherhede, every Yere, ſhall be choſyn "ij or iij ſufficiaunt and honeſt Men of the ſame "Bretherhede, for to be Maſtris for the Yere ſew-"yng, for to rule and governe all Manner of "Conſtitutions and Ordainments to the ſame Bre-"therhede belonging, and for to yelde and geve "at the Yere's Ende good and trewe Rekenyng, "and Acomptes of all Manner of Receytes and "Paymentes by them ydo during theyr Yere; "and all the Bretherne ſhall be at the ſame Re-"kenyng; and who that will not come thereto, "and be weanid, ſhall pay at every Time at his "Abſence a *l.* Wex, but if he maye reaſonablie "excuſe him.

"Alſo when any Brother or Suſter of the ſame "Bretherhede is dede, he or ſhe ſhall have iiij "Torchys of Wex of the Bretherhede, to bryng "the Body in Erthe: And every Brother and "Suſter ſhall come to his Maſſe of *Requiem*, and "offer 1 *d.* and abide ſtill in to the Tyme the "Body be buryed, uppon Pain of a *l.* Wex, yf "he or ſhe be within the Cite, but yf he or ſhe "can reaſonablie excuſe them.

Alſo

" Alſo yf any Brother or Suſter of the ſame " Fraternite, by Fortune, ſhall (fall) yn Natu- " ral Sekeneſs by Viſitation of God, ſo that he " nor ſhe nought laboure and travel to helpe " themſelfe, the ſame ſeke, by warnyng to the " Maſtris fro the Tyme beyng the ſame Day of " the Sekeneſs comyng, or on the Morow at " fortheſt, ſhall have xx *d.* every Wike ſewyng, " unto the ſame ſeke be recovered of the Seke- " neſs, and that trewly be paid at every Wikes " Ende, without any longer Delay.

" Alſo every Brother and Suſter of the ſame " Fraternite, ſhall have every Yere a Hode of Ly- " verey the which ſhall be kept ij Yere ſewyng: " And every Brother and Suſter, when any of " the ſame Bretherhede be dede, ſhall be there " in his Hode of Lyverey to bring him in " Erthe, as it is aforſeyd: And every Brother " and Suſter ſhall kepe his Hode the firſt Yere " after it be ordeyned for Holy Days; and who " that worketh in his Hode the Worke-Dayes, " or worke, having on the ſame of the ſame " Yere, ſhall pay ij *l.* Wex: And what Brother " or Suſter of the ſame Fraternite, that is behind " unpayd of the Quarterege by iiij *d. ob.* ſhall " not obtyne the Right of Guylde, without A- " mends making bi the Diſcretions of the Maſtris " for Tyme being.

" Alſo, ther ſhall no Brother ne Suſter go oute " of the Bretherhede without ſpecial Licence of " all the Fraternite, and to pay iij *s.* iiij *d.* for the " Licence to be hadde.

" Alſo every Brother and Suſter of the ſame " Bretherhede ſhall be ſwourn to be goode and " trewe, and to perfourme and to fulfill to his " Power all Manner of good Conditions and Or- " dinaunces longyng to Encreſe and Profit of the " ſame Bretherhede: And thereupon an Inſtru- " mente ſhall be made, and every Brother's " Name entered in Record of a Notari, for to " fulfill the Conditions aforeſeyd: And that " every Brother and Suſter ſhall be of good Con- " verſation and good Conditions."

There was alſo another Guild of *Dutchmen* in this Church, who had the following Eſtabliſh- ment:

The Fraternity of St. Catharine *in* Crutched-Fryers.

" In the Name of God, *Amen.* We *Richard* " *Blodywell*, Doctor of Lawe, and Commiſſary of " *London.* To all Criſtene Peopill to whom " this preſente Wryting ſhall come, or ſhall " hereof know, ſend greting in our Lord: And " whereas it is ſo, that of late the Rulers and " Wardens of the Bretherhede of the Fraternite " of St. *Catharyn*, founded and ordenyd by " *Duychmenne*, fourſcore Years paſſed, in the " *Croſſe Fryars*, in the Cite of *London:* And the " Brothers of the ſame Fraternite, that is to ſay, " *Rolland Johnſon* and *Henry Percy*, nowe being " Rewlers and Wardens of the ſaid Fraternite, " *Gerard Wygarſon*, *Jamys Edward*, *Cornelys Wal-* " *ter*, *Cornelys Jemys*, *John Cornelys*, *John Johnſon*, " *Peter Andrew*, *Peter Johnſon*, *Thomas Herryes*, " *Henry Wyſſell*, *Peter Arnoldſon*, *John Harryſon*, " *Gilbert Arnoldſon*, *Reynolde Frederykſon*, *William* " *Williamſon*, *Jamys*, *Lambert*, *Poles Huſman*, *John* " *Baton*, *Peter Bell*, *Leonard Herrys*, *John Tomſon*, " *John Vanſanton*, *Cornelys Knysvard*, *John Godfrey*, " *Leonard Higbarſon*, *Matthew Johnſon*, *John* " *Johnſon*, *Deryck Bruer*, *Rayntyn Egbarſon*, *Bar-* " *nard Egbarſon*, *John Cleve*, *John Arnoldſon*, *Gyles* " *Clayſon*, *Matthew Godfrey*, and *John Kirchinſon:* " Being all, or the more Parte Doble of the " Fraternite aforeſaid; Have with good Mynd, " and the Entent of good Rule to be had and " kept in the ſaid Fraternite in good Tyme " comyng with grete Inſtancis had in this Party, " preſented unto Us all ſuche the Rules, Orde- " naunces and Statutis within written; mekely be- " ſeching and deſiring us the Commiſſary afore- " ſaide to ratify, ſtabeliſhe, auctoriſe and con- " ferme the ſaid Rules, Ordenaunces and Sta- " tutis: We therfor *Richard Blodywell*, Commiſ- " ſary aforeſaide, conſidering that the ſaid Be- " ſeeching and Deſire being reſonable and conſo- " nant to good Lawe and Conſciens, with the " Conſent of the ſaid Rulers, Wardens and " Bretherne, ratify, ſtabeliſhe, auctorize and " conferme, as fer as is in us, all and ſinguler " Rules, Ordenaunces and Statutis within writ- " ten: Effectually charging the ſaid Rulers, " Maſters and Bretherne, all and eche of theme, " that they and eche of theme doo dewly and " truly obbey, obſerve and kepe all the ſaide " Rules, Ordenaunces and Statutis, as it to " theme and eyther of theme concernyth, and " to theme perteyneth, under payne of the Grete " Curſe, and other Paynes expreſſid in the ſame " Statutis, Ordenaunces and Rewlis: And for " the more Feyth and Credence to be gevyn to " this preſente Wrytyng, we the ſaid Commiſſary " have put to this Wryting, Rules, Ordenaunces " and Statutis, our Seale of Office the xxvth Day " of the Monyth of *Octob.* the Yere of our Lord " God M, CCCC, lxxxxv.

" *Firſt*, that no manner of Perſone or Perſones " fro hensforth be admitted or recyvid unto the " ſaid Fraternite, but with the good Will of all " the Bretherne of the ſame Fraternite, or of the " Senior or Sainor Parte of theme, and that " he or they ſoo admitted and receyvid pay at " Entre ij *l.* of Wex, to the Encreſſe of the Light " of the ſaide Fraternite; and opinly to be ſworen " to kepe and obſerve the Ordenaunces, Statutis, " Determinationis hereafter folowing.

" Alſo, that no Brother nor Siſtur of the ſaid " Fraternite from hensforth fray not, unſſay, " ne Pyke bare, nor quarrel one with another, " nor have any ſlaunderous or rebukfall Words " or Disfamation one ageynſt another; uppon " payne that he or ſhe that is proud in the De- " faute, and will not abyde the Rules, Sayings " and Awarde in that Behalf of the Governors " for the Tyme being, forfett as often x *l.* of " Wex, or ellis give for every Pound vi *d.* of " Money, to be leved and applyed half thereof " to the Uſe and Behoof of the Werks of *Paules*, " and that other half to the Uſe of the ſaide " Fraternity.

" Alſo, that every Broder of the ſaid Frater- " nite from hensforth faythfully and trewly pay " theyr Quartages and Dewtis longing to the " ſaid Fraternite; as of olde Tyme accuſtum- " ed it hath benne uſed, and he that is behynde " by iiij *d.* and will not pay it within the Space " of vij Days, after that he is therto lawfully " required, forfett as often ij *l.* of Wex, to be " leved and applyed to the Uſes, Manner and " Form abouesaid.

" Alſo,

" Alſo, that every Perſon and Perſons of the " ſaid Fraternite for the Tyme being, from hens- " forth honeſtly, as well in theyr Wordis, as in " theyr Dedis, demeane and behave themſylff " amonſt the Rulers and Governours of the ſaid " Fraternite for the Tyme being, whanne they go " abont to gadder Quartagis, Fyns and other " Dewtis longing to the ſaid Bretherhede; uppon " Payne that he or they that doo the contrary " forfet as often v *l.* of Wex, to be levid and ap- " plyed to the Uſes aforeſaid.

" Alſo, whereas often tymes at the Aſſembles, " and Drinking togidders of the ſaid Bretherne, " and ſpecyally uppon Saint *Katheryns* Day, cer- " teyne miſavyſed and evill diſpond Brethrene " of the ſaid Fraternite brall and chyde togid- " ders, with gret revylis and rebukefull Wordis; " and ſum whylle the ſame miſavyſed Perſones " rebuke the Rulers for the Tyme being, and " other ſadd and well-avyſed Perſonnes of the " ſaid Bretherhede; whereby grete Wrath, Ire " and Deryſion have benne often provoked " among the ſaide Bretherne, to the great Grudge " and Trowbill of all the good Folks of the " ſaid Fraternite. Therefor to kepe a good Or- " der and Rule among theme, by Way of Pe- " naltys for Reformation and Scilence of all " ſuche froward and ſeducious Peopill; it is " ordeyned, that what Perſon or Perſons of the " ſaid Fraternite, that from hensforwardis at " eny ſuych Aſſembles or Drinkyns, or uppon " St. *Katheryn* Day, that ſo ungoodly demeane " and behave themeſylff, and at the Commaund- " ments and Biddings of the Rulers and Gover- " nours of the ſaid Fraternite, for the Tyme " being, woll not keep Silence, nor be in Peas, " forfet for the firſt Tyme v *l.* of Wex, for the " ij Tyme x *l.* of Wex, for the iij Time xv *l.* of " Wex, and for the iiij Time xx *l.* of Wex: " And ſo as often as the ſaid Rebellis of their " mallicious Frowardneſs diſobbay the ſaid Com- " mandments and Biddings of the ſaid Rulers " to be leved withoute Redemption, and applied " to the Uſes aforeſaid.

" Alſo, that the Rulers and Governours of the " ſaid Fraternite for the Tyme being ſhall every " Year from henceforth, xiiij Days after the Feſte " of St. *Katherine*, the Virgin and Martyr, call " unto theme the iij old Bretherne of the ſaide Fra- " ternite, that were Rulers and Governours in " Yere next before paſſid; and they all vi to- " gidders, with one Will and Conſent, within the " ſaid xiiij Days ſhall choſe betwix themeſelff, of " the Feloſhip of the ſaide Fraternite, iij new " Rulers Bretherne, to governe the ſame Feola- " ſhipp for the Yere following. The which iij " new Rulers Bretherne, ſoo choſen uppon the " Day of Saint *Katheryn*, ſhall be opinly preſent- " ed and ſhewed unto all the Bretherne ther and " thenne being, and ſhall be ſworene diſcretly " to rule the ſaid Bretherhede in good Love, " Peas, and Condition, to theyr Powers, and to " make Levey of the Fyns, Quartagis, and " Dewtis growing and longing to the ſame " Bretherhede for the Yere following: And in " Caſe be that iiij or v of the ſaid vi Perſones " in choſing of the ſaid new Rulers agre to- " gidder; and other ij or i of theme, of his or " theyr Obſtinacy and Frowardneſs, woll not con- " ſent to the ſame Agrement, that thenne, thoſe " ij Perſones, or that one Perſone, that ſoo of his " or theyr Wilfulneſs diſagre, ſhall eyther of " theme, or that one, forfet and pay v *l.* of " Wex, to be levyd and applyd to Uſe afore- " ſaid: And yet thoſe iij Bretherne, which the ſaid " iiij or v choſyn in new Rulers and Governours, " ſhall ſtand in Forſe and Strength for the ſaid " Yere: And over that, in caſe be, that the ſaid iij " old Rulers and Governours that were in the " Yere paſſid as afore is ſayde, or eny of theme, " refuſe and will not come to the ſaid Election, " whanne they there benne required and called " in Forme aboveſaid, that thenne they or ſuych " of theme as ſo refuſith and will not come, " ſhall pay and forfett every of theme as often " v *l.* of Wex, to be levid and applyd to the Uſes " aboveſaid, without a lawful Impediment or " Cauſes provid.

" Alſo, that the olde Rulers and Governours " of the ſaid Fraternite, which for the Yere " paſſid all way have benne within xxi Dayes " after the Preſentation, and ſhewing of newe " Rulers and Governours, in Forme aboveſaid, " to be elected and preſented, ſhall gyve unto " the ſame newe Rulers and Governours a law- " ful Rekenyng and Accompt for theyr Time; " that is to ſay, what they have receyvid and " taken upp, and what they have paid or gevyn " out: And in all things what remayneth to the " Uſe of the ſaid Fraternite, as trew and feythful " Governours ought to do, without conceylyng " or hyding eny Point thereof, uppon Payne that " every of the ſaid olde Rulers and Governours " forfeit xx *l.* of Wex, to be leved and applyd to " the Uſes aforeſaid.

" Alſo, that all other Ordenaunces, Actis, " Conſtitutions, and Rules made among the ſaide " Bretherhede by theyr own free Willis and " Conſencions, ſpecyfyed and declared in *Duych* " Tong, whereof a Copy in a Sedule indented " to theſe Preſentis is annexed, by the ſaid Ru- " lers and Governours, and theyr Succeſſors for " the Tyme being, and by all the Bretherne and " Suſterne of the ſaide Fraternite, that now " benne, and all thoſe that hereafter ſhall be, " and everych of theme, from this Tyme for- " wardis, be faythfully holden, kepte, perform- " ed, and inviolably obſerved, uppon the Paynes " therein compriſed and written, to be leved and " applyd halff thereof to the Uſe of the ſaid " Werkis of *Paules*, and that other halff to the " Uſe of the Fraternite.

" Alſo, that the Rulers and Governours of the " ſaid Fraternite for the Tyme being from hens- " forth trewly preſente, without Favour or Ex- " cuſe, unto the Judge Ordinary of my Lord " Biſhop

" Biſhop of *London*, for the Tyme being, the " Names of all Manner of Perſones, Trangreſ- " ſours, and Rebellis, being Bretherne of the " ſaid Fraternite, that offend in eny Point or " Article of the Premiſſes, and woll not be re- " formed by the Rulers and Governours within " the Space of xv Dayes after theyr Offencis and " Treſpaſſes committed, and no Manne ſpare " contrary to Truth. And yf the ſaid Rulers " and Governours, or any of them, for eny " Mede, Favour, or Love, lete ſpare, or woll " not truly preſente ſuyche Tranſgreſſours and " Rebellis, and ſay trough in that Behalf, forfett, " he, and every of theme, as often as he, or they, " be founden in Faute, x *l.* of Wex, to be leved " and applyd to the Uſes aforeſaid.

" Provided always, that yf eny of the ſaid " Trangreſſours, being Bretherne of the ſaid " Fraternite, fortune to be of ſuyche Poverty " and Inſufficientneſs, that he is not able to pay " the ſaide hoole Fyns and Forfetures, or ellis " yff eny other Conſideration, or Remorſe of " Conſciens, or Pitty, canne be thought in " ſuyche Loſſes and Forffeturs, that Conſciens " and Pitty wolde not that they ſhulde not be " hoole leved, That thenne by the Advyſe of the " ſaid Ordinary Judge, and of the ſaide Rulers " and Governours of the ſaide Fraternite, for " the Tyme being, the ſaid Fyns and Forfet- " tures, by Grace, ſhall be mittigated and " leſſid, as the Caſe ſhall require, after theyr " Diſchrecioun̄s."

The Fryars Hall made a Glaſs-Houſe.

In *Stow*'s Time, the Place where this Church ſtood was made a Carpenter's Yard and a Tennis-Court, and the Fryars-Hall a Glaſs-Houſe; which Houſe, in the Year 1575, on the fourth of *September*, burſt out in a terrible Fire, and having in it about 40,000 Billets of Wood, was conſumed to the Stone Walls, which were ſo thick, that they prevented the Fire ſpreading any farther.

Sir John Milbourn's *Alms-Houſes.*

Adjoining to this Fryars Church, by the Eaſt End thereof, in *Woodroſ-lane*, towards *Tower-hill*, are certain Alms-Houſes, fourteen in Number, built of Brick and Timber, founded by Sir *John Milbourn*, Draper, ſome Time Mayor, 1521.

The Inſcription.

And over the Gate towards the Street, the old Inſcription, on a four-ſquare Stone, is ſtill remaining, with the Figure of the Aſſumption of our Bleſſed Lady, ſupported by ſix Angels, in a Cloud of Glory. The Inſcription is, *Ad laudem Dei & glorioſe Virginis* MARIE, *hoc Opus erexit Dominus* JOHANNES MILBOURN, *Miles & Alderman. hujus Civitatis*, A. D. 1535.

Number of Alms-Men.

Wherein are placed thirteen aged poor Men, and their Wives, if they have Wives: Theſe have their Dwellings, Rent-free, and 2 *s.* 4 *d.* a-piece, the firſt Day of every Month, for ever.

Champion's *Benefaction thereto.*

Sir *Richard Champion*, Draper, Mayor, about the eighth of Queen *Elizabeth*, gave 19 *l.* 14 *s.* *per Annum*, to thirteen poor Alms-Men at *Tower-hill*: On whom Sir *John Milbourn*, Draper, and Founder, had ſettled the like Maintenance of 19 *l.* 14 *s.* before.

Concerning this Gift of Sir *John Milbourn*, it appears by *Dolphin*'s Will, that he built thirteen Alms-Houſes in his Life-time on a Plat of Ground in the Pariſh of St. *Olave*'s, near the *Tower*, in *Aldgate* Ward, next adjoining on the South Part of the Choir or Chancel of the Conventual Church of the Priory of *Croſſed-Fryars* of *London*, and the Convent of the ſaid Place, within the Precinct ſome Time of their Houſe. Which Plat or Parcel of Ground contained in the Eaſt Part thereof from North to South, that is to ſay, from the South-Eaſt Corner of the ſaid Church along by the Highway there, unto the new Houſe of one *John Martin*, 115 Feet and one Inch of Aſſize: And in Breadth from Eaſt to Weſt, that is to ſay, from the aforeſaid Way to the Convent Garden, 16 Feet and ſix Inches of Aſſize, *&c.* and ſo it goes, on ſetting out the Dimenſions. The ſaid 13 Tenements, or Cottages, contained about the eighth Part of an Acre, with the Appurtenances. This Sir *John Milbourn* had of *Edmund Stretham*, Prior of the *Croſſed Fryars*, and the Convent; recovered 26 *Henry* VIII. as in the Huſtings of *London* appeareth of Record. *Dolphin's Will concerning theſe Alms-Houſes.*

Of theſe ſaid thirteen Tenements, or Cottages, the ſaid *Milbourn*, and Dame *Johan*, his Wife, made a Gift in Truſt unto one *William Dolphin*, Citizen and Draper; as alſo of eleven other Meſſuages in ſeveral Pariſhes in *London*: Which were bought with the Money and Goods of the ſaid Sir *John Milbourn* and Dame *Johan*.

The Houſes were theſe: Five Meſſuages in *Thames-ſtreet*, in the Pariſh of St: *Laurence Pountney*: Two Meſſuages with their Appurtenances in the Pariſh of St. *Nicholas* near *Newgate*: Two Meſſuages with their Appurtenances in St. *Martin's the Great*, ſome Time belonging to the Reverend Father in Chriſt, *John*, Archbiſhop of *Thebes*, and Commendatory perpetual of *Carliſle*: Two Meſſuages or Tenements and Gardens, ſome Time *John Cheſter*'s, afterwards Dame *Johan*, his late Wife, married to Sir *John Milbourn*, lying in the Pariſh of our Bleſſed Lady of *Aldermary*: Eleven in all.

All theſe eleven Meſſuages, with the ſaid thirteen Cottages, the ſaid *William Dolphin*, by his Laſt Will, bearing Date the eighth Day of *December*, 36 *Henry* VIII. deviſed and bequeathed to the Maſter and Wardens, Brethren and Siſters of the Guild or Fraternity of our Bleſſed Lady of Drapers; to have and to hold to them and their Succeſſors for ever, for theſe Uſes, *viz.* with Part of the Rents and Iſſues, to diſpoſe and diſtribute 32 *s.* 10 *d.* *Sterling*, at twelve Times of the Year, to thirteen poor People, Houſeholders, either wedded Perſons or unmarried, Brethren or Siſters, of the ſame Fraternity of Drapers, as ſhould be admitted to the thirteen Rooms: That is, 7 *d.* a Week a-piece, on every firſt Day of the Month, beginning the firſt Day of *May* in the Year 1536.

And in caſe there ſhould not be found within the Company of Drapers ſo many poor Houſeholders as would receive the ſame Alms, then there ſhould be named, to ſupply the ſame Number of Alms-men, other Houſeholders of the Pariſh of St. *Edmund*'s in *Lombard-ſtreet*, and St. *Bartholomew the Little*, to receive the ſaid Alms.

Theſe poor People were to be thus qualified, *viz.* to be of honeſt Converſation, and not detect-

ed of any open Crime; and after their Admiſſion, ſhould be reſtant and abiding upon the ſame; and not to keep any common Selling of Ale, Beer, or Wine, or any other Thing concerning Tippling, or any petty Oſtrey.

They were to be nominated, and put in, by Sir *John Milbourn*, and Dame *Johan* his Wife, during their mortal Lives; and after their Deceaſes, by their Executors, and then by the Maſter and Wardens and Aſſiſtants of the Drapers for ever: And the ſaid Beadſmen, or Alms-Men, were daily to come unto the Church of the *Croſſed Fryars*, in ſome Place near to the Tomb of the ſaid *Milbourn*, and Dame *Johan*; and there to abide and continue while the Service of God was ſaid.

Next to the Alms-Houſes was the Houſe of the Lord *Lumley*, built in the Time of *Hen.* VIII. by Sir *Thomas Wiat*, the Father, upon a Piece of Ground that belonged to the *Croſſed Fryars*; which is the fartheſt Part of *Aldgate* Ward.

On the South Side of *Fenchurch-ſtreet*, over-againſt the Pump, among other large and handſome Houſes, was one, ſome Time belonging to the Prior of *Monte Jovis*, or *Monaſtrie Cornute* (*Hornchurch*) in *Eſſex*. It was the Prior's Inn, when he came to *London*.

Remarkable Things.

The moſt remakable Things in this Ward at preſent are,

Pariſhes.

Firſt, Four Pariſh-Churches, (1) St. *Katherine-cree* or *Chriſt-church*, (2) St. *Andrew Underſhaft*, (3) St. *Catherine Coleman*, (4) St. *James Duke's Place*, and the Pariſh of St. *Mary-axe*, united and annexed to the Pariſh of St. *Andrew Underſhaft*; of which more particularly in the Parochial State of this City.

Secondly, The *Navy-Office*, which is a large modern Building, very commodious for Buſineſs; the Office where the Commiſſioners meet, and the ſeveral Clerks keep their Books, being placed in the midſt of a large Court, apart from the reſt of the Buildings round about it, which are ſet apart for the Reſidence of the Commiſſioners and principal Officers; the Office being thus built apart to prevent the Danger of firing the Books, &c. This Office has another Entrance into *Seething-lane*, and another by *Tower-hill*.

Thirdly, The HALLS:

Halls.

(1.) *Bricklayers-hall*, a Building of Brick in the Year 1627, on the South Side of *Leaden-hall-ſtreet*, almoſt facing St. *Katherine-cree* Church: But ſo covered with private Houſes and Shops in the Front, that it cannot be ſeen from the Street, the Way to it being thro' a very narrow Paſſage.

(2.) *Fletcher's-hall*, at the North-Eaſt Corner of St. *Mary-axe-ſtreet*.

(3.) *Ironmongers-hall*, at the Extremity of the Ward, in *Fenchurch-ſtreet*, a very fine modern Building, erected in the Year 1748, with a Stone Front, agreeable to the Elevation annexed.

Publick Buildings.

Fourthly, Other publick Buildings:

(1.) An Independent Meeting-houſe at the South End of *Bury-ſtreet*, and another on the Side of *Poor-jury-lane* near the North End.

(2.) Three *Jews Synagogues*, one at the North End of *Bury-ſtreet*, as mentioned before; and another in *Magpye-alley* for the *Portugueze*, and other *Jews* from *Spain*, *Italy*, and other Countries on the South and Eaſt; and one in *Duke's-place* for the *Dutch*, *German*, and other *Jews* from the North and Weſtern Parts.

(3.) *Aldgate*; of which there has been given a Deſcription on Page 22, Vol. I. where for Sir *John Taſh* read Sir *John Caſs*.

Sir *John Caſs*, Knt. Alderman, Sheriff, and one of the Repreſentatives of this City in two ſucceſſive Parliaments, built two Schools near the Church of St. *Botolph* without *Aldgate*, (*A. D.* 1709.) in his Life-time, and at his own Expence, for the Charity-Children belonging to *Portſoken* Ward, who till then were clothed and educated by voluntary Contributions. Theſe Schools, for fifty Boys and forty Girls, were at firſt endowed by him with an Annuity out of ſome contiguous Building; and from the Profits ariſing out of the Burials in a certain Vault near the Church, built at the ſame Time; and opened with great Solemnity in 1710, by a Sermon in St. *Botolph*'s, the Pariſh-Church, preached by the Moſt Rev. Sir *William Dawes*, attended by ſixteen Peers, and forty Members of the Houſe of Commons. This Benefaction was afterwards, by his laſt Will, dated *July* 5, 1718, augmented with an Annuity of 150 *l.* more, for providing Salaries for the Maſter and Miſtreſs, and Cloathing for the Children; and with the Reſidue of his Eſtate after the Death of his Wife, which he gave to Mr. *Valentine Brewis*, and eight other Truſtees, in Truſt, to provide a ſufficient Dinner every Day for the ſaid Children, and for other Purpoſes. But Sir *John*'s Breath failing him, when he had ſigned with his Name only two Sheets of his Will, which conſiſted of ſeveral Sheets of Paper, it was neceſſary after his Death to apply to Parliament to get this his laſt Will eſtabliſhed by an Act; in which the Truſtees were greatly aſſiſted by the Lady *Caſs*; and the Act paſſed the Houſe of Lords. But the Heirs at Law claiming the Freehold Eſtates, which could not be conveyed by ſuch an imperfect Will, the Commons threw it out at the ſecond Reading. This was in the Year 1726.

On the Death of Lady *Caſs*, on *July* the 7th, 1732, Mr. *Valentine Brewis*, then Deputy of *Portſoken-Ward*, ſolely ſtood up in behalf of Sir *John*'s laſt Will,; which he proved in due Form, and then commenced a Suit in *Chancery* for the Eſtabliſhment of this Charity, none of the other Truſtees being willing to embark in ſo knotty an Affair. But this Gentleman dying in *October* 1738, tho' the Suit abated for awhile after his Death, the Ward was prevailed upon by their Principals, in 1742, to revive it, and obtained a Decree in *Chancery* to eſtabliſh as well the Freehold as Copyhold Eſtates for the Uſes declared by the ſaid Will. However, the Charity ſtill remained dormant. The many and long Accompts that were now ordered to be paſſed before a Maſter in *Chancery* had like to have fruſtrated the Deſigns of the pious Founder, had not Mr. *Gaſcoyne*, then one of the Common Council of *Portſoken* Ward, now Sir *Criſpe Gaſcoyne*, Knt. Alderman, and late Lord-Mayor of *London*, with indefatigable Pains unravelled and digeſted the Proceedings of the Accomptant and

and two Attornies, who had got the Management of the Eſtate, and the Receipt of its Profits, in their Hands; which was finally adjuſted and laid before a general Veſtry of the Freedom Part of St. *Botolph*'s Pariſh, or whole Ward of *Portſoken*, on the firſt of *April*, 1747, to their general Satisfaction. And, in Conſequence of this Proceeding, the Maſter's Report was finiſhed and confirmed by the Lord Chancellor in *April* 1748; when his Lordſhip approved of the Scheme ſtated therein, for the preſent Eſtabliſhment of the Charity, and gave Directions for the Appointment of twenty-one Truſtees for the Care and Management thereof, therein-named; and thoſe to be from Time to Time filled up, when the Number of the Truſtees is reduced to eleven. Nineteen of theſe Truſtees appointed in *Chancery* met at the School-Room on the thirteenth of *July* following, and elected Mr. Alderman *Gaſcoyne* Treaſurer of the Truſt-Eſtate. And upon an Account delivered in the Year 1749, the Eſtate conſiſted of a Capital Fund of between 400 and 500 *l. per Ann.* Real Eſtate, and 5000 *l.* in Money. Their next Care was to provide a Maſter and Miſtreſs with their Lodging, and a School-Room convenient, which at preſent is over *Aldgate*.

CHAP. VIII.

BASINGHALL, or *BASSISHAW* WARD.

[*See the* PLAN *of this* WARD, *joined to that of* COLEMAN-STREET WARD.]

The Situation and Bounds of Baſinghall *Ward. Whence it takes its Name. Its preſent State and Government. Remarkable Things therein. Of* Blackwell-hall, Maſons-hall, Girdlers-hall, Weavers-hall. *Their Charter from King* Henry II.

The Situation and Bounds of this Ward.

Baſinghall Ward is very ſmall, conſiſting of one Street, called *Baſinghall-Street*, from *Baſings-hall*, which was the principal Houſe in it. This Ward is bounded on the Eaſt and South by *Coleman-ſtreet* Ward, on the North by *Cripplegate* Ward, on the Weſt by *Cheap* Ward and *Cripplegate* Ward: It begins in the South at *Bakewell-hall*, alias *Blackwell-hall*, which is the laſt of *Coleman-ſtreet* Ward; and runs from thence North down to *London-wall*, and 88 Feet Eaſt, and 54 Weſt againſt the ſaid Wall.

The Origin of its Name.

Of old Time, the moſt noble Perſons that inhabited this City were appointed to be principal Magiſtrates there; as was *Godfrey de Magun* (or *Magnaville*) *Portgrave*, or Sheriff, in the Reign of *William the Conqueror*, and of *William Rufus*. *Hugh de Buck*, in the Reign of *Henry* I. *Aubery de Vere*, Earl of *Oxford*. After him *Gilbert Becket*, in the Reign of King *Stephen*. After that, *Godfrey de Magnaville*, the Son of *William*, the Son of *Godfrey de Magnaville*, Earls of *Eſſex*, were *Portgraves*, or Sheriffs of *London* and *Middleſex*. In the Reign of *Henry* II. *Peter Fitzwalter*; after him, *John Fitznigel*, *&c.* So likewiſe in the 16 of King *John*, *A. D.* 1214, a Time of great Troubles, *Solomon Baſſing*, and *Hugh Baſſing*, Barons of this Realm, were Sheriffs; and the ſaid *Solomon Baſſing* was Mayor in the Year 1216, which was the firſt of *Henry* III. Alſo *Adam Baſſing*, Son of *Solomon*, was one of the Sheriffs in the Year 1643, the 28th of *Henry* III. unto which *Adam de Baſſing* the ſaid King, in the 31ſt of his Reign, gave and confirmed certain Meſſuages in *Aldermanbury*, and in *Milk-ſtreet*, (Places not far from *Baſſings-hall*) and the Advowſon of the Church at *Baſſings-hall*, with certain Liberties and Privileges. He was afterwards Mayor, *A. D.* 1251, the 36th of *Henry* III. and *Thomas Baſſing* was one of the Sheriffs, *A. D.* 1269.

Robert Baſſing was Sheriff, 1279, and *William Baſſing* ſerved the ſame Office for this City in 1308. This Family ſpread itſelf into *Cambridgeſhire*, near to a Water, or *Bourn*, and was therefore, for a Difference, called *Baſſing* at the *Bourn*, and, more ſhortly, *Baſſingbourn*; which gave the ſame Arms, and left their Name to the Place where they dwelt.

Preſent State of this Ward.

Baſinghall-ſtreet, of which this little Ward conſiſts, is of no great Uniformity, as not running ſtrait, nor of an equal Breadth. But it is graced with good Buildings, and well inhabited by Merchants.

On the Eaſt Side, beginning at the South End, is *Maſons-alley*, which, by Permiſſion of the Owner of the Houſe under which the Way is made, is a Paſſage into *Coleman-ſtreet*, facing *Bell-alley*, of great Convenience to the Inhabitants and all the Paſſengers from the North-Weſt to the *Royal Exchange*, &c. This Alley is paved with Flag-Stones, and kept very clean. More Northward is *Potters-alley*, or *Court*, as ſome call it, a ſmall Place; and *Shooters-court*, alſo ſmall, with a Free-Stone Pavement: Here is another Court at the North-Eaſt Corner, which takes its Name from the Street, and leads through to *London-wall*. Then, turning from the Wall down the Weſt Side, we meet with no Alleys or Courts 'till we come to *Church-alley*, the Name of the Paſſages on both Sides the Church, which lead into *Aldermanbury*; but there are a Pair of Gates in the Centre at the Weſt End of the Church, ſhut up at Nights. In the Alley on the North Side is *Youngs-court*, a very decent ſmall Place. More to the South is *Guildhall-court*, which is well built and inhabited by the Chamberlain, Town-Clerk, and ſome other Officers chiefly depending on the City Buſineſs tranſacted in *Guildhall*. This Court has a Thoroughfare into *Guildhall-yard*, that opens between the Hall and the Chapel; and it leads into the great Hall by a back Stairs.

There are 25 Feet Weſt of *Cateaton-ſtreet*, Northward, in this Ward.

There are to watch at the ſeveral Stands in this Ward, every Night, a Conſtable, a Beadle, and 12 Watchmen.

The Jurymen returned by the Wardmote Inqueſt, for this Ward, are to ſerve in the ſeveral Courts in *Guildhall* in the Month of *March*.

This Ward hath an Alderman, his Deputy, four Common-Councilmen, two Conſtables, two Scavengers,

Scavengers, 17 Wardmote Inqueſt Men, and a Beadle.

It is taxed to the Fifteen in *London* at 7 *l.* and likewiſe in the *Exchequer* at 7 *l.*

Aldermen, Common-Council-men.

The preſent Alderman of this Ward is *William Baker*, Eſq; and the Common Council are, Mr. *William Colthurſt*, Deputy, *Francis Cooper*, Eſq; Mr. *Samuel Ellis*, Mr. *Thomas Fludyer*.

The moſt remarkable Things in this Ward are,

(1.) St. *Michael's* Church, called *Baſſiſhaw* Church; of which hereafter.

(2.) On the Weſt Side, almoſt at the South End of the Street, is *Bakewell-hall*, corruptly called *Blackwell-hall*, and antiently *Baſſing's-hall*, a Building of great Antiquity, belonging to the antient and renowned Family of *Baſſings*, and was therefore called *Baſſings-haugh*, or *Hall*. Authors, who ſaw the Arms of this Family on ſeveral Parts of the antient Building, confirm this Opinion. Theſe Arms were, *a Gerond of twelve Points, Or and Azure.*

Blackwell-hall.

But how *Bakewell-hall* took that Name, is another Queſtion. It is ſaid that *Thomas Bakewell* dwelt in this Houſe in the 36th of *Edward* III. and that in the 20th of *Richard* II. the ſaid King, for the Sum of 50 *l.* which the Mayor and Commonalty had paid into the *Hanaper*, granted Licence, ſo much as was in him, to *John Froſh*, *William Parker*, and *Stephen Spilman*, Citizens and Mercers, that they, the ſaid Meſſuage, called *Bakewell-hall*, and one Garden, with the Appurtenances, in the Pariſh of St. *Michael* of *Baſſings-haugh*, and of St. *Laurence* in the *Jewry* of *London*, and one Meſſuage, two Shops and one Garden, in the ſaid Pariſh of St. *Michael*, which they held of the King in Burgage, might give and aſſign to the Mayor and Commonalty for ever, *ad opus Communitatis*; *i. e. for the Uſe of the Corporation:* And *Bakewell-hall* from that Time has been chiefly employed as a weekly Market-Place for Woollen Cloths, broad and narrow, brought from all Parts of this Realm to be ſold there. In the 21ſt of *Richard* II. *Richard Whittington* Mayor; and in the 22d, *Drew Barringtine* being Mayor, it was decreed, that no Foreigner or Stranger ſhould ſell any Woollen Cloth, but in *Bakewell-hall*, upon Pain of Forfeiture thereof.

An Act of Common Council, held *Auguſt* the firſt, in the eighth of *Henry* VIII. concerning *Blackwell-hall:*

" Whereas by an Act of Common Council, " in the twenty-ſecond Year of the Reign of " King *Richard* II. it was ordained and eſtabliſh- " ed, That no manner of Perſon ſhould bring " or convey any Woollen Cloths to the ſaid " City, to be ſold, except they were firſt brought, " harboured, and diſcharged, at the common " Market of *Blackwell-hall*, therefore ordained " and provided, and of old Time accuſtomed, " upon Pain of Forfeiture of all the ſaid Cloths " ſo harboured and laid, contrary to the ſaid Or- " dinance, was, by another Act of Common " Council, held at the *Guildhall* aforeſaid, the " Day and Year aboveſaid, ratified, approved, " and confirmed. And over that, it is now at " this preſent ordained, eſtabliſhed, and enacted, " That no Manner of Perſon, being Freeman " of this City, after the Feaſt of the Nativity " of our Lady, next coming, ſuffer any Man- " ner of Perſon whatſoever, be he Free or " Foreign, to buy or ſell any Manner of Wool- " len Cloths, harboured, or lodged, contrary to " the ſaid Ordinance: As Broad-cloth, Kerſeys, " Cottons, *Bridgewater* Frizes, Doſſeins, or any " other Manner of Cloth made of Wool, " within his Shop, Chamber, or other Place " within his Houſe, unleſs the ſaid Cloths were " firſt brought to *Blackwell-hall* aforeſaid, and " there bought and ſold: Or elſe the ſaid Free- " man, the ſaid Cloths lawfully brought in the " Country, out of the ſaid City; upon Pain " to forfeit and to pay, to the Uſe of the " Commonalty of this City, for the firſt Of- " fence, for every Broad-cloth ſo ſold, har- " boured, or lodged, contrary to the ſaid Or- " dinance, 6 *s.* 8 *d.* for every Kerſey, 3 *s.* 4 *d.* " for every Doſſein, *Bridgewater*, and other " Pieces of Cloth made of Wool, 20 *d.* And for " the ſecond Offence, the ſaid Pains to be doub- " led. And for the third Offence, the Party " ſo offending to be diſfranchiſed, and de- " prived clearly from the Liberties of this City " for ever."

This Houſe growing ruinous, and in Danger of falling, was taken down; and in the Month of *February* next following, the Foundation of a new, ſtrong, and beautiful Store-Houſe being laid, the Work was finiſhed in the Space of ten Months, in the Year 1558, at the Charge of 2500 *l.* 300 *l.* whereof was a Legacy of Mr. *Richard May*, Merchant-Taylor. This was demoliſhed in the Flames of 1666, and re-erected *Anno* 1672. The Door-Caſe in the Front, next *Guildhall*, is of Stone, adorned with two Columns, Entablature and Pediment of the *Dorick* Order; in the Pediment are the King's Arms, and the Arms of the City are lower, enriched with *Cupids*, &c.

Rebuilt.

Finiſhed.

The City gave to *Chriſt's* Hoſpital the Profits ariſing from Lodging and Pitching of Cloth in the ſeveral Warehouſes, or Halls; for here is the *Devonſhire*, *Gloceſter*, *Worceſter*, *Kentiſh*, *Medley*, *Spaniſh* and *Blanket Halls*; beſides the like Profits of the Bays at *Leadenhall*. Cloths pay 1 *d.* each Pitching, and a Half-penny *per* Week Reſting; and, to avoid Trouble, every Factor has a Reſt, or one certain Number, for which he pays; as for Example, admit a Reſt to be 180 Cloths:

And the next Week there are Cloths pitched. — — —		90
	s.	*d.*
He pays 90 *d.* Pitching	7	6
And Reſting 90 Half-pence	3	9
In all	11	3

Stockings and Blankets pay by the Pack; all which, it is ſaid, amounts to about 1100 *l. per Ann.* clear. There are alſo ſeveral Statutes relating to the Regulation of this Market, as to Factors, and others concerned; and the whole Management is under the Inſpection of the Governors of *Chriſt's* Hoſpital. See p. 462.

From this Hall Northward, are ſeveral good Houſes, to the Back-gate of *Guildhall*; which Gate, and Part of the Building within the ſame, are of this Ward.

Coopers Hall. (3.) Some ſmall Diſtance from this Gate the *Coopers* have their Common Hall: It is well built of Brick, and the Hall is a handſome Room, wainſcotted about fourteen Feet high, paved with Marble, adorned with ſeveral Coats of Arms in the Glaſs, and the Portraiture, at full Length, of Sir *John Fleet*, Lord-Mayor, 1693, and that of Mr. *Henry Stroud*, another worthy Member, who at his Deceaſe, *An.* 1704, when he died Maſter of the Company, gave 6500 *l.* to build and endow a Free-School and Alms-Houſes at *Egham*. And under the King's Arms is the Buſto of King *William* III.

Maſons Hall. (4.) On the Eaſt Side is *Maſons-hall*, in *Maſons-alley*. It is ſmall, but well built of Stone, and is bounded on the Weſt by *Coleman-ſtreet* Church-yard.

Weavers Hall. (5.) The next is *Weavers-hall*, which is neatly adorned on the Inſide with Hangings, Fret-Work, and a Screen of the *Ionick* Order. The Company is of great Antiquity, as appears by a Charter of *Henry* II. in theſe Words, *Rex omnibus, ad quos*, &c.

" *Henry*, King of *England*, Duke of *Normandy*, " and of *Guian*, Earl of *Anjou*, to the Biſhop, " Juſtices, Sheriffs Barons, Miniſters, and all " his true Lieges of *London*, ſendeth greeting. Know ye, that we have granted to the " Weavers in *London*, their Guild to be had " in *London*, with all the Freedoms and Cuſtoms that they had in the Time of King " *Henry*, my Grandfather. So that none but they " intromit within the City of their Craft, but he " be of their Guild; neither in *Southwark*, or " other Places pertaining to *London*, otherwiſe " than it was done in the Time of King *Henry*, " my Grandfather. Wherefore I will and " ſtraightly command, that over all lawfully " they may treat, and have all aforeſaid; as well " in Peace, free, worſhipful, and wholly, as they " had it, freer, better, worſhipfullier, and wholier, than in the Time of King *Henry*, my " Grandfather. So that they yield yearly to me " two Marks of Gold, at the Feaſt of St. *Mi-* " *chael*. And I forbid, that any Man to them " do any Unright, or Diſeaſe, upon Pain of ten " Pounds. Witneſs *Thomas* of *Canterbury*, *War-* " *wick fil. Gar.* Chamberlaine, at *Wincheſter*.

The ſame *Henry* II. in the thirty-firſt of his Reign, confirmed to the Weavers in *London*, that made Woollen Cloth, the Correction thereof; and amongſt other Articles decreed, *That if any Man made Cloth of* Spaniſh *Wool, mixed with* Engliſh *Wool, the* Portgrave, *or chief Magiſtrate of* London, *ought to burn it.*

King *Henry* III. granted to the Citizens of *London*, that they ſhould not be vexed for the Burrels, or Cloth-liſted, according to the Conſtitution made for Breadth of Cloth the 9th of his Reign. *Richard* II. in the 3d of his Reign, granted an Order of Agreement between the Weavers of *London*, *Engliſhmen*, and Aliens or Strangers born, brought in by *Edward* III.

(6.) Almoſt at the North End of the Street is *Girdlers* Hall, well wainſcotted within, and adorned with a beautiful Screen of the *Compoſite* Order. *Girdlers Hall.*

CHAP. IX.

BILLINGSGATE WARD.

With a PLAN *on a* COPPER-PLATE, *neatly engraved from a* NEW SURVEY.

Situation, Bounds, and Contents of Billingſgate *Ward. Whence it derives its Name. Pariſhes and Pariſh-Churches. Government and Preſent State.* Billingſgate Market. *Keys or Docks.* Butchers Hall. *Fire of* London. *Antiquities.*

BILLINGSGATE Ward is ſituated on the River Side, and is therefore bounded on the South by the *Thames*, on the Eaſt by *Tower-Street* Ward, on the North by *Langborne* Ward, and on the Weſt by the Ward of *Bridge Within*. It begins at the Weſt End of *Tower-ſtreet* Ward in *Thames-ſtreet*, about *Smart*'s Key, and runs along that Street, on the South Side, to St. *Magnus* Church, at the Bridge Foot, and on the North Side of the ſaid *Thames-ſtreet*, from over-againſt *Smart's* Key, till over-againſt the North-Weſt Corner of St. *Magnus* Church aforeſaid. Billingſgate *Ward.*

The Contents, from *Thames-ſtreet* to the North, are the Street of St. *Mary-at-Hill*, *Love-lane*, *Botolph's-lane*, *Pudding-lane*, *Little Eaſtcheap*, and a conſiderable Part of *Rood-lane* and *Philpot-lane*, with ſeveral other *croſs* Lanes, Alleys, and Courts.

As to the Derivation of the Name given to this Ward, Authors are not agreed; but the moſt probable Opinion refers us to ſome eminent Perſon, who, in antient Times, had large Poſſeſſions in this Part of the City, or held this Ward by the ſame Tenure, as the *Baſings*, &c. held other Wards; and tho' we do not attempt to ſupport the exploded Hiſtory of King *Belinus*, related by *Fabian* and others, it is certain this Name appears in the firſt Liſt of Wards. See Page 105.

The preſent State and Condition of this Ward:

Preſent State of this Ward.

Thames-ſtreet is a Place of very conſiderable Trade, on Account of its convenient Situation near the Water, the *Cuſtom-Houſe*, *Billingſgate*, and the ſeveral Wharfs and Keys for lading and unlading Merchants Goods, &c. and is very well built for that Purpoſe.

The Keys, Wharfs, and Docks, which are now aſſigned and allowed to be lawful by an Act of Parliament, for ſhipping, lading, and landing of Goods and Merchandizes, are theſe: 1. *Brewer's-key*, 2. *Cheſter's-key*, 3. *Galley-key*, 4. *Wool-dock*, 5. *Cuſtomhouſe-key*, 6. *Porter's-key*, 7. *Bear's-key*, 8. *Sab's-key*, 9. *Wiggan's-key*, 10. *Young's-key*, 11. *Raſe's-key*, 12. *Dice-key*, 13. *Smart's-key*, 14. *Billingſgate*, 15. *Somer's-key*, 16. *Lion's-key*, 17. *Botolph's-key*, 18. *Hamon's-key*, 19. *Gaunt's-key*, 20. *Cock's-key*, and *Freſh-wharf*. Theſe Keys or Wharfs are chiefly named from their firſt Proprietors, or particular Uſe or Situation; as *Botolph's-wharf*, called in the *Conqueror's*

Botolph's *Wharf.*

queror's Days *Botolph's-gate*: And we obſerve, that this Wharf was in the Crown in *Edward* I's Time, who granted it to *Richard de Kingſton* in theſe Words: "Our common Key of St. *Botolph* "next *Billingſgate*, *London*, with free going in "and out to the ſame, in the Eaſt Head of "the ſame Place: Which Place hath Land con- "tained from the Tenement of the ſaid *Richard* "againſt the Weſt, and to the Head of the ſaid "Church, and the common Way which leadeth "to the *Thames* againſt the Weſt, eighteen Ells "and one Quarter of an Ell, of the Iron Ell of "our Sovereign Lord the King of *England*, with- "out Inches meaſured: And it containeth in "both Heads, from the Wall of the ſaid Church "unto our common Key, in Breadth ſix Ells of "the Ell aforeſaid, without Inches meaſured. To "have and to hold to the ſaid *Richard* and his "Heirs, and to whom he will give, ſell, be- "queath, aſſign, or any other mannerwiſe alien, "and their Heirs, of us, our Succeſſors, *&c.* "freely, quietly, well, and in Peace, *&c.* yield- "ing therefore a Silver Penny at the Feaſt of "the Nativity of St. *John Baptiſt*, for all Ser- "vices, *&c.*"

Billingſ- gate.

Billingſgate is that from which the Ward takes its Name, being a large Water-gate, Port, or Harbour for ſmall Veſſels, which here arrive with Fiſh, Salt, Oranges, Lemons, Onions, and ſeveral other Commodities; and in the Summer Seaſon with Abundance of Cherries from *Kent*. Likewiſe Wheat, and other Grain at *Smart's-key*. And theſe Stairs of *Billingſgate* are very much reſorted unto by the *Graveſend* Watermen, this being the noted Place to land and take Water at, for that and other Eaſtern Towns down the River. And here the Coalmen and Woodmongers meet every Morning about Eight or Nine o'Clock, this Place being their *Exchange* for the Coal Trade, which brings a great Reſort of People, and occaſions a great Trade to the Inhabitants.

Touching the antient Cuſtoms of this *Billingſgate*, I have not read, ſaith *Stow*, in any Record, more than that in the Reign of *Edward* III. every great Ship landing there paid for Standage two Pence; every little Ship with Orelocks, a Penny; the leſs Boat, called a *Battle*, a Halfpenny. Of two Quarters of Corn meaſured, the King was to have one Farthing; of a Comb of Corn, a Penny; of every Weight going out of the City, a Halfpenny; of two Quarters of Sea-Coals meaſured, a Farthing; and of every Tun of Ale going out of *England* beyond the Seas, by Merchant Strangers, four Pence; of every thouſand Herrings, a Farthing, except the Franchiſes.

Altho' *Stow* ſaith theſe Payments were not made before the Reign of *Edward* III. yet it appears in *Brompton*'s Chronicle, *inter Leges* Ethelredi, which was *Anno* 1016, that Tolls were then paid at *Billingſgate*.

An Act of Parliament was made (10 & 11 of *William* III.) to make *Billingſgate* a free Market for the Sale of Fiſh; when it was enacted, "That "after the tenth of *May*, 1699, *Billingſgate* "Market ſhould be every Day in the Week, "except *Sunday*, a free and open Market for "all Sorts of Fiſh; and that it ſhould be lawful "for any Perſon to buy or ſell any Sort of Fiſh "without Diſturbance."

This Act alſo ſettled the Tolls to be paid by the Fiſher-Boats; enacting, "That after the ſaid "tenth of *May*, no Perſon ſelling any Sort of "Fiſh in the ſaid Market, ſhould pay any other "Toll or Duty, to any Perſon or Perſons, for "coming with his Boat or Veſſel, or landing, "ſtanding, or ſelling, in or at this Market, "than it was hereafter expreſſed, *viz.* for every "Veſſel of Salt Fiſh, for Groundage, eight "Pence *per* Day, and twenty Pence *per* Voyage, "and no more, in Full of all Duties and De- "mands, to be diſtributed and diſpoſed of as the "Lord-Mayor, *&c.* ſhall yearly order and di- "rect, according to the Right of the reſpective "Perſons thereunto. For a Lobſter-Boat, for "Groundage, *per* Day, two Pence, and *per* "Voyage thirteen Pence, and no more, in full "as aforeſaid. For every Veſſel of freſh Sea "Fiſh, Groundage, *per* Day, two Pence, and "*per* Voyage thirteen Pence. For every Dogger- "Boat or Smack with Sea Fiſh, for Groundage, "*per* Day, two Pence, and *per* Voyage thirteen "Pence. For every Oyſter-Veſſel or Cock, *per* "Day, two Pence, for Metage one Halfpenny "*per* Buſhel.

"And that it ſhould be lawful for any Perſon, "that bought any Fiſh in the ſaid Market, "to ſell the ſame again in any other Market, "Place, or Places in the City of *London*, or "elſewhere, by Retail, being ſound and whole- "ſome Fiſh, without any Diſturbance or Mo- "leſtation.

"And that from and after the tenth of *May*, "that Perſon that ſhould take or demand any "Toll or Sample, or any Impoſition, or ſet "Price of Sea Fiſh, of *Engliſh* catching, ſhould "forfeit the Sum of ten Pounds, the one Half to "his Majeſty, and the other Half to him that "will ſue for the ſame."

And becauſe the Fiſhmongers cauſed the greateſt Part of the Fiſh to be bought up at *Billingſgate*, and then divided the ſame by Lot among themſelves, in order to buy and ſell at what Rate they pleaſed, it was alſo enacted, "That no Perſon whatſoever ſhould, after the "ſaid tenth of *May*, buy, or cauſe to be bought, "at the ſaid Market of *Billingſgate*, any Quantity "of Fiſh, to be divided by Lot among any "Fiſhmongers, or other Perſons, with an Intent "to be put afterwards to Sale by Retail, or other- "wiſe; nor any Fiſhmonger to engroſs or buy "in the ſaid Market any Quantity of Fiſh, but "what ſhall be for his own Sale or Uſe, and not "on the Behalf of any other Fiſhmongers ex- "poſed to Sale, on Pain of forfeiting twenty "Pounds for every ſuch Offence, the one Half "to the Uſe of the Poor of the Pariſh where "he lives, the other Half to his own Uſe that "ſhall ſue for it. Provided nothing contained "in this Act ſhould be conſtrued to prohibit "the Selling of Mackarel before or after Divine "Service."

Afterwards, upon the ingroſſing of great Quantities of Fiſh by ſome Perſons, to the Violation of this Act, this Order came forth, *Anno* 1707, Sir *Robert Bedingfield*, Lord-Mayor:

Jovis viceſimo ſexto die Junij, 1707, *Annoq; Regni Reginæ* Annæ, Magnæ Britanniæ, *&c. ſexto.*

"Whereas in and by an Act of Parliament "made

" made in the tenth and eleventh Years of the " Reign of King *William* III. intitled, *An Act to* " *make* Billingſgate *a free Market for Sale of Fiſh*, " it is enacted, That it ſhall and may be lawful " for any Perſon or Perſons to buy or ſell any " Sort of Fiſh in the ſaid Market, without any " Diſturbance or Moleſtation whatſoever, and to " ſell the ſame again in any other Market-Place " or Places within the City of *London*, or elſe- " where, by Retail: But, contrary to the true " Intent and Meaning of the ſaid Act, divers " Perſons do frequently buy and ingroſs to them- " ſelves great Quantities of Fiſh, in or at *Bil-* " *lingſgate* Market, and ſell the ſame again in the " ſaid Market; which Practice tends greatly to " the enhancing the Prices of Fiſh, and is puniſh- " able by the Statute made againſt Regrators, in " the fifth and ſixth Years of the Reign of King " *Edward* VI. *Chap.* 14.

" For Prevention whereof for the future, it is " now ordered by this Court, That no Fiſhmonger, " Fiſhwoman, or other Perſon or Perſons whatſo- " ever, do or ſhall hereafter ſell or expoſe to Sale " any Fiſh in or at *Billingſgate* Market, which " was then before bought in the ſame Market; " and that none but Fiſhermen, their Wives, " Apprentices, or Servants, be permitted to " ſtand, ſtay, or remain there, to ſell, by Retail, " the Fiſh by them taken and brought to the ſaid " Market to be ſold, ſo that the Citizens may " have Fiſh at the firſt Hand for their own Uſe, " according to the true Meaning of the Law. " And it is further ordered by this Court, That " the Hours limited for beginning of the ſaid " Fiſh-market at *Billingſgate* ſhall hereafter be " ſtrictly obſerved; that is to ſay, from *Lady-* " *Day* to *Michaelmas*, at Four of the Clock in the " Morning, and, from *Michaelmas* to *Lady-Day*, " at Six o'Clock in the Morning; and that before " thoſe Hours none do preſume to buy or ſell any " Sort of Fiſh at the ſaid Market, (except *Her-* " *rings*, *Sprats*, *Mackarel*, and Shell-Fiſh) on " Pain of being proceeded againſt as Foreſtallers " of the Market. And the Yeomen of the Water- " ſide are ſtrictly enjoined and required to ſee " this Order duly and conſtantly obſerved; and " alſo conſtantly to ring the Bell at *Billingſgate*, " preciſely at the Times aforeſaid, for the Begin- " ning of the Market there: And that without " Fail they cauſe all Perſons that ſhall buy or " ſell Fiſh there, before the ſaid Hours and Ring- " ing of the ſaid Bell, or ſhall regrate Fiſh, that " is to ſay, buy Fiſh, and ſell the ſame again in " the ſaid Market, to be apprehended, and " brought before the Right Honourable the Lord- " Mayor of this City for the Time being, or ſome " Juſtice of the Peace, to be bound over to the " Seſſions, there to anſwer the ſame. And it is " further ordered, That no Fiſh, except *Herrings*, " *Sprats*, *Mackarel*, and Shell-Fiſh, be ſold aboard " any Veſſel or Boat at *Billingſgate*; which the " ſaid Yeomen of the Water-ſide, and the Under " Water-Bailiff, are likewiſe carefully to ſee " obſerved, as they will anſwer the contrary at " their Perils.

GIBSON."

The Hours of the Fiſh-Market at Billingſgate.

And this Place is now more frequented than in antient Time, when *Queenhithe* was made Uſe of for the ſaid Purpoſe, this being more commodious; and therefore it was ordained to be the only Port for all ſuch Sorts of Merchandizes.

Boſs-alley, ſo called from a *Boſſe* of Spring-Water which was erected facing this Alley by the Executors of *Richard Whittington*, is long, but very ordinary, narrow, and dirty.

Near this Alley is St. *Mary-hill*, which runs Northwards unto *Eaſtcheap*, facing St. *Margaret Pattens* Church. This St. *Mary-hill* has very good Houſes on it, inhabited by ſeveral Merchants. On the Eaſt Side is *Croſs-lane*, which falls into *Idle-lane*, againſt St. *Dunſtan*'s Church. *Auſtin's-court*, but mean, lying Northwards of *Croſs-lane*. *Maſſie's-court*, a little more Northwards, hath a dark Paſſage up Steps, and then is an open Court, but mean.

The Church here *Stow* calls St. *Mary on the Hill*, but others have called it St. *Mary at Hill*, becauſe it ſtands not *on* the Hill, but *at*, or *about* the Middle of the Aſcent from *Billingſgate* to *Little Eaſtcheap*. The back Part of the Church ſtands in *Love-Lane*, and adjoining to it is an Alley called *Church-alley*, which leadeth into *Love-lane*, and hath Buildings only on the South Side, pretty good, the other Side lying open to the Church-yard.

Love-lane comes out of *Little Eaſtcheap*, and falls into *Thames-ſtreet*, where it hath but a narrow Entrance only for a Coach or Cart.

St. *Botolph's-lane* is alſo a Deſcent from *Eaſtcheap* into *Thames-ſtreet*, but is well inhabited by wholeſale Dealers in the Orange Trade, *&c.* It is narrow towards *Thames-ſtreet*, but broader upwards, adjoining to the Church: And it muſt not be forgot, that the firſt *London* Bridge acroſs the *Thames* abutted towards the South End of this Lane. See Page 45.

George's-lane, on the North Side, gives an Entrance into the Church, and hath a good Paſſage into *Pudding-lane*. Over-againſt this Church is St. *Botolph's-alley*, indifferently well inhabited, with a broad Free-ſtone Paſſage into *Love-lane*. More Southward is St. *Botolph*'s Church-yard, at the upper End of which are two or three ordinary Houſes.

Pudding-lane, another Deſcent from *Eaſtcheap* into *Thames-ſtreet*, is narrow and ſteep, but a Place of Trade, and well inhabited by conſiderable Dealers in foreign Trade. This was antiently called *Rother-lane*, or *Red-roſe-lane*, from ſuch a Sign there. *Stow* ſays, it was afterwards called *Pudding-lane*, becauſe the Butchers of *Eaſtcheap* had their Scalding-Houſe for Hogs there; and their Puddings, with other Filth of Beaſts, were voided down that Way to their Dung-Boats on the *Thames*.

In this Lane it was that the dreadful Fire of *London*, on the ſecond of *September*, 1666, firſt began. See Page 432, and hereafter in *Bridge* Ward within.

On the Houſe where this diſmal Fire began, this Inſcription was ſet up by Authority:

" *Here, by the Permiſſion of Heaven, Hell brake looſe* " *upon this Proteſtant City, from the malicious* " *Hearts of barbarous Papiſts, by the Hand of* " *their Agent* Hubert, *who confeſſed, and on the* " *Ruins of this Place declared the Fact, for which*

" *he*

This PLAN is most humbly inscribed to MATTHEW BLAKISTON Esq.r *Alderman of BISHOPS-GATE WARD. 1754.*

" *he was hanged*, viz. *That here began the dread-*
" *ful Fire, which is deſcribed and perpetuated*
" *on and by the neighbouring Pillar, erected* Anno
" 1680, *in the Mayoralty of Sir* Patience Ward,
" *Knight.*"

N. B. This Inſcription has been taken away ſome Years.

It was then a Baker's, now a Gentleman's Houſe; and, in Commemoration thereof, there is erected a ſtately *Monument* of Free-ſtone on the Eaſt Side of *Fiſh-ſtreet-hill*; of which in *Bridge* Ward *Within*.

On the Eaſt Side of *Pudding-lane* is *George-lane*, and *Fiſh-yard*, a ſmall Court, with a Free-ſtone Pavement. On the Weſt Side is a Paſſage to *Fiſh-ſtreet-hill*, by the *Monument*; and lower down, to the South, *King's-head-alley*, paved with Free-ſtone.

Little Eaſtcheap is ſevered from *Great Eaſtcheap* by *Gracechurch-ſtreet* and *Fiſh-ſtreet-hill*. It is well inhabited by different Sorts of Tradeſmen. On the North Side, and at the Corner of *Rood-lane*, ſtands St. *Margaret Pattens* Church; and betwixt *Rood-lane* and *Philpot-lane* is *Turner's-alley*, ſmall and narrow.

Rood-lane is well built, and inhabited by Merchants and others; as is alſo *Philpot-lane*; of which more in *Langbourn* Ward.

Talbot-court, in *Little Eaſtcheap*, is a large and well inhabited Place; out of which a narrow Paſſage leadeth into another handſome Court, which hath an Entrance into *Gracechurch-ſtreet*.

There are to watch at the ſeveral Stands in this Ward every Night, beſides a Conſtable and Beadle, thirty Watchmen.

The Jurymen returned by the Wardmote Inqueſt for this Ward, are to ſerve as Jurors in the Courts of *Guildhall* in the Month of *May*.

This Ward hath an Alderman and ten Common-Councilmen, eleven Conſtables, ſix Scavengers, fourteen Men of the Wardmote Inqueſt, and a Beadle. It is taxed to the Fifteenth in *London* at thirty-two Pounds, and in the *Exchequer* at thirty-one Pounds ten Shillings.

The Alderman of this Ward is *William Beckford*, Eſq; one of the preſent Repreſentatives of this City in Parliament. The Common-Councilmen are, *George Woods*, Deputy, Mr. *Samuel Harris*, Mr. *Edward Robinſon*, Mr. *John Cheaney*, Mr. *Henry Cowling*, Mr. *Thomas Merrick*, Mr. *Charles Eaſton*, Mr. *William Harris*, Mr. *John Reed*, and Mr. *James Roſſiter*.

The moſt remarkable Things in this Ward are,

1. The three Pariſhes and Pariſh-Churches of St. *Mary-at-Hill*, of St. *Margaret-Pattens*, and of St. *George Botolph-lane*; and two Pariſhes without their Churches, *viz.* the Pariſh of St. *Botolph Billingſgate*, and of St. *Andrew Hubbard*.

1. In *Pudding-lane* is ſeated Butchers-Hall, in which are three handſome Rooms, finely adorned with Fret-work and Wainſcot, *viz.* an upper and lower Hall, and a Parlour.

3. In *Love-lane*, on the North-Weſt Corner, entering into *Little Eaſtcheap*, is the *Weigh-houſe*, No. 67. built on the Ground where the Church of St. *Andrew Hubbard* ſtood before the Fire of *London*, 1666; which ſaid *Weigh-houſe* was before in *Cornhill*. In this Houſe are weighed Merchandizes brought from beyond the Seas by the King's Beam; to which doth belong a Maſter, and under him four Maſter-Porters, with labouring Porters under them. They uſed to have Carts and Horſes to fetch the Goods from the Merchants Warehouſes to the Beam, and to carry them back. The Houſe belongeth to the Company of Grocers, in whoſe Gift the ſeveral Porters, *&c.* Places were. But of late Years little is done in this Office, as wanting a compulſive Power to conſtrain Merchants to have their Goods weighed, they alledging it to be an unneceſſary Trouble and Charge. Over this Office or Weigh-houſe is a large Room, now made Uſe of as a Meeting-houſe for ſome Diſſenters from the Church of *England*. On the Backſide of this Building is a Paſſage into St. *Botolph's-lane*. The chief Entrance into this Weigh-houſe is in *Little Eaſtcheap*. See Page 469.

In this Ward there was a Houſe called *The Boar's Head*, inhabited by *William Sanderſon*, which came to King *Edward* VI. by the Statute about Chantries; which, with the Shops, Cellars, Solers, and other Commodities and Eaſements, he ſold in the ſecond of his Reign, together with other Lands and Tenements, to *John Sicklemore* and *Walter Williams* for two thouſand ſix hundred and ſixty-eight Pounds, and upwards.

In the Pariſh of St. *Mary-hill* there was a Place called *Septem Cameræ*, which was either one Houſe, or elſe ſo many Rooms or Chambers, which formerly belonged to ſome Chantry; the Rent whereof went towards the maintaining of a Prieſt to pray ſuperſtitiouſly for the Soul of the Deceaſed, who left thoſe *Septem Cameræ* for that Uſe. Theſe, with other Lands and Tenements in the City, and elſewhere, were ſold by King *Edward* VI. to *Thomas Heybarn* and *Thomas Brand*, for the Sum of nine hundred and eighty-eight Pounds eight Shillings and a Penny.

CHAP. X.

BISHOPSGATE WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name, Bounds, and Extent. Its preſent State. Pariſhes. The Artillery-ground. *St.* Mary Spittle. Devonſhire-houſe. Clerk's-hall. Leatherſellers-hall. Croſby-ſquare. South-Sea-houſe. Greſham College.

THIS Ward takes its Name from the Gate, which ſtands almoſt in the Center thereof, and is deſcribed on p. 23. Vol. I; on the Eaſt it is bounded by *Aldgate* Ward, *Portſoken* Ward, and Part of the *Tower* Liberty; on the South by *Langborn* Ward; on the Weſt by *Broad-ſtreet* Ward, and *Moorfields*; and on the North by *Shoreditch*; and extends from the Bars at the North End near *Spital-ſquare*, on both Sides of the Way, including almoſt half of *Houndſditch*,

as far as the Pump, at the Corner of St. *Martin's Outwich*; and then winding by the Weſt Corner of *Leadenhall*, down *Gracechurch-ſtreet*, to the South-Weſt Corner, over-againſt *Fenchurch-ſtreet*.

As to the preſent State of this Ward, we ſhall divide it into two Parts, as it is commonly called *Biſhopſgate within*, and *Biſhopſgate without*, tho' under only one Alderman.

The preſent State of Biſhopſgate *Ward.*

Of theſe two general Parts, firſt to begin with that within the Wall, wherein are theſe Streets, Lanes, and Alleys, in whole, or in Part, *viz.*

Gracechurch-ſtreet, on both Sides the Way, from the North-Weſt Corner of *Leadenhall-ſtreet*, and North-Eaſt Corner of *Cornhill*, to *Lombard-ſtreet*, and *Fenchurch-ſtreet*.

All *Biſhopſgate-ſtreet*.

Both the *Great* and *Little* St. *Helen*'s, in the whole.

All *Croſby-ſquare*.

All *Camomile-ſtreet*.

Wormwood-ſtreet, but a ſmall Part. And in theſe Streets are divers Courts and Alleys.

Grace, or *Graſs-church-ſtreet*, a large and ſpacious Street, with well built and lofty Houſes, inhabited by good Tradeſmen. The whole Street begins at *Eaſtcheap*, and falls into *Leadenhall-ſtreet* at the four croſs Streets: But the Part in this Ward begins only at *Lombard-ſtreet* End, as noted above.

In this Street, on the Weſt Side, are theſe Courts and Places of Name, *viz.* *Croſs-keys-Inn*, a Place of great Reſort, large and well built, hath a Paſſage into *George-yard*, *Lombard-ſtreet*. *Bell-yard*, a good, large, and well built Place, having a Paſſage into St. *Michael's* Church-yard. *Corbet's-court*, a large, open, well built and inhabited Place: Near this Court is *Tobacco-roll-court*, which has but one good Houſe in it: *Church-alley*, adjoining to St. *Peter*'s Church: This Alley, with a turning Paſſage, falls into *Cornhill*.

Then on the Eaſt Side of this Street, within the Limits of this Ward, which begins at *Fenchurch-ſtreet*, is *Boar's-head-court*, an open Place, taken up with Warehouſes for Wholeſale Dealers.

Leadenhall-herb-market, large, and not inferior to any in *London*, is in this Ward; but the other Parts of *Leadenhall*, *viz.* the Fleſh-Market, and the Fiſh-Market, *&c.* are in *Lime-ſtreet* Ward.

Biſhopſgate-ſtreet is large, long, and ſpacious, and generally well inhabited: But the Fire of *London*, 1666, not coming into theſe Parts, many of the Houſes are old Timber Buildings, and not uniform.

In this Street are theſe Courts, Alleys, and Places of Name, beginning on the Southern Part, and ſo towards the Gate, North: *Sun-yard*, a large Place, with a Paſſage into *Broad-ſtreet*, taken up for Stablings and Coach-Houſes, a Coach-maker, and ſome private Houſes.

Greſham College, a large, but old Building, which encompaſſeth a large ſquare Court; this being antiently the Seat of Sir *Thomas Greſham*, Knight, and now called *Greſham College*.

A little beyond this College are divers great Inns, *viz.* the *Bull Inn*, the *Green Dragon*, and the *Four Swans*, all three large, and of a conſiderable Trade and Reſort for Waggons and Stage-Coaches, that go Northwards. *Sutton-court*, but narrow, with a Free-ſtone Pavement, being a regular built Court, with neat Brick Houſes: It leads by a few Stairs into *Wormwood-ſtreet*, thro' *Peahen-alley*, which is but ordinary. The *Vine Inn*, ſeated near *Biſhopſgate*.

Some Part of *Wormwood-ſtreet* is in this Ward; but the greateſt Part, which are moſtly old Buildings, is in *Broad-ſtreet* Ward.

The Places Eaſt of *Biſhopſgate-ſtreet*, beginning at the Gate within, are as followeth:

Camomile-ſtreet, the Part in this Ward goeth but a little beyond *Cook's-court*, which is the firſt Court on the South-Eaſt from the Gate. This Street was but of ſmall Account, either as to its Buildings, or Inhabitants; but is lately much amended in both. *Clark's-alley* in *Biſhopſgate-ſtreet*, but ordinary, eſpecially that Part which leadeth to *Camomile-ſtreet*. *Angel-court*, is both ſmall and ordinary.

Little St. Helen's, a good large Place, having one or two Courts within it, with good old Timber Houſes, well inhabited, ſome by Merchants; at the lower End of which is ſeated *Leatherſellers-hall*, and in another Part a Diſſenting Meeting-Houſe.

Great St. Helen's, a handſome, open, and large Court, with Rows of good Houſes, well inhabited, on the Eaſt Side of the Church and Church-yard, which is gracefully ſeated in the midſt of the Court, with Rows of Trees round about the Church-yard, very pleaſant in the Summer-Seaſon.

Paſſing this Court, the Paſſenger is led to two others, both of the ſame Name, well built and inhabited; which, with a winding Paſſage, lead Eaſtward into St. *Mary-axe*, over-againſt St. *Andrew Underſhaft* Church, and Weſtward to *Croſby-place*, a curious open Square, with fair Brick Houſes, well inhabited by Gentry and Merchants; ſeveral of the Houſes having Paliſado Pales before, and Gardens behind them: And here is a large Meeting-Houſe. Out of this Square is a Paſſage through a back Gate-way, ſhut up at Nights, paſſing by a large Warehouſe belonging to the *Eaſt-India* Company, and ſo into St. *Mary-axe*, &c.

Biſhopſgate-ſtreet without.

Having viewed the Ward within the Gate, we now paſs to that Part that ſtands without it.

This is alſo a very broad and ſpacious Street, but not ſo well built and inhabited as that within the Wall. It runs Northward a great Length, but no farther in the Freedom than to the Bars. In the Account of this Street, we begin next the Gate, at St. *Botolph Biſhopſgate* Church, taking in all Places to the Bars on the Weſt Side; and then come back from the Bars on the Eaſt Side to *Biſhopſgate*.

In St. *Botolph Biſhopſgate* Church-yard is the Rector's Houſe, a handſome and capacious Brick Building; and cloſe to the North Side is an open Paſſage, called *Alderman's-walk*, and leads to a very magnificent Houſe, with a fine Garden, and a Court-yard before it, graced with Trees, and a Stone Statue ſtanding on a Pedeſtal in the Middle. This Houſe did formerly belong to the Family of the *Daſhwoods*.

Old Bethlem, or *Bedlam*, as it is vulgarly called; a Lane wherein ſtood an antient charitable Houſe for keeping and curing Lunaticks. This was founded, *A. D.* 1246, by *Simon Fitzmary*, Sheriff of *London*. King *Henry* VIII. gave this Houſe to the City of *London*. They converted it to a Houſe or Hoſpital for the Cure of Lunaticks. But, its Situation near unto many common Sewers, and its Incapacity for the numerous Patients which offered, being found inconvenient for the Purpoſe, it was removed unto the South Side of *Moorfields*; as ſhall be ſhewn in its proper Place.

The Place that generally goes by the Name of *Old Bethlem*, is very large, containing ſeveral Courts and Alleys; the principal Street comes out of *Biſhopſgate-ſtreet*, and runs into *Moorfields*, being a great Thoroughfare, and has been greatly improved with new and handſome Buildings of late Years; and its Inhabitants, who were formerly only Flax and Hemp-Dreſſers, Shoemakers, Yarn and Worſted-Sellers, and Turners, are now many of them Merchants, *&c.* In this Place is *Bethlem-court*, an open Place, where the Hoſpital ſtood, at the upper End of which is a Paſſage out of the principal Street of *Bethlem*; *Crown-court*, large, with indifferent Buildings; *Loom-alley*, narrow, and ordinary; *Houſewives-alley*, narrow, which with a turning Paſſage runs a great Length; *Halfmoon-alley*, long, but narrow and ordinary, and fell into *Round-court*, which now is included in *Broad-ſtreet* Buildings. *Roſe-and-Crown-court*, a large and open Place, but ordinary, leading to *Moorfields*, and alſo into *Halfmoon-alley*, which leadeth into *Biſhopſgate-ſtreet*; near to this Alley is *Baker's-court*, which hath a Paſſage into *Halfmoon-alley*, as alſo into *Vine-court* and *Chequer-court*; *Bell-court*, but ſmall, and oppoſite to *Bethlem* Church-yard; as is *Three-leg-alley*, which is narrow and ordinary, with a turning Paſſage; likewiſe *Dyer's-court*, but ordinary, ſo called, as having had a Dyer's Houſe at the upper End.

Petty-france, formerly ſo called; the greateſt Part of this is new built, and called *New Broad-ſtreet*; it is a moſt regular Building, and has the moſt elegant Houſes in the City; at the Eaſt End is a Paſſage into *Biſhopſgate-ſtreet* thro' St. *Botolph's* Church-yard.

Northwards of *Bethlem*, in *Biſhopſgate-ſtreet*, is *Still-alley*, which is but ſmall; *Garland-alley*, an open Place, at the upper End of which is an Inn, as alſo a large Yard for Stabling and Coaches, and but ordinarily inhabited; *Bottle-alley* hath a narrow Entrance, but openeth into a Free-ſtone Court, with well built Houſes, which ſaid Alley leadeth into a another down Steps, bearing the ſame Name; and out of this is a Paſſage into *Garland-alley*; *Swan-yard* Inn, at the lower End hath Stables and Coach-houſes; *Halfmoon-alley*, ordinary, and ill inhabited; in a ſtrait Line it runs Weſtward into *Moorfields*; on the South Side of this Place is *Stone-cutters-yard*, an open, but ordinary Place; and on the North Side is a ſmall Alley that leads to *Dunnings-alley*; *Three Tun-alley*, but indifferent; *White Hind-court*, an open Place, with a narrow Paſſage into it, and indifferent as to its Houſes and Inhabitants; *Sweetapple-court*, ſo called from Sir *John Sweetapple*, Goldſmith, the Owner thereof, a handſome new built Place, with an open Paſſage for Carts; this Place before its new Building was two, *viz. Soper's-alley*, and *Horſhoe-yard*; the upper End of this Court, or rather Lane, is taken up for Stables for Livery-Horſes, with Coach-houſes; *Dunning's-alley*, very large, and ordinary; the Weſt End divides itſelf, and falls into *Halfmoon-alley*, which leads into *Moorfields*: In this Alley are theſe Courts; *Tripe-yard*, very ſmall and ordinary; *Adams-court*, but ſmall, with a Paſſage into *Sweetapple-court*; *Pump-court*, but mean; *Weſtminſter-hall-court*, indifferent, with a Free-ſtone Pavement; *Cripple-court*, very ſmall and mean, with about two Houſes; *Harrow-yard*, alſo ſmall and ordinary; *Bell-yard*, inconſiderable; *Lamb-alley*, very narrow and ordinary, which, running a great Length, divides itſelf, one Part falling into *Sugar-loaf-court*, and the other into *Long-alley*: In this Alley are theſe Courts, *Paved-court*, *Lamb-yard*, and *White-hart-yard*, all three very mean; *Angel-court*, likewiſe very ordinary; *Angel-alley*, long and mean, at the upper End of which is a *Timber-yard*, and on the Weſt Side is a ſmall Court, and paſſing further leads into *Angel-court*, which is very inconſiderable: In this Alley are theſe Courts, *Brown's-court*, but ſmall; *Balaam's-court*; *Sugar-loaf-yard*; *Pheaſant-cock-yard*; *Three-colts-alley*, all four but ſmall and ordinary; *Jews-harp-court*, a handſome new built Place with a Free-ſtone Pavement; *Brown's-yard*, but ordinary; *Cock-yard*, very mean, at the upper End of which is *Thacker's-court*, but mean; *Acorn-court*, very narrow and ordinary; at the upper End it opens into a little Court, and out of this is a Paſſage into *Skinner's-ſtreet*; *George-yard*, inconſiderable; *Skinner's-ſtreet*, a handſome open Place, with well built Houſes, chiefly inhabited by Maſter-Weavers; *Ship-yard* is very well built and uniform, with a Free-ſtone Pavement on the Weſt Side; *Primroſe-alley*, long, narrow, and ordinary, hath a Paſſage into *Long-alley*; *Gun-yard*, indifferent long, at the upper End opens itſelf into two Parts.

Having thus enumerated the various Places on the Weſt Side of *Biſhopſgate*, we come next to thoſe on the Eaſt Side, beginning next the Bars.

Biſhopſgate-ſtreet without, the Eaſt Side.

Mountague-court, a handſome open Place, with a Free-ſtone Pavement, and good Buildings; *Catharine-Wheel* and *George-yard*, long, hath a Paſſage into *Mountague-court*, and another into the *Artillery-ground*; *Red-lion Brewhouſe*, near which is the *Red-lion Inn*.

Artillery-lane, an open Place, with good Houſes, which, paſſing by *Petticoat-lane*, hath the South-Weſt Side in this Ward, and runs behind *Gun-ſtreet*.

Wide [or *White*] *Gate-ſtreet*, a Place well built, and of ſome Account, falls into *Petticoat-lane*: In this Street is *King's-head-court*, as alſo *Savage-court*, which have been all rebuilt, and inhabited by ſubſtantial Tradeſmen and Dealers, chiefly in the Silk Way; and *Roſe-alley*, with a turning Paſſage, falls into *Petticoat-lane*; *Swedeland-alley*, very ordinary; *Sutton's-alley*, both narrow and mean;

Catharine-

Catharine-wheel-alley, narrow, and without Houſes, having only back Yards. It hath one Paſſage into *Hand-alley*, and another into *Petticoat-lane*. Nigh to this Alley is *Catharine-wheel* Inn. *Roſe-alley*, long and narrow, falling into *Hand-alley*. *Vine-court*, a handſome Place, with good Houſes on the North Side, the South lying open to *New-ſtreet*, formerly called *Hand-alley*, having a Paſſage for Cart or Coach; its Buildings are good, and well inhabited. *King's-head-court*, but ſmall, with Free Stone Pavement. *Three Slippers-court*, alſo ſmall, with Free Stone Pavement. *Handscourt*, but ſmall, and falls into *Roſe-alley*. *Walnut-tree-court*, both ſmall and mean. *Still-court* or *Alley*, indifferent good, falls into *Houndſditch*.

Devonſhire-ſquare and *Street*, made out of an Houſe called *Fiſher's Folly*, an airy and creditable Place, and where the Counteſs of *Devonſhire*, about eighty Years ago, dwelt in great Repute for her Hoſpitality: It conſiſts of good Buildings, and they well inhabited by Merchants, and Perſons of Wealth. In the Middle of the Square, upon a Pedeſtal carved with Figures on each Side, and aſcended by three Steps, and incloſed with Iron Bars, ſtands a gilt *Mercury*: Hence is a Paſſage called *Cavendiſh-court*, which hath good Buildings, with a Free-ſtone Pavement, leading to *Houndſditch*; and another Paſſage by Steps Eaſtward towards *Gravel-lane*, at the Top of which Steps ſtands a noted Quaker's Meeting-Houſe.

More towards *Biſhopſgate* is *Magpye-alley*, which is narrow: Near unto this Alley is the *Dolphin*, an old Inn, large, and of good Account; and adjoining to *Biſhopſgate* is the *Flying-horſe* Inn.

Houndſditch, over-againſt St. *Botolph*'s Church, is a long Street, running from *Biſhopſgate* to *Aldgate*: But the Part in this Ward goeth but to the *Blue Anchor*, the reſt is in *Aldgate* Ward. This Street is a Place of great Trade, and of Note for Still-worm-makers, Pawnbrokers and Saleſmen, whoſe Dealings are in Apparel, Linnen and Upholſterers Goods. In this Street are a great many Alleys and Courts, of which ſome are without Name, and for the moſt Part are but ordinary, *viz. Flying-horſe-yard*, hath a turning Paſſage into *Biſhopſgate-ſtreet* a Place of ſmall Account, only for Livery-ſtables; and *Cavendiſh-court* falls into *Devonſhire-ſtreet*, already mentioned; *Buckle-court*, ſmall and ordinary.

There are to watch at *Biſhopſgate*, and the ſeveral Stands in this Ward, every Night, a Conſtable, the Beadle, and eighty Watchmen, both within and without.

The Jurymen returned by the Inqueſts are to ſerve for Jurors in the ſeveral Courts in *Guildhall* in the Month of *December*.

Thus much for this *Biſhopſgate* Ward, which hath an Alderman, two Deputies, one without the Gate, another within, ſix Common-Councilmen, ſeven Conſtables, ſeven Scavengers, thirteen for the Wardmote Inqueſt, and a Beadle. It is taxed to the Fifteenth at thirteen Pounds.

The Alderman of this Ward is *Matthew Blakiſton*, Eſq; The Common-Councilmen are, Mr. *Thomas Long*, Deputy, Mr. *George Wyld*, Mr. *Samuel Palmer*, Mr. *William Cramond*, Mr. *Samuel Vickers*, Mr. *William Motterſhed*, *Henry Hall*, Eſq; Mr. *John Pepys*, Mr. *William Huſſey*, Mr. *Richard Chapman*, Mr. *Uppington Bracee*, Deputy, Mr. *John Forty*, Mr. *Jonathan Farr*, and Mr. *Calvert Benn*.

The moſt remarkable Things and Places within this Ward are,

1. Three Pariſh-Churches, *viz.* St. *Botolph*'s without *Biſhopſgate*; St. *Ethelburga*'s, and *Great St. Helen*'s, both within the Gate, on the Eaſt Side of the Street; of which more particularly in the Parochial Hiſtory of this great City.

2. *Leatherſellers-Hall*, Part of the Convent for Nuns, which was there dedicated to St. *Helen*. This Hall, conſidering the Antiquity of its Building, has ſome of the beſt Joiners and Plaiſterers-Work in the Kingdom. The Screen is magnificent, adorned with ſix Columns of the *Ionic* Order, Enrichments, *&c.* with Ceiling of Fret-Work. The Entrance into the common Hall is up a handſome Flight of Stone Stairs from the Court-yard. Leather-ſellers-Hall.

3. This Ward was formerly diſtinguiſhed by more publick Buildings. In the Pariſh of St. *Botolph* without the Gate was the antient Hoſpital of St. *Mary* of *Bethlehem*, founded by *Simon Fitz-Mary*, one of the Sheriffs of *London*, in the Year 1246. He founded it to have been a Priory of Canons, with Brethren and Siſters: And King *Edward* III. granted a Protection for the Brethren, *Militiæ beatæ Mariæ de Bethlem*, within the City of *London*, the fourteenth Year of his Reign. It was an Hoſpital afterwards for diſtracted People; as mentioned before, and will more largely appear by this original Deed: Bethlem *Hoſpital.*

The Copy of an antient Deed of Gift, given to Bethlem, *or* Bedlem, *by* Simon *the Son of* Mary.

" To all the Children of our Mother Holy " Church, to whom this preſent Writing ſhall " come, *Simon* the Son of *Mary* ſendeth greeting " in our Lord. Where, among other Things, " and before other Lands, the high Altitude of " the heavenly Councils, marvelouſly wrought " by ſome readier Devotion, ought to be more " worſhipped, of which Things the mortal Sick-" neſs (after the Fall of our firſt Father *Adam*) " hath taken the Beginning of this new repairing: " Therefore, forſooth, it beſeemeth worthy, that " the Place in which the Sonne of God is become " Man, and hath proceeded from the Virgin's " Womb, which is Increaſer and Beginner of " Man's Redemption, namely, ought to be with " Reverence worſhipped, and with beneficial Por-" tions to be increaſed. Therefore it is that the " ſaid *Simon*, Sonne of *Mary*, having ſpecial and " ſingular Devotion to the Church of the glorious " Virgin at *Bethlem*, where the ſame Virgin of " her brought forth our Saviour incarnate, and " lying in the Cratch, and with her own Milk " nouriſhed, and where the ſame Child to us " there born, the Chivalry of the heavenly Com-" pany ſang the new Hymn, *Gloria in excelſis Deo.* " The ſame Time, the Increaſer of our Health " (as a King, and his Mother a Queene) willed " to be worſhipped of Kings. A new Starre going " before them at the Honour and Reverence of " the ſame Child, and his meek Mother: And " to the Exaltation of my noble Lord *Henry*, " King of *England*, whoſe Wife and Child the " aforeſaid

" aforeſaid Mother of God, and her only Son, " have in their Keeping and Protection; and to " the manifold Increaſe of this City of *London*, " in which I was born; and alſo for the Health " of my Soul, and the Souls of my Predeceſſors " and Succeſſors, my Father, Mother, and my " Friends; and eſpecially for the Souls of *Guy* of " *Marlowe*, *John Durant*, *Ralph Aſhwye*, *Maud*, " *Margaret*, and *Dennis*, Women; have given, " granted, and by this my preſent Charter here " have confirmed to God, and to the Church of " St. *Mary* of *Bethlem*, all my Lands which I " have in the Pariſh of St. *Botolph without* " *Biſhopſgate* of *London*; that is to ſay, what- " ſoever I there now have or had, or in Time " to come may have, in Houſes, Gardens, Pools, " Ponds, Ditches, and Pits, and all their Appur- " tenances, as they be cloſed in by their Bounds, " which now extend in Length from the King's " high Street, Eaſt, to the great Ditch in the " Weſt, which is called *Deep Ditch*, and, in " Breadth, to the Lands of *Ralph Downing* in " the North, and to the Land of the Church of " St. *Botolph* in the South, to have and to hold " the aforeſaid Church of *Bethlem*, in free and " perpetual Alms; and alſo to make there a " Priory, and to ordain a Prior and Canons, " Brothers, and alſo Siſters; when *Jeſus Chriſt* " ſhall enlarge his Grace upon it: And in the " ſame Place, the Rule and Order of the ſaid " Church of *Bethlem*, ſolemnly profeſſing which " ſhall bear the Token of a Star openly in their " Copes and Mantles of Profeſſion, and for to " ſay Divine Service; therefore the Souls afore- " ſaid, and all Chriſtian Souls, and eſpecially to " receive there the Biſhop of *Bethlem*, Canons, " Brothers, and Meſſengers of the Church of " *Bethlem*, for evermore, as often as they ſhall " come thither. And that a Church or Oratory " there ſhall be built, as ſoon as our Lord " ſhall enlarge his Grace, under ſuch Form, that " the Order, Inſtitution of Priors, Canons, Bro- " thers, Siſters, of the Viſitation, Correction, " and Reformation of the ſaid Place, to the " Biſhop of *Bethlem*, and his Succeſſors, and to " the Charter of this Church, and of his Meſ- " ſengers, as often as they ſhall come hither, as " ſhall ſeem to them expedient, no Man's Con- " tradiction, notwithſtanding, ſhall pertain ever- " more, ſaving always the Services of the chief " Lords, as much as pertaineth to the ſaid Lands. " And, to the more Surety of this Thing, I have " put myſelf out of this Land, and all mine; " and Lord *Godfry*, then choſen of the Nobles of " the City of *Rome*, Biſhop of *Bethlem*, and of " the Pope, confirmed then by his Name in *Eng-* " *land*, in his Name, and of his Succeſſors, and " of the Chapter of his Church of *Bethlem*, into " bodily Poſſeſſion. I have indented and given " to his Poſſeſſion all the aforeſaid Lands, which " Poſſeſſion he hath received and entered in Form " aboveſaid. And, in Token of Subjection and " Reverence, the ſaid Place in *London*, without " *Biſhopſgate*, ſhall pay yearly in the ſaid City a " Mark Sterling, at *Eaſter*, to the Biſhop of " *Bethlem*, his Succeſſors, or his Meſſengers, in " the Name of a Penſion. And, if the Faculties " or Goods of the ſaid Place (our Lord granting) " happen to grow more, the ſaid Place ſhall pay " more in the Name of Penſion at the ſaid Term " to the Mother Church of *Bethlem*. This (for- " ſooth) Gift and Confirmation of my Deed, " and the putting to of my Seal for me and " mine Heirs, I have ſtedfaſtly made ſtrong, the " Year of our Lord God a thouſand two hundred " forty-ſeven, the *Wedneſday* after the Feaſt of " St. *Luke* the *Evangeliſt*: Theſe being Witneſſes, " *Peter*, the Son of *Allen*, then Mayor of *Lon-* " *don*; *Nicholas Bet*, then Sheriff of the ſaid City, " and Alderman of the ſaid Ward; *Ralph Spar-* " *ling*, Alderman; *Godfrey* of *Campes*, *Simon Co-* " *micent*, *Simon Bonner*, *Robert* of *Woodford*, *Tho-* " *mas* of *Woodford*, *Walter Pointell*, *Walter* of " *Woodford*, &c."

Stephen Gennings, Merchant-Taylor, gave forty-four Pounds towards the Purchaſe of the Patronage of this Hoſpital, by his Teſtament, *Anno* 1523.

And, in the Year 1546, the Mayor and Commonalty purchaſed the Patronage thereof, with all the Lands and Tenements thereunto belonging. The ſame Year King *Henry* VIII. gave this Hoſpital unto the City.

In the Year 1551, a Protection was granted, by Letters Patents from King *Edward* VI. dated *March* 7, to *John Whitehead*, Proctor for this Hoſpital of *Bethlem*, to beg within the Counties of *Lincoln* and *Cambridge*, the City of *London*, and the Iſle of *Ely*, to endure for an whole Year.

At a Court of Aldermen, held on *Tueſday* the twentieth of *January*, *Anno* 4 *Edward* VI. a Carroon was freely given to the Inhabitants of *Biſhopſgate* Ward, to the Intent that they ſhould cauſe the utter Parts of the ſaid Ward, without the Gate, to be kept clean.

Alſo at a Court of Aldermen, held on *Tueſday* the ſeventh of *April*, *Anno* 5 *Edward* VI. it was ordered, That the Inhabitants within the Precinct of *Bethlem* ſhould be, from thenceforth, united to the Pariſh-Church of St. *Botolph without Biſhopſgate*, and ſo by the Parſon and Pariſhioners of the ſame Pariſh accepted and taken, and to be allotted and charged with them to all Offices and Charges (Tythes and Clerks Wages excepted;) in Conſideration whereof, the Parſon of the Pariſh was to receive yearly out of the Chamber of *London* twenty Shillings, the Pariſh-Clerk ſix Shillings and eight Pence.

In the Year 1569, Sir *Thomas Roe*, Merchant-Taylor, Mayor, cauſed to be incloſe with a Wall of Brick about one Acre of Ground, being Part of the ſaid Hoſpital of *Bethlem*, to wit, on the Weſt, on the Bank of *Deep Ditch*, ſo called, parting the ſaid Wall of *Bethlem* from the *Moorfield*. This he did for Burial Eaſe to ſuch Pariſhes in *London* as wanted convenient Ground within their Pariſhes. The Lady his Wife was there buried, (by whoſe Perſuaſion he incloſed it) but himſelf, born in *London*, was buried in the Pariſh-Church of *Hackney*.

This was called *New Church-yard*, near *Bethlem*; where, upon *Whit-Sunday*, the Lord-Mayor, and his Brethren the Aldermen, uſed to reſort to hear a Sermon: And this was practiſed *Anno* 1584, " When (according to a Letter from Recorder " *Fleetwood* to the Lord Treaſurer) a very good " Sermon

" Sermon was preached at this New Church-yard " before the Lord-Mayor, Sir *Edward Oſborn*, " and his Brethren; and, by Reaſon no Plays " were the ſame Day, [*i. e. Whit-Sunday*, as there " uſed to be] all the City was quiet."

The Church and Chapel of this Hoſpital were taken down in the Reign of Queen *Elizabeth*, and Houſes built there by the Governors of *Chriſt's-Hoſpital* in *London*.

On the South Side of this Church-yard, over a folding Gate, this Inſcription was engraven in great Letters:

" *Thomas Roe*, Miles, cum Prætor eſſet *Londi-* " *nenſis*, hunc Locum Reipublicæ, in Uſum " publicæ Sepulturæ communem, ſuo Sumptu " dedicavit, *Anno Dom.* 1569."

Which Inſcription, even in the latter End of Queen *Elizabeth*'s Reign, began to decay, and ſome Letters were utterly defaced; which was the Cauſe that *A. F.* one of the Compilers of *Hollingſhed*'s Chronicle, inſerted it in the ſaid Book; that ſo the Memory of the worthy Benefactor might not vaniſh, and be loſt with the fading Inſcription.

On the other Side *Biſhopſgate-ſtreet* was a large Houſe, built by the Lord *John Powlet*; and near that a larger and more beautiful Houſe, built by *Jaſper Fiſher*, free of the Goldſmiths Company, one of the Six Clerks in *Chancery*, and a Juſtice of Peace. It was afterwards the Earl of *Oxford*'s Houſe, and then the Earl of *Devonſhire*'s, whoſe Name is ſtill preſerved in the Street and Square built upon its Ruins. This Houſe being ſo large and ſumptuouſly built by a Man of no great Birth or Fortune, (for he was much in Debt) was mockingly called *Fiſher's Folly*.

Fiſher's Folly.

Artillery Ground.

North-Eaſt from this Fabrick, at the Diſtance of about three hundred Yards, lies a ſpacious Incloſure, called the *Artillery-Ground*. This Ground was originally a large Cloſe, called *Taſell-Cloſe*, becauſe there were ſome Time *Taſels* planted there for the Uſe of Clothworkers; afterwards let to the Croſs-Bow Makers, wherein they uſed to ſhoot for Games at the Popingey. Then the ſame being incloſed with a Brick Wall, ſerved as an *Artillery-Ground*, to which the Gunners of the *Tower* repaired weekly, namely, every *Thurſday*, and there levelled certain Braſs Pieces of great Artillery againſt a Butt of Earth made for that Purpoſe.

William, the laſt Prior of St. *Mary Spital*, with his Convent, granted over this *Artillery-Ground* for thrice ninety-nine Years, for the Uſe and Practice of great and ſmall Artillery.

There was a Charter granted to the Fraternity of Artillery in great and ſmall Ordnance by the famous Prince King *Henry* VIII. and the Piece of Ground, called the *Artillery-Ground*, by his Means was appointed for the Exerciſe of the ſame Fraternity; as by the Leaſe thereof appeared, granted to the ſame Fraternity; which Leaſe was put into the Hands of Sir *William Pelham*, Lieutenant of the Ordnance: And the ſame Charter ſince was delivered to the Lord *Burleigh*, Lord Treaſurer under Queen *Elizabeth*.

Now, for the further Improvement of this Fraternity, and to make it uſeful to the Kingdom, one *William Thomas*, Maſter-Gunner of the Queen's Ship the *Victory*, in the Year 1584, moved the Lords of her Council, that the ſame Charter might be confirmed, and new eſtabliſhed, with other needful Additions thereto; and chiefly for the increaſing of good Gunners for the Queen's Navy and Forts, *viz.* That ſome of their Honours, with the Earl of *Warwick*, (who was Maſter of the Ordnance) ſhould be the chief Maſters or Governors of the ſaid Fraternity. That there might, by the chief Maſters or Governors, be choſen four of the chief of her Majeſty's Gunners to be Under-Maſters; who, with the Maſter-Gunner of *England*, might have the Teaching of all the Scholars, and the Proving of all ſuch Men as ſhould take upon them the Charge of a Gunner in any of her Majeſty's Ships, Forts, or Caſtles, or ſhould have any Gunner's Fee; and to make Report to the chief Maſters of their Knowledge, before they ſhould be admitted to any Service. That no Ship or Veſſel, having Ordnance in her, ſhould croſs the Seas, without the ſame had in her ſuch Number of Gunners as followeth, *viz.* that every Ship of the Burthen of ſixty Tons have three Gunners, whereof the Chief or Maſter-Gunner to be ſuch an one as ſhould be tried, allowed, and licenſed by ſuch as ſhould be for that Purpoſe appointed; and every Ship of eighty Tons, four Gunners, to be tried as aforeſaid; and ſo for every twenty Tons, one Gunner more. That the chief Officers in the Havens, Towns, Ports, and Places where Shipping is uſed, ſhould take the Names of all Perſons in the ſame Towns, Ports, and Places, which took Charge or ſerved as Gunners in any Ship or Veſſel, and the ſame to regiſter in a Book for that Purpoſe; and in every *Eaſter* Term to ſend up the ſame Names, and their Dwelling-Places, to the Maſter-Gunner and his four Aſſociates; by which it might be known where to have ſkilful Gunners to ſerve her Majeſty, when Opportunity required. That all ſuch Ships as ſhould be freighted within the River *Thames* with Merchandizes or Goods, ſhould, for the Safeguard thereof, have, for every two Pieces, one ſuch ſeafaring Man as ſhould be a Scholar, to be taught and inſtructed in the Science of Shooting in great and ſmall Ordnance, according to the Intent of her Majeſty's Allowance for the ſame Purpoſe. That there might be, by the chief Maſters, ſuch ſtrict Commandment given to the four Under-Maſters and the Maſter-Gunner, that the Powder, and other her Majeſty's Allowances for teaching and inſtructing Scholars in the Science or Myſtery of Shooting in great and ſmall Ordnance, be by them juſtly and truly expended about the ſame Purpoſe that it was allowed for, and not otherwiſe, upon ſome Pain and Penalty. That the four Aſſociates or Under-Maſters, with the Maſter-Gunner, for the better Service of her Majeſty, might have the Proof of all ſuch Saltpetre, Coal, Sulphur, Powder, Match, Ordnance, Carriages, Wheels, Stocks, and Iron Work, as ſhould be for her Majeſty's Service and Store; and that none ſhould be received, but that which they ſhould find to be good and fit for Service, and that upon a Penalty to be appointed by their Honours. *Laſtly*, That there might be ſet down

down ſuch a perfect Government in every of her Majeſty's Ships by their Honours, both for their own Safe-guards, and for a Terror to the Enemy, as heretofore was never put in Practice by any.

And all this the ſaid *Thomas* the rather offered at this Time, ſince the Queen had now gotten a puiſſant Navy of Ships for Defence, and the Nobility, at their own great Charges, had furniſhed it with great and terrible Ordnance, for the Terror of her Enemies; but there was a great Want of ſkilful Men to ſupply the Room of Gunners: So that, if Proof were made, he aſſerted, there would not be found ſkilful Gunners ſufficient for four of her Men of War. But this Motion came to nothing.

There was alſo afterwards, for the laying up and preſerving of the Arms, an Armoury built. The Foundation of this Armoury was begun to be erected the firſt Day of *May*, *Anno Dom.* 1622, and was finiſhed the laſt of *November* then next following; Colonel *Hugh Hamerſley* being then Preſident; *Edward Pierſe*, Treaſurer; *Henry Petowe*, Marſhal; and *John Bingham*, Captain, and one of the Council of War for this Kingdom.

Upon which Monument theſe Lines following were compoſed:

London's *Honour, and her Citizens approved Love, exerciſing Arms in the* Artillery-Garden, London.

The Fabrick.

This Architecture, Phœnix of our Age,
(All *Europe* cannot ſhew her Equipage)
Is *Mars* his Miſtreſs, which retains the Store
Of *Mars* his Arms, being *Mars* his Paramour.
This Fabrick was by *Mars* his Soldiers fram'd,
And *Mars* his *Armouries* this Building nam'd.

The Soldiers Honour.

It holds five hundred Arms, to furniſh thoſe
That love their Sovereign, and will daunt his Foes.
They ſpend their Time, and do not care for Coſt;
To learn the Uſe of Arms, there's nothing loſt.
Both Time and Coin, to do their Country good,
They'll ſpend it freely, and will loſe their Blood.

The Aldermens Love.

Our City *London* is a Royal Thing,
For it is call'd *The Chamber of our King:*
Whoſe worthy Senate we muſt not forget;
Their Grant and our Requeſt together met:
They cheriſh us, and we do honour them:
Where Soldiers find true Love, they'll love again.

TheGround

The Ground whereon this Building now doth ſtand,
The *Teaſel Ground* hath heretofore been nam'd.

The Donor of the Ground.

And *William*, Prior of the Hoſpital
Then of our bleſſed Lady, which we call
Saint Mary Spittle, without *Biſhopſgate*,
Did paſs it by Indenture, bearing Date
January's third Day, in *Henry*'s Time,
Th' Eighth of that Name; the Convent did conjoin.

The Uſe.

Unto the Guile of all Artillery,
Croſs-Bows, Hand-Guns, and of Archery.

The Term of Years.

For full three hundred Years, excepting three;
The Time remaining we ſhall never ſee.

Now have the noble Council of theKing
Confirm'd the ſame, and, under *Charles* his Wing,
We now do exerciſe, and of that little
Teaſel of Ground, we enlarge St. *Mary Spittle.*
Trees we cut down, and Gardens added to it.
Thanks to the Lords, that gave us Leave to do it.

The Council's Confirmation.

Long may this Work endure, and ne'er decay,
But be ſupported to the lateſt Day.
All loyal Subjects to the King and State
Will ſay *Amen*, maugre all Spleen and Hate.

A loyal Subject's Deſire.

Mariſchallus Petowe compoſuit.

Next to this Field, on which are now *Duke* and *Stuart* Streets, was the diſſolved Priory and Hoſpital of our bleſſed Lady, commonly called St. *Mary Spital*, founded by *Walter Brune* and *Roſia* his Wife, for Canons Regular. *Walter*, Archdeacon of *London*, laid the firſt Stone, in the Year 1197. *William*, of St. *Mary* Church, then Biſhop of *London*, dedicated it to the Honour of *Jeſus Chriſt*, and his Mother, the perpetual Virgin *Mary*, by the Name of *Domus Dei et Beatæ Mariæ extra Biſhopſgate*, in the Pariſh of St. *Botolph:* The Bounds whereof, as appeareth by Compoſition betwixt the Parſon and Prior of the ſaid Hoſpital concerning Tythes, begin at *Berward's-lane*, towards the South, and extend in Breadth to the Pariſh of St. *Leonard Shoreditch*, towards the North, and in Length from the *King's-ſtreet* on the Weſt, to the Biſhop of *London*'s Field, called *Lolleſworth*, on the Eaſt. The Prior of this St. *Mary Spital*, for the Emortiſing and Propriation of the Priory of *Bikenacar* in *Eſſex* to this ſaid Houſe of St. *Mary Spital*, gave to *Henry* VII. four hundred Pounds, in the twenty-ſecond of his Reign.

The Hoſpital of St. Mary, *called the* Spital.

This Hoſpital, ſurrendered to *Henry* VIII. was reckoned to diſpend four hundred and ſeventy-eight Pounds; wherein, beſides Ornaments of the Church, and other Goods pertaining to the Hoſpital, there were found ſtanding an hundred and eighty Beds, well furniſhed, for Receipt of the Poor of Charity; for it was an Hoſpital of great Relief. Sir *Henry Pleſington*, Knight, was buried there *A. D.* 1452.

In the Place of this Hoſpital, and near adjoining, are now built many handſome Houſes for Merchants and others.

Here was the Houſe of a famous *Italian* Merchant and Embaſſador, much employed by Queen *Elizabeth*, namely Sir *Horatio Pallavicini*. And in this ſame Houſe, in the firſt Year of King *James* I. the Ambaſſador from the Archduke of *Auſtria* lodged, with his Company.

Queen *Elizabeth*, in the Month of *April*, 1559, came in great State from St. *Mary Spital*, attended with a thouſand Men in Harneſs, with Shirts of Mail, and Croſlets, and Morris-Pikes, and ten great Pieces carried through *London* unto the Court, with Drums, Flutes, and Trumpets ſounding, and two Morris-Dancers; and in a Cart two white Bears.

A Part of the large Church-yard pertaining to this Hoſpital, and ſevered from the reſt with a Brick Wall, was for a long Time remaining, with a Pulpit Croſs therein, ſomewhat like to that in St. *Paul*'s Church-yard; and againſt the ſaid Pulpit, on the South Side, before the Charnel and Chapel of St. *Edmund* the Biſhop, and St. *Mary Magdalen*, (which Chapel was founded about

about the Year 1391, by *W. Eveſham*, Citizen and Pepperer of *London*, who was there buried) there was a handſome Houſe of two Stories high, for the Mayor, Aldermen, Sheriffs, and other Perſons of Diſtinction to ſit in, to hear the Sermons preached in the *Eaſter* Holidays. In the Part over them ſtood the Biſhop of *London*, and other Prelates; afterwards the Aldermens Ladies uſed to ſtand or ſit at a Window there.

Sermons in the Eaſter *Holidays at the* Spital.

It was for a long Time a Cuſtom, on *Good-Friday* in the Afternoon, for ſome learned Man, by Appointment of the Prelates, to preach a Sermon at *Paul's-Croſs*, treating of Chriſt's Paſſion; and upon the three next *Eaſter* Holidays, *Monday*, *Tueſday*, and *Wedneſday*, other learned Men, by the like Appointment, uſed to preach in the Forenoon at the ſaid *Spital*, to perſuade the Articles of Chriſt's Reſurrection: And then, on *Low-Sunday*, before Noon, another learned Man, at *Paul's-Croſs*, was to make Rehearſal of thoſe four former Sermons, either commending or reproving them, as to him (by Judgment of the learned Divines) was thought convenient: And, that done, he was to make a Sermon of himſelf; which in all were five Sermons in one. At theſe Sermons, ſo ſeverally preached, the Mayor, with his Brethren the Aldermen, were accuſtomed to be preſent in their Violets at St. *Paul*'s on *Good-Friday*, and in their Scarlets, both they and their Wives, at the *Spital* in the Holidays, except *Wedneſday* in Violet; and the Mayor, with his Brethren, on *Low-Sunday*, in Scarlet, at *Paul's-Croſs*. (See Page 298.) The Pulpit was broken down in the Grand Rebellion. Since the Reſtoration theſe Sermons are continued by the Name of the *Spital Sermons* at St. *Bride*'s, with the like Solemnity, on *Eaſter Monday*, *Tueſday*, and *Wedneſday*, every Year.

Touching the Antiquity of this Cuſtom: In the Year 1398, King *Richard* having procured from *Rome* Confirmation of ſuch Statutes and Ordinances as were made in the Parliament begun at *Weſtminſter* and ended at *Shrewſbury*, he cauſed the ſame Confirmation to be read and pronounced at *Paul's-Croſs*, and at St. *Mary Spital*, in the Sermons before all the People. *Philip Malpas*, one of the Sheriffs in the Year 1439, the eighteenth of *Henry* VII. gave twenty Shillings by the Year to the three Preachers at the *Spital*. *Stephen Forſter*, Mayor, in the Year 1454, gave forty Shillings to the Preachers of *Paul's-Croſs* and *Spital*. The aforeſaid Houſe, wherein the Mayor and Aldermen ſat at the *Spital*, was built (for that Purpoſe) out of the Goods, and by the Executors of *Richard Rawſon*, Alderman, and *Iſabel* his Wife, in the Year 1488. In the Year 1594, this Pulpit, being old, was taken down, and a new one ſet up, the Preacher's Face turned towards the South, which was before towards the Weſt. Alſo a large Houſe (on the Eaſt Side of the ſaid Pulpit) was then built for the Governors and Children of *Chriſt*'s Hoſpital to ſit in; and this was done out of the Goods of *William Elkins*, Alderman: But, within the firſt Year, the ſame Houſe decaying, and like to have fallen, was again, with great Coſt, repaired at the City's Charge.

On the left Hand of *Biſhopſgate-ſtreet*, from the Gate, were certain Tenements of old Time, pertaining to a Brotherhood of St. *Nicholas*, granted to the Pariſh-Clerks of *London*, for two Chaplains to be kept in the Chapel of St. *Mary Magdalen*, near unto the *Guildhall* of *London*, in the twenty-ſeventh of *Henry* VI. The firſt of the Houſes towards the North, and againſt the Wall of the City, was ſome Time a large Inn or Court, called the *Wreſtlers*, from ſuch a Sign; and the laſt in the high Street, towards the South, was ſome Time alſo an Inn, called the *Angel*, from ſuch a Sign. Amongſt theſe ſaid Tenements was, on the ſame Street Side, an Entry or Court to the Common Hall of the ſaid Pariſh-Clerks, with Alms-Houſes, ſeven in Number, adjoining, for Pariſh-Clerks, and their Wives, their Widows, ſuch as were advanced in Years, and not able for Labour. One of theſe, by the ſaid Brotherhood of Pariſh-Clerks, was allowed ſixteen Pence the Week; the other ſix had each of them nine Pence the Week, according to the Patent thereof granted. This Brotherhood, amongſt other, being ſuppreſſed; in the Reign of *Edward* VI. the ſaid Hall, with the other Building there, was given to Sir *Robert Cheſter*, a Knight of *Cambridgeſhire*; againſt whom the Pariſh-Clerks commenced a Suit in the Reign of Queen *Mary*; and being likely to have prevailed, the ſaid Sir *Robert Cheſter* pulled down the Hall, ſold the Timber, Stone, and Lead, and thereupon the Suit was ended. The Alms-Houſes remained in Queen *Elizabeth*'s Hands.

Clerks Hall, and their Alms-Houſes, in Biſhopſgate ſtreet

Where *Croſsby-ſquare* now ſtands was antiently one great Houſe, called *Croſby-Place*, being built by Sir *John Croſby*, Grocer and Woolman, in Place of certain Tenements, with their Appurtenances, let to him by *Alice Aſhfield*, Prioreſs of St. *Helen*'s, and the Convent, at ninety-nine Years, from the Year 1466 to the Year 1565, for the annual Rent of eleven Pounds ſix Shillings and eight Pence. This Houſe he built of Stone and Timber, very large and beautiful, and the higheſt at that Time in *London*. He was one of the Sheriffs, and an Alderman in the Year 1470, knighted by *Edward* IV. in the Year 1471, and died 1475: So ſhort a Time enjoyed he this ſtately Building.

Croſby-Place.

What the Contents and Particulars of the Demiſes granted to *Croſby* by the Prioreſs were, may be underſtood by the Grant of *Croſby-Place*, and the Appurtenances, made by King *Henry* VIII. to *Anthony Bonvixi*, an *Italian* Merchant, *Rex omnibus*, &c. *Cum* Alicia Aſhfield, *&c.* Wherein are mentioned, firſt, the great Meſſuage or Tenement commonly called *Croſby-Place*, with a certain Venell, *i. e.* Lane or Paſſage, that extended in Length from the Eaſt Part of the ſaid Tenement, to the Corner or South End of a certain little Lane North, bending unto the Priory Cloſe: Alſo nine Meſſuages, ſituate and lying in the ſaid Pariſh of St. *Helen*; whereof ſix were ſituate and lying between the Front of the ſaid Tenement, and the Front of the Ball-Houſe or Steeple aforeſaid, and the ſix Meſſuages mentioned before; together with a certain void Place of Land, ſituate in the ſaid Pariſh, extending in Length, toward the Eaſt, by the ſaid Meſſuage which which *Catharine Cateſby* formerly held, from the outward Part of the Plat or Poſt of the Bell-

Bell-Houſe, abutting upon the North Part of the ſaid ſix Meſſuages, and the *King's-ſtreet*, unto the Church-yard there, five Feet and an half Aſſize; and thence extending in Breadth toward the South, directly to a certain Tenement there, formerly in the Tenure of *Robert Smith*; and two Meſſuages more of the ſaid nine Meſſuages jointly, ſituate within the Cloſe of the Priory; of which one heretofore in the Tenure of the ſaid *Robert Smith*. And theſe were the Tenements and Appurtenances held of the Priory of St. *Helen*, by Sir *John Croſby*.

Richard, *Duke of* Gloceſter, *lodged at* Croſby-Houſe.

Richard, Duke of *Glouceſter*, and Lord Protector, afterwards King of *England*, by the Name of *Richard* III. was lodged in this Houſe.

While his Nephew, *Edward* V. reigned, he here contrived his Plots, and here the Citizens came to him with the Profeſſions of their Love, and deſiring him to accept the Crown. See Page 210.

Since which Time, among other, *Anthonio Bonvice*, a rich Merchant of *Italy*, dwelled there; on whom King *Henry* VIII. beſtowed it, *Anno* 1542, with all belonging to it; as appears by the Copy of the Grant, running thus: *Sciatis*, &c. "Know ye, that we, of our ſpecial Grace, certain "Knowledge, and mere Motion, give and grant "unto the ſaid *Anthony Bonvice* the Reverſion- "and Reverſions of the ſaid Meſſuage and Tene- "ment, with the Appurtenances, commonly "called *Croſby-Place*; and of all the ſaid Houſes, "Solars, Cellars, Gardens, Lanes, Meſſuages, "Tenements, void Places of Land, and all other "and ſingular Premiſes with the Appurtenances, "lying and ſituate in St. *Helen*'s, and Parcel of "the ſaid late Priory, *&c. Teſte Rege apud Weſt-* "*monaſt. 9 die Sept. Ann. Regni Reg. Henrici* "*Octavi* 34."

After him *German Cioll* dwelt here.

Then *William Bond*, Alderman, increaſed this Houſe in Height, with building a Turret on the Top thereof. He deceaſed in the Year 1576, and was buried in St. *Helen*'s Church. Divers Ambaſſadors have been lodged there; namely, in the Year 1586, *Henry Ramelius*, Chancellor of *Denmark*, Ambaſſador unto the Queen's Majeſty of *England* from *Frederick* II. King of *Denmark*; an Ambaſſador of *France*, &c. Sir *John Spencer*, Alderman, purchaſed this Houſe, made great Reparations, kept his Mayoralty there, and afterwards built a very large Warehouſe near thereunto.

In the firſt of King *James* I. when divers Ambaſſadors came into *England*, Monſieur *de Roſney*, Great Treaſurer of *France*, with his Retinue, (which was very ſplendid) was there lodged; the Houſe then belonging to Sir *John Spencer*.

Within *Biſhopſgate* alſo, and very likely in this Houſe, were lodged the youngeſt Son of *William* Prince of *Orange*, Monſieur *Fulke*, and the learned Monſieur *Barnevelt*, who came from the States of *Holland* and *Zealand*.

Hence returning Northward, by the Weſt Side of *Biſhopſgate-ſtreet*, we paſs over to the *South-Sea-Houſe*, a large, handſome Brick Building, coped with *Portland* Stone, at the North-Weſt Corner of *Threadneedle-ſtreet*, which reaches backward into *Broad-ſtreet*; in which Ward the greateſt Part of it ſtanding, we ſhall defer our Account thereof till we treat of *Broad-ſtreet* Ward.

More Northward, about an hundred Yards, is *Greſham-College*, formerly the Dwelling-Houſe of Sir *Thomas Greſham*, Knt. who died in the Year 1579. Greſham-College.

Sir *Thomas Greſham*, Knt. a Merchant of *London*, Agent to Queen *Elizabeth*, by his laſt Will and Teſtament, dated *July*, 1575, gave the *Royal-Exchange*, and all the Buildings thereunto appertaining, that is to ſay, the one Moiety to the Mayor and Commonalty of *London*, and their Succeſſors, upon Truſt, that they perform as ſhall be declared, and the other Moiety to the Mercers, in like Confidence. See Page 256.

The Salaries, and other Bequeſts of Sir *Thomas Greſham*, are payable out of the Rents of the *Exchange*, and other Rents of Houſes belonging thereunto: But the exceſſive Charges in rebuilding the *Exchange*, by a Model which was ſhewn to, and approved by King *Charles* II. (which, ſome ſay, coſt not leſs than eighty thouſand Pounds) hath put the Company in Debt, and ſomewhat poſtponed the Payment of the Salaries.

The Will of Sir Thomas Greſham.

The Will was to this Tenor: "That one "Moiety of the Buildings of the *Royal-Exchange*, "with all Pawns, Shops, Cellars, Vaults, Meſ- "ſuages, Tenements, *&c.* Parcel of the ſaid *Ex-* "*change*, after the Expiration of an Indenture "Quadripartite, ſhould remain unto the Mayor, "Commonalty, and Citizens of *London*, and to "their Succeſſors, upon Truſt, to perform cer- "tain Payments, and other Intents hereafter li- "mited; and the other Moiety to remain to the "Wardens and Commonalty of the Myſtery of "the Mercers of *London*, and to their Succeſſors, "upon Truſt and Confidence, and to the Intents "hereafter mentioned. And when that one "Moiety of the ſaid *Exchange* ſhould come to "the ſaid Mayor and Corporation of the ſaid "City, they and their Succeſſors ſhall every Year "give and diſtribute, for the Suſtentation of four "Perſons, to be choſen by the ſaid Mayor and "Commonalty, qualified to read the Lectures of "*Divinity*, *Aſtronomy*, *Muſick*, and *Geometry*, "within his own Dwelling-Houſe, within the "Pariſh of St. *Helen*'s, in *Biſhopſgate-ſtreet*, and "St. *Peter's the Poor*, the Sum of two hundred "Pounds; that is, to every of the ſaid Readers "the Sum of fifty Pounds, yearly, each, for their "Salaries and Stipends; to be paid at the Feaſt "of the *Annunciation* of St. *Mary* the Virgin, and "St. *Michael* the Archangel. And further, to "give and diſtribute the Sum of fifty-three "Pounds ſix Shillings and eight Pence, yearly, "unto eight Alms-Folks, whom the ſaid Mayor "and Commonalty, or their Succeſſors, appoint "to inhabit his eight Alms-Houſes in St. *Peter's* "*the Poor*, to every of them the ſaid Alms-Folks "the Sum of ſix Pounds thirteen Shillings and "four Pence, to be paid at the four uſual Terms "in the Year. And that the ſaid Mayor and "Commonalty ſhould give and diſtribute, at the "Terms aforeſaid, to the Relief of the poor Pri- "ſoners in the Priſons known by the Names of "*Newgate*, *Ludgate*, the *King's-Bench*, the *Mar-* "*ſhalſea*, and the *Compter* in *Wood-ſtreet*, fifty "Pounds

" Pounds in Money, or other Proviſions and Ne-
" ceſſaries, *viz.* to every of the ſame five Priſons
" ten Pounds, at the four uſual Feaſts, or twenty-
" eight Days next after.

" And, as concerning the other Moiety, diſ-
" poſed to the Wardens and Commonalty of the
" Corporation of the Mercers, they and their
" Succeſſors, yearly, ſhall give and pay, to and
" for the Find and Suſtentation of three Perſons,
" by them from Time to Time to be choſen,
" and meet to read the Lectures of *Law*, *Phy-*
" *ſick*, and *Rhetorick*, within his ſaid Dwelling-
" Houſe, the Sum of one hundred and fifty
" Pounds; that is, to every of the ſaid Readers,
" for the Time being, the Sum of fifty Pounds,
" for their Salaries and Stipends, at the two uſual
" Times of the Year, *viz.* the *Annunciation* of the
" Bleſſed Virgin *Mary*, and St. *Michael*. And
" that the ſaid Wardens and Corporation of Mer-
" cers, and their Succeſſors, ſhall yearly beſtow
" and expend an hundred Pounds, at four ſeveral
" Times in the Year, in and about the Expences
" and Charges of a Feaſt or Dinner for the whole
" Company, to be had and made in the Mercers
" Hall, in the End of every their Quarter-Day,
" the Sum of twenty-five Pounds; and ſhall
" every Year give and diſtribute to the Relief of
" the poor Perſons and Priſoners in the Hoſpitals
" and Priſons known by the Name of *Chriſt* or
" *Chriſt's-Church*, lately *Grey-Friars*, in *London*,
" the Hoſpital of St. *Bartholomew*, near *Smithfield*,
" the *Spital* and *Bedlam*, near *Biſhopſgate*, the Ho-
" ſpital for the Poor in *Southwark*, and the
" *Compter* kept in the *Poultry*, fifty Pounds in
" Money, or other Proviſions and Neceſſaries for
" them; that is, to every the ſaid Hoſpitals and
" Priſons ten Pounds, at the four moſt uſual
" Feaſts, or within twenty-eight Days after,
" *&c.*

" And, as concerning his ſaid Manſion-Houſe,
" with the Gardens, Stables, and all and ſinglaur
" the other Appurtenances, *&c.* he willed and
" diſpoſed, that they ſhould remain, and the
" Uſe thereof be, to the ſaid Mayor and Com-
" monalty, and to their Succeſſors, and alſo to
" the Wardens and Commonalty of the Mercers;
" to have and to hold in common, upon Truſt
" and Confidence, that the ſame Mayor and
" Commonalty, and the ſaid Wardens and Com-
" monalty of the Mercers, and their Succeſſors,
" ſhall permit and ſuffer ſeven Perſons, by them
" to be elected and appointed, in Manner and
" Form aforeſaid, meet, and ſufficiently learned,
" to read the ſaid ſeven Lectures, to have the
" Occupation of all the ſaid Manſion-Houſe,
" Gardens, and all other the Appurtenances,
" *&c.* for them, and every of them, there to
" inhabit, ſtudy, and daily to read the ſaid
" ſeveral Lectures.

" And his Will was, that none ſhould be
" choſen to read any of the ſaid Lectures after
" being married, nor receive any Fee or Sti-
" pend appointed for the Reading of the ſaid
" Lecture."

It is to be noted, that all this was thus diſ-poſed and given only during fifty Years: Then after, the Will proceeds: " That moreover he " willed and diſpoſed, that if the ſaid Mayor " and Commonalty, and the ſaid Wardens and " Commonalty, before the End of the ſaid fifty " Years, to them in Form aforeſaid limited, " ſhould procure and obtain ſufficient and lawful " Diſpenſations and Licences, Warrant and Au-" thority had and obtained, ſhould have and " enjoy the ſaid *Royal-Exchange*, Meſſuages, " Shops, Pawns, Vaults, Houſes, and all other " the Premiſes, *&c.* for ever ſeverally, by ſuch " Moieties, Rates, and other Portions, and in " ſuch Manner and Form, as before was limited, " upon Truſt and Confidence, that they ſeve-" rally for ever ſhould do and perform the " Payments, Charges, *&c.* before limited and " expreſſed.

" And he required and charged the ſaid Cor-" porations, and chief Governors thereof, with " circumſpect Diligence, and without long De-" lay, to procure, and ſo to be done and obtained, " as they would anſwer for the ſame before Al-" mighty God. For if they, or any of them, " ſhould neglect the obtaining of ſuch Licence, " or Warrant, (which he truſted could not be " difficult, nor ſo chargeable, but that the Over-" plus of his Rents, and Profits of the Premiſes, " would ſoon recompence the ſame; becauſe to " ſo good a Purpoſe in the Commonwealth no " Prince or Council in any Age would deny or " defeat the ſame; and that if conveniently, by " his Will or other Conveyance, he might have " aſſured it, he would not have left it to be done " after his Death) then the ſame to revert to " his right Heirs, whereas he meant the ſame " to the Commonwealth. And then the Default " thereof ſhould be to the Reproach and Con-" demnation of the ſaid Corporations afore God." The Proving of this Will bore Date, *November* 26, 1579.

This noble Foundation of Learning Mr. *Stow* and Mr. *Strype* have given a brief Account of; and we ſhall add a few other Things, whereof they are ſilent. The Lady *Greſham* being dead, at whoſe Deceaſe the Salaries for the Lectures were to commence, from the Rents then growing out of the *Royal-Exchange* and the Manſion-Houſe of Sir *Thomas Greſham*, and the Lecturers being now to be ap-pointed, in the Year 1597; the Mayor therefore, Aldermen, and Commons, conſidering what a Truſt this was committed to them, thought fit to write Letters to the Univerſity of *Cambridge*, im-porting, " How that they might the better diſ-" charge the Truſt committed to them, both in " Conſcience, and in Regard of their own Credit, " as not doubting but the Eye of her Sovereign " Majeſty, her honourable Council, and all o-" ther of beſt Judgment throughout this Land, " would obſerve their Doings, with what Care " and good Diſcretion they performed this Duty, " being Matter of ſo great Importance to the " Church of God and this Commonwealth; and " that for themſelves, for Want of Judgment to " diſcern Men of moſt Sufficiency in the ſaid " Faculties, they might make Default, and com-" mit ſome Error in their Election; they thought " good therefore to derive their Choice from the " very Fountain, and in earneſt and hearty Man-" ner to crave the Help and Aſſiſtance of their " learned Judgments, and to entreat of them " the Nomination of two meet Perſons, being " unmarried, according to the Will of the Teſta-" tor,

" tor, of beſt Knowledge in every Faculty of " thoſe four that were referred to the beſtowing " of the City; being alſo furniſhed with good " Utterance, and other meet and requiſite Parts " for the publick Profeſſion of the ſaid Arts; " whoſe ſeveral Names they prayed them to ſet " down, and ſend unto them, under the Signa- " ture of the Univerſity, that they might make " Choice of the fitteſt Perſons in every Faculty, " being aſſiſted by ſo many grave and learned " Judgments; wherein, as they ſhould perform " a ſpecial Part of their own Duty, ſo they " doubted not but that themſelves ſhould do a " good acceptable Work to Almighty GOD, " and bind them and the whole City in mutual " Reſpects, and good Correſpondence of like " Deſire to procure the Good, wherein they " might, of that Univerſity."

To the like Effect they directed their Letters to the Univerſity of *Oxford*.

Some of the Heads in *Cambridge* were jealous that theſe Lectures, being to be read in *London*, might be prejudicial to that Univerſity, in hindering many from coming thither to ſtudy the Sciences, and drawing them to *London*. This occaſioned Dr. *Jegon*, the Vice-Chancellor, to refrain for a little Time to nominate any, before he had acquainted the Lord *Burleigh*, their High Chancellor, with it, and had his Allowance for the doing it.

It is not known whether either of the Univerſities ſent ſuch Recommendations, but it is probable they never did, or at leaſt, that the firſt Choice was made without any Regard to them; for, at the firſt Election, two of the Profeſſors were choſen by Recommendations from the Court, namely, Dr. *Matthew Gwinne*, Profeſſor of *Phyſick*, and Dr. *John Bull*, Profeſſor of *Muſick*. The firſt, *viz.* Dr. *Gwinne*, had, by his Intereſt at Court, been ſent into *France*, Phyſician to Sir *Henry Unton*, Leaguer Ambaſſador to the King of *France* from Queen *Elizabeth*, and, after his Return, was deſigned to be made Phyſician to the Tower of *London*; but the firſt Election of the Profeſſors for *Greſham College* happening at that Time, the Lord *Thomas Egerton*, Baron *Elleſmere*, Lord High Chancellor of *England*, recommended him, in two Letters, to the Mercers Company, to be choſen *Phyſick* Profeſſor, which they did accordingly; and he was about the ſame Time admitted Fellow of the *College of Phyſicians*. The other, Dr. *Bull*, *Muſick* Profeſſor, had for ſome Years been travelling into *France*, *Spain*, and *Germany*, as Mr. *Wood* tells us, in his *Athenæ Oxonienſes*, and, on his Return, was one of the Gentlemen of the Queen's Chapel, for four or five Years at leaſt, before the Election of the firſt *Greſham* Profeſſors; and as he was in the Service of the Court, and in the higheſt Eſteem there for his vaſt Knowledge in *Muſick*, it is very likely he had his Recommendation from thence.

This noble Gift was afterwards confirmed by Act of Parliament, in the twenty-third of the Queen, and was intitled, " An Act for the " eſtabliſhing an Agreement between Sir *Henry* " *Nevyl*, Knight, and Dame *Anne Greſham*, Wi- " dow, for the better performing of the laſt " Will of Sir *Thomas Greſham*, Knight, deceaſed, " and for the Payment of his Debts." The Clauſe ratifying and confirming the Donation of the *Exchange* for the aforeſaid Lectures, was in theſe Words:

" And the Buildings in *London*, called the " *Royal Exchange*, and all Pawns, and Shops, " Cellars, Vaults, Meſſuages, Tenements, and " other whatſoever Hereditaments, Parcel of, " or adjoining to, the ſaid *Royal Exchange* in *Lon-* " *don*, ſome Time the ſaid Sir *Thomas Greſham*'s, " ſhall be to the ſaid Dame *Anne*, during her " Life; and, after her Deceaſe, the one Moiety " thereof to the Mayor, Commonalty and Ci- " tizens of *London*, by whatever ſpecial Name " or Addition the ſame Corporation is made " or known, and to their Succeſſors for ever; " and the other Moiety thereof to the Wardens " and Commonalty of the Myſtery of Mercers " of the City of *London*, that is to ſay, to the " Body and Corporation of the Company of the " Mercers of *London*, by whatſoever ſpecial " Name or Addition the ſame Corporation is " made, known, and to their Succeſſors, to the " good Uſes and Intents, in the ſaid Writing, " laſt Will and Teſtament, limited, or ap- " pointed."

So that theſe Lectures began after the Deceaſe of the Lady *Anne Greſham*, (which happened in the Year 1596) and ſo to continue for ever; whereupon the Lecturers were accordingly choſen and appointed to begin their Readings in *Trinity Term* 1597, which alſo they do at this Time perform. The Names of the firſt Profeſſors were *Anthony Wooton*, for *Divinity*, Dr. *Matthew Gwinne*, for *Phyſick*, Dr. *Henry Mountlow*, for the *Civil Law*, Dr. *John Bull*, for *Muſick*, *Edward Breerwood*, for *Aſtronomy*, *Henry Briggs*, for *Geometry*, and *Caleb Willis*, for *Rhetorick*, to the great Delight of many, both Learned and Lovers of Learning.

If the Truſtees did not take the Recommendations of the Univerſities to direct their Choice, yet they ſeemed to make their Methods and Cuſtoms the Pattern by which the *Greſham* Lectures were to be modelled; and accordingly the *Greſham* Profeſſors began, and ever performed their Lectures in a Method and Courſe in no material Point differing from the Univerſities; which appears to be altogether agreeable to the Intention of Sir *Thomas Greſham*, who, as he founded Profeſſorſhips in the ſame Arts and Sciences as are in the Univerſities, muſt be ſuppoſed to deſign, that they ſhould be cultivated in the ſame Manner at *London*. Thus Sir *George Buck*, in his Treatiſe of the third Univerſity of *England*, namely, *London*, ſays, That all the Liberal Arts and Sciences are there profeſſed and taught, and that there are many and daily Lectures thereof read Particularly and Academically in *Greſham-College*; for which Reaſon, he afterwards ſtiles *Greſham-College* a little Univerſity, *Academiæ Epitome*. And beſides, That the Method of the Lectures themſelves, the Times of Reading them, and the Intervals between the Times of Reading, were, in a great Meaſure, conformable to the publick Lectures in the Univerſities, and in the ſame Manner performed when the *Greſham* Lectures were firſt inſtituted,

is beyond Contradiction plain, from the Concluſion of Dr. *Gwinne*'s ſecond Oration, read in *Greſham-College*, wherein he ſays, That the *Exerciſes, or Lectures, required of the Profeſſors in* Greſham-College, *are no other than what are required from the Profeſſors in the Schools and Lecturers in the Colleges in the Univerſities; and that as they, the Univerſities, had their Vacation Time and Receſſes between the Performance and Return of their Duty, ſo had* Greſham-College; *where the Lectures were read only at particular and appointed Times*; namely, when ſuch Exerciſes are uſually performed in other the like Places: And that theſe uſual and cuſtomary Times of Reading were the Term-Times only, is plain from *Stow*; for it appears from the firſt Edition of his *Survey*, written the ſame Year that Dr. *Gwinne* read the aforeſaid Lecture, and not above ſeven Months after the firſt Lectures were read, that the firſt Profeſſors began their Lectures in *Trinity-Term* 1597. That every Lecturer had his particular Day in the Week, on which he was to read twice, once in *Engliſh*, and the other in *Latin*; and the ſame Practice appears to have been followed in 1603, from the ſecond Edition of the *Survey*, publiſhed by Mr. *Stow* himſelf, in that Year, improved, augmented, and carefully corrected; and it is as plain, that the ſame Practice continued in the Year 1618, from the third Edition, publiſhed by Mr. *Anthony Monday*; and in the Year 1633, from the fourth Edition publiſhed at that Time.

There were two Things, that thoſe who had the Care of this College, in order to the Settlement thereof, were buſy about; the one was in concerting, whether the Lectures ſhould be read in *Latin*, or *Engliſh*; the other, for the Regulation of the College with good Rules and Orders.

Concerning the former, it was much controverted, in which of the two Languages the Lectures ſhould be read: And there were two Papers of Reaſons aſſigned; one, Why the Lectures in *Divinity* ſhould be read in *Engliſh*, all, or Part; and the other, Why all the other Lectures ſhould be rather read in *Engliſh*, all, or Part: But the Judgment of learned Men differed, it ſeems, in this Point; ſome being for reading in *Latin*, ſome in *Engliſh*; the general Opinion was, That of the three Readings in the Week, the two former ſhould be in *Latin*, and the laſt in *Engliſh*.

The Reaſons given in the aforeſaid Papers were as follow:

I. Becauſe the Good that would enſue would be more publick.

And the Founder ſeemed to have a more ſpecial Reſpect to the Benefit of the Citizens, of whom few underſtood the *Latin* Tongue.

That there would be more Hope of Contribution from the Citizens for the perfecting this and other good Works, if they might be employed to the common Benefit of the People of the City.

That it would be leſs offenſive and damageable to the Univerſities, that this Reading be in *Engliſh*.

That the Mayor, Aldermen, and Commonalty, to whom the Ordering theſe Lectures was committed by the Will of the Founder, thought themſelves bound in Conſcience to provide that they might be read to the greateſt Profit.

That if they be read in *Latin*, ſome of the Learned might probably reſort to them, at firſt, for Novelty's Sake; but in a ſhort Time they would become ſolitary, and void of Auditors; whereby Occaſion would be taken to convert the Revenue to ſome other Uſes, or elſe to transfer the Lectures to the Univerſities; both which were contrary to the Founder's Meaning.

That the *Grecians* taught all Parts of Learning in their own Tongue; *Varro*, *Cicero*, and *Cæſar*, and other of the wiſeſt and learnedeſt of the *Romans*, laboured to have the like done in the *Latin*: That the vulgar Tongues at this Time, eſpecially the *Italian*, *French*, and *Spaniſh*, both tranſlate out of *Latin* and *Greek*, and write in their Languages all Parts of Learning; which hath much graced and benefited thoſe Countries.

And *Laſtly*, It will further the Eſtimation of Learning among the People, and will give them ſuch a Taſte of Learning as not to deſpiſe it, as the ruder Sort do; and make them withal to find their own Wants, and how neceſſary it is to have learned Men among them.

II. Reaſons why the *Divinity* Lecture ſhould be in *Engliſh*; viz.

That the former Reaſons make moſt for the *Divinity* Lecture.

That the Expoſition of the Texts of Scripture is fit for none more than the common People, who may and do miſtake many Places of Scripture: And when Points of Doctrine, which they hear but ſhortly and ſlightly handled in Sermons and ordinary Lectures, ſhall be ſoundly and largely delivered in *Engliſh*, with plain Proofs of the Truth of our Doctrine, and Diſproof of the Sophiſtry of the adverſe Party; hereby Knowledge will come to be well ſettled in the Minds of the People, in whom there is a great and general Want of it.

That many, able to underſtand *Latin* when they read it deliberately, will not be able to underſtand the Reader when he ſpeaketh it.

That it will be a good Means to beget a Reverence towards learned Miniſters, when *Divinity*, and the Study thereof, ſhall appear to be a greater and harder Matter than is apprehended by many; ſince many ſimple Men and Women take themſelves to be great Divines, upon meer Ignorance and vain Preſumption.

Recuſants, and other ſecret *Papiſts*, ſhall not be ſo eaſily able to ſhake the Faith, and diſquiet the Minds of unlearned People, who, for want of Grounds, are ſnared and confounded with ſubtle Arguments, as *Papiſts* furniſh themſelves withal.

That that falſe and dangerous Opinion, That the Difference between us and the *Popiſh* Church is about ſmall Trifles, and maintained by our Side for Contention rather than Conſcience ſake, may be found falſe and ſlanderous; and a true and grounded Deteſtation of *Popery* ſhall be bred in the Queen's Subjects Hearts.

That it may pleaſe God to make it a Means of the Converſion of ſome *Papiſts*, who, though they refuſe to be preſent at Sermons, yet peradventure,

venture, will not ſhun altogether Scholaſtical Lectures.

If it be objected, That it will not be fit to have all Controverſies, or the Reaſons of both Sides made known to the People, it may be anſwered, That the Practice of the Adverſaries, who have contrived the Controverſies, and framed their Reaſons in the *Engliſh* Tongue, with as much Subtilty as they can, ſhew the Neceſſity of writing and reading Scholaſtically and Learnedly in *Engliſh*, that the People may be able to maintain the Truth profeſſed by Soundneſs of Reaſon.

There is a Collection of Rules prefaced in theſe Words: It is thought good by the "Mayor and Aldermen and Commons of the "City, and by the Maſter, Wardens, and "Company of the Mercers, to whom the Elec- "tion of the ſaid Profeſſors, and the good Go- "vernment of their ſaid College is wholly com- "mitted by the laſt Will of the ſaid Founder, "to deviſe and ſet down certain Ordinances for "the good Government of the ſaid College, in "Manner following."

But the Reader may obſerve, by what will be ſaid hereafter, that theſe Orders were never kept up to.

The firſt whereof was, for a Priority among the Profeſſors. This Priority to be in the Profeſſors of *Divinity*, *Law*, and *Phyſick*, ſucceſſively; ſo that theſe three principal Readers be Preſidents in Succeſſion. The *Divinity* Reader to be next the Preſident. The other Readers, after the *Divinity* Profeſſor, to have their Place according to their Seniority within the College.

The Readers to lodge and common within the Houſe, as Collegiate Perſons.

Deputy Readers to be allowed by the Lord-Mayor, Aldermen, and Wardens of the Mercers.

A common Table, or ordinary Diet, to be kept by the Profeſſors, within the College, by a common Charge.

No Stranger to be entertained at their common Diet, above three Meals within one Month.

The publick Reading to be performed at five Terms; whereof the firſt to begin the *Monday* before *Trinity Term*, of the *Common Law*, and to continue for one whole Month, *viz.* the Space of thirty Days next enſuing; after which Term, a greater Vacancy and Intermiſſion is granted to them for their private Study and other Buſineſs, and for avoiding the Concourſe of People in the Heat of Summer. The ſecond Term to begin the firſt *Monday* in *September*, and to continue for a Fortnight. The third Term to begin the *Monday* before *Michaelmas* Term, and to end with the ſame Term. The fourth Term to begin the *Monday* next after the *Epiphany*, and to continue for two Months, *viz.* the Space of threeſcore Days. The fifth Term to begin the *Monday* ſeven-night after *Eaſter* Day, and to end with *Eaſter* Term.

The Divinity *Lecture.*

The *Divinity* Lecture to be read thrice every Week, twice in *Latin*, and once in *Engliſh*, between the Hours of eight and nine in the Forenoon, a whole Hour at a Time. The Lecture to be read in *Latin* for the Sake of Strangers (whereby the Memory of the Founder may be divulged) on *Mondays* and *Wedneſdays*. To be read in *Engliſh*, for the common Benefit of the People of the City, on *Fridays*. Which *Engliſh* Lecture may be the Effect of the two former *Latin* Lectures.

That the *Divinity* Reader employ his Time in handling Controverſies that concern the chief Points of Chriſtian Faith, eſpecially thoſe with the common Adverſary, the Church of *Rome*: And to endeavour to confirm the true Doctrine eſtabliſhed in the Church of *England*; and to bolt out the true State of each Controverſy, eſpecially drawn from the Council of *Trent*, and the late Writers of refined *Popery*; and to overthrow their falſe Opinions. Firſt, by Scripture; then by Conſent of Antiquity; and laſtly, by Schoolmen, and chief Writers of their own Side; not intermedling with domeſtick Queſtions, or inteſtine Differences, touching the Rites and Manner of Government of the Church.

The Law *Lecture.*

The *Law* Lecture to be read thrice every Week for an Hour; the two former in *Latin*, and the third in *Engliſh*, as a brief Recapitulation of the two former. The Days to be *Tueſdays*, *Thurſdays*, and *Saturdays*.

This *Law* Lecture, conſidering the Hearers, for the moſt Part, are like to be Merchants, or other Citizens, not to be read, after the Manner of the Univerſity, upon any Text of the Civil Courſe, but to cull out ſuch Titles and Heads of Law, as beſt may ſerve to the good Liking and Capacity of the Auditory, and are more uſual in Practice; which may be handled after the Method of *Waſerbekius*, and certain others, by Definition, Diviſion, Cauſes, Effects, Contraries, *&c.* To which are added the Heads and Titles of ſuch Matters as were fitted for this Place and Auditory.

The Phyſick *Lecture.*

The *Phyſick* Lecture to be thrice every Week, *viz. Tueſdays*, *Thurſdays*, and *Saturdays*; between the Hours of ten and eleven. The two firſt Lectures in the *Latin* Tongue, and the third in the *Engliſh*, as a brief Collection and Recapitulation of the two former.

And for the Matter of the ſaid Lecture, it is to be wiſhed, that the Reader follow *Fernelius*'s Method, by reading *Phyſiology*, then *Pathology*, and laſt *Therapeutics*; whereby the Body of the ſaid Art may be better imprinted by good Method in the ſtudious Auditors, rather than be disjointed, and delivered out of Order, by Expoſition of ſome Part of *Galen*, or *Hippocrates*.

The Aſtronomy *and* Geometry *Lectures.*

The *Aſtronomy* and *Geometry* Lectures to be read likewiſe, *viz.* either of them thrice every Week.

The *Geometrician* to read every *Trinity* Term, *Arithmetick*; in *Michaelmas* and *Hilary* Term, *Theorical Geometry*; and every *Eaſter* Term, *Practical Geometry*.

The *Aſtronomy* Reader to read, firſt, the Principles of the Sphere, and Theories of the Planets, *&c.* then to apply them to Uſe, by reading *Geography*, and the Art of *Navigation*, in ſome one Term of every Year. The Days for the *Aſtronomy* Lecture to be *Mondays*, *Wedneſdays*, and *Fridays*, between the Hours of two and three in the Afternoon. For *Geometry*, *Tueſday*, *Thurſday*, and *Saturday*, at the ſame Hour. The firſt Reading of the ſaid Lectures to be in *Latin*, the next in *Engliſh*, and ſo following in the ſame Order.

The Rhetorick *Lecture.*

The *Rhetorick* Lecture to be read thrice every Week, *viz. Mondays*, *Wedneſdays*, and *Fridays*, for a whole Hour, in the *Latin* Tongue with a brief Recapitulation for one Quarter of an Hour in the *Engliſh*, between the Hours of ten and eleven in the Forenoon.

The Muſick *Lecture.*

The *Muſick* Lecture to be alſo read thrice every Week, *viz.* the *Theorick* Part, for Half an Hour in the *Engliſh* Tongue; and the *Practick* Part, by Concert of Voices, or of Inſtruments, the other Half Hour: The Days appointed to be *Tueſdays*, *Thurſdays*, and *Saturdays*, in the Afternoon, between the Hours of three and four.

For the greater Comelineſs and Order, the Readers were obliged at their Lectures to appear with ſuch Hoods and Habits as are proper to their Academical Degree.

In this Manner theſe Lectures began to be read; and thus they continued, without any Interruption, till the dreadful Fire of *London* in 1666; when the *Exchange* of *London* being conſumed, this College was made Uſe of to ſupply the Want of Shops for the Inhabitants of the *Exchange*, and to be a Place for the Merchants to meet in. The City made Uſe of it for their Court and Chamber, and for other Publick Uſes. The Inner Court-Yard for the Meeting of the Merchants, until ſuch Time as the *Royal Exchange* could be re-built; alſo, the Galleries above the Court-yards without, and the Piazzas about the Inner Court, where the Merchants met, were all converted into Shops for thoſe who had been burnt out by the Fire of the *Exchange*. This Alteration did, for ſome Time, impede the orderly Courſe of the Reading the aforeſaid Lectures.

After which the Lectures were again renewed in the Manner they had before been practiſed; and thus continued till they had again been like to be interrupted in the Year 1699, thro' the Diſcouragement the Profeſſors met with from the Truſtees, who, under Pretence of a great Debt they had run into by re-building the *Royal Exchange* in the ſumptuous Manner it now appears, thought it good to ſtop the Profeſſors Salaries; but they, however, did not think this a ſufficient Reaſon to omit their Duty, and continued in the Diſcharge of it, notwithſtanding this great Difficulty they had to encounter with: The Particulars of which Matter were as follow:

The Profeſſors Salaries ſtopped by the Truſtees.

In the Month of *Auguſt* 1699, a grand Committee for *Greſham* Affairs was ſummoned to meet, and the Profeſſors directed to give their Attendance: When the Profeſſors came, the Committee acquainted them, that Sir *Thomas Greſham*'s Gift had greatly run them into Debt; that the Expence of Re-building the *Exchange*, (to do which they were forced to take up great Sums of Money upon Intereſt) was ſo great, and the Income of the *Exchange* ſo ſmall, the Trade thereof being greatly fallen off, that the preſent Profits of the *Exchange* were leſs than the Intereſt of the Money borrowed to re-build it, whereby there was no Revenue left to maintain and ſupport the Uſes of Sir *Thomas Greſham*'s Will; wherefore they were not in any Condition to pay the Profeſſors Salaries any longer, nor any more could be at any Expence in Repairing the College, tho' they had ever, before that, kept in conſtant Repair both the publick Rooms of the College, and the private Apartments of the ſeveral Profeſſors. The Profeſſors uſed all poſſible Endeavours, in the moſt reſpectful Manner, to prevail with the Truſtees to recede from theſe Reſolutions, but without Succeſs, 'till the following Year, when they were forced to apply to Counſel, to adviſe what proper Courſe to take to obtain Redreſs: The Counſel they applied to, were the then Attorney-General Sir *Thomas Trevor*, and Mr. *Henry Pooley*, to whom they gave a ſhort State of their Caſe, in Subſtance as follows:

Sir *Thomas Greſham*, by Will, made 1575, left one Moiety of the *Exchange*, &c. to the City of *London*, to the Intent that they perform certain Payments mentioned in his Will; and the other Moiety thereof to the Company of Mercers, on the ſame Confidence and Truſt: One of theſe Payments directed by the Will, was, that the City ſhould find four Lecturers in *Divinity*, *Geometry*, *Aſtronomy*, and *Muſick*, for ever, and pay them yearly 50 *l.* a-piece. And that the Mercers likewiſe find three Lecturers, for ever, in *Civil Law*, *Phyſick* and *Rhetorick*, and pay them alſo 50 *l.* a-piece. As to his Manſion-Houſe, with the Gardens, Stables, and Appurtenances, *&c.* the Will directs the ſame to be and remain to the ſaid City and Company, upon Truſt and Confidence, that they permit and ſuffer the ſeven Readers aforeſaid there to inhabit, and have the Uſe thereof to ſtudy and read the ſaid Lectures daily. On the next Year, an Act of Parliament paſſed for the better performing this Will. The City and Company have accordingly enjoyed this Gift, and have nominated the Readers, paid the Salaries, and kept the College in Repair ever ſince, 'till of late, which they now refuſe to do; alledging, that they were at a vaſt Expence in Re-building the *Exchange*, and had borrowed vaſt Sums to do it, and that the Intereſt thereof being firſt paid, the clear Profits of the *Exchange*, &c. will not pay the Salaries and other Payments appointed. The Truſtees farther pretend, That the Ground Sir *Thomas* built the *Exchange* on was not his own Ground. On ſtating their Caſe after this Manner, the Profeſſors made theſe Queries, and received the following Advice:

The firſt Queſtion is, ſuppoſing they [the Truſtees] have borrowed Money to build, "Whether they, enjoying the Rents and Profits, "as they do, under the Will, ſo confirmed by "Act of Parliament, and the Act for Rebuilding "the City, not appointing in what Manner the "*Exchange* ſhould be re-built, are not in all "Events to pay the ſeven Salaries, and the other "Charities yearly, and whether they can be "now admitted to controvert the Title to the "Ground upon which the *Exchange* was built?"

I conceive this City ſhall not now be admitted to controvert Sir Thomas Greſham's *Right to the Ground on which the* Exchange *is built; and I conceive no extravagant or extraordinary Expences which the City may have been at in Building the* Exchange *more ſumptuouſly than needful, only for their own Grandeur and Magnificence, ſhall be allowed to them to ſink the Rents in Diſappointment of the Lecturers, and other Charities. The neceſſary Charges of Re-building, in ſuch a Manner*

as to make it answer a Rent sufficient to answer the Charities, must be allowed; and if, after such an Allowance, the rest of the Profits will not be sufficient to answer the Charities, I conceive the City ought to account for all the Rents and Profits from the Death of Sir Thomas Gresham; *that so the Surplus of Profits may be applied to make up the Deficiency that now is.*

The second Question is, "Whether the several Readers shall bring in a Bill in *Chancery* for "Performance of the Will in their own Names, "and for their Salaries only? or, Whether in "the Name of the Attorney-General, at their "Relation for the Payment of their Salaries, and "the other Charities in the Will?"

I conceive it is most proper to bring the Bill in the Attorney-General's Name, at the Relation of the Lecturers, &c.

May 17, 1700. HENRY POOLEY.

Upon this Advice, the Professors, who still sought the Trustees to give them Redress, without running to Extremities, but could not prevail, filed a Bill in *Chancery* against the Trustees in *Michaelmas* Term, 1700. This Information was in Substance as follows: "That Sir *Thomas* "*Gresham* did, in the Reign of the late Queen "*Elizabeth*, at his own Charge, build and erect "in the City of *London* a Building, which "was, by the said Queen, called the *Royal* "*Exchange:* That by his last Will, made 1575, "he left one Moiety of the said *Exchange*, &c. "to the City of *London*, and the other Moiety "thereof to the Company of Mercers, upon "this special and express Trust and Confidence, "and to the Intent that they should perform "the Payments, and other Intents, in that "his last Will appointed to be done and performed." *Then the Bill recites the several Payments of Salaries and other Charities mentioned in the Will, and proceeds:* "That the "Overplus of the Rents and Profits of the Premises, above all the Payments thereout appointed to issue by the said Will, would soon "abundantly recompence such Charge and Trouble as the Trustees should be at: And as to "his Mansion-House, now commonly called "*Gresham-College*, he gave that, and all the "Appurtenances thereto belonging, to the said "City and Company, to have and to hold, upon "this express Trust and Confidence, that they "should permit the said seven Lecturers to have "the Occupation of all his said Mansion-House, "*&c.* for them, and every of them, there to inhabit, study, and read, *&c.* That the said "Trustees did pay the said Salaries and other "Charities, until the twenty-fifth Day of *March*, "1699; but, since that Time, have stopped "further Payment, whereby the Salaries of the "Professors are in Arrear from the said twenty-fifth "of *March* 1699, to the present *October* 1700, altho' Application has been several Times made "of late to the Trustees for the Payment of the "said Salaries; and when the Performance of the "Founder's Will has been earnestly pressed upon "them, the Answer was, *There was no Money "to make good the said Salaries*, &c. on which "Pretence the Trustees do absolutely refuse to "perform the Will of the said Testator, by paying the said Salaries, but do convert the Rents "and Profits of the Premises devised to them to "their own respective Uses; and their Pretence "for this Want of Money, is, *That the* Royal "Exchange, *and other Appurtenances devised to "them in the said Will, were burnt in the Fire of* "London; *that they re-built the same at a vast "Expence, borrowing Money for that Purpose; "and that the Incomes and Profits arising from "the* Exchange, *thus re-built, do not answer "the Money that was borrowed to rebuild the "same.* Altho' this was true, the same ought "not to prejudice the Payment of the said Salaries, *&c.* for that there was no Necessity "for them to expend such vast Sums in outward "Magnificence; and besides, they had, for above "an hundred Years, enjoyed all the Rents and "Profits of the Premises, being a very great Revenue, much above the said Payments charged "on the same: Besides, had not the Trustees "thought it for their Advantage, and so had refused to re-build the same, subject to the "Trusts and Payments in the Testator's Will, "some other Ways and Means would have been "found out and provided for the Re-building, without defeating the several Payments "appointed; and of this the Trustees are so "sensible, that they have, ever since the Fire of "*London*, continued to pay the same, and "but lately, as is afore set forth, stopped Payment; and for some farther Colour to make "this Stop, do pretend, that, *by a late Act of "Parliament for the Relief of Orphans*, &c. *the "Revenues of the City are appropriated to answer "for ever a Fund of* 8000 l. *a Year, to pay these "Orphans Debts*, &c. which is only a Pretence "to defeat the Founder's Will, since this Act "cannot affect the Salaries due to the Professors, "*&c.* for that not the whole Benefaction of Sir "*Thomas Gresham*, but only the Surplus of it, "after paying the Uses of the Will, can be called "or taken to be Part of the Revenue of the City. "And so bent are the Trustees to defeat the Will "of the Testator, that, tho' by his said Will "his Mansion-House is expressly appointed for "the Habitation of the said seven Readers, yet, "to force the Readers from thence, they have let "the said House run to Ruin, and refuse to repair, "and keep in Repair, the same. All which Refusal of Paying the Salaries, *&c.* and of Repairing the Mansion-House, is against all Equity and good Conscience, and directly against "the Will and Meaning of the Testator aforesaid, and a Breach of the Trust reposed by the "said Will in them. To the End, therefore, "that the said Trustees may answer the Premises, and be decreed to make good the Salaries, "*&c.* and to pay the Arrear, and put the said "Mansion-House, and keep the same, in Repair, the Lord Chancellor is prayed to grant "his Writ of *Subpæna* to the Trustees, commanding them personally to appear, *&c.*"

The Consequence of Filing this Bill was, That not long after the Trustees met, and directed the Professors to attend, and at their Meeting ordered the Payment of one Year's Salary, telling them, That they would in convenient Time discharge

charge the remaining Part of the Arrear, whereupon all Proceedings in *Chancery* were ſuſpended. The Truſtees ſaid, likewiſe, That they had a Propoſal to make for the mutual Advantage both of the Truſtees and Profeſſors, to which they deſired the Concurrence of the Profeſſors: Which Propoſal was to bring a Bill into Parliament for the Re-building *Greſham-College* into a Square (to be let out for Rent, for the Uſe and Advantage of the Truſtees) and Providing Houſes more commodious for the Profeſſors than the Lodgings they now enjoy; and to this Propoſal all the Profeſſors, ſave one, gave their Conſent; and accordingly the Bill was brought into the Houſe of Commons in 1701, and carried there; but, at the ſecond Reading in the Houſe of Lords, it was rejected, upon the Petition of Dr. *Robert Hooke*, *Geometry* Profeſſor, who had before denied his Conſent to it. The Contents of this intended Act of Parliament were as follow: In the Preamble it ſets forth, "That the *Royal Exchange* "was given to the Truſtees, in Truſt, to pay out "603 *l.* 6 *s.* 8 *d. per Ann.* That this *Exchange* "was burnt down in the great Fire of *London*, and ſo no Revenue left to pay the "annual Charge. That the Truſtees re-built "the *Exchange* at the Expence of 80,000 *l.* or "thereabouts, and the Truſtees loſt thereby "more than 2000 *l.* yearly, the Trade of the "*Exchange* decreaſing, and many of the Shops "ſtanding empty, altho' conſiderable Abatements have been made to encourage Tenants. "That *Greſham-College* is grown old and ruinous, "and the Repairs thereof have been very expenſive; but the ſaid College ſtanding upon a "conſiderable Quantity of Ground, and great "Part of it lying waſte, good Improvement may "be made by Re-building it. That the Truſtees and Profeſſors are agreed upon a Scheme "of Building ſeven convenient Houſes for the "Lecturers, and a publick Hall, and likewiſe "Alms-Houſes in a more airy and convenient "Place for the Alms-Folks.

A Bill for Re-building Greſham College *brought into Parliament.*

"Wherefore they pray, that it may be enacted, That it may be lawful to pull down the "old College, *&c.* and to convert the Materials to their own Uſe, and alſo to let and "diſpoſe all, or any Part of the Ground belonging to the ſaid College, except ſuch Part as "the Lecturers Houſes and Hall are agreed to "be built upon. Provided, however, that the "Lecturers Houſes and Hall be built in the "Manner ſpecified, and that all thoſe new "Buildings be liable, together with the *Royal* "*Exchange*, &c. in the firſt Place, and before "all other Charges, to the Payment of the Uſes "of Sir *Thomas Greſham*'s Will, and that all "the Arrears due to the Lecturers, *&c.* be fully "paid, clear of all Taxes, either now aſſeſſed, "or to be ever hereafter aſſeſſed; and that no "Stoppage ſhall be made of the ſame Payments "for the future, on Account of Re-building the "*Exchange*, or otherwiſe howſoever; and that "the Truſtees ſhall ſupport, maintain, and repair, at their own Coſts and Charges, the ſaid "Lecturers Houſes, *&c.* as often as Occaſion "ſhall be; and that the Truſtees ſhall on any "Vacancy of a Lecturer, for the future, come "to a Choice within two Months."

The Bill being thus loſt in the Houſe of Lords, upon the Petition of Dr. *Hooke*, the *Geometry* Profeſſor, the Truſtees were much offended, and therefore went no farther in clearing the Arrears due to the Profeſſors, than the abovementioned Payment of the Year's Salary, and laid aſide this Project of Re-building till the Death of Dr. *Hooke*, which happened within a Year or two after; ſoon after which, the Truſtees again reſumed their Deſign of bringing their Bill into Parliament, as hoping now for better Succeſs, when the main Oppoſer of it was dead; and then again they deſired the Profeſſors Conſent and Concurrence, which they readily had; and accordingly, in the Year 1703-4, they brought into the Houſe of Lords the ſame Bill as before, where it paſſed, but with the following Clauſe added: "Provided always, that no Perſon ſhall "hereafter be capable of being choſen a Lectu-"rer upon any Vacancy, except he be a Gradu-"ate in one of the Univerſities of this Kingdom." There was likewiſe added a Penalty to the Bill, namely, "That the Truſtees ſhould be obliged "and required to build theſe Houſes, Hall, and "Alms-Houſes, for the Lecturers and Alms-Folks, "within five Years from the paſſing of this Act, "upon the Penalty of 2000 *l.* to be forfeited to her "Majeſty, her Heirs, or Succeſſors, *&c.*" But when this Bill came down to the Houſe of Commons, Exception was taken to this Clauſe, and the Bill, being on that Account rejected, hath never ſince been attempted again in Parliament.

Bill for Rebuilding the College again brought into Parliament.

Thrown out again.

In the Year 1706, ſome Perſons in Office, in the Pariſhes of St. *Helen*'s and *Broad-ſtreet*, did, contrary to all Cuſtom and Uſage, aſſeſs and tax the ſeveral Apartments of the Profeſſors as diſtinct Houſes; whereas the whole ſeven Lodgings (all which, as was well known, were only the ſingle Manſion-Houſe of Sir *Thomas Greſham*) had been before taxed but as one Houſe: They likewiſe endeavoured to bring the Profeſſors into the Poors Rates, and other parochial Taxations, to ſubject their Salaries to the King's Taxes, and to lay other ſuch-like Hardſhips upon them; nothing of which had ever before been ſo much as demanded of them. The Profeſſors abſolutely refuſed to comply with any of theſe Demands, and by proper Appeals, and other Methods, got themſelves diſcharged from theſe Impoſitions. The Pariſh-Officers finding themſelves diſappointed, and not able to leſſen their own Charges, by laying Part of them on the Profeſſors, grew angry, and ſought to give all the Moleſtation and Trouble they could to them; for which Purpoſe they employed Perſons of mean and baſe Condition perpetually to attend the Lectures, not to reap any Advantage thence, or even to ſatisfy any Curioſity, but to obtain Matter for Calumny or Complaint, and to give Notice if any blameable Omiſſion ſhould happen: And theſe Perſons Behaviour was ſuitable to the Deſign they were ſent to purſue, being always tumultuous and rude, and ſometimes abuſive to ſome of the Profeſſors, during the Time of their performing their Duty. The Profeſſors might have taken juſt Exception to ſuch an Audience, or have refuſed to read to Perſons ſo unqualified as they were: However, they never omitted

their

their Lectures on this Account, but continued in the conſtant Diſcharge of their Duty, to the Diſappointment of their Adverſaries, who wanted nothing more than a juſt Occaſion of Complaint; but as they could find no Neglect in the Profeſſors of their real Duty, they had Recourſe to an imaginary one, demanding of the Profeſſors to read Lectures on Holidays; nay, of the *Divinity* Profeſſor to read on *Sundays:* This they afterwards carried ſo far, as to inſiſt on Lectures every Day in the whole Year. The Profeſſors refuſing Compliance with theſe Demands, their Adverſaries had Recourſe to Clamour and Noiſe; they printed Repreſentations and Advertiſements, that ſuch Lectures were to be read on ſuch Days, namely, on Holidays, when they knew no Lectures would be read, and paſted theſe up and down in the moſt publick Places, and by other Means diſperſed them, and thus drew many Strangers thither, who being diſappointed, and not knowing the Uſage and Cuſtom of the Place, were drawn in to join with them in their unreaſonable Clamours: And among theſe were ſeveral Perſons of good Faſhion and Education; ſuch, whoſe Attendance might have been a Credit and Reputation to the Profeſſors, had they not fallen into the Prejudices before-named, and with great Zeal joined in the groundleſs Demand of Lectures every Day in the Year, inſtead of the known Duty of Reading them only in the Term Times. The Profeſſors, refuſing to depart from what had been ever the Cuſtom of the College, were menaced with Complaints to be made to the Committee for *Greſham* Affairs; and if Redreſs was not to be had there, of farther appealing to the Lord-Mayor and Court of Aldermen. And to make theſe Complaints more effectual, and to purſue them with greater Vigour, the Complainants ſelected a Number from among themſelves, to meet and conſider how to carry on theſe Deſigns; at which Meetings they diligently went thro' the Founder's Will, to ſee if any thing was omitted that they could charge the Profeſſors with, and there finding the Expreſſion of, *Studying and Reading daily*, they fixed upon this laſt Word, and obſtinately contended that nothing elſe was, or could be meant by it, than every Day in the Year; they likewiſe found Fault with the cuſtomary Hour of Reading, (two o'Clock) as unſeaſonable for them to attend, it falling at the Time of their Dinner. This was the Original and Progreſs of their Complaints, which they carried on farther, by uſing great Induſtry to get Hands to an Inſtrument, ſetting forth theſe Grievances, in order to be preſented to proper Authority to obtain Redreſs; and accordingly Petitions were delivered in to this Effect, both to the Court of Aldermen, and Grand Committee for *Greſham* Affairs.

The Profeſſors proved, by ſufficient Authorities, That from the firſt Inſtitution, to the preſent Time of the Diſpute, theſe Lectures were read only in Term Times. The firſt Author mentioned for Proof hereof, was Dr. *Gwinne*, in his *Orationes Duæ*; he was, as is before obſerved, choſen Profeſſor of Phyſick at the firſt Election, and was directed to begin his Lectures in *Trinity* Term 1597. The ninth Lecture that he read is printed, and bears this Title: *Prælectio nona, cum reſumerentur Lectiones poſt Natalitia. The ninth Lecture, read when the Time of Reading came on again after* Chriſtmas. The Profeſſors obſerved, from this Citation, that Dr. *Gwinne* beginning his Lectures in *Trinity* Term 1597, and his ninth Lecture coming after *Chriſtmas*, in *January*, that is, in *Hilary* Term 1597-8, he could only have read in the Term Times: For juſt as in the then preſent Year 1706, ſo in that Year 1597, there would fall three *Saturdays* (which are the *Phyſick* Lecture Days) in *Trinity* Term, and five *Saturdays* in *Michaelmas* Term, ſo that he read eight Lectures only in 1597; there being juſt eight *Saturdays* within thoſe Terms, and no more; and conſequently the ninth Lecture muſt fall on the firſt Reading Time after *Chriſtmas*; that is, on the firſt *Saturday* in *Hilary* Term in 1597-8, exactly, as he ſays it did, in the Inſcription of his Lecture juſt now quoted. To this evident Proof the Profeſſors added the Citations from the other Parts of Dr. *Gwinne*'s Book.

The next Author the Profeſſors cited, was Mr. *Stow*, whoſe Survey was written in the Year 1598, the very Year after the firſt Inſtitution of theſe Lectures; and he ſays, *Page* 57, *Line* 32, of his firſt Edition, as he does alſo in the ſecond Edition, corrected and amended by himſelf, and publiſhed in the Year 1603, *Page* 76, *Line* 5; *Theſe Lectures are read Daily*, Sundays *excepted, in the Term Time, by every one on his Day*, &c. and from thence they inferred, That the Words to *read Daily*, in the Founder's Will, might be either underſtood in the Senſe of the Univerſities before-mentioned, or elſe in this of Mr. *Stow*, That *each Lecturer ſhould read on his particular Day aſſigned him in the Week*; that ſo the Auditors, who had a Mind to attend any particular Science, might know on what Day to come, and not be diſappointed.

The next Author was Sir *George Buck*, in his Treatiſe *concerning the three Univerſities of* England, annexed to *Stow*'s Chronicle, and dedicated to the Lord Chief Juſtice *Coke*, printed in the Year 1612, within fifteen Years of the Founding the Lectures; and he ſays, *Page* 980, *Line* 35, *And theſe Lectures*, viz. *in* Greſham College, *muſt be read only in the Term Time.*

The next Author mentioned, was the Editor of the third Edition of *Stow*, *Anthony Monday*, which he publiſhed in the Year 1618, one and twenty Years after the Founding of the Lectures, and he ſays, *Page* 123, *Line* 26, *That their Lectures were read daily in the Term Times.* The Profeſſors obſerved, That this Author had been ſix and twenty Years one of the City Servants, in ſundry Employments, had Encouragement from the whole Court of Aldermen, and Orders for the Peruſal of whatever Helps he wanted, and that this Work was by them approved when finiſhed, which coſt him twelve Years Time in compiling; that therefore, he neither wanted Means of Knowledge, nor refuſed Induſtry for the obtaining it.

The next Author was Dr. *Holdſworth*, who was choſen *Divinity* Profeſſor in *Greſham-College* in 1630, thirty-three Years after the firſt Inſtitution; and his *Divinity* Lectures were publiſhed

in 1661, by Biſhop *Pearſon*. Dr. *Holdſworth* tells his Auditors, *It was three whole Months ſince his laſt Reading*. Again, *That thoſe Lectures had been omitted for theſe three Months*. Again, he concludes his Lecture with telling them, *He ſhould not read till that Day three Weeks, becauſe the following* Monday *was a State Holiday, and the* Monday *after that a Church Holiday*. At the End of another Lecture, he ſays, *He is ſorry he is forced to break off abruptly in his Diſcourſe, which muſt be the Work of the next Term*. And again, he refers his Audience, for the Remainder of the Argument, to the *next Term:* And more to the ſame Purpoſe. And this Author continued *Divinity* Profeſſor for nine or ten Years, with the greateſt Applauſe. The next Author was *Howell's Londinopolis*, who publiſhed his Work in 1657, ſixty Years after the firſt Inſtitution; and he ſays, *Page* 21, *Line* 29, *Theſe Lectures are to be read every Day in the Week in Term Time*. The Profeſſors were ready with Proof, that likewiſe ever ſince the Reſtoration the Lectures were only read in the *Term Time*; and, among other Inſtances of this Practice, they had the Example of the moſt celebrated Dr. *Iſaac Barrow*, who was choſen *Geometry* Profeſſor in *Greſham-College* in the Year 1662, being at the ſame Time Fellow of *Trinity-College* in *Cambridge:* All the while he continued *Geometry* Profeſſor in *Greſham-College*, he was Fellow of *Trinity*; and as he read his Lectures in *Term Times* in *Greſham-College*, ſo, in the Vacation Times, he went down to *Cambridge*, and attended his Duty and Fellowſhip there. But this, and the reſt of their Proofs thereof, were not produced before the Committee, becauſe the Petitioners were willing to allow, that *Termly Readings* only had been the Cuſtom and Practice in *Greſham-College* ever ſince the Reſtoration.

When the Profeſſors had given in this Proof, they obſerved, that the Argument by them offered was of the ſtrongeſt Nature, becauſe it proved, that reading the Lectures *(in Term Times only)* was the original Practice enjoined by the firſt Truſtees, taken up by the firſt Profeſſors, and followed by their Succeſſors in all Times; that therefore this Practice could be no Corruption crept in by Degrees, either thro' the Sloth of the Profeſſors, or the Connivance of the Truſtees, but was founded in, and continued by, the full and free Approbation or Conſent of both. They argued farther, That the firſt Truſtees and Profeſſors could not poſſibly be ignorant of that Expreſſion in the Founder's Will, that ſays, *The Profeſſors are to inhabit, ſtudy, and read daily*; becauſe that Part of the Will is, at all Elections, read to the Perſons elected, in the Preſence of the Electors; and, if ſo, it was not conceivable that the firſt Truſtees could underſtand the Word *Daily*, in the Senſe of the Petitioners, to mean every Day in the Year, ſince they were ſo deſirous of diſcharging their Conſciences faithfully, as their Letter before mentioned ſhews them to be; it is hardly poſſible they could ſit down quiet and unconcerned, when they ſaw the firſt Profeſſors begin and continue to read only in Term Time, in direct and open Violation of the Founder's Will; much leſs could they ever have been brought to give their Direction, or even Conſent, that they ſhould do ſo; nor can it be believed, that, had the firſt Profeſſors thus underſtood the Word *Daily* to mean, they could ever have began and continued a Practice directly contrary to their Duty, unleſs they be ſuppoſed to have been Men of the moſt profligate and ſhameleſs Character poſſible, the very Reverſe of which they had, as is before ſeen of Dr. *Gwinne*, and might eaſily be proved of the other ſix. In the Concluſion, the Profeſſors brought in the Books they cited, in order to ſubmit their Citations to Examination, and then called on the Petitioners to ſhew ſo much as one Proof or Evidence to the contrary.

The Petitioners, who had in their Plea and in their printed Papers aſſerted, that at the original Inſtitution the Profeſſors read every Day in the Year, and, amongſt theſe Profeſſors which they aſſerted did thus read, had named Dr. *Gwinne* and Dr. *Holdſworth*, &c. and had, with all Aſſurance, ſaid, that their printed Works intimated as much, (the direct contrary to which is true); and had farther laid down, that the Interruption of theſe every Day Readings was owing to the Civil War Time, to the great Sickneſs, or to the Fire of *London*, thought fit no longer to inſiſt on theſe Pretences, but fell to vilify and depreciate the Characters of the Authors quoted. Mr. *Stow*, they ſaid, might eaſily be convicted of Falſhood and Miſtake, even in what he writes concerning this Matter; his Authority was never admitted in any Cauſe or Court; he and the others were antiquated Authors. As for Dr. *Holdſworth*, he ſpoke in his own Cauſe, and might be convicted of Partiality, *&c.* And this laid the Profeſſors under a Neceſſity of doing a needleſs Work, of juſtifying the Reputation of Mr. *Stow*, which, till that Time, had never been queſtioned; and the rather, becauſe one or two of the Committee ſpoke with Contempt of him, as an old, neglected, uſeleſs Author. The Profeſſors referred themſelves to Dr. *Nicholſon*, then Dean, and afterwards Biſhop of *Carliſle*; who gives the following Character of Mr. *Stow* and his Book, in his *Hiſtorical Library*, then printed in *Octavo*, but ſince, in 1714, in *Folio*. He ſays, *Page* 18, "*John Stow* wrote and publiſhed "*A Survey of* London.—The whole is collected "out of our beſt Hiſtorians and moſt authentick "Records, and diſcovers a great deal of Induſtry "and Accuracy in the worthy and honeſt Au-"thor." And again, he ſays, *Page* 72, "In-"duſtrious *John Stow* deſerves to be remembered "with Honour: He was a Member of the Mer-"chant-Taylors Company in *London*, and a "ſpecial Benefactor to that City, in enquiring "after and preſerving its Antiquities and Re-"cords. He travelled thro' a good Part of "*England* in Search after the Manuſcript Hiſto-"rians, in the Libraries of our Cathedral "Churches, and was very exact and critical in "his Collections, and ſpent above forty Years in "theſe Studies. He always proteſted, (and we "may take his honeſt Word for it) that he never "was ſwayed by Favour or Fear in any of his "Writings; but that he had impartially, to the "beſt of his Knowledge, delivered the Truth. "This good Opinion the greateſt of our Hiſto-

" rians ſeem to have of him, ſince even Sir " *Francis Bacon*, and Mr. *Cambden*, (not to " mention others of leſs Repute) have bold- " ly taken ſeveral Things upon his ſingle " Credit."

As to the next Author, Sir *George Buck*, quoted by them, he was not only a Man of Credit, but of Quality, being both one of the Gentlemen of the King's Privy Chamber, and alſo Maſter of the Revels: This his Work he delivered to the Lord Chief Juſtice *Coke*, and dedicated it to him, leaving the Manuſcript to be diſpoſed of at his Lordſhip's Pleaſure. The Lord Chief Juſtice was ſo well ſatisfied of his Integrity and his Ability, that he himſelf directed the Printing it, giving his Allowance for its Publication, and under his Hand giving his ſpecial Commendation and Approbation of it, as of a Work worthy the publick Light.

What Character Mr. *Monday*'s Work, which was the next Author quoted, deſerves, is mentioned before. The Profeſſors on this Head took Notice, how ſtrange a Thing it was to make the Antiquity of theſe Authors an Exception to their Teſtimony, becauſe their being old Authors gave their Evidence the greateſt Strength, ſince they wrote of Things within their own Knowledge, and of Times in or very near to which themſelves lived.

The next Author who was quoted by the Profeſſors was Dr. *Holdſworth*, a Man of the ſtricteſt Virtue and moſt unſullied Reputation, though, at Random, his Character was excepted againſt, as is ſaid before, by the Petitioners. He was, as the eminent Biſhop *Pearſon* tells us, the moſt celebrated Preacher of his Time, being Miniſter of St. *Peter's Poor* in *Broad-ſtreet*, to which Liveing he was preferred in 1623 or 1624. He was a moſt faithful Paſtor of his Pariſh, and a moſt conſcientious Man; inſomuch that, when the great Sickneſs happened in 1625, he refuſed to go into the Country, as moſt others did, but lived in his Pariſh, and conſtantly viſited the Sick, deſpiſing the Contagion, and preferring the Diſcharge of his Duty to the Safety of his Perſon. In the Year 1630 he was, without making any Intereſt, or uſing any Solicitation, (ſo great was his Reputation) choſen *Divinity* Profeſſor in *Greſham-College*, of which he was a great Ornament nine or ten Years. He was a Perſon that ſo exactly adhered to his Duty, and ſo fearful of acting in the leaſt againſt his Conſcience, that, in the Beginning of the Rebellion, he was ſequeſtered, plundered, and impriſoned four Years in the Tower, after which Time he was releaſed; in every Part of his Life being of an unblameable Carriage and a moſt holy Converſation. In ſhort, he was, as Biſhop *Brownrig* aſſures us, a moſt excellent Preacher, a moſt faithful Interpreter of Scripture, a Contemner of Riches, a moſt charitable Man, of ſtrict Morals, and one of a moſt holy Life. This was the Character of thoſe Men, whom the Petitioners repreſented as Men of no Weight, of no Principles, nay, of Falſhood and Partiality.

From thus ſupporting the Characters of the Authors cited by them, the Profeſſors proceeded to juſtify themſelves, as to the other Parts of the Charge againſt them. As to the not reading on Holidays, they inſiſted on their ſuperior Obligation to attend their Duty at Church, as alſo on the perpetual Practice of the Univerſities, and of all their Predeceſſors, who never read Lectures on Holidays; an early Proof of which is found in Dr. *Holdſworth*, who ſays, as is before mentioned, *He ſhould not read till that Day three Weeks, becauſe the following* Monday *was a State Holiday, and the* Monday *after that a Church Holiday*. And in this Matter the Truſtees were ſo far ſatisfied, that, in their Order, preſently to be mentioned, they did not comply with the Petitioners in this Point, in directing Lectures to be read on Holidays. As to the not reading in broken Weeks, the Profeſſors juſtified that from the Practice likewiſe of their Predeceſſors; and alſo produced Letters from both the Univerſities, proving, that the *Divinity* Profeſſor always opened the Term. As to the laſt Part of the Complaint, the Unreaſonableneſs of the Hours, the Profeſſors were indifferent whether they remained the ſame, or were altered.

After both the Petitioners and Profeſſors were withdrawn, the Truſtees, after a long Debate, made an Order, dated *October* 4, 1706; the Preamble of which declares, " That Application had " been made by ſeveral Citizens and others, in " Relation to the Lectures at *Greſham-College*, ſet- " ting forth, That the ſaid Lecturers did not " duly perform their Readings in Term Time, " for that if any Term did not begin on a *Mon-* " *day*, that was taken for a broken Week, and " no Lecture that Week; and, in like Manner, " if any Term did not end on a *Saturday*, that " was taken for a broken Week, and no Lecture " performed; whereby the Inhabitants of this " City, and others, were much hindered of the " Benefit which they might reap by the ſaid " Lectures. Wherefore they do order and direct, " That, for the future, thoſe Lectures ſhall be " performed, by the ſeveral Profeſſors, on ſuch " Days of the Week as they now read in their " ſeveral Sciences, at four Terms in every Year, " as followeth, *viz.* the firſt Term to begin the " *Monday* before *Michaelmas* Term of the Com- " mon Law, and to end with that Term; the " ſecond Term to begin the *Monday* before *Hilary* " Term, and to end with that Term; the third " Term to begin the *Monday* Se'nnight after " *Eaſter-Day*, and to end with *Eaſter* Term; the " fourth Term to begin the *Monday* before *Trinity* " Term, and to continue for one whole Month, " *viz.* twenty-eight Days: And farther, it is " ordered by the Committee, That the ſaid " Lecturers do begin to read their ſeveral " Lectures at Nine of the Clock in the Fore- " noon, and Three in the Afternoon, preciſely."

This Order likewiſe ſets forth, that it was made after conſulting the Founder's Will, and Articles that were made ſoon after the Truſt came to the City and Company. The Profeſſors complied with this Order, with Reſpect to the broken Weeks and Hours of Reading; but, finding the Order direct them to read out of the Term, contrary to all Cuſtom and Uſage, and this alſo by

Virtue

Virtue of ſuch Articles or Orders as were never looked upon to have any legal Authority or Force, they went to Counſel, and were adviſed not to charge themſelves with any new Duties, nor ſubmit to the Authority of ſuch Articles, as they had good Reaſon to believe were never duly ſigned or legally ratified: Wherefore the greateſt Part of the Profeſſors drew up a Paper, and waited on Sir *Thomas Rawlinſon*, the Chairman of the Committee, with it, which was as follows:

Reaſons why the Profeſſors have not, in all Points, complied with the Order of the Honourable Committee, dated October 4, 1706.

" *Firſt*, We are, at our being choſen into our " reſpective Places, directed to perform our " Duty, according to the Cuſtom and Practice " of the Place.

" *Secondly*, We are able to give unqueſtionable " Proof, that the Cuſtom has been, without any " Interruption, to read only in Term Time; " and, ſince it has been ſo, we are adviſed to be " be very careful how we charge ourſelves, or our " Succeſſors, with unneceſſary Burthens.

" *Thirdly*, We are informed, that the Ground " upon which this Order to read out of Term is " founded, is taken from ſome Articles which " were never legally ratified, or admitted as le- " gally ratified, either by the then Truſtees or " Profeſſors.

" We therefore, that our Compliance with " this Order might not be looked upon as al- " lowing of the Authority of thoſe Articles, and " ſo ſubject us to the reſt of them, which, when " under Conſideration, appeared unreaſonable " both to yours and our Predeceſſors, have re- " jected it."

The Profeſſors had made Application to obtain an Order to examine theſe Articles in the Original in the Committee's Books, but could not obtain Leave ſufficiently to inſpect them: However, when they came to the Lord-Mayor with the afore-mentioned Reaſons why they could not comply wholly with the late Order of the Truſtees, they offered likewiſe to give in to the Committee their Exceptions to the Legality and Validity of theſe Articles or Orders, in Subſtance as follows:

Firſt, They had this to offer, namely, That none of their Predeceſſors ever acknowledged the Validity of theſe Articles, or owned the Obligation of them, becauſe they, from the Beginning, acted quite otherwiſe than theſe Articles direct. The Articles direct, that the Profeſſors ſhall read three Times in each Week, and that on three diſtinct Days in the Week: But it has been proved, that, from the very Beginning, the Profeſſors never have read otherwiſe than twice in the Week, and that both Times on the ſame Day. Again, the Articles direct, that the Profeſſors ſhould live and diet at a common Table, to be kept at a common Charge: But the Profeſſors never had any ſuch common Table, as Dr. *Gwinne* ſays, in his afore-mentioned Book; where, ſpeaking of the Profeſſors living together, he ſays, They live not together ſo as to have Commons at one Table. And as their Manner of living together was altogether different from what theſe Articles direct, ſo alſo was their Method of reading their Lectures; for none of all the Profeſſors Lectures, that have ever yet appeared in Print, have followed the Method directed by theſe Articles. The Articles ſay, that the *Phyſick* Profeſſor ſhall follow the Method of *Fernelius*, by reading *Phyſiology*, then *Pathology*, and, laſtly, *Therapeutics*; but Dr. *Gwinne*, the firſt *Phyſick* Lecturer, read upon the Aphoriſms of *Hippocrates*; and Dr. *Winſlow*, who was choſen in 1616, eight Years after Dr. *Gwinne*, read *Anatomical* Lectures only. The ſame Difference may be ſeen between what theſe Articles direct the *Divinity* Profeſſor, and what Method Dr. *Holdſworth* followed in his *Divinity* Lectures, before quoted; and ſo between what the Articles direct the *Geometry* Profeſſor, and what Method Dr. *Barrow* and Dr. *Hook* followed in their Lectures, now printed: From all which it is plain, that the Profeſſors altogether neglected the Direction of theſe Articles or Orders, as well in the Method of their Reading, as in the Manner of their Living, and therefore could never believe them to have any obligatory Force, or be of any Authority whatſoever.

Secondly, The Profeſſors had this farther Conſideration to offer, That theſe Articles were ſo far from being legally ratified, that they were never duly conſidered, being not ſo much as even conſiſtent with themſelves. For Inſtance, when they ſpeak of the Times of all the Profeſſors Readings in general, they make five Terms of Reading; but, when they ſpeak of the particular Profeſſors Times of Reading, they make but four Terms of Reading: But farther, they enjoin what it is impoſſible the Profeſſors ſhould comply with, becauſe the Amount of their Incomes could never defray the Expence that their Profeſſorſhips muſt put them to, if the Directions of theſe Orders be complied with, ſince fifty Pounds apiece is the whole of their Salaries, out of which it is impoſſible to ſupport themſelves, their private Servants, and likewiſe publick ones, for the Hall, the Kitchen, and Cellar, and, farther, for an hoſpitable Entertainment for Strangers; all which Expences theſe Articles direct: And, beſides the *Muſick* Profeſſor's Proportion to this Charge, he muſt, according to theſe Orders, be ſingly at the Expence of ſeventy-five publick Concerts every Year of Vocal or Inſtrumental Muſick; which, if properly performed, would ſo far exceed the Salary of one Profeſſor, that it would hardly be ſupported by the Income of all ſeven. Again, a farther Proof that theſe Articles are not authoritative, might be taken from hence; that whereas the Profeſſors at every one of their Elections have the Founder's Will, ſo much of it as concerns them, read over to them, to which they give their ſolemn Promiſe to conform themſelves; ſo, if they were obliged to any Compliance with the Directions of theſe Articles, that Part of them that concerns the common Duties of all the Profeſſors, as well as what belongs to the particular Duty of each Profeſſor, would at leaſt be read to them, if not a Copy thereof be directed to be given them, at their Elections; but, inſtead thereof, the Profeſſors, tho' they ſometimes applied to the Truſtees for Liberty to in-

ſpect

ſpect them carefully, have never been able to obtain Leave for a diligent Examination of them; theſe Articles then, to be ſure, would never be kept from their Knowledge, if their Compliance with them was at all expected as Part of their Duty. But, laſtly, The Profeſſors were ready to appeal to the Truſtees, whether they had not (at a former Meeting ſome few Years before, at which were preſent many of the Truſtees, and the Profeſſors, living in 1706) themſelves diſowned the Authority of theſe Articles. The Truſtees, not many Years before, held a grand Committee within *Greſham-College*, in the *Muſick* Profeſſor's Lodgings, about the Affair of rebuilding the College; at which Meeting, upon ſome Diſcourſe then ariſing, Part of theſe Articles were directed to be read; whereupon the Profeſſors then preſent aſked of the Truſtees, whether theſe Articles had ever been ſigned by all the firſt Profeſſors, or whether they were legally ratified by the firſt Truſtees? To which the Truſtees anſwered, Not that they knew of; but ſaid, that they were produced as Papers that were very antient. And this was the Subſtance of what the Profeſſors had to except againſt theſe pretended Orders.

The Reſult of all theſe Complaints and Hearings ended in a fair Juſtification of the Profeſſors. The Truſtees, not long after, made an Order, that the Profeſſors Salaries ſhould be conſtantly paid them one Year under another, without troubling the Committee from Time to Time for particular Orders. And, in the Year 1719, upon the Profeſſors petitioning, that the Year's Arrear then remaining might be diſcharged, the Truſtees, after ſome Debate, came to a Reſolution, that, tho' the *Exchange* brought them in Debt, yet that ſhould not tend to the Prejudice of the Profeſſors, but the Inconvenience thereof lie on the City and Company of *Mercers*; wherefore they then ordered the immediate Payment of the ſaid Arrear, and that the future Payments ſhould be made regularly, as they became due.

The Names of the preſent Profeſſors *(A. D.* 1755) are, on

Monday, in *Divinity*, JOHN BRIDGEN, A. M.
Tueſday, in *Civil Law*, WILLIAM MACE, F. R. S.
Wedneſday, in *Aſtronomy*, WILLIAM COKAYNE, A. M.
Thurſday, in *Geometry*, WILLIAM ROMAN, LL. B.
Friday, in *Rhetorick*, JOHN WARD, LL. D. and F. R. S.
Saturday, in *Phyſick*, HENRY PEMBERTON, M. D. and F. R. S.; in *Muſick*, CHARLES GARDNER.

London Work-houſe.

Without the Gate, at the South-Eaſt Corner of *Half-moon-alley*, is a large and commodious Brick Building, called the *London-Workhouſe*, which, by its Conſtitution, is partly an Hoſpital, and partly an Houſe of Correction.

This Foundation is commonly aſcribed to an Act of Parliament paſſed in the Year 1662; but, without any Diſparagement to ſo good a Deſign, we more properly and truly may carry the Incorporation of this Houſe backwards to the Year 1649, as the Reader may be convinced from the following authentick Piece, communicated by a learned Clergyman of the Church of *England*:

An Act of the Commons of England *in Parliament aſſembled, for the Relief and Employment of the Poor, and the Puniſhing of Vagrants, and other diſorderly Perſons, within the City of* London *and Liberties thereof: Whereby is conſtituted a Corporation, or Body Politick, conſiſting of a Preſident, Deputy, Treaſurer, and Aſſiſtants, for the due ordering and putting in Execution the ſaid Act.*

An Act of the Commons of England, *for eſtabliſhing the* London *Workhouſe.*

" Whereas the Neceſſity, Number, and Increaſe of the Poor is very great within the City " of *London* and Liberties thereof, for want of " due Proviſion for their Relief and Employ- " ment, and thro' Neglect of the due Execu- " tion of ſuch Laws and Statutes as have been " formerly made; for Remedy whereof, and for " the better Execution of the Laws and Statutes " heretofore made in this Behalf, and for the " further Redreſs of the Miſchiefs intended to be " hereby remedied, be it enacted by this preſent " Parliament, and by the Authority of the ſame, " and it is hereby enacted, That from henceforth " there be and ſhall be a Corporation within the " ſaid City of *London* and Liberties thereof, con- " ſiſting of a Preſident, Deputy to the Preſident, " a Treaſurer, and fifty-eight Aſſiſtants; whereof " the Lord-Mayor of the ſaid City for the Time " being to be the Preſident, and ten of the ſaid " Aſſiſtants to be of the Aldermen of the ſaid " City for the Time being, and the other fifty to " be Freemen and Inhabitants of the ſaid City, " choſen out of the ſeveral Wards of the ſaid " City, two out of every Ward reſpectively; and " that Sir *John Wollaſton*, *Iſaac Pennington*, *Thomas* " *Atkin*, *Thomas Andrews*, *Samuel Avery*, *John* " *Bide*, *Thomas Vyner*, *Rowland Wilſon*, *Chriſtopher* " *Pack*, and *John Dethick*, Aldermen of the ſaid " City, ſhall be the firſt ten Aldermen of the " preſent Aſſiſtants, and that *Francis Waterhouſe* " ſhall be the preſent Deputy to the Preſident; " and that *Maurice Gething* ſhall be the preſent " Treaſurer; and that *James Ruſſel*, *Richard Glyd*, " *William Jeſton*, *Tempeſt Milner*, *William Kendall*, " *Toby Liſle*, *Edmund Whitwell*, *John Cock*, *Robert* " *Mead*, *William Bromwich*, *John Everett*, *John* " *Jones*, *John Bellamy*, *John Babington*, *Richard* " *Garforth*, *Robert Tichbourne*, *John Perrin*, *Tho-* " *mas Bromfield*, *Samuel Moyer*, *Dierich Hoſt*, *Ri-* " *chard Coyſh*, *Nicholas Corſellis*, *William Penneyer*, " *Chriſtopher Loaves*, *Lawrence Steel*, *Richard Floyde*, " *Thomas Jenner*, *Lawrence Brinley*, *Rice Buſh*, " *Thomas White*, *Benjamin Blundell*, *Thomas Daw-* " *ney*, *Abraham Babington*, *Jacob Jurin*, *Edward* " *Odling*, *Thomas Brightwell*, *James Story*, *John* " *Berriſford*, *William Wyberd*, *Richard Waring*, " *John Dodd*, *Walter Lee*, *Harman Sheaf*, *John* " *Fletcher*, *Owen Rowe*, *Mark Hilſley*, *John Stone*, " and *Clement Ireton*, Citizens of *London*, ſhall be " the other Aſſiſtants; and that the ſucceeding " Deputy and Treaſurer ſhall from henceforth, " and from Time to Time, be eligible by the ſaid " Corporation, or any ſeven or more of them, " yearly, on the twenty-fifth Day of *June*, or " within twenty-eight Days then next following; " and ſhall have hereby Power and Authority, " and are hereby authorized, at any Time or Times, " upon juſt and reaſonable Cauſe, to amove the " ſaid

" ſaid Deputy and Treaſurer for the Time being,
" or either of them, from their Places; and
" upon ſuch Removal, or Death of them or
" either of them, to elect one other Deputy and
" Treaſurer, or either of them, into the ſaid Place
" or Places reſpectively: And that ſuch five of
" the ten Aldermen (being Aſſiſtants) as the
" Common Council of the City of *London* think
" fit, ſhall fall off or be amoved yearly, on the
" ſaid twenty-fifth Day of *June*, or within twenty-
" eight Days after; and that other five Aldermen
" ſhall be yearly elected by the ſaid Common
" Council, on the Day and Time aforeſaid, to
" be Aſſiſtants in the Place of ſuch as ſhall ſo
" fall off or be amoved: And that ſuch twenty-
" five of the other Aſſiſtants as the ſeveral Wards
" reſpectively ſhall think fit, ſhall likewiſe fall off
" or be amoved yearly, on the ſaid twenty-fifth
" Day of *June*, or within twenty-eight Days
" after: And that twenty-five other Perſons ſhall
" be yearly elected, within the Time aforeſaid,
" by the Inhabitants of every Ward reſpectively,
" to be Aſſiſtants in the Places of ſuch as ſhall
" die or be amoved as aforeſaid: And that the
" firſt Choice of all the ſaid Aſſiſtants ſhall be
" made upon the twenty-fifth Day of *June*, in
" the Year of our Lord God 1650, or within
" twenty-eight Days then next following. And
" it is further enacted, by the Authority afore-
" ſaid, That the ſaid Preſident, Deputy, Trea-
" ſurer, and Aſſiſtants for the Time being, ſhall
" for ever hereafter, in Name and Fact, be one
" Body Politick and Corporate in Law, to all
" Intents and Purpoſes, and ſhall have a perpe-
" tual Succeſſion, and ſhall be called by the Name
" of the Preſident and Governors for the Poor
" of the City of *London* and Liberties thereof,
" and ſue or plead, or be ſued and impleaded,
" by the Name aforeſaid, in all Courts and
" Places of Judicature within this Nation; and
" by that Name ſhall and may, without Licence
" in Mortmain, purchaſe or receive any Lands,
" Tenements, or Hereditaments, not exceeding
" the yearly Value of two thouſand Pounds, of
" the Gift, Alienation, or Deviſe of any Perſon
" or Perſons, who are hereby, without further
" Licence, enabled to give the ſame, and any
" Goods, Chattels, or Sums of Money whatſo-
" ever, to the Uſe, Intent, and Purpoſe hereafter
" limited and appointed: And the ſaid Corpora-
" tion, or any ſeven of them, ſhall have hereby
" Power and Authority from Time to Time to
" meet and keep Courts, for the Ends and Pur-
" poſes in this Act expreſſed, at ſuch Time and
" Place as ſhall be appointed by the ſaid Preſident
" or his Deputy; who are hereby required, upon
" Deſire of any four of the ſaid Corporation, at
" any Time, to cauſe a Court to be warned ac-
" cordingly; and ſhall have hereby Authority,
" from Time to Time, to make and appoint a
" Common Seal for the Uſe of the ſaid Corpo-
" ration. And it is further enacted, by the Au-
" thority aforeſaid, That it is and ſhall be lawful
" to and for the ſaid Preſident and Governors of
" the ſaid Corporation for the Time being, or
" any two of them, from Time to Time, to ap-
" prehend, or cauſe to be apprehended, any
" Rogues, Vagrants, ſturdy Beggars, idle and
" diſorderly Perſons, within the ſaid City and
" Liberties, and to cauſe them to be ſet and kept
" to Work; and ſuch of them, as by any former
" Statute are declared to be Rogues, to be duly
" puniſhed by putting in the Stocks or Whip-
" ping, as they ſhall find Cauſe; and ſhall alſo
" have Power to diſpoſe of them to their Places
" of Birth, or laſt Abode, as the Caſe, according
" to the Laws and Statutes in that Caſe pro-
" vided, ſhall require: And alſo that it ſhall
" be lawful for the ſaid Preſident and Governors,
" or any two of them, to apprehend, or cauſe to
" be apprehended and kept at work, all ſuch
" other poor Perſons and Baſtard Children, and
" other poor Children able to work, and inha-
" biting within the ſaid City and Liberties, who
" are chargeable to any Pariſh, or have not ſuf-
" ficient to maintain themſelves; and, in Caſe
" of their Refuſal ſo to work, that then it ſhall
" and may be lawful to and for the ſaid Preſident
" and Governors, or any ſeven of them, to
" puniſh, or cauſe to be puniſhed, as Vagrants,
" ſuch Perſons ſo refuſing to work. And be it
" further enacted, by the Authority aforeſaid,
" as well for the Purpoſes aforeſaid, as for the
" better Execution of Juſtice within the ſaid City
" and Liberties, that all and every the Aldermen
" of the ſaid City, who have performed and
" paſſed, or may hereafter perform and paſs, the
" Office of Sheriff of *London*, at the End of his
" and their Sheriffalty, and during ſuch Time as
" he and they ſhall continue Aldermen, taking
" the Oath of a Juſtice of Peace appointed by
" Parliament, which the Mayor, Recorder, or
" either of them, hereby have Power to ad-
" miniſter unto them, ſhall be hereby a Juſtice
" of Peace to all Intents and Purpoſes whatſoever,
" and ſhall and may from henceforth do and
" execute accordingly within the ſaid City, and
" Liberties thereof, without any other Commiſ-
" ſion, any Law, Statute, Cuſtom, or Uſage
" in any wiſe to the contrary notwithſtanding.
" Provided always, That no Seſſions of the Peace
" ſhall be holden and kept within the ſaid City
" and Liberties, without the Preſence or Ap-
" pointment of the Mayor or Recorder, and the
" Preſence of three or more other Juſtices of
" the Peace of the ſaid City for the Time being.
" And be it further enacted, by the Authority
" aforeſaid, That, in regard of the great Inequa-
" lity of the ordering and relieving of the Poor
" through the different Abilities of the ſeveral
" and reſpective Wards in the City of *London*,
" and Liberties thereof, the ſaid Corporation,
" or any ſeven of them, ſhall be hereby authorized,
" with Conſent of the Common Council of the
" ſaid City, to divide the ſeveral Wards, with the
" Poor and Stock to them belonging, into four
" equal Parts and Proportions, for the more
" effectual and indifferent Relief of the Poor,
" and the avoiding future Differences and Diſſen-
" tions between the rich and poor Pariſhes. And
" it is enacted, by the Authority aforeſaid, for
" the better Relief of impotent aged Perſons, and
" others not able to work, and fit to be relieved,
" and for the employing of the other Poor, as
" aforeſaid, within the ſaid City and Liberties,
" and providing all Things for the Execution of
" the Work intended by this Act; That if the
" ſaid Preſident and Governors ſhall certify their

" Want

" Want and Defect, either of a preſent Stock " for the Foundation thereof, or for Supply " thereof for the future, and what Sum and " Sums of Money they think fit for the ſame, " under their Common Seal, to the Common " Council of the ſaid City, that thereupon the " ſaid Common Council are hereby authorized " and required, from Time to Time, to ſet " down and aſcertain ſuch competent Sum or " Sums of Money for the Purpoſes aforeſaid, " and the ſame to proportion out upon the ſeve- " ral Wards as they ſhall think fit; and that " thereupon the Aldermen, Deputy, and Com- " mon-Councilmen of every Ward, or the greater " Number of them, ſhall have Power and Au- " thority, and are hereby required, equally and " indifferently, according to the Proportion ap- " pointed for the ſeveral Wards as aforeſaid, to " tax and rate the ſeveral Inhabitants within the " ſaid reſpective Wards; with which Tax if any " Perſon or Perſons ſhall find him or themſelves " grieved, as ſuppoſing the ſame to be unequal, " he and they ſhall and may make their Com- " plaint known to the Juſtices of the Peace at " the next open Seſſions, who ſhall take ſuch " final Order therein, as in like Caſes is already " by the Law provided. And it is further " enacted, by the Authority aforeſaid, That it " ſhall and may be lawful to and for the ſaid " Preſident and Governors, upon Taxations and " Diſtributions made, as aforeſaid, the ſame be- " ing made known to them by the ſaid Alder- " dermen or Deputy of the ſaid ſeveral Wards, " by their Certificate in Writing under their " Hands, to make Warrants under the Hands " of them, or any two of them, to be directed " to any one or more of their Officers, to de- " mand, gather, and receive, of every Perſon " and Perſons, ſuch Sum and Sums of Money " as ſhall be aſſeſſed upon them, by Virtue of the " Taxations and Contributions aforeſaid; and, " for Default of Payment within ten Days after " Demand made thereof, or Notice in Writing " left at the Dwelling-Houſe or Lodging of every " Perſon ſo aſſeſſed, to levy the ſame by Diſtreſs " and Sale of the Goods of every ſuch Perſon, " and, after Satisfaction made, to reſtore the " Surpluſage to the Party ſo diſtrained. And " it is further enacted, by the Authority afore- " ſaid, That the aforeſaid Corporation, or any " ſeven Perſons, Members thereof, or the ſaid " Deputy and Treaſurer for the Time being, " or one of them, together with one or more of " the Aldermen of the ſaid City, Members of " the ſaid Corporation, ſhall and may, within " the ſaid City and Liberties, do and execute in " every Reſpect, for the better carrying on of this " Work, ſuch Thing or Things, Act or Acts, " as is allowed and appointed by any Law or " Statute to be done and executed by any one or " more Juſtice or Juſtices of Peace of the ſaid " City, or of any County within this Realm, for " and concerning the Relief and Employment of " the Poor, and the Puniſhment of Vagrants, " and other diſorderly Perſons, and the ſetting " and keeping them to work within the ſaid City, " and Liberties thereof; and to put in Execution " any Law or Statute now in force, touching " binding out poor Children Apprentices, for " the Relief of the Poor, puniſhing Rogues and " Beggars, and for effecting the Remedies hereby " intended. And it is enacted, by the Authority " aforeſaid, That the ſaid Preſident and Gover- " nors, or any ſeven of them, ſhall have Power " from Time to Time to make and conſtitute " Orders and By-Laws, for the better relieving, " regulating, and ſetting the Poor on work, and " the apprehending and puniſhing of Rogues, " Vagabonds, and Beggars within the ſaid City " and Liberties, that have not wherewith honeſtly " to maintain themſelves, and for other the Mat- " ters aforeſaid: Provided the ſaid Orders and " By-Laws ſhall, from Time to Time, be pre- " ſented to and allowed by the Common " Council of the ſaid City, and by three or more " of the Juſtices of the upper Bench, Common " Pleas, and Barons of the Exchequer. And it " is further enacted, by the Authority aforeſaid, " That the Treaſurer of the ſaid Corporation for " the Time being ſhall once in every Year, " yearly, between the twenty-fourth Day of *June* " and the twenty-ninth of *September*, or oftner, if " Need require, give a true and perfect Account " in Writing of all the Receipts, Charges, and " Diſburſements in and about the Premiſes, unto " the Auditors for the Time being, appointed for " taking the Accounts of the Chamberlain and " Bridge-maſters of the ſaid City, and the ſaid " Account to remain in the Cuſtody of the " Chamberlain of the ſaid City. And it is en- " acted, by the Authority aforeſaid, That an Or- " dinance made this preſent Parliament, the ſe- " ſenteenth Day of *December*, 1647, and every " Clauſe and Thing therein contained, concern- " ing any Proviſion and Relief for the Poor of " *London*, and the Liberties thereof, be and are " hereby made null and repealed. And it is en- " acted, by the Authority aforeſaid, That it ſhall " and may be lawful to and for the ſaid Preſident " and Governors, or ſeven of them, to make " Enquiry for and after any charitable Gift or " Grant heretofore given and appointed, or here- " after to be given and appointed, to and for the " Maintenance and Relief of the Poor within the " ſaid City, and Liberties thereof; and to act and " proceed thereupon, for diſcovering and reform- " ing the Miſemployment thereof, in ſuch Man- " ner as any Commiſſioners for charitable Uſes " may do by Virtue of the Statute of 43 *Eliz.* " *Cap.* 4. And that the ſaid Preſident and Gover- " nors ſhall and may, by themſelves, or ſuch as " they ſhall appoint under their Common Seal, " freely, and without Fees, ſearch in any Courts " or Offices for any Records or Evidences, for " the Diſcovery of any Matter or Thing concern- " ing the ſame. And it is further enacted, That " the ſaid Preſident and Governors, or any twenty " or more of them, being aſſembled together, " ſhall have hereby Power to chuſe and entertain " all ſuch Officers and others, as ſhall be needful " to be employed in and about the Premiſes, and " them, or any of them, from Time to Time to " remove, as they ſhall ſee Cauſe; and, upon the " Death or Removal of them, or any of them, " to chuſe others in their Places, for the carrying " on of this Work, and to make and give ſuch " reaſonable Allowances unto them, or any of " them, out of the Stock and Revenue belonging " to

" to the ſaid Corporation, as they ſhall think " fit. And it is enacted by the Authority afore- " ſaid, for the further Relief and employing of " the ſaid Poor within the ſaid City, and Liber- " ties thereof, That the ſaid Preſident and " Governors, or any ſeven of them, ſhall " have hereby Power to erect one or more " Workhouſe or Workhouſes for receiving, re- " lieving, and ſetting the Poor to Work, and " one or more Houſe or Houſes of Correction, " as they ſhall think fit, for puniſhing of Rogues, " Vagabonds, and Beggars. And it is further " enacted by the Authority aforeſaid, That if, " upon any Action, Suit or Plaint, to be com- " menced or proſecuted by any Perſon or Per- " ſons, in any Court whatſoever, againſt the " ſaid Preſident and Governors, any of the ſaid " Juſtices of the Peace hereby authorized, or " any of them, or any Perſon or Perſons for " doing or executing any Thing by their or " any of their Order, Warrant, Command, or " Direction, or coming in to their or any of " their Aid or Aſſiſtance, in, about, or con- " cerning the Premiſes, the Defendant or De- " fendants may plead the general Iſſue of not " guilty, and ſhall and may give the ſpecial " Matter in Evidence: And if, upon Trial of " the Cauſe, it ſhall appear the ſaid Defendant " or Defendants did act or do the Matter in " Queſtion by virtue of this Act, or that the " Matter of Fact, whereupon the Iſſue is join- " ed, was done in any other County, than " where the ſame Fact is laid to be done; that " in ſuch Caſe the Jury that ſhall try the ſame " ſhall find the Defendant or Defendants, in " every ſuch Action, Plaint, or Suit, not " guilty; and if, in any Action, Plaint, or " Suit, the Plaintiff or Plaintiffs become non- " ſuit, or ſuffer any Diſcontinuance thereof, or " Verdict ſhall paſs againſt him or them, that " in every the ſaid Caſes the Defendant or De- " fendants ſhall have double Coſts, and all " other Advantages and Remedies, as in other " Caſes where Coſts by the Laws of this Realm " are given to Defendants. And it is further " enacted by the Authority aforeſaid, That all " Sheriffs, Bailiffs, Conſtables, and all other " Officers and Miniſters of Juſtice, ſhall be " aiding and aſſiſting to the ſaid Corporation, " or any of them, and unto all ſuch Officers " as ſhall be imployed by them, for the better Ex- " ecution and Performance of the ſaid Service."

And this at the Reſtoration had been found ſo good and uſeful an Inſtitution, that, upon further Application of the City to Parliament for the more effectual Eſtabliſhment and Government thereof, it was enacted, in *An Act for the better Relief of the Poor of this Kingdom*,

Act 13 *and* 14 Car. II.

The Occaſion of the Increaſe of the Poor.

" Whereas the Neceſſity, Number, and con- " tinual Increaſe of the Poor, not only within " the Cities of *London* and *Weſtminſter*, with the " Liberties of each of them, but alſo through " the whole Kingdom of *England* and Dominion " of *Wales*, is very great, and exceeding bur- " thenſome, being occaſioned by reaſon of ſome " Defects in the Law concerning the ſettling " of the Poor, and for Want of a due Proviſion " of the Regulations of Relief and Imployment " in ſuch Pariſhes or Places where they are " legally ſettled, which doth enforce many to " turn incorrigible Rogues, and others to periſh " for Want, together with the Neglect of the " faithful Execution of ſuch Laws and Statutes " as have formerly been made for the appre- " hending of Rogues and Vagabonds, and for " the Good of the Poor: For Remedy whereof, " and for the preventing the periſhing of any " the Poor, whether Young or Old, for want " of ſuch Supplies as are neceſſary, be it enacted, " *(inter alia)*

Corporations or Workhouſes in the City of London, *their Number and Manner of Election.*

" That from thenceforth there be, and ſhall " be, one or more Corporation or Corporations, " Workhouſe or Workhouſes, within the City of " *London*, conſiſting of a Preſident, a Deputy " to the Preſident, and a Treaſurer; and that " the Lord-Mayor of the City of *London*, for " the Time being, be Preſident of the Corpo- " ration or Corporations, Workhouſe or Work- " houſes, within the ſaid City; and the Aſſiſtants " to be the Aldermen of the ſaid City of *London*, " for the Time being, and fifty-two other Citizens " to be choſen by the Common Council of the " ſaid City: And that the ſaid Preſident and " Aſſiſtants, or the major Part of them, ſhall " and may elect a Deputy-Preſident and Trea- " ſurer, and all other neceſſary Officers hereby " conſtituted and authorized to execute the " Powers and Offices by this Act appointed: " And that upon the Vacancy, by Death or o- " therwiſe, of any Aſſiſtants, the Power to " elect, in their room, be in the ſaid Common " Council; and the Election of the Deputy- " Preſident or Treaſurer, and all other Officers, " in the ſaid Preſident, and major Part of the " Aſſiſtants, as aforeſaid.

Corporation to account to the Juſtices at the Quarter-Seſſions.

" That at every Quarter-Seſſions they ſhall " require and take an Account, in Writing, of " all the Receipts, Charges, and Diſburſements " of the Officers and Treaſurer of ſuch Corpo- " ration or Corporations, Workhouſe or Work- " houſes, how, and how many poor People " have been employed and ſet to work in the " Year laſt paſt, and what Stock there was, " and is remaining; which Preſident, Deputy- " Preſident, and Treaſurer, for the Time being, " reſpectively, ſhall for ever hereafter, in Name " and Fact, be Bodies Politick and Corporate in " Law, to all Intents and Purpoſes, and ſhall " have a perpetual Succeſſion, and may ſue or " plead, or be ſued and impleaded, by the " Name of the Preſident and Governors for the " Poor of the reſpective Places aforementioned, " in all Courts and Places of Judicature within " this Kingdom, and the Dominion of *Wales*, " and the Town of *Berwick upon Tweed*; and by " that Name every of the ſaid Corporations " ſhall and may, without Licence in *Mortmain*, " purchaſe or receive any Lands, Tenements, or " Hereditaments, not exceeding the yearly " Value of three thouſand Pounds *per Annum*, of " the Gift, Alienation, or Deviſe of any Perſon " or Perſons, who are hereby, without further " Licence, enabled to give the ſame, and any " Goods, Chattels, or Sums of Money whatſoe- " ver, to the Uſe, Intent, and Purpoſes here- " after limited and appointed; and that each " reſpective Corporation, or any ſeven of them, " ſhall have hereby Power and Authority from " Time

To purchaſe Lands, &c.

To hold Courts.

" Time to Time to meet and keep Courts for " the Ends and Purpoſes in this Act expreſſed, at " ſuch Time and Place as ſhall be appointed by " the ſaid Preſident, his Deputy, or the Trea- " ſurer, who are hereby required, upon the De- " ſire of any four of the ſaid Corporation, at " any Time to cauſe a Court to be warned ac- " cordingly; and ſhall have hereby Authority " from Time to Time to make and appoint " a Common Seal for the Uſe of the ſaid Cor- " poration.

To make a Seal.

The Powers of the ſaid Preſident and Governors of the ſaid Corporations.

" Be it further enacted by the Authority " aforeſaid, That it ſhall and may be lawful to " and for the ſaid Preſident and Governors of " the ſaid Corporation for the Time being, or " any two of them, or to or for any Perſon " authorized and appointed by them, or any " two of them, from Time to Time to apprehend, " or cauſe to be apprehended, any Rogues, " Vagrants, ſturdy Beggars, or idle or diſorderly " Perſons, within the ſaid Cities and Liberties, " Places, Diviſions, and Precincts, and to cauſe " them to be kept and ſet to Work in the " ſeveral and reſpective Corporations or Work- " houſes.

A Stock for ſupply of the Work how to be provided in London.

" Be it further enacted by the Authority " aforeſaid, That if the Preſident and Gover- " nors of any of the ſaid Corporations ſhall " certify, under their Common Seal, their Want " and Defect, either of a preſent Stock for the " Foundation of the Work, or for Supply " thereof for the future, and what Sum or Sums " Money they ſhall think fit for the ſame, to " the Common Council of the ſaid City of *Lon-* " *don*, That thereupon the Common Council of " the ſaid City of *London*, are hereby required " from Time to Time to ſet down and aſcer- " tain ſuch competent Sum and Sums of " Money for the Purpoſes aforeſaid, not ex- " ceeding one Year's Rate from Time to Time " uſually ſet upon any Perſon, for or towards " the Relief of the Poor, and the ſame to pro- " portion out upon the ſeveral Wards, Precincts, " and Pariſhes, as they ſhall think fit: And " thereupon the Aldermen, Deputies, and Com- " mon-Councilmen of every Ward in the City " of *London*, ſhall have Power and Authority, " and are hereby required, equally and indiffe- " rently, according to the Proportions appoint- " ed, as aforeſaid, for the ſeveral Wards, Pre- " cincts, and Pariſhes, as aforeſaid, to tax " and rate the ſeveral Inhabitants within the " ſaid reſpective Wards, Precincts, and Pariſhes, " as well within Liberties as without; with which

Pariſhes to be rated by Common-Councilmen.

Perſons aggrieved may appeal to Quarter-Seſſions

" Tax if any Perſon or Perſons find him or " themſelves aggrieved, ſuppoſing the ſame to be " unequal, he or they ſhall and may make their " Complaint known to the Juſtices of the Peace " at the next open Seſſions, who ſhall take ſuch " final Order therein, as in like Caſe is already " by the Law provided.

Who are to be appointed Collectors, and their Power.

" And be it further enacted by the Autho- " rity aforeſaid, That it ſhall and may be law- " ful to and for any Alderman of the City of " *London*, or his Deputy, by their Warrant un- " der their Hands and Seals, to authorize the " Church-wardens or Overſeers for the Poor " within the Places and Pariſhes aforeſaid, to " demand, gather, and receive of every Perſon " and Perſons ſuch Sum and Sums of Money, " as ſhall be aſſeſſed upon them by virtue of " the Taxations and Contributions aforeſaid; " and for Default of Payment within ten Days " after Demand thereof made, or Notice in " Writing left at the Dwelling-houſe or Lodging " of every Perſon ſo aſſeſſed, to levy the ſame " by Diſtreſs and Sale of the Goods of every " ſuch Perſon, and, after Satisfaction made, to " reſtore the Surpluſage to the Party ſo di- " ſtrained.

Power to make Orders and By-Laws.

" And it is further enacted by the Authority " aforeſaid, That the reſpective Preſident and " and Governors, or any ſeven of them, ſhall " have Power from Time to Time to make " and conſtitute Orders and By-Laws for the " better relieving, regulating, and ſetting the " Poor to Work, and the apprehending and pu- " niſhing of Rogues, Vagabonds, and Beg- " gars, within the City, Liberties, and Places " aforeſaid, that have not wherewith to main- " tain themſelves, and for other the Matters " aforeſaid.

" Provided the ſaid Orders and By-Laws ſhall " from Time to Time be preſented to the Juſ- " tices of the Peace in their Quarter-Seſſions " aſſembled, to be allowed by the major Part " of them, and confirmed by Order of the ſaid " Court.

Power to chuſe and entertain Officers.

" And it is further enacted by the Authority " aforeſaid, That the Preſident and Governors " of any the ſaid Corporation or Corporations, " Workhouſe or Workhouſes, or any fourteen " or more of them, being aſſembled together, ſhall " have hereby Power to chooſe and entertain " all ſuch Officers, and others, as ſhall be need- " ful to be employed in and about the Premiſes; " and them, or any of them, from Time to " Time to remove, as they ſhall ſee Cauſe; and " upon the Death or Removal of them, or any " of them, to chooſe others in their Places for " the carrying on the Work; and to make and " give ſuch reaſonable Allowances unto them, " or any of them, out of the Stock and Reve- " nue belonging to the ſaid Corporation or " Workhouſe, as they ſhall think fit.

All Sheriffs, &c. to be aſſiſting to the ſaid Corporation and their Officers.

" And it is further enacted by the Authority " aforeſaid, That all Sheriffs, Bailiffs, Conſta- " bles, and all other Officers and Miniſters of " Juſtice, ſhall be aiding and aſſiſting to the " ſaid Corporation or Corporations, and to all " ſuch Officers as ſhall be employed by them, or " any of them, in the Execution or Performance " of the ſaid Service.

Perſons ſued for Matters in this Act, may plead the general Iſſue.

" That if any Perſon or Perſons ſhall be ſued " for any Matter or Thing, which he ſhall do " in Execution of this Act, he may plead the " general Iſſue, and give the ſpecial Matter in " Evidence; and, if the Verdict ſhall paſs for the " Defendant, or if the Plaintiff be non-ſuited, or " diſcontinue his Suit, the Defendant ſhall reco- " ver treble Damages."

In purſuance of this Power granted by Parlia- ment, we find in an Act of Common Council, on the eleventh of *July*, *A. D.* 1706, Sir THO- MAS RAWLINSON Mayor, That by a former Act of the ſaid Court of Common Council, held on the fourth of *April*, 1698, and by three other Acts of the ſaid Court, there had been

ſeveral Sums of Money raiſed on the Inhabitants of the City of *London*, for purchaſing the building, and altering divers Houſes and Tenements in *Biſhopſgate-ſtreet*, to make them convenient for the Confinement, Maintaining and Employing great Numbers of Vagrants, idle and diſorderly Perſons, and diſtreſſed Children, found in the publick Streets and Paſſages of this City; and that there was ſtill wanting the further Sum of 5101 *l.* 8 *s.* 6 *d.* to ſupport the ſame; it was then enacted, "By the Right Honourable "the Lord-Mayor, the Right Worſhipful the "Aldermen, and the Commons of the ſaid City "in Common Council aſſembled, That the Sum "of four thouſand eight hundred and eighty-"ſeven Pounds, eight Shillings, and a Farthing, "ſhall be raiſed and aſſeſſed, by one entire Aſſeſſ-"ment, upon the Inhabitants within the ſaid "City and Liberties, according to the ſeveral "and reſpective Proportions herein after follow-"ing; that is to ſay,

Act of Common Council, 11 July 1706.

Pariſhes and their Proportions aſſeſſed for the London Work-houſe.

An Account of this Corporation, publiſhed in 1713.

In *November* 1708, it was ordered, " That " no Child, although born within the City of " *London*, and Liberties thereof, ſhould be re- " ceived from any Benefactor, giving a leſs Sum " than fifty Pounds; yet, that the Charity might " not be too ſtrictly confined, it was further " ordered, that any Benefactor, giving ſeventy " Pounds, might put in a Child from what Place " he thought fit; to the Intent that the Children, " which ſhould be ſo received, might not be any " Charge, but an Advantage to the Houſe. And " in *April* 1710, it was ordered that the 12 *d. per* " Week, before paid for Pariſh-Children, ſhould " be taken off, and not be demanded after the " firſt of *May* following; both which laſt Orders, " as alſo an Order that no Child ſhould be taken " in from the Executors of any Benefactor, un- " leſs a Clauſe were inſerted in the Will of ſuch " Benefactor for that Purpoſe, have been ſince " made into By-Laws, confirmed at the Seſſions, " and ſtrictly obſerved.

" The Houſe is divided into two Parts, one " Part is called the *Steward's Side*, where *poor* " *Children* are taken in from Benefactors giving " 50 *l.* or 70 *l.* as before mentioned, and theſe " Children are by that Means, and their Labour, " rather a Profit than Charge to the Houſe; and " on this Side are alſo taken in ſuch Children as " are a Charge to the ſeveral Pariſhes of this City " and Liberties to which they belong. And all " theſe Children are religiouſly educated, accord- " ing to the Church of *England*, and are employed " in ſpinning Wool, Flax, Sewing, or Knitting; " they are dieted and cloathed, and duly taken " Care of in Sickneſs. They are taught to read, " write, and caſt Accompts, whereby they are " qualified for Services and honeſt Ways of Liveli- " hood, and at their going out they have a Suit " of Cloaths, or 20 *s.* But Freemens Children " have a larger Allowance out of a Benefaction " directed to be appropriated to that Purpoſe.

" And the other Part of the Workhouſe is " called the *Keeper's Side*, where Vagabonds, " Beggars, Pilfering and other Vagrants, Leud, " Idle, and Diſorderly Perſons, (duly committed) " have ſuch Relief as is proper for them, and are " employed in beating Hemp, picking Oakum, " or waſhing Linen. And theſe Vagrants and " Beggars, *&c.* after they have been ſome Time " confined to hard Labour, and been taught " thereby how to maintain themſelves honeſtly, " are ſent to their reſpective Settlements, as the " Law directs. So that from *Eaſter* 1700, to " *Eaſter* 1713, the Number of Vagrants, Beg- " gars, *&c.* diſcharged, is 5555; during which " Time, there died 54, and at *Eaſter* laſt there " remained 40.

" The Number of Children put out Appren- " tices * during the ſaid Time, is 1243; during which Time there died 118, and at *Eaſter* " 1713 there remained 179.

* *N. B.* This has been diſcontinued for five Years, owing to the want of a ſufficient Fund to ſupport it.

" The Children, and all others in the Work- " houſe, are required to attend Divine Service " Morning and Evening, which is regularly and " duly performed in a convenient Place of the " Houſe, ſet apart for that Purpoſe. But it " would take up more room than can be ſpared " in a brief Account, to ſet down particularly the " Orders relating to the Chriſtian Education of " the Children, and how they are cloathed, fed, " and taught, and brought up to write, and the " exact Government and Diſcipline of the Houſe, " which afford together one of the moſt pleaſing " and agreeable Sights that a Man can behold, " and than which nothing of this Nature can " tend to inſpire a Man with more Humanity " and Love, or more provoke him to ſpeak well " of, and aſſiſt the Work by all Means in his " Power. The great Charity of the Work, and " the Good of which it is productive in all its " Parts to the Publick, has encouraged the Com- " mon Council, from Time to Time, as there " has been Occaſion, readily to comply with the " ſaid Act of Parliament, and to levy Money " for its Support. But the Money ſo raiſed could " not have brought the Work to that Degree of " Perfection and Uſefulneſs, unleſs it had been " aſſiſted with many private and great Charities, " which have amounted to about 15000 *l.* The " yearly Charge of the ſaid Houſe being about " 2400 *l. per Annum*, over and beyond what the " Children earn, and over and above their Eſtate, " which, beſides the Houſe itſelf, amounts to no " more than 220 *l. per Annum.* This Eſtate was " given purely with regard to the poor Children. " And the great and conſtant Care and Applica- " tion of the Governors, and their wiſe and pru- " dent Management thereof, and of all the " Branches of this Charity, have effectually an- " ſwered the Ends and Deſign of it; which can- " not be better evinced and demonſtrated, than " by briefly ſetting forth the Subſtance of the " Reports of ſeveral Committees appointed by " the Common Council which relate thereto, " and were made by them from Time to Time " to the Common Council, which are as follow, " *viz.*

" Auguſt 26, 1702. *The Committee report, they* " *have examined the Management of the Money for-* " *merly advanced, and do find that the ſame hath* " *been managed with the utmoſt Care, Application,* " *and Frugality, and that there would have been an* " *Occaſion for a Supply long ſince, but for many con-* " *ſiderable Charities.*

" April, 30, 1706. *The Committee report, the* " *Corporation have taken great Care and Pains in* " *carrying on the Work, and have kept the Accompts* " *of all the Receipts and Payments very fair and* " *juſt, an Abſtract whereof they then laid before the* " *Common Council.*

" March 22, 1708. *The Committee ſay, they* " *have viewed the ſeveral Apartments, and the Me-* " *thod uſed in employing the Children and others com-* " *mitted there to Work, according to their ſeveral* " *Capacities and Abilities, and do well approve of* " *the ſame.*

" June 22, 1710. *The Committee report, they* " *have inſpected the Accounts, and enquired how the* " *Moneys, already raiſed for the Uſe of the Poor,* " *have been expended, and are very well ſatisfied with* " *the great Frugality of the Preſident and Gover-* " *vernors; that they have alſo inſpected the Govern-*

" *ment*

" *ment of the Corporation, and their Method of* " *employing and ſetting to Work thoſe under their* " *Care, as an Hoſpital for Relief of neceſſitous poor* " *Children ſent from ſeveral Pariſhes, and as a* " *Workhouſe for the Correction and Puniſhment of* " *Rogues,* &c. *And well approved of the ſame.*

" November 1712. *The Committee report,* " *they have inſpected the Management of the Preſi-* " *dent and Governors for the Poor, and enquired* " *how the Moneys laſt granted for the Uſe of the Poor* " *have been expended, and are well ſatisfied with* " *their Frugality in Diſpoſal of the ſame.*

" If any thing need to be added to ſhew the " Weight theſe Reports ought to have with all " good Citizens; it may be truly ſaid, they were " from Time to Time made by ſuch as were in- " ferior to none in Abilities and Skill in publick " Buſineſs, as well as in Integrity.

" Thus much is thought fit to be ſaid, not " only with reſpect to the Juſtice due to the Go- " vernors, but alſo with reſpect to the Honour " and Regard that is due to the Common Coun- " cil, who have all along, from Time to Time, " had ſo juſt and laudable a Concern for the Diſ- " charge of the Truſt repoſed in them by their " Fellow-Citizens, as not to ſuffer any new Sum " of Money to be raiſed on them, before they " have ſeen how the former Moneys granted have " been applied.

" The Charge of the Poor has been complain- " ed of for many Ages; and in the ſaid Act; " the ſame is ſaid to be very great, and exceed- " ing burthenſome; and the Parliament thought " the erecting Corporations for their Relief " and Employment a neceſſary Means for Re- " medy thereof, and, in all likelihood, future " Ages will not find a better. We have ſeen " by the Care of the City in putting the ſaid " Act in Execution, that in theſe few Years " 5555 Vagabonds, Common Beggars, Pilfer- " ing and other Vagrants, Leud, Idle, and " Diſorderly Perſons have been puniſhed with " hard Labour. And how great and laſting a " Benefit and Advantage this hath, and muſt be, " not only to the Perſons themſelves, and to " their Relations, but alſo to the Publick, let " any intelligent Citizen judge. And if this " Part of the Deſign be ſo neceſſary and uſeful, " how much more excellent and more uſeful " and beneficial muſt be the other Part of the " Deſign of the Workhouſe, which, according " to the ſaid Act, is *for a due Proviſion of Relief* " *and Employment of Poor Children, and to prevent* " *their Periſhing for Want!* Add to this, the " ineſtimable Benefit of their being nurtured " and brought up in a religious Education, " and taught to work as ſoon as they are " able, whereby they at preſent help to ſupport " themſelves, and whereby they are fitted for " honeſt Trades and Services, and are not only " kept from Periſhing for Want, but from " Pilfering, and turning Vagabonds and in- " corrigible Rogues, and made uſeful Members " of the Community: And great muſt needs " have been the Advantage of having above " 1000 poor neceſſitous Children ſo brought " up, and put out into the World. And ſup- " poſe they had been otherwiſe kept from pe- " riſhing for Want, yet great would have been " the Loſs of their honeſt Labour and Induſtry, " at leaſt to themſelves; and greater would have " been the Evil, if they had followed the wicked " Practices their miſerable Condition expoſed " them to! So that the real Truth of the Mat- " ter ſeems to be this, That if the Poor are not " taken in to one Side of the Houſe, when " they are young, it's great odds but they will " deſerve to be ſent to the other, when they are " grown up."

Since the firſt publiſhing the foregoing Account, there has been Application made to the Common Council of the City of *London*, for a further Supply, which has been granted; as in the Year 1720, the Sum of 2443 *l.* 14 *s.* A.D.1720

In the Year 1731, a further Supply was requeſted, and the Committee reported, That on Examination they were very well ſatisfied of the good Management of the ſaid Preſident and Governors in the Diſpoſal of the Money formerly granted, and are of Opinion they ſhould have a further Supply of 2443 *l.* 14 *s.* — which was accordingly granted. A.D.1731

Since the Year 1713 to *Lady-day* 1744, the Number of Children put out Apprentices is 1504; during which Time there have died 204; and at *Eaſter* 1744 there remained 111. A.D.1744

The Number of Vagrants, Beggars, *&c.* diſcharged ſince *Lady-day* 1713, to *Lady-day* 1744, is 14487; during which Time there died 167; remained at *Lady-day* 1744, 16. Which Work could not be carried on without the Aſſiſtance of private Benefactions, which have amounted to about 18000 Pounds.

At *Michaelmas*, 1751, the Governors of this Houſe came to a Reſolution, That no more Children, paid for by the Pariſhes to whom they belong, be taken into this Houſe: And accordingly on *Lady-Day*, 1752, delivered the above forty-one to their reſpective Pariſhes and Friends; and have ſince that Time reſolved to conform ſtrictly to the Act of Parliament of the 13th and 14th of *Charles* II. by taking into their Care ſuch Children only as are committed by the Magiſtrates of this City, found begging in the Streets, pilfering on the Keys, or lying about in Glaſs-Houſes, and other uninhabited Places, thoſe fatal Receptacles of all Kinds of Wickedneſs; and have now the Satisfaction to acquaint the Publick, that ſince that Time there have been thus committed ninety-one Children.

Of which there have been diſcharged, *viz.*

Who are educated according to the Uſage of the Church of *England*, and are taught to read and write, Part of the Day being appropriated for that Purpoſe; the reſt of their Time is ſpent in weaving Nets for the *Britiſh* Fiſhery, Sewing, Knitting, and other Labour, by which they are qualified for Service and honeſt Employments, and put forth Apprentices or Servants.

N. B. A Boy knits twenty-five Yards of this Netting *per* Week, at eighteen Pence *per* twenty Yards; and it is agreed to give a Penny *per* Week to every Boy that knits above twenty-four Yards, as an Encouragement for Induſtry. From the fourth of *February* to the twenty-eighth of *Auguſt*, in all twenty-nine Weeks, were knit ten thouſand five hundred and twenty-nine Yards, *i. e.* three hundred and ſixty-two Yards *per* Week.

Vagabonds, ſturdy Beggars, lewd Street-walkers, pilfering and other Vagrants, and diſorderly Perſons, duly committed in the ſeven Years laſt paſt, were two thouſand ſix hundred and eighty-ſix, and twelve remaining at *Lady-Day*, 1747.

A.D.1754 Diſcharged at *Lady-Day*, 1754, of which the above ninety-one Children are Part, — — 2616
Buried — — — — 26
Remaining at *Lady-Day*, 1754, 66
2698

Theſe Vagabonds, Beggars, *&c.* have proper Relief, and are employed in beating Hemp and waſhing Linen; who, by God's Bleſſing and theſe Means, have been brought to a Senſe of their Crimes; and many of them have reformed, and uſed an honeſt Induſtry afterwards for their Livelihoods.

Of the Children here educated ſince the Year 1701, there have been diſcharged and placed forth Apprentices to Officers of Ships, to Trades, and to Services in ſeveral good Families, beſides thoſe mentioned in the other Account, three thouſand; and within that Time twenty thouſand eight hundred and fifty-four Vagabonds, Beggars, *&c.* among which were ſeveral notorious Impoſtors, pretending to be lame, dumb, and blind, have been committed and puniſhed with Confinement and hard Labour, in the Manner above-mentioned.

Of the Children there have died three hundred and twenty-ſix, and of the Vagabonds two hundred and forty-two.

By the afore-mentioned Act of Parliament, Power is granted to the Preſident and Governors of this Corporation, without Licence in Mortmain, to purchaſe or receive any Lands, Tenements, and Hereditaments, not exceeding the yearly Value of three thouſand Pounds, of the Gift, Alienation, or Deviſe of any Perſon or Perſons, and any Goods, Chattels, or Sums of Money whatſoever, to be applied to the Uſes aforeſaid. But, as yet, the preſent real Eſtate belonging to the ſaid Corporation, beſides the Ground on which the Workhouſe is ſituate, amounts to little more than one hundred Pounds *per Annum*; and the neceſſary Expence, far exceeding the yearly Income, is diſcharged by a Rate on the ſeveral Inhabitants of the City of *London*; not having received, within theſe ſeven Years paſt, above the Sum of ſeven hundred and ſeventy Pounds in Benefactions; whereby the further good Deſigns intended by this Charity are prevented. It is therefore humbly hoped, good and well-diſpoſed Perſons will be pleaſed to encourage and charitably aſſiſt this moſt uſeful and beneficial Work; which is now appropriated ſolely to the Support of ſuch unhappy diſtreſſed Objects, as muſt otherwiſe inevitably periſh, having neither Friends, nor any Pariſhes to which they can make a proper Claim, and, being ſo young, are not able to ſupport themſelves, the greateſt Part being from ſeven to twelve Years of Age: By which Means theſe poor deſtitute Children will be educated, maintained, and employed, and kept from the Diſtreſs and Miſeries thoſe ſuffer who want ſuch an Education; and, in Time, become uſeful Members of the Community, inſtead of a Terror to the Inhabitants of this City; whilſt pilfering and other ſtrolling Vagrants, ſturdy Beggars, lewd Night-Walkers, and ſuch other idle diſorderly Perſons, being puniſhed with Confinement and hard Labour, may be thereby corrected, reſtrained, and reformed.

The Deſign and Intent of it, publiſhed in 1704.

The Deſign and Intention of the Governors of the ſaid Workhouſe is to employ all the poor Children, Beggars, Vagrants, and other idle and diſorderly Perſons that are, or can be found, within the ſaid City of *London*, and the Liberties thereof.

I. The poor Children are,

1. Such for whom no Settlement can by Law be provided.

2. Such whoſe poor Friends are much oppreſſed by a great Charge of Children, or are reduced by Misfortunes to ſuch Circumſtances that they cannot provide for them themſelves.

3. Such who are the Children of Seamen and Soldiers in the Queen's Service, many of whom loſe their Lives therein, or are otherwiſe rendered incapable of providing for their Wives, Children, and Families.

4. Such who are commonly known by the Name of the *Black Guard*, who too commonly live upon pilfering Sugar and Tobacco on the Keys, and afterwards become Pick-pockets and Houſe-breakers, many of whom, at laſt, have received their due Rewards, and made their Exits at the Gallows; which are now kept to work, and get their Livings honeſtly in the ſaid Workhouſe.

5. Many Pariſh Children.

All theſe, being taken into the ſaid Workhouſe, are there taught to read and write, and kept to work, until they are qualified to be put out to be Apprentices, and for the Sea-Services, or otherwiſe diſpoſed.

II. The Beggars and Vagrants. They are thoſe ſturdy and inſolent Men and Women, who live in the Skirts and Out-parts of this City, and Places contiguous thereto, and other Stragglers and Wanderers, who too frequently reſort to this City; which, when apprehended and taken, are in the ſaid Workhouſe kept to hard

hard Work and Labour, until they are by Law diſcharged therefrom.

III. The idle and diſorderly Perſons are thoſe Rogues and vagrant Men which are there kept until they are put into their Country's Service by Sea and Land; and thoſe ill Women which are taken up in the Streets, debauching the Youth, and others of this City, many of which, rather than be continued to Work and Labour, voluntarily tranſport themſelves to the Weſtern Plantations, whereby this City and Nation is rid of them.

In building for theſe convenient Houſes, Work-Rooms, paying Officers and Servants, and in providing Meat, Drink, Waſhing, Lodging, Cloaths, and all other Neceſſaries, and to put them out Apprentices, great Sums of Money are yearly expended; beſides what they ſeverally earn by their own Labour, and beſides what hath been already raiſed by the Common Council of this City.

The Conſideration whereof is earneſtly recommended to all charitable Perſons, who are Well-Wiſhers to Honour, Virtue, and Morality, that they will vouchſafe, by their Wills or otherwiſe, to give their Aid and Aſſiſtance for the propagating and continuing this great Work of Charity, which the Governors of the ſaid Corporation have, by their Care, Diligence, and Induſtry, already made ſo good a Proficiency in, and which may prevent the Ruin of many idle and diſorderly Perſons for the future.

Note, There are in the Workhouſe ſeldom leſs than four hundred Children at work, beſides the grown Beggars, Vagrants, and other idle and diſorderly Perſons, who are there kept to hard Labour.

The new Building. Some Years ago the Governors built a very ſtrong and uſeful Building, and of large Dimenſions, containing, beſides other Apartments, three long Rooms or Galleries, one over another, for Workhouſes, which are all filled with Boys and Girls at work, ſome knitting, moſt ſpinning of Wool; and a convenient Number of Women and Men teaching and overſeeing them; Fires burning in the Chimnies in the Winter-Time, to keep the Rooms and the Children warm. And they intend, if they get Money, to pull down the reſt of the old Houſes, where, now alſo, the Poor and the Vagrants are kept at their ſeveral Works, and to build a fair Court anſwerable to the foreſaid new Building, which is on the South Side thereof.

It is to be wondered at, how all Things are contrived here, to the beſt Advantage for Thrift and good Huſbandry, to maintain in Cloaths and Food ſuch a vaſt Number as live and are harboured here. Some are Taylors, ſome Shoemakers, ſome knit Stockings. They brew their own Drink, having, in the new Building, erected a large and convenient Brewhouſe, and over that a Malthouſe. They killed their own Beef and Mutton, and have for that Purpoſe a Slaughterhouſe; but ſince they find it better Huſbandry to buy their Meat of the Butcher. And, in Caſe of Sickneſs, broken Limbs, or Sores, or Wounds, they have Advice, Phyſic, and Surgery *gratis*.

Their Diet. Their daily Food is plain, but wholeſome and ſufficient. They have Breakfaſts, Dinners, and Suppers every Day in the Week, and a conſtant ſet Allowance each Day. Their Stint each Meal for Bread, is four Ounces; for Cheeſe, an Ounce and an Half; for Butter, an Ounce; for Small-beer what is ſufficient, not exceeding a Pint at a Time, of ſeven Shillings a Barrel.

Their Breakfaſt, *Sundays*, *Wedneſdays*, *Thurſdays*, and *Saturdays*, is Bread and Cheeſe, or Bread and Butter, and Beer. On *Mondays*, a Pint of Peaſe-pottage, with Bread and Beer. On *Tueſdays*, a Plumb-pudding Pie of nine Ounces, and Beer. On *Wedneſdays*, a Pint of Frumenty. On *Friday*, a Pint of Barley-broth, and Bread. On *Saturday*, a plain Flour Suet-dumpling, with Beer.

Their Supper is always the ſame; that is, to each four Ounces of Bread, one Ounce and Half of Cheeſe, or one Ounce of Butter, and Beer ſufficient.

The Habit of the Children is all the ſame, being made of Ruſſet Cloth, and a round Badge worn upon their Breaſt, repreſenting a poor Boy and a Sheep; the Motto, *God's Providence is our Inheritance*.

They have alſo a large Room, which ſerves them both for a Chapel and a Dining-Room. They go to Prayers at Six in the Morning, and at Six at Night, and are duly taught the Catechiſm, and have a Miniſter that attendeth hereupon; and on *Sundays* they all go to Church at *Great St. Helen*'s, where is a convenient Seat for them.

The Power inveſted in this Corporation, and its Benefit to the Publick, and Reputation of its Governors, may be in Part collected from the following Teſtimonies:

An Order, publiſhed in the Poſtman, December 15, 1704, *by the Preſident and Governors for the Poor of* London, *viz.*

An Order for taking up idle People, from the Governors of this Houſe.

" Whereas the Streets and Paſſages of this City " are generally at this Time of the Year much " annoyed with Rogues, Vagabonds, and ſturdy " Beggars; for Prevention hereof for the future, " the Preſident and Governors of the Poor of the " City of *London* do give Notice, That, if any " Overſeer for the Poor, Conſtable, Beadle, Mar- " ſhal's Man, Warder, or other Perſon, ſhall ap- " prehend any Rogue, Vagabond, or ſturdy Beg- " gar, and bring them before any Juſtices of " the Peace, ſo that they may be brought and " delivered to and received by the Keeper of the " Workhouſe, he ſhall receive twelve Pence for " every ſuch."

A Preſentment of the Grand Jury, May 8, 1706, *at* Juſtice-Hall *in the* Old-Bailey.

Fewer young Criminals by Means of this Workhouſe.

Wherein they repreſented to that honourable Court, " That, in attending the Buſineſs of that " Seſſions, they did not find any of thoſe young " Criminals which formerly were uſed to be " brought before them, and that their Attend- " ance there was very ſhort; which they were " ſenſible was owing, in a great Meaſure, if not " entirely, to the Workhouſe erected in the City, " which received therein all poor and vagrant " Children, which lay up and down in the Streets, " commonly called by the Name of the *Black* " *Guard*,

This Plate is most humbly inscribed to the Rt. Hon.ble Stephen Theodore Janssen Esq.r Alderman of Cordwainers Ward & Lord Mayor of London. And to William Alexander Esq.r Alderman of Broad Street Ward. 1755.

" *Guard*, and have been there educated, em-
" ployed, and fitted for Trades and other Em-
" ployments, who had been before trained up to
" Wickedneſs and Vice; and, after having been
" frequently before this Court, and often par-
" doned on Account of their tender Years, had
" at laſt, taking no Warning, made their Exit
" at the Gallows. Wherefore they returned
" their hearty Thanks to that honourable Court,
" and the reſt of the Governors of that Houſe,
" for their great Pains therein, *&c.*"

The Speech of John Truſty, *aged eleven Years, a poor Boy belonging to the Workhouſe of the Corporation for the Poor of the City of* London, *to her Sacred Majeſty Queen* Anne, *upon her coming into the City, to dine at the* Guildhall, *on* Thurſday, October 29, 1702, *being the* Lord-Mayor's Day.

" May it pleaſe your moſt excellent Majeſty
" to pardon this great Preſumption in us poor
" Children, who throw ourſelves at your Royal
" Feet, among the reſt of your glad Subjects, that
" here in Crowds appear to behold your Sacred
" Majeſty.

" We, Madam, have no Fathers, no Mothers,
" no Friends; or, which is next to none, thoſe
" who, through their extreme Poverty, cannot
" help us. * *God's Providence is our Inheritance.*
" All the Support we have is from the unexhauſt-
" ed Charities of your loyal Citizens of *London*,
" and other your good Subjects, and the pious
" Care of our Governors, who are now teaching
" our little Hands to work, and our Fingers to
" ſpin.

" * Theſe Threads, Madam, are ſome of the
" early Fruits of our Induſtry. We are all daily
" employed on the Staple Manufacture of *Eng-*
" *land*, learning betimes to be uſeful to the
" World. And there ſeemed nothing wanting
" to compleat our Happineſs, but the Oppor-
" tunity which this Day affords us, of being the
" Objects of your tender Pity and Compaſſion.
" One gracious Smile from your Majeſty on this
" new Foundation will make us live—And live
" to call you Bleſſed.

" And may God Almighty long preſerve your
" Majeſty, for the Good of theſe your Kingdoms,
" and your Royal Conſort the Prince. So pray
" we, your little Children: And let all your
" People ſay, *Amen.*

* *The Motto on their Badge which they wear at their Breaſts.*

* *Holding ſome Yarn in their Hands.*

We ſhall conclude our Account of this good Foundation with an Extract and Encomium from a Sermon preached by the Right Reverend the Biſhop of *Litchfield* and *Coventry*, on *Eaſter-Monday*, *Anno* 1702, before the Governors of the Hoſpitals:

" I muſt not forget another publick Charity of
" admirable Uſe, and which, for that Reaſon,
" deſerveth the utmoſt Encouragement; I mean,
" the Workhouſe erected for employing poor
" Children, and ſuch diſtreſſed vagrant Children
" as are found within the City and the Liberties
" thereof. This, by the Induſtry of the Preſi-
" dents and Governors of the Poor of the City,
" hath been carried ſo far, that two hundred and
" ſixty-one Children, of ſeveral Pariſhes, re-
" mained in the Workhouſe this Year, and
" ſeventy-one have ſince been received. Of Va-
" grants there remained ſeventy-one, and eighty-
" nine have ſince been taken in. All theſe, ac-
" cording to their Ages and Conditions, are
" cloathed, and fed, and inſtructed in the Prin-
" ciples of Religion, and in honeſt Arts and
" Trades. They are inured to Labour, kept
" cleanly, and diſpoſed to Honeſty by Encou-
" ragement and Diſcipline. I have not Time to
" ſay of what wonderful Benefit theſe Places are,
" and may be, to the Publick, if they can happily
" fall into the right Management of them; where
" the Refuſe of Mankind, they that would other-
" wiſe be the Bane and Scandal of the Common-
" wealth, are reſcued from Perdition, and made
" uſeful Members of it. But it is hardly poſſible
" for Men to be better employed than in this
" Work, or to be more charitable than in their
" Contributions towards it. And may it pleaſe
" Almighty God to enable thoſe that undertake
" it to ſurmount all the Difficulties that croſs
" their Deſigns. They will then have, what
" one would wiſh to every good and publick-
" ſpirited Man, the Comforts of their Labours
" in this Life; and, when that is at an End,
" thoſe Labours will conduct them to the
" Joys of that above, and that will for ever
" remain."

Biſhop of Litchfield *and* Coventry's *Sermon at* Eaſter.

CHAP. XI.

BREAD-STREET WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Derivation of its Name. Bounds. Preſent State. Pariſhes and Churches. Cordwainers-Hall. Gerard's-Hall *Inn. Compter removed. Act of Common Council.* Goldſmiths-Row.

THIS Ward takes its Name from the principal Street therein, called *Bread-Street*; which, in old Time, was the *Bread-market*.

Its Name.

It appeareth by Records, that in the Year 1302, which was the thirtieth of *Edward* I. the Bakers of *London* were bounden to ſell no Bread in their Shops or Houſes, but in the Market: And that they ſhould have four Hallmotes in the Year, at four ſeveral Terms, to determine Enormities belonging to the ſaid Company.

Bounds.

Bread-ſtreet Ward begins in *Cheapſide* on the North, and runs on the South Side from where the Standard to where the great Croſs formerly ſtood. On the South it extends in *Watling-ſtreet* up almoſt to the Houſe next to St. *Auguſtin*'s Church on the North Side; and on the South Side, up to the *Old Change*; and down the ſame, at the Eaſt Side, by the Weſt End of *Maiden-lane*, or *Diſtaff-lane*, to *Knightriders-ſtreet*, or, as they call that Part thereof, *Old Fiſh-ſtreet*; and all the North Side of the ſaid *Old Fiſh-ſtreet*, till over-againſt the *Trinity-church*, and *Trinity-lane*.

It is encompaſſed on the North and North-Weſt by the Ward of *Farringdon within*, on the Eaſt by *Cordwainers-Ward*, on the South by *Queenhithe-Ward*, and on the Weſt by *Caſtle-Baynard-Ward*.

Within

Within this Compaſs is *Bread-ſtreet*, which, as ſaid above, begins in *Cheapſide* or *Weſt-Cheap*, and gives Name to the whole Ward. This Street runs from almoſt where the Standard ſtood in *Cheapſide*, or facing *Wood-ſtreet*, down Southward croſs *Watheling-ſtreet* to *Knightriders-ſtreet*, where it endeth. This *Bread-ſtreet* is wholly on both Sides of this Ward, as is alſo a Part of *Baſing-lane*, on the Eaſt Side thereof.

From the North-Weſt Extremity of this Ward there is another Street, called *Friday-ſtreet*. It begins in *Weſt-Cheap*, and runneth down South thro' *Watling-ſtreet* to *Knightriders-ſtreet*, or *Old Fiſh-ſtreet*. This *Friday-ſtreet* is of *Bread ſtreet* Ward, on the Eaſt Side, from over-againſt the North-Eaſt Corner of St. *Matthew*'s Church; and on the Weſt Side, from the South Corner of the ſaid Church, down, as aforeſaid, to *Old Fiſh-ſtreet*.

In this *Friday-ſtreet*, on the Weſt Side thereof, is a Lane, commonly called *Maiden-lane*, or *Diſtaff-lane*, corruptly from *Diſtar-lane*, which runneth Weſt into the *Old Change:* And in this Lane is alſo another Lane, on the South Side thereof, likewiſe called *Diſtar-lane*, which runneth down to *Knightriders-ſtreet*, or *Old Fiſh-ſtreet*. Theſe are the Bounds of the whole Ward.

Now for the preſent State of this Ward.

Preſent State. The principal Streets and Places in this Ward are, *Watling-ſtreet*, *Bread-ſtreet*, *Friday-ſtreet*, *Diſtaff-lane*, *Baſing-lane*, with the Eaſt Side of the *Old Change*, from the Corner of St. *Auſtin*'s Gate to *Old Fiſh-ſtreet*; and the North Side of *Old Fiſh-ſtreet* and *Trinity-lane*, with Part of the South Side of *Cheapſide*, betwixt *Friday-ſtreet* and St. *Mary le Bow* Church.

Watling-ſtreet is a great Thorough-fare, and has good Buildings in it, which are very well inhabited by great Dealers, chiefly by wholeſale. This Street begins two or three Houſes beyond St. *Auſtin*'s Church on the Weſt, and runs Eaſtward through the Heart of this and *Cordwainer* Ward, almoſt to St. *Anthony*, alias St. *Antholine*'s Church, where *Budge-row* begins, and runs into *Canon-ſtreet*, in *Wallbrook* Ward. In the Part of this Street belonging to this Ward are theſe Places, beginning by St. *Auſtin*'s Church, *viz.* St. *John Evangeliſt* Church-yard, ſeated in the Eaſt-Side Corner of *Friday-ſtreet*, the Church not being rebuilt, but the Pariſh united to that of *Allhallows Bread-ſtreet*; and the Ground on which this Church ſtood, being incloſed, ſerves as a Burying-Place for the Inhabitants, and has a handſome Pair of Iron Gates before it.

Bread-ſtreet is a good open Street, well built, and inhabited by great Dealers, both by wholeſale and retail, Hop-Merchants, Grocers, and others. It begins at *Cheapſide* on the North, and runs Southwards to *Old Fiſh-ſtreet*, next to *Trinity-lane*, croſſing *Watling-ſtreet*. The Courts in this Street, beginning next *Cheapſide*, are *Black-ſpread-eagle-court*, but ſmall, with a Free-ſtone Pavement; has a very good Houſe at the upper End. *Planners-court*, indifferent large, but ordinary. *Star-court*, very large, with an open Paſſage for a Cart, is well built and inhabited. *Three-Cups Inn*, large, well built, and of a great Trade for Country Waggons and Carriers. *White-cock-court*, a handſome ſquare Place, well built, and inhabited by wholeſale Dealers.

Baſing-lane, or *Bakeing-lane*, from having the King's *Bakehouſe*, or ſome other great Bakehouſe, there formerly, in 20 *Richard* II. a handſome open Street, with good Buildings: Of this Lane about half is in this Ward.

In this Lane is *Gerard*'s Hall, now made uſe of for an Inn.

Red-lion-court has a Paſſage into *Watling-ſtreet*, already taken Notice of; and near the aforeſaid Inn is *Horn-alley*, which is but ſmall and ordinary.

Friday-ſtreet comes out of *Cheapſide*, and runs South into *Old Fiſh-ſtreet*, and in its Paſſage croſſes *Watling-ſtreet:* This Street is well built, and inhabited chiefly by Haberdaſhers, and other wholeſale Dealers. In this Street are theſe Places; *White-horſe Inn*, large, and of a good Reſort. *Bell Inn*, of good Reſort and Trade. *Blue-boar-court*, an open Place, alſo inhabited by wholeſale Dealers. *Angel-court*, but ordinary, with an open Paſſage for Carts. *Saracen's-head Inn*, large, and of a great Reſort and Trade.

St. *Margaret Moſes* Church was ſeated on the Eaſt Side of this Street, towards *Old Fiſh-ſtreet*, burnt in the Fire of *London*, not rebuilt, but the Pariſh is united to St. *Mildred's Bread-ſtreet*; and the Place where this Church ſtood is incloſed for a Burial-Place for the Inhabitants.

Great Diſtaff or *Diſtar-lane* comes out of the *Old Change*, and runs up to *Bread-ſtreet*, againſt *Baſing-lane*, croſſing *Friday-ſtreet* on the South Side.

Places of Name in this Lane: *Buck's-head-court*, a ſmall Place, with a Free-ſtone Pavement. *Cordwainers* or *Shoemakers-Hall*, a handſome Building, ſeated oppoſite to *Little Diſtaff-lane*, which is of no great Account, and runs into *Old Fiſh-ſtreet*. And in this Lane is *Dolphin-court*, as alſo *Sugar-loaf-court*, both ſmall and ordinary.

Old Fiſh-ſtreet has the North Side in this Ward, the other Side in *Queenhithe* Ward.

Trinity-lane has alſo the North Part in this Ward, the other in *Queenhithe* Ward.

The *Old Change* has but a ſmall Part in this Ward, *viz.* the Eaſt Side, from *Watling-ſtreet* Corner to *Old Fiſh-ſtreet*; the other Part in the Ward of *Faringdon within* and *Caſtle-Baynard*.

There are to watch at the ſeveral Stands in this Ward, every Night, a Conſtable, a Beadle, and thirty Watchmen.

The Jury returned by the Inqueſt for the Ward are to ſerve in the ſeveral Courts at *Guild-hall* in the Month of *April*.

This Ward hath an Alderman, his Deputy, and twelve more Common-Councilmen, ſixteen Conſtables, eight Scavengers, thirteen Ward-mote-Inqueſt-Men, and a Beadle. It is taxed to the Fifteenth in *London* at thirty-ſeven Pounds, and in the *Exchequer* at thirty-eight Pounds eighteen Shillings and two Pence.

The Alderman is the Right Honourable *Stephen Theodore Janſſen*, Eſq; Lord-Mayor. The Com-

mon-

mon-Councilmen are, Mr. *Robert Cadge*, Deputy, Mr. *John Sedgwick*, Mr. *Anthony Plank*, Mr. *William Woolley*, Mr. *John Moorey*, Mr. *Thomas Skynner*, Mr. *William Robinſon*, Mr. *Edward Say*, Mr. *Thomas Smith*, Mr. *Jonathan Barnard*, Mr. *John Twyne*, and Mr. *Edward Barwick*.

The remarkable Things in this Ward are,

Pariſhes. *Firſt*, Four Pariſhes; 1. *Allhallows Bread-ſtreet*, 2. St. *Mildred's Bread-ſtreet*, 3. St. *John the Evangeliſt*, and, 4. St. *Margaret Moſes*; but only two Pariſh Churches, dedicated, 1. to *Allhallows* or *All-Saints*, and, 2. the other to St. *Mildred*: Of which hereafter in the Parochial Hiſtory.

Cord-wainers-Hall. *Secondly*, *Cordwainers-Hall* or *Shoemakers-Hall*, ſituate on the North Side of *Great Diſtaff-lane*, is a handſome Brick Building, and convenient within. The large Hall is adorned with the Pictures of King *William* III. and Queen *Mary* his Conſort.

Of theſe Cordwainers *Stow* has read, that, ſince the fifth of *Richard* II. (when he took to Wife *Anne*, Daughter to *Wenceſlaus*, King of *Bohemia*) by her Example the *Engliſh* People had uſed piked Shoes, tied to their Knees with ſilken Laces, or Chains of Silver and gilt. Wherefore in the fourth of *Edward* IV. it was ordained and proclaimed, That Beaks of Shoes and Boots ſhould not paſs the Length of two Inches, upon Pain of Curſing by the Clergy, and by Parliament to pay twenty Shillings for every Pair. And every Cordwainer that ſhod any Man or Woman on the *Sunday*, to pay thirty Shillings. See Page 204.

Gerard's-Hall Inn. *Thirdly*, On the South Side of *Baſing-lane* is a great Houſe, built of old Time upon arched Vaults, and with arched Gates of Stone, brought from *Caen* in *Normandy*. It is now an Inn of good Repute, and the arched Vaults, ſupported by ſixteen Pillars, are a great Curioſity.

Stow ſays, in his Time this was a common Hoſtery, corruptly then and now called *Gerard's-Hall*, from a Giant ſaid to have dwelled there.

In the high-roofed Hall of this Houſe ſome Time ſtood a large Fir-Pole, which reached to the Roof thereof, and was ſaid to be one of the Staves that *Gerard* the Giant uſed in the Wars to run withal. There ſtood alſo a Ladder of the ſame Length, which, as they ſaid, ſerved to aſcend to the Top of the Staff. But *Stow* takes all this to be a Fable, as undoubtedly it was; nor does he believe that any one of the Name of *Gerard* lived there. "I read, ſays he, "that *John Giſors*, Mayor of *London*, in the "Year 1245, was Owner thereof; and that Sir "*John Giſors*, Knight, Mayor of *London*, and "Conſtable of the *Tower*, 1311, and divers "others of that Name and Family, ſince that "Time, owned it: For I read that *William Gi-*"*ſors* was one of the Sheriffs in 1329: More, "that *John Giſors* had Iſſue *Henry* and *John*, "which *John* had Iſſue *Thomas*; which *Thomas* "deceaſing in the Year 1358, left unto his Son "*Thomas* his Meſſuage called *Giſor's-Hall*, in the "Pariſh of St. *Mildred* in *Bread-ſtreet*. *John* "*Giſors* made a Feoffment thereof 1386, *&c.* "So that it appeareth, that this *Giſor's-Hall* of "late Time, by Corruption, hath been called "*Gerard's-Hall* for *Giſor's-Hall*; as *Boſoms-Inn* "for *Bloſſoms-Inn*, *Bevis Marks* for *Buries Marks*, "*Mark-lane* for *Mart-lane*, *Beliter-lane* for *Bel-*"*zetters-lane*, *Gutter-lane* for *Guthuruns-lane*, *Cry* "or *Cre-Church* for *Chriſt-Church*, St. *Michel* in "the *Quern* for St. *Michel* at *Corn*, and ſuch "others. Out of this *Giſor's-Hall*, at the firſt "Building thereof, were made divers arched "Doors, yet to be ſeen, which ſeem not ſuffi-"cient for any great Monſter, or other than Men "of common Stature, to paſs through. The "Pole in the Hall might be uſed in old Time, "as then the Cuſtom was in every Pariſh, to be "ſet up in the Street in the Summer as a May-"Pole, before the principal Hall or Houſe in "the Pariſh or Street; and to ſtand in the Hall "before the Scrine, decked with Holly and "Ivy, at the Feaſt of *Chriſtmas*. The Ladder "ſerved for the decking of the May-Pole and "Roof of the Hall." Thus much for *Giſor's-Hall*, and for that Side of *Bread-ſtreet*, may ſuffice.

Compter *in* Bread-ſtreet. On the Weſt Side of *Bread-ſtreet*, amongſt divers fair and large Houſes for Merchants, and Inns for Paſſengers, was a Priſon-Houſe pertaining to the Sheriffs of *London*, called the *Compter* in *Bread-ſtreet*. But, in the Year 1555, the Priſoners were removed from thence to another new *Compter* in *Wood ſtreet*, provided by the City's Purchaſe, and built for that Purpoſe. See Page 252. The Cauſe of which Remove was this; *Richard Huſband*, Paſtelar, Keeper of this *Compter* in *Bread-ſtreet*, being a wilful and head-ſtrong Man, dealt, for his own Advantage, hard with the Priſoners under his Charge; having alſo Servants, ſuch as himſelf liked beſt for their bad Uſage, and would not for any Complaint be reformed. Whereupon, in the Year 1550, Sir *Rowland Hill* being Mayor, by the Aſſent of a Court of Aldermen, he was ſent to the Jail of *Newgate*, for the cruel handling of his Priſoners; and it was commanded to the Keeper, to ſet thoſe Irons on his Legs which are called the *Widows Alms*. Theſe he wore from *Thurſday* till *Sunday* in the Afternoon; and, being by a Court of Aldermen releaſed on the *Tueſday*, was bound in an hundred Marks, to obſerve from thenceforth an Act made by the Common Council, for the ordering of Priſoners in the *Compters*. All which notwithſtanding, he continued as afore, and could not be reformed, till this Remove of the Priſoners; for the Houſe in *Bread-ſtreet* was his own by Leaſe, or otherwiſe, ſo that he could not be put from it. Such Jailers, buying their Offices, will deal hardly with pitiful Priſoners.

An Abſtract of an Act of Common Council, held September 19, *in the third and fourth Years of* Philip *and* Mary, *for the removing of the* Compter *Priſon out of* Bread-ſtreet *into* Great Wood-ſtreet.

"By Reaſon of divers Hindrances, Injuries, "Extremities, and Diſpleaſures, done unto the "Priſoners in *Bread-ſtreet Compter*, by the Keep-"ers of the ſame, who, hiring the Houſe of the "Goldſmiths Company, would not many Times "ſuffer the Sheriffs of *London*, who ſtand charged "with the Priſoners, to uſe them ſo well as they

" had propoſed; whereby the City hath been " ſlandered, Law and good Orders broken, and " poor Priſoners too much abuſed: Therefore " was the Priſon removed to a Houſe belonging " to the City, ſituate in *Great Wood-ſtreet*, where " the Sheriff and his Officers were to keep their " Courts, *&c.* as they had before uſed in *Bread-* " *ſtreet*. At which Time it was alſo enacted, " that the ſaid *Compter* in *Wood-ſtreet* ſhould " never hereafter, for any Cauſe whatſo- " ever, be let out to any other Uſe or Pe- " ſon, *&c.*"

Fourthly, Among the Monuments of Antiquity to be mentioned in this Ward, we muſt not omit the moſt beautiful Frame and Front of fair Houſes and Shops that were within the Walls of *London*, or elſewhere in *England*, commonly called *Gold-ſmith's-Row*, betwixt *Bread-ſtreet* End and the Croſs in *Cheap*, but within this *Bread-ſtreet* Ward. The ſame was built by *Thomas Wood*, Goldſmith, one of the Sheriffs of *London* in the Year 1491. It contained in Number ten Dwelling-Houſes and fourteen Shops, all in one Frame, uniformly built four Stories high, beautified towards the Street with the Goldſmiths-Arms, and the Likeneſs of Woodmen, in Memory of his Name, riding on monſtrous Beaſts; all which were caſt in Lead, richly painted over and gilt. Theſe he gave to the Goldſmiths, with Stocks of Money to be lent to young Men having thoſe Shops, *&c.* This ſaid Front was again new painted and gilt over in the Year 1594, Sir *Richard Martin* being then Mayor, and keeping his Mayoralty in one of them; and ſerving out the Time of *Cuthbert Buckle*, in that Office, from the ſecond of *July* till the twenty-eighth of *October*.

Gold-ſmiths-Row.

The *Goldſmiths* kept their Shops and Trade in *Weſt-Cheap* from antient Times, even before the Days of King *Edward* III. unto the Times of King *Charles* I. (ſee Page 301): And the *Exchange* for the King's Coin was not far off the Place yet called the *Old-Change*, as appears by this Record, ſhewing not only the Place of the *Goldſmiths* Habitation, but their Occupation and Buſineſs about the Coin and Plate.

Upon the Goldſmiths Petition, exhibited to King *Edward* III. and his Council in Parliament, holden at *Weſtminſter* in the firſt of his Reign, ſhewing, " That no private Merchant nor Stran- " ger heretofore were wont to bring into this " Land any Money coined, but Plate of Silver " to exchange for our Coin. And that it had " been alſo ordained, that all who were of the " Goldſmiths Trade were to ſit in their Shops " in the high Street of *Cheap:* And that no " Silver in Plate, nor Veſſel of Gold or Silver, " ought to be ſold in the City of *London*, except " at or in the *Exchange*, or in *Cheapſide*, among " the Goldſmiths, and that publickly; to the " End that the People of the ſaid Trade might " inform themſelves, whether the Seller came " lawfully by ſuch Veſſel or not. But that now " of late the ſaid Merchants, as well Private as " Strangers, brought from foreign Countries " into this Nation counterfeit Sterling, whereof " the Pound was not worth above ſixteen Sols of " the right Sterling; and of this Money none " could know the true Value, but by melting it " down. And alſo that many of the ſaid Trade " of Goldſmiths kept Shops in obſcure Turnings, " and By-Lanes and Streets, and did buy Veſſels " of Gold and Silver ſecretly, without enquiring " whether ſuch Veſſel were ſtolen or lawfully " come by; and, immediately melting it down, " did make it into Plate, and ſell it to Merchants " trading beyond Sea, that it might be exported. " And ſo they made falſe Work of Gold and " Silver, as Bracelets, Lockets, Rings, and " other Jewels; in which they ſet Glaſs of divers " Colours, counterfeiting right Stones, and put " more Alloy in the Silver than they ought; " which they ſold to ſuch as had no Skill in ſuch " Things.

" And that the Cutlers, in their Work-houſes, " covered Tin with Silver ſo ſubtilly, and with " ſuch Slight, that the ſame could not be diſ- " cerned and ſevered from the Tin; and by that " Means they ſold the Tin ſo covered for fine " Silver, to the great Damage and Deceit of the " King and his People.

" Whereupon the ſaid Goldſmiths petitioned " the King, that he would be pleaſed to apply " convenient Remedy therein. And he, being " willing to prevent the ſaid Evil, (as the Letters " Patents ran) did, by and with the Aſſent of " the Lords Spiritual and Temporal, and the " Commons of the Realm, for the common " Profit, will and grant for him and his Heirs, " That henceforth no Merchant, either private " or Stranger, ſhould bring into this Land any " Sort of Money, but only Plate of fine Silver; " nor that any Gold or Silver, wrought by Gold- " ſmiths, or any Plate of Silver, ſhould be ſold " to the Merchant to ſell again, and to be carried " out of the Kingdom, but ſhould be ſold at the " King's ſaid Exchange, or openly among the " ſaid Goldſmiths, for private Uſe only: And " that none that pretended to be of the ſame " Trade ſhould keep any Shop but in *Cheapſide*, " that it might be ſeen that their Works were " good and right.

" And that thoſe of the ſame Trade might, " by Virtue of theſe Preſents, elect honeſt, law- " ful, and ſufficient Men, beſt ſkilled in the " ſaid Trade, to enquire of the Matters afore- " ſaid: And that they ſo choſen might, upon " due Conſideration of the ſaid Craft, reform " what Defects they ſhould find therein, and " thereupon inflict due Puniſhment upon the " Offenders; and that, by the Help and Aſſiſt- " ance of the Mayor and Sheriffs, if Occaſion " be. And that in all trading Cities and " Towns in *England*, where Goldſmiths reſided, " the ſame Ordinance be obſerved as in *London*. " And that one or two of every ſuch City or " Town, for the reſt of that Trade, ſhould come " to *London*, to be aſcertained of their Touch " of Gold, and there to have a Stamp of a " Puncheon, with a Leopard's Head, marked " upon their Work, as of antient Time it hath " been ordained." Theſe Letters Patents bore Date at *Weſtminſter*, the thirtieth of *March*, in the firſt Year of the King.

The Monuments to be noted here are, firſt, at *Bread-ſtreet* Corner, the North-Eaſt End, in 1595, one *Thomas Tomlinſon*, cauſing in the High Street of *Cheap* a Vault to be digged and made, there

there was found, at fifteen Feet deep, a fair Pavement, like that above Ground. And at the further End, at the Channel, was found a Tree, ſawed into five Steps, which was to ſtep over ſome Brook, running out of the Weſt, towards *Walbrook*. And upon the Edge of the ſaid Brook, as it ſeemeth, there were found lying along the Bodies of two great Trees, the Ends whereof were then ſawed off; and firm Timber, as at the firſt when they fell: Part of the ſaid Trees remain yet in the Ground undigged. It was all forced Ground, until they went paſt the Trees aforeſaid; which was about ſeventeen Feet deep, or better. Thus much hath the Ground of this City (in that Place) been raiſed from the Main.

And here it may be obſerved, that within fourſcore Years, and leſs, *Cheapſide* was raiſed divers Feet higher. For it was found to be twenty-eight Feet higher than it was when St. *Paul's* was firſt built; as appeared by ſeveral eminent Marks diſcovered in the late laying of the Foundation of that Church. Parentalia.

CHAP. XII.

Of BRIDGE WARD *Within*,

With a PLAN *neatly engraved from a* NEW *Survey.*

Its Name. Whence derived. Its Bounds and Preſent State, Pariſhes and Churches. London-Bridge. *Water Machine.* Fiſhmonger's-hall. *The Monument. The* Black Prince's *Palace. Aldermen and Common Council.*

Name. THIS Ward derives its Name from its Connection with *London-Bridge*; for it begins Southward at the End next *Southwark*; from whence it ſtretcheth direct North up *Gracechurch-ſtreet*, as far as the Corner of *Lombard-ſtreet* and *Gracechurch-ſtreet*, including all the Bridge, the greateſt Part of all the Alleys and Courts on the Eaſt Side, and on the Weſt Side all the Alleys, Courts and Lanes in *Thames-ſtreet* on both Sides to *New Key*, Part of *Michael's-lane*, and Part of *Crooked-lane*. *Bounds.* It is encompaſſed on the South by *Southwark*, and the River *Thames*; on the Eaſt by *Billingſgate* Ward; on the North by *Langborne* Ward; and on the Weſt by *Candlewick* and *Dowgate* Wards.

Preſent State. As to the preſent State of this Ward:

The Streets and Places of Note are *London-Bridge*, *New Fiſh-ſtreet*, *Gracechurch-ſtreet*, as far as *Fenchurch-ſtreet*.

We begin with *London-Bridge*; a Bridge not inferior to any in *Europe* for its Length, Breadth, and Buildings thereon, being ſuſtained by nineteen great Stone Arches, ſecured by Piles of Timber drove to the Bottom of the River, having a Draw-bridge towards *Southwark*, as alſo ſtrong Gates; and by the Houſes built thereon on both Sides, it ſeemeth rather a Street than a Bridge, being furniſhed with good Timber Buildings, which have been well inhabited by ſufficient Tradeſmen, who have very conſiderable Dealings, as being ſo great a Thoroughfare from *Southwark* into *London:* And amongſt theſe Buildings ſome are very large, with curious Fronts, in that Part near the *Draw-bridge*, where it hath an open Proſpect on both Sides into the River *Thames*; but we cannot help being of the Opinion of a late Writer, that this Bridge would have been more convenient for Paſſage, and a greater Ornament to the City, if, inſtead of the Houſes thereon, it had been only adorned with a ſtrong Breaſt-work and Baluſtrade.

Mr. Labelye's *Opinion and Method of repairing and improving* London-Bridge.

To what has been written concerning this Bridge, in the former Part of this Work, Chap. VII. p. 42, *&c.* we apprehend it may be ſatisfactory to our Readers to add the Anſwers of an ingenious and experienced Architect to certain Queries, propoſed to him by the Lord-Mayor and his Council in the Year 1746, concerning the preſent State, and the propereſt Method of altering and improving *London-Bridge*.

Mr. *Labelye* informs us, that the monſtrous Largeneſs of the preſent Sterlings ſtops near one fourth Part in five of the Water-way, during the greateſt Part of the Flood and Ebb Tides, which makes a Fall of near five Foot perpendicular in Height, and makes the Navigation thro' the Arches or Locks very difficult, and often fatal to the Lives of the People; of which Fact hardly a Week paſſes without ſome melancholy Proof.

He then gives a Sketch of a Method to remove theſe Sterlings, and conſequently the Danger occaſioned by them, (ſee the Plate) with the following Explanation:

" This Sketch repreſents the Plan of the " Piers, and the Weſtern Elevation of *London-* " *Bridge*, excluſive of the Houſes, with the " Sterlings, reduced to the Size they ought to " be of, to afford the greateſt Waterway poſſi- " ble, which would be never leſs than about 400 " Feet, or twice as much as it is now, and the " Fall would be reduced to about 15 Inches, " which would afford at all Times an eaſy and " ſafe Navigation thro' the Locks or Arches. " Practicable Methods will be explained (if de- " ſired) how to reduce the Sterlings, as is ex- " preſſed in this Plan; and thereby not only to " ſecure the Foundations of the Piers from fur- " ther Decay, but greatly to mend them, with " Materials much more durable than thoſe uſed " in the preſent Sterlings; which, if mended ac- " cording to this Method, would require but very " few and inconſiderable Repairs for many Years.

" As to the Time and Expence that is likely " to be required to mend *London-Bridge* after " this Method, it is likely that two or three of " the Piers may be mended every Year till the " whole is done; and the Expence, as far as it " can be computed at preſent, does not amount " to more than about 2000 *l.* for every Pier, " taken at an Average upon them all.

" This Method of mending *London-Bridge*, " and ſaving the large Sums now yearly laid out " in bad Repairs, may be put into Execution, " without any Hindrance to the Navigation un- " der, or to the Paſſage over, the ſaid Bridge."

Sir Chriſtopher Wren's *Plan for repairing* London-Bridge.

To this the Architect adds another Sketch, (ſee the Plate), " which, ſays he, repreſents the " Plan and Weſtern Front of *London-Bridge*, " as it may be mended, and ought to be, accord- " to the Opinion of that juſtly celebrated Archi- " tect, the late Sir *Chriſtopher Wren*.

" The

" The Arches are all propoſed to be *Gothick*, " as being much ſtronger than any others of " the Heights and Spans, and to ſpring from " the loweſt Low-water-Mark, which would " greatly add to their Strength: But this could " not be repreſented in the Sketch, wherein all " the lower Parts of the Arches are covered by " the ſaliant Angles of the Piers.

" *London-Bridge*, ſo mended, would want no " Repairs for a great Number of Years, unleſs " as to the Paving.

" Inſtead of *Gothick* Receſſes, and a Caſt-iron " Baluſtrade, on a Dwarf Parapet-Wall, as in " this Sketch, new Houſes might be replaced " on the Top in the ſame Taſte as thoſe now " building.

" Such a Bridge would afford at all Times, a " clear Water-way of upwards of 540 Feet, " and there would not be above nine Inches Fall " at the moſt, which would never hinder nor " endanger the Navigation.

" No new Materials are required, but only " to turn the *Sofiets* of the new Arches; the " Stone Materials in the preſent Arches, and in " the eleven Piers that would be taken away, " being more than ſufficient to complete the " Whole.

" The Time required for putting in Execu- " tion this Method of mending *London-Bridge*, " would not be much longer than for the Me- " thod explained in the preceding Sketch, and " might alſo be done without a Moment's Hinder- " ance to the Navigation under, or to the Paſſage " over, the Bridge.

" The Expence would not be much more than " the other, and *London-Bridge*, ſo mended, would " be the fineſt and moſt commodious *Gothick* " Bridge in the World."

At a Committee of Bridgehouſe-Lands, held at Guildhall, London, Wedneſday *the tenth of* September, 1746.

PRESENT,

The Right Honourable Sir Richard Hoare, *Knight, Lord-Mayor*,

Mr. Alderm. Cokayne,	*Mr.* George Wyld,
Mr. Ald. Winterbottom,	*Mr.* Benjamin Crooke,
Mr. Chr. Fullagar,	*Mr.* Robert Elliott,
Mr. Deputy Bayley,	*Mr.* James Hodges.

A Plan of the Arches and Sterlings of the Bridge was laid before the Committee, and the Anſwers to the Queries formerly given to Meſſrs. *Dance* and *Sparruck* were laid before them, which are as follow:

Queries relating to London-Bridge, *propoſed in* 1746.

Queries by the Committee of Bridge-Lands.

" I. What are the Shapes and Dimenſions of " the Stone Piers, the Sterling, and the Open- " ings at High and Low Water?

" *N. B.* This will be beſt anſwered by figured " Sketches, or Plans, correctly laid down from " an exact Menſuration by a Scale, provided " that Scale be not ſmaller than 8 or 10 Feet " to an Inch.

" II. What are the Depths of Water juſt " above, under, and juſt below the Arches, or " Locks, at a common Low-water.

" *N. B.* Theſe Depths may be marked on the " Plans or Sketches.

" III. At what Heighth above Low-water- " Mark, and at what Depth below the Surface " of the Sterlings, is the under Bed, or lower " Side, of the firſt Courſe of Stones?

" IV. What is there between the Stones and " the Heads of the Piles? Is it one Row of " Planks only, or two Rows, croſs-laid? Or, if " Timber, what Wood are they made of? And " what are their Dimenſions and Scantlings?

" V. Are the Piles, which ſurrounded the Foun- " dations of the Piers before the Sterlings were " added, ſquare or round, rough or hewn, driven " as cloſe as poſſible, or at a Diſtance? If they " touch one another, are they faſtened by a " Dove-tail, or by any other Contrivance of the " ſame Nature? And, if they do not touch, at " what Diſtance are they, at a Mean?

" VI. Are the Heads of thoſe ſurrounding " Piles faſtened together by any Curb, or Capcil? " If there be any, let it be deſcribed, and its " Dimenſions, by a figured Sketch.

" VII. Are the inſide Piles, on which the " Foundations of the Piers are laid, round or " ſquare, hewn or rough, very cloſe, or at a " Diſtance, at a Mean? Of what Timber and " Size? Are they ſhod, or not?

" VIII. Whether the Foundations of the " Piers, before the Sterlings were added, extend- " ed beyond the naked Line of the Stone " Work? And, if ſo, (as it is moſt likely) " deſcribe how much, at a Mean, and the Man- " ner, by a figured Sketch.

" IX. Are the Piles under the Foundations of " the Piers much decayed and galled by the " Action of the Current of Water, before the " Sterlings were added?

" X. What is the Inſide of the Stone Piers " made of? Whether of the ſame ſort of Stone, " as the Outſide, cut and laid regular, or only " common Rubble Stones, laid in very bad Mor- " tar, as it is in *Rocheſter-Bridge?*

" *N. B.* The Perſons, who are to anſwer theſe " Queries, may add to their Anſwers what fur- " ther Remarks and Obſervations they ſhall " think proper, to the ſame Purpoſe as theſe " Queries."

Anſwer by Mr. Dance.

" In the Middle of every Arch there are Piles " drove, which they call Driftſhod-Piles, in or- " der to prevent the Water gutting away the " Ground.

" I am of Opinion, from the Nature of the " Work, that the Bridge was not ſo wide origi- " nally, as it is now; and that the Points of the " Piers have been much extended, in order to " erect Houſes thereon. I obſerve likewiſe, that, " in ſome of the Piers, there are freſh Caſings of " Stone before the original Aſhler.

July the 9th, 1746.

George Dance."

Queries relating to London-Bridge, *propoſed in* 1746.

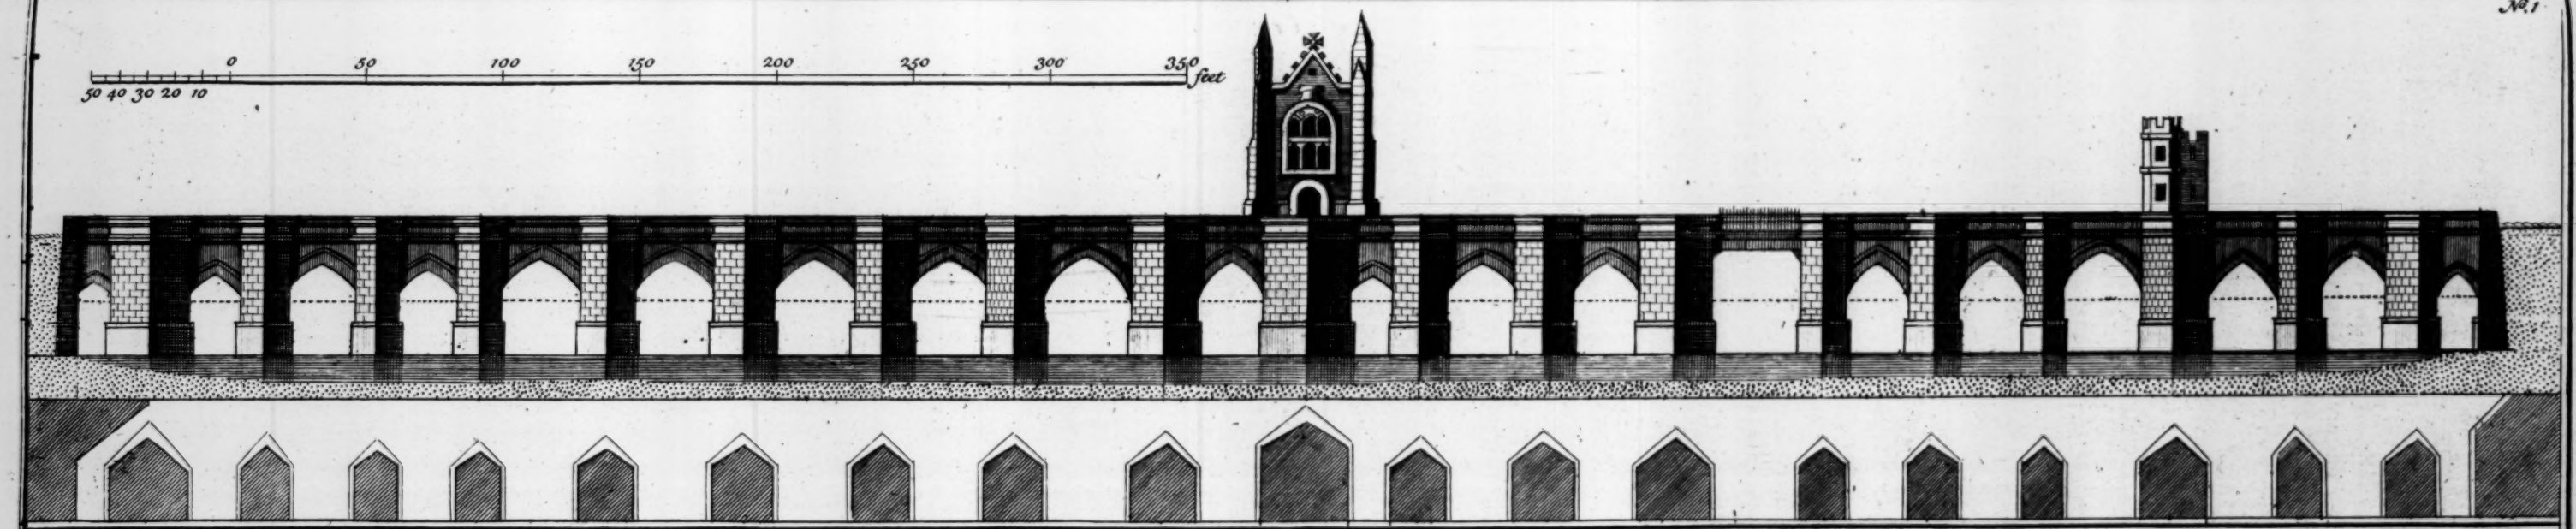
More Queries.

" I. What are the Shapes and Dimenſions of the " Stone Piers, the Sterlings, and Openings, at " High and Low Water.

" *N. B.*

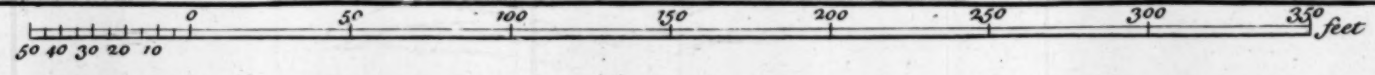
unto the R^t HON^ble S^r RICH^d HOARE LORD MAYOR *of the said* CITY *at whose request they were drawn by his Lordships most Obligd and most Obedient Servant* Charles Labelye *Esq^r 1746.*

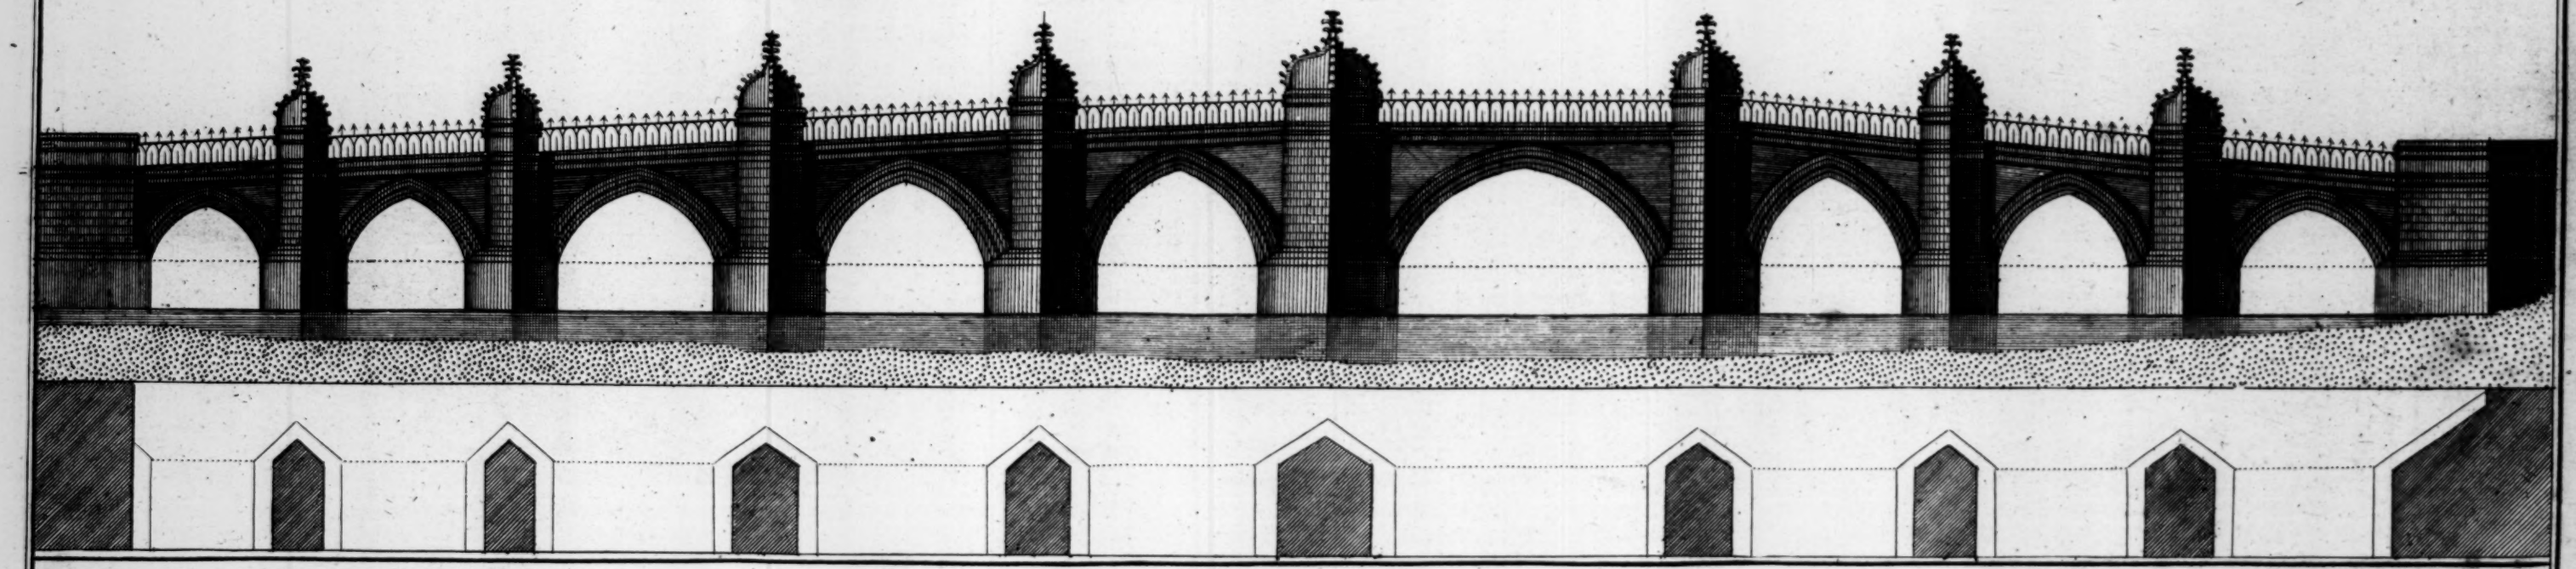
№1



The Plan *and* Western Front *of* LONDON BRIDGE exclusive of the Houses *with the* Sterlings *reduced to such a size as to afford twice as much Water-way as they do at present.— N.B. By this Sketch it appears that the clear Water-way at High-water is 430 Feet and at low Water 400 Feet and the Perpendicular fall only 15 Inches.*

№2





The Plan *and* Western Front *of* LONDON BRIDGE *To which it might be Altered is according to the opinion of the Celebrated Architect* Sir Christopher Wren *by taking away every other Arch & reducing two into one. N.B. By this Sketch it appears that there would be at all times a Clear Waterway of upwards of 540 Feet & the fall would not be above 9 Inches at the most*

B. Cole Sculp

" *N. B.* This will be beſt anſwered by figured " Sketches, or Plans, correctly laid down from " an exact Menſuration by a Scale, provided that " Scale be not ſmaller than 8 or 10 Feet to an " Inch.

" II. What are the Depths of Water juſt " above, under, and juſt below the Arches, or " Locks, at a common Low-Water?

" *N. B.* Thoſe Depths may be marked on the " Plans or Sketches.

" III. At what Heighth above Low-Water- " Mark, and what Depth below the Surface of " the Sterlings, is the under Bed, or lower Side, " of the firſt Courſe of Stones?

" IV. What is there between the Stones and the " Heads of the Piles? Is it one Row of Planks " only, or two Rows, croſs-laid? Or, if Tim- " ber, what Wood are they made of? And " what are their Dimenſions or Scantlings?

" V. Are the Piles, which ſurrounded the " Foundations of the Piers before the Sterlings " were added, ſquare or round, rough or hewn, " driven as cloſe as poſſible or at a Diſtance? If " they touch one another, are they faſtened to- " gether by a Dovetail, or by any other Contri- " vance of the ſame Nature? And, if they do " not touch, at what Diſtance are they, at a " Mean?

" VI. Are the Heads of theſe ſurrounding " Piles faſtened together by any Curb or Cap- " cil? If there be any, let it be deſcribed, and " its Dimenſions, by a ſigned Sketch.

" VII. Are the inſide Piles, on which the " Foundation of the Piers are laid, round or " ſquare, hewn or rough, very cloſe or at what " Diſtance, at a Mean? Of what Timber and " Size? Are they ſhod or not?

" VIII. Whether the Foundation of the Piers, " before the Sterlings were added, extended be- " yond the naked Line of the Stone Work? If " ſo, (as it is moſt likely) deſcribe how much, " at a Mean, and the Manner, by a ſigned " Sketch.

" IX. Are the Piles under the Foundation of " the Piers much decayed and galled by the " Action of the Currents of Waters, before the " Sterlings were added?

" X. What is the Inſide of the Stone Piers " made of? Whether of the ſame ſort of Stone " as the Outſide, cut and laid regular, or only " common Rubble-Stones, laid in very bad Mor- " tar, as it is in *Rocheſter-Bridge?*"

Mr. Dance's *Anſwers to the Queries:*

Anſwers by Mr. Dance.

" I. I have deſcribed the Shapes and Dimenſi- " ons of the Stone Piers, Sterlings, and Open- " ings, at High and Low-Water, in a ſigned " Plan, which I delivered to Mr. Comptroller.

" II. The Depth of Water, beginning at the " South End of the Bridge, is as follows, *viz.*

On the Weſt Side of the	F.	In.		Under the Arch. F.	In.		Eaſt Side. F.	In.
Firſt Lock	16	0	—	5	9	—	8	10
Second	14	6	—	9	0	—	10	4
Third	23	3	—	3	0	—	14	0
Fourth	14	0	—	7	0	—	15	7
Fifth	18	9	—	10	3	—	18	7
Sixth	17	7	—	8	7	—	15	11
Seventh	18	1	—	8	10	—	15	11
Eighth	25	1	—	9	2	—	18	3
Ninth Lock	17	8	—	5	9	—	18	6
Tenth	21	2	—	5	6	—	17	8
Eleventh	18	11	—	2	5	—	12	8
Twelfth	17	0	—	2	4	—	22	0
Thirteenth	24	6	—	8	9	—	20	0
Fourteenth	22	3	—	9	0	—	17	4
Fifteenth	23	9	—	6	9	—	20	7
Sixteenth	19	9	—	6	11	—	21	10

Eighteenth	19	4	—	7	9	—	14	1
Nineteenth	10	10	—	4	0	—	13	10
Twentieth	6	7	—	6	1	—	10	10

" I have likewiſe deſcribed the Dimenſions, in " the Plan aforeſaid.

" III. The Heighth of the under Bed of the " firſt Courſe of Stones is various, ſome being " 2 Foot 4 Inches, ſome 1 Foot 11 Inches, " ſome 1 Foot 10 Inches, ſome 1 Foot 3 In- " ches, ſome 1 Foot 1 Inch, above Low-Water- " Mark; and ſome are 6 Foot, ſome 5 Foot 8 " Inches, ſome 4 Foot 6 Inches, ſome 4 Foot " 1 Inch, and ſome 4 Foot, below the Surface " of the Sterlings. Theſe are the Dimenſions, " as far as I am able to get at them, there " being no Opportunity to make Obſervations, " but when a Breach happens to any of the " Piers.

" IV. In general, I find nothing between the " Stones and Piles; but here and there are " ſome Pieces of Plank, moſtly of Oak, and " a little of Elm, ſome of which are 6 Inches, " and ſome 4 Inches thick: Which, I appre- " hend, were not originally placed there, but " only when there hath been Reparation; upon " which Account they were fixed, in order to " wedge up tight to the Stone Work, it being " impoſſible to make ſound, in that Caſe, by any " other Method.

" V. Theſe Piles are rough and unhewn; " they are driven cloſe, and touch one another; " they do not ſeem to be faſtened together, by any " Contrivance, except that ſome have Plank upon " them, and ſome have none: But theſe Obſer- " vations I have made where Breaches have " happened, ſo that one might get one, two, or " three Feet within the Surface of the Piers; but " how they are in the Middle of the Piers, is " impoſſible to determine.

" VI. They are faſtened by no Curb or Cap- " cil; there is only Plank upon ſome of them, " as I mentioned in the former Anſwer.

" VII. This Query is very difficult to an- " ſwer: I can only ſay, that I have had an Op- " portunity to examine one Pier about 7 Foot " within; it is the South Pier of the Dam- " Lock, a great Part of which was undermined " by ſome of the Sterlings being carried away, " and leaving it defenceleſs; there I obſerve, " that the Piles are round, rough, unhewn, " and driven cloſe together; they are chiefly " Elm, and about one Foot Diameter. Some of " theſe Piles, being taken up, were ſhod with " Iron; and I think it is reaſonable to ſuppoſe " they are all ſo.

" VIII. There is to every Pier a Set-off; or " Foundation, which extends about 7 Inches " beyond the naked Line of the Pier; and

" that Set-off, or Foundation, is of Stone. But " I am of Opinion, that the Sterlings were fixed " at the firſt Erecting of the Bridge, becauſe I " think it impoſſible for the Piers to ſtand long " without ſome ſuch Defence; but whether they " were ſo much extended, or in the ſame Shape " they are now, is not eaſy to determine.

" IX. All thoſe Piles under the Foundation " of the Piers, which I ever ſaw, are very ſound " at the Heart, but about 1 Inch of their Sur- " face hath been decayed; but theſe were Piles " which had been for ſome Time expoſed to the " Violence of the Flood, by the Breaches made in " the Sterlings: But, I apprehend, that cannot " be the Caſe with the other Piles, becauſe the " Water cannot act upon them.

" X. I have ſeen, in ſeveral Breaches, the " Texture of the Piers; and, by them, it ap- " pears to me, that the Inſide of the ſaid Piers " are filled with Rubble, and the external Faces " are formed with Aſhlers, laid in Courſes; but " the Rubble appears to be laid with good " Mortar."

Mr. Sparruck *the Tide-Carpenter's Anſwers to the Queries.*

Mr. Sparruck's *Anſwers.*

" I. This can't be anſwered but by a Plan, " which, I am informed, is made by Mr. *Dance.*

" II. The Depth of the Water the ſame as " before.

" III. The Heighth of the under Bed of the firſt " Courſe of Stone is various, ſome being 2 Foot " 4 Inches, ſome 1 Foot 10 Inches, ſome 1 Foot " 3 Inches, ſome 1 Foot 1 Inch above Low-Wa- " ter-Mark; and ſome are 6 Foot, ſome 5 Foot 8 " Inches, ſome 4 Foot 6 Inches, ſome 4 Foot 1 " Inch, and ſome 4 Foot, below the Surface of the " Sterlings. Theſe are the Dimenſions, as far as I " am able to get at them, there being no Oppor- " tunity to make Obſervations, but when a " Breach happens to any of the Piers.

" IV. In general, I find nothing between the " Stones and Piles; but here and there are ſome " Pieces of Plank, moſtly of Oak, and a little " of Elm, ſome of which is 6, ſome 4 Inches " thick; which, I apprehend, was not origin- " ally placed there, but only when there have " been Reparations; upon which Account they " were fixed, in order to wedge up tight to the " Stone Work, it being impoſſible to make " ſound Work, in that Caſe, by any other Me- " thod.

" V. The Piles are rough, round, and un- " hewn; they are driven cloſe, and touch one " another; they don't ſeem to be faſtened to- " gether, by any Contrivance, except that ſome " have Plank upon them, and ſome have none. But " theſe Obſervations I have made where Breaches " have happened, ſo that one might get one, " two, or three Feet within the Surface of the " Piers; but how they are in the Middle of the " Piers, is impoſſible to determine.

" VI. They are faſtened together by no Curb " or Capcil; there is only Plank upon ſome " of them, as I have mentioned in the former " Anſwer.

" VII. This Query is very difficult to anſwer: " I can only ſay, that I have had an Opportu- " nity to examine one Pier about ſeven Feet " within; it is the South Pier of the Dam- " Lock, a great Part of which was undermined, " by ſome of the Sterlings being carried away, " and leaving it defenceleſs: There I obſerve, " the Piles are rough, round, and unhewn, and " driven cloſe together; they are chiefly Elm, " and about one Foot Diameter. Some of thoſe " Piles, being taken up, were ſhod with Iron, " and I think it is reaſonable to ſuppoſe they " are all ſo.

" VIII. There is to every Pier a Set-off, or " Foundation, which extends about ſeven Inches " beyond the naked Line of the Pier; and that " Set-off, or Foundation, is of Stone. But I " am of Opinion, that the Sterlings were fixed " at the firſt Erecting of the Bridge, becauſe I " think it impoſſible for the Piers to ſtand long " without ſome ſuch Defence; but whether they " were ſo much extended, or in the ſame Shape " they are now, is not eaſy to determine.

" IX. All thoſe Piles underneath the Founda- " tion of the Piers, which I ever ſaw, are very " ſound at Heart, but about one Inch of the " Surface hath been decayed; but theſe are Piles " that have been for ſome Time expoſed to the " Violence of the Flood, by the Breaches made in " the Sterlings: But, I apprehend, that cannot be " the Caſe with the Piles that go further under, " or in the Middle of the Piers, becauſe the " Water cannot act upon them.

" X. I have ſeen, in ſeveral Breaches, the " Texture of the Piers; and, by them, it ap- " pears to me, that the Inſide of the ſaid Piers " are filled with Rubble, and the external Faces " are formed with Aſhlers, laid in Courſes; but " the Rubble appears to be laid with good " Mortar.

July *the* 12*th*, 1746.

Bartholomew Sparruck."

At a Committee of Bridgehouſe-Lands, held at Guildhall, London, *on* Wedneſday *the* 17*th of* September, 1746.

PRESENT,

The Right Honourable Sir Richard Hoare, *Knight, Lord-Mayor,*

Francis Cokayne, *Eſq*; *one of the Sheriffs, and Aldermen,*	*Mr.* Benj. Gaſcoyne,
	Mr. James Hodges,
	Mr. Benjamin Crooke,
Mr. Dep. Rich. Bailey,	*Mr.* Robert Elliott,
Mr. George Wyld,	*Mr.* Chriſt. Robinſon.

Further Proceedings of the Bridgehouſe Committee.

The Committee proceeded to take into their Conſideration the State of the Bridge; and Mr. *Labelye*, the Engineer, was called in, as alſo Mr. *George Dance*, and *Joſeph Nixon*, the Tide-Carpenter's Freeman, and were ſeverally examined concerning the Bridge: Whereby many Inconveniencies were ſhewn to the Committee, by the ſaid Mr. *Labelye*, that muſt frequently happen to Veſſels and Craft going thro' the Bridge, by the paſt and preſent Method of driving Driftſhod in the Paſſages, which are thence rendered very ſhallow and almoſt unnavigable: He alſo objected to the great Extent of the Sterlings; which he alledged to be, in a great Meaſure, unneceſſary, and made the Bridge no ſtronger than it would be, were they no longer above and below the Piers, than they are on the Sides. And then

Mr. Labelye's *Opinion concerning the preſent Method of Repairs.*

the

the ſaid Mr. *Labelye* informed the Committee, That he had a written Paper of the Purport of what he had now advanced, which, being delivered in, was read as follows:

To the Right Honourable the Lord-Mayor, and the Gentlemen of the Committee of Bridgehouſe-Lands.

His Anſwer to the former Queries.

" Having carefully examined the Plan of *London-Bridge* lately made, and the Anſwers given " to the Queries propoſed, from what I have " ſeen of *London* and *Rocheſter* Bridges, my humble Opinion is as follows, *viz.*

" I. That *London-Bridge* (like moſt of the Stone " Bridges that were built about the ſame Time " over large and deep Rivers) is founded on the " Tops of wooden Piles, cut off ſome Feet above " Low-Water-Mark: Such are the Stone Bridges " at *Rocheſter*, *Briſtol*, and *Berwick*, in *Great Britain*; and thoſe of *Dreſden*, *Prague*, and *Ratiſbon*, in *Germany*.

" II. That the wooden Piles, on which the " Foundation of *London-Bridge* was laid, having " been for ſome Years expoſed to the Air, and " to the Wet and Dry for ſome Hours alternately, " twice every 24 Hours, the neceſſary Conſequence was, that thoſe Piles decayed in Time; " and this occaſioned the Neceſſity of ſurrounding them with ſome Fences, to preſerve them " from Ruin; which Fences, or Sterlings, have " been increaſed by Degrees to the preſent monſtrous Size, without any Neceſſity.

" III. That, notwithſtanding the Repairs of " this Bridge have coſt (as I have been informed) " for ſeveral Years laſt paſt near 2000 *l.* a Year, " the Sterlings being made of Timber and expoſed to the Wet and Dry, and filled in " with looſe Stones, or Chalk, they muſt be " continually decaying, and in want of Repairs.

" IV. And that, as long as all thoſe Piers " ſtand with their Sterlings of ſuch monſtrous " Size, and as long as they are repaired in the " ſame Manner, they will certainly occaſion the " ſame great Expences, and the ſame great and " dangerous Fall under the Arches; and, conſequently, *London-Bridge* will ſtill be a moſt " dangerous Bridge to the Navigation, and to the " Lives of Watermen and Paſſengers.

" All which is humbly ſubmitted to the Conſideration of the honourable Committee, by " their moſt humble Servant,

Sept. *the* 17*th*, 1746.

Charles Labelye."

His Propoſals.

And, they being withdrawn, a Motion was made, That Mr. *Labelye* be again called in, and aſked if he had any Propoſal to lay before the Committee how to remedy the above Faults and Defects. And he was accordingly called in, and examined thereto.

He informed the Committee, That he had two Plans to produce; but, as they were partly mathematical, he ſhould deſire that ſome eminent, ſkilful, and diſintereſted Perſons ſhould be likewiſe preſent to hear his Propoſals. However, he mentioned the caſting the Piers four Feet about with ſtrong *Portland* Stone, and the Sterlings to be taken away. A Model whereof he had prepared.

He then mentioned another Scheme, which, he ſaid, was Sir *Chriſtopher Wren*'s; which was, That out of nineteen Piers, nine, being every other Pier, ſhould be taken away, and the remaining to be well repaired, and made *Gothick* Arches acroſs; and there would no new Materials be wanting, but ſeveral of the Houſes muſt be taken down.

[All which is more particularly related above, from his own MS.]

A Motion for a Sub-Committee.

And then he withdrew; and a Motion was made, That a Sub-Committee be appointed to examine the Plan of *London-Bridge* in its preſent Condition; and alſo any other Plan or Deſign, which ſhall be propoſed by any Perſon or Perſons, for altering or amending thereof: And that the ſaid Committee do deſire the Aſſiſtance of *Martin Folkes*, Eſq; *William Jones*, Eſq; *George Scott*, Eſq; Mr. *Horſnaile*, Mr. *Jelf*, Mr. *Etheridge*, Dr. *Jurin*, Mr. *Robins*, Mr. *Elliott*, Mr. *Price*, Mr. *Phillips*, Mr. *Dance*, Mr. *Charles Labelye*, and ſuch other Perſons as any Member of the Committee ſhall think proper to apply to, in order to receive their Opinions concerning the preſent Condition of the Bridge, and the Practicability and Conſequences of making any Alteration therein: And that this Committee do conſiſt of the Whole, and that every Member be ſummoned, and the Summons underwrote upon what Buſineſs: Which was agreed to. And it was ordered, that the Comptroller ſhould attend the ſaid Gentlemen nominated for their Aſſiſtance, and acquaint them therewith, and deſire their Preſence at the ſaid Committee.

By whom aſſiſted.

At a Committee of Bridgehouſe Lands, held at Guildhall, London, *on* Thurſday *the twenty-fifth of* September, 1746.

PRESENT,

The Right Honourable Sir Richard Hoare, *Knight, Lord-Mayor,*

Mr. Ald. Winterbottom,	*Mr. Dep.* Rich. Baily,
Mr. Sheriff Cokayne,	*Mr.* Chr. Fullagar,
Mr. Chriſt. Robinſon,	*Mr.* Benj. Crooke,
Mr. John Rily,	*Mr.* Will. Stephens,
Mr. Robert Elliott,	*Mr.* Cadw. Coker.

Further Proceedings of the Bridgehouſe Committee.

This Committee being met, purſuant to their Reſolution of *Wedneſday*, the 17th Inſtant, to conſider of the preſent Condition of the Bridge, and the Practicability and Conſequences of making any Alteration therein; and Mr. *Labelye* being called in, and peruſing the Plan of the Bridge lately prepared by Mr. *Dance*; and the ſeveral Gentlemen, who were deſired to be preſent at this Committee, being likewiſe called in, *viz.* Dr. *Jurin*, *Martin Folkes*, Eſq; Mr. *Robins*, Mr. *Elliott*, Mr. *Horſenaile*, Mr. *Jelf*, Mr. *Etheridge*, Mr. *Price*, Mr. *Phillips*, and Mr. *Dance*; Mr. *Labelye* proceeded to ſhow and explain to the Committee the Badneſs of the Bridge, eſpecially the extraordinary and unneceſſary Extent of the Sterlings: In the next Place, the bad Cuſtom of driving Driftſhod Piles, in the Spaces betwixt the Sterlings, in the Locks, whereby the Water was rendered more ſhallow, and conſequently more dangerous to Paſſengers through; and, inſtead of hindering the Water from gulling the

Mr. Labelye's further Opinion.

Bridge-

Bridge-Works (as alledged by the Tide-Carpenter) it increaſed it, by ſtopping the Water, and made the Fall the greater.

He then deſired Leave, before he preſented the Model and Plan he had prepared (as mentioned above) to obſerve, that he ſhould propoſe to leave the Piers and Houſes ſtanding, but to take away great Part of the Sterlings, and caſe the Piers about, with ſtrong *Portland* Stone, three or four Feet: And then he produced the Plan, whereby he ſhewed the propoſed Caſing, and the Increaſe of the Water-way or Paſſage through the Bridge, which would be, from two hundred and thirty-ſix Feet, as it is now, increaſed to three hundred and ninety-ſix Feet and ſix Inches clear, and the Solid, at Low-Water, five hundred and forty Feet; and that the additional Stone Work may be ſet on the preſent Piles, (and, if they are not ſufficient, to drive more) and the Piles be cut off three Feet below Low-Water-Mark.

Mr. *Labelye* was aſked, if this Method propoſed would ſufficiently ſecure the Piers and their Foundations from Decay by Weather? He anſwered, it would; and it was agreed to by Mr. *Horſenaile*, the Maſon, and others, eſpecially as the Stone Work was to go two or three Feet below Low-Water-Mark.

Queries concerning the Water-Works.

It was urged, by a Member of the Committee, that this Propoſal might hinder the City being ſerved with *Thames* Water; and which being abſolutely neceſſary for the Uſe of the City, no Conſiderations of ſaving in Repairs of the Bridge would be an adequate Satisfaction for the Loſs of the *Thames* Water, if they cannot otherwiſe be ſufficiently ſerved.

Propoſed and agreed to deliver the Proceedings in Writing to certain Gentlemen.

Mr. *Folke*, Dr. *Jurin*, and ſeveral of the reſt of the Gentlemen, deſired they might have the Queſtions propoſed delivered to them in Writeing, ſome time before they gave their Opinions on the above Matters; and they would confer with each other, and would attend the Committee again, and give a joint Opinion. And it was mentioned by a Member of the Committee, as a Query, if taking away the Sterlings, as above propoſed, would not affect the Navigation, and alſo the Water-Works, to their Hurt?

Then a Motion was made, That the Plans, Queſtions, and Proceedings already had, concerning this Alteration, be produced and delivered in Writing to the ſeveral Gentlemen aſſiſting this Committee, the better to enable them to give their Opinions thereon; and that the Bridgehouſe Officers and Workmen do attend the ſaid Gentlemen as often as they deſire the ſame: Which was ordered accordingly.

Queries propoſed to thoſe Gentlemen.

And then the ſaid Gentlemen, attending to aſſiſt the Committee, withdrew. And the following Queries were propoſed, and ordered to be delivered to them in Writing, *viz.*

"I. What Effect will the Reducing and Alte-
"ration of the Sterlings, according to Mr. *La-*
"*belye*'s Model, have upon the Ebbing and Flow-
"ing of the Tide, with regard to Time, and the
"Difference in the Depth of the Water at High
"and Low Water, above and below Bridge, to
"the Extent of the Tide? And how will the
"Navigation be affected?

"II. What Effect will it have on the Water-
"Works? And, if it ſhould render them uſe-
"leſs, or not ſufficient, how, and in what Man-
"ner, may the City be otherwiſe ſupplied with
"Water?"

At a Committee of Bridgehouſe Lands, held at Guildhall, London, *on* Friday *the twenty-fourth of* October, 1746.

PRESENT,

The Right Honourable Sir Richard Hoare, *Knight, Lord-Mayor,*

Sir Robert Ladbroke, *Knight*
Mr. Ald. Winterbottom
Mr. Chriſt. Robinſon
Mr. Benjamin Crooke
Mr. Robert Elliott
Mr. George Wyld
Mr. Chriſt. Fullagar.

Further Proceedings of the Bridgehouſe Committee.

The Comptroller laid before the Committee a Letter, ſigned *Francis Hawkſbee*, F. R. S. dated the thirteenth of *October*, 1746; with a Paper, containing ſeveral Queries relating to ſome Alterations propoſed to be done to the Bridge; which was read, as follows:

Mr. Francis Hawkſbee's Letter in Anſwer to the ſaid Queries, &c.

"In order to anſwer the Queries propoſed
"by the Committee, with regard to the Altera-
"tion of *London-Bridge*, we apprehend it will
"be neceſſary,

"I. To have an exact Level taken between
"ſome fixed Point on the Weſt Side of *London-*
"*Bridge*, and another Point on the Eaſt Side of
"*Weſtminſter-Bridge*; as alſo to take a like Level
"between ſome fixed Point on the Eaſt Side of
"*London-Bridge*, and another Point at ſome
"convenient Place about two Miles below the
"Bridge.

"II. To take the perpendicular Heighth of
"each of theſe four Points above the Surface of
"the River at Low-Water; and likewiſe every
"Quarter of an Hour before and after Low-
"Water; to obſerve the Time when Low-Water
"happens at thoſe four Places, and the ſame for
"High-Water.

"III. To take the Heighth of the fixed
"Point on the Weſt Side of *London-Bridge* above
"the Surface of the River, at Low Still-Water
"and High Still-Water, under the Draw-Bridge;
"with the Times of each.

"IV. To take the Heighth of the ſame Point
"above the Surface of the River, juſt above
"the Sterlings, at the Time of Low-Water be-
"low Bridge.

"V. To take the Depth of the Water in all
"the Gullets, or at leaſt in that under the Draw-
"Bridge, at the Time of Low Still-Water, and
"at High Still-Water.

"VI. To aſcertain between how many of the
"Arches the Driftſhod Piles are driven, how
"cloſe together, and how far the Tops of them
"are below Still-Water-Mark.

"VII. To know particularly at what Time
"the Sterlings are firſt entirely covered, and
"when firſt entirely uncovered.

"VIII. To know exactly the Time of Low
"and High Water, and the Heighth the Water
"riſes to, at the *Nore*, *Graveſend*, and *Woolwich*.

"IX. That all the foregoing Obſervations of
"the Tides be made at ſome one Spring-Tide,
"and likewiſe at ſome one Neap-Tide."

Signed, *Martin Folkes*, *George L. Scott*, *William Jones*, *Benj. Robins*, *James Jurin*, *John Elliot*.

A Mo-

Mr. Geo. Dance *ordered to anſwer the ſaid Letter.*

A Motion was made, and the Queſtion being put, That Mr. *George Dance*, with proper Aſſiſtance, do give in Anſwers to the ſaid Queries, to be laid before the Committee, it was ordered accordingly.

Theſe Inquiries into the State of *London-Bridge* ended in a Propoſal for Building a new Bridge, as we have related on p. 709, *&c.* of our *firſt* Volume. But, after ſeveral Meetings of a Sub-Committee, appointed by the Common Council, holden on the twenty-ſecond Day of *July*, 1754, who examined many Gentlemen in relation to the Conſequences that might attend the Commerce and Navigation of this City, from the Conſtruction of a new Bridge, at or about *Black-Fryars*, to the oppoſite Shore; and came to ſeveral Reſolutions in favour of repairing and improving the preſent, before the Addition of another Bridge ſhould take place; both their Schemes ſeem to be laid aſide, or poſtponed for more mature Deliberation. See p. 52. Vol. I.

Fiſh-ſtreet Hill.

Fiſh-ſtreet-hill is a Street very well built, and inhabited by great Dealers in Fiſh, *&c.*

King's-head-court, on the Eaſt Side of the Hill, is open, with indifferent good Buildings, and hath a Paſſage into *Pudding-lane*.

Globe-yard, on the Weſt Side, an open and ſomewhat large Place, having ſeveral Turnings, with a Free-ſtone Pavement, and is indifferently well inhabited.

Crooked-lane, alſo on the Weſt Side, hath a turning Paſſage into St. *Michael*'s or *Miles-lane*; but the greateſt Part being in *Candlewick* Ward, it ſhall be there treated of.

Star Inn, Northward of the Monument, is very large and well accuſtomed, and hath a Paſſage into *Pudding-lane*.

Bell-yard, ſeated almoſt againſt the Monument, is a good open Court, containing three or four large Houſes, well inhabited.

Grace-church-ſtreet.

Gracechurch-ſtreet is a very handſome, ſpacious Street, graced with good Buildings, which are well inhabited by wealthy Tradeſmen, being a Street of great Reſort. In that Part of the Street lying in this Ward are theſe Places; *Talbot-court*, with a wide Entrance for a Coach or Cart, being large and well inhabited.

Out of this Court is a narrow Paſſage into another of the ſame Name, which leadeth into *Little Eaſtcheap*, there alſo taken Notice of. *Crown-court*, neat, with a Free-ſtone Pavement, well-inhabited, but ſmall.

Jeruſalem-court, indifferent long, with an open Paſſage, a Free-ſtone Pavement, and good Houſes.

On the Weſt Side of the Street *White-hart-court*, a pretty good open Place, well inhabited by wholeſale Dealers, hath a Paſſage into another Court ſo called, which leadeth into *Lombard-ſtreet*, mentioned in *Langborn* Ward. Near unto this is a ſmall Court, with about two or three Houſes, but without a Name.

Nag's-head-court, very long, well built and inhabited, hath a Paſſage into St. *Clement's-lane*, where it is mentioned, the greateſt Part being in *Langborn* Ward.

Thames-ſtreet.

Thames-ſtreet is a Place of great Trade; the Part thereof in this Ward begins on the Eaſt Side of the *Old Swan-lane*, and goeth Eaſtward to *Fiſh-ſtreet-hill*.

Places of Note in this Part of the Street, are, *Gully-hole*, being a Paſſage to the Water-houſe, and ſo to the *Thames* Side, which lieth open to the Wharfs as far as the *Stillyard* in *Dowgate* Ward.

Three-tun-alley, on the North Side, which is but ſmall.

Churchyard-alley, but narrow and indifferent, falls down into the new Paſſage, being the open Ground next the *Thames*; which ſaid Paſſage leads to *Old Swan-ſtairs* Weſtward, and to the Water-houſe Eaſtward, as aforeſaid.

North from *Thames-ſtreet* is St. *Michael's-lane*, which hath the greateſt Part in *Candlewick* Ward. In the Part of this Lane belonging to this Ward is *Fen-court*, a handſome, open, and well built Place, with a Free-ſtone Pavement.

Three-tun-court, a good ſquare Place, with an open Entrance for Carts.

Egbate-lane runs down to the *Thames*, and unto the *Old Swan-ſtairs*, much reſorted unto by Watermen, and is of good Note.

The *Old Swan-lane* alſo runs down to the Water Side, and leadeth to the ſaid Stairs; The Weſt Side of this Lane is in *Dowgate* Ward.

St. *Martin's-lane*, another Lane North from *Thames-ſtreet*, hath but a ſmall Part in this Ward, the greateſt being in *Candlewick* Ward.

Watch. There are to watch in this Ward at the ſeveral Stands, every Night, beſides the Conſtable and the Beadle, twenty-five Watchmen.

Jurymen. The Jurymen returned by the Wardmote Inqueſt for this Ward, are to ſerve in the ſeveral Courts in *Guildhall* in the Month of *July*.

Alderman, Common Council, &c. This Ward hath an Alderman and his Deputy, included in the fifteen Common-Councilmen, fifteen Conſtables, ſix Scavengers, ſixteen Wardmote Inqueſt Men, and a Beadle. It is taxed to the Fifteen in *London* at forty-ſeven Pounds, and in the *Exchequer* at forty-nine Pounds ten Shillings.

The Alderman of this Ward is *William Stephenſon*, Eſq; Mr. *James Hodges*, Deputy, Mr. *Coles Child*, Mr. *Richard Walkden*, Mr. *William Poſt*, Mr. *Cornelius Owen*, Mr. *Benjamin Silcock*, Mr. *Thomas Horne*, Mr. *Thomas Machen*, Mr. *Thomas Gillmore*, Mr. *James Howard*, Mr. *John Wathen*, Mr. *Clement Coderoy*, Mr. *Joſeph Gonſon*, Mr. *George Baſkerville*, and Mr. *Gabriel Wright*, Common-Councilmen.

Remarkable Things. The moſt remarkable Things in this Ward are,

Churches. *Firſt*, Two Pariſh-Churches, 1. St. *Magnus*, and, 2. St. *Bennet's Grace* or *Graſs-Church*. Four Pariſhes, 1. of St. *Magnus*, 2. of St. *Margaret*, in *New Fiſh-ſtreet*, 3. of St. *Leonard Eaſtcheap*, and, 4. of St. *Bennet Graſs-church*; of which more particularly in our Parochial Hiſtory.

Fiſh-mongers-Hall. *Secondly*, *Fiſhmongers Hall*, ſituate in *Thames-ſtreet*, about an hundred and fifty Yards Weſt of the Bridge. It is a curious and capacious Building of Brick and Stone. By the Street you enter thro' a handſome Paſſage paved with Free-ſtone, which leads into a large, ſquare Court, paved in the ſame Manner, encompaſſed by the

great Hall, the Court-Room for the Aſſiſtants, and other grand Apartments; with Galleries, ſupported by Columns and Arches of the *Ionick* Order, and the Statue of Sir *William Walworth*. See Page 141. But the Front next the *Thames*, which has been lately repaired and beautified, at a very extraordinary Expence, exceeds every Thing of its Kind in this City, and yields a moſt graceful and pleaſant Proſpect; with a magnificent double Flight of Stone Stairs on the Wharf.

Theſe Fiſhmongers were ſometimes of two ſeveral Companies, to wit, Stockfiſhmongers and Saltfiſhmongers; of whoſe Antiquity we find, that, by the Name of the Fiſhmongers of *London*, they were for foreſtalling, *&c.* contrary to the Laws and Conſtitutions of the City, fined to the King at five hundred Marks, the eighth of King *Edward* I. More, that the ſaid Fiſhmongers, hearing of the great Victory obtained by the ſame King againſt the *Scots*, in the twenty-ſixth of his Reign, made a triumphant and ſolemn Shew through the City, with divers Pageants, and more than a thouſand Horſemen, *&c.*

Theſe two Companies of Stockfiſhmongers and Saltfiſhmongers, of old Time, had their ſeveral Halls; to wit, in *Thames-ſtreet* two, in *New Fiſh-ſtreet* two, and in *Old Fiſh-ſtreet* two; in each Place one for either Company; in all ſix ſeveral Halls; the Company was ſo great.

Theſe Fiſhmongers have been famous Citizens, and have had ſix Mayors of their Company in twenty-four Years; to wit, *Walter Freke*, 1350; *John Lofkin*, 1359; *John Wroth*, 1361; *John Pechie*, 1362; *Simon Morden*, 1369; and *William Walworth*, 1374. But in the Year 1382, thro' the Council of *John Northampton*, Draper, then being Mayor, *William Eſſex* and *John More*, Mercers, and *Richard Northbury*, the Fiſhmongers were greatly troubled, hindered of their Liberties, and almoſt deſtroyed, by Congregations made againſt them. See Page 143. However, in a Parliament at *London*, the Controverſy depending between the Mayor and Aldermen of *London*, and the Fiſhmongers, *Nicholas Exton*, Speaker for the Fiſhmongers, prayed the King to receive him and his Company into his Protection, for Fear of corporal Hurt. Whereupon it was commanded, that each Party ſhould keep the Peace, upon Pain of loſing all they had. Hereupon a Fiſhmonger ſtarting up, replied, That the Complaint brought againſt them by the Movers, *&c.* was but Matter of Malice; for that the Fiſhmongers, in the Reign of *Edward* III. being chief Officers of the City, had, for their Miſdemeanors then done, committed the chief Exhibitors of thoſe Petitions to Priſon. In this Parliament the Fiſhmongers, by the King's Charter Patents, were reſtored to their Liberties. See Page 145.

Thoſe Stockfiſhmongers and Saltfiſhmongers were united in the Year 1536, in the twenty-eighth of *Henry* VIII. their Hall to be but one, in the Houſe given to them by Sir *John Cornwall*, Lord *Franhope*, and of *Ampthull*, in the Pariſh of St. *Michael* in *Crooked-lane*, in the Reign of *Henry* VI.

The Monument.

Thirdly, The *Monument*, erected on the Eaſt Side of *Fiſh-ſtreet-hill*, in a Square, open to the Street, to perpetuate the Remembrance of the dreadful Fire of *London*, in the Year 1666. This fine Piece of Architecture is the Deſign of that great Genius Sir *Chriſtopher Wren*. It is undoubtedly the fineſt modern Column in the World, and in ſome Reſpects may vie with the moſt famous of Antiquity, being twenty-four Feet higher than *Trajan*'s Pillar at *Rome*.

This Column is of the *Dorick* Order, fluted; whoſe Altitude is two hundred and two Feet from the Ground, the greateſt Diameter of the Shaft or Body of the Column is fifteen Feet, the Ground bounded by the Plinth, or loweſt Part of the Pedeſtal, twenty-eight Feet ſquare, and the Pedeſtal is in Altitude forty Feet, all of *Portland* Stone: Within is a large Stair-caſe of black Marble, containing three hundred and forty-five Steps, ten Inches and an Half broad, and ſix Inches Riſers; and a Balcony within thirty-two Feet of the very Top, where is a curious and ſpacious gilded Flame.

The Account we have of this Pillar from the Life of Sir *Chriſtopher Wren*, Knt. is more particular, as follows: Parentalia, *P.* 321, &c.

"In the Year 1671, the *Surveyor* began the "building of the great fluted Column of *Portland* "Stone, and of the *Dorick* Order, (commonly "called the *Monument* of *London*, in Memory of "the burning and rebuilding of the City) and "finiſhed it in 1677. The Artificers were "obliged to wait ſometimes for Stones of proper "Scantlings; which occaſioned the Work to be "longer in Execution than otherwiſe it would "have been. It much exceeds in * Height the "Pillars at *Rome* of the Emperors *Trajan* and "*Antoninus*, the ſtately Remains of *Roman* Gran-"deur, or that of *Theodoſius* at *Conſtantinople*. "In forming this *Coloſs* Column, the *Surveyor* "took the Liberty to exceed the received Pro-"portion of the Order, one Module, or Semi-"diameter. In the Place of the Braſs Urn on "the Top, (which is not artfully performed, "and was ſet up contrary to his Opinion) was "originally intended a *Coloſs* Statue, in Braſs gilt, "of King *Charles* II. as Founder of the new City, "in the Manner of the *Roman* Pillars, which "terminated with the Statues of their *Cæſars*; or "elſe a Figure erect of a Woman crowned with "Turrets, holding a Sword and Cap of Main-"tenance, with other Enſigns of the City's "Grandeur and Re-erection. The Altitude, "from the Pavement, is two hundred and two "Feet, the Diameter of the Shaft or Body of "the Column is fifteen Feet, the Ground bounded "by the Plinth or loweſt Part of the Pedeſtal is "twenty-eight Feet ſquare, and the Pedeſtal in "Height is forty Feet. Within is a large Stair-"caſe of black Marble, containing three hundred "and forty-five Steps, ten Inches and an half "broad, and ſix Inches Riſers. Over the Ca-"pital is an Iron Balcony, encompaſſing a *Cippus* "or *Meta*, thirty-two Feet high, ſupporting a "blazing Urn of Braſs gilt. Prior to this, the "*Surveyor* (as it appears by an original Drawing) "had made a Deſign of a Pillar of ſomewhat leſs "Proportion, *viz.* fourteen Feet in Diameter, "and after a peculiar Device: For, as the *Romans* "expreſſed by *Relievo*, on the Pedeſtals, and round "the Shafts of their Columns, the Hiſtory of "ſuch

* *The greateſt of the* Roman *Columns, viz. that of* Antoninus, *was* 172½ *Feet in Height, and* 12 *Feet* 3 *Inches in Diameter,* Engliſh *Meaſure.*

The Monument

W. H. Toms Sculp.t

" Actions and Incidents as were intended to be " thereby commemorated; ſo this *Monument* of " the Conflagration and Reſurrection of the City " of *London* was repreſented by a Pillar in " Flames; the Flames, blazing from the Loop- " holes of the Shaft, (which were to give Light " to the Stairs within) were figured in Braſs- " work gilt, and on the Top was a Phœnix riſing " from her Aſhes, of Braſs gilt likewiſe."

An accurate Account of the Quantity, by Meaſurements, of the great Column of London.

	Feet
The Solidity of the whole Fabrick, from the Bottom of the loweſt Plinth to the black Marble under the Urn, the Cylinder of the Stair-caſe only deducted, and the Stone for the Carving not allowed for, is	37396
The black Marble that covers the Capital	287
Ditto Lanthorn	64
From this Solidity deduct,	
For eight great Niches —	281
For three Doors and Paſſages	289
For three Sides reveyled —	486
For rough Block — —	1499
For Rubble-work —	7185
In all	9740
The Remainder is	27656
To this add, upon the account of the Carvings in the Front, the four great Dragons and Feſtoons	540
Feet of ſolid *Portland* Stone	28196

Three hundred and forty-three black Marble Steps.

The whole Shaft fluted after it was built, being four thouſand ſeven hundred and eighty-four ſuperficial Feet.

Marble Harch-pace fifty-ſix Feet.

Marble Paving, and other ſmall Articles, not in this Meaſurement.

Inſcription for the great Pillar or Monument of London, *according to the firſt Conception of Sir* C. W.

" Qui celſam ſpectas Molem, idem quoque " infauſtum & fatalem toti quondam Civitati vides " Locum. Hic quippe, Anno *Chriſti* MDCLXVI. " 2 *Sept.* altera poſt mediam Noctem Hora, ex " Caſa humili, prima ſe extulit Flamma, quæ, " Auſtro flante, adeo brevi invaluit, ut non " tantum tota fere intra Muros Urbs, ſed et " Ædificia quæcunque Arcem et Templariorum " Hoſpitium, quæcunque denique Ripas Flu- " minis, et remotiſſima Civitatis interjacent Mæ- " nia, ferali abſumpta fuerint Incendio. Tridui " ſpatio, C. Templa, Plateæ CCCC. et plura " quam XIV. Domorum Millia Flammis ab- " ſorpta fuere. Innumeri Cives omnibus ſuis " fortunis exuti, et ſub dio agitare coacti, infi- " nitæ, et toto Orbe congeſtæ opes in Cinerem et " Favillam redactæ: Ita ut de Urbe omnium " quotquot Sol aſpicit ampliſſima, et fæliciſ- " ſima, præter Nomen et Famam, et immen- " ſos Ruinarum Aggeres, vix quicquam ſu- " pereſſet.

" *Carolus* Secundus, Dei Gratia, Rex Magnæ " Britanniæ, Franciæ, et Hiberniæ, Anno Regni " XVIII. et plerique Angliæ Proceres, conſumpta " Incendio Urbe pene univerſa, eademque trien- " nio Spatio in ampliorem Modum inſtaurata, " et non ut ante ligneis aut luteis, ſed partim la- " teritiis, partim marmoreis Ædificiis et Ope- " ribus ita ornata, ut e ſuis Ruinis pulcrior multo " prodiiſſe videatur; auctis præterea ad immen- " ſam Magnitudinem Urbis Pomæriis; ad æter- " nam utriuſque Facti Memoriam, hic, ubi tantæ " Cladis prima emicuit Flamma,

" Monumentum poſuere.

" Diſcat Præſens et Futura Ætas, nequa ſimilis " ingruat Clades, tempeſtivis Numen placare " votis: Beneficium vero Regis, et Procerum, " quorum Liberalitate, præter Ornatum, major " etiam Urbi acceſſit Securitas, grata mente re- " cognoſcat.

" O quantum *tibi* debet AVGVSTA,
" Tot naſcentia Templa, tot renata,
" Tot Spectacula?" MART.

But, inſtead thereof, the North and South Sides of the Pedeſtal have each a *Latin* Inſcription, one deſcribing the Deſolation of this City laid in Aſhes, and the other its glorious Reſtoration. That on the North Side runs thus:

" Anno *Chriſti* CIↃDCLXVI. Die 11. Nonis " *Septembris*, hinc in Orientem, pedum CCII Inter- " vallo (quæ eſt hujuſce Columnæ Altitudo) erupit " de media Nocte Incendium, quod vento ſpirante " hauſit etiam longinqua, *&c.* partes per omnes " populabundum ferebatur cum impetu & fragore " incredibili. XXCIX Templa, Portas, Præto- " rium, Ædes publicas, Ptochotrophia, Scholas, " Bibliothecas, Inſularum magnum Numerum, " Domus CCIↃↃOOO OOOCC, Vicos CD ab- " ſumpſit: De XXVI Regionibus, XV funditus " delevit, alias VIII laceras & ſemi-uſtas reliquit. " Urbis Cadaver ad CIↃXXXVI Jugera, hinc " ab Arce per *Thameſis* Ripam ad Templariorum " Fanum, illinc ab Euro Aquilonali Portus ſe- " cundum Muros ad Foſſæ Fletanæ Caput, per- " rexit; adverſus Opes Civium & Fortunas " infeſtum, erga Viros innocuum, ut per omnia " referret ſupremam illam mundi Exuſtionem. " Velox Clades fuit; exiguum Tempus eandem " vidit Civitatem florentiſſimam, & nullam. " Tertio die, cum jam evicerat humana Con- " ſilia & Subſidia omnia, cœlitus, ut par eſt " credere, juſſus ſtetit fatalis Ignis & quaquaver- " ſum elanguit."

Made *Engliſh* thus:

" In the Year of *Chriſt* 1666, the ſecond Day " of *September*, Eaſtward from hence, at the " Diſtance of two hundred and two Feet, (the " Height of this Column) about Midnight, a " moſt terrible Fire broke out, which, driven " on by a high Wind, not only waſted the " adjacent Parts, but alſo Places very remote, " with incredible Noiſe and Fury: It conſumed " eighty-nine Churches, the City Gates, *Guild-* " *hall*, many publick Structures, Hoſpitals, " Schools, Libraries, a vaſt Number of ſtately " Edifices, thirteen thouſand two hundred Dwel- " ling-Houſes, four hundred Streets; of twenty- " ſix Wards, it utterly deſtroyed fifteen, and left

" eight

" eight others ſhattered and half burnt. The " Ruins of the City were four hundred and " thirty-ſix Acres, from the Tower by the " *Thames* Side to the *Temple* Church, and from " the North-Eaſt Gate along the City Wall to " *Holborn-Bridge*. To the Eſtates and Fortunes " of the Citizens it was mercileſs, but to their " Lives very favourable, that it might in all " Things reſemble the laſt Conflagration of the " World.

" The Deſtruction was ſudden; for in a ſmall " Space of Time the ſame City was ſeen moſt " flouriſhing, and reduced to nothing.

" Three Days after, when this fatal Fire had " baffled all human Counſels and Endeavours in " the Opinion of all, as it were, by the Will of " Heaven, it ſtopped, and on every Side was ex- " tinguiſhed."

The South Side Inſcription thus:

" *Carolus* II. C. Mart. F. Mag. Brit. Franc. " & Hib. Rex. Fid. D. Princeps clementiſſi- " mus, miſeratus luctuoſam Rerum faciem, " plurima fumantibus jam tum Ruinis, in ſo- " latium Civium & Urbis ſuæ Ornamentum " providit, Tributum remiſit, Preces Ordinis " & Populi Londinenſis retulit ad Regni Senatum, " qui continuo decrevit, ut Publica Opera pe- " cunia publica, ex vectigali Carbonis foſſilis " oriunda, in meliorem formam reſtituerentur; " utique Ædes ſacræ & D. *Pauli* Templum a " Fundamentis omni magnificentia extruerentur; " Pontes, Portæ, Carceres novi fierent; emun- " darentur Alvei, Vici ad regulam reſponderent, " Clivi complanarentur, aperirentur Angiportus, " Fora & Macella in Areas ſepoſitas eliminaren- " tur. Cenſuit etiam, uti ſingulæ Domus muris " intergerinis concluderentur, univerſæ in fron- " tem pari altitudine conſurgerent, omneſque " Parietes ſaxo quadrato aut cocto Latere ſolida- " rentur; utique nemini liceret ultra ſeptennium " ædificando immorari. Ad hæc Lites de Ter- " minis orituras Lege lata præſcidit; adjecit quo- " que Supplicationes annuas, & ad æternam " Poſterorum Memoriam H. C. P. C. Feſti- " natur undique, Reſurgit Londinum, majore " celeritate an ſplendore incertum: Unum " Triennium abſolvit quod ſeculi opus crede- " batur."

In *Engliſh* thus:

" *Charles* II. Son of *Charles the Martyr*, King " of *Great Britain*, *France*, and *Ireland*, Defender " of the Faith, a moſt gracious Prince, com- " miſerating the deplorable State of Things, " whilſt the Ruins were yet ſmoaking, provided " for the Comfort of his Citizens, and the Orna- " ment of his City; remitted their Taxes, and " referred the Petitions of the Magiſtrates and " Inhabitants to the Parliament, who immediately " paſſed an Act, That publick Works ſhould be " reſtored to greater Beauty with publick Money, " to be raiſed by an Impoſition on Coal; that " Churches, and the Cathedral of St. *Paul*'s, " ſhould be rebuilt from their Foundations, with " all Magnificence; that Bridges, Gates, and " Priſons ſhould be new made, the Sewers " cleanſed, the Streets made ſtrait and regular, " ſuch as were ſteep levelled, and thoſe too nar- " row made wider, Markets and Shambles re- " moved to ſeparate Places. They alſo enacted, " That every Houſe ſhould be built with Party- " Walls, and all in Front raiſed of equal Height, " and thoſe Walls all of ſquare Stone or Brick, " and that no Man ſhould delay beyond the " Space of ſeven Years. Moreover, Care was " taken by Law to prevent all Suits about their " Bounds. Alſo anniverſary Prayers were en- " joined; and, to perpetuate the Memory hereof " to Poſterity, they cauſed this Column to be " erected. The Work was carried on with Dili- " gence, and *London* is reſtored; but whether " with greater Speed or Beauty, may be made a " Queſtion. A three Years Time ſaw that " finiſhed, which was ſuppoſed to be the Buſineſs " of an Age."

The Eaſt Side of the Pedeſtal has alſo an Inſcription, expreſſing the Times in which this Pillar was begun, continued, and brought to Perfection. The Words are theſe:

Incepta
Richardo Ford, Eq.
Prætore *Lond.*
A. D. CIↃDCLXXI.
Perducta altius
Geo. Waterman, Eq. Præ.
Roberto Hanſon, Eq. Præ.
Gulielmo Hooker, Eq. Præ.
Roberto Viner, Eq. Præ.
Joſepho Sheldon, Eq. Præ.
Perfecta
Thoma Davis, Eq. Præ.
Urb.
Anno Dom.
MDCLXXVII.

In *Engliſh* thus:

This Pillar was begun,
Sir *Richard Ford*, Knt. being Lord-Mayor of *London*, in the Year 1671.
Carried on
In the Mayoralties of
Sir *George Waterman*, Knt.
Sir *Robert Hanſon*, Knt.
Sir *William Hooker*, Knt.
Sir *Robert Viner*, Knt.
Sir *Joſeph Sheldon*, Knt.
And finiſhed in that of
Sir *Thomas Davis*, in the Year 1677.

And whereas, upon Evidence, it was thought that this dreadful Fire was contrived and carried on by the *Popiſh* Faction, the ſame is expreſſed in *Engliſh* round the Baſe of the Pedeſtal, under the ſaid Inſcription, in theſe following Words:

This Pillar was ſet up in perpetual Remembrance of the moſt dreadful Burning of this antient City; begun and carried on by the Treachery and Malice of the Popiſh *Faction, in the Beginning of* September, *in the Year of our Lord* 1666, *in order to the carrying on their horrid Plot for extirpating the Proteſtant Religion, and old* Engliſh *Liberty, and introducing* Popery *and Slavery.*

On

On the Front, or the Weſt Side of the Die of the Pedeſtal of this magnificent Column, is finely carved a curious Emblem of this Tragical Scene, by the maſterly Hand of Mr. *Cibber*, Father to the preſent King's Poet, who likewiſe carved the inimitable Figures on the Gate of *Bethlem*. The eleven principal Figures on this Pedeſtal are done in *Alto*, the reſt in *Baſſo Relievo*, *viz.*

I. At the North End of the ſaid Plan is repreſented, in *Baſſo Relievo*, the City in Flames, and the Inhabitants in a Conſternation, with their Arms extended upward, and crying out for Succour.

II. A little nearer the Horizon are the Arms, Cap of Maintenance, and other Enſigns of the City's Grandeur, partly buried under the Ruins.

III. On the Ruins lies the Figure of a Woman crowned with a Caſtle, her Breaſts pregnant, and in her Hand a Sword; denoting the ſtrong, plentiful, and well-governed City of *London* in Diſtreſs.

IV. The Sovereign (King *Charles* II.) is repreſented ſtanding on an Anabathrum, or Place aſcended to by three Steps, in a *Roman* Habit, providing with his Power and prudent Directions (as is expreſſed by the Inſcription on the South Side) for the Comfort of his Citizens and Ornament of his City.

V. On the ſaid Steps ſtand, in the King's Preſence, the Figures of three Women; that next his Majeſty repreſenting *Liberty*, having in her right Hand a Hat, whereon is the Word *Liberty*, denoting the Freedom or Liberty given to thoſe that engaged three Years in the Work.

VI. Another of the ſaid three Women is *Ichnographia*, with Rules and Compaſſes in one Hand, (the Inſtruments whereby Plans and Deſigns are delineated in due Proportion) and a Scroll partly unrolled in the other Hand, whereon ſuch Deſigns are to be drawn; and near this is a Bee-hive, the known Emblem of Induſtry.

VII. The third of the ſaid Figures repreſents *Imagination*, holding the Emblem of Invention, and having on her Head Wings and ſmall Children, as being ſwift and fruitful, and on the Borders of her Garment theſe Words, *Non aliunde*; all which ſhew, that the ſpeedy Reerection of the City is principally owing to *Liberty*, *Imagination*, *Contrivance*, *Art*, and *Induſtry*.

VIII. And farther, to encourage the ſaid Citizens, here is the Figure of *Time*, elevating the Woman in Diſtreſs, and *Providence* with his winged Hand containing an Eye, promiſing Peace and Plenty, by pointing towards thoſe two Figures appearing above the Clouds.

IX. Behind the King, as it were Eaſtward, the Work is going forward, as Scaffolding, Labourers carrying Materials, *&c.*

X. Partly within a camerated Cell, under the Sovereign's Feet, appeareth *Envy*, diabolically enraged at the Meaſures concerted, and the great Proſpect of Succeſs. He is endeavouring to renew the Diſaſter, by blowing Flames out of his Mouth towards the diſtreſſed City.

XI. On the ſame Plane, at the South End from the King, is a Lion, with one fore Foot tied up, and curbed by the left Hand of *Fortitude*, in whoſe right Hand is a Sword, under which Figures appears the Muzzle of a Canon, which denotes this deplorable Loſs and Misfortune to happen in Time of War.

XII. Between that and the King is the Figure of *Mars*, with a Chaplet in his Hand, an Emblem that an approaching honourable Peace would be the Conſequence of the War.

And above this, round the Cornice of the Pedeſtal, are noble Enrichments of Trophy Work, and the King's Arms; alſo of the Sword, Mace, Cap of Maintenance, *&c.* and at the Angles are four very large Dragons, the Supporters of the City Arms.

For a more particular Account of the Fire, and the Parties accuſed thereof, ſee Page 432, *&c.* to which we ſhall now add,

The Damage done by this Fire is thus computed: Burned and conſumed twelve thouſand Houſes within the Walls of the City, and above one thouſand more without the Walls, but all of them within the Freedom and Liberty of *London*; that is, in all, thirteen thouſand, or, as others, thirteen thouſand two hundred Houſes. There were alſo deſtroyed the Cathedral Church of St. *Paul*, which at that Time was new building, and, as to the Stone Work, almoſt finiſhed; alſo eighty-ſeven Pariſh-Churches, and ſix conſecrated Chapels; moſt of the principal and publick Edifices; as, the great *Guildhall*, wherein were nine ſeveral Courts belonging to the City; the *Royal-Exchange*; the King's *Cuſtom-houſe*; *Juſtice-hall*, where the Seſſions were kept eight or nine Times in the Year for the Trial of Murderers, Felons, and other Malefactors; the four Priſons; four of the principal Gates of the City; and fifty Halls of Companies, moſt of which were moſt magnificent Structures and Palaces. The whole Damage ſuſtained by this Fire is almoſt incredible: Yet, to make ſome Computation, that which follows is the Method that hath been taken:

An Account of the vaſt Damage and Spoil made by the afore-mentioned Conflagration.

That the Reader may the better judge of the Damages done by this Fire, ſome have computed the thirteen thouſand odd hundred Houſes burnt and deſtroyed to be worth, one with another, twenty-five Pounds yearly Rent; which, at the low Rent of twelve Years Purchaſe, will in the whole amount unto three Millions nine hundred thouſand Pounds Sterling, and upwards.

And for the other Works of publick Concern, they have been thus moderately eſtimated:

A Table of Eſtimates.

In Houſes burnt as aforeſaid	£.	3900000
In Churches and other publick Edifices as follow: The eighty-ſeven Pariſh-Churches at eight thouſand Pounds each		696000
Six Chapels, at two thouſand Pounds each		12000

	£.
The *Royal-Exchange*, at	50000
The King's *Cuſtom-houſe*, at	10000
The fifty-two Halls of Companies, at one thouſand five hundred Pounds	78000
Three of the City Gates, at three thouſand Pounds each	9000
The Gaol of *Newgate*	15000
Four Stone Bridges	6000
The *Seſſions-houſe*	7000
The *Guildhall*, and Courts and Offices belonging to it	40000
Blackwell-hall	3000
Bridewell	5000
Poultry Compter	5000
Wood-ſtreet Compter	3000
	939000

To which add,

Towards the building of St. *Paul*'s Cathedral	2000000
The Wares, Houſhold-Suff, Monies, and other moveable Goods, loſt and ſpoiled, may probably amount to	2000000
The Hire of Porters, Carts, Waggons, Barges, Boats, *&c.* for removing of Wares, Houſhold-Stuff, and the like, during the Time of the Fire, and ſome ſmall Time after, may well be reckoned at	200000
In printed Books and Paper in ſeveral Shops and Warehouſes	150000
In Wine, Tobacco, Sugar, Plumbs, *&c.* of which the City was at that Time very full	1500000
	5850000

For publick Works enjoined by Act of Parliament.

For cutting a navigable Channel from the *Thames* to *Holborn-bridge*	27000
For a Monument to be erected near to the Place where the Fire began	14500
	41500

Melioration Money paid to ſeveral Proprietors, who had their Ground taken away for the makeing of Wharfs, enlarging of Streets, making of new Streets and Market-Places, *&c.*

All which Particulars, viz.

For Houſes burnt	3900000
For publick Edifices burnt	939000
For Loſſes ſuſtained in Monies, and in Goods burnt, and in Carriage and Removing, and by St. *Paul*'s Church, being then almoſt new built	5850000
For publick Works enjoined to be done by Act of Parliament	14500
For Melioration	
The Sum of all	10703500

Water-Works. *Fourthly*, The *Water-works*, by which the City is ſupplied with *Thames* Water, is a lofty wooden Edifice at the North-Weſt End of the Bridge, behind the Front Houſes, which, by Veſſels, Iron Chains, *&c.* forceth the New Water through Pipes into a Ciſtern placed at the Top thereof, which from thence deſcends by Pipes to the Bottom, to be conveyed thro' other Pipes, under the Pavements of the City. See a larger Account of this Machine on p. 51.

Prince Edward's Palace. *Fifthly*, at the End of *Crooked-lane*, facing the *Monument-yard*, was in antient Days a Palace built chiefly of Stone, in which *Edward the Black Prince*, Son to King *Edward* III. held his Reſidence, to the Honour of this City. It was afterwards let out for an Inn, and was known by the Name of the *Black-bull-Inn*.

CHAP. XIII.

Of BROAD-STREET WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

The Derivation of its Name. Bounds and Contents. Preſent State. Aldermen and Common Council. Wincheſter *Place. St.* Auguſtin's *Priory. The* Dutch *Church. The* French *Church.* Scalding-Houſe. Carpenters, Drapers, Merchant-Taylors, *and* Pinners Halls. *The* Bank *of* England, *and Directors. The* South-Sea Houſe, *Company and Directors. The* Pay-Office. Greſham *Almshouſe, and the Ward-School.*

Derivation. THIS Ward derives its Name from that Part of it called *Broad-ſtreet*, which lies almoſt in the Centre thereof, and in antient Times was peculiarly diſtinguiſhed from the reſt of the Streets in this Metropolis by the Name of *Broad*, there being few before the Fire of *London* of ſuch a Breadth within the Walls.

Bounds. It is bounded by *Biſhopſgate* Ward on the Eaſt and North; on the Weſt by *Coleman-ſtreet* Ward; and on the South by *Cornhill* Ward; and extends from the Eaſt Corner of *Helmet-court*, in *Wormwood-ſtreet*, Weſtward, on both Sides of the Way, to the Iron Grate over the Common-Sewer near to the Back-Gate of New *Bethlem-Hoſpital*; and its Extent from North to South, from the Eaſt Corner of *Allhallows* Churchyard in *Wormwood-ſtreet*, where new *Broad-ſtreet* begins, ſomewhat South, to the Pariſh Church of St. *Peter the Poor*, on both Sides. And then by the South Gate of the *Auguſtine* Friers, Weſt, down *Throkmorton-ſtreet*, by the *Drapers-hall*, into *Lothbury*, to another Grate of Iron over the Channel there, whereby the Water runneth into the Courſe of *Walbrook*, under the Eaſt End of St. *Margaret*'s Church. Certain Poſts of Timber are there ſet up; which is the fartheſt Weſt Part of this Ward, in the ſaid Street. Out of which Street, it runs up *Bartholomew-lane*, South, to the North Side of the *Exchange*: Then, more Eaſt, out of the former Street, from over-againſt the Friers *Auguſtines* Church South Gate, it runs up *Pig-ſtreet*, which is another Part of *Broad-ſtreet*, South, to a Pump over-againſt St. *Bennet*'s Church.

B. Cole Sculp

oad Street Ward. *And to* FRANCIS COKAYNE Esq.r *Alderman of* Cornhill Ward *1755.*

Three or Thread-Needle-ſtreet.

Then have ye one other Street, called *Three* or *Theadneedle-ſtreet*, beginning at the Well with two Buckets, now a cloſe Pump, by St. *Martin*'s *Oteſwich* Church-wall. This Street runneth down on both Sides to *Finch* or *Finke*'s-*lane*, and half Way up that Lane, to a Gate of a large Houſe on the Weſt Side, but not ſo far on the Eaſt. Then the aforeſaid Street, from this *Finke*'s-*lane*, runneth down by the *Royal Exchange*, to the *Stocks*, and to a Place formerly called *Scalding-houſe*, or *Scalding-wick*, but now *Scalding-alley*; by the Weſt Side whereof, under the Pariſh Church of St. *Mildred*, runneth the Courſe of *Walbrook*: And theſe are the Bounds of this Ward.

The modern State of Broad-ſtreet *Ward.*

The Streets, Lanes, Courts, Alleys, and Places now contained in this Ward, are,

Threadneedle-ſtreet, on both Sides of the Way, from the North-Weſt Corner of *Cornhill*, near St. *Chriſtopher*'s Church, to St. *Martin*'s *Outwich* Church at the Corner of *Biſhopſgate-ſtreet*; *Bartholomew-lane*, *Prince*'s-*ſtreet*, almoſt as far as *Catharine-court*; the North End, next to *Lothbury*, being in *Coleman-ſtreet* Ward; *Lothbury*, on both Sides, from the Grate by St. *Margaret*'s Church to *Bartholomew-lane* End. *Throgmorton-ſtreet*, on both Sides, unto *Broad-ſtreet*. *Broad-ſtreet*, on both Sides, from St. *Bennet-fink* Church to *London-wall*. *Wincheſter-ſtreet*, *Auguſtine-fryars*, *Wormwood-ſtreet*, as far as *Helmet-court* in the Eaſt; *London-wall-ſtreet*, from a little Eaſtwards of *Croſs-keys-court*, or *Helmet-court*, unto the Beginning of *Wormwood-ſtreet*, by *Broad-ſtreet* End.

In the Streets and Lanes are ſeveral Courts and Places, in the Deſcription of which we ſhall begin with *London-wall-ſtreet*, and ſo come Southward:

London-wall ſtreet.

London-wall-ſtreet, ſo called, from having the City Wall running along the North Side. It is a Street of old Buildings, and they, for the moſt Part, but ordinary, and inhabited by Curriers, Innholders, Chandlers, *&c.* This Street, extending beyond this Ward, is very long, taking its Beginning from *Cripplegate*: The Alleys, Courts, *&c.* beginning Weſt, are theſe, *Little Bell-alley*, or *Back-alley*, narrow, ſeated on the Back-ſide of *Coleman-ſtreet*: This Alley is very long and well built, but the Part in this Ward begins on the Eaſt Side, over-againſt *Swan-alley*; and from thence falls down into *Thompſon*'s-*rents*, which is very narrow, dark, and an ill Paſſage, to *London-wall*; *Three-pigeon-alley*, very ordinary; *White-horſe-Inn*, a Place for Stabling; all theſe three fall into *Bell-alley*. *Ball-alley*, very ordinary. The *Boarded-entry*, but indifferent. *Three-tun-alley*, large, and indifferently built and inhabited. *Maidenhead-court*, ſomewhat long, but narrow, except at the upper End, which is wider and better built, with a Free-ſtone Pavement. *Wreſtler's-court*, very long, with only Houſes on the Weſt Side, the Eaſt being the Back-ſide of *Carpenter's-hall*. *White-hart-Inn*, indifferent large, chiefly for Coaches, and Stabling for Livery Horſes.

This Street, to *Broad-ſtreet*, is called *Allhallows in the Wall*, from the Church of that Name there ſeated, very dirty and of no Trade.

Here on the South is *Wincheſter-ſtreet*, the Great and the Little.

Wincheſter-ſtreet.

Great Wincheſter-ſtreet comes out of *Broad-ſtreet* on the Eaſt, and after ſome Space, turning Northwards, falls into *London-wall-ſtreet*: It is an open broad Street, graced with good and ſome capital Buildings, which are well inhabited by Merchants and Perſons of Repute: Where it looks Northward, it is called *Little Wincheſter-ſtreet*, and leadeth to *London-wall*, where *Little Moorgate*, or Poſtern, formerly ſtood, and opened into the South-Eaſt Corner of *Moorfields*.

This *Little Wincheſter-ſtreet* is not ſo broad, nor ſo well inhabited, as the *Great*. Out of *Great Wincheſter-ſtreet* on the South is a Paſſage paved with Free-ſtone, but very narrow, and leads into St. *Auguſtine-fryars*. Along from *Allhallows* Church-Wall is *Wormwood-ſtreet*, of ſmall Account for Houſes, or Inhabitants. In this Street are Alms-houſes for twelve poor Women, erected by Mr. *Kemp*, each having 12 *d.* a Week in Money, beſides ſome other Perquiſites: And in this Street alſo are theſe Places; *Hand-alley*, but ſmall; *Queen's-head-alley*, very ordinary, both as to its Houſes and Inhabitants; this Alley with a turning Paſſage falls into a broad or open Place, out of which is a Paſſage into *Biſhopſgate-ſtreet*; *Helmet-court*, but indifferent, which aſcending up Steps comes into *Sutton-court*, which hath a Paſſage into *Biſhopſgate-ſtreet*; it is a pretty handſome new built Court, with a Free-ſtone Pavement, and well inhabited, but this Court is in *Biſhopſgate* Ward; betwixt *Helmet-court* and *Queen's-head-alley* is *Cock-yard*, a Place of ordinary Account.

Broad-ſtreet.

Now going back again, we turn South into *Broad-ſtreet*, very ſpacious, graced with good Buildings, which are well inhabited; which ſaid Street from *London-wall* runs Southwards, till, bending Weſt, it falls into *Throgmorton-ſtreet*, and more South into *Pig-ſtreet*, or *Little Broad-ſtreet*, and thence into *Threadneedle-ſtreet*. In this *Broad-ſtreet* are theſe Alleys, Courts, and Places of Name, beginning next to *London-wall*: Firſt *White-horſe-court*, large, well built and inhabited, nigh unto which is *White-horſe-yard*, only for Stablings; *Vine-court*, well built; *Bull-alley*, but narrow and ordinary.

At the South-Weſt Corner of *Great Wincheſter-ſtreet*, already mentioned, is *Pin-maker's-alley*, a pretty handſome Place, with a Free-ſtone Pavement; *Crown-court*, ſtill more South, a handſome broad Place, with good Houſes, well inhabited by Merchants and others.

On the Eaſt Side of this Street, hereabout, is the back Part of *Greſham College*, which has ſome Part in this Ward, but is moſt of it in *Biſhopſgate* Ward, as already deſcribed. Here ſtand *Greſham*'s Alms-Houſes, and near unto them is a Yard for Livery Horſes; adjoining to which is *Sun-yard*, a Livery Stable, having ſome Houſes in it, and is a Thoroughfare into *Biſhopſgate-ſtreet*. Next to this is the *South-Sea* Houſe, ſpoken of before in *Biſhopſgate* Ward.

Oppoſite to this Office is the Pariſh Church of St. *Peter's Poor*, with a Dial hanging over the Street. A little beyond the Church is a Place called *Auguſtine-friars*, now built into ſeveral large Houſes, inhabited chiefly by Merchants.

Over-againſt *Auguſtine-fryars* Gateway, is *Little Broad-ſtreet*, or *Pig-ſtreet*, much narrower than the other, wherein are theſe Places; *Adam's-court*, pretty

pretty large, well built and inhabited; *Cuſhion-court*, pretty handſome, but ſmall, containing only two good Houſes; *Britain's-yard*, but ſmall, having but one Houſe; *French-court*, indifferent well inhabited, with a Free-ſtone Pavement.

Throg-morton-ſtreet.

Throgmorton-ſtreet begins at the Gate of *Auſtin-fryars*, and runs Weſt to *Lothbury*; it is very well built and inhabited; the chief Place here is the Houſe and Gardens belonging to the *Drapers* Company. In this Street are theſe Courts, and Places of Name, *viz. Red-lion-court*, both ſmall and ordinary; *New-court*, a pretty handſome ſquare Place with good Houſes; *Shorter's-court*, a very neat ſquare Place, with an open Paſſage, the Houſes well built and inhabited; St. *Bartholomew's-court*, but mean; *Angel-court*, very large and handſome, with good Buildings, the Habitation of Merchants and People of Repute; *Copt-hall-court*, a large and handſome open Place, with Houſes fit for good Inhabitants; *Warnford-court*, a good large Place, very well built and inhabited.

Lothbury.

Next *Throgmorton-ſtreet*, Weſt, is *Lothbury*, a well built Street of pretty good Trade, formerly for Founders, who made Candleſticks, Bells, and divers Utenſils of Braſs and Copper; but at preſent for divers other Trades, and Merchandize. The Part of this Street, which is in this Ward, goeth but to the Eaſt Corner of St. *Margaret*'s *Lothbury*. The Courts in this Part are, *Green*'s-*court*, but ordinary; *Prince*'s-*court*, likewiſe but ordinary; *Falcon-court*, but ſmall, with a Free-ſtone Pavement; *Token-houſe-yard*, a large Place, with well built Houſes, fit for good Inhabitants; the Row on the Eaſt Side, have Court-Yards, with Brick Walls before them; at the Upper End of this Yard is a narrow Paſſage into *Bell-alley* in *Coleman-ſtreet* Ward; this Place took its Name from an old Houſe there ſtanding, which antiently was the Office for delivering out of Farthings, which were called *Tokens*; *Whalebone-court*, large, with a Free-ſtone Pavement, hath good Houſes, pretty well tenanted.

Bartholo-mew lane.

Coming back we paſs up *Bartholomew-lane*, which runs up to the North Side of the *Royal Exchange*; a Place well built and inhabited, and of a good Trade for ſeveral Callings, being a great Thoroughfare, to and from the *Exchange*, to the North Parts of the City: In this Lane are *Black Swan-yard*, formerly called *Ship-yard*, which hath a wide Entrance; it is repleniſhed with good Buildings, ſpacious, well inhabited, and it hath a Free-ſtone Pavement. Facing it is the Back-Gate of the *Bank* of *England*.

Thread-needle-ſtreet.

Bartholomew-lane brings us into *Threadneedle-ſtreet*; which takes its Beginning on the Weſt, at the Corner of St. *Mildred*'s in the *Poultry*, and paſſing by St. *Bartholomew-lane*, and leaving *Little Broad-ſtreet* on the North Side, and *Finch-lane* on the South, falleth into *Biſhopſgate-ſtreet*, at the Eaſt End: In this Street are ſeveral good Buildings, well inhabited, with divers noted Places, with Taverns, Coffee-Houſes, and other publick Places of Entertainment. Near the Weſt End of this Street is *Prince's-ſtreet*, which, with a winding Paſſage, falls into *Lothbury*; and is very well built and inhabited; in the Part in this Ward is *Draper's-court*, which is pretty handſome, with a Free-ſtone Pavement, and turns by a Triangle into *Lothbury*. *Catharine court*, which is but ſmall and ordinary.

But to go back again into *Threadneedle-ſtreet*; near the End of *Prince's-ſtreet* is *Three-nun-court*, pretty large, and indifferent good, with a Free-ſtone Pavement.

At the Eaſt End of this St. *Chriſtopher's* Church is a narrow Alley, which bears the Name of St. *Chriſtopher's-alley*: At the upper End whereof, going down Steps, is a handſome open Court, with good Houſes, having alſo the ſame Name.

More Eaſtward is *Caſtle-alley* on the South Side, which falls into *Cornhill*, filled with Eating-Houſes, Stationers, and Offices depending on the *Change*; further to the Eaſt, are *Sweeting's-rents* and *alley*, both narrow Places, with Free-ſtone Pavements; which alſo give Paſſages into *Cornhill*, being Places taken up by Coffee-houſes, Eating-houſes, and Shops of divers Sorts, as Watchmakers, Stationers, *&c.*

Still further Eaſt, on the ſame Side, is *Finch*, or *Fink-lane*, which falls into *Cornhill*; and is a Place of good Trade. On the Weſt Side is *Spread-eagle-court*, but ordinary, which with a turning Paſſage falls into *Threadneedle-ſtreet*, againſt *Pig-ſtreet*.

Hatton-court, a handſome ſquare Place, well built and inhabited; *Crown-court*, ſmall, and but indifferent.

Watch. There are to watch at the ſeveral Stands in this Ward, every Night, a Conſtable, the Beadle, and thirty Watchmen.

Jurymen. The Jurymen returned by the Wardmote Inqueſt for this Ward, are to ſerve in the ſeveral Courts in *Guild-hall* in the Month of *Auguſt*.

This *Broad-ſtreet* Ward hath an Alderman, with his Deputy, and nine other Common-Councilmen, ten Conſtables, eight Scavengers, thirteen Men for the Wardmote Inqueſt, and a Beadle. It is taxed to the Fifteenth in *London* at 27 *l.* and accounted in the *Exchequer* after the Rate of 25 *l.*

Aldermen and Common Council. The Alderman of this Ward is *Thomas Rawlinſon*, Eſq; late Lord-Mayor of *London*; Mr. *John Clark*, Deputy, Mr. *John Cotterel*, Mr. *John Ellis*, Mr. *Thomas Warren*, Mr. *Samuel Guillum*, Mr. *Timothy Helmſley*, Mr. *Henry Kent*, Mr. *John Weare*, Mr. *Francis Magnus*, and Mr. *Samuel Dolby*, are the Common-Councilmen.

Winchef-ter *Houſe.* On the Spot where *Great* and *Little Wincheſter-ſtreets* now ſtand was a large Houſe (Part of which is the preſent *Pay-Office*;) and Garden, divided from *Carpenters-hall* on the Weſt by a high Stone Wall; the Property of and built by Sir *William Pawlet*, Knight, created Earl of *Wilts*, and Marquis of *Wincheſter*, Lord High Treaſurer of *England* under K. *Edw.* VI.

Through this Garden was a Foot-way, leading by the Weſt End of the *Auguſtine-fryars* Church, ſtrait North, and opened ſomewhat Weſt from *Alhallows* Church, againſt *London-wall*, towards *Moorgate*; which Footway had Gates at each End, locked up every Night: The great Houſe joining to the Gardens ſtretched to the North Corner of *Broad-ſtreet*, and then turned up the ſaid Street to the Eaſt End of *Auguſtine-fryars* Church, which the Lord *Wincheſter* pulled down, except the Weſt End thereof, incloſed from the Steeple and Choir, which was in the Year

Year 1550 let to the *Dutch* Nation in *London*, to be their Preaching Place.

St. Auguſtine's Priory on Auguſtine Fryars.

On that Spot of Ground ſtill retaining the Name, ſtood a Convent of *Auguſtine-fryars*, called properly Fryars *Eremites* of the Order of St. *Auguſtine*. They were Mendicants. The Houſe was a Priory, founded *A. D.* 1253, by *Humfrey Bohun*, Earl of *Hereford* and *Eſſex*, and at its Diſſolution, 26 *Hen.* VIII. a great Part of it was granted to *William Pawlet*, Lord *St. John*, afterwards Marquis of *Wincheſter*.

Reginald Cobham gave his Meſſuage in *London* to enlarge it, in the Year 1344. *Humphrey Bohun*, Earl of *Hereford* and *Eſſex*, re-edified this Church in the Year 1354, whoſe Body was there buried in the Choir. The ſmall ſpired Steeple of this Church was overthrown by a Tempeſt of Wind in the Year 1362, but was raiſed anew, and was ſtanding in the Year 1603, in a very dangerous, tottering Condition; but ſuch was the venerable Regard the City had of it, that a Petition being preferred to the Lord-Mayor and Aldermen, by the Inhabitants of St. *Peter le Poor*, they readily concurred to promote the Repair thereof all they could, by uſing their Intereſt with the Marquis of *Wincheſter*, to whom the Property of that Monaſtery and the Lands adjoining belonged, and for that Purpoſe drew up a Letter to him, in the moſt pathetic Words, and moving Arguments, exciting him to go in Hand with that Work; which was as followeth:

City Petition to the Marquis of Wincheſter.

Right Honourable, my very good Lord,

" There hath been offered of late unto this " Court a moſt juſt and earneſt Petition, by " divers of the chiefeſt of the Pariſh of St. " *Peter le Poor* in *London*, to move us to be " humble Suitors unto your Lordſhip, in a " Cauſe which is ſufficient to ſpeak for it- " ſelf, without the Mediation of any other, *viz.* " for the Repairing of the ruinous Steeple of the " Church, ſome Time called *The Auguſtine Fry-* " *ars*, now belonging to the *Dutch* Nation, ſitu- " ated in the ſame Pariſh of St. *Peter le Poor*, the " Fall whereof (which, without ſpeedy Prevention, " is near at Hand) muſt needs bring with it not " only a great Deformity to the whole City, it " being, for Architecture, one of the beautifuleſt " and rareſt Spectacles thereof, but a fearful im- " minent Danger to all the Inhabitants next ad- " joining. Your Lordſhip, being moved herein " (as we underſtand) a Year ſince, was pleaſed " to give honourable Promiſes, with Hope of " preſent Help; but the Effects not following, " according to your honourable Intention, we " are bold to renew the ſaid Suit again, eftſoons " craving at your Lordſhip's Hands a due Con- " ſideration of ſo worthy a Work, as to help to " build up the Houſe of GOD, one of the " chiefeſt Fountains, from whence hath ſprung " ſo great Glory to your Lordſhip's moſt noble " Deſcendency of the *Pawlets*, whoſe Steps " your Lordſhip muſt needs follow, to continue " to all Poſterity the Fame of ſo bountiful " Benefactors both to the Church and Common- " wealth.

" So that I truſt we ſhall have the leſs Need " to importune your Lordſhip in ſo reaſonable a " Suit: Firſt, Becauſe it doth principally con- " cern your Lordſhip, being the Owner of the " greateſt Part of the ſaid Spire, or Steeple: But " eſpecially that by diſburſing of a ſmall Sum of " Money, to the Value of 50 or 60 *l.* your " Lordſhip will do an excellent Work, very " helpful to many, and moſt grateful to all, as " well *Engliſh* as Strangers; who by this means " ſhall have Cauſe to magnify to the World this " ſo honourable and charitable an Action. And " I and my Brethren ſhall much rejoice to be " relieved herein by your Lordſhip's moſt noble " Diſpoſition, rather than to fly to the laſt Re- " medy of the Law of the Land, which in this " Caſe hath provided a Writ, *De reparatione* " *facienda*.

" Thus hoping as aſſuredly on your Lord- " ſhip's Favour, as we pray inceſſantly for your " continual Felicity, we humbly take Leave of " your Lordſhip. From *London* the 4th of *Au-* " *guſt* 1600.

Your Lordſhip's humbly to be commanded,

Thomas Lowe,	*Nicholas Moſly*, Mayor.
Leonard Holiday,	*Richard Markin*,
Robert Hampſon,	*John Hart*,
Ry. Godard,	*Henry Billingſly*,
John Wattes,	*Stephen Soame*,
Thomas Smythe,	*William Ryder*,
William Craven,	*John Gerrard*,
Humphrey Weld,	*Thomas Bennett*.

No. 71.

But this took no Effect.

This Houſe was valued at 57 *l. &c.* and was ſurrendered the 12th of *November*, in the 30th of *Henry* VIII.

Funeral Monument in the antient Priory of Auguſtine-fryars.

There lie buried in this Fryars Church, among many others of leſs Note, *Edmond*, firſt Son of *Joan*, Mother to King *Richard* II. 1375.

Lady *Margery de Ilderton*, in *Com. Northumberl.* buried in *Auguſtine Fryars*, *London*. Her Will bore Date, 1338.

Guy de Mericke, Earl of St. *Paul*.

In the middle Iſle Sir *Humphrey Bohun*, Earl of *Hereford* and *Eſſex*, Lord of *Brecknock*, who died 1361.

Richard, the great Earl of *Arundel*, *Surrey*, and *Warren*, beheaded 1397.

Sir *Francis Courtney*, Earl of *Pembroke*, who married *Alice*, Siſter to the Earl of *Oxford*.

The Lord *John Vere*, Earl of *Oxford*, beheaded on *Tower-hill*, 1463.

Auberey de Vere, Son and Heir to the Earl of *Oxford*.

Sir *William Bourſer*, Lord *Fitz-Warren*.

Dame *Jane Norris*, Lady *Bedford*.

Anne, Daughter to *John* Viſcount *Welles*.

In St. *John*'s Chapel, *John*, Son of Sir *John Wingfield*.

The Lord *Angleure* of *France*. By him the Lord *Tremayle* of *France*.

In the Chapter-houſe, many of the Barons, ſlain at *Barnet* Field, 1471.

In the Body of the Church, Sir *Thomas Courtney*, Son to the Earl of *Devonſhire*, and by him his Siſter, wedded to *Cheveſtone*.

Between St. *James*'s Altar, and St. *Mary*'s, lay the Lord *William*, Marquis of *Barkeley*, and Earl of *Nottingham*, and Dame *Joan*, his Wife.

This *William*, Marquis of *Barkeley*, by his Laſt Will, bearing Date, *Feb.* 6, 1491, bequeathed

his Body to be buried here in the Fryars of *Auguſtine:* And two Fryars to ſing perpetually in the *White-fryars* Church in *Fleet-ſtreet*, in the Suburbs of *London*, for the Teſtator's Soul, and the Soul of *Thomas Barkeley*, his Son, *&c.* Sir *Tho. Brandon*, Knight, who married the Lady Marchioneſs, bequeathed by his Will, *Anno* 1509, to theſe Fryars *Auguſtines*, 60 *l.* for a perpetual Memory to be had of the ſaid Lord Marquis *Barkeley*, and the ſaid Lady his Wife: And his own, to be buried in the Fryars Preachers, *London*.

William Collingborne, Eſq; beheaded, 1484.

Sir *James Tirrell*, Sir *John Windany*, Knights, beheaded 1502.

Edward Duke of *Buckingham*, beheaded 1521.

Gwiſcard, Earl of *Huntington*.

Some alſo of the antient Family of the *Scots* of *Stapleford Tawney*, in *Eſſex*, ſeem to have been here interred. *William Scot*, of the ſame Place, Eſq; by his laſt Will, bearing Date 1490, willed his Executors with his Goods, aſſone as they goodly may, to be ſeyd and ſonge for his Sowle and other Sowles afore ſeyd [viz. of his Fadyr and Modyr, Benefactours, and al Chriſten Souls] in the Covent Chyrch of the Freers Auſtyns of London, by the Freers of the ſeyd Place, xxx Maſſes, which bene callyd a Trental of St. Gregory, &c. Alſo, in the ſeyd Covent Chyrche of Freers Auguſtines, by the Covent of the ſeyd Place, a Dirige and Mals of Requiem by Note, if it happen hym there to decese. And to the ſame Freers for the ſame Dirige and Mals to be kept, that is to ſey, the Principal therest, being xl to the Pryour, xl to the Freers which ſhall ſyng the ſaid Mals of Requiem, xii d. to every other Freer of the ſame Houſe being a Pryeſt, and helping at the ſame Dirige and Mals viii d. and to every other Freer of the ſame Houſe, being no Pryeſt, helping therein likewiſe iiii d.

That Portion of this Church which was Eaſt, and not granted to theſe Strangers, the aforeſaid *Pawlet*, Earl of *Wilts*, obtained in the fourth alſo of the ſaid King, who of his ſpecial Grace granted him *totam ſuperiorem partem Eccleſiæ nuper fratrum* Auguſtinen. *infra Civitatem* London. *viz. Le Quere*, *La Cros Ile*, *& capellas ibidem*.

This other Part then, namely, the Steeple, Choir, and Side Iſles to the Choir adjoining, the Earl reſerved to Houſhold Uſes, as for Stowage of Corn, Coal, and other Things. His Son and Heir, Marquis of *Wincheſter*, ſold the Monuments of Noblemen (there buried) in great Number, the Pave Stones, and whatſoever, (which coſt many thouſands) for one hundred Pounds, and in Place thereof made Stabling for Horſes. He cauſed the Lead to be taken off the Roofs of the Church, and laid Tile inſtead thereof; which Exchange of Lead for Tile proved not ſo profitable as he looked for, but rather to his Diſadvantage.

Dutch *Church in* Auguſtine-fryars.

In the 4th of King *Edward* VI. he granted by Letters Patents, dated the 24th of *July* 1551, all that Church, except the Choir, to *John Alaſco*, and a Congregation of *Germans*, and other Strangers fled hither for the Sake of Religion, and to their Succeſſors, *in puram & liberam Elecmoſynam*; and the Church to be called *The Temple of the Lord Jeſus*; and *Alaſco* to be the firſt Superintendent, and *Gualter de Leone*, *Martinus Flandrus*, *Francis Riverius*, and *Richardus Gallus*, to be the four firſt Miniſters: And this Gift hath been confirmed by the ſucceſſive Princes to the *Dutch* Strangers, and remains to them to this Day, for the holy Uſes of Prayer, Preaching and Adminiſtration of the Sacraments. This is a very ſpacious and comely Church, tho' but a Part of that Church that belonged to the *Auguſtine-fryars:* There is a handſome Library erected on the Weſt Part of it, which is very ornamental as well as uſeful: And the Miniſters, which are now reduced to two, have convenient Houſes allotted them in the ſaid Fryars.

The aforeſaid Charter is extant in the Collection of Records to *The Hiſtory of the Reformation*, Vol. II. Book I. Numb. LI.

It has been cuſtomary for the *Dutch* and *Walloon* Churches to pay a Deference to every Biſhop of *London*, and to each Lord-Mayor, upon their firſt Acceſs to their Dignity and Charge, and to preſent them with a Piece of Plate. Their Miniſters and Elders of both Churches, as Repreſentatives of the whole, at ſome convenient Time, make their Appearance before them, and one of the Miniſters makes a ſhort Speech to the Biſhop in *Latin*, to the Mayor in *Engliſh*. The Sum of what is ſpoken to the Biſhop is, "To "ſhew the original Plantation of their Church "in *London*, by a Charter of King *Edward* VI. "in the Year 1550, until they, with many "other pious Chriſtians, were fain to fly the "Realm in the Reign of Queen *Mary:* But "yet, that in the Year 1558, upon the Succeſs of the Reformed Religion, reſtored under "Queen *Elizabeth*, they began to fly hither a-"gain by little and little, as to a Sanctuary, "from the Perſecution of the Duke *D'Alva*, the "*Guiſes*, and Prince of *Parma*; ſhe, a true "Mother in *Iſrael*, reſtoring them the Place and "Privileges granted them by King *Edward*. "That King *James* I. her Succeſſor, willed this "Liberty of theirs to remain to them inviolate. "That their Miniſters have all along, to that "Time, been Men of Piety and Learning, pre-"ſerving Peace and Brotherhood with the *Eng-"liſh* Churches. And that as for the Biſhops of "this Dioceſe of *London*, it appeared from "their Records, how lovingly in their Reſto-"ration *Grindal* received them, and what *Ed-"win Sandys*, the next Biſhop, moſt prudently "performed, in appeaſing certain unſeaſon-"able Controverſies ariſen among them, and "how brotherly all the reſt of the Biſhops of "*London* ſince had offered their Aſſiſtances "to them. The like they certainly promiſed "themſelves from him; and ſo congratulating "him on his Preferment, and his Merit of it, "for his Piety and Eloquence, ſo well known "in Court, in the Univerſity, in the City, "and whole Kingdom, they conclude with a "Prayer, That God would endue him with "his Holy Spirit, that by his Miniſtry the Glo-"ry of God might be promoted, and his Church "edified."

The Import of their Addreſs to the Lord-Mayor, is, "That they appear there before his "Honour, to congratulate him in the Name of "their Congregations, according to their yearly "Cuſtom. They pray Almighty God, by his "Holy Spirit, to qualify him for the great Du-"ties

" ties belonging to his high Office and Calling, " that God's Glory may be advanced, and the " Church edified. And laſtly, beſeeching him, " according to the Example of his Predeceſſors, " to be favourable unto them Strangers, fled hi- " ther, at firſt, for the true Profeſſion of the " Goſpel, and hitherto charitably entertained " in this Honourable City." And then they dine with the Lord-Mayor.

Upon the Acceſs of King *James* I. to the Crown of *Great Britain*, *Anno* 1603, the ſaid Church making their humble Addreſs to him, he anſwered them in *French*, " That the Queen " departed made herſelf renowned through the " whole World by two Things; the one was, " that ſhe always entertained and cheriſhed the " Service of God in the Kingdom; and the " other, her Hoſpitality towards Strangers. " Which Commendation of hers he was de- " ſirous to inherit. That if Occaſion had offered " itſelf, when he was at a Diſtance, and lived " as in a Corner of the World, he would have " made known his good Affection to them: But " now that it had pleaſed God to conſtitute him " King of this Country, he ſwore to them, that " if any moleſted them in their Churches, they " addreſſing to him, he would avenge them. " And that tho' they were not his proper Subjects, " yet he would maintain and cheriſh them, as " much as any Prince in the World." He took Notice alſo of their former good Deſerts to the Queen and Kingdom; that is, " How they " had always prayed for the late Queen, and " never gone beyond the Limits of their Duty, " and how they had enriched the Realm with " many Arts, Manufactures, and Sciences uſeful " to the Publick."

Further, in the Year 1642, they preferred a Petition to the Houſe of Lords, in Behalf of themſelves and of the reformed Foreign Churches in the Realm; as in *Norwich*, *Colcheſter*, *Canterbury*, *Sandwich*, &c. to this Purpoſe: " That " there might be an Ordinance of Parliament for " ſettling the Liberty and Exerciſe of their Reli- " gion and Diſcipline, as they were uſed beyond " the Seas reſpectively in the reformed Churches " of their ſeveral Nations: And which they had " hitherto enjoyed by the Charter of King *Ed-* " *ward* VI. of ever-bleſſed Memory, authorized " by his Parliament, and the gracious Favour of " all the ſucceeding Princes." Particularly,

" *Firſt*, That they might have free Liberty to " chuſe and appoint their own Miniſters and all " other Officers belonging to their Churches, ac- " cording to their Diſcipline.

" *Secondly*, That no Member of their Congre- " gations, being under the Cenſure of their Diſ- " cipline, by reaſon of ſome ſcandalous Offence " committed, might be received as Member of " any other Church without a Certification from " his own Church.

" *Thirdly*, That no Church or Congregation " of Foreigners ſhould be authorized in this " Realm, which was not ſubject reſpectively to the " Synods of their ſeveral Nations." They added Reaſons for their third Article.

Hereupon on *Saturday*, *Jan.* 21, 1642, (by Report of the Earl of *Northumberland*) the Houſe ordered, " That there be an Ordinance of Parlia- " ment for ſettling of the Liberty and Exerciſe " of their Religion and Diſcipline, as they are " uſed beyond the Seas reſpectively in the re- " formed Churches of their ſeveral Nations, " which they have hitherto enjoyed by the Char- " ter of King *Edward* VI. authorized by Parlia- " ment, and the Favour of all ſucceeding Princes " of the reformed Religion, Queen *Elizabeth*, " King *James*, and his Majeſty that now is. In " particular, Firſt, &c. as above in the three Ar- " ticles."

About the Year 1704, this *Dutch* Congregation in *Auguſtine-fryars* built, at their common Charge, upon a Piece of Ground in Middle *Moorfields*, purchaſed by them, a handſome Alms-Houſe, containing twenty-ſix Rooms, for maintaining their Poor, either Men or Women, beſides one complete Room where the Elders and Deacons meet weekly to pay the Penſions of the Alms-Folks, or to do other Buſineſs relating to their Poor. The Penſions are either more or leſs, according as their Neceſſities require. The Rooms are not ſo appropriated to the *Dutch* Nation, but that any *Engliſh* Woman, whoſe Huſband had been a Member of the ſaid Church, is capable of being admitted. And oftentimes it happens, that there be more *Engliſh* than *Dutch* harboured there.

Since this Church hath been appropriated to the Uſe of the *Dutch* Nation, few have been buried here, except the Miniſters belonging to it, and the Elders, or others, of more eminent Quality, or Wealth. Such as have Monuments, or Stones, with Inſcriptions, are theſe that follow:

Againſt the Eaſt Wall of the North Iſle, a Monument for *Margaret Laurence*, Daughter and Heir of *Laurence Huyſſen* Heer Van *Weelde* in *Zeeland*. She was married to Colonel *Henry Cornwall* of *Bredwardine*, in the County of *Hereford*. Died *April* 21, 1692.

Elizabeth Philippine, Widow of *Wylen Albert*, *George Graaf tot Bronchorſt*, and *Lamborg Stirum*, born Baroneſs of *Boetzlaer*. Died *October* 1692.

In the South Iſle is the common Place of Burial for the Miniſters of the Church; tho' ſome others are alſo here interred.

Arnoldina, Daughter of the Heer *Arnold Citters*, Ordinary Ambaſſador of the States General to his Majeſty of *Great Britain*. She died *June* 5, 1686, aged 5 Years.

Here is a very handſome Marble Monument ſet up for Sir *Dennis Dutry*, who died in the Year 1728; the Inſcription, as upon moſt of the other, is in the *Dutch* Language.

At the Eaſt End of this Church, between the two Iſles, is a Riſing with ſeveral Steps both from the North and South Sides, and likewiſe on the Weſt, unto a large Platform, whereon is placed a long Table with Seats againſt the Wall, and Forms round, for the Uſe of the holy Communion. On the Eaſt Wall at a due Height are the *Ten Commandments* in *Dutch*, largely written in golden Letters.

On the Weſt End over the Skreen is the Library, inſcribed thus: *Eccleſiæ Londino-Belgicæ Bibliotheca, extructa ſumptibus* Mariæ Dubois, 1659.

In

In this Library are divers valuable MSS and Letters of *Calvin*, *Peter Martyr*, and other foreign Reformers.

The Church is very large and ſpacious, ſupported with two Rows of Stone Pillars. The Seats are all long Benches lined with green Cloth, ſtuffed for eaſy ſitting. The Floor with Deal-Boards laid over the Stones for Warmth: The Windows on the South Side have painted on them *JESUS TEMPLE* in ſeveral Places.

The preſent State of this *Dutch* Church in *Auguſtine-fryars*, and the Congregation of Strangers, or the Children of Strangers, belonging to it, is thus:

They have two Miniſters, who preach twice every *Sunday*, and once in the Week beſides; and they adminiſter the Holy Sacrament monthly, the laſt *Sunday* in the Month; and exchange Churches every firſt *Sunday* in the Month with the *Walloon* Congregation, for their Adminiſtration of the Sacrament, their own Church in *Threadneedle-ſtreet* being too ſmall for them. The Miniſters have allowed them a good yearly Salary, and Houſes to dwell in, conveniently ſituated, near the ſaid Church, and a competent Subſiſtance for their Widows. M. *Vandermerſh*, a Merchant, and one of their Elders, built a Houſe, at his own Coſt, for one of the Miniſters, on which he laid out 400 *l.* and afterwards finiſhed it within, at a conſiderable farther Expence, greatly to his Commendation, and the laſting Memory of his Charity, and good Will to the Church.

They maintain their Poor at their own Charge, which ſtands them in near 1200 *l. per Ann.* Part of which they collect every *Sunday*, and Week-day, when there is a Sermon, at the Church-door, by Deacons of the Church, who ſtand there with Baſons to receive what the People are pleaſed to put in.

Near this Church was formerly a Glaſs-houſe, where *Venice* Glaſſes were made, and *Venetians* employed in the Work: And Mr. *James Howel*, an ingenious Man in King *James* I's Reign, was Steward to this Houſe (who was afterwards Clerk of the Council to King *Charles* I.) When he left this Place, ſcarce able to bear the continual Heat of it, he thus wittily expreſſed himſelf, *That had he continued ſtill Steward, he ſhould in a ſhort Time have melted away to nothing among thoſe hot* Venetians. This Houſe ſtood on the Ground where now are built handſome Dwelling-Houſes and *Pinners-Hall*.

Adjoining to the South-Weſt Side of the Marquis of *Wincheſter*'s Garden was another large Houſe and Garden that reached into *Throgmorton-ſtreet*, on whoſe Site *Drapers-Hall* and Gardens now ſtand. This was the Palace of Lord *Cromwell*, Earl of *Eſſex*, Vicar-General to K. *Hen.* VIII.

Drapers-Hall.

Mr. *Stow* makes great Complaints of this Lord's ill Uſage of his Father, who had a Garden and Summer-Houſe joining to the North Pales of my Lord's Garden: This Summer-Houſe was looſed from the Ground, and carried on Rowlers into his Father's Garden, 22 Feet, without any Warning given to him, or being able to obtain any other Anſwer, when he ſpoke of it to the Surveyors of the Work, than, That their Maſter had commanded them ſo to do.

And more to the Weſt in *Throgmorton-ſtreet* was another great Houſe, appertaining to the Abbot of St. *Alban*'s; and on the South Side thereof a large Free-School, belonging to the diſſolved Hoſpital of St. *Anthony* in *Threadneedle-ſtreet*.

On the North Side of *Threadneedle-ſtreet*, near where the *French* Church now ſtands, was formerly the Hoſpital of St. *Anthony*, and ſome Time a Cell too of St. *Anthony* of *Vienna*. For King *Henry* III. granted to the Brotherhood of St. *Anthony* of *Vienna* a Place amongſt the *Jews*, which was ſome Time their Synagogue, and had been built by them, about the Year 1231. But the Chriſtians obtained of the King, that it ſhould be dedicated to our Bleſſed Lady: And ſince, an Hoſpital being there built, was called St. *Anthony*'s of *London*. It was founded in the Pariſh of St. *Bennet Finke*, for a Maſter, two Prieſts, one School-maſter, and twelve poor Men: After which Foundation, amongſt other Things given to this Hoſpital, one was a Meſſuage and Garden, [whereon was built the fair large Free-School, mentioned above] and one other Parcel of Ground, containing 37 Feet in Length, and 18 Feet in Breadth, in the Pariſh of St. *Bennet Finke*. This was given to the Maſter of the Hoſpital, to the enlarging of their Church, and Houſe to the ſame belonging, for a Maſter, 14 Prieſts, *&c.* in the 7th of *Henry* VI.

St. Anthony's Hoſpital.

Moreover King *Henry* VI. in the 20th of his Reign, gave unto *John Carpenter*, Doctor of Divinity, Maſter of St. *Anthony*'s Hoſpital, and to his Brethren and their Succeſſors for ever, his Manor of *Ponington*, with the Appurtenances, with certain Penſions and Portions of *Milburn*, *Turneworth*, *Charlton*, and *Up-wimburne*, in the County of *Southampton*, towards the Maintenance of five Scholars in the Univerſity of *Oxford*, to be brought up in the Faculty of Arts, after the Rate of 10*d. per* Week for every Scholar: So that the ſaid Scholars, before their going to *Oxford*, be firſt inſtructed in the Rudiments of Grammar at the College of *Eaton*, founded by the ſaid King.

In the Year 1474, *Edward* the IVth granted to *William Say*, Batchelor of Divinity, Maſter of the Hoſpital of St. *Anthony*'s, to have Prieſts, Clerks, Scholars, poor Men, and Brethren of the ſame, Clerks or Laymen, Choriſters, Proctors, Meſſengers, Servants in Houſhold, and other Things whatſoever, like as the Prior and Convent of St. *Anthony* of *Vienna*, *&c.* This Hoſpital was annexed, united, and appropriated unto the Collegiate Church of St. *George* in *Windſor*, about the Year 1485, as was reported by Sir *Anthony Baker*, Maſter of the ſaid Hoſpital, to Sir *John Woolfborne*, Knt. and other Commiſſioners in the 37th of *Henry* VIII.

The Proctors of this Houſe were to collect the Benevolence of charitable Perſons towards the Building and Supporting thereof: And among other Things remarkable in this Place, Mr. *Stow* ſays, he remembered that the Officers charged with the Overſight of the Markets in this City, did ſeveral times take from the Market-People Pigs ſtarved, or otherwiſe unwholeſome for Man's Suſtenance; theſe they uſed to ſlit in the Ear; and one of the Proctors for St. *Anthony*'s having tied a Bell about the Neck of one of them, and turned it to feed on the Dunghills, no Man would hurt or take

take it up; but if any gave them Bread, or other Feeding, ſuch they would know, watch for, and daily follow, whining till they had ſomewhat given them: From whence aroſe the Proverb, *That ſuch-a-one would follow ſuch-a-one, and whine like an* Anthony *Pig*. But if one of theſe Pigs grew to be fat, and came to good Liking, as oftentimes they would, then the Proctor took it up for the Uſe of the Hoſpital.

Since the ſaid annexing this Hoſpital to *Windſor* College, to wit, in the Year 1499, the 14th of *Henry* VII. Sir *John Tate*, ſome Time Ale-brewer, then a Mercer, cauſed his Brew-houſe, called the *Swan*, near adjoining to the ſaid Free Chapel, College, or Hoſpital of St. *Anthony*, to be taken down for the enlarging of the Church, which was then newly built; toward the Building whereof the ſaid *Tate* gave great Sums of Money.

This goodly Foundation having a Free-School and Alms-Houſes for poor Men, built of hard Stone, adjoining to the Weſt End of the Church, was of old Time confirmed by *Henry* VI. in the Year 1447. The outward Work of this new Church was finiſhed in the Year 1501.

Sir *John Tate* deceaſed 1514, and was there buried in a Monument by him prepared, as appeareth by an Indenture Tripartite, made between the ſaid *John Tate*, the Dean of *Windſor*, and *William Milbourne*, Chamberlain.

Walter Champion, Draper, one of the Sheriffs of *London*, 1529, was buried there, and gave to the Beadmen 20 *l.* The Lands, by Year, of this Hoſpital were valued, in the 37th Year of *Henry* VIII. to be 55 *l.* 6 *s.* 8 *d.*

Here was alſo an antient Marble Tomb of *John Taylor*, ſome Time Maſter of the Rolls, remaining long after the *French* enjoyed the Church, *viz.*

Religionis intereſt Monumenta extrui & ornari.

Johannes Taylor *Trigeminor. natu primus, Illuſtriſſimo Rege* Henrico VIII° *imperante, Archichartophylax, in hac ſacra Æde teneris ab unguiculis enutritus, ad Laudem Dei Omnipotentis, & iſtius celebris & Beatiſſimi Patris* Antonii *Eccleſiæ Ornamentum & Decus, ad Oblivionis Procacitatem, quæ rerum omnium citius obfuſcat memoriam, effugandam, hoc vivus & ſuperſtes poſuit, quia præſtat tempeſtive quam ſero ſapere, Executoribus negligentibus ac avaris hujuſmodi Curam relinquendo, Anno Dom.* MDXXXII.

Quocunq; ingrederis, ſequitur mors corporis umbram.

One *Johnſon* (a School-maſter here) became a Prebendary of *Windſor*, and then (by little and little) ſpoiled this Hoſpital: He firſt diſſolved the Choir, conveyed away the Plate and Ornaments, then the Bells, and, laſtly, put out the Alms-Men from their Houſes, appointing them Portions of 12 *d.* the Week to each: But afterwards their Houſes, with others, were let out for Rent, and the Church was a preaching Place for the *French* Nation, who hold it of the Church of *Windſor*.

This School was commended in the Reign of *Henry* VI. and ſince alſo commended above others; but now it is decayed, and come to nothing.

The Scholars of this School uſed at a certain Time of the Year to go in Proceſſion. In the Year 1562, on the 15th Day of *September*, there ſet out from *Mile-End* two hundred Children of this St. *Anthony*'s School, and ſo along through *Aldgate* down *Cornhill* to the *Stocks*, and ſo to the *Fryar Auguſtine*'s, with Streamers and Flags, and Drums beating.

The *French* and *Walloon* Church is ſtill in this Place, having been new built after the Ruins of the former Church by the great Fire.

Scalding-Alley. At the Weſt Extremity of this Ward, now called *Scalding-Alley*, was formerly a large Houſe known by the Name of *Scalding-Houſe*, or *Scalding-wicke*; becauſe the Ground, for the moſt part, was then employed by Poulterers, who dwelt in the High-ſtreet, from *Stocks-market* to the great Conduit. Their Poultry, which they ſold at their Stalls, was ſcalded in this Place. The Street yet bears the Name of the *Poultry*. This *Scalding-alley* was once parted by the Water of *Walbrook* from *Cheap* Ward.

The moſt remarkable Things in this Ward at preſent are,

Parißes. *Firſt*, Six *Churches*. (1.) *Allhallows in the Wall*. (2.) St. *Peter's le Poor*. (3.) St. *Martin's Oteſwich* or *Outwich*. (4.) St. *Benedict*, alias *Bennet-Finck* or *Finch*. (5.) St. *Bartholomew Exchange*, or *Little*. (6.) St. *Chriſtopher*'s. Of which more particularly in the parochial Hiſtory.

Carpenters-Hall. *Secondly*, Four *Halls*. (1.) *Carpenters-Hall* is ſituate almoſt facing the Eaſt End of *Bethlehem*, on the South Side of *London-wall-ſtreet*, in a Court or Yard called *Carpenters-Hall-yard*, to which we enter through a large Pair of Gates. The Buildings in this *Yard*, and the Hall itſelf, are antient Timber and Plaiſter, in the Manner of the like Sort that eſcaped the Fire of *London*. This Hall was formerly bounded on the Eaſt by a high Stone Wall belonging to the Garden of the Marquis of *Wincheſter*; and on the South it is now joined by *Drapers Gardens*. This Hall, though very old, and chiefly Timber, is not without its peculiar Ornaments.

Drapers-Hall. (2.) *Drapers-Hall*, ſituate on the South Side of *Throgmorton-ſtreet*, in the Pariſh of St. *Peter le Poor*, is built upon the Ruins of a noble Palace erected on that Spot in the Reign of King *Henry* VIII. by *Thomas* Lord *Cromwell*, Earl of *Eſſex*, which upon his Attainder and Execution for High Treaſon devolving to the Crown, was purchaſed by the Company of *Drapers* for the Uſes to which it is now applied. It was burnt down in the Fire of *London* 1666, and ſince magnificently rebuilt partly by Subſcription; towards which, one Member, then in the *Eaſt-India* Service, gave 6000 *l.* if we are rightly informed.

It is a very ſpacious noble Building, containing the four Sides of a Quadrangle, each Side elevated on Columns, and adorned with Arches, by which there are conſtituted Piazzas, and between each Arch is a Shield, Mantling, and other Fret-Work. To this Hall belongs a large and pleaſant Garden, with Walks, much frequented by genteel Citizens at convenient Hours. The Room called the Hall is adorned within with a ſtately Screen, Enrichment and fine Wainſcot; the Pictures of King *William* III. King *George* I. King *George* II. at full Length; and a three Quarter Length, an antient Picture, of *Henry Fitz-Alwine*,

a Draper, and firſt Lord-Mayor of *London*: And there are ſeveral large Rooms wainſcotted with Oak; ſuch as the Court-Room, ſo called, at the Weſt End of which hangs an original Picture of the unfortunate *Mary* Queen of *Scots*, at full Length, with King *James* her Infant Son in her Hand; ſuppoſed to be a Picture of great Value. This leads into a long Gallery, at the South End whereof is a Door into the Apartments for the Clerk and Offices: At the North End, a folding Saſh-door opens into a grand ſquare Room, called the *Ladies Chamber*, where the Company uſed, a few Years ago, to entertain their Wives and Friends with a Ball at certain Seaſons, eſpecially on the Day of declaring the Election of their Maſter and Wardens. In the Center of this Chamber hangs a large and beautiful Cryſtal cut Chandelier, a Preſent from the late Sir *Joſeph Eyles*, when he ſerved the Office of Sheriff. And over the Chimney-piece is a fine Picture of Sir *Robert Clayton*, Lord-Mayor of *London* in 167--. Out of the Weſt Side of this Room, a Paſſage leads to a Place called the *Record Room*; the Door to which is of Iron. It is very ſtrongly built over the Paſſage that leads into the Garden, and covered with a Ciſtern, containing ſuch a Body of Water, as at any Time to be ready and ſufficient to defend this Apartment from Fire that might ſpread from the adjacent Buildings.

Merchant Taylors-Hall.

(3.) *Merchant-Taylors-Hall*, ſituate near the South-Eaſt Corner of *Threadneedle-ſtreet*, and in the Pariſh of St. *Martin Outwich*, is built upon the Site of an antient Houſe poſſeſſed by one *Edmund Crepin*, or *Dominus Crepin*, who in the Year 1331 ſold it to *John* of *Yakeſley*, the King's Pavillion-maker, for the Uſe of the *Linnen Armourers*, or *Taylors*, of the Guild and Fraternity of St. *John Baptiſt*, who at that Time met at a Houſe or Hall on the Back-ſide of the *Red Lion* in *Baſing-lane*.

This *Merchant-Taylors-Hall* is a ſpacious Building, having at the Entrance, in the Front, a handſome large Door-Caſe, adorned with two Demy Columns, their Entablature and Pediment of the *Compoſite* Order; and the Inſide is adorned with Hangings, which contain the Hiſtory of their Patron St. *John Baptiſt*; and which, though old, are very curious and valuable.

Pinners-Hall.

(4.) *Pinners* or *Pinmakers-Hall*, ſituate at the S. E. Corner of *Great Wincheſter-ſtreet*. It is moſt noted for being let out for a Meeting of Independents, whoſe Lectures are preached here with great Applauſe.

The Bank.

Thirdly, Publick *Offices*. (1. The *Bank* of *England*, which is ſituate cloſe to the Eaſt End of St. *Chriſtopher*'s Church, on the Site of the late Houſe and Garden of Sir *John Houblon*, and ſome other Tenements, to make its Way backward into *Bartholomew-lane*. It ſtands in too narrow a Place, near to the confined Weſt Extremity of *Threadneedle-ſtreet*; but it is a moſt magnificent Structure; the Front next the Street is about eighty Feet in Length, adorned with Columns, Entablature, *&c.* of the *Ionick* Order. There is a handſome Court-yard between this and the main Building, which, like the other, is of Stone, and adorned with Pillars, Pilaſters, Entablature, and triangular Pediment of the *Corinthian* Order. The Hall is 79 Feet in Length, and 40 in Breadth, is wainſcotted about eight Feet high, has a fine Fret-work Ceiling, and a large *Venetian* Window at the Weſt End of it. Beyond this is another Quadrangle, with an Arcade on the Eaſt and Weſt Sides of it; and on the North is the Accomptant's Office, which is 60 Feet long, and 28 Feet broad. There are handſome Apartments over this and the other Sides of the Quadrangle, with a fine Stair-caſe adorned with Fret-work; and under it are large Vaults, that have very ſtrong Walls and Iron Gates for the Preſervation of the Caſh.

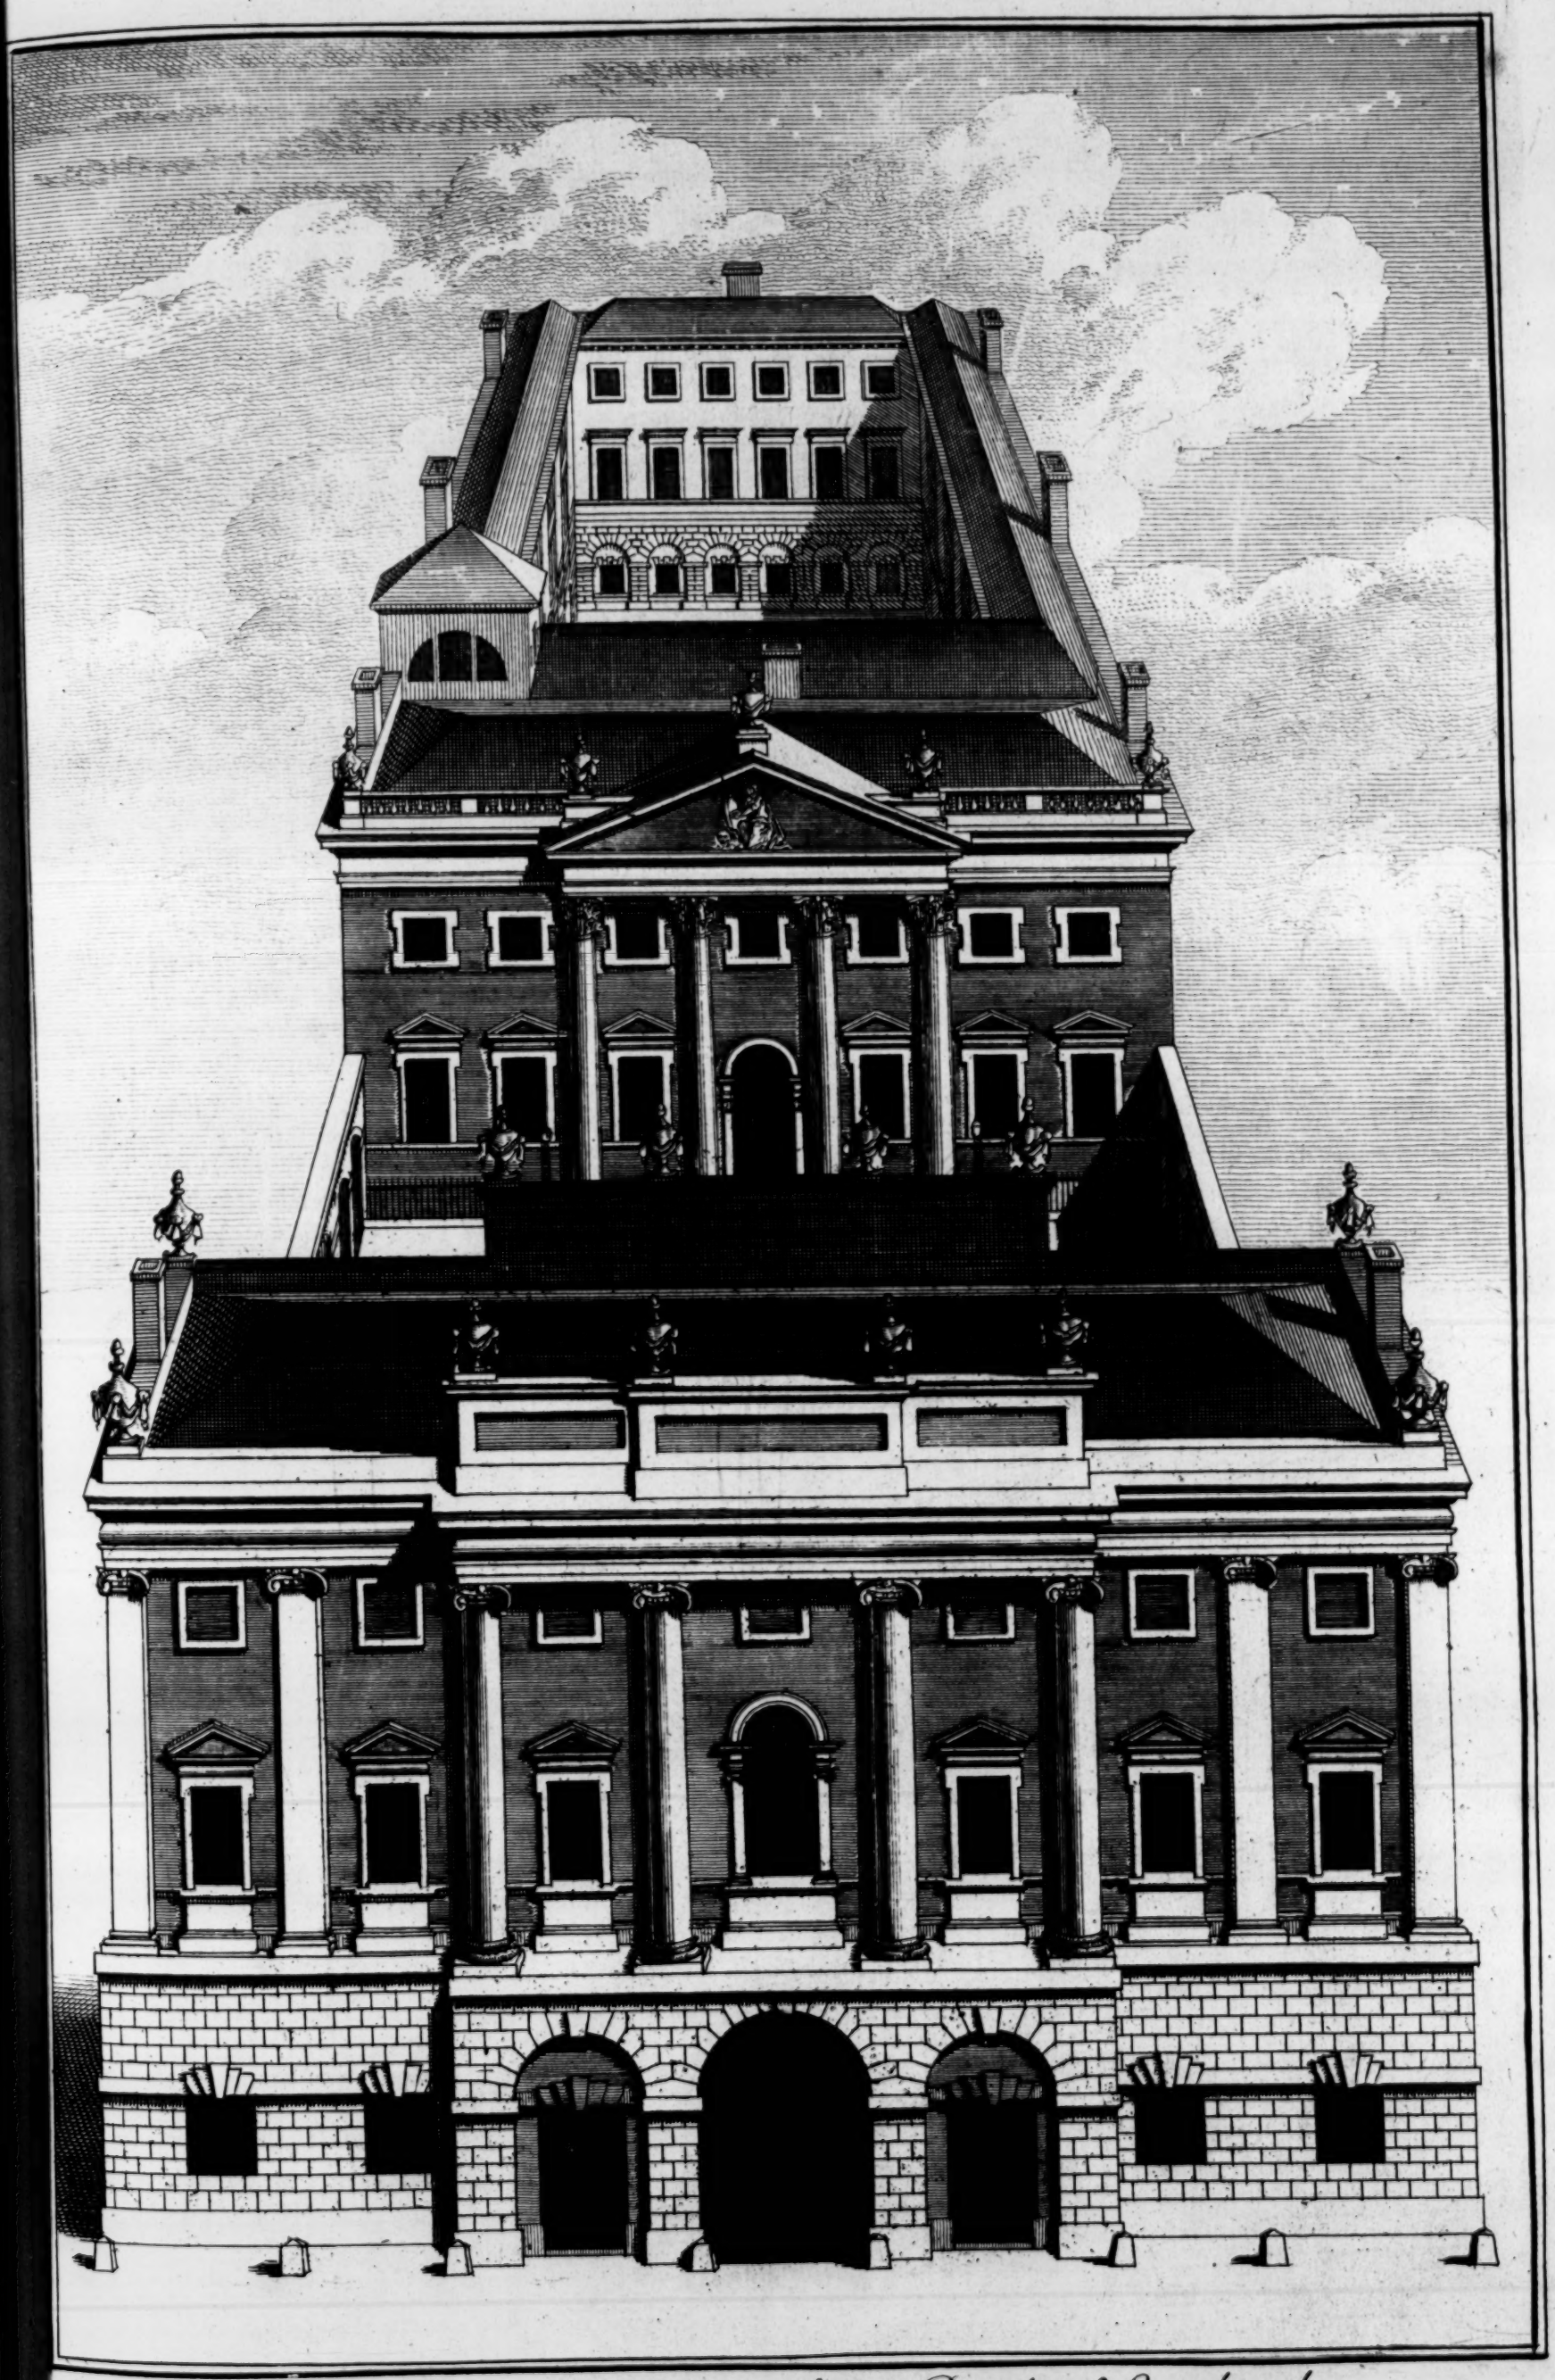
The back Entrance from *Bartholomew-Lane* is by a grand Gateway, which opens into a commodious and ſpacious Court-yard for Coaches or Waggons that come frequently loaded with Gold and Silver Bullion.

The *Bank* was eſtabliſhed by Act of Parliament, *Anno* 1693, 5 and 6 *William* and *Mary*, Chap. 20. for a Loan of 1,200,000 *l.* ſubſcribed and paid in to the Government at ſeveral Times; which Act laid an additional Duty on Tonnage, Exciſe, *&c.* which it was propoſed would bring into the *Exchequer* 140,000 *l. per Ann.* of which 100,000 *l.* was ſecured to the *Bank*, as Intereſt, *&c.* for the ſaid 1,200,000 *l. viz.* 96,000 *l.* Intereſt, at eight *per Cent. per Ann.* and the 4000 *l.* for Salaries and Incidents; upon which Baſis the *Governor and Company of the* Bank *of* England were incorporated, with a Power to make By-Laws, and act in all other Reſpects as a legal Corporation for thirteen Years.

By their Charter, they were conſtituted a Governor, Deputy-Governor, and twenty-four Directors, thirteen of whom, whereof the Governor, or Deputy-Governor, to be one, made a Court; who were inveſted with the Power of Management, except at General Courts of all the Members, which were to be held four Times a Year, or oftner, if demanded by nine Members, who had then each 500 *l.* Stock. And the Sum of 4000 *l.* in Capital Stock qualified a Member for Governor; 3000 *l.* for Deputy-Governor; and 2000 *l.* for Director: And the Appointment of Officers, and their Salaries, was by the Majority of ſuch Members as had in this Stock 500 *l.* and the Choice to be annually.

Upon this Foot the *Bank* continued till the Year 1696, when, by reaſon of the ill State of the Coin, the ſelfiſh Practices of ſome Perſons, *&c.* the Credit both of the *Exchequer* and *Bank* were low, greater Demands being made upon the latter than they were able to anſwer; and the Tallies going at 50, or upwards, *per Cent.* Diſcount, an Act was made *Anno* 1696, 8 and 9 *Will.* III. *Chap.* 20. for reſtoring Credit to both, whereby any Perſon might make new Subſcriptions to the *Bank*, which was obliged to take them four Fifths in Tallies (upon a *Par*) and one Fifth in *Bank* Notes, by which Means the Capital Stock of the *Bank* was enlarged, the Demand on their Notes leſſened, their Credit revived, and the Diſcount on Tallies reduced much lower, the Government allowing eight *per Cent.* for all ſubſcribed as aboveſaid, until the Funds might come in, which would pay off in Courſe ſuch Tallies, and the *Bank* was to make a Dividend of the Principal to the Members, as thoſe Tallies were from Time to Time paid off.

Upon



A Perspective View of the Bank of England.

Upon theſe Eſtabliſhments the *Bank* was reſtrained by the following Injunctions:

I. That no Perſon ſhould ſubſcribe above 10,000 *l.* before the firſt of *July* following, the opening of the Books, nor above 20,000 *l.* afterward.

II. They are not to borrow under their Seal more than 1,200,000 *l.* upon the firſt Eſtabliſhment, nor above the Sum ſubſcribed on the ſecond, otherwiſe each private Member ſhall make good his Proportion of the Deficiency that may be occaſioned thereby.

III. They are not to trade as a Corporation, but as hereafter-mentioned, nor impower any one to trade for them, under the Penalty of forfeiting treble the Value of what they trade for, of which the Informer ſhall have the fifth Part.

If they refuſe to pay any of their juſt Debts, the *Exchequer* muſt pay them out of the 100,000 *l.* as it ſhall become due to the *Bank*.

The Privileges of this Bank *are*,

I. Their ſealed Notes were by Law made transferable by Indorſement.

II. They have Power to purchaſe Lands, (except thoſe of the Crown) and to receive Goods as a Security for Money lent, to buy Gold or Silver Bullion, and to ſell Goods, *&c.* forfeited to them.

III. Their Stock ſhall not be taxable in any Caſe.

IV. They may negotiate Bills of Exchange, and receive or take them for other Bills or Caſh.

V. The Government was to give them a Year's Notice upon paying them back their 1,200,000 *l.*

VI. To counterfeit their Notes was made Felony.

VII. No Perſon dealing in this Stock could be a Bankrupt thereby, nor the Stock liable to foreign Attachment.

VIII. During the Continuance of this *Bank*, the Time for which was enlarged, no other *Bank* ſhall be erected by Parliamentary Authority.

	l.
There is at preſent due to the *Bank* from the Government on the original Fund, at 6 *l. per Cent.* —	1,600,000
For cancelling of *Exchequer* Bills, 3 *George* I. — —	1,500,000
Purchaſed of the *South-Sea* Company, — — —	4,000,000
Annuities, at 4 *l. per Cent.* charged on the Duty on Coals ſince *Lady-Day*, 1719, — —	1,750,000
Ditto, charged on the Surplus of the Funds for the Lottery of 1714, — —	1,250,000
Total due to the *Bank* of *England*, — —	10,100,000

Their Seal is *Britannia*.

The following is a LIST *of the Names of the Governor, Deputy-Governor, and Twenty-four Directors, of the* Bank *of* England, *for the Year* 1733.

A.D.1733

The Honourable *Horatio Townſhend*, Governor.

Bryan Benſon, Eſq; Deputy-Governor.

Rob. Alſop, *Eſq*; *Ald.*
Delill. Carbonnel, *Eſq*;
Mr. Robert Atwood.
Sir Edw. Bellamy, *Knt. and Ald.*
John Bance, *Eſq*;
Stamp Brookſbank, *Eſq*;
Mr. Clement Boehm.
Sir Gerard Conyers, *Knt. and Ald.*
Sir William Jolliff.
Chr. Lethuillier, *Eſq*;
Henry Neale, *Eſq*;
John Rudge, *Eſq*;
Moſes Raper, *Eſq*;
Thomas Cooke, *Eſq*;
Will. Fawkener, *Eſq*;
Mr. James Gaultier.
Sir John Heathcote, *Bart.*
Samuel Holding, *Eſq*;
Henry Herring, *Eſq*;
Matthew Howard, *Eſq*;
William Snelling, *Eſq*;
James Spilman, *Eſq*;
Charles Savage, *Eſq*;
Mr. Rob. Thornton.

In the Year 1707, *Nathanael Tench*, Eſq; a worthy and intelligent Citizen, wrote *a Defence of this* Bank; being a Reply to a Pamphlet, called, *Remarks upon the* Bank *of* England; alſo to two other Pamphlets wrote againſt the *Bank*, one intitled, *A ſhort View of the apparent Danger and Miſchiefs from the* Bank *of* England; the other, *Reaſons offered againſt the Continuance of the* Bank, *in a Letter to a Member of Parliament*. Theſe Remarks and Pamphlets were thrown abroad, to prejudice the Parliament againſt granting a further Enlargement of Time to the *Bank*. The chief Purpoſe of this Defence was to vindicate a Corporation, and the Management thereof; not ſo much from Crimes they had already been guilty of in the Experiment of eleven or twelve Years, as the Fear of what they might do hereafter. For it was acknowledged by their bittereſt Enemies, even in their Treatiſes wrote againſt it, That the *Bank* had been ſerviceable to the Government, and that the Managers thereof had not been guilty of thoſe Villainies and Knaveries, which they ſuppoſed their Succeſſors might be: But that it was a neceſſary Conſequence, that by a further Enlargement of their Time (if any ſuch they ſhould have) either they, or their Succeſſors, might, for Time to come, ſo prevaricate, as to be guilty of thoſe Crimes, which they took upon them to ſuppoſe; though hereof was not the leaſt Proof brought.

This Vindication of the *Bank* thus concludes: "That it might be with Truth concluded, that "ſince their firſt Eſtabliſhment, (which was then "about 12 or 13 Years) they never bought one "Foot of Land, they never monopolized any "one Commodity. That they had been ſo far "from obſtructing Trade, that they had very "much encouraged and enlarged it, by diſcoun-"tenancing Foreign and Inland Bills of Ex-"change; and by lending Money upon Notes, "to very great Sums, at very low Intereſt. That "they had never put any Hardſhips upon the "Government, as thoſe Authors would inſinu-"ate; but had all Times ſerved it to the utmoſt "of their Power. That they had been ſo far "from raiſing the Intereſt of Money, that they "were the great, if not the only, Cauſe of lower-"ing it. That they had never concerned them-"ſelves in the Election of any one Member of "Parliament, nor ever advanced a ſingle Penny "to influence any Election. Neither could any "Man complain, that he did not receive his "Money on Demand, that called for it. In ſhort, "that notwithſtanding the Clamour and Noiſe "their Adverſaries made againſt them, they had "not brought any Inſtance, that they had been "guilty

" guilty of any baſe or unworthy Action, in any " one Fact committed by them, ſince their firſt " Eſtabliſhment. So that all the Clamour of " their Ill-willers had been raiſed upon a bare " Suſpicion of what their Succeſſors might do " hereafter."

The BANK of ENGLAND was incorporated *A. D.* 1693, and is managed by a *Governor*, *Deputy-Governor*, and twenty-four Directors, choſen annually in the *firſt whole Week* in *April*, under this Reſtriction, that *eighteen Directors* at leaſt ſhall be choſen every Year.

Theſe for the Year 1755 are, *Charles Palmer*, Eſq; Governor, *Matthew Beachcroft*, Eſq; Deputy-Governor.

Directors,

Bryan Benſon, Eſq;	*Richard Stratton*, Eſq;
Matthew Clarmont, Eſq;	*Peter Thomas*, Eſq;
William Cooper, Eſq;	*Harry Thompſon*, Eſq;
Philip de la Haize, Eſq;	*John Weyland*, Eſq;

Robert Saluſbury, Eſq;	*Thomas Whateley*, Eſq;

N. B. The *laſt eight* are *new ones*.

South-Sea-Houſe

2. The *South-Sea-Houſe*, which is ſituate at the N. E. Extremity of *Threadneedle-ſtreet*, and Part in *Biſhopſgate* Ward, faces the Pariſh-Church of St. *Martin Outwich* forward, and the Pariſh-Church of St. *Peter le Poor* in *Broad-ſtreet* with its back Front, which was once the only Office of this Company; and, before its Inſtitution, this Part was the *Exciſe-Office*. As to the new Building, it is a moſt magnificent Structure of Brick and Stone, about a Quadrangle, ſupported by Stone Pillars of the *Tuſcan* Order, which form a fine Piazza. There is a beautiful Front of the *Dorick* Order in *Threadneedle-ſtreet*. The Walls are of a very great Thickneſs, and there are Vaults underneath the Houſe, arched over, to preſerve their Treaſure and rich Merchandize from Fire. The ſeveral Offices for the Buſineſs of the Company are admirably well diſpoſed; and the great Hall for Sales, the Dining-Room, Galleries, and Chambers, are hardly to be parallelled.

The Tranſactions of the *South-Sea* Company having made ſo much Noiſe in the World, and the Conſequences of them having been ſo fatal to a great Number of People, of which many yet feel the unhappy Effects, a diſtinct Account of its Foundation, *&c.* cannot be thought improper in ſuch a Collection as this:

Abſtract of the Charter of the Governors and Company of Merchants of Great-Britain *trading to the* South-Seas, *and other Parts of* America, *and for encouraging the Fiſhery, founded upon an Act of Parliament eſtabliſhing the ſaid Company.*

Date and Recital of the Act.

" The Charter is dated the eighth of *September*, " 1711, and recites the Act for paying the pub- " lick Debts, and ſettling the Trade to the " *South-Seas* and other Parts of *America*, and for " encouraging the Fiſhery; and the Settlement " thereby made of a Fund of five hundred and " ſixty-eight thouſand two hundred and ſeventy- " nine Pounds ten Shillings *per Ann.* to pay an " Annuity of ſix Pounds *per Cent.* for all the pub- " lick Debts, to be provided for by the ſaid " Act, computed at nine Millions four hundred " and ſeventy-one thouſand three hundred and " twenty-five Pounds, and the Power thereby " granted to her Majeſty to incorporate the Pro- " prietors of the ſaid Debts, and to appoint Com- " miſſioners for taking Subſcriptions toward the " joint Stock of the Corporation, by the ſaid Act " directed to be erected for carrying on the Trade " to the *South-Seas*, and for encouraging the " Fiſhery; and the Clauſe of the Act for allowing " the Company eight thouſand Pounds *per Ann.* " towards the Charge of Management.

Recital of the two Commiſſions.

" And the Charter further recites, That two " Commiſſions had been granted for taking the " ſaid Subſcriptions; the one dated the twenty- " ſeventh of *June*, and the other the eleventh of " *July*, 1711. And that there appears to have " been ſubſcribed, purſuant to the ſaid Act and " Commiſſions, before the laſt Day of *July* 1711, " the Sum of three Millions four hundred and " five thouſand five hundred and fifty-nine Pounds " twelve Shillings and ſeven Pence, or there- " abouts; and that the ſaid Subſcriptions have " been paid and anſwered by Delivery, within " the Time for that Purpoſe limited, in the ſe- " veral Species provided for by the Act, to the " Amount in Principal Money of ſuch Subſcrip- " tions.

Sum already ſubſcribed.

Incorporating Clauſe.

" Then her Majeſty incorporates the preſent " Subſcribers, and all the Proprietors of the ſe- " veral Species intended to be provided for by " the Act who ſhould hereafter ſubſcribe, to be " one Body Politick and Corporate, by the Name " of *The Governor and Company of Merchants of* " Great-Britain *trading to the* South-Seas *and* " *other Parts of* America, *and for encouraging the* " *Fiſhery*; with Power to purchaſe Lands, *&c.* " not exceeding one thouſand Pounds *per Ann.* " and to ſell, grant, or diſpoſe of the ſame " Lands, *&c.* and to ſue and be ſued.

The Name of the Corporation.

And what Lands they may purchaſe.

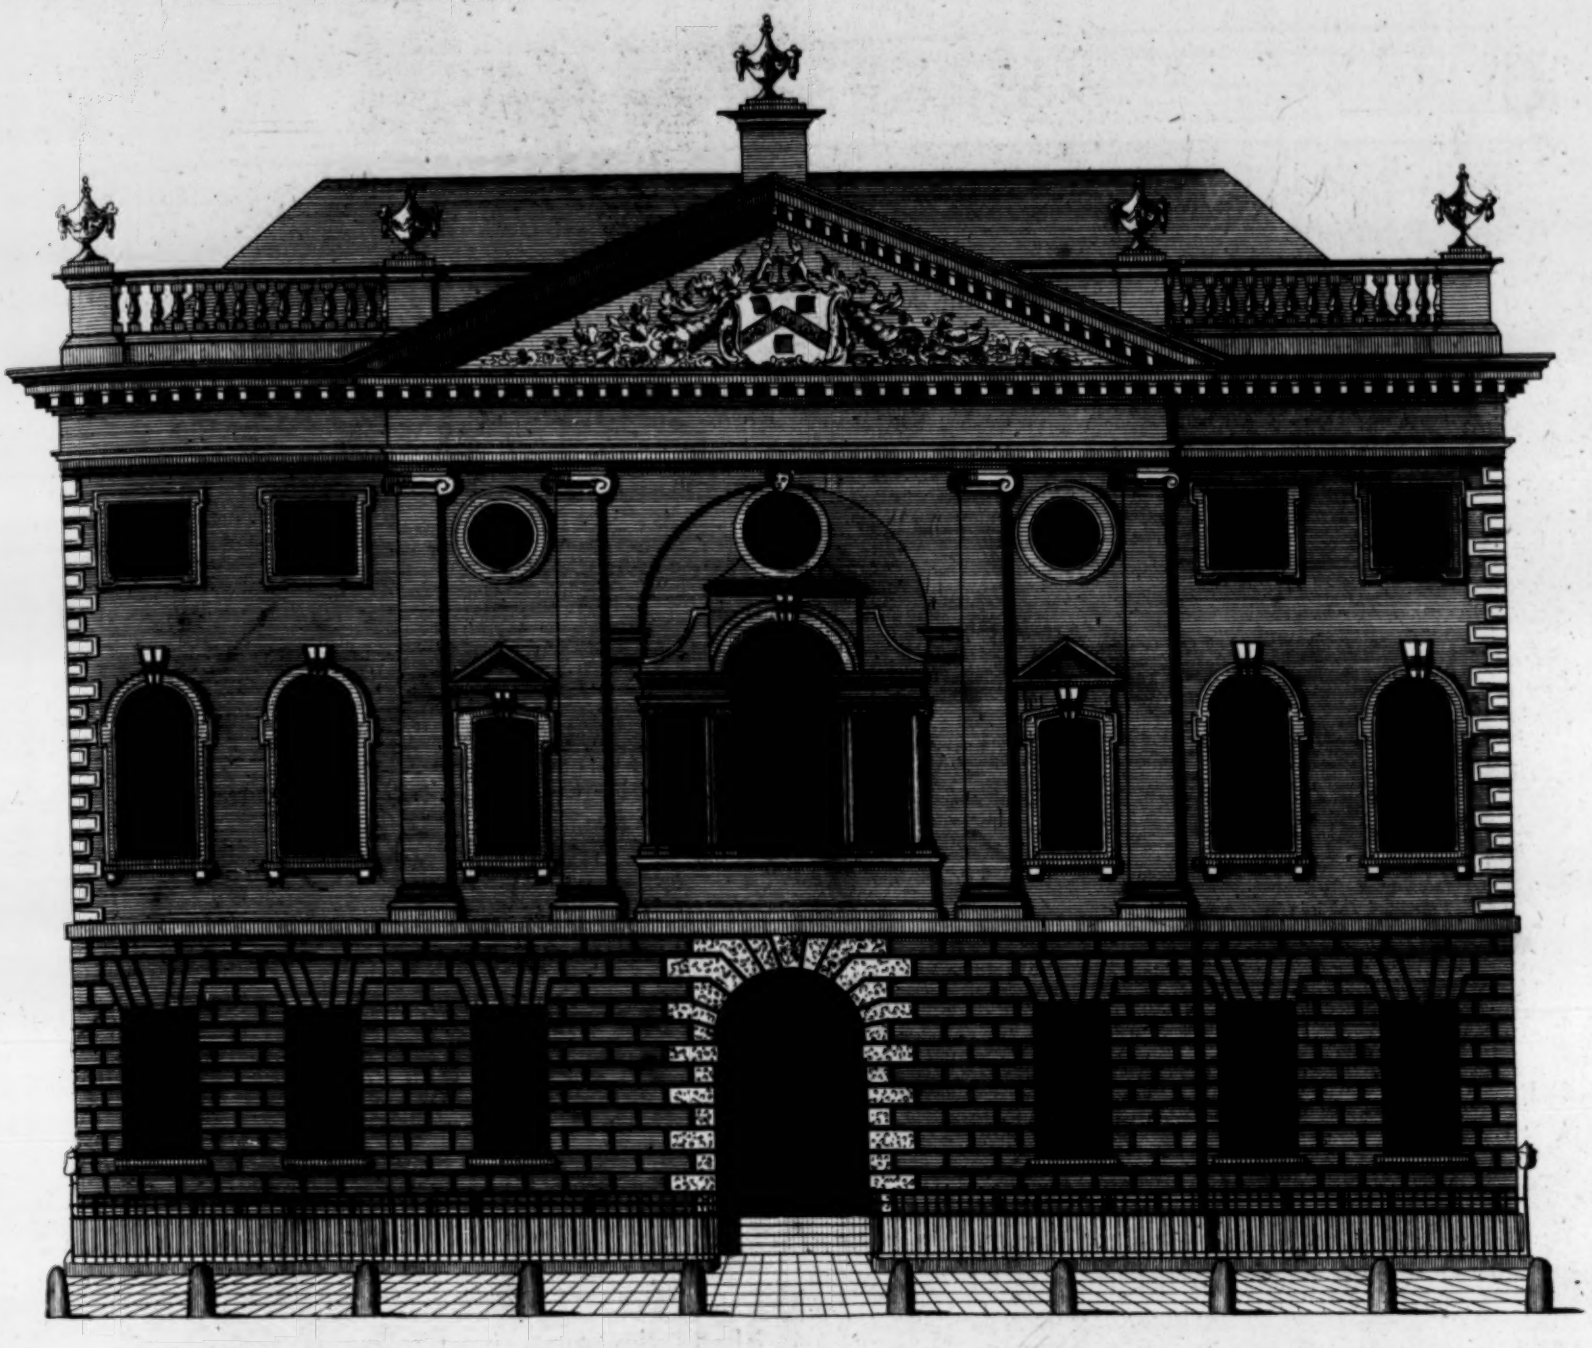
May diſpoſe of their Lands, and ſue and be ſued.

" And that the total Sum of all Tallies, *&c.* " and Sum of Money, with the Intereſt, to be " computed as the ſaid Act directs, ſubſcribed or " put into the joint Stock, and to be ſubſcribed " and put into the ſame, purſuant to the ſaid Act, " ſhall be deemed and called the Common Ca- " pital and Principal Stock of the ſaid Com- " pany; and all Perſons concerned to have a " Share in the Annuity or Fund in Proportion to " their Stock, and to become Members of the " Company, and be admitted without Fee or " Charge.

What deemed the Capital Stock.

Directions to the Treaſury, &c. to pay the Annuity, and the 8000 l. per Ann. toward the Charge of Management.

" Her Majeſty commands the High Treaſurer " and Commiſſioners of the Treaſury for the " Time being, and the other Officers, to cauſe " to be paid to the Company the aforeſaid annual " Sum of ſix Pounds *per Cent.* for the whole Ca- " pital Stock, and alſo the eight thouſand Pounds " *per Ann.* towards the Charge of Management " of the ſaid Company, according to the ſaid " Act, to ſuch Perſon or Perſons as the Com- " pany,



Ironmonger's Hall in Fenchurch Street London.

The South Sea House in Threadneedle Street.

B. Cole sculp.

" pany, under their Common Seal, ſhall appoint " to receive the ſame.

Inſtitutes a Court of Directors. " And grants, that, for the good Government " of the Company, there ſhall be for ever a " Court of Directors, to conſiſt of one Governor, " one Sub-Governor, and one Deputy-Governor, " and thirty Directors; and that the Majority of " the ſaid Court of Directors, whereof the Gover- " nor, Sub-Governor, and Deputy-Governor (ex- " cept as is therein excepted) to be always one, " ſhall be deemed a Court of Directors.

How long to continue. " That the preſent Governors and Directors " ſhall continue in their reſpective Offices or " Truſt one Year from the Date of the Charter, " unleſs others ſhall be choſen ſooner.

Time of next Election, and Qualifications for voting. " The next Election of Governors, *&c.* to be " between the twenty-fourth of *June* and firſt of " *September*, 1712, by the Majority of Votes of " ſuch Members as are qualified as follows, *viz.* " ſuch Perſon as hath a thouſand Pounds in the " Capital Stock in his or her own Name and " Right, to have one Vote; ſuch as have three " thouſand Pounds, two Votes; ſuch as have " five thouſand Pounds, three Votes; and ſuch " as have ten thouſand Pounds Stock, or more, " to have four Votes, and none more: And the " Governor and Directors choſen before the firſt

Continuance of the next Court of Directors. " of *September*, 1712, to continue till the ſixth " of *February*, 1714, and until others are choſen " in their Places.

Time of the next and future Elections. " And the next Election of Governors and Di- " rectors to be between the twenty-fifth of *De-* " *cember* and ſixth of *February*, 1714; and the " next Election of Governors and Directors after " the ſixth of *February*, 1714, to be between the " twenty-fifth of *December* and ſixth of *February*, " 1717; and from thenceforth every third Year " between the twenty-fifth of *December* and the " ſixth of *February*, for ever.

Notice of the Election. " Publick Notice to be given in the *London* " *Gazette* fourteen Days before every Election of " Governors and Directors.

Others to be choſen in the room of thoſe deceaſed, &c. " The Majority of the Governors and Directors " remaining in Office may, after fourteen Days " publick Notice, as aforeſaid, aſſemble the " Members of the Company, in order to chuſe " others in the room of Governors or Directors " deceaſed or avoided, *&c.*

Voter's Oath. " *I* A. B. *do ſwear, that the Sum of one thou-* " *ſand Pounds, or more, of the Capital Stock of* " *the Body Politick, called by the Name of the* Gover- " nor and Company of Merchants of *Great-Bri-* " *tain* trading to the *South-Seas* and other Parts " of *America*, and for encouraging the Fiſhery, " *doth at this Time belong to me in my own Right* " *and not in Truſt for any other Perſon or Perſons* " *whatſoever*. So help me God.

Quakers Declaration. " A Declaration to the like Effect to be made " by ſuch Perſons called *Quakers*.

Oath on Behalf of any Corporation. " The like Oath to be taken on Behalf of any " Corporation or Body Politick, claiming Right " to vote; the ſaid Oath to be made by ſuch " Perſon or Perſons as ſuch Corporation, under " their common Seal, depute to vote for them.

Who to adminiſter them. " The Governor, Sub-Governor, Deputy-Go- " vernor, or any two or more of the Directors, " to adminiſter the aforeſaid Oath and Declara- " tion.

" No Perſon to be qualified for Governor, " Sub-Governor, Deputy-Governor, or Director, " but natural-born Subjects of *Great-Britain*, or " naturalized; and likewiſe the Perſon to be " choſen Governor, Sub-Governor, or Deputy- " Governor, at ſuch Time to have five thouſand " Pounds, and the Directors three thouſand " Pounds, or more, in the Capital Stock of " the ſaid Company, in his own Name and " Right.

Qualification for Governors and Directors.

" No Perſon to be Governor, Sub-Governor, " Deputy-Governor, or Director, while Gover- " nor, Deputy-Governor, or Director of the " *Bank of England* or *Eaſt-India* Company, or ca- " pable thereof.

No Perſon to be Governor or Director of this Company, and of the Bank *or* Eaſt-India *Company, at the ſame Time.*

" No Governor to be capable of executing that " Office in this Company, until he has taken an " Oath, That he will give his beſt Advice and " Aſſiſtance for the Support and good Govern- " ment of the ſaid Company, and will faithfully " and honeſtly demean himſelf, and execute the " ſaid Office accordingly, to the beſt of his Skill " and Underſtanding.

Governor's Oaths.

" The like Oaths, *mutatis mutandis*, to be " taken by the Sub-Governor, Deputy-Governor, " and Directors of the ſaid Company.

Directors the like Oaths.

" The Court of Directors to meet at any con- " venient Place, hold Courts, ſummon General " Courts, as Occaſion requires; and the Court " of Directors, with a Governor, or Sub-Gover- " nor, or Deputy-Governor, (or without, in " ſuch Caſes as are after mentioned) may act ac- " cording to By-Laws, *&c.* given them by Ge- " neral Courts; and where ſuch By-Laws are " wanting, the Majority of the Court of Directors " may manage Affairs of the Company, direct " Voyages, appoint Agents, Factors, *&c.* ac- " cording to the beſt of their Judgments.

Power of the Court of Directors.

" Committees of the Court of Directors may " act or do any Thing committed to them by the " Court of Directors, as fully as the Court of " Directors might lawfully do.

Power of Committees

" The Company impowered to meet together " as often as they think fit, for making By- " Laws, or any other Affair of the ſaid Com- " pany, for the good Government of the Com- " pany, *&c.* and that as many as are ſo aſſem- " bled, whereof the Governor, Sub-Governor, " or Deputy-Governor, to be always one, (ex- " cept in ſuch Caſes as are otherwiſe provided) " to be a General Court of the ſaid Company.

Power for General Courts to meet and make By-Laws, &c.

" The Court of Directors are to ſummon two " General Courts at leaſt in a Year, *viz.* in " *September* and *March*.

Two General Courts a Year.

" The Court of Directors, within twenty Days " after Demand by any nine or more Members, " having each three thouſand Pounds Stock, to " call a General Court to be held of the Mem- " bers of the ſaid Company qualified for Electors; " and, in Default of the Court of Directors ſo " doing, any nine or more ſuch Members as have " three thouſand Pounds Stock each, upon four- " teen Days publick Notice in the *Gazette*, may " ſummon and hold a General Court of the ſaid " Company, appoint a Preſident or Chairman, " and do and diſpatch any Buſineſs relating to the " Government and Affairs of the ſaid Company. " And that in the General Court to be ſo called " and held, or in any other General Court, the " Members preſent may hear and determine any

Court of Directors to call a General Court, upon Demand of any nine Members, having 3000 l. *Stock.*

Upon Default, the ſaid nine may call one, and do Buſineſs.

" Complaint made againſt any Governor, Sub-
" Governor, Deputy-Governor, or Director, for
" Miſmanagement in his or their Office or Offices;
Governors and Directors may be removed for Miſmanagement. " and may, upon juſt Cauſe, diſplace any Go-
" vernor, Sub-Governor, Deputy-Governor, or
" Director; and, upon due Notice given as afore-
" ſaid, ſummon another General Court, and,
" by Majority of Votes of ſuch Members as are
" qualified as aforeſaid, may chuſe other or
" others in the room of ſuch as ſhall be diſ-
" placed.

Company to make reaſonable By-Laws. " The Members of the Company qualified for
" Electors, as aforeſaid, are empowered, by
" Majority of Votes, in General Courts and
" Aſſemblies, to make reaſonable By-Laws,
" *&c.*

Equality of Votes to determine by Lot. " In Caſe of Equality of Votes in any General
" Court, or Court of Directors, the Matter to
" be determined by Lot, to be prepared by the
" Treaſurer or Caſhier.

The Company to have the ſole Trade within their Limits. " The Company to have from the firſt of *Au-*
" *guſt*, 1711, for ever, the ſole Trade and Traf-
" fick to *America*, within the Limits preſcribed
" by the Act and Charter.

Not to call in above 10*l.* per Cent. *&c.* " That the Company may, at a General Court
" or Courts, call for from the Members ſuch
" Money as the General Court ſhall think fit to
" carry on the Trade, in Proportion to each Per-
" ſon's Share in the Capital Stock, not exceeding
" ten Pounds *per Cent.* which Money ſo called in
" ſhall be deemed and called *Additional Stock*.

The Company's Bonds to be taken for Cuſtoms. " The Commiſſioners of the Cuſtoms are re-
" quired to take the Company's Bonds, under
" their Common Seal, for the Cuſtoms of Goods
" bondable imported.

Privileges of the Company. " Her Majeſty grants to the Company the En-
" joyment of all Privileges in the City of *London*,
" as fully as any Company, eſtabliſhed by Letters
" Patent granted by her Majeſty or her Prede-
" ceſſors, at preſent do or may enjoy, or for-
" merly did or might enjoy.

One per Cent. *for the Fiſhery.* " Her Majeſty, purſuant to the Act, directs
" the Company to raiſe a Stock of One *per Cent.*
" on the Capital Stock; the ſame to be raiſed by
" the Members, in Proportion to their Stock;
" the ſaid Stock to be kept apart, and always
" employed in the improving, enlarging, and
" carrying on the Fiſhery of this Realm, or other
" Fiſhery, for the Benefit and Uſe of the Mem-
" bers of the Company, in Proportion to their
" Stock: Nevertheleſs, no other of her Majeſty's
" Subjects are to be excluded from the Fiſhing-
" Trade: And the ſaid One *per Cent.* not to be
" called for, but by Order of a General Court,
" ſummoned and aſſembled for that Purpoſe, on
" fourteen Days publick Notice in the *Gazette*.

Members refuſing to pay upon Call, &c. not to tranſfer or receive Dividends. " Members of the ſaid Company neglecting to
" pay Money called in by General Courts, or
" being otherwiſe indebted to the Company, are
" not to be permitted to transfer their Stock,
" without Conſent of the Court of Directors;
" neither ſhall ſuch Defaulter receive any Divi-
" dend during their Default.

Clauſe in Favour of the Bank. " The Company ſhall not, at any Time or
" Times hereafter, borrow, owe, or take up
" any Sum or Sums of Money, on their Bills or
" Notes payable at Demand, or at any leſs Time
" than ſix Months from the borrowing thereof;
" or diſcount any Bills of Exchange, or other
" Bills or Notes whatſoever; or keep any Book
" or Caſh for any Perſon or Perſons, Bodies Po-
" litick or Corporate whatſoever, other than their
" own proper Books, Money, and Caſh; nei-
" ther ſhall any of the Powers, Privileges, Im-
" munities, Exemptions, or Advantages granted
" to the ſaid Company, extend, or be conſtrued
" to extend, or be uſed to the Prejudice of the
" Privileges of the Governor and Company of
" the *Bank* of *England*. Then follows a Clauſe
" for ſecuring the Privileges of the *Eaſt-India*
" Company; and another to make the yearly
" Fund ſubject to Redemption.

East-India Company's Clauſe, and Redemption of the Fund.

Tallies, &c. of the 8th of the Queen how to be ſubſcribed after the 25th of December, 1711. " The Court of Directors may, purſuant to the
" ſaid Act, at any Time after the twenty-fifth of
" *December*, 1711, if they think fit, admit and
" take into the joint Stock of the Company, or
" purchaſe, pay off, and diſcharge, in order to
" the Admiſſion into the joint Stock of the ſaid
" Corporation, and to admit the ſame accor-
" dingly, all or any the Tallies and Orders
" made forth in Purſuance of the Act of the
" eighth of her preſent Majeſty, which, on the
" firſt of *May*, 1711, were not in the Hands of
" the Treaſurers and Pay-maſters of the publick
" Offices, and which ſhall not have been ſub-
" ſcribed on or before the twenty-fifth of *De-*
" *cember*, 1711; and that the ſaid Tallies be
" admitted into the Stock for ſuch Sums as the
" Principal and Intereſt which ſhall be due on
" the ſame ſhall amount to when admitted."

See what has been already ſaid of this Scheme and Company on Page 525, *&c.*

Parliamentary Proceedings againſt the Company. The Abuſe of thoſe Powers granted this Company by Parliament and the Royal Favour, brought on an Enquiry before the Parliament, in which Sir *Joſeph Jekyll* ſet forth " The
" Neceſſity of examining, without the leaſt
" Delay, into the Conduct of the *South-Sea*
" Company, to ſee whether they had made good
" their Engagements, and ſtrictly followed the
" Rules preſcribed to them by the Act paſſed laſt
" Seſſion of Parliament in their Favour; urging,
" that this was the moſt natural Way of proceed-
" ing in an Affair of ſo great Importance: That,
" on the contrary, it ſeemed abſurd to attempt
" the Cure of a Diſtemper before they were ac-
" quainted with it; but that, as ſoon as it was
" thoroughly known, he hoped that wiſe Aſ-
" ſembly ſhould not want Schemes to apply
" proper Remedies to it."

This Speech made ſo deep an Impreſſion, that ſome Members, who offered to ſpeak on the contrary Side, were not much liſtened to; and, on the other Hand, *Wilfred Lawſon*, Eſq; having ſupported Mr. *Nevill*'s Motion, the Courtiers thought fit no longer to oppoſe it; ſo that, without coming to a Diviſion, the Houſe made the following Orders, *viz.*

" 1. That the Directors of the *South-Sea* Com-
" pany do forthwith lay before this Houſe an
" Account of all their Proceedings whatſoever,
" relating to an Act paſſed the laſt Seſſion of
" Parliament, intitled, *An Act for enabling the*
" South-Sea *Company to increaſe their preſent Capital*
" *Stock and Fund, by redeeming ſuch publick Debts*
" *and Incumbrances as are therein mentioned, and for*
" *raiſing Money to be applied for leſſening ſeveral of*
" *the*

" *the publick Debts and Incumbrances, and for calling* " *in the preſent* Exchequer *Bills remaining uncan-* " *celled, and for making forth new Bills in lieu thereof,* " *to be circulated and exchanged upon Demand at or* " *near the* Exchequer.

" 2. That the Managers and Directors ap- " pointed by the Lords Commiſſioners of the " Treaſury, by Virtue of the ſaid Act; do forth- " with lay before this Houſe all ſuch Matters " and Things as they have done and performed, " or ordered to be done and performed, in rela- " tion to the ſaid Act.

" 3. That the ſaid Managers and Directors " do forthwith lay before this Houſe an Account " of all Orders they have received from Time " to Time from the Lords Commiſſioners of the " Treaſury.

" 4. That the Directors of the *South-Sea* " Company do forthwith lay before this Houſe " an Account of what Money and *Exchequer* " Bills have been received by or for the Uſe " of the ſaid Company, ſince the twenty-fifth " Day of *December*, 1719, and the reſpective " Uſes and Purpoſes to which the ſame have been " applied.

" 5. That the ſaid Directors do forthwith lay " before this Houſe an Abſtract of what pub- " lick Debts and Incumbrances have been ſub- " ſcribed to or diſcharged by the ſaid Company, " purſuant to any Act or Acts of Parliament in " that Behalf, ſince the twenty fifth Day of *De-* " *cember*, 1719, and in what Manner ſuch Sub- " ſcriptions were made.

" 6. That the ſaid Directors do forthwith " lay before this Houſe an Account of what " Sum or Sums of Money have been taken up " or borrowed on Account of the ſaid Company, " or which they ſtand engaged for upon Bills, " Bonds, or other Contracts, under their Com- " mon Seal or otherwiſe, ſince the twenty-fifth " Day of *December*, 1719."

And the Houſe diſcovered ſo much Iniquity and Deſtruction to the Subſcribers throughout all the Company's Proceedings, that it was thought proper, in the firſt place, to paſs an Act to prevent the Governor, Sub-Governor, Directors, Caſhier, *&c.* going out of the Kingdom.

In the mean time the Houſe of Lords concurred in every Particular with the Commons, and came to the following Reſolution;

Reſolution of the Lords.

" That the taking in of Stock, the transferring " of Stock belonging to the *South-Sea* Company, " or giving Credit for the ſame, without a va- " luable Conſideration actually paid, or ſuffici- " ently ſecured; or the purchaſing Stock by any " Director or Agent of the *South-Sea* Company, " for the Uſe or Benefit of any Perſon in the Ad- " miniſtration, or any Member of either Houſe " of Parliament, during ſuch Time as the late " Bill relating to the *South-Sea* Company was de- " pending laſt Year in Parliament, was a *noto-* " *rious and moſt dangerous Corruption.*"

The Directors and Value of their Eſtates, which on this Occaſion were ordered and laid before the Parliament for their Cenſure, follow:

A compleat and exact Ballance of the Eſtates of the late Sub-Governor, Deputy-Governor, &c. of the South-Sea *Company, as delivered upon Oath to the Barons of the* Exchequer; *together with the Allowances out of each, thought proper, by the Grand Committee of the Honourable Houſe of Commons, to be made to each Perſon reſpectively.*

June 12. The Commons, in a Grand Committee, conſidered further of the State of the publick Credit, and came to ſeveral Reſolutions, which, being the next Day reported by Mr. *Farrer*, were agreed to by the Houſe, as follows, *viz.*

Reſolutions of the Commons concerning publick Credit.

1. That ſuch Perſons as have borrowed Money from the *South-Sea* Company upon *South-Sea* Stock, actually transferred and pledged at the Time of borrowing, to or for the Uſe of the ſaid Company, ſhall, upon Payment of 10 *per Cent.* upon the reſpective Sums ſo borrowed, at a Time or Times to be limited, and not otherwiſe, be diſcharged from all farther Demands of the ſaid Company, in reſpect of the Monies ſo borrowed; and that all the Stock ſo transferred and pledged, together with all Dividends and Profits thereto belonging reſpectively, be abſolutely veſted in the ſaid Company.

2. That ſuch Perſons as have borrowed Money from the *South-Sea* Company upon Subſcription-Receipts, actually pledged to the ſaid Company at the Time of borrowing, ſhall, upon Payment of 10 *per Cent.* upon the reſpective Sums ſo borrowed, at a Time or Times to be limited, and not otherwiſe, be diſcharged of all farther Demands in reſpect of the Money ſo borrowed; and that all the Subſcription-Receipts ſo pledged, together

gether with all Dividends and Profits thereunto belonging, be abſolutely veſted in the ſaid Company.

An Author of Reputation, who wrote about the Year 1726, gives the following Account of the *South-Sea* Company:

"Many take this Company to have been originally intended, rather as a political Contrivance for raiſing a Fund of Money, to ſerve in the preſſing Occaſions of the State, than as a real Eſtabliſhment for the ſake of Commerce; for the Nation being exhauſted of Money by the long Wars with *France*, it is no Wonder the Phantom of a new Company ſhould be raiſed, to bring in the Subſcriptions of the monied Men, as the only Expedient to be ſupplied with Money, without diſſatisfying the People, already wore out with Subſidies, *&c.* Be this as it will, it is certain the Miniſtry never thought ſeriouſly, during the whole Courſe of the War, about making any Settlement on the Coaſts of *South America*; which was the Thing wherewith the People were firſt flattered: Beſides, that the Fund having been apparently perverted to defray the Expences of the War, its Value was ſo lowered, that it muſt in all Probability have ſunk outright, but for the unexpected Help it met with in 1713.

By the Treaty of *Utrecht*, the Buſineſs of the *French Aſſienta* Company, which was to furniſh the *Spaniſh Weſt-Indies* with Negroes, was reſigned to the *Engliſh*, in Favour of the *South-Sea* Company; which by this Turn relieved itſelf from its languiſhing Condition, and became in a Condition to vie with the moſt flouriſhing Companies of Commerce in *England*.

The Treaty of this Company with the *Spaniards* commences from *May* 1713, and is to hold 30 Years; during which Time, the Company is to furniſh the *Spaniſh America* with 144000 Negroes of both Sexes, between fifteen and twenty-five Years of Age, ſound, *&c.* at the Rate of 4800 *per Annum*; and for all they furniſh beſides, only to pay Half the Dues to the King of *Spain* for the firſt twenty-five Years of the Farm, or Aſſienta. It may be added, that in Conſideration of 200,000 Piaſters, paid in Advance to the King of *Spain*, to be reimburſed as the Dues riſe during the firſt ten Years, the Company is only to pay Dues for 4000: The King's Due is 33 $\frac{1}{3}$ Piaſters *per* Head.

The chief Eſtabliſhment of the *French Aſſienta* Company was *Buenos Ayres*, a Town of conſiderable Trade on the Coaſt of *South America*. The *South-Sea* Company, who, without changing their Name, took on them the Aſſienta, or Farm of Negroes, preſerves the ſame Eſtabliſhment; and it is here their Veſſels diſembark their Negroes, which they had purchaſed through all the Coaſts of *Africa* within their Grant. The Company, it is certain, ſet out with good Succeſs; and there was room to hope ſtill better; ſince, beſides that the Value of their Stock the firſt five Years roſe faſter, in Proportion, than that of any other Company; his Majeſty, after purchaſing 10,000 *l.* Sterling therein, was pleaſed to condeſcend to be their Governor, or firſt Director."

This Trade was interrupted by the late Spaniſh *War, and has never been renewed.*

In the ſixth Seſſions of the laſt Parliament, *A. D.* 1753, it was enacted, "That from and after "the Expiration of the three Years for which the "preſent Governors and Directors are choſen, "the Court of Directors of the ſaid Company do "and ſhall conſiſt of one Governor, one Sub-Governor, one Deputy-Governor, and twenty-one "Directors only; and that the Majority of ſuch "Court of Directors, whereof the Governor, "Sub-Governor, or Deputy-Governor (except as "in the Charter of the ſaid Company is excepted) to be always one, ſhall from thenceforth "be deemed and be a Court of Directors.

The Number of which a Court of Directors, for the future, is to conſiſt.

One declared to be a Majority.

"Provided always, and be it further enacted "by the Authority aforeſaid, That at the next "general Election of Directors, twenty-one Directors, and no more, who were at the laſt preceding general Election of Directors choſen into the Office of Directors, may be again appointed or choſen into the Office of Directors; "and that at and in every ſubſequent Election, "no more than fifteen, who were at the laſt preceding general Election of Directors choſen into the Office of Director, ſhall be again appointed or choſen into the Office of Directors; "any By-law of the ſaid Governor and Company "to the contrary thereof in any wiſe notwithſtanding.

At the next general Election, 21 of the former Directors may be re-choſen,

and in every ſubſequent one, no more than 15 of thoſe in the preceding Election.

"Provided always, and be it further enacted "by the Authority aforeſaid, That the Salaries of "the Governors and Directors of the ſaid Governor and Company ſhall continue and be the "ſame as they now are; any By-law of the ſaid "Governor and Company to the contrary thereof in any wiſe notwithſtanding."

Salaries of the Governors and Directors to continue as they now are.

The preſent Governors and Directors are,

The KING's moſt Excellent Majeſty, Governor.
Peter Burrel, Eſq; Sub-Governor.
John Briſtow, Eſq; Deputy-Governor.

Directors.

Directors.

Richard Baker, Eſq;	*Thomas le Blanc*, Eſq;
Thomas Coventrye, Eſq;	*Samuel Craghead*, Eſq;
John Edwards, Eſq;	*Francis Fauquier*, Eſq;
Brice Fiſher, Eſq;	*Francis Gaſbry*, Eſq;
Joſeph Gulſon, jun. Eſq;	*Tilman Henckell*, Eſq;
Richard Jackſon, Eſq;	*Thomas Lane*, Eſq;
James Locke, Eſq;	*Sydenham Malthus*, Eſq;
Nathanael Paice, Eſq;	*John Philipſon*, Eſq;
Richard Salwey, Eſq;	*Walter Vane*, Eſq;
John Warde, Eſq;	*Lewis Way*, Eſq;
John Wenham, Eſq;	

Caſhier, *George Wolley*.
Deputy-Caſhier, *James Goſling*.
Secretary, *Claud. Creſpigny*.
Accomptant, *John Read*.
Deputy-Accomptant, *Robert Montague*.
Chief Clerk of the Stock and Annuity-Office, *John Giles*.

(3.) The chief *Penny-Poſt-Office*, ſituate at the North Side of St. *Chriſtopher*'s Church-yard, *Threadneedle-ſtreet*, is a Place of Eminence on Account of its extenſive Communication with all Parts of the City, and ten Miles round; but has no Appearance of a publick Building, being only a private Dwelling-Houſe hired for that Purpoſe.

(4.) The *Pay-Office*, ſituate on the Weſt Side near to the Corner of *Great Wincheſter-ſtreet*, in *Broad-ſtreet*, is a large Houſe, and the only Remains of *Wincheſter-Place*. Here are made all Payments for the Service of the royal Navy. The preſent *Treaſurer of the Navy*, who is always at the Head of this Office, with a Salary of 2000 *l. per Annum*,

Annum, is the Right Honourable *George Grenville*, Eſq; The *Paymaſter* is *James Wallace*, Eſq; 500 *l.* and the *Caſhier* and *Accomptant* is *Richard Berenger*, Eſq; 400 *l.*

Greſham's *Almshouſes.* *Fifthly*, An Alms-houſe in *Broad-ſtreet*, at the Back-part of *Greſham*-College, founded by Sir *Thomas Greſham*, Knt. for eight decayed Citizens, who are paid 6 *l.* 13 *s.* 4 *d. per Annum* each, quarterly, out of the Chamber of *London*; and have alſo once a Year a Load of Coals, and a Gown once in two Years.

Free-School. We ſhall conclude the Account of this Ward with Mention of the Free-School belonging to it for the Education of 50 Boys and 30 Girls. It is taught in an old Houſe facing the Back-gate of *Bethlehem*-Hoſpital in *London-wall Pariſh and Street*, and ſupported by private Subſcription.

CHAP. XIV.

Of CANDLEWICK WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name, Bounds, and Extent. Modern State. Aldermen and Common-Councilmen. Pariſhes and Pariſh-Churches. A French *Epiſcopal Church. Two Colleges. The Poet* Lidiat's *Account of* Eaſt-cheap.

Name and Bounds. THIS Ward took its Name from a Street called *Candlewick* or *Candlewright-ſtreet*, a Place remarkable for Wax and Tallow-Chandlers or *Candlewrights*, as they were antiently named. It is bounded on the Eaſt by *Bridge* Ward; on the South by *Bridge* and *Dowgate* Wards; on the North by *Langborn* Ward; and on the Weſt by *Dowgate* and *Wallbrook* Wards.

Extent. It begins at the Eaſt End of *Great Eaſt-cheap*, and runs Weſtward thro' the ſaid Street, and *Candlewick-ſtreet*, now *Canon-ſtreet*, to the North End of *Green-lettice*, formerly called *Suffolk-lane*, on the South-Side, and down that Lane to the Weſt End of St. *Laurence Poultney* Church-yard, including, on the South Side of *Canon-ſtreet*, half *Crooked-Lane*, and the greateſt Part of all the other Lanes: But on the North Side it takes in not one fourth Part of thoſe Lanes, which run into *Lombard-ſtreet*. Thus, *Great Eaſt-cheap*, the whole on both Sides, except a very ſmall Part in the North Corner next to *Graſs-church-ſtreet*: *Candlewick* (now commonly called *Canon*) *ſtreet*, from *Green-lettice-lane* on both Sides to *Great Eaſt-cheap*: *Abchurch-lane*, all, except 96 Feet on the Weſt Side, and about 140 Feet on the Eaſt Side of the North End, towards *Lombard-ſtreet*. St. *Nicholas-lane*, about 200 Feet, at the South End, on both Sides. St. *Clement*'s-*lane*, the South End, and about 180 Feet on the Weſt Side, and 150 Feet on the Eaſt Side. St. *Michael*'s-*lane*, all but about 140 Feet at the South End on both Sides. *Crooked-lane*, the Weſt End, about Half. St. *Martin*'s-*lane*, all, on both Sides, except about 95 Feet at the Sout h End. St. *Laurence Poultney-lane*, or *Hill*, from *Canon-ſtreet* on both Sides, a little beyond St. *Laurence* Church-yard. *Green-lettice-lane*, the Eaſt Side. And all theſe Streets and Lanes have ſeveral Courts and Alleys and ſmall Paſſages, which ſhall be mentioned under each.

Modern State. *Great Eaſt-cheap* begins by the Corner of *Fiſh-ſtreet-hill*, and runs Weſtward unto *Clement*'s-*lane*, where *Canon-ſtreet* begins. It took its Name, *Eaſt-cheap*, from a Market antiently there kept for the ſerving the Eaſt Part of the City: Which Market was afterwards removed to *Leadenhall-ſtreet*, and now is kept in *Leadenhall-ſquare*. But ſtill *Great Eaſt-cheap* continues a Fleſh-Market, and is a great Thoroughfare from the Eaſtern Parts to thoſe in the Weſt. In this Street is the *Boar's-head* Tavern, under the Sign of which is wrote, *This is the oldeſt Tavern in* London. It is in this Tavern where ſome of the Scenes of the Poet *Shakeſpear*'s *Henry* IV. are laid, in which he introduces Prince *Henry*, *Falſtaff*, and his Companions.

The Courts and Alleys are as followeth, beginning Eaſtwards, *viz.*

Small-alley, very ordinary, only for Stabling.

Maidenhead-court, but ſmall, with a Meeting-Houſe at the upper End.

Rat-alley, alſo narrow and very mean.

White Bell-alley, alſo ſmall and ordinary.

Canon-ſtreet begins at *Eaſt-cheap*, and runs Weſtwards to *Green-lettice-lane*; a Street well built and inhabited by able Tradeſmen: The Courts and Alleys are, *Bell-alley*, which hath a Paſſage into St. *Nicholas-lane* through the *Bell* Tavern. *Black Swan-alley*, but indifferent. *Artichoke-court*, a pretty good Place, with a Free-ſtone Pavement.

Clement's-*lane*, on the North Side of *Canon-ſtreet*, falls into *Lombard-ſtreet*, a Place well built and inhabited: The Part in this Ward goeth a little beyond St. *Clement*'s *Eaſt-cheap* Church; which is a handſome Brick Building, with Free-ſtone Work at the Corners; adjoining to which Church is a good handſome Place called *Church-alley*, the North Side having a Row of Houſes, and the South Side lying open to the Church and Church-yard.

Nicholas-lane, of which in *Langborn* Ward.

Abchurch-lane comes out of *Lombard-ſtreet*, and runs up to *Canon-ſtreet*, a Place well built and inhabited by Merchants and Perſons of Repute. In this Lane are theſe Courts and Alleys:

Nicholas-alley, but narrow, with a Paſſage into *Nicholas-lane*.

Lamb-alley, but indifferently inhabited, and narrow, with a Paſſage into *Sherborn-lane*; and near unto this Alley is *Lamb-court*, which is but ordinary.

The Lanes on the South Side of *Canon-ſtreet* are *Michael*'s-*lane*, and *Crooked-lane*, St. *Martin*'s-*lane*, St. *Laurence Poultney-lane*, and *Green-lettice-lane*.

Michael's-*lane* goes out of *Great Eaſt-cheap*, and runs down into *Thames-ſtreet*, which Lane is almoſt all in this Ward; that Part towards *Thames-ſtreet* being in *Dowgate* Ward. It is a Place well built and inhabited. *Crooked-lane* comes out of *Michael*'s-*lane* by St. *Michael*'s Church, and falls into *Fiſh-ſtreet-hill* againſt the Monument: Which Part next *Fiſh-ſtreet* is in the *Bridge* Ward Within. It is a Place of great Note for the Tin-Ware, Fiſhing-Tackle, Turnery-

Ware, Bird-Cages, Haberdaſhery and Cutlery-Ware.

On the Weſt Side of *Michael*'s-*lane*, over-againſt the Church, is *Hockins-court*, which is but ſmall, containing two Houſes. And on the ſame Side is *Meeting-houſe-yard*, ſo called from a Meeting-Houſe, which takes up the greateſt Part. *Fen-court* hath pretty good Houſes, and a Free-ſtone Pavement.

Three-tun-court, a good ſquare Place, with an open Entrance for Carts.

St. *Martin*'s-*lane* alſo falls into *Thames-ſtreet*, and is well built, and inhabited by Merchants. On the Eaſt Side is St. *Martin*'s *Orgar* Church-yard; the Church not being rebuilt ſince its burning down in the great Fire, the Pariſh is united unto St. *Clement*'s *Eaſt-cheap*. Part of the Steeple remains, where there is a Dial, which hangs over into the Street.

Laurence Poultney-lane, ſo called from the Pariſh-Church there formerly ſtanding on the Weſt Side, that was conſumed by the Fire of *London*, and is not ſince rebuilt.

Green Lettice-lane comes out of *Canon-ſtreet*, and falls into St. *Laurence Poultney-hill*; a Place well inhabited. The Eaſt Side is only in this Ward; the Weſt in *Wallbrook*.

Watch. There are to watch at the ſeveral Stands in this Ward every Night a Conſtable, the Beadle, and twenty-four Watchmen. The Jurymen returned by the Wardmote Inqueſt are to ſerve on Juries for this Ward in *Guildhall* in the Month of *December*.

Jury.

Government. It hath an Alderman, his Deputy, and ſeven more Common-Councilmen, Conſtables eight, Scavengers ſix, Wardmote Inqueſt Men twelve, and a Beadle. It is taxed to the Fifteenth at 16 *l.*

Aldermen, Common Council. The Alderman of this Ward is Sir *Charles Aſgill*, Knight. The Common-Councilmen are, Mr. *Samuel Gordon*, Deputy, Mr. *George Cunnick*, Mr. *George Middleton*, Mr. *George Dealtry*, Mr. *John Southby*, Mr. *Robert Kite*, Mr. *George Hoare*, and Mr. *Thomas Bowers*.

Remarkable Things. The remarkable Things in this Ward are,

Pariſhes and Pariſh-Churches. *Firſt*, Three Pariſh-Churches; (1) St. *Clement's Eaſt-cheap*, (2) St. *Mary's Abchurch*, (3) St. *Michael's Crooked-lane*. But there are five Pariſhes; (1) St. *Clement's Eaſt-cheap*, (2) St. *Martin's Orgar*, (3) St. *Mary's Abchurch*, (4) St. *Laurence's Poultney*, (5) St. *Michael's Crooked-lane*: Of which more particularly hereafter in the parochial Hiſtory of this City.

French *Epiſcopal Church.* *Secondly*, An Epiſcopal *French* Church, which aſſembles in the ſmall Remains of the antient Pariſh-Church of St. *Martin's Orgar*; Part of the Tower, and Nave thereof, being found capable of Repairs after the Fire of *London*: Of which the following is the beſt Account we are able to collect:

A Bill in Parliament being engroſſed for the erecting a Church for the *French* Proteſtants, ſojourning in *London*, in the Church-yard of this Pariſh of St. *Martin Orgars*, after the great Fire; the Pariſhioners offered Reaſons to the Parliament againſt it; declaring, nevertheleſs, that they were not againſt erecting a Church, but only againſt erecting it in the Place mentioned in the Bill: Since, by the Act for rebuilding the City, the Site and Church-yard of St. *Martin's Orgars*, was directed to be encloſed with a Wall, and laid open for a Burying-place for the Pariſh. The ſaid Act was for confirming a Leaſe of the Church-yard, made from the Parſon and Church-wardens of the ſaid Pariſh unto certain Truſtees for 50 Years, to erect a Church there for *French Proteſtants*, with Liberty for the Parſon and Church-wardens, during the ſaid Term, to renew the ſaid Leaſe for 50 Years, and ſo on. This was agreed on at a Veſtry: But many of the Pariſhioners not knowing of this that was done, and ſo without and contrary to their Aſſent, now put up their Reaſons againſt paſſing the Bill: But notwithſtanding, the Bill paſſed; and there is a *French* Epiſcopal Church there at this Time. The Miniſters are the Reverend Mr. *David Durand*, F. R. S. the Rev. Mr. *Mauzy*, and the Rev. Mr. *Deſprez*, who perform the Service according to the Rites and Liturgy of the Church of *England*.

Thirdly, In this Ward, in ancient Times were two Colleges, one founded by Sir *William Walworth*, 4 *Rich.* II. in the Church of St. *Michael's Crooked-lane*, his own Pariſh, for one Maſter and nine Chaplains or Prieſts: The other was called the College of *Jeſus* and of *Corpus Chriſti*, founded by *John Poultney*, ſeveral times Lord-Mayor of *London*, about the 20 *Edw.* III. near the Church of St. *Laurence Poultney*, for a Maſter, Warden, thirteen Prieſts, and four Choriſters. After his Deceaſe, it obtained the Name of the College of St. *Laurence de Poultney*.

Walworth's College.

Jeſus College.

Antiquities. The Face of this Ward is greatly changed, as may be collected from the following Song, called *London Lickpenny*, made by *Lidgate* a Monk of *Bury*, in the Reign of *Henry* V. in the Perſon of a Country-man coming to *London*, and travelling through the ſame. In *Weſt-cheap* (ſaith the Song) *he was called on to buy fine Lawne*, Paris *Thread*, *Cotton Umble*, and other Linen Clothes, and ſuch like, (he ſpeaketh of no Silks): In *Cornhill*, *to buy old Apparel*, *and Houſhold-Stuff*; *where he was forced to buy his own Hood*, *which he had loſt in* Weſtminſter-hall. In *Candlewright-Street*, Drapers profered him cheap Cloth: In *Eaſt-cheap*, the Cooks cryed *Hot Ribs of Beef roſted*, *Pies well baked*, and other Victuals: There was *clattering of Pots*, *Harp*, *Pipe and Sawtrie*; *yea by cock*, *nay by cock*, for other greater Oaths were ſpared: *Some ſang of* Jenkin *and* Julian, *&c.* all which Melody liked well the Paſſenger, but he wanted Money to abide by it, and therefore gat him into *Graveſend* Barge, and home into *Kent*.

London Lickpenny.

In Weſt-cheap *Linen Cloth ſold, but no Silks ſpoken of.*

Fripparia. *Upholders upon* Cornhill, *Sellers of old Apparel and Houſhold-Stuff.* Eaſt-cheap.

And the Eating-Houſes in *Eaſt-cheap* at that Time were of ſuch Note, that we read in the Annals of *London*, that the Royal Family uſed to frequent them. See p. 185.

CHAP. XV.

CASTLE-BAYNARD WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name, Bounds, and Extent. Modern State. Aldermen and Common Council. Pariſhes and Churches. The Heralds-Office *or* College of Arms. Doctors Commons *Courts and*

and Offices, Doctors and Proctors. Baynard's Caſtle, *and other remarkable Antiquities.*

Name. THIS Ward takes its Name from an antient Caſtle built by one *Baynard*, a Nobleman of great Authority, who came from *Normandy* with the *Conqueror*. It was ſituate on the Bank near the *Thames*. Of which more at large amongſt the remarkable Things of this Ward.

Bounds. It is bounded on the Eaſt by *Queenhithe* and *Bread-ſtreet* Wards; on the South by the River *Thames*; on the Weſt and on the North by the Ward of *Farringdon within.*

Extent. This Ward begins in the Eaſt on the *Thames* Side, by where, of old Time, was a Houſe called *Huntington* Houſe, and runs by St. *Paul*'s-*wharf*, by where old *Baynard*'s-*Caſtle* ſtood, *Puddle-wharf*, and by the South Side of *Black-fryars:* Turns by the Eaſt Wall of the ſaid *Fryars*, to the South-Weſt End of *Creed-lane:* Then on the North Side of *Thames-ſtreet*, by where St. *Peter*'s Church ſtood, and the Lane called St. *Peter*'s-*hill*, along 'till over-againſt *Puddle-wharf*; and then North up by the Great Wardrobe to the Weſt End of *Carter-lane:* Up *Creed-lane*, *Ave-mary-lane*, and a Piece of *Pater-noſter-row*; and back again up *Warwick-lane*, all the Eaſt Side thereof, to the Sign of the *Crown* by *Newgate-market*; which is the fartheſt North Part of this Ward.

Out of *Thames-ſtreet* are Lanes aſcending North to *Knightrider's-ſtreet*. The firſt is *Peter-hill-lane*, all of that Ward, (two Houſes excepted.) The next is *Paul's-wharf-hill*, which croſsing *Knightrider*'s-*ſtreet* and *Carter-lane*, goes up to the South Chain of St. *Paul*'s Church-yard: *Addle-ſtreet*, over-againſt the Weſt Part of *Baynard*'s-*caſtle*, going up the Weſt End of *Knightrider*'s-*ſtreet*, and to *Carter-lane*.

The one half of the Weſt Side of *Lambart-hill-lane* is of this Ward. At the North-Weſt End thereof, and at the Weſt End of St. *Mary Magdalen*'s Church, which ſtands on the North Side, begins *Knightrider*'s-*ſtreet*, which runs Weſt, on both Sides, to the Pariſh-Church of St. *Andrew* by the Wardrobe, all in this Ward. At the Eaſt End of St. *Mary Magdalen*'s Church, goes up to the *Old-exchange*; all the Weſt Side whereof, up to the South-Eaſt Gate, or Entrance into St. *Paul*'s Church-yard, and by St. *Auſtin*'s Church, is of this Ward.

About the Middle of the *Old-exchange*, on the Weſt Side thereof, is *Carter-lane*, which runs Weſt to the Eaſt Entry of the *Black-fryars*, and the South End of *Creed-lane*. Out of which *Carter-lane* deſcends a Lane called *Do-little-lane*, and comes into *Knightrider*'s-*ſtreet*. More Weſt is *Sermon-lane*. Then out of *Carter-lane*, on the North Side thereof, the South Chain of St. *Paul*'s Church-yard, and the Church-yard itſelf, on the South-Side of St. *Paul*'s Church, and *Dean*'s-*court*, are all of this Ward; and theſe are the Bounds thereof.

Preſent State. In deſcribing the preſent State of this Ward, we ſhall begin with the South Part next the *Thames*, and *Thames-ſtreet*, with the Lanes, Hills, and Courts that fall into the ſaid Street; as *Lambeth*, or *Lambart-hill*, St. *Peter*'s-*hill*, St. *Bennet*'s-*hill*, *Addle-hill*, and *Puddle-dock-hill*; then with *Knightrider*'s-*ſtreet*, *Carter-lane*, *Creed-lane*, *Ave-mary-lane*, and *Warwick-lane*.

On the Banks of the River *Thames* are the Wharfs of *Puddle-dock*, uſed for a Layſtall for the Soil of the Streets, and much frequented by Barges and Lighters for taking the ſame away, as alſo for landing of Corn and other Goods. *Paul*'s-*wharf*, or St. *Bennet Paul*'s-*wharf*, a noted Stairs for Watermen. *Puddle-dock.*

Baynard's-*caſtle* had its Entrance out of *Thames-ſtreet*; which being all burnt down, except a little Tower next the Water-Side, in the Conflagration of *London*, 1666, was converted into Buildings and Wharfs, as now it is. Hereabouts, where antiently ſtood divers Noblemen's Houſes fronting the *Thames*, are now generally Wharfs, Dyehouſes, Brewhouſes, Diſtillers, *&c.*

Caſtle-ſtreet, ſeated near to *Paul*'s-*wharf*, a good broad Street, falling down to the *Thames*, but meanly inhabited, and of no Account for Trade. *Caſtle-ſtreet.*

Weſtward from *Caſtle-ſtreet* are *Common-lane* and *Dunghill-lane*, both which run down to the *Thames*; and beyond *Puddle-dock* is *Queen*'s-*college-yard*, and *Briſtol-ſtreet*; both which fall into Duke *Humphrey*'s; all Places of ordinary Account. It has a Paſſage into *Puddle-dock*, and another into *Black-fryars*. *Common-lane.*

Thames-ſtreet begins at *Puddle-dock*, and runs Eaſtward to the *Tower* of *London*, which is above a Mile in Length, but is in ſeveral Wards. It is a Street, eſpecially Eaſtward, of very great Trade, and inhabited by large and eminent Dealers in heavy Goods; beſides the Dyers, Brewers, Woodmongers, and Timber-yards, on the South Side, next the *Thames:* And by Reaſon thereof, and of the ſeveral Keys and Wharfs, it is much peſtered with Carts, for lading and unlading of Goods. The firſt Place at the North-Weſt End of this Street is *Great Rutland-court*, indifferent large and good, and has a Paſſage up Steps into *Church hill-alley*. At the North-Eaſt Extremity of this Ward is *Lambeth* or *Lambart-hill*, a ſmall Part, *viz.* on the Weſt Side, from a little beyond *Green-dragon-court* to the Corner of *Old-fiſh-ſtreet*, over-againſt St. *Mary Magdalen*'s Church, is in this Ward; all the reſt is in *Queenhithe* Ward: But in this Ward here is St. *Mary Magdalen*'s Church-yard, being the Place for the Burial of the Dead of that Pariſh. Here is *Crane-court*, which is long, and has a Paſſage into St. *Peter*'s-*hill*, with a Free-ſtone Pavement, but the Houſes are indifferent. *Thames-ſtreet.* *Lambeth-hill.*

More Weſtward is St. *Peter*'s-*hill*, well built and inhabited, eſpecially the End next to *Old-fiſh-ſtreet*. On this Hill are Alms-Houſes for ſix poor Widows. On the Weſt Side is the Back-Part of the Heralds-Office, with a Door leading into it. *St.* Peter's-hill.

St. *Bennet*'s-*hill*, or *Paul*'s-*wharf-hill*, takes its Riſe out of *Thames-ſtreet*, and runs up to *Paul*'s-*chain* into St. *Paul*'s Church yard. It is a Place much peſtered with Carts to the Wharfs. Yet it is of Note, and well reſorted to, by Reaſon of Bennet's-hill.

of *Doctors-commons*, and the Heralds-Office there ſeated. The former on the Weſt Side, poſſeſſed by the Doctors, and others profeſſing the Civil Law, and practiſing it here. Out of this Place is a Back-door into *Knightrider's-ſtreet*.

The Heralds-Office, or College of Heralds, is ſeated on the Eaſt Side, of which hereafter.

Addle-hill. *Addle-hill* comes out of *Carter-lane*, and runs down to *Thames-ſtreet*, leaving *Knightrider's-ſtreet* on the Eaſt Side, and *Church-hill-alley* on the Weſt; which ſaid Alley, with a turning Paſſage by St. *Andrew's Wardrobe* Church, falls into *Puddle-dock*. The Houſes are only on the South Side, the North lying open to the Church and Church-yard. And in this Alley is *Crown-court*, which is indifferent good. Adjoining to this Church was the King's great Wardrobe, as being formerly imployed for that Uſe. The Garden is converted into a large and ſquare Court, with good Houſes, and called *Wardrobe-court*.

On the Weſt Side of *Addle-hill*, is *White-bear-court*, very large, containing two or three Courts of that Name; but all very ordinary, and meanly built and inhabited. Out of this Place is a Paſſage up Steps into *Church-hill-alley*; and another down Steps into *Great Rutland-court*. Likewiſe on this Hill are three ſmall and ordinary Places, *viz. Roſe-court*, *White-horſe-court*, and *Cock and hoop court*.

Knightrider's-ſtreet. *Knightrider's-ſtreet*, of which there is the Great and the Little, being ſevered from each other by *Bennet's-hill* and *Paul's-chain*: The Leſs runneth towards *Old-fiſh-ſtreet*, and the Greater towards St. *Andrew Wardrobe* Church. And this Street is wider, and better built; and chiefly inhabited by Proctors, and ſuch as have Dependance on *Doctors-commons*. Out of this Street is a Paſſage into *Carter-lane*, thro' *Bell yard*, which is a very good open Court, with handſome Houſes, well inhabited.

Little Knightrider's-ſtreet, but narrow, and not over well inhabited, eſpecially the End next to *Paul's-chain*.

Over-againſt *Lambeth-hill*, in the Paſſage to the *Old change*, is the Pariſh-Church of St. *Mary Magdalen Old-fiſh-ſtreet*.

A little Weſtward from this Church is *Do-little-lane*, then *Sermon-lane*; which fall into *Carter-lane*, and are of no great Account, either for Inhabitants or Buildings.

Carter-lane. *Carter-lane*, of which there is the Great and the Little: The Little comes out of the *Old-change*, and falls into *Great Carter-lane*, but ſevered by *Paul's-chain*, and thence runs Weſtward to *Puddle-dock* and *Creed-lane*.

Great Carter-lane is the broadeſt, beſt built and inhabited. And in both theſe Lanes are theſe Courts, *viz. Scollop-court*, which has a Paſſage of Free-ſtone Pavement into *Creed-lane*. *Dean's court*, which will be mentioned hereafter. *Wardrobe-court* and *Bell-yard*, already mentioned. *Mermaid-lane*, large, and of a good Trade. *King's-head-court*, indifferent large, with a Paſſage into St. *Paul's* Church-yard. And within this Court is another, bearing the Name of *Red-lion-court*, handſome, with a Free-ſtone Pavement. *Black-ſwan-court*, indifferent good, alſo has a Paſſage into St. *Paul's* Church-yard.

Old-change has only the Weſt Side, from St. *Mary Magdalen's* Church to St. *Auſtin's* Gate, in this Ward; ſo that there is little to ſay of it, more than what is ſaid of it in *Farringdon* Ward Within.

Paul's-chain. *Paul's-chain* begins at the Corner of *Knightrider's-ſtreet*, and runs up to St. *Paul's* Church-Yard. A Street large and open, well built, and inhabited by Proctors and Tradeſmen; and, by Reaſon of its near Situation to *Doctors-commons*, is of great Reſort.

Paul's-bakehouſe, now a good ſquare Court, with four handſome large Houſes, eſpecially two, which are well inhabited. At the Eaſt Corner of this Street, next to *Little Carter-lane*, is kept the Faculty-Office, for the granting of Licences for Marriages, *&c.*

St. Paul's Church-yard. The Part or Side of St. *Paul's* Church-yard in this Ward all lies open to St. *Paul's*; and is a ſpacious Street, graced with good Houſes, loftily built and uniform, well inhabited by Woollen-Drapers, and ſome of the moſt eminent Maſters in the Chair, Upholſtery, and Cabinet Way.

In this Row of Building, which reaches from St. *Auſtin's* Gate to *Ludgate-hill*, are theſe Courts, beſides thoſe already taken Notice of. In *Carter-lane*, *Dean's-court*, by many called the *Prerogative-court*; for that the Prerogative-Office is hept here. In which ſaid Court is a very large Houſe, the Seat of the Deans of St. *Paul's* ſucceſſively. This Court is open and airy, and has a Paſſage into *Great Carter-lane*. More towards *Ludgate-hill*, and almoſt in the South-Weſt Corner, is a new Court called St. *Paul's-college*, made Uſe of for the Singing Men and Petty Canon belonging to St. *Paul's* Cathedral.

St. Gregory's. St. *Gregory's*, ſeated by the South-Weſt End of St. *Paul's*. It was deſtroyed by the great Fire, and is not rebuilt, that the Ground on which it ſtood might lie open to St. *Paul's* Church-yard; and the Pariſh is united to St. *Mary Magdalen Old-fiſh-ſtreet*.

On the North-Weſt Side of St. *Paul's* Cathedral was the Biſhop of *London's* Palace, long ſince converted into Tenements, now called *The Biſhop of London's Yard*. The Ground-Rents are the Biſhop's.

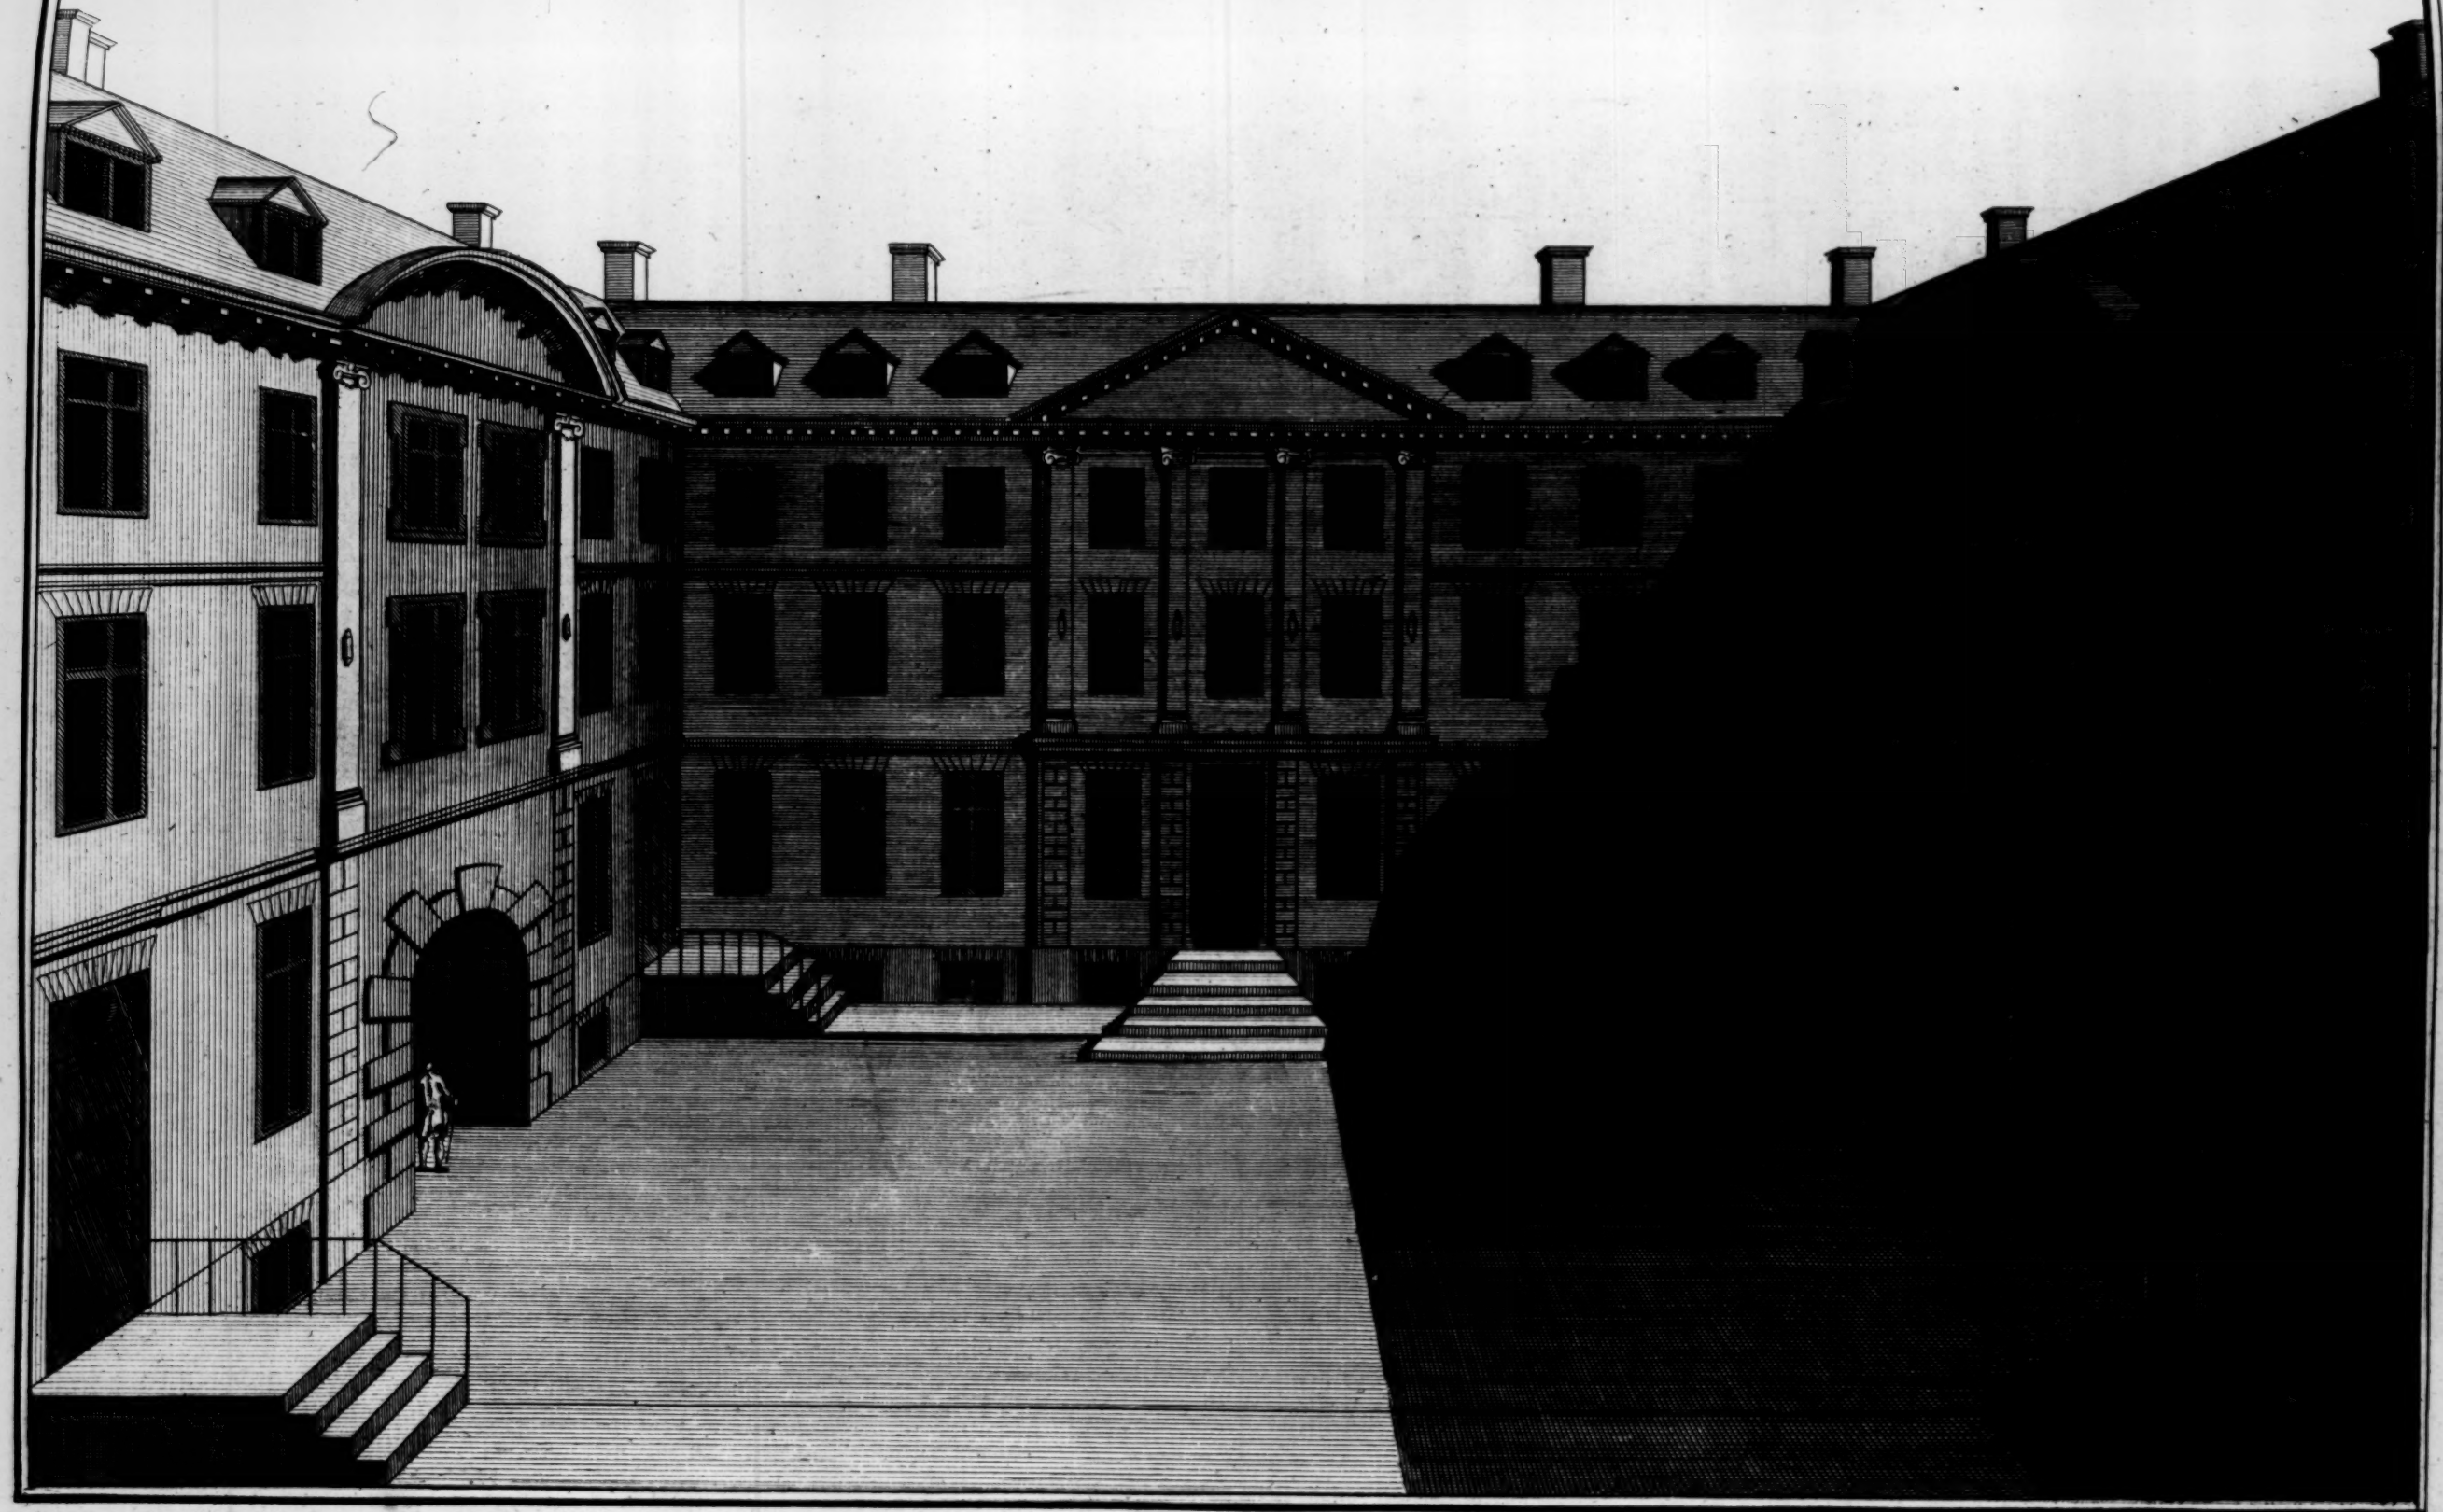
Paul's-alley has a Free-ſtone Pavement, and a Paſſage into *Pater-noſter-row*.

Creed-lane, and Warwick-lane. *Creed-lane* and *Warwick-lane* have the Eaſt Sides in this Ward; for the Account whereof, and for the Market, Part of which ſtands here, ſee *Farringdon* Ward Within. On this Side is the *Bell-Inn*, chiefly uſed by Market-People. Over-againſt the *College of Phyſicians* is *Crown-court*, which is but ſmall and ordinary.

Watch. There are to watch at the ſeveral Stands in this Ward every Night, a Conſtable, with the Beadle and twenty-four Watchmen.

Jury. The Jurymen returned by the Inqueſt for this Ward, are to ſerve in the ſeveral Courts at *Guild-hall* in the Month of *September*.

Aldermen, Common-Council. This Ward hath an Alderman, who at preſent is Sir *Robert Ladbroke*, Knight, and one of the Repreſentatives of this City; and ten Common-Councilmen, *viz.* Mr. *Nathaniel Naſh*, Deputy, Mr. *Benjamin Crook*, Mr. *John Willis*, Mr. *William Gyles*, Mr. *Robert Willis*, Mr. *Henry Major*, Mr. *John Pitway*, Mr. *John Wilſon*, Mr. *John Hopkins*,



The COLLEGE *of* ARMS *or* HERALD'S OFFICE.

B. Cole sculp.

Hopkins, and Mr. *George Bellas*. Here are alſo ten Conſtables, ſeven Scavengers, fourteen Ward-mote-Inqueſt-Men, and a Beadle.

It is taxed to the Fifteenth in *London* at 12 *l.* in the *Exchequer* at 11 *l.* 13 *s.*

Remarkable Things. The remarkable Things in this Ward at preſent are,

Pariſhes and Pariſh-Churches. *Firſt*, Three Pariſh-Churches, dedicated, 1. to St. *Bennet*, *Paul's-Wharf*; 2. to St. *Andrew Wardrobe*; 3. to St. *Mary Magdalen*, in *Old Fiſh-ſtreet*. 4. Here is alſo another Pariſh without a Church, dedicated to St. *Gregory*, which is now united to St. *Mary Magdalen*'s, as aforeſaid; of which more particularly in our Parochial Hiſtory.

Secondly, Between *Peter's-hill* and *Bennet's-hill*, about the Mid-way from *Thames-ſtreet to Knightriders-ſtreet*, is the *Heralds-Office*; of which honourable and uſeful Foundation the Publick may depend upon the following Account, communicated by *Stephen Martin Leake*, Eſq; the preſent GARTER *King of Arms:*

The Arms of the Corporation, &c

The College or Office of Arms, communicated by STEPHEN MARTIN LEAKE, *Eſq*; Garter King of Arms.

The COLLEGE or OFFICE of ARMS, commonly called the HERALDS-OFFICE, is ſituate upon St. *Bennet's-hill*, in the Pariſh of St. *Bennet*, *Paul's-wharf*. The Corporation conſiſts of thirteen Members, namely, three *Kings* of Arms, ſix *Heralds* at Arms, and four *Purſuivants* at Arms; who are all nominated by the *Earl-Marſhal* of *England*, as Miniſters ſubordinate to him in the Execution of their Offices, and hold their Places by Patent during their good Behaviour. They all are the King's Servants in Ordinary, and therefore, in the Vacancy of the Office of Earl-Marſhal, have been ſworn into their Offices by the *Lord Chamberlain*. Their Meetings are called Chapters, which they hold the firſt *Thurſday* in every Month, or oftner, if neceſſary, wherein all Matters are determined by a Majority of Voices of the Kings and Heralds, each King having *two* Voices.

Kings of Arms. The *Kings* are GARTER, CLARENCEUX, NORROY.

Garter. GARTER was inſtituted by King *Henry* V. *A. D.* 1417, for the Service of the moſt noble *Order of the Garter*; and, for the Dignity of the ſaid Order, was made Sovereign within the Office of Arms over all the other Officers ſubject to the Crown of *England*, by the Name of *Garter King of Arms of England*. In his Patent he is ſtiled Principal King of *Engliſh* Arms, and Principal Officer of Arms of the noble Order of the Garter, and has Power to execute the ſaid Office by himſelf, or Deputy, being an Herald. By the Conſtitutions of his Office he muſt be a Native of *England*, and a Gentleman bearing Arms. To him belongs the Correction of Arms, and all Enſigns of Honour, uſurped or borne unjuſtly; and alſo to grant Arms to deſerving Perſons, and Supporters to the Nobility and Knights of the Bath; to go next before the Sword in ſolemn Proceedings, none interpoſing except the Conſtable and Marſhal; to adminiſter the Oath to all the Officers of Arms; to have a Habit like the Regiſter of the Order; Barons Service in the Court; Lodgings in *Windſor* Caſtle; to bear his white Rod, with a Banner of the Enſigns of the Order thereon, before the Sovereign; alſo, when any Lord ſhall enter the Parliament-Chamber, to aſſign him his Place, according to his Dignity and Degree; to carry the Enſigns of the Order to foreign Princes, and to do, or procure to be done, what the Sovereign ſhall enjoin relating to the Order; with other Duties incident to his Office of Principal King of Arms; for the Execution whereof he has a Salary of one hundred Pounds *per Ann.* payable at the *Exchequer*, and an hundred Pounds more out of the Revenue of the Order; beſides Fees.

His Stile. *Qualifications,* *Rights and Privileges.* *Salary.*

Provincial Kings. The other two *Kings* are called *Provincial Kings*, whoſe Provinces together comprize the whole Kingdom of *England*; that of *Clarenceux* comprehending all from the River *Trent* Southwards, that of *Norroy* all from the River *Trent* Northwards. Theſe *Provincials* have exiſted Time immemorial, but were not inſtituted to thoſe Offices by the Titles of *Clarenceux* and *Norroy* before *Edward* III.

Clarenceux. *Clarenceux*, ſo called from the Duke of *Clarence*, third Son of King *Edward* III. He is ſtiled in his Patent *Clarenceux King of Arms, and principal Herald of the South-Eaſt and Weſt Parts of that Part of* Great-Britain *called* England. His particular Duty is to viſit his Province, as expreſſed in the Commiſſions granted for that Purpoſe; "To take Knowledge, Survey, and View "of all Arms, Cognizances, Creſts, and other De-"vices of Arms, of all Perſons, *&c.* with the Notes "of their Deſcents, Pedigrees, and Marriages, and "to regiſter the ſame, according to ſuch Order "as is preſcribed and ſet forth in the Charge "and Oath taken by him at his Creation and "Coronation." Likewiſe to marſhal the Funerals of all Perſons in his ſaid Province, not under the Direction of *Garter*; and to grant Arms in his Province, with the Conſent of the Earl-Marſhal. Before the Inſtitution of *Garter*, he was the principal Officer of Arms; and, in the Vacancy of *Garter*, executes his Office. By his Patent he has a Salary of forty Pounds *per Ann.* from the *Exchequer*, beſides Fees.

His Stile. *His Duty.* *His Salary, &c.*

Norroy. *Norroy*, or *North Roy*, is ſtiled in his Patent *Norroy King of Arms, and principal Herald of the North Parts of that Part of* Great-Britain *called* England. His Duty and Office is the ſame on

His Duty, Salary, &c.

the North of *Trent*, as *Clarenceux* on the South, and has a like Salary and Fees.

Kings of Arms, how created. The *Kings of Arms* were heretofore created with great Solemnity, upon ſome high Feſtival, by the Sovereign, with a Ceremony very nearly reſembling that of the Nobility; but, ſince the Creation of Peers with Ceremony has been diſcontinued, as not neceſſary, the Kings of Arms have been created by the Earl-Marſhal, by Virtue of the Sovereign's Warrant, directing him to perform that Ceremony *for us and in our Name*. A King of Arms is created by the Admiſtration of his Oath, pouring Wine upon his Head out of a gilt Cup (having a Cover) and pronouncing his Title; inveſting him with a Tabart of the Royal Arms, richly embroidered upon Velvet; a Collar of SS. with two Portcullices of Silver gilt; a Gold Chain with the Badge of his Office, and crowning him with the Crown of a King of Arms; which Crown formerly reſembled a Ducal Coronet, but, ſince the Reſtoration, has been compoſed of Leaves in the Shape of Oak Leaves, (probably in Memory of the Royal Oak) and circumſcribed, according to antient Cuſtom, with a Text of Scripture, *Miſerere mei Deus ſecundum magnam miſericordiam tuam*; which Crowns they antiently wore at all Times when the Sovereign wore his, but of late have worn them only at Coronations, when the Peers wear their Coronets. Garter has likewiſe a Mantle of crimſon Satin, as an Officer of the Order; alſo a white Rod or Sceptre, with the Sovereign's Arms on the Top thereof, which he bears, the Sovereign being preſent; and is ſworn in a Chapter of the Garter, the Sovereign inveſting him with the Enſigns of his Office.

How diſtinguiſhed from each other. The Kings of Arms are diſtinguiſhed from each other by their reſpective Badges, which they may wear at all Times, either in a Gold Chain or a Ribbon, the *Garter's* blue, the *Provincials* purple. The Badge of *Garter* is the Arms of the Order, *viz. St.* George's *Croſs, impaling the Royal Arms, within the Garter, under the Imperial Crown of* Great-Britain. The ſame on both Sides. The Arms of his Office, *Argent, St.* George's *Croſs; upon a chief Gules, a Coronet, within a Garter of the Order, between a Lion of* England *and a Fleur de Lis Or.*

Arms of Clarenceux. The Arms of the Office of *Clarenceux*, *Argent; St.* George's *Croſs, upon a Chief Gules, a Lion of* England *crowned with an open Crown:* The ſame in an Eſcochen, crowned with the Crown of a King of Arms upon a green Ground, is the Badge of his Office; having on the other Side the Royal Arms crowned upon a white Ground.

Arms of Norroy. The Arms of the Office of *Norroy* is, *Argent, St.* George's *Croſs, upon a Chief per pale Azure and Gules, a Lion of* England, *crowned with an open Crown, between a Fleur de Lis, in Pale, and a Key, Or*; which likewiſe is the Badge of his Office: In other Reſpects like that of *Clarenceux*.

Theſe Arms of Office they bear in Pale with their own proper Arms, and crowned with a Crown of a King of Arms, as well upon their Seals as otherwiſe.

The Heralds. The ſix Heralds, antiently called *Herehaughts*, are, *Windſor, Cheſter, Lancaſter, York, Richmond*, and *Somerſet*, who take Place according to their Seniority in Office. They have each a Salary of twenty-ſix Pounds thirteen Shillings and four Pence *per Ann.* by their Patents, and Fees according to their Degree. They are created by the Earl-Marſhal, with the ſame Ceremonies as the *Kings*, taking the Oath of an Herald, and are inveſted with a Tabart of the Royal Arms, embroidered upon Satin, not ſo rich as the *Kings*, but better than the *Purſuivants*, and a Silver Collar of SS. They are *Eſquires* by Creation.

Their Salary. *Creation.* *Stile.*

Sworn upon a Sword. The *Kings* and *Heralds* are ſworn upon a Sword as well as the Book, in Sign that they are Military as well as Civil Officers; which Sword in the Oath is called the *Sword that belongeth to Knighthood*, as being formerly the Royal Sword; and the Sword uſed at this Day was a Royal Sword, being the Sword taken by the Earl of *Surry* (afterwards Duke of *Norfolk*) from *James* V. King of *Scotland*, at the Battle of *Floddon Field*, in the Reign of King *Henry* VIII.

Purſuivants. The four *Purſuivants* are, *Rougecroix*, *Bluemantle*, *Rougedragon*, and *Portcullis*, who, by their Patents, have a Salary of twenty Pounds *per Ann.* and Fees according to their Degrees. They are likewiſe created by the Earl-Marſhal, taking the Oath of a *Purſuivant*, and are inveſted with a Tabart of the Royal Arms upon Damaſk. It is the Duty of the *Heralds* and *Purſuivants* to attend in the publick Office, one of each Claſs together, by a monthly Rotation.

Salary. *Creation.* *Duty.*

General Duties of the Kings, Heralds, and Purſuivants. Beſides theſe particular Duties of the ſeveral Claſſes, it is the general Duty of the Kings, Heralds, and Purſuivants, to attend his Majeſty at the Houſe of Peers, and, upon certain high Feſtivals, to the Chapel Royal, to make Proclamations, to marſhal the Proceedings at all publick Proceſſions, to attend the Inſtallation of the Knights of the Garter, *&c.*

Their Apartments, Offices, &c. in this College. All theſe Officers have Apartments in the College annexed to their reſpective Offices. They have likewiſe a publick Hall, in which is a Court for the Earl-Marſhal, where Courts of Chivalry are occaſionally held, and the Officers of Arms attend in their Tabarts, his Lordſhip being preſent: Alſo a publick Library or Office, containing a large and valuable Collection of original Viſitations and Records of the Pedigrees and Arms of Families, funeral Certificates of the Nobility and Gentry, publick Ceremonials, and other Branches of Heraldry and Antiquity; and there has hardly been any Work publiſhed, relating to the Hiſtory or Antiquities of this Kingdom, that hath not received ſome Aſſiſtance from this Library. In this Library and Office Attendance is daily given by two Officers for the publick Emolument.

Servants. There are likewiſe belonging to this College a *Regiſter*, a *Treaſurer*, and a *Meſſenger*; alſo two *Watermen* having Badges.

Arms of the Corporation The Arms of this College and Corporation are, *Argent, St.* George's *Croſs between four Doves Azure, one Wing open to fly, the other cloſe*, with a ſuitable Motto, *Diligent and ſecret*. Creſt, upon a Ducal Coronet, a like Dove riſing. Supported on either Side by a Lion Guardant Argent, Gorged with a Ducal Coronet. Theſe Arms, Creſt, and Supporters are upon the *Common Seal.* Seal, circumſcribed *Sigillum commune Corporationis Officii Armorum.*

The

The preſent Members are,

KINGS of ARMS,

PURSUIVANTS,

Rougedragon, HENRY HILL, Gent.
Bluemantle, JOHN PINE, Gent.
Portcullis, PETER TOMS, Gent.
Rougecroix, HENRY HASTINGS, Gent.

To this Account of the preſent State we ſhall briefly add ſome Memoirs of the Office and College of Arms, from the firſt Inſtitution to the preſent Time.

Of the Inſtitution of this Office of Arms.

When Officers of Arms began in this Kingdom is uncertain. Sir *Henry Spelman* has proved the Diviſion of them into the ſeveral Claſſes of *Kings*, *Heralds*, and *Purſuivants*, in the Reign of King *Henry* III. and the *Statutum Armorum* made by *Edward* I. refers to theſe different Orders as *then* exiſting; and, by the Houſhold Accounts of the ſixth Year of that King, it appears, that, at the Marriage of his Daughter to the Earl of *Glouceſter*, there were preſent, beſides *foreign Heralds*, *two* of *our Kings* and *ten Heralds*, which *Kings* could be no other than the *two Provincials*, who, according to *Spelman*, were ſtiled *Kings of Heralds*, *South of* Trent and *North of* Trent.

Spelm. Gloſſ. v. Heraldus.

Privileges.

Though every Nation had their particular Inſtitutions of *Kings*, *Heralds*, and *Purſuivants*, they were all conſidered as one common Fraternity, and as ſuch executed their Offices, and enjoyed the ſame Privileges in all Kingdoms. An Injury offered to them was eſteemed an Infraction of the Law of Nations. They wore no Swords, or Swords without Points, becauſe their Perſons were ſacred, and in Time of Battle were to be placed with the Prieſts; and, tho' they were not a religious Order like the *Roman Feciales*, they have been compared to the different Orders of the Church; for none could be a *Herald* till he had been a *Purſuivant*, nor a *King* till he had been an *Herald*. They were required to be of competent Age, to have a Certificate of their good Life and Converſation, to have a previous Examination, and by their Oaths were enjoined Secrecy, as *Confeſſors of Arms*, and their Characters were indelible, unleſs they took Orders in the Church, or became Knights; for they were conſidered both as Military and Civil Officers.

Duty of King of Arms.

The principal Duty of the *Kings of Arms*, as ſpecified in their Oaths, was "To have Know-"ledge of all who ſhould bear Coats of Arms in "the Field, and to regiſter their Arms and Dif-"ferences," (which Differences were aſſigned by them.) Now all our Antiquaries agree, that antiently none were entitled to Coat Arms, but thoſe who themſelves, or their Anceſtors, had been actually in the Wars, wherein they were diſtinguiſhed by their Coats of Arms; and, in Conſequence of this firſt deriving a Right to Arms in the Field, they fell under the Cognizance of the Conſtable and Marſhal, who were to examine that Right; and the Heralds, by that Means, became Officers ſubordinate to them.

Accedence of Armory, 8vo. 1562.

Gerard Leigh tells us, that, in the Reign of King *Edward* I. the Earl of *Lancaſter*, Conſtable of the Hoſt, made an Order for the Regulation of Mourning Apparel, for the Preſervation of Arms in Churches, and prohibiting Mechanicks from having to do with Arms, without the Conſent of the *King of Arms* of the Province; that the *Kings of Arms* ſhould make their Viſitations in their Provinces, or their Marſhals for them, every ſeven Years; and at the Interment of every Gentleman, when they were called to that Service, ſhould take the Pedigree, and record the ſame. That is the very Duty enjoined them by their Oaths, and afterwards exemplified in Commiſſions; which Duties and Powers are there ſaid to be *according to the antient Laws and Statutes of Arms, and ſuch as of Right they might have exerciſed by Force of their Offices.*

Two Provincial Kings inſtituted by K. Ed. III.

Notwithſtanding the Antiquity of theſe Officers, we have hardly any Memory of their Titles or Names before *Edward* III. In the Reign of this magnanimous Prince, military Glory and Heraldry were at their Meridian Height; and the Patents of the *Kings of Arms* to this Day refer to the Reign of King *Edward* III. as to ſuch a remarkable Epocha of Time. This King created the two Provincials, by the Titles of *Clarenceux* and *Norroy*: He inſtituted *Windſor* and *Cheſter* Heralds, and *Bluemantle* Purſuivant; beſides ſeveral others by foreign Titles, as *Aquitaine*, *Ireland*, and *Guyenne* Kings of Arms, *&c.* From this Time we find the Officers of Arms employed abroad and at home, both as Military and Civil Officers; as military, with our Kings and Generals in the Army, carrying Defiances and making Truces, or attending Tilts, Tournaments, and Duels; as Civil Officers, employed in Negotiations, and attending our Embaſſadors in foreign Courts; at home, waiting upon the King at Court and Parliament, and directing publick Ceremonies: And there was hardly any memorable Occurrence wherein ſome or other of them were not concerned.

How employed.

Their Power eſtabliſhed by Parliament.

As a Conſequence of the military Glory of theſe Times, we find the Court Military in great Requeſt, both in this and the following Reign. In the eighth Year of *Richard* II. the Juriſdiction of this Court was confirmed by Statute; but, having encroached upon Actions and Contracts pleadable at the Common Law, by another Act, in the thirteenth Year of the ſame Reign, it was limited to *Contracts touching Feats of Arms and War without the Realm, and alſo Things which touch Arms or War within the Kingdom*; which moſt effective Word *Arms* is omitted (perhaps deſignedly) in the printed Statutes.

In the fifth Year of King *Henry* V. Arms were regulated, and it was declared, that *no Perſons ſhould bear Coat Arms, that could not juſtify their Right thereto by Preſcription or Grant*; and from this Time they were communicated to Court Perſons, as the *Inſignia Gentilitia*, and hereditary Marks of Nobleſſe. From this Time we have Grants of Arms by the Kings of Arms. The

ſame

ſame Year the Officers of Arms had an Exemplification of their Right to Fees upon Diſplay of Banners; and, upon a Controverſy, it was determined, "That, as often as the King ſhall ride "or go to the Church, on Foot or on Horſe-"back, or in any Army or Field, or in Town, "or in other Place or Places where the King's "Honour ought to be maintained, That the "chief King of Arms, or Herald preſent, ſhall "keep his Place, and go ſtreight before the "King's Perſon, or him that ſhall carry his Sword "before him." About the ſame Time, or ſoon after, this victorious Prince inſtituted the Office of *Garter King of Arms*; and about three Years after, at a Chapter of the *Kings* and *Heralds*, held at the Siege of *Roan* in *Normandy*, on the fifth of *January*, 1420, they formed themſelves into a regular Society, with a Common Seal, receiving *Garter* as their Chief.

Inſtitution of Garter King of Arms, and of the Corporation.

Whether the Officers of Arms were a Corporation before this Time, has been diſputed. It is certain, that for ſome Ages antecedent to this Time there had been in this Kingdom a Fraternity of *Kings* and *Heralds*, under the Denomination of the *Office of Arms:* It is ſo called in the Inſtitution of *Garter*'s Office, and, before this, in an Order of the Conſtable relating to Fees; and in the Chapter it is called, *An Office which of old Time hath been founded.* By which it ſeems as if this was not the original Inſtitution of the Society, but a Renovation of it under the new-inſtituted Office of *Garter*, who by his Inſtitution was declared to be Sovereign or Chief within the Office of Arms, as before this *Clarenceux* had been: And this further appears by the Patents of the Provincial Kings of Arms, which, from the firſt granting of thoſe Offices by Patent to the preſent Time, are introduced with this Preambe: "Whereas "it hath been of antient Times accuſtomed, "that, amongſt other Officers and Miniſ-"ters, who it is meet ſhould be attendant "upon the Perſons of Princes, ſuitable to their "high Dignity and Glory, there ſhould be more "eſpecially proper Officers to whom the Care of "the *Office of Arms* both in Times of War and "Peace may be committed."

King Richard III's *Charter of Incorporation.*

The firſt Charter incorporating the *Heralds*, bears Date the ſecond of *March*, in the firſt of *Richard* III. whereby they were made one Body corporate, by the Name of the *Kings*, *Heralds*, *and Purſuivants of Arms*; and, that they might the more conveniently meet together for the Good of their Faculty, by the ſaid Charter was granted to them a Houſe in *London*, in the Pariſh of *All-Saints the Leſs*, called *Cold Harbour*, they finding a Chaplain to celebrate Maſs every Day in the ſaid Houſe, or elſewhere, for the Health of King *Richard*, *Anne* his Wife, and *Edward* Prince of *Wales* his Progenitor, whilſt he lived, and for their Souls when they died. *Stow* tells us it was a right fair and ſtately Houſe, and, tho' ſeveral Noblemen had lived therein, was called *Poulteney's-Inn*, from Sir *John Poulteney*, who owned it *temp. E.* III. and was four Times Mayor. King *Henry* IV. by Patent, dated the eighteenth of *March*, 1410, and the eleventh Year of his Reign, granted this Houſe to his Son *Henry Prince of Wales*; and, in the twenty-ſecond of King *Henry* VI. it was granted to *John Holland*, *Duke of Exeter*, whoſe Son *Henry* afterwards poſſeſſed it, and, taking Part with the *Lancaſtrians*, was attainted by Act of Parliament in the firſt of *Edward* IV. By this Forfeiture it came into the Hands of the Crown, and was by King *Richard* III. granted to the *Heralds*, at the Inſtance of *John* Lord *Howard*, whom the ſaid King had created Duke of *Norfolk* and *Earl-Marſhal:* But, upon the Acceſſion of King *Henry* VII. they were diſpoſſeſſed of this Houſe, as being ſuppoſed to be the Houſe of *John Writhe*, *Garter*, who then lived in it; and, tho' they afterwards petitioned, they could not obtain the Reſtitution of it.

New Regulations.

In the Reign of King *Henry* VII. agreeable to the State of that King, a new Regulation was made for the Attendance of the Officers of Arms at Court. Beſides the four uſual Feſtivals, they were to wait *at every other principal Feaſt, and every great Council, and at every great Buſineſs*, with the daily Attendance of a *King*, *Herald*, and *Purſuivant*; for which they had their Liveries at Court, as of old accuſtomed, the *Kings* being ſerved with *Knights Service.* And by another Regulation in the Time of King *Henry* VIII. it was ordained, That every *King of Arms*, at the Charge of the Crown, ſhould keep within the Court *three Servants and three Horſes*, the ſix *Heralds* each *one Servant and two Horſes*, and the four *Purſuivants* each *one Horſe.* Likewiſe Commiſſions under the Great Seal were granted to the *Provincial Kings*, for the better Execution of their Offices in Viſitations, whereby all Officers and other Perſons whatſoever were required to be aſſiſtant to them; and all Painters, and other Artificers whatſoever, were prohibited to ſet forth any Arms, Creſts, Cognizances, Pedigrees, and other Devices pertaining to the Office of Arms, otherwiſe than they might lawfully do, and ſhould be allowed by the ſaid *Kings* reſpectively, or their Deputies, according to the antient Laws and Statutes of Arms. Such Commiſſions were granted in every Reign afterwards till the Revolution. Alſo in the fourteenth Year of King *Henry* VIII. there being a new Exemplification of the Statutes of the Garter, certain Conſtitutions were appointed for the *Officers* of the Order, wherein the Rights of *Garter* are particularly ſpecified, the Annuities payable to him from the Knights are aſcertained, his Habit in the Order appointed, and Lodgings in *Windſor* Caſtle aſſigned him; which Lodgings were afterwards by Decree in Chapter for ever annexed to that Office, and from thence obtained the Name of *Garter's Tower.*

Commiſſions under the Great Seal granted.

King Edward VI's *Charter of Privileges to the Corporation*

Though the Officers of Arms could not obtain any Recompence for the Loſs of their Houſe in *Cold Harbour* during the Reign of King *Henry* VII. and King *Henry* VIII. King *Edward* VI. made them ample Amends: By his Charter, dated the fourth of *June*, in the third Year of his Reign, he exemplified and confirmed to them all their antient Privileges, as, "To be free and diſ-"charged from all Subſidies in all Realms where "they make their Demoure; as alſo from all "Tolls, Taxes, Cuſtoms, Impoſitions, and De-"mands; and as well from Watch and Ward, "as from the Election to any Office of Mayor, "Sheriff, Bailiff, Conſtable, Scavenger, Church-"Warden, or any other publick Office, of what "Degree,

Second Charter of Incorporation.

"Degree, Nature, or Condition whatſoever." And though their ſecond Charter of Incorporation, with the Grant of *Derby-Houſe*, was made by King *Philip* and Queen *Mary*, yet it was firſt deſigned and procured by King *Edward* VI. as appears by the Charter itſelf, tho' his untimely Death did not permit him to compleat it. By Indenture, dated the twenty-fourth of *November*, in his ſixth Year, he made over certain Lands called *Leonard's Lands*, joining to the Earl of *Derby's Park*, called *Knowſley Park*, in the County of *Lancaſter*, and others to the ſaid Earl, in Exchange for the ſaid Houſe called *Derby Place*; which Exchange is mentioned in the Charter. It was called *Derby Place*, from Sir *Thomas Stanley*, firſt Earl of *Derby* of that Name, who built it; and, at the Time of the Exchange, was inhabited by Sir *Richard Sackville*. King *Edward* lived but a ſhort Time after this, and the Deſign reſted till the third Year of Queen *Mary*, when it was revived, upon the Application of *Thomas* Duke of *Norfolk*, *Earl-Marſhal*, who was reſtored in Blood by this Queen, in the firſt Year of her Reign.

P. & M. *Charter of Incorporation.*

The Charter of King *Philip* and Queen *Mary* is dated the eighteenth Day of *July*, in the firſt and third Year of their Reign, incorporating "the *Kings*, *Heralds*, and *Purſuivants of Arms*, by "the Name of *Le Garter Regis Armorum Anglico-*"*rum*, *Clarenceux Regis Armorum partium Auſtra-*"*lium*, *Norroy Regis Armorum partium Borealium*, "*et Heraldorum*, *Proſecutorum ſive Purſivandorum* "*Armorum:* And that they might aſſemble to-"gether, and conſult and agree amongſt them-"ſelves, for the Good of their Faculty; and that "the Records and Rolls might be more ſafely "and conveniently depoſited: And, that they "might have a ſuitable Houſe for that Purpoſe, "grants them all that Capital Meſſuage or Houſe "called *Derby Place*, ſituate in the Pariſhes of St. "*Bennet* and St. *Peter*, in a certain Street leading "from the South Gate of the Cathedral Church "of St. *Paul* to a Place called *Paul's-Wharf*, as "the ſame had been occupied by Sir *Richard* "*Sackville*, Knt. and belonging to the Eſtate of "*Edward* Earl of *Derby*, and in as ample Man-"ner as the ſaid *Edward* Earl of *Derby* poſſeſſed "the ſame, or as her Majeſty held it, or was held "by K. *Edw.* VI. by Reaſon of the Exchange, and "to hold the ſame from the Feaſt of the An-"nunciation of the Virgin *Mary* laſt paſt."

Orders for its good Government.

In 1568, Orders were made, and approved by *Thomas* Duke of *Norfolk*, *Earl-Marſhal of England*, for the good Government of the *College of Arms*, and the Preſervation of their Records; and by theſe Orders a monthly Waiting was appointed in the Library, of an *Herald* and a *Purſuivant* together, by Rotation. And, in the twenty-ſixth of *Elizabeth*, one *Daukins*, for uſurping the Office of a *King of Arms*, was whipped, pilloried, and loſt his Ears.

Pretended King of Arms puniſhed.

King James I's Charter augmenting the Salaries

Anno 1617, and the fifteenth of King *James* I. his Majeſty granted an Augmentation to the Salaries of the Officers of Arms; whereby *Garter*'s, which at firſt was but twenty Pounds, and afterwards raiſed to forty Pounds, was now made fifty Pounds *per Ann.*; *Clarenceux* and *Norroy*'s were made from twenty to forty Pounds; the *Heralds* each from thirteen Pounds ſix Shillings and eight Pence to twenty-ſix Pounds thirteen Shillings and four Pence; and the *Purſuivants* from ten to twenty Pounds *per Ann.*

Order for regiſtering Funeral Certificates

In 1618, an Order was made by the Commiſſioners for executing the Office of *Earl-Marſhal*, appointing the Fees to be paid by all Degrees to the Officers of Arms for regiſtering their Funeral Certificates, and the Prices for all Funeral Work were ſettled; which Prices being certified to *Ireland* by two *Kings of Arms*, according to the ſaid Order, were publiſhed by Proclamation in that Kingdom. *Theſe Funeral Certificates* were continued till the Civil War, and in ſome Degree afterwards, and are ſome of the faireſt Records perhaps in the Kingdom.

During the Reign of King *Charles* I. (who, as Lord *Clarendon* obſerves, kept State to the full, which made his Court very orderly) the Officers of Arms were in great Requeſt, and obtained an Order for reſtoring to them their antient Rights, which they would probably have recovered, had not the Rebellion put a Stop to it.

Their State during the Rebellion.

During the Rebellion, the three *Kings*, three *Heralds*, and one *Purſuivant* attended the Fortune of their Sovereign; the reſt entered into the Service of the Commonwealth: And it is remarkable, that ſome of thoſe very Members of the Committee of Parliament which had voted the *Earl-Marſhal*'s Court a Grievance, arbitrary, and illegal, were appointed by the ſame Parliament Commiſſioners for executing the Office of Conſtable and Marſhal, and they held their Courts accordingly. In the mean Time the Committee of Sequeſtration took Poſſeſſion of the *College of Arms*, and kept it, till, by an Order of this Court, *Auguſt* 13, 1646, they were directed to remove. At the ſame Court Sir *Edward Byſshe*, one of the Members, was appointed *Garter*, *Arthur Squebb*, *Clarenceux*, and *William Ryley*, *Lancaſter Herald*, petitioned to be *Norroy*; to which he was admitted the next Court Day; and others, upon their Petitions, were appointed *Heralds* and *Purſuivants:* But ſoon after *Squebb* dying, *Byſshe* was appointed to execute the Office of *Clarenceux*, which he held, with the Place of *Garter*, till 1658, when *Ryley* had a Grant of it from *Oliver:* Neverthleſs, at the Reſtoration of King *Charles* II. this *Ryley Lancaſter*, as alſo *Owen York*, and *Crown Rougecroix*, all under the ſame Circumſtances of Diſloyalty, were reinſtated in thoſe Offices; and *Edward Byſshe*, notwithſtanding the eminent Part he had acted in the Rebellion, was ſoon after made *Clarenceux*, and knighted. Sir *Edward Walker*, *Garter*, who had faithfully adhered to King *Charles* I. and II. during the whole Courſe of the Rebellion, upon the Reſtoration had the *Salary* of *Garter* augmented from fifty to an hundred Pounds *per Ann.* and in 1664, by a Decree in a Chapter of the Garter, obtained a Settlement of an hundred Pounds *per Ann.* out of the Revenue of the Order, in lieu of the Annuities payable to him by the Sovereign and Knights.

At the Reſtoration.

College burnt in the Fire of London.

Records, where depoſited.

In the great Fire of *London*, *Anno* 1666, the College was wholly conſumed; but they had the good Fortune to ſave all their Records and Books, except one or two, which they depoſited in a Room in the Palace of *Whitehall*, but afterwards removed them to another Room in the Palace of *Weſtminſter*, near the *Court of Requeſts*, formerly called the *Queen's Court*; and publick

publick Notice was given in the *Gazette*, that the *Heralds Office* was kept there. In the mean Time *Clarenceux* and *Norroy* made their Viſitations; and the latter, in order to put a Stop to the Uſurpations of the Painters in his Province, brought his Action againſt one *Randal Holmes*, a *Painter*, at the *Stafford* Aſſizes, in *March*, 1667, for marſhalling the Funeral of Sir *Ralph Aſhton*, and hanging up his Atchievements, and obtained a Verdict, with twenty Pounds Damages.

Randal Holmes proſecuted.

College rebuilt.

The College, now in Ruins, was, by the Act for rebuilding the City, to be begun to be rebuilt within three Years. The Eſtimate, at a moderate Computation, amounted to five thouſand Pounds; and, as a Corporation, they had not one Shilling to do it: This obliged them to petition his Majeſty for a Commiſſion to receive the Subſcriptions of the Nobility and Gentry. This Petition was referred to the Commiſſioners for executing the Office of Earl-Marſhal, and, upon their Lordſhips Report, a Commiſſion was granted, bearing Date the ſixth of *December*, 1672: But the Commiſſion directing the Money ſo collected to be paid to ſuch Perſons, and laid out in ſuch Manner, as the Earl-Marſhal ſhould appoint, it diſguſted the Officers ſo much, that it cauſed a Coldneſs and Inactivity in them to promote the Subſcription; ſo that, altho' they had Reaſon to hope for large Contributions, little more than ſeven hundred Pounds was raiſed by this Commiſſion: What further Sums were neceſſary were made up out of the General Fees and Profits of the Office, or by the Contribution of particular Members. Sir *William Dugdale* built the North-Weſt Corner at his own Charge; and Sir *Henry St. George*, *Clarenceux*, gave the Profits of ſome Viſitations, made by Deputies appointed by him for that Purpoſe, amounting to five hundred and thirty Pounds; the Houſes on the Eaſt Side, and South-Eaſt Corner, were erected upon a Building Leaſe, agreeable to the original Plan; by which Means the whole was made one uniform quadrangular Building, as it now appears, and is one of the beſt-deſigned and handſomeſt Brick Buildings in *London:* (See the Elevation annexed.) And the hollow Arch of the Gateway is eſteemed a Curioſity. In *November*, 1683, the College Part of the Building being finiſhed, the Rooms were divided amongſt the Officers, according to their Degrees, by Agreement amongſt themſelves, and afterwards confirmed by the Earl-Marſhal; which Apartments have been ever ſince annexed to their reſpective Offices. The Inſide of the Lodgings were finiſhed at different Times by the Officers to whom they belonged.

Exempt from Taxes.

In 1682, a Suit was commenced with the College by the Ward of *Caſtle-Baynard* for *Trophy Money*, the Officers of Arms inſiſting upon their Exemption by the Charter of King *Edward* VI. and never having paid Trophy Money; and, upon a Hearing, they obtained a Verdict for ſeventeen Pounds fifteen Shillings againſt the ſaid Ward.

King James II's Order to attend him to Maſs.

In the Reign of King *James* II. it was not the leaſt Mark of that King's Reſolution to eſtabliſh the *Popiſh* Religion, that the *Officers of Arms* were required to attend him to *Maſs*, not only upon the uſual Feſtivals, but upon *Popiſh* Feſtivals, which had not been done, even when *Popery* was the eſtabliſhed Religion; as, upon *Corpus-Chriſti-Day*, the *Nativity of the Virgin* Mary, *Chriſtmas Eve*, (when they attended from Eleven at Night till Three the next Morning) *Eaſter Eve*, &c. Upon King *James*'s Abdication, the Officers all concurred in the Revolution, and, by Virtue of an Order of the Lords Spiritual and Temporal, accompanying the Proclamation which had been agreed to by the Houſe of Parliament, and delivered to *Garter* by the Lord *Halifax*, they proclaimed King *William* and Queen *Mary*.

King William and Q. Mary proclaimed by the Heralds, &c.

The *Provincial Kings of Arms* had hitherto viſited their Provinces, under Commiſſions granted by the Crown for that Purpoſe; and ſuch at this Time ſubſiſted; by which Means, and Funeral Certificates, the Deſcents and Alliances of the Nobility and Gentry had been duly recorded: But ſuch Commiſſions after the Revolution being refuſed, the College, to ſupply that Defect, in 1693, applied to Parliament for a Bill for *regiſtering Certificates of the Deceaſes, Burials, Marriages, and Iſſues of the Nobility and Gentry*, founded upon the former Uſage of ſuch Certificates taken by the Officers of Arms, and the Diſcontinuance of Viſitations, and Inquiſitions *poſt mortem*. But the Miniſtry, at that Time being diſtreſſed for Ways and Means to raiſe the Supply for the publick Service, converted the ſame into a Money Bill, by the Title of an Act *for granting to his Majeſty certain Rates and Duties upon Marriages, Births, Burials*, &c. without any Regard to the Utility and Benefit propoſed by the *Heralds* Bill, to make all Ranks and Degrees ſome Amends for thoſe exorbitant Duties. Certificates were indeed made returnable to the Office, but no Penalty laid for not doing it, and therefore no Certificates were returned.

Commiſſions for Viſitations refuſed.

Application to Parliament.

Evaded.

In 1727, one *Robert Harman*, having taken upon himſelf the Title and Office of an *Herald*, was proſecuted by the College at the Quarter Seſſions for the County of *Suffolk*, held at *Beckles*, and for his Offence was ſentenced to ſtand on the Pillory in three ſeveral Market Towns, on publick Market Days, and afterwards to be impriſoned, and pay a Fine; which Sentence was accordingly executed.

Robert Harman *proſecuted and fined.*

By this Account it appears, the *Office of Arms* has ſubſiſted in this Kingdom above five hundred Years with Reputation. Theſe Officers had antiently the Character of ſurpaſſing foreign Heralds in Knowledge and Practice: *Hector Boetius* owns, that this Superiority was univerſally given them; and *Meneſtrier*, a *Frenchman*, acknowledges, that, after the *French*, the *Engliſh* are the moſt knowing; both Writers that cannot be ſuſpected of Partiality: Nor would it be difficult to enumerate Officers of Arms, of every Degree in the College, who have excelled and diſtinguiſhed themſelves in their reſpective Offices; and, notwithſtanding the Diſcouragement they have met with, there is not an Office of Arms at this Time in *Europe*, wherein the publick Ceremonials, the Arms and Pedigrees of Families, and all other Matters relating to the Science of *Heraldry*, are ſo regularly diſpoſed, and ſo well preſerved; and if the Deſcents of Families have not been continued ſo well ſince the Revolution as before, by Reaſon of the Diſcontinuance of Viſitations and Funeral Certificates, it is not the *Heralds* Fault; Gentlemen may

The publick Uſe and Benefit of this Office.

may ſupply that Defect themſelves, if they pleaſe; the publick Office is always open for that Purpoſe.

The continuing Deſcents in the Office of Arms is not only for the Honour of Families, but of great Uſe and Benefit with Regard to their Inheritances. Lord Chief Juſtice *Coke* obſerves, that the Dealings of the *Kings of Arms* in Deſcents and Pedigrees may be a Means to quiet many Controverſies about Titles of Honour, Dignities, and Inheritances: And this is confirmed by Experience. The Heralds Books have always been allowed as Evidence at the Common Law, in the Houſe of Lords, and in Proceedings according to the Eccleſiaſtical Law; and with Regard to Precedency, publick Ceremonials, and Arms, their Books are concluſive.

Co. 4 Inſt. p. 126.

Its Records allowed as Evidence in Law.

The Honour of Arms.

As to Arms, no Perſon, who hath the leaſt Knowledge in our Hiſtory or Laws, can be ignorant of the Value put upon them by our Anceſtors, as being the hereditary Marks of their Nobleſſe. They are the moſt permanent and laſting Honours, whereby the Memory of Families is preſerved, many of which, but for them, would be buried in Oblivion. Lord Chief Juſtice *Coke*, ſpeaking of Arms, aſſerts, that "every "Gentleman muſt be *Arma gerens*, and that the "beſt Trial of a Gentleman in Blood is by bear-"ing Arms; that they are the moſt certain Proofs "and Evidences of Nobility and Gentry." And again, "*Nobiles ſunt, qui arma gentilitia anteceſ-"ſorum ſuorum proferre poſſunt.* Every Gentleman "therefore muſt be diſtinguiſhed by his proper "Arms, as without Arms he cannot be a Gentle-"man." Nevertheleſs it is but too common to ſee *Apocryphate Gentlemen* with falſe or fictitious Arms; which, however, is not to be wondered at, when we may daily obſerve our beſt Laws evaded. Every Perſon who thus uſurps Arms invades the Prerogative, and very frequently the Property of another. It is not only diſhonourable, but diſhoneſt, and an indelible Mark of a baſe Mind, as well as of a low Extraction: At the ſame Time, by this Inſtance of low Pride he publiſhes his own Diſhonour, and injures his Poſterity, making them thereby at leaſt one Step lower in Rank as Gentlemen. But the Uſurpation of Arms is ſtill worſe by Perſons in high Stations: To ſee Men of the firſt Rank in all Profeſſions uſing falſe or fictitious Arms; to ſee even thoſe who ought to enforce the Laws of their Country, acting contrary to the Laws of Arms, (which are the Laws of the Land as much as the Common Law;) to ſee Churches, Colleges, Halls, the Court, the City, and the Camp, diſplaying falſe Arms, is an Offence to the Publick, and a Diſhonour to the Nation.

Comment upon the Statute of Additions, 2d Inſt. p. 667, 595

Falſe Arms ſtigmatized

There is nothing more univerſally acknowledged than the Uſe of Arms: They are the Property of Gentlemen, which ought to be preſerved to them inviolable. Even thoſe who uſurp theſe Enſigns of Honour as Gentlemen, muſt deſire, in that Reſpect, to be what they ſeem. Therefore Arms being duly regulated, and with the Pedigrees and Deſcents of the Bearers recorded in the Office of Arms, muſt be deſired by every Gentleman, would add a Luſtre even to Nobility, preſerve Inheritances, be an Honour to the Kingdom, and a laſting Benefit to Poſterity.

To this authentick Account we are deſired to ſubjoin what Mr. JOHN GYBBON, *Bluemantle*, in the Year 1674, collected concerning the ſame Office and Officers.

In former Times, the Number of the Officers that belonged to this Corporation was not fixed, the Precedency uncertain; and Contentions and Differences ſprung up among them, concerning their Rights and Privileges.

The unſettled State of this Office in Times paſt.

Beſides the three Kings of Arms, there was a fourth, who was called *Ulſter*, firſt created by King *Edward* VI. chiefly for the Uſe of *Ireland*; and the firſt that enjoyed it was *Bartholomew Butler*, (*Anno* 6 *Edward* VI.) *York* Herald; then was made alſo *Philip Butler*, alias *Athlone* Purſuivant of Arms there; and upon their Creation a Warrant was iſſued to Sir *Ralph Sadler*, Knt. of the King's Wardrobe, to deliver to *Bar. Butler*, alias *Ulſter* King at Arms of *Ireland*, one Coat of blue and crimſon Velvet, embroidered with Gold and Silver upon the ſame with the King's Arms; and to *Philip Butler*, alias *Athlone* Purſuivant at Arms there, one Coat of Sarſnet of the King's Colours, with the Arms laid on with Gold and Purple.

Ulſter a fourth King.

E Theier. Biblioth. MSS.

This Place was poſſeſſed in the Beginning of Queen *Elizabeth* by one *Nicholas Narboon*, who was raiſed from being *Richmond* Herald to be *Ulſter* King.

And, beſides the ſix Heralds, there were formerly *Exeter*, *Leopard*, *Faulcon*, *Carliſle*, &c.

Heralds.

The Purſuivants formerly were of two Ranks, Ordinary and Extraordinary. The Ordinary were the ſix before mentioned. The Extraordinary were theſe: *Faulcon*, (afterwards made an Herald) *Antelope*, *Cadran*, *Guiſnes*, *Hammes*, *Berwick*, *Comfort*, *Roſeblanch*, *Callis*, *Ricebank*, *Wallingford*, *Mountorguile*, *Nottingham*, *Barnes*, *Boloign*. But theſe Extraordinary Purſuivants in the Beginning of Queen *Elizabeth*'s Reign ceaſed.

Purſuivants Ordinary and Extraordinary.

In Queen *Elizabeth*'s Reign were great Diſſenſions and Animoſities among the Heralds concerning their Rights, Fees and Precedencies: Inſomuch that they preſented Petitions and Informations one againſt another unto the Lord Treaſurer *Burghley*, and the Lord Admiral, who executed then the Office of Earl-Marſhal. Which occaſioned the ſaid Lords to make an Order, dated *October* 22, 1597, intitled,

Quarrels among the Heralds.

The ORDER *of the placing of the Kings, Heralds, and Purſuivants at Arms, by the Lord* Burghley, *Lord High-Treaſurer of* England, *and the Lord* Howard *of* Effingham, *Lord High Admiral of* England; *exerciſing the Place of Earl-Marſhal of* England, *by Force of her Majeſty's Commiſſion under the Great Seal of* England *to Us directed in that Behalf.*

Order for their placing.

Kings at Arms	Garter, *William Dethick.*
	Clarencieux, *William Camden.*
	Norroy, *William Segar.*
Heralds	Lancaſter, *Nic. Paddy.*
	Cheſter, *James Thomas.*
	York, *Roſe Brokeſmouth.*
	Richmond, *John Raven.*
	Windſor, *Thomas Lant.*
	Somerſet, *Rob. Treſwell.*
Purſuivants	Rouge Croſs, *Tho. Knight.*
	Rouge Dragon, *Will. Smith.*
	Portcullis, *Sam. Thomſon.*
	Blue Mantle, *Mercury Patten.*

To

To this Order were ſubſcribed the Names of *William Burghley* and *C. Howard*, confirming the ſame.

But it may not be amiſs to take ſome Cognizance of the Controverſies of theſe Gentlemen.

The Caſe between Garter *and* Clarencieux.

It was the proper Office and Benefit of *Clarencieux*, King of Arms, to give Arms, and go in Viſitations. But *Dethick* (who was made *Garter* in the 29th Year of Queen *Elizabeth*) claimed the ſame Privileges, as additional to his Office: And that by Virtue of two Commiſſions, one of *Henry* VII. and another of *Henry* VIII. to his Predeceſſors, to be joined in Commiſſion with *Clarencieux*. And accordingly had procured of Queen *Elizabeth* her Letters Patents under her Great Seal for the Office of *Garter*, with Words expreſſive of more Power than ever were in any *Garter*'s Patents before; *viz.* to *viſit*, *correct*, *and give Arms*, abſolutely of himſelf: Whereas *Clarencieux* and *Norroy*, being Provincial Kings of Arms, could not give Arms without Conſent of the Earl-Marſhal: Which was an Abuſe.

But *Cook*, *Clarencieux*, in a Paper to the Commiſſioners of the Office of the Earl-Marſhal, ſhewed the true Reaſon of thoſe Commiſſions; namely, That *Roger Macado*, a *Briton* born, was *Clarencieux* 1 *Henry* VII. [and ſo continued all that Reign:] Who being an old and impotent Man, and not well underſtanding our Language, did agree with *Garter* that then was, (*viz.* Sir *John Wrythe*, or *Wriotheſley*) to take the Office upon him, and to give Arms, and go in Viſitations. For which *Garter* paid to *Clarencieux* 40 Marks *per Annum*: Which was to be paid out of the ſaid *Garter*'s Fee. And this appeared by the ſaid *Garter*'s Letters Patents. And becauſe *Garter* would have ſome Authority of himſelf to ſhew; and alſo for that he thought it not for his Credit to be Deputy to *Clarencieux*; he procured a Bill, ſigned by *Henry* VII. wherein *Garter* was joined with *Clarencieux*.

There was alſo a ſecond Commiſſion obtained by the ſame *Garter* of King *Henry* VIII. to the ſame Import with the former; empowering him to give Arms, and go in Viſitation with *Clarencieux* that then was; *viz.* *Thomas Benolt*, who was for the moſt part employed beyond the Seas, and had no Books to execute his Office. For that at that Time *Garter* had gotten all the Books of Office into his own Cuſtody, by reaſon of his former Dealings with *Macado*. So that in truth he was driven of Neceſſity to agree with *Garter*, in like Order to execute his Office as *Macado* had done. And thereupon *Garter* ſhewing to the King the Agreement and Conſent of *Clarencieux*, obtained of the King the ſaid Commiſſion; *Clarencieux* being then beyond the Seas. At whoſe Return, finding himſelf not well uſed by *Garter*, and that the Credit of his Office [of *Clarencieux*] was greatly diminiſhed by the ſaid *Garter*, he would have broken off with him for dealing any further with him. Which Thing *Garter* would not by any means conſent unto, but ſtood upon the Authority of the King's Bill aſſigned. *Benolt* then was forced to acquaint the King with ſome of the Abuſes of *Garter*; and, among others, how he had given Arms to a Bondman. Hereupon the King examining the Cauſe of *Clarencieux*'s Grief and Complaint, and finding that *Garter* had wronged him, deviſed and granted to him a Commiſſion under the Great Seal of *England*, bearing Date the 21ſt of *Henry* VIII. Wherein he did inhibit the ſaid *Garter*, and all others, to deal or meddle either in giving of Arms, or going in Viſitations, in the ſaid *Clarencieux*'s Province. Since which Time, all the *Clarencieux's* have had their Commiſſions ſucceſſively one after another, and have ever ſince gone in Viſitation, and given Arms; as by the Books of Viſitation, and Grants of Patents, may appear.

Add, That long before thoſe two Bills ſigned by thoſe two Kings, *Clarencieux* did give Arms, and go in Viſitations, without *Garter*, by virtue of his Office, and without any Commiſſion; as appeared by divers Viſitations and Gifts of Arms. And for theſe Reaſons he earneſtly petitioned the Lord *Burghley* and Lord *Howard* to obtain of the Queen a Redreſs of *Garter*'s Patent.

Informations againſt Clarencieux *by* Garter.

Theſe, and the like Matters, gave great Offence to *Garter*; and, to be even with *Cook*, *Clarencieux*, ſpared not to impeach him, in another Addreſs to the ſaid Noblemen: As, Concerning his Birth, being ſprung of a Tanner: His Ignorance of Languages, not being able to ſpeak *French:* Of his diſſolute Life; being guilty of haunting Taverns, marrying another Man's Wife, Prodigality, and running into Debt: Injuring the Office; in that He and *Cheſter* had ſpoiled the Library in the Office of Arms of more than forty or fifty Books at one Time. That he made a Multitude of Gentlemen by himſelf, under the Name of Principal King of Arms, [being but *Clarencieux*.] That his Deputy ranged over all the Realm, giving, altering, and changing Shields of Arms, and Cognizances of Honour, to all Sorts of Men, and of all Faculties; obtruding Arms to ſome, and exacting Fees exceeding the Queen's Fifteens: And many Pedigrees were unregiſtered. And as his Deputy went about in ſundry Shires of *England*, ſo he went about in *London*, into all Companies and Societies, and in every Street; commanding Merchants, mechanical Men and Artificers before him at ſundry Taverns; and gave and allowed Arms to all Manner of Perſons, at all Prices, and for good Cheer, contrary to all Honour; and yet waſted all. That he had a Grant of the Queen worth a thouſand Pounds, but conſumed it. He was charged alſo for giving the Earl of *Deſmond*'s Arms to one Captain *Cheſton*.

The Library.

Clarencieux *reſtrained for a Time upon* Garter's *Complaint.*

Of theſe Matters *Garter* complained; and, by Authority granted of the Queen, reſtrained and reformed them. But Secretary *Walſingham* took and detained the Queen's Letters Patents of the ſame; permitting this Man, and others, *Garter*'s Enemies, to proceed in that Abuſe. He petitioned then her Majeſty, That a Commiſſion might be given to examine this, to the Lord *Hunſdon*, Lord Chamberlain, the Lord Treaſurer, Lord *Howard*, Lord Admiral, the Earl of *Ormond*, Sir *Chriſtopher Hatton*, Lord Chancellor of *England*, Baron *Buckhurſt*, and Sir *John Wolley*, Chancellor of the Garter.

His Crime about painting Arms.

It was charged alſo upon this Officer, That in the Year 1571 he contrived and ſet out a great Pedigree, painted on Vellom, for the Duke of *Norfolk*, ſince his firſt Impriſonment in the *Tower*, for his Deſign of marrying with *Mary*, Queen of *Scots*:

Scots: Which was finiſhed, with his Arms on the right Hand, and the Arms of that Queen on the left, largely painted. He alſo ſet out and marſhalled the Duke's Pedigree in Glaſs, in the Windows of the great Chamber at the *Charter-houſe*, quartered with the Arms of the Daughter of *Edward* Duke of *Bucks* attainted.

Garter a Man of Deſert, but paſſionate.

How much there was of Truth in theſe Things, I cannot determine. For *Dethick* was a Man of great Pride and Paſſion, (whereby he procured to himſelf many Enemies) otherwiſe a Man of Worth and Learning. His Father, Sir *Gilbert Dethick*, Garter, had been in the Office of Arms ſixty-two Years: And he himſelf had been ſent in her Majeſty's Service of the Garter, with the Right Honourable the Lord *Hunſdon* to *Lyons* in *France*, and with the Earl of *Suſſex* to the Emperor at *Vienna*, and with the Lord *Buckhurſt* to the *French* King, *Charles*.

Endeavours to redreſs Things amiſs in the Office.

And as theſe publick Employments were for his Honour, ſo it muſt be recorded for his Commendation, that he endeavoured to redreſs many Things amiſs in the Office and Officers, reducible to theſe Articles following:

I. The Contents of their Corporation in all Points, for the Aſſembly, Government, Erudition, *&c.* in the Office of Arms, to be kept and obſerved.

II. Chapters General and Particular to be had and ſummoned.

III. The Order and Attendance for waiting at the Court in high Feaſts to be dutifully performed.

IV. The Houſe and College of the Office of Arms to be in good Order, inhabited, and repaired.

V. The General Library in the Office, and Records there, to be preſerved, ratified, and augmented.

VI. The Kings, Heralds, and Purſuivants of Arms, to be there at convenient Times attendant, upon Pain.

VII. The Viſitations made by *Garter*, *Clarencieux*, and *Norroy*, to be limited or appointed to the Heralds, or Purſuivants, and no other.

VIII. The Burials, or Funerals, to be orderly and duly ſerved, and Certificates entered.

IX. All Painters, Glaziers, Goldſmiths, *&c.* for dealing in Arms and Pedigrees, to be inhibited.

X. Arms, Creſts, Pedigrees, Searches, and all Precedents and Acts of Honour and Gentility, and all other Things, with the Conſents of the three Kings of Arms, in the General Office, to be ſet out and regiſtered.

XI. The Profits and Commodities faithfully collected, and generally to ſuch as deſerve well duly parted.

Propounds the ſetting up a Court for enroling the Deſcents of the Wards.

Moreover this *Dethick*, *Anno* 1584, being then *York* Herald, propounded the ſetting up of an Office in the Court of Wards, for the Enrolling of Deſcents and Pedigrees of every one that was Ward, or ſued Livery; for the politick Preſervation of the Remembrance of Parents and Progenitors, and of the Conjunction of Blood and Kindred with good Proportion; to preſerve that Law in *Magna Charta*, Cap. V. and the Statutes at *Marton*, *Capitul.* VI and VII. wherein the Diſparagements for Marriages are eſpecially forbidden. The Wards did not enjoy the Benefit of Law in that Point. So that ſome Preſervation in Blood, in the Courſe of that Court, might go jointly together with the Preſervation of the Inheritances.

His Reaſons for it uſed to the Maſter of this Court.

The eſtabliſhing of ſuch an Office in the ſaid Court of Wards, as he ſhewed to the Lord Treaſurer *Burghley*, Maſter of that Court, would, firſt, tend to the adorning of it, for the Honour and Renown of the Queen, tending to a more perfect Preſervation of the Genealogies and Deſcents of her Wards, and to perpetuate the ſame; and moſt convenient for the Nobility and Gentry of her Realm. And, ſecondly, it would be a good and direct Means to try and keep the Records of the Truth, againſt ſundry Occurrences and Subtilties, contrived in Prejudice of the Minors and Heirs in the ſaid Court.

And whereas it might be objected, that ſuch an Office ſeemed to be needleſs, ſince the Heralds in their own Office were diligent to ſearch and regiſter all Pedigrees: To this he anſwered, that the Heralds of Arms had been long Time paſt Meſſengers of Princes, allowed for their Languages, Travel, and Experience: But as for their Dealings in Pedigrees of Nobility, they did but privately collect and obſerve the Marriages and Iſſues of Princes, Nobles, and Gentlemen, for their better Knowledge and Remembrance; whereof they took notice upon Sight, Relation, or ſlender Surmiſes. But this Action was intended to be committed to the Cuſtody of one private, ſecret, and ſworn Officer, a Herald. And the Pedigrees and Conſanguinities to be regiſtered in this Court ſhould be grounded upon Matter of Record and Warrant, provided by Offices, Traverſes and Inqueſts, containing the Names of the Perſons, Times and Ages. Secondly, The Form and Manner of the Pedigrees in this Court ſhould contain, in the Roundel or Circle of each Deſcent, a certain Notice of the Age, Time, Liveries and *Obiit* of each Perſon, convenient only for this Court. Thirdly, This would be very grateful to the Ward in his Minority, for ſo careful a Remembrance of his Pedigree; and it would carry with it a Proof of the Deſerts of the Anceſtors towards their Poſterity. For herein ſome Note ſhould be made of the Tenure of the Lands and Manors, (if it ſeemed good) with this Addition, *primus Acquiſitor*. Which might affect Children with a grateful and reſpectful Senſe of thoſe from whom they are ſprung, and from whom they derived their Eſtates and Honours. This was an ingenious Project of Mr. *Dethick*, and might, had it taken, have redounded conſiderably to his Advantage, who had now been an attendant Officer of Arms twenty Years, and complained of the mean Profits thereof to be very ſmall and uncertain; though with Patience he at length got Advancement.

Garter *gives* Rotheram *the Lord* Grey *of* Ruthyn's *Coat.*

This *Garter*, in the Year 1595, fell into new Troubles, being cited by Earl-Marſhal Commiſſioners, for giving *George Rotheram*, Eſq; the Lord *Grey* of *Ruthyn*'s Coat of Arms, belonging to *Henry*, then Earl of *Kent*. To which, by a Letter to Sir *John Pickering*, Lord Keeper, he anſwered, that the ſaid *Rotheram* a Year ago had requeſted him to take notice, according to the Cuſtom of his Office, of certain Records; one

out of the *Tower*, and other Evidences; and by an antient Book, and a Monument or Tomb-ſtone with Arms in the Church of *Luyton*, to ſet down his Pedigree, pretended from *Anthony* Lord *Grey* of *Ruthyn*. Which Pedigree he did exemplify for him, without any further Approbation or Confirmation to the ſame, to be true; but only according to his Proofs ſhewn him, which he, the ſaid *Rotheram*, was to produce or defend by Laws, and not by his Office. And ſo he, the ſaid *Garter*, reckoned himſelf to ſtand diſcharged.

Sentence againſt Garter *in Favour of the Earl of* Kent.

But the Complaint made by the Earl of *Kent* to the Court of Earl-Marſhal ran againſt both, as well *Garter* as *Rotheram*. And the Sentence alſo was againſt both, which was given in Favour of the Earl in *June*, *Anno* 1597, after long hearing on both Parts at ſundry Times; whereby it was judged, "That the ſaid *Dethick* (*Garter*) and *Ro-* "*theram* had manifeſtly done wrong to the Com- "plainant, (for ſo are the Words of the Sentence) in "making and publiſhing that Pedigree, in a Caſe "ſo long ſuſpended without Claim, to make a "Shew that the ſaid *Rotheram* was deſcended li- "neally of *Katharine*, a Daughter of *Anthony* "Lord *Grey* of *Ruthyn*, who was proved before "them by divers Means of good Credit to have "died without Iſſue. And they, the Commiſſio- "ners of the Office of Earl-Marſhal, (Judges in "this Cauſe) did revoke and annul the bearing "of the ſaid Arms of the Earl of *Kent* quarterly "by *Rotheram*, and judged them to be unlawfully "borne; and determined that Part of the Pedi- "gree made by *Garter* to be unlawful, by which "the ſaid *Rotheram* was made the Couſin and Heir "general of *Edmund* Earl of *Kent*, by *Anthony* "eldeſt Son of the ſaid Earl; reſerving to "themſelves Power to tax the Coſts and Expen- "ces of the Complainant againſt the Defen- "dants."

Garter *depoſed.*

Wev. Mon

How *Garter* got off from this troubleſome Buſineſs, I cannot tell; but I find he was knighted, and after ſome Time depoſed in the firſt Year of King *James*. For indeed his rough Carriage had procured him many Enemies in this Office. He was buried, *Anno* 1612, in St. *Paul*'s, near Sir *Pain Roet*, King of Arms, named *Guyon*, that lived in the Reign of *Edward* III.

A Motion of uniting the Offices of Garter *and* Clarencieux.

The Quarrel in theſe Times between the two Kings, *Garter* and *Clarencieux*, in regard of their Rights and Encroachments upon each other, made the Lord Treaſurer *Burghley* bethink himſelf of joining them both into one, that the Office might hereafter be enjoyed by one Perſon, *Cook Clarencieux* being now dead. But the Eſtabliſhment of the Corporation by Parliament, whereby theſe two Kings were appointed, obſtructed this Deſign; and other Conſiderations made it inconvenient: Wherefore ſome other Expedient was propounded for the begetting and continuing of better Agreement between theſe Kings: And particularly, that the Earl-Marſhal, in preferring *Clarencieux* to the room of *Garter*, would take Order, that his Succeſſor in the Office of *Clarencieux* might remit ſome Part of his Intereſt in Matters of Profit. Then *Garter* might be well provided for, and the Corporation no whit altered.

Clarencieux *dies.*

Robert Cook, *Clarencieux*, died in the 37th Year of Queen *Elizabeth*, that is, about the Year 1593. Then the Lord *Burghley*, acting as Earl-Marſhal, knowing he had many Books of Heraldry (ſome whereof he had taken out of the Office violently) ſent to the Lord-Mayor and Sheriffs to take an Inventory of his Books; which they did, and returned a Catalogue of them. Then *Dethick*, *Garter*, propounded to the ſaid Lord, that they might have them at a reaſonable Price to the Office; being ſorry, as he ſaid, that the Mayor and Merchants of *London* ſhould have the Peruſal of the honourable Secrets of the Office of Arms, and have the Cuſtody thereof; who might not arreſt their Bodies, and yet kept their Records. By this Catalogue, *Cook* ſeems to have been a very diligent Man in his Science, conſiſting of a vaſt Collection of Deſcents and Pedigrees of *Engliſh* Noblemen, Gentlemen and Strangers, Statutes of the Order of the *Garter*, antient Patents, Evidences, Certificates, Viſitations of the Counties of *Leiceſter*, *Warwick*, *Lincoln*, the City of *London*, *Surry*, *Kent*, *Hampſhire*, *Suſſex*, *Cornwall*, *Cambridge*, *Hertford*, *Eſſex*, *Suffolk*, *Norfolk*, Juſts, Proceedings to Coronations and Combats, divers Books of Tricks of Arms, Eſcripts, Writings, Muniments with Seals to the ſame, Notes of the Wars of King *Edward* III. and many other old Papers and Offices from *Henry* III. to *Henry* VI.

His Books.

Lee Clarencieux.

Richard Lee, *Richmond* Herald, ſucceeded *Cook* in the Office of *Clarencieux*. Againſt him alſo *Garter* took great Offence, accuſing him to have invaded his Office for the Burial of Biſhops, and the Lord-Mayor of *London*. He accuſed him alſo to the Commiſſioners of the Earl-Marſhal's Office, for uſing an Hearſe in the Funeral of a Knight Batchelor, *viz.* Sir *Richard Baker*. To which he anſwered for himſelf, That Knights Funerals had, according to Cuſtom, Hearſes, as well as Barons. Nor did Hearſes make Difference or Diſtinction between thoſe two Degrees; and that the uſing thereof was left to the Diſcretion of the Officers at Arms, as more indifferent. And that the ſaid Hearſe of that Knight wanted Ornaments, wherewith properly the Hearſes of Barons were garniſhed. *Garter* alſo accuſed the ſaid *Lee*, that he had allowed and ſet out the Arms and Funerals of one *Bucher*, a Mercer of *London*, a Man of ſmall Parentage, with Helmet, Creſt, Coat of Arms, Penon, and a Pall, and himſelf attendant in his rich Coat.

Brokeſmouth, York *Herald.*

There was another Herald belonging to this College at this Time, and a Man of Note (I do not ſay for his Virtues.) His Name was *Brookes*, or *Brokeſmouth*, *York* Herald, being preferred thither from being *Rougecroſs* Purſuivant about the Year 1592. He underſtood neither *Latin* nor *French*, to qualify him for his Place; but having been once a *Painter*, he had an excellent Hand in tricking Coats of Arms, hardly to be equalled by any of the reſt, as appears by a Book ſtill remaining in the Office of his own doing, containing the Arms of the Nobility, if I rightly remember. Which curious Skill of his was, I ſuppoſe, the Reaſon that the Lord *Burghley* bare a Favour to him, and once gave his Hand for him to be preferred to be *Norroy* againſt *Camden*, namely, *Anno* 1593, when *Edmund Knight*, *Norroy*, was very ſick, and *Camden* was nominated to the Place.

Camden's *Antagoniſt.*

This *Brokeſmouth* is beſt known for his preſumptuous Attempt to confute ſeveral of the learned

learned *Camden*'s Genealogies of the Nobility in his *Britannia*. Againſt whom that excellent Man (an unequal Match for him) vindicated himſelf ſo fully, and ſhewed ſo plainly the Ignorance and Malice of his Antagoniſt, (and yet with much Gentleneſs and Modeſty) that he was thenceforth eſteemed a very ignorant Man in Heraldry, and a notorious Calumniator to all Poſterity. Beſides this, he was of a very ſcandalous and evil Life. He once brake open the Office, and took away all the Books belonging to it, and an Iron Cheſt, and took thence the Order and other Muniments. He was once condemned at *Newgate* for two Felonies, and burnt in the Hand. He was alſo guilty of Whoredom and Uncleanneſs. He was ſuppoſed to be a Procurer of perjured Perſons in the *Star-Chamber*, detected in the Court of *Requeſts*, twice degraded, and the Queen's Coat of Arms which he wore was pulled over his Ears; and for his Ignorance of Languages and Learning, and other Miſdemeanors, by the Judgment of the Earl of *Leiceſter*, and all wiſe Men, thought to be unfit to be an Officer of Arms, or to be permitted to come to her Majeſty's Preſence, being a Vagabond, and not worth 3 *l.* But after *Leiceſter*'s Death he began to ſhew himſelf again; and afterwards got ſuch Friends and Credit, that he dared to oppoſe himſelf againſt *Garter*; and vexed him both in the *Exchequer* and *Star-Chamber*, by ſlanderous Acts and Suits commenced againſt him, and a great many vexatious Interrogatories, chiefly taken out of Informations the ſaid *Garter* had, in Conſcience and Care of the Office, given the Lord Treaſurer concerning him. So that he was fain, *Anno* 1594, to beſeech the ſaid Lord to conſider of his Credit and Service to the Queen for thirty Years, truſting that he would have Reſpect to him for his Office, Place, and Parents; and how *Brokeſmouth* ſpared not Time, Means, Place or Perſons to diſcredit him. In ſhort, he rendered himſelf uneaſy to all the Society, ſo turbulent was he in the Office, impugning all their honeſt Proceedings in Matters of Funerals, and other Caſes of Office. Inſomuch, that Sir *Edward Hoby*, Knt. deputed by the Lords in Commiſſion for the Office of Earl-Marſhal, writ to them in this Manner: "There is one *Brokeſmoth*, now *York*, a wonder-"ful lewd Fellow, untemperate, quarrelſome, and "all the Office weary of him." Yet he endeavoured afterwards to obtain that Place of *Norroy*, with much Aſſurance of his own Qualifications; tho' he miſſed it.

Brokeſmouth's Qualities.

In the Years 1593, 1594, 1595, 1596, the Office was much neglected by reaſon of the great Quarrels of the Kings and Heralds among themſelves, as we have heard in Part. The College went into Ruin for want of Reparation, the Office was diſcontinued, and the Books of the Office embezzelled. Some of theſe Officers (however learned) were haſty and paſſionate, others of them debauched in their Lives, or ignorant in Languages and Heraldry. The Lord Treaſurer *Burghley*, and Lord *Howard*, Lord High Admiral, were commiſſioned by the Queen to act in the Office of Earl-Marſhal of *England*; being authorized with full Power, from Time to Time, to call before them all Officers of Arms, both Kings of Arms, Heralds and Purſuivants; and to cauſe due Inquiſition to be made of all Manner of Arms by them given to any Perſon without good Warrant, or uſurped and taken by any Perſon without the like Warrant; and, upon due Examination and Trial thereof, to revoke and diſannul all ſuch as ſhould be ſo tried, unlawfully aſſigned or uſurped. By virtue of this Commiſſion and Authority, in this decayed Eſtate of the Heralds College, they deputed Sir *Edward Hoby* and Sir *George Carew*, Knts. to view the preſent State of the Office, and to make Statutes and Orders for the better Regulation of it for the future: Which they did, laying before them the true Intent of their firſt Charter, and drew up a Book for the Reformation of the Office; and *September*, 1596, preſented it to the ſaid two Peers, deſiring them to ſubſcribe it, that ſo it might be of Force; which whether it was ſo ſubſcribed or no by them, I cannot tell. But the Exemplification of this Book would be too large here to inſert.

The Commiſſioners for Earl-Marſhal.

Their Power.

Depute Perſons to view the preſent State of the Office.

The Book bore this Title: "ORDERS to "be obſerved and kept by the Kings, He-"ralds, and Purſuivants of Arms that now are, "or hereafter ſhall be, and eſtabliſhed by us, "the Right Honourable Lord *Burghley*, Lord "High Treaſurer of *England*; *Charles* Lord "*Howard* of *Effingham*, Lord High Admiral of "*England*; and *Henry* Baron of *Hunſdon*, Lord "Chamberlain of her Majeſty's Houſhold; "Knights of the moſt Noble Order of the *Garter*, "and deputed by Commiſſion for the Office of "Earl-Marſhal of *England*."

Orders made for the Officers.

The *Dedication* of theſe Orders (which was made to the Lord Treaſurer, and the Lord *Howard* of *Effingham*) giving an Account of the Reaſon and Occaſion of making them, I ſhall inſert, being to this Tenor: "That whereas it had plea-"ſed their Lordſhips, by Virtue of her Majeſty's "Commiſſion to their Lordſhips granted for the "Exerciſe of the Earl-Marſhal's Office of *Eng-"land*, to authoriſe, ordain, and depute them, "Sir *Edward Hobbye*, and Sir *George Carewe*, Knts. "for the View of the preſent State of the Office "of Arms, commonly called *Darby-Houſe*, in "*London*: Theſe were to ſignify unto their Lord-"ſhips, that, according to the Inſtructions and "Charge given in that Behalf unto them, they "had oftentimes made their Repair unto the "ſaid Office; and, as far forth as they might, had "accompliſhed the ſame in all Points.

The Dedication of them.

"And foraſmuch as they found the Houſe it-"ſelf to be fallen into great Ruin, through want "of due Reparations and habitable Uſe, the Of-"fice diſcontinued, and in as great Decay for "lack of Books, and general Exerciſe therein, "*Garter* and *Clarencieux* at open Wars for their "Livings and Profits, and the Heralds and Pur-"ſuivants (Factions between them) daily arreſt-"ing, ſuing and undoing one another: Their "Opinions therefore were, that there could be no "ſpeedier Reformation of all their Errors and "Abuſes, than the Re-eſtabliſhment of the gene-"ral Office, according to the true Extent of their "Charter and Corporation, which appointed one "Place, one common Seal, and mutual Conſent "for all their Doings; and to be governed by the "Earl-Marſhal or Marſhals for the Time being, "as had been accuſtomed. Out of whoſe Ordi-"nances, Statutes and Decrees heretofore made,

" they [Sir *Edmund Hobby* and Sir *George Carew*]
" had alſo gathered a Method, or Form of Go-
" vernment, which they held very expedient and
" neceſſary.

" All which (ſtanding with their Lordſhips
" good Likings) they humbly preſented to be ra-
" tified by their preſent Authorities under their
" Hands and Seals. So that from henceforth the
" ſame might not be altered, nor fruſtrated. But
" to be recorded into the *Chancery*, until by Par-
" liament it might be made an Act irrevocable,
" to their Lordſhips perpetual Memory." It was dated *Sept.* 28, 1596.

The *Exordium* of the Book ſhewed ſome Antiquities of this Office, *viz.*

" *Firſt*, That it appeared unto them, the Com-
" miſſioners, that ſundry antient Ordinances, Sta-
" tutes and Decrees had been made and eſtabliſh-
" ed (as well by the moſt High and Mighty
" Prince *Thomas* of *Lancaſter*, Duke of *Clarence*,
" *&c.* as by divers other Conſtables and Earl-
" Marſhals of *England* ſucceeding, until the Time
" of *Thomas* late Duke of *Norfolk)* for the good
" Eſtate, Rule and Government of the Office
" and Officers of Arms.

" That it was manifeſt alſo by a memorable
" Chapter, holden by the Kings, Heralds and
" Purſuivants at *Roan* in *Normandy*, *Tempore*
" *Hen.* V. what neceſſary Orders were to be had
" and obſerved amongſt themſelves, and their
" Succeſſors for ever.

" Further, That in the Time of *Rich.* III. the
" Kings, Heralds, Purſuivants of Arms, were,
" by ſpecial Charter, under the Great Seal of
" *England*, made one Body Politick in Name
" and Fact, and Collegiate, at *Coleharbour* in the
" City of *London*; confirming therein *Garter*
" Principal King of Arms of *Engliſh* Men, and
" *Clarencieux* and *Norroy* Provincial Kings, by
" the Name of King of the *South*, and King of
" the *North*, to be continued in Succeſſion.

" *Henry* VII. and *Henry* VIII. confirmed and
" allowed their Letters Patents, and by Signa-
" tures licenſed their Authorities.

" *Edward* VI. amplified their Liberties and
" Privileges under his Great Seal.

" And Q. *Mary* re-eſtabliſhed their Corporation
" in *Derby-Houſe* in *London*, as a College wherein
" the Kings, Heralds, and Purſuivants ſhould
" inhabit, aſſemble, communicate, exerciſe, and
" keep all their Books, Rolls and Muniments,
" for their better Erudition, and good Eſtate of
" her Majeſty's Office of Arms.

" All which being for many Years diſcontinued
" through great Diſorders amongſt themſelves,
" and the Non-reſidence of late Earl-Marſhals,
" whereby many groſs Abſurdities and Abuſes
" had been ingendered and committed; it was
" now her Majeſty's high Will and Pleaſure, that
" they, the ſaid Commiſſioners, ſhould inquire,
" ſee into, and reform all ſuch Errors and Abu-
" ſes as they found in the ſaid Office and Officers
" of Arms; and therefore had eſtabliſhed ſuch
" good Orders and Decrees, as might from hence-
" forth by no Remove, Change or Election of
" any Earl-Marſhal or Marſhals, be revoked, al-
" tered, or made void; any Ordinance, Statute,
" Act of Office, Charter, or Decree heretofore
" made to the contrary hereof notwithſtanding."

And then follow the Orders. The Titles whereof are, I. The Site of the Houſe appropriated to the College of Heralds. II. Records to be ſafely kept. III. Daily Attendance in the Office. IV. Prerogative and Office of *Garter*. V. Burials, *&c.* for *Garter*. VI. Office of Provincial Kings. VII. Burials, *&c.* for the Provincial Kings. VIII. Arms to be given with Conſent of the Earl-Marſhal. IX. None to trick or publiſh Arms to Poſterity, without Privity of the Office. X. Chapters to be holden for Learning, Knowledge, and Doubts. XI. Allowance of Purſuivants. XII. Avoiding of Controverſies, the Gall hitherto among them. XIII. How far Authority is yielded to the King's Chapter. XIV. Power in Viſitations. XV. Oath for Performance and due Keeping of theſe Statutes.

Preferments in this Office obtained gradually.

The common Practice of attaining to Preferment in this Office is gradual: Firſt a Purſuivant, then a Herald, before any arrive to the Profit and Honour of a King at Arms. A very proper and reaſonable Method, that the Heralds ſhould be taken from the Purſuivants, and the Kings out of the Number of the Heralds; and that generally by Antiquity of Standing; whereby the Hope of future Advancement might be a Spur to their Diligence in the Study of Arms; and that Kings, by long training up in that Science, might be ſubſtantially learned and exerciſed in the Hiſtory of Honour and Arms, of whom the greateſt Knowledge in ſuch Points was reaſonably looked for, ſo as to be the Arbitrators of thoſe Matters, and to whom the reſt were to apply themſelves for Reſolution in any Difficulties or Queſtions thereof.

The Heralds petition againſt St. George; and why.

And therefore, when Mr. *St George* (afterward Sir *Richard St. George*) a learned Man, and of great acquired Knowledge, particularly in *Heraldry*, was recommended to the Lords Commiſſioners, and petitioned for the Place of *Norroy*, the Heralds and Purſuivants petitioned the ſame Lords; ſhewing, " That it was contrary to all
" Order of the Office, nor Precedent of the like,
" ſince their firſt Corporation; and a great Wrong
" and Diſgrace to them, that a Man who had ne-
" ver been employed in her Majeſty's Service one
" Day, ſhould overgo ſo many that had ſpent
" both their Youth and Wealth in her Service,
" and overthrown their better Fortunes by the
" Hopes and Expectations of Preferment here,
" when it fell."

A Series of the Heralds from 1460, ab Initio R. Edw. IV.

And that this was for a long Series of Time the conſtant Practice, may appear to the Eye in a Table drawn out by *Lant*, *Portcullis*, in the Year 1595, when himſelf ſtood for Advancement to a Herald's Place upon a Vacation, in a Petition to the Lords in Commiſſion. By which Table may be ſeen the Names of all this College, from the Times of King *Edward* IV. and their gradual Preferments, unto the latter End of Queen *Elizabeth*. It is intitled, *A Catalogue of all the Officers of Arms, ſhewing how they have riſen by Degrees:*
" Firſt to be a Purſuivant Extraordinary; then a
" Purſuivant in Ordinary; after that an Herald;
" and, laſtly, a King of Arms. Which Order
" hath been obſerved, as herein appeareth, ſince
" King *Edward* IV. and long before, unto this
" Year; confirmed by many Precedents, gather-
" ed and collected by *Thomas Lant*, now Purſui-

" vant of Arms, by the Name of *Portcullis*, who " humbly beſeecheth your Honour to afford him " ſuch Favour, as ſo many have obtained for a " Herald's Room, that is, or ſhall be next void, " who hath left all other his Hopes of Preferment, to ſerve her moſt excellent Majeſty. " And he ſhall ever be bound to pray, that you " may long live in Happineſs of great Honour."

The Heralds honourable for Nobility and Learning.

It may be mentioned, for the Honour of the Heralds, that from ſome of them have ſprung very noble Families; and others have been adorned with excellent Learning. The Right Noble Family of the *Wriotheſleys*, Earls of *Southampton*, was derived from *John Wrythe*, or *Wriotheſley*, in the Reign of *Edward* IV. who was firſt *Antelope* Purſuivant, or *Faulcon*, according to *Dugdale*'s Baronage; and after by degrees came to be *Garter*, and received Knighthood. He had Iſſue *Thomas*, Garter, and *William Wriotheſley*, *York* Herald; whoſe Son, Sir *Thomas*, was firſt a Clerk of the Signet in the Reign of King *Henry* VIII. then made Coroner and Attorney in the Court of *Common-Pleas*; ſoon after principal Secretary of State; and in the 30th of *Hen.* VIII. was ſent Ambaſſador to the Lady Regent in the *Netherlands*, to treat of a Marriage between King *Henry* and *Chriſtiana* Dutcheſs of *Milan*, a beautiful Lady, then in thoſe Parts. Two Years after he was made Conſtable of the Caſtle of *Southampton:* And two Years after that, had the like Command for the Caſtle of *Portcheſter*; and was made one of the Chamberlains of the *Exchequer*. A Year after that, *viz.* 35 *Hen.* VIII. upon the League made by King *Henry* and the Emperor *Charles*, he was appointed one of the Commiſſioners for managing the Treaty conducing thereunto. And the firſt Day of *January*, the ſame Year, he was advanced to be a Baron, by the Title of Lord *Wriotheſley* of *Tichfield* in the County of *Southampton*. Which *Tichfield* was a Monaſtery newly diſſolved, which he had obtained. In the 36th of this King, he was made Lord Chancellor of *England*. At the End of this Year he was inſtalled Knight of the Garter. And the King, on his Death-bed, conſtituted him one of his Executors, and appointed him of Council to *Edward* the Prince, his Son, that was to ſucceed him. And three Days before the ſaid *Edward*'s Coronation, he had the Title and Honour of Earl of *Southampton*; as appears by Patents, bearing Date the 16th of *February*, in the 1ſt Year of *Edward* VI. But, by Reaſon of the great Factions in this Reign, he was diveſted of his Office of Lord Chancellor, and put from the Council, and afterwards confined. And the Honour continued in his Family for three or four Generations, till within our Memory.

Wrythe, or Wriothesley, Herald: His Advancement.

Dugdale's Baronage, Vol. II. p. 383.

Sir Pain Roet, Guienne *King.*

Wev. Monum. p. 661.

Yet higher Honour did the Poſterity of another Herald arrive to; *viz. Pain Roet*, Knight, *Guienne* King of Arms. Who had two Daughters: *Anne*, the younger, whom *Geofrey Chaucer* (our antient famous Poet) married. By whom he had Sir *Thomas Chaucer*, Knight. Whoſe Daughter *Alice* was matched with *Thomas Montacute*, Earl of *Saliſbury*, (by whom ſhe had no Iſſue) and afterward with *William De La Pole*, Earl of *Suffolk*; who had by her *John* Duke of *Suffolk*, and others. *Roet*'s other Daughter, *Katharine*, who was the elder, married to Sir *Otes Swinford*, and afterwards to *John* of *Gaunt*, the Great Duke of *Lancaſter:* Of whoſe Iſſue by her came a moſt Royal and Illuſtrious Offspring, *viz.* eight Kings, four Queens, and five Princes of *England*; ſix Kings, and three Queens of *Scotland*; two Cardinals, above twenty Dukes, and almoſt as many Dutcheſſes, of the Kingdom of *England*; divers Dukes of *Scotland*, and moſt of all the now antient Nobility of both theſe Kingdoms; many other potent Princes, and eminent Nobility of foreign Parts.

Men of Learning in this Office.

Thoſe that brought Honour to this Office, for their Learning or Writings, were divers in the latter Days of Queen *Elizabeth*. Of theſe I ſhall mention ſome.

Glover, Somerſet.

Robert Glover, *Somerſet* Herald; a Man, as of a good Wit and great Reading, ſo of infinite Induſtry and Pains. He began the Book called *The Catalogue of Honour*, in *Latin*; but finiſhed by *Mills*, his Kinſman: Wherein he undertook to clear the Deſcents from Royal Pedigrees of our Kings and Queens. He had Abundance of Rolls and Pedigrees, and antient Writings of Heraldry, which he had gathered together for his Uſe; beſides vaſt Collections made by his own Hands, and Travel, touching Arms; Books of Viſitation of XXIV Shires; and *Miſcellanea*, wrote by himſelf. *Camden* mentions him oft with Honour, and acknowledged he made much Uſe of him in Genealogies. *Glover* alſo communicated to Dr. *David Powell* a Copy of the Hiſtory of *Cambria*, tranſlated by *H. Lloyd*. He was thus uſeful in promoting the Knowledge of the antient Hiſtory of *Britain*; and would doubtleſs have been much more, had he not been taken away ſo early; being at his Death but forty-five Years old. In the Pariſh Church of *Cripplegate*, (where he was interred) is a decent Monument ſet up to his Memory, with an Inſcription in *Latin*.

Francis Thynne.

Francis Thynne, *Lancaſter* Herald, was well verſed in our *Engliſh* Hiſtory, and thoroughly ſtudied in Heraldry, before he ſued (*Anno* 1593) to be admitted into this Office: When he offered himſelf to the Lord *Burghley*, for his Skill in that Learning, to be examined even in the deepeſt Points of Armoury, which he thought could not be attained to without Knowledge of Philoſophy and Hiſtory; he ſignified then, that he had drawn out a *Series* of the Lord Treaſurers, and compoſed a certain circulary Pedigree of the Earls and Viſcounts of *England*.

Writings of Thynne. Ath. Oxon.

A late Author mentioneth ſeveral other of his Works, ſome printed, and ſome in MS. Of the former Sort are the *Annals* of *Scotland*, continued where *Hollingſhed* left off, *viz.* to the Year 1586. He was a great *Catalogiſt:* For, beſides the Catalogue of the Lord Treaſurers of *England*, before-mentioned, he drew up a Catalogue of the *Engliſh* Cardinals, which is printed in *Hollingſhed*, at the End of Queen *Mary*. Likewiſe a Catalogue of the Lord Chancellors in MS. A Catalogue alſo (alphabetically diſpoſed) of ſuch as had wrote purpoſely of the *Engliſh* Hiſtory, whether *Engliſhmen*, or Foreigners: Which is printed at the End of *Hollingſhed*'s Hiſtory. There be alſo remaining in MS. *Thynne*'s Diſcourſes of Arms; Collections of Antiquities; Sepulchral Inſcriptions, collected by him as well in the Churches of *England*, as other Parts; Notes on

Hollingſh. Hiſt. p. 1165.

Chaucer's Work, with which he intended to put out that Author with a Comment, tho' he performed it not. But he aſſiſted *Speght* with his Notes and Directions, and with conſiderable Materials for writing *Chaucer*'s Life.

Sir W. Segar. Sir *William Segar*, Garter, wrote a Book entitled *Honour Military and Civil.*

Sir Rich. St.George Sir *Richard St. George*, *Clarencieux*, another learned Man of this Office. This Gentleman was Conſort with the great Antiquarians of thoſe Times, Sir *Robert Cotton*, *Camden*, *Spelman*, and others; and was one of thoſe that endeavoured to revive the College or Society of the ſtudious of Antiquity, and their learned Meetings, that had been for ſome Time omitted. Of him *Wever* makes mention with Honour; and particularly, that he was ready to give him his Aſſiſtance, in his Book of *Antient Funeral Monuments* that he was writing.

John Hart, *Cheſter* Herald, wrote a Book of the *Engliſh* Orthography.

To theſe may be added, *Vincent*, *Brook*, *Lant*, *Sandford*, and the elaborate Antiquarian, Sir *William Dugdale*; and laſtly, *Elias Aſhmole*, Eſq; *Windſor* Herald.

Camden Clarencieux. But inſtead of all, *Camden*, *Clarencieux*, ſurnamed *The Learned*, is an eternal Monument of Honour to this Society. Who, beſides his Modeſty, and Simplicity of Manners, that adorned his great Learning, left two moſt incomparable Books to Poſterity; his *Britannia*, and his *Annals* of Queen *Elizabeth*. To which his *Remains* may be added, ſet forth after his Death by *John Philpot*, *Somerſet* Herald. Who alſo may be reckoned among the Learned of this College; being the Author of an Hiſtory of the County and Families of *Kent*, called *Villare Cantianum.*

John Philpot.

Gybbon's Heraldo-Memoriale. Mr. *Gybbon*, a learned Purſuivant, (lately deceaſed) hath diligently collected out of the *Engliſh* and *Scotch* Authors, and other foreign Writers, a large Account of the great and important Services of the Heralds in former Times. Which Collections (communicated by himſelf to me) he entitled *Heraldo-Memoriale*; which had been worthy to have been here inſerted, had it not been too large. Yet the Sum I ſhall digeſt as briefly as I can; by ſhewing thence, How antient Heraldry hath been; Their Retaining to Princes; Their Employments in War and Peace, and in Proclaiming and Publiſhing weighty Things; The great Eſteem of them, with their Rewards; and other Accidents that have happened to them.

Heralds antient. And firſt, as for their *Antiquity*; They were in Requeſt among the antient *Grecians*. *Homer*, in his ſecond Book, ſpeaks of nine Heralds in the *Grecian* Army. And the *Romans* made great Uſe of them: And as in Meſſages of War, and the like, ſo in Funerals, it was a Cuſtom among them, That the Heralds diſmiſſed the Mourners with the Word *I licet*, or *Ire licet*; i. e. *You may withdraw.* And this Ceremony is taken notice of by the Deſcriber of the Funeral Solemnity of the Lord *Henry de la Tour*, Marſhal General of the Field and Armies of *Lewis* the XIVth of *France*.

Retain to Kings, and great Nobles. They have immediately retained to Kings and Princes; and have gone abroad with them to their Wars, and in their Progreſſes; and have been diſpatched by them to other Princes upon important Meſſages, and eſpecially upon warlike Occaſions. The chiefeſt Nobility alſo have had their Heralds. The Earl of *Northumberland* ſent an Herald, named *Northumberland*, to King *Richard* II. *(ultimo Reg.)* for a ſafe Conduct, to come and commune with him. The Duke of *Bedford* had his Herald, named *Bedford*; whom he ſent after the Crowning of *Charles* VII. of *France*, to defy him. The ſame ſent the ſame Herald, *Anno* 1433, from *Laigny*, to the Lord *Gaucourt*, to offer him Battle; which was warily refuſed. The Duke of *Glouceſter* and Earl of *Pembroke* had his Herald named *Pembroke*; whom he ſent, *Anno* 1436, to defy the Duke of *Burgundy*. *Charles Brandon*, Duke of *Suffolk*, had *Suffolk* Herald, and *Marteon* Purſuivant. The Marquis of *Dorſet* kept *Grooby* Herald. *Arthur Plantagenet*, Viſcount *Liſle*, had *Liſle* Purſuivant. Baron *Haſtings* had *Haſtings* Purſuivant. And Sir *John Chandois* and Sir *John Falſtolph* had their Heralds; and ſo had Cardinal *Woolſey*, according to *Stow*.

Hollingſhed.

Wever, p. 684.

The *French* King contemporary with our King *Henry* V. had his King at Arms, named *Montjoy*. The Duke of *Burgundy*, about that Time, had *Toiſon d'Or*, his King at Arms. And the *Scotch* King hath his King of Arms, ſtiled *Lion*. And they have commonly been about Princes in their Courts: And it is noted by the Hiſtorian, as a ſtrange Piece of Negligence in King *Lewis* XI. of *France*, That he had oftentimes neither Officers of Arms, nor Trumpeters in his Court: And therefore (when he had Occaſion for an Herald) ſent a Varlet, or Yeoman, in a Coat of Arms, made of a Trumpet Banner, to K. *Edward* IV.

Stow's Chron.

Employed in War. They have been chiefly made uſe of in great Wars, between Princes in Hoſtility, for carrying Meſſages, Defiances, *&c.* *Henry* King of *Caſtile* ſends an Herald to the *Black Prince*, to know why he invaded his Kingdom.

Montjoy, King of Arms, ſent from *Roan* from the *French* King, and thirty-five of his Council, to aſſure K. *Henry* V. he ſhould have Battle given him. And King *Henry* gave him a great Reward, as well as a gallant Anſwer.

Again, they ſent an Herald to the ſaid King, in a ſcoffing way, to demand what Ranſom he was willing to give. To which he returned a ſtay'd and ſober Anſwer. This was before the Battle of *Agincourt*, *Anno* 1403.

After they were broken and defeated, K. *Henry* perceiving they began to rally, ſent an Herald to them; aſſuring them, That if they perſiſted, he would not only ſlay all the Priſoners already taken, but all ſuch as he ſhould take hereafter.

After the Battle, *Montjoy*, and four other Heralds, came to know the Number of the Priſoners, and to deſire Burial of the Dead. And the King granted their Requeſt, and feaſted them.

Meſſages previous to War, and Defiances, were uſed to be done by Heralds.

Denounce War. Denunciation of War between Princes was by Heralds.

The *French* King's Marſhal, *Bonciquaut*, by an Herald, denounced War againſt Pope *Benedict* the XIIIth, upon his Refuſal to ſurrender the Popedom.

A

Howel's Ep. p. 204.

A *French* Herald at Arms, *Anno* 1635, ſent from *Paris* to *Flanders*, by Sound of Trumpet denounced and proclaimed War againſt the King of *Spain*, and all his Dominions. This Herald fixed up, and left the Defiance in all the Towns as he paſſed.

Henry V. in the third of his Reign, ſent *Antelope* Purſuivant at Arms from *Southampton*, to the *French* King, to demand Reſtitution of what he detained wrongfully from him.

Windſor Herald was ſent, *Anno* 1418, to ſummon *Roan*.

Edward IV. ſent an Officer at Arms, a *Norman* born, to defy the *French* King, *Lewis* the XIth, *Anno* 1474.

The Duke of *Bedford* ſends *Bedford* his Herald to defy *Charles* VII. the *French* King. And *Humphry* Duke of *Gloceſter*, by his Herald, defies the Duke of *Burgundy*.

Heyl. Geogr. p. 104.

The Emperor's Herald defies *Francis*, the firſt King of *France:* And giving his Maſter all his Titles, of *Caſtile*, *Leon*, *Arragon*, *Naples*, &c. in a long Roll, K. *Francis* commanded his Heralds to receive the Challenge, and repeat *France* as many times, as the other had Kingdoms and petty Titles.

The Earl of *Surrey*, 13 *Henry* VII. ſent *Norroy* King of Arms to the Captain of *Hayton Caſtle*, (which was one of the ſtrongeſt Places between *Berwick* and *Edinburgh*) to deliver him the ſaid Caſtle; which he refuſed, affirming, he was aſſured of ready Succours.

Whilſt the ſaid Earl lay at *Hayton*, the King of *Scotland* ſent to him *Marchamont* and another Herald, with a Challenge either to fight Army to Army, or Perſon to Perſon, upon certain Conditions. Which Conditions were refuſed upon diſcreet Conſiderations. And the Earl ſent back the Herald well rewarded.

The Duke of *Bedford*, *primo H.* VII. marching againſt the Rebels, headed by the L. *Lovel*, commanded the Heralds to make Proclamation, that if they would lay down their Arms, they ſhould have Pardon.

Heralds in and after Battles.

Heralds alſo have been employed in and after Battles fought; as in ſome Inſtances before. The Battel of *Veruoil*, *Anno* 1424, in the Reign of *Henry* VI. was ſo uncertain for a while, that no Herald could tell to which Party Fortune would be favourable. Afterwards, by Report of *Montjoy*, King of Arms for *France*, and the *Engliſh* Heralds, there preſent, were ſlain of the *French* and *Scots* 9700, and of the *Engliſh* 2100.

Hollingſhed.

And in Combats.

As in publick Wars, ſo they have been concerned about private Combats and Challenges. In the Year 1380, was a Combat between Sir *John Anneſley* and *Thomas Katrington*; who was accuſed by the ſaid Knight for betraying the Fortreſs of S. *Saviour*, in the *Iſle of Conſtantine* in *Normandy*. The Heralds in this Combat did their Duty, in calling the Combatants to the Performance thereof.

Hollingſhed.

The Heralds did the ſame likewiſe in the famous Combat intended between the Dukes of *Hereford* and *Norfolk*; which the King took up. The Ceremonial Circumſtances and Proceedings are well worthy the Reading.

In a Combat, *Anno* 1467, between the Baſtard of *Burgoine* and the L. *Scales*, the Advice of the Officers of Arms, as well as of the Conſtable and Marſhal, was aſked and followed.

In Juſts.

They have likewiſe been employed in Juſts and Turnaments.

Employed in Peace.

Nor have they only been uſed in War, but in Peace alſo; as in Proclamations and Cavalcades, in attending Funerals, in giving Coats of Arms, and ſuch like.

When Knights have been created, they have been proclaimed by the Voice of Heralds. So *Camden* ſhews in his learned Book, that Knights made in *Scotland* are proclaimed by the publick Voice of an Herald. Britannia.

Paradine.

At Chriſtenings of Princes.

At the Baptiſm of *Madame de Iſabelle de France*, to whom our King *Henry* VIII. was Godfather, the Infant's Name was proclaimed by the Kings and Heralds of Arms, both of *France* and *England*; having their Coats of Arms adorned with the Arms of both Kings.

Heralds attended at the Chriſtening of Queen *Elizabeth* and King *Edward*.

The Proclamation of the Truce between King *Henry* II. of *France*, and *Charles* V. Emperor, with his Son *Philip* King of *England*, was performed by four Heralds.

When Pope *Clement* VII. was received at *Marſeilles*, three Heralds at Arms marched juſt after fifty *Swiſſers*, bravely apparelled; the Heralds having their Coats of Arms blue, with Fleurs de Lys of Gold.

Paradine.

And when *Ferdinand*, *Anno* 1527, was to be made King of the *Romans*, before him went ten Troops, and an Herald at Arms, whom followed the Maſter of the Ceremonies with the Royal Banner.

But lately, when *Frederick* Duke of *Pruſſia* was to be proclaimed King of that Country, the Grand Marſhal of the Court, and the Grand Marſhal of *Pruſſia*, went at the Head of a great Number of Gentlemen, richly clad and well mounted. Then followed twelve Heralds at Arms, preceded by four and twenty Trumpets and two Kettle-Drums, and followed by a Squadron of Dragoons. The Cavalcade having ſhewed itſelf in the principal Streets of the City of *Coningsbergh*, the Heralds made the Proclamation. A great deal of Difference as to Heralds, between King *Ferdinand* and King *Frederick*.

Foxe's Martyrol.

The King of the Heralds and his Fellows proclaimed the King's new Style of *Defender of the Faith*.

Marſhal Funerals.

They are honourably employed alſo in attending at and marſhalling Funerals of the Nobility and Gentry, tho' that conſiderable Part of their Office is now-a-days unjuſtly invaded by Tradeſmen and Shopkeepers.

Atlas.

Mercator in *Loreine* ſhews how the Body of *Charles* the Bold, Duke of *Burgundy*, was by *Boiſet*, Herald of the Golden Fleece (at the Command of *Charles* V.) tranſported from *Nancy* to *Bruges*.

Give, and change, and abate Coats.

And as they give, ſo they ſometimes take away Coats of Arms.

Mackenzy, p. 12

Non ſolum poteſtas conferendi nova Inſignia, ſed poteſtas augendi, mutandi, diminuendi Inſignia vetera, eſt penes Principem, & ejus Heraldos, i. e. It is in the Power of Princes and their Heralds not only to give new Arms, but to increaſe, change, abate antient Coats. And ſo *Leigh* in his *Accedence of Armoury*. *Mack-*

Fol. 16, 115.

Mackenzy ſaith from *Caſſanæus*, that Heralds deviſed *Godfrey* of *Boloin's* Coat.

When any Perſon is forfeited in Parliament in *Scotland*, *Lion* and his Brethren, Heralds, come in with their Coats and Formalities; and *Lion* doth publickly tear the Arms of the Party forfeited. And if he be a *Cadet* of a Family, he ſaith openly, *The tearing of theſe Arms ſhall be without Prejudice to the Nobleman or Chief, whoſe Arms theſe are.* After which, he and his Brethren go to the Croſs, and there hang up the Shield reverſed, the Baſe or loweſt Point upward.

Princes Value of their Heralds.

The Eſteem and Value Princes have had for their Heralds, appears from hence; namely, How they have reſented Violences and Affronts uſed towards them. An Inſtance of this happened in the ſeventh of *Richard* II. *Henry Spencer*, the warlike Biſhop of *Norwich*, undertaking Pope *Urban's* Quarrel againſt Pope *Clement*, raſed 2000 Horſes and 15000 Foot, and landed at *Calais*; and performed great Feats of Arms in *Flanders*. At length a *Flemiſh* Army approaching, he ſent an Herald to know what Pope they adhered to. But the Army being of *Weſt Flanders* (raiſed by themſelves) and not underſtanding the Law of Arms, ſlew the Herald. At which the *Engliſh* were ſo enraged, that joining Battel, 9000 *Flemings* were ſlain, as ſaith *Thomas Walſingham*.

Hollingſhed.

Honourably preſented.

They have uſually had high Reſpects and honorary Preſents from thoſe Princes to whom they have been ſent, whatever their Meſſages have been.

The King of *Scots* ſent an Herald to King *Henry* IV. to deliver up *George* of *Dunbarre*, Earl of *March*, that was fled into *England*. The Herald had an honeſt, honourable and diſcreet Anſwer; but negative.

When *Montjoy* the *French* King's Herald brought King *Henry* V. word from his Maſter, that he ſhould have Battle given him, the King gave him a great Reward.

When the Duke of *Glouceſter* ſent his Herald *Pembroke* to the Duke of *Burgundy*, though it were to defy him, he was rewarded with a Cup, and an hundred Guldens.

King *Henry* VIII. *Anno* 1513, being at *Tours*, a King of Arms of *Scotland*, called *Lion*, with his Coat of Arms on, was by *Garter* King of Arms brought to the King's Preſence, and delivered a Letter to him from the *Scotch* King. And notwithſtanding the King was angry at ſome Words of the Herald, yet he commanded *Garter* to take him to his Tent, and make him good Cheer. After this, were the Letters read and anſwered, and an hundred Angels given to *Lion* at his Departure.

Rouge-Croix, a Purſuivant at Arms, in the Reign of King *Henry* VIII. was ſent to the *Scotch* King invading *England*. Who detained him, and ſent one *Hay*, an Herald at Arms, to the Earl of *Surrey*; who, hearing of his coming, ſent *York* Herald to accompany him. And the conſequent Diſcourſe is very remarkable; ſhewing what Reſpect in thoſe Days was uſed to Heralds.

To all this may be added ſome memorable Things that have happened to this honourable and uſeful Rank of Men.

They have been ſent upon Meſſages ſo unwelcome to them to whom they came, that they have ſometimes been ſlain, and ſometimes ill treated; as the *Flemings* ſerved *Henry Spencer's* Herald, before ſpoken of; whom they ſlew.

Sabellicus, in his Hiſtory of the *Venetians*, mentioneth an Herald of theirs ſent to *Francis Carrera*; who cut off his Noſe and Ears.

Laurentius Valentius mentioneth an Herald belonging to the Earl of *Urgelles*; who, carrying a Defiance to the Earl of *Cordouna*, was ill treated by the ſaid King.

Hiſtory of King Ferdin. of Arrag. fifth Book.

In *Kett's* Rebellion under King *Edward* VI. an Herald was ſent to proclaim a Pardon, if they would lay down their Arms. To which was returned a ſaucy Anſwer by *Kett*; maintaining himſelf a true Subject, and that he needed no Pardon, being no Offender.

After three Hours Fight, and a ſturdy one, *Norroy* King at Arms was ſent with a Trumpeter to 4000 or 5000, which were at *Parkthorpe Gate*, to proclaim Pardon, if they would lay down their Arms. To which one *Floteman*, a bold Knave, gave as baſe an Anſwer, as was given by *Kett* before.

After the Earl of *Warwick* was come with a Reinforcement to the Army, *Norroy* was ſent to ſummon the Rebels to ſurrender the City. Which was refuſed; and ſome told him, he was a counterfeit Herald, ſent to deceive them. This *Norroy* was employed often in this Rebellion; who was *Gilbert Dethick*, afterwards *Garter*, and knighted, and was Great Grandfather to *H. Dethick*, *Richmond* Herald at Arms.

Spotſwood.

The *Scotch* Rebels ſpoiled the King's Herald of his Coat and the Letters, when he was about to proclaim them Traitors.

Ralph Brook, p. 234.

Cook, Lancaſter *Herald.*

John Cook, *Lancaſter* Herald, ſometime Servant to *John Dudley* Duke of *Northumberland*, (beheaded *primo Mariæ*) took upon him to beg the Head of his old Maſter, to be buried in the *Tower* of *London:* Which was granted with the whole Body, and performed accordingly. In remembrance whereof the ſaid *Cook* did bear for his Creſt a Bear's Head Silver, crowned Gold, in Alluſion to the ſaid Duke's Badge, which was the Bear and ragged Staff.

Camd. Remains p. 148.

A Purſuivant that brought News to *Edward* III. at *Dover*, of a Victory gained by Sir *John Chandois* againſt *Charles de Blois*, that invaded *Britain*, was made an Herald by the Name of *Windſor*.

Aſhmole's Hiſt. of the Gart.

A Purſuivant was permitted to wear a King of Arms' Coat. *John Cook*, *Lancaſter* Herald, ſhould have worn it; but he died before the Solemnity.

Fox's Martyrol.

Caſper Sturme, the Emperor's Herald, was ſent to conduct *Martin Luther* from *Wittenbergh* to *Wormes*.

Clarencieux and *Guienne*, Kings of Arms, appearing before the Emperor from K. *Henry* VIII. *Anno* 1527, the firſt made a Speech, and the ſecond read a Writing, ending in a Defiance. To which the Emperor made an Anſwer. And ſo between the Emperor and the two Kings was a long Diſcourſe, recited at large by my Author, and very much worth the reading. This *Clarencieux* was *Thomas Benolt*; whoſe Monument remains at this Day, *May* 1, 1703, in St. *Helen's* Church in *Biſhopſgate-ſtreet*.

Hollingſhed.

King *Richard* III. his Corpſe, after he was ſlain in *Boſworth Field*, was ſtark naked truſſed behind a Purſuivant at Arms, called *Blanch Sanglier*, (that

(that is, *White Boar*) and carried to *Leiceſter*, and there buried.

I will conclude (ſaith the diligent Collector of the foreſaid Hiſtorical Paſſages) with the Paſſage following: "*Anno* 1674, in the Month "of *February*, at the Counteſs of *Devonſhire*'s famous Funeral, I ſerved for *Elias Aſhmole*, Eſq; "*Windſor* Herald; and lying at *Leiceſter*, in our "Way to *Darby*, I had the Curioſity to go to "an Inn, and ſee the Stone Coffin, wherein once "lay the Body of the ſaid King *Richard*: Which, "at the Suppreſſion and Demolition of the "*Gray-Friars* in the ſaid Town of *Leiceſter*, was "digged up, and after turned to an Horſe-"trough. At which Spectacle I could not but "be ſmitten with a melancholy Reflection; and "call to mind the laſt Part of that known Hex-"ameter, mentioned by *Wever*, with a little "Variation to his Purpoſe:

Wever, p. 827.

Sic tranſit Gloria mundi.

John Gybbon, *Blue Mantle.*"

In favour of the College, as alſo to preſerve the Honour of the Nobility and Gentry from Perſons of meaner Rank intruding into their Families, and unjuſtly aſſuming their Arms, and for preventing falſe Blazonry, the Queen iſſued out her Command and Pleaſure in *June*, *An. Dom.* 1707, confirming the Deputy Earl-Marſhal's Order following:

An Order of Bindon, *Deputy Earl-Marſhal.*

"Whereas the ordering, judging, and determi-"ning all Matters concerning Arms, Creſts, Sup-"porters, Cognizances, Pedigrees, Devices and "Enſigns Armorial; the making and preſcribing "Rules, Ordinances and Decrees, for the granting, "controlling and regulating thereof; and the put-"ting in Execution the Laws and Ordinances "relating thereunto; are, among other Powers "and Authorities, with her Majeſty's Approba-"tion, inveſted in me, *Henry* Earl of *Bindon*, "Deputy to his Grace *Thomas* Duke of *Norfolk*, "Earl-Marſhal and Hereditary Marſhal of *Eng-"land:* And whereas divers Abuſes, Diſorders, "and Irregularities, have been committed and "done by Painters, Funeral-Undertakers, Gla-"ziers, Goldſmiths, Engravers, Carvers, Cha-"cers, Stonecutters, Coachmakers, and others, "in the Premiſſes: For Remedy whereof, for the "Time coming, theſe are to warn, charge and "require all and every the ſaid Artificers, and "others concerned, that they forbear to deſign "and appoint, to or for any Perſons, any Arms "or Enſigns Armorial, by making any Arms, "Creſts, Supporters, Cognizances, Pedigrees and "Devices in Coat-Armour, Helm, Banners, "Standards, Penons and Hatchments, Tents "and Pavilions: As alſo in Plate, Metals, "Jewels, Glaſs, Paper, Parchment, or otherwiſe "in Windows, Grave-Stones, Tombs, and Monu-"ments, or elſewhere, without ſufficient Direction "and Authority ſo to do: And likewiſe ſtrictly "to prohibit and forbid all Coachmakers, and "others, concerned in making Mourning Coaches "and Chairs for the Nobility and Gentry, that "they do not uſe varniſhed Bullion Nails; as "they the ſaid ſeveral Artificers and others, herein "afore-mentioned and intended, will anſwer the "Contempt hereof at their Peril.

By her Majeſty's Command,

BINDON *M.*"

No. 74.

Thirdly, Facing the North-Weſt Corner of the *College of Arms* is a Paſſage into *Doctors Commons*, to which you aſcend by ſeveral Steps, from *Bennet's-hill*; with a Paſſage thro' two ſquare Courts into *Great Knightrider's-ſtreet*. This is properly a College for ſuch as ſtudy and practiſe the *Civil Law*, and decide Cauſes within their own Walls; and the Addition of *Commons* is taken from the Manner in which the *Civilians* live here, *Commoning* together, as practiſed in Colleges. And all Perſons that have Buſineſs relating to the Civil or Eccleſiaſtical Laws, or have Occaſion to conſult with learned Men in that Faculty, may repair hither, where their ſeveral Chambers, Apartments, and Offices be.

Doctors Commons

Here is a fair ſpacious Room for a Library, repleniſhed with a great Number of Books of all Sorts, but eſpecially of Hiſtory, and of that Faculty, given by divers of this College: And among the reſt, the whole Library of Sir *John Gibſon*, Knight, ſometime Chancellor to Archbiſhop *Grindal*, and his two Succeſſors of *York*, and Judge of the *Prerogative* Office; Anceſtor to *James Gibſon*, Eſq; the late worthy Town-Clerk, who beſtowed it.

A Library here.

I ſhall firſt ſet down the original Foundation of this Place; next, ſpecify the Cauſes belonging to the Cognizance of theſe Civilians; then, ſhew the ſeveral Courts that are kept here, or belong to it; and who the Practiſers in them be; And laſtly, the Terms and Times when theſe Courts are kept.

I. Dr. *Henry Harvey*, Doctor of the Civil and Canon Law, and Maſter of *Trinity-hall* in *Cambridge*, Prebendary of *Ely*, and Dean of the Arches; a Reverend, Learned and Good Man; purchaſed and provided this Houſe for the Civilians and Canoniſts to dwell in; being then an old Stone Building belonging to St. *Paul*'s Church, but let out. They beforetime were lodged in *Pater-noſter-row*, in a meaner and leſs Houſe; afterwards, and ſtill a Tavern, known by the Name of the *Queen's-head*; which had ſometime been an Houſe for a Reſidentiary of St. *Paul*'s.

Dr. Harvey *Founder of* Doctors Commons.

Here are the *Courts* kept for the Practice of Civil or Eccleſiaſtical Cauſes. Several Offices are alſo here kept; as the Regiſtrary of the Archbiſhop of *Canterbury*, and the Regiſtrary of the Biſhop of *London*.

The Courts kept here.

II. The *Cauſes*, whereof the Civil and Eccleſiaſtical Law take Cognizance, are theſe that follow; as they are enumerated in the *Preſent State* of *England:* Blaſphemy, Apoſtaſy from Chriſtianity, Hereſy, Schiſm; Ordinations, Inſtitutions of Clerks to Benefices, Celebration of Divine Service, Matrimony, Divorces, Baſtardy, Tythes, Oblations, Obventions, Mortuaries, Dilapidations, Reparation of Churches, Probate of Wills, Adminiſtrations; Simony, Inceſts, Fornications, Adulteries, Sollicitation of Chaſtity; Penſions, Procurations, Commutation of Penance, Right of Pews, and other ſuch like, reducible to theſe Matters.

Cauſes belonging to the Civil Law.

III. The *Courts* belonging to the Civil and Eccleſiaſtical Law are divers.

The Courts.

Firſt, The Court of *Arches*. Which is the higheſt Court belonging to the Archbiſhop of *Canterbury*. It was a Court formerly kept in *Bow-*

The Arches.

Church in *Cheapſide:* And the Church and Tower thereof being arched, the Court was from hence called *The Arches*, and ſo ſtill is called. Hither are all Appeals directed in Eccleſiaſtical Matters within the Province of *Canterbury*. To this Court belongs a Judge, who is ſtiled *The Dean of the Arches*; ſo called, becauſe he hath a Juriſdiction over a Deanry in *London*, conſiſting of thirteen Pariſhes, exempt from the Juriſdiction of the Biſhop of *London*. This Court hath (beſides this Judge) a Regiſter, or Examiner, an Actuary, a Beadle or Crier, and an Apparitor; beſides Advocates, and Procurators, or Proctors. Theſe, after they be once admitted by Warrant and Commiſſion, directed from the Archbiſhop, and by the Dean of the Arches, may then (and not before) exerciſe as Advocates and Proctors there, and in any other Court.

The Audience.

Secondly, The Court of *Audience*. This was a Court likewiſe of the Archbiſhop's: Which he uſed to hold in his own Houſe; where he received Cauſes, Complaints and Appeals; and had learned Civilians living with him, that were Auditors of the ſaid Cauſes, before the Archbiſhop gave Sentence. This Court was kept in later Times at St. *Paul*'s. The Judge belonging to this Court was ſtiled, *Cauſarum, Negotiorumque Cantuarien. Auditor Officialis.* It had alſo other Officers, as the other Courts.

Complaints of this Court.

There were antiently Complaints made of this Court; once in the Reign of King *Henry* VIII. as of the Troubles and Inconveniences it cauſed both to Clergy and Laity; and that Men were forced up to *London* oftentimes from the remoteſt Parts, for a ſlanderous Word, or a Farthing Candle. Since the Civil Wars under King *Charles* the Firſt, it hath been diſuſed.

Prerogative *Court.*

Thirdly, The next Court for Civil Cauſes belonging to the Archbiſhop, is the *Prerogative* Court. Wherein Wills and Teſtaments are proved, and all Adminiſtrations taken. Which belongs to the Archbiſhop by his Prerogative; that is, by a Special Preeminence, that this See hath in certain Cauſes above ordinary Biſhops within his Province: This takes place, where the Deceaſed hath Goods to the Value of five Pounds out of the Dioceſe; and being of the Dioceſe of *London*, to the Value of ten Pounds. If any Contention grow touching any ſuch Wills or Adminiſtrations, the Cauſes are debated and decided in this Court.

Officers of this Court.

To it belongs a Judge; who is ſtiled *Judex Curiæ Prerogativæ Cantuarienſis*: And a Regiſter; who hath convenient Rooms in his Office, for the diſpoſing and laying up ſafe all original Wills and Teſtaments; and whither any may have Recourſe, that have Occaſion to ſearch ſuch Wills; and for a Shilling may read any one of them over; and for other moderate Prices, at ſo much a Sheet, may have the whole, or ſome Part of any of them, tranſcribed and copied for his Uſe. This Regiſter alſo hath his Deputy, beſides ſeveral Clerks.

This *Prerogative* Office, formerly kept in the Dean of St. *Paul*'s Court, is now in *Great Knightrider's-ſtreet*.

The Faculty *Court.*

To theſe add, *Fourthly*, The Court of *Faculties* and *Diſpenſations:* Whereby a Privilege or Special Power is granted to a Perſon, by Favour and Indulgence, to do that which by Law otherwiſe he could not: As, To marry, without Banns firſt aſked in the Church three ſeveral *Sundays*, or Holy-days: The Son to ſucceed his Father in his Benefice: For one to have two, or more Benefices, incompatible: For Non-Reſidence; and in other ſuch like Caſes.

This Authority was given to the Archbiſhop by the Statute 25 *Hen.* VIII. *Cap.* 21. And the chief Officer of this Court is called *Magiſter ad Facultates.* There is a Regiſter alſo belonging this Court.

Beſides theſe Courts peculiarly pertaining to the Arbiſhop of *Canterbury*, there is,

The Admiralty.

Fifthly, The Court of *Admiralty:* Which was erected in the Reign of *Edward* the Third. This Court belongs to the Lord High Admiral of *England*, a high Officer, that hath the Government of the King's Navy, and the Hearing of all Cauſes relating to Merchants and Mariners. He takes Cognizance of the Death or Mayhem of any Man, committed in the great Ships riding in great Rivers, beneath the Bridges of the ſame next the Sea. Alſo he hath Power to arreſt Ships in great Streams, for the Uſe of the King, or his Wars. And in theſe Things this Court is concerned.

Officers of this Court.

There is a Judge of this Court, who muſt be a Civilian; and his Title is, *Supremæ Curiæ Admiralitatis* Angliæ *Locumtenens Judex.* The other Officers of this Court are, a Regiſter, and a Marſhal, who carrieth a Silver Oar before the Judge; beſides an Advocate, and Proctor of the Admirals.

This Court formerly kept in Southwark.

This Court was, in former Times, kept at St. *Margaret's-hill* in *Southwark*; but now it is held in the Hall in *Doctors Commons*, where the other Civil Courts are kept. Only upon the Trial of Pirates, and Crimes committed at Sea, the Court ſits at the Seſſions-houſe in the *Old-Bailey*.

The Court of Delegates.

To theſe I add the Court of *Delegates*. To which high Court Appeals do lie from any of the former Courts. This is the higheſt Court for Civil Cauſes. It was eſtabliſhed by an Act in the 25th of *Henry* VIII. *Cap.* 19. Wherein it was enacted, "That it ſhould be lawful, for lack of "Juſtice at or in ny of the Archbiſhop's Courts, "for the Parties grieved to appeal to the King's "Majeſty in his Court of *Chancery*. And that, "upon every ſuch Appeal, a Commiſſion under "the Great Seal ſhould be directed to ſuch Per"ſons as ſhould be named by the King's High"neſs (like as in caſe of Appeals from the Ad"miralty Court) to determine ſuch Appeals, "and the Cauſes concerning the ſame. And no "further Appeals to be had or made from the "ſaid Commiſſioners for the ſame." Theſe Commiſſioners are appointed Judges only for that Turn. And they are commonly of the Spiritualty, as Biſhops; of the Common Law, as Judges of *Weſtminſter-hall*; as well as thoſe of the Civil Law. And theſe are mixed one with another, according to the Nature of the Cauſe.

The Commiſſion when granted.

This Commiſſion of Appeal may be granted in three Caſes: I. When any Sentence is given in any Eccleſiaſtical Cauſe by the Archbiſhop, or his Official. II. When any Sentence is given in any Eccleſiaſtical Cauſe in Places exempt. III. When Sen-

Sentence is given in the Admiralty in Suits Civil and Marine.

Commiſſion of Review. *Leſtly*, Sometimes a Commiſſion of *Review* is granted by the King under the Broad Seal, to conſider and judge again what was decreed in the Court of Delegates. But this is but ſeldom, and upon great, and ſuch as ſhall be judged juſt Cauſes by the Lord Keeper, or High Chancellor. And this done purely by the King's Prerogative; ſince by the Act for Delegates, no farther Appeals were to be laid or made from thoſe Commiſſioners, as was mentioned before.

Practiſers in theſe Courts. IV. The *Practiſers* in theſe Courts are of two ſorts, { *Advocates*, *Proctors.*

Advocates *Advocates* are ſuch as have taken their Degree of Doctor in the Faculty of the Civil Law; or (when this Kingdom ſubmitted to the Papal See) of the *Canon* Law, or of the *Decrees*; that is, Canons and Decrees made and enjoined by Popes. Theſe are retained as Counſellors or Pleaders. And they muſt firſt, upon their Petitions to the Archbiſhop, have his *Fiat*; and then they are admitted by the Judge to practiſe. The Manner of their Admiſſion is ſolemn. Two Senior Advocates in their Scarlet Robes, with the Mace carried before them, conduct the Doctor up the Court with three low Reverences; and preſent him with a ſhort *Latin* Speech, together with the Archbiſhop's Reſcript. And then, having taken the Oaths, the Judge admits him, and aſſigns him a Place or Seat in the Court; which he is ever to keep, when he pleads.

Their Habits. The *Habits* they uſe in Court, both Judges and Advocates, are a Scarlet Robe, and a Hood lined with Taffata, if they be of *Oxford*; if of *Cambridge*, White Minever, and round Caps of Black Velvet.

Their Number. *Anno* 1585, the Doctors then inhabiting the Commons, and Exercents in theſe Courts, were but ſixteen or ſeventeen in all. In the Year 1694, they were forty-four.

Proctors. *Proctors*, or Procurators, the other ſort of Practiſers, are they that exhibit their Proxies for their Clients, and make themſelves Parties for them, who draw and give Pleas, or Libels and Allegations in behalf of their Clients; produce Witneſſes, prepare Cauſes for Sentence, and attend the Advocates with the Proceedings. They are admitted alſo by the Archbiſhop's *Fiat*, introduced by two Senior Proctors. They wear Black Robes, and Hoods lined with White Fur.

Anno 1585, the Number of the Proctors who were Practiſers then, and lived about the Commons, were only five.

In the Year 1694, the Number of the Proctors were forty-three.

Numbers of the Proctors reduced by Archbiſhop Cranmer. Yet in *Henry* the VIIIth's Time, the Numbers of the Proctors were found a Grievance: And that they were ſo clamorous, by reaſon of the Plenty of them, that neither Judges nor Advocates could be heard. That they retained and concluded Cauſes oftentimes without the Advocates, and thruſt themſelves into Cauſes without the Knowledge or Will of the Parties. In order to the reducing theſe Evils, Archbiſhop *Cranmer* (that great and ever-memorable Reformer of Abuſes) thought good to begin with reſtraining of the Numbers of them. And whereas they were about twenty in the Court of the *Arches*, and twenty-four more, he made an Order that thenceforth there ſhould be no more admitted till the Number were reduced to ten; and then that Number never to be increaſed. And this was confirmed by the Chapter and Convent of *Chriſt-Church, Canterbury*. Though ſome looked upon this as a Craft of the Proctors of that Time, that, all others being excluded from being Proctors, they might have all the Buſineſs of the *Arches* in their own Hands. But this Order gave Offence to many; and a Petition was drawn up againſt it, and preſented to the Parliament. Therein they ſhewed how prejudicial this would be to the Commonwealth; becauſe the Number of ten Perſons was not ſufficient to diſpatch the Cauſes that came into that Court. And ſo there muſt be Delays and prolix Suits; and that it was a great Diſcouragement to young Men in ſtudying the Law; and contrary to the Canon and Civil Law, that permits any Man to be Proctor for another, a few excepted.

The Terms. V. The *Terms* for the pleading and ending of Cauſes in theſe Civil Courts, are little different from the Term-times of the Common Law. The Order as to the Time of the ſitting of theſe Courts is thus. The Sitting of the Court of *Arches* hath the Preeminence of ſitting firſt, according to the Quality of that Court, and regulates the Sittings of the others. The Sitting of the Court of *Audience* was the Morning next after the Sitting of the Court of *Arches*. The *Prerogative* Court ſits in the Afternoon, as the *Audience* ſat in the Morning. The Court of the *Admiralty* is held on the ſame Day with the *Arches*, but in the Afternoon.

Times of Sitting.

Theſe Courts once held at Exeter Houſe. This College was conſumed by the general Deſtation that happened by Fire to the City, *Anno* 1666. And then *Exeter-houſe* in the *Strand* was employed for the ſame Uſe. Where the Civilians had their Chambers and Offices; and the Courts were kept in the Hall. But after ſome Years the *Commons* being rebuilt far more conveniently and more ſumptuouſly than before, the Civilians removed thither again.

Prohibitions, *to call Cauſes into the Temporal Courts.* For the Relief of the Subjects, in caſe of any hard Dealings feared from Civil or Eccleſiaſtick Laws, the Lords Chief Juſtices may ſtop Proceedings in theſe Courts, and call the Matters in Controverſy to be heard before them, by a Writ of *Prohibition*. Which lies of one that is impleaded in the Court *Chriſtian* for a Cauſe that belongeth to the Temporal Juriſdiction. Whereby as well the Party and his Council, as the Judge himſelf and the Regiſter, are forbidden to proceed any further in that Cauſe. The Law Books ſhew the Cauſes for which this *Prohibition* lies. *Bracton* ſaith, it lies not after a Sentence given in any Cauſe.

The following are, (Jan. 1, 1755.) *the Judges, Advocates, Proctors, and Regiſters.*

The Right Honourable Sir *Geo. Lee*, Knt. Dean of the *Arches*, Judge of the *Prerogative* Court of *Canterbury*, one of his Majeſty's moſt honourable Privy Council, and Treaſurer to the Princeſs of *Wales*.

Sir *Tho. Saliſbury*, Knt. Judge of the High Court of *Admiralty*.

Dr. *Geo. Paul*, his Majeſty's Advocate-General, Vicar-General to the Archbiſhop of *Canterbury*, Commiſſary of the Royal Juriſdiction of St. *Catharine*'s, Official of the Archdeaconry of St. *Alban*'s, and Regiſter of the Faculties.

Dr. *Charles Pinfold*, Commiſſary of the Dean and Chapter of *Weſtminſter*, and Official of the Archdeaconry of *Surry*.

Sir *Edmund Iſham*, Baronet.

Dr. *Thomas Walker*.

Dr. *Edward Simpſon*, Chancellor of *London*, Judge of the *Cinque Ports*, and Official to the Archdeacons of *Canterbury* and *Rocheſter*.

Dr. *Charles Pinfold*, jun. Com. of *Surry*, and Advocate to the Lords of the *Admiralty*.

Dr. *Arthur Collier*, Commiſſary and Official of the Archdeaconry of *Huntington*.

Dr. *Robert Dale*, Dr. *Joſ. Smith*.

Dr. *W. Wall*, Dr. *John Taylor*, Chancellor of *Lincoln*.

Dr. *Geo. Hay*, Chancellor of *Worceſter*.

Dr. *Rob. Jenner*, King's Law-Profeſſor at *Oxford*, Dr. *Jnd. Coltee-Ducarrell*.

Dr. *Rich. Smallbroke*, Chancellor of *Litchfield*.

Dr. *Dennis Clarke*, Dr. *Francis Topham*, Maſter of the Faculties.

Dr. *John Betteſworth*, Commiſſary of *London*, *Middleſex*, and *Barking*.

Dr. *George Harris*.

Proctors of the Court of Arches.

W. White.
Nath. Patten, *Henry Collins*.
Wm. Legard, *Rich. Cheſlyn*.
Peter St. Eloy, *John Philips*, ſenior,
Julius Cæſar, *Wm. Skelton*, ſenior.
John Lee, *Ro. Bogg*, *Hen. Farrant*.
Phil. Creſpigny, Ld. Admiral's Proctor.
Cha. Alexander, *Hen. Stephens*.
W. Taverner, *God. Lee Farrant*.
Edw. Ruſhworth, *Hen. Major*.
Rich. Wotton, *John Trenly*.
Geo. Bellas, *Geo. Goſtling*.
Tho. Adderley, *Nath. Biſhop*.
John Smith, *William Abbot*.
Tho. Tyndall, Eſq; King's Proctor.
Rog. Altham, *Wright Bateman*.
John Cæſar, *Rob. Longdon*.
Joſias Farrer, *Jeffrey Glazier*.
Tho Fanſhaw, *Mark Holman*, junior.
Joſeph Hughes, *John Smart*.
John Grene, *John Philips*, junior.
Ed. Cheſlyn, *James Southgate*.
W. Skelton, jun. *J. Chapman*.
J. Stephens.

W. Folkes, Eſq; and *Edward Richworth*, Regiſters and Actuaries of the *Arches* Court of *Canterbury*.

Sam. Hill, Eſq; Regiſter of the High Court of *Admiralty*, and Court of *Delegates*, and High Court of *Appeals* for Prizes.

Edward Ruſhworth, Deputy Regiſter of the *Delegates*.

George Bellas, Eſq; Deputy Regiſter of the High Court of *Admiralty*, and High Court of *Appeals* for Prizes.

William Brough, Eſq; Marſhal of the High Court of *Admiralty*.

Thomas Stone, his Deputy.

Wm. Folkes, Eſq; Apparitor General of the Province of *Canterbury*.

Tho. Bennet, Eſq; Principal Regiſter of the *Prerogative* Court of *Canterbury*.

Wm. Legard, *Peter Eloy*, and *Hen. Stephens*, his Deputies.

Clerks in the ſaid Office.

Godfrey Lee Farrant, *Henry Collins*.
John Cæſar, *Charles St. Eloy*,
Geo. Marſhal, Apparitor.

H. Collins, Deputy Regiſter of the Dean and Chapter of St. *Paul*'s, *London*.

W. Banes, Apparitor to the Dean and Chapter.

Julius Cæſar, Deputy Regiſter of the Biſhop of *Wincheſter* for *Surry*, and Deputy Regiſter of the Archdeaconry of *Surry*.

Walter Alliſon, Apparitor.

Roger Altham, Eſq; Seal-keeper of the High Court of *Admiralty* of *England*, Regiſter of the Archdeaconry of *Middleſex*, Dean and Chapter of *Weſtminſter*, and Deputy Regiſter of the Biſhop of *Rocheſter*.

Tho. Potter, and *Geo. Gibſon*, Eſqrs, Regiſters of the Vicar-General.

Edward Ruſhworth, their Deputy.

W. Skelton, Regiſter of the Conſiſtory Court of the Lord Biſhop of *London*.

Geo. Gibſon, Eſq; Regiſter of the Commiſſary Court of *London*.

W. Skelton, his Deputy.

J. Herring, Apparitor to the Biſhop of *London*.

Geo. Gibſon, Eſq; Regiſter of the Archdeaconry of *London*.

Mark Holman, jun. his Deputy.

Officers of the Court of Chivalry.

Sir *Edward Iſham*, Bart. Aſſeſſor to the Deputy Earl-Marſhal.

Mark Holman, ſen. Regiſter of the Court.

Proctors of the Court of Chivalry.

Wm. White, *John Philips*, *Wm. Skelton*, *Philip Creſpigny*.

Fourthly, in *Little Carter-lane* is a very handſome Meeting-houſe for Proteſtants diſſenting, by Name of *Preſbyterians*, from the Church of *England*. *Meeting-houſe.*

Fifthly, This Ward in antient Times boaſted of ſeveral noble Palaces and Caſtles. (1.) Near the South-Weſt End of *Thames-ſtreet* was a very large Houſe called *Beaumont's-Inn*, belonging to the noble Family of that Name in 4 *Edw.* III. It afterwards fell into the Hands of the Crown; and King *Edw.* IV. *Ann.* 5 *Reg.* gave it to *William Haſtings*, Lord Chamberlain, Maſter of his Mints; from whom it deſcended to the Earls of *Huntingdon*; and by that Family's Reſidence it obtained the Name of *Huntingdon-houſe* in the Reign of *Hen.* VIII. (2) Near to St. *Paul's Wharf* was another great Houſe, called *Scroop's-Inn*, belonging to the noble Family of that Name 31 *Hen.* VI. (3) Then was another great Meſſuage ſometime belonging to the Abbey of *Fiſcampe* beyond the Sea. And by Reaſon of the Wars, it coming to the Hands of King *Edward* III. the ſame was given to Sir *Simon Burley*, Knight of the Garter, and therefore called *Burley-houſe* in *Thames-ſtreet*, between *Baynard's caſtle* and *Paul's-Wharf*. (4) *Baynard's-caſtle*, whereof this whole Ward *Antiquities* *Burley-houſe.*

Baynard's-Caſtle.

Ward taketh Name. This Caſtle banketh on the River *Thames*, and was called *Baynard's-Caſtle*, from *Baynard*, a Nobleman, that came in with *William the Conqueror*.

William Fitz-Stephen ſaith, in the Weſt Part of this City were two moſt ſtrong Caſtles; and *Gervaſius Tilbury*, in the Reign of *Henry* II. ſaith, two Caſtles were built, with Walls and Ramparts, whereof one was in Right of Poſſeſſion *Baynard*'s, the other the Barons of *Mountfitchet*. The firſt of theſe Caſtles, banking on the River *Thames*, was called *Baynard's-Caſtle*, from *Baynard*, a Nobleman, who came in with *William the Conqueror*, and then built it. He died in the Reign of *William Rufus*; after whoſe Deceaſe *Geffrey Baynard* ſucceeded; and then *William Baynard*, in the Year 1111, who, by Forfeiture for Felony, loſt his Barony of *Little Dunmow*, and King *Henry* gave it wholly to *Robert Fitz-Richard*, the Son of *Gilbert* Earl of *Clare*, and to his Heirs, together with the Honour of *Baynard's-Caſtle*. This *Robert* married *Maude de Sent-Licio*, Lady of *Bradham*, and, dying in the Year 1134, was buried at St. *Need*'s, by *Richard* Earl of *Clare*. *Walter*, his Son, ſucceeded him, and married *Matilda de Becham*; after whoſe Deceaſe he married *Matilda*, the Daughter and Coheir of *Richard de Lucy*, on whom he begat *Robert* and others. He died in the Year 1198, and was buried at *Dunmow*; to him ſucceeded *Robert Fitz-Water*, a valiant Knight.

About the Year 1213 there aroſe a great Contention betwixt King *John* and his Barons on Account of *Matilda*, called *The Fair*, a Daughter of the aforeſaid *Robert Fitz-Water*, whom the King unlawfully loved, but could not obtain; whereupon, and for other Cauſes of the like Sort, there enſued a War throughout the Realm. The Barons being received into *London* did great Damage to the King; but, in the End, the King did not only baniſh the ſaid *Fitz-Water*, among others, out of the Realm, but alſo cauſed his Caſtle, called *Baynard's-Caſtle*, and his other Houſes, to be demoliſhed. After this a Meſſenger was ſent to *Matilda the Fair* about the King's Suit; but ſhe, not conſenting to it, was poiſoned; *Robert Fitz-Water* being then gone, with others, into *France*, and ſome went into *Scotland*.

In the Year 1214, King *John* being in *France* with a great Army, a Truce was made between the two Kings of *England* and *France* for five Years. There being a River or Arm of the Sea between the two Armies, a Knight among the *Engliſh* called out to thoſe on the other Side, to challenge any one among them to come and take a Juſt or two with him; whereupon, without any Delay, *Robert Fitz-Water*, who was on the *French* Side, ferried over, and got on Horſeback, without any one to help him, and ſhewed himſelf ready to the Face of this Challenger, whom at the firſt Courſe he ſtruck ſo violently with his great Spear, that Horſe and Man fell to the Ground; and when his Spear was broken he went back again to the King of *France*. King *John* ſeeing this, cried out, *By God's Tooth*, his uſual Oath, *he were a King indeed who had ſuch a Knight*. The Friends of *Robert*, hearing theſe Words, kneeled down, and ſaid, *O King! he is your Knight*; *it is* Robert Fitz-Water. Whereupon he was ſent for the next Day, and reſtored to the King's Favour; by which Means a Peace was concluded, *Fitz-Water* was reſtored to his Eſtates, and had Leave given him to repair his Caſtle of *Baynard*, and other Caſtles.

This *Robert* died in the Year 1234, and was buried at *Dunmow*, and *Walter* his Son ſucceeded him. This Barony of *Baynard* was in the Ward of King *Henry* during the Non-age of another *Robert Fitz-Water*, who, in the Year 1289, married *Ælianor*, Daughter and Heir to the Earl of *Ferrers*.

On the twelfth of *March*, 1303, the ſaid *Robert Fitz-Water* did acknowledge his Service to the City for his Caſtle of *Baynard*, before Sir *John Blunt*, Mayor of *London*; and ſwore upon the Evangeliſts, That he would be true to the Liberties thereof, and maintain the ſame, to his Power, and keep the Counſel of the ſame, *&c.*

The Rights that belonged to *Robert Fitz-Water*, Chaſtilian and Banner-Bearer of *London*, Lord of *Wodeham*, were theſe:

Robert Fitz-Water, *Chaſtilian and Banner-Bearer of* London.

" The ſaid *Robert* and his Heirs ought to be " and are chief Banners of *London*, in Fee for the " Chaſtiliary, which he and his Anceſtors had " by *Caſtle-Baynard*, in the ſaid City. In Time " of War the ſaid *Robert* and his Heirs ought " to ſerve the City in Manner as followeth; " that is,

" The ſaid *Robert* ought to come, he being the " twentieth Man of Arms on Horſeback, cover- " ed with Cloth or Armour, unto the great Weſt " Door of St. *Paul*, with his Banner diſplayed " before him of his Arms. And when he is " come to the ſaid Door, mounted and apparelled, " as before is ſaid, the Mayor, with his Alder- " men and Sheriffs, armed in their Arms, ſhall " come out of the ſaid Church of St. *Paul* unto " the ſaid Door, with a Banner in his Hand, all " on Foot; which Banner ſhall be *Gules*, the " Image of St. *Paul*, Gold; the Face, Hands, " Feet, and Sword, of Silver: And as ſoon as " the ſaid *Robert* ſhall ſee the Mayor, Aldermen, " and Sheriffs come on Foot out of the Church, " armed with ſuch a Banner, he ſhall alight from " his Horſe, and ſalute the Mayor, and ſay to " him, *Sir Mayor, I am come to do my Service which* " *I owe to the City.*

The Banner of St. Paul.

" And the Mayor and Aldermen ſhall anſwer, " *We give to you, as to our Banneret of Fee in* " *this City, the Banner of this City to bear and* " *govern, to the Honour and Profit of this City, to* " *your Power.*

" And the ſaid *Robert* and his Heirs ſhall re- " ceive the Banner in his Hands, and go on Foot " out of the Gate, with the Banner in his Hands; " and the Mayor, Aldermen, and Sheriffs ſhall " follow to the Door, and ſhall bring an Horſe " to the ſaid *Robert*, worth twenty Pounds; " which Horſe ſhall be ſaddled with a Saddle of " the Arms of the ſaid *Robert*, and ſhall be co- " vered with Sindals of the ſaid Arms.

" Alſo they ſhall preſent to him twenty Pounds " Sterling, and deliver it to the Chamberlain of " the ſaid *Robert*, for his Expences that Day. " Then the ſaid *Robert* ſhall mount upon the

" Horſe which the Mayor preſented to him, " with the Banner in his Hand; and, as ſoon as " he is up, he ſhall ſay to the Mayor, that he " muſt cauſe a Marſhal to be choſen for the " Hoſt, one of the City; which being done, the " ſaid *Robert* ſhall command the Mayor and " Burgeſſes of the City to warn the Commons " to aſſemble, and all go under the Banner of St. " *Paul*; and the ſaid *Robert* ſhall bear it himſelf " to *Aldgate*, and there the ſaid *Robert* and Mayor " ſhall deliver the ſaid Banner of St. *Paul* to " whom they think proper. And, if they are to " go out of the City, then the ſaid *Robert* ought " to chuſe two out of every Ward, the moſt " ſage Perſons, to look to the Keeping of the " City after they are gone out. And this Coun- " ſel ſhall be taken in the Priory of the *Trinity* " near *Aldgate*. And before every Town or " Caſtle which the Hoſt of *London* ſhall beſiege, " if the Siege continue a whole Year, the ſaid " *Robert* ſhall have for every Siege, of the Com- " monalty of *London*, one hundred Shillings, and " no more."

Theſe were the Rights that *Robert Fitz-Water* had in Time of War: The Rights belonging to him and his Heirs in the City of *London*, in Time of Peace, were as follow:

" That is to ſay, the ſaid *Robert Fitz-Water* " had a Soke or Ward in the City, where was a " Wall of the Canonry of St. *Paul*, which led " down by a Brewhouſe of St. *Paul* to the " *Thames*, and ſo to the Side of the Mill which " was in the Water coming down from *Fleet-* " *Bridge*, and went by *London-Wall* betwixt the " Friars Preachers and *Ludgate*, and ſo returned " by the Houſe of the ſaid Friars to the ſaid " Wall of the Canonry of St. *Paul*; that is, " all the Pariſh of St. *Andrew*, which was in " the Gift of his Anceſtors by the ſaid Se- " niority; and ſo the ſaid *Robert* had appen- " dant unto the ſaid Soke all the Things under- " written:

" That he ought to have a Sokeman, and to " place what Sokeman he will, ſo he be of the " Sokemanry, or the ſame Ward: And if any of " the Sokemanry be impleaded in the *Guildhall* " of any Thing that toucheth not the Body of " the Mayor that for the Time is, or that touch- " eth the Body of no Sheriff, it is not lawful for " the Sokeman of the Sokemanry of the ſaid " *Robert Fitz-Water* to demand a Court of the " ſaid *Robert*; and the Mayor and his Citizens " of *London* ought to grant him to have a Court; " and in his Court he ought to bring his Judg- " ments, as it is aſſented and agreed upon in the " *Guildhall*, that ſhall be given him.

" If any therefore be taken in his Sokemanry, " he ought to have his Stocks and Impriſonment " in his Soken; and he ſhall be brought from " thence to the *Guildhall* before the Mayor, and " there they ſhall provide him his Judgment that " ought to be given of him; but his Judgment " ſhall not be publiſhed till he come into the " Court of the ſaid *Robert*, and in his Liberty.

" And the Judgment ſhall be ſuch, that if he " have deſerved Death by Treaſon, he to be tied " to a Poſt in the *Thames* at a good Wharf, where " Boats are faſtened, two Ebbings and two Flow- " ings of the Water.

" And if he be condemned for a common " Thief, he ought to be led to the Elms, and " there ſuffer his Judgment as other Thieves. " And ſo the ſaid *Robert* and his Heirs hath Ho- " nour, that he holdeth a great Franchiſe within " the City, that the Mayor of the City and Ci- " tizens are bound to do him of Right; that is " to ſay, that when the Mayor will hold a great " Council, he ought to call the ſaid *Robert* and " his Heirs to be with him in Council of the " City; and the ſaid *Robert* ought to be ſworn " to be of Council with the City againſt all Peo- " ple, ſaving the King and his Heirs. And " when the ſaid *Robert* cometh to the *Huſtings* of " the *Guildhall* of the City, the Mayor, or his " Lieutenant, ought to riſe againſt him, and ſet " him down near unto him; and, ſo long as he " is in the *Guildhall*, all the Judgments ought to " be given by his Mouth, according to the Re- " cord of the Recorders of the ſaid *Guildhall*: " And ſo many Waifes as come ſo long as he is " there, he ought to give them to the Bailiffs of " the Town, or to whom he will, by the Council " of the Mayor of the City."

This *Robert* died in the Year 1305, leaving Iſſue *Walter Fitz-Robert*, who had Iſſue *Robert Fitz-Water*; to whom the Citizens of *London*, in the Year 1320, acknowledged the Right which they owed to him and his Heirs for the *Caſtle-Baynard*. He died in the Year 1325, and was ſucceeded by *Robert Fitz-Robert Fitz-Water*, &c. But how the Honour of *Baynard's-Caſtle*, with the Appurtenances, fell from the Poſſeſſion of the *Fitz-Waters*, Mr. *Stow* can give no Account.

Baynard's-Caſtle *burnt, and rebuilt by* Humphrey *Duke of* Glouceſter.

In the Year 1428, the ſeventh of *Henry* VI. a great Fire happening at *Baynard's-Caſtle*, it was new built by *Humphrey* Duke of *Glouceſter*; and, after his Attainder and Death, in the Year 1446, it came into the Hands of *Henry* VI. and from him to *Richard* Duke of *York*, who, in the Year 1457, lodged there in his own Houſe.

On the twenty-eighth of *February*, in the Year 1460, the Earls of *March* and of *Warwick*, with a great Number of Men, tho' but few of Note, entered the City of *London*, where they were joyfully received by the Citizens; and, upon the third of *March*, the Earl of *Warwick* muſtered his Men in St. *John's-Field*, in the Midſt of Throngs of People, whom ordering to be caſt into a Ring about him, he read aloud the Agreement between the King and the late Duke of *York*, with the Act of Parliament by which it was confirmed. That done, he told the People *Henry* had notoriouſly violated this Agreement, and ſo forfeited, according to the Act of Parliament, his Right to the Crown: Then raiſing his Voice, he aſked the People that ſtood round him, *Whether they would have* Henry *of* Lancaſter *for King?* The whole Multitude crying out, *No, No*; he aſked, *Whether, according to that Settlement, they would have* Edward, *Son of the late Duke of* York, *to reign over them?* To which all the People anſwered with Acclamations, expreſſing their Conſent. Upon this, certain Captains were appointed to carry the Relation of what had been done to the ſaid *Edward* Earl of *March*, then lodged at his Caſtle of *Baynard*; where a great Council

Rapin. P. 587.

Council was called of all the Biſhops, Lords, Gentlemen, and Magiſtrates, in and about *London*. See Page 200.

Rich. III. *took upon him the Title of King in* Baynard's-Caſtle.

Edward IV. being dead, leaving his eldeſt Son *Edward*, and his ſecond Son *Richard*, both Infants, *Richard* Duke of *Glouceſter*, then Protector, began to plot for the Crown; and, as it were, by the Election of the Commons in the *Guildhall* of *London*, took upon him the Title of King in this *Baynard's-Caſtle*.

Henry VII. about the Year 1487, the thirty-firſt of his Reign, repaired, or rather new built, this Houſe; not imbattelled, or ſo ſtrongly fortified, like a Caſtle; but far more beautiful and commodious, fit for the Entertainment of any Prince. In the ſeventh Year of his Reign he and his Queen were lodged there, and came from thence to St. *Paul*'s Church, where they made their Offering, dined in the Biſhop's Palace, and ſo returned.

In the eighteenth Year of his Reign he was lodged there; and the Ambaſſadors from the King of the *Romans* were brought thither to an Audience, and from thence the King went to St. *Paul*'s, and was there ſworn to the King of the *Romans*, as the ſaid King had ſworn to him.

In the twentieth Year of his Reign, he, with the Knights of the Garter, in all their Habits of the Order, rode from the Tower of *London*, through the City, to the Cathedral Church of St. *Paul*, and there heard Even-Song; and from thence rode to *Baynard's-Caſtle*, where the King lodged; and the next Day, in the ſame Habits, they rode again to St. *Paul*'s in Proceſſion, heard Divine Service, offered, and returned. The ſame Year the King of *Caſtile* was lodged there.

This Caſtle came afterwards to the Earls of *Pembroke*.

On the nineteenth of *July*, in the Year 1553, the Council, being partly moved by the Right of the Lady *Mary*, and conſidering that moſt of the Realm were inclined to her Side, changed their Opinion with Reſpect to the Lady *Jane Gray*, newly proclaimed Queen; and, aſſembling themſelves at *Baynard's-Caſtle*, conſulted with the Earl of *Pembroke*, the Earl of *Shrewſbury*, and Sir *John Maſon*, Clerk of the Council; and, ſending for the Lord-Mayor, rode to the Croſs in *Cheapſide*, where Garter King at Arms, with Trumpets ſounding, proclaimed the Lady *Mary*, Daughter to King *Henry* VIII. and Queen *Catharine*, Queen of *England*, &c.

This *Baynard's-Caſtle*, as alſo that of *Mountfitchet*, near adjoining, have been long ſince pulled down, and converted into Timber-Yards, Wood-Wharfs, and private Buildings.

There was antiently a publick Layſtall near this Caſtle, the Stink of which could not but be an Annoyance to it; which, in the Reign of Queen *Mary* I. was removed, the Earl of *Pembroke* then living there: And at a Common Council, the ſeventh of *Auguſt*, in the third and fourth of *Philip* and *Mary*, it was agreed, at the Requeſt of the Earl of *Pembroke*, that the City's Layſtall adjoining to his Lordſhip's Houſe, and being noiſome to the ſame, ſhould be removed; upon Condition that he ſhould give the City, toward the making of a new Layſtall in another Place, two thouſand Feet of hard Stone, to make the Vault and Wharf thereof, or elſe forty Marks in ready Money, to buy the ſame Stone withal.

(5.) There was alſo another Tower by *Baynard's-Caſtle*, built by King *Edward* II. *Edward* III. in the ſecond of his Reign, gave it to *William* Duke of *Hamelake*, in the County of *York*, and his Heirs, for one Roſe yearly to be paid for all Services. The ſame Place was afterwards called *Legates-Inn*, in the ſeventh of *Edward* IV. where now divers Wood-Wharfs are.

(6.) Where *Puddle-wharf* now ſtands was a Water-Gate into the *Thames*, where Horſes uſed to be watered; and therefore, being defiled with their Trampling, and made Puddle-like, as alſo from one *Puddle* dwelling there, it was called *Puddle-wharf*.

(7.) In *Caſtle-lane* was one great Meſſuage, of old Time, belonging to the Priory of *Okeborn* in *Wiltſhire*, and was the Prior's Lodging when he repaired to *London*. This Priory, being of the *French* Order, was ſuppreſſed by *Henry* V. and, with other Lands and Tenements pertaining to the ſaid Priory, was by *Henry* VI. given to his College in *Cambridge*, called now *King's College*.

(8.) In the Pariſh of St. *Bennet*, in *Thames-ſtreet*, ſtood *Le Neve Inn*, belonging formerly to *John de Montague*, Earl of *Saliſbury*; and after to *John de Beauchamp*, Knt. granted to Sir *Thomas Erpingham*, Knt. of *Erpingham* in *Norfolk*, and Warden of the *Cinque Ports*, Knight of the Garter.

9. The next Place was the *King's great Wardrobe*. Sir *John Beauchamp*, Knight of the Garter, Conſtable of *Dover*, Warden of the *Cinque Ports*, Son to *Guido de Beauchamp*, Earl of *Warwick*, built this Houſe, and was lodged there, the Houſe then bearing the Name of the *King's Wardrobe*, in the fifth of *Edward* III. The ſaid Sir *John Beauchamp* deceaſed in the Year 1359, and was buried on the South Side of the Middle Iſle of St. *Paul*'s Church. His Executors ſold the Houſe to King *Edward* III. to whom the Parſon of St. *Andrew*'s complaining, that the ſaid *Beauchamp* had pulled down divers Houſes in their Places to build the ſame Houſe, whereby he was hindered of his accuſtomed Tithes paid by the Tenants of old Time, granted him forty Shillings by the Year out of that Houſe for ever. King *Richard* III. was lodged there in the ſecond of his Reign.

In this Houſe was lodged Sir *John Forteſcue*, Knt. Maſter of the Wardrobe, Chancellor and Under-Treaſurer of the *Exchequer*, and one of the Privy-Council to Queen *Elizabeth*. The ſecret Letters and Writings touching the Eſtate of the Realm were wont to be inrolled in the King's Wardrobe, and not in the *Chancery*, as appears by the Records, *Clauſ.* 18. *E.* 4. 1 *Memb.* 13. *Clauſ.* 33. *E.* 1. *Memb.* 3. *Et liberat.* 1. *E.* 2. *Memb.* 4. &c.

Wood-mongers-Hall.

(10.) On the Eaſt Side of *Paul's-Wharf-Hill*, near the Bottom, was antiently, before the Fire of *London*, *Woodmongers-Hall*, which has never been rebuilt.

(11.) Upon

Diana's Chamber.

(11.) Upon *Paul's-Wharf-Hill*, within a great Gate, and belonging to that Gate next to the *Doctors-Commons*, were many fair Tenements, which, in their Leaſes made from the Dean and Chapter, went by the Name of *Camera* DIANÆ, i. e. *Diana's Chamber*, ſo denominated from a ſpacious Building, that in the Time of *Henry* II. ſtood where they were. In this *Camera*, or arched and vaulted Structure, full of intricate Ways and Windings, this *Henry* II. (as ſome Time he did at *Woodſtock*) kept, or was ſuppoſed to have kept, that Jewel of his Heart, fair *Roſamund*; ſhe whom there he called *Roſamundi*, and here by the Name of *Diana*; and from hence had this Houſe that Title.

For a long Time there remained ſome evident Teſtifications of tedious Turnings and Windings, as alſo of a Paſſage under Ground from this Houſe to *Caſtle-Baynard*; which was, no doubt, the King's Way from thence to his *Camera Dianæ*, or the Chamber of his brighteſt *Diana*.

(12.) In *Sermon-lane*, corruptly called *Sheremoniers-lane*, ſo called in the fourth of *Edward* I. was a Place called the *Black-loft*, of melting Silver, with four Shops adjoining. It may therefore be well ſuppoſed that Lane to take Name of *Sheremoniers*, ſuch as cut and rounded the Plates to be coined or ſtamped into Sterling Pence; for the Place of Coining was the *Old-Exchange*, near unto the ſaid *Sheremoniers-lane*. In the thirteenth of *Richard* II. *William de la Pole*, whoſe Father or Anceſtor was the King's Merchant, had an Houſe there.

(13.) In *Knightriders-ſtreet* was the College of Phyſicians, wherein was founded, in the Year 1582, a publick Lecture in Surgery, to be read twice every Week, *&c.*

(14.) In the South Church-yard of St. *Paul's* was the South Side and Weſt End of the ſaid Church, at which End were three ſtately Gates or Entries curiouſly wrought of Stone: In the Midſt of the middle Gate was placed a maſſive Pillar of Braſs, in which the Leaves of the ſaid great Gate cloſed, and were faſtened with Locks, Bolts, and Bars of Irons; notwithſtanding all which, on the twenty-fourth of *December*, in the Year 1565, by a Tempeſt of Wind, theſe Gates were blown open, and the Bars, Bolts, and Locks broken aſunder, or greatly bent.

At each Corner of this Weſt End was a ſtrong Tower of Stone, made for Bell-Towers; one of them, *viz.* that next the Biſhop's Palace was uſed by the Palace in *Stow*'s Time; and the other, towards the South, was called the *Lollard's-Tower*, and uſed as the Biſhop's Priſon, for ſuch as were detected for Opinions in Religion contrary to the Faith of the Church.

The Lollard's-Tower.

It was in this *Lollard's-Tower* that *Richard Hunne*, a Citizen of *London*, *Anno Dom.* 1515, a Man of a fair Character, and well beloved, was made Priſoner, on Pretence of having *Wickliffe*'s Bible; but, indeed, the Occaſion of his Ruin was a Diſpute he had with a Clerk about a Mortuary, which was made the Cauſe of the whole Clergy. He ſubmitted to the Biſhop's Correction, upon which he ought to have been enjoined Penance, and ſet at Liberty; but he was found hanging in his Chamber, and his Neck broken; which Murder the Biſhop's Sumner owned that he, and the Chancellor, Dr. *Horſey*, and the Bell-ringer, had committed: And when the Coroner's Inqueſt proceeded to Trial, the Biſhop began a new Proceſs againſt the dead Body for Hereſy, which, not contented to have murdered, they afterwards burnt in *Smithfield*. See more of this Tower in *Foxe's Martyrology*.

The laſt Priſoner, whom *Stow* ſays he remembered to be committed there, was, in the Year 1573, one *Peter Burchet*, a Gentleman of the *Middle Temple*, for having deſperately wounded and deſigning to murder *John Hawkins*, Eſq; in the high Street near the *Strand*; who being taken and examined, was found to hold certain erroneous Opinions, and therefore committed thither, and convicted: But in the End, by Permiſſion, he promiſed to abjure his Hereſies, and was, by Commandment of the Council, removed from thence to the Tower of *London*.

(15.) On the North-Weſt Side of St. *Paul's* Church-yard was the Biſhop of *London's* Palace, very large, wherein divers Kings were lodged, and great Houſhold was kept.

In the Year 1546 the Admiral of *France*, the *French* Ambaſſador, lodged here; and, before that, here *Edward* V. took up his Lodging when he was brought to *London* to take Poſſeſſion of the Crown; and, under King *Edward* VI. the *Scotch* Queen was here entertained.

The Dean's Lodging on the other Side, directly againſt the Palace, was a fair old Houſe; and alſo divers large Houſes were on the ſame Side built, which, of old Time, were the Lodgings of Prebendaries and Reſidentaries, who kept great Houſholds, and liberal Hoſpitality, but now decayed, and otherwiſe converted.

CHAP. XVI.

Of CHEAP WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name, Bounds and Extent. Modern State. The Alderman and Common-Council-Men. Remarkable Things. Pariſhes and Churches. The Guildhall. Guildhall-Chapel. Mercers-Hall *and* Chapel. Grocers-Hall. Poultry-Compter. Cornet's *Tower. Standard, Croſs and Conduit in* Cheapſide.

Its Name.

THIS Ward takes its Name from the *Saxon* Word *Chepe*, a Market, kept in this Diviſion of the City in thoſe Days; and though Poſterity has altered the Way of ſpelling from *Chepe* to *Cheap*, we ſtill retain the true Signification of the Word in the Word *cheapen* or to *cheap*, when we aſk the Price of Goods or Wares at Market. This Market was peculiarly known by the Name of *Weſt-Cheap* from its Situation, to diſtinguiſh it from the Market between *Candlewicke-ſtreet* and *Tower-ſtreet*, which from its Situation alſo was called *Eaſt-Cheap*.

nan of Cheap Ward, and one of the Sheriffs of London, *in 1755.*

Bounds. On the East this Ward is bounded by *Broad-ſtreet* Ward and *Wallbrook* Ward; on the South by *Cordwainers* Ward; on the Weſt by *Queen-hithe* Ward and *Cripplegate* Ward; and on the North by *Coleman-ſtreet* Ward, *Baſſiſhaw* Ward, and *Cripplegate* Ward.

Extent. This Ward extends from the Entrance into *Scalding-alley* in the North-Eaſt, to the middle Way between the paved Paſſage into *Honey-lane* Market and *Milk-ſtreet*, or about 54 Feet from the Eaſt Corner of *Milk-ſtreet*, on the North-Weſt; and from a few Yards Eaſt of *Barge-yard* at the lower End of *Bucklerſbury*, and the Weſt Corner of the Manſion-Houſe, on the South-Eaſt, to 33 Feet Weſt of *Bow-lane* on the South-Weſt; including on the South Side of *Weſt-Cheap*, commonly called *Cheapſide*, and the *Poultry*, *Pancras-lane* on both Sides for 60 Feet, and then its North Side only to *Queen-ſtreet*; as much of *Queen-ſtreet*, as to about 50 Feet South-Eaſt of *Pancras-lane*, but no further than *George-yard*, which paſſeth into *Bow-lane* on the South-Weſt. From whence with a ſlant Cut it turns to within 60 Feet of the North-Eaſt End of *Bow-lane*; and croſſing over ſtill upon the Slant, ends near the Church in *Cheapſide*, as noted above: And on the North Side it takes in the Pariſh-Church of St. *Mildred* in the *Poultry*, *Grocers-alley*, Hall and Gardens, about 136 Feet of the *Old Jewry* at the South End, *Mercers-chapel*, *Ironmonger-lane*, *King-ſtreet*, *Guildhall*, St. *Laurence-lane* and Church, three Fourths of *Honey-lane* Market, *Cateaton-ſtreet* from St. *Laurence's-alley* to within 25 Feet of *Baſinghall-ſtreet* on the North Side, and from about 96 Feet Weſt of St. *Laurence*'s Church to about 40 Feet beyond *Ironmonger-lane* Eaſtward, and all Courts and Alleys within theſe Limits.

Modern State. *Cheapſide* is a very ſtately ſpacious Street, adorned with lofty Buildings, well inhabited by Goldſmiths, Linen-Drapers, Haberdaſhers, and other great Dealers. The Street (which is throughout of an equal Breadth) begins Weſtward at *Pater-noſter-row*, by which the Conduit ſtood, and in a ſtrait Line runs to the *Poultry*; and from thence to the *Royal-Exchange* in *Cornhill*. But the whole Street lying in ſeveral Wards, the Courts and Alleys are taken Notice of as they lie in their reſpective Wards. And as this Street is yet eſteemed the principal High Street in the City, ſo it was formerly graced with a great Conduit, a Standard, and a ſtately Croſs; which laſt was pulled down in the Civil Wars. In the laſt Part, almoſt over-againſt *Mercers-Chapel*, ſtood a great Conduit; but this Conduit ſtanding almoſt in the Middle of the Street, being incommodious for Coaches and Carts, was thought fit by the Magiſtracy, after the great Fire, to be taken down, and not rebuilt.

Near adjoining to this Street, on the North Side, facing *Bow* Church, is *Honey-lane* Market; *Honey-lane* and other Buildings being, ſince the Fire of *London*, converted into this Market; among which Buildings was the Pariſh-Church of *Alhallows Honey-lane*.

Honey-lane Market. This Market is well ſerved every Week, on *Mondays*, *Wedneſdays*, *Fridays* and *Saturdays*, with Proviſions. The Place taken up by this Market is ſpacious, being in Length, from Eaſt to Weſt, 193 Feet; and from North to South, 97 Feet.

In the Middle is a large and ſquare Market-houſe, ſtanding on Pillars, with Rooms over it, and a Bell-Tower in the Midſt. There are in the Market 135 ſtanding Stalls for Butchers, with Racks, Blocks, and other Neceſſaries; all covered over, to ſhelter them from the Injury of the Weather; and alſo ſeveral Stalls for Fruiterers. The Weſt End of the Market lieth open to *Milk-ſtreet*. There are two other Paſſages unto it, that is, one out of St. *Laurence-lane* and *King-ſtreet*, beſides that which comes out of *Cheapſide*; which Paſſages are inhabited by Grocers, Fiſhmongers, Poulterers, Victuallers and Cheeſemongers. On the North-Weſt Corner of this Market is *Robin-Hood-alley*, being a Paſſage into *Milk-ſtreet*. *Trump-alley* lieth againſt *Bow* Church, which, turning Eaſtward, falleth into St. *Laurence-lane*: This Alley is indifferent in the middle Part, but the Entrances are but narrow.

Old Jewry. The *Old Jewry* hath but a little Part in this Ward; the reſt is in *Coleman-ſtreet* Ward.

On the South End and Weſt Side of this Street ſtood the Pariſh-Church of St. *Mary Colechurch*. In this Part of the *Old Jewry* is *Dove-court*, being but ordinary, and is a Paſſage into *Grocers-alley*.

Then on the South Side of *Cheapſide*, and over-againſt *Mercers* Chapel, is *Bird-in-hand-alley*, which is but indifferent. *Feathers-court*, which is alſo but ordinary. *Golden-leg-court*, or *Leg-court*, over-againſt St. *Laurence-lane*, but narrow, and none of the beſt. *Crown-court*, alſo oppoſite to St. *Laurence-lane*; a very handſome open Place, with good Houſes, neatly kept, and well inhabited.

Bucklerſbury, turning to the South-Eaſt out of *Cheapſide*, runs on the Back-ſide of the *Poultry* unto *Wallbrook*; and is a Street very well built, and inhabited by Merchants and wholeſale Dealers in *Norwich* Stuffs.

Barge-yard, a handſome open Place, well inhabited by Merchants, *&c.*

Pancras-lane. Towards the Weſt End of this Street, and on the South Side, is *Pancras-lane*, which falleth into *Queen-ſtreet*. The North Side of which Lane is in this Ward, and the South in *Cordwainers* Ward. On this North Side of the Lane were two Pariſh-Churches, *viz.* St. *Pancras Soper-lane*, and St. *Bennet Sherehog*. That of St. *Pancras* was conſumed in the Fire of *London*, and not rebuilt; but the Pariſh was united to St. *Mary Le Bow*: And the Place where the Church ſtood, is incloſed for a Burial-Place for the Pariſhioners. And over Part of it, upon Columns, ſtands a Ciſtern to receive Water, which formerly came to the great Conduit at the Eaſt End of *Cheapſide*.

The Pariſh-Church of St. *Bennet Sherehog* was ſeated alſo on the North Side of *Pancras-lane*, and formerly called St. *Sithe*'s Church. The Prior of St. *Mary Overy* was Patron of this Church: It was burnt down in the great Fire, and not rebuilt. But the ſmall Pariſh is united unto St. *Stephen Wallbrook*; and the Place where the Church ſtood is ſevered with a Brick Wall, for a Burying-place for the Inhabitants.

Queen-ſtreet. *New Queen-ſtreet*, ſo called, as being a new Street ſince the Fire of *London*, built in the Place of *Soper-lane*, but much broader. Which ſaid Street fronts *New King-ſtreet*; which was alſo made ſo ſpacious for the Grace of *Guildhall*, that fronteth both.

Poultry. The *Poultry*, a very great Thoroughfare for Coaches, Carts, and Foot-Paſſengers, being ſeated in the Heart of the City, and leading to and from the *Royal-Exchange*; and from thence to *Fleetſtreet*, the *Strand*, *Weſtminſter*, and the Weſtern Parts: And therefore well inhabited by great Tradeſmen. It begins on the Weſt, by the *Old Jewry*, where *Cheapſide* ends, and reaches to the Manſion-Houſe by *Cornhill*. On the North Side is *Scalding-alley*; a large Place, containing two or three Alleys, and a ſquare Court with good Buildings, and well inhabited; but the greateſt Part is in *Broad ſtreet* Ward, where it is mentioned.

Grocers-alley. *Grocers-alley*. This Alley is ordinary, and generally inhabited by Alehouſe-keepers, called *Spunging-houſes*; for that the Serjeants belonging to the *Poultry-Compter* bring their Priſoners to theſe Houſes, and there lock them up, until ſuch Time as they do make an Agreement with their Creditors, and not be run into the Priſon; which ſometimes is a great Conveniency. It was antiently called *Coney-Hope-alley*; being the Market for Rabbits.

On the Weſt Side of this Alley is a Paſſage into the *Old Jewry* through *Dove-court*; and at the upper End of this Alley is *Grocers-hall*.

Old Jewry. More to the Weſt is *Old Jewry*, and then

Ironmonger lane. *Ironmonger-lane*. This Lane cometh out of *Cateaton-ſtreet*, and falleth into *Cheapſide*. Both theſe Lanes are well built, and inhabited by Wholeſale Dealers. On the Eaſt Side of *Ironmonger-lane* is *Church-alley*, which hath an open Free-ſtone Paſſage on the South Side of St. *Olave*'s Church-yard into the *Old Jewry*; and on the Weſt Side of this Lane is a Paſſage into *New King-ſtreet*. In this Lane was the Pariſh-Church of St. *Martin's Ironmonger-lane*, which being burnt down in the Fire of *London* is not rebuilt, but the Pariſh is united to St. *Olave's Jewry*.

King-ſtreet. More Weſt is *New King-ſtreet*, built ſince the Fire of *London*; a very ſpacious Street, garniſhed with very good Buildings, which are well inhabited by *Norwich* Factors, and Wholeſale Dealers in Whale-bone, and other Commodities.

It comes out of *Cheapſide*, and falls into *Cateaton-ſtreet*, right againſt *Guildhall*. On the Weſt Side of this Street is an open Paſſage, or rather a ſhort Street, which goes into St. *Laurence-lane*, without a Name.

Laurence-lane. Still Weſt, the next Lane is St. *Laurence-lane*, ſo called from St. *Laurence*'s Church, ſeated at the lower End fronting the Lane, and ſtanding in *Cateaton-ſtreet*. This Lane is well built, and inhabited by Wholeſale Dealers. On the Weſt Side is an open Paſſage, which leadeth to *Honey-lane* Market. On the ſame Side is the old Inn called *Bloſſom's-Inn*: It hath the Sign of St. *Laurence* upon a *Grid-iron* in a Border of Flowers and Bloſſoms. This Inn is very large, and much reſorted to by Carriers, *&c.* and has a Back-gate into *Honey-lane* Market.

Caſtle-court. More Weſtward, and on the ſame Side, is *Caſtle-court*, which is indifferent broad, with good Houſes. It has a Paſſage into *Montford's-court*, which leads into *Milk ſtreet*.

Cateaton-ſtreet. *Cateaton-ſtreet* comes from the Corner of *Milk-ſtreet*, and goes to *Baſſiſhaw-ſtreet*. It is a Street of good Trade, and well inhabited. On the North Side, ſomewhat Eaſt from St. *Laurence-lane*, is *Blackwell-hall-court*, ſo called as adjoining to *Blackwell-hall*, into which it hath an Entrance.

Watch. There are to watch at the ſeveral Stands in this Ward, every Night, one Conſtable and a Beadle, with twenty-five Watchmen.

Jury. The Jurymen returned by the Wardmote Inqueſt are to ſerve in the ſeveral Courts in *Guildhall* in the Month of *February*.

Government. This Ward hath an Alderman, who is at preſent *Samuel Fludyer*, Eſq; and twelve Common-Council-Men, who are, *J. Skinner*, Eſq; Deputy, Mr. *Samuel Sedgwick*, Mr. *Robert Waite*, Mr. *Charles Worral*, Mr. *Philip Cooke*, Mr. *Thomas Wilkinſon*, Mr. *Samuel Bridgman*, Mr. *Leonard Pead*, Mr. *Thomas Naſh*, Mr. *Robert Liddal*, Mr. *Thomas Burfoot*, and Mr. *John Smith*: Under whom are eleven Conſtables, nine Scavengers, twelve Men for the Wardmote Inqueſt, and a Beadle. It is taxed to the Fifteenth at 72 *l.* 16 *s.* and in the *Exchequer* at 72 *l.* 11 *s.*

Remarkable Thing. The moſt remarkable Things in this Ward are,

Pariſhes and Churches. *Firſt*, Seven Pariſhes, but only two Pariſh-Churches. (1.) The Pariſh and Pariſh-Church of St. *Mildred* in the *Poultry*. (2.) St. *Mary's Cole-church*. (3.) St. *Bennet's Sherebog*. (4.) St. *Pancras Soper-lane*. (5.) St. *Martin's Ironmonger-lane*. (6.) *Allhallows Honey-lane*. And, (7.) The Pariſh and Pariſh-Church of St. *Laurence Jewry*. Of which more particularly in our Parochial Hiſtory.

Guildhall. *Secondly*, The *Guildhall* of the City of *London*, ſituate at the North Extremity of *King-ſtreet*, wherein the nine Courts of the City are kept, *viz.* 1. The Court of Common-Council. 2. The Court of the Lord-Mayor, and his Brethren the Aldermen. 3. The Court of Huſtings. 4. The Court of Orphans. 5. The two Courts of the Sheriffs. 6. The Court of the Wardmote. 7. The Court of Hallmote. 8. The Court of Requeſts, commonly called the *Court of Conſcience*. 9. The Chamberlain's Court for binding Apprentices, and making them free.

The *Guildhall* ſtood formerly in or near *Aldermanbury*, or *Aldermens-court*, from which Situation of this Hall the Street is ſaid to take its Denomination, and conſequently the Hall muſt have been founded before the Year 1189; for then we find this Street to have had that Name, as will be mentioned in *Cripplegate* Ward. And it is not unlikely that *Edward the Confeſſor*, who began to reign 1042, had a conſiderable Share in the firſt Foundation, his Arms being in ſeveral Places of this preſent Hall, which, *Robert Fabian* ſaith, was begun to be new-built in the Year 1411, the 12th of *Henry* IV. by *Thomas Knowles*, then Mayor, and by his Brethren the Aldermen. The ſame was made, of a little Cottage, a large and great Houſe, as it now ſtands. Towards the Charge whereof, the Companies gave great Benevolences. Alſo, Offences of Men were pardoned for Sums of Money, towards this Work: And extraordinary Fees were raiſed, Fines, Amerciaments, and other Things employed, during ſeven Years, and a Continuation thereof three Years more; all to be employed to this Building.

King *Henry* V. in the 3d Year of his Reign, which was about the Year 1415, granted the City free Paſſage for four Boats by Water, and as many

A VIEW of the GUILD HALL of the CITY of LONDON.

many Carts by Land, with Servants to each, to bring Lime, Rag ſtone and Free-ſtone, for the Work of *Guildhall*; as appears by theſe Letters Patents:

"Rex omnibus ad quos, &c. Salutem. Sciatis quod ad Supplicationem dilectorum & fidelium noſtrorum Majoris & Aldermannorum Civitatis LONDON. conceſſimus, Quod ipſi habere poſſint quatuor Batellos per Aquam, & quatuor Carectas per Terram, cum dictis ſervientibus ſuis, viz. *Joh. Lorekin*, *Stephano Charles*, *Waltero Alphey*, & *Adamo Winter*, Servitoribus Batellorum Predictor. ac *Henrico Cok*, *Johe. Freek*, *Johe. Stevenes*, & *Joh. Davy*, Servitoribus predictar. Carectarum, ad veniend. tranſeund. & redeund. conjunctim vel diviſim, per Aquam & per Terram, ad Petras vocatas *Ragge*, Calces, & Liberas Petras, pro Operatione & Factura *Guylhalde* dict. Civitatis noſtræ ducend. &c."

The firſt Year of *Henry* VI. *John Coventry* and *John Carpenter*, Executors to *Richard Whittington*, gave towards the paving of this great Hall 20 *l.* and the next Year 15 *l.* more to the ſaid Pavement, with hard Stone of *Purbecke*. They alſo glazed ſome Windows thereof, and of the Mayor's Court; on every of which Windows the Arms of *Richard Whittington* are placed. The Foundation of the Mayor's Court was laid in the third Year of the Reign of *Henry* VI. and of the Porch, on the South Side of the Mayor's Court, in the 4th of the ſaid King. Then was built the Mayor's Chamber, and the Council Chamber, with other Rooms above Stairs.

Another new Council-Chamber, with a handſome Room over it, appointed for an Archive to preſerve the Books and Records belonging to the City, and another under it, were begun to be built the firſt Week after *Eaſter*, in the Time of the Mayoralty of Sir *Tho. Middleton*, Knight and Alderman, in the Year of our Lord 1614. It was fully finiſhed ſhortly after *Michaelmas*, 1615, at the latter End of the Mayoralty of Sir *Thomas Hayes*, Knight and Alderman: But the Lord-Mayor, and the Aldermen his Brethren, kept their firſt Court in the ſaid new Council-Chamber, on the ſeventh Day of *November*, in the Year of our Lord 1625; Sir *John Jolles*, Knight and Alderman, being then Lord-Mayor: By whoſe Order and Direction the ſaid Building was performed, from the firſt Beginning thereof, to the final Finiſhing of the ſame, amounting to the Charge of 1740 *l.*

Laſt of all, in the ſaid King *Henry* VIth's Time, a ſtately Porch, entering the great Hall, was erected; the Front thereof, towards the South, being beautified with Images of Stone; ſuch as is ſhewed by theſe Verſes following, (in black Characters) made about *Anno* 1568 by *William Elderton*, at that Time an Attorney in the Sheriffs Courts there:

Though moſt Images
be pulled downe,
And none be thought
remaine in Towne,
I am ſure there be
in LONDON yet
Seven Images, ſuch,
and in ſuch Place,
As few or none,
I thinke, will hit:
Yet every Day
they ſhew their Face,
And thouſands ſee them
every Yeere.
But few, I thinke,
can tell me where:
Where JESUS CHRIST
aloft doth ſtand,
Law and Learning
on either Hand:
Diſcipline, in
the Divel's Necke,
And hard by her
are three direct;
There Juſtice, Fortitude,
and Temperance ſtand:
Where finde ye the like
in all this Land?

There are ſtill remaining the Figures of *Moſes* and *Aaron* above the Balcony; and below are the four Figures, which ſome have called, *The four Cardinal Virtues*; but Mr. *Strype* ſays,

"The four leſſer Figures, two on each Side the Porch, ſhew them to be four noble Ladies; and, by their Dreſs and Habit, of great Nobility and Religion. Who they were, I do not pretend to aſſign; leaving it to the Conjecture of Antiquarians: But it is very probable they were ſome eminent Benefactreſſes or Friends to the City. One of theſe might be *Maud* the Empreſs, who was born in *London*; and another might be Queen *Philippa*, Wife to King *Edward* III. who gained great Love of the Citizens, by Reaſon of a Requeſt ſhe once made for ſome of them, on her Knees, before the King and his Council."

He that made the former Verſes might perhaps have this crafty Deſign hereby, namely, the better to preſerve theſe antient and curious Statues from the Violence of the People, by concealing them under theſe feigned Fancies of his, whereby they might eſcape the ignorant Zeal of the Vulgar, who were in thoſe Times, wherein he wrote his Verſes, *viz.* 1568, very buſy in pulling down and defacing all the Images, as *Popiſh* Saints, and Monuments of Idolatry.

Theſe Stone Statues are venerable for their Antiquity, and over-living the great Fire of *London*; which, 'tis likely, were ſet up firſt when the Porch was built and finiſhed, which was not far from the Beginning of King *Henry* VIIth's Reign; that is, by Computation, above three hundred Years ago.

Divers Aldermen glazed the Windows of the great old Hall, and other Courts, which was to be ſeen by their Arms in each. *William Hariot*, Draper, Mayor *Anno* 1411, gave 40 *l.* towards this Work. The Kitchens, and other Offices adjoining, were built afterwards, *viz.* about the Year 1501, by Procurement of Sir *John Shaa*, Goldſmith, Mayor, who was the firſt that kept his Feaſt there. The Mayors, before that, uſually had their Feaſts at *Merchant-Taylors* or *Grocers-Hall*.

Towards the Charges of this laſt Work, the Mayor had of the Fellowſhips of the City, by their own Agreement, certain Sums of Money, as

as of the Mercers 40 *l.* the Grocers 20 *l.* the Drapers 30 *l.* and ſo of the other Fellowſhips through the City, according to their Power.

Alſo Widows, and other well-diſpoſed Perſons, gave certain Sums of Money; as the Lady *Hill* 10 *l.* the Lady *Auſtrie* 10 *l.* and many others, till the Work was finiſhed.

Nicholas Alwin, Grocer, Mayor *Anno* 1499, deceaſed 1505, gave by his Teſtament, for a Hanging of Tapeſtry, to ſerve for principal Days in the *Guild-hall*, 73 *l.* 6 *s.* 8 *d.* "How this Gift "was performed, ſaith *Stow*, I have not heard; "for Executors of our Time, having no Conſci- "ence, (I ſpeak of my own Knowledge) prove "more Teſtaments than they perform."

This ſtately Hall, being much damnified by the unhappy Conflagration of the City in the Year 1666, was rebuilt *Anno* 1669, and extremely well beautified and repaired both in and outſide, which coſt about 2500 *l.* This Structure appears at preſent thus: The Portico is adorned with a ſtately *Gothick* Frontiſpiece, enriched with the King's Arms under a Cornice, Pediment and Vaſe, and between two Cartouches and the City Supporters, on Acroters, and theſe between two other Vaſes, under which are Niches; and in the Middle of this Front are depenciled in Gold theſe Words:

Reparata & ornata Thoma Rawlinſon, *Milit. Majore*, *An. Dom.* MDCCVI.

Above the Balcony are the Figures of *Moſes* and *Aaron*; and on the Sides beneath are the four Cardinal Virtues, already mentioned, over the Aperture; and below the Balcony are depicted the Arms of the twenty-four Companies.

The Roof of the Inſide is flat, divided into Pannels; the Walls on the North and South Sides adorned with four *Gothick* Demi-Pillars, painted White, and veined with Blue, and the Capitals gilt with Gold, upon which are the Royal Arms, and thoſe of *Edward the Confeſſor*. Going up nine or ten Steps to the Mayor's Court, on each Side, at ſome Height, are two Giants of an enormous Size, the one holding a Pole-ax, the other an Halbert, ſuppoſed by Mr. *Strype* to be an antient *Briton* and a *Saxon*.

Between theſe, and over the Steps and Aperture leading to the Mayor's Court, is a Balcony, ſupported at each End by four Iron Pillars in the Form of Palm-Trees, which compoſe ſomething like two Arbours; and theſe are uſed, on ſome Occaſions, as Offices for Clerks to write in: Under theſe are the following large Capital Letters, S. P. Q. L. *i. e. Senatus Populus Que Londinenſis.*

In the Front of the Balcony is a very fine Clock and Dial, in a curious Frame of Oak, at the four Corners of which are carved the four Cardinal Virtues, on the Top the Figure of Time, with a Cock on each Side of him.

Round the Hall are Colours and Standards, taken from the *French*, &c. On fourteen Demi-Pillars (above the Capitals) are the King's Arms on the North-Eaſtward, and the Arms of *London* on the South-Eaſtward Pillar; and Weſtward from them are the Arms of the twelve Companies; at the Eaſt End are the King's Arms, between the Portraitures, finely painted, of his preſent Majeſty King *George* II. and her late Majeſty Queen *Caroline:* Cloſe by the firſt is the Picture of Queen *Anne*, at the Foot of an Anabathrum, under a rich Canopy; by the latter, his late Majeſty King *George* I. and at the ſame End of the Hall, but on the North and South Sides, the Pictures of King *William* III. and Queen *Mary*, fronting each other. The Intercolumns are painted in Imitation of Porphyry, and embelliſhed with the Pictures, in full Proportion, of eighteen Judges, which were there put up by the City in Gratitude for their ſignal Services done in determining Differences between Landlord and Tenant (without the Expence of Law-Suits) in Re-building the City, purſuant to an Act of Parliament, after the Fire in 1666.

Thoſe on the South Side are,

Sir *Heneage Finch.*	Sir *Francis North.*
Sir *Orlando Bridgman.*	Sir *John Archer.*
Sir *Matthew Hale.*	Sir *Thomas Twiſden.*
Sir *Richard Rainsford.*	Sir *Chriſtopher Turner.*
Sir *Edward Turner.*	Sir *William Wyld.*
Sir *Thomas Tyrril.*	Sir *Hugh Windham.*
Sir *John Archer.*	At the Weſt End.
Sir *William Morton.*	Sir *William Ellys.*
On the North Side.	Sir *Edward Thurland.*
Sir *Robert Atkins.*	Sir *Timothy Littleton.*
Sir *John Vaughan.*	

And in the Lord-Mayor's Court (which is adorned with Fleakſtone, and other Painting and Gilding, and alſo the Figures of the four Cardinal Virtues) are the Portraits of Sir *Samuel Brown*, Sir *John Kelynge*, Sir *Edward Atkins*, and Sir *William Windham*, all (as thoſe above) painted in full Proportion in their Scarlet Robes as Judges.

And in *December*, 1706, there were given by the Queen to the City, to be put up in this Hall, 26 Standards or Guidons, and 63 Colours; but there was Room only for 46 Colours, 19 Standards, and one Trophy of a Kettle-Drum, of the late Elector of *Bavaria*, which is very rich. That Enſign over Queen *Anne*'s Portrait is accounted a great Rarity, being taken from the firſt Battalion of the *French* Foot Guards. Theſe were all taken by the Army of her Majeſty and her Allies, under the Command of his late Grace the Duke of *Marlborough*, at the Battle of *Ramellies* in *Flanders*, fought on *Whitſunday*, 1706, upon a total Defeat of the *French* and *Bavarian* Forces, who had 10000 Men killed, 6000 taken Priſoners; among whom were two Major-Generals, one Brigadier-General of Horſe, one of Foot, ſeveral others of Diſtinction, and 500 Officers of leſs Note; with all their Tents, Baggage, and Ammunition; fifty-one Pieces of Cannon, ſeveral Kettle-Drums, and upwards of 120 Standards and Colours; the Conſequences whereof was the Reduction of all *Brabant*, gaining the Towns of *Bruſſels*, *Antwerp*, *Ghent*, *Bruges*, *Menin*, *Oſtend*, *Aeth*, *Dendermond*, *Mecklin*, *Louvain*, *Audenard*, *Courtray*, *Aloſt*, &c. in the ſame Campaign.

Theſe Colours, Standards, *&c.* were all brought in great Magnificence through *Weſtminſter* and *London*. A Detachment of her Majeſty's Horſe-Guards, and Horſe-Grenadiers, and a Battalion drawn out of both Regiments of her Foot-Guards, drawn up on the Parade in St. *James*'s, having received the ſaid Colours and Standards, (which had been laid up in *Whitehall*) they proceeded; twenty-ſix of the Gentlemen, in the Centre of the Horſe-Guards, carrying each a Standard taken

ken from the Enemy; and ſixty-three of the Pike-Men, in a Battalion of Foot-Guards, inſtead of their Pikes, carrying one of the Enemy's Colours. They marched through the Park, and St. *James's Meuſe*; where the Queen, from the Lady *Fitzharding*'s Lodgings, ſaw them paſs, the Guns being fired at the ſame Time. And ſo they proceeded down *Pall-mall*, the *Strand*, &c. to *Guildhall*, where they were ſet up, to remain as Trophies of that ſignal Victory.

The ſame Month the great Duke of *Marlborough*, to whom this Victory was owing, was invited to Dinner at the Charge of the City, Sir *Robert Bedingfield* being Lord-Mayor; upon which Occaſion a very grand Entertainment was made; at which a Song, wrote for the Purpoſe by *Durfey* the Poet, and ſet to Muſick by Mr. *Weldon*, was performed by Mr. *Elford*, of the Queen's Chapel, and Mr. *Leveridge*.

This Hall is in Length 153 Feet, Breadth 48, and Altitude within 55 Feet. It is uſed by the City for the Seſſion of the ſeveral Courts of Judicature before named; for feaſting our Kings, Queens, and other Potentates, Foreign Miniſters, &c. and, laſtly, for chuſing the Lord-Mayors, Sheriffs, Members of Parliament, &c. it being capacious enough to contain 7000 Perſons.

Guildhall-Chapel.

Thirdly, The Chapel ſituate between *Blackwell-hall* and *Guildhall*, is dedicated to St. *Mary Magdalene* and *All Saints*, was founded in the Year 1299, and called *London-college*.

Peter Fanelore, *Adam Frauncis*, and *Henry Frowicke*, Citizens, gave one Meſſuage, with the Appurtenances, in the Pariſh of St. *Foſter*, to *William Brampton*, *Cuſtos* of the Chantry by them founded in the ſaid Chapel, with four Chaplains; and one other Houſe in the Pariſh of St. *Giles* without *Cripplegate*, the 27th of *Edward* III. was given to them; which was about the Year 1353.

Richard II. in the 20th of his Reign, granted to *Stephen Spilman*, Mercer, Licence to give one Meſſuage, three Shops, and one Garden, with the Appurtenances belonging, in the Pariſh of St. *Andrew Hubbard*, to the *Cuſtos* and Chaplains of the ſaid Chapel, and to their Succeſſors, for their better Relief and Maintenance for ever.

King *Henry* VI. in the 8th of his Reign, gave Licence to *John Barnard*, *Cuſtos*, and the Chaplains, to build a-new the ſaid Chapel or College of *Guildhall*. And the ſame *Henry*, in the 27th of his Reign, granted to the Pariſh-Clerks in *London* a Guild of St. *Nicholas*, for two Chaplains, by them to be kept in the ſaid Chapel of St. *Mary Magdalene*, near *Guildhall*; and to keep ſeven Alms-People. *Henry Barton*, Skinner, Mayor, founded a Chaplain there. *Roger Depham*, Mercer, and Sir *William Langford*, Kt. had alſo Chaplains there. This Chapel or College had a *Caſtos*, ſeven Chaplains, three Clerks, and four Choriſters.

This Chapel or College, valued to diſpend 12 *l.* 8 *s.* 9 *d.* *per* Year, was ſurrendered amongſt others. The Chapel remaineth to the Mayor and Commonalty, wherein they have Service weekly; as alſo at the Election of the Mayor, and at the Mayor's Feaſt, &c. who bought it of King *Edward* VI. and divers other Meſſuages, Lands, Tenements, and Hereditaments in the City of *London*, for the Sum of 456 *l.* 13 *s.* 4 *d.* upon their humble Petition, the yearly Value being computed to be 40 *l.* 6 *s.* 8 *d.* The Date of the Patent was *April* 10, to commence from the Feaſt of the Annunciation of the bleſſed Virgin, in the 3d of the ſaid King's Reign; and the City holds it in Soccage of the Manor of *Greenwich*.

Upon the Front of this Chapel, are ſet up, of latter Times, the Figures, in Stone, of the ſaid King *Edward* VI. Queen *Elizabeth*, with a Phœnix under her, and of King *Charles* I. treading upon a Globe.

Adjoining to this Chapel, on the South Side, was formerly a large Library, furniſhed with Books, pertaining to the *Guildhall* and College, which Books (as it is ſaid) were, in the Reign of *Edward* VI. ſent for by *Edward* Duke of *Somerſet*, Lord Protector, with Promiſe to be reſtored ſhortly. Men loaded from thence three Carriages with them; but they were never returned. This Library was built by the Executors of *Richard Whittington*, and by *William Bury*. The Arms of *Whittington* are placed on the one Side in the Stone-work, and two Letters, to wit, *W.* and *B.* for *William Bury*, on the other Side. It was afterwards loſted through, and made a Store-houſe for Cloths.

This Chapel was much defaced, but not burnt down, in the Fire of *London*, *A. D.* 1666. It has been ſince rebuilt, and is very handſome. The Windows are ſpacious; there is a Gallery at the Weſt End; the Walls are hung with Tapeſtry; there is a Wainſcot Covering over the Aldermen's Seats; and a particular Seat for the Lord-Mayor, adorned with Cartouches, a handſome Wainſcot Pulpit and Deſk, and a neat Altar-Piece incloſed with Rails and Baniſters.

The Monuments which were erected before that Fire, and are not now to be found in this Chapel, were (1) a Tomb with the Figure of *John Wells*, Grocer, and Mayor in the Year 1431, erected on the South Side of the Choir above the Reveſtry Door. (2) The Tomb of *Thomas Kneſworth*, Fiſhmonger, and Mayor in the Year 1505, erected on the North Side of the Choir. (3) There were ſeveral Flat Stones with Inſcriptions; moſt of which were only in Memory of the *Cuſtodes*, or Wardens, and of Chaplains, and Officers of the Chamber; and of Sir *John Langley*, Knight, Goldſmith, and Mayor in 1576, who was buried in the Vault under the Tomb of *John Wells* aforeſaid.

The Monuments which now are legible are to the Memory of *Catharine Lightfoot*, Daughter of *Robert Abbot*, and Wife to *William Lightfoot*, Attorney, who died in Childbed, *A. D.* 1673. (2) Of her Huſband *William Lightfoot*, one of the four Attorneys in the Lord-Mayor's Court, and Regiſter of *Sutton*'s-*hoſpital*, who died *A. D.* 1699. (3) Of *William Man*, Eſq; who being admitted Sword-bearer to the Lord-Mayor in 1659, held that Place to his Death, which happened in *April* 30, 1705. *Æt.* 77, having officiated in that Office for forty-ſix Years. He had five Wives. (4) Of *William Fluellen*, Eſq; Alderman of this City, who died *Sept.* 11, 1675; and (5) of *William Avery*, with this Inſcription, *Gulielmus Avery, dum vixit celeberrime huic Civitati a Commentariis*,

mentariis, (i. e.) Secretary and Comptroller of this City, *Ob.* 1671.

Halls of Companies. In this Ward are two Company's Halls: (1) On the North of *Cheapside*, almoſt in the Center between the *Old-jewry* and *Ironmonger-lane*, is ſituate *Mercers-hall*, more commonly known by the Name of *Mercers-chapel*, which makes a Part of that magnificent Building. On this Spot in antient Times was founded an Hoſpital dedicated to St. *Thomas* of *Acars*, or *Acons*, for a Maſter and Brethren, *Militiæ Hoſpitalis*, &c. ſaith the Record of *Edward* III. the fourteenth Year; by *Thomas Fitz-Theobald de Heiley*, and *Agnes* his Wife, Siſter to *Thomas a Becket*, in the Reign of *Henry* II. They gave to the Maſter and Brethren the Lands with the Appurtenances, that ſome Time were *Gilbert a Becket*'s, Father of the ſaid *Thomas*, in the which he was born; there to make a Church. There was a Charnel, and a Chapel over it of St. *Nicholas* and St. *Stephen*.

The Life of Thomas a Becket. The Life of *Thomas a Becket* (to whom this Hoſpital or Chapel was probably dedicated) is written by divers Authors, and diverſly, according to their Affection; we ſhall therefore only give a ſhort Account of his Birth and Parentage, alſo of his Death, and why this Hoſpital was dedicated by the Name of St. *Thomas* of *Acons* or *Acars*.

This *Thomas a Becket* was a Son of *Gilbert Becket*, a Citizen of *London*, and of *Matildis* his Wife, who was the Daughter of a *Pagan* Prince, under whoſe Cuſtody, *Gilbert* being taken Priſoner, when he travelled into the *Holy Land*, was for a Year and a half kept Priſoner, and at laſt eſcaping, by the Help of this *Matildis* (who fell in Love with him, being converted by him to the Chriſtian Religion) he came again ſafe into *England*, whom *Matildis*, not long after, for Love of him, adventured to follow, and getting away from her Father, came at laſt to *London*, where finding *Gilbert*, he married her, and of her begat this *Thomas*, who was born in his Father's Houſe, which then was in the Place where *Mercers-Chapel* in *Cheapſide* now ſtands.

He was murdered in his own Cathedral Church at *Canterbury*, on *Innocent*'s Day, at Even, *Anno* 1170, as he was going up the Steps towards the Choir, by four Knights, named *Reynald Fitz-Urſe*, *Hugh de Mortenill*, *William de Tracy*, and *Richard Briton*, none of which (as the Report is) lived above three Years after, and then died very penitent. And as he ſuffered for his Zeal in Defence of the Papacy, we find him ſoon after canonized, and worſhipped by the Pope's Command.

Why this Chapel was dedicated to St. *Thomas a Becket*, by the Name of St. *Thomas* of *Acons*, is not perfectly known; but the following Account, from the X. *Scriptores*, ſeems very probable: "When the City of *Acars*, or *Acon*, in the *Holy* "*Land* (called alſo *Ptolematis*) was beſieged by "the Chriſtians, one *William*, an *Engliſhman* by "Nation, being Chaplain to *Radulphus de Di-* "*ceto*, Dean of *London*, when he went to "*Jeruſalem*, bound himſelf by a Vow, that if he "ſhould proſperouſly enter *Acon*, he would build "a Chapel to St. *Thomas the Martyr*, at his "own Charge, according to his Ability; and "would procure there, to the Honour of the "ſaid Martyr, a Church-yard to be conſecrated; "which was done. Then many flocking from all "Parts to ſerve in this Chapel, *William* himſelf, "as a Token of his Chriſtianity, took on him "the Name of Prior; who, whilſt he ſerved bo- "dily, as a Soldier of CHRIST, had an eſpe- "cial Care of the Poor, and he freely beſtowed "all his Diligence and Labour, in burying of "the Bodies of ſuch as died, as well naturally, "as of others who were ſlain with the Sword, "repreſenting himſelf in Man's Sight the next "Succeſſor of that great *Tobias*."

There is another Teſtimony out of the *Theatre of Honour*, *Lib.* 9. *Cap.* 11. where the Author repeating the military Orders of the *Holy Land*, ſaith thus: "The Order of St. "*Thomas* was inſtituted by the King of *Eng-* "*land*, *Richard*, ſurnamed *Cœur de Lyon*, after "the Surprizal of *Acars*, and being of the *Eng-* "*liſh* Nation, they held the Rule of St. *Au-* "*guſtine*, wore a white Habit, and a full red "Croſs, charged in the Middle with a white "Scallop; they took for their Patron the Arch- "biſhop of *Canterbury*, the Metropolitan of "*England*, *Thomas a Becket*, who ſuffered Mar- "tyrdom (as his Favourers ſay) under the King "of *England*, *Henry* II. of that Name. *Peter* "*de Rupibus*, Biſhop of *Wincheſter*, who had "been five Years in the *Holy Land*, removed the "Church there of St. *Thomas the Martyr*, from "an unfit Place to a more convenient, and cau- "ſed the Patriarch of *Jeruſalem* to take Order, "that the Brethren of this Church, who were "before Laymen, might be under the Order of "the *Templers*, wearing a Croſs on their Breaſt. "He bequeathed alſo to this Houſe of St. *Tho-* "*mas of Acons*, 500 Marks." So much *M. Paris in vita Hen.* III. p. 472. *ſub anno* 1238.

Hereby it is clear, that the Dedication of this Hoſpital, or Chapel, to St. *Thomas* of *Acons* or *Acars*, muſt have relation to the like Dedication of the Chapel and Holy Order in the City of *Acars*, in the *Holy Land*, to the ſame Archbiſhop; all theſe three Dedications being near about one and the ſame Time, within few Years after the Archbiſhop's Death. And it is probable, that in Imitation of thoſe Dedications at *Acars*, this in *London* might do the like.

Its Use on Lord-Mayor's Day. From this St. *Thomas* antiently was a ſolemn Proceſſion uſed by the new Mayor; who, the Afternoon of the Day he was ſworn at the *Exchequer*, met with the Aldermen here; whence they repaired together to St. *Paul*'s, and there prayed for the Soul of the Biſhop *William* at his Tomb; who was Biſhop of *London* in the Time of *William* the Conqueror. Then they went to the Church-yard, to a Place where *Thomas a Becket*'s Parents lay; and there they prayed for all faithful Souls departed. And then they went all back to St. *Thomas* of *Acons* again; and both Mayor and Aldermen offered each a Penny.

William Bowyndon, *Magiſter Domus Sancti* Thomæ *Martyris de* Acon, March 1419. *Johan. Chadde*, *Civis & Cuttelar*, London, by his laſt Will dated *June* 13, 1482, gave to *John Neet*, Maſter of the Houſe of St. *Thomas the Martyr* of *Acons*,

Acons, and to the Brethren of the ſaid Place, and their Succeſſors, his Tenement in *Berſhaw-lane*, in the Pariſh of St. *Mary de Cole* Church.

This Hoſpital was valued to diſpend 277 *l.* 3 *s.* 4 *d.* It was ſurrendered the 30th of *Henry* VIII. the 21ſt of *October*, and was ſince purchaſed by the Mercers, by means of Sir *Richard Greſham*, and was again ſet open on the Eve of St. *Michael* 1541, the 33d of *Henry* VIII.

The Image of *Thomas a Becket*, to which *Popiſh* Saint this Chapel was dedicated, ſtood over the Gate. But in the Month of *January*, the firſt of Queen *Elizabeth*'s Reign, ſomebody threw it down and broke it; and ſet a Writing on the Church Door, reflecting on them that placed it there. It is now called the *Mercers-chapel*; and there is kept a free Grammar-School, as of old Time had been accuſtomed and commanded by Parliament; of which hereafter.

There were ſeveral Monuments here for the following Perſons; tho' many of them are defaced.

Monuments.

James Butler, Earl of *Ormond*, and Dame *Johan* his Counteſs, 8 *Henry* VI. *John Norton*, Eſq; *Stephen Cavendiſh*, Draper, Mayor, 1362; *Thomas Cavendiſh*, and *William Cavendiſh*. The former, *viz. Thomas Cavendiſh*, bequeathed his Body to be laid here in theſe Words (by his Will, proved 1524.) "I *Thomas Cavendiſh*, of the "King's *Exchequer*, bequeath my Body to be "buried in the Church of *Thomas Acars* within "*London*, in the North Iſle of the Choir, next "my Grandfather *William Cavendiſh*."

Thomas Canon (or *Gernon*) called *Pike*, one of the Sheriffs 1410. *Hungate* of *Yorkſhire*. *William Rule*, *Civis & Pannarius*, buried in the Church of St. *Thomas the Martyr de Acon*, *Lond.* This Will bore Date *March* 1390; wherein are theſe Words: *Item*, *omnia illa terras & tenementa nuper* Johannis Lenne *in* Stratford Lanthern *in Parochia de* Weſt Ham, *quæ perquiſivi ex feoffamento* Johannis Northbury, *Arm.* & Johannis de Kent, *Arm. volo quod Executores mei vendant & diſtribuant*, &c. *ad Emendationem Viarum a* Careſbregge *uſque ad Domum* Johannis Wallere *in* Stratford.

Ambroſe Creſacre, (*John Cheſter*, Draper) *John Truſbut*, Mercer, 1437. *Thomas Norland*, Sheriff, 1483. Sir *Edmund Shaa*, Goldſmith, Mayor, 1482. Sir *Thomas Hill*, Knt. Mayor, 1485. *Henry Frowicke*. *Thomas Ilam*, Sheriff, 1479. *Lancelot Laken*, Eſq; *Ralph Tilney*, Sheriff, 1488. — *Garth*, Eſq; *John Rich*. *Tho. Butler*, Earl of *Ormond*, 1515. Sir *William Butler*, Grocer, Mayor, 1515. *William Browne*, Mercer, Mayor, 1513. *John Locke*, 1519. Sir *Thomas Baldry*, Mercer, Mayor, 1523. Sir *William Locke*, Mercer, Sheriff, 1548. Sir *John Allen*, Mercer, Mayor, 1525, deceaſed, 1544. Sir *Thomas Leigh*, Mercer, Mayor, 1558. Sir *Richard Malory*, Mercer, Mayor, 1564. *Humphrey Baſkervile*, Mercer, Sheriff, 1561. Sir *George Bond*, Mayor, 1587, &c.

Add to the former theſe Perſons here alſo buried, whoſe Monuments were defaced long before the Fire: — *Hells*. *Henry Frowicke*. *John Amerce*. *Richard Wayte* of *Hampſhire*, 10 *July*, 1492. *William Goldwyn*, 1482. *Henry Cumber*. *Richard Laundſey*, 1461. *Roſſe Cryſpe*, under the ſame Stone, 1514. *William Jenkes*, and *Chriſtian* his Wife, 1475. *John Perys*, and *Margaret* his Wife. *Will. Goodwyn*. *Nic. Arguz*, 1494. *John Taune*. *Richard Martys* and *Agnys*. *Tho. Morrys*, and *Joan* his Wife.

William Downer, of *London*, Gent. by his Laſt Will, dated 26 *June*, 1484, willed his Body to be buried within the Church of St. *Thomas Acars* of *London*. — To the Diſpoſition and Ordinance of all that his Tenement, with the Appurtenances, ſet in *Eaſtcheap* of *London*, "*Firſt*, He "willed that *Agnes* his Wife have and hold "to her during her Life, &c. all the ſame "Tenement, &c. and after her Deceaſe, I will "that it remain to the Maſter and Brethren of "*Thomas Acars*, and to their Succeſſors for ever-"more: So that they every Year, for evermore, "in their aforeſaid Churche, at ſuch Time of "the Year as it ſhall happen me to dy, obſerve "and keep an Obyte, or an Anniverſary for my "Sowl, the Sowle of my ſeyd Wife, the Sowles "of my Fader and Moder, and al Chriſten "Sowles, with *Placebo* and *Dirige* on the Even, "and Maſs of *Requiem* on the Morrow following, "ſolemnly by Note for evermore."

To theſe we make theſe Additions, by the Help of another MS. in the Heralds Office:

Margaret, Wife of *John Bracebridge*, Merchant of the Staple, 1446, and he the ſame Year died at *Calais*.

Radulphus Tilney, Grocer of *London*, and Alderman, *obiit* 1503. His Bearing, *Baron and Femme* 1. *A Chevron between* 3 —— *Heads eraſed* 2, *Semy de Croſſes botonee*, *a Lion Paſſant Gardant*.

Thomas Hubbart, late of *Grays-Inn*, Gent. *obiit* 1515, and *Elizabeth* his Wife, had Iſſue three Sons and three Daughters.

John Lock, of *London*, Mercer, and *Mary* his Wife, *obiit* 1519.

William Lock, Knt. and Alderman of *London*, *obiit* 1550, had Wives, *Alice*, *Catharine*, *Eleanor* and *Elizabeth*.

John Hare, Citizen and Mercer of *London*, and *Dorothy* his Wife, had eleven Sons and three Daughters, and died 1564.

This *John Hare* was a wealthy Mercer, living in *Cheapſide*, in the Pariſh of St. *Mary le Bow*, Son of *John Hare* of *Homersfield* in the County of *Suffolk*, Eſq; and Brother to Sir *Nicholas Hare*, Knt. Maſter of the Rolls. He had Sons, *Nicholas*, his Heir, *Thomas*, *John*, *Hugh*, *Ralph*, *Richard*, *Edmund*, &c. and Daughters, *Iſabel*, married to *Cholmley*; *Margaret*, married to *Audley*, Mercer, &c. who, by his Induſtry in his Calling, left Manors, Lands, and Tenements among his Children, and made his Will, *Auguſt* 25, 1564.

Thomas Leigh, Knt. *obiit* 1571.

Walter Garraway, Draper, *obiit* 1571.

Thomas Low of *London*, Merchant, *obiit* 1574, and *Elizabeth* his Wife, had Iſſue *Margaret*, *Thomas* and *Elizabeth*. Which *Margaret*, living after her Father, was Wife of *Rowland Leigh*, Son and Heir of *Thomas Leigh*, Knt. and Alderman of *London*.

William Allen, Knt. and Alderman of *London*, died 1574. His Coat on his Stone, *parted per a Feſs*, *Sable and Or*, *a Pallet engrailed*, *counterchanged*,

terchanged, and three Talbots Paſſant of the ſecond.

John Allen, Knt. and Mercer of *London*. He had his Coat upon his Monument: *In three Roundlets as many Talbots Paſſant. On a Chief a Lion Paſſant Gardant between two Anchors.*

Charles Hoſkins, Citizen of *London*, and *Anne* his Wife, had Iſſue two Sons and two Daughters, *obiit* 1597.

Richard Baron, Armig. and Mercer of *London*, *obiit* 1591, had Iſſue of his firſt Wife, *Alice Harpsfield*, one Son and one Daughter: And of *Margaret Morton*, his ſecond Wife, ſeven Sons and two Daughters. His Coat was borne impaled with his two Wives: 1. *two Lions Paſſant Gardant.* 2. *Harpsfield, three Harps.* 3. Morton, *One Eſcallop, between three Wolves Heads erazed.*

Elizabeth, Daughter of *Matthew Hoppie*, Gent. firſt Wife of *Nathaniel Derdes*, Grocer of *London*, by whom he had Iſſue two Sons and three Daughters. She died 1610.

A Daughter of *Peter Napleſden*, ſecond Wife of the ſaid *Nathaniel*, by whom he had Iſſue two Sons, and ſhe died 1614.

Roger How, Citizen and Grocer of *London*, *obiit* 1606. His Wife was *Jane*, Daughter of *William Syms* of *Charde* in *Somerſetſhire*, Armig. by whom he had Iſſue *Elizabeth* and *Mary*. *Stephen Soame*, Knt. Alderman of *London*, *obiit* 1619. He bore in divers Quarters, 1. *Gules, a Chevron between three Mullets, Or.* 2. *Barry, Arg. & Az. in a Canton, Or, a Tun, Gules.* 3. *Gules,* 6 *Annulets, Or.* 4. *Arg. (3 Cinquefoils) between two Chevronets Sable, three Moorcocks proper.* 5. *Gules, a Chevron engrailed, Arg.* 6. *Gules, a Feſs nebule Ermin.* 7. *Arg. a Feſs, between three Chevrons Gules.* His Wife bore *Arg. three Cinquefoils, Az. A Chief.*

Robert Soame, D. D. Brother to *Stephen*, died *ſine prole.*

And at the Entrance into the Chapel are two Marble Tables, hanging one on each Side the middle Door, with the following Inſcriptions: On that on the North Side;

M. S.

Near this Place lieth interred the Body of *Margaret*, the Wife of *John Eſſington*, of *Groſſington-hall* in the County of *Gloceſter*, Gent. She was a Perſon of great Virtue and excellent Accompliſhment, acquired by extraordinary Education. After a languiſhing Sickneſs, ſhe was called to a better Life, *March* the 18th, 1701.

To whoſe pious Memory her mournful Huſband erected this Monument.

Near this Place alſo lie interred the Bodies of *John Godfrey*, Gent. the Father, and *Thomas Godfrey*, Citizen and Mercer of *London*, Brother to Mrs. *Margaret Eſſington*; of whom the former having ſerved the Right Worſhipful Company of Mercers, with known Integrity, as Clerk, near ſixty Years, deceaſed *June* 21, 1697, aged 80; the other dying *May* 1, 1698, aged 46, left a plentiful Eſtate to his beloved Siſter.

On the other Table on the South Side of the Door:

In Memory of *John Warner*, Citizen, who departed this Life the 10th Day of *January* 1702, in the 73d Year of his Age, erected by *Anne* his Wife, Daughter of *George Price*, Eſq; late of *Weſtbury* in the County of *Bucks.*

Near this Place lieth the Body of *Anna Maria*, the Wife of *John Warner*, his Nephew, being the Daughter and only Child of *George Price*, of the County of *Gloceſter*, who departed from this World the 21ſt Day of *July* 1704, and in the 21ſt Year of her Age.

Before this Hoſpital, towards the Street, was built a handſome and beautiful Chapel arched over with Stone, and thereupon the Mercers-Hall, a moſt curious Piece of Work. Sir *John Allen*, Mercer, being a Founder, was there buried; but afterwards his Tomb was removed into the Body of the Hoſpital Church, and the Chapel was made into Shops, and let out for Rents by his Succeſſors the Mercers.

On *Tueſday*, the 27th of *April*, *Anno* 10 *Henry* VIII. it was granted unto the Maſter and his Brethren of the Hoſpital of St. *Thomas* of *Acons*, in *Weſt-cheap*, where St. *Thomas the Martyr* was born, (becauſe they wanted Room in the Hoſpital) that for their more Eaſe they might make a Gallery in convenient Height and Breadth, from their ſaid Houſe overthwart the Street in the *Old Jewry*, into a certain Garden and Buildings, which the Maſter and Brethren had then lately purchaſed; ſo as the ſaid Gallery ſhould be of ſuch Height, as ſhould not annoy Man, Horſe, nor Cart: And to make a Window on either Side of the ſaid Gallery; and therein, yearly, in the Winter, to have a ſufficient Light, for the Comfort of them that paſſed by.

In the Year 1536, on St. *Peter*'s Night, King *Henry* VIII. and Queen *Jane* his Wife, ſtood in the Mercers Hall, then new built, and beheld the marching Watch of the City, moſt bravely ſet out; Sir *John Allen*, Mercer, one of the King's Council, being Mayor.

The famous learned *Italian Antonio de Dominis*, Archbiſhop of *Spalatto*, who had forſaken his Country and Archbiſhoprick for the Sake of the true Religion, and came and dwelt in *England*, preached divers Sermons in the *Italian* Language, in the Mercers Chapel. The firſt Sermon from 1 *Cor.* xiii. 11. he preached there, was in *November* 1617, where were preſent, as his Auditors, the Archbiſhop of *Canterbury*, the Lord Chancellor, the Earls of *Arundel* and *Pembroke*, the Lords *Zouch* and *Compton*, and many other of great Note. He preached there again upon *Sunday*, *April* 19, 1618: And ſo he did upon *Sundays* divers Years after. And from thence, that Chapel was uſed every *Sunday* for *Italian* Sermons; at which *Engliſh* Merchants, that had lived abroad, were preſent, and contributed to the Maintaining thereof for many Years after.

Burnt and Rebuilt.

The Mercers Hall and Chapel were demoliſhed by the great Fire, but new and magnificently built by the ſaid Company. The Hall and great Parlour are finely wainſcotted with right Oak, and adorned with Pilaſters of the *Ionick* Order, the Ceiling with Fretwork, and the ſtately Piazzas are conſtituted by large Columns and Entablature of the *Dorick* Order. In the Hall are the King's Arms, thoſe of the City, and others. The Front to *Cheapſide* is very ornamental; the Door-caſe is enriched with the Figures

of two Cupids, mantling their Arms, Feſtoons, *&c.* and above the Balcony it is adorned with two Pilaſters, their Entablature, and Pediment of the *Ionick* Order; the Intercolumns are the Figures of *Faith* and *Hope*, and that of *Charity* in a Niche under the Cornice of the Pediment, with other Enrichments.

The Chapel is neatly wainſcotted, and paved with black and white Marble. In the Ambulatory leading to it, againſt the North Wall, is a Marble Tomb, with the Effigies, lying at full Length, of *Richard Fiſhborne*, Mercer, a worthy Benefactor, who died on the eighth of *April*, 1625.

Grocers-Hall. On the North Side of the *Poultry*, and at the fartheſt End of the *Alley*, formerly called *Coney-hope-lane*, now *Grocers-alley*, is ſituate *Grocers-Hall*, on a Spot of Ground purchaſed by the *Grocers* Company of *Robert* Lord *Fitzwalters* for the Sum of three hundred and twenty Marks, *A. D.* 1411. The Building is well deſigned and executed for the Purpoſes of a Common Hall, ſtately, ornamental, and ſo capacious, that for many Years it ſerved for the Uſes of the Bank of *England*, which was kept in this Hall till there was an Office built on purpoſe in *Threadneedle-ſtreet*. The antient Stone and Brick Building at the North-Weſt Corner of the Garden, inhabited by the Beadle of the Company, is very probably Part of the antient City Manſion of the noble Family of *Fitzwalters*, and conſequently the oldeſt Building within the City Walls.

Poultry-Compter. Between the Site of *Grocers-Hall* and the *Poultry* is one of the City Priſons, called the *Poultry-Compter*, from its Situation and Uſe; for this Priſon belonging to one of the Sheriffs, and of great Antiquity, might poſſibly be named the *Compter*, becauſe the Priſoners are obliged to *account* for the Cauſe of their Commitment before they are diſcharged; and the Addition of *Poultry* is to diſtinguiſh it from another Compter in *Wood-ſtreet*.

The Charge of theſe Priſons is committed to the Sheriffs, who always enter into their Office on the twenty-eighth of *September*, which is the Eve of St. *Michael* the Archangel, and are accordingly ſworn to the Charge of the ſaid Office.

Officers. Under the Sheriffs there are divers other Officers belonging alike to both *Compters*, who give Security to the Sheriffs for their true and faithful Execution of their ſeveral Offices.

The Secondary. I. The firſt and principal Officer, next to the Sheriff, is the Secondary, whoſe Office is to return Writs, mark Warrants, impannel Juries for the Courts both above and below, and alſo for the Seſſions.

Clerk of the Papers. II. The Clerk of the Papers, whoſe Office is to impannel Juries for the Sheriffs Court; he enters Judgment, and makes out all Proceſſes for the Sheriffs Courts.

Clerk Sitters. III. Four *Clerk Sitters*, who enter *Actions*, take *Bails*, receive *Verdicts* after Trials, *&c.*

Serjeants and Yeomen IV. Eighteen *Serjeants* at Mace, and every Serjeant hath his *Yeoman*. Their Office is to arreſt, execute all *Proceſſes*, ſerve *Writs* and *Executions* upon Actions, and Summons from above, as well as from the Courts below; and each of the Serjeants gives four hundred Pounds Security to the Sheriff, for the due Execution of their Office. They wear blue coloured Cloth Gowns, which are allowed them by the Sheriffs yearly, which they always wear upon their waiting Days. Four of theſe Serjeants, and as many Yeomen out of each *Compter*, wait upon their reſpective Sheriffs daily, and during the Time of Seſſions double the Number: At which Time, in the Mornings, they bring the Priſoners down from *Newgate* to the Seſſions-Houſe, put them in the Dock, and wait there all Day, and return the Priſoners back to the Gaol at Night; and, upon the Execution-days, ſee the condemned Priſoners executed.

Maſter-Keeper. Unto each *Compter* alſo belongs a Maſter-Keeper, and, under him, two Turnkeys, and other Servitors.

The poorer Sort of Priſoners, as well in this *Compter* as in that in *Wood-ſtreet*, receive daily Relief from the Sheriffs Table of all the broken Meat and Bread; and there are divers Gifts given by ſeveral well-diſpoſed Perſons towards their Subſiſtence, of which the following Names are mentioned by Mr. *Stype:* And, beſides theſe, there are other Benevolences frequently ſent to all the Priſoners in *London* by charitable Perſons, many of which do conceal their Names, doing it only for Charity ſake. And there are other Gifts, ſome for the Releaſement of ſuch as lie in only for Priſon-Fees, and others for the Releaſe of ſuch whoſe Debts are ſmall.

Benefactors *to this* Compter.

	l.	*s.*	*d.*
Mr. *William Lambe*, Clothworker	6	0	0
Mr. *Robert Dove*, Merchant-Taylor	5	0	0
Sir *Woolſton Dixie*, Skinner	10	0	0
The Lady *Ramſey*	10	0	0
Mr. *Ric. Jacob*, Vintner, *per Ann.*	2	0	0
John Fuller, Eſq; *per Ann.*	2	0	0
Mr. *John Kendrick*, Draper, *per Ann.*	2	0	0
Baptiſt Lord *Hicks*	10	0	0

Theſe Perſons gave the like Charity to *Wood-ſtreet Compter*.

Bucklerſ-bury. *Bucklers*, or more properly *Buckleſbury*, is ſo called from a Manor and Tenements appertaining to one *Buckle*, who there dwelt and kept his Courts. This Manor was ſuppoſed to be the great Stone Building, Part of which was remaining when *Monday* publiſhed his Edition of *Stow* in 1633, and was then called the *Old Barge*, from ſuch a Sign hanging out near the Gate of it. To this Place it was commonly reported, that, when *Wallbrook* lay open, Barges were rowed or towed up out of the *Thames*.

Cornet's Tower. Alſo, on the North Side of this Street, directly over-againſt the ſaid *Bucklerſbury*, was one antient ſtrong Tower of Stone; which Tower King *Edward* III. in the eighteenth of his Reign, by the Name of the King's Houſe, called *Cornet*'s Tower, in *London*, did appoint to be his Exchange of Money, there to be kept. In the twenty-ninth, he granted it to *Frydus Guyniſane* and *Landus Bardoile*, Merchants of *Luke*, for twenty Pounds the Year. And in the thirty-ſecond of his Reign he gave it to his College or free Chapel of St. *Stephen* at *Weſtminſter*, by the Name of his Tower, called *Cornet*'s Tower, at *Bucklerſbury* in *London*.

This Tower was taken down by one *Buckle*, a Grocer, meaning, in Place thereof, to have ſet

up and built a Frame of Timber; but the ſaid *Buckle* greedily labouring to pull down the old Tower, a Piece thereof fell upon him, which ſo bruiſed him, that his Life was thereby ſhortened; and another, that married his Widow, ſet up the new prepared Frame of Timber, and finiſhed the Work.

Sopers-lane.

By the Aſſent of *Stephen Abunden*, Mayor, the Pepperers in *Sopers-lane* were admitted to ſell all ſuch Spices and other Wares as Grocers uſe now to ſell, retaining the old Name of Pepperers in *Sopers-lane*; till at length, in the Reign of *Henry* VI. the ſaid *Sopers-lane* was inhabited by Cordwainers and Curriers: After that, the Pepperers or Grocers had ſeated themſelves in a more open Street, to wit, in *Bucklerſbury*, where they remained for many Years.

By a Paſſage in an old Book, printed in *Henry* VIII's Reign, it appears, that *Sopers-lane* was a noted Place where Pies were made, and ſet forth to be ſold, when Spices were ſo near at Hand. "Thou muſt, at *Eaſtre*, receive the God of "Antichriſt; and thou muſt buy it, and pay for "it, as Men ſome Time bought Pies in *Soper-* "*lane*." [*Lamentation againſt the City of* London, printed 1505.]

Tallow-Chandlers had their Shops alſo hereabouts; the Smell of whoſe Trade, it ſeems, was ſo nauſeous in the chief Street of the City, that they were appointed to remove thence, and remain elſewhere in the City.

At the upper End of this *Sopers-lane*, in *Cheapſide*, was the common Place of Standing to ſee great Shews; as, when Kings and Queens, Princes, or foreign Ambaſſadors paſſed along towards *Weſtminſter*, or from *Weſtminſter* thro' *London* towards the Tower. Here was a Parcel of Land called *The great Field in the Street*, ſome Time in the Tenure of the Lady *Catharine Dormer*, Widow: This, under that Name, together with other Things, was ſold to Sir *Robert Cholmley*, Knt. in the ſecond of *Edward* VI.

At the Eaſt End of the High Street, which is the main Body of this Ward, over-againſt the Pariſh-Church of St. *Mildred*, on the South Side

Poultry.

of the *Poultry*, up to the great Conduit, were divers Houſes, ſome Times inhabited by Poulterers, afterwards by Grocers, Haberdaſhers, and Upholſterers. At the Weſt End of this *Poultry*, on the South Side, was the great Conduit, which

Cheap *Conduit.*

was the Beginning of *Weſt-Cheap*. This Conduit was the firſt ſweet Water that was conveyed by Pipes of Lead under Ground to this Place in the City from *Paddington*. It was caſtellated with Stone, and ciſterned with Lead; which was begun in the Year 1285, *Henry Walleis* being then Mayor. This Conduit was again new built by *Thomas Ilame*, one of the Sheriffs, in the Year 1479.

Beyond the Conduit, on the South Side of *Cheap*, in *Stow*'s Time, were Houſes, for the moſt Part poſſeſſed by Mercers, up to the North Corner of *Cordwainers-ſtreet*, which, he ſays, was corruptly called *Bow-lane*. Theſe Houſes, in former Times, were but Sheds, or Shops, with Solars over them.

Standard *in* Weſt-cheap.

About the Midſt of this Street, without *Honey-lane*, was the Standard in *Cheap*, which *John Wells*, Grocer, Mayor, 1430, cauſed to be made, with a ſmall Ciſtern with freſh Water, having one Cock continually running, when the ſame was not turned nor locked. This was finiſhed by his Executors, *Thomas Knowles* and *John Chicheley*, who purchaſed Licence of King *Henry* IV. to convey Water to make the Conduit. See Page 190.

King Hen. VI's *Licence for this Standard.*

The ſaid King, by his Patent dated at *Windſor*, the twenty-firſt of his Reign, (which Patent was confirmed by Parliament, 1442) granted Licence to *John Knolles*, *John Chicheley*, and others, Executors to the ſaid *John Wells*, with his Goods to make new the Highway which leadeth from the City of *London* towards the Palace of *Weſtminſter*, before and nigh the Manor of *Savoy*, Parcel of the Dutchy of *Lancaſter*; a Way then very ruinous, and the Pavement broken, to the Hurt and Miſchief of the Subjects. And further, that the Standard in *Cheap*, where divers Executions of the Law before Time had been performed, (which Standard at that preſent was very ruinous with Age, in which there was a Conduit) ſhould be taken down, and another competent Standard of Stone, together with a Conduit in the ſame, of new, ſtrongly to be builded, for the Commodity and Honour of the City, with the Goods of the ſaid Teſtator, without Interruption, *&c.*

The old Standard in Cheap, *with a Conduit therein, taken down and new built.*

A Doubt of the Place of the old Standard.

Now, whether the Standard in *Weſt-Cheap*, ſo often ſpoken of in former Times, be the ſame, and ſtood juſt in the ſame Place, or elſewhere, or that the ſame were removeable, is a Matter of Doubt; for it is manifeſt, that in the Reign of *Edward* III. and at other Times, when the great Juſtings and their Runnings on Horſeback were practiſed between the great Croſs and the great Conduit at *Sopers-lane* End, there was no ſuch Standard or other Obſtacle between them; neither was that Street paved with hard Stone, as now it is. We read, that, in the Year 1293, three Men had their right Hands ſtricken off at the Standard in *Cheap*, for reſcuing of a Priſoner arreſted by an Officer of the City. It is very likely therefore, that the old Croſs in *Cheap*, which was then newly built, was alſo the Standard.

Executions at the Standard.

But, of the Executions at the Standard in *Cheap*, we read further, that, in the Year 1326, the Burgeſſes of *London* cauſed *Walter Stapleton*, Biſhop of *Exeter*, Treaſurer to *Edward* II. to be beheaded, with others, at the Standard in *Cheap*, (but this was by *Paul*'s Gate.) In the Year 1351, the twenty-ſixth of *Edward* III. two Fiſhmongers were beheaded at the Standard in *Cheap*. In the Year 1381, *Wat Tyler* beheaded *Richard Lions* and others there. In the Year 1399, *Henry* IV. cauſed the Blank Charters made by *Richard* II. to be burnt there. In the Year 1450 *Jack Cade*, Captain of the *Kentiſh* Rebels, beheaded the Lord *Say* there. In the Year 1461, *John Davy* had his Hand ſtricken off there, becauſe he had ſtricken a Man before the Judges at *Weſtminſter*, &c.

Great Croſs in Weſt-Cheap *firſt built.*

Then next is the great *Croſs* in *Weſt-Cheap*, (but in *Farringdon* Ward within) which Croſs was there erected in the Year 1290, by *Edward* I. upon this Occaſion: Queen *Elianor*, his Wife, died at *Herdeby*, a Town near unto the City of *Lincoln*;

Lincoln; her Body was brought from thence to *Weſtminſter*; and this King, in Memory of her, cauſed, in every Place where her Body reſted in the Way, a ſtately Croſs of Stone to be made and erected, with the Queen's Image and Arms upon it, as, at *Grantham*, *Woborne*, *Northampton*, *Stony-Stratford*, *Dunſtable*, St. *Alban's*, *Waltham*, *Weſt-Cheap*, and at *Charing*; from whence ſhe was conveyed to *Weſtminſter*, and there buried.

Croſs in Cheap new built.

John Hatherly, being Mayor of *London*, procured, in the Year 1441, Licence of King *Henry* VI. in the twenty-firſt of his Reign, to re-edify the ſame in a more beautiful Manner, for the Honour of the City; and had Licence alſo to take up two hundred Fodder of Lead for the building thereof, and of certain Conduits, and a common Granary.

For there was now, not only a fair Croſs to be ſet up in *Weſt-Cheap*, but Conduits, with Standards, to be built, and leaden Pipes, that conveyed the Water for above three Miles; and the Works about them to be looked after, and a common Granary to be erected a-new: For the authorizing and licenſing the City in which Works, the ſaid King *Henry* VI. iſſued out Letters, as exemplified on Page 191.

The King's Letters for the Croſs in Cheap, and other Works

The Granary.

This common *Garner* or *Granary*, ſpoken of in theſe Letters Patents, to be built a-new, was that which was built by *Simon Eyre*, or *Leyre*, Alderman, at *Leadenhall*, for the publick Uſe of the City. This Croſs to be erected here at *Weſt-Cheap*, expreſſed in theſe Letters Patents, to ſerve *pro quadam Augea tanquam mater*, ſeems to be for an Increaſe and Supply of Water, as the Mother Aqueduct, to the reſt of the Conduits, as though there were Pipes laid from hence to the reſt.

The Croſs curiouſly wrought.

This Croſs was then curiouſly wrought, at the Charge of divers Citizens. *John Fiſher*, Mercer, gave ſix hundred Marks towards it. The ſame was begun to be ſet up in 1484, and it was not finiſhed before the Year 1486, the ſecond of *Henry* VII. It was new gilt all over in the Year 1522, againſt the coming in of *Charles* V. Emperor, and was new burniſhed againſt the Coronation of *Edward* VI. and, in the Year 1553, againſt the Coronation of Queen *Mary*; and gilt again in the Year 1554, againſt the coming in of King *Philip*: Since the which Time the ſaid Croſs having been preſented by divers Juries, or Queſts of Wardmote, to ſtand in the Highway, to the Let of Carriages, *&c.* as they alledged, but could not have it removed; it followed, that, in the Year 1581, the twenty-firſt of *June*, in the Night, the loweſt Images round about the ſaid Croſs (being of Chriſt's Reſurrection, of the Virgin *Mary*, King *Edward* the Confeſſor, and ſuch like) were broken and defaced: Whereupon Proclamation was made, that whoſo would bewray the Doers thereof, ſhould have forty Crowns; but nothing came to Light. The Image of the Bleſſed Virgin, at that Time, robbed of her Son, and her Arms broken, by which ſhe ſtaid him on her Knees; her whole Body was alſo haled with Ropes, and left ready to fall, but was, in the Year 1595, again faſtened and repaired; and, in the Year 1596, about *Bartholomew-tide*, a new Son, miſhapen, (as born out of Time, ſays *Stow*) all naked, was left in her Arms, the other Images remaining broken as before. On the Eaſt Side of the ſame Croſs, the Steps being taken thence, under the Image of Chriſt's Reſurrection defaced, was then ſet up a curious wrought Frame of grey Marble, and in the ſame an Alabaſter Image of *Diana*, a Woman, for the moſt Part naked, and Water conveyed from the *Thames* prilling from her naked Breaſts for a Time.

Croſs in Cheap indicted by Juries.

The Images broken and robbed.

Image of Diana ſet upon the Croſs in Cheap. Socrat. l. 1. c. 13.

In the Year 1599, the Timber of the Croſs at the Top being rotted within the Lead, the Arms thereof bending, and like to have fallen, the whole Body of the Croſs was ſcaffolded about, and the Top taken down, meaning in Place thereof to ſet up a *Pyramid*: But ſome of her Majeſty's honourable Counſellors directed their Letters to Sir *Nicholas Moſley*, then Mayor, by her Majeſty's expreſs Commandment, concerning the Croſs, forthwith to be repaired, and placed again as it formerly ſtood, *&c.* Notwithſtanding, the ſaid Croſs ſtood diſregarded more than a Year after: Whereupon the ſaid Counſellors in great Number, meaning not any longer to permit the Continuance of ſuch a Contempt, wrote to *William Rider*, then Mayor, requiring him, by Virtue of her Majeſty's ſaid former Direction and Commandment, without any further Delay, to accompliſh the ſame her Majeſty's moſt princely Care therein, reſpecting eſpecially the Antiquity and Continuance of that Monument and antient Enſign of Chriſtianity, *&c.* dated the twenty-fourth of *December*, 1600. After this, a Croſs of Timber was framed, ſet up, covered with Lead, and gilded, the Body of the Croſs downward cleanſed of Duſt, the Scaffold carried thence. About twelve Nights following the Image of our Lady was again defaced, by plucking off her Crown, and almoſt her Head, taking from her her naked Child, and ſtabbing her in the Breaſt, *&c.*

Top of the Croſs being likely to fall, was taken down

Croſs in Cheap commanded to be repaired.

Command again ſent for repairing the Croſs in Cheap, it being an antient Enſign of Chriſtianity

This is the old Croſs which ſtood at the Eaſt End of the Pariſh-Church called St. *Michael in the Corn*, by *Paul*'s Gate, near to the North End of the *Old-Exchange*.

In the Reign of *Edward* III. divers Juſtings were made in this Street, betwixt *Sopers-lane* and the great Croſs, namely, one in the Year 1331, about the twenty-firſt of *September*, as I find noted by divers Writers of that Time. "In the Mid-"dle of the City of *London* (ſay they) in a Street "called *Cheap*, the Stone Pavement being co-"vered with Sand, that the Horſes might not "ſlide when they ſtrongly ſet their Feet to the "Ground, the King held a Tournament three "Days together with the Nobility, valiant Men "of the Realm, and other, ſome ſtrange Knights. "And, to the End the Beholders might with the "better Eaſe ſee the ſame, there was a wooden "Scaffold erected croſs the Street, like unto a "Tower, wherein Queen *Philippa*, and many other "Ladies, richly attired and aſſembled from all "Parts of the Realm, did ſtand to behold the "Juſts; but the higher Frame, in which the "Ladies were placed, brake in ſunder, whereby "they were, with ſome Shame, forced to fall "down; by Reaſon whereof the Knights, and "ſuch as were underneath, were grievouſly hurt: "Wherefore the Queen took great Care to ſave "the Carpenters from Puniſhment, and through "her

Juſtings and Tournaments in Weſt-Cheap.

Edw. III. *held Tournaments or Juſts in Weſt-Cheap three Days together.*

Q. Philippa *and her Ladies fell from a Scaffold in* Cheap.

"her Prayers, which ſhe made upon her Knees, "pacified the King and Council, and thereby "purchaſed great Love of the People." After which Time the King cauſed a Shed to be ſtrongly made of Stone for himſelf, the Queen, and other States to ſtand on, and there to behold the Juſtings and other Shews at their Pleaſure, by the Church of St. *Mary Bow*, in *Cordwainers-ſtreet* Ward. See Page 123.

A Shed or Standing made for the King to behold the Shews in Cheap.

Here in *Cheapſide*, in *Bow* Pariſh, formerly, in the Time of King *Henry* VIII. and ſome Time after, lived a conſiderable Mercer, at the Sign of the Crown, (and this perhaps was that Crown of which we have that odd Story on Page 200.) His Name was *John Hare*, of an antient Family in *Suffolk*, who left a fair Eſtate behind him to his Children, that were divers, beſides his charitable Legacies. He died *Anno* 1564. To *Richard Hare*, his fourth Son, who, as it ſeems, continued his Father's Trade, he gave by his Will his ſaid Dwelling-Houſe at the Crown, with all the Shops, Cellars, Yards, and Warehouſes thereunto belonging. He was alſo Owner of the Manor of *Stow Bardolph* in the County of *Norfolk*, which he purchaſed of Queen *Mary*; and alſo the Parſonage thereof, and other Lands and Tenements there, which he purchaſed of *Richard Catlyn*, Serjeant at Law; all which he gave by Will to his eldeſt Son and Heir *Nicholas Hare*. He was likewiſe Owner of a great Manſion-Place, as it is called in his Will, with Gardens, Orchards, Houſes, Lands, and Tenements, in *Whitecroſs-ſtreet*, in the Pariſh of St. *Giles Cripplegate*; another Tenement in *More-lane*, in the ſame Pariſh, with Garden, Tenter-yards, and other Commodities and Profits thence ariſing, or occupied with the ſame.

Hare *at the* Crown *in* Cheap.

J. Hare, Windſor *Herald.*

His charitable Legacies were as follow: To the poor People of the Pariſh of our Lady of *Bow*, where he then dwelt, forty Shillings, to be divided among them: To the Poor of the Pariſh of our Lady in *Homersfield* in the County of *Suffolk*, where he was born, twenty Shillings: To the two Hoſpitals *Chriſt* and St. *Thomas*, to the Uſe of the Poor thereof, forty Pounds, to be equally divided: To St. *Bartholomew*'s Hoſpital ten Pounds: To the five *Lazar*-Houſes about *London*, ten Shillings to every Houſe: To every Priſoner within *Newgate*, *Ludgate*, the *Marſhalſea*, and the *King's-Bench*, four Pence in Money to every one that were Priſoners there at his Deceaſe; and to every one that ſhall be then Priſoners in the Compters of *Wood-ſtreet* and the *Poultry*, four Pence a-piece: To the thirteen poor Men in *Whittington* College two Shillings a-piece.

His charitable Legacies.

His Liberalities by his Will were: To the Worſhipful Company of *Mercers*, to make Banquet withal after his Deceaſe, twelve Pounds, to be paid within three Months after his Deceaſe to the Wardens of the Company then being: To every Man or Maid Servant not afore-named, (the reſt having particular Legacies aſſigned them) being his preſent Servants at the Time of his Death, forty Shillings a-piece. *Item*, To divers Perſons of Quality, and Citizens of Rank, he bequeathed Rings to each of fine Gold, already made, weighing near the Weight of three Quarters of an Ounce every Ring: Theſe were, Sir *Thomas Leigh*, Alderman, and my Lady his Wife, Sir *Roger Martin*, Alderman, *Edmund Jackman*, Alderman, Sir *Thomas Greſham*, Knt. and my Lady his Wife, *&c.* to the Number of thirty-five in all.

His Liberalities.

In this Ward, in *Cheapſide*, the Mercers chiefly had their Shops and Warehouſes in former Times; who were alſo great Merchants, and ſometimes went abroad beyond Sea for Traffick, and eſpecially to *Italy*: A Story relating to which is recorded on Page 196.

CHAP. XVII.

COLEMAN-STREET WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name. Bounds. Extent. Modern State. Aldermen and Common Council, &c. *Remarkable Things. Pariſhes and Churches.* Armourers *and* Braſiers Hall. Founders-Hall *and* Scotch Kirk. Exciſe-Office. *Commiſſioners and Officers. Antiquities. Firſt* Jews *Synagogue. Friars* de Pœnitentia. *Prince's Wardrobe.*

Its Name.

THIS Ward takes its Name from the principal Street therein, built by one *Coleman*; or probably it derived its Diſtinction from the many Dealers in Coal which antiently inhabited the ſame; for that was the common Method our Forefathers obſerved in giving Names to the ſeveral Streets of this City, either on account of the Trades carried on therein, or from ſome remarkable Building, *&c.* on that Site.

Bounds.

It is bounded on the Eaſt by *Biſhopſgate* Ward, *Broad-ſtreet* Ward, and *Cheap* Ward; on the North by *Cripplegate* Ward, *Upper Moorfields*, and *Biſhopſgate* Ward; on the South by *Cheap* Ward; and on the Weſt by *Baſinghall-ſtreet* Ward.

Extent.

The Extent of this Ward, from Eaſt to Weſt, is from the Grate near *Lothbury* Church to the End of *Ironmonger-lane* on the South Side, but no farther than the South-Weſt Corner of *Baſinghall-ſtreet* on the North Side; and North and South it extends from *Great Moorgate* to the Garden belonging to *Grocers-Hall* in the *Poultry*: Which will more diſtinctly appear as follows:

The modern State.

The principal Streets and Places in this Ward are, the *Old Jewry*, which is all in this Ward, except one hundred and thirty-ſix Feet at the South End thereof. *Lothbury*, from *Coleman-ſtreet*, Eaſtward, as far as St. *Margaret's Lothbury* Church on the North Side, and unto about twenty-ſeven Feet beyond *Princes-ſtreet* on the South Side. *Cateaton-ſtreet*, from *Baſſiſhaw-ſtreet* to *Coleman-ſtreet* on the North Side, and from *Ironmonger-lane* on the South Side; all *Coleman-ſtreet* wholly; in which Street there are divers Courts and Alleys, which ſhall be mentioned in Order.

Old Jewry.

The *Old Jewry* is a very good open Street, well inhabited by Merchants and Perſons of Repute. On the Weſt Side of this Street, about the Middle, is the Pariſh-Church of St. *Olave Jewry*, with a Church-yard adjoining; where there is a Paſſage,

Paſſage, with a Free-ſtone Pavement, leading to *Ironmonger-lane*.

Lothbury, a Street well built and inhabited; in which ſtands St. *Margaret*'s Church.

Prince's-ſtreet. On the South Side of this Street is *Prince's-ſtreet*, which, with two turning Angles, riſes into *Threadneedle ſtreet*: It is well built, and inhabited by Merchants, &c. On the Weſt Side is *Drapers-court*, a handſome, large Place, with good Houſes, well inhabited, having a Free-ſtone Pavement. Out of this Court is a narrow Paſſage into *Lothbury*.

Cateaton-ſtreet. *Cateaton-ſtreet* has no more in this Ward than from *Baſinghall-ſtreet*, the reſt is in *Cheap* Ward, a Street well inhabited by Tradeſmen. In this Part of the Street is *Golden-Croſs-court*, ſmall, but well built, and inhabited by wholeſale Dealers.

Coleman-ſtreet. *Coleman-ſtreet*. This Street is large and long, and runs Northward to *London-wall*, very well inhabited by divers noted Merchants and Shop-keepers. In this Street are divers Courts and Alleys. The firſt is *Windmill-court*, which is but ordinary. *Packers-court* is a pretty open Place, with indifferent good Buildings.

King's-arms-yard Other Places in this Street. *King's-arms-yard*, or rather *Street*, for the Largeneſs and Goodneſs, being graced with good large Houſes, inhabited by Merchants.

George-alley. *George-alley*, long, and indifferently well built. *White-roſe-court*, but indifferent, falls into *Maſon's-alley*, which is alſo but mean, and ſo into *Baſinghall-ſtreet*.

Great Bell-alley, very long, goes out of *Coleman-ſtreet*, and runs Eaſtward to *Little Bell-alley*, which turns Northward, as far as *Thompſon's Rents*. The Part of this Alley from *Coleman-ſtreet* to *Mulberry-court* is broad; but the Part running Northward is more narrow. The whole is well built, and inhabited. The Houſes on the Eaſt Side of *Little Bell-alley* look into *Drapers* Garden. In this Alley are ſeveral ſmall Courts, *viz. Mulberry-court*, which is a handſome Court. On the Weſt Side it has a Paſſage into *White's-alley*. *Whalebone-court*, handſome, with a Free-ſtone Pavement. *Pitcher's-court*, a large ſquare Place, with good Buildings, has a Paſſage into *White's-alley*. *Swan's-neſt-court*, a new Paſſage, up Steps, into *Great Swan-alley*; all well built, and inhabited. *Blue-hart-court*, an ordinary built Place, with a Free-ſtone Pavement, has a Paſſage down Steps into *Little Swan-alley*.

White's-alley. *White's-alley*, very long, but narrow, comes out of *Coleman-ſtreet*, and falls into *Pitcher's-court*, and thence into *Little Bell-alley*. On the North Side, and about the Middle of the Alley, is a Place called *Alms-houſe-yard*, containing ſix Houſes, for ſo many poor Men and their Wives, or the Survivors of them, belonging to the Company of *Leatherſellers*. *Pump-court*, but ſmall and ordinary. *Carpenter's-yard*, being only a large Timber-Yard. *White-hind-court*, a handſome Place, but narrow.

Great Swan-alley. *Great Swan-alley* alſo goes out of *Coleman-ſtreet*, and with a turning Paſſage runs into *Little Bell-alley*, and, with another turning Paſſage, falls into *Little Swan-alley*, whoſe Houſes are but few, but very pleaſant, with Gardens to each. More Northward this Alley runs through a very narrow Entry, called *Little Hell*, into *Croſs-Keys-court*, which is alſo ready to fall. Out of this Court is a Paſſage to *London-wall*. That Part of *Swan-alley* next to *Coleman-ſtreet* is wide enough for Carts, and has been greatly enlarged with new and handſome Buildings at the Eaſt End.

London-wall. *London-wall*, being a Street ſo called, which in the whole is very long, beginning at *Cripplegate*, and running to *Wincheſter-ſtreet*, but is in ſeveral Wards. The Part in this Ward begins a little Eaſtward of *Baſinghall-ſtreet*, and runs to the Gully-hole at *Bethlehem* Back-gate, almoſt facing *Thompſon*'s Rents. The Houſes are on the South Side, which commonly are but old Timber Houſes. Its greateſt Ornament is *Sion-College*, and *New Bethlehem*, ſeated on *London-wall* in *Moorfields*.

In this Part of the Street are theſe Courts and Places: *Star-court*, a ſmall Place. *White-lion-court*, indifferent good. *Red-lion-court*, likewiſe good, with a Free-ſtone Pavement. *Black-ſwan alley*, very ordinary.

The Part of this Ward without the City Walls, takes in all the lower Walks, or four Quarters of *Moorfields*; but none of the Houſes on the Eaſt and North Side, except thoſe which ſtand between *Little Moorgate* and the Meeting-Houſe at the Weſt End of *New Broad-ſtreet*. On the South Side is *Bethlehem*, or *Bedlam*, for the Lunaticks, which is in this Ward; as likewiſe the Row of good Houſes on the Pavement near the Road Weſtward, with Part of the Street called *Fore-ſtreet*, which runs to *Cripplegate*.

Watch. There are to watch near *Moorgate*, and at the ſeveral Stands in this Ward, every Night, a Conſtable, a Beadle, and 32 Watchmen.

Jurymen. The Jurymen returned by the Wardmote-Inqueſt for this Ward are to ſerve in the ſeveral Courts in *Guildhall* in the Month of *Auguſt*.

Aldermen, Common-Council, &c. This Ward has an Alderman, his Deputy, ſix Common-Council-Men, four Conſtables, four Scavengers, 13 Wardmote Inqueſt-Men, and a Beadle. It is taxed to the Fifteenth at 15*l.* 16*s.* 9*d.*

The Alderman of this Ward is *Robert Alſop*, Eſq; The Common-Council are Mr. *Henry Pointer*, Deputy, Mr. *Richard Stratton*, Mr. *Roger Staples*, Mr. *Henry Whitridge*, Mr. *John Saffory*, and Mr. *Thomas Chaddocke*.

Remarkable Things. Churches. The moſt remarkable Things in this Ward are, *Firſt*, Three Pariſh-Churches: (1.) St. *Stephen's Coleman-ſtreet*. (2.) St. *Margaret's Lothbury*. (3.) St. *Olave's Jewry*.

Companies Halls. *Secondly*, The *Halls* of different Companies. (1.) *Armorers* and *Braſiers Hall*, ſituated near the North-Eaſt Corner of *Coleman-ſtreet*, a handſome Brick Building, and neatly adorned within.

(2.) *Founders-Hall*, ſituate at the upper End of *Founders-court*, near to the Weſt End of St. *Margaret*'s Church; and remarkable for having a *Scotch Kirk* Meeting in it; there being but one more of the Kind in *England*.

Exciſe-Office. *Thirdly*, Near to the paved Court on the South of St. *Olave-Jewry*'s Church, and in the *Old Jewry*, is a very large capacious Brick Building, formerly inhabited by Sir *John Frederick*; but now ſerving for the General *Exciſe-Office*; erected in the Year 1643, and at preſent A.D. 1753 managed and executed by the following Commiſſioners and Officers under his Majeſty.

Commiſſioners, (1000 *l.* a Year each.)
Charles Polhill, Eſq; *John Wyndham Bowyer*, Eſq;
James Vernon, Eſq; *William Melliſh*, Eſq;
William Burton, Eſq; *Frederick Frankland*, Eſq;
John Orlebar, Eſq; *David Papillon*, jun. Eſq;
Auguſtine Earle, Eſq;
Commiſſioners for Appeals, (200 *l.* a Year each.)
Humphry Fowle, Eſq; *Edward Montague*, Eſq;
Sir *Moor Molineux*, Knt. *Robert Coney*, Eſq;
John Paul Yvonet, Eſq;
Bend. Martyn, Eſq; Secretary, 600 *l.* a Year.
Ar. Sheppard, Eſq; Firſt Clerk, 100 *l.*
Richard Littleboy, Second Clerk, 50 *l.*
——— *Avery*, Third Clerk.
Five General Accomptants.
Henry Needler, Exciſe, 260 *l.* a Year.
Thomas Smith, Malt, 250 *l.*
D. Shipley, Hides, 210 *l.*
H. Forreſter, New Duties, 200 *l.*
John Johnſon, Coaches, 160 *l.*
Accomptant for Fines, *M. Haldane*, 150 *l.* a Year.
General Surveyors,
Benjamin Hutchins, Hides, *&c.*
William Arnold, Candles.
William Colebrook, Coffee.
London Brewery, *Nathanael Simon*, 120 *l.* a Year.
Clerk for Bills of Exchange,
George Williams, 100 *l.* a Year.
Benjamin Marks, Soap.
Correſpondent,
Richard Noble, 220 *l.* a Year.
Benjamin Willis, Deputy, 100 *l.*
Clerk to the Securities,
John Wardour, Eſq; 200 *l.* a Year.
Store-keeper,
Groſvenor Bedford, Eſq; 120 *l.* a Year.
Receiver-General,
Sir *William Milner*, Bart. for himſelf and Clerks, 2800 *l.* a Year.
Comptroller of the Caſh,
Robert Andrews, Eſq; for himſelf and Clerks, 600 *l.* a Year.
Inſpector-General for Coffee and Tea,
George James Williams, Eſq; 500 *l.* a Year.
Regiſter, *Hutton Perkins*, Eſq; 450 *l.* a Year.
Regiſter to the Court of Appeals,
Thomas Hawes, Eſq; 100 *l.* a Year.
Sollicitor, *Dudley Baxter*, Eſq; for himſelf and Clerk, 610 *l.* a Year.
Auditor of Exciſe,
John Fowle, Eſq; for himſelf, Deputy, and five Clerks, 1040 *l.* a Year.
Auditor of Hides,
Robert Thompſon, Eſq; for himſelf and Deputy, 400 *l.* a Year.
Comptroller, *James Butler*, Eſq; for his Deputy and Clerks, 1600 *l.* a Year.
Houſe-keeper, Mrs. *Anne Cavendiſh*, 200 *l.* a Year.
Deputy, Mrs. *Elizabeth Lucas*, 120 *l.* a Year.

Antiquities. The Street called *Lothbury*, *Lathbery* or *Loadbery*, as it has been differently wrote, according to *Stow*, "took its Name from its being chiefly poſ-"ſeſſed by Founders, who caſt Candleſticks, "Chafing-diſhes, Spice-mortars, and ſuch like "Copper or Laten Works, and do afterwards "turn them with the Foot, and not with the "Wheel, to make them ſmooth and bright; "which Turning and Scratting making a *loath-* "*ſome* Noiſe to the By-Paſſers, that have not been "uſed to the like, the Place was therefore by "them diſdainfully called *Lothbury*." But it is more probable that its original Name was *Latenbery*, alluding to the Dealers or Workers in *Tin* or *Laten* dwelling there.

Jews Synagogue. On the South Side of this Street, Weſtward, at the End of the *Old Jewry*, ſtood the firſt Synagogue of the *Jews* in *England*, which was defaced by the Citizens of *London*, after they had ſlain 700 *Jews*, and ſpoiled the Reſidue of their Goods, in the Year 1262, the 47th of *Henry* III.

The ſaid Synagogue being ſo ſuppreſſed, the new Order of Friars, called, *De Pœnitentia Jeſu*, or *Fratres de Sacca*, becauſe they were apparelled in Sackcloth, and who had their Houſe in *London*, near unto *Alderſgate*, without the Gate, had Licence of *Henry* III. in the 54th of his Reign, to remove from thence to any other Place; and in the 56th, he gave unto them this *Jews* Synagogue. After which Time, *Eleanor* the Queen, Wife to *Edward* I. took into her Protection, and warranted unto the Prior and Brethren *De Pœnitentia Jeſu Chriſti*, of *London*, the ſaid Land and Building in *Colechurch-ſtreet*, in the Pariſh of St. *Olave* in the *Jewry*, and St. *Margaret* in *Lothbury*; by her granted, with Conſent of *Stephen de Fulborn*, Under-Warden of the Bridge-Houſe, and other Brethren of that Houſe, for threeſcore Marks of Silver, which they received of the ſaid Prior and Brethren of *Repentance*, towards the Building of the ſaid Bridge.

Q. *Eleanor*'s Charter is as follows, as it now remains in the Records of the Chamber of *London*.

"*Alianora*, *Dei Gra. &c. Alianor*, by the "Grace of God, Queen of *England*, Lady of "*Ireland*, Dutcheſs of *Aquitain*, and by our Lord "King *Henry*; To al that ſhal ſe or hear this "Writing, Greeting in the Lord. Know yee "that we are bound and held, for us and our "Heirs, to defend and warrant againſt al Men "for ever to the Priors and Friars of the *Repent-* "*ance of Jeſus Chriſt*, abiding in *London*, al their "Tenements, with al their Appurtenances, which "the Prior and Friars have in the Street called "*Colcherchſtrate*, in the Pariſh of St. *Olaves* in the "*Jewry*, and the Pariſh of St. *Margaret de Loth-* "*bury*, in the City of *London*; by the Grant and "Confirmation which we have made to the ſaid "Prior and Brethren by this preſent Writing; "with the Aſſent and Wil of Friar *Steven de Ful-* "*burn*, Under *Cuſtos* of the Bridge-Houſe, and "the reſt of the Friars of the ſaid Houſe, for ſix-"ty Marks of Silver, which we have received of "the ſaid Prior and Brethren of *Repentance of* "*Jeſus Chriſt*, towards the building of the ſaid "Bridge, and for the finding of one Chaplain, "which the ſame Prior and Brethren perpetually "find at their own Coſts, celebrating Service for "the Soul of *Richard le Ken.* Which *Richard* be-"queathed and aſſigned al the foreſaid Tenement, "with al the Appurtinences, to the Brethren of "the ſaid Houſe of the Bridge, for the Suſtenta-"tion of one Chaplain to celebrate Service for his "Soul for ever, at their Charges. In Witneſs "whereof, *&c.*"

This Order of Friars gathered many good Scholars, and multiplied in Number exceedingly, until the Council of *Lyons*; by the which it was decreed,

decreed, that (from that Time forth) there ſhould be no more Orders of *Begging Friars* permitted, but only the four Orders; to wit, the *Dominicks*, or Preachers; the *Minorites*, or Grey Friars; the *Carmelites*, or White Friars; and the *Auguſtines*: And ſo, from that Time, the *Begging Friars* decreaſed, and fell to nothing.

In the Year 1305, *Robert Fitzwalter* requeſted and obtained of the ſaid King *Edward* I. that the ſame *Friars of the Sacke* might aſſign to the ſaid *Robert* their Chapel, or Church, of old Time called *The Synagogue of the* Jews, near adjoining to the Manſion-Place of the ſame *Robert*, where now ſtands *Grocers-hall*. *Robert Large*, Mercer, Mayor, in the Year 1439, kept his Mayoralty in this Houſe, and dwelled there until his dying Day.

Hugh Clopton, Mercer, Mayor, *An. Dom.* 1492, dwelt in this Houſe, and kept his Mayoralty there: It was afterwards a Tavern, which had the Sign of the *Wind-mill*; but now is inhabited by a wealthy Merchant.

From the Pariſh-Church of St. *Olave* to the North End of the *Old Jewry*, and from thence Weſt to the North End of *Ironmonger-lane*; and from the ſaid Corner into *Ironmonger-lane*, almoſt to the Pariſh-Church of St. *Martin*, was (of old Time) one large Building of Stone, very antient, made in the Place of *Jews* Houſes; but of what Antiquity, or by whom the ſame was built, or for what Uſe, is uncertain; more than that, King *Henry* VI. in the 16th of his Reign, gave the Office of being Porter or Keeper thereof to *John Stent*, for Term of his Life, by the Name of his *Principal Palace in the Old* Jewry. "This was "(in my Youth, ſaith *Stow*) called the *Old Ward-*"*robe*: But, of latter Time, the outward Stone "Wall hath been by little and little taken down, "and divers fair Houſes built thereupon, even "round about."

The Prince's Wardrobe.

King *Richard* III. committed the keeping of the *Prince's Wardrobe*, for ſo it was afterwards called, to his truſty Servant *John Kendall*, his Secretary, by his Patent, dated *Decemb.* 12, 1483, and left him to dwell in the ſame.

In *Edward* VI's Reign it was alienated from the Crown, being called a great Meſſuage, under the Name of the *Prince's Wardrobe*; to which belonged divers Houſes, Edifices, Gardens, *&c.* being ſold to Sir *Anthony Cope*, a Privy-Counſellor in 3 *Edward* VI. for 60 *l.* And, in Conſideration of Services, the yearly Value being reckoned at 6*l.* 13*s.* 4*d.*

Water-Conduit.

By the Weſt End of St. *Margaret*'s Church in *Lothbury* was a handſome Water-Conduit, built at the Charge of the City, in the Year 1546, Sir *Martin Bowes* being Mayor: Two Fifteenths were levied of the Citizens towards the Charges thereof. This Water was conveyed in great Abundance from divers Springs lying between *Hoxton* and *Iſlington*.

At the South-Weſt Corner of *Baſinghall-ſtreet*, in *Coleman-ſtreet* Ward, was antiently an old Building of Stone, belonging ſome Time to a certain *Jew*, named *Manſere*, the Son of *Aaron*, the Son of *Coke* the *Jew*, in the 7th of *Edward* I. afterwards to *Rahere de Sopars-lane*; then to *Simon Francis*. *Thomas Bradbury*, Mercer, kept his Mayoralty there, who died *An. Dom.* 1509.

CHAP. XVIII.

Of CORDWAINERS-STREET WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name. Bounds. Extent. Modern State. Aldermen and Common-Council. Pariſhes and Churches. Roman *Cauſeway.*

Its Name.

Cordwainer's-ſtreet Ward takes its Name from the Occupation of its principal Inhabitants, who were Cordwainers, or Shoemakers, Curriers and other Workers of Leather.

Bounds.

It is bounded on the Eaſt by *Wallbrook* Ward; on the North by *Cheapſide* Ward; on the South by *Vintry* Ward; on the Weſt by *Bread-ſtreet* Ward.

Extent.

This Ward begins in the Eaſt, on the Weſt Side of *Wallbrook*, and runs Weſt towards *Budge-row* (a Street ſo called from the *Budge Furr*, and Skinners dwelling there;) then up by St. *Antholin*'s Church, through *Aetheling*, or *Noble-ſtreet*, as *Leyland* terms it, commonly called *Watling-ſtreet*, to *Red-lyon-court*, where once ſtood a great Lion of Timber, at a Gate entering to a large Court, wherein were divers handſome and large Shops, well furniſhed with Broad Cloths, and other Draperies of all Sorts to be ſold: This is the fartheſt Weſt Part of this Ward.

On the South Side of this Street, from *Budge-row*, lieth a Lane turning down by which the Weſt Gate of the *Tower Royal* ſtood, and to the South End of the Stone Wall beyond the ſaid Gate; which is of this Ward, and is accounted a Part of the *Royal-ſtreet*.

Againſt this Weſt Gate of the *Tower Royal* was another Lane, that runs Weſt to *Cordwainers-ſtreet*; and this is called *Turnbaſe-lane*; on the South Side whereof was a Piece of *Wringwren-lane*, to the North-Weſt Corner of St. *Thomas the Apoſtle's*. Then again out of the High-ſtreet, called *Watling*, is another Street which runs croſs the ſame; and this is *Cordwainers-ſtreet*; whereof the whole Ward takes its Name.

This Street begins by *Weſtcheap*; and St. *Mary-le-Bow* Church is the Head thereof on the Weſt Side; and it runs down South through that Part, which of latter Time was called *Hoſier-lane*, now *Bow-lane*; and then by the Weſt End of *Aldermary* Church, to the new-built Houſes in place of *Ormond-houſe*, and ſo to *Garlick-hill* or *hithe* to St. *James*'s Church.

The upper Part of this Street towards *Cheap* was called *Hoſier-lane*, from Hoſiers dwelling there, in the Place of Shoemakers: But now thoſe Hoſiers being worn out by Men of other Trades, (as the Hoſiers had worn out the Shoemakers) the ſame is called *Bow-lane*, from *Bow* Church.

On the Weſt Side of *Cordwainers-ſtreet*, is *Baſing-lane*, right over-againſt *Turnbaſe-lane*. This *Baſing-lane*, Weſt, to the back Gate of the *Red-*

lion

lion in *Watling-ſtreet*, is of this *Cordwainers-ſtreet* Ward.

Again, on the North Side of the high Street, in *Budge-row*, by the Eaſt End of St. *Anthony*'s Church, is St. *Sithe's-lane*, ſo called from St. *Sithe's* Church, (which ſtood againſt the North End of that Lane) and this Place is wholly of *Cordwainers-ſtreet* Ward: And alſo the South Side of *Needler's-lane*, which reacheth from the North End of St. *Sithe's-lane*, Weſt to *Soper's-lane*. Somewhat Weſt from St. *Anthony's* Church is the South End of *Soper's-lane*, which took that Name, not from making Soap there, as ſome have ſuppoſed, but from one *Alleyne le Soper*, in the 9th of *Edward* II. For there was no Soap made in this City, till one *John Lambe*, dwelling in the *Graſs-ſtreet*, ſet up a Boiling-Houſe about 280 Years ago. For this City, in former Times, was ſerved with White Soap in hard Cakes, called *Caſtile* Soap, and other, from beyond Sea; and with Grey Soap, ſpeckled with White, from *Briſtol*; ſold here for a Penny a Pound, and never above a Penny Farthing, and Black Soap for an Halfpenny the Pound.

In this *Soper's-lane* the Pepperers antiently dwelt, wealthy Tradeſmen, who dealt in Spices and Drugs.

Modern State. The Modern State of this Ward is thus deſcribed.

The principal Streets and Lanes in it, are *Bow lane*, new *Queen-ſtreet*, *Budge-row*, Little St. *Thomas Apoſtle's*, *Pancras-lane*, with a ſmall Part of *Watling-ſtreet*, and *Baſing-lane*.

Watling-ſtreet. *Watling-ſtreet* hath its greateſt Part in *Bread-ſtreet* Ward; what lies in this Ward begins on the Eaſt Side of *Red-lion-court*, and ſo goeth to *Budge-row*. This Court is ſquare and large, well built and inhabited; having a Paſſage into *Baſing-lane*. *Croſs-keys-court*, a handſome Place, with a Free-ſtone Pavement. St. *Mary Aldermary* Church-yard, a large Place, with an open Paſſage for Coach or Cart into *Bow-lane*; being a Place very well inhabited by Merchants, and Perſons of good Repute. In this Church-yard, at the End towards *Bow-lane*, is ſeated St. *Mary Aldermary* Church.

Baſing-lane hath but a ſmall Part in this Ward.

Bow-lane. *Bow-lane* begins at *Trinity-lane*, and falls into *Cheapſide*, by St. *Mary-le-Bow* Church. The Part of this Lane, in this Ward, begins about 50 Feet from *Cheapſide*, on both Sides the Way; and 60 Feet beyond *Baſing-lane*; and then, on the Weſt Side, only to *Trinity-lane*. This was antiently called *Cordwainers-ſtreet*, being well inhabited and built. In this Lane are theſe Courts and Places of Name, *viz.* *Half-moon-court*, by ſome called *Lugg-yard*, a Place ſomething open, but ordinary; it is likewiſe, by ſome, called *Whalebone-court*, from one that there uſed to boil Whalebone. *Taylor's-court*, a handſome open Place. *Robin-hood-court*, indifferent long, and well built. *New-court*, a handſome genteel Place, with a Door next the Street, to ſhut up at Night. *Gooſe-alley*, but ordinary; at the upper End of which is *Twelve-bell-court*, which is but ſmall and narrow. It hath a Paſſage thro' *Compter's-alley* into *Bow* Church-yard, both Places of ſmall Account. *George-alley*, or *Yard*, but narrow, hath a Paſſage into *New Queen-ſtreet*, through *Weld-court*. *Roſe-court* but mean and ordinary.

Queen-ſtreet. *New Queen-ſtreet*, built in the Place where *Soper's-lane* was, and now made an open Street, (before the great Fire very narrow) with very good Houſes, well inhabited; it fronts *King-ſtreet*, which is oppoſite to *Guildhall*, and in a ſtrait Line runneth down to the *Thames*, at the *Three Cranes*; but the Part of this Street, in this Ward, goeth no farther than St. *Thomas Apoſtle's*. In this Street is *Weld-court*, a handſome ſquare Place, with well built and inhabited Houſes: This Court hath a Paſſage into *George-yard*, which falls into *Bow-lane*.

Pancras-lane. *Pancras-lane* comes out of *New Queen-ſtreet*, and falls into *Bucklersbury*; the South Side is in this Ward, and the North in *Cheap* Ward. This Lane is but ordinarily built and inhabited, except one large Houſe, the Dwelling of a Merchant, on the South Side; and on the North, before the Fire of *London*, ſtood two Churches, *viz.* St. *Pancras's Soper-lane*, and St. *Bennet's Sherehog*. Adjoining to St. *Pancras's* Church is a ſmall Court, but no fixed Name is given to it.

Sithe lane. St. *Sithe's-lane* comes out of *Pancras-lane*, and falls into *Budge-row*, by St. *Anthony's* Church, a Lane well built, and inhabited by Merchants.

Budge-row. *Budge-row* takes its Riſe from *Watling-ſtreet*, and runs Eaſtward to *Canon-ſtreet*; from which it is ſevered by *Wallbrook* on the North, and *Dowgate* on the South. The Houſes are good, and taken up by good Tradeſmen, being ſo great a Thoroughfare. In this Street is *Dodſon's-court*, a large Place, well built and inhabited, and hath a Paſſage into *Cloak-lane*: On the South Side, is a Paſſage into *Tower-royal-ſtreet*.

Tower-royal. *Tower-royal-ſtreet*, but ſhort, comes out of *Budge-row*, and falls into St. *Thomas Apoſtle's*. In this Street is a handſome ſmall Court, which bears the Name of that Street: *Straw-berry-court* but ſmall. For what more relates to this Street, ſee in *Vintry* Ward.

St. Thomas Apoſtle's. St. *Thomas Apoſtle's*, the Fore Street, or Great St. *Thomas Apoſtle's*; ſo called, to diſtinguiſh it from little St. *Thomas Apoſtle's*, or the Backſide of St. *Thomas Apoſtle's*; and both Streets run Weſtwards, croſſing *New Queen-ſtreet*, and falling into *Bow-lane*. But the Street of *Great St. Thomas Apoſtle's* is in *Vintry* Ward.

Little St. Thomas Apoſtle's. In little St. *Thomas* are theſe Courts: *Croſs-keys-court*, which is but ſmall: *Key-court*, alſo ſmall and ordinary: *Eagle-court*, pretty open, and indifferent well built and inhabited, with a Free-ſtone Pavement.

The Watch. There are placed at the ſeveral Stands in this Ward, that watch every Night, a Conſtable, a Beadle, and twenty-four Watchmen.

The Jury. The Jurymen returned by the Wardmote-Inqueſt, for this Ward, are to ſerve in the ſeveral Courts in *Guildhall* in the Month of *December*.

The Government. This Ward hath an Alderman, and nine Common-Council-Men; Conſtables eight, Scavengers eight, Wardmote-Inqueſt-Men fourteen, and a Beadle. It ſtands taxed to the Fifteenth in *London* at 52 *l.* 16 *s.* in the *Exchequer* at 52 *l.* 6 *s.*

The Alderman of this Ward is *William Alexander*, Eſq; The Common-Councilmen are, Mr. *William Reynolds*, Deputy, Mr. *George Hayter*, Mr. *John Lewis Paulhan*, Mr. *William Blunt*, Mr. *George Hooker*, Mr. *Joſiah Colebrook*, Mr. *Richard Lodge*, and Mr. *Richard Blunt*.

Remarkable Things. Pariſhes and Churches.

The remarkable Things in this Ward are three Pariſh-Churches: (1) St. *Anthony*'s, commonly called St. *Antholin*'s, or *Antlin*'s; (2) St. *Mary Aldermary*'s; and (3) St. *Mary-le-Bow*: Of which more particularly in our Parochial Hiſtory.

Roman Cauſeway, &c. diſcovered.

Here we may properly add Sir *Chriſtopher Wren*'s Obſervations on the *Roman Cauſeway* diſcovered by him at the rebuilding of the Church of St. *Mary-le-Bow*:

Parentalia p. 265.

" The parochial Church of St. *Mary-le-Bow*, " in *Cheapſide*, required to be rebuilt after the " *great Fire*: The Building had been mean and " low, with one Corner taken out for a Tower; " but, upon reſtoring, that the new Church " could be rendered ſquare. Upon opening the " Ground, a Foundation was diſcerned firm " enough for the new intended Fabrick, which " (on further Inſpection, after digging down ſufficiently, and removing what Earth or Rubbiſh lay in the Way) appeared to be the " Walls, with the Windows alſo, and the " Pavement of a Temple or Church, of *Roman* Workmanſhip, intirely buried under the " Level of the preſent Street. Hereupon, he " determined to erect his new Church over the " old; and in order to the neceſſary Regularity and Square of the new Deſign, reſtored " the Corner; but then another Place was to be " found for the Steeple: The Church ſtood " about 40 Feet backwards from the high Street, " and by purchaſing the Ground of one private " Houſe not yet rebuilt, he was enabled to " bring the Steeple forward ſo as to range with " the Street-houſes in *Cheapſide*. Here, to his Surprize, he ſunk about 18 Feet deep through " made Ground, and then imagined he was " come to the natural Soil, and hard Gravel; " but upon full Examination, it appeared to be a " *Roman* Cauſeway of rough Stone, cloſe and well " rammed, with *Roman* Brick and Rubbiſh at " the Bottom, for a Foundation, and all firmly " cemented. This *Cauſeway* was four Feet " thick [the Thickneſs of the *via Appia*; according as Monſ. *Montfaucon* meaſured, it was " about three *Pariſian* Feet, or three Feet two " Inches and a half *Engliſh*.] Underneath *this* " *Cauſeway* lay the natural Clay, over which that " Part of the City ſtands, and which deſcends at " leaſt forty Feet lower. He concluded then " to lay the Foundation of the Tower upon the " very *Roman Cauſeway*, as moſt proper to bear " what he had deſigned, a weighty and lofty " Structure.

" He was of Opinion, for divers Reaſons, that " this *High-way* ran along the *North* Boundary " of the *Colony*. The Breadth then *North* and " *South*, was from the *Cauſeway*, now *Cheapſide*, " to the River *Thames*; the Extent *Eaſt* and *Weſt*, " from *Tower-hill* to *Ludgate*; and the principal " middle Street, or *Pretorian Way*, was *Watling-ſtreet*.

" The Colony was walled next the *Thames*, " and had a Gate there, called *Dow-gate*, but anciently *Dour-gate*, which ſignified the *Watergate*.

" On the North Side, beyond the *Cauſeway*, " was a great Fen, or Moraſs, in thoſe Times; " which the *Surveyor* diſcovered more particularly " when he had Occaſion to build a new Eaſt " Front to the parochial Church of St. *Laurence* " near *Guildhall*; for the Foundation of which, " after ſinking ſeven Feet, he was obliged to " pile twelve Feet deeper; and if there was no " Cauſeway over the Bog, there could be no " Reaſon for a Gate that Way.

CHAP. XIX.

Of CORNHILL WARD.

With a PLAN *neatly engraved from a* NEW *Survey.*

The Name. Bounds. Extent. Modern State. Aldermen and Common-Councilmen. Churches and Pariſhes. Royal-Exchange. Royal-Exchange *Aſſurance-Office. Great Fire in* Cornhill, 1747. *King* John's *Court.* Tun *and* Conduit, *and the Standard.*

Name.

THIS Ward alſo takes its Name from the principal Street therein, which was called *Cornhill*, from the *Corn-market* kept there in antient Times; and is bounded on the Eaſt by *Biſhopſgate* Ward; on the North by *Broad-ſtreet* Ward; on the Weſt by *Cheap* Ward; and on the South by *Langborn* Ward. But it is of a very ſmall Extent; for beginning, on the North-Eaſt, at the South-Eaſt Corner of St. *Martin Outwiche's* Church, it runs, in ſeveral Windings South-Weſt, to the Weſt Extent of *Cornhill*. Then beginning again on the North at about 50 Feet from the South-Weſt Corner of *Biſhopſgate-ſtreet*, it runs South to St. *Peter's-alley* in *Gracechurch-ſtreet*, and from thence by divers Windings to the South-Weſt Corner of *Cornhill-ſtreet*.

Bounds.

Extent.

Modern State.

This Ward contains only one principal Street, *Cornhill*, which is entirely in it on both Sides. It was formerly chiefly occupied by Linen-drapers: But at preſent is divided amongſt ſubſtantial Dealers in almoſt every Branch of Trade, *viz.* Linen-drapers, Woollen-drapers, Haberdaſhers, Milliners, Hardwaremen, Clock-makers, Bookſellers, Toymen, and many genteel Taverns and Coffee-houſes, for the Entertainment of ſuch whoſe Buſineſs calls them to the *Royal-Exchange*, which Building, with two handſome Churches, is a great Ornament to this Street. On the North Side of this Street are ſeveral large Courts, as *Star-court*, *Weigh-houſe-yard*, *Newman's-yard*, *Freeman's-court*, well built, and chiefly inhabited by Merchants or ſubſtantial Tradeſmen. Part of *Finke* or *Finch-lane*, as far as *Spread-eagle-court*, or about 113 Feet on both Sides from *Cornhill*: The other Part is in *Broad-ſtreet* Ward. Part of *Sweeting's-alley*, as far as the Eaſt Entrance into the *Royal-Exchange*; and one Third of the South End of *Caſtle-alley*; which two laſt-mentioned are chiefly occupied by Watch-makers, Notaries Publick, Stationers and Coffee-houſes. About 60 Feet more to the Weſt, where once the *Globe*,

Cornhill.

afterwards the *Croſs-Keys* Tavern ſtood, is the principal Warehouſe for *Bow China*; of which Manufacture more particularly in its proper Place. On the South Side is St. *Peter's-alley*, well built and inhabited, and hath a Paſſage with a Free-ſtone Pavement round St. *Peter*'s Church-yard into *Gracechurch-ſtreet*. St. *Michael's-alley*, inhabited by Tradeſmen and Publicans. This Alley has a Paſſage to the South through the *George and Vulture* Tavern into *George-yard*, *Lombard-ſtreet*; to the Eaſt through a narrow Paſſage into *Bell-yard*, *Gracechurch-ſtreet*; and to the Weſt thro' *Caſtle-alley* into *Birchin-lane*.

Birchin-lane.

More to the Weſt is *Burchover-lane*, ſo called from the firſt Builder and Owner, but now called *Birchin-lane*, of which an hundred and ſeventy Feet on both Sides of the Way from *Cornhill* is in this Ward. It was formerly noted for Saleſmen, or Dealers in Mens Apparel, for Coffee-houſes, and Eating-houſes; but it has changed its Inhabitants in Part for Merchants, Woollen-Drapers, Publick Notaries, and Brokers for tranſacting Buſineſs in the mercantile Way.

'Change-alley.

As for *Exchange-alley* and *Pope's-head-alley*, further to the South-Weſt in *Cornhill*, only their Entrances and front Houſes are in this Ward: The former is very well built, with a Free-ſtone Pavement, and three Paſſages, two into *Lombard-ſtreet*, and one into *Birchin-lane*; and is known all over the mercantile World on account of the Buſineſs tranſacted there in Money Affairs, this being the grand Market for buying and ſelling Stocks, Lottery-Tickets, *&c.* ſo that the Houſes, *Jonathan*'s, *Garraway*'s, &c. on this Site are contrived for the Reception and Entertainment of Merchants, Brokers, and others, who aſſemble here daily in great Numbers from all Parts, not only of theſe Kingdoms, but from diſtant Nations, in Purſuit of Riches. The latter, which takes its Name from a Tavern ſituate therein, whoſe Sign is the *Pope's Head*, is very narrow, but well inhabited by Brokers, Booksellers, and ſuch whoſe Buſineſs requires their Attendance near the *Exchange*.

Watch.

This Ward maintains a Watch every Night of ſixteen common Men, under a Beadle and Conſtable.

Jury.

The Jury returned by the Wardmote-Inqueſt for this Ward are to ſerve as Jurors in the ſeveral Courts in *Guildhall* in the Month of *January*.

Government.

It is governed by an Alderman and ſix Common-Councilmen, including the Deputy; to which are added four Conſtables, four Scavengers, ſixteen Wardmote-Inqueſt-men, and one Beadle.

Alderman and Common-Councilmen.

The preſent Alderman is *Francis Cokayne*, Eſq; who is paſt the Chair; and the Common-Councilmen are, Mr. *Francis Ellis*, Deputy, Mr. *William Meadows*, Mr. *John Young*, Mr. *James Walton*, Mr. *Thomas Cogan*, and Mr. *George Sherwin*.

Remarkable Things.

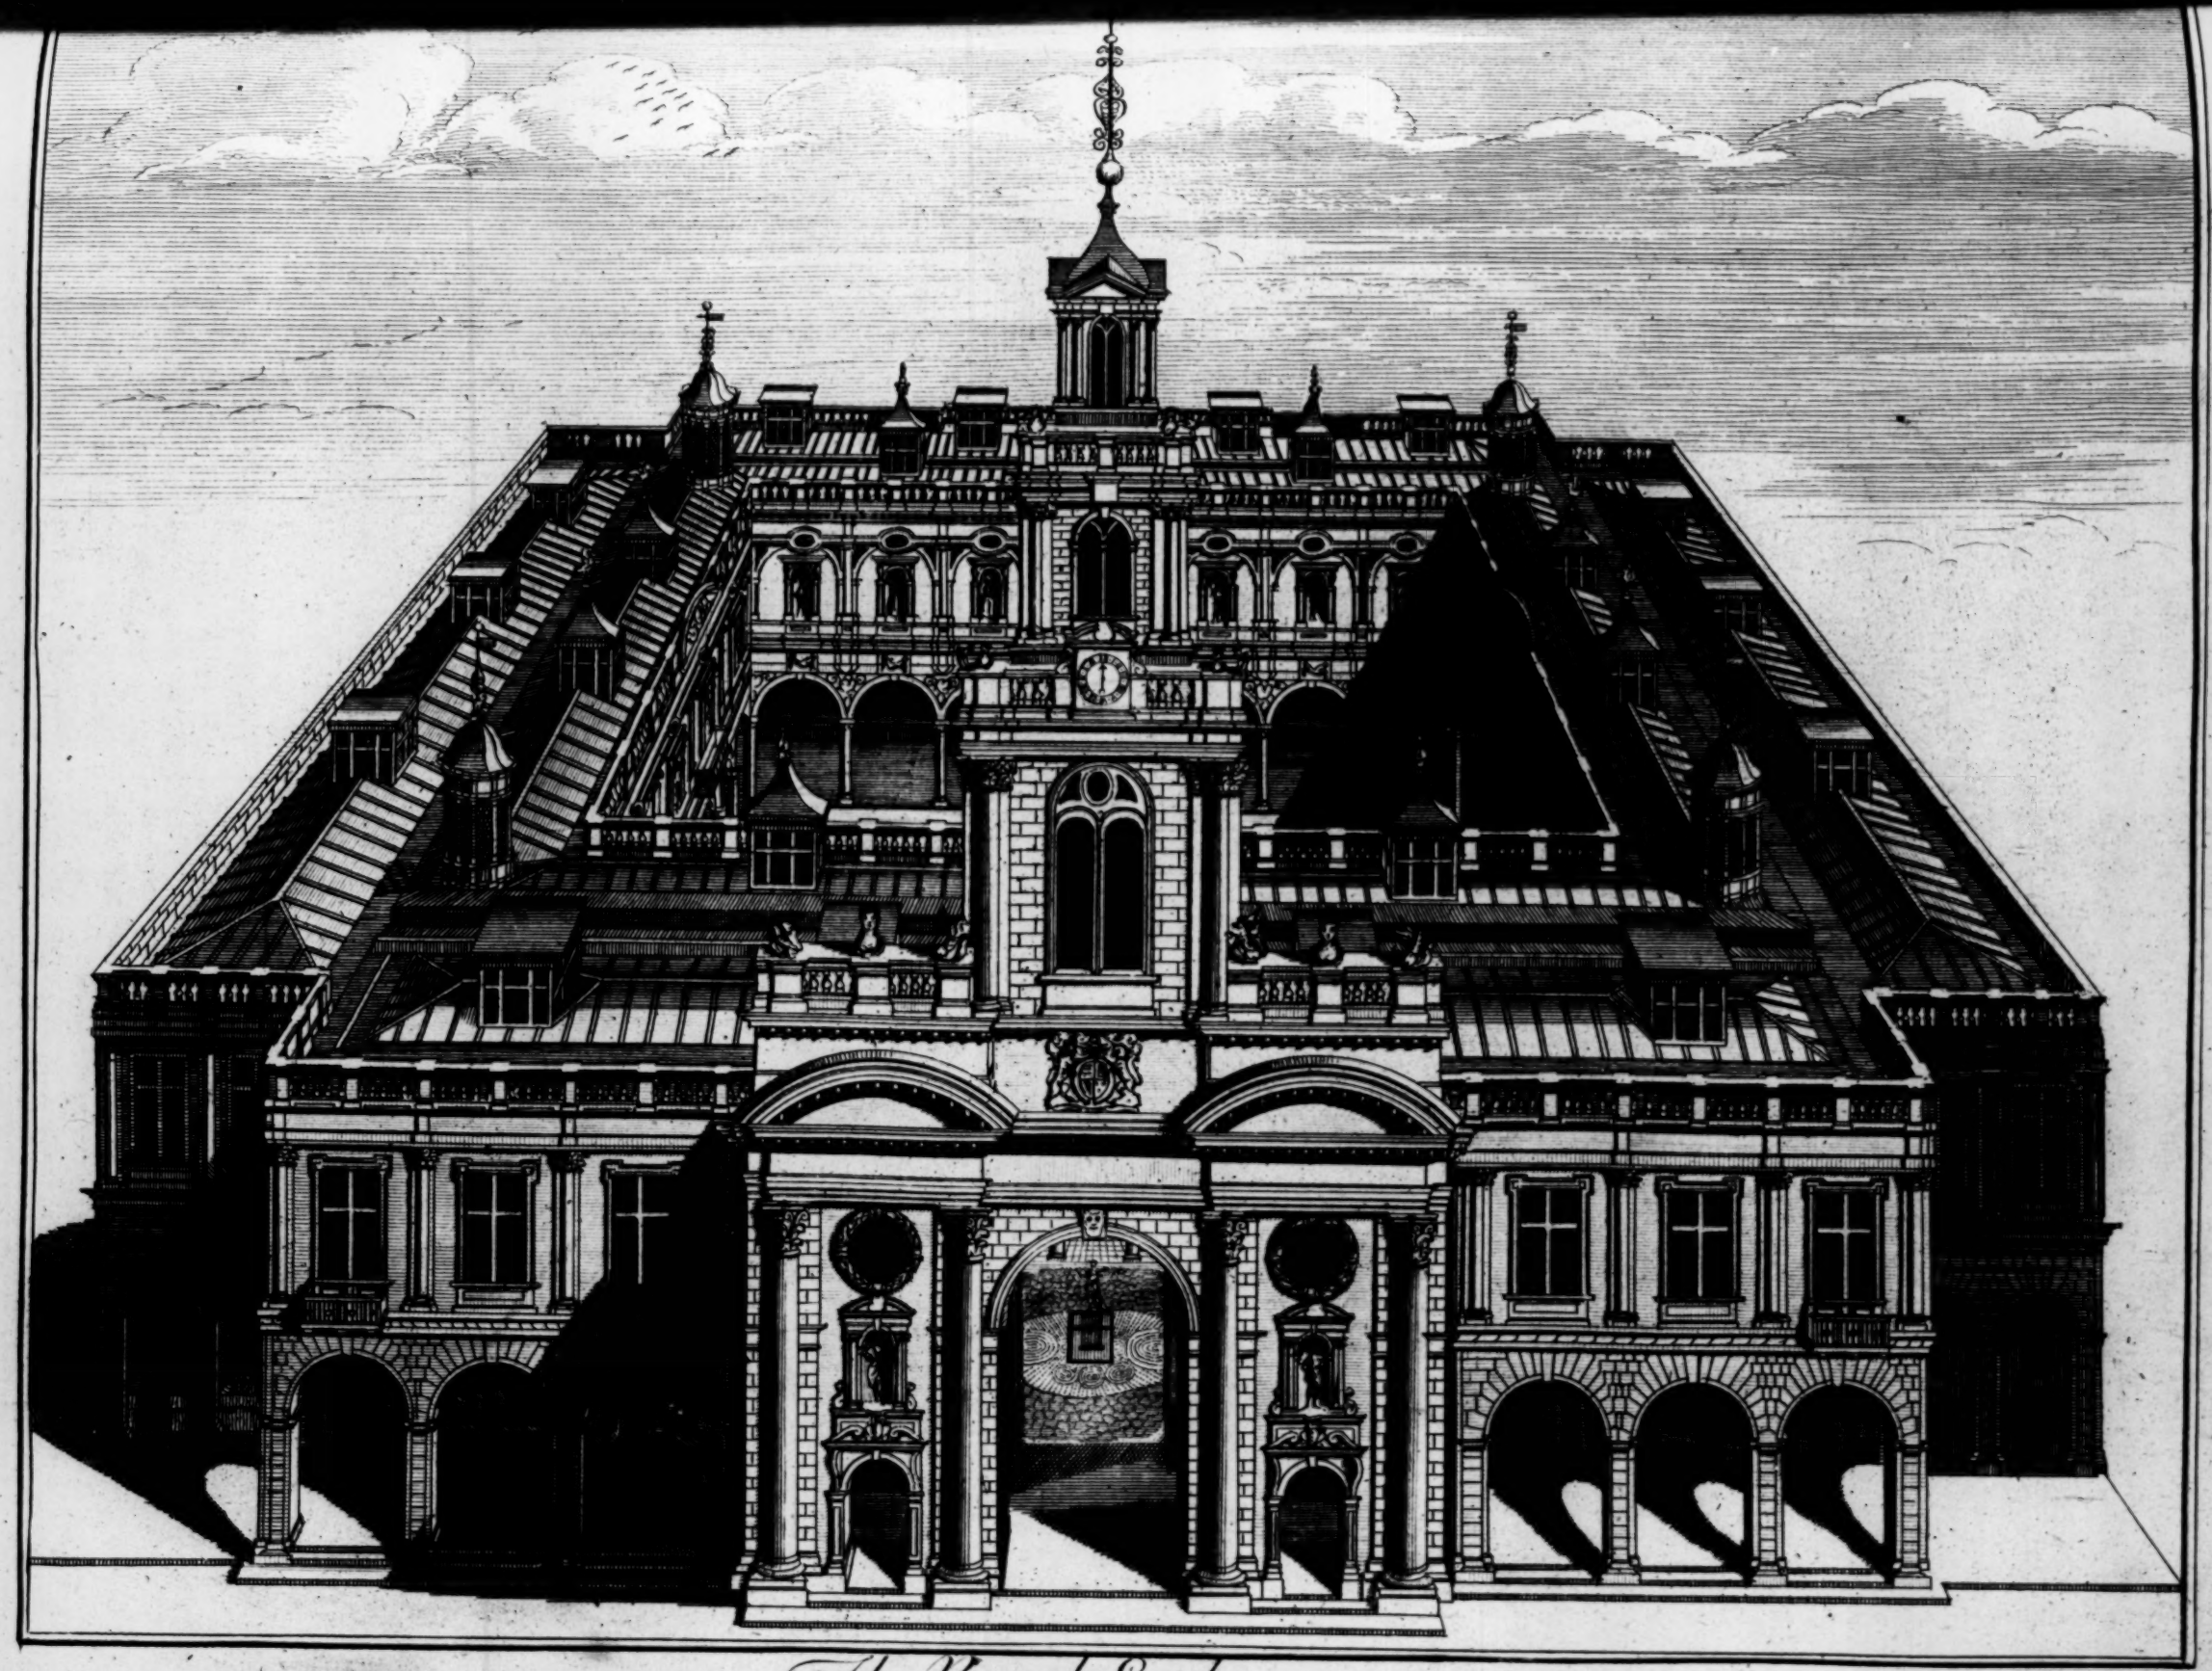
The moſt remarkable Things in the Ward of *Cornhill* are two Pariſh-Churches; 1. St. *Michael*'s, and, 2. St. *Peter*'s; of which more particularly in our Parochial Hiſtory.

Royal-Exchange.

The greateſt Ornament of this Ward, and one of the principal Buildings in the City, is the *Royal-Exchange*, erected in the Year 1566, after this Order, *viz.* Certain Houſes upon *Cornhill*, and the like upon the Back thereof, in the Ward of *Broad-ſtreet*, with three Alleys; the firſt called *Swan-alley*, opening into *Cornhill*; the ſecond *New-alley*, paſſing through out of *Cornhill* into *Broad-ſtreet* Ward, over-againſt St. *Bartholomew-lane*; the third St. *Chriſtopher's-alley*, opening into *Broad-ſtreet* Ward, and into St. *Chriſtopher*'s Pariſh; containing in all fourſcore Houſes; were firſt purchaſed by the Citizens of *London*, as the Mayor and Aldermen, in an Anſwer ſet forth to the Lady *Greſham*'s Supplication, ſay, at four thouſand Pounds and upwards. All theſe Houſes were ſold for four hundred and ſeventy-eight Pounds, to ſuch as would take them down and carry them thence. Alſo the Ground or Plat was made plain at the Charge of the City, and then Poſſeſſion thereof was by certain Aldermen, in the Name of the whole Citizens, given to Sir *Thomas Greſham*, Knt. Agent to Queen *Elizabeth*, thereupon to build a Burſe, or Place for Merchants to aſſemble in, at his own Charges: And he, on the ſeventh of *June*, laying the firſt Stone of the Foundation, being Brick, accompanied with ſome Aldermen, every of them laid a Piece of Gold, which the Workmen took up, and forthwith followed upon the ſame with ſuch Diligence, that by the Month of *November*, in the Year 1567, the ſame was covered with Slate, and ſhortly after finiſhed.

In the Year 1570, on the twenty-third of *January*, the Queen's Majeſty, attended with her Nobility, came from her Houſe at the *Strand*, called *Somerſet-houſe*, and entered the City by *Temple-bar*, through *Fleet-ſtreet*, *Cheapſide*, and ſo by the North Side of the Burſe, through *Threadneedle-ſtreet*, to Sir *Thomas Greſham*'s in *Biſhopſgate-ſtreet*, where ſhe dined. After Dinner her Majeſty returning through *Cornhill*, entered the Burſe on the South Side; and, after ſhe had viewed every Part thereof above Ground, eſpecially the Pawne, which was richly furniſhed with all Sorts of the fineſt Wares in the City, ſhe cauſed the ſame Burſe, by an Herald and a Trumpet, to be proclaimed *The Royal Exchange*, and to be ſo called from thenceforth, and by no other Name.

The Rents of the Shops here brought in conſiderable Gains to Sir *Thomas Greſham* the Builder. And, about five or ſix Years after, the Shops being all furniſhed with Wares, *Greſham* conſtrained all the Shopkeepers that had Shops above to take Shops below, where was an equal Number; but theſe were in the loweſt Vaults of the *Exchange*. At this Time each Perſon paid four Marks a Year for every Shop above, and he would have as much for every Shop below, or elſe they ſhould not have one above: But, after they had kept Shop below a little while, what with the Damp of the Vault, the Darkneſs of the Place, and the Unwillingneſs of Cuſtomers to buy their Wares there, they were ſo wearied, that they agreed among themſelves to give four Pounds a Year for a Shop above, that they might be freed from keeping Shop below, and ſo Sir *Thomas* ſhould turn the Vaults to what other Uſe he would, either for Merchants Goods, or otherwiſe: Which Offer he accepted; and ſo the Tenants only furniſhed the Shops above, as they remain to this Day.



The Royal Exchange.

Day. And the Vaults have been uſed now a long Time for ſtowing of Merchandize, and chiefly Pepper.

Sir *Thomas* was originally put upon this grand Deſign by his Correſpondent at *Antwerp*, in 1561, but did not think proper to carry it into Execution till he could obtain a Contribution from ſome wealthy Citizens to aſſiſt in ſo expenſive a Work, which he did at laſt; the Citizens having purchaſed the Fee Simple of the Ground and Houſes, by certain Truſtees, conveyed it over to him to build the ſaid Burſe upon; and in the Conveyance he was to make a Re-aſſurance again to them, upon certain Conditions: But he dying before this was done, in the Year 1592, Lady *Greſham*, his Widow, contended with the Mayor and Truſtees for the *Exchange*; endeavouring to get an Act of Parliament to empower her and her Heirs to make Leaſes from Time to Time of twenty-one Years, or three Lives, of the Shops in the *Exchange*, keeping the Fines to herſelf; which was ſuppoſed to be againſt the laſt Will of Sir *Thomas*, and contrary to an Act of Parliament made in the twenty-third Year of the Queen. She alſo complained that the City did not, or would not, employ the Profits of the *Exchange* according to Sir *Thomas*'s Will. This ſhe exhibited by Way of Supplication to the Council, againſt the Lord-Mayor and his Brethren the Aldermen.

To which they ſubjoined this Anſwer: "That "whereas the Lady *Greſham* had deſired to have "an Act of Parliament to authorize her and her "Heirs, from Time to Time, to make Leaſes "of twenty-one Years, or three Lives, of the "Shops in the *Royal-Exchange*, keeping the Fines "thereof to herſelf, and reſerving as many Rents "as are now reſerved to remain to the City of "*London:* It is thereunto anſwered, That the "ſame her Demand is utterly againſt both the "laſt Will and Teſtament of Sir *Thomas Greſham*, "her late Huſband, as alſo expreſsly againſt an "Act of Parliament made in the twenty-third "Year of her Majeſty's Reign; unto which Act "the ſaid Lady *Greſham* was privy, and her "Counſel was heard what they could ſay, before "the ſaid Act paſſed: And they ſay alſo, the "ſame Requeſt of the Lady *Greſham* is againſt "all Reaſon and Equity; for that the Citizens "of the City of *London* purchaſed in Fee Simple, "in the Name of *Livers Feoffees*, the Soil where-"upon the *Royal-Excange* is built, and paid for "the ſame above four thouſand Pounds; and, "in the eighth Year of her Majeſty's Reign, "conveyed the ſame to Sir *Thomas Greſham*, upon "Condition to have Re-aſſurance made accord-"ing to certain Covenants, which was not done: "And albeit the Citizens might lawfully have "entered for Breach of the ſaid Condition, and "preſently taken the Rents and Profits of the "whole; yet they have contented themſelves to "accept of the ſame according to the laſt Will "and Act of Parliament, and have ſuffered the "ſaid Lady *Greſham* to take the whole Profits: "And yet they have been at great Charges in the "defending of Titles made to ſome Part of the "ſame, and in paying of Quit-Rents, Tithes, "and Widows Dowers; which they continue to "this Day.

"Touching the Employment of the Profits of "the *Exchange*, according to the Purport of the "Teſtament of Sir *Thomas Greſham*, it is there-"unto anſwered, That it meant, and ſo it ſhall "be performed, that the ſame, after the Death "of the Lady *Greſham*, ſhall be employed juſtly "and truly, according to the Truſt and Confi-"dence in them repoſed; which, if they ſhould "break, there are Courts of Equity that can "take Order for Remedy thereof. But foras-"much as the ſaid Lady *Greſham* is to have the "ſame during her Life, and the Employments "are not to be made till after her Death, there-"fore this Complaint is now made before any "Injury be offered: And as it is now cauſeleſs; "ſo the Lord-Mayor and Aldermen do aſſuredly "perſuade themſelves, there ſhall not at any "Time be any Cauſe given, of their Parts, to "complain againſt them. Wherefore their moſt "humble Suit is, that the ſaid *Exchange* may be "by them enjoyed, according to the ſaid Will "and Act of Parliament."

This Lady *Greſham* died *Anno* 1596. The Rents of the *Royal-Exchange*, which ſhe enjoyed during her Life, with all Houſes, Buildings, Vaults, and Profits thereof, amounted to the yearly Value of ſeven hundred and fifty-one Pounds five Shillings *per Ann.* over all Charges and Reprizes.

This *Royal-Exchange* was burnt down in the great Fire, but roſe again with more Splendor than before.

Its Ground Plat is a Parallelogram, whoſe Length is two hundred and three Feet, Breadth one hundred and ſeventy-one Feet, Area one hundred and twenty-ſeven Perch, Altitude of the Building fifty-ſix Feet, and of the lofty Tower and Turret, or Lanthorn, (whereon is the Figure of a Graſhopper, curiouſly done in poliſhed Braſs) one hundred and ſeventy-eight Feet, Length within one hundred and forty-four Feet, Breadth one hundred and ſeventeen Feet, Area ſixty-one ſquare Perches.

This ſtately Fabrick was erected at the Charge of the City and Company of Mercers, and coſt eighty thouſand Pounds between them. The Model was firſt ſhewn to King *Charles* II. who liked it well: But it was debated, whether they ſhould build after this Model or not, for Fear of launching into too great an Expence; ſeveral therefore were againſt it, but the Majority prevailed, having their Eye to the Honour of the City, and ſuppoſing the Shops above and below Stairs would in Time reimburſe them, which it appears now (too late) it will not.

There are Committees for this *Exchange*, and that other publick Building called *Greſham-College*, who manage the Rents and Payments thereof. Theſe Committees conſiſt of the Lord-Mayor for the Time being, and two Aldermen, and a certain Number of the Company of Mercers, and the like of Citizens, commonly one of each of the other eleven Companies.

This curious Structure is thus built and adorned: The Walls are *Portland* Stone, Ruſtick Work, very ſtrong and neat. Round the four Sides above Stairs are Shops, about two hundred in Number, which have been lett from twenty Pounds

Pounds to ſixty Pounds each, but are now th greateſt Part converted to other Uſes, or left unoccupied. There are Rails and Ballaſters on the Roof, which is covered with Lead. The aforeſaid Shops are elevated on twenty-eight Columns, or Pillars, with Arches, whereby are conſtituted Ambulatories within the *Exchange*, for the Merchants to keep themſelves from Rain and other offenſive Weather; above which Arches is an Entablature and curious Enrichments, and on the Cornice another Range of Pilaſters, with Entablature extending round the Inſide, and a curious Compaſs Pediment in the Middle of the Cornice of each of the four Sides. Under the Pediment on the North Side are the King's Arms; on the South, thoſe of the City; and, on the Eaſt, the Arms of Sir *Thomas Greſham*; and under the Pediment on the Weſt Side, the Arms of the Company of Mercers, with their reſpective Enrichments. The Intercolumns of the upper Range are twenty-four Niches, nineteen of which are filled with the Statues of the Kings and Queens Regents of *England*, ſtanding erect, with their Robes and Regalia, except that of King *Charles* II. and King *George* II. which are habited like the *Cæſars*.

On the South Side are ſeven Niches, of which four are filled, *viz.*

I. The moſt eaſterly Figure, which has this Inſcription in Gold Letters, *Edwardus Primus, Rex, Anno Dom.* 1272. II. Weſtward, *Edwardus* III. *Rex, Anno Dom.* 1326. III. *Henricus* V. *Rex, Anno. Dom.* 1412. IV. *Henricus* VI. *Rex, Anno Dom.* 1422.

On the Weſt Side five Niches, four of which are filled, *viz.*

I. Under the moſt Southerly Figure is ſubſcribed in Gold Letters, *Edwardus* IV. *Rex, Anno Domini* 1460. II. Northward (the Crown pendant over his Head) *Edwardus* V. *Rex, Anno Domini* 1483. III. *Henricus* VII. *Rex, Anno Domini* 1487. IV. *Henricus* VIII. *Rex, Anno Domini* 1508.

On the North Side ſeven Niches are filled, *viz.*

I. The moſt Weſterly, ſubſcribed in Gold Characters, *Edwardus* VI. *Rex, Anno Domini* 1547. II. *Maria, Regina, Anno Domini* 1553. III. *Elizabetha, Regina, Anno Domini* 1558. IV. Is ſubſcribed *Sereniſſim. & Potentiſſim. Princip.* Jacobo *Primo*, Mag. Brit. Fran. & Hibern. *Reg. Fid. Defenſori, Societas Pannitonſorum poſuit, A. D.* 1684. V. ΕΙΚΩΝ ΒΑΣΙΛΙΚΗ, *Sereniſſimi & Religioſiſſimi Principis* Caroli *Primi*, Angliæ, Scotiæ, Franciæ, & Hiberniæ *Regis, Fidei Defenſoris, bis Martyris (in Corpore & Effigie) Impiis Rebellium Manibus, ex hoc loco deturbata & confracta, Anno Dom.* 1647. *Reſtituta & hic demum collocata, Anno Dom.* 1683.

Gloria Martyrii qui te fregere Rebelles
Non potuere ipſum quem voluere Deum.

VI. *Carolus ſecundus, Rex, Anno Domini* 1648. VII. *Jacobus* II. *Rex, Anno Dom.* 1685.

On the Eaſt Side five Niches, one of which is vacant, the other filled, *viz.*

I. The moſt Northerly contains two Statues, *viz.* of King *William* and Queen *Mary*, ſubſcribed *Gulielmus* III. *Rex*, & *Maria* II. *Regina, A. D.* 1688.

S. P. Q. *Londin. Optim. Principibus*, P. C. 1695. II. Anna, *Regina, Dei Gratia*, Mag. Britan. Franciæ, & Hiberniæ, 1701. III. George I. inſcribed *Georgius, D. G. Magnæ Britan. Franciæ, & Hiberniæ Rex, Anno Dom.* 1714, S.P.Q.L. IV. Southerly, the Statue of King *George* II. in the Habiliments of a *Cæſar*, wreathed upon the Head, and a Battoon or Truncheon in his Hand, little differing from that of *Charles* II. in the Center of the Area, only in looking Northward, inſcribed *Georgius* II. *D. G. Mag. Brit. Fra. & Hib. Rex, Anno Dom.* 1727, S. P. Q. L.

All theſe Figures were new painted and gilded this laſt Summer (1754) by voluntary Subſcription.

Beſides the Niches wherein the Effigies of the aforenamed Kings are placed, the four that are vacant are the Places where *Edward* II. *Richard* II. *Henry* IV. and *Richard* III. ſhould have been; but it ſeems the City had no Mind to ſhew any Reſpect to the ſaid Kings, two of whom took away their Charter, and the other two were Uſurpers. One Thing more is to be added concerning the Statue of King *Charles* I. which, after the King had loſt his Head, the Zealots of thoſe Times, to ſhew their Rage and Malice, threw down and broke to Pieces, cauſing to be writ under the Place where it ſtood, *Exit Tyrannorum Ultimus*, &c. The preſent Statue of that unfortunate Prince was ſet up by the Grocers, to vindicate his Memory.

This Figure of King *Charles* I. is repreſented holding his Sceptre not upright, but ſtretching towards the People.

The Statue of Sir *John Barnard*, Knt. and Alderman, the preſent Father of the City, and one of its Repreſentatives in Parliament, in Acknowledgment of his eminent Services done his Country, and this Metropolis in particular, in the Houſe of Commons.

In the Walls of the four Sides under the Piazzas within the *Exchange* are twenty-eight ſeveral Niches round the Building, all vacant, except one near the North-Weſt Angle, where is the Effigy of Sir *Thomas Greſham*, and another in the South-Weſt of Sir *John Barnard*, as above; and the like is alſo (with Fret-work Cieling) above, where the Shops are, to which you aſcend by two ſpacious Stair-Caſes, having black Marble Steps, one on the North, the other on the South Side.

The Area under the ſaid Piazza is a Pavement of white and black Marble, but that of the reſt with fine Pebble, in the Center whereof is erected on a Marble Pedeſtal, about eight Feet high, the Statue of King *Charles* II. in *Roman* Habit; he is lively repreſented, by the ingenious Hand of Mr. *Gibbon*, with a Battoon in his Hand, looking Southward. On this Side of the Pedeſtal, under an Imperial Crown, Wings, Trumpets of Fame, Sceptre, and Sword, Palm Branches, &c. theſe Words are inſcribed: See P. 474

Carolo II. Cæſari Britannico,
Patriæ Patri,
Regum Optimo, Clementiſſimo, Auguſtiſſimo,
Generis Humani deliciis,
Utriuſq; Fortunæ Victori,
Pacis Europæ Arbitro,
Marium Domino ac Vindici,
Societas Mercatorum Adventur. Angliæ,

Quæ

Quæ per CCCC jam prope Annos
Regia benignitate floret,
Fidei Intemeratæ & Gratitudinis æternæ
Hoc Teſtimonium
Venerabunda poſuit,
Anno Salutis Humanæ M.DC.LXXXIV.

On the Weſt Side of the Pedeſtal is neatly cut, in Relievo, the Figure of a *Cupid* repoſing his right Hand on a Shield, containing the Arms of *France* and *England* quartered, and in his left Hand a Roſe.

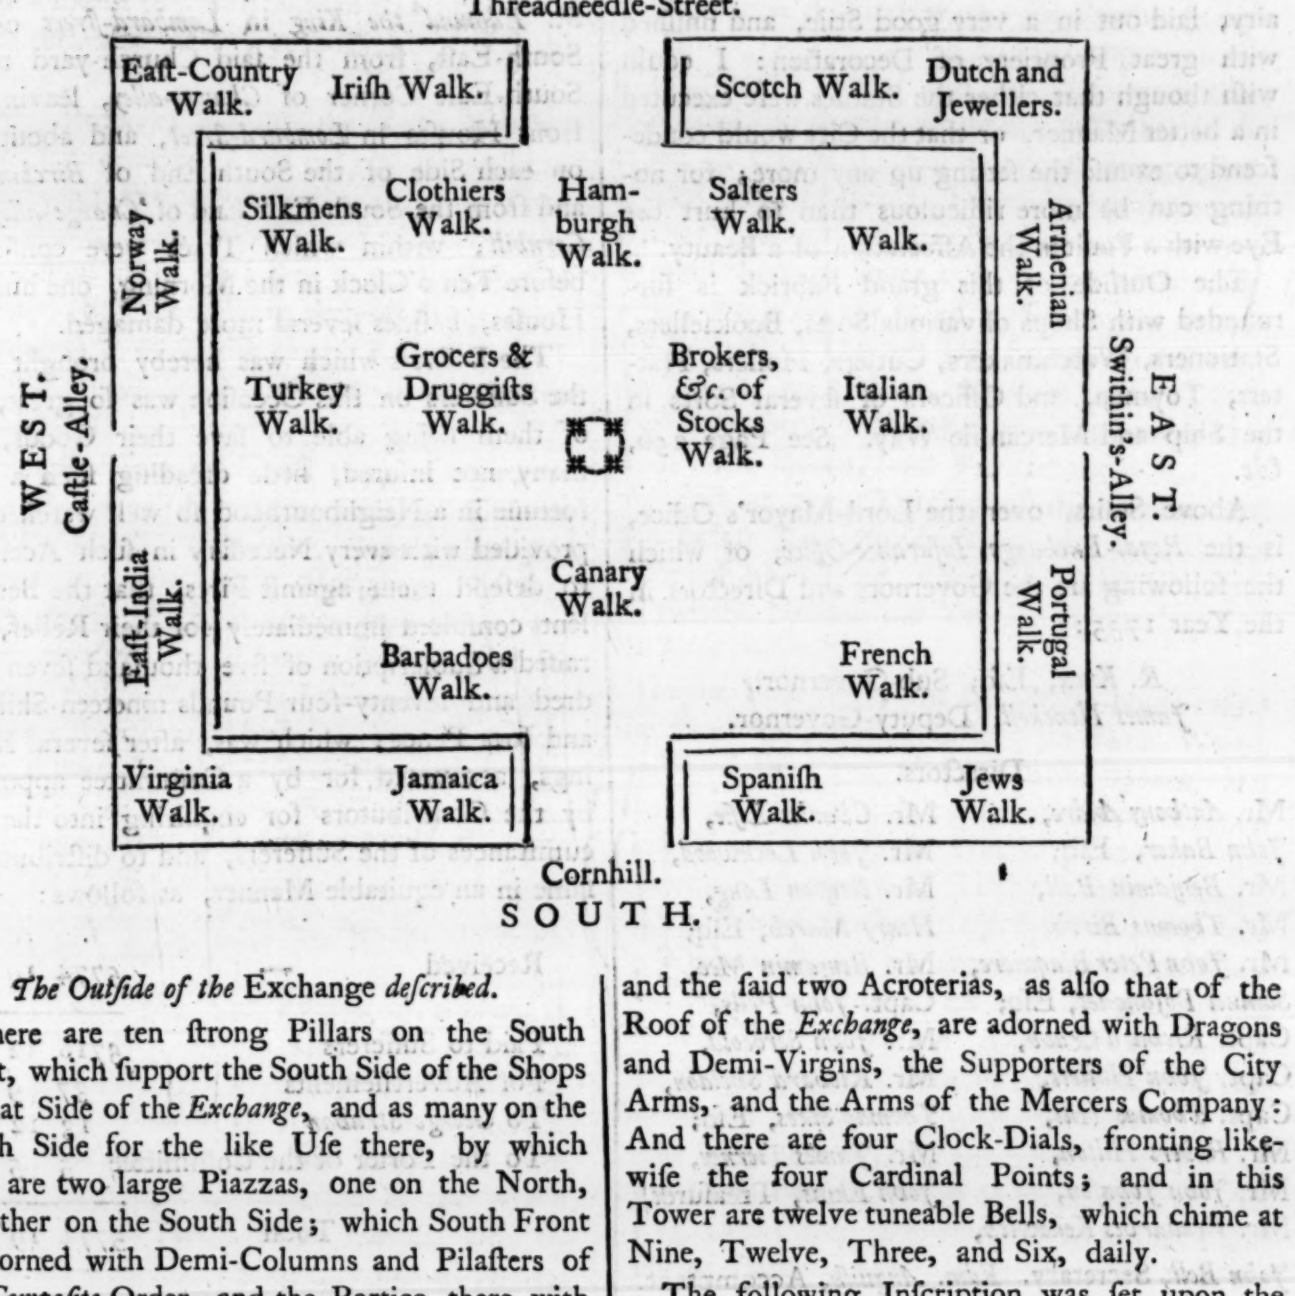
On the North Side are the Arms of *Ireland* on a Shield, ſupported by a *Cupid*.

On the Baſe of the Pedeſtal, in the South Side, is this Inſcription:

This Statue was repaired and beautified by the Company of Merchant-Adventurers of *England*, *Anno* 1730; *John Hanbury*, Eſq; Governor.

On the Eaſt Side the Arms of *Scotland*, with a *Cupid* holding a Thiſtle, curiouſly done (as the reſt) all in Relievo.

And, for the more eaſy expediting their Affairs, the Merchants dealing in the ſame Commodities have, by Cuſtom, fixed on theſe different Parts of the *Exchange* to meet one another, called their Walks, which may be ſeen at one View by the following Sketch or Plan:



The Outſide of the Exchange *deſcribed.*

There are ten ſtrong Pillars on the South Front, which ſupport the South Side of the Shops on that Side of the *Exchange*, and as many on the North Side for the like Uſe there, by which there are two large Piazzas, one on the North, the other on the South Side; which South Front is adorned with Demi-Columns and Pilaſters of the *Compoſite* Order, and the Portico there with four ſpacious Columns, Entablature, and two Compaſs Pediments of the *Corinthian* Order, whoſe Intercolumns are two Niches, repleniſhed with the Figures of King *Charles* I. and his Son *Charles* II. boldly carved, and over the Aperture on the Cornice between the Pediments are the King's Arms.

The North Side of this *Exchange* is adorned with Pilaſters, Entablature of a triangular Pediment of the ſaid *Compoſite* Order, and with Columns of that Order, and an Acroteria. The lower Part of the Tower is adorned, the middle Part with more Columns, Entablament, and Acroteria; and the upper Part, or Lanthorn, with Columns of the *Ionick* Order, with Architrave, Frize, Cornice, and four triangular Pediments, fronting Eaſt, Weſt, North, and South; and the ſaid two Acroterias, as alſo that of the Roof of the *Exchange*, are adorned with Dragons and Demi-Virgins, the Supporters of the City Arms, and the Arms of the Mercers Company: And there are four Clock-Dials, fronting likewiſe the four Cardinal Points; and in this Tower are twelve tuneable Bells, which chime at Nine, Twelve, Three, and Six, daily.

The following Inſcription was ſet upon the *Exchange* after it was rebuilt:

Hoc Greſhamii *Periſtylium*, *Gentium Commerciis Sacrum*, *Flammis extinctum* 1666, *auguſtius e Cinere reſurrexit* 1669, Will. Turnero, *Milite*, *Prætore*.

Notwithſtanding the great Encomiums which have been beſtowed on this Structure by our own Nation and Foreigners, a late Author, in the New Critical Review of the publick Buildings in and about *London*, takes the Freedom to inform us, that "here, as in moſt coſtly Fabricks, there is ſomething to blame, and ſomething to admire: A Building of that Extent, Grandeur, and Elevation, ought, without Queſtion, to have had an ample Area before it, that we might comprehend the Whole, and every Part at once. This is a Requiſite which ought to be allowed to all

New Critical Review, p. 7, 8.

Buildings, but particularly all of this Sort; that is to ſay, ſuch as are formed of very large Parts; for in ſuch a Caſe the Eye is forced to travel with Pain and Difficulty from one Object to another, nay, ſometimes obliged to divide one into many Parts; whereby the Judgment is confuſed, and 'tis with great Uncertainty we come to any Concluſion at all. Upon the whole, the Entrance into this Building is very grand and auguſt; the two Statues which adorn it are, in a particular Manner, beautiful and admirable: But then the Tower which riſes over it is a Weight to the whole Building, and is at the ſame Time broken into ſo many Parts, that it rather hurts than pleaſes, and, if reduced to one Half of its preſent Height, would harmonize abundantly better with the Whole. The Inſide is light and airy, laid out in a very good Stile, and finiſhed with great Propriety of Decoration: I could wiſh though that either the Statues were executed in a better Manner, or that the City would condeſcend to excuſe the ſetting up any more; for nothing can be more ridiculous than to hurt the Eye with a Fault in the Affectation of a Beauty."

The Outſide of this grand Fabrick is ſurrounded with Shops of various Sorts, Bookſellers, Stationers, Watchmakers, Cutlers, Hoſiers, Hatters, Toymen, and Officers of ſeveral Sorts in the Ship and Mercantile Way. See Page 256, &c.

The Royal-Exchange Aſſurance.

Above Stairs, over the Lord-Mayor's Office, is the *Royal-Exchange Inſurance-Office*, of which the following are the Governors and Directors in the Year 1755:

R. Knox, Eſq; Sub-Governor.
James Henckell, Deputy-Governor.

Directors.

Mr. *Anthony Andre*,
John Baker, Eſq;
Mr. *Benjamin Ball*,
Mr. *Thomas Birch*,
Mr. *John Peter Blaquiere*,
Samuel Boſanquet, Eſq;
Capt. *Richard Crabb*,
Capt. *John Hallett*,
Capt. *Thomas Hill*,
Mr. *Robert Hilton*,
Mr. *John Johnſon*,
Mr. *Pendarves Kekewich*,
Mr. *Charles Liſle*,
Mr. *John Lockwood*,
Mr. *Beeſton Long*,
Henry March, Eſq;
Mr. *Benjamin Mee*,
Capt. *John Pelly*,
Mr. *John Serocold*,
Mr. *Richard Sheldon*,
Thomas Sikes, Eſq;
Mr. *James Tierney*,
John Ekins, Treaſurer.

John Bell, Secretary. *Edm. Anguiſh*, Accomptant.

This Corporation, and that of the *London-Aſſurance*, was eſtabliſhed by Act of Parliament made in the ſixth of King *George* I. whereby it was enacted, That ſuch as ſhould be admitted as Members into the ſaid Corporations, ſhould be each a diſtinct and ſeparate Body Politick for thirty-one Years, for the Aſſurance of Ships, Goods, and Merchandizes at Sea, or for lending Money upon Bottomry.

And that each of the ſaid Corporations, in Conſideration of the many Benefits which might accrue to them by their Charters, ſhould pay into his Majeſty's Exchequer the Sum of three hundred thouſand Pounds, for diſcharging the Debts of the Civil Liſts.

And that no other Society ſhould inſure Ships, or lend Money on Bottomry, for the future; but any private Perſon might inſure Ships, &c. as before. Theſe Corporations however met with ſo little Encouragement, that the Crown was obliged to remit moſt Part of the Money they were to advance.

The Fire in Cornhill.

In the Year 1747, on the twenty-fifth of *March*, about One o'Clock in the Morning, a Fire broke out in the Shop of Mr. *Eldridge*, a Barber, or in an Herb-Stall or Shed cloſe adjoining to it, behind the *Swan*, now the *King's-Arms* Tavern, which ſpread with ſuch Rapidity, that Mr. *Eldridge*, his Wife, Siſter, and Children, were burnt in their Beds; and all the Houſes, with moſt of their Furniture, &c. from the North Entrance into *'Change-alley* to St. *Michael*'s Church on the North, and from the North-Weſt Corner of the ſaid Alley to the Church-yard of St. *Edmund the King* in *Lombard-ſtreet* on the South-Eaſt, from the ſaid Church-yard to the South-Eaſt Corner of *Change-alley*, leaving the front Houſes in *Lombard-ſtreet*, and about four on each Side of the South End of *Birchin-lane*, and from the South-Eaſt End of *'Change-alley* into *Cornhill*; within which Tract were conſumed, before Ten o'Clock in the Morning, one hundred Houſes, beſides ſeveral more damaged.

The Diſtreſs which was hereby brought upon the Sufferers on this Occaſion was ſo great, few of them being able to ſave their Goods, and many not inſured, little dreading ſuch a Misfortune in a Neighbourhood ſo well watched and provided with every Neceſſary in ſuch Accidents to defend them againſt Fires, that the Benevolent conſulted immediately for their Relief, and raiſed a Subſcription of five thouſand ſeven hundred and ſeventy-four Pounds nineteen Shillings and four Pence; which was, after ſeveral Meetings, accounted for by a Committee appointed by the Contributors for enquiring into the Circumſtances of the Sufferers, and to diſtribute the ſame in an equitable Manner, as follows:

	l.	*s.*	*d.*
Received —	5774	19	4
Paid to Sufferers	5718	12	8
For Advertiſements	37	9	6
To *George Strahan*	13	12	2
To the Porter of the Committee	5	5	0
Total	5774	19	4

This, no doubt, was a very great Misfortune to the Individuals who were in it, but the ſpacious and commodious Buildings raiſed upon the Ruins prove a great Advantage to the Publick, and an Ornament to the City.

K. John's Court.

The *Pope's-head* Tavern, with other Houſes adjoining, ſtrongly built of Stone, were formerly in one, belonging to ſome Perſon of great State, or rather to the King, as may be ſuppoſed by the Arms, *viz. Three Lions Paſſant-Gardant*, which was the whole Arms of *England* before the Reign of *Edward* III. who quartered them with the Arms of *France*. Theſe Arms, ſupported by two Angels, were handſomely and largely carved in the fore Front of this Houſe towards the high Street.

It has been ſaid that King *John* had his Court in the aforeſaid Houſe, which is not unlikely; for

Matthew

Matthew Paris ſaith in his Hiſtory, that, in the Year 1232, *Henry* III. ſent *Hubert de Burgho*, Earl of *Kent*, to *Cornhill* in *London*, there to anſwer all Matters objected againſt him, where he wiſely acquitted himſelf.

Down lower, on the high Street of *Cornhill*, was another great Tavern, called the *Cardinal's Hat*, which had alſo a Thoroughfare into *Lombard-ſtreet*.

The Tun *upon* Cornhill *a Priſon-houſe for Night-walkers.*

In the Year of Chriſt 1282, a Conduit was firſt built of Stone, by *Henry Wallis*, Mayor of *London*, to be a Priſon for Night-walkers and other ſuſpicious Perſons, and was called the *Tun* upon *Cornhill*, becauſe the ſame was built ſomewhat in Faſhion of a *Tun* ſtanding on one End.

Alſo without the Weſt Side of this Tun was a Well of ſpringing Water, curbed round with hard Stone.

Temporal Men puniſh Spiritual Perſons for Incontinency.

To this Priſon of the Tun the Night-Watches of this City committed not only Night-walkers, but alſo other Perſons, as well Spiritual as Temporal, whom they ſuſpected of Incontinency, and puniſhed them according to the Cuſtoms of this City: But Complaint thereof being made about the Year of Chriſt 1297, King *Edward* I. forbid the Impriſonment of the Clergy therein. See Page 107.

The Biſhop complaineth, and the King forbids the Laity puniſhing the Clergymen.

Citizens of London *break up the Tun upon* Cornhill.

About the Year of Chriſt 1299, the twenty-ſeventh of *Edward* I. certain principal Citizens of *London*, to wit, *T. Romane*, *Richard Glouceſter*, *Nicholas Faringdon*, *Adam Helingbury*, *T. Saly*, *John Dunſtable*, *Richard Aſhwy*, *John Wade*, and *William Stratford*, brake up this Priſon called the *Tun*, and took out certain Priſoners; for which they were ſharply puniſhed, by long Impriſonment and great Fines. It coſt the Citizens (as ſome have written) more than twenty thouſand Marks, which they were amerced in before *William de March*, Treaſurer of the King's Exchequer, to purchaſe the King's Favour, and the Confirmation of their Liberties.

Tho. Walſingham.

Citizens of London *puniſh Fornication and Adultery in Prieſts as well as others, without Partiality.*

In the Year 1383, the ſeventh of *Richard* II. the Citizens of *London* taking upon them the Rights that belonged to their Biſhops, firſt impriſoned ſuch Women as were taken in Fornication or Adultery, in the ſaid *Tun*; and after, bringing them forth to the Sight of the World, they cauſed their Heads to be ſhaved, after the Manner of Thieves, whom they named *Appellators*, and ſo to be led about the City, in Sight of all the Inhabitants, with Trumpets and Pipes ſounding before them, that their Perſons might be the more largely known: Neither did they ſpare ſuch Kind of Men a whit the more, but uſed them as hardly, ſaying, they abhorred not only the Negligence of their Prelates, but alſo deteſted their Avarice, that ſtudied for Money, omitted the Puniſhment limited by Law, and permitted thoſe that were found guilty to live favourably by their Fines; wherefore they would themſelves, they ſaid, purge their City from ſuch Filthineſs, leſt, through God's Vengeance, either the Peſtilence or Sword ſhould happen to them, or that the Earth ſhould ſwallow them. In a Charge of the Wardmote-Inqueſt in every Ward in this City were theſe Words: "If there "bee any Prieſt in Service within the Ward, "which before-time hath beene ſet in the *Tunne* "in *Cornehill* for his Diſhoneſty, and hath for-"ſworne the Citie, all ſuch ſhall be preſented."

Prieſts puniſhed in the Tun upon Cornhill, *and forced to forſwear this City.*

Stow.

John Atwod, Draper, dwelling in the Pariſh of St. *Michael* upon *Cornhill*, directly againſt the Church, having a proper Woman to his Wife, ſuch an one as ſeemed the holieſt amongſt a thouſand, had alſo a luſty Country Prieſt of the ſaid Pariſh-Church repairing to his Houſe, with the which Prieſt the ſaid *Atwod* would ſometimes after Supper play a Game at Tables for a Pint of Ale. It chanced on a Time, having Haſte of Work, and his Game proving long, he left his Wife to play it out, and went down to his Shop: But returning to fetch a Preſſing-iron, he found ſuch Play (to his Miſliking) that he forced the Prieſt to leap out at a Window over the Penthouſe into the Street, and ſo to run to his Lodging in the Church-yard. *Atwod* and his Wife were ſoon reconciled, ſo that he would not ſuffer her to be called in Queſtion; but the Prieſt being apprehended and committed, I ſaw his Puniſhment to be thus: He was on three Market-days conveyed through the high Street and Markets of the City, with a Paper on his Head, whereon was written his Treſpaſs. The firſt Day he rode in a Carry; the ſecond, on a Horſe, his Face to the Horſe's Tail; the third, led betwixt two, and every Day rung with Baſons, and Proclamations made of his Fact at every Turning of the Streets, and alſo before *John Atwod*'s Stall, and the Church Door of his Service, where he loſt his Chauntry of twenty Nobles the Year, and was baniſhed the City for ever.

A Prieſt puniſhed for Lechery.

The Conduit upon Cornhill.

In the Year 1401, the ſaid Priſon-houſe called the *Tun* was made a Ciſtern for ſweet Water, conveyed by Pipes of Lead from *Tyburn*, and was from thenceforth called the Conduit upon *Cornhill*. Then was the Wall planked over, and a ſtrong Priſon made of Timber, called a Cage, with a Pair of Stocks ſet upon it, and this was for Night-walkers; on the Top of which Cage was placed a Pillory, for the Puniſhment of Bakers offending in the Aſſize of Bread, for Millers ſtealing of Corn at the Mill, and for Bawds and Scolds, and other Offenders.

Cage, Stocks, and Pillory in Cornhill.

Bakers, Millers, Bands, Scolds, and common Jurors for Rewards puniſhed on the Pillory.

As in the Year 1468, the ſeventh of *Edward* IV. divers Perſons, being common Jurors, ſuch as at Aſſizes were forſworn for Rewards or Favour of Parties, were judged to ride from *Newgate* to the Pillory in *Cornhill*, with Mitres of Paper on their Heads, there to ſtand, and from thence again to *Newgate*. And this Judgment was given by the Mayor of *London*.

False Swearers pillorized here.

Ringleaders of falſe Inqueſts ſo ſerved.

In the Year 1509, the firſt of *Henry* VIII. *Darby*, *Smith*, and *Simſon*, Ringleaders of falſe Inqueſts in *London*, rode about the City with their Faces to the Horſes Tails, and Papers on their Heads, and were ſet on the Pillory in *Cornhill*, and after brought again to *Newgate*, where they died for very Shame, ſaith *Robert Fabian*.

Ringleaders of Inqueſts will proffer their Service, and bend every Way for Gain.

A Ringleader of Inqueſts, as I take it, is he, that, making a gainful Occupation thereof, will appear upon *Niſi Priuſes* ere he be warned, or procure himſelf to be warned to come on by a *Tallis*: He will alſo procure himſelf to be Foreman, when he can, and take upon him to overrule the reſt to his Opinion: Such an one ſhall be

A Man detected, and that had ſworn fooliſhly againſt his Brother, it not to be admitted a common Juror. Neither Butcher nor Surgeon is to be admitted.

be laboured by Plaintiffs and Defendants, not without Promiſe of Rewards; and therefore to be ſuſpected of a bad Conſcience. I would wiſh a more careful Choice of Jurors to be had; for I have known a Man carted, rung with Baſons, and baniſhed out of *Biſhopſgate* Ward, and afterward, in *Aldgate* Ward, admitted to be Conſtable, a Grand-Juryman, and Foreman of their Ward-mote Inqueſt. What I know of the like, or worſe Men, preferred to the like Offices, I forbear to write, but wiſh to be reformed, ſays *Stow*.

Conduit on Cornhill *enlarged.*

The foreſaid Conduit upon *Cornhill* was in the Year 1475 enlarged by *Robert Drope*, Draper, Mayor, who then dwelt in that Ward: He enlarged the Ciſtern of this Conduit with an Eaſt End of Stone and Lead, and caſtellated it in comely Manner.

In the Year 1582, *Peter Morris*, a *Dutchman*, having contracted with the City of *London* for the erecting of an Engine under *London* Bridge to force Water into the Eaſtern Parts thereof, (ſee Page 51.) erected at the Eaſt End of *Cornhill*, in the Middle of the High-Street, where four Ways part, a Water-Standard, at the Charge of the City; which Standard had four Spouts, that ran plentifully at every Tide, four Ways, to *Biſhopſgate*, *Aldgate*, the *Bridge*, and to *Wallbrook* or *Stocks-market*: This being at that Time ſuppoſed to be the higheſt Ground of the City.

CHAP. XX.

Of CRIPPLEGATE WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name, Bounds, Extent, modern State, Government. Alderman and Common-Council. Pariſhes and Churches. Lamb's *Chapel.* Sion *College and Alms-houſes.* Barbers-Hall, Haberdaſhers-Hall, Waxchandlers-Hall, Plaiſterers-Hall, Brewers-Hall, Curriers-Hall, Loriners-Hall. *Alms-houſes. Antiquities.*

Name.

CRipplegate Ward takes its Name from the North-Weſt Gate of the City, of which has been treated largely on Page 24.

Bounds.

It is bounded on the Eaſt by *Little Moorfields*, Part of *Coleman-ſtreet* Ward, *Baſſiſhaw* Ward, and *Cheap* Ward; on the North by the Pariſh of St. *Luke's Old-ſtreet*, formerly called *Cripplegate* Pariſh without the Freedom; on the Weſt by *Alderſgate* Ward; and on the South by the Ward of *Cheap*.

Extent.

This Ward conſiſts of two Parts; one lying within *Cripplegate* and *London-wall*; and the other, to the Extent of the Freedom, without.

Within the Wall, on the Eaſt Part thereof, toward the North, it runs to the Weſt Side of *Baſing-hall* Ward; and towards the South it joins to the Ward of *Cheap*. It begins at the Weſt End of St. *Laurence*'s Church in the *Jewry*, on the North Side, and runs Weſt to a Pump, where, ſome Time, was a Well with two Buckets, at the South Corner of *Aldermanbury-ſtreet*; which Street runs down North to *Gayſpur-lane*, and ſo to *London-wall*; which Street and Lane are wholly (on both Sides) of this Ward; and ſo are ſome few Houſes (on both Sides) from *Gayſpur-lane*, by and againſt the Wall of the City, Eaſt to the Grates made for the Water-Courſe of the Channels, and Weſt to *Cripplegate*.

Now on the South Side, from over-againſt the Weſt End of St. *Laurence*'s Church to the Pump, and then up *Milk-ſtreet*, South to *Cheap*; which *Milk-ſtreet* is wholly (on both Sides) of *Cripplegate* Ward; as alſo, without the South End of *Milk-ſtreet*, a Part of Weſt *Cheap*, *viz.* from the Place where the Standard ſtood, to where the Croſs was ſet. Then down *Great Wood-ſtreet*, which is wholly of this Ward, on both Sides thereof; ſo is *Little Wood-ſtreet*, which runs down to *Cripplegate*.

Out of this *Wood-ſtreet* are divers Lanes, namely, on the Eaſt Side is *Lad-lane*, which runs Eaſt to *Milk-ſtreet* Corner. Down lower in *Wood-ſtreet* is *Love-lane*, which lies by the South Side of St. *Alban*'s Church in *Wood-ſtreet*, and runs down to the Conduit in *Aldermanbury-ſtreet*. Lower down in *Wood-ſtreet* is *Addle-ſtreet*; out of which runs *Philip-lane* down to *London-wall*. Theſe are the Lanes on the Eaſt Side.

On the Weſt Side of *Wood-ſtreet* is *Hugen-lane*, by the South Side of St. *Michael*'s Church, and goes through to *Gutheron's-lane*. Then lower is *Maiden-lane*, which runs Weſt to the North End of *Gutheron's-lane*; and up to the ſaid Lane, on the Eaſt Side thereof, till againſt *Kery-lane*, and back again. Then the ſaid *Maiden-lane*, on the North Side, goes up to *Staining-lane*, and up a Part thereof, on the Eaſt Side, to the fartheſt North Part of *Haberdaſhers-hall*, and back again to *Wood-ſtreet*. And there, lower down, is *Silver-ſtreet*, which is of this Ward, till you come to the Eaſt End of St. *Olave*'s Church on the South Side, and to *Monkwell-ſtreet* on the North Side. Then down the ſaid *Monkwell-ſtreet*, on the Eaſt Side thereof, and ſo to *Cripplegate*, do make the Bound of this Ward *within* the Walls.

Without Cripplegate, *Fore-ſtreet* runs a-croſs before the Gate, from againſt the North Side of St. *Giles*'s Church, along to *Moor-lane* End, and almoſt to *Moorgate*. The Houſes on that Side of *Moorfields*, and Alleys to *Finſbury-court*, are all of *Cripplegate* Ward.

Joining to *Moorfields* is the *New Artillery-Ground*, ſo called, in Diſtinction from another *Artillery-garden*, near St. *Mary Spital*. See *Biſhopſgate* Ward.

Then to turn back again through the aforeſaid *Moor-lane*, the next is *Grub-ſtreet*; more than Half of it is in this Ward. The next is *White-croſs-ſtreet*, up to the End of *Beech-lane*; and then *Redcroſs-ſtreet* wholly, with a Part of *Golden-lane*, to the Poſts there placed as a Boundary.

Then is *Beech-lane*, before ſpoken of, on the Eaſt Side of the *Redcroſs* and the *Barbican-ſtreet*, more than Half thereof, towards *Alderſgate-ſtreet*, which are the Bounds of *Cripplegate* Ward *without* the Walls.

The preſent State of this Ward will be better collected from the following Plan and Deſcription.

The modern State.

The Part of this Ward *within* the Wall, by which it is ſevered from that *without*, contains ſeveral Streets and Lanes, ſome in Whole, others in Part, *viz.* *Milk-ſtreet* on both Sides, and the greater Part of *Honey-lane* Market; *Cateaton-ſtreet*, ſo far as to St. *Laurence*'s Church, *Lad-lane*, *Alderman-*

CRIPPLEGATE WARD
WITH
it's Division into
PARISHES
According to a New SURVEY

Arms of John Blachford Esqr.

B. Cole Sculp.

This Plan is most humbly Inscrib'd to John Blachford Esqr. Alderman of Cripplegate Ward. in 1755.

dermanbury, *Love-lane*, *Addle-ſtreet*, *London-wall-ſtreet*, from *Little Wood-ſtreet* to beyond the Poſtern; *Philip-lane*, *Great Wood-ſtreet*, all about 70 Feet on the Weſt Side towards *Cheapſide*; *Little Wood-ſtreet*, *Hart-ſtreet*, the South Side thereof; *Monkſwell-ſtreet* the Eaſt Side, *Fell-ſtreet*, *Silver-ſtreet*; *Maiden-lane*, the Eaſt Part thereof; *Hugen-lane*, *Goldſmiths-ſtreet*, the whole, except 25 Feet on the Weſt Side; *Gutter-lane*, the Weſt Side from *Maiden-lane*, to over-againſt the End of *Carey-ſtreet*, on the Eaſt Side of the Way only; and *Cheapſide*, on the North Side, 170 Feet from the Corner of *Woodſtreet*, Eaſtward. In all which ſaid Places are ſeveral Courts and Places of Note.

The Places in this Ward *without* the Wall are *Fore-ſtreet*, and the Poſtern leading to *Moorfields*, *Back-ſtreet* in the *Little Moorfields*, *Moor-lane*, *Grub-ſtreet*, the South Part to the Poſts and Chain; *Whitecroſs-ſtreet*, the South Side, ſo far as the Poſts and Chain; *Redcroſs-ſtreet*, about 450 Feet on both Sides; *Beech-lane*, *Golden-lane*, the South Part to the Poſt and Chain; *Barbican*, the Eaſt Part thereof, on both Sides, for about 450 Feet from the Corner of *Golden-lane*; *Jewen-ſtreet*, the Eaſt Part thereof, and on both Sides to *Redcroſs-ſtreet*, for about 450 Feet; *Brackley-ſtreet*, *Bridge-water-ſtreet*, and *Letton-ſtreet*; all of them built in the Place where *Bridgewater* Houſe ſtood before.

Of theſe Places in Order; and, *firſt*, for thoſe *within* the Wall.

Milk-ſtreet. *Milk-ſtreet* is broad, comes out of *Cheapſide*, and falls into *Lad-lane*: This Street is well built, and inhabited by wholeſale Traders, chiefly in Haberdaſhery; and that Part that lies open to *Honey-lane* Market is the beſt.

Here in this Street, towards *Cheapſide*, ſtood the Pariſh-Church of St. *Magdalen's Milk-ſtreet*. It was deſtroyed in the dreadful Fire of *London*, and not rebuilt; but the Pariſh is united to St. *Laurence Jewry*, and the Ground converted into *Honey-lane* Market.

The Courts and Alleys in this Street are, *Caſtle-tavern-court*, ſo called from the Caſtle-Tavern therein formerly ſeated. It hath a narrow Paſſage into *Wood-ſtreet*. *Feathers-court*, long and open, with a Free-ſtone Pavement. *Robin-hood-alley* has a Paſſage into *Honey-lane* Market. *Crown-court*, but ſmall. *Mumford's-court*, a large Place, well built, with a Free-ſtone Pavement. About the Middle is a Paſſage into *Caſtle-court*, or *alley*; which is likewiſe long, falling into St. *Laurence-lane*, and well inhabited. *Clement-court*, a handſome open Place, with good Houſes, and has a Paſſage up Steps into *Fryars-court*, which leads into *Wood-ſtreet*.

Cateaton-ſtreet has but a ſmall Part in this Ward, *viz.* from the Corner of *Aldermanbury* to St. *Laurence Jewry*; the reſt is in *Cheap* Ward.

Lad-lane. *Lad-lane* lies betwixt *Wood-ſtreet* in the Weſt, and *Milk-ſtreet* and *Aldermanbury* in the Eaſt. It is likewiſe a Street of good Trade, and well inhabited. Here on the North Side is the *Swan-Inn with two Necks*; which is large, and of a conſiderable Trade for Northern Carriers. More towards *Woodſtreet* are two ſmall Courts, or Alleys, but without Name.

Alder-manbury. *Aldermanbury*, a handſome Street, graced with good Buildings, which are well inhabited by Merchants, wholeſale Dealers, *&c.*

In this Street are theſe Courts, *viz.* *Fountain-court*, on the Eaſt Side, a large ſquare Place, well inhabited and built; has a Paſſage into St. *Laurence Church-alley*, which leads into *Guildhall-yard*. This Court was built out of a large Houſe, formerly the Seat of *Eraſmus de la Fountaine*, Knt. deceaſed.

Dyer's-court, large, and well inhabited by Perſons of Repute, having an open Entrance for Coach or Cart. *Carpenters-court*, a handſome Place, with a Free-ſtone Pavement, well inhabited.

On the North Side is *Hadley's-court*, but ſmall, with a Free-ſtone Pavement. *Church-alley* has a Paſſage into *Baſinghall-ſtreet* by the Church Wall. *Miller's-court*, indifferent large, but with a narrow Paſſage.

Love-lane *Love-lane* comes out of *Aldermanbury*, and falls into *Wood ſtreet* by St. *Alban's Wood-ſtreet* Church, where it divides, and one Part incompaſſes the Church, except the Front in *Wood-ſtreet*. In this Lane is *Berry-court*, which is handſome, and well built.

Addle-ſtreet. *Addle-ſtreet*, which alſo lies betwixt *Aldermanbury* and *Wood-ſtreet*, is yet much inhabited by Joiners, for the making of Bedſteds, Cheſts of Drawers, Scrutores, Tables, and ſuch like Joinery Wares.

London-wall. *London-wall* is a long Street, coming out of *Little Wood-ſtreet* by *Cripplegate*, and runs Eaſtward as far as *Wincheſter-ſtreet*; but goes no farther in this Ward than within 60 Feet of the North-Weſt End of *Coleman-ſtreet*.

Philip-lane. *Philip-lane* goes from *London-wall*, and falls into *Addle-ſtreet*, a Place indifferently built and inhabited. In this Place is *Sion-court*, indifferent large, with a Free-ſtone Pavement. *Burge-court* hath a Paſſage into *Wood-ſtreet*; the middle Part is open, with a Free-ſtone Pavement. *Cook's-court*, but ſmall, alſo with a Free-ſtone Pavement. *Hand-alley*, ſmall and narrow. *Curriers-court*, ſeated in *London-wall-ſtreet*, Weſtward of *Sion-College*, a Place but ordinary; at the upper End of which is *Curriers-hall*.

Hart-ſtreet. *Hart-ſtreet*, adjoining to *Cripplegate*, falls into *Monks-well-ſtreet*. The North Side of this Street, as alſo the Weſt Side of *Monks-well-ſtreet*, belongs to *Farringdon* Ward within. On the North Side of *Hart-ſtreet* are the City Alms-houſes for ſix poor Women. On the South Side is *Bowyers-court*, which is but ſmall; and here was formerly *Bowyers-hall*.

Monks-well-ſtreet *Monks-well*, or *Mugwell-ſtreet*, is a Place of no Trade, but indifferently well built, and inhabited by private Houſe-keepers. The Courts and Places of Name are *Lamb's chapel-court*, ſomewhat large, and *Lamb's-alley*, narrow, but lately well built; *Gilbert's-court*, ſmall and mean; *Dobin's-court*, ordinary; *Windſor-court*, the ſame; *Wincheſter-court*, a large open Place, well built.

The next is *Fell-ſtreet*, ſeated betwixt *Monks-well-ſtreet* and *Little Wood-ſtreet*, a Place of no great Account, and but narrow. Here is *Fell-court*, ſquare and well built, but hath a narrow Paſſage into it.

Silver-ſtreet. *Silver-ſtreet* goes from *Little Wood-ſtreet* unto *Noble-ſtreet*; a handſome broad Street, with well

built Houſes, ſuppoſed to be ſo called from the Silverſmiths then there dwelling; which are now removed into *Foſter-lane*, and other Places.

In this Street are theſe Places; *Winton-court*, handſome, with a Free-ſtone Pavement; *Red-lion-court*, indifferent good and large; over-againſt which is a large well built Preſbyterian Meeting-Houſe in a Yard.

Weſtmoreland-court, an open large Place, but ordinarily built, and fronts *Noble-ſtreet*.

Wood-ſtreet. *Wood-ſtreet*, of which there is the Great and the Little; *Great Wood-ſtreet*, beginning on the South at *Cheapſide*, and falling into *Little Wood-ſtreet*, runs up to *Cripplegate*. Both Streets are in this Ward, except a ſmall Part next to *Cheapſide*, as already taken Notice of. *Great Wood-ſtreet* is a Street well built and inhabited, and was formerly noted for good Cakes there made, which were wont to be bought here for Weddings, Chriſtenings, and Twelfth-Nights.

On the Eaſt Side of *Great Wood-ſtreet* is one of the Priſons belonging to the Sheriffs, and called *Wood-ſtreet-Compter*.

In *Wood-ſtreet* are a great many Courts and Alleys. We ſhall begin with that Part next *Cheapſide*.

Goldſmiths-ſtreet, handſome, and falls into *Foſter-lane*; hath ſome Part in the Ward of *Farringdon within*, where it is mentioned. *Paul's-alley*, good, with a Free-ſtone Pavement.

Fryars-alley, or *court*, but ordinary; hath a Paſſage into *Clement's-court*, which leads into *Milk-ſtreet*. *Shovel-alley*, good, with a Free-ſtone Pavement.

Huggen-lane; this Lane comes out of *Wood-ſtreet*, by the South Side of St. *Michael*'s Church, where it is broad, well built and inhabited. But further, where it runneth into *Gutter-lane*, thro' the Incroachments of Buildings, it becomes very narrow, and but ordinary.

Maidenhead-court, a handſome ſquare open Place, with good Buildings, having a wide Entrance for Cart or Coach, with a Gate to ſhut up at Nights. *Paved-alley*, long and ordinary, runs up into *Staining-ſtreet* by the Church-yard Wall of *Staining* Church, and thence into *Lilly-pot-lane*, which leads into *Noble-ſtreet*.

Fryingpan-alley, but indifferent, and hath a turning Paſſage into *Paved-alley*. *Bird's* or *Burge's-court*, indifferent good, the Middle being more open, with a Free-ſtone Pavement, and hath a Paſſage into *Philip-lane*.

In *Little Wood-ſtreet*, in an Alley, are ſeven Rooms, for ſo many poor People to live Rent-free; the Gift of *Henry Barton*, Skinner, and Mayor, 1516.

Maiden-lane. *Maiden-lane*, a Street well inhabited and built; it comes out of *Wood-ſtreet*, and falls into *Foſter-lane*; but the Part in this Ward goeth but to *Staining-lane*.

Flying-horſe-court, which is but ordinary, is in this Street; and *Mutton-court*, likewiſe narrow and mean.

Gutter-lane hath ſome Part in this Ward.

Cripplegate Ward *without* the Wall.

This is a large Tract of Ground, containing ſeveral Streets, and all crowded with Courts and Alleys; the chief are *Fore-ſtreet*, the *Poſtern-ſtreet*, *Back-ſtreet* in *Little Moorfields*, *Moor-lane*, *Grub-ſtreet*, *Whitecroſs-ſtreet*, *Redcroſs-ſtreet*, *Beech-lane*, *Golden-lane*, *Barbican*, and *Jewen-ſtreet*: Of theſe in Order.

Fore-ſtreet. *Fore-ſtreet*, broad, and inhabited by Butchers, Smiths, Turners, *&c.* runs from the North End of St. *Giles's Cripplegate* Church to *Moor-lane*, Eaſtward, and then falls into *Poſtern ſtreet*, which leads to *Little Moorfields*, againſt *New Bethlehem*.

In this Street are a great many Courts and Alleys, which ſhall be taken Notice of, beginning next to St. *Giles's* Church, which is ſeated oppoſite to *Redcroſs-ſtreet*, and in *Fore-ſtreet*.

Some ſmall Diſtance from this Church, Eaſtward, and oppoſite to *Cripplegate*, was a Water-Conduit, now a Pump.

Little Cock alley, ordinary. *Great Cock-alley*, or *Yard*, a large Place, indifferently built, and has a Paſſage into *Whitecroſs-ſtreet*. *Graſhopper-alley*, long, narrow, and ordinary. *White-hart-inn*, good, chiefly for Livery-Stables. *Three Dagger-court*, both ordinary and meanly inhabited. *Black-horſe-alley*, long, but mean. *Unicorn-alley*, long and ordinary. Betwixt this and *Black-horſe-alley* is an ordinary Court, only for the Pariſh Alms-People. *Red-hart-court*, handſome, with new built Houſes, and a Free-ſtone Pavement, well inhabited. *Day's-court*, indifferent good: Oppoſite to this Court are two long Carpenters or Timber Yards. *Founders-court*, but ordinary. *Red-bull-court*, good. *Aldermanbury-poſtern*, a handſome ſhort Street, well built and inhabited, and opens without a Gate through *London-wall*, over-againſt *Aldermanbury*, and therefore ſo called.

The *Poſtern-ſtreet* begins at the Corner of *Moor-lane*, and runs into *Little Moorfields*; a Place well built, and inhabited by Cooks, Victuallers, Butchers, Diſtillers, *&c.* *Maul's-court*, a handſome neat Place, with Garden-Plats before the Houſes. *Baſing-hall-poſtern* has an open Paſſage without a Gate into *London-wall-ſtreet*.

The *Green-yard*, which is large, and made uſe of by the City as a Pound, for ſuch Cars and Coaches, whoſe Drivers commit any Offence in the Streets, contrary to Rules or Orders to be obſerved by them. *Cradle-court*, indifferent good, nigh to which is a Carpenter's Yard. *Moor-court*, ſmall and ordinary.

Little Moorfields. *Little Moorfields*, or the *Back ſtreet*, now ſo called, to diſtinguiſh it from the new double Row of Houſes, now finiſhed, which is called the *Fore-ſtreet* on the paved Stones; which ſaid new Row of Buildings is in *Coleman ſtreet* Ward, are good, and well inhabited. Out of this *Back-ſtreet* are ſeveral Courts and Alleys, *viz.* *Crown-court*, long, and indifferent. *Hind-alley*, likewiſe long and good. *Half-moon alley*, long and narrow, and but indifferently built and inhabited, as are moſt of theſe Alleys. At the upper End it divides itſelf into two Parts, one of which falls into *Vine-court*, and the other into *Angel-alley*, and thence into *Moor-lane*. *Angel-alley* is long and good, and at the upper End falls into *Moor-lane*, and has a Paſſage into *Half-moon-alley*. *Hartſhorn-alley*, likewiſe long and mean, runs into *Moor-lane*. *Butler's-alley*, long and narrow, but indifferent; alſo falls into *Moor-lane*, where it is broadeſt. And about the upper End, on the South Side, is *Oyſterſhell-court*, which is good. *Gun-alley*, narrow, but well built,

built, at the upper End falls into *Sugar-loaf-court*, and ſo into *Moor-lane*. *White's-alley*, a handſome open Place, well built; ſome of the Houſes haveing Gardens to them. *Rope-makers-alley* has ſeveral Garden-Houſes, which are well built and inhabited. This Alley falls into *Butler's-alley*, which, with ſeveral Turnings, falls into *Grub-ſtreet*.

Moor-lane.

Moor-lane, for the Generality, but meanly built and inhabited, eſpecially the upper End, which is narrow, and leads into a Place called *Back-alley*, mean; having a Paſſage upon Sufferance into *Ropemakers-alley*; likewiſe another Paſſage into *Butler's-alley*, and ſo into *Grub-ſtreet*. *Rams-head-court*, but ordinary, taken up by Carmen for Stabling for their Horſes. *Sugar-loaf-court*, long and ordinary, has a Paſſage into *Gun-alley*, and ſo into *Little Moorfields*. *Seven-ſtar-court*, mean. *Sugar-loaf-alley*, ſmall and ordinary. *Butler's-alley* leads into *Moorfields*. *Car-yard*, a large Place for Stabling. *Cock-alley*, ſmall and mean. *Vine-court* and *Maiden-head-court*, both which have been new built, with good Houſes, having each a Paſſage into *Little Moorfields* thro' *Half-moon-alley*.

Grub-ſtreet.

Grub-ſtreet, long, coming out of *Fore-ſtreet*, and running Northward into *Chiſwel ſtreet*; but ſome ſmall Part, *viz.* from *Sun-alley* to *Chiſwel-ſtreet*, is not in the Ward, but in the Liberty of *Finsbury*. This Street, taking in the whole, is but indifferent, as to its Houſes and Inhabitants, and ſufficiently peſtered with Courts and Alleys, as follow:

Lund's-alley, long and ordinary, falls into *Moor-lane*. *Honeyſuckle-court*, good, with new built Houſes. *Fleur-de-lis-court*, ſmall and ordinary. *Little Bell alley*, but mean. *Flying-horſe-court*, long, but ordinarily built.

Over-againſt the Pump is a Court without a Name. *Oakley-court*, large and open, the greateſt Part at preſent unbuilt, and lying Weſt. *Butler's-alley*, narrow and ordinary, giving a Paſſage into *Moor-lane*, where it is broad. *Croſs-keys-court*, indifferent large, and old built, leads into *Half-moon-alley*, and ſo into *Whitecroſs-ſtreet*. *Maiden-head-court*, handſome, and indifferently well built and inhabited. *Great Bell-alley*, ſmall, but indifferent good.

Haberdaſhers-ſquare, genteel, with new well built Houſes; the Court is ſquare, and incloſed in with Paliſade Pales, except a handſome Paſſage to the Houſes round about, and in the Middle a Dial. This Court was made out of two old ones, *viz. Paviors-court* and *Robin Hood-court*. *Sun-alley*, but ſmall.

Whitecroſs-ſtreet.

Whitecroſs-ſtreet, a Place well built and inhabited; it begins in *Foreſtreet*, and runs Northward into *Old-ſtreet*, which is of a great Length. But the Part within the Ward goes but a little beyond *Beech-lane*, where the City Poſts are ſet up, as they are in *Grub-ſtreet*, and in *Golden-lane*, being the Circuits of the Freedom.

In this Street are theſe Courts and Alleys, *viz. Croſs-keys-Inn*, large, and of an indifferent Trade, with ſome private Houſes in it. *Cock-alley* leads into *Redcroſs-ſtreet*, as alſo into *Fore-ſtreet*; where it is mentioned under the Name of *Great Cock-alley*. *Three-leg-court*, or *Yard*, being long and open, with good Houſes. *King's-arms-yard*, large, with ordinary old Buildings; chiefly for Carmen. *Peacock-brewhouſe*, a handſome convenient Building, and of a conſiderable Trade. *King's-head-court*, well built, with a Free-ſtone Pavement. *Croſs-keys-court*, large, and falls into *Grub-ſtreet*, where it is ſpoken of. *Half-moon-alley*, but ordinary, falls into *Croſs-keys-court*, and thence into *Grub-ſtreet*, by a Paſſage newly made by the Conſent of the Landlords. This Alley alſo falls into *Horſhoe-alley*, which is very mean. *Bowling-alley*, an open Place, containing ſome Courts within it; as *George-yard*, *&c.* which is but mean; and this Alley, by a Paſſage, falls into *Cradle-court*, ſeated in *Red-croſs-ſtreet*. *Anabaptiſt-court*. long, but ordinary. *Caſtle-court*, a pretty Yard, but ſmall. *Red-roſe-court*, ſmall and ordinary. *Fern's-yard*, a Place only for refining of Lead.

Beech-lane.

Beech-lane comes out of *Whitecroſs-ſtreet*, and falls into *Redcroſs-ſtreet*, over-againſt *Barbican*; a Place of ſlender Account as to Trade or Reſort, and but indifferent as to its Inhabitants.

Ship-yard, but ordinary, having a long Paſſage into a ſmall Court. *Glover's-hall-court*, a large Place. *King's-head-court*, large, and well built, hath a Paſſage into *Red-lion-court*, lying in the Manor of *Finſbury*.

Golden-lane.

Golden-lane, of no great Account either for Buildings or Inhabitants. It comes out of *Redcroſs-ſtreet*, and runs up into *Old-ſtreet*; but the Part in this Ward goeth no further than *Angel-alley*, which is by the City Poſts.

The Courts and Alleys in this Lane are, *Jacob's-well-alley*, very mean. *Cocks-head-court*, pretty large, and well built; hath a Door and Paſſage, by Sufferance, into the *Redcroſs* Tavern in *Barbican*. *Black-raven-court*, pretty handſome, but ſmall. *Crown-court*, a good open Place. *Sun-court*, long, and in ſome Places pretty broad: It runs into *Red-lion-market*, which is in the Lordſhip. Near to this Place is the *Sun* Brewhouſe; as alſo *Three Arrows* Brewhouſe, both of a good Trade. *Dixon's-rents*, very ſmall and ordinary. *Vine-court*, indifferent good.

Litton-ſtreet.

Litton-ſtreet, a pretty good Place, not long built; being made out of *Bridgwater* Houſe and Garden. Which ſaid Street runs into *Brackley-ſtreet*, and thence into *Bridgwater-ſtreet*; all built out of *Bridgwater* Houſe and Ground. *Bell-alley*, very ordinary.

Barbican.

Barbican, a good broad Street, formerly well inhabited by Tradeſmen, eſpecially Saleſmen for Apparel, both new and old. It comes out of *Alderſgate-ſtreet*, againſt *Long-lane*, and falls into *Redcroſs ſtreet*; but the Part in this Ward goeth but to the City Poſts. And fronting *Redcroſs-ſtreet* is the Watch-houſe, where formerly ſtood a Watch Tower, called *Burgh-kenning*, i. e. *Barbican*, for the Security of the City in thoſe Parts.

In this Street are theſe Places of Name, *Garter-court*, pretty large, containing two Courts, and both ſo called; which are indifferent good. *Bridgwater-ſquare*, a very handſome open Place, with very good Buildings, well inhabited. The middle is neatly incloſed with Paliſado Pales, and ſet round with Trees, which renders the Place

Place very delightful. At the North-West Corner is a Paſſage into *Bridgwater-ſtreet*; and in the South-East Corner of the Square is another Paſſage into *Charles-ſtreet*, and from thence into *Brackley-ſtreet*: Out of which Place is a Paſſage through *Litton-ſtreet*, into *Golden-lane*. And on the Eaſt Side of *Charles-ſtreet* is a ſhort Street, which has the Name of *Silver-ſtreet*; but is a Place of no great Account. And where this Square is, ſtood the Houſe of the Earl of *Bridgwater*.

Three Pigeon-Court.

Three-pigeon-court, both ſmall and ordinary. *Plough-alley*, long and mean. *Blue-boars-head-court*, alſo long and ordinary. *Fox* and *Crown-court*, long and mean. *Fig-tree-court*, pretty good, and well inhabited. *Play-houſe-yard*, long, with old Buildings; ſo called, for that here was a Play-houſe in former Days.

Redcroſs-ſtreet.

Redcroſs-ſtreet, wide, well built and inhabited; it comes out of *Barbican*, and runs up to *Cripplegate* Church. About the Middle of this Street, on the North Side, is a publick Library, appropriated to the Diſſenting Clergy. The Courts and Alleys here are, *Three-herring-court*, pretty large, but ordinary. *Red-lion* and *Axe-Inn*, but indifferent. *Three-faulcon-court*, very good, and well built, with a Free-ſtone Pavement. *Cradle-court*, pretty large and good, falls into *Bowling-alley* in *Whitecroſs-ſtreet*. *Paul's-alley*, very long, with ſome pretty handſome Houſes, fit for good Inhabitants; and runs into *Alderſgate-ſtreet*, by the *Half-moon* Tavern. *Bear* and *Ragged-ſtaff-alley*, very ordinary. *Frying-pan-alley*, very mean. *Ship-yard*, but ordinary.

Jewen-ſtreet.

Jewen-ſtreet comes out of *Redcroſs-ſtreet*, and falls into *Alderſgate-ſtreet*; a Place well built and inhabited, except at the Weſt End, and of ſome Trade for *Button-mould-makers*.

In this Street are theſe Places; *Crowder's-well-alley*, very long, running into *Alderſgate-ſtreet*, through an Inn-yard. It hath good Buildings, well inhabited. This Place is of ſome Note for its Well, which gives Name to the Alley. The Water of this Well is eſteemed very good for ſore Eyes, to waſh them with; and is ſaid to be alſo very good to drink for ſeveral Diſtempers: And ſome ſay, it is very good for Men in Drink to take of this Water, for it will allay the Fumes, and bring them to be ſober. Stow.

Bull-head-court, a broad Place, with old Buildings, but well inhabited. *Redcroſs-alley*, very long, but ſomewhat narrow, with pretty good Houſes; to many of which are Gardens, which occaſions the Place to be the better inhabited. *Three-pigeon-court*, ſquare, and pretty good. *Cockpit-court*, but ordinary, and leads into *Horn-alley*; but this is in *Alderſgate-ſtreet* Ward. *Lauderdale-court*, a good large Place, well built and inhabited; being built out of the Garden belonging to *Lauderdale* Houſe, ſeated in *Alderſgate-ſtreet*; but ſome of the Ground lieth yet unbuilt. And on the Eaſt Side of the Entrance into this Court, going up Steps, is *Goldſmith's-court*, which is but ordinary.

The Watch.

There are to watch at *Cripplegate*, and at ſeveral other Stands, in divers Places of this Ward, every Night, a Conſtable, a Beadle, and forty Watchmen, within the Walls; and one Conſtable, a Beadle, and ninety Watchmen, in ſeveral Places without the Walls; being for the whole Ward 130.

The Jury.

The Jurymen returned by the Wardmote Inqueſt are to ſerve in the ſeveral Courts in the *Guildhall* in the Month of *March*.

The Government of this Ward.

This Ward hath an Alderman; and *within* the Gate, 8 Common-Council, 9 Conſtables, 12 Scavengers. For Wardmote Inqueſt 15, and a Beadle. *Without* the Gate, it hath 4 Common-Council, 2 Conſtables, 4 Scavengers, 17 Wardmote Inqueſt, and a Beadle.

It is taxed in *London* to the Fifteenth at 40 *l.* and in the *Exchequer* at 39 *l.* 10 *s.*

The Alderman of this Ward is *John Blachford*, Eſq; who has paſt the Chair. The Common-Councilmen *within* the Wall are, Mr. *Richard Molineux*, Deputy, Mr. *Thomas Atkins*, Mr. *John Knight*, Mr. *John Cartwright*, Mr. *Robert Elliot*, Mr. *Edward Sadler*, Mr. *Holles Bull*, and Mr. *Robert Markland*. Without the Wall are, Mr. *John Wallington*, Deputy, Mr. *Edward Farmer*, Mr. *Francis Roberts*, and Mr. *Thomas Whincup*.

The remarkable Things in this Ward are,

Remarkable Things, Pariſhes and Churches.

Firſt, Five Pariſhes with Churches; (1) St. *Giles Cripplegate*, (2) St. *Alphage*, (3) St. *Alban Wood-ſtreet*, (4) St. *Michael's Wood-ſtreet*, (5) St. *Mary Aldermanbury*; and one Pariſh without a Church, *viz.* St. *Mary Magdalen Milk-ſtreet*: Of which in the Parochial Hiſtory.

Lamb's Chapel.

Secondly, A Chapel ſituate in a Court, to which it gives Name, at the North Weſt Corner of *London-wall*. This Chapel was founded as early as the Time of King *Edward* I. and dedicated to St. *James*, and diſtinguiſhed from other Cognominal Dedications by the Name of St. *James's Chapel*, or *Hermitage on the Wall*, becauſe ſituate in or near *London-wall*, at the North-Weſt Corner of *Monks-well-ſtreet*, which Street took its Name from the Monks lodging therein, and a Well belonging to them. This Hermitage, ſays Biſhop *Tanner*, in his *Notitia*, p. 317. belonged to the Abbot and Convent of *Gerondon* in *Leiceſterſhire*, who kept two *Ciſtertian* Monks of their own Order here. At the Diſſolution it was granted, 34 *Hen.* VIII. to *William Lamb*, a rich Cloth-worker of this City, who bequeathed it with other Appurtenances to his Company for the Uſes mentioned on Page 264.

In this Chapel the Worſhipful Company of Cloth-workers have four Sermons preached to them upon four principal Feſtivals in the Year, *viz.* upon the Feaſt of the Annunciation of the Bleſſed Virgin *Mary*, *March* 25; on the Feaſt of St. *John Baptiſt*, *June* 24; on the Feaſt of St. *Michael* the Archangel, *September* 29; and on the Feaſt of St. *Thomas* the Apoſtle, *Decemb.* 21. Upon which Days, the Maſter, Wardens, and Livery of the Company meet at ſome convenient Place, near unto the Chapel, whence they go in their Gowns and Hoods to the Chapel, and hear the Sermon: After which, they relieve twelve poor Men, and as many Women, with 12 *d.* apiece in Money; and once a Year, *viz.* at *Michaelmas*, give to each of them a Frieze Gown a Lockram Shift, and a good Pair of Winter Shoes, fit for their wearing. From whence this Chapel is now commonly called *Lamb's-chapel*, and the Inhabitants of the Tenements belonging

belonging to the ſaid Chapel, till the Year 1660, ſtood in Competition with the Pariſhioners of the Pariſh of St. *Olave's Silver-ſtreet*, who would have had thoſe Inhabitants to have been of their Pariſh, which indeed they are, as may appear by the following Deed:

A very antient Deed to prove Lamb's-chapel *to have antiently been in the Pariſh of St.* Olave Silver-ſtreet.

"Know all Men; preſent and to come, That I *Laurence. de Frowick* have granted and demiſed, and by this preſent Charter of mine have confirmed, unto *Richard* of *Clarkenwell*, Chaplain, all that Land of mine, with the Houſes, Buildings, and Appurtenances, which I have in *London*, in *Monks-well-ſtreet*, in the Pariſh of St. *Olave's*, lying between that Land which *William Throtegos* held of me, towards the South, and the Land of the Fryars of the *New Hoſtell*, towards the North, and which extendeth itſelf in Length from the King's Highway, even unto the Wall of the City, towards the Weſt, *&c.* he paying me twenty Shillings a Year, *&c.* and giving unto the Church of St. *Olave's* aforeſaid one Wax Candle, of a Pound Weight, at the Feaſt of St. *Thomas* the Apoſtle, yearly; and unto the Chapel (*de incluſorio*) in the Cloſe or Cloiſter within *Cripplegate*, at the upper End of *Monk-well-ſtreet*, towards the North, one other Wax Taper, of three Quarters Weight, upon the Feaſt of St. *James*, yearly, *&c.*

Witneſs, *Nicholas Bat*, then Mayor of *London*.
John of *Northampton*, and
Richard Pycard, then Sheriffs,
&c. Anno 1253."

NOTES upon this Deed.

Out of this ſo antient a Deed, may we obſerve;

I. That by the bounding of the Land, between the Street and the City Wall, towards the Weſt, that this is the Ground which is now *Lamb's-chapel-yard.*

II. By the aſſigning the latter Candle to be paid to the Chapel on St. *James's* Day, that it was meant to this *Lamb's-chapel*, which was antiently called, *The Chapel of St. James in the Wall*; upon whoſe Feſtival this Chapel ſeems to have been dedicated. And, to honour the Solemnity of which, *Frowick*, the Gentleman, directed this Candle to be yearly paid.

The Original of this Deed, in *Latin*, was in the Hands of that moſt learned Antiquary Sir *Henry Spelman*, Knt.

"Upon the 8th of *July*, 1625, I *Arthur Jackſon*, Rector of St. *Michael Hogen-lane*, *Wood-ſtreet*, was choſen by the Worſhipful Company of Clothworkers to be Miniſter of this Church or Chapel of St. *James in the Wall*, commonly called *Lamb's-chapel.*" This *J. Bagford* tranſcribed out of the Regiſter-Book of the Pariſh-Church or Chapel of St. *James in the Wall*, with this that follows:

MARRIAGES.

"*Auguſt* 18, 1586, (being the firſt Regiſter) *Nicholas Beſtney*, of *Gray's-Inn*, in *Holborn*, in the County of *Middleſex*, Eſq; and *Bridget Mitchel*, ſole Daughter and Heir of *John Mitchel*, of *Warham*, in the County of *Suſſex*.

"The 28th of *July*, 1608, *Henry Hudſon*, of the *Inner Temple*, *London*, Gent. and *Sibyll Beſtney*, &c."

"Thus far theſe Marriages were taken out of ſeveral Paper Regiſters, by me *Arthur Jackſon.*" And then from this Mr. *Jackſon's* Regiſter-Book, were entered the Marriages in that Chapel celebrated, unto the Year 1632, and no farther.

BURIALS entered in the ſame Regiſter.

1592. *Eleanor Beſtney*, Daughter of *Nicholas Beſtney*, and *Bridget* his Wife.

1604. *May* 29, *Catharine Beſtney*, Daughter of *Nicholas Beſtney*, Eſq; and *Bridget* his Wife. *Aug.* 29, *Urſula Beſtney*, Daughter of the ſaid *Nicholas* and *Bridget*, &c.

1632. *March* 22, Mrs. *Bridget Beſtney*, Widow, late Wife of *Nicholas Beſtney*, Eſq.

Sion-college.

Thirdly, *Sion college*, founded and ſet apart for the Meetings and Improvement of the *London* Clergy, is ſituated upon the Ruins of the Priory of *Elſing-ſpital*; which conſiſted of a College for a Warden, four Prieſts and two Clerks; and an Hoſpital for one hundred old, blind and poor Perſons of both Sexes; blind, paralytic and diſabled Prieſts to be preferred. This Foundation was erected on the Site of ſeveral Tenements of one *William Elſing*, Citizen and Mercer of *London*, the Founder, *A. D.* 1329, who dedicated the ſame to St. *Mary*. But in the Year 1340 he changed the College of Seculars into a Priory for a Prior and five Regular Canons of the Order of St. *Auguſtin*; which at the Diſſolution were increaſed to nine in Number, endowed with 193 *l.* 15 *s.* 5 *d. per Ann.* according to *Dugdale*, or 239 *l.* 13 *s.* 11 *d.* according to *Speed*. In 31 *Hen.* VIII. this religious Houſe, ſituate Part in the Pariſh of *Aldermanbury*, and Part in the Pariſh of St. *Alphage*, was granted to Sir *John Williams*, Maſter of the King's Jewels, afterwards Lord *Thame*; and the next Year, on *Chriſtmas Eve*, it was burnt down, he then living in it; having made a Garden of the Churchyard, and Stables of the Lodgings for the Poor. In this Grant was reſerved a Quit-Rent of 1 *l.* 17 *s.* 2 *d. per Ann.* to the Crown. This Eſtate devolved to *Henry Norris*, Eſq; who married Sir *William's* only Daughter *Margery*, and conveyed it to Sir *Rowland Hayward*, Alderman of *London*, for 700 *l.* whoſe Son Sir *John Hayward* ſold it (with an Incumbrance of the ſaid Quit-Rent, and 4 *l. per Ann.* for ever, left by his Father Sir *Rowland* to the Poor of St. *Alphage*, to be diſtributed in Bread) to one *Robert Parkhurſt*, who, in 3 *Charles* I. conveyed it to the Reverend Mr. *John Simpſon*, Rector of St. *Olave's Hart-ſtreet*, and *John Keeling* of the *Inner-Temple*, Eſq; for the Uſes of the Will of the Reverend Dr. *Thomas White*, Vicar of St. *Dunſtan's in the Weſt*; who, amongſt other Charities, *&c.* had intruſted them to lay out 3000 *l.* in the Purchaſe and Building of a College for the Uſe of the *London* Clergy, and Alms-houſes for twenty poor People, ten Men and ten Women. And in Proſecution of the ſaid Dr. *White's* Will, a Charter was procured the 3d of *July*, 6 *Charles* I. under the Great Seal of *England*, for incorporating the Clergy of *London*: By which all the Rectors, Vicars, Lecturers, and Curates, are conſtituted Fellows of

Tanner's Notitia, p. 318.

Incorporated.

the College. And, out of the Incumbents, are annually to be elected, on *Tuesday* three Weeks after *Easter*, as Governors, a President, two Deans, and four Assistants, who are to meet quarterly, to hear a Sermon *ad Clerum*; and afterwards to be entertained with a Dinner in the College Hall, at the Charge of the Foundation.

Bishop of London Visitor. The Bishop of *London* is Visitor. But no Bishop of *London* ever visited till *July* 16, 1695, when Dr. *Henry Compton*, then Lord Bishop of *London*, visited.

The common Seal. *Anno* 1632, the Governors and Clergy, being summoned, agreed upon a common Seal, which had round it *Sigillum Collegii de Sion Londini*; and upon it the good *Samaritan*, with this Inscription, *Vade & fac similiter*, St. *Luc.* x. 37. This for the Foundation.

The ALMS-HOUSE

The Alms-House. Consists of twenty distinct Rooms, for ten Men within the College, and ten Women without it. They are to be nominated; four by the City of *Bristol*, where Dr. *White* was born; eight by the Merchant-Taylors Company; six by the Parish of St. *Dunstan*, where he was Minister forty-nine Years; and two by St. *Gregory*'s Parish, where he had lived about twenty Years; except any of the Kindred of either of his Wives appeared, who were first to be considered, not exceeding four at a Time. All which are to give Security, at their Admission, that they be no Charge to the College nor Parish of St. *Alphage*. The College appoints one to take Care of them, see to the Distribution of the Charity, and eject, in Case of Delinquency.

The Poor's Allowances. Besides the Benevolence of the Founder, one Mr. *Brewer*, by his last Will, made in the Year 1684, gave them a Farm in *Hertfordshire*. They are paid quarterly by the College. Formerly it amounted to 6 *l. per Annum* each; but now, by Reason of the falling of the Rents considerably, as one Manor in the Hundreds of *Essex* from 120 *l. per Annum* is fallen to 70 *l. per Annum*, their Allowances are somewhat abated.

The LIBRARY.

The Library founded by Simson. This was not appointed by the Founder, but what Mr. *Simson*, one of the Executors, did erect, at the Motion of Mr. *Wood*, Minister of St. *Michael Crooked-lane*; who, being by at the Building of the Alms-House, told Mr. *Simson*, that he might raise over that a convenient Library, which Mr. *Simson* hearkened to; and it cost him above 200 *l.* as Mr. *Spenser*, the first Library-keeper, reported. And therefore, in the Charter of King *Charles* I. it is said that *John Simson* was at great Charge in erecting the Library, and in Truth might justly be esteemed a Founder, in Regard of the Pains and Charge he was at, in recovering, settling, and perfecting the Whole.

It is a spacious Room 121 Feet in Length, and 30 Feet broad, furnished with Wainscot Stalls, Desks, Seats, and other necessary and useful Ornaments. It contains Books on the following Subjects, each Class marked: And the Title of the Subjects, which the Books therein consist of, are;

The Books and Benefactors. The Books in the Library were given by several Benefactors. Some gave Money, and some gave Books. It was also much augmented by the Library of the Cathedral of St. *Paul*'s; which was carried first to *Camden-house*, and thence brought to the College, *Anno* 1647.

The Library and College consumed, Anno 1666. But, in the Year 1666, the dismal Fire which consumed this famous City, burnt also this College, with the Library, and a third Part of the Books; as also the Hospital for twenty poor People; many convenient Chambers for Students, besides those that were reserved for the Meeting of the Governors and Fellows, and for the Clerk and Library-keeper to dwell in; the whole Fabric at a moderate Estimate being worth 4000 *l.* There were also lost the Rents of several Chambers within, and certain Tenements without the College, to the Value of 106 *l.* 6 *s.* *per Annum.*

In the Year 1670, *Daniel Mills*, D. D. Rector of St. *Olave*'s *Hart-street*, President that Year, gave 40 *l.* He also caused to be set up nineteen complete Stalls or Desks, and three Half-ones, wherein Books are placed for public Uses. He wainscoted the upper End of the Library, and set up a fair Repository for Books, wherein now standeth the great Bible of *France* in many learned Languages, and whereon is placed the large Registry of Benefactors. He also by himself, and Procurement of others, was very beneficial in the rebuilding of the College and Library.

The Library enlarged. This Library was also enlarged by the Jesuits Books, that were seized *Anno* 1679. And, at the Motion

Motion of the Governor, what were not before embezzled were granted by King *Charles* II. to the College; as alſo by the Benefaction of the Lord *Barkley*, who gave Half his Uncle *Cooke*'s Books to this Library, and promiſed the other Half at his Death. Many others gave Books, whoſe Names are inſerted into the Catalogue of the Benefactors, and ſet down according to Order in every Book they gave. Mr. *Wynn*, Citizen and Dyer, gave 100 *l.* the Intereſt to be laid out yearly in Books. Mr. *Calfe* 20 *l. per Annum* for the ſame Uſe, payable by the Leatherſellers Company.

Officers of the Library. The Library is to be ſurveyed twice a Year: And had at firſt a Library-keeper, and an Under Library-keeper, and an Oſtiary. Now one ſerves for all, who has a very handſome Apartment at the South-Eaſt Corner of the Library.

Means to augment this Library. Propoſals have been made for augmenting this Library. Firſt, That every Author be deſired to give a Book of whatſoever he ſhall publiſh. Secondly, That every *London* Miniſter, at his Admiſſion into a Living, be deſired to give a Book. Thirdly, That every Governor do the ſame, at his Admiſſion, not under 10 *s.* Value. Fourthly, That the Bookſellers be deſired to give one Copy of every of the Books they print. By 10 *Annæ*, this is one of the Libraries to which one of all regiſtered Books muſt be given.

The Charge of Rebuilding. This whole College being conſumed by the Fire, the Rebuilding of the Alms-Houſe, and the Library, coſt above 1300 *l.* the Hall, and all the other Buildings, coſt above 2000 *l.* more, as was computed in the Year 1688. The Wainſcoting of the Hall coſt 140 *l.* And as for the Chambers of the Students, which before the Fire were wholly for ſuch, no Women then permitted to inhabit there, and amounted to a conſiderable Revenue to the College of about 54 *l. per Annum*; the Ground, which lies to the South of the Great Hall, was let out to build upon at Ground Rents.

The Preſident, Deans, and Aſſiſtants are, *March* 26, *A. D.* 1755,

The Reverend Mr. *Cutts Barton*, Preſident; Mr. *Adam Langley*, Mr. *Thomas Archer*, Deans; Dr. *Thomas Birch*, Dr. *John Thomas*, Dr. *Thomas Newton*, Dr. *Richard Bullock*, Aſſiſtants.

Halls. *Fourthly*, In this Ward are the following Halls, belonging to Companies: (1) *Barbers-hall* is a magnificent Building on the Weſt Side, and near to the Middle of *Monkſwell-ſtreet*. It conſiſts of a ſpacious Hall, a Court-Room, Theatre, Library, and other commodious Offices. The grand Entrance from *Monkſwell-ſtreet* is enriched with the Companies Arms, Cartouches, large Fruit, *&c.* The Court-Room is adorned with a Fretwork Ceiling, and the Pictures of K. *Henry* VIII. and the Court of Aſſiſtants, in one fine Piece; the Pictures of K. *Charles* II. *&c.*

Barbers-hall. The Theatre contains four Degrees of Cedar Seats, one above another, in elliptical Form, adorned with the Figures of the ſeven liberal Sciences, the twelve Signs of the Zodiac, and the Skeleton of an Oſtrich, put up by Dr. *Hobbes* 1682, with a Buſto of King *Charles* I. two human Skins on wooden Frames, of a Man and a Woman, in Imitation of *Adam* and *Eve*, put up in 1645; a Mummy's Skull, given by Mr. *Loveday* 1655; the Skeleton of *Etherton*, with Copper Joints, (he was executed) given by Mr. *Knowles* in 1693; the Figure of a Man flay'd, where all the Muſcles appear in due Place and Proportion, done after the Life; the Skeletons of *Cambery Beſs* and *Country Tom* (as they there call them) 1638; and three other Skeletons of human Bodies. The Roof of this Theatre is an elliptical Cupola.

But, as this Furniture was introduced by the *Surgeons*, who had been incorporated with the *Barbers* by King *Henry* VIII. and are lately diſſolved and made a ſeparate Body by Act of Parliament; the Theatre is now become deſolate and uſeleſs; the *Surgeons* having forſaken that fine Piece of Architecture conſtructed by *Inigo Jones*, and built a new Theatre in the *Old Bailey*, as will be noted in *Farringdon without*.

Haberdaſhers-hall. (2.) *Haberdaſhers-hall*, ſituate at the End of *Staining-lane*, on the North Side of *Maiden-lane*, is a good Brick Building; particularly that Room called the Hall is very neat and lofty, paved with Marble and Purbeck, wainſcoted about 12 Feet high; and the Screen at the Weſt End, where are two arched Apertures, is adorned with Pilaſters of the *Corinthian* Order, with Enrichments; and round the Hall are ſeveral Coats of Arms, as the King's, thoſe of *London*, this Company's, and others.

Waxchandlers-hall. (3.) *Waxchandlers-hall*, which is alſo in *Maiden-lane*, on the South Side, at the very Extremity of the Ward in that Direction. It is a handſome, tho' not a ſpacious old Building, and has been lately well repaired and beautified.

Plaiſterers hall. (4.) *Plaiſterers-hall*, a very neat pretty Building, on the North-Weſt Side of *Addle-ſtreet*. This was in antient Days *Pinners-hall*; which Company, ſays *Stow*, being not worth a Pin, was in his Time gone to Decay.

Brewers-hall. (5.) *Brewers-hall* is alſo a good Building, near adjoining to *Plaiſterers-hall*, with a genteel Entrance into a large Court, paved with Free-ſtone, cloiſtered; the Building above being ſupported with handſome Pillars.

Curriers-hall. (6.) *Curriers-hall*, ſituate at the upper End of *Curriers-court*, is an indifferent good Building, with an handſome Free-ſtone Entrance.

Bowyers-hall. (7.) *Bowyers-hall* was formerly ſituate in a Court on the South Side of *Hart-ſtreet*.

Loriners-hall. (8.) *Loriners-hall* adjoins to *London-wall* in the *Poſtern-ſtreet*, facing *Baſinghall-ſtreet*, and, tho' ſmall, is a pretty neat Building.

Fifthly, Here are alſo ſeveral charitable Foundations, called Alms-Houſes.

Alms-Houſes. (1.) The Alms-Houſes on the Eaſt Side of *Monkſwell-ſtreet*, founded *A. D.* 1575 by Sir *Ambroſe Nicholas*, Knt. Salter, and Mayor, for 12 poor aged People, and endowed with 7 *d. per* Week each, and 5 Sacks of Charcoal, and a Quarter of an hundred of Faggots to each, yearly.

(2.) *Rogers's* Alms-Houſes, the Foundation of Mr. *Robert Rogers*, Leatherſeller and Merchant-Adventurer, in *Hart-ſtreet* near *London-wall*, having a Room below, and another above, for ſix antient Couple, each being free, and having no Charge of Children. They were erected in the Year 1612, as appears by the Inſcription on theſe Houſes, and are in the Diſpoſal of the City, who pay 4 *l. per Ann.* to each.

(3.) In

(3.) In *Little Wood-ſtreet*, in an Alley on the Weſt Side, *Henry Barton*, Eſq; and Mayor of *London*, built ſeven Chambers for ſo many poor People to live Rent-free.

(4.) *Drapers* Alms-Houſes, ſo called, being founded by Lady *Aſkew*, Widow of Sir *Chriſtopher Aſkew*, Draper, and Mayor of *London* 1533, for eight poor Widows of the *Drapers* Company. They ſtand at the North-Eaſt Corner of *Beech-lane*, and are built of Brick and Timber. The Endowment is 4 *l. per Ann.* to each, paid by the *Drapers* Company monthly.

(5.) Thirteen Alms-Houſes in *Golden-lane*, founded by *Ricard Gallard* of *Iſlington*, Eſq; Citizen and Painter-Stainer of *London*, for ſo many poor People, and endowed by him with 2 *d.* a-piece weekly, and a Load of Charcoal amongſt them yearly, charged upon his Eſtate about *Iſlington*.

(6.) *Sion* Alms-Houſes. See before the Account of *Sion College*.

Wood-ſtreet-compter.

A Compter in *Wood-ſtreet*, built in the Year 1555, for the Reception of Priſoners from the Compter in *Bread-ſtreet*, ordered to be aboliſhed for the Miſdemeanors of its Keeper. See *Poultry-Compter*, and p. 252.

Antiquities

At the Meeting of the Corners of *Alderman-bury*, *Milk-ſtreet*, *Lad-lane*, and *Cateaton-ſtreet*, which the Editor of *Stow* by Miſtake calls *Old-Jewry*, there was formerly a Well with two Buckets. And ſomewhere in the Street called *Aldermanbury*, there was the firſt *Guildhall* of *London*, as far as we have upon Record: And that Street in all Probability took its Name from the Court of Aldermen kept in the ſaid Hall; for-aſmuch as *Bury* ſignifies a Court. The Time of its Removal to the preſent Hall is particularly noted before in our firſt Book, page 185. In the Middle of this Street, facing the South Side of the Church, is a Conduit, built at the Charge of *William Eaſtfield*, Eſq; and Lord-Mayor of *London*, who lived near thereunto, and brought Water thither from *Tyburn* in Pipes to ſupply it.

Monuments in Elſing-Hoſpital.

The Monuments in *Elſing-Spital* before its Diſſolution (See *Sion-College*) were, for *Thomas Cheyne*, Son to *William Cheyne*; *Thomas*, *John* and *William*, Sons of Sir *William Cheyne*: *John Northampton*, Draper, Mayor, 1381. *Edmond Hungerford*, *Henry Frowicke*, *Joan*, Daughter to Sir *William Cheyne*, Wife to *William Stokes*. *Robert Elderbroke*, Eſq; 1460. Dame *Joan Ratcliffe*, Wife of *William Fowler*. *William Kingſton*, *Thomas Swineley*, and *Helen* his Wife, *&c.*

Elſing Church.

The principal Iſle of this Church, towards the North, was pulled down, and a Frame of four Houſes ſet up in the Place. The other Part of this Church (from the Steeple upward) was converted into the Pariſh-Church of St. *Alphage*: And the Pariſh-Church which ſtood near unto the Wall of the City, by *Cripplegate*, was pulled down, and the Plat thereof made a Carpenter's Yard with Saw-Pits.

In *Milk-ſtreet*, ſo called from being the Milk-Market, was the Houſe of *Gregory Rokeſly*, chief Aſſay-Maſter of the King's Mints, and Mayor of *London* in the Year 1275, the third of *Edward* I. This Houſe belonged to the Priory of *Lewes* in *Suſſex*, to whom he was Tenant, and paid the Rent of 20 *s.* a Year, without being bound to Reparations.

Mention is made in divers Records of a Houſe in *Wood-ſtreet*, then called *Black-hall*; but no Man, at this Day, can tell in what Part.

In the Time of King *Richard* II. Sir *Henry Percy*, the Son and Heir of *Henry Percy*, Earl of *Northumberland*, had a Houſe in *Wood-ſtreet* in *London*, (whether this *Black-hall* or no, it is hard to trace) wherein he treated King *Richard*, the Duke of *Lancaſter*, the Duke of *York*, the Earl-Marſhal, and his Father, the Earl of *Northumberland*, with others, at Supper.

There was in *Cripplegate* Church, of old Time, a Fraternity or Brotherhood of our Bleſſed Lady, or *Corpus Chriſti*, and St. *Giles*; founded by *John Bellancer*, in the 35th Year of the Reign of King *Edward* III.

Cripplegate Conduit.

Some ſmall Diſtance from the Eaſt End of this Church was a Water-Conduit, brought in Pipes of Lead from *Highbery*, by *John Middleton*, one of the Executors to Sir *William Eaſtfield*. The Inhabitants adjoining caſtellated it, at their own Coſts and Charges, about the Year 1483.

At a Common Council afterwards, held it was agreed, That the Chamberlain ſhould, at the Coſts of the Chamber, cauſe the common Well and Spring at St. *Giles*'s to be covered with a Houſe of Brick.

A Well in the Church-yard Wall.

There was alſo a Boſs of clear Water in the Wall of the Church-Yard, made at the Charges of *Richard Whittington*, ſometime Mayor, and was like to that of *Billingſgate*. The ſame was afterwards turned into a Pump, and ſo quite decayed.

A Pool.

There was alſo a Pool of clear Water, near the Parſonage, on the Weſt Side thereof; which was filled up in the Reign of *Henry* VI. The Spring was cooped in, and arched over with hard Stone; and Stairs of Stone to go down to the Spring, on the Bank of the Town-Ditch. And this was alſo done of the Goods, and by the Executors, of *Richard Whittington*.

Old French Hoſpital.

In *Whitecroſs-ſtreet*, King *Henry* V. built one fair Houſe, and founded there a Brotherhood of St. *Giles*, to be kept. Which Houſe had ſome Time been an Hoſpital of the *French* Order, by the Name of St. *Giles* without *Cripplegate*, in the Reign of *Edward* I. The King having the Juriſdiction, and appointing a *Cuſtos* thereof, for the Precinct of St. *Giles*, *&c.* Which Hoſpital being ſuppreſſed, the Lands were given to the Brotherhood, for Relief of the Poor.

Bridge in White-croſs-ſtreet *preſented.*

In this Street was a White Croſs, and near it was built an Arch of Stone, under which ran a Courſe of Water down to the Moor, called now *Moorfields*. Which being too narrow for the free Courſe of the Water, and ſo an Annoyance to the Inhabitants, the twelve Men preſented it at an Inquiſition of the King's Juſtices, 3 *Edw.* I. And they preſented the Abbot of *Ramſey*, and the Prior of St. *Trinity*; whoſe Predeceſſors, ſix Years paſt, had built (as the Inquiſition ran) a certain Stone Arch at White Croſs, in the Ward of *Cripplegate*, beyond the Courſe of a certain Water, coming down from *Smethfeld del Barbican*, in that Ward, towards the Moor. Which

Arch the aforeſaid Abbot and Prior, and their Succeſſors, ought to maintain and repair: And which was ſo ſtrait, that the Water there could not have its full Courſe, to the Annoyance of the Inhabitants. Hereupon it was commanded the Sheriffs to diſtrain the ſaid Abbot and Convent to mend the ſaid Arch.

One Alley, of divers Tenements, over-againſt the North Wall of St. *Giles*'s Church-Yard, was appointed to be Alms-Houſes for the Poor, wherein they dwelt Rent-free, and otherwiſe were relieved: But the ſaid Brotherhood was ſuppreſſed by *Henry* VIII. Sir *John Greſham*, Mayor, purchaſed the Lands thereof, and gave it to the Maintenance of a Free-School, which he had founded at *Holt*, a Market-Town in *Norfolk*.

Red-croſs. In *Redcroſs-ſtreet*, on the Weſt Side from St. *Giles*'s Church-Yard, up to the *Croſs*, were many good Houſes, built outward, with divers Alleys, turning into a large Plat of Ground, of old Time called the *Jews Garden*; as being the only Place appointed them in *England*, wherein to bury their Dead; 'till the Year 1177, the 24th of *Henry* II. that it was permitted them (after long Suit to the King and Parliament at *Oxford*) to have ſpecial Place aſſigned them in every Quarter where they dwelt.

Jews Garden.

Tenementum & Terras, ſituat. in Parochia Sti. Botbi. extra Aldrichgate, int. Tenement. nuper Rici. Odiham ex parte Auſtrali, ac Gardinum vocat. Jewyn Garden ex parte Orien.

This Plat of Ground remained to the ſaid *Jews*, 'till the Time of their final Baniſhment out of *England*, and was afterwards turned into fair Garden-Plats, and Summer-Houſes for Pleaſure.

Jewen-ſtreet. It is now called *Jewen-ſtreet*, being a continued Street of Houſes on each Side of the Way, and leads into *Alderſgate-ſtreet*. This Place, with the Appurtenances, was antiently called *Leyreſtowe*; which King *Edward* I. granted to *William de Monte Forte*, Dean of St. *Paul*'s, *London*: Being a Place (as it is expreſſed in a Record) without *Cripplegate*, and the Suburbs of *London*, called *Leyreſtowe*; and which was the burying Place of the *Jews* of *London*; which was valued at 40 *s. per Annum.*

Beech-lane. On the Eaſt Side of this *Redcroſs-ſtreet* is *Beech-lane*, perhaps ſo called of *Nicholas de la Beech*, Lieutenant of the *Tower* of *London*, put out of that Office in the 13th of *Edward* III. This Lane ſtretches from *Redcroſs-ſtreet* to *Whitecroſs-ſtreet*, and is repleniſhed, not with Beech Trees, but with ordinary Houſes of Brick and Timber; amongſt which was (of old Time) a great Houſe, belonging to the Abbot of *Ramſey*, for his Lodging, when he repaired to the City.

Ramſey-houſe.

It was ſince called *Drewrie-Houſe*, from Sir *Drew Drewrie*, Knt. Owner thereof.

Barbican. On the Weſt Side of *Redcroſs-ſtreet* is a Street called *Barbican*; becauſe, ſome Time, there ſtood on the North Side thereof a Burghkenning, or Watch-Tower of the City; called in ſome Language a *Barbican*, as a *Bikenning* is called a *Beacon*. This Burghkenning, by the Name of the Manor of *Baſe-court*, was given by *Edward* III. to *Robert Ufford*, Earl of *Suffolk*; and was after that pertaining to *Peregrine Bertie*, Lord *Willoughby Ereſby*.

This *Barbican*, and ſome Land about it, belonged to the Crown, in *Edward* I's Time. For in an Inquiſition made 3 *Edward* I. concerning Purpreſtures in the City, one *Thomas Juvenal*, about 12 Years before, appropriated to himſelf of the King's Soil, without *Le Barbeken*, a certain Place, containing 40 Feet in Length, and four Feet in Breadth, and incloſed the ſame Place with an Earth Wall: And *Nicholas Brabanzoun* then held it. Upon this Preſentment made by the Jurats, the King's Juſtices commanded the Sheriffs of *London* to ſummon him the ſaid *Nicholas*; who ſaid, That he had nothing to do with, nor laid any Claim to the ſaid Purpreſture; but that he was Tenant to *Thomas Fitz-Simon de Burgh*. He, the ſaid *Thomas*, came and prayed, that he might rent the ſame of the King for 3 *d. per Ann.* which was granted, becauſe the twelve ſworn Men witneſſed, that the ſaid Incloſure was no Annoyance. And it was adjudged, that the King might recover the Arrearages of the ſaid Purpreſture, *viz.* 3 *s.* but no Forfeiture, becauſe it was of the ſaid *Thomas*'s doing.

Garter-houſe. Next adjoining to this, was another great Houſe, called *Garter-Houſe*, or *Plate*; ſome Time built by Sir *Thomas Writhe*, or *Writheſley*, Knt. *alias Garter*, Principal King of Arms, ſecond Son of Sir *John Writhe*, Knt. *alias Garter*, and was Uncle to the firſt *Thomas*, Earl of *Southampton*, Knight of the Garter, and Chancellor of *England*. He built this Houſe, and in the Top thereof a Chapel, which he dedicated by the Name of *St. Trinitatis in Alto.*

There was 'till very lately a handſome Stone Poſtern-Gate at the South End of each *Poſtern-ſtreet*, which now lie open, facing *Aldermanbury* and *Baſinghall-ſtreet*, thoſe Gates being removed as uſeleſs, and for the better Accommodation of the neighbouring Inhabitants, by Order of Common Council.

CHAP. XXI.

Of DOWGATE WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

The Name. Bounds. Extent. Government. Aldermen and Common Council. Pariſhes and Churches. Watermens-Hall. Skinners-Hall. Tallow-chandlers-Hall. Innholders-Hall. Joyners-Hall. Plumbers-Hall. Steelyard. *Merchant-Taylors School. Antiquities.* Jeſus Commons. *Conduit.* Cold-Harbour.

Names. VARIOUS are the Opinions concerning the Etymology of this Ward. Some derive it from *Dour-gate*, which, they ſay, ſignifies *Water-gate*, and ſtood in the Wall next the *Thames*, at the Bottom of the Hill: Others will have it derived from its Situation, which is a great Deſcent, and the Gate which ſtood at the Bottom of the Hill: Which laſt Opinion has prevailed ſo far, that modern Writers have given it the Name of *Downgate*; while, in common Uſe, the Citizens differ from both, and call it *Dowgate* Ward.

See what has been written concerning this Gate on Pages 29, 30.

Bounds. This Ward is bounded on the East by *Candlewick* and *Bridge* Wards, on the North by *Wallbrook* Ward, on the West by *Vintry* Ward, and on the South by the River of *Thames*.

Extent. It extends from St. *Martin's-lane* in the East, to *Cloak-lane* in the West, and from thence both East and West to the River *Thames*, in almost a strait Line; within which Tract are contained,

Modern State. on the South Side of *Thames-street*, between it and the *Thames*, *Old Swan-lane*, *Cold-harbour*, *Alhallows-lane*, *Campion-lane*, *Friars-lane*, *Cosins's-lane*, *Dowgate-dock*, and the *Stillyard*; St. *Laurence Poultney-hill*, almost as far as St. *Laurence Poulteny*'s Church-yard; *Duxford-lane*, as far as St. *Laurence*'s Church-yard; *Suffolk-lane*, as far as the Passage into *Bush-lane*; *Bush-lane*, almost the whole; *Dowgate-hill*, as far as *Tallow-chandlers-Hall* Northwards; *Checquer-yard*, *Elbow-lane*, so far as the Church-yard, only the South-East Side of the Way; *Cloak-lane*, the South Side, to one hundred and sixty Feet West of *Dowgate-hill*.

Thames-street. *Thames-street* is a great Thoroughfare for Carts to the several Wharfs, which renders it a Place of a considerable Trade, and to be well inhabited. The Part of *Thames-street* in this Ward begins Westward at *Little Elbow-lane*, and reaches Eastward to the *Old Swan-lane*, taking in the West Side thereof. The Places on the South Side next the *Thames*, beginning Westward, are as followeth:

Friars-lane. *Friars-lane* or *alley*, very mean, narrow, and long, having a Passage into *Dowgate-dock*, where there is a Lay-stall for the City Soil.

Brewers-lane. *Brewers-lane*, also very ordinary, and runs down to *Dowgate-dock*, which is likewise as ordinary, chiefly serving for a Passage for Carts to the Lay-stall.

Cosins's-lane, near the *Still-yard*, hath an open Passage for Carts to the *Thames* Side. In this Place the *Still-yard* Merchants had a large Hall.

Wild-goose or *Wind-goose-alley* or *aourt*, said to be built by the *Still-yard* Merchants.

Still-yard. The *Still-yard*, or *Steel-yard*, a large, open Place, with a wide Passage for Carts to the River Side, where there is a Crane, and Stairs for landing Iron, of which here are always large Quantities kept. In this Yard are some good Houses for Merchants who trade in Iron, for which it is of Note, but was formerly of greater, from the Merchants of *Almain*. Here are likewise, at present, large Warehouses for depositing Goods belonging to the *East-India* Company. See Page 915.

Alhallows-lane, pretty well built and inhabited, hath a Passage to the *Thames*, where there is a Pair of Stairs to land or take Water at.

Angel-alley also but ordinary, the lower Part next the *Thames* taken up by a Dyer.

White-cock-alley, but narrow, the lower End falling into *Dyers-hall-ground*; and here stood *Dyers-hall*, which being burnt down in the Fire of *London*, was not rebuilt; but the Company disposed of the Ground, which is converted to other Uses.

Near this also stands a House which was the *Fishermens-hall*, but is now let in Tenements. Fishermens-Hall

George-alley, but narrow and ordinary, having at the lower End a Dye-house.

Ebgate-lane. *Ebgate-lane*, or *Old Swan-alley*, indifferently large and good, leading down to the *Old Swan* Stairs; a Place much used by Watermen, as being a noted Landing-place, and very commodious, having so good a Pair of Stairs. It is a Place well built and inhabited. The East Side of this Lane is in *Bridge* Ward within.

On the North Side of *Thames-street* are these Places, *viz.* St. *Laurence Poultney-lane*, comes out of *Canon-street*, and falls down into *Thames-street*; a Place well built, and inhabited by Merchants and other Traders. Of this Lane see more in *Candlewick* Ward.

Duxford-lane. *Duxford-lane* comes out of St. *Laurence Poultney-hill*, and falls into *Thames-street*, a Place of no great Account.

Suffolk-lane. *Suffolk-lane* also goes out of *Thames-street*, and, with a turning Passage by *Cross-lane*, which is but ordinary, comes into *Green Lettice-lane*, which is in *Candlewick* Ward, and so into *Canon-street*.

Bush-lane. *Great Bush-lane* comes out of *Canon-street* and falls into *Thames-street*; but the Part in this Ward goeth no farther than *Scotch-yard*, which is a good, large, open Place, well inhabited. This Lane is narrow, but well inhabited by Merchants and Persons of Repute. Out of this Lane is *Chequer-yard*, which hath a Passage into *Dowgate-hill*, and is a good open Place. On the South Side is a Passage into *Hand-yard*, which is but ordinary, and falls into *Thames-street*.

Little Bush-lane, of small Account, comes out of *Great Bush-lane*, and with a turning Passage falls into *Thames-street*.

Double-hand-court, very ordinary.

Dowgate-hill. *Dowgate-hill* is such a great Descent towards *Thames-street*, that, in great and sudden Rains, the Water here comes down from other Streets with that Swiftness, that it oftentimes causeth a Flood in the lower Part. This Street is large and open, the Houses well built and inhabited. On the West Side, near *Budge-row*, is the Church-yard of St. *John Evangelist*, where formerly the Church stood, not being rebuilt since the Fire. Adjoining to the Church-yard Wall is *Cloak-lane*, which runs Westward to *College-hill*. Of this Lane only the South Side is in this Ward, the other Part being in *Vintry* Ward.

Elbow-lane. *Elbow-lane*, so called from its bending from *Dowgate* with an Elbow to *Thames-street*. Out of this *Great Elbow-lane*, over-against St. *Michael's Royal Church*, is *Little Elbow-lane*, which is that Part that makes the Bending, and falls into *Thames-street*, but a Place of no great Account.

Watch. There are to watch at the several Stands in this Ward every Night, a Constable, a Beadle, and thirty-six Watchmen.

Jury. The Jurymen returned by the Wardmote Inquest for this Ward are to serve in the several Courts in *Guildhall* in the Month of *October*.

Government. It hath an Alderman, eight Common-Councilmen, eight Constables, five Scavengers, fourteen

teen Wardmote-Inqueſtmen, and a Beadle. It is taxed to the Fifteenth at twenty-eight Pounds.

Alderman and Common-Councilmen. The Alderman of this Ward is Sir *Richard Glynn*, Knt. and the Common Council are Mr. *John Abbington*, Deputy, Mr. *Daniel Machin*, Mr. *William Watts*, Mr. *Richard Swithin*, Mr. *John Milward*, Mr. *William Shemelt*, Mr. *Timothy Yates*, and Mr. *Chriſtopher Robinſon*.

Memorable Things. Churches and Pariſhes. In this Ward are, *Firſt*, (1.) the Pariſh and Pariſh-Church of *Allhallows the Great*, and (2.) the united Pariſh of *Allhallows the Leſs*, whoſe Church was not rebuilt after its Deſtruction in the Fire of *London*.

Halls. *Secondly*, Several Halls belonging to the Companies of this City: (1.) On the Weſt Side of *Dowgate-ſtreet* is the *Tallow-chandlers-hall*, a large, handſome Building, with Piazzas, adorned with Columns and Arches of the *Tuſcan* Order.

Tallow-chandlers-hall.

Skinners-hall. (2.) Somewhat lower ſtands the *Skinners-hall*, a noble Structure, built with fine Brick, and richly finiſhed, the Hall with right Wainſcot, and the Parlour with odoriferous Cedar. It is ſaid to have coſt eighteen thouſand Pounds building. This Hall was called *Copped-hall by* Downgate, in the Pariſh of St. *John* upon *Wallbrook*. In the nineteenth Year of *Edward* II. *Ralph Cobham* poſſeſſed it, with five Shops, *&c.*

Innholders-hall. (3.) *Innholders-hall* in *Elbow-lane*, a pretty neat Building, well adapted to the Uſes of that antient Company.

Joyners-hall. (4.) In *Friars-lane*, formerly called *Greenwich-lane*, is *Joyners-hall*, which is remarkable for a curious and magnificent Screen at the Entrance into it, having Demi-ſavages and other Enrichments, well carved, in right Wainſcot, and the great Parlour is wainſcotted with Cedar.

Watermens-hall. (5.) *Watermens-hall*, ſituate with its Front to the *Thames*, is a very handſome Brick Building.

Plumbers-hall. (6.) *Plumbers-hall*, which is in *Chequer-yard*, *Dowgate-hill*, and is a good, handſome Building.

Steel-yard *Thirdly*, Near to the Eaſt of *Coſin-lane* (ſo called from one *Coſin*, the Builder thereof) is the *Steel-yard*, or *Steel-houſe*, as ſome call it. This originally was the Hall of the *Almain*, *Anſeatick*, or *German* Merchants, or Place where they uſed to ſtore (See Pages 93 and 105) as well Wheat, Rye, and other Grain, as Cables, Ropes, Maſts, Pitch, Tar, Flax, Hemp, Linen Cloth, Wainſcots, Wax, Steel, and other profitable Merchandizes. Unto theſe Merchants, in the Year 1259, *Henry* III. in the forty-fourth of his Reign, at the Requeſt of his Brother *Richard* Earl of *Cornwall*, King of *Almain*, granted, that all and ſingular the Merchants, having a Houſe in the City of *London*, commonly called *Guilda Aula Teutonicorum*, ſhould be maintained and upholden through the whole Realm, by all ſuch Freedom, and free Uſages or Liberties, as by the King, and in his noble Progenitors Time, they had and enjoyed, *&c.* This Charter granted to the *Teutonics* the King confirmed by this Letter, directed to the Citizens of *London*, in theſe Words:

Henricus Dei Gratia, &c.

" *Henry*, by the Grace of God, King of *Eng-*
" *land*, Lord of *Ireland*, Duke of *Aquitain*, &c.
" To the Citizens of *London* to whom theſe Pre-
" ſents ſhall come, greeting: Know ye that, at
" the Inſtance of the moſt Serene Prince of the
" *Roman* Empire, our Brother, we have granted
" to theſe Merchants of *Almain*, who have a
" Houſe in our City of *London*, which is com-
" monly called *Gyhall Teutonicorum*, that we will
" maintain them all and every one, and preſerve
" them through our whole Kingdom, in all their
" Liberties and free Cuſtoms, which they have
" uſed in our Times, and in the Times of our
" Progenitors, and will not withdraw ſuch Liber-
" ties and free Cuſtoms from them, nor ſuffer
" them to be at all withdrawn from, *&c.* Wit-
" neſs Myſelf at *Weſtminſter*, the fifteenth of *June*,
" in the forty-fourth Year of our Reign."

Edward I. renewed and confirmed that Charter of Liberties granted by his Father. And, in the tenth Year of the ſame *Edward*, *Henry Wales* being Mayor, a great Controverſy did ariſe between the ſaid Mayor and the Merchants of the Haunce of *Almain*, about the Reparations of *Biſhopſgate*, then likely to fall; for that the ſaid Merchants enjoyed divers Privileges, in reſpect of maintaining the ſaid Gate, which they now denied to repair. For the appeaſing of which Controverſy, the King ſent his Writ to the Treaſurer and Barons of his *Exchequer*, commanding that they ſhould make Inquiſition thereof: Before whom the Merchants being called, when they were not able to diſcharge themſelves, ſince they enjoyed the Liberties to them granted for the ſame, a Precept was ſent to the Mayor and Sheriffs to diſtrain the ſaid Merchants to make the Reparations, namely, *Gerard Marbod*, Alderman of the Haunce, *Ralph de Cuſſarde*, a Citizen of *Colen*, *Ludero de Denevar*, a Burgeſs of *Trivon*, *John* of *Aras*, a Burgeſs of *Trivon*, *John de Dele*, a Burgeſs of *Munſter*, then remaining in the ſaid City of *London*, for themſelves and all other Merchants of the Haunce: And ſo they granted two hundred and ten Marks Sterling to the Mayor and Citizens, and undertook that they and their Succeſſors ſhould from Time to Time repair the ſaid Gate, and bear the third Part of the Charges in Money, and Men to defend it in Caſe of Need.

And, for this Agreement, the ſaid Mayor and Citizens granted to the ſaid Merchants their Liberties, which they long enjoyed; as, namely, amongſt the other Things, that they might lay up their Grain, which they brought into this Realm, in Inns, and ſell it in their Garners, within the Space of forty Days after they had laid it up, except by the Mayor and Citizens they were expreſsly forbidden, becauſe of Dearth, or other reaſonable Occaſions. Alſo they might have their Alderman, as they had been accuſtomed, provided always he were of the City, and preſented to the Mayor and Aldermen of the City, as often as any ſhould be choſen, and ſhould take the Oath before them to maintain Juſtice in their Courts, and to behave themſelves in their Office according to Law, and as it ſtood with the Cuſtoms of the City.

This whole Matter between the City and the Merchants of the Haunce is thus related, in an authentick

authentick Book in the Chamber of *London*, which is thus tranſlated from the *Latin:*

An Agreement between the Citizens of London *and the* Teutonics, Anno 10 Edward, *Son of King* Henry. Henry le Galeis, *Mayor of* London, Anno 1282.

" Then by Reaſon of the Decay of a certain " Gate of the ſaid City, which was called *Bi-* " *ſhopſgate*, a Contention aroſe between the ſaid " Mayor and the Citizens of *London* on the one " Part, and the Merchants of the Haunce of the " *Almains*, then abiding in the ſaid City, on the " other, upon the Reparation of the ſaid Gate, " which threatened Ruin: To the Building and " Repair of which the ſaid Merchants, and " others of the beforeſaid Haunce of the Parts " of *Almain* reſorting to the ſame City, were " obliged, for certain Liberties which the ſaid " Merchants have in the ſaid City, and which " they have long uſed, upon Account of ſuch " Building and Repairing, as the ſame Mayor " and Citizens aſſerted, *&c.* The ſaid Mer- " chants denied it.

" In the mean Time, the Contention depend- " ing, the King, at the Suggeſtion of the ſaid " Mayor and Citizens, wrote to the Treaſurer " and Barons of his Exchequer, that, if they " ſhould find the ſaid Merchants were bound to " the Repair of the ſaid Gate, they ſhould diſtrain " upon them. At length the Parties, coming " before the ſaid Treaſurer and Barons, when " nothing was propounded, on their Parts, which " might excuſe them from the Reparation, eſpe- " cially when it appeared concerning the Liberty " which they had in the ſaid City; and for this " Cauſe it was commanded by the ſame Treaſurer " and Barons, that the Mayor and Sheriffs ſhould " diſtrain them to this Repair: The aforeſaid Mer- " chants, *viz. Gerard Marbod*, Alderman of the " ſaid Haunce, *Ludulphus de Cuſſa*, of the City " of *Coln*, *Luderus de Linnenare*, a Burgeſs of " *Trevir*, *Bertram* of *Hamburgh*, *Godeſchalc de* " *Hudendale*, Burgher of *Trevir*, *John de Dole*, " Burgeſs of *Munſter*, then being in the ſame City, " for themſelves and all other Merchants, and " their Fellows of the Haunce aforeſaid, whoſo- " ever and whenſoever reſorting thither for the " future, for the Good of Peace, yielded and " promiſed to the ſaid Mayor and Citizens of " *London*, to the Repair of the ſaid Gate for the " preſent, two hundred and forty Marks Sterling " to be paid; and that then their Succeſſors, " Merchants of the Haunce, for all Time here- " after, will repair it, as often as there ſhall be " Need; and in Defence of the ſaid Gate, as " often as there ſhall be need to keep it, ſhall " bear the third Part of the Cuſtody thereof, at " their Coſt, and Men above, and the Mayor " and Citizens two Parts of the ſaid Cuſtody " below; and, in Conſideration of this Peace, " Fine, and Concord, the Mayor and Citizens " have granted them their Liberties, which they " have hitherto reaſonably uſed, to have to them " and their Succeſſors the Merchants of the " Haunce for ever.

" And moreover, for the aforeſaid Reparation " and Cuſtody, that they be quit for ever of Mu- " rage, *i. e.* the Charge of repairing the City " Walls, as much as in them is; and that they " may houſe and ſell their Corn, which ſhall be " brought in by them to be ſold, in their Houſes " and Granaries for forty Days, for the Time of " their aforeſaid Houſing, unleſs the ſaid Hou- " ſing be expreſsly forbidden by the Lord the " King, or the Mayor and Citizens, by Reaſon " of the Dearth of Corn, or ſome other neceſſary " Matter.

" They granted alſo to them, that they might " have their Alderman, as they had in former " Times; yet ſo, that that Alderman be of the " Freedom of the ſaid City; and, as often as he " ſhall be choſen of the ſaid Merchants, he be " preſented to the Mayor and Aldermen of the " City, and take an Oath before them to do " Right and Juſtice in all his Courts, and to be- " have himſelf in his Office as he ought and hath " been accuſtomed, ſaving to the City its Right " and Cuſtom.

" And the ſaid Merchants promiſed, that they " and their Succeſſors, as often as there ſhould " be Need, would be diſtrained for Reparation " and Cuſtody of the ſaid Gate, to be performed " in the Form aforeſaid by the ſame Merchants " and Citizens. All theſe Things the Parties " aforeſaid yielded and promiſed faithfully to " keep; and, for the greater Security to be made " upon theſe Things by the Parties, together " with the Seals appendant to this Writing be- " tween themſelves, have procured the Seal of " the illuſtrious Lord King of *England* to be hung " to it, for perpetual Memory of the Matter " aforeſaid. Dated at *London*, in the Month of " *June*, the Year aboveſaid."

Thus much for their Privileges; whereby it appears, that they were great Merchants of Corn, brought out of the Eaſt Parts hither, inſomuch that the Occupiers of Huſbandry in this Land were forced to complain of them for bringing in ſuch Abundance, when the Corn of this Realm was at an eaſy Price. Whereupon it was ordained by Parliament, That no Perſon ſhould bring into any Part of this Realm, by Way of Merchandize, Wheat, Rye, or Barley, growing out of the ſaid Realm, at any Time when the Quarter of Wheat exceeded not the Price of ſix Shillings and eight Pence, Rye four Shillings the Quarter, and Barley three Shillings the Quarter, upon Forfeiture, the one Half to the King, the other Half to the Seizers thereof. Theſe Merchants of the Haunce had their Guildhall in *Thames-ſtreet*, in Place aforeſaid, by the ſaid *Coſin-lane*. Their Hall was large, built of Stone, with three arched Gates towards the Street.

Afterwards, to wit, in the ſixth of *Richard* II. they hired one Houſe next adjoining to their old Hall, which ſome Time belonged to *Richard Lions*, a famous Lapidary, one of the Sheriffs of *London* in the forty-ninth of *Edward* III. and who, in the fourth of *Richard* II. was, by the Rebels of *Kent*, drawn out of that Houſe, and beheaded in *Weſt-Cheap*. This alſo was a great Houſe, with a large Wharf on the *Thames*; and the Way thereunto was called *Windgooſe* or *Wild-gooſe-lane*, which is now called *Windgooſe-alley*, for that the ſame Alley is, for the moſt Part, built on by the *Steelyard* Merchants.

About the Time of King *Henry* IV. the *Engliſh* began to trade themſelves into the Eaſt Parts; at which the *Eaſterlings*, or Merchants of the *Dutch* Haunce, were ſo offended, that they took ſeveral of their Ships and Goods, and offered them ſeveral other Injuries; which occaſioned great Complaints and Differences between the ſaid King *Henry* IV. and *Conradus de Junigen*, then Maſter-General of the *Dutch* Order in *Pruſſia* with the Haunce Town, and divers Embaſſies paſſed betwixt them on that Account; the Reſult of which, in ſhort, was this: That the ſaid King *Henry* IV. finding, by the ſaid Privileges granted to Foreigners, his own Subjects (to the great Prejudice of the Realm) very much crippled in their Trade, did revoke ſuch Parts of the Privileges of the aforeſaid *Dutch* Company, as were inconſiſtent with the carrying on of a Trade by the Natives of this Realm: And, for the better Encouragement of his own Subjects, did, in the fifth Year of his Reign, grant his firſt Charter to the Merchants trading into the *Eaſt-Land*, containing many great Privileges and Immunities, as by the ſaid Charter may appear: Which had a good Effect for the bringing of the Trade much more into the Hands of the Natives of this Realm than was before. King *Edward* IV. for their more ample Encouragement, did, in the ſecond Year of his Reign, grant another large Charter to the Merchants of *England*, eſpecially to thoſe reſiding in the *Netherlands*; with ſeveral additional Immunities and Privileges, as by the Charter at large may appear.

In the firſt and ſecond of *Philip* and *Mary* was granted a Charter to the *Ruſſia* Company, afterwards confirmed by Act of Parliament in the eighth Year of Queen *Elizabeth*.

Until whoſe Time, tho' the Trade of this Nation was carried on much more by the Natives thereof than had been formerly, yet had the Society of the *Dutch* Haunce at the *Steel-yard* much the Advantage of them, by Means of their well-regulated Societies, and the Privileges they enjoyed; inſomuch that almoſt the whole Trade was driven by them to that Degree, that Queen *Elizabeth* herſelf, when ſhe came to have a War, was forced to buy the Hemp, Pitch, Tar, Powder, and other Naval Proviſions which ſhe wanted, of Foreigners, and that too at their Rates. Nor were there any Stores of either in the Land to ſupply her Occaſions on a ſudden, but what, at great Rates, ſhe prevailed with them to fetch for her, even in Time of War, her own Subjects being then but very little Traders.

To remedy which, ſhe fell upon the Conſideration how ſhe might at home have a well-grounded Dependence, to have thoſe neceſſary Commodities by her, that ſo ſhe might not want them when ſhe moſt needed them; and, after great Deliberation, no better Expedient could be found by the ſaid Queen and her Council than by encouraging her own Subjects to be Merchants; which ſhe did by erecting out of them ſeveral Societies of Merchants, as that of the *Eaſt-Land* Company, and other Companies; by which Means, and by cancelling many of the Privileges of the fore-mentioned *Dutch* Haunce Society, the Trade in general, by Degrees, came to be managed by the Natives of this Realm; and, conſequently, the Profits of all thoſe Trades accrued to the *Engliſh* Nation; Trade in general, and *Engliſh* Shipping, were increaſed; her own Cuſtoms vaſtly augmented; and, what was at firſt the great End of all, obtained, *viz.* that ſhe had conſtantly lying at home, in the Hands of her own Subjects, all Sorts of naval Proviſions and Stores, which ſhe could make uſe of as her Occaſions required them, without any Dependence on her Neighbours for the ſame.

And thus, by Means of the erecting the fore-mentioned Societies, and preſerving and encouraging that of the Merchants-Adventurers, was the Trade at firſt gained from Foreigners to the Natives of this Realm, to its ineſtimable Advantage.

The Abbot of St. *Albans* had a Meſſuage here, with a Key, given to him in the thirty-fourth of *Henry* VI.

There was another great Houſe which ſome Time pertained to *John Raynwell*, Stock-fiſhmonger, Mayor; and it was by him given to the Mayor and Commonalty, to the End that the Profits thereof ſhould be diſpoſed in Deeds of Piety: Which Houſe, in the fifteenth of *Edward* IV. was confirmed to the ſaid Merchants in Manner following, *viz.*

"It is ordained by our Sovereign Lord and "his Parliament, that the ſaid Merchants of *Al-*"*main*, being of the Company called the *Guild-*"*hall Teutonicorum*, or the *Flemiſh Geld*, that "now be, or hereafter ſhall be, ſhall have, hold, "and enjoy, to them and their Succeſſors for "ever, the ſaid Place called the *Steel-houſe*, "yielding to the Mayor and Commonalty an "annual Rent of ſeventy Pounds three Shil-"lings and four Pence, *&c.* and other Rents to "others."

There were alſo Merchants of *Coln* trafficking here, who ſeem to be the Beginners of this Haunce Trade. Theſe formerly paid divers Duties and Cuſtoms to the Kings of this Land, and particularly two Shillings from their *Guildhall*; which King *Henry* III. in the Year 1235, took off by his Charter, which was to this Tenor:

"Know ye, that we have quit-claimed, for "us and our Heirs, our beloved Citizens of "*Coln*, and their Merchandizes, of thoſe two "Shillings which they were wont to give from "their *Guildhall*, *London*, and of all Cuſtoms "and Demands which belong to us in *London*, "and throughout our whole Land in *England*: "And we have granted them to go ſafe and "come ſafe through all our Land, and to buy "and ſell both in the Town of *London*, and "elſewhere, ſaving the Liberty of our City of "*London*. Wherefore we will and firmly com-"mand, *&c.* Witneſs the venerable Father "*William*, Biſhop of *Carliſle*, *William de Ferra-*"*riis*, *Gilbert Baſſet*, *Walter Beauchamp*, &c. by "the Hand of the venerable Father the Biſhop "of *Chicheſter*, our Chancellor, at *Daintry*, the "eighth of *November*, *An. Reg.* 20."

Which Charter King *Edward*, his Son, confirmed *Anno* 1290, by his Charter dated at *Langley*, the eighteenth of his Reign, *July* 28, which ran to this Tenor:

Archiepiſ. Epiſ. Abbatib. Priorib. Comitib. Baronib. &c. " To all Archbiſhops, Biſhops, *&c.* " We have looked upon a Charter that Lord " *Henry*, of good Memory, the King our Father, " granted to the Citizens of *Coln*, &c. We alſo " quit-claim, *&c.* Witneſs Biſhop of *Bath* and " *Wells*, our Chancellor; *Edmund*, Earl of *Corn-* " *wall*, our Couſin; *Walter de Beauchamp*, Stew- " ard of our Houſhold, *&c.*"

In the Year 1551, the 5th of *Edward* VI. through Complaint of the *Engliſh* Merchants, the Liberty of the *Steel-yard* Merchants was ſeized into the King's Hands. See Page 248.

Merchant-Taylors *School.*

Fourthly, In *Suffolk-lane*, near *Candlewick-ſtreet*, in the Pariſh of St. *Laurence Poultney*, is *Merchant-Taylors* School; a Foundation of great Fame and Reputation, founded in the Year 1561, 3 *Eliz.* by the worſhipful Company of the *Merchant-Taylors* of *London*, in the Maſterſhip of *Emanuel Lucar: Richard Hills*, ſome Time Maſter of the ſaid Company, having before given 500*l.* toward the Purchaſe of an Houſe, called, *The Manor of the Roſe*, belonging to the Duke of *Buckingham*, for that Purpoſe. And therein was this School antiently kept. But that Houſe being deſtroyed by the great Fire in 1666, the preſent Buildings were erected upon the Site of it, at the Charge of the ſaid Company of *Merchant-Taylors.*

The School is a long and ſpacious Building, ſupported on the Eaſt by many Stone Pillars, which form an handſome Cloiſter, within which are Apartments for the three Uſhers. Adjoining to the School is a Library ſupported, in like Manner, by Pillars of Stone, and well furniſhed with Books. And South of the Library is the Part called *The Chapel.* Contiguous to theſe is a large Houſe appropriated to the Head-Maſter.

The State and Condition of it.

This School conſiſteth of ſix, or more truly of eight Forms, where near three hundred Boys have their Education; whereof by the Statutes of the School an hundred are taught *gratis*; fifty at 2*s.* 6*d.* a Quarter; and an hundred at 5*s.* a Quarter. And, for the due inſtructing of theſe, the School maintains a Maſter, whoſe Salary is 10*l.* a Year, but his Benefits are otherwiſe very conſiderable, and three Uſhers. And, for the better Inquiry into the Proficiency of all the Scholars, there is an Order appointed for the Probation of the School to be made only by the Maſter and the three Uſhers. The firſt Probation to be on the 11th Day of *March*, the ſecond on the 11th of *September*, the third on the 11th of *December*, not being *Sundays*, and then upon the next Day following. And there are excellent Orders ſet down in the Regiſtry, kept in the School Library, to the Number of thirteen, directory of the Maſter in this Buſineſs, as to his Probation and Trial of the Abilities of all the Boys that learn there.

The School's three Probations.

A fourth Probation appointed.

In the Year 1645, the Company of *Merchant-Taylors* appointed a fourth Probation, upon the Motion of Mr. *Dugard*, then chief Maſter of this Grammar School, *viz.* that there ſhall be another private Probation of the Scholars, beſides theſe three which are already ſettled by the Orders of the School: And this is on the 15th Day of *June* yearly. The preciſe Manner of this Examination is ſet down in the School-Regiſtry; and all the Orders thereof allowed and approved under the Hands of ſome of the greateſt Scholars and Divines in thoſe Times, *viz. John Overal*, D. D. Dean of St. *Paul*'s; *John Dove*, D. D. *John Spencer*, D. D. *Nic. Fenton*, D. D. *John Childerley*, D. D.

Examinations twice a Year.

It was further thought fit afterwards, for the Satisfaction of the Maſter and Wardens, and Court of Aſſiſtants of the *Merchant-Taylors*, as well for the true and faithful Performance of the Probation of the Maſter and the three Uſhers, as likewiſe to know what Boys profit moſt, and be the beſt and likelieſt Scholars; that the Probations themſelves ſhould have their Examination and Trial, to be done at two ſeveral Times every Year. And this Examination to be made by two judicious Men, well learned in *Hebrew*, *Greek*, and *Latin*, being by the Maſter and Wardens thereunto required two or three Days before. The Place of Examination to be in the South Part of the School, commonly called *The Chapel.* The Time to be between the 11th and 21ſt Days of the Months of *March* and *September*. And the whole Buſineſs to be ſo ordered, that the Examination be fully done between the Hours of ſix and eleven. The Maſter and Wardens, or two of them, to be at the School with the two learned Men at ſix of the Clock in the Morning.

Upon theſe Days, which are called the Doctor's Days, after the Buſineſs of Examination in the Chapel is finiſhed, the Audience, which is generally pretty numerous, return into the School, where certain publick Exerciſes are then performed by the eight ſenior Scholars or Monitors of the School.

There is yet another publick Examination of the Scholars of the Upper-form, by the Preſident and Fellows of St. *John Baptiſt* College in *Oxford*, upon the 11th Day of *June* yearly. This is previous to the Election of Scholars to be made upon that Day, to fill up the vacant Fellowſhips in St. *John*'s College; of the Fellows of which College thirty-ſeven are ſupplied from this School. After the publick Exerciſes of this Day are finiſhed, the Dean of the College addreſſes himſelf to the Scholars, out of whoſe Number the Vacancies are to be filled up, in a *Latin* Speech ſuited to this Occaſion.

At this Time an Account is uſually printed, containing the Names and Order of the Head-Scholars, their Births, Admiſſion, and Continuance in the Head-form; and alſo of the Subjects and Order of the Orations. One of theſe Papers for the Year 1752 lying now before us, we ſhall, by Way of Specimen, exhibit ſo much of it as relates to the Exerciſes:

" *Imprimis*,
" Orationes gratulatoriæ duæ;
" Quarum altera Latine habenda, } perorante } *E. W.*
" Græce altera, } perorante } *C. W.*

" Sequitur orationum ſenarius, quarum argu-
" menta ſingula exhibentur in hunc ordinem:

" 1. Virtutes Morales - - - -
" 2. Prudentia } perorante - - - -
" 3. Juſtitia - - - -

The

A Catalogue of the Maſters of this School.

Regiſtry of the School.

The Maſters of this famous School, from the firſt Foundation of it to the preſent Time, with the Year of their reſpective Entrance, and the Time of their Continuance, the following Table will ſhew.

Names of the Maſters.

Maſters. *Richard Mulcaſter*, firſt Maſter. He was bred at *Eaton* School, elected Scholar of *King*'s College in *Cambridge* in 1548, and Student of *Chriſt's-Church* in *Oxford*, 1555; where he proceeded in Arts, and ſtood in the Act celebrated the following Year; being then eminent for his great Skill in the *Greek* Tongue. Afterwards ſpending near five Years at the Univerſity in continual Study, he made ſo great Proficiency in ſeveral Sorts of Learning, that he was unanimouſly choſen Maſter of this School, *September* 24, 1561. Where exerciſing his Gifts in a moſt admirable Way of Inſtruction till 1586, in all which Time this School happily proſpered under his Vigilancy, St. *John*'s College in *Oxford* was ſupplied with ſuch hopeful Plants, that it ſoon after flouriſhed and became a fruitful Nurſery. Many Years after, this Gentleman was removed to the Government of the Free-ſchool near St. *Paul*'s, and being, by the Gift of the Queen, made Parſon of the rich Parſonage of *Stanford-Rivers* in *Eſſex*, he there died, *April* 15, 1611. He writ, as hath been mentioned, a Tract about *the Education of Children*; and a Book, called *The Elementary*, for the true writing of the *Engliſh* Tongue, printed in 1582, wherein his Learning may be ſeen, being but the firſt Part of the ſaid *Elementary*; wherein he deſigned to ſhew the whole Matter which Children were to learn, and the whole Manner how Maſters were to teach them.

Sept. 24, 1561. *Continuance*, Anno 25.

Nov. 8, 1586. *Henry Wilkinſon*; he continued Maſter five Years and eleven Months.

Octob. 6, 1592. *Edmund Smith*; he continued Maſter ſix Years and almoſt eight Months.

Maii 19, 1599. *William Hayne.* This Man gave ſeveral Books to *Sion* College Library, when it was firſt erected, about 1631, *viz. Stevens's Theſaurus*, an *Hebrew* Bible of *Plantin*'s Edition, *&c.* See the Regiſtry in that Library. He continued Maſter of this School twenty-four Years and nine Months.

Jan. 29. 1624. *Nicholas Grey*, A. M. ſucceeded. He had been firſt Maſter of the *Charter-houſe* School, and, *January* 29, 1624, was admitted chief Maſter of this School, where continuing till *February* 13, 1631, he was made chief Maſter of the School at *Eaton* College, at length D. D. and Fellow of that Houſe. But, being outed in the grand Rebellion, he was put to great Difficulties, till he obtained the Maſterſhip of *Tunbridge* School in *Kent*, ſome Time before the Reſtoration, where he continued till the King's Return: And, being then reſtored to his Preferments, he died ſoon after, *viz.* about the Beginning of *October*, 1660.

He is Author, amongſt other Things, of a Dictionary in *Engliſh* and *Latin*, *Latin* and *Engliſh*, ſeveral times printed at *London*.

Feb. 13, 1631. *John Edwards* was Succeſſor to Dr. *Grey*. He continued here two Years and about nine Months, and was ſucceeded by

Oct. 31, 1634. *William Staple*, who enjoyed the Maſterſhip of this School for about ten Years; after whom,

Maii 10, 1644. *William Dugard* became Head-maſter. This worthy Perſon was diſcharged from the Government of the School, and committed to *Newgate*, by the *Council of State*, *February* 20, 1649; becauſe that he, having a Propriety in a Printing-Preſs, had printed there *Salmaſius*'s *Defence of King Charles* I. dedicated to his right and lawful Heir King *Charles* II. ſoon after that barbarous Act committed upon the Perſon of his Royal Father. An Account of which Affair take from the Regiſter of his Scholars now remaining in *Sion* College:

Ad 20 *Februarii*, 1649.

"Atque hæc ſunt nomina diſcipulorum quos "ego *Gulielmus Dugard* in ſcholam liberam dig- "niſſimæ ſocietatis *Mercatorum Sciſſorum* admiſi à "*Maii* 1644, ad 20 *Feb.* 1649, quo tempore à "Concilio Novi Status ab archididaſcalatûs offi- "cio ſummotus, & in carcerem *Novæ Portæ* con- "jectus ſum; ob hanc præcipuè cauſam, quod "*Claudii Salmaſii* librum qui inſcribitur DEFEN- "SIO *regia pro* CAROLO *primo*, *ad ſereniſſimum* "*regem* CAROLUM *ſecundum*, *legitimum hæredem* "*et ſucceſſorem*, typis mandandum curaveram: "Typographéo integro ſpoliatus ad valorem mille "librarum, minimum. Nihil jam reliquum ha- "bens unde victum quæram uxori et ſex liberis, "quos Dei miſericordis & benigniſſimi patris pro- "videntiæ alendos committo & commendo per "Jeſum Chriſtum Dominum noſtrum."

E carcere *Novæ Portæ*,
7 *Mart.* 1649. *Gulielmus Dugard.*

But Mr. *Dugard* ſhortly after procured his Enlargement, and kept a private School upon St. *Peter's Hill*, till he was reinſtated at *Merchant-Taylors*; for in the Regiſter above quoted immediately follows:

"Nomina diſcipulorum quos ego *Gulielmus* "*Dugard* admiſi in privatam Scholam quam ape- "rui in vico vulgo dicto *Peter's Hill*, in ædibus "conductitiis, ab *Aprilis* 15, ad *Septem.* 25, 1650, "quo tempore à digniſſima ſocietate *Mercatorum* "*Sciſſorum*, hortatu tamen *Concilii Status*, ad an- "tiquam provinciam ſcholæ *Mercatorum Sciſſorum* "reſtitutus ſum."

John Stevens became Head-Maſter on the Deprivation of Mr. *Dugard*. He continued only ſeven Months; and left in the School Regiſtry this ſingle Memorial of himſelf, in Regard of his ſhort Continuance here:

Res Deus noſtras celeri citatas
Turbine verſat.
John Stevens, *September* 25, 1650.

Sept. 25, 1650. *William Dugard*, reſtored by the Company of *Merchant-Taylors*: And that at the Motion of the *Council of State*, who had before puniſhed him ſo ſeverely.

The Succeedings of theſe two laſt were thus expreſſed in a Diſtich:

Regiſtry of the School. *Dugardum ſequitur Stephanus, Stephanumque viciſſim*
Dugardus: Sortes verſat utrinque Deus.

This *Dugard* was a very diligent, exact, and excellently learned Man in all grammatical Learning; and under his Care and Influence the School greatly flouriſhed. He printed ſeveral Books for the Uſe of his School; had a good Strain himſelf in Oratory and Poetry. A Stroke or two of his Poetry in *Greek* we have of his own Hand extant in

in the School Regiſtry; where, by the way, we may ſee how he ſtood affected to the Mutations in the Age wherein he lived. Firſt, upon the beheading of King *Charles* I.

Μάρτυρ ὑπὲρ θείων πατρικώντε νόμων ὄχ' ἄριστ⊖
Σκηπτούχων ΚΑΡΟΛΟΣ μὲν ἀλιτρέων χερσὶν ἔπιπλεν.
Ἰλερμ⊖ ὁ Δυγάρδ.

Martyr pro divinis patriiſque Legibus
Optimus Sceptriger Carolus *ſceleratorum manibus cecidit.*
Gulielmus Dugard.

Another *Greek* Diſtich remaining in the ſaid Regiſtry under his Hand is upon the Uſurper *Oliver Cromwell*'s Mother, buried in *Weſtminſter*; which perhaps is the only Epitaph extant on her:

Ἐπὶ τῆς μητέρ⊖ τῦ Ὀλιβέρω Κρομωέλλυ ἐν τῇ ἐκκλησίᾳ τῦ ὠεσμοιασρείς κειμένης.
Μήτηρ τῦ τέκνυ καταράτυ ἔνθαδε κεῖται·
Ὃς δύο μὲν βασιλεῖς τε καὶ ὥλεσε τρεῖς βασιλείας.

i. e. *In Matrem* Oliveri Cromwelli *in Eccleſia Weſtmonaſterienſi ſepultam.*
Mater nati execrabilis hic jacet:
Qui duos Reges, triaque regna perdidit.

This *Dugard*, after he had been Maſter ſeventeen Years, from the Time of his firſt Admiſſion, was diſmiſſed the School in the Year 1661, for breaking ſome Orders of the Company, having been publickly warned and admoniſhed of it before, though of the Cauſe of this his ſecond Deprivation no Notice is taken in the Regiſter; and departing, he left this Verſe to his Succeſſor concerning the School Regiſtry, which hitherto he diligently had kept himſelf:

School Regiſtry.

——— *Munere cedens*
Hanc ſucceſſori ſcribendi Lampada trado.
Gul. Dugard, *haud ita pridem Mercatorum Sciſſorum, jam vero privatæ Scholæ in Vico de* Coleman-ſtreet *Moderator*, Nov. 21, 1661.

And ſuch was his Reputation, that, when he opened his private School in *Coleman-ſtreet*, within eight Months, he had gathered 193 Scholars; for thus ſaith his Regiſter: *Numerus admiſſorum in privatam ſcholam à* 4 Julii, 1661, *ad* 25 Martii, 1662, 193.

John Goad, B. D. Maſter of the Free-ſchool at *Tunbridge* in *Kent*, ſucceeded Mr. *Dugard*; and continued here with good Succeſs and great Applauſe till *April* 1681, at which Time the City was poſſeſſed by the reſtleſs Preſbyterians with a Notion of the ſudden Introduction of Popery amongſt them, when Mr. *Goad* was ſummoned to appear before the chief Heads of the Society of *Merchant-Taylors*. In Obedience to which Summons he appearing, and being charged with certain Paſſages ſavouring of Popery in his Comment on the *Church of* England *Catechiſm*, which he had made for the Uſe of his Scholars, was by them diſcharged from the Government of the School, though with a conſiderable Gratuity in Plate from them, after he had preſided here near twenty Years. The Particulars of this Affair may be ſeen at large in a Poſtſcript to a Book, intitled, *Contrivances of the fanatical Conſpirators in carrying on the Treaſons under Umbrage of the Popiſh Plot laid open: With Depoſitions*, &c. London, 1683. The Author of which ſtiles Mr. *Goad a pious and learned Perſon, ſo extraordinarily qualified for his Profeſſion, that a better could not be found in the three Kingdoms.*

He certainly was a Perſon of very good Eſteem, great Piety, and valuable Learning, though ſomething addicted to Aſtrology, and brought up many good Scholars. — Mr. *Strype* ſays, that, for ſome Time, he preſented King *Charles* with monthly Accounts of every Day's Wind and Weather.

Being thus diſmiſſed, he took an Houſe in *Piccadilly*, to which Place many of the genteeler Sort of his Scholars repairing to be by him further inſtructed, he ſet up a private School, and continued the ſame to the Time of his Death, which happened *October* 28, 1689. In his Place at *Merchant-Taylors* ſucceeded

John Hartcliffe, A. M. Siſter's Son to Dr. *John Owen*; which ſaid Doctor had been extremely active in the Ruin of Mr. *Goad*, that this his Nephew might come into his Preferment. He remained here about five Years, was afterwards D. D. and inſtalled Canon of *Windſor*, *Junii* 8, 1691. *Entranc*, Apr. 21, 1681. *See the Poſtſcript beforemention'd, p.* 34.

Ambroſe Bonwicke, B. D. ſucceeded him, and held the Maſterſhip from 1686 to 1691, when, refuſing the Oaths, he was ejected; and afterwards kept a private School at *Epſom* in *Surry*. 1686.

Matthew Shorting, D. D. was choſen Headmaſter in his room. This Gentleman was of *Jeſus* College, Mr. *Strype*'s old Fellow Collegian, and after Conduct of *King*'s College *Cambridge*. To him ſucceeded Oct. — 1691.

Thomas Parſell, B. D. who ſet forth *Liturgia: Seu Liber precum communium et adminiſtrationis ſacramentorum aliorumque rituum et ceremoniarum in Eccleſia Anglicana receptus*; which Book has been ſeveral Times reprinted. His Succeſſor in the School was Apr. 30. 1707.

Matthew Smith, D. D. on whoſe Death ſucceeded 1720.

John Criche, A. M. the preſent worthy Maſter of this School. Mart. — 1730.

The preſent Uſhers,

John Burn, B. C. L. *Viceſimus Knock*, B. C. L. *Thomas Green*, A. B.

The Gentlemen brought up at this School, Citizens and others, began an annual Feaſt in the Year 1698. The Collections made at theſe Feaſts, amounting to a conſiderable Sum, they do lay out upon Exhibitions, to be allowed to ſuch of the School as are ſuperannuated, and miſs of Elections.

An Account might be here ſubjoined of the many learned and eminent Perſons both in Church and State, who have received their firſt Rudiments of Education in this celebrated School: But as this is not ſo directly relative to our preſent Undertaking, and will furniſh ſufficient Matter for a diſtinct Hiſtory to any Writer who ſhall undertake that Taſk, we ſhall content ourſelves with mentioning the Names only of thoſe who more immediately occur to our Remembrance. Such are Dr. *Richard Latewar*, an ingenious *Latin* Poet, and a noted Preacher in the Reign of Queen *Elizabeth*: Dr. *Matthew Gwinne*, Profeſſor of Medicine in *Greſham* College: Dr. *John Rawlinſon*, Chaplain in ordinary to King *James* I. Dr. *John Buckridge*, conſecrated Biſhop of *Eminent Men educated there.*

of *Rocheſter*, *Anno* 1611. Dr. *Lancelot Andrews*, ſucceſſively Biſhop of *Chicheſter*, *Ely* and *Wincheſter*: Sir *James Whitlock*, Knt. one of the Juſtices of the *Common Pleas*, and of the firſt Fellows of the *College of Antiquaries*: Dr. *John Speed*, Son of the Chronologer, an eminent Phyſician and Anatomiſt: Dr. *Rowland Searchfield*, Lord Biſhop of *Briſtol*: Dr. *Mich. Boyle*, Lord Biſhop of *Waterford* and *Liſmore*; and Dr. *George Wilde*, Lord Biſhop of *London-derry* in *Ireland*: Lord Keeper *Whitlock*: Dr. *Joſeph Henſhaw*, Biſhop of *Peterborough*: Dr. *Edward Bernard*, *Savilian* Profeſſor of Aſtronomy in the Univerſity of *Oxford*: Dr. *William Juxon*, ſucceſſively Biſhop of *Hereford* and *London*, and at length Lord Archbiſhop of *Canterbury*: Dr. *Peter Mews*, Biſhop of *Bath* and *Wells*: Sir *William Dawes*, Bart. late Lord Archbiſhop of *York*: Sir *John Cook*, Knt. and LL. D. Dean of the *Arches*: And the preſent (*A.D.* 1720.) Lords Biſhops of *Lincoln*, *Rocheſter*, and *Saliſbury*.

Antiquities. *The Conduit.*

(1.) At the upper End of *Dowgate-hill* was erected, at the City Charge, a caſtellated Conduit for *Thames* Water, *A. D.* 1568, and was called, *The Conduit upon Dowgate*; between which and the *Thames* there was ſuch a Fall of Water, that in the Year 1574, on the 4th of *September*, the Channel roſe ſo high by a ſudden Fall of Rain, that a Lad of 18 Years old falling into it, as he endeavour'd to leap over it, was drowned, being carried away by the Violence of the Stream.

Jeſus Commons

(2.) Lower down on *Dowgate-hill* there was a Houſe, or College of Prieſts, called *Jeſus Commons*, a Houſe well furniſhed with Braſs, Pewter, Napery, Plate, *&c.* beſides a fair Library well ſtored with Books. All which of old Time were given to a Number of Prieſts that ſhould keep Commons there; and, as one left this Place by Death, or otherwiſe, another ſhould be admitted into his room.

Elbow-lane. *Old Hall.*

(3.) Down lower you have *Elbow-lane*; and at the Corner thereof was a great Stone Houſe, called *Old Hall*, ſome Time pertaining to *William de Pont le Arch*, and by him given to the Priory of St. *Mary Overy* in *Southwark* in the Reign of *Henry* I. This Lane runneth Weſt, and ſuddenly turneth South into *Thames-ſtreet*; and therefore, of that Bending, is called *Elbow-lane*.

William de Pont le Arch's Houſe. *The* Erber. *St.* Mary Bothaw.

(4.) On the Eaſt Side of *Dowgate-ſtreet* is the great old Houſe, called the *Erber*, near to the Church of St. *Mary Bothaw*. *Geffrey Scroope* held it by the Gift of *Edward* III. in the fourteenth Year of his Reign. It belonged ſince to *John Nevil*, Lord of *Raby*; then to *Richard Nevil*, Earl of *Warwick*. *Nevil*, Earl of *Saliſbury*, was lodged there in 1457. Then it came to *George*, Duke of *Clarence*, and his Heirs Male, by the Gift of *Edward* IV. in the fourteenth Year of his Reign.

The ſeveral Poſſeſſors of the Erber.

But to give a fuller, and that an authentick Account of this antient royal Meſſuage. The higheſt that *Stow* could go, was, that *Edward* III. gave it to one of the honourable Family of the *Scroopes*. The laſt Poſſeſſor of that Name was *William le Scroope*, Knt. who lived in the Reign of *Henry* IV. He gave it for Term of Life to his Brother *Ralph*, Earl of *Weſtmorland*, who married *Joan*, Daughter of the Duke of *Lancaſter*, who was his ſecond Wife: From whom deſcended *Richard*, Earl of *Warwick*, who poſſeſſed that Houſe. And, being ſlain at *Barnet* Field, after his Death this was given to *George*, Duke of *Clarence*, who married *Iſabel*, Daughter of the ſaid *Richard*, Earl of *Warwick*: Given to the ſaid Duke by Parliament, and to his Heirs, ſo long as there was Iſſue Male of the Marquis *Montacute*'s Body living. And if it chanced the ſaid Iſſue Male to die, during the Life of the ſaid Duke, then the ſaid Duke to remain ſeized for Term of Life, ſaving the Right to all others than the Marquis and his Iſſue. *Ralph Nevil*, Earl of *Weſtmorland*, died, ſeized thereof, the 4th of *Henry* VI. *Joan*, his Wife, the 19th Year of *Richard*, Earl of *Sarum* [Son to the ſaid Earl, of Dame *Joan*] the the 38th of the ſame King, and *Richard*, Earl of *Warwick* [Son of the ſaid *Richard*, Earl of *Sarum*] the 10th of *Edward* IV. and *George*, Duke of *Clarence* [who married *Iſabel*, a Daughter of *Richard*, Earl of *Warwick* and *Sarum*] the 18th of the ſame King. After his Death, *Edward*, his Son, was ſeized of it. After *George*, Duke of *Bedford* [Son of *John Nevil*, Marquis *Montacute*, Son of *Richard*, Earl of *Sarum*, aforeſaid] died without Iſſue Male, the firſt of *Edward* V. the Lands remaining in the Hands of *Edward*, Son to the Duke of *Clarence*, till the 15th of *Henry* VII. at which Time he was attainted. And ſo the Lands came to the Crown, and there remained till the third of *Henry* VIII. At which Time he gave it to *John*, Earl of *Oxford*, and the Heirs Male of his Body. And, *Anno* 4. the King gave the Reverſion to Sir *Thomas Bulleyn*, Knt. and the Heirs Male of his Body. *Anno* 5. he reſtored, by his Letters Patents, *Margaret*, Daughter and Heir to *George*, Duke of *Clarence*, and to all the Lands of *Richard*, Earl of *Sarum*, who by Colour of Reſtitution entered, and was attainted the 31ſt of *Henry* VIII. So the Lands came back to the Crown, and were given, the 32d of the ſame King, to Sir *Philip Hoby*, who the 36th ſold it to one *Doulphin*, a Draper, who, *Anno* 1 *Mariæ*, ſold it to the Company of *Drapers*.

But, notwithſtanding this Account by ſome Lawyers and Hiſtorians in thoſe Days, it appears by the Rolls, *Anno* 6. *Henry* IV. that there was a Surrender of this Meſſuage of the *Erber* from *Ralph*, Earl of *Weſtmorland*, to the King, for the Uſe of *John Darrel* and *Walter de Arkham*. And *Richard* III. poſſeſſed this *Erber*, called then, *The King's Palace*. And one *Ralph Dowel*, one of the Yeomen of the Crown, was Keeper of this Place to the ſaid King *Richard*, who made divers Reparations, as well upon the ſaid Place, as other Houſes thereunto belonging; particularly a Brewhouſe, called the *Checquer*, belonging to the ſame, as appeareth by a Ledger-Book of that King's, wherein the Accounts of the ſaid *Ralph* are ſaid to be examined by *John Hewyk*, one of the King's Auditors: And that Orders were given to *Lethington*, Bailiff of the Lordſhip of *Clavering* in *Eſſex*, to content him, 14*l.* 18*s.* 3*d. ob.* remaining behind in Arrears due to him for the ſaid Reparations.

It was held by K. Richard III.

The Checquer *Ledger of King* Richard III.

It was rebuilt by Sir *Thomas Pulliſon*, Mayor; and was afterwards inhabited by Sir *Francis Drake*, that famous Warrior and Navigator.

Sir Francis Drake *dwelt there.*

Grantham's-lane is ſo called of *John Grantham*, ſome Time Mayor and Owner thereof, whoſe Houſe was very large ſtrong, built of Stone, as

Grantham's-lane.

appeareth by the arched Gates yet remaining. *Ralph Dodmer*, firſt a Brewer, then a Mercer, Mayor in 1529, dwelled there, and kept his Mayoralty in that Houſe. It is now a Brew-houſe, as it was before.

Coſin-lane.

(6.) Eaſt from this *Dowgate* is *Coſin-lane*, named of one *William Coſin*, that dwelled there in the 4th of *Richard* II. as divers his Predeceſſors, Father, Grandfather, *&c.* had done before him. *William Coſin*, dwelling there, was one of the Sheriffs in the Year 1306, the 34th of *Edward* I. That Houſe ſtandeth at the South End of the Lane, having an old and artificial Conveyance of *Thames* Water into it, and is a Dye-houſe, called *Lombard's Meſſuage*. Adjoining to that Houſe, there was erected an Engine to convey *Thames* Water to *Dowgate* Conduit aforeſaid.

A Ginn to convey Thames *Water to* Dowgate *Conduit.*

Cold harbour.

(7.) In the 13th of *Edward* II. Sir *John Abel*, Knt. demiſed or let unto *Henry Stow*, Draper, all that his capital Meſſuage, called the *Cold Harbrough*, in the Pariſh of *All Saints ad Fænum*, and all the Appurtenances within the Gate, with the Key which *Robert Hartford*, Citizen, Son to *William Hartford*, had, and ought, and the foreſaid *Robert* paid for it the Rent of 33 *s.* the Year. This *Robert Hartford* being Owner thereof, as alſo of other Lands in *Surrey*, deceaſing without Iſſue Male, left two Daughters his Coheirs, to wit, *Idonea*, married to Sir *Ralph Bigot*, and *Maud*, married to Sir *Stephen Coſenton*, Knts. between whom the ſaid Houſe and Lands were parted. After which *John Bigot*, Son to the ſaid Sir *Ralph* and Sir *John Coſenton*, did ſell their Moieties of *Cold Harbrough* unto *John Poultney*, Son of *Adam Poultney*, the the eighth of *Edward* III. Thus Sir *John Poultney*, dwelling in this Houſe, and being four Times Mayor, the ſaid Houſe took the Name of *Poultney*'s Inn. Notwithſtanding, this Sir *John Poultney*, the twenty-firſt of *Edward* III. by his Charter, gave and confirmed to *Humfrey de Bohune*, Earl of *Hereford* and *Eſſex*, his whole Tenement, called *Cold Harbrough*, with all the Tenements and Key adjoining, and Appurtenances ſome Time pertaining to *Robert de Hertford*, on the Way called *Hay-Wharf-Lane*, &c. for one Roſe at *Midſummer*, to him and his Heirs, for all Services, if the ſame were demanded. This Sir *John Poultney* deceaſed 1349, and left Iſſue, by *Margaret*, his Wife, *William Poultney*, who died without Iſſue: And *Margaret*, his Mother, was married to Sir *Nicholas Lovel*, Knight, *&c.* *Philip St. Clear* gave two Meſſuages, pertaining to this *Cold Harbrough*, in the *Ropery*, towards the Inlarging of the Church and Church-yard of *All Saints*, called *the Leſs*, in the twentieth of *Richard* II.

In the Year 1397, the 21ſt of *Richard* II. *John Holland*, Earl of *Huntington*, was lodged there, and *Richard* II. his Brother dined with him. It was then accounted a very fair and ſtately Houſe. But in the next Year following, *Edmond*, Earl of *Cambridge*, had this Houſe; and was there lodged in the Year 1398; notwithſtanding the ſaid Houſe ſtill retained the Name of *Poultney*'s Inn, in the Reign of *Henry* VI. the twenty-ſixth of his Reign. It belonged ſince to *H. Holland*, Duke of *Exeter*, and he was lodged there in the Year 1472. In the Year 1485, *Richard* III. by his Letters Patents, granted and gave to *John Writh*, alias *Garter*, principal King of Arms of *Engliſhmen*, and to the reſt of the King's Heralds and Purſuivants of Arms, all that Meſſuage with the Appurtenances, called *Cold Erber*, in the Pariſh of *All Saints the Leſs*, in *London*, and their Succeſſors, for ever. Dated at *Weſtminſter*, the ſecond of *March*, *Anno regni ſui primo*, without Fine or Fee. In the Reign of *Henry* VIII. the Biſhop of *Durham*'s Houſe, near *Charing-Croſs*, being taken into the King's Hand, *Cuthbert Tonſtal*, Biſhop of *Durham*, was lodged there.

Cold-harbour *granted to the Heralds.*

The Biſhop of Durham *lived here.*

This great Houſe Biſhop *Tonſtal* enjoyed even to the laſt Year of King *Edward* VI. that is, to the Year 1553; when, the Biſhop being under ſome Cloud, and depoſed from his Biſhoprick, they took from him this Houſe alſo; which the King granted to the Earl of *Shrewſbury*, with the Appurtenances to the ſaid Meſſuage belonging, together with ſix Houſes or Tenements in the Pariſh of St. *Dunſtan's in the Eaſt*, and divers other Lands in the County of *York*, to him and his Heirs, to the yearly Value of 66 *l.* 16 *s.* 1 *ob.* The Teſt of the Patent was the 30th of *June*, the King dying but ſix or ſeven Days after.

Cold-harbour *came to the Earl of* Shrewſbury.

What Title the Earls of *Shrewſbury* had in former Times to *Cold-harbour*, does not appear; but it appears by Letters Patent, dated from thence, that that Houſe was inhabited by them, and their Servants, not far from the Beginning of King *Henry* VIIIth's Reign.

CHAP. XXII.

Of FARINGDON WARD *Within.*

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name. Bounds. Extent. Modern State. Government. Aldermen and Common-Council. Pariſhes and Churches. Companies Halls. St. Paul's *School. College of Phyſicians.* Chriſt's Hoſpital. Black-Friars. Newgate. Ludgate. *Antiquities.*

Its Name.

THE Name of this Ward, and of *Faringdon without*, which two Wards in antient Times had but one Alderman, and that not by Election, but by Inheritance or Purchaſe, as more fully appears by the following Abſtract of a Deed, is derived from one of its Poſſeſſors.

"*Thomas de Ardene*, Sonne and Heire to Sir "*Ralph Ardene*, Knt. granted to *Ralphe le Feure*, "Citizen of *London*, one of the Sheriffs in the "Year 1277, all the Aldermanrie, with the "Appurtenances, within the City of *London*, "and Suburbs of the ſame, between *Ludgate* "and *Newgate*, and alſo without the ſame Gates; "which Aldermanrie *Ankerinus de Averne* held "during his Life, by the Grant of the ſaid *Tho-* "*mas de Ardene*. To have and to hold unto the "ſaid *Ralph*, and to his Heires, freely without "all Challenge; yeelding therefore yeerely to "the ſaid *Thomas*, and his Heires, one Clove (or "Slip) of *Gilliflowers*, at the Feaſt of *Eaſter*, for "all ſecular Service and Cuſtome, with Warrantie "unto

entatives of this City in Parliament. & to William Bridgen Esq.r Alderman of Farringdon Ward within. 1755.

" unto the ſaid *Ralph le Feure*, and his Heires, " againſt all People, Chriſtians and Jewes, in " Conſideration of 20 Markes, which the ſaid " *Ralph le Feure* did give before-hand, in Name " of a Gerſum or Fine, to the ſaid *Thomas*, &c. " Dated the 5th of *Edward* I.

" *Witneſſe*, G. de Rokeſley, *Maior*.
" R. Arrar, *one of the Sheriffes*.
" H. Wales,
" P. le Taylor,
" T. de Baſſing,
" J. Horn,
" N. Blackthorn, *Alderman of* London."

After this, *John le Feure*, Son and Heir to the ſaid *Ralph le Feure*, granted to *William Farendon*, Citizen and Goldſmith of *London*, and to his Heirs, the ſaid Aldermanry, with the Appurtenances, for the Service thereunto belonging, in the 7th of *Edward* I. in the Year of Chriſt 1279. This Aldermanry deſcended to *Nicholas Farendon*, Son to the ſaid *William*, and to his Heirs. Which *Nicholas Farendon*, alſo a Goldſmith, was four Times Mayor, and lived many Years after. He made his Will 1361, which was fifty-three Years after his firſt being Mayor, and was buried in St. *Peter's* Church in *Cheap*. So this Ward continued under the Government of *William Farendon*, and *Nicholas* his Son, the Space of fourſcore and two Years, and retains their Name unto this preſent Day.

The Addition of *within* is on Account of this Part of *Faringdon* Ward's lying *within the Walls* of *London*, containing the antient Wards of *Newgate* and *Ludgate* (See Page 105.) in Diſtinction to the other Part, which was *without the Walls*, or the antient Ward *Fori*, the firſt in the Catalogue of Wards mentioned on p. 105. both of them being purchaſed by *William Farendon*, as above. And this *Addition* was given to each Part by Act of Parliament, when that large Poſſeſſion of the *Farendons* was divided into two Aldermanries to be governed by two Aldermen. See Page 182.

Bounds. This Ward is bounded on the Eaſt by *Cheap* Ward and *Caſtle-Baynard* Ward; on the North, by *Alderſgate* Ward, *Cripplegate* Ward, and the Liberty of St. *Martin's-le-Grand*; on the Weſt by *Faringdon without*; and on the South by *Caſtle-Baynard* Ward, and the River of *Thames*.

Extent. In taking its Extent, let us proceed from the Eaſt: It begins where the great Croſs ſtood in *Weſt-cheap*; from thence it runs Weſt, on the North Side where the Pariſh-Church of St. *Peter* ſtood, which was at the South-Weſt Corner of *Wood-ſtreet*, to *Gutter-lane*; and down that Lane to *Huggen-lane* on the Eaſt Side, and to *Kery-lane* on the Weſt.

Then again into *Cheapſide*, and to *Foſter-lane*; and down that Lane, on the Eaſt Side, to the North Side of St. *Foſter's* Church; and on the Weſt, till over-againſt the South-Weſt Corner of the ſaid Church; from thence down *Foſter-lane* and *Noble-ſtreet*, which is all of *Alderſgate-ſtreet* Ward, till you come to the Stone Wall on the Weſt Side of *Noble-ſtreet*; then by the ſaid Wall, down to *Windſor-houſe*, or *Nevil's-Inn*; and down *Monks-well-ſtreet*, on the Weſt Side; and then by *London-wall* to *Cripplegate*; and the Weſt Side of that ſame Gate is all of *Faringdon* Ward.

Then back again into *Cheapſide*; and from *Foſter-lane* End, to St. *Martin's* End; and from thence through St. *Nicholas Shambles* by *Pentecoſt-lane*, and *Butchers-alley*, and by *Stinking-lane*, thro' *Newgate-market*, to *Newgate*. All which is the North Side of *Faringdon* Ward.

Then on the South, from againſt the Place of the great Croſs in *Cheap*, Weſt from *Friday-ſtreet*; and down that Street, on the Eaſt Side, till over-againſt the North-Eaſt Corner of St. *Matthew's* Church; and on the Weſt Side, till the South Corner of the ſaid Church.

Then again along *Cheap* to the *Old Exchange*, and down that Lane, on the Eaſt Side, to the Pariſh-Church of St. *Auguſtine*; which Church, and one Houſe next adjoining in *Watling-ſtreet*, are of this Ward. And then on the Weſt Side of this Lane it ran to the Eaſt Arch or Gate by St. *Auguſtine's* Church, which entered the South Church-yard of St. *Paul's*, and which Arch was built by *Nicholas Farendon* about the Year 1361; and within the Gate, all that was formerly called the North Church-yard was of this Ward.

Then again into *Cheap*, and from the North End of the *Old Exchange* Weſt, where the North Gate of St. *Paul's* Church-yard ſtood, up *Pater-noſter-row*, to within about twelve Doors of *Ave-mary-lane*; the Weſt Side of which Lane is of this Ward.

Then at the South End of *Ave-mary-lane* is *Creed-lane*, the Weſt Side whereof is alſo of this Ward.

Betwixt the South End of *Ave-mary-lane*, and the North End of *Creed-lane*, was the coming out of St. *Paul's* Church-yard, on the Eaſt; and the High Street, called *Bowyer-row*, now *Ludgate-ſtreet*, on the Weſt, which goes to *Ludgate*, is of this Ward; on the North Side whereof is St. *Martin's* Church, and on the South the Turning into *Black-friars*.

Now to turn up again to the North End of *Ave-mary-lane*, there is a ſhort Lane on the Weſt End of it, called *Amen-lane*, or *Amen-corner*.

Then on the North Side of *Pater-noſter-row*, beginning where the Conduit ſtood, over-againſt the *Old Exchange-lane* End, and going Weſt by which ſtood St. *Michael's* Church, at the Weſt End of which was a ſmall Paſſage thro' toward the North, and at ſome ſmall Diſtance another Paſſage, which is called *Panier-alley*, and comes out againſt St. *Martin's-le-Grand*.

Then farther Weſt, in *Pater-noſter-row*, is *Ivy-lane*, which runs North to where ſtood the Weſt End of St. *Nicholas Shambles*.

The Weſt Side of *Warwick-lane* is of this Ward; but the Eaſt Side of that, of *Ave-mary-lane*, and of *Creed-lane*, with the Weſt End of *Pater-noſter-row*, are all of *Baynard's-caſtle* Ward.

To begin again from the Place of the Conduit by the *Old Exchange*; on the North Side thereof was a large Street that ran up to *Newgate*, the firſt Part to the *Shambles*, called *Bladder-ſtreet*. On the Back-ſide of the Shambles were many Slaughter-houſes, and ſuch-like, belonging to the Shambles, and called *Mount-godard-ſtreet*. Then were the *Shambles*, and then *New-*

Newgate-market; and ſo the whole Street on both Sides up to *Newgate*, all of this Ward, which is the fartheſt Extent of it.

Modern State.

Ludgate-ſtreet.

Ludgate-ſtreet is a Street of a very great Reſort, both for all ſorts of Carriages, *&c.* through *Ludgate* towards *Fleet-ſtreet*, and other Weſtern Parts of the City, and *Weſtminſter*; and from thence into the City: For which Reaſon it enjoys a very great Trade, being taken up by conſiderable Dealers in Mercery, *&c.* Towards the Eaſt it fronts the Weſt End of St. *Paul's*.

Black-friars.

Black-friars hath a narrow Paſſage out of *Ludgate-ſtreet*; but, turning by the Back-ſide of *Ludgate* Priſon, it falleth into an open Place with very good Buildings, well inhabited by Tradeſmen. Which ſaid Street runneth down Southwards to the *Thames*: That Part by *Apothecaries-hall*, and ſo downwards, is called *Water-lane*; and hath a handſome Pair of Stairs to take Water at, where Plenty of Watermen ply; And, in its Paſſage to the Water-Side, takes in ſeveral Courts and Yards:

Baniſter-court.

As, *Baniſter's-court*, which is but ordinary. Oppoſite to which is the Houſe of the Lady *Fitch*, Relict of Sir *Thomas Fitch*, Knt. and Baronet; now, or late, the Dwelling of Sir *John de Laune*; a good large and handſome Building, with a graceful Front towards the *Thames*. *Hugh's-court* hath a Paſſage into *Duke Humfrey's*, which falls into *Puddle-dock*: And out of *Duke Humfrey's* is a Paſſage into *Cloyſter-court*, and ſo into *Ireland-yard*, which comes into *Puddle-dock-hill*: And in this Paſſage receives *Jackſon's-court*, *Canterbury-court*, and *Ireland-yard*, all Places of ſmall Account. And out of *Ireland-yard* are *Friars-court* and *New-ſtreet*, both which are but ordinary, and fall into *Shoemakers-row*, which comes out of *Black-friars* in the broad Place, and falls into *Creed-lane*, againſt *Carter-lane* End. This *Shoemakers-row* is a Place of ſome Trade, and pretty well inhabited: And here are ſome ſmall Courts, as *Cobs-court*, &c. And out of this *Row* is *Church-entry*, but narrow and ordinary; and falls into *Glaſs-houſe-yard*, by St. *Ann*'s Church. This is a pretty open Place, with good Buildings, and better inhabited than moſt of the other Places; and hath a Paſſage into *Water-lane*.

King's Printing-Houſe.

The King's *Printing-houſe-yard*, ſo called from the King's *Printing-houſe*, there ſeated; a good convenient and large Building for that Uſe: The King's Printers there printing Bibles in Volumes, alſo Proclamations, and what concerns the publick Uſe. This Houſe was burnt down about the Year 1742, but has been rebuilt, and made the completeſt Printing-houſe in the World.

The Scotch-hall.

The *Scotch-hall*, a large Houſe, ſeated as well in *Water-lane*, as on the *Ditch-ſide*; made uſe of by *Scotchmen* on particular Occaſions. In the Corner of *Black-friars*, by *London-wall*, is *Worley-court*, which is but ſmall. And this hath a Paſſage into the *Ditch-ſide*; the Eaſt Side of which, all along to the Water Side, is in this Pariſh; and for the generality built with good Houſes, and well inhabited.

Creed-lane.

Creed-lane, formerly called *Spurrier-row*, is much peſtered with Carts and Carrs to *Puddle-dock*, and other Wharfs on the Water-Side, which makes it to be not over well inhabited. The Weſt Side is in this Ward, the Eaſt in *Caſtle-Baynard*. Out of this Lane are two Paſſages into *Holiday-Yard* or *Court*, which is a pretty large Place, but of no great Account: And here are two Courts in it, and both bearing the ſame Name. This Lane comes out of *Ludgate-ſtreet*, againſt *Ave-mary-lane*, and falleth into *Puddle-dock-hill*. On the Eaſt Side of this Lane is *Scollop-court*, indifferent good, with a Free-ſtone Paſſage into *Carter-lane*, againſt *Puddle-dock-hill*.

Ave-mary-lane.

Ave-mary-lane hath good Houſes, many of which are inhabited by noted Bookſellers, Printers and Tradeſmen. On the Weſt Side is an open ſquare Court, with good Houſes, called *Stationers-rents*. Out of which Court is a Paſſage into *Amen-corner*, and another into *Stationers-hall*: Cloſe to this Hall is a Paſſage through *Cock-alley* into *Ludgate-ſtreet*; which Alley is but narrow at the Entrance, but againſt the Hall it is good and airy, fronting the Hall.

Amen-corner.

Amen-corner, ſhort, but well built and inhabited, fronting *Pater-noſter-row*. At the upper End was ſeated the *College of Phyſicians*, burned by the general Fire of *London*. Since which, in that Place, are erected three fair Houſes, now the Seats of the Reſidentiaries of St. *Paul's*.

Warwick-lane.

Warwick-lane runneth Northwards into *Newgate-ſtreet*; the Weſt Side being in this Ward, and the Eaſt in *Caſtle-Baynard*. On the Weſt Side are theſe Places: *Oxford-arms-Inn*, very conſiderable, and well reſorted unto; the *Inn* ſtands backwards, and the Paſſage to it hath ſmall Houſes on both Sides. *Warwick-court*, a very handſome, ſpacious and airy Square, with an open Paſſage for Coaches into it; is graced with very good large Buildings, and well inhabited by Perſons of Repute. On the Eaſt Side of this Lane, is *White-hart-ſtreet*, which gives a Paſſage into *Newgate-market*, inhabited by Poulterers, and ſuch Trades whoſe Dependence is on the Market.

Newgate-ſtreet.

Newgate-ſtreet, well inhabited by good Tradeſmen, comes out of *Cheapſide*, and *Blowbladder-ſtreet*, and runs to *Newgate*, the City Goal for Malefactors. Adjoining to this Priſon, on the North Side, is *Swan-yard*, a pretty long Court, but ordinary. *Phenix-court*, adjoining to *Newgate*, on the South Side, a good handſome Place, with a Free-ſtone Pavement, and good Houſes.

The Part of *Newgate-ſtreet*, from *Cheapſide Conduit*, a little above St. *Martins-le-Grand*, unto the *Shambles*, was called *Blowbladder-ſtreet*, from the *Bladders* there ſold in former Times.

Butchers-hall-lane.

The Butchers inhabiting in this Street had formerly their Slaughter-houſes in *Butchers-hall-lane*, which was then called *Stinking-lane*, from the Naſtineſs of the Place; but now it is kept pretty clean: And here the Company of *Butchers* had their Hall. This Lane cometh out of *Newgate-ſtreet*, and paſſing by *Chriſt-church*, into which it hath an Entrance, falls into *Bull-and-Mouth-ſtreet*, which leadeth to St. *Martin's-le-Grand*: But this is in *Alderſgate* Ward.

Angel-ſtreet.

Out of this Lane is another Paſſage into *Angel-ſtreet*, an indifferent Place, and is but Part in this Ward. Over-againſt *Chriſt-church*, is *Crow-*

Crow-court, which is but ſmall. Near unto this Lane is the *Bagnio*, a neat contrived Building, after the *Turkiſh* Mode, for that Purpoſe; ſeated in a large handſome Yard, and at the upper End of *Pincock-lane*, which is indifferent well built and inhabited. This *Bagnio* is much reſorted unto for Sweating, being found very good for *Aches*, *&c.* and approved of by our Phyſicians.

Pentecoſt-lane. On the North Side of the *Shambles* was *Pentecoſt-lane*. Here was antiently a Church and Churchyard, afterwards a large Square; and is now called *Bull-head-court*; which is pretty well inhabited and built.

Chriſt-church. *Chriſt-Church* was conſumed in the Conflagration of the City. And that Part called *The New Church*, which was made uſe of before, is rebuilt very handſome, at the Charges of the Pariſhioners of this Pariſh, and St. *Leonard Foſter-lane*, which is united to it.

Grey-friers-court. Adjoining to *Chriſt* Church and Hoſpital, is a Court, which retaineth the Name of the *Grey-friers-court*; a pretty large Place, having a Paſſage into the ſaid Hoſpital, and another into *Newgate-ſtreet*. And this Hoſpital gives a Paſſage out of *Newgate-ſtreet*, through the *Cloiſters* and *Long-walk*, into St. *Bartholomew's* Hoſpital, and ſo into *Smithfield*; being a great Thoroughfare all the Day long: But at Night the Hoſpital Gates are ſhut up, at eight in the Winter, and ten in the Summer, as well to this Paſſage, as the *Town-Ditch*, which leadeth to *Little Britain*.

Newgate-market. *Newgate-market*, before the late dreadful Fire of *London*, was kept in *Newgate-ſtreet*; where there was a Market-houſe only for Meal, and a middle Row of Sheds, which afterwards were converted into Houſes, and inhabited by Butchers, Tripe-ſellers, *&c.* And the Country People, which brought Proviſions to the City, were forced to ſtand with their Stalls in the open Street; to the Damage of their Goods, and Danger of their Perſons, by the Coaches, Carts, Horſes, and Cattle, that paſſed through the Street. But ſince the nominating of convenient Places in the City for publick Markets, by Act of Parliament, which appoints the Lord-Mayor, Aldermen, and Commoners, to appoint proper Places, they have found out a moſt convenient Place for this Market, and near adjoining; being ſituate between *Newgate-ſtreet* on the North, and *Pater-noſter-row* on the South; and between *Warwick-lane* on the Weſt, and *Ivy-lane* on the Eaſt. The greateſt Part of which Market is in this Ward, and the other Part in *Caſtle-Baynard* Ward.

The Market Place. The Market-place is a ſquare Piece of Ground, which is incompaſſed with fair Houſes, built according to the ſecond Rate of Building. In the middle of the Market-place, which is 148 Foot broad from North to South, and 194 Foot long from Eaſt to Weſt, there is erected a ſpacious Market-houſe, in Form of a Croſs, ſtanding upon twenty-four Pillars or Columns, and aſcended up into the Market-houſe, by two or three broad Stone Steps at all the Entrances. Under this Market-houſe are Vaults or Cellars; and over it ſeveral Rooms, for the Stowage of the Fruiterers, and other Goods, in the Night; and over all a fair *Cupola*, or *Bell-tower*. This Market-houſe is made uſe of for Fruit, Herbs, *&c.* And round about it, at a convenient Diſtance, are Stalls for Butchers; as are Stalls alſo, by the Sides of the Houſes, for Butchers and Poulterers. This Market is very well ſerved with all Sorts of Butchers Meat, and Poulterers Ware; alſo with Fruit, Herbs, Butter, Eggs, *&c.* The Paſſages into this Market are, out of *Newgate-ſtreet*, through *Roſe-ſtreet*, which is broad, but ſhort; well built, and inhabited by Butchers and Fiſhmongers: Another out of *Warwick-lane*, through *White-hart-ſtreet*, but ſhort alſo; inhabited by the like Tradeſmen: Another out of *Pater-noſter-row*, through a ſhort Alley: And two others out of *Ivy-lane*.

Swan-alley. More Eaſtward from this Market, and in *Newgate-ſtreet*, is *Swan-alley*, which is but ordinary. *Three-cup-court*, pretty ſmall; at the upper End of which is a Paſſage into *Pater-noſter-row*, through the *King's-arms* Tavern. *King's-head-court*, very ſmall.

Pater-noſter-row. *Pater-noſter-row*. This Street, before the Fire of *London*, was taken up by eminent Mercers, Silk-men, and Lace-men; and their Shops were ſo reſorted unto by the Nobility and Gentry, in their Coaches, that oft times the Street was ſo ſtopped up, that there was no Paſſage for Foot-Paſſengers. But, ſince the ſaid Fire, thoſe eminent Tradeſmen have ſettled themſelves in ſeveral other Parts; eſpecially in *Ludgate-ſtreet*; and in *Bedford-ſtreet*, *Henrietta-ſtreet*, and *King-ſtreet*, *Covent-garden*. And the Inhabitants in this Street are now a Mixture of Trades People, ſuch as Tire-Women, or Milliners, for the Sale of Topknots, and the like Dreſſings for the Females. There are now many Shops of Mercers, Silk-men, eminent Printers, Bookſellers and Publiſhers. A.D. 1720 A.D. 1755

This Street begins Eaſt at *Cheapſide*, and runneth up to *Amen-corner*; from which it is ſevered by *Warwick-lane* and *Ave-mary-lane*. This Street hath a Paſſage into theſe Places: On the South Side, a ſmall Alley which leads to the Weſt End of St. *Paul's*, through *London-houſe-yard*; where formerly the Biſhops of *London* had their Houſe or Palace. *Paul's-alley*, a Place of ſmall Trade, and very narrow, and falleth on the North Side of St. *Paul's*; and about the middle divideth itſelf into two Parts, the one running ſtrait South, and the other Weſtwards. On the Eaſt Side is a Paſſage into *Petty-canons*, indifferent large, and now converted into Buildings; having at the upper Part or End a Paſſage into *Paul's* Churchyard, near *Petty-canons-alley*, which is a good open Place, with a Free-ſtone Pavement, leading into *Pater-noſter-row*.

Mermaid-court. Then on the North Side of this *Pater-noſter-row*, next to *Warwick-lane*, is *Mermaid-court*, a pretty handſome Place, with a Free-ſtone Pavement. Next is the Paſſage into *Newgate-market*.

Ivy-lane. *Ivy-lane* is well built and inhabited, and falleth into *Newgate-ſtreet*, having two Paſſages into *Newgate-market*, as aforeſaid; and on the Eaſt Side is *Sun-court*, which is but ſmall.

Lovel's-court. *Lovel's-court* is a handſome large Place, with good Buildings, well inhabited. *Queen's-head-alley*, ſo called from the *Queen's-head* Tavern, there

seated in an open, square Court, from which it hath a long Passage into *Newgate-street*. *Pannier-alley*, near unto *Cheapside*; it leads into *Blow-bladder-street*, and is said to be the highest Ground within the City Walls; wherein is a Stone Pedestal supporting a Pannier, with the Figure of a Boy thereon, and this Inscription:

Pannier-alley.

"When you have sought the City round,
"Yet still this is the highest Ground."

On the West Side of this Alley is *Eagle-and-child-court*, which is but small.

A little Eastward from *Pannier-alley*, *Blow-bladder-street* and *Pater-noster-row*, like two Rivulets, joining into one, fall into *Cheapside*; and just here, fronting *Cheapside*, stood the Parish-Church of St. *Michael's Quern*, which, since the great Fire of *London*, whereby it was consumed, is not rebuilt, but the Parish is united to St. *Vedast*, alias *Fosters*.

St. Michael's Quern Church.

Cheapside. This Street of *Cheapside* is spacious and large, graced with very lofty Buildings, which are well inhabited by Goldsmiths, Linen-Drapers, Haberdashers, Druggists, and other noted Tradesmen, being the chief high Street in the City, and of a very great Resort, as leading to and from the *Royal-Exchange* to all Parts Westward. This Street is seated in several Wards; as, the Part in this Ward goeth to *Wood-street*, taking in St. *Peters Cheap* Church-yard; then *Cripplegate* Ward begins, which goeth to *Milk-street*; then *Cheap* Ward begins, which taketh in the rest of the Street to the *Poultry*: And, on the South Side, this Ward runneth a little beyond *Friday-street*; then *Bread-street* Ward begins, and runs almost to St. *Mary le Bow* Church; and a little beyond the said Church *Cheap* Ward begins, and runs into the *Poultry*, and down *Bucklersbury*. See *Bread-street* and *Cheap* Wards.

Foster-lane. *Foster-lane* is well built for Business, and, for the Generality, inhabited by Working Goldsmiths. There is but a very small Part of this Lane in this Ward, not above two Houses beyond the Church. And to this Ward belongs the West Side of *Noble-street*, in Part, and *Monkswell* or *Mugwell-street*, and the North Side of *Hart-street* unto *Cripplegate*; which is a narrow Slip of Ground, and apart from the rest of the Ward; the other Sides being on *Cripplegate* Ward, and joining to the said Ward.

Half-moon-alley. Near unto this Lane, in *Cheapside*, is *Half-moon-alley*, but small; at the upper End of which is a Tavern, which gives a Passage into *Foster-lane*, and another into *Gutter-lane*.

Gutter-lane. *Gutter-lane*, narrow, and inhabited chiefly by Engravers, and others who work for Silversmiths.

Embroiderers-hall Here the Company of *Embroiderers* have their Hall. In this Lane are these Places: *Day's-court*, on the East Side, indifferent good.

Goldsmiths-street *Goldsmiths-street* leadeth to *Wood-street*, against the *Compter*, indifferent good; but of this Street the greatest Part is in *Cripplegate* Ward. *Dove-court*, but small and ordinary, seated on the West Side against *Goldsmiths-street*.

Innholders-hall. *Innholders hall*, a pretty, handsome Building. *King's-head-court*, a pretty, square Place, seated against *Innholders-hall*. Near unto this is *Stone-court*, but small. More Northwards, and on the West Side, is

Kery-lane. *Kery-lane*, a pretty handsome Place, and of some Trade, having a Passage into *Foster-lane*; but little or no Part is in this Ward, but in *Aldersgate* Ward.

Wood-street. *Wood-street* hath but a small Part in this Ward, only the West Side, taking in the Church-yard of

St. Peters Cheap. St. *Peters Cheap*; the Church not being rebuilt since the great Fire, and the Parish united to that of St. *Matthew Friday-street*.

Friday-street. *Friday-street*, as far as the Church of St. *Matthew Friday-street*, is in this Ward, the rest in *Bread-street* Ward.

By this Church is a Free-stone Passage, which leads to the back Door of the *Fountain* Tavern in *Cheapside*.

Betwixt *Friday-street* and the *Old 'Change* is *Star-court*, a pretty large Place. Then *Shepherds-court*, very handsome, well built, and inhabited.

The Old 'Change. The *Old 'Change*. This Street begins in *Cheapside*, and falls into *Old Fish-street*; but the Part in this Ward goeth but to St. *Austin's* Church; and then the West Side, unto *Old Fish-street*, is in *Castle-Baynard* Ward; and, on the East Side, in *Bread street* Ward.

This Street, taken from *Cheapside* to *Old Fish-street*, is of a pretty good Trade, well built and inhabited. The Courts and Alleys, beginning next *Cheapside*, and so to the *Old 'Change*, are, *Swan-court*, but small, having a Passage through a Publick-house, called the *Swan*, into St. *Paul's* Church-yard. *Green-dragon-court*, indifferent good. *Three-dagger-court*, but small. *Purse-court*, a very handsome, square Place, with good Buildings, and Inhabitants answerable, with a Free-stone Pavement. *Lamb-alley*, long and ordinary. *Crane-court*, a good handsome Place. *Crown-court*, very good, the front Part taken up by a Painter, seated opposite to *Distaff-lane*. *Black-horse-court*, narrow and ordinary. *Phœnix-court* and *Gingerbread-court*, both small and ordinary.

Passing out of this Street through St. *Austin's-gate*, (which Name it retaineth, although the Gate, since the Fire of *London*, is not built, but lieth open) you enter into St. *Paul's* Church-yard,

St. Paul's Church-yard. a spacious Place, and on all Sides begirt with very good Buildings, inhabited by great Traders; the East and South Sides generally by Cabinet and Chair-makers, Woollen-drapers, *&c.* Part of the East Side is taken up by St. *Paul's School*.

St. Paul's School. The North Side, which is the most spacious, is taken up by Booksellers, Opticians, Goldsmiths, Toyshops, *&c.* And the West Side fronteth *Ludgate-street*, where it is very spacious, and hath a very beautiful Prospect from St. *Paul's*.

Watch. There are to watch in the several Stands in this Ward, every Night, one Constable, a Beadle, and forty Watchmen.

Jury. The Jury returned by the Inquest for this Ward are to serve in the several Courts holden in the *Guildhall* in the Month of *September*.

Government. It hath an Alderman, his Deputy, twelve Common-Councilmen, seventeen Constables, eighteen Scavengers, eighteen Wardmote-Inquestmen, and a Beadle; and is taxed to the Fifteenth in *London* at fifty Pounds, and in the *Exchequer* at fifty-three Pounds six Shillings and eight Pence.

The

Alderman and Common-Councilmen.

The Alderman (in 1755) is *William Bridgen*, Esq; The Common-Councilmen are, Mr. *Michael Martindale*, Deputy, Mr. *Thomas Parr*, Mr. *Robert Mohun*, Mr. *John Faſhion*, Mr. *Edward Newman*, Mr. *John Walker*, Mr. *Richard Stephens*, Mr. *David Rice*, Mr. *John Rivington*, Mr. *Edward Say*, Mr. *Maurice Griffith*, Mr. *Randal Wickſteed*, Mr. *Samuel Seawell*, Mr. *John Sclater*, Mr. *John Paterſon*, Mr. *Thomas Smith*, and Mr. *Richard Harwood*.

Memorable Things.

As the Bounds of this Ward are very extenſive, we meet with a great Variety of Things therein worthy of our Attention.

Churches and Pariſhes.

Firſt, There is the *Metropolitan* Church or Cathedral of St. *Paul's:* The Pariſhes and Churches of (1.) St. *Vedaſt* in *Foſter-lane*, (2.) *Chriſt-Church* in *Newgate-ſtreet*, (3.) St. *Auguſtine's*, (4.) St. *Martin's* near *Ludgate*, (5.) St. *Matthew's Friday-ſtreet*, (6.) St. *Anne's Black-friars*; and the Pariſhes of (1.) St. *Peter's Cheap*, (2.) St. *Faith's*, (3.) St. *Michael's Querne:* Of which particularly in our Parochial Hiſtory.

Halls.

Secondly, The *Halls* for the Meetings of ſeveral Companies, as,

Embroiderers-hall

(1.) *Embroiderers-hall* in *Gutter-lane*, alias *Guthurn-lane*, ſo called from one *Guthurn*, Owner thereof, is a handſome Building.

Apothecaries-hall.

(2.) *Apothecaries-hall*, ſeated almoſt oppoſite to the *Paved-alley* that leadeth to the *Ditch-ſide*, down Steps againſt *Bridewell-bridge*. This Hall is a good Building, with a Pair of Gates leading into an open Court, handſomely paved with broad Stones, at the upper End of which is the Hall, adorned with Columns of the *Tuſcan* Order. It is built of Brick and Stone, finiſhed *Anno* 1670. The Cieling of the Court-room and Hall is adorned with Fret-work, and the latter wainſcotted fourteen Feet high. In the Hall is the Portraiture of King *James* I. the Buſto of Dr. *Gideon Delaun* (the ſaid King's Apothecary, and a good Benefactor to this Fraternity.) Here are two large Elaboratories, one for Chimical, the other for Galenical Preparations. Over the former is this Inſcription:

"Hanc Ædem Medicinæ Hermeticæ ſacram "voluit Societas Pharm. Lond. Quæ, ut Artem "a ſubdolis Pſeudo-Chimicorum Technis vindi-"caret, Medicamenta Chimica quæcunque in "Uſum veniunt hic ſumma Fide & Induſtria "Sumptibus propriis præparanda curavit."

At this Hall are prepared vaſt Quantities of Medicines for the Apothecaries and others; and particularly the Surgeons of the Royal Fleet do here make up their Cheſts.

Stationers-hall.

(3.) *Stationers-hall*, ſituate at the upper End of *Cock-alley*, *Ludgate-ſtreet*, is a very good and capacious Building, with a large, handſome Hall, where the Lotteries have been frequently drawn; with a Court-Room, and other neceſſary Apartments, made uſe of for the Stock-Books, *&c.* belonging to the Company. Before it is a large Court, paved with Free-ſtone, and incloſed with a long Range of Iron Rails, and a Pair of Iron Gates of curious Workmanſhip. It ſtands upon the Site of an antient Palace, which was ſucceſſively the Reſidence of the Duke of *Britain*, and the Earls of *Pembroke* and *Abergavenny*.

Butchers-hall.

(4.) *Butchers-hall* is ſituate in *Butchers-hall-lane*, which on that Account has changed its Name from *Stinking-lane*. It is divided into an upper and lower Hall, and has a Parlour and ſome other Rooms, finely adorned with Fret-work and Wainſcot.

Sadlers-hall.

(5.) *Sadlers-hall* is ſituate near the End of *Foſter-lane* in *Cheapſide*, at the upper End of an handſome Alley, at the Entrance of which is an ornamental Door-caſe, and an Iron Gate, and is a very compleat Building for the Uſe of ſuch a Company. It is adorned with Fret-work and Wainſcot, and the Companies Arms carved in Stone over the Gate next the Street.

Other publick Buildings.

Thirdly, (1.) The *College of Phyſicians*, a Building of wonderful Delicacy, is ſituate near the North-Weſt End of *Warwick-lane*, ſo called from the Palace of the Earls of *Warwick*, which ſtood there in former Days. It is built of Brick and Stone, with a ſpacious Stone Frontiſpiece. In the Court, over the Door-Caſe, is the Statue of King *Charles* II. in a curious Niche, and, on the other Side, the Statue of Sir *John Cutler*. In the Inſide is a Hall, where they ſit to give Advice to the Poor gratis; a Committee Room; a Library, furniſhed with Books by Sir *Theodore Mayerne*, and the Marquis of *Dorcheſter*, who was one of the Fellows; a great Hall for the quarterly Meetings of the Doctors, adorned with Pictures and Carvings, a Map or Plan of Lands left to the Society by Dr. *Amy*; a Theatre, with Seats and Tables, for anatomical Diſſections; a preparing Room, where are thirteen Tables, containing all the Muſcles in the human Body; and, over all, Garrets to dry Herbs for the Uſe of the Diſpenſary.

College of Phyſicians

Their antient College in Knightriders-ſtreet. *Thence to* Amen-corner.

This Society had, in antient Time, their College in *Knightriders-ſtreet*, being the Gift of Dr. *Linacre*, Phyſician to King *Henry* VIII. From which, in ſucceeding Times, they removed to *Amen-corner*, where they had purchaſed an Houſe and Ground. Here Dr. *Harvey*, who found out the Circulation of the Blood, *Anno* 1652, built a Library and Publick Hall, which he granted for ever to the College, with his Library, and endowed it with his Eſtate, which he reſigned to them in his Life; Part of which he aſſigned for an anniverſary Oration to commemorate all their Benefactors, and to exhort others to follow their good Examples, and for the providing a good Dinner for the Society.

The Conflagration of *London*, *Anno* 1666, conſuming this Houſe, and the Ground being but a Leaſe, the Fellows of this College purchaſed, with their own Money, a large Piece of Ground in *Warwick-lane*, whereon they erected this curious Building.

The Number of Fellows increaſed from 30 *to* 80.

At their firſt Inſtitution there were but thirty Fellows of their Society; but King *Charles* II. upon their Requeſt, augmented the Number to forty; and King *James* II. conſidering the large Increaſe of this City in Buildings and Inhabitants, was pleaſed in their new Charter to increaſe the Number to eighty, and not to exceed. Before this Charter, none could be admitted a Fellow of the College, if he had not taken his Degree of Doctor in one of the Univerſities; but now, all thoſe that have taken their Degree in any foreign Univerſity are qualified to become Fellows.

Who qualified to be Fellows.

But,

But, although their Power is great to obſtruct the Practice in any one that is not of the College, yet, whether by Connivance or Favour, others practiſe Phyſick; and yet, by the Law of the Land, if any one that is not ſo qualified ſhall undertake a Cure, and his Patient die under his Hand, it is deemed Felony in him.

To this College belong a Preſident, four Cenſors, and twelve Electors.

Preſident. The Preſident is the principal Member, and is annually choſen out of the Society.

Cenſors. The four Cenſors have, by their Charter, Authority to ſurvey, correct, and govern all Phyſicians, or others, that ſhall practiſe within their Juriſdiction, *viz.* this City, and ſeven Miles round, and to fine or impriſon for Offences, as they ſhall ſee Cauſe.

Practice of Phyſick when firſt reſtrained by a Law. There was no Reſtraint by Law for the Practice of Phyſick till the third Year of King *Henry* VIII. when a Law was enacted, that none ſhould exerciſe the Faculty of Phyſick or Surgery within the City of *London*, or within ſeven Miles of the ſame, unleſs firſt he were examined, approved, and admitted by the Biſhop of *London*, or the Dean of St. *Paul*'s, calling to him or them four Doctors of Phyſick, and for Surgery other expert Perſons in that Faculty, upon Pain of Forfeiture of five Pounds for every Month they ſhould occupy Phyſick or Surgery, not thus admitted and allowed.

The Reaſon of the ſaid Law. And for this Cauſe, as is mentioned in the Preamble of the ſaid Law, becauſe the Science and Cunning of Phyſick and Surgery, to the perfect Knowledge whereof are requiſite both great Learning and ripe Experience, was daily within this Realm exerciſed by a great Multitude of ignorant Perſons, of whom the greater Part had no Manner of Inſight in the ſame, nor in any other Kind of Learning. Some alſo can read no Letters on the Book. So far forth that common Artificers, as Smiths, Weavers, and Women, boldly and accuſtomably took upon them great Cures, and Things of great Difficulty, in the which they partly uſed Sorceries and Witchcraft, and partly applied ſuch Medicines unto the Diſeaſed, as were very noiſome, and nothing meet therefore; to the high Diſpleaſure of God, *&c.* and Deſtruction of many of the King's liege People.

Yet was there no Society or College of ſuch Men, directed by, and circumſcribed within Laws and Orders, and formed into a Corporation, till the tenth of *Henry* VIII. when that King granted a Charter, dated the twenty-third of *September* at *Weſtminſter*, to incorporate certain Phyſicians in one Body, and perpetual Commonalty or Fellowſhip of the Faculty of Phyſick; and to have a perpetual Succeſſion, and a common Seal; and to chuſe yearly a Preſident, to overſee, rule, and govern the ſaid Fellowſhip in all Men of the ſame Faculty. By Virtue whereof they were enabled to purchaſe and poſſeſs, in Fee and Perpetuity, Lands, Tenements, and Rents, and any other Poſſeſſion; that they might implead and be impleaded; that they might make Statutes and Ordinances for the wholeſome Government and Correction of the College, and of all Perſons practiſing Phyſick within ſeven Miles of the City; and, within that Compaſs, none to practiſe, as well as in the City, unleſs firſt allowed by the Preſident and Fellowſhip, upon Pain of Forfeiture of five Pounds for every Month; that four be choſen yearly by the Preſident and College, who ſhall have the Superviſing, Search, Examination, and Government of all the Phyſicians of the City, and Suburbs within ſeven Miles; and to puniſh them for their Offences, in not performing, making, and neglecting their Medicines and Receipts, and that by Fines, Amerciaments, and Impriſonments: That neither the Preſident, nor any of the Members of this College, be ſummoned, or put in any Aſſizes, Juries, Inqueſts, *&c.*

The Procurers and Cauſe of this Chart. And that the firſt Movers and Procurers of ſo good a Fellowſhip, for the Safety of the Lives of Men, may be preſerved, and the Cauſes that moved the King to grant it may be known, they are both ſignified to us in the ſaid King's Letters Patents; wherein it appeareth, that the Suit was made by *John Chambre*, *Thomas Linacre*, and *Fernandes de Victoria*, all the King's Phyſicians; and three other Phyſicians, namely, *Nicholas Halliwel*, *John Francis*, and *Robert Yarly*; and chiefly by the Interceſſion of Cardinal *Wolſey*, Lord Chancellor. And the Cauſes that inclined the King appeared in the Preamble to the ſaid Letters Patents, beginning thus:

Cum Regii Officii noſtri munus arbitremur, Ditionis noſtræ Hominum felicitati omni ratione conſulere, id autem vel imprimis fore, ſi improborum Conatibus tempeſtive occurramus, &c. That is, "Since we "eſteem it a Part of our Royal Office, by all "Means, to conſult the Happineſs of ſuch as "are under our Juriſdiction, and that the Way "to do it will eſpecially be, if we ſeaſonably "put a Stop to the Endeavours of evil Men; "we have thought it highly neceſſary to re"ſtrain the Boldneſs of ſome wicked People, "who ſhall profeſs Phyſick more for their own "Covetouſneſs than out of any good Conſcience; "whence many Inconveniences may ariſe to the "ignorant and credulous common Sort: There"fore, partly imitating the Example of well"inſtituted Cities in *Italy*, and in many other "Nations, partly moved by the Requeſt of cer"tain grave Men, *&c.*"

Confirmed by Act of Parliament. This Charter they who were the chief Procurers got confirmed and ratified by Act of Parliament, *Anno* 14 *Henry* VIII, upon this Conſideration, as the Act ran: "For the make"ing the ſaid Corporation meritorious, and very "good for the Commonwealth of this Realm, "it was neceſſary to provide, that no Perſon of "the ſaid Politick Body and Commonalty be "ſuffered to exerciſe Phyſick, but only thoſe "Perſons that be profound, ſad, and diſcreet, "groundly learned, and deeply ſtudied in Phy"ſick; and for the enlarging of further Articles "for the ſaid Commonwealth to be had and "made."

An Act for the Phyſicians, 32 Hen. VIII. In the thirty-ſecond of *Henry* VIII. by another Act of Parliament, they were exempted from keeping Watch and Ward, and from being choſen Conſtables, or in other Offices, within the City and Suburbs, as they had many Times before been compelled, to their great Fatigation and Unquieting, and to the Peril of their Patients.

tients. By the ſame Act, four Phyſicians were to be choſen yearly to ſearch the Apothecaries Wares, Drugs, and Stuff.

1 Mary. Queen *Mary*, *Anno* 1, confirmed the College's Charter.

7 Eliz. Queen *Elizabeth* gave them a Charter, dated at *Weſtminſter* the fourth of *February*, *Anno Regni* 7, to take yearly, for ever, one, two, three, or four human Bodies, to diſſect or anatomize, having been condemned and dead.

Names of the College Members, An. 1575. This College of Phyſicians, in the Year 1575, that is an hundred and eighty Years ago, conſiſted of theſe Members, as I have it from an authentick Paper ſent to Court: A very few, in Compariſon of the Number that now maketh it up.

The Names of the Phyſicians of the College of London, Anno 1575.

Dr. *Sinnings*, Preſident; Dr. *Cawdwell*, Dr. *Good*, Dr. *Atſlow*, Dr. *Smith*, Oxon. Dr. *Gyfford*, Dr. *Fryer*, Dr. *Wooton*, Dr. *Travers* of *Weſt-Cheſter*, Dr. *Huicke*, Dr. *Maſters*, Dr. *Foſter*, *Candidatus*; Dr. *Walker*, Dr. *Smith*, Cantab. Dr. *Baronſdale*, Dr. *Spiringe*, a Stranger, *Candid.*

Strangers of the College.

Dr. *Julio*, Dr. *Martyn Corymbanck*, Mr. *Hector*, Dr. *Lopes*.

The Electors, which are perpetual Officers of the College, were theſe:

Dr. *Huicke*, Dr. *Maſters*, Dr. *Sinnings*, Dr. *Good*, Dr. *Cawdwell*, Dr. *Atſlow*, Dr. *Walker*, Dr. *Smith*, Oxonien.

Diſorders in the College about this Time. The College conſiſted for the moſt Part, about this Time and before, of ſuch as were Favourers of Popery, and were guilty of divers Diſorders: This Account whereof was ſent up, *viz.*

Preſidents. Cains *often*, Sinnings, Cawdwell, Atſlow, *who was choſen alſo the ſecond Time after his Troubles*

" That the Preſidents, Cenſors, Electors, and " other their Officers, were not ſworn to the " Queen's Majeſty at their Admiſſion, as in " other Corporations they were; whereby it " came to paſs, that Papiſts continually had oc- " cupied the chief Rooms.

" That Men, expelled * their Univerſities for " Religion, by this Means had, from Time to " Time, been received into the College, and " thereby advanced in their Credit.

" That either they did wholly repel †, or not " without much Importunity admit, any whom " they thought to be well affected towards the " true Religion now received.

" That ſuch as had gone beyond the Seas § to " take the Degree of a Doctor, becauſe they " would avoid the Oath of Supremacy, mi- " niſtered according to the Statute in our Uni- " verſities, had ſhortly, upon their Return, " been admitted, without any Oath miniſtered " unto them.

" That ſuch as had been impriſoned for Re- " ligion, and other great Matters, had kept " themſelves in Office at their own Pleaſures, " contrary to the College Statutes and their " Oaths; and detained in their Hands the Col- " lege Goods, diſdaining to make any Account " of the ſame.

Clement. " That ſome of the Electors, who had fled for " Religion out of the Realm, had been kept in " their Offices, and ſtoutly defended as chief " Members of the College, being at *Lovain* until " they died, that other honeſt, true Subjects " might be kept out of the ſame Rooms.

The laſt Election ſtolen by Atſlow, Sinnings, Cawdwell, Good, *and* Smith. " That they made private Conventicles of a " few, to bring to paſs their Purpoſes and Elec- " tions; which ought, by the College Statutes, " to be done on Quarter-days only, and the " whole Company being thereunto called.

" That the College Statutes were generally un- " perfect, and partly Popiſh."

Theſe Things being declared and complained of to the Council, by ſome well-affected in the Year 1575, Reformation of them was earneſtly deſired.

Their Privileges infringed by the City. The City would, now and then, not taking Notice of their Cuſtoms and Privileges, lay common Burdens and Duties upon them, as upon other Inhabitants of the City. This made the College once to petition the Queen's Council, that, according to their antient Cuſtoms and Privileges, they might be relieved of what was laid upon them: And, upon their humble Petition, it was then ſignified to the Lord-Mayor and his Company, that the College ſhould be no more moleſted in the Premiſſes. Yet, in the Year 1596, the like Moleſtation towards them was attempted again: And now they applied to the Privy Council again, that, by their honourable Favours, they might be protected, and that it might ſtand with their good Pleaſures, that it might be ſignified to the Lord-Mayor and Bench of Aldermen, that, as ever heretofore they had been diſcharged, ſo now, at this preſent likewiſe, they, and the Society of the College of Phyſicians, might be forborne. This was dated on the fourth of *February*, 1596. Signed, The Preſident and Society of the College of Phyſicians of *London*.

K. James *and King* Charles's *Charters.* King *James* I. granted the College his Charter, dated *October* 8, *Anno Regni* 15.

And King *Charles* II. granted them a Royal Charter, *March* 26, *Anno Regni* 15.

Practiſers puniſhed by them. This College, according to the Power granted them by theſe and other their Charters, have called before them, that is, the Preſident, or, in his Abſence, the Vice-Preſident and the Cenſors, the Surgeons, Apothecaries, and other Perſons that have practiſed Phyſick without their Allowance; and have ſometimes warned them to forbear, and ſometimes impoſed pecuniary Penalties or Impriſonment upon them. For they may convene any Phyſician or Practiſer before them, and examine them concerning their Skill in the Faculty of Phyſick; and if they ſhall not appear to their Summons, or appearing refuſe to anſwer, or to be examined, the College may aſſeſs a Penalty or Fine upon them, for every Default of Appearance, or Refuſal to anſwer; the Fine, for one Default, not exceeding forty Shillings: Or, if any adminiſter unwholeſome and noiſome Medicines, he may be fined according to their Diſcretions, not exceeding ten Pounds; or Impriſonment, not exceeding fourteen Days, unleſs for Non-payment of Fine, when it ſhall be lawful to detain them in Priſon till it be paid.

And there have been divers notable Suits commenced between the College and other unlicenſed

* Atſlow, Gyfford, *from* Merton *College.*

† Fryer *of* Godmanchester, Cawdwell, Peny, Turner, *& alii.*

§ Smith, Oxon, Hal. Fryer, Oxon.

An Act for the Phyſicians, 32 Hen. VIII.

Suits between the College and other Practiſers.

Practiſers of Phyſick, and ſome of them ſuch as have been made Doctors of Phyſick in the Univerſities; as *Edmund Gardiner*, Dr. *Bonham*, one *Butler*, one *Huybert*, and others; the Pleadings whereof are ſet down in a Book, intitled, *The Royal College of Phyſicians*, and an Hiſtorical Account of the College's Proceedings, *&c.* ſet forth by Dr. *Charles Goodal*, Fellow of the ſaid College, *Anno* 1684.

The Powers and Privileges of the College.

Upon a Complaint made, about the latter End of Queen *Elizabeth*'s Reign, by *Jenkins* and *Read*, againſt the College, which had uſed ſome Puniſhment towards them for evil Practice of Phyſick, and exerciſing that Art without their Licence, after a long and careful Hearing on both Parts, *Popham*, Lord Chief Juſtice, in the Year 1602, gave his Judgment, the Sum of which was in theſe Particulars: I. That there was no ſufficient Licence without the College Seal. II. That no Surgeon, as a Surgeon, might practiſe Phyſick, no, not for any Diſeaſe, though it was the great Pox. III. That the Authority of the College was ſtrong and ſufficient to commit to Priſon. IV. That the Cenſure of the College, riſing from leſſer Mulcts to greater, was equal and reaſonable. V. That it were fit to ſet to Phyſicians Bills the Day of the Month, and the Patient's Name. VI. That the Lord Chief Juſtice could not bail or deliver the College's Priſoner, but was obliged by Law to deliver him up to the College's Cenſure. VII. That a Freeman of *London* might lawfully be impriſoned by the College. VIII. That no Man, though never ſo learned a Phyſician or Doctor, might practiſe in *London*, or within ſeven Miles, without the College's Licence.

Dr. Iſaac Schomberg.

Aprilis tertio, 1747. Dr. *Iſaac Schomberg* appeared, and being entered, as he ſaid, at *Cambridge*, hoped to be indulged till he had his Degree from thence.

He was anſwered, That, unleſs he came and ſubmitted to be examined, he ſhould be prohibited to practiſe.

Junii quinto, 1747. Ordered, That Mr. *Iſaac Schomberg*'s Behaviour to the Cenſors be repreſented to the College, for their Directions thereupon.

Junii 25, 1747. Then Mr. *Iſaac Schomberg*'s Behaviour to the Cenſors was, by their Order, repreſented to the College for their Direction upon it.

Ordered, That Mr. *Iſaac Schomberg* be forbid Practice, till he ſhall have given proper Satisfaction to the Preſident and Cenſors.

On *July* 25, 1747, the Preſident and Cenſors came to a Reſolution to forbid Mr. *Iſaac Schomberg* the Practice of Phyſick, becauſe he would not ſubmit to be examined; and ordered, that a Statute or Statutes, forbidding, under a Penalty, any Member of the College to meet or conſult with any Perſon prohibited from Practice, be drawn up by the preſent Cenſors, Treaſurer, and Regiſter, and reported to the College; and the following Notice was ordered to be ſent to Mr. *Schomberg*.

Junii 25, 1747. *College* of *Phyſicians*.

" *Sir*,

" The Statutes of our College juſtly deeming " all Perſons ignorant and unqualified for the " Practice of Phyſick, who, after ſufficient Summons, do not appear to take their Examina- " tion before the Cenſors of the College, accord- " ing to the Laws of the Land:

" And you having been duly ſummoned to ap- " pear before the Cenſors, and having refuſed to " ſubmit to be examined by them: The Preſident " and College think it their Duty towards their " Country and its Laws, to interdict and pro- " hibit you the Practice of Phyſick; and they do " accordingly prohibit and interdict you from " exhibiting any Medicines, or giving your Ad- " vice to any ſick People, for any Fee or Re- " ward, within the City of *London*, or ſeven " Miles about; as you will anſwer the contrary " in his Majeſty's Courts of Juſtice, according " to the Laws of the Land in ſuch Caſe pro- " vided.

By Order of the College.

To Mr. Iſaac Schomberg.

GEORGE EDWARDS, *Beadle.*

On the twelfth of *October*, 1747, Mr. *Mead* read the Draught of a new Statute, forbidding any Member of the College to meet or conſult, in any Caſe of Phyſick, with Perſons prohibited from Practice: Which Statute was ordered to be engroſſed, in order to be read at the next College Meeting.

April 4, 1748, the following Statute, prohibiting any Fellow, Candidate, or Licentiate, to conſult, in any Caſe of Phyſick, with Perſons prohibited by the College from the Practice thereof, was read the ſecond Time, and approved by the Majority of the College.

A Statute againſt conſulting with any Perſon prohibited to practiſe Phyſick.

" That we may, as much as in us lies, anſwer " the good Ends and laudable Purpoſes of our " Inſtitution, and the Privileges and Powers " granted to us by the Royal Charter, and con- " firmed by ſeveral Acts of Parliament, for pre- " venting the great Miſchiefs which often happen " to the Health of his Majeſty's Subjects, and " the Diſhonour ariſing to the Profeſſion of Phy- " ſick by Empiricks and unſkilful Perſons, who " take upon them to practiſe Phyſick in the City " of *London*, or the Suburbs thereof, or ſeven " Miles Circuit of the ſame, and refuſe or are not " qualified to undergo an Examination by the " Preſident and Cenſors of this College, touching " their Skill and Knowledge in Medicines, and " the Practice of Phyſick:

" We do ordain and order, that if the Preſident " ſhall at any Time inform the College, at any " of their ſolemn or greater Meetings, ordinary " or extraordinary, that any Perſon practiſing " Phyſick, within the Limits aforeſaid, hath been " duly ſummoned to attend the Preſident and " Cenſors, to be examined by them touching his " Skill and Knowledge in the Practice of Phyſick, " and hath refuſed or neglected to attend accord- " ing to ſuch Summons, or attending hath re- " fuſed to ſubmit to be examined, according to " the Form and Manner of Examination pre- " ſcribed by the Statutes of their College, or, " having been examined, hath been adjudged, by " the Preſident and Cenſors, not ſufficiently " learned and qualified to practiſe Phyſick; and " that the Preſident and Cenſors have for any of " the

" the ſaid Reaſons prohibited ſuch Perſon to prac-
" tiſe Phyſick within the Limits aforeſaid; then,
" and in ſuch Caſe, no Fellow, Candidate or
" Licentiate of this College, at any Time after
" ſuch Information ſo given to the College by the
" Preſident, ſhall in any wiſe meet in Conſulta-
" tions, for the Cure of any Diſeaſe, with any
" Perſon ſo prohibited to practiſe; and that if any
" Fellow, Candidate, or Licentiate of this Col-
" lege ſhall, after ſuch Information ſo given, in
" any wiſe meet in Conſultation, for the Cure of
" any Diſeaſe, with any Perſon ſo prohibited,
" every ſuch Fellow, Candidate and Licentiate,
" being convicted thereof before the Preſident
" and Cenſors of this College, for the Time be-
" ing, ſhall, for ſuch his Meeting, forfeit and
" pay to the Treaſurer of this College, for the
" Time being, for the Uſe of the College, the
" Sum of five Pounds of lawful Money of *Great*
" *Britain* for the firſt Offence; and if ſuch Fel-
" low, Candidate or Licentiate ſhall, after ſuch
" Conviction, offend again in the like Manner,
" and be thereof convicted in the Manner afore-
" ſaid, he ſhall forfeit and pay to the ſaid Trea-
" ſurer, for the Uſe of the College, the Sum of
" ten Pounds, of ſuch lawful Money as afore-
" ſaid; and if ſuch Fellow, Candidate, or Li-
" centiate ſhall refuſe or neglect to pay either of
" the ſaid Sums or Forfeitures within the Space
" of three Calendar Months next after Notice in
" Writing of ſuch his reſpective Conviction, given
" to, or left for him, at his then Dwelling-houſe,
" or moſt uſual Place of Abode, by the Beadle
" of this College for the Time being; or if ſuch
" Fellow, Candidate, or Licentiate ſhall, after
" ſuch ſecond Conviction, offend a third Time
" in like Manner, and be thereof convicted in the
" Manner aforeſaid, then, and in either of the
" ſaid laſt-mentioned Caſes, he ſhall be expelled
" this College, and ſhall not be reſtored to be a
" Fellow, Candidate, or Licentiate of this Collge,
" until he ſhall have paid to the Treaſurer of this
" College for the Time being, for the Uſe of the
" College, all ſuch Sum or Sums of Money, as
" ſuch Fellow, Candidate, or Licentiate ſhall have
" forfeited by Virtue of this Statute.

" We do further ordain and order, That every
" Fellow, Candidate, or Licentiate of this Col-
" lege, who ſhall in any wiſe meet in Conſulta-
" tion, for the Cure of any Diſeaſe, with any
" Perſon, who by Virtue of this Statute ſhall be
" expelled the College, ſhall incur and be ſubject
" to the ſame or the like reſpective Forfeitures
" and Penalties as are above-mentioned.

" And, for the better putting this Statute in
" Execution, we do ordain and order, That, when
" and as often as any Perſon or Perſons ſhall, by
" Virtue of this Statute, be expelled this College,
" Notice thereof in Writing, ſpecifying the Name
" or Names of ſuch Perſon or Perſons, ſigned by
" the Beadle of this College for the Time being,
" ſhall be given to, or left for every Fellow, Can-
" didate or Licentiate, at his Dwelling-houſe, or
" uſual Place of Abode."

Ordered, That the College Seal be put to the ſaid Statute next *Comitia majora*.

After this Dr. *Iſaac Schomberg*, having taken his Degree of Doctor in Phyſick at *Cambridge*, applied for Leave to be examined: But, after ſeveral Meetings and his third Examination, the Doctor was rejected; nor could he afterwards, though ſought with the greateſt Submiſſion, prevail with the Cenſors to admit him a Fellow; becauſe he at firſt had talked in a high Strain, demanded it as a Matter of Right, and threatened to compel them to it by applying to the Courts of Law or Equity, and actually moved the Court of *Chancery* to that End.

The Officers of the Royal College of Phyſicians are, a Preſident, eight Electors, four Cenſors, a Regiſter and a Treaſurer, annually choſen the firſt Week in *October*.

The Royal College *of* Phyſicians, *eſtabliſhed* 1523.

Thoſe marked thus † *are Fellows of the* Royal Society.

FELLOWS.

Dr. *Thomas Reeve*, Preſident, Throgmorton-ſtreet.
Dr. *Gideon Harvey*, Elect. Med. Reg. ad Turrim, Petty-France, Weſtminſter.
Dr. *William Barrowby*, Iſle of Wight.

St. Paul's School.

(2.) St. *Paul*'s School, ſituate on the Eaſt Side of St. *Paul*'s Church-yard, was built and well endowed by an excellent, pious and learned Clergyman, Dr. *John Colet*, King *Henry* the VIIIth's eſteemed Chaplain, Dean of St. *Paul*'s, the only ſurviving Son of Sir *Henry Colet*, Knt. Citizen and Mercer of *London*, and twice Lord-Mayor of the ſaid City. This School was founded, and a Maſter for it provided, in the Year 1509, for one hundred fifty-three Children to be taught freely. And ſuch was his generous and liberal Mind, that he ſettled his whole Patrimony upon it in his Life-time.

The Ordinances of St. Paul's School.

Ex Chart. Societat. Merceror. London.

The primary Inſtitution, Ordinances, Appointments and Documents of this School may be gathered from an old Statute Book, wrote by the Founder's own Hand, and by him delivered to *Lilly*; which is thus inſcribed: *Hunc libellum ego*

Johannes Colet *tradidi manibus magiſtri* Lillii, XVIII *die Junii, Anno Dom.* MCCCCCXVIII. It begins, Johannis Coleti *Fundatoris ſcholæ manu ſua propria prologus.* "*John Colet*, Son of *Henry* "*Colet*, Dean of St. *Paul*'s, deſiring nothing "more than Education, and bringing up Chil- "dren in good Manners and Literature, in the "Year of our Lord 1512 built a School [not "fully finiſhed till that Year] at the Eaſt End "of St. *Paul*'s Church, for 155 Boys, to be "taught free in the ſame.

"And ordained there a Maſter, a Sur-Maſter, "and a Chaplain, with ſufficient and perpetual "Stipends ever to endure; and ſet Patrons, De- "fenders, Governors and Rulers of the ſame "School, the moſt honeſt and faithful Fellow- "ſhip of the *Mercers* of *London*.

"And, for becauſe nothing can continue long "and endure in good Order without Laws and "Statutes, I, the ſaid *John Colet*, have expreſſed "my Mind, what I would ſhould be truly and "diligently obſerved and kept of the ſaid Maſter, "Sur-Maſter and Chaplain, and of the *Mercers*, "Governors of the School: That in this Book "may appear to what Intent I founded this "School."

The Ordinances for the high Maſter;

Then follow his Ordinances: "That he found- "ed the School in the Honour of *Chriſt Jeſu in "pueritia*, and of his bleſſed Mother *Mary*. "That the high Maſter ſhould be choſen by the "Wardens and Aſſiſtants of the *Mercers*. That "he be a Man whole in Body, honeſt, virtuous, "and learned in good and clean *Latin* Litera- "ture, as alſo in *Greek*, if ſuch might be gotten; "a wedded Man, a ſingle Man, or a Prieſt that "hath no Benefice with Cure or Service. His "Wages to be a Mark a Week, and a Livery- "Gown of four Nobles delivered in Cloth. His "Lodgings to be free; and to have the Tene- "ment of *Stebbonhith* to reſort unto. That the

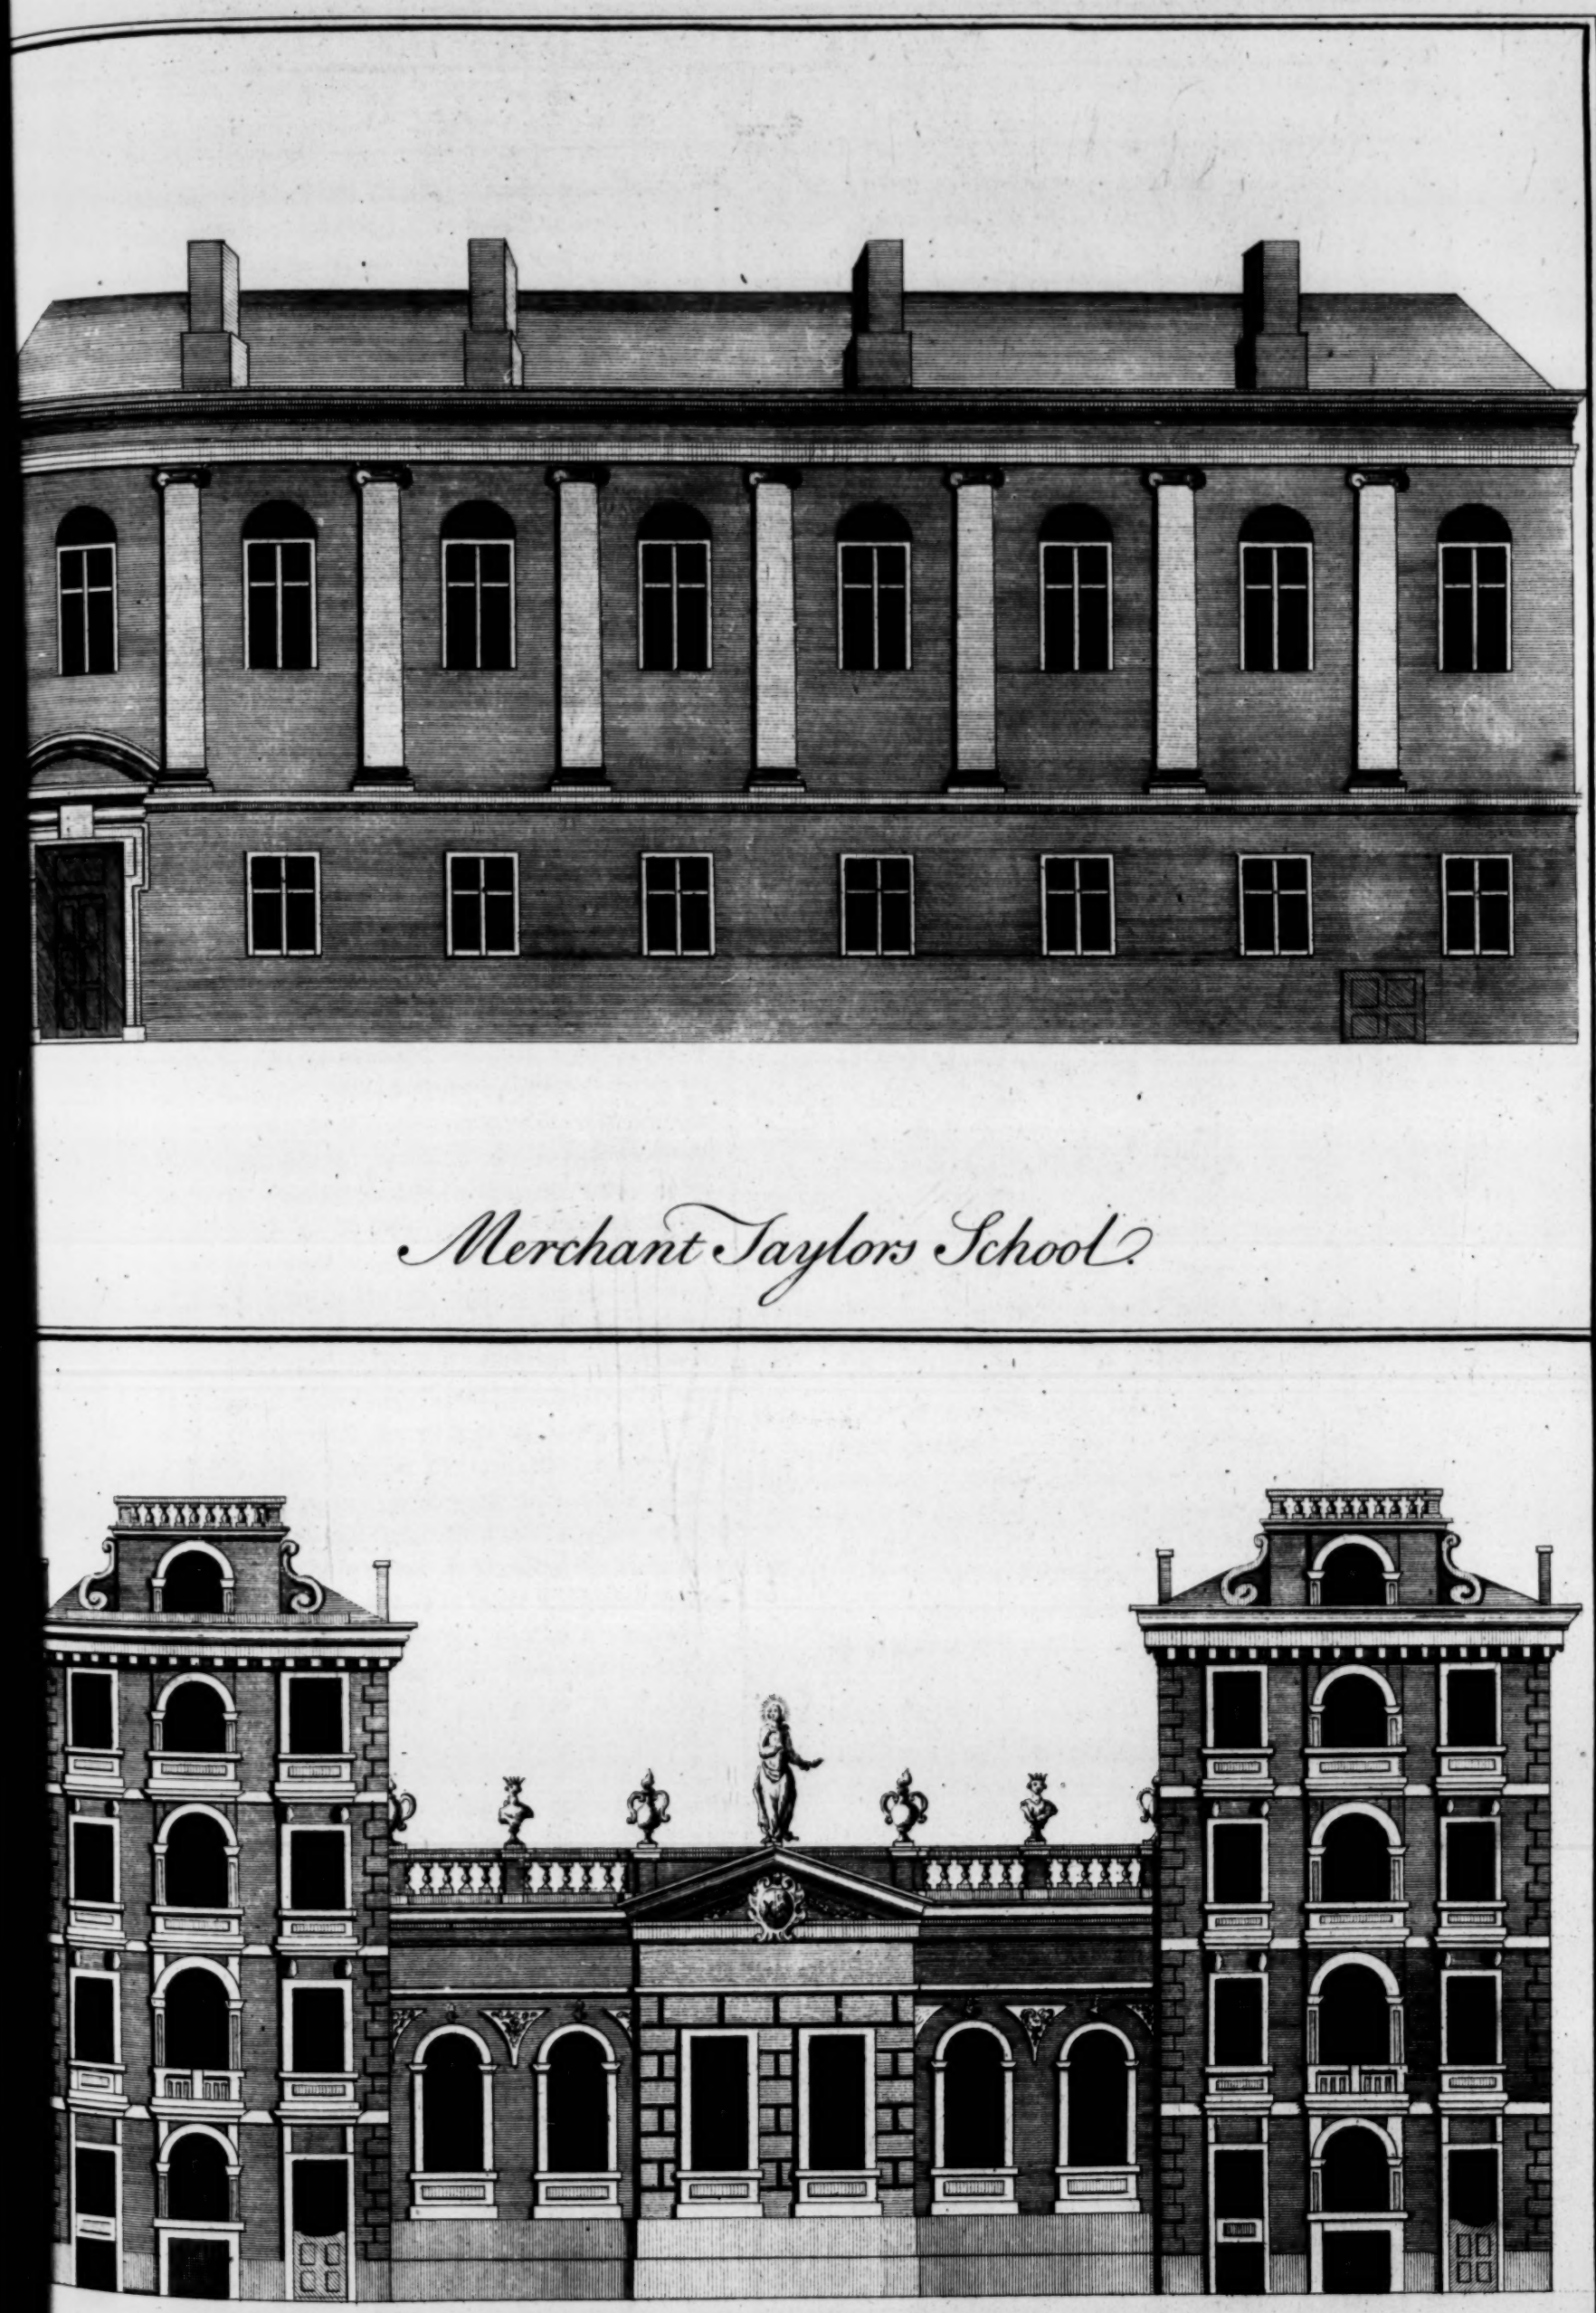
Sur-Maſter;

"Sur-Maſter be verſed in Learning, and well "lettered, to teach under the Maſter; either "ſingle Man, wedded, or Prieſt that hath no "Benefice with Cure or Service: To be whole in "Body. The high Maſter to chuſe him, as the "Room ſhall be void; and to be confirmed by "the Surveyors of the School. Lodgings to be "aſſigned him in the *Old Change*. His Wages "to be ſix Shillings and eight Pence *per* Week, "and a Livery-Gown of four Nobles delivered in "Cloth. That there ſhall be in the School a

For the Chaplain.

"Prieſt daily, as he could, to ſing Maſs in the "Chapel of the School, and to pray for the Chil- "dren to proſper in good Life and in good Let- "ters. That he was to be ſome honeſt, good "and virtuous Man. To be choſen by the War- "dens and Aſſiſtants of the *Mercery*. To learn "himſelf, or, if learned, to help to teach the "School, if it ſeemed convenient to the high "Maſter. To have no Benefice with Cure of "Souls, nor no other Office or Occupation. To "teach the Children the Catechiſm, and In- "ſtruction of the Articles of Faith and the ten "Commandments in *Engliſh*. His Wages to be "8 *l.* by the Year, and a Livery-Gown of 26 *s.* "8 *d.* delivered in Cloth. His Chamber and "Lodging to be in the new Houſe in the *Old "Change*, or the Maſter's Lodging.

"Chil-



Merchant Taylors School.

S.t Paul's School.

B. Cole sculp.

For the Children.

"Children of all Nations and Countries indifferently to be taught, to the Number of 153. "The Maſter to admit theſe Children as they be offered; but firſt to ſee that they can ſay the Catechiſm, and alſo read and write competently; and to pay 4*d.* for writing their Name: Which Money the poor Scholar that ſwept the School was to have. Thrice a Day, *viz.* Morning, Noon, and Evening, proſtrate to ſay the Prayers contained in a Table in the School. No Tallow Candles, but only Wax to be uſed. No Meat, Drink, or Bottles, to be brought; nor no Breakfaſts nor Drinkings in the Time of Learning. That the Scholars uſe no Cock-fighting, nor Riding about of Victory, nor Diſputing at St. *Bartholomew*'s; which are but fooliſh Babbling and Loſs of Time. That they have no Remedies [*i. e.* Play-Days begged] except the King, an Archbiſhop, or a Biſhop, preſent in his own Perſon, deſired it.

Child-Biſhop Sermon at St. Paul's.

"The Children every *Childermas* Day to go to *Paul*'s Church, and hear the Child-Biſhop Sermon, and after to be at the high Maſs, and each offer a Penny to the Child-Biſhop; and with them the Maſters and Surveyors of the School. In general Proceſſions, when warned, they ſhall go two and two together ſoberly; and not ſing out, but ſay devoutly ſeven Pſalms with the Litany. That if any Child admitted here go to any other School to learn there, ſuch Child for no Man's Suit be again received into the School.

What Authors to be read.

"To be taught always in good Literature both *Latin* and *Greek*, and good Authors, ſuch as have the very *Roman* Eloquence joined with Wiſdom; eſpecially Chriſtian Authors, that wrote their Wiſdom with clean and chaſte *Latin*, either in Verſe or Proſe. But, above all, the Catechiſm in *Engliſh*; after that the Accidence. Then *Inſtitutum Chriſtiani hominis*, which *Eraſmus* made at my [*i. e. Colet*'s] Requeſt; the *Copia Verborum* of the ſame Author. Then other Chriſtian Authors; as *Lactantius*, *Prudentius*, and *Proba*; *Sedulius*, *Juvencus*, and *Baptiſta Mantuanus*; and ſuch other as ſhall be thought convenient for the true *Latin* Speech.

The Mercers Company Governors of the School.

"The honourable Company of *Mercers* of *London* to have all the Charge, and Care, and Rule of the School. They to chuſe every Year of their Company two honeſt, ſubſtantial Men to be the Surveyors of the School, who, in the Name of the whole Fellowſhip, ſhould take all the Care and Buſineſs of the School for that Year. They to come into the School ſix Days before *Chriſtmas*, and ſo many Days before *Eaſter*, St. *John Baptiſt*, and *Michaelmas*; and pay the Maſters and Chaplains their quarterly Wages; and at the latter End of the Year their Liveries in Cloth. And once in the Year to give up their Accounts to the Maſter, Wardens, and Aſſiſtants; and that to be about *Candlemas*, three Days before, or three Days after. Then a little Dinner to be made; and to call to Account the receiving of all the Eſtate of the School: And the Maſter Warden to receive a Noble, the two other Wardens five Shillings; the Surveyors two Shillings; and for their riding to viſit the Lands 11*s.* the Clerk of the *Mercery* 3*s.* 4*d.* with ſome other Gifts. That which was ſpared that Day in Rewards and Charges to be put into the Treaſury of the School. What remained to be given to the Fellowſhip of the *Mercery*, to the maintaining and repairing all belonging to the School from Time to Time. The Surpluſage, above Repairs and Caſualties, to be put into a Coffer of Iron, given by *Colet*, ſtanding in their Hall. And there, from Year to Year, to remain apart by itſelf, that it might appear how the School of itſelf maintained itſelf. And at length, over and above the whole Livelihood, if the ſaid School grow to any further Charge to the *Mercery*, that then alſo it might appear, to the Laud, and Praiſe, and Mercy of the ſaid Fellowſhip.

"*Laſtly*, That he left it to the ſaid Company to add and diminiſh to and from this his Book, and to ſupply it in every Default, and alſo to declare in it, as Time, Place, and juſt Occaſion ſhould require."

Annual Charges of the School.

The Book concludes with the ordinary Charges paid out yearly, *viz.*

	l.	*s.*	*d.*
To the high Maſter at 13*s.* 4*d.* per Week — —	34	13	04
To the middle Maſter 26 Marks	17	06	08
To the Prieſt — —	08	00	00
Their Liveries — —	04	00	00
The Superviſors and Surveyors	04	00	00
For viſiting of Lands —	04	00	00
The Clerk — —	00	03	04
The Maſter Warden —	00	05	00
The Steward — —	00	02	00
To Bailiffs — —	00	02	00
The Coſts of the Dinner —	01	06	08
The Officer of the *Mercery*, Renter of the School —	01	00	00
For his Gown — —	01	03	00
	76	02	00
There reſteth to the Reparations, Suits, Caſualties, and all other Charges extraordinary —	38	06	3½
	114	08	3½

To all this *John Colet* ſubſcribed his Hand thus: *Joannes Coletus fundator novæ ſcholæ manu mea propria.*

The Rents increaſed.

But now the Rents and Incomes of this School, by the good Huſbandry and Faithfulneſs of the Company of *Mercers*, are greatly advanced. So that the Salaries of the Maſters are more than doubled; and many Exhibitions, ſome of ten Pounds, and ſome of ſix Pounds odd Money, are granted forth towards the Maintenance of the Scholars that go away from the School to the Univerſities, payable for ſeven Years, if they tarry ſo long there.

Colet *makes a Book for his School.*

As ſoon as *Colet* had built his School, he provided a Book for his young Scholars, which he called, *An Introduction of the Parts of ſpeaking for Children and young Beginners into* Latin *Speech*; which is the Ground and firſt Draught of that Book we now commonly call *The Accidence*. By this Introduction he put the firſt Rudiments into an eaſier and apter Method for learning than any was before: And this he recommended in a prefatory Epiſtle to *William Lilly*, the Maſter, to teach

teach it the Children, dated the Calends of *Auguſt*, 1509, *viz.* in theſe Words:

Johannes Coletus *ſuo* Lilio *ſalutem.*

Accipe, optime ac literatiſſime Lili, *libellum puerilis Inſtitutionis: in quo quidem eadem quæ fuerunt ab aliis tradita, ratione & ordine paulo, ni fallor, commodiore digeſſimus. Idque fecimus, ut Elementa Grammatices, et felicius influerent in puerorum animos, & tenacius inhærerent. Tuum erit, qui primus es hujus novæ* Pauli *Scholæ Præceptor, his rudimentis diligenter exercere pueros noſtros, deinceps ad majora profecturos. Nihil enim æque mihi cordi eſt in præſentia, quam parvuli Chriſti quamplurimum apud te proficiant, cum literatura, tum bonis moribus. Ad quod ſi eniteris, &* Jeſum *puerorum præſidem tibi tuo ſtudio demereberis, & me plane felicem reddideris. Vale. Ex Ædibus meis Calend. Auguſt. Anno milleſimo quingenteſimo nono.*

Procures Eraſmus's *Book*, De Copia, *for his School.*

And near about this Time, or not long after, he procured, from his Friend *Eraſmus Roterodamus*, another Book for his School, namely, that intitled, *De Copia Verborum.* For which he promiſed the ſaid *Eraſmus*, while he was once walking with him in his Garden, fifteen Angels as a Gratuity. And no queſtion *Eraſmus* was well pleaſed to contribute ſomething to ſuch a Foundation, which he himſelf took Occaſion ſometimes to commend and extol; as he did in a Letter to *Colet*, *Anno* 1512, in theſe Words: *Ludum literarium longe pulcherrimum ac magnificentiſſimum inſtituiſti; ubi ſub electiſſimis ac probatiſſimis præceptoribus* Britannica *Pubes rudibus ſtatim annis ſimul & Chriſtum & optimas inbiberet literas*; *i. e.* "You "have erected a moſt beautiful and noble School, "where, under the choiceſt and moſt approved "Maſters, the *Engliſh* Youth might, ſoon after "their Childhood, imbibe both Chriſt and the "beſt Learning."

Conſtruction of the eight Parts of Speech.

In the Year 1513 *Colet* ſent *Lilly* another Book for the School, of the *Conſtruction of the eight Parts of Speech:* Which was done by *Eraſmus* alſo, upon the earneſt Suggeſtion of *Colet*, being nothing but the Emendations of, and Additions to ſuch a Work firſt done by *Lilly*. This was nothing but the Grounds of our *Latin Syntaxis*. This Book he alſo introduced with a *Latin* Epiſtle, *viz.*

Johannes Coletus, Decanus Sancti Pauli, Gulielmo Lilio ad Divum Paulum Ludi Moderatori primario, S. D.

Which Colet *recommends to* Lilly *to teach in his School.*

Haud aliter mihi videor affectus in novam hanc ſcholam noſtram, Lili chariſſime, quam in unicum filium pater; in quem non ſolum gaudet univerſam ſuam ſubſtantiam transfundere, verum etiam ſua viſcera, ſi liceat, cupit impertiri. Nam ut huic eſt parum genuiſſe, niſi eundem diligenti Educatione ad bonam frugem provexerit, ita meo animo non ſatis eſt, quod Ludum hunc inſtitui, hoc eſt, genui, quodque in ſumpto patrimonio univerſo vivus etiam ac ſuperſtes ſolidam hæreditatem ceſſi, niſi modis omnibus dem operam, ut piis moribus & bonis literis diligenter educatus ad maturam frugem adoleſcat. Proinde libellum hunc de conſtructione octo partium orationis *ad te mitto, puſillum quidem, ſed non puſillum utilitatis allaturum noſtræ pubi, ſi diligenter abs te fuerit traditus.*

Scis in præceptis brevitatem placere Flacco: Cujus ſententiam ipſe vehementer approbo. Porro, ſiqua præterea erunt digna cognitu, tuarum partium erit, ut incident in prælegendis autoribus, adnotare. Bene vale: Domini noſtri MDXIII.

This Book *De Conſtructione* went ſome Time under *Eraſmus*'s Name; yet *Eraſmus* declined to have it reckoned his, as being *Lilly*'s Groundwork. And *Lilly*, on the other hand, modeſtly refuſed to have himſelf made the Author, after ſuch conſiderable Changes and Improvements made by *Eraſmus*; who, in the Year 1515, wrote a Preface before this Book, now commonly called, *The Syntaxis*, wherein he publickly diſowned it to be his, out of Reſpect to *Lilly*; concluding with theſe Words: *Verum hæc mihi præfari viſum eſt, ne poſthac quiſquam ut meum amplectatur*; *i. e.* "But "this I thought good to preface, that none here- "hereafter might take the Book as mine."

Colet alſo framed a ſhort Catechiſm in *Engliſh* for the Youth of his School, which he obliged all to learn; and was uſed in thoſe Times to be bound up at the Beginning of the *Accidence*. It conſiſted of the Articles of the Chriſtian Faith, the Doctrine of the ſeven Sacraments, an Explanation of the Love of God, of our own ſelves, and of our Neighbours; and, laſtly, divers ſhort Precepts for a good Life. To which he joined in *Latin* the Apoſtles Creed, the Lord's Prayer, the *Ave Maria*, and two ſhort Prayers; one to the Virgin *Mary*, and the other to *Jeſus* the Guardian of the School. And if the ſuperſtitious Parts of this Catechiſm had been laid aſide, and the reſt, which is very pious, had been retained for the Uſe of the School, it would, in my Opinion, have been very well done, and the Founder's Will more complied with. *Colet*'s Catechiſm for his School.

The pious Founder dedicated this his School to the Child *Jeſus*, who ſat among the Doctors at twelve Years old, as the great and compaſſionate Patron of the Children here to be educated. This Part of the Founder's Epitaph ſhews:

Quique Scholam ſtruxit celebrem cognomine JESU.

So that the true Name of this School is *Jeſus*'s School, rather than *Paul*'s School; but the Saint hath robbed his Maſter of his Title.

Inſcriptions upon the School.

The Founder delighted in Inſcriptions and Motto's, which he appointed to be ſet up in ſeveral Parts and Places of the School, as ſhort and pithy Intimations of his Mind and Intentions, which were all there remaining before the great Fire. Over the Windows on the Outſide toward the Street were theſe Words engraven in great Capital Letters: SCHOLA CATECHIZATIONIS PUERORUM IN CHRISTI OPT. MAX. FIDE ET BONIS LITERIS. Over the School Door, INGREDERE UT PROFICIAS. Upon each Window, on the Inſide, were to be read theſe Words painted on the Glaſs: AUT DOCE, AUT DISCE, AUT DECEDE, ſuggeſting both to Scholar and Teacher their Duty or Doom; which I remember the upper Maſter, in my Time, uſed often to inculcate upon ſuch Scholars as were idle or negligent, "Either "learn, or be gone."

The Veſtibulum.

In the *Veſtibulum* was this Inſcription in Capitals upon the Wall, ſhewing for what End and Purpoſe

Purpoſe this Apartment was intended: HOC VESTIBULO CATECHIZENTUR PUERI IN FIDE, MORIBUSQUE CHRISTIANIS, NEQUE NON PRIMIS GRAMMATICES RUDIMENTIS INSTITUANTUR, PRIUSQUAM AD PROXIMAM HUJUS SCHOLÆ CLASSEM ADMITTANTUR. In another Place of this *Veſtibulum* was engraven, PUERITIÆ CHRISTIANÆ JOH. COLLET, DEC. Sćti. PAULI, HANC SCHOLAM POSUIT: Denoting how qualified, *viz.* with Chriſtian Knowledge and Manners, it was the Founder's Will thoſe ſhould be, that were to be Scholars here. Over the Door, entering out of the *Veſtibulum* into the School-Room, this Verſe:

Mente { Velis, Poſſis, Adſis, } hac Lege recludor.

The School-Room. In the School-Room, over the Door, was this Inſcription: PUERI IN HAC SCHOLA GRATIS ERUDIENDI C.L.III. TANTUM, AD NUMERUM SEDIUM. Underneath which, ſince the rebuilding of the School by the *Mercers*, for ever grateful Remembrance, were theſe Lines added, compoſed, I conjecture, by Mr. *Crumleholm*, then the worthy Maſter:

Quod Fauſtum ſit et Felix.

" Ad ſeræ Poſteritatis Imitationem, Æternitatem Famæ ſuæ: Poſt luctuoſam Urbis *Londinenſis* deflagrationem cIↃ IↃc LXVI, ampliſſima MERCERORUM Societas Fidem Fundatori MAKAPITHTΩ datam ſanctiſſimè perſolvens, Scholam hanc de integro extruendam inſtaurandamque curavit: Perfecitq; Dno. RICHARDO FORD Equite, Urbis Præfecto, Cuſtode verò, totiuſq; Negotii aſſiduo diligentiſſimoque Procuratore, Dno. ROBERTO WARE.

Dignos laude Viros Muſa vetat mori.

At the upper End of the School, facing to the Door, was a decent *Cathedra* or Chair placed, ſomewhat advanced, for the high Maſter to ſit in when he pleaſed, and to teach and dictate there. And over it was a lively Effigy, and of exquiſite Art, of the Head of Dr. *Colet*, cut, as it ſeemed, either in Stone or Wood; and, over the Head, in Capitals, DEO OPT. MAX. TRINO ET UNI JOHANNES COLETUS DEC. Sćti. PAULI LONDIN. HANC SCHOLAM POSUIT. On which Figure an excellent Poet, and once a Scholar of this School, made theſe Verſes:

Mr. Bagford.

" Eloquio juvenes ubi *Lillius* ille polivit,
" In Statuâ ſpiras, magne *Colete*, tuâ.
" Quam ſi *Praxiteles* feciſſet magnus, & ille
" Forſitan æquâſſet, non ſuperâſſet opus.
" Hac ſalvâ Statuâ, divina Forma *Coleti*
" Temporibus longis non peritura manet."

But this Figure was deſtroyed with the School in the great Fire, yet was afterwards found in the Rubbiſh by a curious Man, and Searcher into the City Antiquities, who obſerved that it was caſt and hollow by a curious Art now loſt.

Burnt and rebuilt. This School, burnt down in the common Calamity by Fire, *Anno* 1666, was built up again much after the ſame Manner and Proportion as it was before, together with the Library, and an Houſe added on the South End thereof for the ſecond Maſter; whoſe Dwelling before, and from the firſt Founding of the School, was in the *Old Change*, adjoining to the ſaid School. This Houſe hath a very handſome Front, anſwerable to the high Maſter's Houſe at the North End of the School; on which is engraven, ÆDES PRÆCEPTORIS GRAMMATICES.

The School-Houſe is large and ſpacious. It conſiſteth of eight Claſſes, or Forms; in the firſt whereof Children learn their Rudiments; and ſo, according to their Proficiency, are advanced unto the other Forms, till they riſe to the Eighth. Whence, being commonly made perfect Grammarians, good Orators and Poets, well inſtructed in *Latin*, *Greek* and *Hebrew*, and ſometimes in other oriental Languages, they remove to the Univerſities; and many of them enjoy Exhibitions, ſome of ten Pounds a Year for ſeven Years, if they tarry ſo long, towards their Maintenance there. The School is governed and taught by two Maſters, *viz.* an High-maſter and a Sur-maſter, and a Chaplain; whoſe cuſtomary Office was to read the *Latin* Prayers in the School, framed for the peculiar Uſe thereof, and to inſtruct the Children of the two firſt Forms in the Elements of the *Latin* Tongue, and alſo in the Catechiſm and Chriſtian Manners; for which there is a Room, called the *Veſtibulum*, being the Anti-room to the School, where the Youth are to be initiated into the Grounds and Principles of Chriſtian Knowledge, as a good and proper Introduction into other human Learning.

The preſent Maſters and Chaplain are, Mr. *Thickneſs*, High-Maſter; the Rev. Mr. *Tillotſon*, Sur-Maſter; and the Rev. Mr. *Ely*, Chaplain, or Uſher.

Chriſt's *Hoſpital.* (3.) The *Grey-friars* within *Newgate*, and St. *Bartholomew*'s Hoſpital, belonging antiently to the Priory of St. *Bartholomew*'s hard by, together with St. *Nicholas* and St. *Ewen*, two neighbouring Pariſhes, were obtained by the City of King *Henry* VIII. in the 38th Year of his Reign; all which that King granted to the City for the Relieving and Succouring of their Poor, one of the laſt good Acts that King did before his Death: And in the beginning of *January*, in the latter End of which Month King *Henry* died, *Ridley*, Biſhop of *Rocheſter*, declared, at St. *Paul*'s Croſs, this Gift of the King before the People, and his charitable End therein. *St.* Bartholomew's.

Bethlehem *Hoſpital.* The King did, in the ſame Year, grant the City the Hoſpital of *Bethlehem*, or *Bedlam*. He alſo then founded two Churches out of thoſe two religious Houſes, the one to be called *Chriſt-church* out of the *Grey-friars*, and the other, *Little St. Bartholomew*'s, out of the Hoſpital of that Name, with competent Salaries for the reſpective Vicars and Miniſters.

Chriſt-church *Hoſpital, for Children, when founded.* And, as the King had founded Churches on theſe Places, ſo, according to that his Grant, it lay upon the City to eſtabliſh here a ſtanding Proviſion for the Poor. And, accordingly, ſome Part of the Scite of the *Grey-friars* they purpoſed for a large Hoſpital for poor fatherleſs Children, here to be decently maintained, and piouſly brought up, and fitted for Trades and Callings: But it was not before five or ſix Years after the King's Grant, *viz.* *Anno* 1552, the Lord-Mayor

Mayor and Citizens fell upon the Reparation and Fitting-up of the *Friars* for the Reception of the Children: And they effected it the ſame Year, and called it *Chriſt-church* Hoſpital; ſo that in the Month of *September* they took in near 400 Orphans, and cloathed them in Ruſſet; but ever after they wore blue Cloth Coats; whence it is commonly called, *The Blue-coat* Hoſpital: Their Habit being, now, a long Coat of blue warm Cloth, cloſe to the Arms and the Body, hanging looſe to their Heels, girt about their Waiſt with a red Leather Girdle, buckled, a looſe Petticoat, underneath, of yellow Cloth, (of late Years the Boys are allowed Breeches) a round thrum Cap, tied with a red Band, yellow Stockings, and black low-heeled Shoes, their Hair cut cloſe, their Locks ſhort.

Their Habit.

Chriſt's Hoſpital.

In the Year 1552, began the preparing of the *Grey-friars* Houſe, for the poor fatherleſs Children; and, in the Month of *November*, the Children were taken into the ſame, to the Number of almoſt four hundred. On *Chriſtmas-day*, in the Afternoon, while the Lord-Mayor and Aldermen rode to St. *Paul's*, the Children of *Chriſt's* Hoſpital ſtood from St. *Laurence's-lane* End in *Cheap*, towards St. *Paul's*, all in one Livery of ruſſet Cotton, three hundred and forty in Number; and the *Eaſter* following they were in Blue, and ſo have continued ever ſince.

What further I have read and underſtood, concerning the firſt Beginning and Erection of this famous Hoſpital, followeth, according to the Original Copy, ſet down by Mr. *Richard Grafton*.

Ex R. Graſton.

Dr. Ridley *preached, before King* Edward VI. *Mercy and Charity.*

Doctor *Ridley*, then Biſhop of *London*, came and preached before the King's Majeſty at *Weſtminſter*: In which Sermon, he made a fruitful and godly Exhortation to the Rich, to be merciful unto the Poor, and alſo to move ſuch as were in Authority, to travel, by ſome charitable Ways and Means, to comfort and relieve them: Whereupon, the King's Majeſty, being a Prince of ſuch Towardneſs and Virtue, for his Years, as *England* before never brought forth; and being alſo ſo well retained and brought up in all godly Knowledge, as well by his dear Uncle the late * Protector, as alſo by his virtuous Schoolmaſters; was ſo careful of the good Government of the Realm, and chiefly to do and prefer ſuch Things as moſt eſpecially touched the Honour of Almighty God; and underſtanding, that a great Number of poor People did ſwarm in this Realm, and chiefly in the City of *London*, and that no good Order was taken for them, did ſuddenly, and of himſelf, ſend to the ſaid Biſhop, as ſoon as his Sermon was ended, willing him not to depart, until that he had ſpoken with him. And this that I now write, was the very Report of the ſaid Biſhop *Ridley*, who, according to the King's Command, gave his Attendance: And, as ſoon as the King's Majeſty was at Leiſure, he called for him, and cauſed him to come unto him in a great Gallery at *Weſtminſter*, where, to his Knowledge, and the King likewiſe told him ſo, there were preſent no more Perſons than they two; and, therefore, made him ſit down in one Chair, and he himſelf in another, which, as it ſeemed, were, before the Coming of the Biſhop, there purpoſely ſet, and cauſed the Biſhop, in Spite of his Teeth, to be covered, and then entered Communication with him in this Manner:

* Edward Seymour, *Duke of* Somerſet.

King Edward's *Diſcourſe with Biſhop* Ridley.

Firſt, giving him hearty Thanks for his Sermon and good Exhortation, he therein rehearſed ſuch ſpecial Things as he had noted, and that ſo many, that the Biſhop ſaid,

"Truly, truly," for that commonly was his Oath, "I could never have thought that Excel-"lency to have been in his Grace, but that I be-"held and heard it in him."

At the laſt, the King's Majeſty much commended him for his Exhortation for the Relief of the Poor.

A moſt virtuous and noble Saying of K. Edward *to Biſhop* Ridley.

"But, my Lord, quoth he, you willed ſuch as "are in Authority to be careful thereof, and to "deviſe ſome good Order for their Relief. "Wherein, I think, you mean me, for I am in "higheſt Place, and therefore am the firſt that "muſt make Anſwer unto God for my Negli-"gence, if I ſhould not be careful therein; "knowing it to be the expreſs Commandment of "Almighty God to have Compaſſion of his poor "and needy Members, for whom we muſt make "an Account unto him. And truly, my Lord, "I am, before all Things elſe, moſt willing to "travel that Way; and I doubting nothing of "your long and approved Wiſdom and Learn-"ing, who having ſuch good Zeal, as wiſheth "Help unto them; but alſo that you have had "ſome Conference with others, what Ways are "beſt to be taken therein, the which I am deſi-"rous to underſtand; and therefore I pray you to "ſay your Mind."

The Biſhop, thinking leaſt of that Matter, and being amazed to hear the Wiſdom and earneſt Zeal of the King, was, as he ſaid himſelf, ſo aſtoniſhed, that he could not tell what to ſay. But, after ſome Pauſe, ſaid, that he thought, at this preſent, for ſome Entrance to be had, it were good to practiſe with the City of *London*; becauſe the Number of the Poor there are very great, and the Citizens alſo are many and wiſe; and he doubted not but that they were alſo both pitiful and merciful; as the Mayor and his Brethren, and other the Worſhipful of the ſaid City. And that, if it would pleaſe the King's Majeſty to direct his gracious Letters unto the Mayor of *London*, willing him to call in ſuch Aſſiſtants as he ſhould think meet, to conſult of this Matter, for ſome Order to be taken therein; he doubted not but Good would follow thereon. And he himſelf promiſed the King to be one himſelf, that ſhould earneſtly aſſiſt therein.

The Citizens of London *moved to be Aſſiſtants in this charitable Action.*

The King, forthwith, not only granted his Letter, but made the Biſhop tarry until the ſame was written, and his Hand and Signet ſet thereto; and commanded the Biſhop, not only to deliver the ſaid Letter himſelf, but alſo to ſignify unto the Mayor, that it was the King's eſpecial Requeſt and expreſs Commandment, that the Mayor ſhould aſſiſt therein, and, as ſoon as he might conveniently, give him Knowledge how far he proceeded therein. The Biſhop was ſo joyous of receiving of this Letter, and that now he had Occaſion to aſſiſt in ſo good a Matter, wherein he was marvellous zealous, that nothing could have more pleaſed and delighted him. Wherefore the ſame Night he came to the Mayor of *London*, who was then Sir *R. Dobbs*, Knt. and delivered the King's Letter; and ſhewed his Meſſage with Effect.

The King's Letter ſent by the Biſhop to the Lord-Mayor of London.

The

The Readiness of the Lord-Mayor to prefer this good Deed.

The Lord-Mayor not only joyouſly received this Letter, but with all Speed agreed to ſet forward the Matter; for he alſo favoured it very much. And the next Day, being *Monday*, he deſired the Biſhop of *London* to dine with him; and, againſt that Time, the Mayor promiſed to ſend for ſuch Men, as he thought meeteſt to talk of this Matter; and ſo he did. He ſent firſt for two Aldermen, and ſix Commoners; and afterwards more were appointed, to the Number of twenty-four. In the End, after ſundry Meetings, (for, by the Means and good Diligence of the Biſhop, it was well followed) they agreed upon a Book they had deviſed; wherein firſt they conſidered on nine eſpecial Kinds and Sorts of poor People; and thoſe they brought into theſe three Degrees:

Nine Sorts of poor People, diſtinguiſhed into three Degrees.

Three Degrees of Poor.

1. The Poor by Impotency.
2. The Poor by Caſualty.
3. Thriftleſs Poor.

1. The Poor by Impotency are alſo divided into three Kinds; that is to ſay,

1. The Fatherleſs poor Man's Child.
2. The Aged, Blind, and Lame.
3. The diſeaſed Perſon by Leproſy, Dropſy, *&c.*

2. The Poor by Caſualty are likewiſe of three Kinds; that is to ſay,

1. The wounded Soldier.
2. The decayed Houſeholder.
3. The viſited with any grievous Diſeaſe.

3. The Thriftleſs Poor are three Kinds in like Manner; that is to ſay,

1. The Riotер, that conſumeth all.
2. The Vagabond, that will abide in no Place.
3. The idle Perſon, as Strumpets, and others.

The firſt Beginning of Chriſt's *Hoſpital.*

For theſe Sorts of Poor, three ſeveral Houſes were provided: Firſt, for the Innocent and Fatherleſs, which is the Beggar's Child, and is indeed the Seed and Breeder of Beggary, they provided the Houſe that was the late *Grey-friars* in *London*; and called it by the Name of *Chriſt's* Hoſpital; where poor Children are trained up in the Knowledge of God, and ſome virtuous Exerciſes, to the Overthrow of Beggary.

The firſt Beginning of St. Thomas *and St.* Bartholomew's *Hoſpital.*

For the ſecond Degree, were provided the Hoſpitals of St. *Thomas* in *Southwark*, and St. *Bartholomew* in *Weſt Smithfield*, where are continually, at leaſt, two hundred diſeaſed Perſons; which are not only there lodged and cured, but alſo fed and nouriſhed.

The firſt Beginning of Bridewell.

For the third Degree, they provided *Bridewell*, where the Vagabond and idle Strumpet are chaſtiſed, and compelled to labour, to the Overthrow of the vicious Life of Idleneſs.

Relief for decayed Houſeholders and Lepers.

They provided alſo for the honeſt decayed Houſeholder, that he ſhould be relieved at Home, at his Houſe, and in the Pariſh where he dwelled, by a weekly Relief and Penſion. And in like Manner they provided for the Leper, to keep him out of the City, from Clapping of Diſhes and Ringing of Bells, to the great Trouble of the Citizens, and alſo to the dangerous Infection of many; that they ſhould be relieved at Home, at their Houſes, by ſeveral Penſions.

Now, after this good Order taken, and the Citizens, by ſuch Means as were deviſed, willing to further the ſame, the Report thereof was made to the King's Majeſty; and his Grace, for the Advancement thereof, was not only willing to grant ſuch as ſhould be Overſeers and Governors of the ſaid Houſes a Corporation, and Authority for the Government of them; but alſo required that he might be accounted as the chief Founder and Patron thereof.

The King acquainted with the City's Furtherance.

And, for the Furtherance of the ſaid Work, and continual Maintenance of the ſame, he, of his mere Mercy and Goodneſs, granted, that whereas, before, certain Lands were given to the Maintaining of the Houſe of the *Savoy*, founded by King *Henry* VII. for the Lodging of Pilgrims and Strangers; and that the ſame was now made but a Lodging for Loiterers, Vagabonds, and Strumpets, that lay all Day in the Fields, and at Night were harboured there; which was rather the Maintenance of Beggary, than any Relief to the Poor; he gave the ſame Lands, being firſt ſurrendered by the Maſter and Fellows there, which Lands were of the yearly Value of 600 *l.* unto the City of *London*, for the Maintenance of the Foundation aforeſaid.

King Edward VI. *Founder of the Hoſpitals in* London.

The Savoy *Lands ſurrendered to the King, and given to the City of* London.

And, for a further Relief, a Petition being made to the King's Majeſty, for a Licence to take in Mortmain, or otherwiſe, without Licence, Lands to a certain yearly Value; and a Space left in the Patent, for his Grace to put in what Sum it would pleaſe him: He, looking on the void Place, called for Pen and Ink, and with his own Hand wrote this Sum, 4000 Marks by the Year; and then ſaid, in the Hearing of his Council, "Lord, I yield thee moſt hearty Thanks, that "thou haſt given me Life, thus long, to finiſh "this Work to the Glory of thy Name." After which Foundation eſtabliſhed, he lived not above two Days; whoſe Life would have been wiſhed equal to the Patriarchs, if it had pleaſed God ſo to have prolonged it.

The Words of a bleſſed King.

There was one Act of Benevolence of King *Edward* expreſſed to this Hoſpital, of his founding, that was ſomewhat remarkable; which was his granting hereunto all the Church Linen, formerly uſed in the publick religious Worſhip in the Churches of *London*: For, the King having appointed Commiſſioners to take a View of all the Goods belonging to the Churches in and about *London*, great Quantities of linen Veſtures and Cloth were found in the ſame, and more, a great deal, than there was Need of, now, in the Celebration of the reformed Divine Worſhip. Wherefore, the King wrote to *Ridley*, Biſhop of *London*, one of his ſaid Commiſſioners, and a great Inſtrument of this Foundation: "That to-"wards the Relief of thoſe poor Orphans and "others, charitably brought and gathered toge-"ther by his loving Subjects, the Citizens, to "his new Hoſpital of *Chriſt-Church*, the ſame "Linen ſhould be delivered to the Governors "for their Uſe, thinking, as he added, that any "Thing therein beſtowed, to be to the Relief "and Suſtentation of the Temple of God, who "inhabited in thoſe poor People: Yet leav-"ing to every Church neceſſary Linen Veſture, "as ſhould ſerve to the publick Uſe and Miniſtry "within

Church Linen given to the Hoſpital. Regiſt. Ridley.

" within the ſaid Churches, according to the " preſent Uſage."

What Monies were raiſed by the noble Chriſtian Benevolence of the Citizens, upon King *Edward*'s Encouragement:

Sir William Cheſter *and* John Calthrop, *Draper, Benefactors.*

By Example of the charitable Act of this virtuous young King, Sir *William Cheſter*, Knt. and Alderman of *London*, and *John Calthrop*, Citizen and Draper of the ſame City, at their own proper Coſts and Charges, made the Brick Walls and Way on the back Side, which leadeth from the ſaid new Hoſpital, unto the Hoſpital of St. *Bartholomew*; and alſo covered and vaulted the *Townditch*, from *Alderſgate* to *Newgate*; which before was very loathſome, and infectious to the ſaid Hoſpital.

Richard Caſtel, *Shoemaker*, The Cock of Weſtminſter, *a Benefactor.*

This Hoſpital being thus erected, and put into good Order, there was one *Richard Caſtel*, alias *Caſteller*, Shoemaker, dwelling in *Weſtminſter*, a Man who was very aſſiduous in his Faculty, with his own Hands; and ſuch an one as was named, *The Cock of Weſtminſter*, becauſe both Winter and Summer he was at Work before four of the Clock in the Morning; this Man thus truly and painfully labouring for his Living, God bleſſed and increaſed his Labours ſo abundantly, that he purchaſed Lands and Tenements at *Weſtminſter*, to the yearly Value of 44 *l.* and, having no Child, with the Conſent of his Wife, who ſurvived him, and was a virtuous good Woman, gave the ſame Lands wholly to *Chriſt's* Hoſpital aforeſaid, to the Relief of the innocent and fatherleſs Children; and for the Succour of the Miſerable, Sore and Sick, harboured in the other Hoſpitals about *London*.

A Mathematical School founded here by King CharlesII.

Beſides this firſt Royal Founder King *Edward*, *Chriſt-Church* Hoſpital hath of late enjoyed another Royal Founder, *viz.* King *Charles* II. who founded a Mathematical School and Ward, lying on the Weſt Part of the Hoſpital, for the Inſtruction of forty Boys in the Mathematicks, eſpecially in that Part of it that reſpects Navigation; and liberally endowed it with one thouſand Pounds a Year, paid out of the *Exchequer* for ſeven Years for the Founding thereof.

The Qualification of the Mathematical Maſter.

The Mathematical Maſter at *Chriſt*'s Hoſpital, by the Conſtitution of the Houſe, muſt be thus qualified; he muſt be a ſober, diſcreet, and diligent Perſon, of good Life, a good Scholar, very well underſtanding the *Latin* and *Greek* Languages, a very good Mathematician, well knowing and ready in the Theory and Practice of all its Parts; to the End Boys may be furthered in the *Latin* Tongue, and the Maſter able to anſwer Strangers, if Need be; and that they and others may find his Abilities to Satisfaction.

The Scholars to be put forth to Maſters of Ships.

And, by the Conſtitution, ten are to be put forth yearly Apprentices to Maſters of Ships; to the End that they may be fit in Time to do Service in the Navy Royal, and ten more to be received into their Rooms. Theſe Youths, who are choſen out of the reſt of the Bluecoat Boys, are to be the moſt acute, and of the readieſt Wits, that they may be fit for Mathematical Studies.

Badge of theſe Boys.

Theſe, as a Badge of Diſtinction, wear on their Breaſts faſtened to their Coats, a Plate of Silver, with ſome Figures engraven, the Dye whereof is kept in the *Tower*, where they are all ſtamped. The chief Figures are three liberal Sciences, *viz.* Arithmetick, with a Scroll of Accounts in one Hand, and laying her other Hand upon a Bluecoat Boy's Head, having his Cap under his Arm. The next Figure repreſenteth Geometry, with a Triangle in her Hand. The third Aſtronomy, with a Quadrant in one Hand, and a Sphere in the other. There is alſo the Figure of a Ship or two under Sail, with a Wind from Heaven, blowing as it were upon it a proſperous Gale. There are alſo in the Clouds two Angels, one of them a *Mercury*; and theſe Words wrote round, declaring the Royal Founder, and the Year when this School commenced, *viz. Auſpicio* Caroli *Secundi Regis*, 1673. This Badge they wear conſtantly, not only in the Hoſpital, and about the Town, but when they are put forth; which when ſeen ſecureth them from being preſſed. But they will ſometimes put it into their Pockets, as not caring to own the Place of their Education; for which, when it is diſcovered, they are reprimanded.

The Beginning and Occaſion of this Mathematical School.

And here it muſt not be omitted, for perpetual Memory, to remark the firſt Occaſion of inſtituting this moſt uſeful Mathematical School, founded in this Hoſpital. It was accidental, and owing in great Meaſure to Sir *Robert Clayton*, Knt. and Alderman, and ſome time Lord-Mayor of the City, who, as the ſetting up of ſuch a Diſcipline in this Hoſpital firſt came into his Mind, ſo he was very inſtrumental and active in bringing it to that Succeſs it afterwards came to, by his moving it ſo ſeaſonably to the Lord *Clifford*, then Lord High Treaſurer; who as effectually propounded it to the King. Sir *Robert* was then made a Governor of the ſaid Houſe, and Sir *Jonas Moor*, *Samuel Pepys*, Eſq; and ſeveral other Perſons, known to be Friends and Favourers of the Mathematics, were called into the Government, for the better managing and ſettling this new Royal School.

The King's other Bounty to this School.

King *Charles* II. the Royal Founder, was pleaſed farther to make a Grant for the Sum of for to place out ten of the Mathematick Boys Apprentices to Maſters of Ships, wherein he reſerved the laſt Year of their Time to his Service. This Sir *Robert Clayton* believed Mr. *Pepys* was the chief Inſtrument to procure.

Another Ward of Mathematical Boys preparing.

The Governors did afterwards repair an old Ward over the North Cloiſters, to be appropriated for other forty Boys to be taught Mathematicks, as the King's Boys are; but to wear a diſtinct Badge from them, as belonging to another Foundation; namely, the old Foundation.

The Number of Children here provided for.

There have been ſometimes a thouſand poor Children, and more, maintained here at one Time.

The State of this Houſe.

But now to relate ſome further Particulars of the State of this Hoſpital; as the Rooms and Apartments, the Schools, the Maſters and Miſtreſſes, the Governors, and Officers, the Proviſions for their Maintenance, the good Order and Government, the Expences and the Benefactors.

The Hall.

There is a great and ſpacious Hall well built, where the Boys dine and ſup. It was built after the great Fire by Sir *John Frederick*, Alderman of *London*, and coſt him 5000 *l.* In this Hall at the upper End is a large Picture, that covereth all the Wall of the North End, and ſtretcheth on the

the East and West Walls, repreſenting King *James* II. but intended for King *Charles* II. had he lived but a little longer, ſitting there, and his Nobles, and the Governors, and Treaſurer, and others in great Numbers ſtanding about him, with the Pictures of King *Edward* VI. and King *Charles* II. as Founders, drawn half Way, painted as hanging up in the ſame Table. And there is a particular Repreſentation of the Mathematical School; it is done by *Vario*, and reckoned worth 1000 *l.* There is likewiſe at the other End of this Hall a large Picture more antient of King *Edward* VI. the firſt Founder, delivering his Royal Charter for this Hoſpital to the Mayor, who kneeleth with the Aldermen behind him; a Biſhop, which we ſuppoſe is *Ridley*, with many others ſtanding about; an antient and a fine Piece: Nor muſt we forget the fine Piece of the Pool of *Betheſda*, very large, and painted in a maſterly Stile by Mr. *Hogarth*.

In this Hall is a good Organ, that oftentimes plays, when the Boys alſo ſing their Pſalms or Anthems on *Sundays* and other ſpecial Days.

Eight Wards. There are eight Wards where the Children's Beds are, and where they lodge and harbour: In each of theſe Wards are harboured above fifty odd, one with another.

The Girls Ward built. The Girls have a Ward alſo by themſelves, which is ſituated paſſing out of the great Hall on the Eaſt. It is fair and handſome, and, indeed, the beſt Ward of all. It was built at the Coſt of Mr. *John Morice* and Sir *Robert Clayton*, the former giving 1000 *l.* the other much more. Mr. *Thomas Firmin*, Girdler, that charitable Citizen in his Time, took upon him the Care of the Building, and was ſupplied with Money from them, yet, concealing their Names according to their Deſire, mentioning no more concerning them in this good Work, but only that two charitable Citizens were at the Charge of it. There is a Statue ſet up in the Common Hall for Sir *Robert Clayton*, as his Memory deſerveth to be perpetuated for his ſingular Charity towards other Hoſpitals, as well as this.

Mr. Thomas Firmin.

The Occaſion. Mr. Cockeril. But take a more particular Account of this Building, from one who had it from the Relation of Sir *Robert* himſelf, and how the Builders came to be known. Sir *Robert* had had a very great Fit of Sickneſs in the Year 1675, and, being reſtored to a good State of Health, did think fit to make an Acknowledgment to God for this Mercy by ſome publick good Work: And, conſulting with the ſaid Mr. *Firmin* upon that Subject, he propoſed ſomething ſhould be done for *Chriſt*'s Hoſpital, which ſince the great Fire had been but little reſtored hitherto from its Ruins; and excited him particularly to build the Girls Ward there; the doing of which was computed at 2000 *l.* Coſt. Mr. *Morice*, Sir *Robert*'s Partner, was contented to give one Half thereof. And Mr. *Firmin* was employed in the Care and Managery, with a ſtrict Injunction given him, that their Names ſhould not be diſcovered. This was not all that was intended: For Sir *Robert* then deſigned, that the Children of the Houſe ſhould be better fitted for common and ordinary Trades, than by the Methods then taken they were; and did project ſeveral Rooms under the Wards for ſeveral Trades; where the Children, not engaged in Mathematicks, ſhould ſpend ſome of their Time in honeſt Callings, that might be uſeful to the Houſe and the Publick too, according to ſome Models he had procured of Hoſpitals from abroad. While this Work was carrying on, it was found convenient to make this a double Ward, however, at firſt, deſigned only for a ſingle one; and the Stair-caſe to be ſet within the Cloiſters to ſerve both. This augmented the Charge, at firſt propoſed, to near double the Sum; and Mr. *Morice*, Sir *Robert*'s Partner, was now dead, ſo that the whole Burthen now lay on him. While this Work was in Hand, having privately viewed it, he intended ſomething further, which would have coſt 500 *l.* more.

A further good Work ſtopped by Faction. But it moſt unſeaſonably happened at this Time, that Feuds and Factions grew high among the Citizens, which ended, at laſt, in the depriving them of their Charter. And then was this moſt liberal and publick-ſpirited Citizen and Magiſtrate put out both of the Government of the City, and of this Hoſpital, with many other worthy Citizens, and ſo the good Work unhappily ſtopped. But Mr. *Firmin* ſoon took the Opportunity to let the remaining Governors underſtand, what a Piece of Ingratitude this was, ſhewing them, in ſome Zeal, that he that was thus diſcharged, was the very Man that had highly deſerved of the Houſe in this expenſive Building, by whoſe whole Charges it had, for divers Years, been carried on; whereby the Founder of this Ward came to be, at length, known, which, otherwiſe, might have been concealed to this Day.

Ward for the Sick. Another Ward there is, being a convenient Ward apart by itſelf for the Sick, where they that fall into any Diſtempers are removed, and due Care taken of them.

The Cloiſter. Of the antient Buildings remaining, there is an old Cloiſter of the *Grey-friars*, and was Part of the old Priory. It ſerves for a Thoroughfare, and a Place of Recreation for the Boys, eſpecially in rainy Weather: But, being gone to Decay, it was repaired, by the Direction of that excellent Architect, Sir *Chriſtopher Wren*, Knight.

Schools. For Schools, there are theſe: A Grammar School, a Mathematical School, a Writing School, and a School for the Girls, where they learn to read, to ſew, and to mark.

The Grammar School is antient; the other more modern, and ſet up ſince the great Fire.

Writing School. The Writing School is a very fair Structure, at the End of the great Hall, lofty and airy; founded by Sir *John Moore*, Knight, ſome time one of the Aldermen of the City, and Preſident of of this Houſe. It containeth long Writing-boards, ſufficient for 300 Boys to ſit and write at. It coſt the nobly-minded Builder, they ſay, 5000 *l.* whoſe Statue, in white Marble, at full Proportion is placed at the upper End, with this Inſcription:

Anno Dom. 1694.

This Writing School, and ſtately Building, was begun, and completely finiſhed, at the ſole Charge of Sir John Moore, *Knt. and Lord-Mayor of the City, in the Year* MDCLXXXI; *now Preſident of this Houſe; he having been otherwiſe a liberal Benefactor to the ſame.*

It reſteth upon Columns, and is built, below, into Tenements and Shops, which they let out; there being ſeven in all.

The Maſters. The Maſters of theſe Schools are four, *viz.* A Grammar Maſter, who hath alſo an Uſher to aſſiſt him; a Mathematical Maſter, and a Writing Maſter, who have 100 *l. per Annum*, each, for their Salaries, beſides Houſes.

There are alſo two School-Miſtreſſes that teach the Girls, who alſo have ſufficient Salaries, and Houſes to dwell in.

The Grammar Maſter hath alſo an Addition of 20 *l.* yearly, for Catechiſing the Boys; and his Uſher 50 *l.* a Year beſides.

A Drawing Maſter. *Chriſt*'s Hoſpital is lately further improved, by entertaining a Maſter to teach the Boys Drawing. Some Skill in which Art is ſo very uſeful to many, or moſt mechanical Trades; as, beſides Painters, thoſe of Seamen, Carpenters, Joiners, Plumbers, Carvers, Maſons, Bricklayers, *&c.*

Now for the Governors and Officers of this great Hoſpital.

Governors. The Governors are many, and commonly Perſons that have been Maſters or Wardens of their Companies, or Men of Eſtates, or from whom there are Expectations of Charity. Out of theſe, one is Preſident, and he commonly is ſome antient Alderman that hath paſſed the Chair; and another is Treaſurer, who takes Care *Treaſurer.* of the Affairs of the whole Houſe, and of the Revenues, and therefore is commonly reſident, and hath a good Houſe to dwell in, but without any Salary: And ſuch an one is choſen by the Governors for this great Truſt, who is of Note for his Abilities, Integrity, and Charity: And according to the Repute he hath, ſo the Hoſpital uſually flouriſheth, and the Benefactions come in plentifully.

The preſent Treaſurer is *Philip Scarth*, Eſq.

Every Governor, when he is admitted into this Society, hath this Charge ſolemnly given him, in the Preſence of the Preſident, or Treaſurer, and other Governors aſſembled in Court:

"*Worſhipful*,

The Governor's Charge. "The Cauſe of your Repair hither at this preſent is, to give you Knowledge, that you are elected and appointed, by the Lord-Mayor and Court of Aldermen, to the Office, Charge, and Governance of *Chriſt*'s Hoſpital.

"And, therefore, this is to require you, and every of you, that you endeavour yourſelves, with all your Wiſdom and Power, faithfully and diligently to ſerve in this Vocation and Calling, which is an Office of high Truſt and Worſhip: For ye are called to be the faithful Diſtributors and Diſpoſers of the Goods of Almighty God to his poor and needy Members. In the which Office and Calling if you ſhall be found negligent and unfaithful, ye ſhall not only declare yourſelves to be the moſt unthankful and unworthy Servants of Almighty God; being put in Truſt to ſee the Relief and Succour of his poor and needy Flock; but alſo ye ſhall ſhew yourſelves to be very notable and great Enemies to that Work, which moſt highly doth advance and beautify the Commonwealth of this Realm, and chiefly of this City of *London*.

"Theſe are therefore to require you, and every of you, that ye here promiſe before God, and this Aſſembly of your Fellow-Governors, faithfully to travail in this your Office and Calling, that this Work may have its Perfection, and that the needy Number committed to your Charge be diligently and wholſomely provided for, as you will anſwer before God, at the Hour and Time when you and we ſhall ſtand before him, to render an Account of our Doings. And, promiſing this to do, you ſhall be now admitted into this Company and Fellowſhip."

Officers. Beſides the chief Governors, they have divers Officers that receive Salaries, *viz.* four Clerks, a Steward, a Matron; for every Ward, a Nurſe and her Maid; a Porter and four Beadles.

They have alſo three Servants, which they call Street-men, that ſee to the well Government of the Carts of *London*.

They have alſo certain Clerks for *Blackwell-Hall*, whence are certain Duties coming to the Houſe.

Proviſion. As for the Proviſion for this great Family, the Drink is ſupplied by two Beer-Brewers, and the Bread by three Bakers.

Almoners. There are two of the Governors that are called Almoners, who, for a Month, or more, take Care to buy and lay in Butchers Meat, that is, Beef and Mutton; the Steward attending them.

The Butcher receiveth, upon an Average, 50 *l.* every Month.

Their daily Fare. And after this Manner the Children fare daily: They have, every Morning, for their Breakfaſt, Bread and Beer, at half an Hour paſt ſix in the Morning, in the Summer Time; and at half an Hour paſt ſeven in the Winter. On *Sundays* they have boiled Beef and Pottage for their Dinners; and for their Suppers, Bread and Butter. On other Days, their Fare, as it is thrifty, ſo it is ſufficient.

On *Mondays* Milk-pottage, *Tueſdays* roaſt Mutton, *Wedneſdays* Rice-milk, *Thurſdays* boiled Beef and Broth, *Fridays* boiled Mutton and Broth, and on *Saturdays* Peaſe-pottage.

Their Supper is Bread and Cheeſe, or Butter for thoſe that cannot eat Cheeſe.

They have roaſt Beef about twelve Days in the Year, by the Kindneſs of ſeveral Benefactors; who have left, ſome 3 *l.* ſome 50 *s. per Annum*, for that End and Purpoſe.

Their Bread. Their Bread, formerly, was very coarſe and brown; but, by the Care and Order of Mr. *Breerwood*, a late Treaſurer, it was changed, and is very good wheaten Bread: And, when it was firſt brought into the Hall in the Bread-baſkets, the poor Children's Hearts rejoiced, and they gave a great Shout, praying God to bleſs their good Treaſurer.

Their good Orders. The good Orders of this numerous Houſe are alſo much to be commended. Omitting the reſt, I ſhall relate the Cuſtom on the *Lord's-Days*; which bringeth Multitudes of People, both of the City and Court, thither, to behold.

On Sundays. As ſoon as the Boys come from Church on *Sundays* in the Afternoon, they repair into their ſeveral Wards, where they read Chapters in the Bible until the Supper-bell rings, which is at ſix o'Clock; then they go into the great Hall to Supper.

per. All being come in, one Boy appointed goeth up into a Pulpit there placed, and readeth a Chapter, being the ſecond Leſſon for the Day. After that, he reads likewiſe ſeveral good Collects, or ſhort Prayers, compoſed, or ordered to be compoſed, by the Right Reverend the Biſhop of *London*, being all ſuitable to the Occaſion: As, for all States of Men; and Thanks for their Benefactors; and Prayers for their Foundation. At the End of every Prayer all the Boys cry *Amen*, that makes a very melodious Sound. The Boy that readeth is one of the uppermoſt, and deſigned for the Univerſity. The Prayers being done, a Pſalm is named by the Boy; and all ſing, with a good Organ, that is placed in the ſaid great Hall. That done, the ſaid Boy, in the Pulpit, craves a Bleſſing upon their Supper; and then all the Boys and Girls, that were ſtanding round in their Order before, go quietly each to their Tables, and take their Places, which they know, without any Noiſe. Then certain of the Boys, in their Turns, ſome bring Bread in their Baſkets, ready cut in good Pieces; and others, Trenchers; and others, ſmall Beer; of which they have as much as they pleaſe. Then are brought, in ſeveral wooden Platters, Butter cut out into reaſonable Pieces, and the Nurſes diſtribute them to each Boy. Supper being done, which is not long, the former Boy goes up into the Pulpit again, and gives Thanks; and then ſets a Pſalm, and all the Boys ſing well with the Organ. This done, they all, in very quiet and good Order, retire from the Hall to their ſeveral Wards, the Nurſes of each Ward going before their reſpective Ward; and one of the Boys, in each Ward, carrying the Bread-Baſket upon his Shoulder, another the Table-Cloth; and ſo the Hall is preſently cleared: And the Nurſes and Boys, as they paſs along by the Treaſurer, make their Obeiſance. When they are thus retired to their ſeveral Wards, the Nurſes hear them all read Chapters out of the Bible; and then they ſing ſome Pſalm again, and, ſoon after, they all go to Bed.

The Children are catechiſed on *Tueſdays*, *Thurſdays*, and *Fridays* in the Grammar-School.

The Ward for the Sick.

And, that theſe poor Children may be cared for in Sickneſs as well as in Health, there is a convenient Apartment, by itſelf, for ſuch to be kept in; which contains a Room for the Lodging of the Sick, a Kitchen for dreſſing their Diet, and preparing ſuch Food or Phyſick as is needful for them; and a Conſultation Chamber, where the Phyſician, Apothecary, or Surgeon meet, to confer upon the Patients Diſtempers and Cures; together with other Places convenient. There is a Nurſe proper to this Ward; and they had a Phyſician, who was, formerly, the very learned and well-deſerving Dr. *Sloane*, late Sir *Hans Sloane*, Baronet, now Dr. *Robinſon*, an Apothecary, and a Surgeon; who commonly come two or three Times a Week, or oftener, as there is Occaſion for them. And in ſuch a good State of Health was this Hoſpital, that, in the Month of *July*, *Anno* 1704, when I was there, there were but five Lads in this Ward, and they then pretty well. Strype.

Beſides the Children that are maintained within the Walls of this Hoſpital, there are conſiderable Numbers belonging to it, which are ſent out and provided for in the Country, *viz.* at *Ware* and *Hertford*, in *Hertfordſhire*: And they are of the leaſt and youngeſt Sort, and afterwards brought home to *London*. At each Place is a Schoolmaſter, to teach the Children to read, with a Salary of 50 *l.* each.

Children of Chriſt's Hoſpital at Ware and Hertford.

At *Ware* is a fine Building, like a College, making a large Quadrangle, for Boys, containing a School-houſe and a Maſter's Houſe, and thirteen Houſes for Nurſes to keep the Children. Sir *Jonathan Raymond*, Knight, ſome time Alderman of *London*, bought and gave them a Field near adjoining, to recreate themſelves and to play in. In the Summer of the Year 1704, fifty-ſeven Boys, and more, were going thither; eighty Children being then kept there.

At *Hertford* are alſo a School-houſe, and a Maſter's Houſe, and twenty Houſes more, each with two Rooms on a Floor, and Gardens belonging. Hither were ſent, in the Year 1704, ninety-ſix Boys, and ſome Girls; which Girls were ſent thither for Air, becauſe not well; ſo that, divers Years ago, an hundred Children were kept at *Hertford*.

Expences, Benefactions, and Revenues.

This Hoſpital expends 12 or 1300 *l.* a Year in Salaries to Officers, Clerks and Servants; and the Foundation hath ſuch a Reputation, and the Eſtate belonging to it is ſo well employed, and ſo juſtly managed, and uſed to the real Intents of it, and the Government of it ſo good and regular, that many have been encouraged to be frank Benefactors to it: And ſeldom Men of Eſtate in the City die, but they leave it very good Legacies, whether in Sums of Money, or in Houſes and Lands. But ſome have been extraordinary in their Bounty: As Mr. *Stone*, of *Skillingthorp* in *Lincolnſhire*, left an Eſtate there, of about 500 *l.* a Year, for the proper Uſe of this Place; yet leaving many Charities for the Hoſpital firſt to pay out.

Mr. *Garraway* left an Eſtate to it, near *Arundel* in *Suſſex*, of above 700 *l.* a Year; whoſe Picture, in grateful Memory of him, is ſet up in the great Hall by Mr. Treaſurer.

One Mr. *Bacon* gave a conſiderable Eſtate in Reverſion, in Caſe of the Death of two Relations.

Revenues belonging to this Hoſpital.

So that their yearly Revenue, in Houſes and Lands, as it ought to be, to ſatisfy ſuch vaſt Charges; ſo, Thanks be to God for Perſons well diſpoſed to this charitable Foundation, is conſiderably great: And, by the Bounty of the City, to increaſe the wealthy Eſtate thereof, it hath allowed this Houſe the Benefit of looking after and licenſing the Carts of *London*; the whole Care and Ordering whereof belongs to it. There are 420 Carts allowed in the City, each of which pays a certain ſmall Sum for ſealing.

They have alſo a Duty of about three Farthings upon every Cloth brought to *Blackwell-Hall*, allowed them by Acts of Common-Council; and they keep Clerks there to receive it.

Benefactors in the Year 1718.

Chriſt-Church Hoſpital was ſeaſonably relieved, in the Year 1718, with theſe Legacies:

			l.
Dame *Sarah Prichard*	—	—	100
Mr. *Paul Jervis*, Gent.	—	—	100
Sir *Edward Wills*, Knt.	—	—	100

	l.
Samuel Shepherd, Eſq; — —	100
Sir *James Bateman*, Knt. and Alderman	100
Sir *John Lethieullier*, Knt. — —	100
Sir *Richard Hoare*, Knt. and Alderman	100
Mrs. *Jane Elliot* — —	100
Mrs. *Sarah Rudyerd* — —	100
William Nutt, Eſq; — —	50
Mr. *William Bridges* — —	50

Benefactors.

In the great Room, above Stairs, where the Governors uſually meet, there hang round it the Pictures of the Royal Founder, and divers other chief Benefactors; *viz.* at the upper End of the Room,

King *Edward* VI. the Founder of this Hoſpital.

King *Charles* II. on his right Hand, who founded the Mathematical School.

King *James* II. on his left Hand.

Then follow the reſt, with the Inſcription under each of them:

Sir *Richard Dobbs*, Knt. Mayor, *Anno* 1552.

Chriſt's *Hoſpital erected was, a paſſing Deed of Pity,*
What Time Sir Richard Dobbs *was Mayor of this* [*moſt famous City,*
Who careful was in Government, and furthered much [*the ſame;*
Alſo a Benefactor good, and joyed to ſee it frame.
Whoſe Picture here his Friends have ſet, to put each [*Wight in mind*
To imitate his virtuous Deeds, as God hath us aſ- [*ſign'd.*

Dame *Mary Ramſey*, Widow of Sir *Thomas Ramſey*, Knt. and Preſident; a moſt munificent Benefactor to this Hoſpital, and other Places, *Anno* 1599.

Thomas Barnes, Eſq; Citizen and Haberdaſher, *Anno* 1667; a bountiful Benefactor to this Hoſpital.

Eraſmus Smith, Eſq; in the Year 1666, and afterwards, was a very bountiful and liberal Benefactor to this Foundation.

Sir *John Leman*, Knt. and Preſident of this Hoſpital; a very bountiful Benefactor, *Anno* 1632.

Sir *Thomas Viner*, Knt. and Preſident of this Hoſpital, *Anno* 1658; a worthy Benefactor, when living, and at his Deceaſe.

Mr. *Richard Young*, Citizen of *London*, and ſome Time of *Roxwell* in *Eſſex*, *Anno* 1661, was a worthy Benefactor to this Hoſpital.

Daniel Colwall, Eſq; one of the Governors, *Anno* 1667, a living Benefactor; and at his Deceaſe, 1690, was extraordinarily liberal and charitable to this Hoſpital.

Sir *Chriſtopher Clitherow*, Knt. and Preſident of this Hoſpital, 1641; a Benefactor.

Sir *John Moore*, Knt. and Preſident, *Anno* 1684; a liberal Benefactor to this Hoſpital on ſeveral Accounts; and in building the new Writing-School at the Weſt End of the *Town-Ditch*, finiſhed *Anno* 1695, when living.

Sir *John Frederick*, Knt. and Preſident, *Anno* 1662, to the Year 1684, was a very liberal and bountiful Benefactor, beſides his extraordinary Charges in rebuilding the great Hall in this Hoſpital.

Sir *Wolſtone Dixey*, Knt. and Preſident; a worthy Benefactor to this Hoſpital in the Year 1593.

John Morriſe, Eſq; in the Year 1670, a Benefactor in repairing the Cloiſters; and ſince very liberal towards building the Girls Ward over the South Cloiſter in this Hoſpital.

Mr. *Thomas Stretchley*, Gent. *Anno* 1682, gave certain Lands to this Hoſpital, beſides the Reverſion of a conſiderable Eſtate.

Henry Stone, of *Skellingthorp* in the County of *Lincoln*, Eſq; a moſt munificent Benefactor to this Hoſpital; who died in *June*, 1693.

William Garway, of *Ford*, in the Rape of *Arundel*, in the County of *Suſſex*, Eſq; a very munificent Benefactor to this Hoſpital; he died *Anno* 1701.

Sir *Robert Clayton*, Knt. and Alderman, and ſome Time Lord-Mayor of this City, who built the Ward for the Girls, *Anno* 1682, and was otherwiſe a good Benefactor to this Hoſpital; he died in the Year 1707.

The State of Chriſt's *Hoſpital*, Anno 1754.

Children put forth Apprentices, and diſcharged out of *Chriſt's* Hoſpital, the Year laſt paſt, one hundred and ſeventy-ſeven; ten whereof, being inſtructed in the Mathematicks and Navigation, were placed forth Apprentices to Commanders of Ships out of the Mathematical School, founded by his late Majeſty King *Charles* II.

Children buried the Year laſt paſt, none.

Children now remaining under the Care and Charge of the ſaid Hoſpital, which are kept in the Houſe, and at Nurſe elſewhere, ſeven hundred and ninety.

That the Revenue of the Hoſpital having greatly ſuffered by ſeveral dreadful Fires in and about *London*, and otherwiſe; and the Governors having been at vaſt Expence for accommodating poor Orphans, in purchaſing and building of convenient Houſes or Nurſeries at *Hertford* and *Ware* for their Reception, and in maintaining of Maſters, Uſhers, and other proper Officers there: And the ſick Ward in the ſaid Hoſpital having, by Length of Time, become ruinous, and in great Danger of falling, hath unavoidably occaſioned the rebuilding the ſame, which hath been finiſhed at a very great Expence of the Money of the ſaid Hoſpital: And the annual Increaſe of Children having made it abſolutely neceſſary for the Governors to engage in the new Building of two additional Wards for the ſaid Children's Reception; which ſaid Buildings have been likewiſe finiſhed at the like Charge and Expence of the ſaid Hoſpital: And the Hoſpital's Revenue, without caſual Benefactions, being not ſufficient to defray the Charge of maintaining ſo large a Number of Children as they do, together with the great Expence of the ſaid new Buildings; it is therefore to be hoped and wiſhed for, that, in Regard to a Work ſo charitable, uſeful, and commendable, being for the Relief of neceſſitous Orphans and Infants, the Advancement of the Chriſtian Religion, and the Good of the Kingdom, all charitable and worthy good Chriſtians will readily and liberally contribute to the Support and Encouragement of ſo good and pious a Work.

The Names of the Preſident, Treaſurer, and Officers belonging to this Hoſpital.

Sir *John Barnard*, Knt. Alderman and Preſident.
Philip Scarth, Eſq; Treaſurer.

Dr.

Dr. *Nicholas Robinſon*, Phyſician.
Mr. *John Bowden*, chief Clerk.
Mr. *John Keely*, under Clerk and Receiver.
Mr. *Walter Wall*, Surgeon.
Edward Roberts, Apothecary.
Richard March, Wardrobe-keeper and Aſſiſtant Clerk.
Mr. *John Aſhton*, Steward.
James Hodſon, F. R. S. Maſter of the Royal Mathematical School.
J. Robertſon, F. R. S. Aſſiſtant Mathematical Maſter.
Rev. *James Townley*, A. M. Grammar-maſter.
Rev. *James Penn*, A. M. Under Grammar-maſter.
Mr. *Thomas Smith*, Writing-maſter.
Mr. *John Young*, Muſick-maſter.
Mr. *Alexander Cozens*, Drawing-maſter.
Mr. *Thomas Maurice*, School-maſter at *Hertford*.
Mr. *George Hathaway*, School-maſter at *Ware*.
Mrs. *Anne Caſtle*, Matron.
Mrs. *Suſan Lucas*, Girls School-miſtreſs.

Chapter-houſe. (17.) On the North Side of St. *Paul*'s Church-yard is a fair Houſe, called, *The Chapter-Houſe*, belonging to St. *Paul*'s. And here the Convocation of the Province of *Canterbury* uſed to ſit to conſult about eccleſiaſtical Matters, and to frame Canons for the better and more orderly Government and Peace of the Church. The Clergy whereof, conſiſting of an Upper and Lower Houſe, are called by the King's Writ, whenſoever the Parliament ſits; and are prorogued and diſmiſſed by his Authority. Thus, *Anno* 1718, after a Prorogation of this Synod by Authority of the King's Writ and Licence, "Full, free and lawful Power was given to the Archbiſhop of *Canterbury*, and the reſt of the Biſhops of the Province, or the greater Number of them; and the reſt of the Clergy of this preſent Convocation, that is, the Lower Houſe, or the greater Number of them; from Time to Time, during this preſent Parliament, to propoſe, confer, treat, debate, conſult, and agree of, and upon ſuch Canons, *&c.* as they ſhall think neceſſary, fit and convenient, for the Honour and Service of God, the Good and Quiet of the Church, and the Government thereof, as by Law eſtabliſhed. And, further, they are authoriſed to ſet down in Writing, and exhibit to the King, all ſuch Canons and Things, ſo by them, from Time to Time, agreed upon. Provided always that they be not contrary, nor tend to make any Alteration in the Doctrine, Diſcipline, or Government of the Church of *England*, as eſtabliſhed by any Act of Parliament now in Force."

Convocation.

The Words of the King's Writ.

Antiquities. The Antiquities of this Ward, which have come to our Knowledge, were,

Gates into St. Paul's Church-yard. (1.) An Arch or Gate in the narrow Gut or Paſſage into the South-Eaſt End of St. *Paul*'s Church-yard; called St. *Auguſtine*'s Gate, becauſe adjoining to St. *Auguſtine*'s Church; and built by *Nicholas Farendon*, Alderman of the Ward, in 1361. As alſo another Arch or Gate into the ſaid Church-yard from *Cheapſide*, on the North End of the *Old Change*.

Croſs in Weſt-Cheap. (2.) The great *Croſs* in *Weſt Cheap-ſtreet*, erected by King *Edward* I. as noted before in *Cheap* Ward.

Windſor-Houſe. (3.) In *Silver-ſtreet*, at the South End of *Monkswell-ſtreet*, there ſtood Lord *Windſor*'s Houſe in 1603; it was built of Stone and Timber, and was in antient Days called *Nevel's-Inn*, belonging to the *Nevels*. In the 19th of *Richard* II. it was found, by Inquiſition of a Jury, that *Elizabeth Nevel* died ſeized of a great Meſſuage in the Pariſh of St. *Olave* in *Monkſwell-ſtreet* in *London*, holden of the King in free Burgage, which ſhe held of the Gift of *John Nevel*, of *Raby*, her Huſband; and that *John Latimer* was next Son and Heir to the ſaid *Elizabeth*.

Nevil's Inn.

This Houſe was called *Nevel's-Inn*, and poſſeſſed by that noble Family until the Time of *Henry* VI. in the 4th of whoſe Reign *Rafe Nevel*, Earl of *Weſtmoreland*, died, ſeized of that Meſſuage in the Pariſh of St. *Olave*, in *Farringdon* Ward, *London*, and the Heirs Male of his Body, begotten on *Jane*, his Wife; and of another Meſſuage, called *Le Erbor*, in *Dowgate* Ward; both held in Burgage, as the City of *London* was held.

Pet. le Neve. Eſch. 4 H. VI. n. 17.

St. James's in the Wall. (4.) St. *James's Hermitage in the Wall.* See before *Lamb*'s Chapel.

(5.) There was, of old Time, a proper Pariſh-Church of St. *Nicholas*, whereof the Fleſh-market in *Newgate-ſtreet* took the Name, and was called St. *Nicholas Shambles*, ſituate at the South-Eaſt Corner of *Butcherhall-lane*.

A Lane from St. Martin's to St. Nicholas Shambles. There was anciently a Lane or Paſſage from *Vedaſt-lane*, now *Foſter-lane*, to *Great St. Martin's* Church on one Part, and to this Church of St. *Nicholas Shambles* on the other; but one *William de Luda*, ſome Time Dean of St. *Martin*'s, ſtopped it up: Whereupon, at an Inquiſition made in *Edward* IId's Reign, for Purpreſtures and Annoyances in the City, the King's Juſtices ſitting at the *Tower*, the Jury preſented this, and that it was to the Damage of the King and the Commonalty of the City: But *Richard de Ellesfield*, then Dean of St. *Martin*'s, came in and ſhewed, that he held the ſaid Lane ſtopped up by Virtue of a Licence from King *Edward* I. and that by Letters Patents which he produced.

St. Nicholas Shambles.

This Church, with the Tenements and Ornaments, was, by *Henry* VIII. given to the Mayor and Commonalty of the City towards the Maintenance of the new Pariſh-Church, then to be erected in the late diſſolved Church of the *Grey-friars*; ſo was this Church diſſolved and pulled down: In Place whereof, and of the Church-yard, many fair Houſes are now built, in a Court, with a Well, *&c.* in the Midſt whereof the Church ſtood.

Grey-friars. (6.) Near to the North-Weſt Corner of *Newgate-ſtreet* ſtood a Convent and Church of *Grey-friars*, or *Friars minors*.

The Foundation of the Grey-friars, and their Benefactors. The firſt of this Order of Friars in *England*, nine in Number, arrived at *Dover*, out of *Italy*, in the Year 1224, the 8th Year of the Reign of King *Henry* III. being of the Order of the *Franciſcans*, or *Friars minors*: Five of them, being Prieſts, remained at *Canterbury*; the other four, being Laymen, came to *London*, and were lodged at the *Preaching-friars* in *Holborn* for the Space of fifteen Days: And then they hired a Houſe in *Cornhill* of *John Trevers*, one of the Sheriffs of *London*. They built there little Cells, wherein they

they inhabited: But, ſhortly after, the Devotion of the Citizens towards them, and the Number of the Friars ſo increaſed, that they were by the Citizens removed to a Place in St. *Nicholas Shambles*, which *John Ewin*, Mercer, purchaſing a void Piece of Ground, appropriated unto the Commonalty, to the Uſe of theſe ſaid Friars; and himſelf became a Lay-brother amongſt them about the Year 1225.

Divers Citizens ſeemed herein to join with the ſaid *John Ewin*, and erected there very beautiful Buildings.

The Building of the Choir. *William Joyner*, Lord-Mayor of *London*, in the Year 1239, built the Choir, which coſt him 200 *l.* Sterling; which Choir made Part of the Chancel, as it now ſtandeth.

The Body of the Church. *Henry Walleis*, who was likewiſe Lord-Mayor of *London*, built the Body of the Church, which afterwards was pulled down, and made as now it is.

* Poter, *Walter Potter* *, Alderman, the Chapter-houſe; and gave divers Veſſels of Braſs for the Kitchen-Service: Building Places alſo for ſick Perſons, beſides other Offices.

The Chapter-houſe.

The Veſtry-houſe. *Thomas Felcham* built the Veſtry-houſe.

The Dorters and Chambers. *Gregory Rokeſley*, Lord-Mayor of *London*, built their Dorters and Chambers, and gave Beds to them.

Bartholomew of the Caſtel made the Refectory.

The Refectory.

The Infirmary. *Peter de Helyland* built the Infirmary, and divers Places for diſeaſed Perſons.

The Study. *Bevis Bond*, King at Arms, the Study.

New Church of the Grey-friars. *Margaret*, Queen, ſecond Wife to *Edward* I. began the Choir of their new Church in the Year 1306; to the Building whereof, in her Life-time, ſhe gave 2000 Marks, and 100 Marks by her Teſtament.

John Britaine, Earl of *Richmond*, built the Body of the Church, to the Charges of 300 *l.* and gave many rich Jewels and Ornaments to be uſed in the ſame.

Mary, Counteſs of *Pembroke*, 70 *l.*

Gilbert de Clare, Earl of *Glouceſter*, beſtowed twenty great Beams out of his Foreſt of *Tunbridge*, and 20 *l.* Sterling.

Lady *Eleanor le Spencer*, Lady *Elizabeth de Brugh*, Siſter to *Gilbert de Clare*, gave Sums of Money; and ſo did divers Citizens, as *Arnold de Tolinea*, 100 *l.*

Robert, Baron *Liſle*, who became a Friar there, 300 *l.*

Bartholomew de Almaine, 50 *l.*

Alſo *Philippe*, Queen, Wife to *Edward* III. gave 62 *l.*

Iſabel, Queen-Mother to *Edward* III. gave 70 *l.* and ſo the Work was done within the Space of 21 Years, 1327.

This Church, thus furniſhed with Windows, made at the Charges of divers Perſons, the Lady *Margaret Seagrave*, Counteſs of *Norfolk*, bore the Charges of making the Stalls in the Choir, to the Value of 350 Marks, about the Year 1380. *Richard Whitington*, in the Year 1429, founded the Library, which was in Length one hundred and twenty-nine Feet, and in Breadth thirty-one, all cieled with Wainſcot, having twenty-eight Deſks, and eight double Settles of Wainſcot: Which, in the next Year following, was altogether finiſhed in building; and within three Years after furniſhed with Books, to the Charges of 556 *l.* 10 *s.* whereof *Richard Whitington* bare 400 *l.* the reſt was borne by Dr. *Thomas Winchelſey*, a Friar there: And for the writing out of *D. Nicholas de Lira*'s Works, in two Volumes, to be chained there, 100 Marks, *&c.*

The Stalls.

Library of the Grey-friars.

The Cieling of the Choir, at divers Men's Charges, 200 Marks, and the Painting at 50 Marks: Their Conduit-head and Water-courſe were given them by *William Taylor*, Taylor to *Henry* III. &c.

Length and Breadth of Grey-friars *Church.* This whole Church contained, in Length, three hundred Feet, of the Feet of St. *Paul*; in Breadth, eighty-nine Feet; and in Height, from the Ground to the Roof, ſixty-four Feet two Inches, *&c.* It was conſecrated 1325; and, at the general Suppreſſion, was valued at 32 *l.* 19 *s.* ſurrendered the 12th of *November*, 1538, the 30th of *Henry* VIII. the Ornaments and Goods being taken to the King's Uſe. The Church was ſhut up for a Time, and uſed as a Store-houſe for Goods, taken as Prizes from the *French*: But, in the Year 1546, on the 3d of *January*, it was again ſet open; on which Day preached at *Paul's Croſs* the Biſhop of *Rocheſter*, where he declared the King's Gift thereof to the City for the relieving the Poor; which Gift was, by Patent of St. *Bartholomew*'s Spital in *Smithfield*, valued at 305 *l.* 6 *s.* 7 *d.* and ſurrendered to the King, of the ſaid Church of the *Grey-friars*, and of two Pariſh-Churches, the one of St. *Nicholas* in the *Shambles*, and the other of St. *Ewin*'s in *Newgate-market*, which were to be made one Pariſh-Church in the ſaid Friars Church: And in Lands he gave, for the Maintenance of the ſaid Church, with Divine Service, Reparations, *&c.* 500 Marks a Year for ever.

Surrendered.

Biſhop Ridley.

Grey-friars Church made a Pariſh-Church.

The Mayor and Commonalty of London *Patrons of* Chriſt's *Church.*

The Vicar to be at their Appointment.

The 13th of *January*, the 38th of *Henry* VIII. an Agreement was made betwixt the King, the Mayor, and Commonalty of *London*, dated the 27th of *December*; by which the ſaid *Grey-friars* Church, with all the Edifices and Ground, the Fratry, the Library, the Dorter, and Chapter-houſe, the great Cloiſter and the leſſer; Tenements, Gardens, and vacant Grounds; Lead, Stone, Iron, *&c.* the Hoſpital of St. *Bartholomew* in *Weſt-Smithfield*, with the Church of the ſame; the Lead, Bells, and Ornaments of the ſame Hoſpital, with all the Meſſuages, Tenements, and Appurtenances; the Pariſhes of St. *Nicholas* and of St. *Ewin*, and ſo much of St. *Sepulchre*'s Pariſh as is within the Gate, called *Newgate*, were made one Pariſh-Church in the *Grey-friars* Church, and called *Chriſt*'s Church, founded by King *Henry* VIII.

Salaries to the Vicars. The Vicar of *Chriſt*'s Church was to have 26 *l.* 13 *s.* 4 *d.* a Year: The Vicar of St. *Bartholomew*'s, 13 *l.* 6 *s.* 8 *d.* The Viſitor of *Newgate*, being a Prieſt, 10 *l.* and the other five Prieſts in *Chriſt*'s Church, miniſtering the Sacraments and Sacramentals, to have 8 *l.* a-piece: Two Clerks, 6 *l.* each: A Sexton, 4 *l.* Moreover, he gave to them the Hoſpital of *Bethlehem*, with the Laver of Braſs in the Cloiſter, by Eſtimation eighteen Feet in Length; and the Water-courſe of Lead, to the *Friar-houſe* belonging, containing by Eſtimation, in Length, eighteen Acres.

Bethlehem Hoſpital.

The Dungeon in the Grey-friars. In this *Grey-friars* there was a ſtinking Dungeon, of what Antiquity I cannot tell: But, in Queen

Queen *Mary*'s Time, they put in here ſuch as were Vagabonds and idle Perſons. The Porter of this Dungeon was one *Ninian*. Here *Thomas Green*, Servant to *John Waylond*, Printer, was brought, and, after ſome Time, whipped grievouſly, having the Correction of Thieves and Vagabonds, for a Book called *Antichriſt*, that he had aſſiſted at the printing of.

Monuments in Chriſt's Church.

The defaced Monuments in this Church were theſe: Firſt, in the Choir before the Altar, the Monument of the Lady *Margaret*, Daughter to *Philip* King of *France*, and Wife to *Edward* I. Foundreſs of this new Church, 1317.

Four Queens buried in this Church

In the Midſt of a Tomb of Alabaſter, Queen *Iſabel*, Wife to *Edward* II. Daughter to *Philip le Bell*, King of *France*, 1358. And under her Breaſt lieth the Heart of her Huſband.

Joan of the *Tower*, Queen of *Scots*, Wife to *Edward Bruſe*, Daughter to *Edward* II. who died in *Hertford* Caſtle, and was buried by *Iſabel*, her Mother, 1632.

In the Lamp laid Sir *William Fitzwarren*, Baron, and *Iſabel* his Wife, ſome Time Queen of the *Iſle of Man*.

At the Head of Queen *Margaret* laid *Iſabel*, firſt Daughter to *Edward* III. wedded to the Lord *Couſe* of *France*, afterwards created Earl of *Bedford*.

Eleanor, Wife to *John*, Duke of *Brittany*.

In an Arch in the Wall, before the End of the Altar, laid *Beatrix*, Dutcheſs of *Brittany*, Daughter to *Henry* III.

And *Eleanor*, Dutcheſs of *Buckingham*, 1530. This Lady bequeathed her Heart to be buried in the *Grey-friars* Church in *London*, and her Body in the *White-friars* Church in *Briſtol*.

Sir *Robert Liſle*, Baron; the Lady *Liſle*, and *Margaret de Rivers*, Counteſs of *Devon*, all under one Stone.

MSS Off. Arm. F. 9. The Heart of *Peter Mountford* laid at the Head of the aforeſaid Counteſs; and the Heart of the Lady *Jane de Serre*, Wife of *Guy de Salines*.

At the Head of *Robert Liſle* laid the Heart of the Lady *Iſabel de Averne*.

Joane de Fenys, and *Iſabel* her Siſter.

At the right Side, the Lady *Enforme de Pyſans*.

The Lady *Beatrix Brabazon* laid by her.

Gregory Rokyſle, Mayor, 1282, by her.

Roger Mortimer, Earl of *March*, beheaded in 1329.

Peter, Biſhop of *Carbon* in *Hungary*, 1331.

Sir *John Devereux*, Knt. 1385.

Before the Entering of the Choir.

John Claron, Knt. of *France*.

Sir *Edmund Burnel* at his right Hand.

John Haſtings, Earl of *Pembroke*, 1389. Slain at a Turnament.

Margaret, Daughter to *Thomas Brotherton*, Earl-Marſhal: She was Dutcheſs of *Norfolk*, and Counteſs-Marſhal, and Lady *Segrave*, 1389.

Here alſo laid *Joan*, Queen of *Scotland*.

Richard Havering, Knt. 1388.

Robert Triſilian, Knt. Chief Juſtice, 1308.

Geoffry Lucy, Son to *Geoffry Lucy*.

John Aubry, Son to *John*, Mayor of *Norwich*, 1368.

John Philpot, Knt. Mayor of *London*; and the Lady *Jane Stamford*, his Wife, 1384.

John, Duke of *Bourbon* and *Angue*, Earl of *Claremond*, *Mountpencier*, and Baron *Beangen*, who was taken Priſoner at *Agincourt*, kept Priſoner eighteen Years, and deceaſed in 1433. He laid at the Side of the aforeſaid Queen *Joan*.

Sir *Robert Chalons*, Knt. 1439.

John Chalons, his Son.

In the Eaſt Wing of the Choir.

Margery ———, Gentlewoman, with Queen *Iſabel*. And on her right Hand *John Romeſey*, her Son.

Margaret, Daughter to Sir *John Philpot*, firſt married to *T. Santlor* *, Eſq; and afterwards to *John Neyland* †, Eſq;. * Sentler. † Neland.

Sir *Nicholas Brembar*, Mayor of *London*, buried 1386.

Elizabeth Nevil, Wife to *John*, Son and Heir to *Ralph*, Earl of *Weſtmorland*, and Mother to *Ralph*, Earl of *Weſtmorland*, and Daughter to *Thomas Holland*, Earl of *Kent*, 1423.

Edward Burnel, Son to the Lord *Burnel*.

In *Alhallows* Chapel.

James Fines, Lord *Say*, 1450; and *Eleanor*, his Wife, 1452.

John Smith, Biſhop of *Landaffe*, 1478.

John, Baron *Hilton*.

John, Baron *Clinton*.

Richard Haſtings, Knt. Lord of *Willoughby* and *Wells*. Richard, *Lord* Willoughby.

This Lord, by Will, bequeathed his Body to lie in the *Grey-friars*, *London*, in the Veſtry Chapel there; and gave 20*l.* to have a Tomb: His Will bore Date *March* the 18th, *Anno* 1501.

Jane Haſtings, Widow, late Wife of *Richard Haſtings*, Lord *Willoughby*, by her Will, bearing Date *March* 19, 1504, bequeathed her Body to be buried in the *Friars minors* Church within *Newgate*, *London*, in the Vault there purpoſely made for her ſaid Huſband and her. She willed that ſix Prieſts ſhould pray for her, *&c.* Whereof one Prieſt ſhall ſing for ever in the Monaſtery of *Mountgrace*, another at the Chantry founded by her Father, in his Pariſh-Church of *North-Allerton*. Which Will was proved 1505. *Lady* Jane Haſtings.

Thomas Burder *, Eſq; beheaded in 1477. * Burdet.

John Viand, by him.

Lord *Liſle*.

Robert Liſle, Son and Heir to the Lord *Liſle*.

Sir *John Lovetoht*, Knt. And at his Feet Dame *Margaret*, his Wife.

Walter Bever.

In our *Lady*'s Chapel.

John Giſors, of *London*, Knt. and Lord-Mayor.

Humphry Stafford, Eſq; of *Worceſterſhire*, 1486.

Robert Bartram, Baron of † *Bothell*. †Rothale.

Sir *Ralph Barons*, Knt.

William Apleton, Knt.

Reynold de Cambrey, Knt.

Thomas Beaumont, Son and Heir to *Henry* Lord *Beaumont*.

Adam de Howton, Knt. 1417.

Bartholomew Caſter, Knt. of *London*.

Reinfrede Arundel, Knt. 1468.

Thomas Covil, Eſq; 1422.

Dame *Yde Seagrave*, Wife of *Hugh Peache*.

Adam Harcourt. ——— *Langley*, of ——— Knt. *Walter* ———, and *Barre*, of *Hereford*. Dame *Margaret Golyſborough*. *Alys Kingeſton*, Daughter of the Lord *John St. John*.

Sir *Ralph Sandwiche*, Knt. *Cuſtos* of *London*.

Sir *Andrew Sakevile*, Knt.

John Treſzawall, Gentleman, and Taylor of *London*, 1520.

All theſe, and five Times as many more, have been buried there, whoſe Monuments are wholly defaced; ſome whereof were theſe that follow:

Under the Bell-houſe and Ambulatory.

The Lady *Tephina*, Nurſe to Queen *Iſabel*; *Simon Guydon*, Eſq; of *France*; *William Galys*, Eſq; with him his Son *Robert*; by them, *Alice*, Wife of *Geffery Tabellettor*; *John Merwer*; Sir *John Ratmeſtre*, Knt. and Friar; *Ralph Sprignel*, Knt. *William Hilton*, Eſq; *Roger Bainon*, [*Bainton* perhaps] and his Daughter *Iſabel Luther*; and by him laid the Wife of *Nicholas Fulham*; *Thomas Kenyngham*; *Elizabeth de la Penne*, Daughter of *William Stafford*, Knt. *Henry Werney*, Eſq; *Item*, many of the *Bardolfs* of *Florence*.

Before the Altar, within the Walls.

Before the common Altar, Dame *Agnes Matrovers*; by her, *Lore Clakus*.

Before the Midſt of the ſecond Altar, *Margaret Aſſelky*.

Dame ——, Wife of *William de Monte Caniſio*, [i. e. *Monchenſy*,] Baron, with her Mother *Idoneah*, wedded to Sir *Hugh de Monte*, Knt.

John Sudley, Knt. under the Weſt Wall.

Sir *John Dewroſe*, [*Devereaux* perhaps] in the higheſt Side of the common Altar.

Lady *Beaumont*, Daughter of the Earl of *Oxenford*.

Petronilla, Wife of *John Norbery*, Eſq; *Nicholas Ulſk*; and, at his right Hand, *Richard Geſt*, Eſq;

In the Chapter-houſe.

The Lady *Imayne*, of *Huntengfelde*.

In the Body of the Church, between the Pillars.

William Engliſh; Sir *Henry Enefeld*, by the right Side of Sir *Bartholomew Enefeld*.

In the Weſt Wing of the Church.

Thomas, Son of *Thomas Lewkener*; *Simon Garreys*, Eſq; Sir *William Pickworth*, Knt.

In the Weſt Wing.

Sir *Richard Punchardon*, Knt. Sir *William Maynard*; *Walter Huddon*, Doctor, *&c.*

A Number of Monuments and 140 Graveſtones defaced in this Church.

In this Church of the *Grey-friars* there were nine Tombs of Alabaſter and Marble, invironed with Palliſadoes of Iron, in the Choir; and one Tomb in the Body of the Church, alſo coped with Iron; all pulled down, beſides ſeven Score Graveſtones of Marble, all ſold for fifty Pounds, or thereabouts, by Sir *Martin Bowes*, Goldſmith, and Alderman of *London*.

Old Change.

(7.) The *King's Exchange* for the Receipt of Bullion to be coined was ſituate in this Ward, near St. *Paul*'s, in a Street now called the *Old Exchange*; for *Henry* III. in the ſixth Year of his Reign, wrote to the *Sabines* and Men of *Ipri*, that he and his Council had given Prohibition, that none, *Engliſhmen* or others, ſhould make Change of Plate, or other Maſs of Silver, but only in his *Exchange* at *London*, or at *Canterbury*. *Andrew Bokerell* then had to farm the Exchange of *England*, and was Mayor of *London* in the Reign of *Henry* III. *John Somercote* had the keeping of the King's Exchange over all *England*. In the eighth of *Edward* I. *Gregory Rokeſley* was Keeper of the ſaid Exchange for the King. In the fifth of *Edward* II. *William Hauſted* was Keeper thereof, and, in the eighteenth, *Roger de Frowicke*, &c.

Theſe received the old Stamps or Coining-Irons, from Time to Time, as the ſame were worn, and delivered new to all the Mints in *England*.

This Street beginneth by *Weſt-cheap* in the North, and runneth down South to *Knightriders-ſtreet*, that Part thereof which is called *Old Fiſh-ſtreet*. But the very Houſing and Office of the Exchange and Coinage were about the Midſt thereof, South from the Eaſt Gate that entereth St. *Paul*'s Church-yard; and, on the Weſt Side, in *Baynard's-Caſtle* Ward.

Holmes's College.

(8.) *Roger Holmes*, Chancellor and Prebendary of St. *Paul*'s, in the Year 1400, founded a Chapel for ſeven Chaplains, on the North Side of St. *Paul*'s Church-yard, dedicated to the Holy Ghoſt; and a Hall for their Entertainment on the South Side, near to a Carpenter's Yard, in the Pariſh of St. *Gregory*; which was ſuppreſſed in the Reign of King *Edward* VI. and granted to *John Hulſon* and *William Pendred*.

Lancaſter-College.

(9.) In the Pariſh of St. *Gregory*, near St. *Paul*'s alſo, was a Hall named *Lancaſter College*, founded by King *Henry* IV. and the Executors of *John* of *Gaunt*, Duke of *Lancaſter*; containing Lodgings, and a common Hall for Charity Prieſts to officiate in a Chapel on the North Side of the Choir of St. *Paul*'s. It was ſuppreſſed, and granted, on the ninth of *September*, in the ſecond of *Edward* VI. to *William Gunter*.

Charnel-houſe, with a Chapel.

(10.) There was, on the North Side of the Church-yard, a large Charnel-houſe for the Bones of the Dead; and over it a Chapel of an old Foundation, ſuch as followeth:

In the Year 1282, the tenth of *Edward* I. it was agreed, that *Henry Walleis*, Mayor, and the Citizens, for Shops by them built, without the Wall of the Church-yard, ſhould aſſign to God, and to the Church of St. *Paul*, ten Marks of Rent *per* Year, for ever, towards the new-building of a Chapel of the bleſſed Virgin *Mary*; and alſo to aſſign five Marks of yearly Rent to a Chaplain, to celebrate there. There were alſo in this Chapel two Brotherhoods.

Guild of All Souls *here.*

Certificates of Fraternities, inter Recor. Turr.

One of them was called the Fraternity of *All Souls*, in the Chapel upon the Charnel, founded 1379. This Chapel, in the Reign of *Richard* II. was gone into great Decay; and, from the Time of the Foundation of it, ſo little had been done in keeping it up, that it became very ruinous, the Windows broken to Pieces, and the Altar full of Filth and Cobwebs; ſo that none of the Chaplains of divers Chantries, ordained in the ſame Chapel by Nobles, and Perſons of Quality of the City, could ſing there for the Souls for whom they were appointed and had Charge, to the great Shame of all the City. Whereupon the moſt excellent and moſt benign Lord, the Archbiſhop of *Canterbury*, in

in a Sermon made by him at St. *Paul's-croſs*, declared the Ruin and Decay of the ſaid Chapel; and, at the Honour of God, and his Mother, and of all Saints in Heaven, and of all Chriſtian Souls, together with a great Pardon to all the Aiders thereof, he occaſioned a Fraternity of *All Souls*, in Relief of the ſaid Chapel; for certain good People of the ſaid City, having Conſideration of the ſaid Chapel to the Honour of God, *&c.* ordained a Chaplain to ſing for the Souls of all *Chriſtians*, and repaired the Chapel well and honeſtly, furniſhing it with divers Ornaments, Veſtments, Chalices, and other Neceſſaries, to the Honour of God and the holy Church; and that the Chaplains which had Chantries in the ſaid Chapel ſhould return to the ſaid Chapel, and there perform their Service, each one for the Souls for which they were bound; ſo that three or four Maſſes might be ſung from Day to Day in the ſaid Chapel: And at their Coſt the ſame Chapel was amended and repaired. On theſe Conſiderations this Brotherhood of *All Souls* petitioned the Lord Chancellor, in *Richard* II's Days, "That it would "pleaſe his moſt noble and ſage Reverence, upon "the Points beforeſaid, and becauſe that, for the "Sermon made by their moſt excellent Father in "God the Archbiſhop of *Canterbury*, the ſaid Fra"ternity had been founded, and ſo to this Day "had been continued, and not otherwiſe, to have "Conſideration to the Foundation of the ſaid Fra"ternity, that it might not be aboliſhed, for God, "and for the Souls of their moſt noble Progeni"tors, and in the Work of Charity." The Reaſon of this Supplication was, becauſe, in the twelfth of *Richard* II. an Account of all the Guilds in *London*, and *England* too, if I miſtake not, were required to be brought in before the King at the *Chancery*.

The Proceſſion of this Fraternity.

This Fraternity, on the Eve of *All Souls*, met together in the Chapel over the Charnel-houſe, and their *Placebo* and *Dirige* were ſaid, with the other Oriſons, for the Souls of all Faithful departed. On the Day of *All Souls*, at Morning Prayer, when the Bell rung at Seven o'Clock, they came together to the Church of the *Holy Trinity*, near *Aldgate*; and ſo from that Place, with a ſlow Pace, they walked to the aforeſaid Chapel, numbering their Prayers as they went along, and their ſecret Oriſons, pouring them out *vultu cordiali*, with a ſerious Countenance, for the Living and the Dead: And, when they had finiſhed that Journey, they attended one Maſs for the Dead, moſt devoutly; at which Maſs the Brothers and Siſters honourably performed Oblations, and ſo returned home.

Moreover, in the Year 1430, the eighth of *Henry* VI. Licence was granted to *Jenkin Carpenter*, Executor to *Richard Whittington*, to eſtabliſh, upon the ſaid Charnel, a Chaplain, to have eight Marks *per* Year.

The Charnel

In this Chapel were buried *Robert Barton*, and *Henry Barton*, Mayor, and *Thomas Mirſin*, Mayor, all Skinners; and were entombed with their Images of Alabaſter over them, grated or palliſaded about with Iron, before the ſaid Chapel; all which was pulled down in the Year 1549. The Bones of the Dead, couched up in a Charnel under the Chapel, were conveyed from thence into *Finſbury-Field*, by Report of him who paid for the Carriage, amounting to more than one thouſand Cart-loads, and there laid on a mooriſh Ground, which, in a ſhort Time after, being raiſed by the Soilage of the City, was able to bear three Windmills. The Chapel and Charnel were converted into Dwelling-houſes, Warehouſes, and Sheds for Stationers, which were built before it, in Place of the Tombs.

Reyne Wolfe. 1000 Cart-loads of dead Mens Bones carried hence.

(11.) Near to the North Side of St. *Paul's* School was, of old Time, a Clochier, or Bell-houſe, four-ſquare, built of Stone, and in the ſame a moſt ſtrong Frame of Timber, with four very large Bells; theſe were called *Jeſus* Bells, and belonged to *Jeſus-Chapel*, ſituate under the Choir of St. *Paul's*. The ſame had a great Spire of Timber, covered with Lead, with the Image of St. *Paul* on the Top, but was pulled down by Sir *Miles Partridge*, Knt. in the Reign of *Henry* VIII. The common Speech then was, that he ſet an hundred Pounds upon a Caſt at Dice againſt it, and ſo won the ſaid Clochier and Bells of the King; and then, cauſing the Bells to be broken as they hung, the reſt was pulled down and broken alſo. This Man was afterwards executed on *Tower-hill*, for Matters concerning the Duke of *Somerſet*, in the Year 1551, the fifth of *Edward* VI.

A Clochier, with four Bells.

Sir Miles Partridge gains both.

(12.) About the Midſt of this Church-yard was a *Pulpit-croſs* of Timber, mounted upon Steps of Stone, and covered with Lead; in which were Sermons preached by learned Divines every *Sunday* in the Forenoon.

Pulpit-croſs in St. Paul's Church-yard.

In the Year 1259, King *Henry* III. commanded a general Aſſembly to be made at the *Croſs*; where he, in Perſon, commanded the Mayor, that, on the next Day following, he ſhould cauſe to be ſworn before the Aldermen every Stripling of twelve Years of Age, or upwards, to be true to the King and his Heirs, Kings of *England*.

Things done at the Croſs.

Alſo, in the Year 1262 the ſame King cauſed to be read, at St. *Paul's-croſs*, a Bull obtained from Pope *Urban* IV. as an Abſolution for him, and for all that were ſworn to maintain the Articles made in Parliament at *Oxford*.

Alſo, in the Year 1299, the Dean of St. *Paul's* curſed, at St. *Paul's-croſs*, all thoſe which had ſearched in the Church of St. *Martin in the Fields* for an Hoard of Gold, *&c.*

This *Pulpit-croſs* was, by Tempeſt of Lightning and Thunder, much defaced. *Thomas Kempe*, then Biſhop of *London*, new built this Pulpit and *Croſs*.

In foul and rainy Weather theſe ſolemn Sermons were preached in a Place called *The Shrowds*; which was, as it ſeems, by the Side of the Cathedral Church, where was Covering and Shelter. Now, long ſince, both the *Croſs* and *Shrowds* are diſuſed, and neither of them extant; but the Sermons are preached in the Cathedral itſelf, though they are ſtill called St. *Paul's-croſs* Sermons. *J. S.* 1720.

St. Paul's-croſs Sermons.

For the better Maintenance of theſe St. *Paul's-croſs* Sermons, whither the Court, as well as the Mayor, Aldermen, and chief Citizens, uſed to reſort, many were liberal Benefactors; as *Aylmer*, Biſhop of *London*, Counteſs Dowager of *Shrewsbury*, *Thomas Ruſſel*, *George Biſhop*, who gave ten Pounds a Year, *&c.* And, for further Encouragement of thoſe Preachers, in the Year 1607, the

Proviſion for St. Paul's-croſs Preachers. E. Howes Chron.

the Lord-Mayor and Court of Aldermen then ordered, That every one that ſhould preach there, conſidering the Journies ſome of them might take from the Univerſities, or elſewhere, ſhould, at his Pleaſure, be freely entertained for five Days Space, with ſweet and convenient Lodging, Fire, Candle, and all other Neceſſaries, *viz.* from *Thurſday* before their Day of preaching to *Thurſday* Morning following. This Proviſion took good Effect, and this good Cuſtom continued for ſome Time. And the Biſhop of *London*, or his Chaplain, when he ſent to any one to preach, did actually ſignify the Place whither he might repair at his coming up, and be entertained freely. Towards this Charge of the City *George Palin*, a Merchant of *London*, gave two hundred Pounds; that is, towards the bearing of the Charges of ſuch as ſhould from Time to Time come to preach at the *Groſs*.

Pater-noſter row

Pater-noſter-row was ſo called by the Antients on account of the Number of Stationers or Text-writers that dwelled there, who wrote and ſold all Sorts of Books then in Uſe, namely, *A*, *B*, *C*, or *Abſies*, with the *Pater-noſter*, *Ave-maria*, *Creed*, *Graces*, &c.

Pater-noſter-makers.

There dwelled alſo Turners of Beads, and they were called Pater-noſter-makers; as in a Record, of one *Robert Nikke*, Pater-noſter-maker and Citizen, in the Reign of *Henry* IV. and ſo of others.

Ave-mary-lane.

At the End of this *Pater-noſter-row* is *Ave-mary-lane*, ſo called upon the like Occaſion of Text-writers and Bead-makers then dwelling there.

Duke of Britain's *Houſe, ſince* Pembroke's-inn; *then* Burgavenny-houſe, *and now* Stationers-hall.

(14.) At the North End of *Ave-mary-lane* was one great Houſe, built of Stone and Timber, of old Time pertaining to *John* Duke of *Britain*, Earl of *Richmond*, as appeareth by the Records of *Edward* II. Since that, it was *Pembroke's-inn*, near unto *Ludgate*, as belonging to the Earls of *Pembroke* in the Time of *Richard* II. the eighteenth Year, and of *Henry* VI. in the fourteenth Year. It was afterwards called *Burgavenny-houſe*, and belonged to *Henry* late Lord of *Burgavenny*.

Eſch. 14 H. VI. n. 35. Pet. le Neve.

" Johan. *quæ fuit ux.* Willmi de Bellocampo, " *militis*, *Dni* Bergaveny, *tenuit die quo obiit tene-* " *mentum vocat.* Pembroke's-inne *in Parochia Sti* " Martini *juxta* Ludgate, London. *de Rege in Cap.* " *in libero Burgagio, remanend.* Edwardo Nevil " *de* Bergaveny *jure uxoris ſuæ* Eliſabeth. *& heredis* " *Comitis* Wigorn. *filii & heredis predict.* Willmi " *&* Johe."

But the Worſhipful Company of Stationers have ſince then purchaſed it, and made it the Hall for the Meeting of their Society.

Were the Folkmote Court was held, and the Bell-houſe.

(15.) The Soil of the Eaſt Part of St. *Paul*'s Church-yard was the Place of the *Folkmote*, and the Bell-houſe, where a Bell was rung, when they were to be called together to the ſaid antient Court of *Folkmote*. On the Weſt Part of the Church, the Citizens had occaſionally other Aſſemblies, to ſhew their Arms. Hence we find Complaints made to the King's Juſtices, in the Reign of *Edward* I. of theſe Purpreſtures, *viz.*

Purpreſtures. *In Bago Quo Warranto in the Exchequer.*

" The Ward of *Caſtle-Baynard* preſent, That " the Dean and Chapter of the Church of *Paul*'s, " now for ten Years paſt, have appropriated to " themſelves and the Church a certain Place of " Land of the King's Soil; in which Place the " Mayor and Commonalty of the City ought " and are wont to hold their Court, which is " called *Folkmote*; and alſo another Place, where, " for keeping the Peace of our Lord the King, " they ought to make Shew of their Arms; " which ſaid Place the ſaid Dean and Chapter " have incloſed to themſelves by a Mud Wall; " and alſo have been the Cauſes of building " Houſes in the ſame Place, and contain in " Length thirty Feet, and in Breadth twenty " Feet, in ſome Place, and in ſome other Place " fifteen Feet; and, where it is leaſt, eight Feet; " and Maſter *William de Bray* now holdeth that " Houſe."

And again, *Hamon de Chigwel*, Mayor of the City of *London*, and Commonalty of the ſame, came and ſaid, " That the foreſaid Places, in " which it is preſented that the foreſaid Purpreſ- " tures are made, are the King's Soil, belonging " to the City, and not Sanctuary, nor of the " Precinct of the Sanctuary, nor of the Church- " yard of the foreſaid Church of St. *Paul*; for " they ſay, that the whole Place of the Land on " the Eaſt Part of the ſaid Church, where now of " new they are buried, and where the great Cam- " panile, Bell-houſe, or Steeple of the ſaid Church " is ſituated, is the Soil and Lay-Fee of the King; " and that the Citizens of the City have accuſ- " tomed to hold there, from antient Time, their " Court called *Folkmote*, and to enter the ſaid " Bell-houſe to ring the great Bell; by the Ring- " ing and Sound of which the ſaid City ought or " are wont to be ſummoned, and to meet together " at the Court aforeſaid of *Folkmote*.

" And they ſay, that all the other Place of " Ground on the Weſt Part of the Church, in " like Manner, is the Soil and Lay-Fee of our " Lord the King, belonging to the City afore- " ſaid; and that in the ſame the Citizens ought " and are accuſtomed to make their Aſſembly, " together with the Lord of *Baynard-Caſtle*, to " make a View of their Armours, for the Defence " of the ſaid City, as often as the Citizens ſhall " ſee expedient."

Ludgate.

(16.) To what has been ſaid on P. 26, 27, 28, concerning the Priſon of *Ludgate*, may be added this Piece of antient Hiſtory:

Formerly, Debtors that were not able to ſatisfy their Debts, put themſelves into this Priſon of *Ludgate* for Shelter from their Creditors; and theſe were Merchants and Tradeſmen that had been driven to Want by Loſſes at Sea. When King *Philip*, in the Month of *Auguſt*, 1554, came firſt through *London*, theſe Priſoners were thirty in Number, and owed ten thouſand Pounds, but compounded for two thouſand Pounds. They preſented a well-penned *Latin* Speech to that Prince to redreſs their Miſeries, and by his Royal Generoſity to free them: " And the rather, for " that that Place was *non Sceleratorum Carcer*, *ſed* " *miſerorum Cuſtodia*; i. e. not a Gaol for Villains, " but a Place of Reſtraint for poor, unfortunate " Men; and that they were put in there, not by " others, but themſelves fled thither, and that " not out of Fear of Puniſhment, but in Hopes " of better Fortune." The whole Letter was drawn by the curious Pen of *Roger Aſcham*, and is extant among his Epiſtles, *Lib.* 3.

A Table of Fees to be taken by the Keeper of Ludgate, *and the Turnkeys under him; allowed of and confirmed at a Court of Aldermen, holden on* Tueſday *the nineteenth Day of* January, 1685-6, *in the Time of the Mayoralty of Sir* Robert Geffrey, *Knt. Lord-Mayor of the City of* London, *as followeth:*

Fees payable by the Priſoners of Ludgate. Rand. Stracey, *Eſq;*

Imprimis, At the Coming in of every Priſoner, to the Turnkey one Shilling.

To the Officer that goes with him thither two Pence.

To the Keeper, for every Priſoner's Diſcharge, two Shillings, and no more.

For all Actions or Writs againſt any Priſoner, twelve Pence only, and not twelve Pence for every Action, or two Shillings and ſix Pence for every Writ, as formerly he took.

Item, That the Keeper finding and providing clean Sheets every Month, for every Bed, ſuch Priſoners that lie therein are to pay to the Chamberlain for waſhing them every Month, between them, eight Pence *per* Month, and no more; and not each Priſoner that lies therein to pay eight Pence.

The Keeper finding and providing Beds, Bedding, Mats, and Cords, Sheets, Blankets, and Coverlets, the Priſoners are to pay him for the beſt Lodging, *per* Night, three Pence.

For the ſecond Lodging, *per* Night, two Pence.

For the third or meaneſt Lodging, *per* Night, one Penny.

But, when the Priſoners find their own Beds and Bedding, which the Keeper is in no Sort to hinder, the Priſoner is only to pay, *per* Week, for Bed-room, three Pence, and no more.

Or, for Chamber-room, four Pence at the moſt, *per* Week; and not above two to lie in a Bed.

If the Priſoner by his Inability can go no further than a Couch, he is to pay only one Penny *per* Week for Chamber-room, and no more.

And the like for Lamps and Candles, which the Keeper is to provide, one Penny *per* Week, and no more.

The Keeper ſhall not preſume to take any other Fees, upon any Pretence, Demand, or Allowance whatſoever, for Execution-Money, Action-Money, or Writ-Money.

At which ſaid Court it was further ordered, that the preſent Keeper, and the Keeper of the ſaid Gaol for the Time being, ſhould keep the ſaid Priſon of *Ludgate* in good Repair at his own Charge.

The Charges of Priſoners at their Entrance and Diſmiſſion.

A Freeman of *London*, being arreſted by Action entered in either of the Compters, may refuſe to go thither, and require to be carried immediately to *Ludgate*; but the Officers will extort from him four or five Shillings, as their Fee for carrying him thither, though their Due is but two Pence.

When he is brought to *Ludgate*, the Turnkey enters his Name and Addition in a Book kept for that Purpoſe; for which Entry the Priſoner pays one Shilling and two Pence: After which the Chamberlain furniſhes him with a Lodging, at the Rate of one Penny, two Pence, or three Pence *per* Night, and he pays the Chamberlain alſo one Shilling and ſix Pence for Sheets: But, before he goes to Reſt, his Fellow-Priſoners demand four Shillings for Garniſh; for Non-payment whereof, his Cloaths are privately taken from him in the Night, and not returned until he has raiſed the Money the next Day. The Steward demands one Shilling and ſix Pence of him for Coals, Candles, and for the Uſe of the Houſe; and, if he deſire Liberty to go abroad, it muſt be either with a Keeper, or upon giving good Security to return at Night. If he goes out with a Keeper he muſt pay two Shillings and ſix Pence to the Head Turnkey, and one Shilling and ſix Pence to the Keeper who attends him; and one Shilling to the Keeper, and as much to the Turnkey, every Day he goes abroad afterwards. A Bond alſo is given for the Payment of his Lodging to the Maſter-keeper, for which the Turnkey takes at leaſt five Shillings as his Fee.

If the Priſoner pays the Debt, and diſcharges all other Actions againſt him in either Compter, he pays theſe Fees upon his Diſmiſſion: Two Shillings to the Maſter-keeper, one Shilling and two Pence to the Turnkey, one Shilling for every Action entered againſt him, and, if he is charged in Execution, two Shillings and ſix Pence for every Action againſt him. Theſe Fees and his Lodging ſometimes amount to as much as the Debt.

(17.) At the North-Weſt Extremity of this Ward ſtands *Newgate*, of which on Page 25. To this Account we may add, it is a large Priſon, and made very ſtrong, the better to ſecure ſuch Sort of Criminals which too much fill it; inſomuch that the Debtors are crowded amongſt them, except they have large Purſes to be in the *Preſs-yard*, which is a Place for the better Sort, or ſuch as can well gratify the Keeper's extravagant Demands. And it is great Pity that many an honeſt Man, that, through Misfortunes in the World, hath contracted Debts more than he can pay, ſhould be confined to ſuch a Place, among ſuch ill People, and to hear their Curſings and Blaſphemies, and that no other Priſon is provided for them. It appears that *Newgate* was a Priſon for the Nobility and great Officers of State, and not the *Tower*, ſo lately as the Year 1457. The Gate, being very much damaged by the Fire in 1666, was afterwards ſtrongly rebuilt of Stone, and continues to be the County Gaol for *Middleſex* as well as *London*. The Weſt Side of the Gate is adorned with three Ranges of Pilaſters and their Entablements, of the *Tuſcan* Order. Over the loweſt is a circular Pediment, and above it the King's Arms. The Intercolumns are four Niches, with as many Figures as large as Life: One of theſe, repreſenting *Liberty*, has carved on her Hat the Word *Libertas*, and the Figure of a Cat lying at her Feet, alluding to the Figure of Sir *Richard Whittington*, a former Founder, who is reported to have made the firſt Step to his good Fortune by a Cat. The Inſide of the Gate alſo is adorned with a Range of Pilaſters, with Entablements as the other; and, in three Niches, are the Figures of *Juſtice*, *Mercy*, and *Truth*: But, however

Newgate.

The Preſs-yard.

however ornamental this Priſon may be without, it is a diſmal Place within. The Priſoners are ſometimes packed ſo cloſe together, and the Air ſo corrupted by their Stench and Naſtineſs, that it occaſions a Diſeaſe called the *Gaol-Diſtemper*, of which they die by Dozens, and Cart-loads of them are carried out and thrown into a Pit in the Church-yard of *Chriſt-Church*, without Ceremony; and ſo infectious is this Diſtemper, that ſeveral Judges, Jurymen, and Lawyers, *&c.* have taken it of the Priſoners, when they have been brought to the *Old-Baily* to be tried, and died ſoon after; of which we have had an Inſtance within theſe ſeven Years: And to this wretched Place innocent People are ſometimes ſent, and loaded with Irons before their Trial, not to ſecure them, but to extort Money from them by a mercileſs Gaoler; for, if they have Money to bribe him, they may have the Irons as light as they pleaſe. The City have been ſo good lately as to introduce a Ventilator on the Top of *Newgate*, to expel the foul Air, and introduce freſh, to preſerve the Priſoners Health; and the Priſoners are many of them kept in diſtant and more airy Priſons, till within a few Days before their Trials. Sweet Herbs alſo are ſtrewed in the Court and the Paſſages to it, to prevent Infection; and the Snuffing up Vinegar, it is ſaid, is the moſt likely Way to preſerve the Healths of thoſe that are obliged to attend ſuch Trials. It were to be wiſhed we imitated the *Chineſe*, who allow Priſoners Field-room enough to preſerve their Healths, and follow their Trades for the Support of their Families, till they are convicted.

Newgate, conſidered as a Priſon, is a Structure of more Coſt and Beauty than was neceſſary, becauſe the Sumptuouſneſs of the Outſide but aggravates the Miſery of the Wretches within; but, as a Gate to ſuch a City as *London*, it might have received conſiderable Additions, both of Deſign and Execution, and abundantly anſwered the Coſt in the Reputation of Building. The Gate of a City, which is erected rather for Ornament than Uſe, ought to be in the Stile of the antient Triumphal Arches; and it muſt be allowed, that hardly any Kind of Building allowed of more Beauty and Perfection.

Black-friars.

(18.) The Antiquity, *&c.* of *Black-friars* may be collected from the following Hiſtory: This Order ſome Time had their Houſe in *Old-borne*, where they remained for the Space of fifty-five Years: And then, in the Year 1276, *Gregory Rockſley*, Mayor, and the Barons of this City, granted and gave to *Robert Kilwarby*, Archbiſhop of *Canterbury*, two Lanes or Ways next the Street of *Baynard's-Caſtle*, and alſo the Tower of *Mountfichit*, to be deſtroyed; in the Place of which the ſaid *Robert* built the late new Church of the *Black-friars*, and placed them therein. King *Edward* I. and *Eleanor* his Wife, were great Benefactors thereunto *. This was a large Church, and richly furniſhed with Ornaments; wherein divers Parliaments, and other great Meetings, have been holden; namely, in the Year 1450, the twenty-eighth of *Henry* VI. a Parliament was begun at *Weſtminſter*, and adjourned to the *Black-friars* in *London*, and from thence to *Leiceſter*.

Mayor and Barons of this City.

* *Nay, the reputed Founders.*

In the Year 1522, the Emperor *Charles* V. was lodged there.

In the Year 1524, the fifteenth of *April*, a Parliament was begun at the *Black-friars*, wherein was demanded a Subſidy of eight hundred thouſand Pounds; to be raiſed of Goods and Lands, four Shillings in every Pound; and in the End was granted two Shillings in the Pound, of their Goods and Lands that were worth twenty Pounds, or might diſpend twenty Pounds by the Year, and ſo upwards, to be paid in two Years.

Parliament at the Black-friars, *called the Black Parliament.*

This Parliament was adjourned to *Weſtminſter*, amongſt the black Monks, and ended in the King's Palace there, the fourteenth of *Auguſt*, at Nine o'Clock at Night, and was therefore called the Black Parliament.

Campeius and Wolſey, *Cardinals, ſit here.*

In the Year 1529, Cardinal *Campeius*, the Legate, with Cardinal *Wolſey*, ſat at the ſaid *Black-friars*; where before them, as Legates and Judges, was brought in Queſtion the King's Marriage with Queen *Catharine*, as to be unlawful; before whom the King and Queen were cited and ſummoned to appear, *&c.*

The ſame Year, in the Month of *October*, began a Parliament in the *Black-friars*, in the which Cardinal *Wolſey* was condemned in the Premunire.

This Houſe, valued at one hundred and four Pounds fifteen Shillings and five Pence, was ſurrendered the twelfth of *November*, the thirtieth of *Henry* VIII.

The Site and Houſe of Black-friars *granted to* Cawarden.

King *Edward* VI. in the fourth of his Reign, of his ſpecial Favour, granted to Sir *Thomas Cawarden*, Knt. the whole Houſe, Site or Circuit, Compaſs, and Precinct, of the late Friar-Preachers within the City of *London*, and divers other Lands and Tenements in *London*. The Patent was dated the twelfth of *March*; the yearly Value being reckoned at nineteen Pounds. But the Hall, and the Site of the Prior's Lodgings, within the Precinct of *Black-friars*, was ſold, in the firſt of King *Edward* VI. to Sir *Francis Brian*, Knt. being valued at forty Shillings *per Ann.*

Book of Sales.

The Records kept here.

In this Houſe of the Friar-Preachers of *London*, the antient Kings of this Land had their Records and Charters kept, as well as at the Tower of *London*, and other Caſtles in *England*; as appears by this Patent following, of the ſixteenth of *Edward* II.

" Rex omnibus ad quos, *&c.* Sal. Sciatis quod " aſſignavimus dilectos Clericos noſtros *Robertum* " *de Hoton*, & *Thomam de Sibthorp*, ad ſcrutand. " arraiand. & recto ordine ponend. Chartas noſ- " tras de *Pontefracto*, *Tutbury* & *Tonnebrug*, [i. e. " *Tunbridge*,] exiſtentes; necnon illas quæ de no- " vo venerunt, & ſunt in Cuſtodia Cuſtodis Tur- " ris n'ræ *London*. & etiam oia illa [ſcripta] quæ " ſunt in Domo Frum' Prædicatorum infra Civi- " tat. *London*. In cujus Teſtimonium Rex apud " *Aldewerck* xxiv *Julii*.

" Et mandatum eſt Cuſtodibus & Conſtabu- " lariis Caſtrorum prædictor. ac Priori Ordi- " nis Frum' Prædicator. *London*. quod ipſos " *Robertum* & *Thomam* Caſtra Turrim & do- " mum doctor' Frum' ex cauſa prædict. ingredi " permittant."

Black-friars *inhabited by Perſons of Quality.*

In Queen *Elizabeth*'s Time this *Black-friars* was much inhabited by Noblemen and Gentlemen, as before. For the Spaciouſneſs of it, Parliaments often ſat there, and noble Perſonages were there harboured.

In

A Conteſt with the City about the Liberty of the Friars

In the Year 1586, the City and the Owners of *Black* and *White-friars* in *London* had a great Conteſt. The Cauſe was tried before the Lords Chief Juſtices. The City claimed the Liberties of both theſe *Friars*, upon ſuch Arguments as theſe, which their Council urged: That the Precincts of the ſaid *Friars* were in *London*, and therefore claimed the like Liberty in them as in the reſt of the City; and that divers Felons, for Felonies within the two Precincts, were, in the *Friars* Times, indicted, arraigned, and tried in *London*. They claimed now to have from her Majeſty all Waifs, Strays, Felons Goods, Amerciaments, Eſcheats, *&c.* the Execution of all Proceſſes, the Expulſion of all Foreigners; the Aſſize of Bread, Beer, Ale, and Wine; the Wardmote-Queſt, and ſuch other Juriſdictions as they had within the reſt of the City. But the Counſel againſt the City anſwered theſe Allegations, and produced ſome other Proofs for the better Confirmation of the ſaid Liberties. They denied not the *Friars* to be in *London*, but they affirmed them to be not of *London*, no more than St. *Martin's-le-Grand*, *Creechurch*, St. *Bartholomew's*, &c.

But to underſtand the Pretences on both Sides, as they were pleaded by the Council of each, take this authentick Abſtract, drawn by the Council on the Behalf of the Liberties of the *Friars:*

An Abſtract of the Matters ſhewed before the Lords Chief Juſtices by the Council of the City, whereby they claim the Liberties of the Black *and* White-friars*: With the Anſwer of our Council to their Allegations, and ſome other Proofs found ſince, for the better Confirmation of the ſaid Liberties.*

An Abſtract of the Pretences on both Sides.

" Some Precedents they ſhewed, that the Pre-
" cincts of the ſaid *Black* and *White-friars* were in
" *London*, and therefore they claimed the like Li-
" berties in them as in the reſt of the City.

" Wee denie not the *Friars* to be in *London*;
" but we do affirme they be not of *London*, no
" more than St. *Martin's-le-Grand*, *Creechurch*, St.
" *Bartholomew's*, St. *Ellen's*, *Paul's* Church-yard,
" where the Preaching-Place ys, *Salſburie-court*,
" the *Great Wardrobe*, Sir *Thomas Heneage's* Houſe
" in *Bevis-Marks*, and divers other Places in
" *London:* In all which Places the Citizens of
" *London*, while the Houſes of Religion were in
" being, nor ſince, had not, nor uſed, any ſuch
" Liberties or Juriſdiction, as they do in the reſt
" of the Citie.

" It was alſo ſhewed by ſome of their Prece-
" dents, that divers Felons, for Felonies within
" the ſaid two Precincts, were, in the Fri-
" ars Time, indyted, arrayned, and tryed in
" *London*.

" It myght be, that they were apprehended in
" *London*, with the Things ſtolen abowte theim;
" the contrarie whereof was not ſhewed; and then
" ought they to be arraigned within the Citie.
" Beſides, the ſame Felons were arraigned by the
" King's ſpecial Commiſſion, *Ad inquirendum*, &c.
" *tam infra Libertates, quam extra, infra Civitat.*
" London. *& Com.* Middleſex. And ſo the Im-
" munitie of the ſaid Precincts thereby not im-
" peached.

" The Citizens claim now to have from her
" Majeſtie all Waifes, Strayes, Felons Goods,
" Amerciaments, Eſcheats, *&c.* the Execution
" of all Proceſſes, the Expulſion of all Forein-
" ers, the Aſſize of Bread, Beere, Ale, and
" Wyne, the Wardmote Queſt, and ſuch other
" Juriſdictions as they have within the reſt of the
" Citie.

" For theſe Matters there were no Precedents
" ſhewed, nor no ſufficient Proof made. Where-
" fore we are humbly to beſeech your Honours,
" that the Citizens of *London* may be enjoyned to
" ſhew auntient Precedents, to prove, that, in
" the Friars Time, they did execute the ſaid pre-
" tended Juriſdiction, for the Execution of Pro-
" ceſſes, and had Waifes, Strayes, Felons, Fugi-
" tives, and outlawed Mens Goods, and other
" Things claimed by them in Generalitie; and
" that they may deliver unto your Honours true
" Copies of the ſaid Precedents: And that the
" learned Counſell of the ſaid Inhabitants may
" have a Sight of the Records and the ſaid Pre-
" cedents, with the Matters precedent and ſub-
" ſequent; whereto they will aunſwer ſufficientlie
" in Writing, for Preſervation of her Majeſty's
" Title in and to the Premiſſes, enjoyed by her
" Highneſs, and her Majeſty's Progenitors, by
" the Space of forty Years, and more, againſt
" the Citizens of *London*, by Force of the Act of
" Parliament, made *Anno* 31 *Henry* VIII. which
" gave to his Grace the ſame Precincts, in the
" ſame Plight, Manner, and Forme, and as am-
" plie and largelie, as the Friars enjoyed the ſame;
" which then were exempt from the Juriſdiction
" of *London*, and, being now inveſted in her
" Royal Majeſty, cannot be taken away without
" Graunt from herſelf. But, allowing their chief
" Objection, which hath not been proved, that
" the Precincts aforeſaid were Parcel of the Citie,
" before the Foundation of the ſame; yet after,
" and at the Tyme of the Standing of the ſame
" Howſes, the ſaid Precincts were exempt Places
" from the Juriſdiction of the Citizens; and moſt
" of the Tenements within the Precincts were at
" that Tyme inhabited by Foreigners, that kept
" open Shop in the ſame: And the ſaid Precincts
" were and be ſtill nightlelie ſhut with Gates from
" the Citie, ſo that the Watch of the Citie
" could not enter into the ſame; which would not
" have been ſuffered, yf the Citizens of *London*
" had any ſuch Juriſdiction, as they now pretend.
" Her Majeſty may loſe ten thouſand Pounds in
" a Day by Lands within the ſaid Precincts,
" which may eſcheat to her; which yf the Citie
" will have, it is Reaſon the Citie ſhould give
" her Majeſty a good Fyne for it. Beſide, yf
" *London* ſhould at any Tyme rebell, her Ma-
" jeſty ſhould loſe two Places of Strength to be-
" ſtow her Force in their own Boſome, to an-
" noy them; which now by Walls ys ſhut from
" them, and ſhe hath by keeping the Liberties.
" They pretend to wyn Favour to their Cawſe,
" that they ſeek their Liberties onelie for Refor-
" mation of Diſorders, when Gaine ys the Mark
" they ſhoot at.

" But the *Black-friars*, for good Order of Go-
" vernment, may be a Lanthorne to al the Citie,
" as ſhall be plainlie proved, and is now inhabi-
" ted by Noblemen and Gentlemen.

" The

" The Burthen ys great alreadie of the Govern-
" ment of the Citie, born by ſuch as for the moſt
" Part are unlearned; as their late hard Dealing
" with *Bedlam*, and many other Examples, may
" declare. And therefore we pray moſt humblie
" your Lordſhips, that they may not be further
" troubled with us; ſubmitting ourſelves moſt
" willinglie to be reformed and ordered by your
" Honours Diſcretion, as moſt upright Judges,
" free from Affection and Partialitie: And in
" reſpect, that, when the Howſes were diſſolved,
" the Records of them were loſt and imbeſiled,
" which ſhould give Light to our Intereſt; if yt
" ſhall pleaſe your Honours to appoint ſome of
" your Counſell to ſee their Records, we dowbt
" not to fynd Matter out of their own Graunts to
" preſerve our Title, and overthrow their injuri-
" ous Claime.

" 1. *Robert Kilwerbie*, Cardinal, ſurrendered
" unto King *Edward* I. the Scite of *Baynard's-*
" *Caſtle* in *London*; whereupon the ſaid *Edward*
" did graunt the Graunt of the ſame to the
" Friars-Preachers to build the Church there,
" *&c.* and alſo graunted it *in liberam & puram*
" *Eleemoſynam*.

" 2. The *Black-friars* founded the ſeventh of
" *Edward* I.

" 3. *Thomas de Buſtings*, of *London*, ſurrendered
" unto King *Edward* I. a Meſſuage next to *Bay-*
" *nard's-Caſtle*; the which the ſaid King *Edward*
" graunted to the Prior, to the enlargeing of the
" ſaid *Baynard's-Caſtle*, to hold of the ſaid King
" *Edward* and his Heirs.

" 4. King *Edward* I. did graunt to the Friars-
" Preachers, that they might bring their Conduit-
" Water thorowe *Smythefield* unto their Howſe at
" *Baynard's-Caſtle*.

" 5. King *Edward* I. did graunt unto the
" Prior all the Tenements, *&c.* with Howſes
" thereon built, that came unto him by the Sur-
" rendour of *Will. Dale*, to the enlarging of their
" Howſes.

" 6. King *Edward* I. did graunt unto the Prior,
" that he ſhould hold all the Tenements within
" the Precincts bounding to the ſame, to him and
" to his Succeſſors.

" 7. King *Edward* II. did graunt unto the
" Prior a Meſſuage called *Okeborne*, in the Ward
" of *Baynard's-Caſtle*, to the enlarging of their
" Howſe, with a Confirmation of all the former
" Graunts unto them. And further graunting
" unto the Prior and Convent, that they and
" their Succeſſors ſhould be diſcharged of Tenths,
" Fifteenths, Subſidies, Quotas, Tallages, or o-
" ther Burthens whatſoever, graunted, or to be
" graunted, to the Clergie or Commons, *&c.*

" 8. An Exemplification of an Indenture made
" in *French*, between the Maior of *London* and
" the Prior, in *Henry* III's Time.

" 9. The ſame incorporated by Parliament, in
" the fifth of *Henry* VI.

" 10. In 1484 *John Alford*, of the *Black-friars*,
" was executed for Felonie; whoſe Goods the She-
" riff of *London* would have had, but the Prior
" anſwered the ſame to the Lord of *S. Johnes*, of
" whom the Scite was holden, and who did make
" the Bridge at the *Thames*.

" 11. In the twenty-ſecond of *Henry* VIII.
" ten Sergeants would have ſerved a Writ
" on ſix Prieſts in the *Black-friars*, and were
" reſiſted.

" 12. The Prior was by Law conſtrained to
" pave the Streets without the Wall joining to
" the Precinct; whereupon a Cage being ſet
" up by the Citie, he pulled it down, ſaying,
" *That, ſince the Citie forced me to pave the*
" *Place, they ſhall ſet no Cage there on my*
" *Ground*.

" 13. Sir *John Portynarie* reported, in his Life,
" that, immediatelie after the Diſſolution, the
" Maior pretended a Title to the Liberties; but
" King *Henry* VIII. informed thereof, ſent to him
" to deſiſt from meddling with the Liberties, ſay-
" ing, *He was as well hable to keep the Liberties as*
" *the Friars were*. And ſo the Maior no further
" meddled, and Sir *John Portynarie* had the Keyes
" of the Gates delivered to him, and a Fee for
" keeping the ſame.

" 14. The Maior's Officers arreſted no Perſon
" within the Precinct in the Friars Time.

" 15. The fowre Gates, enclоſing the Precinct
" with Walls, were in the Friars Tyme, and
" ſithence to this preſent, kept ſhut from the Citie
" by a Porter.

" 16. Malefactors found within the *Friars* were
" examyned by Sir *Will. Kingſton*, and others of
" the Precinct, and not otherwiſe.

" 17. The Precinct never entred by the Citie,
" nor Watch there kept.

" 18. Rogues, and ſuch like, puniſhed in the
" Prior's Stocks, at his Commandment.

" 19. The Precinct inhabited by Artificers not
" free, uſing their Arts without Controlment.

" 20. Carpenters, Maſons, *&c.* have been
" fetched out of the Countrie, and worked there
" without Impeachment.

" 21. The Inhabitants never charged with any
" Impoſition to the Citie.

" 22. If any be ſlaine there, the Coroner of the
" Verge inquiered the *Deodands*; which the Lord
" of *S. Johnes* have.

" 23. In King *Edward* VI's Tyme, five Citi-
" zens, committing a Riott within the Verge
" within the *Friars*, were indicted before Sir *Ni-*
" *cholas Hare*, then Juſtice of the ſame: And the
" Maior then calling a Seſſions to enquire thereof
" in the Citie, was, by two ſeveral Letters from
" the Council, inhibited to deal therein, to the in-
" fringing of the King's Liberties: Whereupon
" he deſiſted.

" 24. In Queen *Marie's* Tyme the Maior
" fought the Liberties by Act of Parliament; but
" was rejected upon Argument, and not brought
" to the Queſtion.

" 25. The Felons Goods, Waiſes, Blood-
" ſheds, Fynes, Forfeitures, Amerciaments,
" and Eſchets, are ſtill due to her Majeſty;
" which ſhe ſhould loſe, yf the Citie enjoy the
" Liberties.

" 26. All *Friars*, and other Spiritual Pre-
" cincts, were privileged from Temporal Juriſ-
" diction thro' the Realme, by divers Statutes of
" this Realme.

" 27. All Caſtles privileged; and the *Black-*
" *friars* was the Scite of *Baynard's-Caſtle*.

" 28. Divers Statutes, confirming the Liber-
" ties of Religious Howſes, eſpeciallie in the twen-
" ty-eight of *Henry* VIII. *cap.* 16.

" 29. All Liberties of ſuppreſſed Houſes " veſted in the King, by the Statutes of 31 *Hen.* VIII. ca. 13. *Hen.* VIII. ca. 20.

" 30. Larger Liberties, then are now claimed, " allowed, in King *Edward* VI's Time, to *Robert* " *Fitz-Waters*, for the *Black* and *White-friars*. " Which was ſince the Liberties granted to the " City.

" 31. The *Black-friars* were of the Fee of St. " *Johnes*, and thereby greatlie privileged."

Notes and Articles for Maintenance of the antient Liberties and Privileges of the late diſſolved Black-friars, *near* Ludgate, *in* London.

John Alforde *executed at* Tyburn.

" 1. Firſt, it appeareth, that on the twenty-" fifth Day of *November*, 1484, *John Alforde*, " Shoemaker, dwelling within the *Black-friars* in " *London*, was apprehended, and put to Death, at " *Tyburn*, for Felony; *Thomas Newland*, alias *Nor-*" *land*, and *William Martin*, then being Sheriffs of " *London*; who ſought to have had the Goods of " the ſaid Felon. But the Prior of the ſaid *Black-*" *friars* withſtood them, and poſſeſſed the ſame " Goods to the Uſe of the Lord of St. *John's*, " of whom the ſaid *Friars* were then holden.

The Bridge at the Black-friars.

" 2. *Item*, The Lord of St. *John*'s hath uſually " made the Bridge at the *Thames*, adjoining to " the ſaid *Friars*, and not the City of *Lon-*" *don*, &c.

Incorporating of the Prior and Convent.

" 3. *Item*, The Prior and Convent were in-" corporated by Act of Parliament, in the Time " of King *Henry* VI. whereby they might pre-" ſcribe, and did always uſe and keep the Liberty " inviolately, and clearly exempted from the " Citizens.

No Arreſt within the Friars *Precinct.*

" 4. *Item*, The Precinct hath always been of " ſuch Liberties, as that no Man hath been arreſt-" ed within the ſame by any of the Sheriffs Of-" ficers. And if, at any Time, any Officer of " the City hath taken upon him to execute within " the four Gates, he was reſcued by the Friars " and Inhabitants of Antiquity.

Foreigners traded in the Precinct freely.

" 5. *Item*, At all Times there have dwelt " within the Precinct divers and many Perſons, " not free; and yet they have uſed their Occupa-" tions there, without Controlment of the City " and Citizens.

Craftſmen come out of the Country.

" 6. *Item*, Always at ſundry Times, of long " Continuance, divers and many Carpenters, Ma-" ſons, and ſuch like, have been ſent out of the " Country, and have wrought within the Precinct " aforeſaid; which is not ſufferable within the " Liberties of the City, by their own Cuſtoms " and Ordinances.

The Inquiry after the Death of any one ſlain, by the Coroner of the Verge.

" 7. *Item*, Upon the View of any Perſon ſlain, " the Coroner of the Verge did always make In-" quiry thereof. And the *Deodand* is due to the " Lord of St. *John*'s, and not to the City. But " now to the Queen's Highneſs due by Law, E-" quity, and good Conſcience; whoſe right and " lawful Title the Owners and Inhabitants of the " ſaid exempted Place and Precinct do ſeek with " their Bodies and Goods to defend and maintain, " againſt all pretended Title and Claim of the Ci-" tizens. Notwithſtanding, divers of the ſaid Pre-" cinct and Liberty have been greatly vexed and " troubled with often Impriſonments within the " *Compters* of the City.

" 8. *Item*, The Inhabitants within the ſaid Pre-" cincts were never charged to watch or ward, *Freedom from Watching, &c.* " or to be within the Compaſs of any Impoſition; " ſuch as the Citizens are uſed and accuſtomed " unto by their Laws.

A Riot committed in the Black-friars.

" 9. *Item*, In the Time of King *Edward* VI. " Sir *Andrew Jude* then being Mayor, there was " a Riot committed in the *Black-friars*, in the " Houſe of one Maſter *Lucas*, by one *Crouchman* " of the City, and other Perſons with him. The " Force whereof was ſoon overſwayed by Sir *Tho-*" *mas Saunders* and Sir *Henry Jerningham*, Knights, " Mr. *William More*, with other Gentlemen " inhabiting in the ſaid *Friars*; and the Parties by " Purſuit were twice indicted in the *Marſhalſea* " Court holden in *Southwark*; Sir *Nicholas Hare* " then being Steward, and ſitting at the Doing " thereof. After which Time, the ſaid *Crouchman*, " with other Confederates with him, ſought to in-" dict the ſaid Gentleman, by an eſpecial Seſſions " in the ſaid City: For Stay whereof, the Lords " of the King's Privy Council, underſtanding the " lewd Practices of the ſaid *Crouchman*, and others, " and that the Lord-Mayor had nothing to do " within the Precinct, wrote their Letters unto the " ſaid Sir *Andrew Jude*, then Mayor, willing him *Letters from the Council to the Lord-Mayor.* " not to diſturb the ſaid Gentleman for the ſaid " Fact, to the Infringing the Liberties of the " ſaid *Friars*: The ſaid Sir *Thomas Saunders* and " Maſter *William Moore* being Bearers of the ſaid " Letters to the ſaid Lord-Mayor; who, upon " Deliberation, made Anſwer to the ſaid Bearers " by Word of Mouth, That, foraſmuch as there " was a Complaint made to him of a Riot com-" mitted within the City, he muſt needs, within " one Month after, inquire by Seſſions of the " ſame; which, he ſaid, could not be prejudi-" cial to them, being out of the Juriſdiction of " the City: For that the ſame ſhould be *Non* " *coram Judice*, and yet they diſcharged of the " Peril of the Statute. And ſo they proceeded " with the ſaid Letters. Whereupon, the ſaid " Sir *Thomas* and Maſter *William Moore* making " Report of their Succeſs with the Mayor to " the Lords of the Council, they wrote eftſoones " other Letters to the ſaid Mayor, but of " ſuch Force, touching the Premiſſes, which were " alſo carried by the ſaid Sir *Thomas* and Mr. " *Moore*. Whereupon, the ſaid Mayor ſtayed " from any further Proceeding therein, or any " other, *&c.*

A Bill put into the Parliament-Houſe.

" 10. *Item*, That in Queen *Mary*'s Time, the " Counſel of the City put a Bill into the Par-" liament-Houſe, ſeeking by the ſame to have " the Liberties of the ſaid *Friars*: Which Bill, " with all their Surmiſes, was ſo utterly reject-" ed, that their Bill never came to the Queſtion; " but was ſo ſuppreſſed, by Argument openly in " the ſame Houſe.

Cawarden's *Letters Patents.*

" 11. *Item*, The Liberties granted to Maſter " *Cawarden*, by Letters Patents of King *Edward* " VI. the Goods of Felons therein not granted, " and ſo due to the Queen's Majeſty: Whoſe " Right and Title the City hath not had, nor can " be ſuffered to enjoy, according to their Seeking; " by the only Reſiſtance of the ſaid Owners and " Inhabitants within the Liberty and Precinct, " clearly exempted from the City, by Metes and " Bounds on every Side.

" 12. *Item*,

Walls and Gates belonging to the Precinct.

" 12. *Item*, The ſaid Precinct hath always been " ſhut up and kept by Walls and Gates. So as " there was no Egreſs that Way, but by Licence " of the Porters, who were maintained and placed " by the Owners of the ſaid *Friars*, and Liberties " of the ſame; by eſpecial and general Words, " granted by Letters Patents under the great Seal " of *England*, to divers Owners and Freeholders " there of the Queen's Majeſty. And in eſpecial, " above all other, to Sir *Thomas Cawarden*, Knt. " deceaſed, in his Letters Patents dated the 12th " Day of *May*, in the 4th Year of King *Edward* " VI. in as large, ample, and full Manner, and " with as many pithy and effectual Words, as ever " were read or ſeen in any Patent, made for " Grant of Liberties of any Place exempted, as " by the ſame Patent more largely appeareth. " The true Copy whereof is annexed to theſe " Articles, by the Delivery of Maſter *Moore*, " true Owner of the moſt Part of the ſaid Li- " berties.

The Curate of St. Peter's in Cornhill, his Affirmation.

" 13. *Item*, That *James Norrice*, Curate of St. " *Peter*'s in *Cornhill*, being ſome Time one of the " Friars and Brethren of the *Black-friars* afore- " ſaid, near *Ludgate*, in *London*, ſaith and affirm- " eth, That one *Robert Struddell*, late Prior of " the ſaid *Friars*, was, by Order of Law, con- " ſtrained to pave the high Street adjoining round " about the Channel Walls, from the *Fleur de* " *Lis*, towards the Hill at *Creed-lane* End. And " a Cage at that Time ſtanding on that Side the " Street, adjoining to the foreſaid Wall, within " the Pariſh of St. *Andrew*; which Cage was " plucked down by the ſaid Prior, and not ſince " ſet up again; the Prior aforeſaid ſaying, Seeing " they of the City cauſe me to pave all this Side " of the Street next my Wall, they ſhall have no " Cage of others ſtanding on my Ground, againſt " mine own Wall. And ſo the City never builded " Cage on that Side after.

The Liberties of the Precinct in the Prior's Days.

" 14. *Item*, Moreover, the ſaid Maſter *Norrice* " ſaith, That the Liberties of the *Black-friars*, in " the ſaid Prior's Days, were ſuch, that the Lord- " Mayor of the City of *London*, nor the Sheriffs, " did arreſt any Man within the ſaid Liberty for " any Thing, as free, as he well remembreth, in " all his Time.

Four Gates belonging to the Friars and Porters.

" 15. *Item*, He remembreth, that four Gates " were ſhut in, during the Friars Time, by the " Commandment of the Prior: And one Father " *Seager* being then Porter, appointed by the ſaid " late Prior, *Robert Struddell*, with others after " him, at the Appointment of other Priors then " ſucceeding; and not by the Mayor of *London*, " nor any other."

An Order made for Black-friars, An. 1497, Purchaſe Mayor.

But yet it is certain the Citizens ſtruggled long with *Black-friars*, moved by the many Inconveniencies they ſuffered by the pretended Freedom of the Place: Injuring ſuch as had ſerved their Times to Trades, by being underſold by theſe Tradeſmen that here inhabited, and injuring Buyers by ſelling bad Commodities; whereof there was no Remedy; no City-Searchers, whether the Commodities made and ſold here were good, being admitted within the Liberties of the *Friars*. Here alſo, oftentimes, Harbour was given to Felons; and Malefactors took Shelter here; ſo that an Order was moved and begun, *Purchaſe* Mayor, about the Year 1497, for Remedy of this. And, no Good coming of it, the Commons in a Common Council petitioned the Mayor, Sir *John Percival*, the next Year, for encouraging the ſaid Order, and calling into Queſtion ſuch as oppoſed it. Which Petition ran in theſe Words:

Commons Petition againſt Black-Friars.

Book of old Cuſt. F. 1. b.

" Alſo, for the Reformacyon of the Myſchef " growyng to the Cyte, by going to *Friars*; pleaſe " that my Lord-Mayr, Aldyrmen, and Common " Counſayle to provyde, that the Ordre moved " and begonne before *M. Purchaſe*, late Mayr, " and other of his Predeceſſours, may be put in " Effecte. That ſuch Perſones, which were dif- " fyculte agaynſt the ſaid Ordre, be callyd afore " my Lord-Mayr, and Aldyrmen, to be reform- " ed by theyr wyſe Exhortacyons, under ſuche " Fourme, as ſuch obſtynate Perſones be not " noted above all other, as Brokers and De- " ſtroyers of the Common-Wele. And, yf the " ſayd Perſones wyl not be conformable in thys " Partye to leve the *Fryers*, that then yt may " pleaſe my Lord-Mayr and Aldyrmen to cal a " Common-Counſayle, and, by theyr Autorite, " to appoynte certayne Perſones, with the Coun- " ſayle, to ſue to the Kyngy's Grace for a Dyſ- " penſacyon of the Act of Parlament, late made " to the contrarye."

The Saying of Thomas Ulverſton, *alias* Wolverſton, *of* Garlickhithe, *Officer to the Vintners of* London, *and ſome Time a Friar of the* Black-friars. *Taken before me Sir* Thomas Saunders, *Knt. the thirtieth Day of* May, A. D. 1562.

Of other Men's Doors into the Black-friare.

" 16. *Item*, He ſaith, he hath heard ſay many " Times, among the Friars and others, that " Maſter *Peacocke* of *London*, and his Predeceſ- " ſors, had never Door into the *Black-friars* out " of his Houſe, but by Fine and Agreement " made for the ſame, long before his Time of " Remembrance.

How the Porters of the Friars *kept their four Gates*

" 17. *Item*, He ſaith, that the Porters of the " *Friars* always kept their four Gates, Time out " of Mind, by the Appointment of the Prior and " Convent, clear exempted from the City. And, " when the Porters perceived any ſuſpected Per- " ſons, or Malefactors, within the Limits of the " *Friars*, they declared it to the Prior, who forth- " with commanded them to take the Aid of the " honeſt Inhabitants within the *Friars*, to make " Search and Watch for the Apprehenſion of ſuch " lewd Perſons: Which, ſo found, were always " examined by Sir *William Kingſton*, Knt. and other " good Men there inhabiting within the *Friars*, " at the Porter's Deſire, and not otherwiſe.

No Search or Watch within the Precinct, &c.

" 18. *Item*, He never heard, nor did know, in " all his Time, any Search or Watch to be made, " within the Precinct of the *Friars*, by any Watch- " man or Conſtable of the City; who could never " come within any of the *Friars* Gates, but by " the Porter's Licence of the ſame *Friars*.

Paving the Street by the Prior and Convent.

" 19. *Item*, He ſaith, That the Prior and Con- " vent did once pave the Streets, by his Time, " from the *Friars* Turngate, unto the *Fleur de* " *Lis*, along by the Wall, to the Channel of the " ſame Street. But, as for pulling down of any " Cage, he doth not well remember.

For puniſhing diſordered Perſons.

" 20. *Item*, He ſaith, if any Vagabond, or any " Drunkard, or miſordered Perſon, were taken " culpable within the Precinct af the *Friars*, they " were always puniſhed in the *Friars* Stocks againſt

" the

" the Church Door, by the Prior's Command-
" ment; and not by the Lord-Mayor's, or Sheriffs
" of *London*.

Againſt claiming the Liberties of Black-friars.

" 21. *Item*, Sir *John Portenary*, Knt. inhabiting
" within the late *Black-friars*, near *Ludgate*, in
" *London*, about thirty Years paſt, doth well re-
" member, that, after the Suppreſſion of the ſaid
" *Black-friars*, the Lord-Mayor of *London* would
" have entered into the ſaid *Black-friars*, and
" claimed the Liberties of the ſame. For the
" which, the Lord *Cobham*, the Lord *Zanche*,
" Sir *Thomas Cheiney*, Sir *William Kingſton*,
" Sir *Francis Brian*, Knights, with many other
" Worſhipful Gentlemen, then being Inhabi-
" tants within the Liberties and Precinct of the
" ſaid late *Black friars*, denied the Lord-Mayor
" and Citizens Entrance, and would not permit
" nor ſuffer them, or any of them, to enter within
" the ſame. And, ſhortly after, Sir *Francis Bri-*
" *an* and Sir *Thomas Cheiney* moved the King's
" Majeſty, then being King *Henry* VIII. how
" the ſaid Mayor and Citizens would have entered
" into the ſaid *Friars*. And then the King's Ma-
" jeſty ſaid unto them theſe Words following: Are
" not we as able to keep our Privileges and Liber-
" ties, as the *Friars* did keep their Privileges al-
" ways before Time, free from the City? Where-
" upon, they all, by one Conſent and Agreement,
" ſent the ſaid Lord Mayor Word of the King's
" Majeſty's Anſwer and Pleaſure therein. Where-
" upon the Lord-Mayor and Aldermen were ſatiſ-
" fied, and would no further proceed upon the
" King's Right and Title of Liberties; as then
" they promiſed and affirmed by the Mouth of the
" Recorder, being ſent by the Mayor to the Wor-
" ſhipful of the ſaid *Friars*. And the ſaid Sir *John*
" *Portenary* further ſaith, That, after the ſaid *Fri-*
" *ars* were ſuppreſt, the Lord *Cromwell*, Vicar Ge-
" neral, cauſed to be delivered unto the ſaid Sir
" *John Portenary* the Keys of all the ſaid *Friars*,
" ſafely to keep them from the ſaid City; and
" to provide, that all within the ſaid Liberty
" ſhould be in Safety and Safeguard. The
" which Keys were afterward delivered by the
" ſaid Sir *John Portenary* to the Hands of Dr.
" *Layton* and Dr. *Wendie*, they being Viſitors
" there. For the which, the ſaid Sir *John Porte-*
" *nary* had a certain Reward paid unto him by
" the Lord *North*, then being Chancellor of the
" *Augmentation Court*. All which Matter the ſaid
" Sir *John Portenary* will depoſe to be moſt cer-
" tain and true, as he will anſwer at the
" dreadful Day of Judgment upon his Soul.

Two Aldermen enter into the Liberties of the Black-friars.

" 22. *Item*, Be it in Remembrance perpetual,
" for infallible Truth, that one *Alexander Avenon*,
" being Sheriff of *London*, and one other, be-
" ing Alderman of the Ward of *Faringdon in-*
" *fra*, came and entered very ſtoutly into the
" Liberty of the *Black-friars* near *Ludgate*, the
" 15th Day of *May*, 1562, to carry away all the
" Hoſiers and Taylors, to come to the *Guild-*
" *hall* in *London*, according to the Queen's new
" Proclamation. Which Hoſiers and Taylors
" denied to go with the ſaid Sheriff, affirming
" and ſaying, That they had put in Bonds, be-
" fore their Coming, to the Lord *Cobham*, and
" to Sir *Thomas Saunders* Knt. two of the Queen's
" Juſtices of the Peace within the ſaid Liberty,
" being within the Verge, and exempted from
" the City of *London*, according to the Queen's
" Proclamation. And thereupon, one *John Brad-*
" *ford*, being Conſtable of the ſame exempted
" Place, and within the Liberty of the ſaid
" Queen's Verge, cauſed the four Porters of the
" ſaid *Friars* to ſhut all the Gates; which being
" perceived by the ſaid Sheriff and Aldermen,
" the ſaid Sheriff commanded the Gates to be
" opened; whereunto the ſaid Conſtable of the
" *Friars* ſaid, That they ſhould not be opened,
" before the Juſtices Pleaſure of the *Friars* were
" known. And then the Sheriff of *London* ſaid,
" That he was of greater Authority than the
" Juſtices were: The Conſtable affirming him ſo
" to be within the City of *London*, but not with-
" in the Precinct of the Liberty of the *Black-*
" *friars*. For the Conſtable ſaid, that he had
" greater Power and Authority there than the
" Sheriff had. Which being heard, and ſcant
" well digeſted by them; fearing further Incon-
" venience to ariſe thereupon, as by ſudden Chang-
" ing of their grieved Countenance was plainly
" declared, the ſaid Sheriff and Alderman, with
" gentle Language, deſired the Conſtable to open
" the Gates quietly, and ſuffer them to paſs thence:
" Which he did at their gentle Requeſt and In-
" treaty. And ſo they departed out of the Li-
" berty of the *Black-friars*, by the Porters Com-
" mandment, and gave to the Porters, for open-
" ing the Gates, Money.

What enſued upon this Buſineſs in the Black-friars.

" People of St. *Martin's*, as well Strangers as
" others, in the open high Street, marvelling
" and wondering at the ſaid Sheriff's and Alder-
" man's Incloſure within the ſaid *Friars* Gates:
" On the Morrow after, being the 16th Day of
" *May*, 1562, one *Hardford*, being Conſtable of
" St. *Martin's* Pariſh within *Ludgate*, in the high
" Street there, took one [*Gilbert*] *Trethern*, a
" Hoſier and Taylor, dwelling in the ſaid *Friars*,
" and carried him to the Lord-Mayor of *Lon-*
" *don*, who by and by, without Delay, or any
" further Speech, commanded the ſaid *Gilbert*
" to the *Compter* in *London*. Whereupon the ſaid
" Sir *Thomas Saunders*, as one of the Juſtices of
" the ſaid Liberty, went to the Earl of *Arundel*,
" Lord Steward to the Queen's moſt Honour-
" able Houſhold, declaring the whole Circum-
" ſtance of the ſaid Sheriff and Alderman's En-
" terprize; and obtained a Token to the Lord-
" Mayor, no further to enter the ſaid Liberty
" within the Verge; until by Law, or the Privy
" Council's Judgment, the Queſtion moved were
" determined, concerning the Infringing of the
" ſaid antient Liberty. All this was ſpoken in
" the Preſence of *Peter Baugh*, *Lewis Rawbone*,
" and divers other Strangers. In Witneſs and
" Probation whereof, the ſaid Sir *Thomas* hath
" ſubſcribed his Name, with divers others here-
" under written, which were preſent.

A further Teſtimony concerning one Robert Flowers *Taylor and Hoſier, in the ſame Precinct of* Black-friars.

" 23. *Item*, Be it had in perpetual Memory, for
" a continual perfect Declaration of the Truth,
" whereunto all Matters of Variance and Contro-
" verſy ſhould be referred and advanced; and not
" the Sparks of Truth to be hidden, as a Candle
" bearing perfect Light, under a Buſhel, and ſo
" waſhed away in the flowing Waters of un-
" mindful Oblivion; which, among all good
" *Chriſtian* Men, is at all Times, and in all Ages,
" to be rejected, and not to be embraced; but

" rather

" rather to be buried in the Bottom of the Earth,
" never to riſe again.

" In Conſideration whereof, by theſe Preſents,
" it is, for an infallible Truth, to be holden with
" all Men, which ſhall hear or ſee this preſent
" Writing: That *Robert Flower*, Taylor and Ho-
" ſier, dwelling within the Precinct and Liberties
" of the late *Black-friars*, near *Ludgate*, in *London*,
" was, by Commandment of the whole Bench of
" Aldermen, committed into one of the *Compters*
" of *London*, the 20th Day of *May*, 1582; for
" that the ſame *Robert Flower* refuſed to be bound,
" according to Order taken, from the making
" of monſtrous great Hoſen, according to the
" Queen's Proclamation in that Behalf; becauſe
" the ſaid *Robert Flower* had, amongſt other Per-
" ſons, put in Bonds before the Honourable War-
" den of the five Ports and Sir *Thomas Saun-*
" *ders*, Knt. Juſtices within the Liberty of the
" Queen's Verge. After which revealed and
" known to the Honourable Earl of *Arundel*,
" Lord Steward of the Queen's moſt Honour-
" able Houſhold; who cauſed the Knight Mar-
" ſhal to go to the ſaid Lord-Mayor, requiring
" the Deliverance of the ſaid Priſoner. The Lord-
" Mayor, being ſickly, made Anſwer, that he
" knew nothing thereof; but deſired him to ſpeak
" with Mr. Recorder: Who made Anſwer, that
" the ſaid Impriſonment was done by the whole
" Bench of Aldermen; and he, as one particular
" Perſon, could not deliver the Priſoner until the
" next Court Day, which could not be till two
" Days after, to the great Charges and Hindrance
" of the ſaid Priſoner.

" Whereupon the Lord Steward ſent for Ma-
" ſter *Cholmeley*, he being then Recorder of *Lon-*
" *don*, and commanded him to deliver the Pri-
" ſoner; or elſe he would impriſon the Mayor of
" *London*, and the ſaid Recorder, and the fatteſt
" Alderman in the City, which he could get
" within the Verge. And declared, that the Queen's
" Liberties and Franchiſes ſhould not be over-
" come by the Lord-Mayor and Bench of Al-
" dermen, ſo long as he was Officer; with many
" other Words againſt the Citizens, which were
" too long to write. Adding further, that the
" Mayor did not meddle with St. *Martin*'s being
" within the City, and a Parcel of *Weſtminſter*
" Deanery: Much leſs ſhould he meddle with the
" ſaid Liberty of the *Friars*, bounded out by the
" Walls and Gates from the City; being in the
" County of *Middleſex*, and not within the City.
" And ſo commanded the Recorder to ſend home
" the Priſoner unto the Liberty preſently; which
" was ſo done accordingly; promiſing that, if
" the Lord-Mayor could declare or ſhew any good
" Title, whereby to break the Liberty, the Queen's
" learned Counſel ſhould anſwer him and them
" therein. And then the Recorder ſaid, he never
" heard, before that Time, that the Lord Steward
" did claim the Precinct of the ſaid *Black-friars*
" to be within the Liberty of the Queen's Verge.
" Out of which Juriſdiction the City of *London*
" is exempted by the Statute of 32 *Henry* VIII.
" *cap.* 2. Under Colour of which Statute, the
" Mayor would bring the ſaid *Friars* to be in
" *London*; which, in all the Friars Time, was free-
" ly exempted.

" All the which Matter was debated in the Pre-
" fence of Sir *Thomas Saunders*, Knt. Maſter *Ro-*
" *bert Hopton*, one of the Knight Marſhals, and
" Mr. *Bromeley*, under Steward of the *Marſhalſea*,
" the Day and Year above written.

A Man ſlain in the Liberties of Black-friars.

" 24. *Item*, That in Queen *Mary*'s Time, or
" King *Edward*'s Time, her Brother, there was
" a Man ſlain within the ſaid Precinct of the
" *Black-friars*. And the Goods of him that was
" ſuppoſed to do the Deed were ſtayed within
" the ſaid *Friars*, and an Inventory taken by
" the next Juſtice of Peace within the Verge,
" *Roger Cholmeley*, Knt. by the Commandment of
" Sir *Thomas Cheyney*, Knt. And afterward, one
" Maſter *Garrard*, and the Recorder of *London*,
" came unto the ſaid Sir *Thomas Cheyney*'s Houſe,
" within the ſame Precinct, and would have made
" an Inventory of the Goods of the Party Of-
" fender aforeſaid, now deceaſed. But the ſaid
" Sir *Thomas Cheyney* would not permit nor ſuffer
" them ſo to do; for that he had made Stay of
" the ſame Goods for the Queen before, if it
" were lawfully found that the ſaid Party had
" ſlain the Man dead. Which afterward was
" otherwiſe found, by a Queſt of twelve Men,
" ſitting *ſuper viſum corporis* of the Dead, by the
" Coroner of the Verge, within the ſaid Liberty;
" where the Mayor of *London* and Bench of Al-
" dermen have not to do, nor intermit with the
" Inhabitants thereof. Becauſe the whole *Friars*
" Liberties, and Franchiſes of the ſame, were
" freely given unto King *Henry* VIII. by Act of
" Parliament. Whereby the Lord-Mayor of
" *London*, and Bench of Aldermen, are clearly
" barred and ſecluded from the *Friars* Liberties,
" and the Inhabitants thereof franchiſed, and clean
" exempted from all the Citizens, and their Im-
" poſitions or other Taxations."

Add to the reſt this Teſtimony following:

The true Copy *of the Vicar of* Bromley's Letter, *in* Kent, *ſent to Maſter* Thomas Walſingham, *of* Scadborough, *in the ſaid County, Eſquire: Who ſent the ſame Letter to Sir* Thomas Saunders, *Knt. he being alſo one of the Queen's Juſtices of the Peace in the ſaid County, to examine the ſeveral Particulars therein, concerning the Liberties of the ſaid* Friars, *&c.*

This Vicar of Bromley *dwelt formerly in the* Black-friars.

" Right Worſhipful, you ſhall underſtand that
" I have received your kind Letter; according
" whereunto, theſe are to ſatisfy your Mind, that
" I was dwelling in the *Black-friars* four or five
" Years; and came thither from *Oxford*, where
" I had been a Student of Divinity. I was alſo
" Curate of the Pariſh within the *Black-friars*,
" called St. *Agnes*. We had within us a Porter,
" who did ſhut all the Gates every Night, at nine
" of the Clock in the Winter, and at ten of the
" Clock in the Summer. No Sheriff, Bailiff, or
" Conſtable, nor yet the Mayor of *London*, took
" Intereſt there at any Time; nor foreign Porters
" had to do within our Privilege. And the Friars
" did pave both within the Turn-gate and with-
" out, unto St. *Andrew*'s Church, down by the
" great Garden Wall. And without the Turngate
" there was a Cage, pulled down by the Prior in my
" Time, which was ſet up by the Lord-Mayor of
" *London*. The Inhabitants within the *Friars* ne-
" ver watched; neither the Conſtable of St. *Mar-*
" *tin*'s Pariſh warned any Watch there, neither
" came

" came within the Gates after the Hour appoint-
" ed, at any Time. The Sheriffs of *London* had
" no Felons Goods there, neither did arreſt any
" Perſon within the Precinct of the Houſe. As
" for Bakers and Brewers that belonged to the
" Houſe, they be dead."

Black-friars *will not pay to the Muſters.*

Among other Privileges *Black-friars* and the other exempt Places claimed, one among the reſt was, That they would not contribute to the Muſters, when the Militia was raiſed in the City; as it was in the Year 1585, Sir *Tho. Pulliſon*, Mayor; who was therefore obliged to make a Complaint to the Court thereof; praying, that, by their Authority, *Black-friars*, and the other privileged Places, might alſo bear their Burthen in Muſters, as well as other Inhabitants of the City. Advertiſing the Lord Treaſurer, " That whereas " the *Black-friars*, St. *Martin*'s, *White-friars*, " and other exempt Places, were appointed to be " contributory to this Charge, they refuſed to be " taxed, and would not yield to pay any Thing, " unleſs they had Direction from the Lord Trea- " ſurer, or other the Lords of her Majeſty's Pri- " vy Council, for the Doing thereof: Wherefore, " and for that the Service fell out to be of far " greater Charge than was expected, he humbly " beſought his Lordſhip's Order and Command- " ment to thoſe exempt Places, for Contri- " bution."

The antient Church belonging to the *Black-friars*, *London*, was, before the Diſſolution of Religious Houſes by King *Henry* VIII. one of the moſt ſpacious and fair Churches in *London*. But the Friars being put out, the Church, together with other fair Buildings, was utterly demoliſhed.

INTERMENTS.

In the left Part of the Choir.

There were buried, in the antient Church, *Margaret* Queen of *Scots* *.

* *Daughter of the King of* Scots.

Hubert de Burgo, Earl of *Kent*, tranſlated from their old Church by *Old Bourne*.

MS. F. 9. In Off. Armor.

Robert de Attabeto †, Earl of *Bellimon*.

† Attrabato; *i. e. of* Artois. F. 9.

Dame *Iſabel*, Wife to Sir *Roger Bygot*, Earl Marſhal.

William and Dame *Jane Huſe*, Children to Dame *Ellis*, Counteſs of *Arundel*. And by them lieth Dame *Ellis*, Daughter to the Earl of *Warren*, and afterwards Counteſs of *Arundel*.

Dame *Ide*, Wife to Sir *Walter* ——, Daughter to the Lord *Ferrers* of *Chartley*.

Richard de Brewes.

MS. F. 9. By the Lady ——, laid Dame *Jone*, Daughter of *Thomas* ——, Wife of Sir *Guidon Ferrers*.

And, by the Right-Hand of Sir *Guidon*, lay Dame *Jone Huntingfeld*.

Sir *John Molins*, Knt.

† Roger. *Richard Strange*, Son to *Robert* † *Strange*.

Eliſabeth, Daughter to Sir *Bartholomew Badleſmere*, Wife to Sir *William Bohun*, Earl of *Northampton*; *Marſh*; the Earls of *March* and *Hereford*; and *Eliſabeth*, Counteſs of *Arundel*.

At Dame *Eliſabeth*'s Head, lay Dame *Joan*, Daughter to Sir *John Carne*, firſt Wife to Sir *Gwide*, or *Guy*, *Brian*.

Hugh Clare, Knt. 1293, lay by her right Side.

The Heart of Queen *Helianor*, the Foundreſs.

The Heart of *Alfonce*, her Son.

The Hearts of *John* and *Margaret*, Children to *William Valence*.

John Duke of Cornwal. Julius B. VII. 45.

Here alſo, in the Church of *Black-friars*, was buried *John* of *Eltham*, Duke of *Cornwal*, Brother to King *Edward* III. Upon whoſe Tomb was hung up a Table of his Noble Pedigree; which is ſtill preſerved in the *Cotton* Library.

The Daughter of *Geffrey Lucie*, Wife of Sir *Thomas Peverels*.

Sir *William Thorpe*, Juſtice.

The Lord *Liothe* of *Ireland*.

Dame *Maude*, Wife to Sir *Geffrey Say*, Daughter to the Earl of *Warwick*. And with her *Edmund*, related to King ——.

Dame *Sible*, Daughter to *William Patteſhulle*, Wife to *Roger Beauchampe*. And by her Sir *Richard*, or *Roger*, *Beauchampe*.

Dame *Jane Boteler*.

Lord *Scrope*, of *Upſal*.

Sir *Fanhope*, Lord *S. Amand*, and Dame *Eliſabeth*, his Wife, Daughter to the Duke of *Lancaſter*.

Richard S. Amand, Lord *S. Amand*, bequeathed his Body to be buried in the Church of the *Black-friars*, next *Ludgate*, *June* 12, 1508.

Sir *Stephen Collington*, Knt.

King *James* of *Spain*.

Sir *William Peter*, Knt.

The Counteſs of *Huntington*.

Dutcheſs of *Exeter*.

Sir *John Cornwall*.

Lord *Fanhope* died at *Ampthill*, in *Bedfordſhire*, and was buried there, 1443.

Caveſton Talbot, Eſq;

Sir *John Tipftofe*, Earl of *Worceſter*, who was beheaded in 1470.

And by him, in his Chapel, *James Turchet*, Lord *Audley*, who was beheaded in 1497.

William Paſton, and *Anne*, Daughter to *Edmond Lancaſter*.

The Heart of Sir *Weſtye*.

The Heart of Dame *Margaret* Counteſs of the *Yle*.

The Lord *Beaumont*.

Mr. *Geth*.

Sir *Edmond Cornewall*, Baron of *Burford*.

The Lady *Nevil*, wedded to the Lord *Dowglaſs* *, Daughter to the Duke of *Exeter*.

* Dogelas.

Richard Scoope, Eſq;

Dame *Catharine Vaux*.

Alys [*Alice*] *Cobham*.

Sir *Thomas Browne*, and Dame *Eliſabeth* *, his Wife.

* Eleanor.

Sir *George Browne*, and Dame *Eliſabeth*, his Wife.

Jane Powell *.

* Powel.

Thomas Swinforth *.

* Swinfurl

John Mawſley *, Eſq; 1432.

* Murſley.

John de la Bere *, *Nicholas Carre*, *Geffrey Spring*, and *William Clifford*, Eſqrs;

* Dalebere

Sir *Thomas Brandon*, Knight of the *Garter*, 1509. This Noble Knight, by his laſt Will, dated *June* 11, 1509, bequeathed his Body to be buried in the *Friars Preachers*, *London*, as near unto the Sepulchre of Sir *John Wingfeld*, Knt. as might be. He was Uncle to the famous *Charles Brandon*, afterwards Duke of *Suffolk*, that married the Queen Dowager of *France*: To him, by his ſaid Will, he left 300 Marks of his Plate. He alſo gave to the

Sir Thomas Brandon, *Uncle to* Charles Brandon.

Sir John Wyngfield.

the *Friars Auſtins*, *London*, 60 *l.* for a perpetual Memorial to be had of the Lord Marquis *Berkley*, and the Lady Marchioneſs, late his Wife. And to the Lady *Jane Gylford*, Widow, he bequeathed his Place in *Southwark*, with his Leaſe, which he had of the Lord Biſhop of *Winton*.

William Stalworth, Merchant-Taylor, 1518.

William Courtney, Earl of *Devonſhire*, nominated, but not created, the third of *Henry* VIII. *&c.*

To theſe I add,

Lady Scrope. *Eliſabeth*, Lady *Scrope*, of *Upſal* and *Marſham*, Widow; who by her Will bequeathed her Body to be buried in the *Black-friars*, *London*, by the Side of her Huſband, Lord *Thomas Scrope*, of *Upſal* and *Marſham*. By which Will, dated the 7th of *March*, the 5th of *Henry* VIII. ſhe appointed the Trentals to be ſung in the Church of *Black-friars*, for the Soul of the ſaid Lord, her Huſband, and *Alice*, their Daughter; for Sir *Henry Wentworth*'s Soul, and for the Soul of the Lord her Father, *John* Marquis of *Montague*, and her Mother, the Lady *Iſabel*, his Wife. She willed alſo, that a Stone ſhould be prepared with three Images, one of her Huſband, another of herſelf, and the third of their ſaid Daughter: And their Arms upon the ſaid Stone, and Scripture, making Mention what they were, to the Value of 10 *l.* She willed, moreover, a Tomb to be made over Sir *Henry Wentworth*, Knt. late her Huſband, lying in *Newton-Abbey*, in *Lincolnſhire*, to the Value of 20 *l.* Sterling; and a Tomb likewiſe to be made over the Lord her Father, and her Lady Mother, lying buried in *Biſham-Abbey*, in *Berkſhire*, to the Value of 20 *l.*

Lord Thomas Scrope. *Prerog. Offi.*

Sir Tho. Par. Sir *Thomas Par* ſeems alſo to be buried here, according to his Will, dated *November* 9, the 9th of *Henry* VIII. bequeathing his Body to lie in *Black-friars*, *London*, if he chanced to die within twenty Miles thereof. He willed, that all his Lands that deſcended to him, as Heir to Sir *William Par*, his Father, ſhould remain to *Maud*, his Wife, for her Jointure. He willed his Daughters, *Catharine* and *Anne*, to have 800 *l.* between them; except they proved to be his Heirs, or his Son's Heirs; and then they ſhould not: But willed the ſaid Monies to be laid out for Copes and Veſtments, to be given to the Houſe of *Clervaux*, &c. and 100 *l.* to be beſtowed upon the Chantry of *Kendal*. He willed his Son *William* to have his great Chain, worth 140 *l.* which the King's Grace gave him. He made *Maud*, his Wife, and Dr. *Tunſtal*, Maſter of the *Rolls*, his Executors. This Will was proved in the Year 1517. This Man was Father to *Catharine Par*, King *Henry*'s laſt Wife.

Dame *Maud Par*, Widow to the abovenamed Sir *Thomas*, and Mother to Queen *Catharine*, by her Will, bearing Date *May* 20, the 21ſt of *Henry* VIII. bequeathed her Body to be buried in this Church. In this Will ſhe mentioned her Son and Heir, *William Par*, for whoſe Preferment ſhe had indebted herſelf, as ſhe ſaid, both to the King, for his Marriage, and to the Earl of *Eſſex*, for the Matching with the Lady *Bourcher*, Daughter and Heir apparent to the ſaid Earl. She mentioned alſo *Anne*, her Daughter, and *Catharine Borough*, her Daughter, and Sir *William Par*, her Brother, and *Thomas Pickring*, Eſq; her Couſin, Steward of her Houſe. This Will was proved 1531, *December* 14.

Roger de Swillington, Knt. willed, whoſe Will was proved 1417, that the *Friars Preachers* at *Ludgate*, *London*, ſhould have 40 *l. pro anniverſariis diebus annuatim tenend.* of him the ſaid *Roger*, and *Joan*, his Wife, for one Time, when it happened, to pray for their Souls, and for *Robert Swillington*, his Father. And that two Nuns, Siſters of *Thomas de Swillington*, ſhould have 13 *s.* 4 *d.*

Four Heads found in Black-friars. Before we take our Leave of *Black-friars*, I muſt mention a memorable Paſſage that happened after the Fire of *London*. Some Workmen digging in a Place there, where the Convent was, to clear it from the Rubbiſh, by the Appointment of Mr. *William Bradford*, in order to Building, they came to an old Wall in a Cellar, of great Thickneſs, where appeared a kind of Cupboard; which being opened, there were found in it four Pots or Caſes of fine Pewter, very thick, with Covers of the ſame, and Rings faſtened on the Top, to take up or put down at Pleaſure. The Caſes were flat before, and round behind. And in them were repoſited four human Heads, unconſumed, reſerved, as it ſeems, by Art; with their Teeth and Hair, the Fleſh of a tawny Colour, wrapped up in black Silk, almoſt conſumed. And a certain Subſtance, of a blackiſh Colour, crumbled into Duſt, lying at the Bottom of the Pots.

Strype. One of theſe Pots, with the Head in it, I ſaw in *October*, 1703, being in the Cuſtody of Mr. *Preſbury*, then Soap-maker, in *Smithfield*: Which Pot had inſcribed, in the Inſide of the Cover, in a ſcrawling Character, which might be uſed in the Times of King *Henry* VIII. *J. CORNELIUS.* This Head was without a Neck, having ſhort red Hair upon it, thick, and that would not be pulled off; and yellow Hair upon the Temples; a little bald on the Top, perhaps a Tonſure; the fore Part of the Noſe ſunk, the Mouth gaping, ten ſound Teeth, others had been plucked out; the Skin like tanned Leather, the Features of the Face viſible. There was one Body found near it buried, and without any Head; but no other Bodies found. The other three Heads had ſome of the Necks joined to them, and had a broader and plainer Razure; which ſhewed them Prieſts. Theſe three Heads are now diſperſed. One was given to an Apothecary; another was intruſted with the Pariſh Clerk, who got Money by Shewing of it. It is probable they were at laſt privately procured, and conveyed abroad; and now become Holy Relicks. *Strype.*

Who theſe were, there is no Record, as I know of; nor had any of them Names inſcribed but one. To me they ſeem to have been ſome zealous Prieſts or Friars, executed for Treaſon; whereof there were many in the Rebellion in *Lincolnſhire*, *Anno* 1538; or for denying the King's Supremacy: And here privately depoſited by theſe *Black-Friars*. *Strype.*

The ample Privileges, which the Inhabitants of *Black-friars* did enjoy, have been for many Years loſt; ſo that now the Sheriffs Officers can arreſt there; the Shop-keepers are obliged to be free of the City; and it is lately made Part of this Ward of *Faringdon within*; and two Common-Councilmen are annually elected out of it, and added to the Number that uſed to ſerve for this Ward.

(19.) In

Conduit. (19.) In the Place of the *Old Croſs*, which was taken down in the Year 1390, was erected a Water-Conduit at the East End of St. *Michael's Quern* Church in *Weſt-Cheap*, near St. *Paul's* Gate; which was called the *Little Conduit in Weſt-Cheap*: But this has been removed about twenty Years.

St. Ewen's Church and Pariſh. (20.) Near to the North-East Corner of *Warwick-lane*, formerly called *Eldeneſe-lane*, ſtood the Pariſh-Church of St. *Ewen* or *Owen*, called in old Records *Sancti* AUDOENI *juxta fratres minores*, *London*, and ſometimes *infra Newgate*. Which Church had not its Name from *Edwin*, the firſt *Chriſtian* King of *Northumberland*, as Mr. *Richard Smith* ſuppoſed, but is the ſame Saint with *Owen*, or *Audowen*. The Remains of this Church are ſtill to be ſeen in the Cellars of the Houſe, late the *Black-Swan*, occupied by Mr. *Edward Wickſteed*, a Bookſeller, and of the next Houſe to the Weſt. This is one of the Churches given by *Henry* VIII. towards the erecting of *Chriſt's-Church*.

Who this Ewin was.

A Fraternity of St. Anne here. In this Church was founded a Fraternity of St. *Anne*, the Mother of *Mary*, from the Alms of the Pariſhioners; as it is expreſſed in a Certificate in the *Tower*, given in about it, by the then three Maſters of it, *viz. John Shepye*, Taylor, *Nicolas Minet*, Fletcher, and another: Who certified, that, in the ſame Church, every Year, ſeven Wax Candles quadrate, *i. e.* ſquare, were to be burnt before the Image of St. *Anne*, all the ſolemn Days in which a Light burnt before the Crucifix; and yearly to be renewed the ſaid Light, as long as the ſaid Fraternity could ſuſtain it. And that every Brother ſhould offer, at the high Maſs of the ſaid Day, in the Church, one Halfpenny. And four Torches of ten Pounds of Wax, to be cauſed to burn upon the Obſequies of any Brother of the Fraternity.

Record. Turr.

CHAP. XXIII.

Of FARINGDON WARD *Without.*

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name. Bounds. Extent. Modern State. Government. Aldermen. Common-Councilmen. Diviſion. Remarkable Things. Pariſhes and Churches. The Temple *and* Temple *Church. The* Rolls *Chapel.* Barnard's-Inn. Thaves-Inn. Clifford's-Inn, Serjeant's-Inn, Six Clerk's-Office. Bridewell *and* Bartholomew's *Hoſpital.* Smithfield. Fleet-Market, *and Priſon.* Old-Bailey Seſſions-Houſe. Surgeon's-Hall. Temple-Bar. *Antiquities.* White-friars.

Its Name. THIS is the fartheſt Ward in the Weſt of this City, and was originally a Part of the Ward of *Faringdon within*, till divided by Act of Parliament, 17 *Rich.* II. as already obſerved in the firſt Book. From which Time this Part has been diſtinguiſhed by the Addition of *without*, i. e. *without the City Walls.*

Bounds. It is bounded on the East by the Wards of *Faringdon within*, the Precinct of the late *Priory* of St. *Bartholomew* near *Smithfield*, and the Ward of *Alderſgate*; on the North, by the *Charter-houſe*, the Pariſh of St. *John's Clerkenwell*, and Part of St. *Andrew's* Pariſh without the Freedom; on the Weſt, by *High-Holborn*, and St. *Clement's* Pariſh in the *Strand*; on the South, by the River of *Thames*. So that,

Extent. The Extent of this Ward may be gathered from the Bounds without *Newgate* and *Ludgate*, which are theſe:

Firſt, On the East Part thereof is the whole Precinct of the late Priory of St. *Bartholomew*; and a Part of *Long-lane*, on the North, towards *Alderſgate-ſtreet*; and all *Smithfield*, to the Bars in St. *John's-ſtreet*.

Then out of *Smithfield*, *Chicken-lane*, towards *Turnmill-ſtreet*. Back again by the Pens or Folds in *Smithfield* to *Cow-lane*, which turns towards *Holborn*; and *Hoſier-lane* out of *Smithfield*; alſo toward *Holborn*, till it meets with a Part of *Cow-lane*.

Cock-lane, out of *Smithfield*, over-againſt *Pie-corner*. *Giliſpur-ſtreet*, out of *Smithfield* to *Newgate*. Then from *Newgate*, Weſt by St. *Sepulchre's* Church, to *Turn-again-lane*. From the Place where the Conduit ſtood on *Snow-hill* to *Holborn-bridge*, up *Holborn-hill*, to the Bars, on both Sides.

On the Right-Hand, or North Side, at the Bottom of *Holborn-hill*, is *Gold-lane*, commonly called *Feild-lane*, ſome Time a filthy Paſſage into the Fields; now both Sides built with ſmall Tenements.

Then higher is *Hatton-garden-ſtreet*, and *Lither-lane*, and *Brook-ſtreet*, turning to the Fields.

On the Left-Hand, or South Side, from *Newgate*, lieth a Street called the *Old-bailey*; this ſtretches down by the Wall of the City to *Ludgate*. On the Weſt Side of which Street breaks out another Lane, called St. *George's-lane*, till you come unto the South End of *Seacoal-lane*; and then, turning towards *Fleet-ſtreet*, it is called *Fleet-lane*.

The next out of the High Street from *Newgate*, turning down South, is called the *Little-Bailey*, and runs down to the East of St. *George's-lane*.

Then is *Seacoal-lane*, which turns down into *Fleet-lane*.

Near unto this *Seacoal-lane*, in the Turning towards the Conduit on *Snow-hill*, is another Lane called in Record *Wind-again-lane*, for that it turned down to *Turnmill-brook*, and from thence back again, for there was no Way over.

Beyond *Holborn-bridge* is *Shoe-lane*, which runs out of *Holborn*, unto the Conduit which ſtood in *Fleet-ſtreet*.

Then is *Fewtar's*, now called *Fetter-lane*, which likewiſe ſtretches South into *Fleet-ſtreet*, by the East End of St. *Dunſtan's* Church; and from this Lane to the Bars are the Bounds without *Newgate*.

Now without *Ludgate*, this Ward runs up from the ſaid Gate to *Temple-bar*, and hath on the Right-Hand, or North Side, the South End of the *Old-bailey*. Then it proceeds down *Ludgate-hill* to *Fleet-lane*, over *Fleet-bridge*, and by *Shoe-lane*, and *Fewtar's-lane*, and ſo to *New-ſtreet*

FARRINGDON WARD

or *Chancery-lane*, and up that Lane to the Houſe of the Rolls. Which Houſe is alſo of this Ward. And on the other Side to a Lane over-againſt the Rolls, which formerly entered *Ficquete*'s *Field*.

Near the Bar is another Lane, called *Shire-lane*, becauſe it divides the City from the Shire; and this turned into *Ficquete*'s *Field*.

From *Ludgate* again, on the left Hand, or South Side, we have *Fleet-bridge*, *Bride-lane*, which runs South by *Bridewell*; and *Water-lane*, which runs down to the *Thames*. Then *White-friars*, and the *Temple*; ſo that the Bar is the Extent of this *Faringdon* Ward *Without*.

In theſe Parts, from *Ludgate*, and ſo Weſtward, the City, in the *Saxon* Times, was chiefly ſituate, if we may credit *Fabian*; who writes, That he had found in a very old Record, called *Doomſday*, belonging to the City, that in King *Egelred*'s, or *Ethelred*'s Reign, which began in the Year 981, *London* had moſt Houſes or Buildings from *Ludgate* towards *Weſtminſter*, and little or none where the Chief or Heart of the City now is, except in divers Places, but they ſtood without Order; ſo that many Towns and Cities, as *Canterbury*, *York*, and others, ſurpaſſed *London* in Building in thoſe Days.

We come next to the preſent State of this Ward.

odern tate. To begin at the South Parts, *viz.* *Ludgate-hill* and *Fleet-ſtreet*, taking Notice, as we paſs along, of all the Lanes and Alleys through which there lie Paſſages, in and out of the ſaid Streets; as on the North Side, beginning at *Temple-bar*, there is *Bell-yard*, *Chancery-lane*, *Fetter-lane*, *Shoe-lane*, the *Town-ditch*. Then on the South Side of the Street, *White-friars*, *Water-lane*, *Salisbury-court*, *Bridewell Precinct*. Then the Street beginning near *Ludgate*; and paſſing from South to North, called *Old-bailey*, which opens into the North Part of this Ward, as *Snow-hill*, down to *Holborn-bridge*. Then more North is *Cow-lane*, *Hoſier-lane*, *Cock-lane*, *Chick-lane*, *Weſt-Smithfield*, *Long-lane*, St. *Bartholomew*'s *Cloſe*, and *Hoſpital*, *Pye-corner*, &c. with all the ſmaller Courts and Alleys contained in theſe.

dgate-l. *Ludgate-hill* comes down from *Ludgate*, and runs Weſtward to *Fleet-ſtreet*; from which it is ſevered by a handſome large Stone Bridge, the Breadth of the Street, which gives a Paſſage over the new Canal where *Fleet-ditch* was; which ſince the Fire of *London* was made ſo deep and wide, cut from *Holborn-bridge* to the Mouth of the River *Thames*, that it received the Tides, and uſed to bring up Barges and Lighters to *Holborn-bridge*; but one Part of this, *viz.* from *Fleet-bridge* to *Holborn-bridge*, is now arched over, and made a complete Market-place for Butchers, Poulterers, Gardeners, *&c.*

This Street, as alſo *Fleet-ſtreet*, (into which it falls) and ſo to *Temple-bar*, is a great Thoroughfare for Coaches, Carts, Horſe and Foot Paſſengers; being the great Way from *London* to *Weſtminſter*, and the adjacent Parts. Both theſe Streets are therefore very ſpacious, graced with good Buildings of the firſt Rate, and well inhabited by Shop-keepers of the beſt Trades; as Woollen-Drapers, Linnen-Drapers, Grocers, Sadlers, Upholſterers, Bookſellers, who drive a very conſiderable Trade: And for the Accommodation of this great Reſort of People, here are divers noted Coffee-Houſes and Taverns.

The Alleys, Courts, and Paſſages in *Fleet-ſtreet*, are, on the North Side, *Shear-lane*, or *Shire-lane*; which gives Paſſage into *Little Lincolns-inn-fields*, formerly called *Ficquete's-field*; but this Lane, being without the Freedom, will be ſpoken of under St. *Clement's* Pariſh. The like is *Bell-yard*, near adjoining, except ſome ſmall Part on the Eaſt Side, againſt *Crown-court*, in *Chancery-lane*, which may be rather termed a Street for its Fairneſs and good Buildings: But there being but a little within the City Liberty, we ſhall ſpeak of it in the *Rolls* Liberty, in which is the greateſt Part. *Flying-horſe-court*, but ſmall, with a Free-ſtone Pavement; here is kept the *Marſhalſea* Office, for the making out Writs, &c. Shoe-lane

Clifford's-inn-lane has on the Weſt Side Houſes, and on the Eaſt Side St. *Dunſtan*'s Church; it leads into *Clifford's-inn*, one of the Inns of *Chancery*; which Place, of late Years, is much inlarged in new Buildings, in the Garden, an airy Place, and neatly kept; the Garden being incloſed with a Palliſado Pale, and adorned with Rows of Lime-Trees ſet round the Graſs Plats and Gravel Walks. It has the the Conveniency of three Doors; the one into *Serjeants-inn* in *Chancery-lane*, another into *Fetter-lane*, and a third into *Fleet-ſtreet*. The Hall yet wants new Building. Clifford's-inn.

Adjoining to *Clifford's-inn-lane*, and fronting *Fleet-ſtreet*, is St. *Dunſtan*'s Church.

And adjoining thereto, Eaſtward, is a ſmall Place of ſeveral Houſes, which bears the Name of *Hen-and-chicken-court*; and near to this Court, *Fetter-lane* falls into *Fleet-ſtreet*; *Fleuer-de-lis-court*, or rather *Alley*, being long, narrow and ordinary, with a Free-ſtone Pavement; has three Outlets, two into *Fetter-lane*, and another into *Weſt-harding-ſtreet*. This Court is of ſmall Repute, being but meanly inhabited; the Buildings are on the Eaſt Side, the Weſt being the Back-yards to the Houſes in *Fetter-lane*.

Two-crane-court, a very handſome open Place, with a Free-ſtone Pavement, and graced with good Buildings, well inhabited by Perſons of Repute; the front Houſe, larger than the reſt, and aſcended up by large Stone Steps, is in the Occupation of the Royal Society: In this Houſe is kept their *Muſæum*, and here are the Meetings of the Fellows. Crane-court.

Red-lion-court, good and large, with a Free-ſtone Pavement, has a Paſſage into *Weſt-harding-ſtreet*, in *Goldſmith's-rents*. *Johnſon's-court* has but a narrow Entrance, but opens into a ſquare Court, with a Free-ſtone Pavement and good Houſes, well inhabited. Out of this Court is another, which bears the ſame Name, but ſmaller, with one Row of Houſes, with pretty Gardens behind them, and this runs into *Gough-ſquare*, a Place lately built with very handſome Houſes, and well inhabited by Perſons of Faſhion. St. *Dunſtan's-court* has a narrow Entrance, but towards the upper End opens into two Parts, and both indifferent as to Houſes and Inhabitants. *Bolt-court*, very good and open, with a Free-ſtone Pavement, has good Houſes, well inhabited. *Three-king-court*, but ſmall, having

two or three Houſes. *Hind-court*, large, and broad at the upper End, where the Houſes are much better built and inhabited; and to the Whole is a very good Free-ſtone Pavement, cleanly kept. *Wine-office-court*, long, with a Free-ſtone Pavement, has good Houſes on the Weſt Side, the Eaſt Side having a dead Wall, where there is a Paſſage into *White-horſe court*; and at the upper End is another Paſſage into *Gough-ſquare* on one Side, and *King's-head-court* on the other, which leads into *Shoe-lane* on the Back-ſide of *Gunpowder-alley*. *Three-faulcon court*. *White-horſe-Inn*, large, and of good Reſort for Coaches and Horſes, and has ſome private Houſes in it. *White's-court*, but ſmall. *Peterborough-court* indifferent broad at the upper End, with a Free-ſtone Pavement, and well inhabited. *Racket-court*, ſeated betwixt *Shoe-lane* and the *Ditch-ſide*, a very ſpacious and handſome Place, with good Houſes, well inhabited; the front Houſe takes up the Breadth of the Court. *Popping*'s or *Popingey-alley* has an open Paſſage, inhabited by Printers, Victuallers, Hatters, *&c.* Out of this Place is a Paſſage into *Harp-alley*, which leads to *Fleet-ditch*. *Black-horſe-alley*, ordinary. Out of this Alley is a Paſſage to *Fleet-ditch*.

Beyond *Fleet-bridge*, on the North Side, and on *Ludgate-hill*, is *Bell-ſavage-Inn*, very large. The firſt Yard is an open Square, with ſeveral private Houſes in it; the inner Yard, which is much larger, being taken up with Stabling, *&c.*

Fleuer-de-lis-court, long and ordinary, haveing at the upper End a Paſſage into this Inn. *Sword-and-buckler-court*, alſo but ordinary, has a Paſſage into *Fleuer-de-lis-court*. Adjoining to *Ludgate* is *Half-moon-court*, large, but none of the beſt; at the Entrance is a Coffee-houſe of a good Trade.

On the South Side of *Ludgate-hill* is *Oxenden-corner*, over-againſt the *Old-bailey*, well built and inhabited, with a Thoroughfare into *Black-friars*. *Dolphin-court*, ſmall, having but one Houſe, which is an Alehouſe, and has the Sign of the *Dolphin*. *Goat-alley*, indifferent good, with a Free-ſtone Pavement. *White-lion-court*, long, narrow, and ordinary, with a dark Entrance. *Hanging-ſword-alley*, ſo called from a Houſe of that Name, which is but ordinary, and leads into a Court ſo called, which has two Paſſages into *Water-lane*, near adjoining. *Boar's-head-court*, but ordinary, has a Paſſage into *Bolt-and-tun-Inn*. *Ram-alley*, taken up by Publick Houſes, being a Kind of privileged Place for Debtors, before the late Act of Parliament for taking them away: It has a Paſſage into the *Temple*, and into *Serjeants-Inn* in *Fleet-ſtreet*. *Mitre-court*, an open Place, with a Free-ſtone Pavement down into the *Temple* by Steps; a Place much taken up by Publick Houſes: And this Place did pretend the like Privileges as *Ram-alley* before the ſaid Act. *Falcon-court*, a good open Place, with a Free-ſtone Pavement, in which are about four or five Houſes. *Hercules-pillars-alley*, but narrow, and altogether inhabited by ſuch as keep Publick Houſes for Entertainment.

The Temple.

On the South-Weſt Side of *Fleet-ſtreet* are the two *Temples*, called the *Inner* and *Middle*; altho' the Buildings before the Fire were for the greateſt Part of Timber, yet they wholly eſcaped the general Deſolation: But ſince that Time have felt two great Fires, and both beginning within the confines of the Houſes, which deſtroyed almoſt all the Offices and Lodgings in the ſeveral Courts; but the Church and both the Halls eſcaped. Since which Fires the Property of ſome of the Courts, and moſt of the Buildings, have been altered, as to their former Poſition; but again rebuilt in a moſt beautiful uniform Manner, very lofty, and more ſubſtantial and convenient than before, and all of Brick. Theſe two *Temples* take up a large Track of Ground backwards, having no viſible Front to the Street, only the two Gates at the Entrance into the *Middle-Temple-lane*, and that leading to the *Inner-Temple*; in both which are Chambers for the Students in the Law; and backwards they are furniſhed with divers large and fair Courts, garniſhed with lofty Buildings, all of Brick, and uniform, *viz. Exchequer-court*, *Tanfield-court*, *Cloiſters court*, *Hare-court*, *Vine-court*, *Figtree-court*, *Elm-court*, *Pump-court*, *Middle-Temple-hall-court*, *Brick-court*, and *Eſſex-court*.

At the lower End of *Middle-Temple-lane* is a large and handſome Pair of Stairs of Free-ſtone, for taking Water at, much reſorted to.

Theſe *Temples* have a Paſſage into *White-friars* by a Gate; into *Fleet-ſtreet* through *Mitre-court*, *Ram-alley*, and *Serjeants-Inn*; into *Eſſex-ſtreet*, and into the *Strand*, through *Palſgrave's-head-court*; beſides the two large Gates in the two *Temple-lanes*.

White-friars.

Upon the Diſſolution of the Priory of *White-friars*, the Church and Buildings in Proceſs of Time became ruinous, and were pulled down; afterwards converted into Buildings, and now contain ſeveral Courts, Lanes, and Alleys; as *Dogwell-court*, *Eſſex-court*, *Aſhen-tree-court*. *Davis's-yard*, which is converted into a Glaſs-houſe for making Flint-glaſſes. *Watermen's-lane*, as leading to the River *Thames*, where there is a Pair of Stairs to take Water at; all Places of ordinary Account: Beſides the long turning Paſſage out of *Fleet-ſtreet* into the lower End of *Water-lane*, which runs by the Back-ſide of the *Temple* Buildings, where there is a Gate into the *Temple*.

This Place was formerly, ſince its building into Houſes, inhabited by Gentry; but ſome of the Inhabitants taking upon them to protect Perſons from Arreſts, upon a pretended Privilege belonging to the Place, the Gentry left it, and it became a Sanctuary to the Inhabitants, which they kept up by Force againſt Law and Juſtice; ſo that it was ſufficiently crowded with ſuch diſabled and looſe kind of Lodgers, and had the Nick-name of *Alſatia:* But however, upon a great Concern of Debt, the Sheriff, with the *Poſſe Comitatus*, forced his Way in to make a Search, and yet to little Purpoſe; for the Time of the Sheriff's coming not being concealed, and they having Notice thereof, took Flight, either to the *Mint* in *Southwark*, another ſuch Place, or ſome other private Place, till the Diſturbance was over, and then they returned.

In the latter End of King *William* the Third's Reign, the Parliament taking this great Abuſe into Conſideration, an Act was made to put down this, the *Savoy*, and many other pretended privileged Places.

The

The Inhabitants of *White-friars* maintain their own Poor, collect their Taxes, and chuſe their own Officers among themſelves.

Water-lane. *Water-lane* ſevereth *White-friars* from *Salisbury-court*; it is a good, broad, and ſtrait Street, which comes out of *Fleet-ſtreet*, and runs down to the *Thames*, where there is one of the City Lay-ſtalls for the Soil of the Streets; which is taken from thence by Barges and Dung-Boats, and made Uſe of by Gardeners and Farmers for the manuring their Grounds. This Lane is better built than inhabited, by reaſon of its being ſo peſtered with Carts to the Lay-ſtall and Wharfs, for Wood, Coals, *&c.* lying by the Water-ſide, at the Bottom of this Lane; as alſo to *White-friars*, into which it has an open Paſſage; as likewiſe another into *Saliſbury-court*. On the Weſt Side of this Lane is *Briton's-alley*, as alſo *Dove-court*; both ordinary Places, with a Paſſage into the *Friars*.

Saliſbury-court. *Dorſet-court*, commonly called *Saliſbury-court*, was a large Houſe inhabited by the Earls of *Dorſet*, which was many Years ago pulled down and converted into Buildings; as was the Garden and Wilderneſs; there being a handſome well built Street, which comes out of *Fleet-ſtreet*, called *Dorſet-ſtreet*, and runs Southward to the River *Thames*, where there are Stairs of Free-ſtone for taking Water at.

Near to which Place once ſtood the Theatre, or Play-Houſe; a neat Building, having a curious Front next the *Thames*, with an open Place for the Reception of Coaches: On the other Side is a large Wood-yard Wharf belonging to the Company of *Carpenters*.

This Street, on the Weſt Side paſſing down to the *Thames*, is a handſome, airy, open Square, all taken up with good Buildings, the beſt inhabited of any in the Court; for that Part towards the *Thames*, as alſo the Wilderneſs, with the ſmall Courts, are not to be much boaſted of. In this Place are theſe Courts and Places of Note, *viz. Blue-ball-court*, an indifferent good Place, with a Free-ſtone Pavement. *Half-paved-court*, but ordinary. *Dorſet-court*, a ſmall Place, handſomely built, and indifferently well inhabited; in which is the Charity-School for St. *Bride*'s Pariſh, for fifty Boys and fifty Girls. *Sugar-loaf-court*, very ſmall and ordinary. The *Wilderneſs*, ſo called, as being built in that Part of the Garden where the Wilderneſs was. *Fiſher's-alley*, alſo ordinary, has a Paſſage into *Water-lane*. Near this Alley is *George-yard*, but mean; and *Crown-alley*, inconſiderable, has a Paſſage into *Tuder-ſtreet*, and ſo to the *Ditch-ſide*.

This *Dorſet*, or *Saliſbury-court*, claimed a peculiar Liberty to itſelf, and to be exempt from the City Government; and the Inhabitants would not admit of the City Officers to make any Arreſt there. How far theſe Privileges reach, is uncertain; but many reſorted hither, who fled from their Creditors, till the Act was made to ſuppreſs pretended privileged Places. Out of *Dorſet-court* is a paved Free-ſtone Paſſage into St. *Bridget*'s, the Pariſh-Church.

Bride-lane. *Bride-lane* comes out of *Fleet-ſtreet* by St. *Bridget*'s Church-yard, which, with a turning Paſſage by *Bridewell* and the *Ditch-ſide*, falls down to Woodmongers Wharfs by the *Thames*. It took its Name from St. *Bridget*'s Church, to which there is a Paſſage up Stone Steps.

King Tuder's, *King Edward's*, and *Water-ſtreets*, are on the Back-ſide of *Bridewell*, and have a Paſſage into *Saliſbury-court* through *Crown-alley*; all Places inhabited by private People, and none of the meaneſt Rank; one Row, which fronts the Wood-yard, and regards the *Thames*, conſiſts of good Buildings. *Green's-rents* falls into St. *Bride's-lane*, and is but mean; as is *Bear-alley*.

Ditch-ſide. The *Ditch-ſide*, called *Fleet-ditch*, is a ſpacious Place, with good Buildings on both Sides of the Canal, ſo made ſince the Fire of *London*, and has on both Sides a broad Paſſage for Carts to the Wharfs next the *Thames*; this Canal is railed in, for fear of Danger of People's falling into it. The Part of this Canal, on the South Side, next the *Thames*, has the Eaſt Side in the Ward of *Farringdon within*; but all the reſt, down to *Holborn-bridge*, on both Sides, is in this Ward. The Weſt Side of the Part next to *Holborn* is the beſt inhabited; and much taken up by Upholſterers, Braſiers, and thoſe that ſell Second-hand Houſehold Goods. The Eaſt Side of that Part from *Fleet-bridge* to the *Thames* has the beſt Houſes, and beſt inhabited. On the Weſt Side, from *Fleet-bridge* to *Holborn-bridge*, are ſeveral ſmall Alleys which lead up to *Shoe-lane*. On the Eaſt Side is the *Fleet-Priſon*.

In antient Times there was a Brook, called *Turnmill-brook*, which ran under *Holborn* and *Fleet-bridges* into the *Thames*. See P. 83 and 571.

Fleet-lane. On the Eaſt Side of *Fleet-ditch*, from this Priſon to *Holborn-bridge*, are theſe Places: *Fleet-lane*, which comes down from the *Old Bailey*, over-againſt the *Seſſions-Houſe*, and falls into the *Ditch-ſide*, a Place of no great Account for Buildings or Inhabitants. In this Lane are ſeveral ſmall Courts, as *Cheſhire-rents*, *Well-yard*, *Harrow-court*, and *Cock-alley*; all Places but of mean Account.

On the North Side is *Seacoal-lane*. This Lane is very ordinary, both as to Houſes and Inhabitants. Out of this Lane is a Paſſage to *Snow-hill*, and another into *Green-arbour*, and a third into *Biſhop's-court*; the two laſt aſcended up by many Steps, or a Pair of Stairs, made thro' *London-wall*. On the Weſt Side of this Lane are theſe Alleys, which fall into the *Ditch-ſide*, *viz. George-alley*, or *Yard*; *Bear-alley*, on the South Side of which is another ſmall Alley, called *Little Bear-alley*; *Gooſe-alley*, againſt which is a ſmall Place called *Ford's-rents*.

Newcaſtle-ſtreet comes out of *Seacoal-lane*, and falls into the *Ditch-ſide*, an open Place, and pretty well built.

Turn-again-lane hath a Paſſage out of *Town-ditch* into *Snow-hill*, a Place tolerably well built. *Crown-court*, very ſmall; and on the South Side is *Queen's-head-court*, indifferently built.

Old Bailey. The *Old Bailey*, of which there are two, the *Great* and the *Little*. The *Great Old Bailey* is an open Street, with good built Houſes, and well inhabited by Tradeſmen, and others. In this Place was *Juſtice-Hall*, commonly called the *Seſſions-Houſe*, as well for the City and Liberty thereof, as for the County of *Middleſex*. And lower down, on the ſame Eaſt Side, is the new erected *Theatre* for the *Surgeons*.

The Eaſt Side of the *Old Bailey* runs down by the City Wall, upon the Ditch called *Houndſ-ditch*,

ditch, from *Ludgate* to *Newgate*. About the Middle of the great Street, on this Side, is *Ball's-court*, which is but ſmall; alſo *Red-croſs-court*, which is indifferent. On the Weſt of this Street, from the Corner of *Ludgate-hill* to *Fleet-lane*, are theſe Places, *viz. Ship-court*, but ſmall; *Prideaux-court*, large, with good Houſes on the Weſt Side, having an Entrance into it fit for Coach or Cart; *Black-and-white-court*, a large open Place, with handſome Buildings; at the upper End of which is *Chequer-yard*, out of which is a Paſſage into *Fleet-lane*.

Little Old Bailey.

In the *Little Old Bailey* are theſe Places, *viz. Dean's-court*, long and narrow, with a Free-ſtone Pavement; *Brown's-court*, long, narrow, and ordinary; *Elliot's-court*, well built and inhabited; *Biſhop's-court*, indifferently well inhabited, and hath a Paſſage down Steps into *Seacoal-lane*; *Green-arbour-court*, at the upper End is a very good Square, with tolerable good Houſes, and Inhabitants anſwerable. Out of this Court is alſo a Paſſage down Steps into *Seacoal-lane*. And out of this Court is another Paſſage into *Angel-court*, ſeated on *Snow-hill*, againſt the *Saracen's-head-Inn*, being a very handſome Place, having at the upper End a very good large Houſe, with a Garden before it; once made uſe of for the Farthing-Office, now for the Hand-in-Hand Aſſurance for Houſes. St. *Dunſtan's-court*, ſeated betwixt *Biſhop's-court* and *Elliot's-court*.

Chancery lane.

Now back to the Weſt Part of *Fleet-ſtreet*, on the North Side is *Chancery-lane*, a Street of a very great Reſort, and well inhabited by Tradeſmen in the Part next *Fleet-ſtreet*, and in that Part next to *Holborn* (into which it falls) by Lawyers, and thoſe depending on them: And the rather, for that in this Lane is *Lincoln's-Inn*, *Serjeants-Inn*, the *Rolls*, the *Examiners Office* within the *Rolls-yard*, the *Six Clerks Office*, (to which belong twelve Maſters in *Chancery*, and ſix Clerks); *Symond's-Inn*, where the Regiſter's Office for the Court of *Chancery* is kept; the Curſitors Office; the Office for the Maſters in *Chancery*, *&c.* All which Places are out of the City Liberty, except *Serjeants-Inn*, which is an antient Building. Oppoſite to this Inn is *Crown-court*, a ſquare Place, but the Building old. The City Liberty goes not much farther.

Fetter-lane.

Next, on the North Side, is *Fetter-lane*. For the Generality the Houſes here are good, and well inhabited. It runs Northwards from *Fleet-ſtreet* into *Holborn*. Of this Lane, the Middle Part is the beſt. In this Lane are theſe Places: *Bond's-ſtables*, a large Yard, with ſome Houſes in it, beſides the Inn; the Part next *Fetter-lane* is new built with handſome Houſes for Gentlemen, and is called the *Rolls-Buildings*. *Red-hart-Inn*, new built, and very large and handſome. Over-againſt the *Rolls-Buildings* is *Stone-court*, a ſmall Place. *Three-leg-alley*, on the Back of *Eaſt-harding-ſtreet*, and falls into *Weſt-harding-ſtreet*; alſo hath a Paſſage into *Fleet-ſtreet* through *Red-lion-court*. *Eaſt-harding-ſtreet*, indifferent good, falls into *Goldſmiths-rents*. *Nevil's-alley*, very handſome, and well inhabited. *Churchyard-alley*, very narrow, which after two Turnings falls into *Curſitor's-alley*. *Magpye-yard*, handſomely rebuilt, and hath a Paſſage into *Caſtle-ſtreet*. *Dean-ſtreet*, well built and inhabited, falls into *Goldſmiths-rents*. *Plough-yard*, an open Place, well inhabited; over-againſt which is a Diſſenting Meeting-houſe. *Bewit's-court*, a very handſome and large new built Court, with a Free-ſtone Pavement, and well inhabited. Not far from this Court is a Paſſage into *Bartlet's-buildings* in *Holborn*: This Paſſage hath a few neat and well built Houſes on the South Side, with pretty Gardens before them, neatly kept. *Horſe-ſhoe-alley*, ſmall and ordinary. Over-againſt this Court is the *White-horſe-Inn*, which is but ſmall: Adjoining to which is the Back-door of *Barnard's-Inn*. *King's-head-court*, formerly called *White-horſe-alley*, a handſome new built Court, well inhabited, having a Free-ſtone turning Paſſage into *Holborn*. *Goldſmiths-rents*, a large Place, containing ſeveral Streets and Places of Name, and all well built and inhabited, eſpecially *Eaſt-harding-ſtreet*, which is more open. This Street falls into *Weſt-harding-ſtreet*, as alſo into *Three-leg-alley*, which is but ordinary.

In this Street are *New-court* and *Goldſmiths-court*, both but ſmall. *Dean-ſtreet* falls into *Fetter-lane* out of *Eaſt-harding-ſtreet*, as aforeſaid. *New-ſtreet*, a handſome open Place, with indifferent good Buildings; of which there are four Streets, and all bearing that Name; one falling into *Shoe-lane*; another, which turns Northwards, receives the other two, which comes out of *Eaſt-harding-ſtreet*. *Gun-powder-alley*, long and narrow, falls into *Shoe-lane*, croſſing *Little New-ſtreet*, which is but ordinary.

Shoe-lane.

The next Lane in *Fleet-ſtreet* is *Shoe-lane*, very long, runs North from *Fleet-ſtreet*, over-againſt *Saliſbury-court*, into *Holborn*, by St. *Andrew's* Church; a Lane of no great Note either for Buildings or Inhabitants: In it are a great many Alleys and Courts, though of little Account. The firſt is *Plumtree-court*, large and well built; it hath a Paſſage into another Court, ſo called, which falls into *Holborn*, that Part towards *Shoe-lane* being broad. *Well-alley*, very mean and ordinary. *Molin's-rents*, indifferent good, but hath a narrow Paſſage into it. *Iſaac's-rents*, very ordinary. Near this is *Spectacle's-rents*, ſmall and mean. *Eagle-and-child-alley*, narrow, hath a Paſſage into *Fleet-ditch* down Steps. *Brewers-yard*, ſo called from a Brew-houſe at the lower End: This hath a Paſſage into *Fleet-ditch*. *Queen's-arms-alley*, but narrow, with a Free-ſtone Pavement, which leads to the *Ditch-ſide*, down Steps. *George-alley*, but narrow, hath alſo a Paſſage down to the *Ditch-ſide*. *Roſe-and-crown-court*, but indifferent, hath a Paſſage into *George-alley*. *Stone-cutters-ſtreet*, good and open: This leads down to the *Ditch-ſide*. *Curriers-alley*, very ordinary, runs alſo to the *Ditch-ſide*. *Harp-alley*, but narrow, runs down to the *Ditch-ſide*; a Place of great Trade for old Houſhold Goods and Signs, but the Buildings are very mean. *Angel-court*, ſmall and ordinary. *Fountain-court*, but ordinary.

Places on the Weſt Side of this Lane: *Robin-hood-court*, broad and large, mean Houſes, and hath a Paſſage up Steps into *Goldſmiths-rents*. *Cockpit-court*, handſome, with Brick Buildings at the upper End, and hath a Free-ſtone Pavement, *Brown's-court*, but ſmall and mean. *Falcon-court*, but ordinary, near the Corner of *New-ſtreet*. *King's-head-court*, a narrow, but well built and inhabited Place, which comes out of *Wine-office-court*,

court, mentioned in *Fleet-ſtreet*, and leads into this Lane. *Globe-court*, but ſmall.

Now more on the North is *Holborn-hill*, a very broad and ſpacious Street, a Place of good Trade, and a great Thoroughfare. And for the Accommodation of Carriages, this Street, as alſo *Snow-hill*, hath ſeveral conſiderable Inns. The Part of this Street in this Ward begins at the Bars, near *Gray's-Inn-lane*, and runs down to *Holborn-bridge*, where *Snow-hill* begins; and ſo with a turning Paſſage to St. *Sepulchre*'s Church, and thence to *Newgate*.

Caſtle-ſtreet. *Caſtle-ſtreet*, or *Caſtle-yard*, as it is commonly called, is a good handſome Place, well built and inhabited, which has theſe Inlets and Outlets, *viz.* It comes out of *Holborn*, and leads into *Curſitors-alley*, with an open Paſſage. On the Eaſt Side it has a Paſſage into *Fetter-lane* through *Magpye-yard*. And on the Weſt Side *Tuckers*, or *Duck-court*, a large and well built Place, much inhabited by Lawyers, as ſeated amongſt the Inns of *Court* and *Chancery*, and this has an open Paſſage into *Curſitors-alley*; beſides, here is a narrow Paſſage on the South-Eaſt Corner through *Church-yard-alley* into *Fetter-lane*.

Curſitors-alley. *Curſitors-alley* leads into *Chancery-lane*, over-againſt *Lincoln's-Inn*; and this Place took its Name from the Curſitors Office, adjoining thereto: It is a Place well built and inhabited, and ſtands well for Lodging, for thoſe that come up to the Terms. The Weſt End of this Alley, from or near the *Roſe* Tavern to *Chancery-lane*, is in the *Rolls* Liberty. Betwixt this Street and *Bernard's-Inn* is *White's-alley*, an indifferent Place, with old Timber Houſes. *Bernard's-Inn*; the Buildings of this Inn are very old, and much want rebuilding; the Back-court has a Paſſage into *Fetter-lane*. *King's-head-court*, already ſpoken of. Bartlet's-buildings. *Bartlet's-buildings*, a very handſome ſpacious Place, graced with good Buildings of Brick, with Gardens behind the Houſes, and is a Place well inhabited by Gentlemen. Out of this Court, through a long Alley, wherein are ſome very good Houſes, is a Paſſage into *Fetter-lane*. Adjoining to *Bartlet's-buildings* is a Court ſo called, which is but ſmall. *Thavie's-Inn*, another of the Inns of *Chancery*, which is but ſmall, and chiefly taken up by the *Welſh* Attorneys. St. *Andrew's-court*, indifferent, and the Houſes old.

St. *Andrew*'s Church, ſeated in a very ſpacious Church-yard, incloſed with a Wall.

Now to go back to *Holborn-hill*, North Side, beginning at the *Bars*, in which Side there are ſome Parts out of the Freedom, as *Brook-ſtreet*, *Furnival's-Inn*, *Hatton-garden*, *Ely-houſe*, &c.

The Places of Note are, *Warton-court*, very long, with a Paſſage into *Brook-ſtreet*; the Court is new built with good Brick Houſes, has a Free-ſtone Pavement, and well inhabited. *Furnival's-Inn*, another of the Inns of *Chancery*.

Ely-court, very handſome and large, with new Brick Houſes, and a Free-ſtone Pavement, and well inhabited. Out of this Court is a Paſſage into *Field-lane*. *Dyer's-court*, oppoſite to *Shoe-lane*, indifferent good. *Sutton-court*, over-againſt St. *Andrew*'s Church, large and good. *Plough-yard*, ordinary, has a Paſſage into *Field-lane*.

Field-lane. *Field-lane*, very narrow, but mean Houſes, and the Place naſtily kept, being inhabited by Tripe-dreſſers, on the Eaſt Side, by reaſon of the Benefit of the Ditch that runs on the Back-ſide of their Yards and Slaughter-houſes to carry away their Filth. This Lane runs up to *Saffron-hill*, and receives *Chick-lane*: But the Part of this Lane in the Freedom goes but little beyond the Paſſage into *Plough-yard*.

Holborn-bridge and *Snow-hill*: This Part of *Holborn* goes to *Lamb's-conduit*, and there begins *Snow-hill*, which, in a winding Paſſage, runs up to St. *Sepulchre*'s Church; and both theſe Places are graced with good Buildings, well inhabited by Tradeſmen, and are Places of great Reſort. The South Side, by the Bridge, lies open to the Canal already treated of. Here are theſe Places: *Horn-alley*, near the Bridge, but indifferent. *Bee-hive-alley*, long, narrow, and ordinary. *Catharine-wheel-alley*, indifferent good. *King's-arms-inn*, very conſiderable and large, having at the upper End of the Yard a Paſſage into *Chick-lane*. Betwixt this Inn and *Swan-inn* is *Hand-and-crown-alley*, very ſmall. *George-inn*, very large: The Paſſage to the Yard is through *Cow-lane*, and the Entrance to it in *Holborn* is through a paved Court, with indifferent good Houſes on both Sides. *Bell-alley*, but ordinary. *Cock-court*, ſeated almoſt againſt the Obeliſk for Lamps, where the Conduit once ſtood; by the Corner of *Cow-lane*; indifferent good, and has a Paſſage into *Bell-alley*.

St. *Sepulchre*'s Church, or St. *Sepulchre's-in-the-Bailey*, ſeated on the Top of *Snow-hill*.

Church-lane, adjoining to this Church Eaſtward; which leads into *Pye-corner*, noted chiefly for Cooks-Shops, and Pigs dreſſed there formerly; during *Bartholomew* Fair.

Nag's-head-court, long and ordinary; and oppoſite to this is *Green-dragon-court*, which is but ſmall.

Giltſpur-ſtreet. *Giltſpur-ſtreet*. In this Street are theſe Places: *Ball-court*, long, but ordinary. *Horſhoe-alley*, long, narrow, and but indifferent. *Roſemary-lane*, large, but ordinary, and has a Paſſage into the *Long Walk*, betwixt the two Hoſpitals. *Church-alley*, ſo called as fronting St. *Sepulchre*'s Church, and has a good Row of Buildings on the Eaſt Side; the Weſt Side lying open, and only ſevered from the Church-yard by a Wall.

Cock lane, an ordinary Place; it comes out of *Snow-hill*, and falls into *Pye-corner*.

Cow-lane. *Cow-lane*, a great Thoroughfare for Carts, &c. out of *Snow-hill* into *Smithfield*. In this Lane are ſeveral Coach-makers, and a Paſſage to *Hoſier-lane*, which falls into *Smithfield*; and here are theſe Places: *Foxe's-court*, but ordinary, with a Paſſage into *George-inn*. *White-lion-court*, but ſmall. *Green-dragon-court*, a large and open Place; but ordinarily built. *Bull-head-court*, very mean. St. *John's-court*, a large Place, indifferently inhabited, with old Buildings, and has a Paſſage into *Chick-lane*. *Pheaſant-court*, near *Smithfield Sheep-pens* on the South Side, which is but ordinary: And on the other Side is *Red-croſs-court*, but ſmall.

Hoſier-lane. *Hoſier-lane* comes out of *Cow-lane*, and runs into *Smithfield*: A Place not over well built or inhabited, having chiefly Timber Houſes. This Place is of great Reſort during the Time of *Bartholomew* Fair. In this Lane is *Bell-alley*, as alſo *Three-diamond-court*, both ſmall and ordinary Places.

Chick-lane.

Chick-lane, an ordinary Place, both for Buildings and Inhabitants. It comes out of *Smithfield* by the *Sheep-pens*, and runs down to *Field-lane*. In this Lane are ſeveral Courts and Alleys; as, *Newcaſtle-ſtreet* or *Durham-yard*, open to receive Carts and Coaches, having at the lower End a Yard for Stabling, and at the upper End is a Paſſage into *Catharine-wheel-yard*, which is none of the beſt. *Blue-boar-court*, which is ordinary, and aſcended up by Steps. *Church-yard-alley*, narrow and ordinary: At the upper End is a Church-yard, which belongs to St. *Sepulchre*'s Pariſh. *Hide's-rents*, a ſmall open Court, very ordinary. Over-againſt this Place is *Croſs-keys-court*, alſo ſmall and mean. St. *Martin's court*, an open Place, but ordinarily inhabited. *White-horſe-alley*, narrow and ordinary. Out of this is a Paſſage into *Sharp's-alley*, which leads to *Cow-croſs*. *Sun-alley*, over-againſt St. *John's-court*, very ſmall. *Thatch'd-alley*, narrow, ſmall, and mean. *Sharp's-alley*, but indifferent, having turning Paſſages, and falls into the lower End of *Cow-croſs*, as aforeſaid. Oppoſite to this Place is *Old Brewers-yard*, but indifferent, and has a Paſſage into *Holborn* through the *King's-arms-inn*.

Smithfield-pens.

Smithfield-pens, ſo called from the Sheep-pens placed in that Part for the Sale of Sheep every Market-day in *Smithfield*. The North, Weſt, and South Sides having Rows of Buildings, moſt inhabited by Innholders, and ſuch as keep Publick-Houſes; of which the North Side is the beſt, and has theſe two Inns of good Trade, *viz.* the *Roſe* and the *Ram*. Near the *Ram* is *Adam-and-Eve-alley*, which is but ordinary, and has a Paſſage to *Smithfield-bars*, through the *Boar's-head* Tavern.

Bars.

Smithfield-bars, ſo called from the Bars there ſet up, for the ſevering of the City Liberty from that of the County. This Place was generally inhabited by Butchers, who were great Dealers, as well by Retail as Wholeſale, for Sheep and Lambs, to other Butchers. In this Place is *Nag's-head-alley*, both ſmall and ordinary.

Long-lane

Long-lane may properly be ſo called for its Length, coming out of *Alderſgate-ſtreet*, againſt *Barbican*, and running into *Smithfield*. The Lane, or rather Street, is good; the Houſes good, for Timber Buildings; and was once very well inhabited by Shopkeepers, who dealt in Apparel, Linen, and Upholſters Goods, both new and old; and for this Trade it was of very good Account.

This Lane goes in this Ward from *Smithfield* to the *Red-lion-inn*, the other Part being in *Alderſgate* Ward, but ſomething further on the South Side, even to *Golden-dragon-court*. The Places in this Lane are, *Three-fox-court*, but ordinary. *Charter-houſe ſtreet*, a neat new-built Place, with an open Paſſage into the *Charter-houſe-yard*, with neat and genteel Houſes, well inhabited: This Place, before its new Building, was called *Carpenter's-yard*. *Three-horſeſhoe-court*, but ordinary. *Cat-alley* has a narrow Entrance, but good; and on the Back-ſide of this is another Court ſo called. *Red-lion-inn* has a large Yard for Stabling and Coaches, and has a Paſſage into *Charter-houſe-yard*, and another into *Goſwell-ſtreet*. *Golden-dragon-yard*, alſo for Stabling.

Bartholomew-cloſe

Great St. Bartholomew's-cloſe: This Cloſe is open and large, with ſeveral good Houſes, which generally are all well inhabited. Out of this Cloſe are ſeveral Paſſages into *Duck-lane*, *Little-Britain*, and two into *Alderſgate-ſtreet*, of which one is thro' *Northumberland-alley*, and the other thro' *Half-moon-alley*, another Paſſage into *Cloth-fair*, and another into *Long-lane*.

Places of Note in this Cloſe, and near it, are, *Weſtmoreland-court*, a ſquare Place, formerly a large Houſe, now converted into Tenements. Out of this Court is *Weſtmoreland-alley*, by ſome called *Paved-alley*, as paved with Free-ſtone, and leads into *Alderſgate-ſtreet*. *Half-moon-alley*, very narrow. *Middleſex-houſe*, an old large Building, now ſevered into Dwelling-Houſes, with a Court-yard before it, incloſed within a Wall. Over-againſt this Place is *Parker's-yard*, indifferent good. Paſſing Northwards is a Gate-way, the Bounds of this Cloſe, where beyond there are ſome Streets and Buildings; as, *New-ſtreet* and *Middle-ſtreet*, both indifferent; and *Back-alley*, which is but ordinary; all three falling into another Street, which has a Paſſage into *Long-lane*.

Cloth-fair

Cloth-fair comes out of *Smithfield*, a Place generally inhabited by Woollen-drapers and Mercers, and is of ſome Note.

Duck-lane

Duck-lane comes out of *Little-Britain*, and falls into *Smithfield*, a Place once noted for Dealers in old Books, but at preſent quite forſaken by all Sorts of Dealers. *Well-cloſe*, a very handſome, open Court, with good Houſes, which are well inhabited; it has another Paſſage into *King-ſtreet*, by St. *Bartholomew*'s Hoſpital. This Street is ſhort, and goes from the ſaid Hoſpital into the *Long-walk*, and ſo to *Chriſt*'s Hoſpital.

St. *Bartholomew*'s Hoſpital, commonly called the *Lame* Hoſpital, becauſe lame, wounded, and diſeaſed People are hither ſent for Cure.

From *King-ſtreet*, through this Hoſpital, is a Paſſage into *Smithfield*, and adjoining to this is the Pariſh-Church of *Little St. Bartholomew*.

Watch.

There are to watch at the Gates and ſeveral Stands, every Night, in this Ward, three Conſtables, the Beadle, and an hundred and thirty Watchmen, and in the Precinct of *White-friars* eight; in all one hundred and thirty-eight.

Jury.

The Jurymen returned by the Inqueſt in this Ward are to ſerve in the ſeveral Courts held at *Guildhall* for the Month of *June*, yearly.

Government.

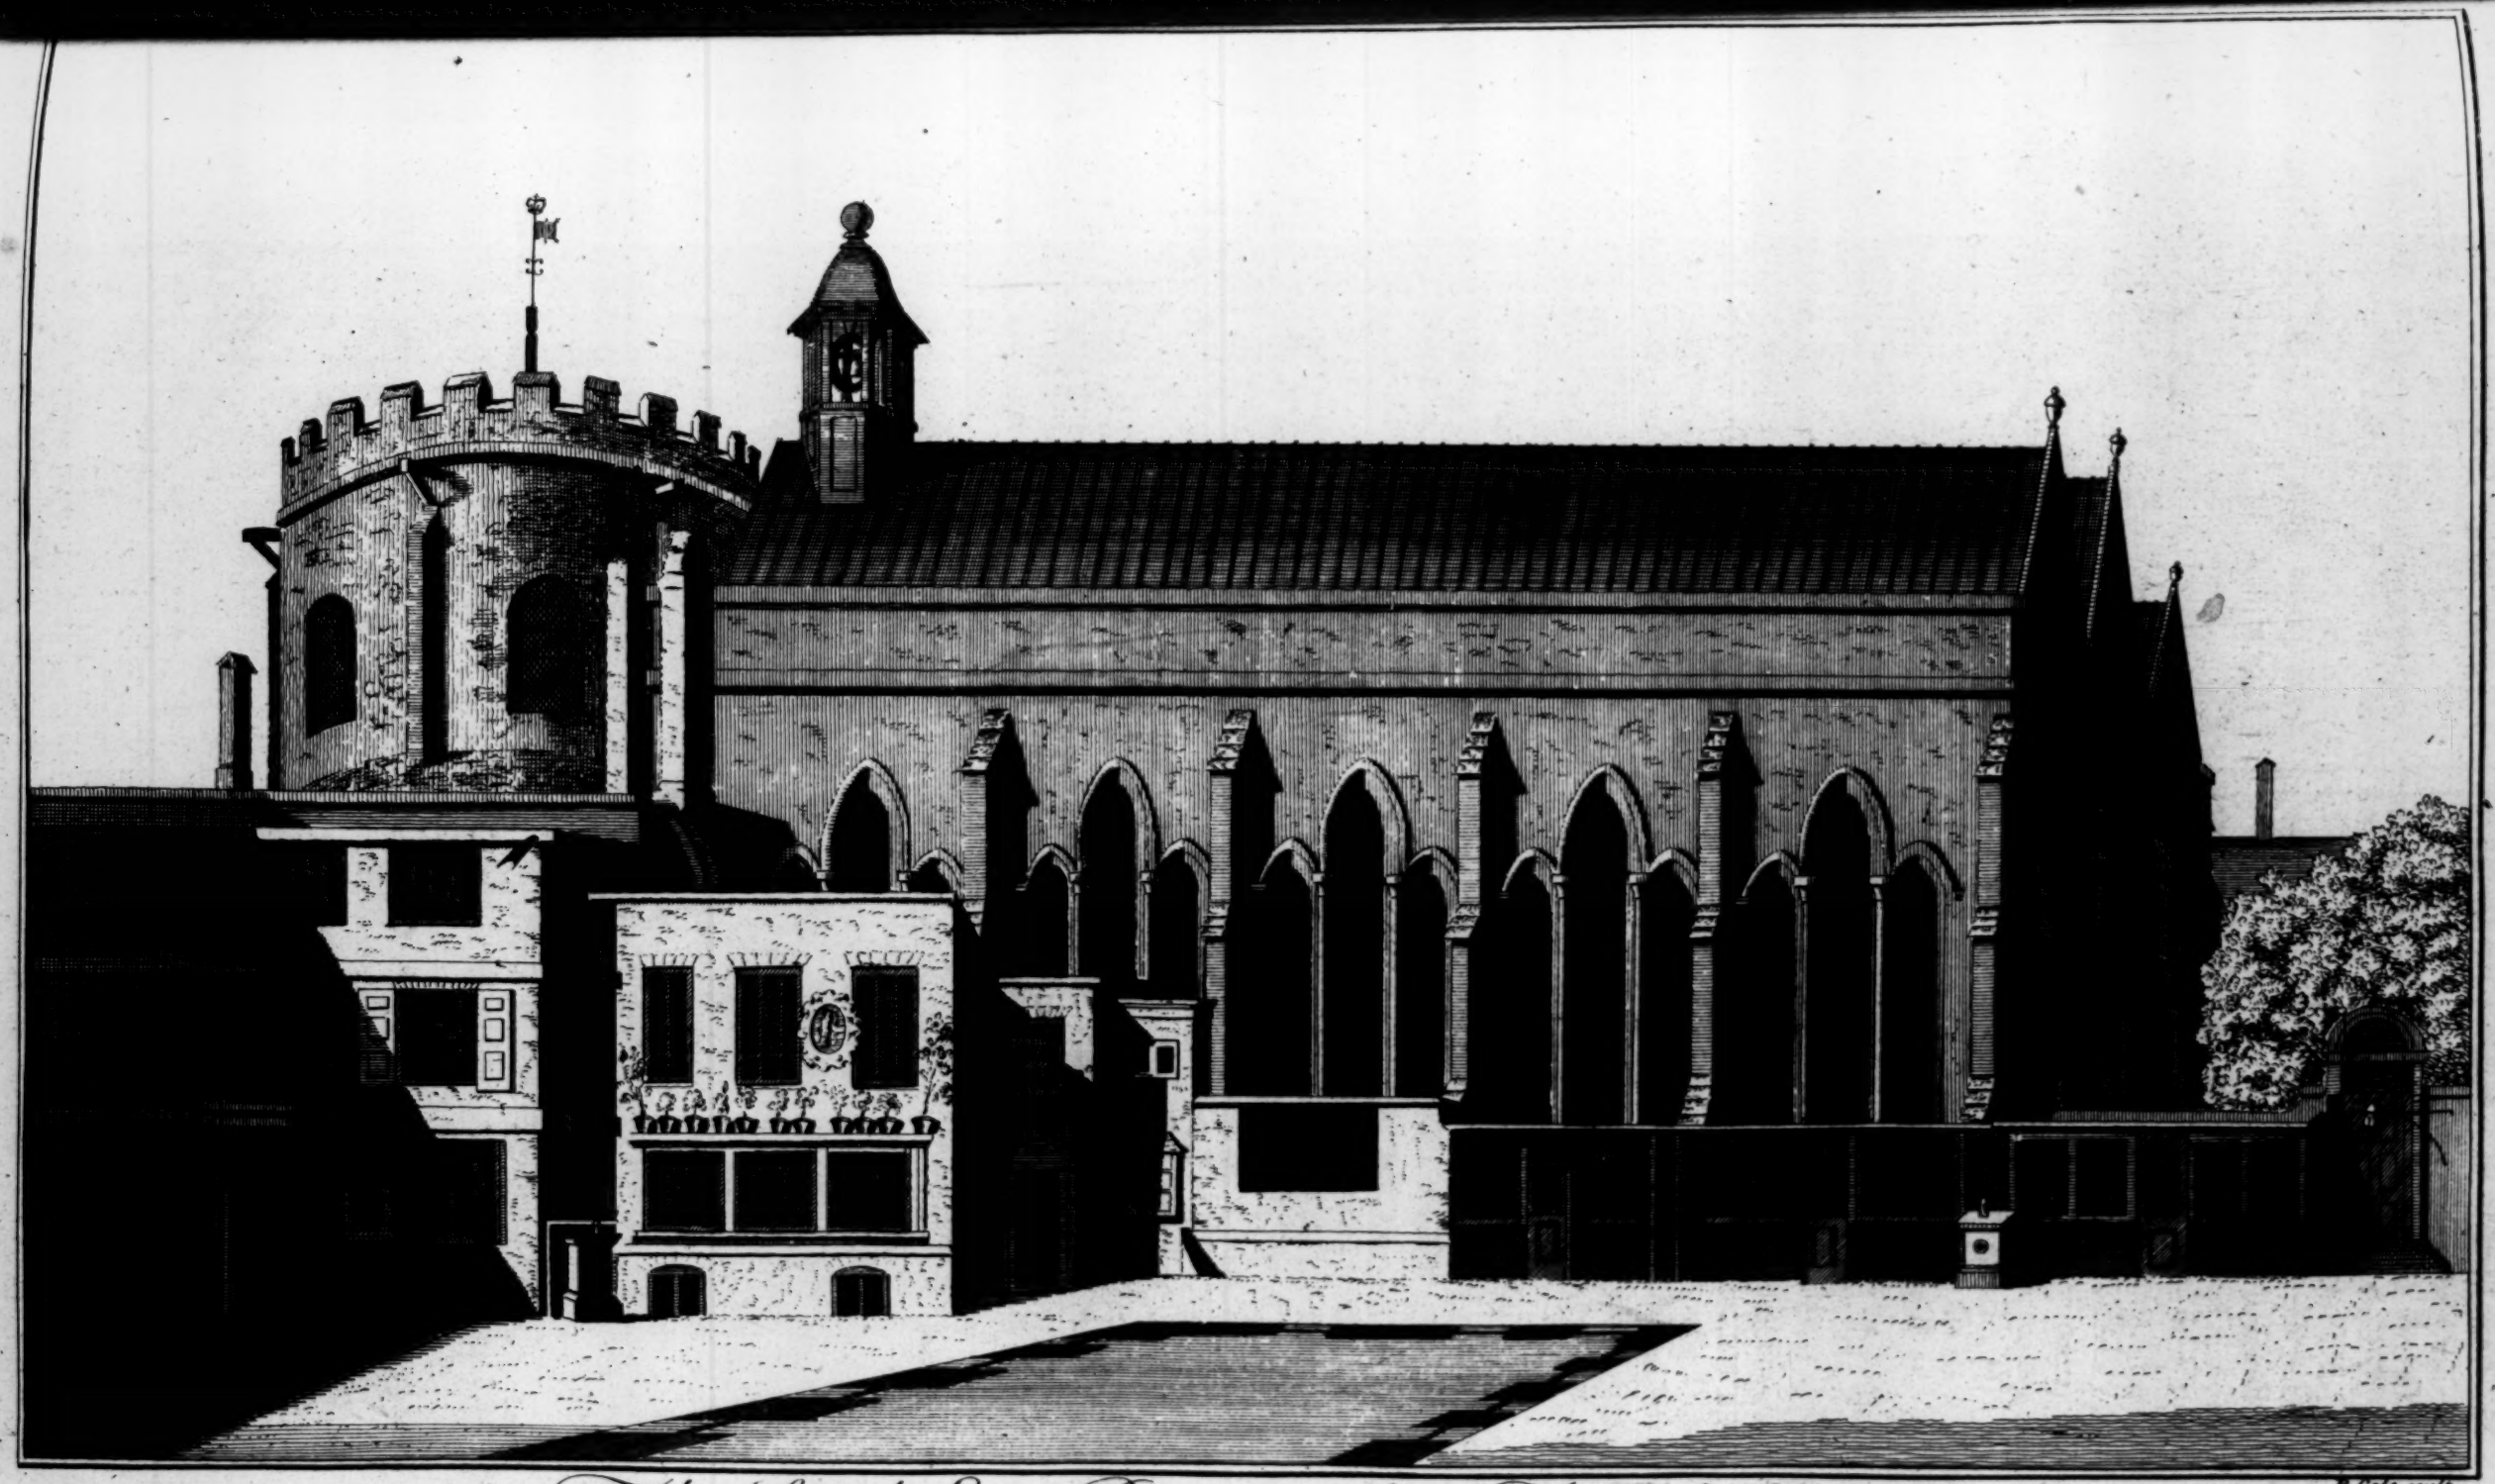
This Ward has an Alderman and three Deputies, ſixteen Common-Councilmen, fifteen Conſtables, fifteen Scavengers, and forty-four Inqueſtmen.

It is taxed to the Fifteenth in *London* at thirty-five Pounds, and in the *Exchequer* at thirty-four Pounds ten Shillings.

Alderman and Common-Councilmen.

The Alderman of this Ward is *Richard Beckford*, Eſq; one of the Repreſentatives in Parliament for the City of *Briſtol*; the Common-Councilmen are, Mr. *Chr. Horſenail*, Deputy, Mr. *Robert Gamon*, Mr. *Samuel Beard*, Mr. *John Hughes*, Mr. *William Savage*, Mr. *John King*, Mr. *Thomas Nowell*, Mr. *William Hutton*, Mr. *John Coles*, Deputy, Mr. *Francis Fletcher*, Mr. *Samuel Wolley*, Mr. *Charles Gardner*, Mr. *William Cogan*, Mr. *John Burnett*, Mr. *Richard Nutt*, and Mr. *Stephen Preacher*.

This Ward is ſo extenſive, that it has been thought proper, for its better Government, to part



The South East Prospect of the Temple Church

B. Cole sculp.

Three Divisions. part it into three Diviſions; as, St. *Dunſtan*'s, St. *Bridget*'s, and St. *Sepulchre*'s.

Remarkable Things. The moſt remarkable Things which at preſent are to be found in this large Ward are,

Pariſhes and Churches. *Firſt*, The *Pariſhes* and *Pariſh-Churches* (1.) of St. *Bartholomew the Leſs*; (2.) of St. *Bartholomew the Great*; (3.) St. *Sepulchre's*; (4.) St. *Andrew's Holborn*; (5.) St. *Dunſtan* in the Weſt; and (6.) St. *Bridget*, alias St. *Bride*; of which in our Parochial Hiſtory.

The Temple. *Secondly*, The *Temple*, or, as it is recorded in Hiſtory, the *New Temple*; ſo called, becauſe the *Templers*, before building of this Houſe, had their Temple in *Oldbourn*. This Houſe was founded by the *Knights Templers* in *England*, in the Reign of *Henry* II. and the ſame was dedicated to God and our Bleſſed Lady by *Heraclius*, Patriarch of the Church called the *Holy Reſurrection* in *Jeruſalem*, in the Year of *Chriſt* 1185.

It contained all that Space of Ground from *White-friars* Eaſtward, to *Eſſex-houſe* without *Temple-bar*, and a Part of that too, as appears by the firſt Grant thereof to Sir *William Paget*, Knt. Secretary of State to King *Henry* VIII. Pat. 2. *Edward* VI.

The Original of the Knights Templers. Theſe *Knights Templers* took their Beginning about the Year 1118, in Manner following: Certain Noblemen, Horſemen, religiouſly bent, bound themſelves by Vow in the Hands of the Patriarch of *Jeruſalem*, to ſerve Chriſt after the Manner of Regular Canons, in Chaſtity and Obedience, and to renounce their own proper Wills for ever: The firſt of which Order were *Hugh Paganus*, [i. e. *Pain*] and *Jeffrey de S. Audomare*. And whereas at firſt they had no certain Habitation, *Baldwin*, King of *Jeruſalem*, granted to them a Dwelling-place in his Palace by the *Temple*; and the Canons of the ſame *Temple* gave them the Street, thereby to build therein their Houſes of Office. And the Patriarch, the King, the Nobles, and Prelates, gave them certain Revenues out of their Lordſhips.

Their firſt Profeſſion was for Safeguard of the Pilgrims, coming to viſit the Sepulchre, and to keep the Highways againſt the lying in wait of Thieves, *&c.* About ten Years after they had a Rule appointed to them, and a white Habit, by *Honorius* II. then Pope: And whereas they had but nine in Number, they began to increaſe daily. Afterwards, in Pope *Eugenius*'s Time, they bore Croſſes of red Cloth on their uppermoſt Garments, to be known from others. And in ſhort Time, becauſe they had their firſt Manſion hard by the *Temple* of our Lord in *Jeruſalem*, they were called *Knights of the Temple*.

Many Noblemen, in all Parts of *Chriſtendom*, became Brethren of this Order, and built themſelves Temples in every City or great Town. In *England* this was their chief Houſe, which they built after the Form of the *Temple* near to the Sepulchre of our Lord at *Jeruſalem*. They had alſo other Temples in *Cambridge*, *Briſtol*, *Canterbury*, *Dover*, *Warwick*, and divers other Places. This *Temple* in *London* was often made a Storehouſe of Men's Treaſure, ſuch as feared the Spoil thereof in other Places.

In the Year 1252, *Hubert de Burgh*, Earl of *Kent*, being Priſoner in the Tower of *London*, the King was informed that he had much Treaſure laid up in this *New Temple*, under the Cuſtody of the *Templers*; whereupon he ſent for the Maſter of the *Temple*, and examined him ſtrictly; who confeſſed, that Money being delivered to him and his Brethren to be kept, he knew not how much there was of it. The King demanded to have the ſame delivered; but it was anſwered, That the Money being committed to their Truſt, could not be delivered, without the Licence of him that committed it to Eccleſiaſtical Protection. Whereupon the King ſent his Treaſurer and Juſticiary of the *Exchequer* to *Hubert*, to require him to reſign the Money wholly into his Hands; who anſwered, That he would gladly ſubmit himſelf, and all his, to the King's Pleaſure; and thereupon deſired the Knights of the *Temple* (in his Behalf) to preſent all the Keys to the King, to do his Pleaſure with the Goods which he had committed to them. Then the King commanded the Money to be faithfully told, and laid up in his Treaſure by Inventory; wherein was found, beſides ready Money, Veſſels of Gold and Silver unpriſable, and many precious Stones, which would make all Men wonder, if they knew the Worth of them. Matt. Par.

This *Temple* was again dedicated in 1240, as alſo newly re-edified then.

In the Year 1245, Pope *Innocent*'s Nuncio reſided in the *New Temple*: And the ſaid Pope commanded the Biſhops of *England* to bring his Nuncio there ſix thouſand Marks, to be raiſed from the *Engliſh* Biſhopricks: Which King *Henry* forbad.

Theſe *Templers* at this Time were in ſo great Glory, that they entertained the Nobility, foreign Ambaſſadors, and the Prince himſelf, very often; inſomuch that *Matthew Paris* cried out on them for their Pride, who, being at firſt ſo poor as they had but one Horſe to ſerve two of them, (in Token whereof they gave in their Seal two Men riding on one Horſe) yet ſuddenly they waxed ſo inſolent, that they diſdained other Orders, and ſorted themſelves with Noblemen.

King *Edward* I. in the Year 1283, taking with him *Robert Waleran*, and others, came to the *Temple*, where, calling for the Keeper of the Treaſure-Houſe, as if he meant to ſee his Mother's Jewels that were laid up there to be ſafely kept, he entered the Houſe, breaking the Coffers of certain Perſons that had likewiſe brought their Money thither, and he took away from thence to the Value of a thouſand Pounds.

Many Parliaments and great Councils have been there kept, as may appear by our Hiſtories.

In the Year 1308, all the *Templers* in *England*, as alſo in other Parts of *Chriſtendom*, were apprehended and committed to divers Priſons.

In 1310, a Provincial Council was holden at *London* againſt the *Templers* in *England*, upon Hereſy, and other Articles whereof they were accuſed, but denied all except one or two of them; Notwithſtanding, they all did confeſs that they could not purge themſelves fully as faultleſs; and ſo they were condemned to perpetual Penance in ſeveral Monaſteries, where they behaved themſelves modeſtly.

Philip,

Philip, King of *France*, procured their Overthrow throughout the whole World, and cauſed them to be condemned by a General Council to his Advantage, as he thought; for he believed to have had all their Lands in *France*, and therefore ſeizing the ſame in his Hands, cauſed the *Templers*, to the Number of fifty-four, or, after *Fabian*, ſixty, to be burned at *Paris*.

Edward II. in the Year 1313, gave to *Aimer de la Valence*, Earl of *Pembroke*, the whole Place and Houſe called the *New Temple* at *London*, with the Ground called *Fiquet's-croft*, and all the Tenements and Rents, with the Appurtenances, that belonged to the *Templers*, in the City of *London* and Suburbs thereof; alſo the Land called *Fletecroft*, Part of the Poſſeſſions of the ſaid *New Temple*.

After *Aimer de Valence* (ſome ſay) *Hugh Spencer* uſurping the ſame, held it during his Life; by whoſe Death (he being attainted the firſt of *Edward* III.) it came again to the Hands of *Edward* III. But in the mean Time, *viz.* 1324, by a Council holden at *Vienna*, all the Lands of the *Templers*, leſt the ſame ſhould be put to prophane Uſes, were given to the *Knights Hoſpitalers*, of the Order of St. *John Baptiſt*, called St. *John* of *Jeruſalem*; which Knights had put the *Turks* out of the Iſle of *Rhodes*, and alſo won upon the ſaid *Turks* daily for a long Time.

The ſaid *Edward* III. therefore granted the ſame to the ſaid Knights, who poſſeſſed it; and, in the eighteenth Year of the ſaid King's Reign, were forced to repair the Bridge of the ſaid *Temple*. Theſe Knights had their chief Houſe for *England* at *Clerkenwell*, near *Weſt Smithfield*.

The Temple *granted to the Profeſſors of Law.*

And they, in the Reign of the ſame *Edward* III. granted, for a certain Rent of ten Pounds by the Year, the ſaid *Temple*, with the Appurtenances thereto adjoining, to the Students of the Common Laws of *England*. In their Poſſeſſion the ſame has ever ſince remained, and is now divided into two Houſes of ſeveral Students, by the Name of Inns of Court, *viz.* the *Inner-Temple* and the *Middle-Temple*, who keep two ſeveral Halls, but they reſort all to the ſaid *Temple* Church:

Monuments

In the Round Walk whereof (which is the Weſt Part, without the Choir) there remain Monuments of Noblemen there buried, to the Number of eleven; eight of them are Images of armed Knights, five lying croſs-legged, as Men vowed to the *Holy Land* againſt the Infidels and unbelieving *Jews*, the other three ſtrait-legged; the reſt are coped Stones, all of grey Marble. The firſt of the croſs-legged was *William Marſhall* the elder, Earl of *Pembroke*, who died 1219. *William Marſhall*, his Son, Earl of *Pembroke*, was the ſecond; he died 1231. And *Gilbert Marſhall*, his Brother, Earl of *Pembroke*, ſlain in a Tournament at *Hertford*, near *Ware*, twenty Miles from *London*; he died in the Year 1241.

After this *Robert Roſe*, otherwiſe called *Furſan*, being made a *Templer* in the Year 1245, died, and was buried there.

Spoiled, &c. by Rebels.

In the Year 1381, the Rebels of *Eſſex* and of *Kent* deſtroyed and pulled down the Houſes and Lodgings of this *Temple*, took out of the Church the Books and Records that were there in Hutches of the Apprentices of the Law, carried them into the Streets, and there burnt them: The Houſe they ſpoiled and burnt, for Malice they bore Sir *Robert Hales*, Lord Prior of St. *John's* in *Smithfield*. (See Page 139.) But it was ſince again, at divers Times, repaired, namely, the Gate-houſe of the *Middle-Temple*, in the Reign of *Henry* VIII. by Sir *Amias Paulet*, Knight. The great Hall of the *Middle-Temple* was newly built in the Year 1572, in the Reign of Queen *Elizabeth*. *Repaired.*

This Hall is ſaid to be built in *Edward* III's Reign; the Wall between the *Thames* and Garden about the Year 1550; the Hall ceiled in 1554. About that Time Mr. *Packington*, Treaſurer, built *Tanfield-court*, ſo called from the Chambers of Sir *Laurence Tanfield*, Chief Baron, being there; till which Time it was called *Packington-court*. *Several Parts built.*

Anno 1553 the Kitchen was built; *Anno* 1559 the Buildings near the Alienation-Office were erected; in 1573 the great carved Screen in the Hall was ſet up; *Anno* 1595 *Cæſar's-buildings*, between the Church and the Hall, were erected, and ſo called, for that Sir *Julius Cæſar*, Maſter of the Rolls, gave three hundred Pounds towards the Charge; *Anno* 1607 the *Paper-buildings* were erected, and, being conſumed by Fire, were rebuilt a noble Pile of ſpacious pleaſant Chambers, at the North End whereof are finely painted, appearing like ſo many Statues, the Figures of the four Cardinal Virtues, *&c.* and was finiſhed *Anno* 1685, Sir *Robert Sawyer*, Treaſurer; *Anno* 1609 the *Inner-Temple-gate* was built; about 1616 Part of the *Inner-Temple-gate*, *Fig-tree-court*, (the Eaſt Side in 1607) and Buildings near *Ram-alley*, and the *King's-bench* Office, were erected; Part of the Lane alſo in 1657; Chambers againſt the Weſt End of the Church, built in 1679, and *Anno* 1681. *Paper-buildings.*

In the Year 1684 was built the *Middle-Temple-gate*, next *Fleet-ſtreet*, which is a fine Structure, in the Stile of *Inigo Jones*. It has a graceful Front of Brick-work, with four large Stone Pilaſters of the *Ionic* Order, and a handſome Pediment, with a Round in the Middle of it, having theſe Words inſcribed in large Capitals: *Surrexit impenſis Societat. Med. Templi*, MDCLXXXIV. Lower, juſt over the Arch, the Figure of an holy Lamb, 1684. *Middle-Temple-gate.*

Over the Colonade, at the End of *Pump-court*, is an Inſcription in Memory of a Fire that happened there ſome Years ago, *viz.*

Vetuſtiſſima Templariorum Porticu igne conſumpta Anno 1678. Nova hæc ſumptibus Medii Templi extructa Anno 1681, Gulielmo Whitlock, Armig. Theſaurario.

Church.

The *Temple* Church, having narrowly eſcaped the Flames in 1666, was newly beautified, adorned, and the curious Wainſcot Screen ſet up, *Anno Dom.* 1682, when Sir *Thomas Robinſon* was Treaſurer of the *Inner-Temple*, and Sir *Francis Withens* Treaſurer of the *Middle-Houſe*. The South-Weſt Part was, in the Year 1695, new built with Stone, whereon appeareth this Inſcription:

Vetuſtate conſumptum, Impenſis utriuſque Societatis reſtitutum, 1695.

Nicol. Courtney,
Rogero Gillingham, } Armig. Theſaur.

By

By the Workmen, at this Time, was broke down an Inſcription over the little Door next the Cloiſter: It was in old *Saxon* Capital Letters within a Semi-circle, and was as follows:

Anno ab incarnatione Domini MCLXXXV, dedicata hæc Eccleſia in honorem beatæ Mariæ a Domino Eraclio, Dei gratia ſanctæ Reſurrectionis Eccleſiæ Patriarcha, II. Idus Februarii. Qui eam annatim petentibus de injuncta ſibi pænitentia LX. dies indulſit.

In the Year 1706 the Church was wholly new white-waſhed, gilt, and painted within, and the Pillars of the round Tower wainſcotted, with a new Battlement and Buttreſſes on the South Side, and other Parts of the Outſide were well repaired; alſo the Figures of the *Knights Templers* were cleaned and painted, and the Iron-work incloſing them painted, and gilt with Gold.

It is an antient *Gothick* Building, the Walls Stone, covered with Finiſhing, and ſtrengthened with Buttreſſes; has a treble Roof covered with Lead, and ſupported with neat Pillars of *Suſſex* Marble, and the Floor of the whole is paved with black and white Marble; that of the Chancel two Steps higher than the middle, and one higher than the Side Iſles. The Iſles are five in Number, *viz.* three (as uſual) running Eaſt and Weſt, and one croſs Iſle near the Entrance into the Chapel, and another parallel with the laſt, between the Weſt End of the Ranges of Pews and the Screen.

This Church is not only antique in its Order, neat in its Workmanſhip, and rich in its Materials, but very beautiful in its Finiſhing; Properties that ſeldom are found in one Structure. The Pillars and Floors are not only Marble, but the Windows are adorned with pretty ſmall Columns of the ſame Species of Stone. It is well pewed, and wainſcotted with right Wainſcot above eight Feet high; the Altar-Piece is of the ſame Species of Timber, but much higher, finely carved, and adorned with four Pilaſters, and between them two Columns with Entablature of the *Corinthian* Order; alſo Enrichments of Cherubims, a Shield, Feſtoon, Fruit, and Leaves, encloſed with a handſome Rail and Balliſter. The Pulpit is alſo finely carved and finniered, placed near the Eaſt End of the middle Iſle. The Sound-board is pendant from the Roof of the Church; it is enriched with ſeveral carved Arches, a Crown, Feſtoons, Cherubims, Vaſes, *&c.*

The Round Tower at the Weſt End of the Church is ſupported with ſix Pillars, wainſcotted with Oak ſix Feet high, and is alſo adorned all round (except the Eaſt Part) with an upper and lower Range of ſmall Arches, and black Apertures.

The Screen at the Weſt End of the Iſles is, as the Altar-Piece, *&c.* of right Wainſcot, adorned with ten Pilaſters of the *Corinthian* Order, alſo three Portals and Pediments; and the Organ-Gallery over the middle Aperture is ſupported with two neat fluted Columns of the *Corinthian* Order, and adorned with Entablature and Compaſs Pediment, and alſo the King's Arms finely carved; the Intercolumns are large Pannels in carved Frames; and near the Pediment on the South Side is an Enrichment of Cherubims, and the carved Figure of a *Pegaſus*, the Badge of the Society of the *Inner-Temple*; and on and near the Pediment on the North Side, an Enrichment of Cherubims, and the Figure of a *Holy Lamb*, the Badge of the Society of the *Middle-Temple*; for though theſe two Houſes have but one Church, yet they ſeldom ſit promiſcuouſly there, but the *Inner-Temple* on the South, and the Gentlemen of the *Middle-Temple* Northward from the middle Iſle.

Length of the Church, from the Altar to the Screen, eighty-three Feet, Breadth ſixty, Altitude thirty-four, and that of the Round Tower at the Weſt End forty-eight Feet; its Diameter at the Floor fifty-one Feet, Circumference one hundred and ſixty Feet.

Monuments in this Church.

Monuments therein.

Sir *Nicholas Hare*, Maſter of the *Rolls*, was buried there in the Year 1557.

Here lieth the Body of *Anne Littleton*, Wife of *Edward Littleton*, of the *Inner-Temple*, Eſq; Son and Heir of Sir *Edward Littleton*, of *Henly*, in the County of *Salop*, Knt. Daughter of *John Littleton* of *Frankly*, in the County of *Worceſter*, Eſq; by *Meriel*, the Daughter of Sir *Thomas Bromley*, Knt. Lord Chancellor of *England*. She died the ſixth Day of *February*, 1623.

On whom was made this Epitaph:

Here ſhe lies, whoſe ſpotleſs Fame
Invites a Stone to learn her Name.
The rigid *Spartan*, that deny'd
An Epitaph to all that dy'd,
Unleſs for War, or Chaſtity,
Would here vouchſafe an Elegy.
She dy'd a Wife; but yet her Mind
(Beyond Virginity refin'd)
From lawleſs Fire remain'd as free
As now from Heat her Aſhes be.
Her Huſband (yet without a Sin)
Was not a Stranger, but her Kin;
That her chaſte Love might ſeem none other
Unto a Huſband than a Brother.
Keep well this Pawn, thou Marble Cheſt;
Till it be call'd for, let it reſt.
For while this Jewel here is ſet,
The Grave is but a Cabinet.

Memoriæ Sacrum.

Here reſteth the Body of *Clement Coke*, of *Langford*, in the County of *Derby*, Eſq; youngeſt Sonne of Sir *Edward Coke*, Knt. late Chiefe Juſtice of *England*; and of *Bridget* his Wife, Daughter and Coheir of *John Paſton*, of *Paſton*, in the County of *Norfolke*, Eſq; This *Clement* married *Sarah*, Daughter and Coheire of *Alexander Rediche*, of *Rediche*, in the County of *Lancaſter*, Eſq; and of *Katharine* his Wife, ſole Daughter and Heire of *Humphrey Dethick*, of *Newal*, in the County of *Derby*, Eſq; and had Iſſue by the ſaid *Sarah*, living at his Death, *Edward*, *Robert*, *Bridget*, and *Aviſe*. Hee in the *Inner-Temple*, being a Fellow of the ſame, chriſtianly and conformably, in his flouriſhing Age, yielded up his Soule to the Almighty the three-and-twentieth of *May*, *Anno Dom.* 1629.

Sir *Will. Dugdale*, in his Book intitled *Origines Juridiciales*, hath taken Notice of moſt of the Monuments, and ſet down their reſpective Inſcriptions, *viz.* thoſe of *John Portman*, *Richard Wye*,

Wye, *Tulſington*, *Blackmore*, *Selden*, *Roger Biſhop*, *John Den*, *Quatreman Turner* of *Parington*, *John White*, Biſhop *Browning*, [ſome Time Preacher here, who was buried aſcending towards the Altar; but his Grave-ſtone is now removed, and placed at the going into the Church; as alſo was the Stone for *White* removed to this round Chapel, where it now is.] *Plowden*, *Roop*, *Cole*, *Newcourt*, *Heyhoe*, *Richard Lemſter*, Chaplain, *Tho. Mayhull*, Chaplain, *Edmund Berford*, *Dirland*, *Tho. Engliſh*, Chaplain, *Robert Thorne*, *Willielmus Langham*, ſome Time *Cuſtos* of this *Temple*, 1437. For the Epitaphs and Inſcriptions of all theſe, the Reader is referred to *Dugdale*'s Book before-mentioned.

The Monuments and Grave-ſtones more lately placed and laid in this Church are for the Remembrance of theſe Perſons following:

South Iſle: Johannes Witham, Baronettus, qui proſapia in agro Eboracenſi ortus inclyta & antiqua, *&c.* Nobiliſſimæ in Barbados inſula Coloniæ Præpoſitus, ſummo magiſtratu maxima cum laude functus eſt, *&c.* 1689.

Depoſitum Thomæ Robinſon, Barti. Templi interioris Socii & Theſaurarii, & in Curia communium Placitorum Protonotarii, *&c.* 1683.

Thomas Williams, Gent. 1645.

Heic ſubtus jacet corpus Willielmi Morton, Militis, unius Juſticiariorum ad Placita coram ipſo rege tenenda, *&c.* Collonellus equorum atque pedum Caroli beatæ memoriæ primi, *&c.* 1672.

Lady *Anne Morton*, late Wife of Sir *William Morton*, Knt. 1698.

John Morton, Eſq; eldeſt Son of Sir *William Morton*, Knt. and *Anne* his Wife, of the *Inner-Temple*, and Captain of a Regiment of Foot in *Ireland*, and Governor of *Kilkenny*, 1668.

Sir *John Williams*, of *Minſter*, in the County of *Kent*, Knt. 1668.

Sir *John Vaughan*, Knt. Juſtice of the *Common-Pleas*, 1674.

Edward Vaughan, J. C.

Depoſitum Thomæ Naſh, *Generoſi*; of a good Family in *Worceſterſhire*, Author of many Books, which either he wrote, tranſlated, or ſet forth, 1679.

Sir *Timothy Littleton*, Knt. one of the Barons of the *Exchequer*, 1679.

Hic ſitus eſt Gulielmus Wylde, Miles & Baronettus, primo Juſticiarius de Banco, deinde ad Placita coram Rege tenenda, *&c.* 1679.

Edward Littleton, eldeſt Son of Sir *Thomas*, Grandſon of *Edward*, Baron *Littleton de Mounſlow*, Keeper of the Great Seal, 1664.

Weſt Wall: Hic ſitus eſt Johannes Vaughanus, Eques auratus, Capitalis Juſticiarius de communi Banco, *&c.* 1674.

In the middle Iſle: *Mary Gaudy*, only Daughter of Sir *William Gaudy*, of *Weſt-Herling*, in the County of *Norfolk*, Bart. 1671.

Baſſingborn Gaudy, and *William Gaudy*, both in the Year 1660, Sons of Sir *William*.

Framlingham Gaudy, ſecond Son of Sir *Charles Gaudy*, of *Crowes-hall*, in *Debenham*, in the County of *Suffolk*, Knt. 1660. All theſe four laſt died of the *Small-Pox*, fatal to the Family.

North Side, next the Eaſt Wall, a very goodly Figure of *Plowden*, the great Lawyer, lying along with his Hands together, in his Coif and Gown, a little Ruff about his Neck, repaired and beautified 1683.

Huttonius Byerly, Armiger, ex agro Dunelmenſ. oriundus, *&c.* 1695.

Æternæ M. S. Dni. Georgii Treby, Eq. aurati, J. Cm. Qui agro Devon. oriundus, genus antiquum ſuis Virtutibus mirifice illuſtravit, *&c.* Electus (quod dicitur) Recordator magnæ urbis ſub Carolo II. Rege, Immunitatum Civicarum & Chartarum (etiam tum formidabili lite intentata) Aſſertor ſtrenuus, Cuſtos tenaciſſimus. Guilielmo III. rerum potenti dictus Attornatus Generalis, ita partes regias tutatus eſt, ut ſubditorum jura ſarta tecta conſervaret. Exin, ſummis meritis apud eundem Regem Capitalis Juſticiarius de coi' Banco conſtitutus, *&c.* Exceſſit 1702. Ætat. ſuæ 56.

This Epitaph is much longer, and largely expreſſive of this worthy Lawyer's Abilities and Virtues.

—— *Martin*, ſome Time Recorder of *London*.

Tho. Agar, Clerk of the Crown in *Chancery*, 1673.

Jacobus Howel, Cambrobritannus, Regius Hiſtoriographus in Anglia primus, 1666.

At the Weſt End of the Church:

Depoſitum Thomæ Agar.

Heic ſitus Thomas Keck, J. C. 1671.

Hic jacet corpus Franciſci Jermy, Armigeri, 1668.

Edward Stephens, Eſq; 1674.

Hic jacet Thomas Bentley, Generoſus, filius Caroli Bentley, de Comit. Warwicenſi, Armigeri, ſecundus, 1673.

William Dyke, younger Son of Sir *Tho. Dyke*, of *Horeham* in *Suſſex*, Knt. 1675.

Robert Hunt, Eſq; ſecond Son of *Rob. Hunt*, of *Speckington*, in the County of *Somerſet*, Eſq; 1676.

In the Round of the *Temple* Church, South:

Hic juxta jacet Johannes King, *&c.* 1677.

Rowland Jewks, 1665.

D. O. M. Rogerio Biſhopo.

Joan Seldenus, 1654.

M. S. Heic juxta jacet Joannes Sympſon, Miles, *&c.* Car. II. cum primis ſerviens ad legem, 1681.

Henricus Wynn, 1671.

M. S. Georgii Wylde, Armig. 1679.

M. S. Fratres lectiſſimi hoc vicino pulvere conduntur, Thomas & Gulielmus Jollyffe, Vigornienſium Coloniæ orti. Thomas ob. 1671. Guliel-mus 1680.

S. J. Edwardus Eaton, Byromi Eaton, Theol. Profeſſoris, Archidiaconi Leiceſtren. & Saræ Uxoris filius, 1687.

Peter Honywood, Eſq; 1685, who died at the full Age of ninety-ſix Years.

Abel Gower, eldeſt Son of *Abel Gower*, of *Boulton*, in the County of *Worceſter*, Eſq; 1667.

M. S. Johannis Fitz-James, Hæredis & Filii unici Johannis Fitz-James, de Leweſton, in Comitat. Dorſet. Militis, 1669.

H. S. E. Hoptonus Shuter, Armig. 1677.

Henry Wynn, Eſq; Son of Sir *John Wynn*, of *Guidder*, in the County of *Carnarvon*, Bart. 1671.

John Ellis, 1686.

Charles Crompton, 1676.

Thomas Hanmer, Miles, *&c.* Auguſtiſſimo Carolo II. ac jam regnanti Jacobo II. Conſiliarius.

rius. Alterius e Curiis Vice-Comitialibus in Civitate Londinenſi Juſticiarius, *&c.* 1687-8.

M. S. Hic juxta jacet Samuel Baldwyn, Miles, de Stokecaſtle, in agro Salop. *&c.* Carolo II. cum primis ſerviens ad Legem, 1683.

John Ellys, ſecond Son of Sir *Thomas Ellys*, of *Wyham*, in the County of *Lincoln*, Bart. 1686.

John Thackham, 1684.

On this South Wall of this Round a decent Monument for *William Petyt*, Eſq; late Keeper of the *Tower* Records, and a moſt learned Antiquarian, with this Inſcription:

Hic juxta ſitæ ſunt Reliquiæ Wilhelmi Petyt, Armig. Qui olim Medii Alumnus fuit, nuper Interioris Templi Socius, & Theſaurarius, Rotulorum ac Archivorum, in Turri Londinenſi remanentium, Cuſtos fideliſſimus, quamplurimis tam Genere quam Doctrina viris inſignibus bene notus, & in magna æſtimatione habitus. Omnia ſua cum amicis habuit communia. Neque ſane cuiquam Literarum veterum Studioſo vel operam ſuam vel conſilium unquam negabat; quod in pluribus Eruditorum Scriptis apparet.

Municipalia Patriæ jura, Hiſtorica & Antiquitates, Monumenta Actaq; Parliamentaria optime callebat: Antiquæ Conſtitutionis, Legum ac Libertatum Angliæ ſtrenuiſſimus Aſſertor erat. Et ne operam & oleum perderet, & evaneſcerent Labores, mundo valedicturus omnia ſua MSS. (quæ varia implent Volumina) una cum libris impreſſis, Juridicis, Hiſtoricis, atq; Antiquitatum & Proceſſuum Parliamentorum Monumentis (quæ magno labore, ſtudio & ſumptibus ſibi comparavit) amicis quibuſdam melioris Notæ, in fidei commiſſo ad ſervanda integra & illibata, ultimo ſuo Teſtamento, publicæ Utilitatis gratia, legavit. Quapropter locum certum, qui illis viſus fuerit maxime accommodatus, eos eligere voluit: Et centum & quinquaginta libras Bibliothecæ ædificandæ deſtinavit.

In Storithes prope Abbatiam de Bolton, non ita longe a vico de Skipton in Craven in Comitat. Eborum, natus fuit. Ad plures abiit apud Chelſeam, in Agro Middleſex. 3° die Octobris, Anno Domini MDCCVII. Ætat. ſuæ LXXII.

Neq; dum vixit ipſius Chelſeæ immemor fuit, ſed erigebat ibi Ædificium, quod eidem Parochiæ alacri & libera manu dedit: In ſe complectens (quod dicitur) Veſtiarium in uſum Parochianorum, Gymnaſium ad pueros erudiendos, & Cameras Præceptori ſatis commodas.

Monumentum hoc Sylveſter Petyt, de Hoſpitio Bernardienſi, Gen. & ejuſdem olim Principalis, ad memoriam chariſſimi ſui Fratris poſuit.

On the Grave-ſtone upon him are theſe Words:

The Body of *W. P.* Eſq; buried here the 9th Day of *October*, 1707.

North Side: *Edward Barnard*, 1660.

Daniel Liſle, youngeſt Son of Sir *Will. Liſle*, of the *Iſle of Wight*, 1663.

Hic requieſcunt mortales Reliquiæ Johannis Hoghton, Armigeri, 1698-9.

Franciſcus Wood, de Ripon Eboracenſis, Generoſus, *&c.* Attorn. de communi Banco, 1684.

Samuel Corbet, Gent. 1701.

William Tallieure, alias *Danvel*, Eſq; *&c.* Steward of the honourable Caſtle of *Windſor*, 1690.

Thomas Webb, Gent. 1681.

Herbertus Perrot; Armig. filius unicus Herberti Perrot, in agro Pembrokien. militis.

M. S. Gulielmi Freman; Armig. *&c.* Patrem habuit Radulphum de Aſpeden, in Agro Hartfordien: Armigerum; *&c.* Cromwelliana Tempeſtate Regiarum fuit partium vindex acerrimus; & varia militiæ munia arduis illis temporibus inconcuſſa fide ſtrenuus obiit.

William Dickenſon, Eſq; 1675.

William Ceely, of *Huntham*, in the Pariſh of *North Curry*, in the County of *Somerſet*, Eſq; 1662.

Pope North, Son of Sir *Francis North*, Knt. the King's Attorney-General, 1674.

There are ſeveral Stones with Inſcriptions in this round Walk, which being preſerved in the *Origines Juridiciales* are here omitted.

A Monument on the Wall more modern:

M. S. Johannis Churchil, Armigeri, interioris Templi quondam Socii, Gulielmi Churchil, de Muſſen, in Agro Dorſet. Filii, & in Parliamento Britannico Tempore mortis ſuæ Socii. Obiit 24 die Aprilis, 1709. Ætat. 51.

Upon a Grave-ſtone near the ſame Monument:

Hic jacet Johannes Churchil, de quo verſus parietem magis legere licet.

A Monument near the North Corner of the Middle Eaſt Window:

M. S. Neer this Place lye interred the Remains of *Tho. Lake*, Eſq; Utter Barriſter of the Honourable Society of the *Middle-Temple*; Nephew and Heire of Sir *Edw. Lake*, late of *Biſhops-Norton*, in the County of *Lincoln*; who, for his Loyalty and Valour ſignalized at *Edgehill* Fight, was created Baronet by King *Charles* I. He dyed *May* 22, in the 54th Year of his Age, *An. Dom.* MDCCXI.

On a Monument raiſed againſt the Eaſt Wall, at the South Side of the Rails:

Subtus jacent Reliquiæ Samuelis Dod, Militis; Imperante Georgio, Capitalis Baronis Scaccarii; honeſta Familia in Com. Ceſtr. oriundi, & interioris Templi olim Socii. Vale. Sin plura, Lector, rogites; Deſideras virum apud Coævos celeberrimum, & apud Poſteros imitanduſh: Siquid imitandi habent ſingularis Modeſtia ſingulari Merito, ſumma Induſtria ſummæ Eruditioni, conjuncta. Legum Municipalium Angliæ Scientia in ſuo ſeculo floruit. Et in maximis cauſis, cum privatis, tum publicis, ſummo cum plauſu verſatus eſt. Multiplici Experientia, acri Judicio, temperata ac ſuavi Orationis Copia, ornatiſſimus. Religionis interim veræ, ac libertatis Britannicæ fidus Cuſtos, ac rigidus Satelles. His artibus eniſus, ſummos prope quos Toga novit Honores attigit. Et a Sereniſſimo Principe Georgio Regnum auſpicante (cujus Præſentis, Abſentis partes penitus dilectus habuerat) ad Officium Capitalis Baronis Scaccarii evocatus, in eodem ampliſſimo munere obeundo extinctus eſt.

Viduam reliquit Iſabellam, Filiam & Cohæredem Rob. Croke, nuper de Chequees, in Com. Bucks, Militis (Nomen omnibus Anglis ſatis notum, inter Juriſconſultos autem notiſſimum & nobiliſſimum) prolem. Ex hac ſuſcepit duos filios, Crokium & Johannem. E quibus Crokium jam adultum, & multa ac pulchra pollicentem, quin-

quinetiam Officio examinatoris in Cauſa Cancellaria fungentem, immaturo funere extulit, & hoc ſub marmore cum Lachrymis compoſuit.

Johannem ſuperſtitem & Hæredem ex aſſe reliquit. Obiit 14 April. An. Dom. 1716. Ætatis ſuæ 64. Uxor optimo omnium marito, Filius optimo omnium Parenti, H. M. P. P.

Debemus Morti nos noſtraq;.

Almoſt fronting the Door of the Choir, and in the round Walk, is a very ſtately Monument, with his Effigies, and the following Inſcription, for

Johannes Hiccocks,
Magiſter in Cancellario.
Vir
Integer Vitæ in Forenſi Negotio.
Inter ſeveriores Juriſprudentiæ Litteras
Urbanitate Morum conſpicuus.
In rerum Civilium Viciſſitudine
Civis Bonus, & Inconcuſſus.
In labefacta Valetudine, & acutis doloribus
Sui potens, & comis in amicos.
Curiam ſuam penitus inſpectam
Et exagitatas acerrime fraudum Latebras
Lucro apponebat:
Virtutis enim Intemeratæ ſuæ
Famam ſtabilivit
Temeratæ Suſpicio.
Obiit v. Apr. MDCCXXVI.
Ætat. LVIII.

Arms: Baron and Femme, with an Eſcutcheon of Pretence of the Coat Femme. 1*ſt*, Quarterly, Or and Vert, on the firſt and third, two Wheat-ſheaves of the firſt. 2*d*, Sable, three Talbot Heads eraſed and linguant, Argent, two and one. Creſt, a Sun, Or, out of a mural Crown.

On the left Side of the Communion-Table is a neat white Marble Monument, with this Inſcription:

Under here lyeth
HENRY LOVIBOND,
of the *Middle-Temple*, Eſq;
who dyed the 9th of *Auguſt*, 1727.
One of the Maſters of the
High Court of *Chancery*,
Aged 51.

Maſter of the Temple.

Since the Diſſolution of the *Hoſpitalers* in the Time of *Henry* VIII. there has been a Divine, by the Name of a Maſter or *Cuſtos*, belonging to this Church; who is conſtituted by the King or Queen's Letters Patents, without Inſtitution or Induction.

Reader.

Beſides the Maſter, there is a Reader, who reads Divine Service twice a Day, at eight of the Clock in the Morning, and at four in the Afternoon.

Preacher.

Formerly they had alſo a fixed Lecturer for *Sundays* in the Afternoon; who had the Allowance of 80 *l. per Annum* paid from each Houſe, and convenient Lodging, and his Diet at the Benchers Table; but of late the Lecture is carried on by various Preachers, appointed at the Will of, and paid by, the Treaſurers of the two Houſes.

A CATALOGUE *of the Maſters of the* Temple.

Dr. *Gauden*, afterwards Biſhop of *Exeter*, 1659.
Dr. *Ball*, 1660.
Dr. *William Sherlock*, Dean of St. *Paul*'s, 1684.
The Right Reverend Dr. *Thomas Sherlock*, Biſhop of *Bangor*, tranſlated to *Saliſbury*, and now to *London.*
The preſent Maſter, Dr. *Samuel Nicholls.*

Coats of Arms in the Hall Windows.

In the great *Temple-Hall*, on the South Window, long before the great Fire, were many Coats of Arms belonging to theſe Perſons following; moſt of them Judges, or other great Lawyers, in King *Henry* VIII. and Queen *Elizabeth*'s Times.

William Periam, Knt. Chief Baron of the *Exchequer.*

Thomas Mead, Juſtice of the *Common-Bench.*

Edward Montagu, Chief Juſtice of the *Common-Pleas*, to be held before King *Henry* VIII. 1540.

William Fleetwood, Recorder of *London.* His Coat was Party per pale, Nebule, Azure and Or, ſix Martlets in deux Pales, counter-changed of the Field.

Edmund Plowden, Azure, two Chevrons connexees. In a Chief two Fleurs-de-lis, Or.

Henry Montagu, Knt. Chief Juſtice of the *Common-Pleas* before King *James* I. 1616, Son of *Edward Montagu.*

Edmund Mezoine, Juſtice.

R. Brook, Chief Juſtice of the *Common-Pleas.*

John Walſhe, Juſtice.

John Southcote, Juſtice.

Richard Weſton, Juſtice.

Humphrey Brown, Knt. Juſtice.

Anthony Brown, Knt. Juſtice, bore the ſame Coat with *Humphrey* only, In a Chief Argent, a ſpread Eagle, Sable.

Reginold Corbet, Juſtice.

Edward Saunders, Chief Baron of the *Exchequer.*

Robert Catlyn, Knt. Chief Juſtice of the *Common-Pleas.*

Ja. Dyer, Knt. Chief Juſtice of the *Common-Pleas.*

Thomas C. (*Carey*, *ut opinor*) Juſtice.

Rob. Bel. Tho. Fermor.

John Popham, Knt. Chief Juſtice of *England.*

George Fettiplace, *Peter Vavaſor*, *William Wheatly*, *Miles Saunders*, *Matthew Smith*, *Tho. Andrews*, *Peter Roos*, *Edward Meredith*, *Thomas Morgan*, *Humphrey Moſely*, *William Rede*, *Edward Fenner*, Knt. and Juſtice, *Richard Ingepin*, *Jeronymus Corbet*, *Thomas Morgan*, *Richard Lewknor*, *Rob. Snagg*, *Tho. Bowyer*, *George Gaſcoin*, *John Savyle*, *Reginald Bray*, *Tho. de la Pine*, *Tho. Hannam*, *Walter Holdriche*, *John Aſhfield*, *Richard Hackluit*, *John Agmondeſham*, *Chriſtopher George*, *Rich. Pound*, and *John Shurley.*

On the North Window were theſe:

Auguſtin Nicolls, *William Weſton*, Knt. *Robert Napper*, Knt. *Edward Hobie*, Knt. who bore twelve Shields. *John Throgmorton* bore ſeven Shields. *Robert Dennys*, nine Shields. *Maurice Berkley*,

Berkley, Knt. *William Salisbury*, *Chriſtopher Broom*, Knt. *Jo. Clifton*, Knt. *Edward Horſey*, Captain of the *Iſle of Wight*. *Thomas Denton*. *John Peter*; he bore Gules, a Bend, Or, between two Scallops, Argent. *Radulph Sheldon*. *Thomas Treſham*, Knt. he bore ſixteen Shields; the firſt parted *per* Saltier, Sable and Argent. Six Trefoils of the ſecond; three in Chief, and as many in Baſe. *Robert Jermin*, Knt. nine Shields. *Thomas Powle*. *Thomas Fanſhawe*; he bore Or, two Chevrons, Ermine between three Fleurs-de-lis, Sable. *John Spencer*, *George Trenchard*. *Thomas Smith* of *London*; he bore Azure, a Chevron engrailed between three Lions paſſant-gardant, Or. *George Siddenham*, *Henry Ferrers*, *George Caroe*, *Triſtram Mitchel*, *John Edgcomb*, *Thomas Forteſcue*, *Henry Somaſter*, *Edward Martin* of *Berkſhire*, *Thomas Hatton*, *Edmund Buckenham*, *Edward Herte*, *Edward Hodie*, *John Hyde*, *Richard Ferrers*, *Nicholas Haccard*, and *Martin Colthurſt*.

In the other *Temple-Hall*, in the South Window, theſe:

Nic. Hare, Knt. Maſter of the *Rolls*; he bore two Bars, and a Chief indented, Or.

Edward Coke, Knt. Chief Juſtice of *England*, bore eight Shields. *Julius Cæſar*, Knt. Maſter of the *Rolls*. *Laurence Tanfield*, Knt. Chief Baron of the *Exchequer*. *Thomas Littleton*, Juſtice. *John Crook*, Knt. Juſtice. *Edward Bromley*, Knt. Baron of the *Exchequer*, bore eight Shields. *Edward Drue*, Serjeant at Law. *John Cowper*, Serjeant at Law. *John Heath*, Serjeant at Law. *John Carrel*, Attorney of the Dutchy of *Lancaſter*.

On the North Window:

Edmund Anderſon, Knt. Chief Juſtice of the *Common-Pleas*. *Roger Manwood*, Knt. Chief Baron of the *Exchequer*. *Thomas Gawdy*, Knt. Juſtice. *Thomas Forſter*, Knt. *Thomas Coventree*, Knt. *Francis Beaumont*, Knt. he bore twelve Shields.

In the *Little Temple*:

William Dane, Ironmonger, and Alderman of *London*.

John Allot, Knt. Alderman of *London*.

Michael Fox, of *London*, Grocer, *Anno* 1500.

Towards the latter End of King *Charles* the IId's Reign, a terrible Fire happened in the *Temple*, whereby the Office of Chirographer of Fines of the Court of *Common-Pleas*, there kept, was ſo burnt, that ſeveral Records of Fines engroſſed, of *Trinity* and *Michaelmas* Terms, were either conſumed or loſt; whereby an Act paſſed, 31 *Car.* II. for the re-ingroſſing of thoſe Records; and that Office is now built in an open wide Court of the *Temple*, near the Water Side, not adjacent to any other Edifices, for the better Security of thoſe Records for all Time hereafter.

The *Inner-Temple*, conſiſting of divers magnificent Courts and Buildings, with beautiful Walks for the Recreation of the Inhabitants, is denominated from its having been the Eaſtern Part of the Monaſtery of the Knights Templers: But that Order being ſuppreſſed, *Edward* III. gave the Priory to the Knights Hoſpitallers, who ſoon after demiſed the ſame to certain Students of the Law for a Rent of ten Pounds *per Annum*; in whom, and their Succeſſors, it has ever ſince continued.

This Society conſiſts of Benchers, Barriſters and Students; the former whereof, as Governors, at Commons, have their Table at the upper End of the Hall, and the Barriſters and Students theirs in the middle. Antiently, at theſe Entertainments, their Bread ſerved inſtead of Plates, and no other Veſſels to drink out of than Wooden Cups; but at preſent they are allowed Trenchers for their Meat, and coarſe green Earthen Pots for their Liquor. However, though the antient Cuſtom of uſing mean Veſſels ſtill prevails, yet there are but few that fare better. Dugd. Orig. Juriſd.

All the Members of the Society that have Chambers, are obliged to be in Commons a Fortnight in every Term, for which they pay about ten Shillings *per* Week. Sixteen of which Terms, with a regular Courſe of Study, qualifies a Student for the Bar.

The Fees of the Houſe, upon the Admiſſion of a Member, is three Pounds ſix Shillings and eight Pence; which, with other Diſburſements, amount to four Pounds and two Pence.

The Parliament, wherein the Affairs of the Society are treated, is commonly held twice every Term.

The Officers and Servants of the Houſe are, a Treaſurer, Sub-Treaſurer, a Steward, a Chief and three Under-Butlers, an Upper and Under-Cook, a Pannier-man, a Gardener, two Porters and two Waſh-pots.

The *Middle-Temple*, which is an Inn of Court adjoining to the *Inner-Temple* on the Weſt, is ſo denominated from its having been the middle or central Part of the antient Temple or Priory of the Knights Templers. The chief Officer of this Houſe, like that of its Neighbour, is a Treaſurer, who is annually elected from among the Benchers, and whoſe Office it is to admit Students, aſſign them their Chambers, and to receive and pay all the Caſh belonging to the Society. New View of Lond.

The Officers and Government of this Inn are, in all reſpects, like to that of the *Inner-Temple*, except the Charge of Admiſſion, which is five Pounds; and the Time to qualify a Student for the Bar, inſtead of ſixteen Terms in that, is twenty-eight in this. Ibid.

Thirdly, In *Chancery-lane* is a Place for keeping the *Records of Chancery*, called *The Rolls*, or *Chapel for the Cuſtody of Rolls* or *Records in Chancery*. This Chapel was antiently the Houſe of the converted *Jews*, founded by King *Henry* III. in Place of a *Jew*'s Houſe to him forfeited in the Year 1233, and the ſeventeenth of his Reign; who built there for them a fair Church. It ſtood not far from the *Old-Temple*, but in the Mid-way between the *Old-Temple* and the *New*. In which Houſe all ſuch *Jews* and Infidels as were converted to the Chriſtian Faith were ordained and appointed (under an honeſt Rule of Life) ſufficient Maintenance. Whereby it came to paſs, that in a ſhort Time there were gathered a great Number of Converts, which were baptized, inſtructed in the Doctrine of Chriſt, and there lived under a learned Chriſtian appointed to govern them. *The* Rolls. *Houſe for converted* Jews.

If the Letter following to King *Edward* was ſent from this Houſe, as it ſeems to be, it appears from thence that they were of the *Carthuſian* Profeſſion, and that they received yearly Allowance from the Crown; and that this King, as *Under the* Carthuſians.

this Houſe was founded by his Father, continued his Favour to it. In the ſixth of his Reign, *viz. Anno* 1278, they ſent one with their Letter, named *Friar John the Convert*, to bring the King's Charity. Which Letter was penned after this ſubmiſſive Manner by them, ſtiling themſelves *Cœlicolæ Chriſti, i. e.* Chriſt's heavenly Inhabitants, but very poor.

A Letter to the King.

" Illuſtriſſimo & Magnifico Dno. Regi Angliæ, " &c. Pauperes Cœlicolæ Chriſti, & Conventus " Dom. Cartuſie ſeipſos ad pedes, & ſiquid valet " oratio peccatorum, ſublimitati vere devote & " humillime ſupplicamus, quatenus nob. pauper- " rimis & indignis ſervulis vris' helimoſinam que " ſingulis annis de fonte pietatis vre' nob. miſeri- " corditer emanet, & qua per gram' vram' in al- " tiſſimi ſervicio ſuſtentamur fratri Johi. Conver- " ſo nro. exhibitori preſentium, perſolvi diligen- " ter faciat vra. benignitas gracioſo. Quam Rex " regnum Iheſus vob. & vris. in regno collocet " ſempiterno: Et optime valeat in terra Regia " Celſitudo. Dat. An. Dom.

" M°. cc°. Lxx. viii. In craſtino be. Lucie."

But in the Year 1290, all the *Jews* in *England* being baniſhed out of the Realm, and the Number of Converts in this Place almoſt decayed; in the Year 1377 this Houſe was annexed by Patent to *William Bruſtall*, Clerk, *Cuſtos Rotulorum*, or Keeper of the *Rolls* of the *Chancery*, by *Edw.* III. in the fifty-firſt Year of his Reign, (or rather the fiftieth, which was the laſt Year of his Reign); and this firſt Maſter of the *Rolls* was ſworn in *Weſtminſter-hall*, at the Table of Marble Stone; ſince which Time that Houſe has been commonly called the *Rolls* in *Chancery-lane*.

Granted to the Keeper of the Rolls.

In the fifteenth of the ſaid King *Edward* IIId's Reign, that King annexed by Letters Patents this Houſe to the Office of *Cuſtos Rotulorum*; and there was an Act, wherein it was ſaid, " That " the Chancellor, or Keeper of the Great Seal, " after the Voidance of the ſaid Office of keeping " the *Rolls*, ſhould inſtitute, ſucceſſively, the " Keeper of the *Rolls* in the ſaid Houſe of the " Convents." After which Act of Parliament *John de Waltham*, Guardian, or Keeper of the *Rolls*, obtained of *Richard* II. in the ſixth of his Reign, Letters Patents, whereby the King granted to him, and his Succeſſors, Keepers of the *Rolls*, the Houſe of Converts. This *John* of *Waltham* was after Biſhop of *Saliſbury*, and after Treaſurer of *England*.

Confirmed by Parliament.

Notwithſtanding, ſuch of the *Jews*, or other Infidels, as have in this Realm been converted to Chriſtianity, and baptized, have been relieved there; for it is in Record, that one *William Piers*, a *Jew*, that became a Chriſtian, was baptized in the fifth of *Richard* II. and had two Pence a Day allowed him during his Life by the ſaid King.

Jews *ſince relieved by this Houſe.*

In the Reign of *Henry* IV. there was one *Elizabeth*, Daughter of a *Rabbi*, (who was intitled, *The Biſhop of the* Jews) that was a Convert; to whom, beſides a Penny a Day paid her by the Keeper of this Houſe of Converts out of a Branch of the *Exchequer*, appointed for that Purpoſe, the King of his Grace granted another Penny a Day for her Life, according to a Patent to this Tenor: *Rex omnibus ad quos, &c. Salutem. Sciatis quod de gra' noſtra ſpeciali, conceſſimus Elizabethæ Filiæ Rabi Moyſes, Epiſcopi Judæorum, unum denarium per diem, ultra unum denarium, quem ead. Elizabetha, ut una Judæorum ad fidem Chriſtianorum converſa, per manus Cuſtodis Domus Converſorum London. de ſumma pro hujuſmodi Converſis, ad Scaccarium precipienda, aſſignata, ſingulis diebus percipit. Habendum & percipiendum dictum Denarium diurnum per nos eid. Elizab. tenore præſentium conceſſum, una cum dicto altero Denario, &c.*

The Building is of Brick, Boulder, and ſome Free-ſtone; the Doors and Windows are *Gothick*; the Roof is covered with Slate; the Ornament of the Preſſes for Rolls on the Inſide, is Columns and Pilaſters of the *Ionick* and *Compoſite* Orders.

The Building.

It is in Length 60 Feet, in Breadth 33.

In this Chapel of the *Rolls*, againſt the Eaſt Wall, is a venerable Monument for Dr. *Yong*, ſome Time Maſter of the *Rolls*. It is cut in the Figure of a well-wrought Stone Coffin, on which lies along a Man moſt artificially carved in Stone, with a Cap with Corners covering his Ears, and Scarlet Gown, his Hands lying upon his Breaſt a-croſs. On the Wall, juſt above him, the Head and Shoulders of our Saviour appearing out of the Clouds, looking down upon him; and two Angels on each Side of our Saviour. Underneath this Figure is this Inſcription in Capitals, *viz.*

Monuments.

Jo. Yong, L. L. Doctori, ſacrorum ſcriniorum ac hujus Domus Cuſtodi, Decano olim Ebor. Vita defuncto xxv Aprilis, ſui fideles Executores hoc poſuerunt M.D.XVI.

Upon the Baſe of the Coffin, *Dominus Firmamentum meum.*

On the North Side of this Chapel is a magnificent Monument, adorned with the Effigy of an old Gentleman in a long Robe, in full Proportion, cumbent on his right Side, his Head reſting on his Hand; this is between two Columns (with gilded Capitals) and Entablature of the *Corinthian* Order; and lower, on the Front, are four ſmaller Figures in a kneeling Poſture. The Inſcription is,

Sacræ Memoriæ

Domini Edwardi Bruci Baronis Brucii, Kinloſſenſis, ſacrorum ſcriniorum Magiſtri, dicatum, qui obiit 14 Jan. Sal. 1610. Ætat. 62. Jacobi Regis.

Brucius Edwardus; ſitus hic & Scotus & Anglus:
Scotus ut Ortu Anglis ſic Oriundus avis;
Regno in utroq; decus tulit actus Honoribus amplis,
Regi a Conſiliis Regni utriuſque fuit.
Conjuge prole nuru Genero ſpe, Réque beatus
Vivere nos docuit, nunc docet ecce mori.

His Arms: Or, a Saltire, Gules, a Chief of the ſecond, on a Canton, Argent, a Lion rampant, Azure: Theſe alſo impaled with Or, a Bend ingrailed, Azure.

Up the Chancel Steps, on the South Side of the Chapel, is a ſpacious Monument of the *Corinthian* Order, with the Figures of a Man, Woman, and three Children, in a kneeling Poſture, and this Inſcription:

Hoſpes qui fuerim quondam, ſi quæris, Amice,
Nomen ALLINGTONUS ſtirps Generoſa fuit,
Hac Monumenta mihi Conjux fidiſſima ſtruxit,
Quæque mihi ſtruxit deſtinat illa ſibi.
Charaque Conjugii tres natæ pignora noſtri,
Sunt Vultus quarum, marmora ſculpta tenent;
Cum matre has omnes precor ut poſt Funera ſumme
Cœlica perducas in tua Regna Deus.

Arms:

Arms: *A Bend between ſix Billets*, &c. *ten Coats*, *Quarterly*; but the Colours not diſcernible.

At the North-Weſt Angle of this Chapel is a Bench, *&c.* where the Maſter of the *Rolls* hears Cauſes in *Chancery*.

The Miniſter is appointed by the Maſter of the *Rolls*, the Honourable Sir *Thomas Clarke*.

There are Prayers upon *Sundays* and Holidays, at about eleven and three. The preſent Preacher is the Rev. Dr. *Terrick*. His Salary is about 20*l.* each Term: It is reckoned a Place of great Credit.

Attendance is alſo given in this Chapel, from ten to twelve daily, for taking in and paying out Money, (according to Order of Court,) and for making Searches of Rolls, *&c.* by ſuch as come for that Purpoſe.

All Records down to 1483 are kept in the *Tower*; and from that to the preſent Time in the *Rolls* Chapel. The preſent Clerk of the *Rolls* and Records there is *Henry Rooke*, Gent.

Inns of Court. *Fourthly*, Beſides theſe antient Foundations, there are ſeveral more Houſes for the Law, commonly called *Inns of Court*: As,

Barnard's-Inn. (1) *Barnard's-Inn*, ſituate on the South Side of *Holborn*, near to the North-Weſt End of *Fetter-lane*, was antiently called *Mackworth's-Inn*, which is an Inn of *Chancery*, belonging to the Dean and Chapter of *Lincoln*, as ſays the Record of *Henry* VI. the twenty-third of his Reign; and was founded by Inquiſition in the *Guildhall* of *London*, before *J. Norman*, Mayor, the King's Eſcheator. The Jury ſaid, that it was not
A.D.1454 hurtful for the King to licenſe *Thomas Atkins*, Citizen of *London*, and one of the Executors of *John Mackworth*, Dean of *Lincoln*, to give one Meſſuage in *Holborn*, in *London*, with the Appurtenances, called *Mackworth's-Inn*, but was commonly known by the Name of *Barnard's-Inn*, to the Dean and Chapter of *Lincoln*, to find one ſufficient Chaplain, to celebrate divine Service in the Chapel of St. *George*, in the Cathedral Church of *Lincoln*, where the Body of the ſaid *John* is buried; to have and to hold the ſaid Meſſuage to the ſaid Dean and Chapter, and to their Succeſſors for ever, in Part of Satisfaction of 20*l.* Lands and Rents, which *Edward* III. licenſed the ſaid Dean and Chapter to purchaſe to their own Uſe; either of their own Fee, or Tenure, or of any other, ſo the Lands were not holden of the King *in Capite*.

This Society conſiſts of a Principal and twelve Antients, beſides other Members, who are obliged to be in Commons a Fortnight in two Terms, and ten Days in each of the other two, on Penalty of 5*s. per* Week.

Thavie's-Inn. (2.) Near to the Weſt End of St. *Andrew*'s Church, in *Holborn*, is another Inn in *Chancery*, called from its Founder *Thavie's-Inn*. It is a Member of *Lincoln's-Inn*, who had a Grant thereof from *Gregory Nichols*, Citizen and Mercer of *London*, in the Year 1549; by virtue whereof, they ſoon after demiſed the ſame to the Principal and Antients thereof, for a certain Term of Years, at the Rent of three Pounds ſix Shillings and eight Pence *per Annum*.

This Inn appears to be of great Antiquity, by its having belonged to *John Thavie*, (from whom it is denominated) in the Reign of *Edward* III. by whoſe Will it appears to have been then an Inn for Students of the Law; ſome of whom, about the Year 1347, had the *New Temple* demiſed to them by the Knights Hoſpitallers of *St. John of Jeruſalem*, for a yearly Rent of ten Pounds; and removing thither, they and their Succeſſors have continued there ever ſince.

The ſaid *Thavie*, *Anno* 1348, left an Eſtate ſo conſiderable for the Support of St. *Andrew*'s Church in *Holborn*, that it is ſaid the preſent Church was built thereby about the Year 1670.

This Houſe is governed by a Principal and eleven Antients, who, with the other Members, are to be ten Days in Commons in iſſuable Terms, and in each of the reſt a Week.

Clifford's-Inn. (3) Adjoining to the North Side of St. *Dunſtan's* Church, in *Fleet-ſtreet*, ſtands *Clifford's-Inn*, alſo an Inn in Chancery, and Member of the *Inner-Temple*. It did ſome Time belong to *Robert Clifford*, by Gift of *Edward* II. in theſe Words:

" The King granteth to *Robert Clifford*, that " Meſſuage, with the Appurtenances, next the " Church of St. *Dunſtan* in the Weſt, in the " Suburbs of *London*. Which Meſſuage was " ſome Time *Malculine*'s *de Herley*; and came to " the Hands of *Edward* I. by Reaſon of certain " Debts, for which the ſaid *Malculine* was bound " at the Time of his Death to our ſaid Father, " from the Time that he was Eſcheator on this " Side *Trent*. Which Houſe *John* Earl of *Rich-* " *mond* did hold at our Pleaſure, and is now in " in our Poſſeſſion."

Patent the 3d of *Edward* II.

After the Death of this *Robert Clifford*, *Iſabel* his Wife let the ſame Meſſuage to Students of the Law, as by the Record following may appear:

" Iſabel, quæ fuit uxor Roberti Clifford, Meſſuagium unipartitum, quod Robertus Clifford habuit in Parochia S. Dunſtani, Weſt. in Suburbio Londini, *&c.* tenuit, & illud dimiſit poſt mortem dict. Roberti Apprenticiis de Banco, pro 10*l.* Annuatim, *&c.* Anno 18 Edvardi tertii, inquiſitis poſt mortem Roberti Clifford."

This Houſe fell afterwards into the King's Hands, but returned again to the *Cliffords*; and, in *Stow*'s Time, was let to the ſaid Students for 4*l.* a Year.

The Society is governed by a Principal and twelve Antients, who are chiefly Attornies and, Officers of the Marſhal's Court, who, with the reſt of the Members, are in Commons a Fortnight every Term, otherwiſe to pay four Shillings *per* Week.

Serjeant's-Inn, Fleet-ſtreet. (4) Adjoining to the Precinct of *White-friars*, and a little Eaſt of the *Temple*, is a Place called *Serjeants-Inn*, for that divers Judges and Serjeants at Law kept a Commons, and were lodged there in Term-Times.

This *Serjeants-Inn* ſeems to have been ſome Time a Garden belonging to the *New-Temple*, and granted by King *Henry* III. to a Biſhop of *Chicheſter*; for ſuch a Patent is found, *R. Chicheſter Epo. nov. Templ. Gardinum in vico ante novum Templum*, London.

This, or ſome other Meſſuage of *Serjeants-Inn*, was in the Crown in the Reign of *Edward* VI. who, in his 3d Year, ſold all the Meſſuage, Lordſhip, and Hereditaments thereof, to Sir *Edward Montagu*, and *John Campanet*.

Dugd. Orig. Jur. c. 74. f. 326.

This honourable Houſe of Judges and Serjeants, in *Fleet-ſtreet*, was ſometime a Meſſuage, formerly (and ſtill) belonging to the Dean and Chapter of *York*; and in it the Serjeants at Law (as ſome have obſerved) about the Beginning of King *Henry* VI's Reign, had their Reſidence; for it was demiſed about the 21ſt Year of King *Henry* VI. by the Dean and Chapter of *York*, to one *William Auntrous*, a Citizen and Taylor of *London*, for eighty Years, at the Rent of ten Marks Sterling, payable quarterly. And all that Time *John Ellerbar* (made Serjeant at Law in the 3d Year of *Henry* VI.) and other Serjeants did abide and live in it. And it is probable (ſaith Sir *William Dugdale*) that this *William Auntrous* did inhabit in Part of the Houſe himſelf, and was in Nature of a Steward to them; as afterwards *John Wikes*, Eſq; was, who had a Leaſe thereof, under the ſame Rent, and for the ſame Term, granted about the 14th of King *Edward* IV. and at the ſame Time inhabited therein. But in the 15th Year of King *Henry* VIII. it was demiſed by the Dean and Chapter of *York* to Sir *Lewis Pollard*, Knt. then (and till the 17th Year of the ſaid King) a Juſtice of the Court of Common-Pleas, and to ſeveral Serjeants at Law, for the Term of twenty-one Years, at the Rent of fifty-three Shillings and four Pence, payable at the Feaſts of the *Annunciation of our Lady*, and St. *Michael the Archangel*. Since which Time the Judges and Serjeants have, by other Leaſes from the Dean and Chapter of *York*, held it till this Day.

And in the great and terrible Conflagration and dreadful Fire, which broke out in *London*, the third Day of *September*, *A. D.* 1666, being the 18th Year of King *Charles* II. and continued about the Space of three Days, and deſtroyed the greateſt Part of the City before it could be ſtopped, and laid the Honour of our Nation, one of the richeſt and choiceſt Cities in the World, in the Duſt; and by ſo ſudden and irreſiſtible, ſo diſmal and amazing Devaſtation, as in all Circumſtances is ſcarce (ſays the late Learned and Reverend Lord Archbiſhop of *Canterbury*) to be parallelled in any Hiſtory; and in ſo ſtupendous a Manner deſolated the Glory of our Land, that no human Fury could have procured, or ever have wiſhed, the like Devaſtation and Ruin; and that City, which was great among the Nations, and Princeſs among the Provinces, lay for ſome Time buried in her own Aſhes, and was both funeral Pile and Urn to herſelf: And what neither foreign or domeſtick Enemies could in a Succeſſion of many Ages effect, one Blaſt of the Breath of God's Diſpleaſure did perform in a Moment; and ſo verifying, even in a literal Senſe, the Apoſtle's Affirmation, that our God is a conſuming Fire. And this Devaſtation of dead Tabernacles tripping cloſe upon the Heels (as it were) of the raging Plague, which, the intelligent *Turkiſh* Intelligencer takes Notice, had deſtroyed ſuch a vaſt Number of living Tabernacles: For he acquaints his Correſpondent, that in the City of *London*, above an hundred thouſand Souls, ſtruck with inviſible Darts from God, went off the Stage of human Life in leſs than ſix Months Revolution. Whereupon he makes this Obſervation: "Surely the Gods of "the *Engliſh* are angry (ſaith he) with that "People, and the Guardian Spirits of the Iſle "have forſook their Charge; for the whole "Iſland may well be called at this Time the "grand Infirmary of *Europe*, where baneful "Sickneſs makes its publick Reſidence. The "timorous Chriſtians run from Place to Place, "thinking to eſcape from Heaven's all-ſearching Purſuivants. They fly from populous "Towns to Villages, and from theſe again to "unfrequented Deſarts, Woods and Heaths, "carrying their Wives and Children with them, "and all the Subſtance of their Houſes. The "Roads are covered with the Caravans and "doubtful Paſſengers, who dread to think of "going back to the contagious Seats they left "behind, yet know not where to be received "anew. So general is the Conſternation, ſo "ſtrong is the Fear, of thoſe who yet (ſaith he) "ſurvive, leſt they ſhould alſo catch the Infection and die. And beſides this they have "(ſays he again) felt the Stroke of another ſurprizing Calamity; *London*, the Capital City "of *England*, being newly conſumed with Fire. "It is not certain (adds this cunning *Intelligencer*) "whether Deſign or Chance firſt kindled the "devouring Element: But it fell out at an unlucky Seaſon, (ſaith he) when the Wind was "high, and, from its Eaſtern Quarter, blew the "Flames full Weſt, which, ſpreading North and "South, demoliſhed all before them, laying "the greateſt Part of that rich and famous "City in Aſhes." Thus the *Turkiſh Spy* obſerves. And amongſt other goodly and famous Structures and Piles of Buildings, that were devoured by the raging and mercileſs conſuming Fire, this College of the honourable, learned and grave Judges, and famous Serjeants of the Law, had its Participation in the ſame diſmal Fate.

The Buildings and Situation.

But upon the renewing of the Leaſe by the ſaid Dean and Chapter of *York*, in the Year 1670, it was rebuilt at the Charges of ſome of the Judges Barons of the *Exchequer*, and Serjeants at Law; together with the additional Supply of ſeventeen new Serjeants at Law, *viz.* *Turner* of *Yorkſhire*, *Barton*, *Bramſton*, *Peckham*, *Hopkins*, *Goodfellow*, *Baldwin*, *Howell*, Recorder of *London*, *Goddard*, *Powes*, *Jones*, *Turner* of *Wales*, *Hards*, *Ellis*, *Wilmot*, *Flynt* and *Scroggs*; who were called to that Degree in the 21ſt Year of King *Charles* II. and, making no publick Feaſt, did each of them depoſite one hundred Pounds towards the rebuilding of this honourable Hoſtel, which now is far more glorious and ſtately, than formerly it appeared; having now a very fine Chapel, an Hall, and ſtately Court of tall Brick Buildings. And this College of the honourable, grave and learned Judges, and ſage Serjeants of the Law, is ſituate on the South Side of *Fleet-ſtreet*, almoſt oppoſite to *Fetter-lane* End. And the principal Gate thereof opens Northward into

Fleet-ſtreet; then there is another little back Gate or Door at the South End of the Court, that opens into a Paſſage leading into the *Inner-Temple*. The Officers belonging to this honourable Inn, are a Steward, a Maſter-Cook, a Chief Butler, with their Attendants and Servants, and a Porter.

The Arms of the Houſe. This noble Houſe beareth for its Enſign or Badge of Honour, Gules, two Garbs, in Saltire, Or, and a Bend, Azure.

Serjeant's-Inn, Chancery-lane. (5) Near to the South-Eaſt End of *Chancery-lane*, and adjoining to the Weſt Side of *Clifford's-Inn*, is another Inn, appropriated to the ſame Gentlemen of the Law.

Dugd. Orig. Jur. c. 76. f. 333. This *Serjeants-Inn* in *Chancery-lane* was ſome Time a Meſſuage belonging to the Biſhops of *Ely*, as by Record appears; and about the 12th of King *Henry* IV. it was called *Faringdon's-Inn*; and at that Time (as ſome hold) the Serjeants at Law had Lodgings there: For in the 2d Year of King *Henry* V. which was about three Years after, the Biſhop's Bailiff gave in his Account for the Repair of *Aſkam's* Chamber, (who was made Serjeant at Law in the 12th Year of King *Henry* IV.) ſo that it ſeems the Lodgings were then let apart: But about two Years after, being the 4th Year of King *Henry* V. the Houſe was intirely demiſed to the Juſtices, and others learned in the Law; for in that Year there is accompted to the Biſhop ſix Pounds thirteen Shillings and four Pence, *pro Faryndons-Inn in Chancelers-Lane, demiſſo Rogero Gorton, & Willielmo Cheyney, Juſticiariis, et Waltero Aſkam, Apprentiſio Legis.* But it ſeems the Judges and Serjeants were not conſtant Tenants to the Biſhop in thoſe Days; for in the third Year of King *Henry* VI. it ſtood unlet for a Year; and then it was let to Juſtice *Martyn*, Juſtice *Strangeways*, and Juſtice *Rolf*, for five Pounds; and ſoon after, in the ninth Year of King *Henry* VI. it had the Name of *Hoſpitium Juſticiariorum*, Juſtice-Inn. Then in the nineteenth Year of King *Henry* VI. it was demiſed to the Judges and Serjeants at five Pounds *per Annum*; and in the fourteenth Year of King *Edward* IV. to Sir *Robert Danby*, Lord Chief Juſtice of the Common-Pleas, and other Judges, at the ſame Rent; but, in the ſixteenth Year of the ſaid King, to Sir *Thomas Gray*, Knight, at four Pounds *per Annum*; and ſo in King *Richard* III's Time, doing all Repairs. Then in the eighth Year of King *Henry* VII. it was in the Biſhop's Hands for want of Tenants; but it was but a while out of the Judges and Serjeants Tenancy: For in the laſt Year of King *Henry* VII. it was demiſed again, by the Name of *Serjeants-Inn* in *Chancelers-lane*, to Sir *John Mordant* and *Humphrey Coningſby*, then two of the King's Serjeants at Law, at the Rent of four Pounds *per Ann.* keeping all Repairs; and in the ſecond Year of King *Edward* VI. *Thomas Goodricke*, Biſhop of *Ely*, demiſed it to *Chriſtopher Fulnetby*, his Brother-in-Law, for eighty-one Years; which Leaſe coming by mean Aſſignments to Sir *Anthony Aſhby*, Knight, and then by Surrender to *Nicholas Felton*, Biſhop of *Ely*, he granted it to the ſaid Sir *Anthony* for three Lives, *viz. Philippa*, his then Wife, afterwards married to *Carey Crawley*, Eſq; and two of his Servants; under whom (ſaith Sir *William Dugdale*) if the ſame be ſtill in Being, the Judges and Serjeants do hold it.

The Situation and Buildings. This honourable Inn is ſituate on the Eaſt Side of *Chancery-lane*, near the South End thereof, leading into *Fleet-ſtreet*. It conſiſts of two Courts, hath a pretty little Hall, and a convenient Kitchen; but the Buildings, for the moſt Part thereof, low Paper Buildings. The principal Gate thereof opens Weſtward into *Chancery lane*; then there is a little back Gate or Door that opens Eaſtward into *Clifford's-Inn*, but is ſeldom open but in the Term Time. The Officers belonging to it are, a Steward, a Maſter-Cook, a Chief Butler, and their Servants, and a Porter.

The Arms of the Inn. This honourable Inn hath for its Cognizance or Arms, Or, an *Ibis* proper, which is a Bird near the Colour of a Jay.

Six-Clerks-Office. *Fifthly*, On the Weſt Side of *Chancery-lane* was ſome Time an Houſe belonging to the Prior of *Necton* Park, a Houſe of Canons in *Lincolnſhire*. This was commonly called *Hereflete-Inn*, and was a Brewhouſe, but now built for the Six Clerks of the *Chancery*, and ſtands over-againſt the ſaid Houſe, called the *Rolls*; and near unto the Lane which entered *Ficket's-croſs*, or *Ficket's-field*, now *Carey-ſtreet*.

There was an Act made for Aſſurance of a Tenement to the Six Clerks of the *Chancery*, called *Hereflete-Inn*, in *Chancery-lane*, and for making them a Corporation. See Acts of Parliament enrolled 32 *Hen.* VIII. And in the 37th Year of the ſame King, another Act paſſed for the ſame. Under theſe Six Clerks are ſixty Clerks more, for the neceſſary Diſpatch of Buſineſs. And the Lord Chancellor *Jefferies* added thirty Clerks more, in all amounting to the Number of ninety; which the other Clerks took great Offence at; and therefore there was afterwards an Endeavour to reduce them to the old Number, by not filling up the Vacancy by Death.

Ely-houſe. *Sixthly*, *Ely-houſe*, the City Manſion of the Biſhops of *Ely*, on the North Side of *Holborn-hill*. *Will. de Luda*, Biſhop of *Ely*, deceaſed 1297, and gave this Houſe, by the Name of his Manor, with the Appurtenances, in *Holborn*, to his Succeſſors; with Condition, that his next Succeſſor ſhould pay 1000 Marks towards the finding of three Chaplains in the Chapel there.

More, *John Hotham*, Biſhop of *Ely*, did give by the Name of ſix Meſſuages, two Cellars, and forty Acres of Land, in the Suburbs of *London*, in the Pariſh of St. *Andrew* in *Holborn*, to the Prior and Convent of *Ely*, as appears by Patent of the 9th of *Edward* III. This Man was Biſhop of *Ely* twenty Years, and deceaſed *An.* 1336.

Thomas Arundel, Biſhop of *Ely*, beautifully built anew his Palace at *Ely*; and likewiſe his Manſions in divers Places, eſpecially this in *Holborn*; which he did not only repair, but rather new built, and augmented it with a large Port, Gatehouſe, or Front, towards the Street, or Highway. His Arms are yet to be diſcerned in the Stone-Work thereof. He alſo ſat Biſhop of *Ely* fourteen Years, and was tranſlated to *York*.

In this Houſe, for the large and commodious Rooms thereof, divers great and ſolemn Feaſts have

have been kept, eſpecially by the Serjeants at Law, whereof two are to be noted for Poſterity.

The firſt: In the Year 1464, the 4th of *Edward* IV. in *Michaelmas* Term, the Serjeants at Law held their Feaſt in this Houſe. To which, amongſt other Eſtates, *Matthew Philip*, Mayor of *London*, with the Aldermen, Sheriffs, and Commons of divers Crafts, being invited, did repair. But when the Mayor looked to keep the State in the Hall, as it had been uſed in all Places within the City and Liberties, out of the King's Preſence, the Lord *Gray* of *Ruthen*, then Lord Treaſurer of *England*, unwitting the Serjeants, and againſt their Wills (as they ſaid) was firſt placed. Whereupon the Mayor, Aldermen, and Commons departed home; and the Mayor made the Aldermen to dine with him. Howbeit, he and all the Citizens were wonderfully diſpleaſed that he was ſo dealt with; and the new Serjeants, and others, were ſorry (as they ſaid) it had ſo happened.

One other Feaſt was likewiſe there kept in the Year 1531, the 23d of King *Henry* VIII. The Serjeants then made were in Number eleven, namely, *Thomas Audeley*, *Walter Luke*, *J. Baldwine*, *J. Hinde*, *Chriſtopher Jenny*, *John Dowſell*, *Edward Mervine*, *Edmund Knightley*, *Roper Chomley*, *Edward Montague*, and *Robert Yorke*.

Theſe alſo held their Feaſt in this *Ely-houſe* for five Days, *viz.* *Friday* the tenth of *November*, *Saturday*, *Sunday*, *Monday*, and *Tueſday*. On *Monday* (which was the principal Day) King *Henry* and Queen *Katharine* dined there, (but in two Chambers) and the Foreign Ambaſſadors in a third Chamber.

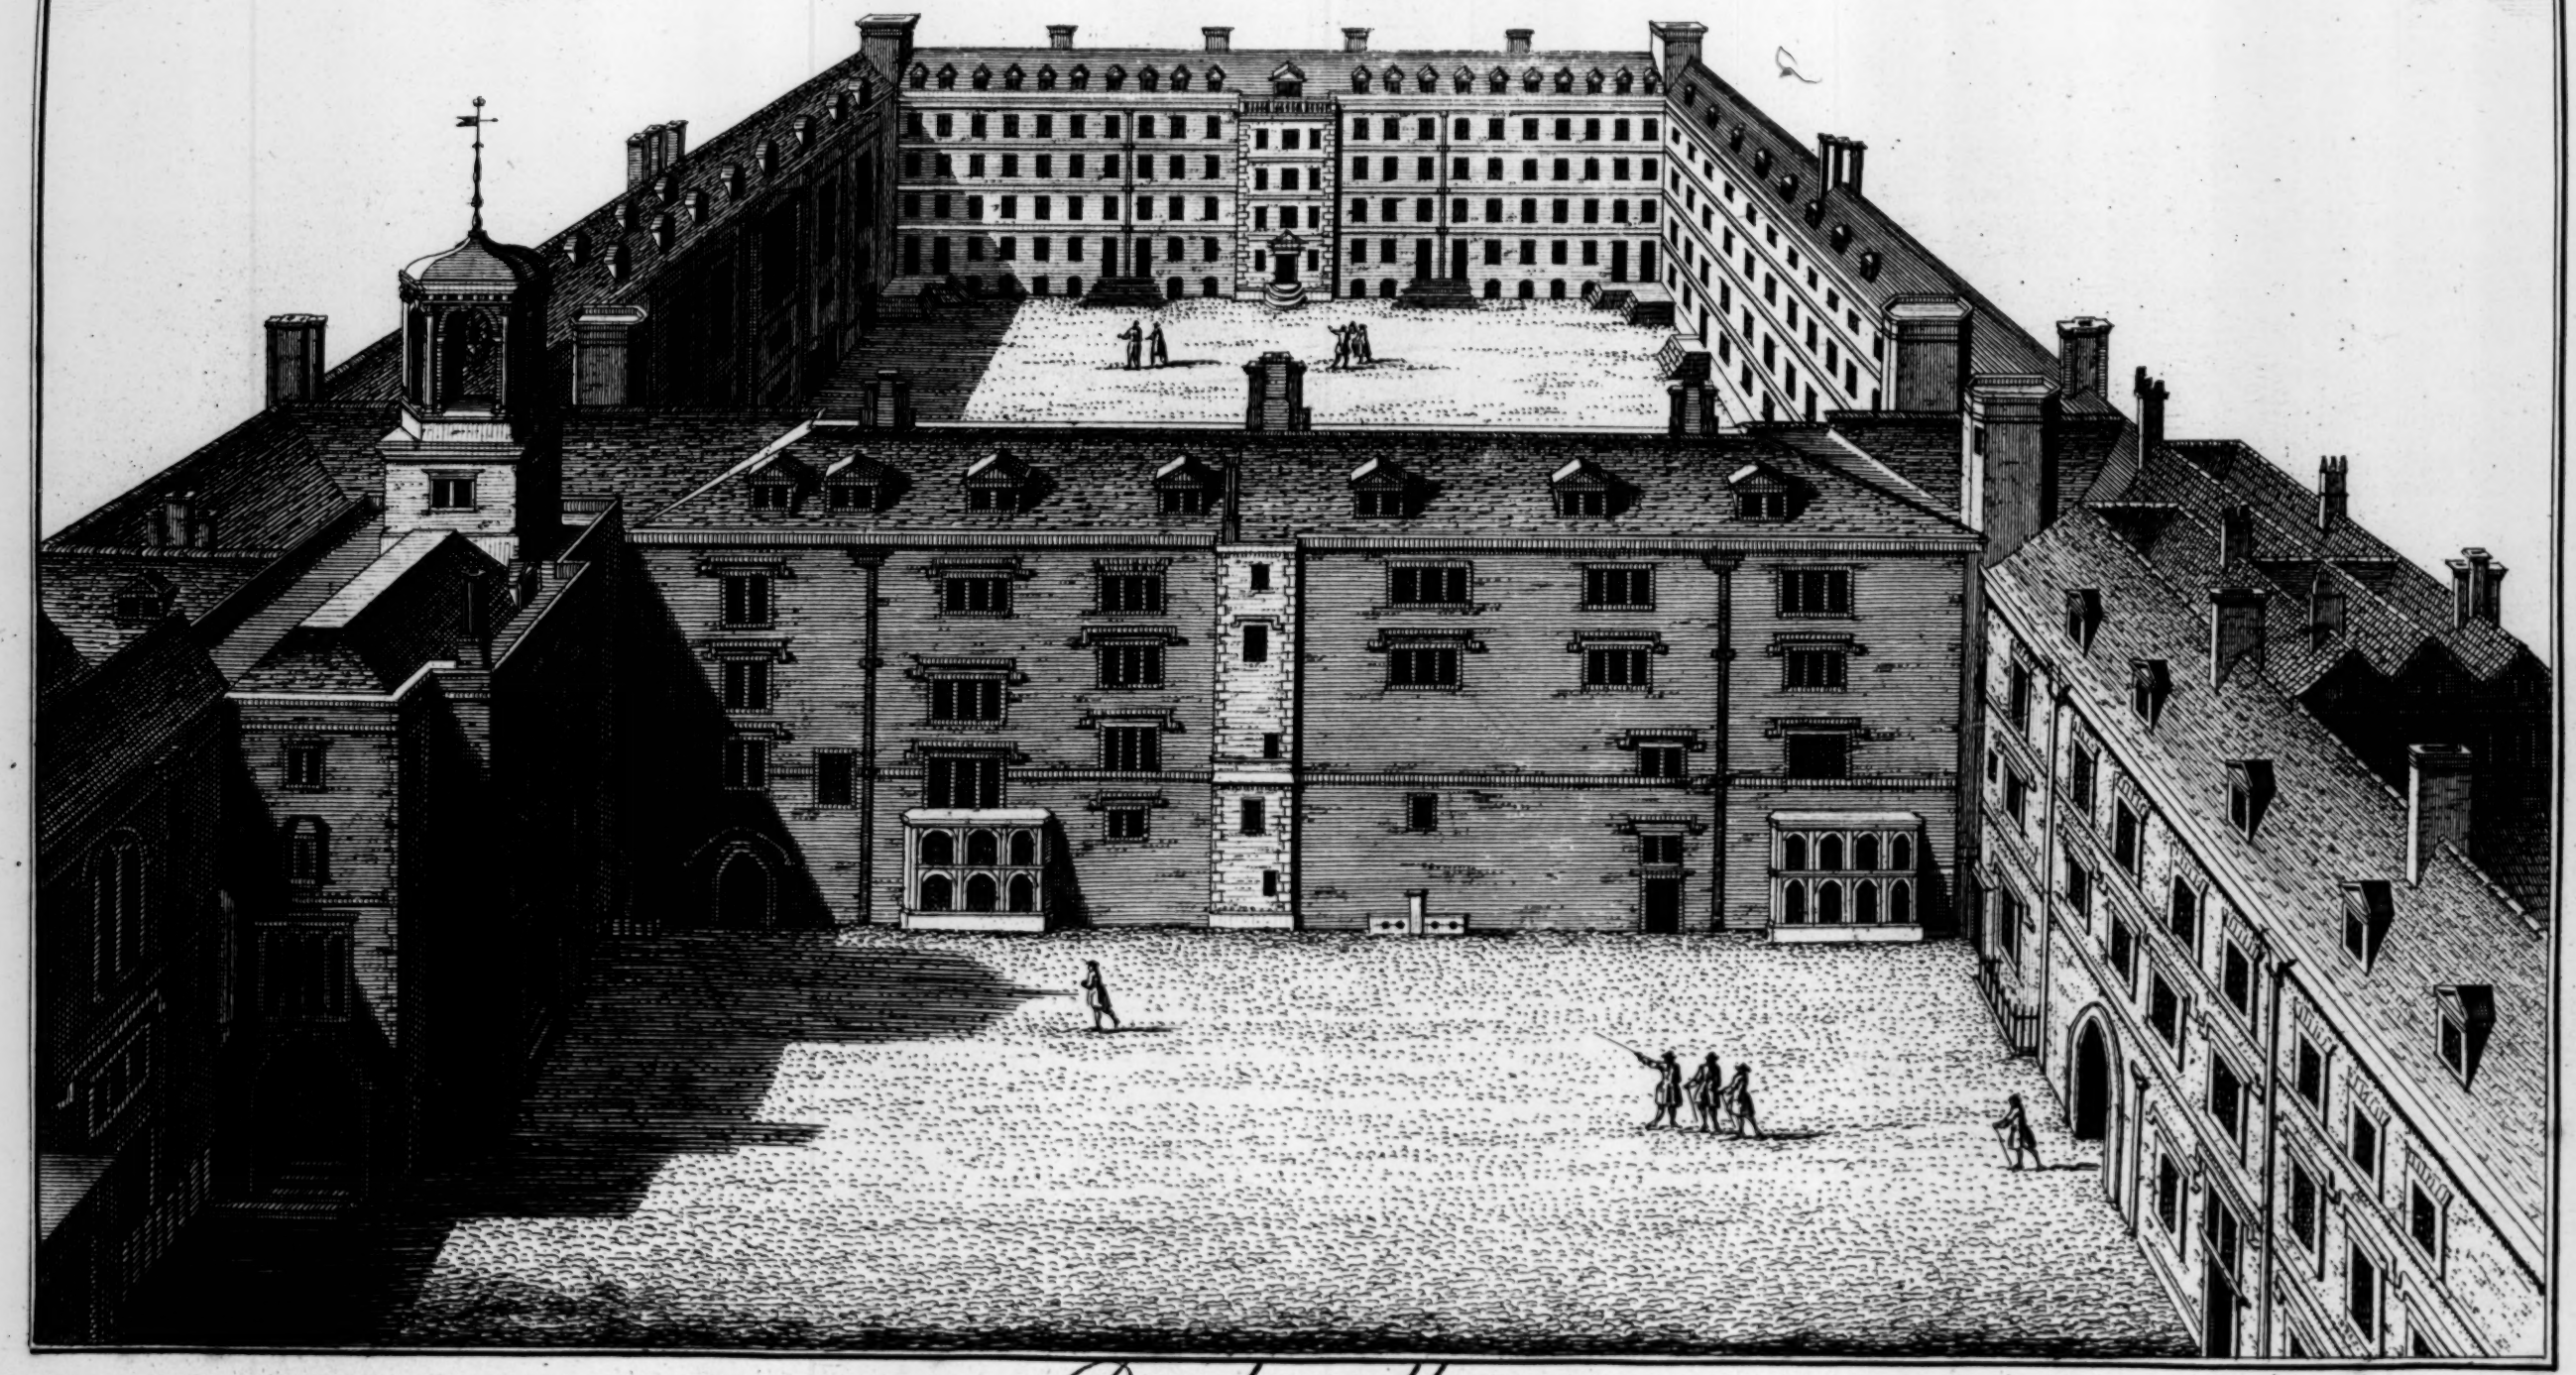
In the Hall, at the high Table, ſat Sir *Nicholas Lambard*, Mayor of *London*, the Judges, the Barons of the *Exchequer*, with certain Aldermen of the City. At the Board on the South Side ſat the Maſter of the *Rolls*, the Maſter of the *Chancery*, and Worſhipful Citizens. On the North Side of the Hall, certain Aldermen began the Board, and then followed Merchants of the City. In the Cloiſtry, Chapel, and Gallery, Knights, Eſquires, and Gentlemen were placed. In the Halls, the Crafts of *London*. The Serjeants at Law, and their Wives, kept in their own Chambers. See p. 230.

To this *Ely-Place*, in Queen *Elizabeth*'s Time, belonged Grounds, conſiſting of an Orchard and a Paſture, all incloſed within a Wall. *Cox*, Biſhop of *Ely*, upon the Queen's Sollicitation, granted Mr. *Chriſtopher Hatton* (who was Vice-Chamberlain of the Houſhold, Knighted, and, laſtly, Lord High Chancellor) a Part of this Houſe for twenty-one Years, upon which he laid out much Coſt; and upon that Pretence, afterward, he moved the Queen to require the ſaid Biſhop to alienate it to him, with the Garden; which to do, he made an humble Denial to the Queen, ſignifying to her, by a well-penned Letter in *Latin*, not only the Inconveniency that would hereby come to him and his Succeſſors, *viz.* "That they ſhould want an Orchard and "Ground, and that they ſhould be too much "ſtreightened; but that in his Conſcience he "could not do it, being a Piece of Sacrilege. "That when he became Biſhop of *Ely*, he had "received certain Farms, Houſes, and other "Things, which former pious Princes had "judged neceſſary for that Place and Calling. "Theſe he received, by the Queen's Favour, "from his Predeceſſors; and that of theſe he "was to be a Steward, not a Scatterer. That "he could not bring his Mind to be ſo ill a "Truſtee for his Succeſſors, nor to violate the "pious Wills of Kings and Princes, and, in "effect, reſcind their laſt Teſtaments. He put "the Queen in Mind of that Rule of Na-"ture, and of God, not to do that to ano-"ther, which one would not have done to one's "ſelf; and that the Profit of one is not to be "increaſed by the Damage of another. Nay, "he told her, that he could ſcarcely juſtify "thoſe Princes, which transferred Things ap-"pointed for pious Uſes into Uſes leſs pious." But, however, *Hatton* failed of obtaining his Deſire at preſent. After this good Biſhop's Death, the Temporalities coming into the Queen's Hands, theſe Lands were made over to him, and now go under the Name of *Hatton-garden*. Of which, by Buildings, vaſt Improvements have been made.

This *Ely-houſe*, with the Bounds of it, claimed a Privilege of expreſs Exemption from the Lord-Mayor's Juriſdiction. About this was a Conteſt. *Anno* 1567, Sir *Roger Martin*, being Lord-Mayor, came with his Company into the Parts about *Ely-houſe*, called *Ely-rents*, and attempted to weigh Bread, and do his Office among the Biſhop's Tenants there: Which they refuſed to ſuffer him to do, as being exempt from the Rights and Franchiſes and Liberties of the Mayor; and that they belonged to the Juriſdiction of the Church and Biſhoprick of *Ely*. This cauſed a great Diſpute; and at length the Biſhop and the Mayor choſe certain honourable Arbitrators to determine this Buſineſs, ſubmitting themſelves to the Order and Direction of the Right Honourable Sir *Nicholas Bacon*, Lord Keeper, *Robert* Earl of *Leiceſter*, Sir *Rob. Catlyne*, Kt. Lord Chief Juſtice of *England*, Sir *Walter Mildmay*, Kt. Chancellor of the Exchequer, Sir *James Dyer*, Kt. Lord Chief Juſtice of the Common Pleas. And both the ſaid Parties appeared at divers and ſundry Times, with their Learned Counſel, before the ſaid Lords and Arbitrators, and ſhewed divers and ſundry Writings and Records, for the Maintenance of their ſeveral Titles and Claims; and alſo, ſeverally, produced ſeveral Witneſſes, which had been examined in the Court of Chancery, and their Examinations publiſhed; and alſo produced ſeveral Witneſſes *Viva Voce* before the ſaid Arbitrators, for Proof of their ſeveral Allegations.

The Conſideration of all which Matters, after divers and ſundry Debates, was agreed, ſhould be referred to the two Chief Juſtices; and that they ſhould make their Report, and give their Opinions touching the ſaid Matter, and in whom the Right reſted.

And the Chief Juſtices having adviſedly weighed and conſidered the ſeveral Proofs, and afterwards being preſent in the Star-Chamber, together with the ſaid Sir *Nicholas Bacon*, and Sir *Walter Mildway*, the 9th of *June*, in the 12th of



Bridewell.

of Queen *Elizabeth*, *Anno* 1570, did make Report and Declaration of their Opinion, touching the ſaid Controverſy, *viz.*

That the Right of the Law, as far as they could yet diſcern, ſtood for the ſaid Mayor and Commonalty: And that the ſaid Tenements, called *Ely-rents* in *Holborn*, were and be within the Liberties, Franchiſes, and Juriſdiction of the ſaid City, for and concerning the Matter in Controverſy.

It was therefore by the Arbitrators (except the ſaid Earl, who was then abſent, and the ſaid Biſhop and his Counſel, being likewiſe abſent) ordered and decreed, the ſaid 9th of *June*, That the ſaid Mayor and Commonalty of the City of *London*, and their Succeſſors, ſhould from thenceforth peaceably and quietly have, uſe, enjoy, and exerciſe, within the ſaid Tenements, all and every ſuch Liberties, Cuſtoms and Juriſdictions, as they may uſe within any other Place within the Liberty and Freedom of *London*, without any Trouble to their Servants, Tenants, and Officers, until ſuch Time as the ſaid Biſhop, or his Succeſſors, ſhew forth better Matter for their Parts and Defence in the Premiſes.

This Houſe is, at preſent, a very old Building, and ſtands upon a large Piece of Ground; having a ſpacious Hall, a good Chapel, and ſeveral large Rooms, but old-faſhioned, with a ſpacious Yard or Court before it, and a large Ground for Gardening behind it, which, for want of a Gardener's keeping, lay in a rude Condition; and were this Gronnd improved by Building, it would bring in a great Revenue to the Epiſcopal See, beſides a good Houſe for his City Abode. The preſent Poſſeſſor thereof is the Right Reverend Dr. *Thomas Mawſon*, now Lord Biſhop of *Ely*.

Hoſpitals. *Seventhly*, This Ward is alſo remarkable for two great Hoſpitals, *viz.*

Bridewell. (1) *Bridewell*, ſituate on the North Bank of the River *Thames*, near the Eaſt Extremity of *Fleet-ſtreet*, was in old Time a Royal Palace; for the Kings of this Realm have been there lodged, and their Courts of Law have been there kept, of old Time. And, 'till the 9th of *Henry* III. the Courts were kept in the King's Houſe, whereſoever he lodged, as may appear by antient Records.

King *Henry* VIII. built there a ſtately and beautiful Houſe, new, for the Reception of the Emperor *Charles* V. who, in the Year 1522, was lodged himſelf at *Black-friars*; but his Nobles in this new built *Bridewell*, a Gallery being made over the Water, and through the Wall of the City, into the Emperor's Lodging at *Black-friars*. King *Henry* himſelf oftentimes lodged there alſo, as namely, in the Year 1525, a Parliament being then held in *Black-friars*. He created States of Nobility there, *viz.*

Henry Fitz-Roy, a Child, whom he had by *Elizabeth Blunt*, to be Earl of *Nottingham*, Duke of *Richmond* and *Somerſet*.

Henry Courtney, Earl of *Devonſhire*, Couſin-German to the King, to be Marquis of *Exeter*.

Henry Brandon, a Child of two Years old, Son to the Earl of *Suffolk*, to be Earl of *Lincoln*.

Sir *Thomas Manners*, Lord *Roſs*, to be Earl of *Rutland*.

Sir *Henry Clifford*, to be Earl of *Cumberland*.

Sir *Robert Ratcliff*, to be Viſcount *Fitzwater*.

Sir *Thomas Boloine*, Treaſurer of the King's Houſhold, to be Viſcount *Rochford*.

In the Year 1528, Cardinal *Campeius* was brought into the King's Preſence, being then at *Bridewell*, whither he had called all his Nobility, Judges, and Counſellors, *&c.* And there the 8th of *November*, in his great Chamber, he made to them an Oration touching his Marriage with Queen *Katharine*.

In the Year 1529, the ſame King *Henry* and Queen *Katharine* were lodged there, whilſt the Queſtion of their Marriage was argued in *Black-friars*, &c.

There being many poor diſtreſſed Perſons in the City, who had neither Houſe nor Harbour, but were forced to lie abroad in the open Streets, many worthy Citizens were thereby much affected, and eſpecially *Ridley*, the good Biſhop of *London*; who, conſidering that *Bridewell*, an old decayed Houſe of the King's, ſituated in the City, being very large and capacious, might be extremely ſerviceable to this charitable Purpoſe, he endeavoured to find a way to beg it of the King, and had the better Opportunity at this Time, one being about buying it of the King to convert to his own Uſe. And to compaſs this Deſign, in the Month of *May*, in this charitable Year 1552, he wrote a very pathetick Letter to Sir *William Cecyl*, Knt. the King's Secretary, whom he knew to be of a pious Diſpoſition, and much about the King's Perſon. His Letter was as follows:

Biſhop Ridley's Letter to Cecyl to beg Bridewell.

"Good Mr. *Cecyl*, I muſt be a Suitor unto "you in our Maſter Chriſt's Cauſe. I beſeech "you be good unto him. The Matter is, Sir, "alas! he hath lien too, too long abroad, (as you "do know) without Lodging, in the Streets of "*London*, both hungry, naked, and cold. Now "Thanks be unto Almighty God, the Citizens "are willing to refreſh him, and to give him "both Meat, Drink, Cloathing, and Firing; "but alas! Sir, they lack Lodging for him: "For in ſome one Houſe, I dare ſay, they are "fain to lodge three Families under one Roof. "Sir, there is a wide, large, empty Houſe of "the King's Majeſty, called *Bridewell*, that "would wonderfully well ſerve to lodge Chriſt "in, if he might find ſuch good Friends in the "Court to procure in his Cauſe. Surely I have "ſuch a good Opinion in the King's Majeſty, "that if Chriſt had ſuch faithful and hearty "Friends that would heartily ſpeak for him, "he ſhould, undoubtedly, ſpeed at the King's "Majeſty's Hands. Sir, I have promiſed my "Brethren the Citizens to move you, becauſe I "do take you for one that feareth God, and "would that Chriſt ſhould lie no more abroad in "the Street."

He prayed him alſo, for God's ſake, that he would ſtop the Sale of this Houſe, in caſe any were about buying of it, as he heard there was, and that he would ſpeak in our Maſter's Cauſe. The ſaid Biſhop wrote alſo to Sir *John Gates*, another great Man at Court, about this Buſineſs more at large; and he joined, he ſaid, *Cecyl* with him, and *all other that loved and looked for Chriſt's final*

final Benediction on the latter Day; meaning that in the Gospel, *Come, ye Blessed of my Father, inherit the Kingdom prepared for you from the Beginning of the World: For I was hungry*, &c. He also sent Instructions by the Bearer of this Letter, to confer further with *Cecyl* in this Affair. So that that holy Martyr *Ridley*'s Name must not be forgotten, as a great Instrument in the Procurement of *Bridewell* to the City.

Afterward this House being obtained to the City, it was employed for the Correction and Punishment of idle, vagrant People, and Strumpets, and for setting them to work, that they might in an honest Way take Pains to get their own Livelihood.

And here must not be omitted the Names of two good Mayors of *London*, *Dobbs* and *Barnes*; the former a main Instrument in procuring the Foundation of this and other Hospitals, the latter in furthering the good Estate of them; whom the good Bishop of *London* accosted in this Manner, in one of the Letters he wrote out of Prison a little before his Death:

"O *Dobbs*, *Dobbs*, Alderman and Knt. thou "in thy Year didst win my Heart for evermore, "for that honourable Act, that most blessed Work "of God, of the Erection and Setting-up of "*Christ*'s holy Hospitals and truly religious "Houses, which by thee and through thee were "begun: For thou, like a Man of God, when "the Matter was moved, [perhaps by himself, "the Bishop] for Christ's poor silly Members, "to be holpen from extream Misery, Hunger, "and Famine, thy Heart; I say, was moved "with Pity, and, as Christ's high honourable "Officer in that Cause, thou calledst together "thy Brethren, the Aldermen of the City, be"fore whom thou brakest the Matter for the "Poor: Thou didst plead their Cause; yea, and "not only in thine own Person thou didst set "forth Christ's Cause, but, to further the Mat"ter, thou broughtest me into the Council"Chamber of the City before the Aldermen "alone, whom thou hadst assembled there toge"ther to hear me speak what I could say, as an "Advocate by Office and Duty in the poor "Man's Cause. The Lord wrought with thee, "and gave thee the Consent of thy Brethren, "whereby the Matter was brought to the Com"mon Council, and so to the whole Body of "the City; by whom, with an uniform Con"sent, it was committed to be drawn, ordered "and devised, by a certain Number of the most "witty Citizens and politick, endued also with "Godliness, and with ready Hearts to set for"ward such a noble Act, as could be chosen in "all the whole City: And they, like true and "faithful Ministers, both to the City and their "Master Christ, so ordered, devised, and brought "forth the Matter, that thousands of poor silly "Members of Christ, that else, for extream "Hunger and Misery, should have famished and "perished, shall be relieved, holpen, and "brought up, and shall have Cause to bless the "Aldermen of that Time, the Common Coun"cil, and the whole Body of the City; but espe"cially thee, O *Dobbs*, and those chosen Men "by whom this honourable Work of God was "begun and wrought.

"And thoo, O Sir *George Barnes*, thou wast "in thy Year not only a Furtherer and Continuer "of that which before thee by thy Predecessor "was well begun, but also thou didst labour so "to have perfected the Work, that it should "have been an absolute Thing, and a perfect "Spectacle of true Charity and Godliness unto "all *Christendom*. Thine Endeavour was to have "set up an House of Occupations, both that all "Kind of Poverty, being able to work, should "not have lacked whereupon profitably they "might have been occupied, to their own Relief, "and to the Profit and Commodity of the Com"monwealth of the City; and also to have re"tired thither the poor Babes brought up in the "Hospitals, when they had come to a certain "Age and Strength; and also all those which in "the Hospitals aforesaid have been cured of their "Diseases. And to have brought this to pass, "thou obtainedst (not without great Diligence "and Labour, both of thee and thy Brethren) "of that godly King *Edward*, that Christian and "Peerless Prince, the princely Palace of *Bride*"*well*, and what other Things to the Perfor"mance of the same, and under what Condition, "it is not unknown. That this thine Endea"vour hath not had like Success, the Fault is "not in thee, but in the Condition and State of "the Time."

At the same Time that the Citizens were moved to these Charities, the King was excited to the same by good Sermons preached before him; such was that of Mr. *Lever*, a learned and pious Preacher in those Days, and Master of St. *John*'s College, *Cambridge*; who, in a *Lent* Sermon before the King, had these Words: "O merciful Lord, what a Number of poor, fee"ble, halt, blind, lame, sickly, yea, with idle "Vagabonds and dissembling Caitiffs mixt among "them, lye, and creep, begging in the miry "Streets of *London* and *Westminster*? It is too "great Pity afore the World, and to utter Dam"nation before God, to see these begging as "they use to do in the Streets; for there is never "a one of these, but he lacketh either thy chari"table Alms to relieve his Need, or else thy due "Correction to punish his Fault, &c. These silly "Souls have been neglected throughout all *Eng*"*land*, and especially in *London* and *Westminster*: "But now I trust that a good Overseer, a godly "Bishop I mean, will see that they in these two "Cities shall have their Needs relieved, and their "Faults corrected, to the good Example of all "other Towns and Cities. Take heed that there "be such Grass to sit down there, as ye [speak"ing to the King] command the People to sit "down; that there be sufficient Housing and "other Provision for the People there, as ye "command them to be quiet. *The Men sat down* "*about five thousand in Number*: Which was Part "of the Gospel for the Day, out of which he "took his Text."

And *Ridley*, that zealous and charitable Prelate, and true Father of his Flock in *London*, was seasonably called also to preach before the King at *Westminster*; where he so closely and affectionately pressed Persons in high Place and Calling to be Instruments in helping and succouring the Poor, that the King was exceedingly moved

moved with his Diſcourſe, and preſently ſent for him, taking Notice to him of his Sermon, and that he ſuppoſed he chiefly had him in his Eye, as being the higheſt of thoſe in great Place and Calling, that he the Biſhop ſpake to. Then the King aſſured him of his own Readineſs to promote ſuch good Purpoſes, deſiring him to direct him therein, and what he would adviſe him to do on that Part.

The Biſhop hereupon referred the King to the City; and the King preſently cauſed a Letter to be wrote, and ſent to the Mayor and his Brethren, to enter into Conſultation about it: The Concluſion of which was, that, as the City had appointed the *Grey-friars*, now called *Chriſt-Church*, for poor Children; St. *Bartholomew*'s, and likewiſe St. *Thomas*'s in *Southwark*, for the Maimed and Diſeaſed; and *Bridewell* for the Correction of Vagabonds, Strumpets, and idle Perſons, and for finding them Work; ſo they obtained of the King to grant the Governors of thoſe Places to be a Corporation, and to have Authority convenient for the Governing thereof: And he conſtituted himſelf Founder and Patron.

King Edward's Grants.

In *June* an Indenture bore Date and was made between the King, and the Mayor, Commonalty, and Citizens of *London*, and their Succeſſors for ever, towards the Maintenance of poor and impotent People; granting all the Manor-Houſe, and Place of *Bridewell*, with the Appurtenances, lying and being in the Pariſh of St. *Bridget* in *Fleet-ſtreet*, with other Lands, and with a Licence to purchaſe four thouſand Mark Lands for the Uſe aforeſaid, beſides the Lands given them by his Majeſty in *London*, and elſewhere, and to purchaſe ſo much Land, beſides Fees and Penſions granted to the Officers; and that the Lands given them by the King ſhould be quit and diſcharged of all Tenths and Firſt Fruits: That they might make godly and wholeſome Ordinances, Statutes, and Rules, for the Government of the Poor: And that within the City of *London*, and County of *Middleſex*, they might ſearch and examine all Manner of ſuſpicious Houſes, Taverns, Ale-houſes, *&c.* and other ſuſpected Places for Ruffians, Vagabonds, and idle Perſons. This Gift of the King was computed to the yearly Value of four hundred and fifty Pounds.

And moreover, out of his meer Grace and Chriſtian Charity, he gave out of the Hoſpital of the *Savoy*, now ſuppreſſed for the aforeſaid charitable Uſe, a great Part of the Revenue thereof, which was ſeven hundred Mark Lands, together with the Bedding and Furniture; though, dying ſoon after, the Grant ſeemed not to be fully finiſhed: But, for Fear it ſhould not take Place, (ſo much it ran in the King's Mind) that in his laſt Will he cauſed this Clauſe to be inſerted: *The Grant made to the Mayor and City of* London, *touching the* Savoy *and Lands thereof, to be performed.*

Though this Houſe was granted in the Year 1553, yet it ſeems it was not till two Years after that the City entered and took Poſſeſſion of it by *Gerard* their Mayor, having obtained Queen *Mary*'s Confirmation.

Concerning the forwarding of this good Work of *Bridewell*, and bringing it to a deſired Perfection, this Act of Common Council was made the laſt of *February*, in the ſecond and third Years of *Philip* and *Mary:*

"Foraſmuch as King *Edward* VI. had given "his Houſe of *Bridewell* unto the City, partly "for the ſetting of idle and lewd People to work, "and partly for the lodging and harbouring of "the poor, ſick, weak, and ſore People of this "City, and of poor wayfaring People repairing "to the ſame; and had, for this laſt Purpoſe, "given the Bedding and Furniture of the "*Savoy:* Therefore, in Conſideration that very "great Charges would be required to the "fitting of the ſaid Houſe, and the buying of "Tools and Bedding, the Money was ordered to "be gotten up among the rich People of the Com-"panies of *London*, *&c.*"

Invention of a new Mill.

In the Time of Queen *Elizabeth*, about the Year 1570 and odd, one *John Pain*, a Citizen, invented a Mill to grind Corn, which he got recommended to the Lord-Mayor, for the Uſe of *Bridewell*. This Mill had two Conveniencies; one was, that it would grind a greater Quantity conſiderably than other Mills of that Sort could do; and the other (which would render it ſo uſeful to *Bridewell*) was, that the Lame, either in Arms or Legs, might work at it, if they had but Uſe of either; and accordingly theſe Mills were termed *Hand-Mills* or *Foot-Mills*.

This Mill he ſhewed to the Lord-Mayor, who ſaw it grind as much Corn with the Labour of two Men, as they did then at *Bridewell* with ten; that is to ſay, two Men with Hands, two Buſhels the Hour; or two Men with Feet, two Buſhels the Hour: If they were lame in their Arms, then they might earn their Livings with their Legs; if lame in their Legs, then they might earn their Livings with their Arms.

One Mill would grind twenty Buſhels of Wheat in a Day; ſo that by Computation it was reckoned, that one of theſe would ſupply a thouſand Perſons.

In *Bridewell*, at the City's Charge, were built in thoſe Times twelve new Granaries, ſufficient to contain ſix thouſand Quarters of Corn, and two Storehouſes, which would hold four thouſand Chaldron of Coals, for the Proviſion of the City, at the Charge of three thouſand Pounds, or thereabouts.

Uſe of Bridewell.

The Uſe of this Hoſpital now is for a Houſe of Correction, and to be a Place where all Strumpets, Night-walkers, Pick-pockets, vagrant and idle Perſons, that are taken up for their ill Lives, as alſo incorrigible and diſobedient Servants, are committed by the Mayor and Aldermen, who are Juſtices of the Peace in this City; and being ſo committed, are forced to beat Hemp in publick View, with due Correction of Whipping, according to their Offence, for ſuch a Time as the Preſident and Court ſhall ſee Cauſe: The Court-Day being generally every *Friday* in the Forenoon.

Bridewell Apprentices.

And to this Hoſpital are ſent ſeveral Youths as Apprentices to Glovers, Flax-dreſſers, Weavers, *&c.* who there reſide; and theſe are clad in blue Doublets and Breeches, with white Hats. Having faithfully ſerved their Time of ſeven Years, they have not only their Freedom, but alſo ten Pounds each, towards carrying on their

their reſpective Trades, and many of them have, from nothing, arrived to be Governors themſelves.

Bridewell *burnt.* In the Year 1666 this Houſe was burnt, and all the Apartments belonging to it; as alſo all the Dwelling-houſes in the Precinct of *Bridewell*, which were about two Thirds of the Revenue of the Houſe: But the Governors, till the Hoſpital could be rebuilt, made Proviſion for the ſeveral Arts-Maſters and their Apprentices, in Places remote from the City. And now the Chapel, Court-houſe, Work-houſes, and Dwelling-houſes, within the ſaid Hoſpital, by the Care and Pains of the worthy Governors at the Time of building them, are more convenient than ever. The Reparations, Rebuilding, and other incident Charges, occaſioned by the Fire, amounted to above ſix thouſand Pounds. Beſides the great Loſs that this Houſe ſuſtained by the Fire in 1666, their Revenue was much impaired by two other Fires that happened at *Wapping*, where a great many Tenements belonging to it were burnt; the one in *June* 1673, and the other in *November* 1682.

Its Chapel. There is a Chapel belonging to *Bridewell* Precinct, which was enlarged and beautified at the proper Coſt and Charge of the Governors and Inhabitants of this Precinct, in the Year of our Lord 1620; Sir *Thomas Middleton* being then Preſident, and Mr. *Thomas Johnſon* Treaſurer of this Hoſpital.

The Enlargement was by taking in of a large Room, that, before the Date above-named, joined upon the Head of the Chapel: This Ground adding to the Length of it (at the full Breadth going with it) twenty-four Feet, and better.

This Room thus taken in, trimmed, beautified, and conſecrated, was made a handſome Chapel, it being before a Room empty, waſte, rude, and unſightly, though then in the Uſe deſerving a fair Commendation; for then the Ground that is now a Chancel to the Priſoners of the Houſe, was a Chapel, into which, every Sabbath, thro' a bye or backward Paſſage, they were brought from their ſeveral Lodgings to hear divine Service and Sermons.

Cloſe by the Pulpit hung the Picture of King *Edward* VI. with theſe Lines under it:

This *Edward* of fair Memory the Sixt,
In whom, with Greatneſs, Goodneſs was commixt,
Gave this *Bridewel*, a Palace in old Times,
For a chaſtiſing Houſe of vagrant Crimes.

In this Chapel alſo was Queen *Elizabeth*'s Monument, with the common Verſes:

Here lies her Type, *&c.*

But being deſtroyed by the Fire in the Year 1666, it was re-edified, and finiſhed *Anno* 1668, in the Manner hereafter deſcribed.

It is a very pleaſant Chapel, having a ſquare Roof, and two Galleries at the North and Weſt Sides, ſupported by Columns of the *Tuſcan* Order; at which Weſt End are Places for the Hoſpital Boys, and others for the Priſoners. The Walls are Brick; the Wainſcot and Finiſhing very neat. The Altar-Piece conſiſts of two Pilaſters, with their Entablature and circular Pediment of the *Corinthian* Order; between which are the *Commandments* done in Gold on Black, and the *Lord's Prayer* and *Creed* in Gold on Blue, in gilt Frames, and farther enriched with gilt Cherubims, Leaves, Fruit, *&c.* carved in *Relievo*. The Chancel was paved with black and white Marble at the firſt Building, but now the whole Floor of the Chapel is paved in the ſame Manner. The laſt Part, with a handſome Pair of Iron Gates, were the Gift of Sir *William Withers*.

To this Chapel and Precinct belong the following Officers: The Rev. Mr. *Gibbons*, Preacher, choſen by the Governors; the Reader, the Rev. Mr. *Jenkins*; two Chapel-Wardens, one in the Houſe, the other in the Precinct; and one Conſtable living within the Houſe, generally the Porter thereof.

Here are Prayers *Wedneſdays*, *Fridays*, and Holidays, at Ten in the Forenoon.

Court-Room. In the Court-Room is a Chair for the Preſident, and convenient Seats for the Governors: It is adorned with Columns of the *Compoſite* Order, a Gallery, *&c.* but the moſt valuable Embelliſhments are the ſeveral handſome Tables, wherein the Names of the Benefactors are depencilled in Gold Letters.

Over the Door, at the Entrance, is this Inſcription:

"This Chapel, Court-Room, and Parlour, "were repaired and beautified in the Year 1706; "Sir *Thomas Rawlinſon*, Lord-Mayor, then Pre- "ſident; *Thomas Gardiner*, Eſq; Treaſurer."

And over the Gates going into the Chapel:

"Theſe Iron Gates, and the Marble Pave- "ment, were the Gift of the Right Worſhipful "Sir *William Withers*, Knt. and Alderman, Pre- "ſident of this Hoſpital, *Anno Dom.* 1713."

Government. The whole Management of the Affairs in this Hoſpital is by the Governors, who are above three hundred, beſides the Lord-Mayor and Court of Aldermen, all Gentlemen of the greateſt Reputation and Subſtance in the City and elſewhere, and who are likewiſe Governors of the Hoſpital of *Bethlem*.

The Preſident is *William Benn*, Eſq; Alderman.
The Treaſurer, *Robert Alſop*, Eſq; Alderman.
Court-Clerk, *John Taylour*, Eſq;

There are, beſides, the following Officers: A Steward, a Porter, a Matron, and four Beadles, the youngeſt of whom is to give Correction to the Criminals.

State of Bridewell. The Account of *Bridewell*, brought in for the Year 1704, was as follows:

A.D. 1704 Vagrants, and other indigent and miſerable People received here the laſt Year, four hundred and forty-one.

Maintained and brought up in divers Arts and Trades, one hundred and eighteen.

A.D. 1705 The Account of *Bridewell*, given in for the Year 1705, was thus:

Vagrants, and other indigent and miſerable People received here, were in Number three hundred and ſixty-ſix.

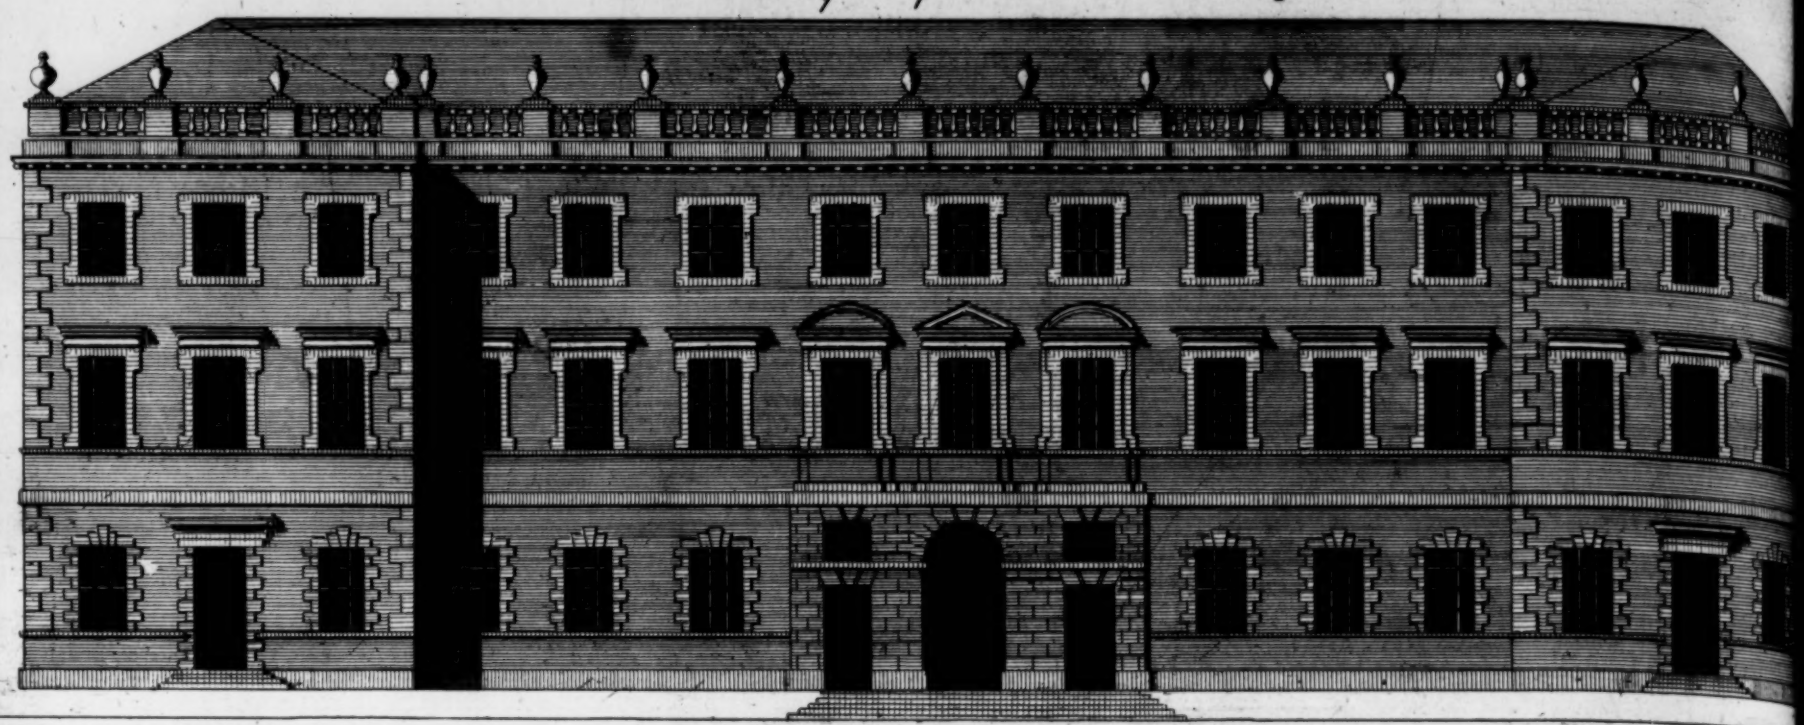
Maintained and brought up in divers Arts and Trades, Apprentices, one hundred and thirty-two.

A.D. 1706 The Condition of *Bridewell* Hoſpital, from the Year 1705 to 1706, as it was publiſhed, ſtood thus:

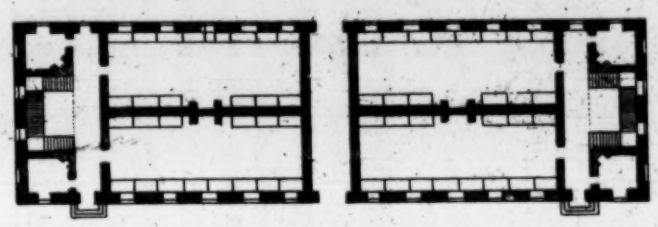
Received into this Hoſpital this Year, Vagrants, and other indigent and miſerable People, one hundred and ſeventy-one.

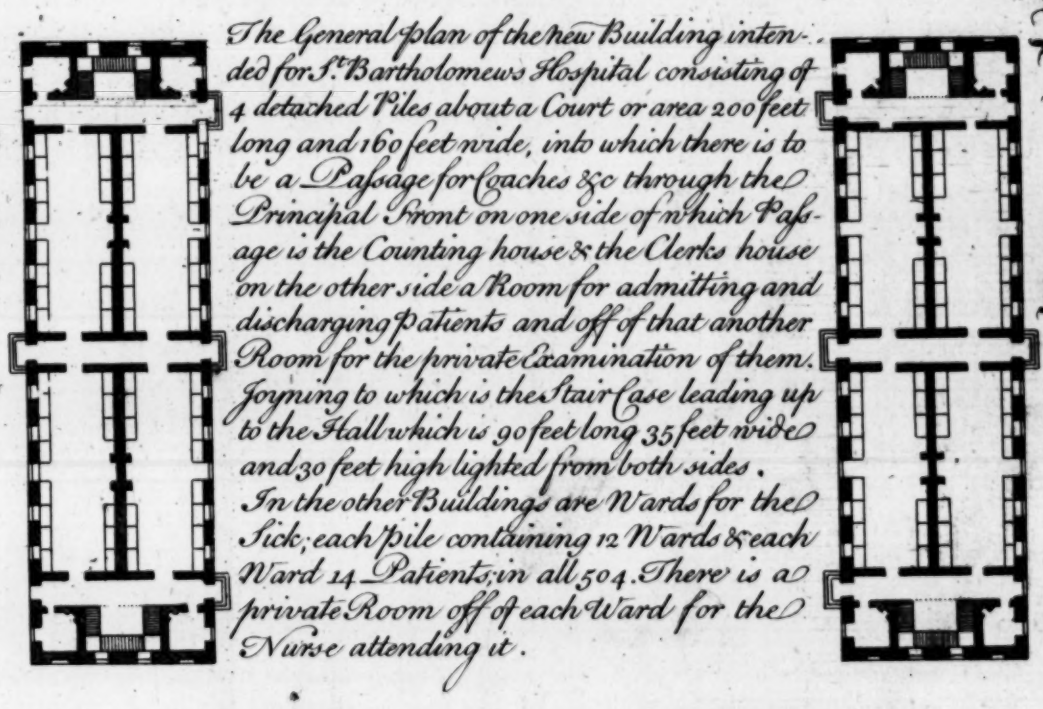
Received

The South *Prospect of* S.t Bartholomew's Hospital.



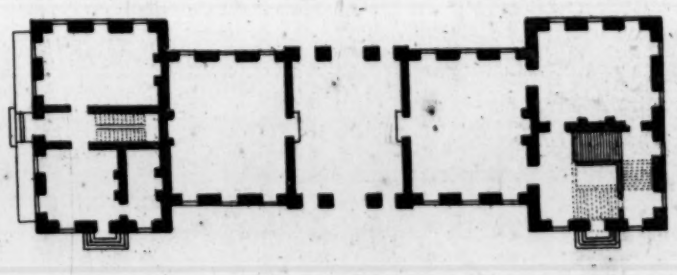
The Arms of S.t *Bartholomew's Hospital.*



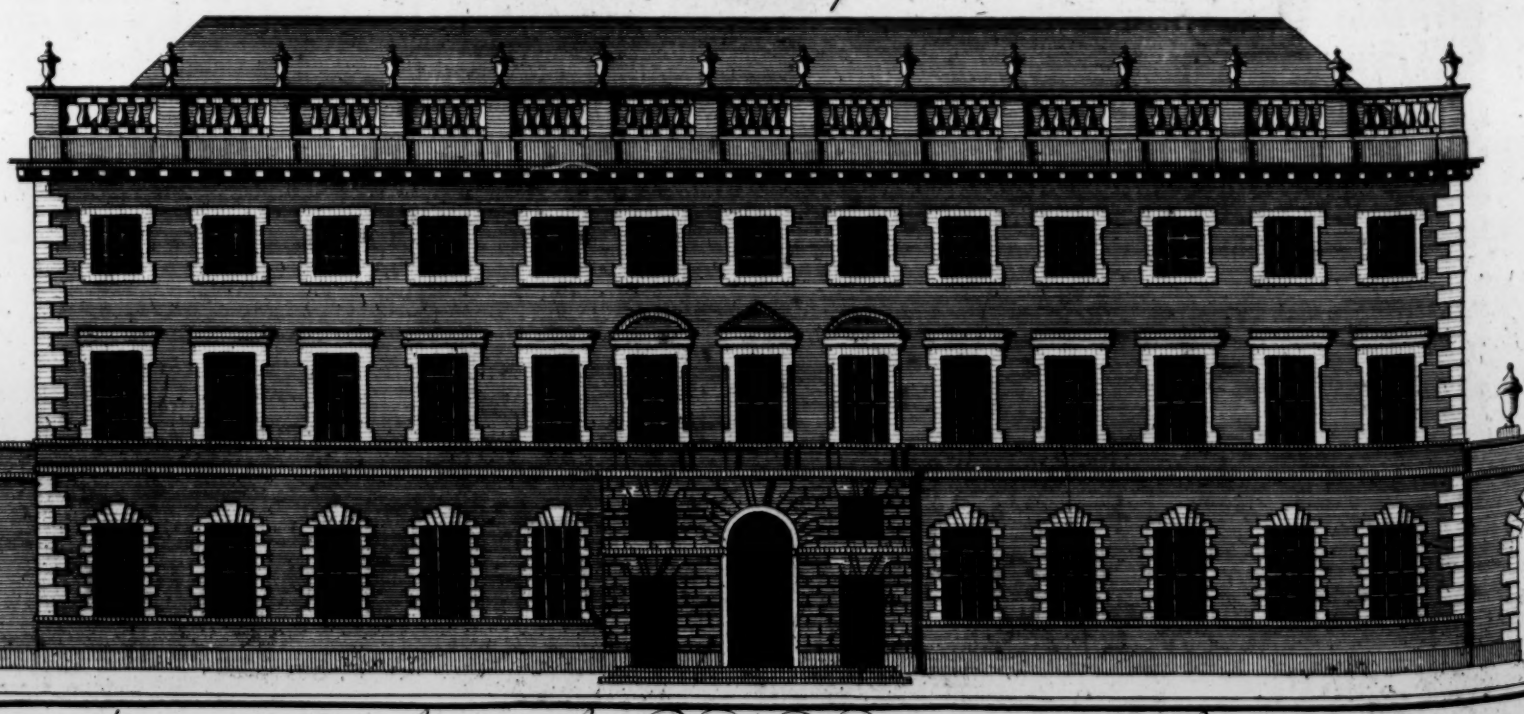


The General plan of the new Building intended for S.t *Bartholomews Hospital consisting of 4 detached Piles about a Court or area 200 feet long and 160 feet wide, into which there is to be a Passage for Coaches &c through the Principal Front on one side of which Passage is the Counting house & the Clerks house on the other side a Room for admitting and discharging Patients and off of that another Room for the private Examination of them. Joyning to which is the Stair Case leading up to the Hall which is 90 feet long 35 feet wide and 30 feet high lighted from both sides. In the other Buildings are Wards for the Sick; each Pile containing 12 Wards & each Ward 14 Patients; in all 504. There is a private Room off of each Ward for the Nurse attending it.*

The Arms of John Tuff Esq.



The East *Prospect.*



This Plate *is most humbly Inscribd to* John Tuff *Esq.* Treasurer *to the said* Hospital.

Received from the Priſon of *Newgate* convicted Women, who pleaded the Queen's Pardon, upon Condition to be kept to hard Labour in the ſaid Hoſpital for one whole Year, and afterward during the Queen's Pleaſure, eleven.

Maintained in the ſaid Hoſpital, and brought up in divers Arts and Trades, at the only Charge of the Hoſpital, Apprentices, one hundred and thirty-three.

A.D.1707 The Condition of the ſaid Hoſpital from *Eaſter* 1706, to *Eaſter* 1707, ſtood thus:

Vagrants, and other miſerable People, and nineteen Women from *Newgate*, to be kept at hard Labour, received into this Hoſpital the laſt Year, two hundred and ſeventy-two.

Maintained in the ſaid Hoſpital, and brought up in divers Arts and Trades, one hundred and thirty-eight.

A.D.1711 Some Years after, *viz. Anno* 1711,

Received into *Bridewell* the laſt Year, three hundred and thirty-ſix.

Diſcharged, convicted Men and Women, ſixteen.

Remaining, convicted Perſons, forty.

Maintained there, and brought up in divers Arts and Trades, Apprentices, one hundred and fourteen.

And the two late Years, *viz.* 1717 and 1718, theſe were the true Reports brought in:

A.D.1717 *Anno* 1717, received into *Bridewell*, Vagrants, *&c.* three hundred and fifty.

Maintained and brought up in Trades, Apprentices, one hundred and three.

A.D.1718 *Anno* 1718, received Vagrants, and other indigent and miſerable People, two hundred and eighty-eight.

Maintained in the ſaid Hoſpital, and brought up in Trades and Arts, Apprentices, ninety-four.

Benefactors to the Hoſpital of Bridewell.

Bridewell Hoſpital, the State of it *Anno* 1754.

Received this Year into the Hoſpital of *Bridewell*, Vagrants, and other indigent and miſerable People, all which have had Phyſick, and other Relief, at the Charge of the ſaid Hoſpital, as their Neceſſities required, *three hundred and forty-one.*

St. Bartholomew's *Hoſpital.*

(2.) The Hoſpital of St. *Bartholomew*, ſituate on the South-Eaſt Side of *Smithfield*, which is incorporated by the Name of the Hoſpital of the Mayor, Commonalty, and Citizens of *London*, Governors for the Poor, called *Little St. Bartholomew's*, near *Weſt Smithfield*. It was erected for ſick and maimed People, where great Care is taken of them, and all Neceſſaries for Food, Lodging, Attendance, Phyſick, and Medicaments, proper for their Cure, adminiſtred; for they have good able Phyſicians and Surgeons provided, belonging to the Hoſpital, who give their conſtant Attendance as Occaſion requires; and they have Matrons and Nurſes to look to them, and to ſee that they have what is convenient.

There belongs alſo to the Hoſpital an Apothecary, to provide and prepare what the Phyſicians direct: And the Diſeaſed are duly viſited by them in their Wards where they are lodged every Morning and Evening, as there is Need; every one having a Bed to himſelf; and, by the Care of the Matrons, the Wards are always kept clean and neat.

It formerly belonged to the Priory of St. *Bartholomew* in *Smithfield*, founded by one *Rahere*, the King's Minſtrel, a witty Gentleman, belonging to King *Henry* I. about the Year 1102; and he was himſelf the firſt Prior. See the Priory of St. *Bartholomew*.

It was governed by a Maſter and eight Brethren, and four Siſters, to take Care of the Poor of the ſaid Hoſpital.

Both Priory and Hoſpital were diſſolved under King *Henry* VIII. who, in the laſt Year of his Reign, founded the Hoſpital a-new, for the Relief of an hundred Poor and Sick of the City of *London*, endowing it with the yearly Revenue of five hundred Marks, conditionally, that the City alſo, for their Part, ſhould add other five hundred Marks by the Year; which Thing, with all due Thankfulneſs, they received at his Majeſty's Hands, and embraced the Condition: But, when the City took a Survey of what was given by the King for this yearly Sum, they found the Raiſing of this five hundred Marks Rent to lie only in certain Houſes, ſome in great Decay, and ſome rotten and ruinous, and ſome, to whom better Tenants had happened, already leaſed out at Terms and Rent, ſcarce reaſonable for the Behoof of the Poor; ſo that to make them again worth the wonted Revenue, and then to continue in the ſame, was no ſmall Charge. Penſions alſo were iſſuing out of the five hundred Marks, and granted by Letters Patents of that King to the Hoſpitaler there, and to other Miniſters of the ſame.

In this Hoſpital itſelf was found only ſo much Furniture towards the ſuccouring of theſe hundred Poor, as ſerved three or four Harlots then lying in Childbed, and no more; ſo much had the godly Meaning of that King been abuſed in thoſe Days. The Citizens, nevertheleſs, were not diſcouraged with the evil Doings of others, and the great Fall of their Hopes, but provided with what Speed they could to the Redreſs of the Decays, Diſorders, and Defaults, and beſtowed thereabout not much leſs than a thouſand Pounds; whereby,

whereby, in King *Edward*'s Time, it came to ſuch a Point that it was fit to receive the Number, and to ſuccour them with all Neceſſaries requiſite, and accordingly received them and maintained them: But, within five Years after the Citizens had the Care of this Hoſpital, they were, and even in Pulpits, exclaimed againſt, as if they had wronged this Charity, by this miſtaken Suppoſition, that this Hoſpital ſhould have made a general Sweep of all Poor and Afflicted; and ſo for their Care were rewarded with nothing but open Detraction.

In this Seaſon, notwithſtanding, were healed of the Pox, Fiſtulas, filthy Blains, and Sores, to the Number of eight hundred, and thence ſafe delivered, that others having Need might enter in their Rooms; beſides eight ſcore and twelve that died there in their intolerable Miſeries, which might have died and ſtunk in the Noſes of the City.

Upon this Slander, ſo widely ſpread, it was thought good by the Lord-Mayor, as chief Patron and Governor of this Hoſpital, in the Name of the City, to publiſh at that Time who were the Overſeers, and with the Orders by him appointed, and from Time to Time practiſed and uſed, by twelve of the Citizens moſt antient in their Courſes, for the Redreſs and Stay of ſuch Slanders, and that it might be an open Witneſs unto all Men how well Things were adminiſtered there, and by whom, and likewiſe to excite all well-diſpoſed Perſons more and more to beſtow their Charity here.

And becauſe theſe Men, that thus ſpoke againſt the Management of this Hoſpital, endeavoured to ſtop any further Charities and Gifts towards it, ſuggeſting that there was enough already for this hundred of diſeaſed People to be looked after, it was declared that the City, of their endleſs Good-will towards this moſt neceſſary Succour of their poor Brethren in Chriſt, altho' at the firſt they ſeemed bound to the preciſe Number of an hundred and no more, wiſhed all Men to be moſt aſſuredly perſuaded, that, if by any Means poſſible they might, they deſired to enlarge the Benefit to a thouſand.

At the firſt Erection, the Hoſpital was taken Care of by two Ranks of Perſons, *viz.* Governors and Officers, which latter were hired for Wages, to have the neceſſary Doings in the Service of the Houſe.

Government. I. The Governors. Among them the Lord-Mayor was chief Patron; the others were ſo changed, that the one Half remained two Years in their Governance, and they were in Number twelve, who were placed there by the Lord-Mayor; whereof four were Aldermen, the Reſidue Commoners, thus named:

The Preſident, always a ſenior Alderman.

Surveyors four, two Aldermen and two Commoners.

Almoners four, one Alderman and three Commoners.

The Treaſurer, a Commoner.

Scrutiners two, both Commoners.

II. Officers continuable or removeable, as the Governors ſhall ſee Cauſe, were,

I. The Hoſpitaler.

II. The Renter Clerk.

III. The Butler.

IV. The Porter.

V. The Matron.

VI. The Siſters, twelve.

VII. The Beadles, eight.

There were alſo three Surgeons in Wages of the Hoſpital, giving daily Attendance upon the Cures, and a Miniſter, who was the Viſitor of *Newgate*, according to his Office and Charge.

The Governors were always elected by the Lord-Mayor, and his Brethren the other Governors, who yearly elected ſix, that is to ſay, two Aldermen and four Commoners, who were admitted into the Hoſpital after this Manner: The whole Company of the twelve old Governors ſitting in Aſſembly together, cauſe their Clerk to read unto the ſix newly elected their Charge. That done, and the new elected conſenting and yielding themſelves to the Charge, the Half of the Governors that had fulfilled their two Years Governance ſtood apart, and the other half that remained, with the new elected, took them by the Hands after their Degrees, and ſo admitted them, and before they parted all dined together, as well thoſe that came a-new, as thoſe that had governed their Time, and thoſe that remained, every Man at his own Coſt and Charge.

Charge. As for the Charges of St. *Bartholomew*'s, in the Reign of King *Edward* VI, there were Certain Charges, and Uncertain: Under the Uncertain came the Monies laid out for Shirts, Smocks, and other Apparel for the Poor, for Sugar and Spices, for Caudles for the Sick, Flax for Shirts, and Weaving of the ſame Cloth for Winding-Sheets, Bowls, Brooms, Baſkets, Incenſe, Juniper Aſhes to buck their Cloaths; alſo Money given to them at their Departure, which was meaſured according to their Journey and Need; which Uncertain Charges amounted one Year to the Sum of ſixty Pounds.

The Certain Charges roſe from the yearly Wages and Fees of Officers and Servants, and the Charges of Houſhold Reparations, *&c.*

Wages of Officers and Servants.

Wages.

	l.	*s.*	*d.*
To the Hoſpitaler	10	0	0
To the Renter Clerk	10	0	0
To the Butler	6	13	4
To the Cook	6	0	0
To the Porter	6	0	0
To the three Surgeons	60	0	0
To the eight Beadles	26	13	4
And for Liveries	10	0	0
To the Matron and twelve Siſters	27	6	8
To the Matron, for her Board-Wages, at 1*s.* 6*d. per* Week	3	18	0
Twelve Siſters, for their Board-Wages, at 1*s.* 4*d. per* Week each	40	12	0
To the Matron for her Livery	0	13	4
To the Siſters for their Livery	6	0	0
To the Miniſters of *Chriſt-Church*, by the King's Aſſignment; that is to ſay, a Vicar, a Viſitor of *Newgate*, five Prieſts, two Clerks, and a Sexton, yearly	106	0	0
To the Miniſters of the Church within the Hoſpital, by the ſaid King's Aſſignment; that is to ſay, to a Vicar, a Clerk, and a Sexton	23	6	8

To

To certain Men of the Law, and other Perſons, given in Fees by the ſaid King's Majeſty yearly, by Patent	28	4	0
Charges of Houſhold.			
For the Diet of an hundred Perſons, at 2 *d. per* Day	300	6	8
For ſixty-eight Loads of Coals, at 16*s.* *per* Load	54	8	0
For Wood yearly	24	0	0
For Candles yearly	5	0	0
For yearly Reparation of the Hoſpital, and Tenements appertaining to the ſame	40	0	0
Sum of the Charges certain	795	2	0
Towards the which was yearly received by the King's Endowment	333	6	8
And by the like Endowment of the City of *London*	333	6	8
In the whole	666	13	4

So the Hoſpital was charged yearly of certain, beſides uncertain Expences, over and above the Sum of their Revenues, 128 8 8

Which only aroſe from the Charity of certain Citizens.

The following is the Form of the Charge beforeſaid, that was uſed to be given to the new Governors when they were admitted; which the whole Company of the twelve old Governors, ſitting in Aſſembly together, cauſed their Clerk to read unto the ſix newly elected:

"It may pleaſe you to underſtand, that ye are "here elected and choſen, as Fellow-Governors "of this Hoſpital, to continue by the Space of "two Years; by all which Time, according to "ſuch laudable Decrees and Ordinances as have "been and ſhall be made by the Authority of the "Lord-Mayor, Chief Patron hereof, in the "Name of the City, and the Conſent of the Go-"vernors for the Time being, all your other "Buſineſs ſet a-part, as much as you poſſibly "may, ye ſhall endeavour yourſelves to attend "only upon the needful Doings of this Houſe, "with ſuch a loving and careful Diligence as "ſhall become the faithful Miniſters of God, "whom ye chiefly, in this Vocation, are ap-"pointed to ſerve, and to whom, for your "Negligences or Defaults herein, ye ſhall ren-"der an Account; for truly ye cannot be blame-"leſs before God, if, after you have ſet your "Hand to this good Plough, and promiſed your "Diligence to the Poor, ye ſhall contrariwiſe "turn your Head backward, and not perform "the Succour that Chriſt looketh for at your "Hands, and hath witneſſed to be done to "himſelf, with theſe Words: *Whatſoever ye "do to one of theſe needy Perſons for my Name's "Sake, the ſame ye do unto me: And otherwiſe, if ye "neglect and deſpiſe them, ye deſpiſe me.*

"We therefore require and deſire every of "you, on God's Behalf, and in his moſt holy "Name, that ye endeavour yourſelves, to the "beſt of your Wit and Powers, ſo to comfort, "order, and govern this Houſe, and the Poor "thereof, that at the laſt Day ye may appear "before the Face of God, as true and faithful "Stewards and Diſpoſers of all ſuch Things as "ſhall, for the Comfort and Succour of them, "(during the Time of your Office) be commit-"ted to your Credit and Charge. And this we "do require you faithfully to promiſe in the "Sight of God, and Hearing of your Brethren; "and, in ſo doing, we here admit you into our "Fellowſhip."

And ſo likewiſe had all the Officers, ſuperior and inferior, their reſpective Charges in a certain Form of Words given them, but too long to be here ſet down.

There was alſo a pious Form of Thankſgiving, which the Diſeaſed, being cured, and to be diſcharged the Hoſpital, were to repeat upon their Knees in the Hall, before the Hoſpitaler and two Maſters of the Houſe at the leaſt, having learned it without Book, according to the Hoſpitaler's Charge, which was as follows:

"We magnify and praiſe thee, O Lord, "that ſo mercifully and favourably haſt looked "upon us, miſerable and wretched Sinners, "which have ſo highly offended thy Divine "Majeſty, that we are not worthy to be num-"bered among thy elect and choſen People. "Our Sins, being great and grievous, are daily "before our Eyes. We lament and are ſorry "for them, and, with ſorrowful Heart and la-"mentable Tears, we call and cry unto thee for "Mercy. Have Mercy upon us, O Lord, "have Mercy upon us, and, according to thy "great Mercy, wipe away the Multitude of "our Sins: And grant us now, O Lord, thy "moſt holy and working Spirit, that, ſetting "aſide all Vice and Idleneſs, we may in thy "Fear walk, and go forward in all Virtue and "Godlineſs.

"And for that thou haſt moved, O Lord, "the Hearts of godly Men, and the Governors "of this Houſe, to ſhew their exceeding Cha-"rity towards us, in curing our Maladies and "Diſeaſes, we yield moſt humble and hearty "Thanks to thy Majeſty, and ſhall inceſſantly "laud and praiſe thy moſt holy and glorious "Name, beſeeching thee, moſt gracious and "merciful Lord, according to thy holy Word "and Promiſe, ſo to bleſs thine own Dwelling-"Houſe, and the faithful Miniſters thereof, "that there be here found no Lack, but that "their Riches and Subſtance may increaſe; "that thy holy Name may thereby be the more "praiſed and glorified: To whom be all Laud, "Honour, and Glory, World without End. "*Amen.*"

Above an hundred Years ago this Hoſpital maintained about three hundred poor diſeaſed People, at the yearly Charge of two thouſand Pounds.

Although the old Hoſpital then ſtanding wholly eſcaped the dreadful Fire in 1666, yet a great Part of its Revenues being in Houſes in *London*, ſuffered much thereby. Notwithſtanding, ſuch hath been the Care of the Governors, the Diligence and Induſtry of the Phyſicians and Surgeons, and the Supplies of ſeveral good Benefactors, that there have been yearly received in here many maimed and ſick Seamen and Soldiers, with other diſeaſed Perſons, from divers

Parts of the King's Dominions, and ſome from foreign Parts, and many cured, and relieved with Money, and other Neceſſaries, at their Departure, beſides their Diet and Lodging during their Cure.

Their Courts. This Hoſpital contains two ſpacious Courts, for the Harbour of theſe poor ſick and maimed Perſons.

There is alſo a Building belonging to it, called *The Preſident's Building*, for cutting of the Stone.

Their Hoſpitals abroad. They have alſo an Houſe in *Kent-ſtreet* in *Southwark*; and another at *Kingſland* in the Pariſh of *Hackney*. Beſides, there are many other Patients on whom is beſtowed the Charity of their Medicines.

The Numbers here harboured and cured. By comparing the Cures here done in ſeveral Years paſt one with another, and the conſtant Numbers that are harboured here, a new Eſtimate may be given of the annual Charges of this Hoſpital; for, one Year with another, there are ſeldom leſs than fifteen hundred Perſons cured, and ſeldom are there leſs in it than two hundred and fifty Perſons, ſays my Author in 1700. But

Several new Wards built. The true Report in 1717 informed us, that this Hoſpital had been lately enlarged by ſeveral new Wards built; and ſo made capable of receiving a much greater Number of Patients than formerly, whereby the conſtant annual Charge thereof is much increaſed, and the ordinary Revenues thereof are much leſſened by the dreadful Fire; and ſo becomes a very fit Object of the Charity of all good Men, towards preſerving the Lives of many miſerable People, who otherwiſe muſt periſh.

Benefactors. To this Hoſpital divers honourable and other worthy charitable People have contributed their Benevolence; and to ſignalize the ſame, and to put others in Mind to follow ſo good an Example, the Governors did think fit to have their Names fairly wrote with a Pencil in Oil, on both Sides of the publick Paſſage, from *Smithfield* to *Chriſt-Church* Hoſpital, at a convenient Height from the Ground, to be read by Paſſengers.

Benefactors to St. Bartholomew's *Hoſpital.*

Beſides ſome ſettled Annuities by Mr. *Paul Jarvis* and Mr. *William Allen*.

The Governors, *Anno* 1691, repaired and beautified this Hoſpital, and in the publick Paſſage through the ſame cauſed the Names of their Benefactors to be fairly written.

Who are taken in here. In this Hoſpital of St. *Bartholomew*'s, as alſo that of St. *Thomas* in *Southwark*, not only poor People of the City and *Southwark*, but the diſtreſſed of any other Parts of the King's Dominions, and from foreign Countries, are taken in, and taken Care of; and, when they depart, receive Money, and other Neceſſaries, to carry them to their reſpective Pariſhes, or Places of Abode.

In the Year 1704 there were 2264 Patients cured and diſcharged, 165 buried, and remained 363 under Cure.

In 1705 there were 2274 Patients cured and diſcharged, 160 buried, and remained 373 under Cure.

In 1706 there were 2282 Patients cured and diſcharged, 147 buried, and remained 370 under Cure.

In 1707 there were 2293 Patients cured and diſcharged, 141 buried, and remained 371 under Cure.

In 1711 there were 2397 Patients cured and diſcharged, 118 buried, and remained 366 under Cure.

In 1717 there were 2745 Patients cured and diſcharged, 207 buried, and remained 517 under Cure.

In 1718 there were 3088 Patients from different Parts of the Kingdom, and Foreigners, cured and diſcharged, 198 buried, and remained 513 under Cure.

The State of St. Bartholomew's *Hoſpital in the Year* 1754.

There have been cured and diſcharged from St. *Bartholomew*'s Hoſpital during the laſt Year, ſix thouſand ſeven hundred and three poor, wounded, maimed, ſick, and diſeaſed Perſons; many of whom have been relieved with Money, Cloaths, and other Neceſſaries, to enable them to return to their ſeveral Habitations.

Truſſes given by a private Hand, ſeventy-four.

Truſſes given by the Hoſpital, forty-three.

Buried this Year, after much Charge in their Illneſs, two hundred and eighty.

Remaining under Cure, at the Charge of this Hoſpital, ſix hundred and forty-nine.

So

So that there have been during the laſt Year, and now are, under the Cure of this Hoſpital, of poor, ſick, and lame Perſons, deſtitute of all other Relief, in all ſeven thouſand ſeven hundred and forty-nine.

This Hoſpital being the moſt antient Hoſpital in the City of *London*, and the Suburbs thereof, and having eſcaped the great Fire in the Year 1666; the Buildings whereof were by Length of Time become ſo ruinous and dangerous, that in the Year 1729 there appeared to be an abſolute Neceſſity to rebuild the ſame. And a Subſcription was then entered into by many of the worthy Governors, and other charitable Perſons, for defraying the Expence thereof, upon a Plan then prepared, containing four detached Piles of Building, to be joined by Stone Gateways about a Court or Area: Three Piles whereof have been erected and finiſhed by the Money ariſing from the Subſcriptions, and the Benefactions of the Governors, and other charitable Perſons, given for that Purpoſe only. See the Plan.

One of the ſaid Piles doth contain a large Hall for the Reſort of the Governors at general Courts; a Compting-houſe for the Meeting of the Committees of Governors for the Diſpatch of the Buſineſs of the Hoſpital; ſeveral Rooms for examining, admitting, preſcribing for and diſcharging the Patients, and other neceſſary Offices. The other two Piles do contain Wards for the Reception of the Patients and their Nurſes only; ſo that the Hoſpital, being ſo conſiderably enlarged, doth now entertain four hundred and twenty Patients within the ſame, beſides ſixty-ſix Patients in the *Lock* and *Kingſland* Hoſpitals, and a great Number of Out-Patients.

But as the conſtant annual Charge of maintaining and relieving the great Number of Poor, now under the Care of this Hoſpital, much exceeds the Revenue thereof, which is likewiſe greatly leſſened by the Fall of the Rents of the Houſes belonging to the Hoſpital; the charitable Aſſiſtance of all Perſons is therefore humbly deſired to enable the Governors, not only to ſupport the preſent Charity, but alſo to accompliſh the further Enlargement thereof, there not being yet ſufficient Room to admit all the Poor who daily apply for Relief: A Charity ſo neceſſary for preſerving the Lives of many miſerable Perſons, who might otherwiſe periſh, were it not for that Relief, which, by the Bleſſing of God, they daily receive from this Hoſpital, in 1755.

The Names of the Preſident, Treaſurer, and Officers belonging to this Hoſpital.

The Right Worſhipful *John Blachford*, Knt. and Alderman, Preſident.

John Tuff, Eſq; Treaſurer.

The Reverend Mr. *Monro*, Vicar.

Dr. *William Pitcairne*, Dr. *Robert Pate*, Dr. *Anthony Aſkew*, F. R. S. Phyſicians.

Mr. *Thomas Robinſon*, Apothecary.

Mr. *John Freke*, F. R. S. Mr. *Edward Nourſe*, F. R. S. Mr. *Percival Pott*, Surgeons.

Mr. *Stafford Crane*, Mr. *Robert Young*, Mr. *Thomas Griffiths*, Aſſiſtant Surgeons.

Markets. *Eighthly*, Here are two Markets, one of which for Spaciouſneſs and the Buſineſs tranſacted therein, and the other for its Neatneſs and Regularity, not to be equalled in any other Part of the Kingdom.

Smithfield. (1.) The former is that large Square of *Smithfield*, *i. e.* a plain or ſmooth Field, which, tho' it is much reduced in its Compaſs by the Buildings on the North and Weſt Sides, is and was a moſt capacious Market for black Cattle, Sheep, Horſes, Hay and Straw, even 500 Years ago. The antient State of this Field may be collected from the various Uſes it ſerved in thoſe Times, and is as follows:

The reſt of *Smithfield*, from *Long-lane* End to the Bars, is incloſed with Inns and large Tenements. On the Weſt Side is *Chicken-lane*, down to *Cowbridge*. Then are the Pens or Folds, ſo called of Sheep there parted, and penned up, to be ſold on the Market-Days.

Then was *Smithfield-pond*, which of old Time, in Records, was called *Horſe-pool*; for that Men watered Horſes there, and was a great Water. In the ſixth of *Henry* V. a new Building was made in the Weſt Part of *Smithfield*, betwixt the ſaid Pool and the River of the *Wells*, or *Turnmill-brook*, in a Place then called *The Elms*; for that there grew many Elm-Trees, and had been the Place of Execution for Offenders. Since which Time the Building there hath been ſo increaſed, that, ſaith *Stow* in his Time, now not one Tree remaineth growing.

The Elms *in* Smithfield *the common Place of Execution.*

This Place was in Uſe for Executions in the Year 1219, and, as it ſeems, long before; by a Clauſe Roll 4 *Henry* III. wherein Mention is made of *Furcæ factæ apud Ulmellos Com.* Middleſex, *ubi prius factæ fuerunt*.

In *Cowbridge-ſtreet*, or *Cow-lane*, was the Inn or *London* Lodging of the Prior of *Sempringham*.

The reſt of that Weſt Side of *Smithfield* hath ſeveral large Inns, and other good Buildings up to *Hoſier-lane*, which turns down towards *Holborn*, till it meets with *Cow-lane*.

Stow ſaith, by theſe Incroachments, and this Incloſure of *Smithfield*, there remained but a ſmall Portion for the old Uſes, *viz.* for Markets of Horſes and Cattle; nor for military Exerciſes, as Juſtings, Tournings, and great Triumphs, which had been there performed before the Princes and Nobility, both of this Realm and foreign Countries.

For Example: In the Year 1357, 31 *Edward* III. great and royal Juſts were then holden in *Smithfield*; there being preſent the Kings of *England*, *France* and *Scotland*, with many other Nobles and great Eſtates of divers Lands.

In the Year 1362, 36 *Edward* III. on the firſt five Days of *May*, in *Smithfield* were Juſts holden, the King and Queen being preſent; with the moſt Part of the Chivalry of *England* and of *France*, and of other Nations; to the which came *Spaniards*, *Cyprians* and *Armenians*, knightly requeſting Aid of the King of *England* againſt the Pagans that invaded their Confines.

The 48th of *Edward* III. Dame *Alice Perrers*, or *Pierce*, (the King's Concubine) as Lady of the Sun, rode from the *Tower* of *London*, through *Cheap*, accompanied by many Lords and Ladies; every Lady leading a Lord by his Horſe's Bridle, till they came into *Weſt-Smithfield*; and then began a great Juſt, which laſted for ſeven Days. See Page 132.

Alſo

Alſo the 9th of *Richard* II. was the like great Riding from the *Tower* to *Weſtminſter*, and every Lord led a Lady's Horſe's Bridle; and in the Morning began the Juſts in *Smithfield*, which laſted three Days. *Henry* of *Darby*, the Duke of *Lancaſter*'s Son, the Lord *Beaumont*, Sir *Simon Burley*, and Sir *Paris Courtney*, all behaved well.

In the 14th of *Richard* II. royal Juſts and Tournaments were proclaimed to be done in *Smithfield*; to begin on *Sunday* next after the Feaſt of St. *Michael*. Many Strangers came forth out of other Countries; namely, *Valerian*, Earl of St. *Paul*, that had married King *Richard*'s Siſter; the Lady *Maud Courtney*, and *William* the young Earl of *Oſtarvant*, Son to *Albert* of *Baviere*, Earl of *Holland* and *Hainault*.

At the Day appointed, there iſſued forth of the *Tower*, about the third Hour of the Day, ſixty Courſers, apparelled for the Juſts; and upon every one an Eſquire of Honour riding a ſoft Pace. Then came forth ſixty Ladies of Honour, mounted upon Palfreys riding on the one Side, richly apparelled; and every Lady led a Knight with a Chain of Gold. Thoſe Knights, being on the King's Party, had their Armour and Apparel garniſhed with white Harts, and Crowns of Gold about the Harts Necks; and ſo they came riding through the Streets of *London* to *Smithfield*, with a great Number of Trumpets and other Inſtruments of Muſick before them. The King and Queen, who were lodged in the Biſhop's Palace of *London*, were come from thence, with many great Eſtates, and placed in Chambers to ſee the Juſts. The Ladies that led the Knights were taken down from their Palfreys, and went up to Chambers prepared for them. Then alighted the Eſquires of Honour from their Courſers, and the Knights in good Order mounted upon them. And after the Helmets were ſet on their Heads, and being ready in all Points, Proclamation made by the Heralds, the Juſts began; and many commendable Courſes were run, to the great Pleaſure of the Beholders. Theſe Juſts continued many Days, with great Feaſting, as ye may read in *Froiſard*. See Page 178.

In the Year 1393, the 17th of *Richard* II. certain Lords of *Scotland* came into *England* to get Worſhip by Force of Arms; the Earl of *Mar* challenged the Earl of *Nottingham* to juſt with him; and ſo they rode together certain Courſes, but not the full Challenge; for the Earl of *Mar* was caſt, both Horſe and Man, and two of his Ribs broken with the Fall; ſo that he was conveyed out of *Smithfield*, and ſo towards *Scotland*, but died by the Way at *York*.

Sir *William Darell*, Knt. the King's Banner-Bearer of *Scotland*, challenged Sir *Piercy Courtney*, Knt. the King's Banner-Bearer of *England*; and when they had run certain Courſes, gave over without Concluſion of Victory. Then *Cookborne*, Eſq; of *Scotland*, challenged Sir *Nicholas Hawberke*, Knt. and rode five Courſes, but *Cookborne* was borne over Horſe and Man, *&c.*

In the Year 1409, the 10th of *Henry* IV. a great Play was played at *Skinner's-well*, which laſted eight Days; where were to ſee the ſame the moſt Part of the Nobles and Gentlemen of *England*. And forthwith began a royal Juſting in *Smithfield* between the Earl of *Somerſet* and the Seneſchal of *Hainault*, Sir *John Cornwall*, Sir *Richard Arundel*, and the Son of Sir *John Cheyney*, againſt certain *Frenchmen*. See Page 185. And the ſame Year a Battle was fought in *Smithfield*; the one called *Glouceſter*, Appellant; and the other *Arthure*, Defendant; they fought valiantly, but the King took up the Quarrel into his Hands, and pardoned them both.

In the Beginning of *Henry* the Vth's Reign, another memorable Encounter happened here in *Smithfield* between *Robert Carey*, of the Weſt, Son of Sir *John Carey*, Knt. and a foreign Knight, called *Aragoneſe*, one of the Kingdom of *Aragon*; who having performed many noble Atchievements in other Countries, at laſt viſited *England*, where he challenged many Perſons of his Rank and Quality to make Trial of his Skill in Arms. The ſaid *Robert Carey* accepted his Challenge. Between them was waged a cruel Encounter, and a long and doubtful Combat; but at laſt he was vanquiſhed by the *Engliſh* Gentleman, who was therefore knighted by the King, and reſtored to Part of his Father's Inheritance; who having been Lord Chief Baron of the *Exchequer* in King *Richard* the IId's Time, and taking Part with him, had forfeited his Eſtate. And whereas by the Law of Heraldry (ſays my Author) whoſoever fairly in the Field conquered his Adverſary, might juſtify the wearing and bearing of his Arms whom he overcame; he accordingly took on him the Coat Armour of this *Aragoneſe*, being Argent, on a Bend Sable, three Roſes of the firſt; which is ever ſince borne by the Name of *Carey*, whoſe antient Coat of Arms was, Gules, a Chevron, Argent, between three Swans proper; one whereof they ſtill retain in their Creſt.

In the Year 1430, the 8th of *Henry* VI. the 14th of *January*, a Battle was fought in *Smithfield* within the Liſts before the King, between two Men of *Feverſham* in *Kent*, *John Upton*, Notary, Appellant; and *John Downe*, Gentleman, Defendant. See Page 189.

In the Year 1442, the 20th of *Henry* VI. the 30th of *January*, a Challenge was done in *Smithfield* within the Liſts before the King; one being Sir *Philip la Beauſe*, of *Aragon*, Knt. the other an Eſquire of the King's Houſe, called *John Anſley*, or *Antſley*. They came to the Field all armed; the Knight with his Sword drawn, and the Eſquire with his Spear; which Spear he caſt againſt the Knight, but the Knight avoided it with his Sword, and caſt it to the Ground. Then the Eſquire took his Axe, and ſmote many Blows on the Knight, and made him let fall his Axe, and brake up his Uniber three times, and would have ſmote him on the Face with his Dagger to have ſlain him; but then the King cried, *Hold*, and ſo they parted. The King made *John Anſley* a Knight, and the Knight of *Aragon* offered his Harneſs at *Windſor*.

In the Year 1467, the 7th of *Edward* IV. the the Baſtard of *Burgoine* challenged the Lord *Scales*, Brother to the Queen, to fight with him both on Horſeback and on Foot. The King therefore cauſed Liſts to be prepared in *Smithfield*, the Length of 120 Taylors Yards, and 10 Feet; and in Breadth 80 Yards, and 20 Feet; double barred, 5 Feet between the Bars, the Timber-Work whereof coſt 200 Marks, beſides the fair and coſtly

ly Galleries prepared for the Ladies, and others: At which martial Exercise the King and Nobility were present. See Page 205.

All this Time this Square was used likewise for a Market-Place for Cattle, Hay, Straw, and other necessary Provisions; and (once in the Year) at *Bartholomew-tide* for a general Fair, commonly called *Bartholomew-fair*. But in Regard that it was continually subject to the Iniquity of Weather, and being a Place of good Extent, it pleased the King's Majesty (*James* I.) with the Advice of his honourable Lords of the Council, to write graciously to the Lord-Mayor, and the Aldermen his Brethren, in the Year 1614, that *Smithfield* might be sufficiently paved. See P. 295.

Besides the paving of this Place all over, and levelling it, (which being in such a rude foul Condition, it was before thought impossible to be done) it was greatly raised and mounted in the Middle, whereby it became a very fair, clean, and spacious Walk: And divers Conveyances were made for the Water from the new Channels, made by the Reason of the Pavement. It was also strongly railed on all Sides; and the Middle had also substantial Rails round about, for the better Safety of Passengers, and for the Security of such as should walk there, from the Danger of Coaches, Carts, Horses, Oxen, and other Cattle, of which *Smithfield* is seldom empty.

Bartholomew Fair.

King *Henry* II. granted to the Priory of St. *Bartholomew* the Privilege of a Fair to be kept yearly at *Bartholomew-tide* for three Days, *viz.* the Eve, the Day, and the Morrow; to which the Clothiers of *England* and Drapers of *London* repaired, and had their Booths and Standings within the Church-yard of this Priory, closed in with Walls and Gates, locked every Night, and watched, for the Safety of Men's Goods and Wares. A Court of *Piepowders* was daily, during the Fair, holden for Debts and Contracts.

The *Custos* of the City, *Ralph Sandwich*, *Anno* 1295, had a Contest with the Prior of St. *Bartholomew*'s about the Customs and Benefits of this Fair, claiming all the Customs the Morrow after St. *Bartholomew*'s Day, and Half of them on the Eve before the said Day. See Pages 107 and 712.

This Field, as it had antiently been (as was said before) a Place of honourable Exercises of Justs and Tournaments, so loose Serving-Men would commonly meet here, and make Uproars and Quarrels; insomuch that it was many Years called *Ruffians-Hall*, being the usual Rendezvous of Ruffians and Quarrellers, during the Time that Swords and Bucklers were used: When every Serving-Man carried a Buckler at his Back, which hung by the Hilt or Pommel of his Sword, hanging before him.

The Fair kept here, instead of three Days, was at length prolonged to a Fortnight; and became of little other Use than for idle Youth and loose People to resort to, and to spend their Money in Vanity; and (that which was worse) in Debaucheries and Drunkenness, Whoredom, and in seeing and hearing Things not fit for Christian Eyes and Ears; many of the Houses and Booths here serving only to allure Men and Women to such Purposes of Impiety. Therefore the Magistracy often intending fully, at last resolved, in the Year 1708, to reduce the Fair to that Space of Time only, according to which it was at first granted, that is, to three Days; and accordingly an Order was made. And at a Court of Common-Council in *June*, the said Year, when some Petitions were offered for revoking the former Order, upon certain Inconveniencies, as the great falling of the Rents in St. *Bartholomew*'s Hospital, and of the great Losses that many of the Inhabitants in and about *West-Smithfield* must suffer; yet, upon the Consideration of the great Mischiefs and Disorders that had arisen by the long Continuance of the said Fair, the Petitions for prolonging the Time were rejected, and the Order confirmed. Whereby the Fair was to be kept for three Days only, for selling of Merchandizes, according to the original Grants from the Crown; which Regulation, though it has been sometimes broke, the chief Magistrate of late Years has strictly observed.

The Business transacted in *Smithfield* Market may be partly collected from the several Estimates or Accounts of the Number of Cattle, Sheep, *&c.* sold therein, recorded in the Beginning of this second Book.

Fleet Market.

(2) The other is *Fleet* Market, situate on the Place where of late was the new Canal, between *Holborn-bridge*, and the Bridge commonly called *Fleet-bridge*, at the Bottom of *Ludgate-hill*. It is adapted to the Sale of Butchers Meat by Retail, Poultry, Fish, Herbs, Fruits, Butter, Cheese, Eggs, *&c.* The Stalls range in two Rows of an equal Height, with a handsome Walk between, the whole Length from North to South, and secured from the Weather. In the Centre is a neat Lanthorn with a Clock. The whole is paved with Rag Stones; and the Fruiterers Stands are made in the Form of Piazzas, with proper Conveniencies to deposite their remaining Stock. See Pages 146 and 571.

Old-bailey Sessions-House.

Ninthly, A little to the South-West of *Newgate*, on the East Side of the Street called the *Old-bailey*, stands the Court-House for the Trial of Malefactors, for Crimes committed in the Cities of *London* and *Westminster*, and County of *Middlesex*. It is a Foundation of great Antiquity, as supposed to be a Corruption of *Bail-hill*, i. e. the Place of Trial for Prisoners; as now we retain the Name of the *Bail-dock* for a certain Part of this Court, in which the Malefactors are confined till called up to Trial, *&c.* The present Building is capacious. The Court-Room is a very large Square. There are many Apartments for the Entertainment and Conveniency of the Magistrates, *&c.* that attend the Court. Before it is a large Court-yard, and behind it a Garden-plat; and yet it has been known to be so offensive, by the Smell of the miserable Gaol-birds brought thither to be tried, and the Heat of the Breaths of the great Number of Spectators crowding on certain remarkable Trials in sultry Weather, that at one Time, a few Years ago, upwards of two hundred People caught such a Fever there, that they died in a few Days of a Disease that baffled the whole Art of Physick; amongst whom was a Judge, an Alderman, several of the Jury, *&c.*

Fleet Prison.

On the East Side of *Fleet* Market, and a little to the South of *Fleet-lane*, stands the *Fleet*, a Prison-House, so called of the Fleet, or Water,

running by it, and ſome Time flowing about it, but now vaulted over.

Richard I. in the firſt Year of his Reign, confirmed to *Oſbert* (Brother to *William Longſhampe*, Chancellor of *England*, and Elect of *Ely*) and to his Heirs for ever, the Cuſtody of his Houſe, or Palace, at *Weſtminſter*, with the keeping of his Gaol of the *Fleet*, at *London*. Alſo King *John*, by his Patent, dated the third of his Reign, gave to *S.* Archdeacon of *Wells*, the Cuſtody of the ſaid King's Houſe at *Weſtminſter*, and his Gaol of the *Fleet*, together with the Wardſhip of the Daughter and Heir of *Robert Leveland*, &c.

About the Year 1586, the Priſoners of the *Fleet* petitioned the Lords of the Council. The Warden had let and ſet to Farm the Victualling and Lodging of all the ſaid Houſe and Priſon to one *John Harvey*; and the other Profits of the ſaid *Fleet* he had let to one *Thomas Newport*, then Deputy there, under the Warden; and theſe two, being very poor Men, having neither Land, nor any Trade, to live by, nor any certain Wages of the ſaid Warden; ſo that theſe, being alſo greedy of Gain, lived by Bribing and Extortion. And they did moſt ſhamefully extort and exact from the Priſoners, and raiſed new Cuſtoms, Fines and Payments, for their own Advantage; and cruelly uſed them, ſhutting them up in cloſe Priſons, when they found Fault with their wicked Dealings, not ſuffering them to come and go within the ſaid Priſon, as they ought to do; nor permitting their Friends to come to them that ſhould travel in their Cauſes for their better Relief; which, with other their abominable Miſdemeanors, without Reformation, might be the poor Priſoners utter Undoing.

And for the doing theſe Wrongs with the greater Secrecy, they made away with a Book that was always ready to be ſhewed, containing all Orders and Conſtitutions of the ſaid Houſe; that all Men committed might ſee what they ought to have in the ſaid Priſon; and what every one ought to do, touching all Manner of Duties, Rights, Conſtitutions and Ordinances, to be obſerved and kept in the *Fleet*. The Cuſtoms of which *Fleet* were, that every Priſoner ſhould have Meat, Drink, and other Neceſſaries and Commodities, and be well and decently uſed, as was meet for every Man's Degree.

All this the Priſoners ſet forth in their Petition; and therefore prayed their Lordſhips to appoint Commiſſioners to come to the *Fleet*, and examine *Newport* and *Harvey*; and to ſeparate the one from the other, that they might have no Conference together; and ſo be examined ſeverally, upon Interrogatories already prepared to be miniſtred to them; and that the Priſoners might be examined touching their Doings; and to take ſuch good Order for the Redreſs thereof, as to their Lordſhips ſhould ſeem convenient.

In the ſaid Year 1586, a Commiſſion was granted for the Relief of the *Fleet*. And for more convenient Uſe, the Recorder *Fleetwood*, by Commandment of the Archbiſhop of *Canterbury*, did abbreviate and explain it.

Further, in the Year 1593, the Priſoners of the *Fleet* preferred a Bill to the Parliament, touching the Orders and Reformation of the *Fleet*, which *Joachim Newton*, Deputy-warden, did all he could to hinder. They therefore petitioned the Lord Treaſurer *Burghley* to forward it; and to ſhew what Reaſon they had to exhibit this Bill, they ſent a Paper of Articles, in Number twenty-eight, of the Murders and other Miſdemeanors of the ſaid *Joachim*.

In the Year 1729, great Complaints having been made of Abuſes committed in this and other Priſons, a Committee of the Houſe of Commons was appointed to make an Enquiry into the State of the Gaols; by whom ſuch Enormities were diſcovered, that the Warden of the *Fleet*, *John Huggins*, Eſq; and his Deputy, *Thomas Bambridge*, were turned out of their Offices, and committed to *Newgate*; and the former tried for the Murder of one of his Priſoners, by locking him in a Dungeon, without any Proviſion, either of Food or Raiment, where he periſhed in a deplorable Manner; but the Jury, upon the Trial, bringing in a ſpecial Verdict, he was afterwards acquitted. However, this occaſioned an Act of Parliament for the better Regulation of Gaols for the future.

Halls. Near to the South Extremity of the *Old-bailey*, on the Eaſt Side, is lately erected by the Company of Surgeons a Hall or Theatre for tranſacting of Buſineſs, Diſſections of human Bodies, and reading of Lectures in Anatomy. It is a very handſome Edifice of Brick and Stone; containing all Conveniencies for ſuch an uſeful and learned Body, and completed, as we are informed, by private Subſcriptions among the free Surgeons of *London*. See the Elevation annexed.

Temple-bar. The South-Weſt Extremity of this Ward at the End of *Fleet-ſtreet* terminates with a very handſome Gate, called *Temple-bar*, where in antient Times were only Poſts, Rails, and a Chain, ſuch as now are at *Holborn*, *Smithfield*, and *Whitechapel-bars*. Afterwards there was a Houſe of Timber erected croſs the Street, with a narrow Gate-way, and an Entry on the South Side of it, under the Houſe. But, ſince the great Fire, there is erected a ſtately Gate, with two Poſterns, one on each Side, for the Convenience of Foot-Paſſengers, with ſtrong Gates to ſhut up in the Nights, and always good Store of Watchmen, the better to prevent Danger.

This Gate is built all of *Portland* Stone, of Ruſtick Work below, and of the *Corinthian* Order. Over the Gate-way, on the Eaſt Side, fronting the City of *London*, in two Niches are the Effigies, in Stone, of Queen *Elizabeth*, and King *James* I. very curiouſly carved, and the King's Arms over the Key-Stone of the Gate, the Supporters being at a Diſtance over the Ruſtick Work.

And on the Weſt Side, fronting the City of *Weſtminſter*, in two Niches, are the like Figures of King *Charles* I. and King *Charles* II. in *Roman* Habits. Through this Gate are two Paſſages for Foot-Paſſengers: One on the South, over which is engraven, *Erected*, *Sir* Samuel Starling *being Maior*. And another on the North, over which is engraven, *Continued*, *Sir* Richard Ford, *Maior*. *Finiſhed*, *Sir* George Waterman, *Maior*.

The

80 Feet in Front.

R. Cole sculp.

The SURGEON'S *THEATRE in the* OLD BAILEY.

The State, ſince the Erection of this Gate, has particularly diſtinguiſhed it, by ordering the Heads of ſuch as are executed for Rebellion or High-Treaſon to be fixed on the Top thereof.

Antiquities. Smithfield Pond.

Between *Hoſier* and *Cow-lanes*, in *Smithfield*, antiently was a large Pool of Water, called *Smithfield Pond*, or *Horſe-pool*, from the Watering of Horſes there: And to the South-Weſt of which, in *Cow-lane*, where St. *John's-court* (the firſt Thorough-fare into *Chick-lane*, on the Right-Hand leading from *Smithfield)* is ſituate, ſtood the Gallows, or publick Place of Execution, denominated the *Elms*, from the great Quantity of ſuch Trees growing in that Neighbourhood. But the Gallows being removed to the Weſt End of the Suburbs, this Part of *Smithfield* was ſoon erected into Streets, Lanes, *&c.* among the firſt of which Buildings was that ſpacious and lofty wooden Edifice denominated *High-hall*, lately ſtanding in the ſaid St. *John's-court*. This antient Structure of Wood and Stone was the City Reſidence of the Prior of *Sempringham* in *Lincolnſhire*, as is evident by the Writings thereunto belonging in the Cuſtody of Sir *Harry Featherſtone*, wherein the ſaid Houſe is denominated *Sempringham Head-houſe*.

Elms.

In the *Old-bailey*, a little lower than the Seſſions-houſe, was a large Ciſtern, with divers Cocks, which received the waſte Water of the Priſon of *Ludgate*, for the Uſe of the neighbouring Inhabitants.

At the Corner of *Seacoal-lane*, in *Fleet-lane*, was ſituate an Inn of Chancery; but the ſame being found too remote from the Courts at *Weſtminſter*, the Students removed to *New-Inn* near *Drury-lane*, in *Wych-ſtreet*, for their greater Convenience. Part of the Stone Wall of this antient Inn is ſtill to be ſeen, under the Houſes of *Biſhop's* and *Greenarbour Courts* in the ſaid *Seacoal-lane*.

New-Inn.

Conyer's MSS. in Bibl. Sir Hans Sloane.

In digging *Fleet-ditch*, in the Year 1670, between the *Fleet-priſon* and *Holborn-bridge*, at the Depth of fifteen Feet, divers *Roman* Utenſils were diſcovered; and a little deeper, a great Quantity of *Roman* Coins of Silver, Copper, Braſs, and all other Sorts of Metal, Gold excepted. Thoſe of Silver were Ring-Money of divers Sizes; the largeſt about the Bigneſs of a Crown, but gradually decreaſing; the ſmalleſt was about the Dimenſion of a Silver Two-pence, each having a yellow Snip in the Edge: And at *Holborn-bridge* were dug up two of their Brazen *Lares*, or Houſehold-Gods, about four Inches in Length; which, by the Quality of the Soil they lay in, were almoſt incruſted with a petrifick Matter; one whereof was *Ceres*, and the other *Bacchus*. But the Coins lying at the Bottom of the Current, their Luſtre was in a great meaſure preſerved by the Water inceſſantly waſhing off the corroding Salt. 'Tis remarkable, that the Braſs Pins found in this Neighbourhood were moſtly petrified; whilſt thoſe found at *Fleet-bridge* remained as bright as at firſt, notwithſtanding their having lain many Ages in that Poſition.

I am of Opinion, that the great Quantity of Coin found in this Ditch was thrown in by the *Roman* Inhabitants of this City, (upon the Approach of *Boadicea* with her Army) for its Preſervation: But all the Citizens, without Diſtinction of Age or Sex, being cruelly and barbarouſly maſſacred by the inraged *Britons*, it was not diſcovered till this Time.

Beſides the above-named Antiquities, divers Things of a more modern Date were diſcovered, *viz.* Arrow-heads, Scales, Seals, (with the Proprietors Names in *Saxon* Characters thereon) Spur-rowels of a Hand's Breadth, Keys, and Daggers, coated over with a livid petrifick Ruſt; together with a conſiderable Number of modern Medals, with Croſſes, Crucifixes, and *Ave-Maries* engraven thereon; and Ship Counters, with large *Saxon* Characters. Ibid.

Holborn, in the Conqueror's Survey, appears to have been a Village, ſituate in the Hundred of *Oſulveſtane*, or *Oſulſton*, denominated *Holeburne*, wherein the King had two *Cotarii*, or Cotagers, who paid to his Bailiff or Sheriff an annual Sum of twenty *Denarii* or Pence. Doomſday Book in Rec. Exchеq.

The Village of *Holborn* being erected on the Bank of the Brook or Bourn, (See Page 85) it gradually extended itſelf Weſtward, and communicated its Name to the long and ſpacious Street, which reaches from *Holborn-bridge* to St. *Giles*'s.

Oppoſite St. *Andrew*'s Church in *Shoe-lane*, was ſituate a large Houſe denominated *Holborn-hall*; but when, or by whom erected, or why ſo denominated, I cannot learn, tho' by its Name it ſeems to have been the Manor-houſe. Stow. Sur. Lond. Holborn-hall.

Near to that Houſe ſtood an Hoſpital, a Cell to the Monaſtery of *Cluny* in *France*; wherefore 'twas ſuppreſſed by *Henry* V. among other foreign Foundations. Ibid. *A Cell to* Cluny.

Near the Church of St. *Andrew*, about the Year 1670, was diſcovered Part of a *Roman* Pavement teſſelated, which is preſerved in the Muſeum of the *Royal Society*. Rec. Roy. Society. Roman *Pavement.*

Oppoſite the ſaid Church in *Holborn*, where *Scroop's-court* is ſituate, antiently ſtood an Inn, denominated *Scroop's* or *Serjeant's-Inn*. Stow. Sur. Lond. Scroop's Inn.

A little higher on the ſame Side of the Street ſtands the Biſhop of *Ely*'s City Manſion, which *William de Luda*, Biſhop of that See, *Anno* 1297, bequeathed to the Uſe of his Succeſſors, upon Condition, that his immediate Succeſſor ſhould give the Sum of one thouſand Marks, as a Fund for the Support of three Chaplains to officiate in the Chapel there. Godwin de Præſul. Ang.

The Ground belonging to this Houſe in the Reign of Queen *Elizabeth* conſiſted of an Orchard and Paſture of above forty Acres of Land, which was incloſed with a Wall; when the ſaid Queen, at the Intreaty of *Chriſtopher Hatton*, Eſq; and Vice-Chamberlain of her Houſehold, (and afterwards Lord Chancellor) prevailed upon *Richard Cox*, the then Biſhop, to grant to the ſaid *Hatton* the Weſtern Part of his ſaid Houſe for the Term of twenty Years, on which he craftily laid out a conſiderable Sum of Money in repairing it after a ſumptuous Manner; wherefore he applied to the Queen, to prevail upon the Biſhop to alienate the ſame, with the ſpacious Garden behind it, to him; but *Cox* not being to be prevailed upon, that Affair was deferred till his Death; when the Temporalities devolving to the Crown, *Elizabeth* granted the ſaid Apartments and Garden to the ſaid *Hatton* and his Heirs for ever; which Houſe being ſince pulled down, the long and ſpacious Street called *Hatton-ſtreet*, (vulgarly *Hatton-garden)* together with thoſe of *Kirby*, the *Great* and Stryp. Stow. Sur.

Little,

Little, *Charles* and *Croſs Streets*, and *Hatton-wall*, have been erected on the Sites thereof; which remain as ſo many Monuments of the Avarice of that Miniſter.

Conduit. Againſt the South End of *Shoe-lane* in antient Time ſtood a Water-Conduit, whereof *Will. Eaſtfield*, ſome Time Mayor, was Founder. For the Mayor and Commonalty of *London* being poſſeſſed of a Conduit-Head, with divers Springs of Water gathered thereinto, in the Pariſh of *Paddington*, and the Water conveyed from thence, by Pipes of Lead, towards *London* from *Tyburn*, where it had lain for the Space of ſix Years and more; the Executors of Sir *William Eaſtfield* obtained Licence of the Mayor and Commonalty for them in the Year 1453, with the Goods of Sir *William*, to convey the ſaid Waters, firſt in Pipes of Lead, into a Pipe begun to be laid beſide the great Conduit-Head at *Marybone*, which ſtretches from thence to a Separal, late before made againſt the Chapel of *Rounſeval*, by *Charing-croſs*, and no further; and then from thence to convey the ſaid Water into the City, and there to make Receipt or Receipts for the ſame, to the Common-weal of the Commonalty, *viz.* the Poor to drink, the Rich to dreſs their Meat; which Water was by them thus brought into *Fleet-ſtreet*, to a Standard which they had made and finiſhed, 1471, near *Shoe-lane*.

The Inhabitants of *Fleet-ſtreet*, in the Year 1478, obtained Licence of the Mayor, Aldermen, and Commonalty, to make (at their own Charges) two Ciſterns, the one to be ſet at the ſaid Standard, the other at *Fleet-bridge*, for the Receipt of the waſte Water. This Ciſtern at the Standard they built, and on the ſame a fair Tower of Stone, garniſhed with Images of St. *Chriſtopher* on the Top, and Angels round about lower down, with ſweet-ſounding Bells before them; whereupon, by an Engine placed in the Tower, they, divers Hours of the Day and Night, with Hammers, chimed ſuch an Hymn as was appointed.

Two Ciſterns.

This Conduit, or Standard, was again new built, with a large Ciſtern, at the Charges of the City, in the Year 1582.

This Conduit in *Fleet-ſtreet*, with ſome others built at the City's Charge, coſt 2000 *l.*

Biſhop of St. David's *Reſidence.* At the Eaſt End of St. *Bride's* Church, and North Side of *Bridewell*, was ſituate the Biſhop of St. *David's* Reſidence; and at the Weſt End of the ſaid Church ſtood the Biſhop of *Saliſbury's* City Manſion; which coming at laſt to the Earls of *Dorſet*, was converted into Streets, Lanes, *&c.* now *Saliſbury-court*, &c. At the lower End of *Dorſet-ſtreet*, fronting the *Thames*, was erected a magnificent and ſpacious Theatre, wherein Plays were acted till the Abdication of King *James* II. *A. D.* 1688.

The White-friars, *or the Friars of our Lady of* Mount Carmel.

White-friars. Before we treat of the Houſe called *White-friars* in *London*, it will be requiſite to ſay ſomething of the Order of *White-friars*, or *Carmelites*, the Title of which Fraternity, is this, *Fratres B. Mariæ de Monte Carmelo* or *Carmelite Friars*.

This Order had its Original in Mount *Carmel*, in *Syria*, where *Elias*, and *Eliſeus*, the Prophets, inhabited; there, in Proceſs of Time, many *Anchorets* firſt ſettled themſelves, who afterwards, by means of *Almeric* Biſhop of *Antioch*, the Pope's Legate, were brought together; and having been there a long Time diſperſed one from another, they were reduced to live together under one Government.

Foundation of the Carmelites, or White-friars. There was on that Mount, near to *Elias*'s Fountain, a Church dedicated to the Bleſſed Virgin *Mary*, where they laid the firſt Foundation of their Convent. There this *Almeric* built their firſt Monaſtery, *Ann.* 1121; for, before, they lived in Caves and Dens. Afterwards, this Order was brought into *Europe*, by *Albert*, Patriarch of *Jeruſalem*, Legate to Pope *Innocent* III. about the Year 1216, who gave them a certain Rule to follow, taken much from the Rule of St. *Baſil*.

Theſe Hermits of Mount *Carmel* firſt profeſſed Begging in *Europe*, after the *Dominicans* and *Minorites*; and then they were permitted to preach and hear Confeſſions. Their Order was confirmed firſt by Pope *Honorius* III. or, as others ſay, *Honorius* IV. Pope *Gregory* IX. *Innocent* IV. and other Popes.

Theſe *Carmelites* procured a Licence from the Pope to creep out of the Wilderneſs into the Cities, contrary to their firſt Inſtitution; againſt which Courſe *Nicholas Gallus* wrote bitterly, deploring their State with pious Tears.

Pope *Honorius* (ſays *Bale*) granted to the *Carmelites* this Privilege, that they ſhould be free from the Juriſdiction of all Princes and Biſhops.

Trithemius Abbas ſays, that the Colour of the Habit of this Order, at firſt, was *White*; whereby the inward Purity of the Brethren was ſignified, with ſuch a Cloak, they ſay, as *Elias* was clad; and that *Eliſeus* and the Children of the Prophets went in ſuch a Habit. After many Years, when the *Holy Land* came into the Hands of the Infidels, the Brethren were forced to change their Habit, the *Saracens* compelling them thereunto, who held it lawful only for the Nobility to wear a white Garment; ſo, by Neceſſity changing their old Habit, they took to themſelves Hoods ſtreaked with two Colours, White and Black.

After many Years the Brethren were compelled, by the Malice of the Infidels, to depart out of the *Holy Land*; and then coming into *Europe*, that they might not ſeem ridiculous in a ſtrange Habit, they reſumed their old Habit, which is white, and which to this Day they uſe in their Convent, but wear a black Hood under it when they go abroad.

But ſome may deſire to know why theſe Friars are called *Brethren of the Bleſſed Virgin* Mary of *Mount* Carmel; the Cauſe thereof is this: Not long after the Paſſion of our Lord, the Brethren of Mount *Carmel* built a Chapel on the Side of that Mount, to the Honour of the Mother of God, and choſe her for the Advocate and Patron of their Order, and thereupon afterwards they were called *her Brethren*: As therefore they are called *Carmelites*, from Mount *Carmel*, ſo from the Chapel, which they built, they are, to this Day, called *Brethren of the Bleſſed Virgin, the Mother of God.* Thus *Trithemius*.

However,

However, this is the more general and approved Opinion of the original Cauſe of this Title aſſumed by the *Carmelites*; yet ſome have affirmed that the Bleſſed Virgin *Mary* appeared to *Simon Stock*, one of their Order, and preſented to him a Scapulary, ſaying, *Receive, my Beloved, this Scapulary, which I give unto this Order, in Sign of my Fellowſhip*; whereupon they uſurped the Title of *Fratres Ordinis beatæ Mariæ Virginis de Monte Carmelo.*

This Scapulary is a narrow Piece of Cloth, which the Monks wear over their Habit, hanging down before and behind; and Mr. *Fuller* in his *Church-Hiſtory* writes, that the *Carmelites* boaſt very much of this *Stock*; who, as he ſays, was a *Kentiſh* Man born, and being a Boy of twelve Years of Age, fed on Roots and wild Fruit in the Woods, and lived in the Trunk of an hollow Tree, from whence he had his Name *Stock*, who was afterwards Maſter-General of the Order of *Carmelites*, and is ſaid to have been famous for Miracles; which, for Brevity ſake, we omit, and only tell you what *Bale (inter alia)* ſays of him:

That this *Simon Stock*, hearing that the *Carmelites* were come into *England*, took a chearful Journey to them, being then near eighty Years of Age; and, for the Fame of his Life and Doctrine, was entertained by them as one ſent from Heaven; and in their next General Synod, which was held at *Aylesford*, in *Kent*, *An. Dom.* 1245, was made the univerſal Preſident of their Order throughout *Europe*: *Alen Americ*, who was their fifth Preſident, reſigning it to him, which, as General, he ruled about twenty Years, he went over into *France*, and in the hundredth Year of his Age died there, in *Gaſcoigne*, and was buried at *Bourdeaux*, *Anno* 1265, or, as ſome ſay, 1266. After his Death, for his great Devotion and Holineſs of Life, he was canonized a Saint, whoſe Feſtival is celebrated yearly, *May* 6.

Bale (who was a *Carmelite* Friar himſelf) ſays, that the *Carmelites* firſt began to be famous in *Europe*, *Anno* 1220. After that, *Angelus Hieroſolomit.* (a *Jew* by Birth) an Hermit of that Order, had preached at *Rome*, that the Commonwealth of the Church ſhould ſhortly be afflicted.

Moreover, *Ralph Freſburne*, a *Carmelite* Friar, ſays *Bale*, laid the firſt Foundation of the Society of the *Carmelites* in *England*, *Ann.* 1224; as Poet *Mantuan*, a *Carmelite*, writes, *Lib.* 8. and in his own Lordſhips founded the Priories near *Alnwick* in *Northumberland*, and in *Aylesford* in *Kent*, in 1240, which were the firſt Houſes for theſe *Carmelites* in *England*. Theſe Friars (ſays *Bale*) were not then ſhaven or anointed, nor did they obſerve ſingle Life, nor Poverty, in *England*, for fourteen Years together after they had firſt built themſelves Priories, or Convents, during which Time the ſaid *Ralph Freſburne* was their Governor.

Fuller ſays, that *Ralph Freeborn* (ſo he names him) in the Reign of *Richard* I. brought over into *England* theſe *Carmelite* Friars, and placed them near *Alnwick* in *Northumberland*, in a Wilderneſs. *Fuller*, very probably, miſtakes *Rich.* I. for *Richard* Duke of *Cornwall*, youngeſt Son of King *John*, under whom he had ſerved as a Soldier againſt the *Saracens*.

The firſt Entrance of the *Carmelites* into *England*, ſays *Lambard*, was about the Middle of King *Henry* III. when they made their Neſt at *Newenden*, in *Kent*; a woody and ſolitary Place.

When *Milverton*, the Provincial of the *Carmelites* in *England*, ſays *Bale*, was firſt impriſoned by Pope *Paul* II. about the Year 1460, both the School-Learning, and therewithal the Eſtimation of the *Carmelites* in *England*, which 'till then they upheld above all other Mendicants, fell to Decay.

This Order was vertical, and in the higheſt Exaltation thereof, in the Reign of King *Edward* IV. Under *Nicholas Kenton*, their twenty-fifth Provincial, they reckoned no fewer than fifteen hundred of their Order; but when *John Milverton*, his Succeſſor, began, in Favour of Friery, furiouſly to engage againſt Biſhops, and the Secular Clergy, the *Carmelites* good Maſters and Dames began to forſake them, and they never recovered their Credit 'till they were utterly diſſolved. They were very careful in keeping the Records of their Order, preſerving the ſucceſſive Series of their Provincials, from their Original here in *England*, 'till their Diſſolution; a Catalogue whereof, made by *John Bale*, may be ſeen in *Fuller's Eccleſiaſtical Hiſtory*, B. VI. p. 272.

The Priory. This Houſe of the *Carmelites*, or *White-friars*, ſtood on the South Side of *Fleet-ſtreet*, between the *New Temple* and *Saliſbury-court*.

The Priory, or Church, was founded by *Rich. Gray*, Knt. Anceſtor to the Lord *Gray* of *Codnor*, in the County of *Derby*, in the Year 1241. King *Edward* I. gave to the Prior and Brethren of this Houſe a Plat of Ground in *Fleet-ſtreet*, whereupon to build this Houſe, which was afterwards re-edified by *Hugh Courtney*, Earl of *Devonſhire*, about the Year 1350, being the 24th of *Edward* III.

Curriers-hall. The Curriers ſeemed formerly to live hereabouts. It is certain they had a Guild in this Church, founded *Anno* 1367, of which they brought in this Account into *Chancery*, about the 12th of *Richard* II. as did other Guilds in *London* at this Time:

"On litel Companie of a Light of on Taper in the Queer of the *White-freers* in *Flete-ſtreet*, of the Yomanrie of Curriers, whereof ben Maiſtres *Geffry Tolyngdon* and *Robert Stor*. It was begon 41 *Edw.* III. and now [about the Year 1389] the foreſeid Brethered ys almoſt a falle. So that ther be no more at thys Tyme that payeth thereto, but x or xii Perſones. And they han in Catel at thys Tyme xxiii Shyllings ii *d. ob.* And there be of Dettes the Summ of iiii *l.* the whych the Maiſtres ne mold nought gete."

INTERMENTS.

John Luſken, Mayor, and the Commonalty of the City of *London*, granted a Lane, called *Crocker's-lane*, reaching from *Fleet-ſtreet* to the *Thames*, to build the Weſt End of that Church. Sir *Robert Knolles*, Knt. (Anceſtor to the Earls of *Banbury*) was a great Builder here alſo, in the Reigns of *Richard* II. and *Henry* IV. who,

though born of mean Parentage (in the County of *Cheſter*) was by his valiant Behaviour advanced from a common Soldier, in the *French* Wars, under *Edw.* III. to be a great Commander. He built the goodly, fair Bridge of *Rocheſter*, over the River *Medway*, and founded a College of Secular Prieſts at *Pontefract*; and dying full of Years, at his Manor of *Stone-Thorpe*, in *Norfolk*, *Ann.* 1407, was brought to *London*, and honourably buried by the Lady *Conſtance*, his Wife, in the Body of this Church of *White-friars*, which he had newly built.

Here, ſome Time, lay intombed, in a goodly Monument of Alabaſter, the Body of *Robert Maſcall*, Biſhop of *Hereford*; a Man, for his great Learning and good Life, admired and beloved of all Men. He was often employed by *Hen.* IV. (to whom he was Confeſſor) upon Embaſſies to foreign Princes, and was ſent, with two other Biſhops, to the Council of *Conſtance*. He built the Choir, Preſbytery and Steeple of this Church, and gave many rich Ornaments to this Religious Houſe, wherein he died, *Dec.* 21, 1416.

Stephen Patrington, Biſhop of St. *David*'s, who died *Sept.* 22, 1417, and *Nic. Kenton*, who died *Sept.* 4, 1468, and *John Milverton*, who died *Jan.* 30, 1486, all Provincials of the Order of *Carmelites*, and Men of great Eminence and Worth for their Parts and Learning, were buried in this Church.

There lay buried alſo, in the Middle of the new Choir, Sir *John Mowbray*, Earl of *Nottingham*, 1398. By him lay Sir *Edward Courtney*.

In the South Wall laid Sir *Hugh Montgomery*, and Sir *John*, his Brother. *John Wolle*, Son to Sir *John Wolle*. *Thomas Baybolt*, Eſq; *Elizabeth*, Counteſs of *Athole*. Dame *Johan*, Wife to Sir *Thomas Say*, of *Alden*. Sir *Pence Caſtle*, Baron. *John* Lord *Gray*, Son to *Reginald* Lord *Gray*, of *Wilton*, 1418. Sir *John Ludlow*, Sir *Richard Derois*, *Richard Gray*, and *John Aſhley*, Knts. *Robert Briſtow*, *Thomas Perry*, *Robert Tempeſt*, *William Call*, Eſqrs. *William Neddow*.

In the old Choir, below the Altar, laid Dame *Margaret*, &c. This Dame *Margaret*, unknown, ſeems to be the Lady *Margaret*, Counteſs of *Kent*, who by Will, 1540, bequeathed her Body to be buried in the Church of the late *White-friars* in *Fleet-ſtreet*, under the Tomb where *Richard* Earl of *Kent*, her late Huſband, lay, if it might be ſuffered. *Eleanor Griſtles*.

Under the Lamp, Sir *John Browne*, Kt. and *John*, his Son and Heir. By him, Sir *Simon de Berford*, Knt.

In the Walk between the Choir and the Church: *Peter Wygus*, *Robert Matthew*, Eſqrs. Sir *John Shargell*, Sir *John Norice*, Sir *Geffrey Rooſe*, Knts. *Mathew Hadocke*, *William Clarell*, *John Aprichard*, *William Wentworth*, *Thomas Wicham*, Eſqrs. Sir —— *Terwit*, Sir *Stephen Popham*, Knts. —Baſtard *de Scales*. *Hen. Blunt*, Eſq; Dame *Elizabeth Blunt*. *Jo. Swan*, Eſq; *Alice Foſter*, one of the Heirs of Sir *Stephen Popham*.

Alſo in the ſaid *Friars* laid theſe that follow: Sir *Robert Brocket*, Knt. *John Drayton*, Eſq; *John*, Son to *Rob. Chanlowes*, and his Daughter *Katharine* by him. *John Salvin*, *William Hampton*, *John Bampton*, *John Winter*, *Edmond Oldhall*, *Will. Appleyard*, *Thomas Dabby*, Eſqrs. Sir *Hugh Courtney*, Knt. *John Drury*, Son to *Robert Drury*. *Elizabeth Gemerſey*, Gentlewoman.

In the Eaſt Part of the Church: Sir *Thomas Townſend*, Sir *Richard Greene*, Knts. *William Scot*, Eſq; *Thomas Federinghey*, *J. Fulforde*, Eſq; *Edward Elſemere*, *William Hart*, Gent.

In the South Part of the Church: Dame *Mary Senclare*, Daughter to Sir *Thomas Talbot*, Knt. — *Aucher*, Eſq; Sir *Will. Moris*, Knt. and at his Feet Dame *Chriſtian*, his Wife. Sir *Peter de Mota*, Knt. *Richard Hewton*, Eſq; Sir *John Heron*, Knt. *Richard Eaton*, Eſq; *Hugh Stapleton*, Gent. *William Copley*, Gent. Sir *Ralph Saint Owen*, Sir *Hugh Bromflete*, Knts. Lord *Veſſey*, principal Founder of that Order, the 6th of *Edward* IV. *&c.*

This Lord was Sir *Henry Bromfield*, who by his laſt Will (made *May* 21, 6 *Edward* IV. and proved 1468) bequeathed his Body to be laid in the Church of the *White-friars*, *London*.

And though *William*, Marquis of *Berkley*, was buried in the Church of *Friars Auguſtines*; yet he bore ſuch Good-Will to theſe *White-friars*, that he appointed two Friars to ſing perpetually in this Church for his Soul, and the Souls of his Anceſtors.

And beſides theſe, *John Wollaſel*, Gent. *Elizabeth*, Wife of *Rob. Tawfeld*. —— *Ynglow*, Eſq;

In the Chapter-Houſe, *Henry Bedil*.

In the Cloiſter, *Ry. Beyton*, Sir *Rafe St. Owen*.

Sir *Richard Grene*, by his Will, made *die Dominica prox' poſt Feſtum S. Mich. Arch. A. D.* 1386, bequeathed to the Prior and Convent of *Carmelite* Friars, London, *pro Mortuario & Sepultura ibm. habend.* twenty Marks. *Item*, Towards the new Work of their Church, ten Marks.

Here *John Denham*, Citizen and Draper of *London*, ordained, by his laſt Will (dated *April* the fifth, 1532,) to be buried, *viz.* "Within "the Conventual Church of *White-friars* in "*Fleet-ſtreet*, before the Awlter of St. *Anne*. I "bequeth to the ſame Freors, for an Ornament "to be uſed and occupied at the ſame Awltar of "St. *Anne*, and not elſewhere, at every high "Feſt in the ſaid Church, a Veſtment of Crym-"ſon Velvet, powdered with a goodly Or-"pheme, and my Armes and Picture thereupon, "lifting up my Hands, of ſix Pounds Sterling. "*Item*, I wil, that there be ſaid or ſong a "Trental of Maſſes, in the Pariſh-Church of St. "*Dunſtane*'s in the Weſt, of *London*, where "I am now a Pariſhioner: For the which "Trental I bequeathe 10 *s.* and for Brede, "Wine, and Wax, 8 *d.* &c. Alſo I wil, that "my Executors buy and provide for me a Stone "of the Value of five Marks, to ly upon my "Grave, with an Image of my ſelf; and over "the Hedde of the ſaid Image, a Picture of "the Aſſumption of our bleſſyd Lady; and at "the two Corners, two Scotcheons, the one "with my Armes, and the other with the "Drapers Arms; and at the other Corners in "like Manner."

This Houſe was valued at 26 *l.* 7 *s.* 3 *d.* and was ſurrendered the tenth of *November*, the 30th of *Henry* VIII.

In the Place of this Friars Church were built many Houſes, Lodgings for Noblemen and others. Among the reſt, here lived Sir *John Cheeke*, Knt.

...n of Langborn Ward. And to Sr Charles Asgill Knt. Alderman of Candlewick Ward — 1755.

Knt. in King *Edward* VI's Time, his Tutor, and afterward his Secretary of State.

Anno 1608, the Inhabitants within the Compaſs of theſe *White-friars*, as alſo thoſe of the *Black-friars*, within *Ludgate*, obtained divers Liberties, Privileges, and Exemptions, by a Charter of King *James* I.

In the Year 1662, a Legacy was given by one Mr. *Brown* to this Precinct, which will appear by what follows:

Mr. John Brown's Will.

A Copy of ſo much of the laſt Will and Teſtament of Mr. John Brown, *as relates to the Precinct of* White-friars, London.

"In the Name of God, *Amen.* I *John* "*Brown*, of the County of *Middleſex*, Gent. "*&c.*

"*Item*, I give and bequeath unto the Poor of "*White-friars*, where is moſt Need, according to "the Diſcretion of my Executors, with the Ad"vice of Mr. *Fenſhaw*, five Pounds.

"*Item*, I give and deviſe to the Maior, Com"monalty and Citizens of the City of *Lon*"*don*, Governours of the Poſſeſſions, Reve"nues, and Goods of the Hoſpitals of *Edward*, "King of *England*, the Sixt, of *Chriſt*, *Bride*"*well*, and St. *Thomas* the Apoſtle, the Sum of "400 *l.* of lawful Money of *England*; to be "by them yearly imployed and diſpoſed of, for "the Education and Bringing-up of poor Chil"dren in *Chriſt*'s Hoſpital aforeſaid: Upon "Truſt and Confidence, that the Governours "aforeſaid, and their Succeſſors, ſhall maintain "three Children from Time to Time, until "their reſpective Age of fifteen Years; and "as any of them die, or attain the ſame Age, to "take in others in the Rooms or Places of "ſuch of them as ſhall ſo die, or attain the ſaid "Age or Ages of fifteen Years. One of the "Children to be out of the Precinct of *White*"*friars*, *London*; and one out of the Pariſh of "St. *Dunſtane*'s in the Weſt, *London*; and one "out of the Lordſhip of *Finſbury*, in the "Pariſh of St. *Giles* without *Cripplegate*, in "the County of *Middleſex*. The Pariſhioners "of the ſaid reſpective Pariſhes and Places, "giving Caution to the Governours afore"ſaid, and their Succeſſors, at their reſpective "Admittances into the ſaid Hoſpital, to take "them out at the ſaid Age of fifteen Years, "if they be then living, and not otherwiſe diſ"poſed of.

"*Item*, I give and deviſe all the Meſſuage "and Land, with the Appurtenances there"unto belonging, or therewith uſed, in *Iſling*"*ton*, in the County of *Middleſex*, commonly "called or known by the Name or Sign of the "*Nag's-head*, now in Leaſe to *John Gregory*, "at the yearly Rent of ſixty Pounds, to the "Governours aforeſaid, and to their Succeſſors "for ever; upon Truſt and Confidence, that "they and their Succeſſors ſhall for ever here"after pay towards the Maintenance of ſix "Scholars, to be taken out of the Children ad"mitted into *Chriſt's* Hoſpital aforeſaid, into "the Univerſity of *Cambridge*, three in *Chriſt*'s "College, and three in *Emmanuel* College. And "my Will is, that none of the ſix Scholars ſhall "continue any longer than ſeven Years. And "my Will and Deſire is, that the Children of "the ſeveral Pariſhes and Places aforeſaid, to be "taken into the ſaid Hoſpital, ſhall be from "Time to Time preferred before any other, if "capable, to go to the Univerſity, and to the "Allowance before-mentioned.

"In Witneſs *&c.* the twentieth Day of *October*, "the fourteenth of *Car* II. *Annoq; Dom.* 1662."

In Purſuance of this, *Richard Charm*, Orphan of *Humphrey Chairm*, was firſt admitted into the ſaid Hoſpital, the twenty-ninth of *July*, 1664, from *White-friars* Precinct.

The Precinct of *White-friars* is extraparochial, and the Inhabitants are at Liberty to bury and marry where they pleaſe; nor do they pay any Tithes, as appeared upon Trial about the Year 1700.

CHAP. XXIV.

Of LANGBOURN WARD, *and* Fenny about.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name. Bounds. Extent. Modern State. Government. Aldermen and Common-Councilmen. Pariſhes and Churches. Hudſon's-Bay-Hall. Pewterers-Hall. General Poſt-Office. *Antiquities. Diſcharge from Fifteenths.*

THIS Ward of *Langborne*, or *Langbourn*, takes its Name from a Rivulet or long Bourn of ſweet Water, which antiently broke out of a Spring near to the Place where *Magpye-alley* adjoining to St. *Catharine Coleman*'s Church now ſtands, which ran down the Street Weſtward, and through *Lombard-ſtreet* as far as the Weſt End of St. *Mary Woolnoth*'s Church, where turning South, and dividing itſelf into ſeveral *Shares*, Rills or Streams, it gave Name to *Sharebourne-lane*, called alſo *Southbourne-lane*, becauſe it ran South to the River *Thames*; and by its ſpreading near the Spring-head, the contiguous Street became ſo ſwampy, mooriſh or fenny, eſpecially about the Church, which ſtood in the broad Way between *Mincing-lane* and *Rood-lane*, that it was thence called *Fen-church-ſtreet*. The Ward alſo partook of the ſame Name, and was enrolled in the City Records by the Appellation of *Langbourne and Fenny about*. *Its Name.*

It is encompaſſed on the Eaſt by *Aldgate* Ward; on the North by *Aldgate* and *Lime-ſtreet* Wards; on the South by *Tower-ſtreet*, *Billingſgate*, *Bridge* and *Candlewick* Wards; and on the Weſt by *Wallbrook* Ward. *Bounds.*

The Eaſt and Weſt Limits of this Ward are taken at one hundred Feet from the Weſt Corner of the North Side of *Lombard-ſtreet* to thirty-five Feet of the Weſt Side of *Gracechurch-ſtreet*; and from *Gracechurch-ſtreet* to *Smith's Buildings* on the North Side of the Eaſt End. And at one hundred and twenty-five Feet from the Weſt Corner of the South Side of *Lombard-ſtreet*, acroſs *Gracechurch-ſtreet*, and up the South Side of *Fenchurch-ſtreet*, as far as the North Weſt End of *Mark-lane*. The Antients meaſured it thus: *Extent.*

The

The South Side of this Ward begins in the Eaſt, at the Chain to be drawn acroſs *Mark-lane* up into *Fenchurch-ſtreet*, and ſo Weſt by the North End of *Mincing-lane* to St. *Margaret-Pattens-ſtreet* or *Rood-lane*, and down that Street to the Midway towards St. *Margaret*'s Church; then by *Philpot-lane* (ſo called from Sir *John Philpot*, who dwelt there, and was Owner thereof) and down that Lane, ſix or eight Houſes on each Side, is all of this Ward.

Then by *Grace-church* Corner into *Lombard-ſtreet* to St. *Clement's-lane*, and down the ſame to St. *Clement*'s Church; then down St. *Nicholas's-lane*, and down the ſame to St. *Nicholas*'s Church, and the ſame Church is of this Ward.

Then to *Abchurch-lane*, and down ſome ſmall Portion thereof; then down *Sherborn-lane*, a Part thereof, and a Part of *Bearbinder's-lane* are of this Ward; and then down *Lombard-ſtreet* to the Sign of the *Angel*, almoſt to the Corner over-againſt *Stocks-Market*; and theſe are the Bounds of this Ward.

Preſent State. Beſides theſe two main Streets, theſe following: St. *Swithin's-lane*, *Abchurch-lane*, St. *Nicholas-lane*, St. *Clement's-lane*; all which are on the South Side of *Lombard ſtreet*; and on the North Side are *Pope's-head-alley*, *Exchange-alley*, *Birchin-lane*, and *George-yard*. Then in *Fenchurch-ſtreet* on the North Side, *Lime-ſtreet*, *Cullum-ſtreet*, and *Smith's-buildings*; and on the South Side, *Philpot-lane*, *Rood-lane*, *Mincing-lane*, and *Mark-lane*: In all which ſaid Streets, Lanes and Alleys, there are ſeveral Courts; and of theſe in Order.

Lombard-ſtreet. *Lombard-ſtreet* is throughout graced with good and lofty Buildings, among which are many that ſurpaſs thoſe in other Streets; and is generally inhabited by Goldſmiths, Bankers, and other eminent Tradeſmen. At the Eaſt End near *Grace-church ſtreet*, on the North Side, is the Church of *Alhallows*.

Ball-alley. *Ball-alley*, not broad, but ſomewhat long, hath an Entrance by *Alhallows* Church, and with ſome Turnings falls into the *Croſs-keys-Inn*; from whence it hath a Paſſage into *Gracechurch-ſtreet*. Near this was the *George-Inn*; ſince the Fire rebuilt with very good Houſes, well inhabited, and Warehouſes; being a large open Yard, and now called *George-yard*: At the further End of which is the *George-and-Vultur* Tavern; which is a large Houſe, with a Paſſage into St. *Michael's-alley*, and ſo ſtrait forward into *Cornhill*; on the right Hand the Paſſage leads into *Gracechurch-ſtreet*; on the left into *Birchin-lane* through *Caſtle-alley*, and alſo through *White-lion-court*.

George-yard.

Next on the North Side is the Church of St. *Edmund Lombard-ſtreet*, which fronts St. *Clement's-lane* on the South.

Birchin-lane. A little further Weſt on the ſame Side of the Way is *Birchin-lane*, which runs into *Cornhill*, a great Thoroughfare to and from the *Exchange*. It is well inhabited, eſpecially by Saleſmen for Mens Apparel. In this Lane are ſeveral Courts and Alleys, *viz.* *Exchange-alley*, *Caſtle-alley*, and *White-lion-court*; but they are in *Cornhill* Ward.

On the South Side of *Lombard-ſtreet*, betwixt *Gracechurch-ſtreet* and St. *Clement's-lane*, is *White-hart-court*, with a Paſſage through an Entry into another Court ſo called, that leadeth into *Grace-church-ſtreet*; a Place well inhabited by Whole-

White-hart-court

ſale Dealers, and moſt by Quakers, where they have their Meeting-houſe; but of this Court the greateſt Part is in *Bridge* Ward within, that which is in this Ward being next to *Lombard-ſtreet*. *Plough-yard* hath a good Free-ſtone Pavement, and the Houſes well built and inhabited. *Three-Kings-court*, well inhabited by Wholeſale Dealers and others. Out of this Court is a Paſſage into two others, the one leading into St. *Clement's-lane*, narrow and ordinary; but the other is large and open, and well tenanted; and this Court hath a Paſſage into *Nag's-head-court*, which is long and large, and another Paſſage into St. *Clement's-lane*. *George-alley*, but ſmall.

Plough-yard. Three-Kings-court. Nag's-head-court.

More Weſt is St. *Clement's-lane*, well built and inhabited. The South Part, which is next *Cannon-ſtreet*, is in *Candlewick* Ward, *viz.* from the North Side of St. *Clement's Eaſtcheap* Church. Adjoining to this is a handſome Place, called *Church-alley*; the North Side having a Row of Houſes, the South Side lying open to the Church and Church-yard.

Clement's lane.

The next is St. *Nicholas-lane*, well built, and inhabited by Merchants and Wholeſale Dealers. The South End beyond *Fox*'s Ordinary is in *Candlewick* Ward. On the Weſt Side, near *Lombard-ſtreet*, is the Church-yard of St. *Nicholas Acons*; which Church was not rebuilt after the Fire of *London*, but the Pariſh united to St. *Edmund the King's* in *Lombard-ſtreet*. There is a narrow Alley on the South Side of it into *Abchurch-lane*.

Nicholas-lane.

More South, on the ſame Side of the Way, is *Fox's-court*, or *Ordinary*, ſo called from a publick Eating-houſe formerly there kept: It is a handſome Place, with good built Houſes, well inhabited by Merchants and Perſons of Repute. Near this Court is the *Bell* Tavern, which hath a Paſſage through *Bell-alley* into *Cannon-ſtreet*.

Still proceeding Weſtward there is *Abchurch-lane*, which hath the greateſt Part in *Candlewick* Ward, where it is treated of; but in that Part of it which is in this Ward is the famous Tavern called *Pontack*'s, from one of that Name, who formerly kept it. This Houſe has been always ſo noted for its Elegance in Entertainments, that it is not only made Uſe of by the rich Merchants, among whom it is ſeated, but very frequently by Perſons of the firſt Quality from the Court End of the Town.

Abchurch lane.

Farther Eaſt is *Fenchurch-ſtreet*; a Street of good Account, being large, well built, and inhabited by Merchants and others. It is a Street of good Length, beginning near *Aldgate*, and running Weſtward into *Gracechurch-ſtreet*. In the Midſt of this Street, before the Fire of *London* in 1666, ſtood the ſmall Church of St. *Gabriel Fenchurch*, corruptly called *Fanchurch*, not rebuilt, but the Pariſh united unto St. *Margaret's Pattens*.

Fenchurch-ſtreet. St. Gabriel Fenchurch.

Here is an Entry called *Fenchurch-alley*; at the upper End of which is the Church-yard.

At the South-Weſt Corner of this Street is the Church of St. *Bennet Gracechurch*, but not in this Ward.

The Courts, Alleys, and Places of Name in the Part of the Street in this Ward are as follow, beginning at the Weſt End:

Ingram-court.

Firſt is *Ingram's-court*, an open ſquare Place, well built and inhabited, made into Buildings in the

the Place of Sir *Thomas Ingram*'s Houſe, the Owner thereof.

Bell-yard, but ſmall.

St. Dionis Backchurch. St. *Dionis Backchurch*, ſeated at the turning into *Lime-ſtreet*.

Lime-ſtreet. By the Corner of this Church you turn into *Lime-ſtreet*, running Northwards into *Leadenhall-ſtreet* againſt St. *Mary Axe*; at which End it is narrower than in the Midſt. A Street taken up by ſeveral Merchants; but the Part in this Ward goeth not much farther than *Cullum-ſtreet*, the greateſt Part being in *Lime-ſtreet* Ward.

But to return to *Fenchurch-ſtreet*:

Eaſtward of *Lime-ſtreet* is St. *Paul's-alley*; at the upper End of which are two or three good Houſes.

Hartford court hath very handſome Houſes, and a Free-ſtone Pavement.

Cullum-ſtreet. *Cullum-ſtreet* very open and large, with good new built Houſes, well inhabited, which with a turning Paſſage Weſtward falls into *Lime-ſtreet*: It takes its Name from an antient Manſion or large Houſe, the Property of the honourable Family of the *Cullums*, which took up the whole Site of this Street. In this Street is the *Ipſwich-Arms-Inn*, well built, and of good Account.

Fen-court, very handſome and broad, with a Free-ſtone Pavement; the Houſes are large and gracefully built, fit for Merchants and Perſons of Quality, who there inhabit. It hath a good Air, as lying open to Gardens on the Weſt Side.

Culver-court, but ſmall, with a Free-ſtone Pavement; at the upper End is the Hall of *Hudſon's Bay* Company.

Smith's Buildings. *Smith's-Buildings* hath a narrow Entrance, with a Free-ſtone Pavement; but at the upper End the Court maketh an open Square, with very good new Buildings well inhabited: And this Court hath an open Paſſage into *Billiter-lane* Eaſt, and likewiſe a good handſome Paſſage into *Lime-ſtreet* Weſt.

Ironmongers-hall. Near to *Smith's-Rents*, or *Buildings*, is *Ironmongers-Hall*. See *Aldgate* Ward.

In the South Side of *Fenchurch-ſtreet* are theſe Places of Name, beginning Eaſtward:

Mark-lane. *Mark-lane*, or *Mart-lane*, over-againſt *Billiter-lane*; a long Street. But the Part in this Ward begins Southward of *Alhallows Staining* Church, which it takes in, and all the Weſt Side to *Fenchurch-ſtreet*, the reſt being in *Tower-ſtreet* Ward.

This *Alhallows Staining* is obſcurely ſeated, lying backward from the Street, the Paſſage to it being through *Star-alley*, which hath a turning Paſſage into *Fenchurch-ſtreet*. This Alley hath old built Houſes on the North Side, on the South whereof is the Church.

Mincing-lane. Weſt of *Mark-lane* is *Mincing*, or *Minchion-lane*, which hath little or no Part in this Ward; it lieth in *Tower-ſtreet* Ward, where it will be deſcribed.

Mediford-court, a very handſome large Court, with graceful new built Houſes of Brick, well inhabited, eſpecially the upper Part or End, where the Houſes are ſpacious for the Reception of Merchants.

From this Court to *Rood-lane* are ſeveral large Houſes built backwards, with Court-yards before them, and great Gates to the Street to ſhut up, being the Seats of Merchants.

Rood-lane. *Rood-lane* hath alſo but a ſmall Part in this Ward, the greateſt being in *Billingſgate* Ward; but in this Part is *Cullum's-court*, which is but ſmall.

Weſtward of *Rood-lane* is *Cradle-court*, which is but ſmall, with a Free-ſtone Pavement.

Philpot-lane. *Philpot-lane* falleth into great *Eaſtcheap*, a Place pretty well ſupplied with Inhabitants; amongſt which are ſeveral Merchants.

The South Part of this Lane, Northwards of *Coopers-Hall*, is in *Billingſgate* Ward. On the Weſt Side is *Braben-court*, which is large, well built and inhabited; and on the Eaſt Side is *Moſes-court*, which is but narrow and ordinary.

Watch. There are to watch at the ſeveral Stands in this Ward, every Night, a Conſtable, the Beadle, and thirty-four Watchmen.

Jury. The Jury returned by the Wardmote Inqueſt for this Ward are to ſerve as Jurors in the ſeveral Courts in *Guildhall* in the Month of *November*.

Government. It hath an Alderman, his Deputy, ten Common-Councilmen, fifteen Conſtables, nine Scavengers, ſeventeen Men of the Wardmote Inqueſt, and a Beadle. It is taxed to the Fifteenth in the *Exchequer* at 20 *l.* 9 *s.* 8 *d.* In *London* at 21 *l.*

The Alderman is Sir *Joſeph Hankey*, Knt. and the Gentlemen of the Common-Council are, *Robert Wilſon*, Deputy, *John Pope*, *Edward Waldo*, *Richard Weſt*, *John Box*, *Ingham Foriſter*, *John Scrivenor*, *John Springett*, *Thomas Griffin*, *Monkhouſe Davidſon*, and *Thomas Cole*.

Remarkable Things. In this Ward there are ſeveral Things worthy of Obſervation, *viz.*

Pariſhes and Churches. *Firſt*, Four Pariſhes with Churches; as, (1.) St. *Dionis Backchurch*. (2.) *Alhallows Lombard-ſtreet*. (3.) St. *Edmund the King*. (4.) St. *Mary Woolnoth*. And three Pariſhes without Churches; as, (1.) St. *Gabriel Fenchurch*. (2.) *Alhallows Stanechurch*. (3.) St. *Nicholas Acons*: Of which hereafter in our parochial Hiſtory.

Halls and other publick Buildings. *Secondly*, In this Ward ſtand the Halls belonging to the *Hudſon's-Bay* Company, and to the *Pewterers*; as alſo ſome Part of *Ironmongers-Hall*.

Hudſon's-Bay-Hall. (1.) The Hall in which the *Hudſon's-Bay* Company meet to tranſact Buſineſs is a handſome Brick Building, whoſe Front next the Street has been lately repaired and beautified, and carries the Appearance of one of the fineſt Pieces of Brick Work, with Pilaſters, Architraves, *&c.* in the whole City. This Hall ſtands backward on the South Side of *Fenchurch-ſtreet*, and is about one hundred Feet Weſt of *Ironmongers-Hall*. This Company was incorporated in 1670 under certain Conditions: Of which more particularly hereafter.

Pewterers-Hall. (2.) *Pewterers-Hall* is a handſome large Building, with a Parlour and Court-Room, adorned with Wainſcot, Hangings, and the Picture of Sir *William Smallwood*, who was Maſter of this Company 2 *Hen.* VII. who gave this common Hall, with a Garden and ſix Tenements thereunto adjoining, to the ſaid Company. It is ſituate in *Lime-ſtreet* almoſt facing the Weſt End of *Cullum-ſtreet*.

Poſt Office. *Thirdly*, The *General Poſt-Office* for Country and Foreign Letters is alſo ſituate in *Lombard-ſtreet*, near its South-Weſt Extremity, and facing the South End of *Pope's-head alley*.

Act. Parl. 12 Car. II.

Of what Antiquity the Poſt in this Kingdom is, I cannot aſcertain; but by the firſt Account I find thereof, it appears to have been managed by ſeveral private Offices, which had their reſpective Diſtricts. But great Inconveniencies ariſing from their different Methods of Management, they were ſuppreſſed, and a certain Number of publick Offices erected in lieu thereof: But theſe not anſwering the End propoſed, a General Poſt-Office was erected by Act of Parliament, in the 12th of *Charles* II. *Anno* 1660, to be kept within the City of *London*, under the Direction of a Poſtmaſter, to be appointed by the King. The General Poſt-maſter was, by the ſaid Act, impowered to appoint Poſt-houſes in divers Parts of the Country hitherto unprovided, both in Poſt and By-Roads.

By the ſaid Act of Parliament, the Poſtage of Letters to and from all Places therein-mentioned was not only aſcertained, but likewiſe the Rates of Poſt-horſes, to be paid by all ſuch as ſhall ride Poſt.

Ibid. 9 Anne.

And upon the Union of the Kingdoms of *England* and *Scotland*, a General Poſt-Office was eſtabliſhed by Act of Parliament in the Year 1710, not only for the united Kingdom of *Great Britain*, but likewiſe for that of *Ireland*, and her Majeſty's Plantations in the *Weſt Indies* and *North America*; by which the Poſtage of Letters being raiſed, I ſhall ſubjoin an Account of the preſent Rates, payable upon all Letters and Packets, to and from the ſeveral Places therein mentioned.

Rates for carrying Letters to and from the ſeveral Places hereunder mentioned.

Antiently the foreign Poſt in this City was under the Direction of a Stranger, who, by Permiſſion of the Government, was choſen by Foreigners, Inhabitants of *London*, who at laſt, by Preſcription, pretended a Right of chuſing their own Poſt-maſter. But in the Year 1568 a Difference ariſing between the *Spaniards* and *Flemings* of this City, each choſe their ſeparate Poſt-maſter. This Conteſt occaſioned a Repreſentation from the Citizens to the Privy-Council, for her Majeſty to fill that Poſt of great Truſt with one of her *Engliſh* Subjects. But how this Affair terminated, I cannot learn.

The Office of Poſt-maſter General is at preſent under the Direction of two Commiſſioners, aſſiſted by a Secretary and Clerk, who have under their Management, for the Inland Office, a Comptroller, Receiver, Accomptant and Sollicitor, ſeven Clerks of the Roads, and thirteen others, with three Window-men: And for the foreign Office, a Comptroller and Alphabet-keeper, and eight Clerks, including thoſe of the Receiver and Accomptant. And the Number of Receiving-houſes within the Bill of Mortality, where Letters are taken in for the General Poſt, amount to thirty; and that of Men who carry Letters to all Parts within the ſaid Diſtrict, to ſixty-nine.

Antiquities. Denmark Houſe. Pet. Le Neve.

Fourthly, In *Fenchurch-ſtreet* was an eminent Houſe called *Denmark* Houſe, where the *Ruſſian* Ambaſſador was lodged in the Time of Queen *Mary*.

Lombard-ſtreet, *ſo called before* Ed. II.

Then have ye *Lombard-ſtreet*, ſo called of the *Longobards*, and other Merchants, Strangers of divers Nations, aſſembling there twice every Day, of what Original or Continuance I have not read of Record, more than that *Edward* II. in the twelfth of his Reign, confirmed a Meſſuage ſometime belonging to *Robert Turke*, abutting on *Lombard-*

Lombard-ſtreet toward the South, and toward *Cornhill* on the North, for the Merchants of *Florence*; which proveth that Street to have had the Name of *Lombard-ſtreet* before the Reign of *Edward* II.

The Pope's Merchants here.

As the Merchants formerly met here for Traffick, ſo the Pope's Merchants alſo chaffered here for their Commodities, and had good Markets for their Wafer-Cakes ſanctified at *Rome*, their Pardons, *&c.* For ſo I read in an old Book printed *Anno* 1545: "This *fine Flower* have they made "the chiefeſt of al their Triſh Traſh. I pray "thee, gentle Reader, where not his *Pardoners* "Merchants to them? Yea, it is wel known, "that their *Pardons*, and other of their Trumpe-"ry, hath been bought and ſold in *Lumbard-*"*ſtreet*, and other Places, as thou wilt buy and "ſell a Horſe in *Smithfield*."

Lamentat. againſt the City of London.

Conſultation for a new Burſe, in King Henry VIIIth's Time.

Before the building of the *Exchange*, it was by divers Common-Councils, about the 26th Year of King *Henry* VIII. conſulted upon, whether there ſhould be a Burſe, or convenient Place of meeting for Merchants to treat of their Feats of Merchandize. The ſame Year the King ſent his Letters to the City for the making of a new Burſe at *Leaden-hall*. Whereupon it being put to Hands, whether the new Burſe ſhould be removed out of *Lombard-ſtreet*; it was agreed, that it ſhould not. So that the Merchants Meeting continued there till the *Royal Exchange* was builded; that is, until the twenty-ſecond of *December*, in the Year 1568; on the which Day the ſaid Merchants began to make their Meetings at the Burſe, a Place then new builded for that Purpoſe in the Ward of *Cornhill*, and was ſince by her Majeſty Queen *Elizabeth* named the *Royal Exchange*. So that here antiently the *Lombards* or *Bankers* dwelt; and ſo they did to the Days of Queen *Elizabeth*, and even to this Day. It was about the Middle of that Queen's Reign, that there was a Project for the Queen's Factors (whereof Sir *Thomas Greſham* was chief) to take up all the Money here in *Lombard-ſtreet*, and alſo in *Antwerp* (where the great Bank was) and ſo to make her own Benefit, and the Merchants Benefit thereof, by taking it up at the proper Juncture. That is to ſay, That her Majeſty's Factor ſhould take up all Money in *Antwerp* that might be gotten, when Store of foreign Wares were there to be ſold to the Queen's Subjects; that by Scantneſs of Money they might be ſold to them the cheaper, and for Time alſo. And that the ſaid Factor ſhould take up again all the Money in *Lombard-ſtreet* that might be gotten, when the ſame bought foreign Wares be coming home, that her Subjects that bought them might be driven, for Scantneſs of Money, to ſell them here the cheaper, and for Time. The ſaid Factor ſhould take up all the Money in *Lombard-ſtreet* that might be gotten, every *Monday*, *Tueſday*, *Wedneſday* and *Thurſday*; both to raiſe the Exchange, and to make Money ſcant, that the Clothiers weekly at *Blackwell-hall* might ſell the cheaper, and for Time alſo. That the ſaid Factor ſhould ſtore the Burſe of *Antwerp* ſo with Money again, when the ſame Cloths were come thither, that our Merchants might ſell the ſame there the dearer, and for leſs Time alſo. The ſame Factor ſhould, by all poſſible Means, get up the Money in *Lombard-ſtreet*, by Exchange from all the Merchants Strangers, that they might not buy weekly any great Quantity of Cloths at the Clothiers Hands for ready Money, and to keep up the Price of Cloth; but buy at the ſecond, the third, and fourth Hands of her Majeſty's Merchants upon Credit. Her Majeſty ſhould deliver her Factor a Maſs of Money on this Side the Sea, and beyond Sea, by his Travail and Skill, to employ about the Feats of Exchange; as to raiſe the Exchange for *England* with all Countries of the World according to our Standard; to deliver out Money by Exchange to her Highneſs's Profit, to furniſh herſelf with any Sum of Money of a ſudden; to unfurniſh her Majeſty's Enemy [the *Spaniard*] of any Money he ſhould ſeek; to bring home any Prince's Money in the World there might be Gain by; to drive all Merchants Strangers, and her Majeſty's own Merchants, from Exchange for *England*, that they might occupy Commodities, and ſo pay Cuſtom and Subſidy to her both inward and outward, and to do all other Feats of Exchange that be infinite, and offered daily to be travailed in, for the Benefit of the Realm and her Majeſty. This ſeems to have been *Greſham*'s Device.

A Project about taking up Money in Lombard-ſtreet.

Diſcharged of Fifteenths.

Sir *Martin Bowes*, Lord-Mayor, buried about the Year 1569, gave Lands for the Diſcharge of *Langborne* Ward of all Fifteenths to be granted to the King by Parliament.

CHAP. XXI.

Of LIME-STREET WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name. Bounds. Extent. Modern State. Alderman and Common-Councilmen. Leaden-hall. East-India *Houſe. Antiquities.*

Name.

THIS Ward takes its Name from *Lime-ſtreet*, a Place in antient Times where Lime was either made or ſold in publick Market.

Bounds.

It is bounded on the Eaſt and North by *Aldgate* Ward, on the Weſt by *Biſhopſgate* Ward, and on the South by *Langbourn* Ward: And the Eaſt Side of this *Lime-ſtreet*, from the North Corner thereof to the midſt, is of *Aldgate* Ward, as is aforeſaid; the Weſt Side, for the moſt Part, from the North Corner Southward, is of this *Lime-ſtreet* Ward; the South End on both Sides is of *Langbourn* Ward. The Body of this *Lime-ſtreet* Ward is of the high Street called *Leadenhall-ſtreet*, which ſtretcheth from *Lime-ſtreet* on the South Side to the Weſt Corner of *Leadenhall*; and on the North Side, from the South-Weſt Corner of St. *Mary-ſtreet*, to another Corner over-againſt *Leadenhall*.

St. Mary-ax-ſtreet.

Now for St. *Mary-ax-ſtreet*, the Weſt Side thereof is of this *Lime-ſtreet* Ward, and alſo *Camomile-ſtreet*, which runneth by the North End of this St. *Mary-ax-ſtreet*, on both Sides; from thence Weſt to the *Wreſtlers*, a Sign ſo called, almoſt to *Biſhopſgate*. And theſe are the Bounds of this ſmall Ward.

The preſent State of this Ward.

To deſcribe the modern State of this Ward, we begin with *Leadenhall-ſtreet*, which is ſpacious, populous, and well inhabited; but the Houſes eſcaping the great Fire *Anno* 1666, are not ſo ſightly

ſightly and uniform. In this Street are theſe Places: *Sharp's-alley*, ſeated againſt the *Eaſt-India-Houſe*, indifferent good. *Tokenhouſe-yard*, but

East-India-Houſe.

ſmall, has a Paſſage into *Leadenhall*. The *Eaſt-India-Houſe*, on the South Side of the Street, formerly Sir *William Craven*'s, a very large Building, with ſpacious Rooms, very commodious for ſuch a publick Concern. It hath a large Hall and Court-yard for the Reception of People who have Buſineſs here, to attend on the Company on their Court-Days. There belongs to it alſo a Garden, with Warehouſes in the back Part toward *Lime-ſtreet*; into which there is a back Gate for the Entrance of Carts to bring their Goods into their Warehouſes. This Houſe did belong to the Earl of *Craven*, and was lett by him to this Company at a yearly Rent.

Lime-ſtreet.

Lime-ſtreet, a Place well inhabited by Merchants and others of Repute. About the middle

Queen's-ſquare.

of the Street is a Place called *Queen's-ſquare*, or *Queen's-ſquare-paſſage*, as leading into *Leadenhall-Market*, a well built Place, with a Free-ſtone Pavement. On the Ground on which this Place is built was a large Houſe, the Habitation of a Merchant, and antiently ſuppoſed to belong to the Kings and Queens.

St. Mary-ax.

St. *Mary-ax* goes out of *Leadenhall-ſtreet*, and runs Northwards to *Camomile-ſtreet* by *London-wall*. It is a Street graced with good Buildings, and much inhabited by eminent Merchants. Out of this Street, and almoſt over-againſt St. *Andrew's Underſhaft* Church, is a Paſſage into *Great St. Helen's*; and towards the North End is *Sopers-yard*, a very mean Place.

Camomile-ſtreet hath but a ſmall Part in this Ward, not above two hundred Feet from St. *Mary-ax*, and the reſt in *Aldgate* Ward.

Government.

To this Ward belong an Alderman and four Common-Councilmen, including the Deputy, four Conſtables, two Scavengers, ſixteen Wardmote-Inqueſtmen, and a Beadle. It is taxed to the Fifteenth at one Pound nineteen Shillings and two Pence.

Watch.

There are to watch at the ſeveral Stands in this Ward, every Night, a Conſtable, the Beadle, and eleven Watchmen.

Jury.

The Jurymen returned by the Wardmote-Inqueſt for this Ward are to ſerve as Jurors in the ſeveral Courts in *Guildhall* in the Month of *November*.

Alderman and Common-Councilmen.

The Alderman of this Ward is *John Porter*, Eſq; The Common-Councilmen are, Mr. *Samuel Southhouſe*, Deputy, Mr. *William Burgeſs*, Mr. *Launc. Shadwell*, Mr. *George Maſon*.

There is no Church in this Ward, but it runs through ſeveral Pariſhes.

Remarkable Things.

The moſt remarkable Things in this Ward are,

Leadenhall.

(1.) *Leadenhall*, which in 1309 belonged to Sir *Hugh Nevil*, Knt. And the Lady *Alice*, his Widow, made a Feoffment thereof, by the Name of *Leadenhall*, with the Advowſons of the Church of St. *Peter* on *Cornhill*, and other Churches, to *Richard* Earl of *Arundel* and *Surry*, 1362.

More, in the Year 1380, *Alice Nevil*, Widow to Sir *John Nevil*, Knt. of *Eſſex*, confirmed to *Thomas Cogſhall*, and others, the ſaid Manor of *Leadenhall*, and the Advowſons, &c.

In the Year 1384, *Humfrey de Bohun*, Earl of *Hereford*, had the ſaid Manor: And, in the Year 1408, *Robert Rikeden* of *Eſſex*, and *Margaret* his Wife, confirmed to *Richard Whittington*, and other Citizens of *London*, the ſaid Manor of *Leadenhall*, with the Appurtenances, the Advowſon of St. *Peter*'s Church, St. *Margaret Pattens*, &c.

The Manor of Leadenhall came to the City A.D. 1408

And, in the Year 1411, the ſaid *Whittington* and others confirmed the ſame to the Mayor and Commonalty of *London*, whereby it came to the Poſſeſſion of the City.

Then, in the Year 1443, the twenty-firſt of *Henry* VI. *John Hatherly*, Mayor, purchaſed Licence of the ſaid King to take up two hundred Fodder of Lead for the building of Water-Conduits, a common Granary, and the Croſs in *Weſt-Cheap*, more richly, for the Honour of the City.

Licence to take up Lead to the building of a common Granary.

In the Year next following, the Parſon and Pariſh of St. *Dunſtan* in the Eaſt of *London*, ſeeing the famous and mighty Man (for the Words be in the Grant, *Cum nobilis & potens vir*) *Simon Eyre*, Citizen of *London*, among other his Works of Piety, effectually determined to erect and build a new Granary upon the Soil of the ſame City at *Leadenhall*, of his own Charges, for the common Utility of the ſaid City; to the amplifying and enlarging of the ſaid Granary, granted to *Henry Frowicke*, then Mayor, the Aldermen and Commonalty, and their Succeſſors for ever, all their Tenements, with the Appurtenances, ſometime called the *Horſe-Mill* in *Graſs-ſtreet*, for the annual Rent of four Pounds, &c.

Alſo certain Evidences (of an Alley and Tenements pertaining to the *Horſe-Mill* adjoining to the ſaid *Leadenhall* in *Graſs-ſtreet*, given by *William Kingſtone*, Fiſhmonger, unto the Pariſh-Church of St. *Peter* upon *Cornhill*) do ſpecify the ſaid Granary to be builded by the ſaid honourable and famous Merchant *Simon Eyre*, ſome Time an Upholſter, and then a Draper, in the Year 1419. He builded it of ſquared Stone, in the Form as now it ſheweth, with a fair and large Chapel in the Eaſt Side of the Quadrant, over the Porch of which he cauſed to be written, *Dextra Domini exaltavit me*, *The Lord's right Hand exalted me*.

A Chapel built in Leadenhall.

Within the ſaid Church, on the North Wall, was written, *Honorandus famoſus Mercator* Simon Eyre, *hujus operis*, &c. In *Engliſh* thus: *The honourable and famous Merchant*, Simon Eyre, *Founder of this Work*, once Mayor of this City, Citizen and Draper of the ſame, departed out of this Life the eighteenth Day of *September*, the Year of the Incarnation of *Chriſt* 1459, and the thirty-eighth Year of the Reign of King *Henry* VI. He was buried in his Pariſh-Church of St. *Mary Wolnoth* in *Lombard-ſtreet*. He gave by his Teſtament, to be diſtributed to all Priſons in *London*, or within a Mile of that City, ſomewhat to relieve them.

Legacies given by Simon Eyre.

More, he gave two thouſand Marks, upon a Condition, which not performed, they were then to be diſtributed to Maids Marriages, and other Deeds of Charity. He alſo gave three thouſand Marks to the Company of Drapers, upon Condition that they ſhould, within one Year after his Deceaſe, eſtabliſh perpetually a Maſter or Warden,

Daily Service by Note, &c. and three Free-Schools in Leadenhall.

den, five ſecular Prieſts, ſix Clerks, and two Choriſters, to ſing daily Divine Service by Note for ever, in his Chapel of *Leadenhall*. Alſo three Schoolmaſters, with an Uſher, to wit, one Maſter with an Uſher for Grammar, one Maſter for Writing, and the third for Song, with Houſing there newly built for them for ever: The Maſter to have for his Salary ten Pounds, and every other Prieſt eight Pounds, every other Clerk five Pounds ſix Shillings and eight Pence, and every other Choriſter five Marks. And, if the Drapers refuſed to do this within one Year after his Deceaſe, then the three thouſand Marks to remain to the Prior and Convent of *Chriſt-Church* in *London*, with Condition to eſtabliſh as is aforeſaid, within two Years after his Deceaſe: And if they refuſed, then the three thouſand Marks to be diſpoſed by his Executors, as they beſt could deviſe, in Works of Charity.

Thus much for his Teſtament, not performed by eſtabliſhing of Divine Service in his Chapel, or Free-Schools for Scholars; neither how the Stock of three thouſand Marks, or rather five thouſand Marks, was employed by his Executors, could I ever learn. He left Iſſue *Thomas*, who had Iſſue *Thomas*, &c. True it is, that, in the Year 1464, the third of *Edward* IV. it was agreed by the Mayor, Aldermen, and Commonalty of *London*, that notwithſtanding the King's Letters Patents lately before granted unto them, touching the Tronage or Weighing of Wares, to be holden at the *Leadenhall*, yet Suit ſhould be made to the King for new Letters Patents to be granted to the Mayor of the Staple, for the Tronage of Wools to be holden there; and Order to be taken by the Diſcretion of *Thomas Cooke*, then Mayor, the Council of the City, *Jeffrey Filding*, then Mayor of the Staple at *Weſtminſter*, and of the King's Council, what ſhould be paid to the Mayor and Aldermen of the City, for the laying and houſing of the Wools there, that ſo they might be brought forth and weighed, *&c.*

Beam for Tronage of Woolls at Leadenhall.

Lib. Albus

A Brotherhood of ſixty Prieſts in the Chapel of Leadenhall.

Touching the Chapel there, I find, that, in the Year 1466, by Licence obtained of King *Edward* IV. in the ſixth of his Reign, a Fraternity of the *Trinity* of ſixty Prieſts (beſide other Brethren and Siſters) in the ſame Chapel, was founded by *William Rouſe*, *John Riſby*, and *Thomas Aſhby*, Prieſts; ſome of the which ſixty Prieſts, every Market-Day in the Forenoon, did celebrate Divine Service there to ſuch Market-People as repaired to Prayer; and once every Year they met all together, and had ſolemn Service, with Proceſſion of all the Brethren and Siſters. This Foundation was, in the Year 1512, by a Common Council, confirmed to the ſixty *Trinity* Prieſts, and to their Succeſſors, at the Will of the Mayor and Commonalty.

Leadenhall *burnt.*

In the Year 1484, a great Fire happened upon the *Leadenhall*, by what Caſualty I know not, but many Houſes were thereby deſtroyed, with all the Stocks for Guns, and other Proviſion belonging to the City; which was a great Loſs.

R. Arnold.

In the Year 1503, the eighteenth of *Henry* VII. a Requeſt was made by the Commons of the City, concerning the Uſage of the ſaid *Leadenhall*, in Form as followeth:

" Pleaſe it the Lord-Maior, Aldermen, and Common Council to enact, That all *Frenchmen* " bringing Canvas, Linen Cloth, and other " Wares to be ſold, and all Foreigns bringing " Wolſteds, Sayes, Stamins, Kiverings, Nails, " Iron Work, or any other Wares, and alſo all " manner Foreigns bringing Lead to the City to " be ſold, ſhall bring all ſuch their Wares afore- " ſaid to the open Market of the *Leadenhall*, " there, and no where elſe, to be ſhewed, ſold, " and uttered, like as of old Time it hath been " uſed, upon Pain of Forfeiture of all the ſaid " Wares ſhewed or ſold in any other Place than " aforeſaid: The Shew of the ſaid Wares to be " made three Days in a Week, that is to ſay, " *Monday*, *Tueſday*, and *Wedneſday*. It is alſo " thought reaſonable, that the Common Beam be " kept from henceforth in the *Leadenhall*, and the " Farmer to pay therefore reaſonable Rent to the " Chamber; for better it is that the Chamber " have Advantage thereby than a foreign Perſon; " and alſo the ſaid *Leadenhall*, which is more " chargeable now by half than profitable, ſhall " better bear out the Charges thereof: Alſo the " Common Beam for Wool at *Leadenhall* may " pay yearly a Rent to the Chamber of *London*, " toward the Supportation and Charges of the " ſame Place; for Reaſon it is, that a common " Office, occupied upon a common Ground, " bear a Charge to the Uſe of the Commonalty: " Alſo that Foreigns bringing Woolls, or any " other Merchandizes or Wares to *Leadenhall*, " to be kept there for the Sale and Market, may " pay more largely for keeping of their Goods, " than Freemen."

A Requeſt of the Citizens to the Mayor and Aldermen. Vid. Old Cuſt. f. 1.

Leadenhall *Market for Canvas and Linen Cloth.*

Common Beam to be kept in Leadenhall.

Leadenhall *pertaining to the Commonalty.*

Wools, Fells, and other Merchandizes to be ſold in Leadenhall.

In the Year 1519, the tenth of *Henry* VIII. the twenty-eighth of *September*, a Petition was exhibited by the Commons to the Common Council, and was by them allowed, concerning the *Leadenhall*, how they would have it uſed. It ran thus:

To the Right Honourable the Maior, and his Worſhipful Brethren the Aldermen, and to the diſcreet Commoners in this Common Council aſſembled.

A Petition of the Commons concerning the Uſe of the Leadenhall.

" Meekly beſeeching, ſheweth unto your good " Lordſhip, and Maſterſhips, divers and many " Citizens of this City, which with your Fa- " vours (under Correction) think, that the great " Place called the *Leadenhall* ſhould, nor ought " not to be letten to Farm, to any Perſon or Per- " ſons, and in eſpecial to any Fellowſhip or " Company incorporate, to have and hold the " ſame Hall for Term of Years; for ſuch Incon- " veniences as thereby may enſue, and come to " the Hurt of the common Weal of the ſaid City " in Time to come; as ſomewhat more largely " may appear in the Articles hereafter follow- " ing:

" *Firſt*, If any Aſſembly, or haſty Gathering " of the Commons of the ſaid City, for oppreſſing " or ſubduing of miſruled People within the ſaid " City, hereafter ſhall happen to be called or " commanded by the Mayor, Aldermen, and " other Governors and Counſellors of the ſaid " City for the Time being, there is none ſo con- " venient, meet, and neceſſary a Place to aſſem- " ble them in within the ſaid City as the ſaid " *Leadenhall*, both for Largeneſs of Room, and " for their ſure Defence in Time of their coun- " ſelling

Artillery and Guns in Leadenhall.

" ſelling together about the Premiſes. Alſo in " that Place hath been uſed the Artillery, Guns, " and other common Armours of the ſaid City, " to be ſafely kept in a Readineſs, for the Safe- " guard, Wealth, and Defence of the ſaid City, " to be had and occupied at Times when Need *And Timber kept there.* " required: As alſo the Store of Timber, for the " neceſſary Reparations of the Tenements belong- " ing to the Chamber of the ſaid City, there " commonly hath been kept.

" *Item*, If any Triumph or Nobleſſe were to " be done or ſhewed by the Commonalty of the " ſaid City, for the Honour of our Sovereign " Lord the King and Realm, and for the Wor- " ſhip of the City, the ſaid *Leadenhall* is the moſt " meet and convenient Place to prepare and " order the ſaid Triumph therein, and from " thence to iſſue forth to the Places therefore " appointed.

Largeſſes and Doles diſtributed here.

" *Item*, At any Largeſs or Dole of any Money " made unto the poor People of this City, by or " after the Death of any worſhipful Perſon within " the ſaid City, it hath been uſed to be done and " given in the ſaid *Leadenhall*, for that the ſaid " Place is moſt meet therefore.

Leadenhall *a Market-place for Victuallers and the People to ſtand dry.*

" *Item*, The honourable Father that was Maker " of the ſaid Hall, had a ſpecial Will, Intent, " and Mind, (as is commonly ſaid) that the " Market Men and Women that came to the " City with Victuals and other Things, ſhould " have their free Standing within the ſaid *Leaden-* " *hall* in wet Weather, to keep themſelves and " their Wares dry, and thereby to encourage " them, and all other, to have the better Will " and Deſire the more plenteouſly to reſort to the " ſaid City to victual the ſame: And if the ſaid " Hall ſhould be letten to Farm, the Will of the " ſaid honourable Father ſhould never be fulfilled, " nor take Effect.

Leadenhall *the chief Fortreſs of the City.*

" *Item*, If the ſaid Place, which is the chief " Fortreſs and moſt neceſſary Place within all the " City, for the Tuition and Safeguard of the " ſame, ſhould be letten to Farm, out of the " Hands of the chief Heads of the ſame City, " and eſpeciaily to any other Body Politick, it " might at length (by Likelihood) be Occaſion " of Diſcord and Debate between the ſaid Bodies " Politick. Which God defend.

" For theſe, and many other great and reaſon- " able Cauſes, which hereafter ſhall be ſhewed to " this honourable Court, your ſaid Beſeechers " think it much neceſſary that the ſaid Hall be " ſtill in the Hands of this City, and to be ſurely " kept by ſad and diſcreet Officers, in ſuch wiſe " that it may always be ready to be uſed and " occupied, for the common Weale of the ſaid " City when Need ſhall require, and in no wiſe " to be letten to any Body Politick." Thus much for the Petition.

Leadenhall *meant to have been a Burſe for Merchants.*

About the Year 1534 great Means were made about the *Leadenhall*, to have the ſame made a Burſe for the Aſſembly of Merchants, as they had been accuſtomed in *Lombard-ſtreet*. Many Common Councils were called to that End; but, in the Year 1535, *John Champneis* being Mayor, it was fully concluded, that the Burſe ſhould remain in *Lombard-ſtreet*, as afore, and *Leadenhall* no more to be ſpoken of concerning this Matter.

Here Money given by the King's Almoner.

In the Year 1546, when King *Henry*'s Corpſe lay in State in his Chapel at *Weſtminſter*, in the Month of *February*, about twelve Days, here at *Leadenhall*, *Heath* Biſhop of *Worceſter*, the King's Almoner, and other his Miniſters and Aſſiſtants, did daily diſtribute to poor People of the City great Plenty of Money, as well as at *Weſtminſter*, and divers other Places in the ſeveral Wards, both in open Doles and by Way of Proclamation.

The Uſe of Leadenhall *anciently.*

The Uſe of *Leadenhall* in my Youth (ſays *Stow*) was this: In the Part of the North Quadrant, on the Eaſt Side of the North Gate, were the common Beams for weighing of Wool and other Wares, as had been accuſtomed. On the Weſt Side of the Gate were the Scales to weigh Meal. The other three Sides were reſerved, for the moſt Part, to the making and reſting of the Pageants ſhewed at *Midſummer* in the Watch. The Remnant of the Sides and Quadrants was employed for the Stowage of Wool-Sacks, but not cloſed up. The Lofts above were partly uſed by the Painters, in working for the decking of Pageants and other Devices, for beautifying of the Watch and Watchmen. The Reſidue of the Lofts were lett out to Merchants, the Wool-winders and Packers therein to wind and pack their Wools.

The preſent State of Leadenhall-*market.*

Leadenhall is a very large Building of Free-ſtone, containing within it three large Courts or Yards, all encompaſſed with Buildings; wherein is kept a Market, one of the greateſt, the beſt, and the moſt general for all Proviſions in the City of *London*, nay, of the Kingdom, and, if I ſhould ſay of all *Europe*, I ſhould not give it too great a Praiſe. The Building hath flat Battlements, leaded at the Top. And, for the Convenience of People's coming to this great Market, (which is kept every Day of the Weeek except *Sundays*, for one Thing or the other) beſides the principal Entrance out of *Leadenhall-ſtreet*, there are ſeveral others, three out of *Lime-ſtreet*, and the reſt out of *Gracechurch-ſtreet*.

The Yards belonging to it.

Of the three Courts or Yards that it conſiſts of, the firſt is that at the North-Eaſt Corner of *Gracechurch-ſtreet*, and opens into *Leadenhall-ſtreet*. This Court or Yard contains in Length from North to South one hundred and ſixty-four Feet, and in Breadth from Eaſt to Weſt eighty Feet. Within this Court or Yard round about the ſame are about an hundred ſtanding Stalls for Butchers for the ſelling only of Beef, and therefore this Court is called the *Beef-market*; many of which Stalls are eight, ten, or twelve Feet long, and four, five, or ſix Feet broad, with Racks, Hooks, Blocks, and all other Conveniences for the Sale of their Meat; all which Stalls are either under Warehouſes above Head, or ſheltered from the Weather by Roofs over them. This Yard is on *Tueſdays* a Market for Leather, to which the Tanners do reſort. On *Thurſdays* the Waggons from *Colcheſter* and other Parts come with Baize, *&c.* and alſo the Felmongers with their Wool; and on *Fridays* it is a Market for raw Hides, beſides *Saturdays* for Beef, as alſo other Proviſions.

The Green-yard for ſmall Meat.

The ſecond *Market-yard* is called the *Green-yard*, as being once a green Plat of Ground; afterwards it was the City's Store-yard for Materials

rials for building and the like, but now a Market only for Veal, Mutton, Lamb, *&c.* This Yard is an hundred and ſeventy Feet in Length from Eaſt to Weſt, and ninety Feet broad from North to South. It hath in it an hundred and forty Stalls for the Butchers, all covered over, and of the Bigneſs of thoſe in the *Beef-market*. In the middle of this *Green-yard* Market, North to South, is a Row of Shops, with Kitchens or Rooms over them for Fiſhmongers; and alſo on the South Side and Weſt End are Houſes and Shops for Fiſhmongers. Towards the Eaſt End of this Yard is erected a fair Market-houſe, ſtanding upon Columns, with Vaults underneath and Rooms above, with a Bell-Tower and a Clock, and under it are Butchers Stalls. The Tenements round about this Yard are for the moſt Part inhabited by Cooks, Victuallers, and ſuch like; and in the Paſſages leading out of the Streets into this Market are Fiſhmongers, Poulterers, Cheeſemongers, and ſuch like Traders for Proviſion.

Fiſhmongers in this Green-yard.

The Herb-market. A.D.1720

The third Market belonging to *Leadenhall* is called the *Herb-market*, for that Herbs, Roots, Fruit, *&c.* are only there ſold. This Market is about one hundred and forty Feet ſquare. The Weſt, Eaſt, and North Sides have Walks round them, covered over, for Shelter, and ſtanding upon Columns; in which Walks there are twenty-eight Stalls for Gardeners, with Cellars under them.

Being rebuilt in the Year 1730, it is now called the *New Market*, or *Naſhe's Rents*, and hath Shops in it chiefly for Butchers, and a new Paſſage into *Lime-ſtreet*. There is alſo in this Yard one Range of Stalls, covered over, for ſuch as ſell Tripe, Neats Feet, Sheeps Trotters, *&c.* And, on the South Side, the Tenements are taken up by Victuallers, Poulterers, Cheeſemongers, Butchers, and ſuch like. Beyond this are likewiſe ſome new Shops, built in the Year 1730, in that Part called the *Old Bacon-market*, which are chiefly occupied by Poulterers, and ſuch as deal in Bacon: And, for the regular ordering of this Market, and thoſe Numbers of People that reſort thither with their Goods, ſee the Chapter of Civil Government.

The general Conflagration of this City in 1666 terminated in that Part of the City near adjoining to this Hall; all the Houſes about it, and within the Yards belonging to it, being deſtroyed, there did of this Fabrick only remain the Stonework; ſince which, the Courts and Yards belonging to this Building, and ſome other adjacent Grounds, purchaſed by the City, are wholly converted into a Market for the City's Uſe: The Place for the Reception of Country Butchers and others, who brought Proviſions before to the City, being then only in *Leadenhall-ſtreet*, between *Gracechurch-ſtreet* and *Lime-ſtreet*, which was very incommodious to the Market-People, as well as to the Paſſengers.

Eaſt-India-Houſe.

The *Eaſt-India-Houſe*, ſituate on the South Side of *Leadenhall-ſtreet*, at about an hundred Feet Weſt of *Lime-ſtreet* Corner, was antiently the Site of a City Manſion, belonging to the Earl of *Craven* and his Anceſtors. The preſent Houſe was built by the honourable *Eaſt-India* Company in the Year 1726.

The Front next the Street is very magnificent, being a ſtrong Stone Building, with Pilaſters and Entablature of the *Dorick* Order; the reſt of it is very ſpacious, having large Rooms for the Directors, and Offices for the Clerks. It hath a large Hall and Court-yard, for the Reception of People who have Buſineſs here, to attend on the Company on their Court-Days, which are every *Wedneſday*. There belongs to it alſo a Garden, with Warehouſes in the back Part towards *Lime-ſtreet*, into which there is a back Gate for the Entrance of Carts to bring in their Goods. Theſe Warehouſes were rebuilt in a very handſome Manner in the Year 1725, and are now greatly enlarged, and not quite finiſhed. The Company have likewiſe Warehouſes in *Seething-lane*, the *Steel-yard*, and the *Royal-Exchange*, under the laſt of which they have Cellars entirely for Pepper.

While this new Houſe was building, the Company tranſacted their Buſineſs in the old *Cuſtom-houſe* in *Fenchurch-ſtreet*.

The firſt *Eaſt-India* Company was eſtabliſhed by Charter in the Reign of Queen *Elizabeth*, and ſince confirmed ſeveral Times, called, *The Governor and Company of Merchants trading into the* Eaſt-Indies.

Here were firſt ſubſcribed ſeven hundred and thirty-nine thouſand ſeven hundred and eighty-two Pounds ten Shillings; and a Year, or more, afterwards, by the additional Subſcription of eight hundred and thirty-four thouſand eight hundred and twenty-ſix Pounds, the Stock was made up one Million five hundred and ſeventy-four thouſand ſix hundred and eight Pounds ten Shillings.

In 1698 another Company was eſtabliſhed by Act of Parliament, called, *The* Engliſh *Company of Merchants trading to the* Eaſt-Indies, who, upon their Settlement, advanced to the Government two Millions Sterling; for which they had Intereſt given them at eight *per Cent. per Annum:* Of theſe two Millions the Members of the old Company ſubſcribed three hundred and fifteen thouſand Pounds; which, with forty *per Cent.* more advanced, made up their Share of two Millions upon the Union. Subſcribers of five hundred Pounds, and upwards, have a Vote for chuſing Directors, but none have more than one; none of which Directors are to have leſs than two thouſand Pounds in the Capital Stock of the Company.

All Goods imported by the Company are to be ſold openly by Inch of Candle, on Pain of Forfeiture, one Half to the King, and the other to the Proſecutor.

The Stock to be eſteemed, in Law, Perſonal Eſtate, and the Shares exempt from Taxes.

No Member ſhall, in Reſpect to his Stock only, be judged a Bankrupt.

In the Year 1702, the twenty-ſecond of *July*, for the mutual Advantage and Satisfaction of both Companies, an Expedient was found out for the uniting of them, and a Charter of Union was granted them. The new Company joined fifteen Pounds *per Cent.* with as much of the old Company, which, with ſeveral Sums paid in afterwards, the Stock of the united Companies amounted to one hundred and ſeventy Pounds *per* Share; and, upon the Return of the Effects

of both Companies, the united Stock was to augment until they became one entire Company, which was to be in ſeven Years after the Union.

Places of Note in this Ward.

An Houſe in Lime-ſtreet, *called the* King's Artirce.

In *Lime-ſtreet* are divers fair Houſes for Merchants and others: There was ſometime a Manſion-houſe of the King's, called the *the King's Artirce*, whereof I find Record in the 14th of *Edward* I. but now grown out of Knowledge. I read alſo of another great Houſe in the Weſt Side of *Lime-ſtreet*, having a Chapel on the South, and a Garden on the Weſt, then belonging to the Lord *Nevill*; which Garden is now called the *Green-yard* of *Leadenhall*.

Green-yard.

This Houſe, in the ninth of *Richard* II. pertained to Sir *Simon Burley*, and Sir *John Burley* his Brother: Which ſaid Houſe was taken down afterwards, and the fore Front thereof new builded of Timber, by *Hugh Offley*, Alderman.

Ben-bridge's-Inn.

At the North-Weſt Corner of *Lime-ſtreet*, was (of old Time) one great Meſſuage, called *Benbridge's-Inn: Raphe Holland*, Draper, about the Year 1452, gave it to *John Gill*, Maſter, and to the Wardens and Fraternity of Taylors, and Linen-Armorers of St. *John Baptiſt* in *London*, and to their Succeſſors for ever. They did ſet up in place thereof a fair large Frame of Timber, containing in the high Street one great Houſe, and before it, to the Corner of *Lime-ſtreet*, three other Tenements, the Corner Houſe being the largeſt; and then down *Lime-ſtreet* divers proper Tenements. All which the Merchant-Taylors in the Reign of *Edward* VI. ſold to *Stephen Kirton*, Merchant-Taylor and Alderman.

Meſſuage of the L. Souch's.

An Houſe with an high Tower.

Next unto this on the high Street was the Lord *Souch's* Meſſuage or Tenement, and other. In Place whereof, *Richard Wethel*, Merchant-Taylor, builded a fair Houſe, with an high Tower, the ſecond in Number, and firſt of Timber, that ever I learned (ſays *Stow*) to have been builded, to overlook Neighbours in this City.

Philip Malpas *robbed.*

Then was there a fair Houſe, of old Time, called the *Green Gate*, by which one *Michael Piſtoy*, *Lombard*, held it, with a Tenement and nine Shops, in the Reign of *Richard* II. who in the 15th of his Reign, gave it to *Roger Crophull* and *Tho. Bromeſlete*, Eſqrs, by the Name of the *Green Gate*, in the Pariſh of St. *Andrew* upon *Cornhill*, in *Lime-ſtreet* Ward: Since the which Time, *Philip Malpas*, ſometime Alderman, and one of the Sheriffs, dwelled therein, and was there robbed and ſpoiled of his Goods, to a great Value, by *Jack Cade*, and other Rebels, in the Year 1449.

Mutas *Houſe ſpoiled.*

Sir Peter Mutas.

Afterwards, in the Reign of *Henry* VII. it was ſeized into the King's Hands. And then granted firſt unto *John Alſton*, after that unto *William de la Rivers*, and ſince by *Henry* VIII. to *John Mutas*, a *Pickard*, or *Frenchman*, who dwelled there, and harboured in his Houſe many *Frenchmen*, that kalendred Wolſteds, and did other Things, contrary to the Franchiſes of the Citizens. Wherefore on *evil May-Day*, which was in the Year 1517, the Apprentices and other ſpoiled his Houſe, and if they could have found *Mutas*, they would have ſtricken off his Head. Sir *Peter Mutas*, Son to the ſaid *John Mutas*, ſold this Houſe to *David Woodroſe*, Alderman; whoſe Son, Sir *Nicholas Woodroſe*, Alderman, ſold it over to *John More*, Alderman, that next poſſeſſed it.

Leaden Porch.

Next to it was a Houſe, called the *Leaden Porch*, afterwards divided into two Tenements, whereof one is a Tavern, and then one other Houſe for a Merchant, likewiſe called the *Leaden Porch*.

A Pump in the high Street of Lime-ſtreet *Ward.* Cornhill-ſtreet *in ſome Place raiſed two Fathom higher than of old Time, as appeared by Buildings found ſo deep.*

In the Year 1576, partly at the Charges of the Pariſh of St. *Andrew*, and partly at the Charges of the Chamber of *London*, a Water-Pump was raiſed in this high Street of *Lime-ſtreet* Ward, near unto *Lime-ſtreet* Corner. For the placing of the which Pump, having broken up the Ground, they were forced to dig more than two Fathom deep, before they came to any main Ground. Where they found a Hearth made of *Britain*, or *Roman* Tile, every Tile half a Yard ſquare, and about two Inches thick: They found Coal lying there alſo (for that lying whole will never conſume.) Then digging one Fathom into the Main, they found Water ſufficient, made their Prall, and ſet up the Pump; which Pump, with oft repairing and great Charges to the Pariſh, continued not twenty-four Years, but, being rotten, was taken up, and a new one ſet in the Place in the Year 1600. Thus much for the high Street.

St. Mary-ſtreet, *Pariſh-Church of* Mary, St. Urſula, *and* 11000 *Virgins, called* At the Axe, *letten out for a Warehouſe.*

In St. *Mary-ſtreet* was (of old Time) a Pariſh-Church of St. *Mary* the Virgin, St. *Urſula*, and the 11000 Virgins; which Church was commonly called St. *Mary at the Axe*, of the Sign of an Axe over-againſt the Eaſt End thereof, or St. *Mary Pepillar*, of a Plat of Ground lying on the North Side thereof, pertaining to the Skinners in *London*. This Pariſh, about the Year 1565, was united to the Pariſh-Church of St. *Andrew Underſhaft*. And ſo was St. *Mary at the Axe* ſuppreſſed, and letten out to be a Warehouſe for a Merchant. Here is now a Free-School kept. Againſt the Eaſt End of this Church was ſometime a fair Wall, now turned to a Pump.

Pariſh-Church of St. Auguſtine in the Wall. *Earl of* Oxford *had his Inn in* St. Auguſtine's Papey.

Alſo againſt the North End of this St. *Mary-ſtreet*, was ſometime one other Pariſh Church of St. *Auguſtine*, called St. *Auguſtine in the Wall*, for that it ſtood adjoining to the Wall of the City; and otherwiſe called St. *Auguſtines Papey*, or *the Poor*, as I have read in the Reign of *Edward* III.

In this Pariſh an Earl of *Oxford* had his Inn: And the laſt Will of *Agnes* Lady *Bardolph*, *Anno* 1403, was dated from hence, in theſe Words; *Hoſpitio*, *&c.* from the Inn of the Habitation of the Lord, the Earl of *Oxenford*, in the Pariſh of St. *Auguſtines de Papey*, *London*.

About the Year 1410, in the Reign of *H.* VI. the ſame Church was allowed to the Brethren of the *Papey*, the Houſe of poor Prieſts, whereof I have ſpoken in *Aldgate* Ward.

The Donation of St. Auguſtine's Church to the Papey.

The Donation of this Pariſh-Church, (about the Year 1430,) with the Church-yard, a Meſſuage and Garden thereunto belonging, may be worth the recording in this Place. And therefore I ſhall ſet it down, as I have met with it in the incomparable Library of the Honourable *Robert Harley*, Eſq; late Earl of *Oxonford* (the Copy whereof ſeems to have ſometime belong to *John Stow*.) It is as follows:

Biblioth. Harleian.

" Be it known unto all Men by theſe Pre-
" ſents, that I *Richard Wodehouſe*, Parſon of
" *All Saints* Church in the Wall of *London*
" in *Bradſtreet* Ward, by Aſſent and Licence
" of *William*, Prior of the Trinity-Houſe with-
" in *Aldgate*, and the Covent of the ſame
" Houſe,

" Houſe, being Patrons of *All Saints* Church, " and of the Chapel, late the Pariſh Church, " called *Papey Church*, late in the Pariſh of *All* " *Saints* aforeſaid, in *Aldgate* Ward, ſituate at " *Beauſmarkes* next *London* Wall; alſo, by Con- " ſent, Aſſent, and Licence of the Reverend " Father in Chriſt *William*, by God's Grace Bi- " ſhop of *London*, Ordinary of the ſame; have " confirmed to *R.* the aforeſaid Chapel, late the " Pariſh Church, called *Papey Church*, with the " Church-yard, together with a certain Tene- " ment or Meſſuage, and Garden adjoining to " the ſaid Chapel, with all Things elſe that " ought of right to pertain to the ſaid Chapel. " Which Chapel, Church-yard, Meſſuage and " Garden, are jointly ſituate in the aforeſaid " Pariſh of *All Saints:* And containeth in Length " in the South Side by the King's Highway from " the Garden which pertaineth to the Chamber " in *Guildhall* of *London*, and is now in the Te- " nure of *Richard Wymarke*, toward the Weſt, " unto the King's Way toward the Eaſt, fifty- " ſeven Roods and one Foot of Aſſize: In " Length in the North Part next *London*, from " the foreſaid Garden toward the Weſt, unto the " King's Highway toward the Eaſt, ſixty Roods " of Aſſize: And in Breadth in the Weſt End " toward the ſaid Garden, unto the King's High- " way, eight Roods of Aſſize. *William Eaſt-* " *field* then Mayor of *London*; *William Ruſs*, " *Ralph Holand*, Sheriffs; and *Stephen Brown* then " Alderman of *Aldgate* Ward."

On the other Side is an Inſtrument, ſhewing the Foundation of this Hoſpital, the Founders thereof, and the Cauſe; to wit, out of Compaſſion to poor decayed Prieſts, and for their Relief and Subſiſtence. The Inſtrument is as follows:

" To all the Sons of our Holy Mother the " Church, to whom and to whoſe Knowledge " theſe Letters or the Contents of them ſhall " come, and thoſe whom the Writing under- " neath do touch, or ſhall hereafter touch; " *Thomas Symineſſon*, Parſon of the Pariſh Church " of *All Saints* at the Wall of the City of *London*, " together with the Church of St. *Auguſtines* Pa- " pey of the ſame City, by ordinary Authority, " and for true, lawful and honeſt Cauſes, joined, " annexed and incorporated to the ſame Church " of *All Saints*; and *William Cleve*, Chaplain of the " Chantry founded at the Altar of St. *John Bap-* " *tiſt* in the Church of the Bleſſed *Mary* of *Alder-* " *mary* Church of *London*; and *William Barnaby*, " one of the Chantry of the Cathedral Church of " St. *Paul*'s in *London*; and *John Stafford*, Chap- " lain, of the City of *London*; ſend greeting in " our Lord everlaſting:

" Know ye all by theſe Preſents, that the moſt " excellent Prince in Chriſt, and our Lord and " Maſter, the famous *Henry* VI. King of *Eng-* " *gland* and *France*, and Lord of *Ireland*, of his " eſpecial Grace, ſure Knowledge and mere Mo- " tion, by Advice and Aſſent of his great " Council, by his Letters Patents, the Tenor " of which are underwritten, to us, and to " others, hath graciouſly granted and given Li- " cence for him and his Heirs, as much as in " him is, That we three, or any two of us, be- " gin, make, found, ordain, unite and eſtabliſh, " in the Honour of St. *Charity* and St. *John* " *Evangeliſt*, a certain perpetual Fraternity or " Brotherhood, as of ourſelves and other Chap- " lains of Chantries, and Hirelings, as of other " honeſt Men whoſoever, in ſome Place conve- " nient and honeſt of the ſame City, which we " ſhall provide for that Purpoſe: For the Re- " lief and Suſtenance of ſuch poor Prieſts, de- " cayed through Poverty, and detained by Diſ- " eaſes, as have nothing to live on, but (as " well to the great Diſhonour of God, as the " Reproach of the Clergy, and Shame to Holy " Church) do miſerably beg; To pray devoutly " as well for the good State and Proſperity of " the foreſaid King and Kingdom of *England*, and " the Nobility and Peers thereof, as for the Bre- " thren and Siſters of the ſaid Fraternity and " Brotherhood, as now plainly and fully ap- " peareth in the aforeſaid Letters Patents, here " inſerted: Unto which we refer you."

" Whereupon we, *William Cleve*, *William Bar-* " *naby*, and *John Stafford*, the Chaplains afore- " ſaid, conſidering that the Premiſſes are good, " godly and meritorious, and minding effectually " and ſurely to eſtabliſh the ſaid Fraternity, in " the Name of the Holy and Undivided Trinity, " the Father, the Son and the Holy Ghoſt, the " glorious Virgin *Mary*, St. *Charity* and St. *John* " *Evangeliſt*, in whoſe Honour the foreſaid Frater- " nity, by the King's Licence given and granted, " as is ſaid, is founded and adjoined, we begin " and proceed after this Order, &c." And then follows the Inſtrument of the Donation of the Papey Church, as before.

No Pariſh-Church in this Ward.

The Pariſhioners of this Church were appointed to the Pariſh-Church of *Allhallows* in the Wall, which is in *Broad-ſtreet* Ward. This Brotherhood, called *Papey*, being ſuppreſſed, the Church of St. *Auguſtine* was pulled down; and in place thereof one *Grey*, an Apothecary, builded a Stable, and a Hay-loft. It is now a dwelling Houſe, reſerving the Church-yard for a Garden-plat. Thoſe two Pariſh-Churches, both lying in the Ward of *Lime-ſtreet*, being thus ſuppreſſed, there is not any one Pariſh-Church or Place for Divine Service in that Ward; but the Inhabitants thereof repair to Churches out of their Ward, namely to St. *Peter* upon *Cornhill* in *Cornhill* Ward, St. *Andrew* in *Aldgate* Ward, *Allhallows* in the Wall in *Broad-ſtreet* Ward, and ſome to St. *Dennis* in *Langborn* Ward.

Now becauſe of late there hath been ſome Queſtion, to what Ward this Church or Chapel of St. *Auguſtine Papey* ſhould of right belong; (for the ſame hath been challenged by them of *Aldgate* Ward, and (without Reaſon) taken into *Biſhopſgate* Ward, (from *Lime-ſtreet* Ward) I am ſomewhat to touch it.

Houſes by London Wall *in the Ward of* Lime-ſtreet.

About thirty Years ſince, the Chamber of *London* granted a Leaſe of Ground (in theſe Words) *Lying near* London *Wall, in the Ward of* Lime-ſtreet, *from the Weſt of the ſaid Church or Chapel of St.* Auguſtine Papey, *towards* Biſhopſgate, *&c.* On the which Plat of Ground, the Leſſee builded three fair Tenements, and placed Tenants there: Theſe were charged to bear Scot and Lot, and ſome of them to bear Office in *Lime-ſtreet* Ward: All which they did willingly without grudging. And when any ſuſpected or diſorder-

Stow's *firſt Edition.*

ed Perſons were by the Landlord placed there, the Officers of *Lime-ſtreet* Ward fetched them out of their Houſes, committed them to ward, procured their due Puniſhment, and baniſhed them from thence. Whereby in ſhort Time that Place was reformed, and brought into good Order: Which Thing being noted by them of *Aldgate* Ward, they moved their Alderman, Sir *Thomas Offley*, to call in thoſe Houſes to be of his Ward. But I myſelf ſhewing a fair Ledger Book, ſometime pertaining to the late diſſolved Priory of the *Holy Trinity* within *Aldgate*, wherein were ſet down the juſt Bounds of *Aldgate* Ward, before Sir *Thomas Offley*, Sir *Rowland Hayward*, the Common Council, and Wardmote Inqueſt of the ſaid *Lime-ſtreet* Ward; Sir *Thomas Offley* gave over his Challenge, and ſo that Matter reſted in good Quiet until the Year 1579; that Sir *Richard Pype* (being Mayor, and Alderman of *Biſhopſgate* Ward) challenged thoſe Houſes to be of his Ward, whereunto (without Reaſon ſhewed) Sir *Rowland Hayward* yielded: And thus is that Side of the Street, from the North Corner of St. *Mary-ſtreet* almoſt to *Biſhopſgate*, (wherein is one Plat of Ground, letten by the Chamberlain of *London* to the Pariſh of St. *Martin Oteſwich*, to be a Church-yard or Burying-place for the Dead of that Pariſh, *&c.*) unjuſtly drawn from the Ward of *Lime-ſtreet*.

Stow vindicates Lime-ſtreet *Ward, as to ſome Bounds of it.*

A Part of Lime-ſtreet *Ward unjuſtly withheld by* Biſhopſgate *Ward.*

Divers other Proofs I could ſet down, but this one following may ſuffice. The Mayor and Aldermen of *London* made a Grant to the Fraternity of the *Papey*, in theſe Words:

A Grant to the Papey.

"Be it remembered, that where now of late the "Maſter and Wardens of the Fraternity of the "*Papey* have made a Brick Wall, cloſing in the "Chapel of St. *Auguſtine*, called *Papey* Chapel, "ſituate in the Pariſh of *All Saints* in the Wall, "in the Ward of *Lime-ſtreet* of the City of *Lon-*"*don*: From the South-Eaſt Corner of the which "Brick Wall, is a Scutcheon of twenty-one Foot "of Aſſize from the ſaid Corner Eaſtward: "And from the ſame Scutcheon there to a Meſ-"ſuage of fifty Foot and an half Weſtward: "The ſaid Scutcheon breaketh out of Line right "Southward, betwixt the Meaſures aforeſaid, "three Foot and five Inches of Aſſize, upon the "common Ground of the City aforeſaid: *Ralph* "*Verney*, Mayor, and the Aldermen of the ſame "City, the twenty-ſecond Day of *October*, the "6th Year of *Edward* IV. granted to *John Hod*, "Prieſt, Mr. *John Bolt*, and *Tho. Pachet*, Prieſts, "Wardens of the Fraternity of *Papey* aforeſaid, "and to their Succeſſors for ever, *&c.* yielding "4*d.* Sterling yearling at *Michaelmas*." And this is (ſaith my Book) inrolled in the *Guildhall* of *London*. Which is a ſufficient Proof, the ſame Plat of Ground to be of *Lime-ſtreet* Ward.

Lib. Papey.

An old large Meſſuage.

On the South Side of this Street, ſtretching Weſt from St. *Mary-ſtreet*, towards *Biſhopſgate-ſtreet*, there was (of old Time, one large Meſſuage builded of Stone and Timber in the Pariſh of St. *Auguſtine* in the Wall, now in the Pariſh of *Allhallows* in the ſame Wall, belonging to the Earl of *Oxford*, (for *Richard de Vere*, Earl of *Oxford*, poſſeſſed it in the fourth of *Henry* V.) but in Proceſs of Time, the Lands of the Earl fell to Females; amongſt the which, one being married to *Wingfield* of *Suffolk*, this Houſe with the Appurtenances fell to his Lot, and was by his Heir, Sir *Robert Wingfield*, ſold to Mr. *Edward Cooke*, the Queen's Attorney General, who was afterward Lord Chief Juſtice *Cooke*.

Patent Oxford *Place.*

It was ordered by the Lord-Mayor and Aldermen, at a Court holden on *Thurſday* the twenty-fourth of *April*, in the fourth Year of *Edward* VI. That the Chamberlain of *London* ſhould yearly pay unto the Scavenger of *Lime-ſtreet* Ward 20 *s.* by even Portions, out of the Profit coming by the Butchers Stalls in *Leadenhall*, toward the cleanſing and ſweet-keeping of the ſame Ward.

The Scavenger of Lime-ſtreet *Ward* Hum. Dyſon.

I find of Record, that in the Year 1371, the 45th of *Edward* III. a great Subſidy of 100000 Pounds was granted towards the King's Wars in *France*. Whereof the Clergy paid 50000 Pounds, and the Laity 50000 Pounds, to be levied in thirty-nine Shires of *England*, containing Pariſhes 8600. Of every Pariſh, 5 *l.* 16 *s.* the greater to help the leſſer. This City (as one of the Shires) then containing twenty-four Wards, and in them 110 Pariſhes, was therefore aſſeſſed to 635 *l.* 12 *s.* whereof *Lime-ſtreet* Ward did bear 34 *s.* and no more; ſo ſmall a Ward it was, and ſo accounted, as having no one whole Pariſh therein, but ſmall Portions only of two Pariſhes in that Ward.

Subſidy of Lime-ſtreet *Ward, in the Year* 1371.

CHAP. XXV.

Of PORTSOKEN WARD.

With a PLAN, *neatly engraved from a* NEW *Survey.*

Its Name. Bounds. Antient State. Extent. Modern State. Government. Aldermen and Common-Councilmen. Pariſhes and Churches. Priory of the Holy Trinity. *St.* Catharine's Trinity *Church and Canons,* Eaſt-Smithfield. New-Abby. Minories. Goodman's-fields. *Nunnery of St.* Clare.

Name.

PORTSOKEN ſignifies a Franchiſe at the Gate: Of which below, under the Antiquities of this Ward.

Bounds.

It is bounded on the Eaſt by the Pariſhes of *Spital-fields*, *Stepney*, and St. *George's in the Eaſt*; on the South by *Tower-hill*; on the North by *Biſhopſgate* Ward; on the Weſt by *Aldgate* Ward.

Extent.

In deſcribing the Extent of this Ward, our beſt Direction is to follow the Order of the yearly parochial Perambulation, as follows:

Walking down *Houndſditch*, Northward, they croſs the Way Eaſtward into *Still* and *Hand-alley*: Paſſing on along by the Garden-Wall, they proceed to *Petticoat-lane*, in the Middle of which is the Partition between the two Pariſhes of *Whitechapel* and St. *Botolph*: There they go on to the Bars in the common Street, and, croſſing the Way Southward, go through a Tavern, ſome Time the *Caſtle*; and then, turning Weſtward, paſs on to the *Minories* till they come to the Bars; where Ends the Ward and the Pariſh within the Freedom.

There, at the farther End, they turn down into an Alley, called *Brown's-alley*, and ſo as far as *Goodman's-fields*; then turn up the Street again, and go down *Red-lion-alley*, paſſing directly into *Roſemary-lane*, and thence down *Nightingale-*

lane,

lane, on the West Side, to the *Hermitage-bridge*, and so round St. *Catharine's*, and then passing over *Tower-hill*, they come again into the Freedom, and go directly up the *Minories* Northward till they come under *Aldgate*.

In this Ward the principal Streets and Places are *Whitechapel*, the *Minories*, and *Houndsditch*, together with the West Side of *Petticoat-lane*; in which Streets are divers Alleys, Courts, *&c.* of which in their Order.

Whitechapel.

Whitechapel is a spacious Street for Entrance into the City Eastward, and somewhat long, reckoning from the Lay-stall East unto the Corner of *Houndsditch* West. It is a great Thorough-fare, being the *Essex* Road, and well resorted to, which occasions it to be well inhabited, and accommodated with good Inns for the Reception of Travellers, Horses, Coaches, Waggons, *&c.*

Here on the South Side is a Hay-Market three Times a Week.

The South Side within the Bars, as well as a little Way without, is taken up by a great many Butchers, who carry on a great Trade, both Wholesale and Retail.

On the North Side are divers considerable Inns, much resorted to, as the *Three Nuns*, the *Crown*, the *Black-bull*, the *Blue-boar*; with several Shops which have great Trade out of the Country.

About the Bars ply a great Number of Stage-Coaches, for the Conveniency of carrying Passengers to *Stratford*, *Bow*, *Low-layton*, *Layton-stone*, *West-ham*, *East-ham*, *Walthamstow*, *Woodford*, *Wansted*, *Barking*, &c.

Places of Name in this Street within the Bars are as follow, beginning at St. *Botolph*'s Church and so Eastward:

Alleys, &c.

First, *Hatchet-alley*, pretty well built, but hath a narrow Entrance *White-Bear-alley*, hath a long, narrow, and dark Passage into it, but within are good Brick Buildings. *Sun-and-Trumpet-alley*, very ordinary; near unto this Alley is the *Bell* Brewhouse, of a good Trade; and near unto the *Blue-boar* Inn, is the *Boar's-head* Tavern, being a House of pretty good Trade. *Red-cross-court*, well built, with new Brick Houses, hath a pretty large Passage into *Petticoat-lane*. *Anchor-and-Harp-alley*, both narrow and ordinary. *Harrow-alley*, containing two large Courts, and a long Alley that leads into *Goodman's-fields*; and at the upper End of this Alley, is a Place called the *Blue-gate*; all but indifferently built and inhabited. *Chequer-yard*, also but ordinary: And a new Street is lately built, which leads also into *Goodman's-fields*, and called *Somerset-street*.

Houndsditch.

From *Aldgate* North-West to *Bishopsgate*, says *Stow*, lyeth the Ditch of the City, in that Part called *Houndsditch*, because that in old Time, when the same lay open, much Filth (conveyed forth of the City, especially dead Dogs) was there laid or cast.

Edrick *for Treachery thrown into this Ditch.*

Into this filthy Ditch King *Canutus* commanded *Edrick*, a noble *Saxon*, who had basely slain his King and Lord *Edmund Ironside*, to be drawn by the Heels from *Baynard's-castle* through the City, and cast in there, after he had first been tormented to Death by lighted Torches. *Rich.* of *Ciciter*.

A Mud Wall against Houndsditch.

Of later Time a Mud Wall was made, enclosing the Ditch, to keep out the laying of such Filth as had been accustomed.

A Field on the East Side.

Over-against this Mud Wall, on the other Side of the Street, was a fair Field, sometime belonging to the Priory of the *Trinity*, and since by Sir *Tho. Audley* given to *Magdalen* College in *Cambridge*.

A Messuage and seven Acres in Houndsditch.

This Ground contained a Messuage, a Dove-house, and a Garden of about seven Acres. There was also adjoining to this Garden a great Gate, and a Building over, and a Street or Lane leading from *Houndsditch* thither. For all this Sir *Tho. Audley* obtained of King *Henry* special Letters Patents, dated *March* 23, in the 25th of his Reign, as belonging to the Priory, to this Tenor:

Ex MSS. Dr. Kennet, D. Episc. Petriburg.

Henricus Octavus, Dei gratia, &c. *Omnibus ad quos*, &c. *Sciatis quod nos*, &c. *Dedimus & concessimus*, &c. *i. e.* "Know ye, that we have "given and granted to the said *Thomas* one Mes-"suage, one Dovecoat, and one Garden or "Parcel of Land, with the Appurtenances, con-"taining by Estimation seven Acres of Land, "whether more or less, as they lay and are in "the Parish of St. *Botolph* without *Aldgate*, *Lon-*"*don*, *viz.* between a certain Street or Lane, call-"ed *Hog-lane* on one Part, and divers Messuages "by the King's High-way, called *Houndsditch*, "adjoining and built on the other Part. He gave "also and granted to the said *Thomas* a certain "great Gate, with an Edifice built upon it, and "adjacent; and a certain Street or Lane, ex-"tending from the aforesaid King's High-way "called *Houndsditch*, to, in and as far as the said "Garden or Parcel of Land, containing seven "Acres; with all Edifices, Walls, Ditches and "Closes, in and about the said Garden, or Par-"cel of the Lands there being: Which Messuage, "Dovecoat, Garden, Gate, Street or Lane, and "the other Premisses, with their Appurtenances, "lately belonged to the Prior and Convent of "the Monastery or Priory of the *Holy Trinity*, "*London*, by the Right of that Monastery; and "which, among others, is come to our Hands "by the Authority of Parliament, as well on the "account of the Gift of *Nicholas Hancock*, late "Prior, as on the account of the Dissolution of "the said Monastery."

The next Year, that is, the 26th of the King's Reign, the same Sir *Thomas Audley* obtained of the King other Letters Patents, dated *Decemb.* 29. Wherein, among other Gifts, he granted to him Licence to give and grant lawfully the said Messuage, Dove-house and Garden, to *Henry Parker*, Knt. *Tho. Barnardiston* Kt. *John Christmas*, Esq. *Tho. Pope*, *Arthur Clerk*, and *Tho. Spilman*, Gentlemen. Yet it seems these Persons possessed not the Premisses, at least not the Garden of seven Acres; since Mr. *Stow* (as above) writeth, that Sir *Tho. Audley* gave it to *Magdalen* College, of which he was Founder.

This Field (as all other about the City) was enclosed, reserving open Passage thereinto for such as were disposed. Towards the Street were some small Cottages, of two Stories high, and little Garden-plats backward, for poor bedrid People, (for in that Street dwelt none other) builded by some Prior of the *Holy Trinity*, to whom that Ground belonged.

In

Bedrid People in Houndſditch.

In my Youth, (ſays *Stow*) I remember, devout People, as well Men as Women of this City, were accuſtomed oftentimes (eſpecially on *Fridays*, weekly) to walk that way purpoſely, and there to beſtow their charitable Alms, every poor Man or Woman lying in their Bed within their Window, which was towards the Street open ſo low, that every Man might ſee them; a clean linen Cloth lying in their Window, and a Pair of Beads; to ſhew that there lay a bedrid Body, unable but to pray only: This Street was firſt paved in the Year 1503.

Braſs Ordnance caſt in Houndſditch *by the* Owens.

About the latter End of the Reign of King *Hen.* VIII. three Brethren that were Gun-founders, ſirnamed *Owens*, got Ground there to build upon, and to encloſe for caſting of Braſs Ordnance. Theſe occupied a good Part of the Street on the Field Side, and in ſhort Time divers others alſo builded there; ſo that the poor bedrid People were worn out, and, in place of their homely Cottages, ſuch Houſes builded as do rather want Room than Rent; which Houſes be for the moſt part poſſeſſed by Brokers, Sellers of old Apparel, and ſuch like. The Reſidue of the Field was for the moſt Part made into a Garden, by a Gardener named *Gravſway*, one that ſerved the Markets with Herbs and Roots. And in the laſt Year of King *Edward* VI. the ſame was parcelled into Gardens, wherein are now many fair Houſes of Pleaſure builded.

A Matter greatly deſerving Reformation in Houndſditch.

But as it is fatal to the Suburbs of every great City to be infected with ſome foul and unclean Birds, that there build their Neſts, although not with profeſſed and ignominious Stain of lewd Life; becauſe (within the Limits of *Houndſditch*) dwell many a good and honeſt Citizen, that will never endure ſuch ſcandalous Neighbourhood: Yet there are crept in among them a baſe kind of Vermin, well-deſerving to be ranked and numbered with them, whom our old Prophet and Countryman *Gyldas* called *Ætatis atramentum*, the black Diſcredit of the Age, and of the Place where they are ſuffered to live; or rather (as St. *Bernard* thinks it more convenient to term them) *Baptiſatos Judæos*; who take themſelves to be Chriſtians, when they are worſe (indeed) than the *Jews* ever were for Uſury.

The unconſcionable broking Uſurers their Living.

The Jews *were never any ſuch gripple Extortioners.*

Pawnbrokers.

Theſe Men, or rather Monſters in the Shape of Men, profeſs to live by lending, and yet will lend nothing but upon Pawns; neither to any, but unto poor People only, and for no leſs Gain than after fifty or threeſcore Pounds in the hundred. The Pawn of the poor Borrower muſt needs be more than double worth the Money lent upon it, and the Time of Limitation is no longer than a Month; albeit they well know, that the Money needs not be repayed back until a Twelvemonth's End. By which Time the Intereſt grows to be ſo great, that the Pawn, which (at the firſt) was better than twice worth the Money borrowed on it, doth not (in the End) prove to be valuable to the Debt, which muſt be payed before the poor Party can redeem it. By which extorting Means of proceeding the poor Borrower is quite cheated of his Pawn, for leſs than the third part, which it was truly worth indeed.

Such Gains are the greedy Uſurers Glory.

It is a great Error (in my poor Opinion) that in ſo antient and famous a City, abounding (otherwiſe) in moſt Chriſtian Alms and Works of Mercy, that among ſo many worthy Liberalities beſtowed on the Poor in divers and diſtinct Pariſhes, an Order is not taken for ſuch a publick Stock for the truly Poor, that when in their urgent Neceſſity, either by want of Means, Sickneſs, and other Hindrances, their Pawns may not go to the Cut-throat Uſurer; but remain to their own Good (living or dying) or to their Heirs, without any other Benefit, than that it may ſtill ſerve for the like Relief.

A publick Stock would as well for the Poor in every Pariſh.

And let me not here be miſtaken, that I condemn ſuch as live by honeſt Buying and Selling, and making a good Conſcience of their dealing: No truly, I mean only the *Judas* Broker, that lives by the Bag, and (except God be more merciful to him) will follow him that did bear the Bag.

On the Ditch Side of this Street, the Mud Wall is alſo (by little and little) taken all down, the Bank of the Ditch being raſed, made level Ground, and turned into Garden Plats and Carpenters Yards, and many large Houſes are there builded. The Filth of which Houſes, as alſo the Earth caſt out of their Vaults, is turned into the Ditch: By which means the Ditch is filled up, and both the Ditch and Wall ſo hidden, that they cannot be ſeen of the Paſſers by.

Houndſditch.

Houndſditch is now built into Houſes; and, beſides the Street, which is taken up by Brokers, Joiners, Braſiers, Saleſmen, and ſuch as deal in Cloaths, Linnen and Upholſtery Ware, (for which, at preſent, it is a Place of conſiderable Trade) here are a great many Courts and Alleys. We ſhall only take Notice of theſe in this Ward, beginning at *Still-alley*; the others, which lie in *Biſhopſgate* Ward, being there treated of.

Still-alley hath a narrow Entrance, but is very large, containing ſeveral Turnings to other Places; as, the Lower Ground, which hath a Paſſage into *Gravel-lane* and *Gutteridge-rents*, which hath pretty good Buildings; and out of this Place is a Paſſage down Steps into a Court, which leads into *Devonſhire-ſquare*, treated of in *Biſhopſgate* Ward. *Greyhound-alley*, ſmall and ordinary. *Fleur-de-lis-court*, a ſquare Place, with old decayed Buildings, ill inhabited. *Wool-ſack-alley* leads into *Gravel-lane*, a large Place, with pretty good Buildings, and contains ſeveral Places; as *Crab-court*, where there is a large Brewhouſe; and over-againſt this Place is *Pine-apple-court*, which hath a Free-ſtone Pavement, and contains four good Brick Houſes. Here is alſo *Star-court*, with three or four indifferent Places without a Name. *Hand-alley*, ſmall and ordinary. *Skinner's-alley*, alſo ſmall and ordinary, with old Timber Houſes. *Caſtle-yard* hath a long turning Paſſage with good Houſes, indifferently well inhabited. *Ball-and-Shear-court*, ſmall and mean; and adjoining to this is another ſmall Place without a Name. *Angel-alley*, long and narrow, falls into *Gravel-lane*. *Fire-ball-alley*, big, but ordinary. *Fire-ball-court*, a handſome open Place, well built and inhabited, with a Paſſage into *Gravel-lane*. *Cock-and-hoop-yard*, a large open Place, with Buildings fit for good Inhabitants. *Red-lion-court*, a ſquare Place, with indifferent good Buildings. *Shepherd-and-dog-alley*, both ſmall and mean. *Three-bowls-court*, ſmall and ordinary. *Walnut-tree-yard*, but ſmall. *Joiner's-court* hath tolerable good Buildings, with a Free-

ſtone

ſtone Pavement. *Harrow-alley*, but ſmall. *Cock-and-wheatſheaf-alley*, likewiſe ſmall, and ſeparate each from the other by a Pale. *Roſe-and-crown-court*, a neat Place with good Buildings, well inhabited, with a Free-ſtone Pavement. *Seven-ſtar-alley*, indifferent good; and to ſome of theſe Houſes there are Gardens.

Church-lane, very large and open, the North Side fronting St. *Botolph*'s Church and Church-yard, hath a Row of good Buildings, of which two are large; and at the upper End is Mr. *Smith* the Carpenter's Yard, with Livery-Stables over-againſt it. *Gun-yard*, a very handſome ſquare Court, with good large Houſes very well inhabited, with an Entrance wide enough for Coach or Cart.

Gravel-lane. *Gravel-lane*, very large, branching itſelf into ſeveral Parts, as *Seven-ſtep-alley*, *Blackamoor-court*, which fall into *Petticoat-lane*. *Shrewſbury-court*, a pretty handſome ſquare Place. *Honey-lane*, ſomewhat long, and falls into *Petticoat-lane*. *Sutton's-Rents*, ſmall and ordinary. *Wood-Green's-court*, a pretty handſome open ſquare Place, indifferently well inhabited. *Harrow-alley*, long and narrow, falls into *Petticoat-lane*. *Clarke's-court*, pretty handſome. *Hand-and-crown-court*, a good open Place. *New George court* hath indifferent good Brick Buildings, with a Free-ſtone Pavement. *Vine-court*, a handſome ſquare Place, with new Brick Buildings, and a Free-ſtone Pavement. *Peaſe-porridge-alley*, ſmall and ordinary. *King's-head-court*, pretty large. Almoſt over-againſt this Court is *Oliver's-court*, ſmall and ordinary. *Hand-alley* hath a Paſſage into *Biſhopſgate-ſtreet*.

Petticoat-Lane. *Petticoat-lane*, formerly called *Hog-lane*, is near *Whitechapel-Bars*, and runs North-ward towards St. *Mary Spital*. On both Sides this Lane, in antient Times, were Hedge-rows and Elm trees, with pleaſant Fields to walk in; inſomuch that Gentlemen uſed to have Houſes there for the Air; and Mr. *Strype* ſaith, when he was a Boy, there was one commonly called the *Spaniſh Ambaſſador*'s Houſe, who, in King *James*'s Iſt's Reign, dwelt there, and whom he takes to be the famous Count *Gondomar*: And a little Way off this, on the Eaſt Side the Way, down a paved Alley, now called *Strype's-court*, from his Father's inhabiting there, was a large Houſe with a good Garden before it, built and inhabited by *Hans Jacobſon*, the ſaid King *James*'s Jeweller, wherein Mr. *Strype* was born.

But after, many *French* Proteſtants, who in the ſaid King's Reign, and before, fled their Country for their Religion, and planted themſelves here, *viz.* in that Part of the Lane near *Spital-fields*, to follow their Trade, being generally Broad Weavers of Silk, it ſoon became a contiguous Row of Buildings on both Sides of the Way.

In this *Petticoat-lane* are divers Courts and Alleys, moſt of which on the Weſt Side, which are in this Ward, have their Paſſage into, or out of *Gravel-lane*; but thoſe that have not are five. *Inkhorn-court*, a pretty open Place, with indifferent Inhabitants. Near this Court is *White-hart-court*, which is but indifferent. *Bates's-yard*, very mean; and *Red-croſs-court*, which hath a Paſſage into *Whitechapel-ſtreet*. This Part of the Lane coming out at the Bars is not mighty well inhabited; thoſe of the moſt Account are Horners, who prepare Horns for other petty Manufacturers.

The *Minories*, of which there are the *Great* and the *Little*: The *Great* is a broad and ſpacious Street, the Entrance into which is out of *Aldgate-ſtreet*, over-againſt St. *Botolph*'s Church, and runneth Southward into *Little Tower-hill*; having on the Weſt Side *London-Wall*, where antiently the City Ditch went, as in *Houndſditch*, and was uſed to caſt Filth in, and ſo lay open; which being found inconvenient, noiſome and dangerous, it was filled up, and the Ground converted to other Uſes; there being now a Row of Buildings next the Wall, and another on the Back of the *Minories*, it is become a Street, and bears the Name of the *Vineyard*, and hath a broad Paſſage into it out of the *Minories*, which is very well inhabited by conſiderable Tradeſmen in moſt Branches, but chiefly noted for the Gunſmiths, who drive a conſiderable Trade.

The *Little Minories* are the Buildings erected upon the Site of the Abbey of Nuns, called *Minorites*, containing two or three Courts, all pretty well inhabited: And here alſo is the *Trinity Minories* Church. Out of this Place is a Paſſage into *Heydon-yard*.

Near this Nunnery, or *Little Minories*, was a large Field and Farm, at which, Mr. *Stow* ſaith, he himſelf, when a Lad, fetch'd many a Half-penny worth of Milk, and had never leſs than three Pints in the Summer, nor leſs than a Quart in the Winter, for that Money. This was kept by one *Goodman*, whoſe Son afterwards let it out, and lived like a Gentleman upon the Rent of it. It ſtill retains the Name of *Goodman's Fields*, tho' it is now converted into Streets, with very good Brick Houſes, inhabited by ſeveral Merchants and Perſons of Repute; and about 15 Years ago had a Theatre or Play-Houſe in one of them, built in a pretty good Taſte.

Alleys, &c. To return therefore to this Street called the *Minories*; therein are ſeveral Courts or Alleys: Beginning towards *Aldgate* there is *Black-boy-court*, being long, narrow, and ordinary. *Maiden-head-alley*, ſmall, naſty, and beggarly. *Three-king's-alley*, pretty large, containing two Courts, one within another, and both indifferent good. *Fountain-alley*, very mean. *Ship-yard*, an indifferent large ſquare Court, but very mean, with old Houſes. *Well-alley*, but ſmall, with a long and narrow Paſſage to it. *Shippey's-yard*, indifferent large, and pretty good, eſpecially the upper Part. *Heydon-yard*, being broad enough for Coach or Cart: At the upper End is a good large Square, or open Place railed about, with a Row of Trees, very ornamental in the Summer Seaſon, having on the Eaſt Side Coach-Houſes and Stables; on the Weſt Side a very handſome Row of large Houſes, with Court-yards before them, and are inhabited by Merchants and Perſons of Repute; on the North, a Square of good Brick Houſes. Out of this Yard, on the Weſt, is a Paſſage into the *Little Minories*, on the Eaſt another into *Goodman's-fields*. *Brown's-yard*, indifferent good, with a Paſſage down Steps into ſome Part of it. *Squirrel's-alley*, pretty well built, with a narrow paved Paſſage that goes down Steps. *Swan-alley*, long and narrow, hath a Paſſage into *Manſel-ſtreet*.

Goodman's-yard, very large, and leads into *Goodman's-fields*, almoſt over-againſt *Peaſcod-ſtreet*, hath pretty good Buildings, and well inhabited. *Red-lion-alley*, long and narrow, with old built Houſes. *Red-gate-court*, but ſmall, with a Paſſage down Steps into *Heathen's-court*. *Wheeler's-yard*, a pretty open Place. *Bullock's-court*, a pretty handſome open Place. *Hamerſmith-alley*, very ordinary, with a Paſſage to it down Steps. *Wall's-court*, a handſome Place, with a Paſſage to it paved with Pebble Stones. *Black-horſe-alley*, containing two ſmall Courts, which are but ordinary. *Eales's-court*, pretty open, with a Paſſage for a Cart, and the Houſes are indifferently well inhabited. *Weeden's-rents*, with a deſcending ſteep Paſſage, very mean. *Gooding's-yard*, a handſome open Place, indifferently well built. *Bellowes's-yard*, indifferent, with a Paſſage to it down Steps. *Star-alley*, but ordinary: At the lower End is another Court down Steps, alſo very mean. *Three-crown court*, alſo but ordinary.

Government. This Ward hath an Alderman, and five Common-Councilmen, including the Deputy. It is aſſeſſed 4 *l.* 10 *s.* to the Fifteenth.

Watch. The nightly Watch conſiſts of a Conſtable, a Beadle, and ſixty Watchmen.

Jury. The Jurymen returned by the Wardmote Inqueſt for this Ward are to ſerve as Jurors in the ſeveral Courts of *Guildhall* in the Month of *January*.

Alderman, Common Council. The Alderman is Sir *William Calvert*, Knt. LL. D. The Common-Councilmen are, Mr. *Robert Pycroft*, Deputy, Mr. *Philip Graſton*, Mr. *Richard Bridgman*, Mr. *Richard Wilſon*, Mr. *Lodowick Mansfield*.

Remarkable Things. We don't find any remarkable Buildings or Places in this Ward, except,

Pariſhes. *Firſt*, Two Pariſh-Churches: (1.) St. *Botolph* without *Aldgate*; and, (2.) *Trinity Minories*: Of which hereafter in our Parochial Hiſtory.

Charity-Schools. Two Charity-Schools: (1.) One founded in the Freedom for fifty Boys and forty Girls by Sir *John Caſs*, Alderman; of which already under the Account of *Aldgate* Ward, in which Gate the ſaid School is taught at preſent. (2.) Another School for forty Boys and thirty Girls, founded by Sir *Samuel Starling*, Knt. and Alderman of the City of *London*; who, by his laſt Will and Teſtament, bearing Date the ſeventh Day of *Auguſt*, *Anno Dom.* 1673, gave certain Copyhold Lands and Tenements, lying in *Eaſt-Smithfield*, in the Pariſh of St. *Mary Whitechapel*, belonging to the Manor of *Stepney* in the County of *Middleſex*, the Rents amounting to the Value of 22 *l.* yearly, as a Foundation of a Charity-School, for the better Education of the poor Youths of the Pariſh of St. *Botolph without Aldgate*; which Lands and Tenements he ſurrendered for the Uſe of his Will to Mr. *Corſellis*, Brewer; Mr. *John Parſons*, Brewer; and *Thomas Heath*, Scrivener; Truſtees of the ſaid Charity. The School-maſter to be a Batchelor of Arts of the Univerſity of *Cambridge*, and to teach School in a Brick Houſe, which he, the ſaid Sir *Samuel Starling*, built at his own Charge at the Eaſt End of the Town-Houſe, or Queſt-Houſe, upon *Little Tower-hill*, in the Manor of *Eaſt-Smithfield*. The School-maſter to be choſen by the Inqueſt of the Ward of *Portſoken*, and the Leet Jury of the Manor of *Eaſt-Smithfield*; and to be ſubject to ſuch Rules and Orders as they ſhall, from Time to Time, eſtabliſh for the due Government of the ſaid School, on Pain of being removed and forfeiting his Right to receive the ſaid Rents: The Rules and Orders ſo concluded on by the Wardmote Inqueſt and Leet Jury to be engroſſed, and hung up in two Tables; the one in the Veſtry-Houſe of the Pariſh-Church of *Aldgate*, the other in the Queſt-Houſe upon *Little Tower-hill*, where the School is taught. This extracted from Sir *Samuel Starling*'s laſt Will and Teſtament.

The ORDERS follow.

ORDERS made by the Wardmote Inqueſt of Portſoken *Ward*, London, *and the Jury of the Court Leet of the Manor of* Eaſt-Smithfield, *to be obſerved and kept by the School-maſter for the Time being, for the teaching of certain poor Boys of the Pariſh of St.* Botolph without Aldgate, *in Manner following; being the Gift of Sir* Samuel Starling, *Knt. by his laſt Will and Teſtament.*

" *Imprimis*, The ſaid School-maſter ſhall teach " ſixteen poor Boys of the Pariſh of St. *Botolph* " *without Aldgate*, that is, eight of the upper " Ward, and eight of the lower End, or more " or leſs as the Eſtate will bear; ſuch as ſhall be " nominated and appointed by the ſaid Truſtees, " whom the Wardmote Inqueſt and Leet Jury " have choſen: And the ſaid Maſter ſhall have " for teaching the poor Boys twenty Shillings " each Boy *per Annum*.

" II. The ſaid Maſter ſhall teach the ſaid Boys " to read: And after they can read competently " well, ſhall teach them to write, and the Grounds " of Arithmetick, to fit them for Servants or Ap- " prentices.

" III. The ſaid Maſter ſhall, together herewith, " inſtruct the ſaid poor Children in the Knowledge " and Practice of the Chriſtian Religion, and " teach them the Principles thereof, as they are " laid down in the Church Catechiſm; and this " ſhall be done twice a Week: And the ſaid " Maſter ſhall be obliged to bring the ſaid Chil- " dren, once in five Weeks, to Church to be ca- " techized.

" IV. The ſaid Maſter ſhall take particular " Care of the Manners and Behaviour of the poor " Children, and ſtudy all proper Means to diſ- " courage and correct the Beginnings of Vice; and " particularly Lying, Swearing and Curſing, ta- " king God's Name in Vain, and the Prophana- " tion of the Lord's Day, *&c.*

" V. The ſaid Maſter ſhall bring the ſaid Chil- " dren to Church twice every Lord's Day, and " once on Holidays; and teach them to behave " themſelves with all Reverence in the Houſe of " God.

" VI. The Maſter ſhall conſtantly attend his " proper Buſineſs in the School during the Hours " appointed for teaching, *viz.* from ſeven to ele- " ven in the Morning, and from one to five in " the Afternoon, the Summer Half-Year; and " from eight in the Morning to eleven, and from " one to four in the Afternoon, in Winter.

" VII. The Names of the Children ſhall be " called over every Morning and Afternoon, and " if any be miſſing, they ſhall be taken Notice " of: And the ſaid Maſter ſhall go to Prayers " with the ſaid Children Morning and Evening,

" and

" and ſhall order the ſaid Children ſo to do at " Home.

" VIII. The ſaid Maſter ſhall not teach above " thirty Scholars, beſides the ſaid ſixteen, with- " out taking to his Aſſiſtance an able Perſon to " be his Uſher.

" IX. It is ordered, That no Boy ſhall be " admitted into the ſaid School under eight Years " old; and alſo, that the ſaid Schoolmaſter ſhall " not make any Demand, nor take Money of " any Perſon, for any Boy's Entrance into the " ſaid School.

" X As often as any of the ſixteen Children " ſhall be removed from the ſaid School, that " then the ſaid Maſter ſhall give Notice to the " Truſtees of the ſaid School, that another may " be ſent in his Place.

" XI. That the Parents of the ſaid Children " be put in Mind to take Care to ſend their Chil- " dren clean waſhed and combed to School.

" XII. It is ordered by the aforeſaid Inqueſt and " Leet Jury, That the aboveſaid Rules and Or- " ders be ſet up in the ſaid School, that the ſaid " Maſter may take Notice thereof, and govern " himſelf accordingly.

" XIII. And *Laſtly*, It is ordered, That there " ſhall be a Copy of theſe Orders put up in the " Veſtry-houſe of the ſaid Pariſh, and another put " up in the Queſt-Houſe upon *Little Tower-hill*, " in the ſaid Pariſh; and that the Names of the " preſent Truſtees of the ſaid Eſtate be under- " written:

Mr. *John Dodſon*,
Mr. *Nath. Gale*, and } Truſtees.
Mr. *Edward Croofoot*,

Antiquities Its Name.

This *Portſoken*, which ſignifieth a *Franchiſe* at the Gate, was ſome Time a Guild, and had its Beginning in the Reign of King *Edgar*, between ſeven and eight hundred Years ago, when thirteen Knights, well beloved of the King and Realm, for Services by them done, requeſted to have a certain Portion of Land on the Eaſt Part of the City, left deſolate and forſaken by the Inhabitants, by Reaſon of too much Servitude. They beſought the King to have this Land, with the Liberty of a Guild, for ever. The King granted their Requeſt on the following Conditions, to wit, That each of them ſhould victoriouſly accompliſh three Combats, one above the Ground, one under Ground, and the third in the Water: And after this, at a certain Day, in *Eaſt Smithfild*, they ſhould run with Spears againſt all Comers; all which was glorioufly performed: And the ſame Day the King named it *Knighten Guild*, and ſo bounded it from *Aldgate*, to the Place where the Bars now are, toward the Eaſt, on both the Sides of the Street, and extended it towards the North, and the Gate, now ſince called *Biſhopſgate*, unto the Houſe then of *William Preſbyter*, after of *Jeffrey Tanner*, and then of the Heirs of *Colver*; after that of *John Eaſeby*; but ſince of the Lord *Bouchier*, &c. And again, towards the South, unto the River *Thames*, and ſo far into the Water, as a Horſeman, entering the ſame, might ride at Low-Water, and throw his Spear: So that all *Eaſt-Smithfield*, with the right Part of the Street that goeth to *Dodding* Pond into the *Thames*; and alſo the Hoſpital of St. *Catharine*, with the Mills that were founded in King *Stephen*'s Days, and the outward Stone Wall, and the new Ditch of the Tower, are of the ſaid Fee and Liberty: For the ſaid Wall and Ditch were made in the Time of King *Richard* I. when he was in the *Holy Land*, by *William Longſhampe*, Biſhop of *Ely*.

Theſe Knights had no other Charter all the Days of *Edgar*, *Ethelred*, and *Canutus*, until the Time of *Edward the Confeſſor*, whom the Heirs of thoſe Knights humbly beſought to confirm their Liberties, whereunto he graciouſly granted, and gave them a Deed thereof, as appeareth in the Book of the late Houſe of the *Holy Trinity*: The ſaid Charter was fairly written in the *Saxon* Letter and Tongue.

After this, King *William*, the Son of *William the Conqueror*, made a Confirmation of the ſame Liberties unto the Heirs of theſe Knights in theſe Words:

" *William*, King of *England*, to *Maurice*, Bi- " ſhop, and *Godfry de Magnum*, and *Richard de* " *Parre*, and to his faithful People of *London*, " greeting: Know ye me to have graunted to " the Men of *Knighten Guild* the *Guild* that " belonged to them, and the Land that belong- " ed thereunto, with all Cuſtoms, as they had " the ſame in the Time of King *Edward*, and " my Father. Witneſs, *Hugh de Buche*, at " *Rething*."

After him, King *Henry* I. confirmed the ſame by his Charter to the like Effect. After which Time the Church of the *Holy Trinity* within *Aldgate* being founded by Queen *Matilda*, Wife to the ſaid *Henry*, the Multitude of Brethren praiſing God Day and Night therein in ſhort Time ſo increaſed, that all the City was delighted in beholding of them; inſomuch that, in the Year 1115, certain Burgeſſes of *London*, of the Progeny of thoſe Noble *Engliſh* Knights; to wit, *Radulphus Fitzalgod*, *Wilmarde de Devereſhe*, *Orgare le Rude*, *Edward Hupcornehill*, *Blackſtanus*, and *Alwine* his Kinſman, and *Robert* his Brother, the Sons of *Leafſtanus* the Goldſmith, *Wizo* his Son, *Hugh Fitzvulgar*, and *Algare Secuſme*; coming together into the Chapter-Houſe of the ſaid Church of the *Holy Trinity*, gave to the ſame Church and Canons, ſerving God therein, all the Lands and Soke, called in *Engliſh Knighten Guild*, which lieth to the Wall of the City without the ſame Gate, and ſtretcheth to the River *Thames*: They gave it (taking upon them the Brotherhood and Participation of the Benefits of that Houſe) by the Hands of Prior *Norman*.

Knighten Guild given to the Canons of the Holy Trinity.

And the better to confirm this their Grant, they offered upon the Altar there the Charter of *Edward*, together with the other Charters which they had thereof; and afterward they did put the aforeſaid Prior in Seiſin thereof, by the Church of St. *Botolph*, which is built thereon, and is the Head of that Land. Theſe Things were thus done before *Bernard*, Prior of *Dunſtable*, *John*, Prior of *Derland*, *Jeffrey Clinton*, Chamberlain, and many other Clerks and Laymen, *French* and *Engliſh*. *Orgare le Prude* (one of their Company) was ſent to King *Henry*, beſeeching him to confirm their Gift, which the King gladly granted by this Deed following:

" *Henry*

" *Henry*, King of *England*, to *R.* Biſhop of " *London*, to the Sheriffs and Provoſt, and to all " his Barons, and faithful People, *French* and *En-* " *gliſh*, of *London* and *Middleſex*, greeting: Know " ye me to have granted and confirmed to the " Church and Canons of the *Holy Trinity* of *Lon-* " *don*, the Soke of the *Engliſh Knighten Guild*, " and the Land which pertaineth thereunto, and " the Church of St. *Botolph*, as the Men of the " ſame Guild have given and granted unto them: " And I will and ſtraightly command, that they " may hold the ſame well and honourably and " freely, with Sack and Soke, Toll and Thea, " Infangthefe, and all Cuſtoms belonging to it, as " the Men of the ſame Guild in the beſt Sort had " the ſame in the Time of King *Edward*; and as " King *William* my Father, and Brother, did " grant it to them by their Writs. Witneſs, *A.* " the Queen, *Jeffrey de Clinton*, the Chancellor, " and *William de Clinton*, at *Woodſtock*.

This Charter was afterwards confirmed by *Gilbert*, *William*, and *Roger*, Barons of *London*. Then by St. *Alphage*, Archbiſhop of *Canterbury*. Then by *Alexander* and *Innocent*, Popes. *Innocent* alſo granted to the Prior and Convent, that the aforeſaid Church and Pariſhioners of the ſame ſhould be ſerved by one of the Canons, to be removed at the Prior's Pleaſure.

Theſe Writings concerning this Knighten Guild *regiſtered in* Guildhall.

All theſe preſcribed Writings (ſaith my Book) which ſome Time belonged to the Priory of the *Holy Trinity*, are regiſtered in the End of the Book of Remembrances of the *Guildhall* of *London*, marked with the Letter C. *Folio* 134. The King ſent alſo his Sheriffs, to wit, *Aubery de Vere*, and *Roger*, Nephew to *Hubert*, which (upon his Behalf) ſhould inveſt this Church with the Poſſeſſions hereof; which the ſaid Sheriffs accompliſhed coming upon the Ground, *Andrew Buchevite*, and the forenamed Witneſſes and others ſtanding by; notwithſtanding *Othowerus*, *Acolivillus*, *Otto*, and *Jeffrey*, Earl of *Eſſex*, Conſtables of the Tower by Succeſſion, with-held by force a Portion of the ſaid Land, as I have before delivered.

Conſtables of the Tower.

The Founding of Trinity *Church. Book C. Fol.* 135. *and* Dunthorn, *Fol.* 79.

All this Hiſtory above related of the Founding of *Trinity* Church within *Aldgate*, and of the Beginning of the Canons Regular and *Auguſtin* Friars in *England*, is taken out of the Book C. in *Guildhall*, and out of an old Book there, called *Dunthorn*; where we read as follows:

" In the Year of *Chriſt* 1108, and in the 8th " Year of King *Henry*, was the Church of the " *Holy Trinity* within *Aldgate*, *London*, founded " by the venerable Lady *Maud*, Wife unto the " ſaid King, by the Perſuaſion of Archbiſhop " *Anſelm*. It was given unto *Norman*, who be- " came the firſt Prior not only there, and firſt " Canon Regular of the whole Kingdom: For " by him was all *England* (ſaith my Record) " adorned with the Rule of St. *Auguſtin*, and " the Canonical Habit of that Order: Which " Order, by the gathering together of many " Friars into that Church, was the Number of " thoſe that praiſed God Day and Night, ſo much " encreaſed, that the whole City was much de- " lighted with the Sight of it: Inſomuch that, " in the Year of our Lord 1125, certain Bur- " geſſes of the City, deſcended of the antient Race " of the *Engliſh* Knights, by Name *Ralfe*, the Son " of *Algode*, *Wolfard le Deveriſh*, *Orgar le Prude*, " *Edward Upcornhill*, *Blacſtan*, and his Coſin " *Alwyn*; *Alwyn*, and *Robert* his Brother, Sons " of *Leofſtan*; *Leofſtan* the Goldſmith, and *Wizo* " his Son, *Hugh* the Son of *Wolgare*, *Algar Se-* " *cuſenne*, *Orgar* the Son of *Dereman*, *Oſbert* " *Drinchepin*, and *Adelardus Hornpite*, meeting " together in the Chapter of the Church of " *Chriſt*, which is ſituate within the Walls of " the City near *Aldgate*, freely gave unto the " ſaid Church, and unto the Canons ſerving God, " all that Land and Soken, which was called " *Angliſh Cnithgilda*; which lies by the Wall " of the City without *Aldgate*, and reaches into " the *Thames*. They gave it, I ſay, themſelves " becoming Friars, and partaking of the Bene- " fits of that Place, by the Hand of *Norman* the " Prior, who received them into the Society, as " he had done others before them, by an Oath " taken upon the Text of the Goſpel.

Norman *the firſt Prior, and the firſt of the* Auguſtin *Order.*

" And to the Intent that this Gift of theirs " might ſtand firm and unchangeable, they ſur- " rendred up (among other Writing which they " had for it) the Charter of St. *Edward:* After " which they gave the Prior Seiſin and Poſſeſſion " of the ſaid Land * by the Church of St. *Bo-* " *tolph*, which had been builded upon the ſame, " and was the Head of it.

* That is, by giving him Entrance and Poſſeſſion into the Church of St. Botolph, which was the Head, or, as it were, the Capital Meſſuage of the Manor.

" All this was done before theſe Witneſſes, " *Bernard*, Prior of *Dunſtable*, *John*, Prior of " *Landa*, and divers other *French* and *Engliſh* " People.

" The ſaid Donors hereupon ſent one of their " own Company, *Ordgar le Prude* by Name, un- " to King *Henry* with their Petition, that he " would be pleaſed to give his Conſent and Con- " firmation to their ſaid Gift. Whereupon the " King very willingly allowed the ſaid Land and " Soken unto the Church; and to be free and " acquitted from all Service to himſelf, as frank " Alms ought to be; which he thus confirmed " by his Charter:"

Henry, *King of* England, *&c.* as before.

Pope Innocent's Bull for Confirmation of the Gift given to this Priory.

To all this was added the ſacred Confirmation of the Pope, without which nothing was firm enough in thoſe Times. *Innocent* II. in the ſecond Year of King *Stephen*, *Anno* 1137, directed this Bull to his beloved Son *Norman*, Prior of that Church, placed within the Walls of *London*, and to the Friars, *&c. i. e.* " We appoint, " that whatſoever Poſſeſſions and Goods the ſaid " *Chriſt-Church* doth now juſtly and lawfully " poſſeſs, or hereafter by the Conceſſion of Popes, " Grants of Kings and Princes, Offerings of the " Faithful, or by other juſt Means may be got- " ten, do remain firm and inviolable to you and " your Succeſſors. Among which, theſe we " thought convenient to expreſs by their proper " Names; to wit, two Parts of Iſſues of the " City of *Exon*, the Lands of *Lettune*, which " *Simon du Moulins*, and *Adeline* his Wife, out " of a Principle of Piety, granted to the ſame " Place, the Land and the Soke of *Angliſche Cnihte-* " *gild*, the Church of *Bix*, with its Rents, the " Church of *Totenham*. Beſides, whatever " Churches or Lands, without the City of *Lon-* " *don* or within, reaſonably beſtowed upon you " by God's faithful People, or ſhall happen to " be offered hereafter, we confirm to you, and

Statuimus, Rym. Fœdera, &c. tom. I.

" by

" by you to the ſame Church, by Apoſtolical " Authority, *&c.* yet ſaving due Reverence to " the Biſhop of the Dioceſe." To this hangeth a leaden Bull, with Strings of yellow and red Silk.

Part of Knighten Guild withheld by the Conſtables of the Tower.

Prior of the Trinity an Alderman of London.

The Prior and Canons of the *Holy Trinity* being thus ſeized of the ſaid Land and Soke of *Knighten Guild*, (a Part of the Suburb without the Wall, but within the Liberties of the City) the ſame Prior was, for him and his Succeſſors, admitted as one of the Aldermen of *London*, to govern the ſame Land and Soke. According to the Cuſtoms of the City, he did ſit in Court, and rode with the Mayor, and his Brethren the Aldermen, as one of them, in Scarlet, or other Livery as they uſed, until the Year 1531; at the which Time the ſaid Priory, by the laſt Prior there, was ſurrendered to King *Henry* VIII. in the twenty-third of his Reign; who gave this Priory to Sir *Thomas Audely*, Knt. Lord Chancellor of *England*, and he pulled down the Church: Since the which Diſſolution of that Houſe, the ſaid Ward of *Portſoken* hath been governed by a temporal Man, one of the Aldermen of *London*, elected by the Citizens, as be the Aldermen of other Wards.

This Priory ſurrendered to the King.

Another Pope's Grant to the Prior.

But to ſhew further what Countenance the Popes gave to this Priory of the *Holy Trinity*, I read this Bull of Pope *Alexander*, indulging Authority to the Prior over his Company, not to be controlled by the King himſelf, no not in his own Dominions: 8 *Henry* II. *Anno Dom.* 1162.

Ry. Fœd. vol. 1. p. 20

" *Alexander* the Pope granteth the Prior, upon " his Requeſt, whereby the State of his Church " may be preſerved and reformed for the better, " that the Perſons of the ſaid Church, under the " Diſcipline of regular Obſervance, may give to " God worthy and acceptable Service, we grant " him free Power of Correction, as is expedient; " as to him belongs of correcting of the Exceſſes " of thoſe under him, and recalling of Fugitives " to the ſame Church, as it pertains to his Office; " notwithſtanding the King's, or any other ſe- " cular Prohibition. Let no Man therefore in- " fringe this Page of our Grant, or oppoſe it by " any raſh Boldneſs: But if any preſume to at- " tempt it, let him know that he ſhall incur the " Indignation of the omnipotent God, and the " bleſſed Apoſtles St. *Peter* and *Paul*. At *Vi-* " *terbium*, the third of *July*, and the third of the " Pontificate."

A Preſentment by Portſoken Ward.

I have met with an antient Preſentment of certain Jurats of this Ward in the Reign of King *Edward* I. at an Inquiſition of his Juſtices, wherein the ſaid Alderman himſelf is preſented: And preſenting Things amiſs out of the Ward as well as within, it may not be amiſs to lay it before the Reader:

In Baga Quo Warranto London. 3 Edw. I. P. Le Neve.

" The Prior of *Chriſt-Church*, *London*, holds " his Wardmote of *Portſoken* of *Aldgate*, within " the Priory, unjuſtly; becauſe his Wardmote was " wont to be held within the *Portſoken*, and not " without.

" The Jurats ſay, that Sir *Raſe de Berners*, " Knt. holds one Meſſe and two Water-Mills in " St. *Botolph* without *Aldgate*, which are called " the *Knights Fees:* Which Tenement ought to " find for the King one Servant armed in one " Turret in the Tower for forty Days, in the " Time of War, at his proper Coſt; and in the " laſt War he made a Default.

" That *Giles de Wodeham*, Knt. made a Ditch " upon the King's Way, called *Kingeſceſland*.

" *Philip Lands* dwells in a Houſe upon the " common Paſture, called *Campricheſheth*, at *Hack-* " *ney*.

" That the Prior of *Chriſt-Church*, *London*, " hath applied to himſelf a Lane between his " Priory and the City Wall, through which was " wont to be a common Way.

" That the Nuns of St. *Helen*'s within *Bi-* " *ſhopſgate* apply to themſelves a Lane from *Bi-* " *ſhopſgate-ſtreet* unto St. *Mary-at-Axe-ſtreet*.

" That an Hermitage is placed in a Turret of " the Wall of the City near *Aldgate*, and it is " built four Feet without the Turret of the ſaid " Wall in the King's Highway."

Lib. Trin. penes me.

To add a few more Remarks concerning this antient Monaſtery or Priory of the *Holy Trinity:* The aforeſaid Queen *Maud* gave to the Prior and Convent the Church of *Brackyng*, [the ſame with *Branghing* or *Brawgling*, in *Hertfordſhire*] with the Appurtenances; alſo the Churches of St. *Auguſtine Papey*, near the Wall, and St. *Edmund*'s *Lombard-ſtreet*, and of *Allhallows* upon the Wall: To which Churches the ſaid Prior and Convent preſented. Theſe three laſt Churches belonged to the Soke of *Aldgate*, which the ſaid Queen *Maud* gave to this Priory; and from theſe Churches they received certain yearly Penſions; that is, from St. *Auguſtine*'s twelve Pence, from St. *Edmund*'s thirteen Shillings and four Pence, and from *Allhallows* three Shillings. *All-Saints Fenchurch* pertained alſo to them, whence they received two Shillings yearly Penſion. To this Priory alſo the Church of *Bix* or *Bixil* belonged, given them by *William Corbil*, Archbiſhop of *Canterbury*.

Churches given to this Priory.

The Bounds of it.

The Boundaries of the Scite of this Priory appear in the Inſtrument of the Grant made of it by King *Henry* VIII. to Sir *Thomas Audely*, *viz.* *A magna porta civitatis noſtre Lond.* &c. *i. e.* " From the great Gate of our City of *London* cal- " led *Aldgate*, and ſo thence on the North Side " of the King's Street, or high Street, called " *Aldgate-ſtreet*, unto the Bell-houſe or Steeple " of St. *Katharine Chriſt-Church*; and from thence " by a certain Street reaching from the ſaid " King's Street by the ſaid Bell-houſe unto " the great Gate of the ſaid late Monaſtery, " and ſo by the ſaid Street from the ſaid great " Gate of the ſaid late Monaſtery unto the Stone " Wall of our City of *London*; and ſo by the " ſaid Wall unto the ſaid great Gate called " *Aldgate*."

Ibid.

The Priory ſticks to the Holy Church.

The Monks of this Priory I find to be commended in a Charter of one *Gualo*, Cardinal of St. *Martin*, Legate of the Apoſtolick See, for their being ſuch obedient Sons to the Holy *Roman* Mother Church in the late Diſturbance in *England*, by Reaſon of the Diſcord between the King [*John*] and the Barons; wherein they underwent heavy Loſſes, and no ſmall Wrongs: And, in Conſideration thereof, the Cardinal confirmed to them the Church of *Brackinges* for their own Uſes. This Grant was made in the Year 1211.

40 H. III. P. LeNeve

This Priory was once taken into the King's Hands for receiving a certain Thief that eſcaped from *Newgate*.

Surrendered to King H. VIII. A.D. 1531

Dr. Kennet, *Lord Biſhop of* Peterborough.

This Church was ſurrendered up into King *Henry* VIII's Hands on the fourth of *February*, 1531, 23 *Regis*, (as appears by the Copy of the Inſtrument communicated to Mr. *Strype* by the Rev. *White Kennet*, D. D.) *Nicholas Hancock*, the laſt Prior, and his Convent, aſſembled together in their Chapter-houſe, ſurrendering it by a formal Deed, ſealed by their common Seal: And on the twenty-fifth of *February*, in the ſame Year, the ſaid Prior and Convent did recognize the aforeſaid Surrender by their Names ſubſcribed, *viz.* *Hancock* the Prior, *George Grevyl*, and ſeventeen more of the Convent, before *Richard Watkyns*, LL. B. Publick Notary, required hereunto by *Rowland Lee* and *John Olyver*, Clerks, or Maſters of Chancery, before whom the Surrender was made in the Chapter-Houſe; wherein is remarkable the Cauſe they aſſign for this Surrender,—— *Domus, que in ſuis fructibus, redditibus, proventibus, obventibus & emolumentis non mediocriter deteriorata eſt, & quaſi in totum diminuta, ingentique ære alieno obruta, oppreſſa & gravata extitit*, &c. *i. e.* "That their Houſe was not a little ſunk in its "Fruits, Revenues, and Benefits, and in effect "come to nothing, and over Head and Ears in "Debt; and therefore that they maturely "weighing and conſidering with themſelves, "that unleſs the King (being their Founder and "Patron) did apply and provide ſome ſpeedy "Remedy, it muſt needs utterly periſh, both "in Spirituals and Temporals; they gave and "granted it to his Majeſty to all Effect of Law, "and ſubmitted and ſubjected themſelves, their "Monaſtery, and all their Rights, into his "Hand, with free Power and Authority to "alienate and diſpoſe of them to what Uſes he "pleaſed."

The Grant thereof to Sir Tho. Audely.

The Grant of the Scite of this Priory thus in the King's Hands, with divers Meſſuages there and in *Hertfordſhire*, the King granted to Sir *Thomas Audely*, Knt. Lord Chancellor of *England*, the Letters Patents bearing Date the ninth of *April*, in the twenty-fifth of *Henry* VIII. *Anno* 1533. And by another Charter the ſaid King granted to the ſaid *Audely* all whatſoever belonged to this religious Houſe lying within *Aldgate*, or without; that is, in the Pariſh of St. *Katharine Chriſt-Church* within *Aldgate*, or in St. *Botolph* without; to be held in Soccage by Fealty only. This was dated the twenty-eighth of *June*, *Anno Regn.* 27. Not to be ſilent of other Letters Patents of the King, dated the twenty-ninth of *December*, the Year before, to the ſaid Sir *Thomas*, Sir *Henry Parker*, and others, of the Manor of *Brawling*, alias *Brawgling-bury*, and the Rectory of *Brawgling* in the County of *Hertford*, Parcel of the Lands of the ſaid Priory.

Thus much for the Out-Bounds of *Knighten Guild*, or *Portſoken* Ward, and for the Antiquity and Government thereof.

Places contained in this Ward.

Hoſpital of St. Katharine.

Now of the Parts therein, this is ſpecially to be noted: Firſt, the Eaſt Part of the Tower ſtandeth there; then an Hoſpital of St. *Katharine*, founded by *Matilda* the Queen, Wife to King *Stephen*, by Licence of the Prior and Convent of the *Holy Trinity* in *London*, on whoſe Ground ſhe founded it. *Elianor* the Queen, Wife to King *Edward* I. a ſecond Foundreſs, appointed there to be a Maſter, three Brethren Chaplains, and three Siſters, ten poor Women, and ſix poor Clerks. She gave to them the Manor of *Carleton* in *Wiltſhire*, and *Upchurch* in *Kent*, &c. Queen *Philippa*, Wife to King *Edward* III. 1351, founded a Chauntry there, and gave to that Hoſpital ten Pounds Land by Year. It was of late Time called a free Chapel, a College, and an Hoſpital for poor Siſters.

A ſecond Foundreſs.

To this Houſe belonged the Manor of *Riſhendon* in the Iſle of *Shepy*, and a Tenement in the Pariſh of *Menſtre* [*Minſter*] there; and another Manor of *Cheſingbery* in *Wilts*; and *Quarley* [written alſo *Owarley*] in the County of *Southampton*; Parcel of the Priory of *Okeburne*, granted the nineteenth of *Henry* VI. Tenements in *Reynham* in *Kent*, accepted in Exchange; a Meſſuage in a Lane called *Bow-lane*, &c. Many Liberties were granted to this Hoſpital, and a Fair to be held upon *Tower-hill* the Day after the Feaſt of St. *James*, granted the twentieth of *Henry* VI. In this Church of St. *Katharine* was founded a Chauntry in Honour of St. *Fabian* and St. *Sebaſtian*, and ten Pounds yearly to be taken out of the Iſſues of the *Hanaper*, in the firſt of *Richard* II. Among the Records of the Tower there is alſo one, ſhewing that it belonged to the King to preſent to the Keeper there the Perſons who ſhall be profeſſed Siſters there.—*Richard* II. two Meſſes more came to them, ſituate in the Pariſh of *Berking* Church, heretofore founded for an Hoſpital of poor frantick People; now granted, in the ſecond of *Richard* II. to this Hoſpital of St. *Katharine*'s, for a Chauntry to be made by *Robert Denton*. Again, King *Edward* III. in the ninth of his Reign, granted to the Hoſpital of St. *Katharine, de Boſco & Maremio capiend. in Boſco* Roger. Waſt *de* Leinton [Leyton *certe*] *infra Foreſt. de* Eſſex, *pro focal. & pro reparatione Molendin. ſui de* Reynham; *i. e.* Wood and Timber to be taken in the Wood of *Roger Waſt* of *Leyton* in the Foreſt of *Eſſex*, for Firing, and for the Repair of their Mill at *Reynham*. Farther, there was the Advowſon of the Church of St. *Peter* in *Northampton*, with the Chapels of *Kingſthorp* and *Upton* annexed, granted to this Houſe by *Iſabel* the Queen, in the third of *Edward* III. and the Church of *Frethenſted* in the Dioceſe of *Canterbury*.

Rec. Tur. *Gift and Grants to St.* Katharine's.

There belonged antiently to this Hoſpital a Mill and a Garden, which were both taken away for making the Tower Ditch, but for which Recompence was made them; for there is a Charter in the Tower, made in the eighteenth of *Edward* II. concerning five Marks ſix Shillings and nine Pence, granted heretofore by King *Edward* I. to be taken each Year at the *Exchequer*, in Recompence of a Loſs which they ſuſtained for the enlarging of the Ditch about the ſaid Tower.

A Mill and a Garden belonging to St. Katharine's.

Several Queens of *England* having been Foundreſſes, eſpecial Benefactors to this Hoſpital, Queens became chief Patroneſſes of it, and had ſome ſpecial Juriſdiction in it. There is a Record of the ſeventh of *Edward* III. that makes *Alianor* the Queen, Grandmother of the King, the Founder, and determines the Power of the Queens of *England* there.

Queens Patroneſſes of it.

There

Guild of St. Barbara in St. Katharine's.

There was a very noble Guild or Fraternity founded in the Church of this Hoſpital of St. *Katherine*, to the Honour of St. *Barbara*. It was governed by a Maſter and three Wardens. It had two Royal Founders, King *Henry* VIII. and Queen *Katharine*, his firſt Wife; and many very high and honourable Perſons aſſociated themſelves as Members of the ſaid Fraternity; one was the great Cardinal *Wolſey*, and many other eminent Dukes, Earls, and Knights, Queens, and Ladies. All this will more fully appear by the Beads to be bidden for this Guild; an old Print whereof, communicated to me by a diligent Collector of ſuch Antiquities, is as followeth:

Mr. Bagford.

" Of your devoute Charyte ye ſhal pray for al " the Brethern and Syſtern of the Gyld of our " glorious Savyoure Cryſt Jhu, and of the bleſ- " ſyde Vyrgin and Martyr Seynt *Barbara*, foun- " dyd in Seint *Katerins* Church next to the Towre " of *London:* And firſt, ye ſhal pray ſpecyally for " the gode Eſtate of our Soverayne Lord and " mooſt Cryſten and Excellent Prince King " *Henry* VIII. and Queen *Kateryn*, Founders of " the ſeid Gyld and gracyous Brotherhod, and " Brother and Syſter of the ſame; and for the " good Eſtate of the *French* Quenys Grace *Mary*, " Syſter to our ſeyd Soverane Lord, and Syſter " of the ſayd Gylde.

" Alſo ye ſhal pray for the good Eſtate of " *Thomas Wolſey*, of the Tytle of Seynt *Cecylle* of " *Rome*, Preeſt, Cardynal, and *Legatus a latere* " to our holy Father the Pope, Archbyſhop of " *York*, and Chanceler of *England*, Brother of the " ſame Gylde.

" Alſo for the good Eſtate of the Duke of " *Buckyngham* and my Lady his Wyfe. Alſo " for the good Eſtate of the Duke of *Norfolk* " and my Lady his Wife. The Duke of *South-* " *folke.*

" Alſo for my Lord Marques. For the Yerle " of *Shrewyſbery*, the Yerle of *Northumberlond*, " the Yerle of *Surrey*, my Lorde *Haſtynges*, and " for al their Ladies, Bretherne and Syſters of " the ſame.

" Alſo for Sir *Rychard Chomely*, Knyght, Sir " *Wyllyam Compton*, Knyght, Sir *Wyllyam Skevyng-* " *ton* Knyght, Syr *Johan Dygby*, Knyght, Syr " *Ryſe ap Thomas*, Knyght, Syr *Gryffyth Ryſe*, " Knyght, Syr *Edward Belknape*, Knyght, Syr " *Johan* of *Aſton*, Knyght, Maſter *Johan Bea-* " *mount* of *Collorton*, Eſquyer; and for al their " Ladys, Bretherne, and Syſterne of the ſame " that be a lyve, and for the Sowllys of them " that be ded; and for the Maſter and Wardens " of the ſame Gylde, and the Warden Collectour " of the ſame: And, for the more ſpecyal Grace, " every Man of your Charyte ſey a *Pater nr.* and " an *Ave.*

" And God ſave the Kynge, the Maſter and " Wardens, and al the Bretherne and Syſtern of " the ſame."

To which I ſubjoin the Order and Manner of Admiſſion, the Rules and Benefits of the foreſaid Fraternity:

" Who ſo ever, by the Grace of God, is dyſ- " poſyd to enter into the bleſſyd Fraternyte of " the Gylde of our gloryous Savyour Cryſt Jhu, " and of the bleſſyd Vyrgin and Martyr Saynt " *Barbara*, foundyd in Saynt *Kateryns* Church " next the Tower of *London*, and wyll have the " Parden, Prevylege, and Profet thereto graunted " and ordenyed, muſt pay to the ſeyd Fraternyte " the Some of x. *s.* iiii. *d.* Sterlynge, at his firſt " enterynge, if he will, or ellys by Leaſer within " the Space of vii Yeres; that is to ſay, at his " firſt Entering xii. *d.* and every Quarter follow- " yng iiii. *d.* tyll the ſeyd x. *s.* iiii. *d.* be payd in " Mony, Plate, or any other honeſt Stufe: And " at the firſt Payment he or ſhe that ſo enteryth " in to the ſeyd Fraternyte, whether they be " weddyd or ſingle, ſhal receyve a Letter with " the Seal of the Warden Collectour; which " Warden Collectour ſhall receive his Name, and " bring it to the Auter of the gloryous Jhu and " Seynt *Barbara* in Seynt *Kateryns* Church before " ſeyd, and thereto be regeſtryde, and there ſhall " be prayed for dayly be Name. And when the " laſt Payment of the Some of x. *s.* iiii. *d.* is payd, " then the ſeyd Brother or Syſter ſhall receyve a " Letter with the common Seal of the ſeyd Fra- " ternyte and Place, with the Maſters Name and " Wardens therein for the Tyme being, whereby " he ſhal have a great Commodyte and Suerty of " lyvyinge; that is to ſay, that yf ever the ſeyd " Brother or Syſter fall in Decay of worldly " Goods, as by Sekenes or Hurt by the Warrys, " or uppon the Land or See, or by any other " Caſualte or Means fallen in Poverte, then " if he brynge the ſeyd Letter ſealyd with the " ſeyd common Seal, the Maſter and al the Com- " pany ſhall receve him favourably, and there he " ſhal have every Weke xiiii. *d.* Houſe rome and " Beddinge, and a Woman to waſh his Clothys, " and to dreſſe his Mete; and ſo to continue Yere " by Yere, and Weke by Weke, durynge his " Lyfe, by the Grace of Almighty Jhu and Seynt " *Barbara*. Gevyne the firſt Day of *Decembre*, the " Yere of our Lord God M.CCCCC.XVIII. Sir " *Wyllyam Skevington*, Knyght, then beyng Ma- " ſter, and *Wyllyam Uxley*, and *Robert Fyſsher*, " Wardens."

Monuments in St. Katharine's.

There lie buried in this Church the Counteſs of *Huntington*, Counteſs of the *March* in her Time, 1429; *John Holland*, Duke of *Exceſter*, and Earl of *Huntington*, 1447, and his two Wives, in a fair Tomb on the North Side of the Choir, under a ſtately Arch.

Dame *Margaret*, Ducheſs of *Exeter*, bequeathed her Body to be buried in the Chapel within the Chancel of the College of St. *Katharine*, beſide the Tower of *London*; whoſe Will was proved *Anno* 1458.

The ſaid Duke of *Exceſter*'s Monument here is one of the antienteſt remaining within or about the City, excepting thoſe in the *Temple* Church: And, for the preſerving of the Memory of this great Peer, there hath been hung up, againſt a Pillar hard by, a Tablet expreſſing his Titles, his Offices, and who his Wives were, done by *John Gybbon*, *Blue-mantle*. The Effigies of him lying on the right Hand, and his two Wives on his left, are engraven in Stone, each with their Hands together in a praying Poſture. The Duke hath on his right Hand three Rings, one on his fore Finger, another on his fourth Finger, both worn under the ſecond Joint, and a third on the middle Finger, worn under the firſt Joint. His firſt

first Wife's Hands are broken. On the Fingers of his second Wife appear likewise three Rings, (which seems to have been the Fashion of the Nobility in those Times) the Ring on the fore Finger, and that on the fourth, being on the first Joint, that on the middle Finger worn under the second. Coronets on all their Heads.

There be also in this Church buried *Thomas Walsingham*, Esq; and *Thomas Ballard*, Esq; by him, *Anno* 1465. *Thomas Flemming*, Knt. 1466, *&c.*

More Monuments, and more modern, in this Church

Against this North Wall in the Chancel are these Monuments more modern: For *George Mountague*, Son of *Henry* Earl of *Manchester*, and Master of this Hospital. He repaired this Church. Buried *July* 23, 1681.

Margaret Garret.

Against the South Wall hangeth a Table for *Margaret Garret*, Daughter of *Robert Garret*, senior Brother of this College, and *Anne Mudd* his Wife. A Virgin above those of her Age, comely, tall, agreeable, proportioned in her Limbs and Body, amiable in the Lovelines of her Face. All those exterior were exceeded by her internal excellent Parts, and the Sweetness of her Disposition; beloved and lamented by all.

This *Jewel* (so her Name signifieth) died the twenty-fifth of *November*, 1683, in the Morning, being sixteen Years and eight Months old, and was born the twenty-fifth of *March*, 1667.

Dear was she living, but being dead more dear;
The Grief of very many made this clear.
Thus we by *Want* more than by *Having* learn
The Worth of Things, in which we claim Concern.

Joh. Gybbon *fecit.*

Johann. Gibbon *Collegii Heraldorum Socius, & Introductionis ad Latinam Blazoniam Author, ob eximium erga defunctam respectum, quam tanquam suam ipsius dilexit filiam, hoc tantillum* Memoriale *proponi voluit. Cujus Parentum Corpora in Ecclesia St.* Mariæ Aldermary *apud* Londinenses *reconduntur.*

Which Inscription may also serve for the Monument of the said *John Gibbon* himself, a Member of this Hospital, a Pursuivant named *Bluemantle*, of a great Age, of good Learning in History and Heraldry.

William Cutting, a good Benefactor, *March* 4, 1599, *Ætat.* 50.

Frederick Becker, a Gentleman of *Holland*, drowned by falling out of a Ship into the *Thames* near *Gravesend:* Died the thirtieth of *May*, 1663, *Ætat. suæ* 40. A Monument set up for him by *Adriana Vernatti. Joanna* Wife to *Joh. Rampain*, Gent. and Daughter to *Rob. Cæsar*, Esq; died in Childbed, 1694.

Grave-stones on the Ground: For *Tho. Edmanson* of this Precinct, deceased the eleventh of *May*, 1675. *Joseph Edmanson*, jun. the twenty-sixth of *March*, 1692.

Katharine Moor, 1667. *Charles Stamford*, Surgeon, 1668, and *Elizabeth* his Wife. *John Friend*, sen. the thirteenth of *October*, 1665; also *William Friend*, his Son, 1665. *Anne Jones*, born in *Anglesey*, 1665.

John Pexsail, Esq; and Serjeant of the Admiralty, *September* 17, 1625. He hath an Effigy in Brass.

Will. Pope, Gent. Serjeant of the Admiralty, and Bailiff of St. *Katharine's*, *November* 17, 1609, aged seventy-four, hath an Effigy in Brass. *Henricus Powys*, LL. D. *unus fratrum hujus Hospitii. Ob. Mar.* 14, 1698-9.

John Williams, Brewer, *March* 3, 1661, and *Alice* his Wife, *January* 29, 1660.

Jeremy Horsenayle, of this Parish, Brewer, 1692, and *Alice* his Wife, 1691.

Elisabeth Horsenayle, Wife of *Thomas Nasbet*, 1695.

Edwardus Lake, *S. T. P. Ecclesiæ Exon. Præbendarius, ejusdem Archidiaconus, primus S. Mariæ ad Montem, & S. Andr. Hobbard parochiarum unitarum diu Rector, hujus Ecclesiæ primus Frater*, &c. *Ob. Kal. Feb.* 1703-4. *Ætat. suæ* 63.

Judith, Wife of Capt. *Robert Fisher*, 1660. *Richard Fisher*, Brother of *Robert*, 1682-3. *William Ford*, 1699. *Richard Moor. Sarah*, Daughter of *Richard Moor*, Wife of *Nathaniel Fox*, late Carriage-Master to the Office of Ordnance. *Richard Moor*, sen. *Thomas Collins*, Surgeon. *Peter Verschel*, 1694. *Eleanor*, Wife of *Emanuel Dudson*, 1704. *Sarah Warner*, 1699. *Fredeswide Smith*, 1696. *Thomas Anderson*, 1696. *Elizabeth Debnam*, Wife of *John Debnam*, Merchant-Taylor, of the City of *Bristol*, 1702-3. *Robert Beadles*, Free-Mason, and Citizen of *London*, and one of his Majesty's Gunners of the Tower, 1682.

In this Hospital *Raimundus Lullius*, the famous *Hermetic* Philosopher, wrote his *Testamentum Novissimum*; as by the latter End of that Work appears. It may not be amiss to add, for the Honour of this antient House, that *Richard Verstegan*, that wrote the *Restitution of decayed Antiquities*, was born in St. *Katharine's:* Whose Grandfather, *Theodore Rowland Verstegan*, was of *Guelderland*, descended of an antient and worshipful Family, and, by Reason of the War, came into *England* the latter End of the Reign of King *Henry* VII. as the above-mentioned Gentleman, Mr. *Gibbon*, an Inhabitant of St. *Katharine*'s Hospital, hath informed me.

Rich. Verstegan *born in St.* Katharine's.

The Choir.

The Choir, which of late Years was not much inferior to that of St. *Paul*'s, was dissolved by Dr. *Wylson*, a late Master there, the Brethren and Sisters remaining. This House was valued at three hundred and fifteen Pounds fourteen Shillings and two Pence: Being now enclosed about with small Tenements and many Publick-houses, having more Inhabitants, *English* and Strangers, than are in some Cities in *England.*

Many of these Strangers had been Inhabitants of *Calais*, *Hammes*, and *Guisnes*; which Places being lost in the Reign of Queen *Mary*, the poor People, Tradesmen, and others, were glad to flee over into *England*; where, wanting Habitation, a Place belonging to St. *Katharine*'s (now a Lane) was allowed them, which, from the Countries whence they came, were called *Hammes* and *Guisnes*, and is the same with that Place which at this Day, by a strange Corruption, is called *Hangman's-Gains*, as I was once told by Mr. *Gibbon* aforesaid, one of the College of Heralds, and a learned Antiquarian; and he had it from Mr. *H. Sylliard*, once a Brother of this Hospital.

Strype. *A Place in St.* Katharine's called Hangman's-Gains.
